Johnson Rips Red China For Eroding US Image

WASHINGTON (AP) — President Johnson said today the aim of Communist China "is to erode and discredit America's ability to help to prevent Chinese domination over all of Asia," but "in this they shall never succeed."

Johnson threw down the gauntlet to the Red Chinese in a television-radio address on American efforts in Viet Nam. The President prepared his talk for a meeting with editorial cartoonists in the East Room of the White House.

Repeating his offer to engage in unconditional discussions designed to end the Viet Nam war, Johnson said this would "clearly be in the interest of North Viet Nam."

But he said "Communist China apparently desires the war to continue, whatever the cost to their allies."

"Their target is not merely South Viet Nam. It is Asia. Their objective is not the fulfillment of Vietnamese nationalism. It is to erode and discredit America's ability to prevent Chinese domination over all of Asia," Johnson said.

"In this they shall never succeed."

Johnson began by saying "the war in Viet Nam has many faces"—the first being the face of armed conflict, terror and gunfire. In this connection, he said:

"The Communists in Viet Nam are slowly beginning to realize what they once scorned to believe: That we combine unlimited patience with unlimited resources in pursuit of an unwavering purpose."

The President summed up his determination by saying, "We will not abandon our commitment to South Viet Nam."

The second face of the war, he said, is the quest for a political solution.

"We know, as our adversaries should also know, there is no purely military solution in sight for either side," he said. "We are ready for unconditional discussions."

Johnson said "the third face of war in Viet Nam, is, at once, the most tragic and the most hopeful." He said it represents human need and the effort to develop the Vietnamese economy.

"People must fight for something," he said. "The people of South Viet Nam must know that after the long, brutal journey through the dark tunnel of conflict there breaks the light of a happier life. Only if this is so can they be expected to sustain the enduring will for continued strife."

Emphasizing that phase of his thinking, Johnson devoted the bulk of his address to members of the Association of American Editorial Cartoonists to present projects and future proposals for helping South Viet Nam develop its economy and care for its people.

The President again suggested that the United States will extend its aid programs into Communist North Viet Nam once peace is achieved.

When peace has come, he said, "then, perhaps, we can share that gracious task with all the people of Viet Nam — North and South alike."

Johnson announced that the United States "is now prepared to participate in, and support, an Asian development bank, to help finance economic progress."

Teachers Nix Connally's New Offer

By ERNEST STROMBERGER

AUSTIN (AP)—Backers of teachers' pay raise proposals said today a compromise offered by Gov. Connally's forces contains several unacceptable items.

Sen. A. M. Aikin of Paris said he cannot go along with a proposal offered by Sen. Jack Strong of Longview, author of Connally's rival teacher pay plan.

Aikin, sponsor of the Texas State Teachers Association's "$45 in '65" raise plan, said districts in his area simply cannot afford to assume 20 per cent of the state's cost of teacher retirement as proposed in Strong's compromise.

Strong made the offer minutes after the TSTA bill was approved by the senate education committee.

The compromise calls for state spending of $64 million during 1966-67, with a $90 per month across-the-board raise for teachers with bachelors degrees and a $171 per month across-the-board raise for teachers with masters degrees.

Strong's compromise also calls for raising the increment added for each year of experience from $108 to $117 and for expanding the number of increments in an effort to reward experienced teachers.

Rep. George Hinson, House sponsor of the TSTA bill, said "I seriously doubt we are going to be able to accept it. This definitely represents some concessions on the governor's part. But his failure to raise what I consider the prime necessity, base pay for younger teachers at a period of life when they are trying to start families. . . It is an area he is overlooking."

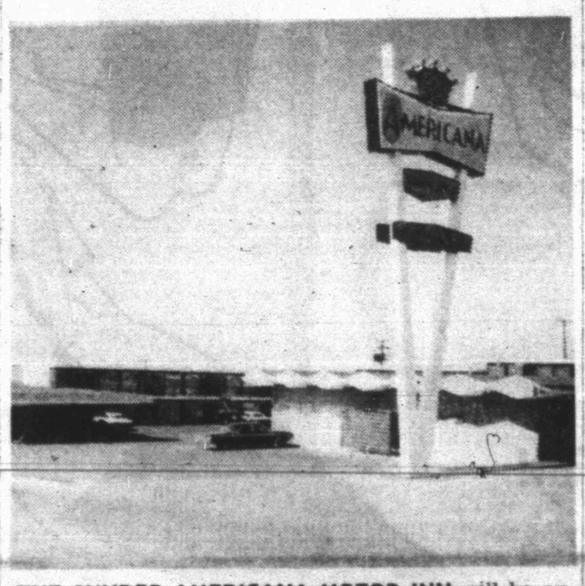

The Strong compromise calls for teachers with bachelors degrees wouldn't get the full $405 until completing eight years of service, and teachers with masters degrees would get the full amount after six year's service.

The Strong bill originally called for a sliding salary scale spread over 10 years, with teachers getting a raise next year averaging $184. It would have cost the state $47 million and included a shift of 20 per cent of the textbook financing from the state to local districts.

Strong said his offer, made in Connally's office, was better than the teachers could have hoped for.

FORMAL ANNOUNCEMENT of the construction of an Americana Motor Inn in Snyder was made here Wednesday afternoon. Joe Barnard, left, head of the chain, is welcomed to the Snyder family of business by Bill Seale, vice president of the Chamber of Commerce.

THE SNYDER AMERICANA MOTOR INN will be an exact duplicate of the Americana in Big Spring, pictured here. It will be built on the East Highway near the Thirty-seventh Street intersection.

New Motel To Be Built In Snyder

Ground was broken here Wednesday for construction of a new 52-unit motor inn to be built on the East Highway.

The tentative date for completion was set at Aug. 15.

To be known as the Americana Motor Inn, the new motor hotel will be a part of a new and growing chain of Americana Inns which already has about a dozen locations operating in the Southwest.

The announcement of the start of construction was made Wednesday by Joe Barnhard of Amarillo, head of the Americana chain. General contractor will be Jack T. Hicks of Amarillo, and the construction foreman moved to Snyder today.

Barnhard said that when he first contemplated the construction of the Americana here, Dallas financial institutions were reluctant to make the necessary loan. Barnhard said that his company's survey had shown Snyder to be a good investment site, and that he convinced the Dallas lending institutions to make their own surveys, which they did.

Following their surveys, they agreed with Barnhard that an investment in a Snyder business would be a good investment.

Barnhard said that he was glad to have his opinion confirmed, and was looking forward to a very successful operation here.

The two-story motor inn will feature a restaurant with two dining rooms, one to seat about 70 and the other about 45. There will also be a swimming pool and other modern features.

Barnhard said that after completion of the Snyder Americana, similar inns are planned for Odessa and San Angelo.

The Americana will be a Best Western approved motor hotel.

