

## FARMERS' BUSINESS

We give special attention to the business of farmers. We want to cash your cotton checks and other checks, it makes no difference on what bank drawn; bring them or mail them to us.

A checking account with a bank is a convenience no farmer should be without. Also it establishes his credit with the bank. We want you to start an account with us.

On the 25th of every month we send a statement and paid checks to every depositor on our books.

We cordially invite the farmers to make the Brady National their banking home.

We Know Your Wants and Want Your Business... Make Our Bank Your Bank.

### Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running ear, or perfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

## A CHILD'S LAXATIVE IS "SYRUP OF FIGS."

Made From Fruit—Can't Harm Tender Stomachs, Liver and Bowels.

If your little one's tongue is coated, it is a sure sign the stomach, liver and bowels need a gentle, thorough cleansing at once. When your child is cross, peevish, listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, system full of cold, throat sore, or if feverish, give a teaspoonful of "California Syrup of Figs" and in a few hours all the clogged-up, constipated waste and sour bile and undigested food will gently move out of the bowels, and you have a well-playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given today saves a sick child tomorrow. Ask your druggist for a 50 cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Don't be fooled!

Jim Matthews has been making frequent trip to Brady the past several weeks, each time bringing in a load of sweet potatoes or some other product of the famous Peg Leg ranch, which he exchanges quite freely for a portion of Brady's abundant coin. He reports the irrigated cotton as having made over a bale to the acre easily, and their crop as a whole has made a good turnout.

### Big Turkey Dinner.

The ladies of the Presbyterian church will serve a turkey dinner at some place convenient to the business section on first Monday, November 3rd. Be sure to hunt them up that day.

### Still Killing.

It still keeps on killing pain, does Hunt's Lightning Oil. For many years it has been used with wonderful success for rheumatism, neuralgia, cuts, burns and other hurts. All druggists sell it in 25c and 50c bottles.

Always keep your eye on the "Bright Spot" for newest things. Always get the newest things at Kirk's. Nuf Sed.

See me on November 3rd and see well afterwards. Eyes tested free. R. K. Hallum & Co.

Install a Wilson Hot Blast Heater and save fuel bills. O. D. Mann & Sons.

## SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell."

I tried most every kind of medicine, but none did me any good.

I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it."

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlastingly tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui today. You won't regret it. All druggists.

## MONSTER CELEBRATION

BRADY'S BIG TWO-DAY ATTRACTION NEXT WEEK.

Santa Fe and Frisco Give Excursion Rates—All Auctioneer—School Closes.

If co-operation and hard work together with a grand combination of big events, will make for success, then there can be no doubt as to next Sale and Trades Day being a success unparalleled in Brady.

Never has there been more hearty co-operation upon the part of citizens and merchants alike; never has there been greater enthusiasm aroused. Everybody is talking the Sale and Trades Day features, and everybody is pushing for bigger and better features than has ever been known. A big advantage has been obtained in that both the Santa Fe and the Frisco have reduced rates of one and one-third fare for Monday. The Santa Fe rates are from Eden to Brady and Lometa to Brady and all intermediate points. The Frisco rates are from Menard to Brady and Brownwood to Brady and all intermediate points.

Added to everything else, the Gentry Bros. shows opportunely announced their coming to Brady on Monday, and this feature alone will serve to attract folks for 150 miles around. Because of Monday being circus day, and inasmuch as the exhibits will take up much of the time of the visitors, it has been definitely decided to make a double header out of the Sale and Trades Day, and include both Monday and Tuesday in the event. This will enable everyone to see all the sights, the exhibits and everything else, and also take advantage of the stock sales and the merchants' offerings in the way of merchandise.

The Trades Day feature is certain to be one of the strongest of the day. A glance through this issue will convince everyone that the Brady merchants are making the strongest kind of a bid for the trade of all the citizens in the McCulloch county territory. Not only that, but every leading merchant in the city is included in the list of those who are boosting trades day by making special offers to the trade. Read their ads carefully and you will profit thereby.

