Senator Urges Drastic Defense Dept. Shakeup

WASHINGTON (AP)—Sen. Mansfield (D-Mont) said today a Senate probe of missile and satellite programs should result in a drastic overhaul of the Defense Department to "bring order out of chaos."

He said the top military command machinery "must be simplified and streamlined" to enable the nation to push ahead of Russia in the race for control of outer space and in development of long range missiles.

Criticism of the defense organization also was voiced by two other senators—Kefauver (D-Tenn) and Barrett (R-Wyo)—both members of the Senate Preparedness subcommittee which has been investigating U. S. missile-satellite programs.

In a copyrighted story in today's editions, the Washington Post said it had learned the top-secret Gaither Report recommended, among other things, a "sweeping reorganization of the Pentagon command system and of the current roles and missions of the armed services."

The Post story added that the report—prepared by a board headed by H. Rowan Gaither Jr., former Ford Foundation president—pictured the nation as being "in the gravest danger in its history."

The White House has called the document highly classified, and has declined to comment on its contents. The report is based on a study made for the Office of Defense Mobilization and the National Security Council.

Mansfield, the assistant Democratic leader in the Senate, said in an interview he believes the preparedness subcommittee will develop "some responsible recommendations."

The subcommittee, headed by Senate Democratic Leader Lyndon B. Johnson (Tex), recessed its hearings last Tuesday for the holidays. It will resume work in early January.

Barrett and Kefauver spoke in separate interviews. Barrett said he expects some major changes in the Pentagon organization to speed missile and satellite development. Kefauver said he regarded the present defense organization as "confusing and bureaucratic."

U. S. missile activity continued yesterday at the big test center at Cape Canaveral, Fla. The Air Force Thor, an intermediate (1,500 mile) range ballistic missile, was launched there, and the Defense Department later called the test a success.

Lone Juror Deadlocks Hoffa Case; Early Retrial Sought

NEW YORK (AP)—A lone juror, who held out against unyielding conviction sentiment of his 11 colleagues, early today brought the James R. Hoffa wiretap conspiracy case to a deadlock.

The federal court jury of seven men and five women was dismissed at 12:50 a.m.

U.S. Atty. Paul W. Williams said he would seek to retry the case as soon as possible.

"I didn't think the government proved beyond a reasonable doubt that a conspiracy existed," asserted the holdout juror, Earle T. MacHardy.

MacHardy, 49, is vice president of the Refined Syrups & Sugars, Inc., of Yonkers.

On trial with Hoffa were Owen B. Brennan, president of Detroit Teamsters Local 337, and Bernard Spindel, a professional wiretapper.

They were charged with conspiring here to tap illegally telephones in the Detroit Teamsters building to find out what information union subordinates were giving to official racket investigators. Conviction carried a maximum penalty of one year in jail and a $10,000 fine.

The jurors began their deliberations at 4 p. m. Wednesday and were dismissed at 12:50 a. m. today. The trial began Nov. 22.

U. S. Atty. Paul W. Williams told reporters: "There certainly will be another trial of this case and I shall try to have it brought to trial at the earliest practicable time."

Highly elated at the deadlock, Hoffa shook hands with his lawyer, Sol Gelb, and raced from the courtroom to phone his wife, Josephine, in Detroit.

Judge Frederick VanPelt was informed by note late last night, that 11 members were "in accord with a decision" but that one juror "will not give credence to circumstantial evidence."

Bryan summoned the panel and the jury foreman, Mrs. Lillian Doren, a Park Ave. receptionist, singled out juror Earle T. MacHardy.

Machardy said he was attempting to resolve certain questions involving circumstantial evidence.

The 44-year-old Hoffa is charged in another indictment with committing perjury five times before a federal rackets grand jury in New York last April 3. The case has not been tried. Conviction could mean a sentence of up to 25 years in prison.

While Hoffa was on trial here, a Federal District Court hearing began in Washington on charges by anti-Hoffa teamsters that his election as union president was rigged.

Hoffa has been prevented by court order from taking office until the Washington case is decided.

SPOT MUSE

THE DAILY NEWS must have been too conservative in yesterday's story on the freak sandstorm and weather which blew in here yesterday morning.

In the story the wind velocity was reported to have reached 55 miles per hour in gusts.

But word reaches us that Jim Wadleigh, local building contractor, who was en route to Abilene during height of the storm, was driving 60 miles per hour and some tumble weeds passed his car.

However, there have been no reports of tumble weeds receiving speeding tickets from traffic officers in this area.

Warning On Fire Hazards Issued Here

A warning to everyone to be extremely careful with fire and Christmas trees and decorations during the next few days was issued by D. A. Porter, fire chief, today.

"Christmas trees are beginning to dry out, and resin and other tree saps are draining from the leaves and branches now, and the saps are extremely inflamable," Porter said.

Lights should be checked to see that none are hot, because even a hot light bulb will set fire to the saps from the trees and the dry tree will almost explode into flames, Porter said.

He also warned that many sprays used in coloring or decorating trees are highly inflamable, even paints such as aluminum paint will burn if not thoroughly dired out before lights are strung over the tree.

Another hazard is plastic trees, which are highly inflamable, but also emit a deadly gas when burning or melting.

"The plastic does not have to actually flame to emit the poisonous gasses," he said. "The gas is emitted when the tree melts, and some plastic trees and other plastic decorations will melt at extremely low temperatures."

"A fire — even a small fire — in the home can completely ruin Christmas for a family," he said.

Margaret Asked To Narrate Jazz Album

LONDON (AP) — The Daily Herald said today Princess Margaret has received a request from an American record firm to be narrator on a record album of jazz.

The 27-year-old Margaret, who has just been made an honorary doctor of music by London University, is a jazz enthusiast and a talented pianist — with emphasis on modern musical moods.

The Herald said a proposal that she make recordings came from the Tops Record Co. of New York which, it stated, is planning an all-nations record album of jazz.

Equipment Is Sold At Discount, Probers Say

DALLAS (AP)—The Senate Investigating Committee accused State liquidator J. D. Wheeler's department today of selling office equipment from bankrupt insurance companies to a key state employe at a tremendous discount.

In its second day of questioning the liquidator, committeemen bore down on what they alleged was his mishandling of some receivership cases.

Sen. Frank, Owen of El Paso drew from Wheeler the information that the liquidation department "always" got an appraisal of such equipment and never sold it below the appraised cost.

"I believe if you will look at your records, Mr. Wheeler, you will see that 20 new automatic typewriters costing about $2,500 each were sold for $100 each," Owen said.

Then he asked if Wheeler knew of the E&I Duplicating Co. of Austin, which he said bought the typewriters.

Wheeler said he never heard of the firm.

"I believe that you will find that Jess Irwin, the governor's budget director, is the 'I' in the 'E&I'," Owen said.

A distinct hush fell over what had been apparent routine questioning of Wheeler.

"I didn't know that," Wheeler said, apparently taken aback.

Owen asked that Wheeler telephone his office in Austin as soon as he left the witness stand to see if he could obtain more information about the transaction.

This development occurred as the committee turned full attention to its oft-repeated charges that the State Insurance Department has been lax in handling Texas insurance code violations.

Public Offices Set Christmas Schedule

A change in city garbage pickup next week, and changes in the schedules of most public offices will result from Christmas next week, officials said.

Earl Davis, city sanitation superintendent, said that there will be no city garbage pickup next Wednesday, and that persons whose garbage is picked up tomorrow should get rid of as much garbage as possible then so that their containers will be sufficient to hold their garbage until the following Saturday.

No uniform Christmas holiday closing of offices will be observed, with each office closing in accord with the public demands of the office.

The federal farm offices will be closed only Tuesday and Wednesday.

The county agriculture agent and county home demonstration offices will be closed from this afternoon through Jan. 1.

Closing at noon Monday through Wednesday will be offices of the county attorney, county school superintendent, county treasuer, city-county health unit, district clerk and county auditor.

Closing all day Monday through Wednesday will be the offices of the State Welfare Department.

Closing Tuesday and Wednesday will be the offices of the county clerk and justice of peace.

Tuesday afternoon and Wednesday the district attorney's office and county judge's office will be closed.

The district judge's office will be closed Monday through Wednesday, with the possible exception of hearing of some non-jury court actions early in the week.

The county tax office will be closed Tuesday, Wednesday, and Thursday, and may possibly close early Monday so everyone having business in that office is urged to transact it as early Monday as possible.

The Chamber of Commerce office will be closed Tuesday and Wednesday.