WEATHER

SNYDER TEMPERATURES: High Wednesday 67 degrees; low, 58 degrees; reading at 7 a.m. today 66 degrees. Precipitation 1.27 inches.

North Central Texas: Cloudy tonight. Showers in 70 per cent of area late today and tonight. Partly cloudy and a little warmer Friday. Low tonight 62 to 69. High Friday 83 to 92.

Northeast Texas: Cloudy tonight and Friday. Showers in 70 per cent of area, mainly late tonight and early Friday. Low tonight 65 to 73. High Friday 80 to 90.

Northwest Texas: Cloudy early tonight, partly cloudy late tonight and Friday. Showers and thunderstorms in 70 per cent of area today and evening. Cooler in northwest tonight. Warmer in most sections Friday. Low tonight 47 to 63. High Friday 82 to 92.

South Central Texas: Cloudy and warm tonight and Friday. Showers and thunderstorms in 20 per cent of the area today and in 40 per cent tonight and Friday morning. Low tonight 65 to 75. High Friday 80 to 94.

Southeast Texas: Cloudy to partly cloudy and warm tonight and Friday. Showers and thunderstorms in 20 per cent of area today and about 50 per cent tonight and Friday. Low tonight 65 to 75. High Friday 80 to 88.

Southwest Texas: Cloudy tonight and early Friday with showers and thunderstorms over 40 per cent of area. Partly cloudy Friday afternoon. Low tonight 56 to 72. High Friday 80 to 92.

THE SIGN SAYS "ONE WAY" and the water followed directions Wednesday afternoon as Deep Creek spilled over the bridge on Twenty-eighth Street. Several low spots were closed briefly following hard showers in Snyder and in the area north of Snyder.

County Rains Range From Big Downpour To Showers

May rains returned Wednesday, bringing more moisture ranging from heavy downpours to modest showers over the Scurry County area.

Some of the heaviest rains in the area fell in Northwest Scurry County, where Monday morning showers had been lightest. Fluvanna reported heavy rains, measuring up to 3.5 inches, with up to 4 inches reported to the north.

Two employes of Midwest Electric Cooperative escaped injury during the height of the rainstorm when they abandoned their pickup truck.

Franklin Kiker and John Carroll had been working north of Fluvanna on the Slaughter lease. Their truck drowned out while they were attempting to cross a usually - dry creek.

They started out walking to a farmhouse about four miles away, but were unable to get there due to another flooded crossing. They retraced their steps, climbed to the caprock and went to the Ralph Miller Ranch.

When they went back to the pickup, they found it had washed down the creek.

This morning a bulldozer and winch truck were called on to extricate the truck. It was upside down and nearly buried in mud.

Heavy rains swept through a belt extending from Rotan, where 4.5 inches was reported, into Scurry County.

Some minor flooding occurred in Snyder, with Deep Creek going over Twenty-eighth Street; high water over Avenue R between Twentieth and Twenty-second Streets; over Avenue Z north of Twenty-fifth Street, and over Avenue O between Twenty-fifth and Twenty-sixth Streets.

The official gauge at the city water plant in Snyder logged 1.27 inches, and Hermleigh had another inch added to good rains of Monday.

The rainfall was lighter to the southwest, with half an inch reported at the Snyder pump station at the Lake J. B. Thomas dam. Although heavy rains were reported in Northwest Borden County, the Colorado River had not produced any runoff at the lake. However, Bull Creek was flowing at a moderate pace this morning into the lake. But it was not expected to lift the lake level to any appreciable extent.

Thunderstorms were reported all the way from the Lubbock area on the South Plains into Central Texas. The heaviest rainfall reported was 7 inches at Lake Cisco.

Water flowed a foot deep over U. S. Highway 80 between Cisco and Eastland for a time. Brownwood saw streets fill quickly as 2 inches of rain fell in less than half an hour, and as much as 6 inches fell in nearby rural areas.

At the height of the thunderstorms, a tornado dipped near Winters to upset a pickup truck driven by Melton Tally of Bradshaw, but he escaped injury. Other twisters crushed a barn and tore the roof off a garage at the ranch home of Mrs. Bernice Gardner and unroofed the garage of Delbert Kruse in the same vicinity.

Still another tornado dived to earth 6 miles north of Winters and disrupted telephone service across several counties. Witnesses saw a funnel cloud touch ground twice south of Coleman but it caused no damage.

Water covered U. S. Highway 83 at several points between Winters and Bradshaw.

Rain - short farming sections of the South Plains around Lubbock measured their heaviest general rains in more than a year, including up to 5 inches near Brownfield and O'Donnell.

Bonn Makes Pact Official

BONN, Germany (AP) — West Germany officially announced today the establishment of diplomatic relations with Israel.

Chief government spokesman Karl Guenther von Hase told a news conference diplomatic relations between the two countries became effective Wednesday.

Syria, Saudi Arabia and Iraq have broken off diplomatic relations with West Germany in retaliation. Lebanon has announced it will take similar action after a Cabinet meeting Friday and Kuwait has announced it is dropping earlier plans to recognize the Federal Republic diplomatically. Other Arab countries are expected to take like steps, though some may hold out. Most Arab countries consider themselves still at war with Israel, since they failed to crush it in fighting in 1948.

A joint communique issued in Bonn said:

"The government of the Federal Republic of Germany, by virtue of an authorization given by the federal president, and the government of Israel, have agreed to establish diplomatic relations between their two countries."

McCormick Speaks For Poll Tax Ban

WASHINGTON (AP)— House Speaker John W. McCormack declared today he favors an outright ban on poll taxes as a state voting requirement.

The top House Democrat thus sided with forces which have fought to make the ban part of President Johnson's voting rights bill.

In the Senate, Democratic Leader Mike Mansfield of Montana opposed the ban, and it was rejected Wednesday by a narrow 49-45 margin.

Soft-Landing Try Apparently Fails

By FRED W. COLEMAN

MOSCOW (AP) — The Soviet spacecraft Lunik 5 hit the moon Wednesday night but apparently failed to make the expected soft landing that would have put the Soviet Union at least four months ahead of the United States in the lunar race.

Tass, the Soviet news agency, announced that the 3,250-pound spaceship landed in the area of the Sea of Clouds at 10:10 p.m. (2:10 p.m. Eastern Standard time), ending its three-day flight five minutes ahead of schedule.

"During the flight and the approach of the station to the moon a great deal of information was obtained which is necessary for the further elaboration of a system for soft landing on the moon's surface," Tass concluded.

Tass carried but still that Lunik 5 would test for the first time elements of a soft-landing system. This was taken to indicate that the Soviets planned to land the spacecraft intact and that it would then radio back information from the moon's surface.

The landing report seemed the closest thing to an official admission to failure in the Soviet space program since the first sputnik made its trail-blazing flight eight years ago.