With the experience gained in the conducting of the last Sales feature, the managers of this end have left nothing undone to assure the successful carrying out of the sales in a manner to give complete satisfaction to all concerned, as well as to enable the handling of the sales with facility and business-like dispatch. The committee has gone to considerable expense in securing the services of Auctioneer Allen of Hydra, Okla., who will take complete charge of the sales, but they are assured that this expenditure has been a wise one, and that it will bring greater results and assured satisfaction. Mr. Allen is well known all over the state, being the auctioneer who has charge of Ross Bros. sales at Fort Worth, and knows how to conduct sales of this kind as they should be conducted. He will arrive Sunday night and be at the service of the sellers any time after 7:00 o'clock Monday morning.

The pens in the east end of town are being rearranged in accordance with plans successfully used at other big sales in the state, and will provide places for the stock that has been sold as well as for stock to be sold, while the ring will be devoted exclusively to the animal offered at the time. The seats are being rebuilt so as to afford ample view of the ring for the spectators, and every provision is being made to carry out the sale successfully to the smallest detail.

The agricultural exhibit will be the biggest thing ever attempted. The premium list this year is bigger and the offers are better than ever before, and this will assure full participation by the citizens from every part of the county. Ample space has been secured in the Syndicate building for the holding of the exhibit, and space here will also be devoted to displays of the merchants.

The grand event will start off Monday morning with the parade, headed by Gentry Bros. show band. In the line of parade will be the show, the ex-

#### REMARKABLE ESCAPE.

Marion Rice Injured While Unloading Ford Cars.

While assisting in unloading the carload shipment of Ford cars last Friday, Marion Rice had a remarkable escape from being killed. He was directly underneath a car that was being unloaded by means of a block and tackle, when the rope broke allowing the heavy car to fall on him. Just how he managed to escape being crushed to death will never be explained. One axle of the car fell on his right ankle badly spraining that member, but breaking no bones. His left hand was also badly mashed in the accident, but no bones were broken in it either.

Mr. Rice has suffered considerable pain from the injuries, but considers himself very fortunate in having escaped so lightly. He is able to be about with the aid of crutches, and hopes soon to be able to get about as usual.

BRADY, TEXAS, Oct. 28, 1913.

#### Freeze Sunday Night.

The first freeze of the season was placed on record in the we sma' hours on Monday morning, when the balmy summer atmosphere of Sunday night was swept away by a cold norther, and the thermometer registered a drop of 30 odd degrees. Hydrants in Brady were frozen, and thin ice is reported in a number of places.

New sweaters. Kirk, Nuf Sed.

W. A. Weldon was here from Mercury on business last Saturday, and reports conditions better in his community than ever before. To substantiate his statement he left with us sufficient coin to advance his subscription to The Standard, Hollands and Farm and Ranch.

The famous Wilson Hot Blast Heater will actually hold fire for forty-eight hours. This is a record, we believe, that cannot be excelled by any other heater on the market. O. D. Mann & Sons.

Guaranteed alterations, repair and all classes of tailoring work done by a man who knows how. See Demp, at Popular Dry Goods store.

Let an expert do your watch work. A graduate watchmaker will be with us on November 3. Bring in your crippled watches. R. K. Hallum & Co.

J. D. Benson informs us that ice a quarter of an inch in thickness was formed at his place during the first freeze of the season Sunday night. Indications are that nothing was hurt by the freeze.

Let us fix up your hardware needs. We carry a complete stock and our prices are right. O. D. Mann & Sons.

New Jerseys. Kirk, Nuf Sed.

#### Carload Fords.

Another carload of Fords was received last Friday by Wm. Connolly & Co., the local representatives, and have been placed on exhibition in the W. R. Rice building on the west side. The carload contained eight touring cars, and gives the company a large stock. However, they anticipate no trouble in disposing of the lot, and are looking forward to a number of sales within the next few weeks.

Among the latest purchasers of Fords are Q. C. Walker, who became the owner of one last Saturday, and B. B. Gabbert, who traded his old Ford for a spic and span new one.

Cleaning and pressing—the very best. Demp.

One sack flour—"Pride of the Kitchen"—for \$1.10. Every sack guaranteed. See big ad. Abney & Vincent.