All law enforcement offices and the city fire department will continue on a round-the-clock basis throughout the holiday period, however.

CALL IS ISSUED FOR PETITIONS

A call has gone out urging perons circulating junior college petitions to turn them in by 5 p.m. today.

The junior college steering committee hopes to begin a tabulation of the petitions this evening. The committee has asked that petitions be turned in, either at the Chamber of Commerce office, or to Wayne Boren, committee chairman, at the Snyder Insurance Agency.

The committee is seeking to get the petitions completed before Christmas so that they may be presented to the State Board of Education at its January meeting. Signatures of approximately 500 tax-paying voters are needed on the petitions.

Ike Arrives After Three-Hour Delay

WASHINGTON (AP) — President Eisenhower returned to Washington at 9:33 a.m. today after a week's trip to Paris where 15 NATO allies drafted a blueprint for coping with the Communists in the missiles age.

Eisenhower's plane was delayed more than three hours by 80-mile headwinds.

It made refueling stops at Keflavik, Iceland, last night and at Harmon Air Force Base, Newfoundland, this morning.

A delegation of about 50 U.S. and foreign officials greeted Eisenhower on his arrival in a light drizzle.

Vice President Nixon led the American group at Washington National Airport. The delegation also included Christian A. Herter, undersecretary of state; Harold Stassen, disarmament aide; and George V. Allen, head of the U.S. Information Agency.

Eisenhower's plane, Columbine III, flew at a maximum altitude of 13,000 feet both ways across the Atlantic. The pressurized cabin was kept at the equivalent of sea-level pressure.

Eisenhower was smiling as he left the plane.

His first greeting was to Mrs. John S. Eisenhower, wife of the President's son and temporary aide.

Then he shook hands with Nixon and the other members of the welcoming group.

In spite of the drizzle, the President took off his gray homburg.

At the end of the receiving line he turned around and calk to the group: "Thank you very much."

The President drove immediately with his son and daughter-in-law to the White House from which he and Secretary of State Dulles will report to the nation by radio and television Monday night on the Paris meeting.

West Texas Area 'Digs Out' After Damaging Sandstorm

Snyder area residents were digging out of the sand today, as calm, clear weather prevailed in wake of a battering dust storm.

Minor damage from Thursday's high winds was inflicted upon outside Christmas decorations, television antennas, windows, etc.

Chamber of Commerce decorations in the business district took a beating. Some of them were blown down, while others were frayed by the high winds.

The norther which kicked up the dust-brought colder temperatures. The low reading here last night was a chilly 24 degrees, while the reading at 7:30 a.m. today remained at 25 degrees.

By The Associated Press

A fast-moving cold front that set off a siege of furbulent weather blew into the Gulf Friday, leaving clouds of dust swirling in its wake.

Dust whipped by winds up to 60 miles per hour continued to obscure vision, east and south of a line from Longview to Austin to a point south of Laredo.

Heavy clouds of choking dust enveloped northern Texas Thursday as the front cut through the state. Thunderstorms erupted in East Texas, wrecking a number of buildings.

Fires fanned by strong winds caused heavy damage at two cotton gins near Lubbock and Floydada.

The Weather Bureau said the front moved into the Gulf during the night, however, and the dust should clear Friday. The forecast was for fair weather throughout the state through Saturday. Temperatures were expected to remain cool, dropping into the 30s in the Panhandle Friday night and in the 40s elsewhere.

The duster cut visibility to a half mile in Dallas and a fourth mile at Wink Thursday. A forecast for possible tornadoes and severe weather for extreme northeast Texas expired at 11 p.m. Thursday.

Thunderstorms were general over East Texas. One dumped .35 of an inch of rain at Palestine and wrecked garages at two homes.

Light rain also fell around Texarkana, College Station, Houston, Waco, Kenedy and San Antonio.

Winds up to 53 miles per hour caused minor damage to Christmas decorations at San Angelo. High winds blew down utility wires, tree limbs and part of a roof in Dallas.

Predawn temperatures Friday ranged from a subfreezing 22 degrees at Dalhart to 58 at Brownsville.

Afternoon temperatures Thursday ranged from 47 at Amarillo to 78 at Brownsville.

Overnight temperatures included Lubbock 24, Amarillo 25, Midland 32, Abilene and Big Spring 34, Dallas 46, San Antonio 43 and Houston 51.

Rainfall reports included Beaumont .29 of an inch, Texarkana .10, Houston .07, Palacios .06, Galveston and Lufkin .03 and San Angelo .02.

Car Demolished In Mishap Near Snyder

There was no injury, but considerable damage to a car, in a one-car accident this morning north of Snyder.

The accident occurred about 10 miles north of here on the Clairemont road at about 8:15 a.m. today.

Larry R. Page, 17, Clairemont Route, was driver of the 1951 Ford sedan which overturned. Damage to the car was estimated as total by Jesse Minton, sheriff's deputy who investigated.

Minton said Page was driving behind a truck which was making a wide right turn. Page thought the truck was turning left, and when he discovered it was turning right he hit his brakes and lost control. The car overturned, and the top was mashed flat.

Report Shows Living Costs Jumped Again In November

WASHINGTON (AP)—The government reported today that living costs rose again substantially in November. A month earlier, they had leveled off after a steady 13-month climb.

The November rise of four-tenths of one per cent means a pay increase for one million workers effective Jan. 1. Most of them, mainly in the steel and aluminum industries, will get a five-cent-an-hour boost under labor contracts tieing wages to price levels.

The November increase brought the Labor Department's living cost index to 121.6 per cent of the 1947-49 average. This is 3.2 per cent higher than a year ago.

Ewan Clague, Bureau of Labor Statistics commissioner, attributed the November rise primarily to higher prices for new model automobiles although prices of clothing and services generally also increased.

Without the auto price hikes, Clague said, living costs would have risen only slightly if at all in November. The November new car prices were 11.5 per cent above those in October.

Prices of food declined by three tenths of one per cent, reflecting seasonal declines in prices of pork, fresh fruits and eggs.

Clague said living costs for December will show little change from November, and that he anticipates a slight decline in January. He said the consumer price level beyond January will depend on the business situation generally and how this is translated into prices.

Clague said food prices have about reached their winter downpoint and probably will begin increasing in early months of next year, but that automobile, appliance and clothing costs may come down in the after-Christmas sales.

Wage increases of about five cents an hour based on the new living cost figures will go to about 700,000 workers in the steel and related industries, and to about 100,000 workers in the aluminum and metal container industries. These are based on semiannual adjustments of wage rates according to living cost changes reported by the government.

About 120,000 workers in the meat packing industry are to get about four cents an hour under another semiannual "escalator" pay adjustment.

And 100,000 other workers, mostly in the aircraft industry, will get a one-cent hourly raise based on a quarterly adjustment keyed to today's index figures.

Violent Weather Raps Big Section

By The Associated Press

Heavy thunderstorms rumbled across the storm-stricken sections of Southern Illinois into Northern Alabama today, but the threat of further tornadoes appeared ended.

The all-clear weather bureau bulletin near midnight followed two day's of violent weather, with more than a score of tornadoes ripping across sections of Illinois, Missouri, Arkansas and Indiana.

The vicious twisters killed 15 persons and injured more than 250 others. Hundreds were made homeless and property damage was in the millions of dollars.

The thunderstorm area tended from eastern Kansas and Oklahoma eastward through the Ohio Valley and Lower Great Lakes region into western sections of the Mid and South Atlantic Coast states.

In the far Northwest, light snow fell inland from eastern Oregon and Washington through the northern and central Rockies.

Wet weather was expected to spread during the day over the Atlantic Coast states, the Ohio Valley and most of the Great Lakes region. Colder air headed southeastward in the central part of the country and heavy snow was in prospect from Iowa into Minnesota. The cool air in the central region was expected to spread from Lower Michigan through Illinois, Missouri and Arkansas.

Except for the South Atlantic Coast states, generally clear skies were predicted in the southern third of the country.

Lumber Destroyed At Church Building Site

Fire destroyed some lumber at the building site of the Morningside Baptist Church, Thirty-sixth Street and Avenue B, about 4:30 o'clock yesterday afternoon.

D. A. Porter, fire chief, said that most of the lumber was used, but that it was to have been reused in construction of the church building.

It's A Good Day After All

SAN FRANCISCO (AP) — It was raining and the Salvation Army worker hadn't done so well ringing her bell by her copper Christmas kettle.

On her way to headquarters with the kettle last night, she wished a cheery "merry Christmas to office workers hurrying for home. A man stepped from the stream of pedestrians and asked:

"Have the kettles done very well today?"