By saying information was sent back only in the approach, Tass indicated that the spacecraft had failed to lower itself gently onto the moon. This is the next vital step before a man can be landed on the lunar surface.

Earlier moon shots by the Soviet Union and the United States have either crashed into the moon or passed by it.

A PREVIEW of the fire prevention demonstrations given to Snyder school students was given to Rosie Espinosa, second grade student at East Elementary School and daughter of Mr. and Mrs. Arturo Espinosa. The clown, known as "Stupid Carelessness" (who is also known as Jim Dennis of Lubbock) and Hugh Lorimer, Jr. of Abilene are members of the Texas Insurance Fieldmen's Association who presented the shows here along with their inspection of Snyder for fire hazards.

Lady Workers Aim For 35-Hour Week

MIAMI BEACH, Fla (AP) — A 35-hour week for every worker in the United States shaped up today as a prime goal of the International Ladies Garment Workers Union.

Eleven resolutions pressing for such federal legislation were before the union convention here.

Dominican Rebels Talk Settlement

By ROBERT BERRELLEZ

SANTO DOMINGO, Dominican Republic (AP) A spokesman for the Dominican rebels indicated Wednesday that a settlement with the rival military-civilian junta may be near. But he held out for dismissal of some leading military men backing the junta.

"There's every reason to hope we are near a settlement," said the rebel foreign minister, Jottin Cury. He spoke after a conference between Col. Francisco Caamano Deno, the rebel leader, and two members of the peace commission of the Organization of American States, Ricardo C. Colombo of Argentina and Carlos Garcia Bauer of Guatemala.

Cury added that a peaceful solution depends on the dismissal of some key officers backing the junta. The rebels' chief target is Brig. Gen. Elias Wessin y Wessin, who led the resistance to the revolt.

Six of eight high-ranking officers removed by the junta in a peace move arrived in Puerto Rico aboard a Dominican navy frigate. But Caamano said previously their dismissal was not enough to satisfy him.

Latin-American diplomatic circles in Washington reported a broadly based interim government embracing both government and rebel leaders may be in sight. But Cury, speaking to newsmen, ruled out a coalition government.

He said, "Our objective is the restoration of the constitution," and that acceptance of a coalition "with elements from the other side would be a repudiation of constitutional objectives for which we have fought."

Cury said the junta has no legality or popular support "except that extended by the U.S. military."

Caamano told a news conference he would ask OAS permission to establish a corridor through the U.S. lines surrounding the rebel stronghold in downtown Santo Domingo.

U.S. Marines and paratroopers encircled the downtown area last week, and many armed rebels were cut off in northern sections of the city.

Dear Abby...

By ABIGAIL VAN BUREN

DEAR ABBY: I have a friend who is 26, attractive and extremely well - educated. She confided that she's agreed to marry a 39-year-old, foreign-born man who wants to stay in this country longer than he otherwise could, for business reasons. In return for this favor, the man has promised to give my friend a trip to Paris. After this foreigner finishes his business in this country, they plan to get a quick Mexican divorce. Neither this man nor my girl friend has ever been married. I have tried to talk her out of it, but she insists on going through with it. How can I bring her to her sense? Sign me,

"MITZI"

DEAR "MITZI": Your probably can't but try, anyway. This isn't a marriage, it's a business deal. And I'm not so sure it's legal. Encourage your friend to "confide" in a lawyer. She might discover (with his help) the cheapest way to get a trip to Paris is to buy her own ticket.

• • •

DEAR ABBY: I would like your opinion of a schoolteacher who keeps the whole class after school for 30 minutes because one of the children did something wrong and she didn't know which one it was. Several mothers (including myself) had to sit outside in their cars and wait for their children to come out. My daughter had an appointment with an eye doctor, and because she was late she was put at the bottom of the list and had to wait an hour and a half to see him. I think this teacher ought to be fired. Don't use my name if you use this letter. She would take it out on my daughter.

UP IN ARMS

DEAR UP: I don't suscribe to punishing the innocent in order to make sure the guilty gets what's coming to him. Talk to the teacher first and get her side of it.

• • •

DEAR ABBY: I don't want to go on living, but taking one's life is a sin against God, so what can I do? My husband was very sick and thought he was going to die. He called me to his bedside and said he didn't want to die with anything on his conscience, so he made a full confession of his sins to me. I told him he didn't have to, but he did, anyway. He confessed that over three years ago he had been unfaithful to me with my youngest sister, and before that with my dearest friend. There were others, too, but these hurt me the most. Well, he didn't die, and now I cannot look my dear sister in the face. And I don't care to see my best friend again. They know something is wrong but I can't bring myself to tell them. How can I get over this terrible hurt, Abby?

HEARTSICK

DEAR HEARTSICK: Don't permit yourself to dwell on these morbid thoughts. Try to think constructively and positively, and pray for strength, compassion and the grace to forgive. You can bury the past under interests of the present and hopes for the future — if you really try.

• • •

CONFIDENTIAL TO "WORRIED TO DEATH" IN LINCOLN: If you don't want to go to the health service, see a private physician. But DO NOT DELAY, in justice to yourself and to the people with whom you are living. You could have an infectious disease.

• • •

Troubled? Write to ABBY, Box 69700, Los Angeles, Calif. For a personal reply, enclose a stamped, self - addressed envelope.

US Ships Won't Dock In Indonesia

JAKARTA, Indonesia (AP) — American ships en route to Indonesia have been ordered to other ports to prevent their seizure in retaliation for the seizure of an Indonesian ship in California, American shipping sources said today.

The measure was taken as the Communists urged the Indonesian government to take retaliatory measures against American interests in this country.

The Indonesian Communist party urged President Sukarno to expropriate all American enterprises and to sever diplomatic relations with the United States because of the seizure of the Johannes Latuharhary in Los Angeles.

Federal marshals in Los Angeles seized the Indonesian merchant ship last Friday in response to a suit filed by a Honolulu company with property in Indonesia. The suit alleged that in 1959 the Indonesian government confiscated the American firm's properties.

Few country people in Ethiopia know their exact age, the National Geographic says. Sophisticated young girls usually say 17.

NATO Allies Head Home

LONDON (AP) — Foreign ministers of the North Atlantic Treaty Organization headed home a day early today after averting an open split over American action in Viet Nam and the Dominican Republic.

In a communique issued Wednesday night at the end of their annual spring meeting, the 15 NATO allies agreed that "grave threats have arisen to international security and peace" in Viet Nam, the Dominican Republic, Malaysia and some African nations.

In the same paragraph they "reaffirmed the right of all peoples to live in peace under governments of their own free choice."

The statement represented a compromise between U.S desire for endorsement of its policies in Viet Nam and the Dominican Republic and French disapproval of those policies. Secretary of State Dean Rusk flew to London Wednesday to put the U.S. case before the Allied ministers at a closed-door session.

Rusk insisted on the passage defining the Viet Nam war as a menace to world peace. French Foreign Minister Maurice Couve de Murville demanded inclusion of the second passage to reflect President Charles de Gaulle's view that all peoples, including the Vietnamese, should be allowed to settle their own future.

8 Persons Charged In Liquor Law Violations

Eight persons pleaded not guilty in county court Wednesday to 16 charges of illegal sales of alcohol in a dry area.

All of the cases were filed by agents of the Liquor Control Board.

Ross Edwin Clayton of Snyder was charged on four counts. Leon Pena Mireles of Hermleigh was charged on three counts. Charged on two counts each were Sam Davis, Irene Martinez, and Pete Davis, all of Snyder.

Charged on one count of illegal sales were Shirley Ann Wells, Luther Tucker, and Anderson Davis, Jr.

Bond in each case was set at $500.

Prized swords have been tempered in the Tagus River at Toledo, Spain, since the First Century B.C.

IRS Expects More Arrests Of Collectors

WASHINGTON (AP) — The Internal Revenue Service's drive against dishonest tax collectors will soon expand and more arrests are expected, an IRS official said today.

Assistant Commissioner Vernon S. Acree said in an interview that another 20 or 30 arrests are expected in New York City. In the past four and a half years, 173 of 234 arrests of IRS employes have been in New York.

"We also have an investigation going in Newark (N.J.) and we have something in the works in two or three other places," Acree said. He gave no details.

There have been 19 indictments of IRS employes in New York City this year — compared to six in all other sections of the nation — and the area has been a source of IRS scandals for years.

In addition to the arrests, the IRS takes disciplinary actions such as firings, suspensions and reprimands against some 400 employes each year although these do not necessarily involve outright dishonesty.

Minor Injuries Are Reported In Mishap

The Snyder police department reported a two-car mishap at 5:27 p.m. at the traffic circle on the East Highway in which three persons received minor injuries.

Taken from the scene of the mishap to Cogdell Hospital by Bell - Seale Ambulance Service were Mrs. Mozelle Garner and her daughter, Sharon, from Seagraves, and Elaine Crawford of Oklahoma City, Okla. All were treated for minor injuries.

The cars involved were a 1962 Chevrolet driven by Bill Garner of Seagraves, and a 1965 Ford driven by Ronald E. Crawford of Oklahoma City. The drivers were not injured. Both cars were heavily damaged.

A light mist was falling at the time of the mishap.

Fire Dept. Auxiliary Plans Activities

The Auxiliary of the Snyder Fire Department heard reports on recent activities and made plans for future events at its last meeting.

Cookbooks which the auxiliary had compiled were distributed for the members to sell.

Reports were made and bills were turned in for the convention held here last month, and the group agreed it was a success.

The auxiliary helped with the recent Cancer Crusade, and the group voted to have a booth in the park for the Independence Day celebration this year. They also voted to have a float in the Rodeo parade and a committee was appointed to begin plans.

Margaret Vaughn was awarded the door prize and refreshments were served by Billie von Roeder and Buna Wheeler.

Knapp News

By MRS. VERNON TODD

Mr. and Mrs. Ben Weathers visited over the weekend in Amarillo in the A. W. Weathers home. They also visited the museum at Canyon on Saturday.

Dorothy Bowles of Seminole visited over the weekend with her parents, Mr. and Mrs. D. L. Bowles.

Mr. and Mrs. Albert Taylor and children left Sunday morning for Mississippi to attend the funeral of Mrs. Taylor's mother, Mrs. S. F. Roberts.

Mr. and Mrs. Doyle Lovell and sons visited relatives in Cross Plains during the weekend.

Mr. and Mrs. Eddie James and daughter of Gail visited Sunday with Mr. and Mrs. Cecil James.

Mr. and Mrs. Maurice Duncan, Terry and Susan were visitors in Lubbock on Saturday afternoon.

Mr. and Mrs. Jackie James, Robert and Sharla visited last weekend in Coleman with Mr. and Mrs. Gene Ferguson and daughter. They also attended church services at the Concho Baptist Church on Sunday.

Mrs. Vernon Todd returned home Thursday from Lamesa where she stayed with her mother, Mrs. P. A. Dugger, who was a patient at Medical Arts Hospital.

Lem Gresham returned home Friday after two weeks in the hospital at Rochester, Minn.

Mrs. Halley Browne, Joyce and Terry Duncan attended graduation exercises at Gail Monday evening.

Mr. and Mrs. Lloyd Ramsey and sons of Lubbock and Mr. and Mrs. Donnie Dove and Teresa of Abilene visited Sunday in the Vernon Todd home.

Visitors with Mrs. Frieda Murphy Sunday were Glen Ed Murphy and Robert of Breckenridge, and Mrs. Lee Murphy, Mr. and Mrs. Pat Murphy and Joe of Ira.

Mr. and Mrs. J. E. Sorrells visited during the weekend at Meadow with their daughter and family, Mr. and Mrs. Winfred Tucker and children.

Mr. and Mrs. Mickey Sterling and children, Mr. and Mrs. J. M. Sterling and children of Vincent, Mr. and Mrs. Howard Sterling and family and Mr. and Mrs. Buford Sterling and family visited on Mother's Day with Mr. and Mrs. T. J. Sterling at Snyder. Mr. and Mrs. Mickey Sterling and children also visited Sunday with her mother and father, Mr. and Mrs. W. O. Tipping.

BOBBY L. TAYLOR

Bobby Taylor To Study Russian At Language Institute

Bobby L. Taylor, Latin teacher and Forensic Squad coach at Snyder High School, has been selected to participate in a National Defense Education Act Russian Language Institute at Indiana University in Bloomington in the fall.

Twenty - five foreign language teachers from all over the United States have received grants which will enable them to complete requirements for the Master of Arts degree in Russian. The institute will last from September to May 1966.

The grant provides living expenses, tuition fees, and educational supplies for the graduate students and their families for the duration of the institute.

An intensive program, the institute is designed to make its participants experts in the language and the culture of Russia. A large staff of Russians will work and live with the group.

Recognized as the leading authority in the U.S. on the languages and cultures of the Slavic nations, Indiana University for the past six years has selected 25 people to study under the NDEA program, making a total of 150 persons who have studied Russian at the IU institute.

Mr. Taylor, who will study at the University of Texas this summer to prepare for the institute, has taught in Snyder for five years. A SHS graduate, he holds a BA in political science from Texas Tech, where he has also done graduate work.

As Forensic Squad coach, Mr. Taylor has guided his students to numerous honors. Every year since he began coaching he has taken students to the Regional Interscholastic League competition and for two years to state competition. He and his students began the Snyder Invitational Speech and Debate Tournament last year and the "Serendipity Sunday" radio program on KSNY this year.