"No, I'm afraid the weather is too bad," replied Mrs. Barbara Vlunova.

The man dropped two $100 bills into her kettle.

"Don't let this get wet then," he said, and disappeared.

Deb Has Eyes On Aga Khan

LONDON (AP) — The Daily Mail said today an 18-year-old English debutante with a yen for Italian culture may become the bride of the Aga Khan.

It named Patricia Rawlings, daughter of a London textile magnate, as the girl who may become the next Begum Aga Khan.

The Aga Khan, 21, handsome head of the 20-million strong Ismaili Moslem sect, is one of the world's most eligible bachelors.

He is in Geneva.

The Aga Khan's name has lately been linked by London gossips with other beauties, including Sylvia Casablanca, 17-year-old daughter of a Mexican inventor. The Aga Khan danced a great deal with her at his big 21st birthday party in London last week.

Miss Rawlings has blue eyes, raven hair and a piquant, elfin face. She went to Florence to study last summer.

Lincoln Loses 2 To Lamesa

The Lincoln Trojans lost both games of a basketball doubleheader with Lamesa here last night.

Lamesa won the boys game, 51-42, and the girls game by 24-18.

Lloyd Hood and Randolph Williams led the Trojan boys with 12 points each followed by J. B. Archie with eight. Frank Davis was high for Lamesa with 16.

The Trojans outscored Lamesa, 18-5, in the last quarter but it wasn't enough.

Maxine Cobb with 12 and Karen Sue Gibson with four points were the top Trojanette scorers. C. Fleming led the Lamesa lasses with 13.

Next on tap for Lincoln will be at Odessa, Jan. 3.

Rites Held Today For Mrs. Moon, 66

Services were held at 10 a.m. today at Bell Funeral Home chapel for Mrs. Annie Lee Moon, 66, of Abilene, formerly of Snyder, who died Wednesday in an Abilene hospital.

The Rev. Douglas Crow, pastor of the First Baptist Church at Norton, officiated in services. Burial was in Snyder Cemetery under direction of Bell.

Pallbearers were Tollie Faver, J. E. Shipp, H. H. Eiland, Amos Joyce, Jack Inman, and Giles Bowers.

GOP Plans State Slate

DALLAS (AP)—Texas Republican Chairman Thad Hutcheson said today more GOP candidates will be running for state offices next year and in 1960.

Hutcheson said he doesn't feel the use of federal troops in the Little Rock integration troubles will result in a permanent setback for the GOP in Texas.

"The real setback from the Little Rock incident is to the cause of states' rights," he said. "This should have been anticipated by Arkansas leaders who precipitated the headon clash between state and federal power while refusing to support their own local school board."

Hutcheson said in Texas, "People basically recognize that the Republican party is the more conservative of the two major parties, although not conservative enough to satisfy many Texans."

Services Are Held For Mrs. Burney

Funeral services were held at 2 p.m. today at the Twenty-ninth Street Church of Christ for Mrs. W. F. Burney, 82, who died Wednesday in Lubbock.

Mrs. Burney was a longtime Scurry County resident. O. D. Dial of Roby officiated at services, assisted by Glen Pace, minister at the Twenty-fifth Street Church of Christ. Burial was in the Ira Cemetery under direction of Bell Funeral Home.

Pallbearers were grandsons and great-grandsons, Joe Rue Burney, Bud Burney, Linnon Burney, J. W. Warren, Birdwell Burney and Wayland Burney.

Yule Party Held In State Hospital

BIG SPRING (AP)—Wards of the Big Spring State Hospital echoed of Christmas festivities last night as civic organizations from eight West Texas cities gave 12 simultaneous Christmas programs.

Mrs. Ira Thurman, coordinator of volunteer activity, said about $3,000 was spent in the area's "biggest" Yuletide party. Clubs from Big Spring, Coahoma, Stanton, Snyder, Colorado City, Lamesa, Midland and Odessa participated.

Patients were given gifts.

Turkey is spending 180 million dollars for port and harbor constructions.

GOC WINGS AWARDED—Four members of the Snyder unit of the Ground Observer Corps are shown above receiving their wings for service in the GOC here. To be eligible for the wings each member must have been on active observation at a GOC post for a total of at least 20 hours. Presenting the wings above is Sgt. Alfred Buchalter, Lubbock area representative of the Dallas Air Defense Filter Center. Getting the wings from left are Mrs. M. L. Andress, who also received a certificate, Mrs. B. M. Deloach, Mrs. William Larsen, and Mrs. Earl Stubbs. (Lee Watson photograph)

Two Linked To Agitation Are Deported

LAREDO, Tex. (AP) — Two naturalized Americans, linked by officials as part of a group financing Communist agitation in Mexico, were deported through here yesterday.

The Interior Department in Mexico City announced the action last night. Chief Immigration Inspector Jose T. Santillan identified the men as Max Schlafrock Lederman and Samuel John Novick.

U.S. Immigration authorities could not be reached immediately for comment on their whereabouts today.

Santillan said the deportation was for violation of immigration laws and not as a direct result of the alleged Communist connections.

He said they came to Mexico City as tourists in 1953 and later obtained permission to work as technicians. Santillan said the fact that they both owned the businesses they managed was a violation of their permits.

The inspector said intensive investigation disclosed that Lederman and Novick were among the principal leaders of Communist agitation and Red espionage.

Santillan said behind "the appearance of honest industrialists, they were managing the enormous sums of money that the Communists were channeling in our country."

He said the pair admitted in writing their activities were different from those claimed in obtaining authorization to remain in the country.

Santillan said Lederman was born in Poland and Novick in Russia.

Dallas Man Slays Family, Then Self

DALLAS (AP)—A utility company executive shot and killed his wife and two young sons yesterday, then placed the gun against his temple and killed himself.

Police of fashionable Highland Park suburb said there was no outward motive for the slayings.

Dead were James Ramsey, his wife, Ruth; both 46; and their two sons, James, 13 and Dick, 8. Ramsey was a tax officer with the Texas Power & Light Co.

He was a Marine Corps officer during World War II.

Peace Justice Glenn Byrd said he would return a verdict of murder and suicide. A .45 caliber automatic was found under the father's body.

Bodies of the victims were found still clad in pajamas about 7:20 p.m. last night. Police said all had been shot about 12 hours earlier.

Inside the living room of the comfortable brick home, a gaily decorated Christmas tree stood near the fireplace. A lone package lay beneath it.

Breakfast dishes were still on the table. The parents apparently had risen before the children and breakfasted on toast and coffee.

A cigarette stub floated in a half filed coffee cup.

Ramsey and his wife were found lying side by side in a hallway. Police found the body of James in the doorway of one bedroom and that of Dick on a bed in a back bedroom.

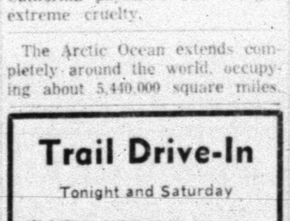

Mrs. Ramsey had been shot twice in the abdomen. Dick suffered two gunshot wounds in the heart and James was struck twice in the back.

Discovery was made by Roger Lawson, district route delivery supervisor for the Dallas Times Herald. He called at the home to inquire why James, a carrier, did not make his deliveries yesterday afternoon.

Neighbors, relatives and family doctors said they knew of no reason for the slayings.

Texas Methodists To Begin New Year In Their Churches

From every walk of life, Texas Methodist will gather in city, town and rural churches at 11 p.m. on Tuesday, Dec. 31, to launch the "Tell Texas About Christ" evangelistic campaign to be conducted throughout the state in 1958. For the first time in history, says Quay Parmer of Fort Worth, director of the campaign, every Methodist church in Texas is being asked to have a New Year's Eve communion and watch night service.

By television, radio, movie screen and all other available forms of communication, an invitation is being issued to active and inactive Methodist, the unchurched and the general public to worship in a Methodist church on New Year's Eve. All services will be designed to launch the 12-month campaign which has as a goal the reaching of every inactive Methodist and unchurched person in the state and presenting them with the challenge of active participation in some local church.

Each service is to feature a message by Bishop A. Frank Smith of Houston, or Bishop William C. Martin of Dallas, who head Texas Methodists. Other features will be determined by individual pastors.

Plans also call for a prayer vigil in each Texas Methodist church beginning at 12 noon and continuing until 11 p.m. on Dec. 31.

Other scheduled events of the year's crusade include an All-Texas Census on Sunday, Jan. 26. Area responsibilities will be assigned to each church, so that every home can be reached and information recorded concerning unidentified and potentially Methodist families.