An active worker in the teaching profession, Mr. Taylor has held numerous offices in educational organizations. He is currently president of the Snyder Classroom Teachers Association, which he has previously served as vice-president; president of the West Texas Speech Association for High School and College Teachers, an organization which he helped form; district director of the Texas Speech Association; and was a delegate to last year's national convention of the National Education Association in Seattle, Wash.

Recently, Mr. Taylor was appointed to a three-year term to the Advisory Committee of the Texas Interscholastic League by the TSA.

He also is a member of the Texas Foreign Language Association, the American Classical Language Association, Texas Speech and Hearing Association, and Texas State Teachers Association.

Mr. Taylor is married to Jimmie Taylor, a Northeast Elementary teacher, and has three children, Shari Fawn, 8; Robyn Lynn, 3; and Robert Jeffrey, 2. The family will move to Bloomington early in September.

Zombie's Drummer Is Admitted To Clinic

ODESSA, Tex. (AP) — Hugh Grundy, drummer for the British Zombie singing group, was admitted to a hospital just before a performance here Wednesday night.

The nature of his illness was not disclosed but a spokesman said he did not believe it was serious.

Torre Wields Torrid Bat

By MIKE RATHET
Associated Press Sports Writer

A couple of years ago the only thing slim about Joe Torre was his chances of making the majors.

Now, however, the only thing fat about the Milwaukee catcher is his batting average and the offer the Braves turned down for his services.

Torre lifted his average to .347 Wednesday night with a homer and a single, helping Milwaukee to a 5-4 victory over Pittsburgh while continuing to show why the Braves refused the New York Mets' offer to buy him for $500,000.

As a teen-ager with his eyes on the majors, Torre was in jeopardy of being overlooked by major league scouts, which would have been quite an accomplishment since he weighed 240 pounds and lacked speed.

Speed of foot still isn't Torre's main dish, but it's hard to fault a guy who trimmed his weight to 205 and last season lifted his average to .321 with 20 homers and 109 runs batted in. And this year's current .347 average goes along with seven homers and 14 RBI.

While Torre was continuing his heavy hitting, Ron Santo belted a homer and two singles in the Chicago Cubs' 7-3 walloping of San Francisco, Cincinnati edged Philadelphia 4-3, the Los Angeles Dodgers defeated Houston 4-2 and the New York Mets downed St Louis 2-1.

In the American League, Boston blanked the New York Yankees 2-0, Baltimore took Cleveland 4-2, Detroit beat Washington 5-2, Minnesota nipped the Los Angeles Angels 4-3 and the Chicago White Sox swept a doubleheader from Kansas City 7-4 and 6-4.

Torre hit his homer in the fourth inning against the Pirates, pulling the Braves into a 2-2 tie they cracked with a three-run seventh-inning uprising.

Santo was the big gun for the Cubs, rapping three of the five Chicago hits off Giant ace Juan Marichal in the seven innings he worked. Marichal lost his third game against five victories as San Francisco committed four errors behind him.

The Reds broke through against the Phillies, who had tied the score 2-2 on Richie Allen's homer, with a two-run seventh-inning comeback triggered by Tommy Harper's triple. A walk to Frank Robinson, Gordie Coleman's sacrifice fly and a double by Deron Johnson wrapped it up. Sammy Ellis got the victory for a 5-0 record with Jim O'Toole's relief help.

Don Drysdale limited the Astros to six hits, including Walt Bond's homer in the ninth, while Ron Fairly provided the decisive blow for the Dodgers with a two-run single in the third inning that broke a 1-1 tie. Jim Lefebvre chipped in with a homer for Los Angeles.

Jack Fisher checked the Cardinals on five hits and outdueled Curt Simmons for the Mets' triumph. Simmons absorbed his fourth loss in five decisions when Ron Swoboda walked in the seventh inning and scored on a double by Bobby Klaus. The Cardinals had pulled into a tie in their half on Ken Boyer's homer.

Matson Tops State Stars In Track

ABILENE, Tex. (AP)—Randy Matson of Texas A&M leads the way as Texas tracksters hang up outstanding times and distances.

Matson has a world record record shot put of 70 feet, 7 inches and an intercollegiate discus record of 201-5½.

Charles Christmas of Abilene Christian is the only other individual double leader. He tops the 880 men with 1:50.1 and has the best mile—4:09.8.

Baylor's 3:17.0 in the sprint medley relay is an NCAA record and Rice's 57.5 in the shuttle hurdles relay ties the national record.

Clyde Glosson, San Antonio Wheatley schoolboy, has a 20.6 to better the national scholastic 220 record.

Lynn Saunders of Abilene Christian and Doyle Magee of North Texas State lead the 440 with 46.3, Bobby May of Rice tops the high hurdles with 13.8, Houston freshman Tony Pickett leads the 440-yard hurdles with 52.0, Craig Fox of Abilene Christian and David Bonds of McMurry lead the 330-yard hurdles with 37.7.

Warren Brattlof of Rice has 16 feet in the pole vault to lead, John Hartfield of Texas Southern paces the high jumpers with 6 feet 11¾ inches, North Texas State's Ira Daniels leads the triple jump with 47 feet 11 inches and Dan Meadows of Texas A&M heads up the javelin field with 234 feet 10½ inches.

Terry Williams of Texas Western has the fastest 100 at 9.2, but it was wind-aided.

Bill Thomas of Howard Payne leads the two-milers with 9:13.6 and Laurie Elliott of Houston the three-milers with 14:24.4.

Texas Southern leads the mile relay with 3:07.8. The Houston Track Club has the best 440-yard relay time with 40.1. Texas Southern leads the 880-yard relay with 1:24.0.

May Build Reservoir

AUSTIN (AP) — Atty. Gen. Waggoner Carr said Wednesday that the Attoyac Bayou Watershed Authority may develop a multi - purpose reservoir, including facilities for recreation and flood control.

He also said the authority may use funds received from taxes to finance and maintain the reservoir.

The proposed reservoir would be on Attoyac Bayou, which flows into the Angelina River and forms a boundary between Shelby and Nacogdoches Counties in East Texas.

"Development of resources through a watershed project of this nature could boost the economy of both the local area and the state," Carr said.

Jack, Chi Chi In Same Threesome

NEW ORLEANS (AP) — Jack's Pack and Chi Chi's Banditos collide today as the $100,000 greater New Orleans Open Golf Tournament gets under way with the beefy Ohioan and the pint-sized Puerto Rican playing in the same threesome.

Masters champ Jack Nicklaus is the 6-1 choice to win the rich tourney at the plush 6,500-yard Lakewood Country Club course, but a number of the pros say Chi Chi Rodriguez is the man to beat.

The 5-foot-7 Rodriguez, who weighs a mere 120 pounds, is on a hot streak and has finished high in the tourneys preceding this one.

At the rain-plagued Colonial National Invitational, which wound up Tuesday, Chi Chi tied for third with three others.

The pluckish Latin chatters constantly with the gallery while playing and some of the other pros complain about it. Not so with Nicklaus, who will play with Chi Chi and tour regular Rod Funseth both today and Friday.

"It doesn't bother me," said Nicklaus. "In fact, I find he keeps me loose."

Chi Chi has earned $12,315 so far this year on the tour and put on a blazing stretch drive just two weeks ago in the Tournament of Champions and nearly caught up with Arnold Palmer.

Arnie's army will be here, too, as Palmer renews his rivalry with Nicklaus for the fairways crown. A victory for Palmer here would pull him much closer to Nicklaus in the earnings list. Nicklaus with $34,400 in official money, has won twice as much as Palmer.

Howard Expects To Be Back Soon

NEW YORK (AP) — Elston Howard, the New York Yankees All-Star catcher, was in a chipper mood today following his release from the hospital after surgery for the removal of bone chips in his right elbow.

"I might surprise a few people," Howard said from his Teaneck, N.J., home. "I feel so good now, I think I'll be able to come back before the time predicted."

It had been expected that Howard, who originally hurt the arm during an exhibition game in Puerto Rico and then re-injured it in the opening game of the season in Minnesota, would be out until June 15.

Attendance In Majors Show Gains

By BEN OLAN
Associated Press Sports Writer

NEW YORK (AP) — Major league baseball attendance for the first month of the 1965 season was up 5.4 per cent over last year, an Associated Press survey disclosed today.

The survey through Tuesday's games also reflected continued fan apathy in Milwaukee and Kansas City plus a resurgence in Houston where the Astros are playing in their new, enclosed stadium.

The Braves, committed to play in Atlanta next year, have averaged only 2,826 paid in their last 11 home appearances. Coupled with an opening-game turnstile count of 33,874 the total is 64,957. Last season, when they finished with an aggregate of 910,000, Milwaukee averaged 11,500 for the first 12 home dates.

Kansas City has averaged only 6,700 for 11 home dates. The aggregate of 74,405 is 16,425 under last season. The A's had the lowest home attendance in either major league in 1964 — 642,472.

The Astros have attracted 288,052 for 11 appearances in the 45,000-seat Astrodome for an average attendance of 26,000. In the 32,601-seat Colts Stadium a year ago the Houston club averaged 10,500 for the same number of dates.

The over-all big league attendance is 3,018,591 compared to 2,862,622 in the same number of 1964 dates. The National League shows an increase of 105,715 and the American is up 50,254.

Head Injury Is Fatal To Boxer

PHILADELPHIA (AP) — Detroit heavyweight boxer Lucien (Sonny) Banks died today from a head injury. He was knocked out Monday night in the ninth round of a fight with Leotis Martin of Philadelphia.

Banks, 24, regained consciousness after the fight, but then lapsed into unconscinusness again and was rushed to Presbyterian Hospital.

Brain surgery was performed Tuesday morning to remove a blood clot and the 207-pound fighter had been in a coma ever since.

Banks' younger brother, Jimmy, had come to Philadelphia from Detroit. Two other brothers and his parents, who live in Tupelo, Miss., survive.

Dr. Robert S. Andre, a Philadelphia neurosurgeon who performed the operation, ruled out the finishing punch as a direct cause of the subdural hematoma, or clot, in Banks' brain. He said the injury looked as though the boxer had been in an auto crash.

Banks had no record of previous head injury through boxing, although he had suffered four knockouts in 27 fights. He had won 16 of his fights with knockouts and six others with decisions.

Banks worked at a Ford Motor Co. plant in Detroit.

Pennsylvania State Athletic Commissioner Frank Wildman said earlier no investigation of the fight was planned.

"Both Banks and Martin were in excellent condition; the bout was conducted in the proper manner; the referee was alert; nothing occurred before the knockout to suggest any lack of care or supervision," said Wildman.

Martin could not immediately be reached for comment.

Oilers Down Sonics In Texas League

By The Associated Press

Tulsa shut out Amarillo 4-0 and rain washed out the other two games Wednesday night in the Texas League.

Oiler righthanders Ron Willis and Dennis Aust held the Sonics to six hits and Tulsa managed only seven safeties in a contest reeled off in 1:53.

Willis picked up his second victory but needed help from Aust in the eighth after two Amarillo singles. Aust struck out Aaron Pointer and fielded Norm Miller's tap to make the last putout unassisted.

Lefthander Ray Cordeiro took the loss.

Thursday's schedule calls for Amarillo at Tulsa again, Austin at Dallas-Fort Worth and El Paso at Albuquerque.

Hunt Is Out For Season

NEW YORK (AP) — The New York Mets expect little, if any, help from Ron Hunt, their hard-luck All-Star second baseman, for the remainder of the National League baseball season.

While Hunt convalesced today following a successful 1½-hour operation on his dislocated left shoulder, the club waited for Chuck Hiller, acquired from San Francisco Wednesday as a second-base replacement, to arrive in New York.

Mets physician Dr. Peter LaMotte, who operated on Hunt Wednesday, said the 24-year-old infielder would be sidelined for at least three months and possibly for the rest of the season.

Hunt, chosen the Mets' most valuable player in 1963 and 1964, led the team in hitting last year with a .303 average.

Car Throws Rod At Speed Of 155.4 mph

INDIANAPOLIS (AP) — Jim McElreath's Offenhauser was hitting 155.4 miles per hour Wednesday when he blew an engine.

About 15,000 fans watching practice runs at the Indianapolis Motor Speedway saw the Arlington, Tex., driver skillfully pull to a safe stop on the track.

Chief mechanic Denny Moore said he had a spare engine for the car.

The errant rod knocked a hole in the side of the engine and all the oil was lost. The cleanup job closed the track for half an hour.

SIREN CALL!

Heckler-Squelching Typical Of Business' New Policy

By STERLING F. GREEN

WASHINGTON (AP) — When Wilma Soss was lugged bodily out of the Communications Satellite Corp. stockholders meeting Tuesday — screaming, protesting and waving at the cameras — some kind of an era ended.

Or maybe an era began.

The tycoons of American industry seem to be fighting back, after years of being harassed by small groups of perennial hecklers.

Across the land, board chairmen have taken a brace. Many are firmly insisting, for instance, that stockholders talk about the corporate business under discussion. And that they wait for their turn speak. And that they let other stockholders get a word in edgewise.

For the board chairman, this takes some kind of courage. His company's "stockholder relations" are as important as its public relations. Every management wants to be considered kind, attentive and responsive to questions and complaints, even if the complainer owns only one share.

The little stockholder, in short, has a mighty voice. But managements and rank and file stockholders have been showing irritation when, year after year, at every annual meeting of every big company, the loudest voices are also nonstop, out of order, irrelevant and sometimes augmented by tin horns and whistles.