On Sunday, March 2, Texas Methodist will join in "One Great Day Of Witnessing." On that day, local church representatives will be knocking on doors throughout the state to invite thousands to accept Christianity and become active Methodists.

TO INVITE THOUSANDS—Madri Jones will be serving as the official hostess for Texas Methodists during the remaining days of December as she enters thousands of homes across the state via radio and television to invite Methodists, the unchurched and the general public to worship at a watch night service in some Methodist church on Tuesday, Dec. 31, at 11 p.m. She will also give her invitation on movie screens in theaters throughout the state. For the first time in history, believe leaders, every Methodist church in Texas is expected to have a watch night service. All services will be designed to launch the "Tell Texas About Christ" evangelistic campaign to be conducted in the state during 1958.

Many Angles To Picking Right Gift

By VIVIAN ROWN
AP Newsfeatures

If you are giving a gift to someone for Chirstmas, take some pleasure in the giving. Plan it out carefully, shop for it yourself, and wrap it prettily. A gift should not look like it was a "command performance."

Buy yourself a small notebook. Mark it: Christmas, 1957. List the names of all those to be gifted, and next to the name, a gift suggestion. This list will come in handy next year, so that you will not give the person a similar gift, unless there is a good reason. Handkerchiefs can become redundant in some Yule stockings. The notebook may be used also to list what the person gives you.

What does she he like? Is there a hobby? Do they need something special? These are questions to be asked before planning the gift.

Does she like clothes? If so, sports shirts, sweaters, long red baby-type pajamas, black skintight lounging pants in suede, velvet or corduroy are sure-fire gifts. Put monograms on anything you buy her this year.

Is he a clothes horse? Ties, socks, shirts, sweaters — including the new fisherman sweaters are all likely gifts. Anything hand made pleases a man.

Does jewelry give her a lift? Charms are high on the list of feminine favorites. Silver bracelets are fun and inexpensive and she can never have too many. Good earrings are the order of the day.

Is she away at school? How about jars of snacks, potato chips, pickles, olives, sardines, crackers all packed and ready to go to a party, maybe even with napkins?

Does she travel? A little kit complete with folding clothes hanger, bathroom wash line, toothbrush, hair net, curl pins, wash cloth with initials may be put together yourself. Buy a plastic zippered bag and equip it, maybe initialing it.

Love that record player? He or she may go for some of the new albums — "Dance to the Music of Lester Lanin" and you can always say you were there. Lanin is one of Society's favorite (and most expensive) dance bands. "Dukes of Dixieland" is a hi-fi album that goes up to 25,000 cycles per second. "Berkshire Bell Ringers," recording the full, resonant sounds of the handbell is an ideal recording for a Merry Christmas gift. An unusual recording is one of "Railroad Sounds," steam and diesel. The record captures the romantic sounds of the railroad.

If she entertains at home, she may like napkins with her name imprinted, a milk glass punch bowl (fun to load with ice cream, or use it for lemonade. It tastes better when you dip it out,) ice cream soda glasses in their metal jackets, a case of her favorite soda pop, a gift certificate to the grocery store (not too far-fetched when you think of the high cost of party-giving these days.)

Cake Failure Solved

Test kitchens proved that some angel food cake failures are caused by oil or grease on bowls, beaters and pans. Thoroughly wash all utensils used in making sponge type cakes. Use very hot water and generous suds for thorough cleansing. It is best to use metal, glass or crockery mixing bowls for these cakes as grease has a tendency to adhere to plastic.

Those washable nylon scoopneck blouses woven with glitter are perfect for holiday wear with a circular skirt. And, of course, easy on the upkeep.

In The Spirit Of Christmas . . . Homemade Candy And Hot Coffee

CHRISTMAS wouldn't be Christmas without homemade candy especially the kind that goes so well with steaming coffee. Nut brittle is always wonderful, creamy chocolate is marvelous, and a combination of the two is indescribably delicious! Here's the recipe for that goody called Chocolate Nut Crunch.

Can you imagine a more scrumptious mixture than old fashioned, chewy brittle, topped with rich chocolate, then covered with chopped nutmeats? Indeed, Chocolate Nut Crunch would tempt the most reluctant sweet tooth! It would also attract the busiest homemaker, since it's just about the easiest candy imaginable. As a matter of fact, you could make it in just about the time it takes to stuff a stocking.

Once you've put a plate of Chocolate Nut Crunch within easy reach, be sure to start a big pot of coffee. When holiday callers drop in, a cup of fragrant coffee and a few pieces of homemade candy are a fine way to say, "Welcome!"

CHOCOLATE NUT CRUNCH

1 cup butter or margarine
1 cup sugar
½ cup coarsely broken mixed nutmeats
½ teaspoon vanilla
3 squares (3 oz.) semi-sweet candy-making chocolate
½ cup finely chopped mixed nutmeats

Melt butter or margarine and add sugar gradually; stirring until well blended. Cook, stirring constantly, to 300 degrees. (Turns brittle when a drop is tested in cold water.) Remove from heat, stir in broken nutmeats and vanilla. Pour out on cookie sheet lined with buttered wax paper. Spread thinly and let cool 10 minutes. Melt chocolate and spread over surface of brittle. Sprinkle with chopped nutmeats. When cold, break into small pieces. Makes about 1¼ pounds.

Mrs. Wiley Brice Hostess To Church Group

Fruit cake and coffee were served to the following, Mrs. Womble, Mrs. Ray Lunsford, Mrs. Bill Young, Mrs. Elzie Ledbetter, Mrs. R. S. Davis, Mrs. Wanda Myers, Mrs. James, Mrs. Lenamon, Mrs. J. J. Hall, Mrs. Ennis Woodson, Mrs. W. H. Varner, Mrs. Dee Myers, Mrs. J. B. Adams and Mrs. Brice.

Sew With Cottons

Cotton has always been a leader in summer fashions. Now there's a host of fabrics that can be worn fall, winter, and spring. Knits are the newest of the three-season cottons — available in yard goods and ready-to-wear. Pattern companies even offer special designs, including dress and coat ensembles and tailored dresses that can be made from cotton knitted fabrics. Velveteen and corduroy — plain or printed — are other cottons available in yard goods this time of year.

Stuff About Stuffing

Stuffing should be removed from the turkey soon after serving and kept in a covered dish in the gas refrigerator. It spoils very quickly if kept at room temperature for a period of time. Use left over stuffing within two days.

QUESTION: Why did Joseph have to go to Bethlehem?

• • •

ANSWER: The census taker, making his rounds from door to door with a huge notebook, has become a familiar if only occasional figure on the American scene. But 2,000 years ago the system worked differently. Instead of the census taker coming to the house, you had to visit him at a recording station. Just before the Christ Child was born, Roman Emperor Caesar Augustus decided to make a very detailed census of his subjects and territorial possessions. Heads of families were ordered to go to their birthplaces and enroll in the census. Joseph the carpenter, being a member of the family of David, had to go to Bethlehem, his birthplace. At the time, he was working in the town of Nazareth in Galilee. An obedient, conscientious citizen, Joseph immediately set out with Mary for Bethlehem, many miles distant, and it was there that the Child was born.

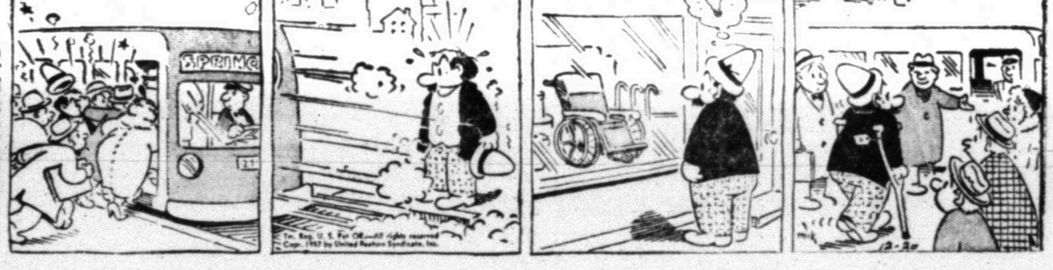

• • •

FOR YOU TO DO: Here is Joseph kneeling at the crib. Cut out and color this drawing and add it to the previous figures saved for your Nativity scene. In the background is an outline of how the various pieces should be fitted together for the best effect. Tomorrow the series will conclude with the Mother and Child. You will then have a complete Christmas creche to place under your tree. Colored lights and cotton batting will further add to the beauty of your display. (Tomorrow: The Nativity.)