Seven months ago investment banker Sidney J. Weinberg decided it was time to speak up. (It's fairly safe for him now; at 73 he holds only five major directorships, having resigned 20 or 30.) He made a speech to about 100 corporation chairmen and presidents at the Business Council meeting in Hot Springs, Va.

"The chief cause of this deterioration, in my opinion, are a relatively few publicity-seeking characters who attend stockholders' meetings primarily to ask impertinent, irrelevant, sometimes abusive questions," Weinberg said.

"I think this kind of behavior must be stopped right now before stockholders lose respect for management."

The notoriety won by some hecklers, he said, has encouraged newcomers to take up the hobby.

Today, Weinberg reports, a good many board chairmen are firmly squelching the disorderly. Meetings have regained some decorum. "The situation is much improved," he says.

Indeed, even Mrs. Soss, the oft-heard voice of the Federation of Women Stockholders in American Business and such other noted meeting-goers as Lewis Gilbert and Evelyn Davis have met some setbacks lately.

Last September, at Comsat's first annual meeting, Gilbert, Mrs. Soss and horn-tooting Mrs. Davis squabbled with each other for the floor, shouted when their microphones were cut off and incensed 1,500 other stockholders to the point of booing, jeering and clapping to drown them out.

They helped prolong the meeting for nine hours, and were still there when most other shareholders had given up and gone home.

On Tuesday, blue-uniformed Pinkerton special police were much in evidence at Comsat's second stockholders' meeting. When Mrs. Soss' first speech was ruled out of order, setting off a clamor by Gilbert and Mrs Davis, the Pinkertons moved in.

When Mrs. Soss declined to leave under her own power, a husky Pinkerton picked her up and carried her down the aisle and out the door. Two Pinkertons propelled Gilbert out the same exit.

Boyle Wants Bug Bomb— A Big One!

By HAL BOYLE

DA NANG, South Viet Nam (AP) — An open letter home:

Dear Frances and Tracy,

I knew there was something strange about this war that made it different from other wars, and at last I have figured out what it is.

So far nobody over here has asked me for chewing gum, chocolate or a bar of soap. That never happened to me in any previous war. It is almost enough to make a fellow lose faith in the American way.

The kids here think chewing gum is strictly for the troops. What they beg for — even those only 6 or 7 — is cigarettes. They are friendly and quite lovable except for a bad habit of trying to steal your wrist watch as you walk along.

Vietnamese girls have the reputation of being the fairest in the entire orient. They are slender, delicate-featured, and as graceful as little princesses in their bearing. Dressed in their native garb, they are as pretty as walking flowers.

So far I have not seen an enemy soldier, a distinction which I would just as soon keep for some time. My main battles have been with antique French plumbing and various forms of insect life that inhabit my hotel room but don't pay rent.

When I try to turn on a water faucet, it comes off in my hands. When I try to take a shower, nothing comes out but a torrent of rust. And when I tried to use another bathroom fixture it collapsed completely, and an overhead pipe fell and nearly brained me.

As to the insects, I am beginning to think I should have studied entomology instead of journalism. This morning I counted 87 assorted bites of all kinds on me, and went out and bought a mosquito net.

The room boys then held a union meeting and decided that putting it up was a two-day job for three men. This was my first experience with Oriental featherbedding. But the philosophy in this area seems to be "anything worth doing today is even more worth doing the day after tomorrow."

As I write you this, a bug about half the size of an armored carrier is crawling slowly across the floor toward my bed. I think he wants to take a siesta.

I know I should put up a fight, but frankly I don't think this beetle could be stopped with anything smaller than a 50-caliber machine gun. So I'm going to abandon the field of battle temporarily until I can get some outside help. For all I know, this bug could be a Viet Cong in disguise. He's certainly big enough.

This is a war in which even a noncombatant feels he is a hero — merely in being here.

With much love from your suffering, bug-bitten husband and father, Harold.

P.S. send me a bug bomb. A big, big bug bomb. Then I can counterattack.

Writer's Mother Dies

MASON, Tex. (AP)—Funeral services were held today for Mrs. Beck Gipson, 90, mother of novelist Fred Gipson. She died Wednesday.

In map making, the time-honored Mercator projection shows the world as a flattened cylinder with the polar areas stretched out as wide as the Equator.

A Junior Editors Quiz About— ANIMAL TALK

QUESTION: Can animals talk?

* * *

ANSWER: We all know that animals don't talk in the sense that we do; that is, they don't exchange ideas by a system of spoken words. Yet the dictionaries also define talk as communicating by any means. In this sense, many animals certainly do talk, for there is no doubt that they can communicate with each other by means of different sounds. The male baboon in our picture, for example, is not letting out a fierce roar just for the fun of it. He is telling some threatening cheetah or leopard to keep away from his pack, if the big cat knows what is good for him. We often mistake the meaning of animal sounds. A bird may look so happy on a June morning that we imagine he just HAS to sing. No doubt the bird is happy, but when birds sing during the nesting season, they are really warning other birds to keep off their territory. Recently, careful studies have been made of the behavior of some of the large apes. It has been found that they have a surprisingly large number of different sounds to express certain feelings like satisfaction, annoyance, friendliness or hatred. The gorilla has a vocabulary of 22 such sounds. The chimpanzee ranks as the top talker with 23.

* * *

FOR YOU TO DO: Start a scrapbook, using Junior Editors articles and drawings. Refer to it from time to time. 5/13

(Billy Sims of Chicago, Ill., wins today's combined prize of Compton's Illustrated Science Dictionary plus $10 cash for this question. Mail yours on a postcard to Junior Editors in care of this newspaper.)

Huntsville Integrates

HUNTSVILLE, Tex. (AP) — Public schools here will integrate grades 1, 7, 9 and 12 in September, officials said Wednesday, to step up desegregation.

The district has been following a grade-a-year plan, now in its second year. So far only four Negroes have entered previously all-white schools.

LEGAL NOTICE

Notice is hereby given by the Parks and Wildlife Department that a public hearing will be held at 8 p.m. on May 31, 1965 at the County Courthouse at Gail, Borden County, Texas for the purpose of gathering information concerning proposed hunting, fishing and trapping regulations for the above named county.