BUCKIN' THE LINE

By BUCK FRANCIS
News Sports Editor

THE TIGER BASKETEERS have been relegated to the No. 4 spot in the pre-season ratings by Jimmy Browder of the Abilene Reporter-News staff.

Browder picks Colorado City to emerge with the District 3-AAA crown. Then he has Sweetwater, Lamesa, Snyder and Lake View in that order.

Colorado City gets the nod mainly because she has all her starters back from last year's team. Then the Wolves have a 6-1 record to date.

Sweetwater carries an 8-2 record at the moment and is being given a chance to come up with the crown this season.

There's no doubt about it, the Tigers are due to find rough sledding in the 3-AAA cage circles this season. Coach J. P. Ward has had to start virtually from scratch in moulding this year's qint as all of last year's regulars are gone.

The Tigers have shown some signs of becoming a serious contender despite their 3-5 record to date. Four of the five Tiger losses have been by seven points or less.

And the only team that has bested the Tigers by more than 10 points, San Angelo, lost to the Tigers in a second go. San Angelo won the first game, 49-32, but the Tigers got revenge, 52-40.

If the Tigers can overcome their fourth quarter "jinx," they might be the surprise team of the district before the firing has ceased on the 1957-58 season.

Tigers Playing 'Em Close

In three of their last four games, the Tigers have led after three quarters of play only to lose in the final period.

Against Tulia, the Tigers led 33-30 at the third quarter mark in the Canyon Reef tourney only to lose out in the final go-around 47-40.

Then against Kermit Tuesday night, the Tigers led 30-29 after three quarters after leading by eight points at half-time, 20-12. But once again the Tigers were nosed out in the fourth, 46-42.

It was virtually the same story last night when the Tigers were nipped by Midland, 54-48. The Bengals led at the end of the first three quarters, 14-10, 23-16 and 42-40, only to see Midland pull the game out in the final eight minutes.

You can see the Tigers are playing 'em close to the belt and with this in mind, we aren't counting the Black and Golders out of the 3-AAA championship running, yet.

Experience is what the Tigers need badly at the moment and they are playing enough games to get this experience.

The Bengals will gain a lot by playing Borger tonight even though they may not come close to winning. Borger, long a powerhouse, has one of its better teams this campaign. The Bulldogs return three starters from last year that tied Pampa for the District 3-AAAA crown.

Pick Scotties, Nederland

Here we are in the final week of the high school football season. It doesn't seem like the curtain should be falling on another schoolboy season. It seems like it was only two or three weeks ago when we boarded the Special Train to Borger for the Tiger season opener.

Well, the end comes this weekend when state championship games, Class AA and A, will be played in Waco while the upper division champs will be played on fields about 10 miles apart.

Sweetwater goes to Nederland and Highland Park to Port Arthur for the 3A and 4A title games respectively.

Sweetwater will go into the game at Nederland the underdogs but there are a lot of critics who say the Mustangs can turn back the undefeated Bulldogs.

The Mustangs, however, won't get much time to get accustomed to the south Texas climate as the Ponies aren't leaving until tomorrow for Nederland. The Ponies will fly to the game site.

But 10 hours doesn't give one much time to get accustomed to the weather down there. Then, too, some of the Mustang players may get "air sick" and won't be in top condition for the game.

This move, of course, is being made for financial reasons but a team doesn't get to the state finals every year and it looks like every precaution should be taken to see that everything will be in order for the title game, regardless of cost.

Here quickly is the way we see the title games:

Class A — White Oak 14, Mart 13.
Class AA — Terrell 27, Brady 20.
Class AAA — Nederland 20, Sweetwater 13.
Class AAAA — Highland Park 21, Port Arthur 14.

DRIBBLING UNDER—Dwayne Merrit, No. 11, Tiger forward, has just dribbled around a Midland Bulldog and is going up for a shot during third quarter action here last night. Looking on are Leon Reed, No. 25, of the Tigers; Buddy Rumsey, No. 88, of Midland; and Dick Campbell of Midland (under basket). Midland rallied in the fourth quarter for a 54-48 triumph. (Lee Watson photograph)

Tiger Quint Drops Another Toughie; Midland Wins 54-48

By BUCK FRANCIS

The fourth quarter "jinx" continued to haunt the Tiger basketeers last night when the Bengals blew a third quarter lead in bowing to the Midland Bulldogs, 54-48, at Tiger Gym.

The Tigers, after going scoreless for the first 3:30 half minutes of play, built up a 23-16 halftime lead and were still leading by two points at the end of the third period, 42-40.

But the Bengals couldn't hold their pace in the final quarter and the visiting Bulldogs overtook the Black and Golders with five minutes left in the game and then held on to the finish.

It was the third time in the last four games the Tigers led going into the final quarter only to lose.

Ball handling once again was the Tiger downfall in last night's tilt. The Bengals lost the ball no less than 16 times because of bad passes or travelling with the ball.

The Tigers led 14-10 at the first quarter mark and were never headed until the final five minutes of play.

The score was tied five times in the first quarter before the locals pulled away. The count was deadlocked at 2-2, 3-3, 6-6, 8-8 and 10-10 with the Tigers scoring four points in the final 30 seconds to take the lead at the quarter mark.

Bill Phillips broke the 10-10 tie with a fielder to miss 10 straight free tosses, hit two charity tosses with five seconds left to make it 14-10.

Midland never got closer than four points of the Tigers in the second quarter and the Bengals once extended their lead to nine points, 23-14, with 4:10 minutes left in the first half.

Both the Tigers and Bulldogs hit a "cold" streak at this point as only two points were scored in the final four minutes of the half, those by Midland that narrowed the gap to 23-16.

Midland rallied quickly in the third quarter to pull to within two points of catching up, 26-24, after two minutes of play and then took the lead for the first time since the opening moments of play, 30-29, on a fielder by minutes left in the third.

Israel Hinojos, who came off the bench to lead the Tigers in scoring with 13 points, got the lead back for the Tigers with a fielder 10 seconds later, 31-30. Vice hit a free shot to make ti 32-30 before big Mike Humphrey tipped one in to tie it at 32-32.

The lead switched back and forth during the next two minutes before Merritt dropped in a field goal to put the Tigers ahead, 36-35, with 2:20 left in the third.

Two free throws by Phillips and a field goal by Hinojos made it 40-36 but Midland came back with a field goal by Dick Campbell and two free shots by Mike Scobey to tie the count at 40-40.

Vice pumped in a fielder to hike the Tiger lead to 44-40 in the opening minute of the fourth period.

But the Tigers went scoreless the next 3:45 minutes and Midland took advantage of this cold spell with a fielder to cut the Midland lead to 48-46 with 2:50 minutes left.

Midland jumped her lead to 52-46 with two minutes left in the game and virtually icing the decision away.

Hinojos was the only Tiger in double figures but Midland had four in twin figures. Geisley, Humphrey and Poteet each scored 11 points and Scobey followed closely wth 10.

The Tigers missed their chance to win the game at the free throw line. The Bengals hit only 16 of 33 chairty tosses for 47.8 percent.

In field goal attempts, both teams had about the same percentage, the Tigers hitting 16 of 48 for 33 percent to 20 of 58 for 33.9 percent.

Midland also won the B game, 45-38. Bill Dubose and Johnny Drake shared scoring honors for Tiger B with 10 points each. Wade Parks was high for Midland B with 15.

The Tigers headed for Borger this morning where tonight they'll meet the Borger Bulldogs.

WIN STREAK IN DANGER

Tar Heel Quint Faces Big Test

By DON WEISS

North Carolina's Tar Heels, who had all the answers a year ago, put their book of basketball knowledge to its first serious test of the new college season tonight.

The Tar Heels, skipping along on a carry-over 36-game winning streak, play unbeaten Minnesota in the opener of the class-jammed Kentucky Invitation tournament at Lexington.

Minnesota is 10th ranked nationally in the Associated Press poll and 3-0 against the likes of Southern Methodist, Iowa State and Vanderbilt. If the Gophers can't do it, then the Tar Heels will be confronted with tonight's West Virginia-Kentucky winner in the Saturday final.

Either match appears more of a problem than the defending national champs have had to solve in tacking victories over much-whomped Clemson, George Washington, Furman and South Carolina to last year's 32-0 record.

On the odd chance this tournaday Blue Grass tourney opens tonight at Louisville with the host Louisville Cardinals playing Army and San Francisco meeting Seattle, another West Coast biggie. And the Carrousel tournament continues at Charlotte with semi-final action matching Tennessee against Louisiana Tech and Alabama against Louisiana State.

Unbeaten Tennessee won its fourth straight, 89-71 over Bucknell behind the 25-point, 16-rebound play of Gene Tormohlen, a 6-7 import from Indiana. Alabama, with four starters hitting 16 or more points, fought off Clemson 78-75; freshman Jackie Moreland's 18 points, helped Louisiana Tech whip Davidson, 66-41; and Louisiana State, led by Dom Merle's 24, surprised Lafayette, 80-72 to complete the Carrousel's semis.

On the non-tournament level, Dayton, Western Kentucky, and Mississippi State, No. 18 nationally, had good nights.

Dayton crushed Fordham 64-35, allowing the Rams' only 12 points in the first half and only nine field goals in the game. Western Kentucky, with massive Ralph Crosthwaite scoring 35 and moving around like a sprinter, routed Seton Hall 101-75 in the wrapup of a Madison Square Garden doubleheader after New York Univ had downed South Carolina, 81-66 in the opener. Mississippi State, winning its seventh in a row behind Bailey Howell's 39-point splurge, cuffed Murray (Ky) State 86-69.

St. Josephs (Pa.), winless in three starts, walloped a Richmond club 90-64 that had lost only once in six tries and that in overtime to high-rated West Virginia.

Among the dwindling unbeatens, Boston Univ. won its fourth, 65-55 over Colgate; Niagara its fifth, 79-72 over Scranton; Princeton its fifth, 80-47 over Rutgers; and Boston College its sixth, 92-62 over Brandeis. But little Tufts, thrice-beaten, chopped Harvard off the perfect-record list, 68-63.

Southern Methodist, apparently back in form, defeated Auburn 75-65, and Bob MacGillivray's fielder with 17 seconds left won for North Carolina State over Villanova, 57-56.

Wisconsin won its fourth in five, 59-58 from Butler, escaping when Butler's Bob Plump, sixth best free throw man in the nation last year, blew one after time had run out. Purdue's second half rally stopped South Dakota 74-62 and Indiana, defending co-champ of the Big Ten, finally won its first after three losses, 79-66 over St. Marys (Calif.).

Georgia tripped Georgia Tech 69-68 on Ray Allen's free throw with 23 seconds left in overtime and Tulane's record went to 5-1 with a 65-58 defeat of Virginia Tech.

Once-beaten Georgetown (DC) defeated St. Peters (NJ) for its fifth straight, Texas Christian, now 5-1, beat Howard Payne 80-62, and sub Wayne Hester's set shooting paced Nebraska's 61-53 victory over Ohio U.

At Quantico, Va., Providence beat the host Marines 63-56 in the title game of the Quantico Invitation tournament, first time the Marines have failed to win in the three years of the tourney.

RED RETURNS TO COAST

Job Is Sanders' If He Wants It

COLLEGE STATION (AP)—Henry (Red) Sanders, who apparently can become football coach at Texas A&M if he wants it, was scheduled to return to UCLA today amid a deafening silence from both sides.

The "no comment" phrase never was used more than it was here after Sanders conferred with Texas A&M officials yesterday about the possibility of his succeeding the resigned Paul Bryant as coach of the Aggies. Bryant is going to Alabama.

But college sources, who declined to be named, said it was all up to Sanders. And best indications were that the UCLA coach would give his decision tomorrow at Los Angeles.

Obviously it was hoped he wouldn't have the same answer that Duffy Daugherty of Michigan State issued last week after he had conferred with Texas A&M officials and returned to his own bailiwick. Duffy said "no."

Apparently the search for a coach was getting slightly critical. Most everybody considered as prospects was removing himself from the list. First it was Dan Devine of Arizona State, who decided to go to Missouri. And yesterday Forest Evashevski of Iowa said he was going to stay put.

Sanders went from here to Houston where his hotel said last night he was to depart today for Los Angeles.

Sanders, who has built a fine record in 15 years of coaching at Vanderbilt and UCLA; has six years to go on his contract at the latter college. He receives $18,000 a year. Whether A&M offered him more wasn't revealed but Dr. Chris Groneman, chairman of the A&M athletic council, had said $15,000 was the limit although "the college doesn't care what the coach gets from outside interests."

After a 3-hour conference here yesterday between Sanders and the athletic council and board of directors athletic committee, Dr. M. T. Harrington, the college president, said: "We're interested in Mr. Sanders. He is interested in us. We enjoyed talking with him and he enjoyed talking with us. But we have no announcement to make at this time."

Dr. Harrington declined to say if this meant the end of negotiations but did explain that "a telephone call probably will be sufficient."

Conroe Kegler Seeks Endurance Record

CONROE (AP)—Bill Dillon, who operates a bowling alley here, shoves off today on a marathon effort to roll the most games of any bowler in history. If he accomplishes it he'll get $500 from Conroe citizens.

The record of 429, set by Tom Talley of Lancaster, Pa., this week, Dillon is aiming at 500 games and he figures it will take him from 1 p.m. today until 10 p.m. next Monday to do it.

Coaching School Instructors Named

AUSTIN (AP)—Instructors for Texas' gigantic coaching school, scheduled for Houston next August, all have been named with Jess Neely of Rice and David Nelson of Delaware to handle football.

Russell Walseth, coach of Colorado, was picked to lecture on basketball. Jack Patterson, track coach of Baylor University, will instruct in this sport.

High school coaches now tutor the all-star basketball and football squads that appear in games as features of the coaching clinic. Named to coach next August are J. W. Black of Dallas Samuel and George Carlisle of Clear Creek for basketball and Tom Pruett of Corpus Christi Miller and Gordon Wood of Stamford for football.

The school is scheduled for Aug. 4-9.

SWC Fives In Pair Of Wins

By The Associated Press

Southwest Conference basketball teams—aided by Southern Methodist's home floor wizardry—Friday held a winning percentage in intersectional warfare.

But the record could be whittled down almost even Friday night with four conference teams swinging into action against reputable opposition.

The Mustangs, who surprised the basketball world by whipping Kentucky earlier this week, knocked off Auburn 75-65 Thursday night. Texas Christian had an easy time in racking up its fifth victory in six starts, an 80-62 win over Howard Payne.

The victories gave the conference a 19-16 intersectional record.

Auburn continues its Southwest tour Friday night at Waco against Baylor. In other games, Texas takes on Wichita at Wichita, Kan., Texas Tech, a surprise leader so far in intersectional games, plays host to Santa Clara and Arkansas ties into Missouri at Fayetteville.

Davey O'Brien To Attend Dallas Fete

DALLAS (AP) — Davey O'Brien, who was everybody's All-America when he quarterbacked Texas Christian University in the late thirties, will attend the Texas Sports Hall of Fame luncheon Dec. 31 to see his old coach, Dutch Meyer, enshrined.

O'Brien already is in the hall, being voted a niche last year.

Meyer, golf great Jimmie Demaret and tennis star Wilmer Allison will be inducted into the Hall of Fame.

Germany was admitted to the League of Nations in 1926.

OTHER FINALS TOMORROW

Brady, Terrell Clash Tonight

By The Associated Press

Terrell and Brady battle at Waco Friday night to decide the first of four state schoolboy football championships in a little more than 24 hours.

The Tigers and Bulldogs will be determining the Class AA king—something Terrell already has been and which Brady is seeking for the second straight season. Terrell won it in 1952. Brady went to the finals last year.

The Terrell-Brady melee will clear the decks for a grand slam Saturday when Highland Park of Dallas meets Port Arthur at Port Arthur for the AAAA crown, Nederland hosts Sweetwater in the AAA championship game and White Oak plays Mart at Waco for the Class A diadem.

The big one, of course, is the Highland Park-Port Arthur clash at 2 p.m. It sends one of the finest offensive teams against an outfit that is as tough as a boot on defense. And the defensive wonder—Port Arthur—will be making one of schoolboy football's greatest comebacks if it comes through.

Port Arthur made a sorry start and it was so bad the coach revamped the team in mid-season. He knew what he was doing because the team became a terror down the stretch.

It will be the second time these two schools have clashed in the finals. The first time—in 1944—saw Port Arthur soundly whip a Highland Park team that had a famous name—Doak Walker.

Nederland, the undefeated, untied power of the South, and Sweetwater, hard-bitten eleven from the Plains country, play at night. Everything appears to point to a Nederland triumph.

Saturday afternoon at Waco, Mart will try to complete an unbeaten sweep by throwing its single wing attack at White Oak, the rollicking boys from East Texas.

Both teams will be in the finals for the first time and each appears quite capable of being a worthy champion. So well matched are they that even the professional odds makers won't make a choice. It's a tossup.

Mart has won 14 straight games. White Oak lost its opener then took 12 in a row before being tied 6-6 by Sundown last week. The Roughnecks won the game on penetrations.

ACC Drops 20-19 Cage 'Thriller'

ABILENE (AP)—Southwest Texas State nipped Abilene Christian College 20-19 last night in one of the lowest scoring games of the season.

Southwest Texas stayed in a zone defense and Abilene Christian tried to make them come out so it could get a shot.

Abilene Christian led 6-2 at the half. Franklin Wilkening sank two free throws in the final minute to give Southwest Texas the victory.

Ike's Brother Gets Relief

KANSAS CITY (AP)—Arthur Eisenhower, the President's older brother, won a reduction of alimony to his first wife yesterday, but Circuit Court Judge John R. James denied two other requests.

Eisenhower's monthly alimony payments were reduced from $350 to $175. Judge James held, however, that Eisenhower must pay her attorneys and court fees amounting to $1,000 and refused to quash an attachment on his income.

Eisenhower divorced his first wife, Mrs. Alida B. Eisenhower, in 1924.

His present wife, Mrs. Louise Eisenhower, testified that his only income is $500 a month from an annuity policy. Eisenhower retired as vice president of a Kansas City bank after suffering a heart attack last year.

Prisoners To Get Hard Candy, Cigars

SAN FRANCISCO (AP) — For inmates who like cigars and candy, Christmas Eve will be brighter at Alcatraz Prison.

Each of the 280 inmates will get a two pound bag of hard candy, several candy bars and six cigars.

"This is a big thing in the prisoners' lives," said Warden Paul J. Madigan.

Most Children Still Prefer 'Earthly' Toys In Space Age

SANTA CLAUS, Ariz. (AP)—Santa Claus is getting plenty of requests for spaceships and the like this year, but most youngsters seem to prefer the same old earthly favorites in toys.

Two of Santa's busiest helpers say the adult world's scientific influence has not swept the kiddies off their feet.

The helpers are Mr. and Mrs. R. A. (Doc) Bromaghim, operators of this tiny northwestern Arizona highway resort which annually receives thousands of letters to Saint Nick.

The letters started pouring in from all over the world after the couple appeared on a nationwide television show a few years ago and told how they answer letters for Santa.

The Bromaghims, who estimate they open 1,000 letters on a peak day, say interest in Sputniks and missiles is reflected in letters like the one from Carl Delahoussaye of New Iberia, La. Carl asked for "a football, a walkie-talkie and a mobile atomic cannon."

Even there the long-time standbys prevail as they also do in the case of Jimmy Doyle of Las Vegas, Nev., who asks for "a rocket launcher, a doctor's set, a cowboy suit and boots with spurs."

The Bromaghims, who write individual replies in preference to form letters, usually say that Santa is busy at the North Pole and has asked them to write for him. They advise the youngsters to help mom and dad and that Santa will be headed their way soon. As an extra fillip, they affix a special "Santa stamp" on the envelope.

"We don't charge anything for answering the letters," says Mrs. Bromaghim, explaining that the trouble of answering mail is more than offset by their love of youngsters and, of course, the goodwill advertising for their resort.

Nine-year-old Lorena Rogers of Gold Hill, Ore., wrote Santa: "I understand there are lots of little boys and girls besides me, Santa. I am asking you to send me something, just anything, Santa."

Kathy Barker, 6, of Kingsport, Tenn., who confided to Santa that she loves her first grade teacher, asked for a doll, a "sleepy time cat," an electric stove, a golden harp and a pinball machine.

The Bromaghims say they never send "Santa Claus replies" to their own grandchildren.

"They might recognize my special 'Santa stamp,'" explains Mrs. Bromaghim; "and get disillusioned."

Police Seek Slaying Clues From Boy, 4

ROY, N.M. (AP)—Police sought from a boy, 4, today the story of 40 minutes of slaughter in which four members of his family were slain by rifle fire.

This northeastern New Mexico cowtown was aroused by rifle shots last night when a veteran of Corregidor and Japanese prison camps ran amuck and killed three members of his estranged wife's family.

The veteran, Lawrence Weisdorfer, 45, was killed as he struggled with the town marshal. The man who killed him was Bradley Weathers, 59, whose family Weisdorfer had wiped out 40 minutes before with high-powered rifle bullets.

"He hadn't been right since he got out of the prison camp," a relative sobbed. "He'd been threatening to wipe out the family, but no one believed him."

The others killed were Mr. and Mrs. A. E. Weathers, 88 and 78, and their daughter, Katherine Weathers, 51.

Katherine, a polio cripple since childhood, was shot through the back of the head as she vainly tried to hobble on her crutches away from the man who had just slain her mother and father.

Weisdorfer's wife, Elizabeth, 38, fled from her parents' home as he burst in the door.

Witnesses to the triple slayings were two of Weisdorfer's children, James, 4, and Allen, 2. Officers sought the only eyewitness account from James.

"We're waiting for him and his mother to calm down," said State Police Capt. Penn Winston. "Then we're going to try to get him to tell his mother what happened."

Foul Play Ruled Out

CORPUS CHRISTI (AP)—Peace Justice Johnny Roberts has ruled out the possibility of foul play in the drowning death of Mrs. Easter Condrin, 47-year-old wife of a Teamsters Union organizer.

Mrs. Condrin's body was pulled from a muddy bay here two weeks ago.

Roberts said he would return a verdict of either suicide or accidental death after studying a transcript of testimony from 13 witnesses at an inquest yesterday. He said there was no indication of foul play.

Her husband, W. E. Condrin of San Antonio, testified that he believed his wife met death through dealings with some one in an effort to make him quit his union job. He did not use the word murder in describing his suspicions.

Condrin's suspicions were closely checked by deputies who testified they seemed to be without basis.

Do-It-Yourself Artist Trapped

KANSAS CITY (AP)—A do-it-yourself homeowner trapped three and a half hours in his own attick yesterday.

Joseph A. Stowe, who is building a fireplace, climbed to his attick yesterday to finish the job. But he became wedged between a ladder and the attick entrance and could not attract attention. His family was not at home.

Finally, a neighbor heard Stowe's shouts for help and summoned firemen who cut him free. He wasn't hurt.

SNYDER AREA CHURCH NOTES

Christmas Programs Are Set By Area Churches

Practically every church in the Snyder area will be having special programs during their Sunday services on the Christmas theme this weekend.

Several have cantatas or pageants planned, including at least one which will have an outdoor pageant.

• • •

First Christian Pageant, Cantata

The outdoor pageant is planned at the First Chrstian Church where scenery was being placed on the lawn. There will be five performances, one at 9 p.m. Sunday and two each night Monday and Tuesday, at 7:30 and 8:30 p.m.

The 20-minute Christmas pageant, directed by Jim Stelling, will involve about 15 members of the church, who will act out the Christmas story as it is told by record on a loud speaker.

There will be room for parking around the lawn at the church, on west Thirty-seventh Street.

The First Christian will also have a Christmas cantata inside at 7 p.m. Sunday.

The church choir, under direction of A. T. Nicholas, will present "The Christmas Story" by H. R. Evans. Accompanists will be Mrs. A. T. Nicholas at the organ and Mrs. Novis Rodgers at the piano.

Following the cantata, the church will have its annual White Gift offering for church homes and missions.

The church will have a social hour in fellowship hall following the cantata. It will have no prayer meeting Wednesday evening. On Sunday, Monday, and Tuesday evenings the church will be open for prayer and meditation.

• • •

Cantata Set At Green Hill Baptist

A Christmas cantata, "Music of Christmas," arranged by Ira Wilson, will be presented at 7:30 p.m. Sunday at the Green Hill Baptist Church by its choir, directed by L. C. Leach.

Soloists will be Mrs. W. E. Lloyd, soprano, and Mrs. M. M. Rambin, alton. Accompanist will be Mrs. L. C. Leach. Dr. Ray Ellis, interim pastor, will read scripture narration.

At the Sunday 11 a.m. service Rev. Ellis will speak on "God's Christmas Gift To You."

• • •

Carols, Candle Service At Trinity

At the Trinity Methodist Church, "A Service of Carols and Candles" will be held at 7:30 p.m. Sunday. Music will be by the church choir, under direction of Mrs. Landis Lee, and will be followed by a candlelighting service.

Soloists will be Mrs. Lloyd Arnold, soprano; Tom Burton, tenor; and Floyd Boston, baritone. Accompanist will be Mrs. Lucill Kubala.

At the 10:55 a.m. service, the Rev. Elton Wyatt, pastor, will speak on "Does Christmas Matter?" The choir's special music will be "The Birthday of the King." MYF will be at 6:30 p.m.

• • •

Special Program At First Methodist

A special Christmas program will be presented at the First Methodist Church at its Sunday 7 p.m. service.

The program will be by members of the kindergarten, primary, and junior deparments. It will be directed by Bob Clinton, Mrs. Billy Greenfield, Mrs. Fred Davis, and Mrs. J. W. Stubblefield.

At the 10:55 a.m. service, the Rev. J. Lennol Hester, pastor, will speak on "What Will You Do With Jesus?" There will be a solo, "Infant Holy, Infant Lowly," by Mrs. Mildred White.

• • •

Christmas Theme At First Baptist

"Way of the Wise Men" will be the subject of the Rev. G. M. Cole, pastor of the First Baptist Church, at the Sunday 11 a.m. service. The choir's special music will be "He Shall Be Great."

At the 7:30 p.m. service, the pastor's sermon will be "Decisive Baby of the World," and the choir will sing "The Prince of Peace."

Episcopal Service On Christmas Eve

A special Christmas Eve service is planned by St. John's Episcopal Church. It will be a candlelight service and midnight eucharist beginning at 11:30 p.m. Tuesday.

At the Sunday 11 a.m. service, the Rev. Donald Hungerford, vicar, will speak on "The Shortness of Life."

Friday will be St. John the Evangelist Day, and there will be Holy Communion at 7:30 a.m.

• • •

Nelson's Subjects For Colonial Hill

"Sputnik and the Star" is the topic for the Rev. Jimmie Nelson, pastor of the Colonial Hill Baptist Church, for the Sunday 11 a.m. service.

At the 8 p.m. service, he will speak on "Mine Eyes Have Seen Thy Salvation."

• • •

Lutheran Schedule Of Week's Services

A color motion picture, "O Holy Night," will be presented in connection with the Grace Lutheran Church Christmas program at 7:30 p.m. Sunday. The church meets at West Elementary School.

The film tells the Christmas story. Included in the program will be songs and recitations by the Sunday school and singing of the familiar Christmas carols by the congregation. History of carol writers and carols will be presented by the youth organization, the Luther League. The offering will go to the Lutheran World Action, which provides service centers for military personnel and relief for refugees throughout the world.

On Monday night at 6, members and friends of the congregation will assemble at the parsonage at 3750 Avondale to go Christmas caroling. A Christmas Day service will be held by the congregation at West Elementary at 9:30 a.m., and the Rev. Walter Lentz, pastor, will speak on "Why the Wise Men Were Wise."

At the Sunday 10:45 a.m. service Rev. Lentz will speak on "The Cost of Christmas."

• • •

Nazarenes Plan Christmas Program

At the Church of the Nazarene, the Rev. H. C. Thomas, pastor, will speak on "The Prince of Peace" at the Sunday 11 a.m. service.

At 7:30 p.m., there will be a Christmas program by children of the beginner through junior departments, concluded by a two-act play, "Ephratah of Bethlehem."

• • •

Bethel Baptist Pastor's Topics

The Rev. W. L. Cass, pastor of the Bethel Baptist Church, will speak on "Peace" at the Sunday 11 a.m. service.

At the 7:30 p.m. service, his subject will be "Our Hope for Time and Eternity." The church meets at Northeast Elementary School.

• • •

Hermleigh Church Plans Special Event

"Since Jesus Came" will be the subject of the Rev. L. R. Stuckey, pastor of the Central Baptist Church at Hermleigh, at the Sunday 11 a.m. service.

At the 7:30 p.m. service, the special Christmas program will be "The Christmas Story in Scripture and Song." There will be a Christmas tree after the service.

• • •

First Presbyterian Christmas Slate

At the First Presbyterian Church, the Rev. R. Charles Spivey, pastor, will speak on "Surprised By Joy" at the 11 a.m. service Sunday.

The anthem, "O Starry Night of Splendor," will be presented by the choir. Young people will meet at 5:30 p.m. and will be preparing for a caroling party. They will go caroling to shutins and others Christmas Eve. That night, they will meet at the church at 6:30. After caroling, they will meet at the parsonage for a party.

• • •

Pace's Topics For Sunday Services

Glen Pace, minister at the Twenty-fifth Street Church of Christ, will speak on "Plowing in Hope" at the Sunday 8:45 and 10:55 a.m. services.

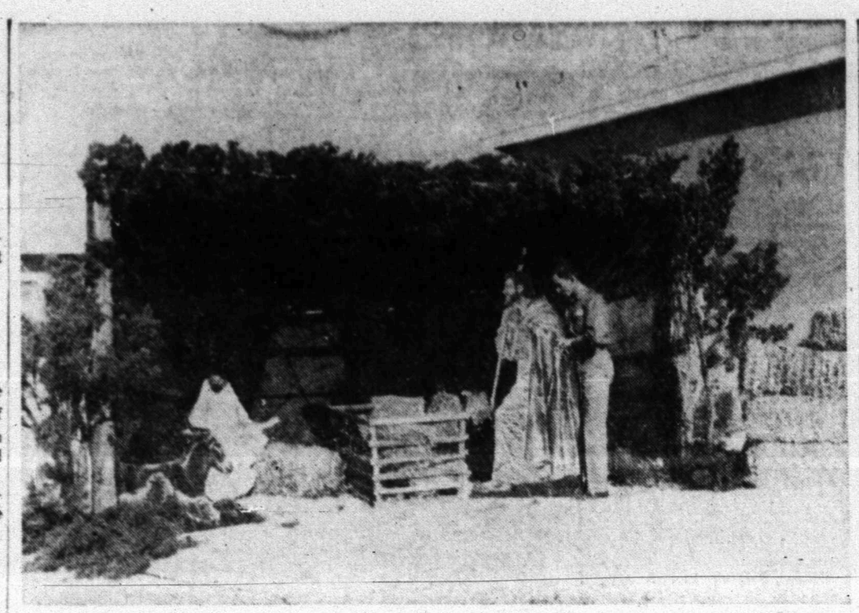

At the 7 p.m. service, his subject will be "God's Unspeakable Gift."

• • •

Program Tonight At Northside Baptist

A Christmas program will be held at 7:30 o'clock tonight at the Northside Baptist Church for children of the nursery, beginner, primary, and junior departments. There will be an exchange of gifts, and bags of candy and fruit will be given the children.

The Rev. Jack Dean, pastor, will speak Sunday on "Jesus, the Wonderful Savior" at the 11 a.m. service and "Christ, the Way of Life" at the 7:30 p.m. service.

AMONG SPECIAL Christmas programs pl anned in Snyder between now and Christmas is an outdoor pageant at the First Christian Church Sunday, Monday, and Tuesday nights. Here, Jim Stelling, who is directing the pageant, works on scenery on the church lawn. Several churches have cantatas or special Christmas programs planned. (Lee Watson photograph)

CHURCH NEWS

Columbus discovered some unusually deep waters off the northern coast of Honduras. And that is how the Central American nation got its name, for Honduras means "The Depths."

New Interim Pastor Is H-SU Prof

Dr. Ray Ellis, recently named interim pastor here at the Green Hill Baptist Church, is a member of the staff at Hardin-Simmons University.

Dr. Ellis is new at H-SU, having been there since last July 15 as assistant professor of Greek and Bible.

Now 32, he is a native of Terre Haute, Ind. His education includes a bachelor of arts degree from Howard Payne College, Brownwood, and bachelor of divinity and doctor of theology from the Southwestern Baptist Theological Seminary, Fort Worth. He is married and has two children.

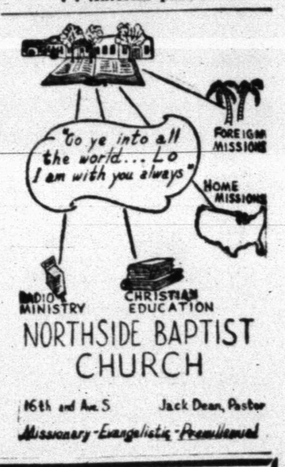

While in college, he pastored half-time churches, and he pastored a fulltime church, the First Baptist at Iredell, while in seminary. Since that time, he was pastor at the First Baptist Church at Groveton before joining the staff at H-SU.