LEGAL NOTICE

CITATION BY PUBLICATION
THE STATE OF TEXAS
TO: Pedro Rodriguez, Defendant, Greeting:

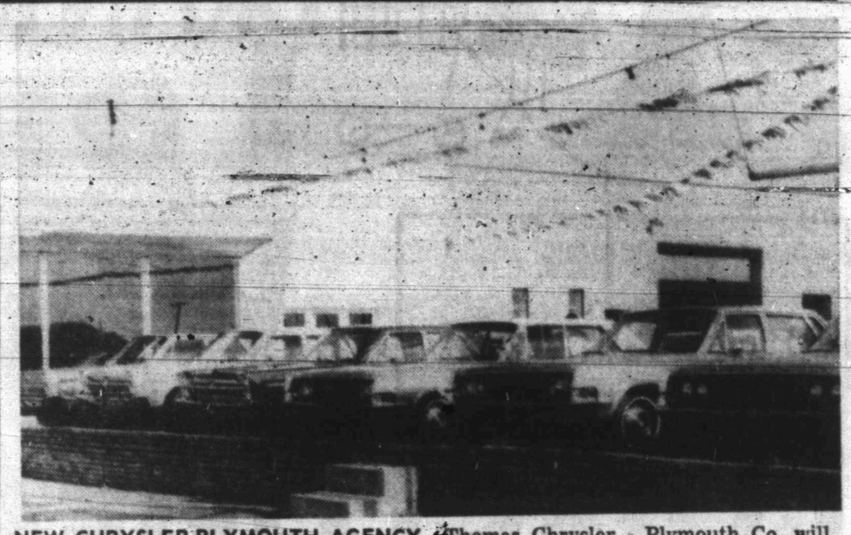

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Scurry County at the Courthouse thereof, in Snyder, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty - two days from the date of the issuance of this citation, same being the 14th day of June A. D. 1965, to Plaintiff's Petition filed in said court, on the 166th day of June A. D. 1964, in this cause, numbered 8892 on the docket of said court and styled Evangeline Rodriguez, Plaintiff, vs. Pedro Rodriguez, Defendant. A brief statement of the nature of this suit is as follows, to-wit: Divorce as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this writ shall promptly serve the same and make due return as the law directs.

Issued and given under my hand and the seal of said court at Snyder, Texas, this the 28th day of April A. D. 1965. Attest: (S) Eunice Weathersbee Clerk, District Court Scurry County, Texas.

NEW CHRYSLER-PLYMOUTH AGENCY—Thomas Chrysler - Plymouth Co. will hold its formal opening here Friday and Saturday. The new firm is located at 2103 Twenty-fifth Street. All Snyder area residents have been invited to visit the firm during the two-day opening event.

OPENS AGENCY — John Thomas is owner of Thomas Chrysler-Plymouth Co. which will hold its formal opening here Friday and Saturday. Thomas and his family moved here from Denton to open the new automobile agency.

In New Hampshire, rare Alpine flowers begin to blossom above the timberline along the crest of the Presidential range of mountains about mid-June.

Confessed Red Spy Is Sentenced

NEW YORK (AP) — Robert Glenn Thompson, the former Air Force enlisted man who confessed to spying for Russia for six years, was sentenced today to 30 years in prison.

The 30-year-old Long Island service station operator bowed his head and closed his eyes when he heard U.S. Dist. Judge Walter Bruchhausen in Brooklyn say:

"The penalty prescribed is death or imprisonment for any term of years, or for life.

"The defendant was engaged during a period of six years here and abroad in undermining our national security. The consequences thereof are not readily determinable. It is clear that his criminal activities warrant severe punishment."

After that came the 30-year sentence.

Arrested last Jan. 7 at his service station at Babylon, N.Y., the 6-foot-2, 250 - pound Thompson pleaded guilty March 8 to conspiring with two former members of Russia's U.N. personnel to steal U.S. military secrets.

His espionage began in West Berlin in 1957, shortly after an Air Force court-martial had busted him from airman first class to airman second class and fined him $67 for dereliction of duty. At the time he was a mail clerk in a military special investigations office.

Despite the court-martial, he continued to have access to information about military equipment and installations, missile sites, code books and intelligence and counter-intelligence activities, the FBI said.

Kiwanis Club Told Of Fire Inspections

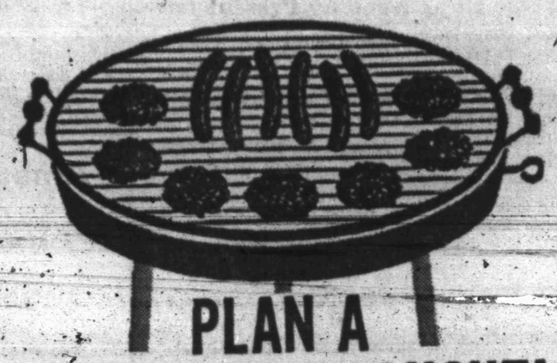

Kiwanis Club members heard a detailed account of fire inspections being conducted here at the club's regular meeting Wednesday.

Bill Cogburn of Odessa told how the inspections are conducted by the Texas Insurance Fieldmen's Association.

John Boren, coordinator for the local inspections, told how the inspections here were organized.

ONE OF THE SUGGESTIONS given in talk entitled "How To Have A Heart Attack" was to let the waistline bulge. Ernie Guy, left, executive director of the Texas Heart Council who made the talk, and Badger Robertson, incoming president of the Scurry County Heart Association, take the measurement of Joe Carroll, outgoing president of the local association. It appears to be funny to everybody but Carroll.

Pair Charged With Thefts

PAMPA, Tex. (AP) — Two Oklahoma men were charged Wednesday with stealing mercury from gas well meters in the Texas Panhandle.

Gray County Sheriff Rufe Jordan identified them as William Henderson, 55, and Calvin Henderson, 40. He said they gave several Oklahoma towns as their homes and they told conflicting stories.

The men were picked up for questioning Tuesday night.

Gas well meters contain 7.5 pounds of mercury. It is valued at $6.25 a pound.

The sheriff said mercury has been stolen from 35 meters in Gray County this week. He said 88 meters in the Panhandle were pilfered of mercury in March.

Officers said they found two weapons, maps of Colorado and New Mexico, assorted tools and camoflage jackets in the men's car.

Mother Sentenced

CANYON, Tex. (AP)—A jury found Mrs. Ella Binning, 27, guilty Wednesday of killing her 5-month-old son with a hammer and set her sentence at 16 years in prison. The boy, Marcus Binning, died Dec. 13, 1963.

Heart Association Holds Annual Meeting Wednesday

Several suggestions on how one can bring about a heart attack were suggested here Wednesday at the annual membership meeting of the Scurry County Heart Association.

The speaker at the meeting was Ernie Guy of Austin, executive director of the Texas Heart Council.

Some things, the speaker said, like heredity, diabetes, and gall bladder trouble, couldn't be too well controlled. But, he suggested, a person could always get overweight, refrain from any type of exercise, and smoke two packages of cigarettes a day.

These things, Guy said, could go a long way toward bringing on a heart attack.

He added that strain, overwork, and "the pace" were blamed for many heart attacks although medical science could find no basis for it. But those factors will probably continue to be blamed, because people would prefer to say their heart attacks were brought about by "tension" rather than "gluttony."

New officers for the coming year were elected at the meeting. The new president will be Badger Robertson; J. D. Hinton, vice president; Mrs. Dean Floyd, secretary; and Doug Flynn, treasurer.

New directors of the Scurry County Heart Association will be Mrs. Inez Wilson, Mrs. Billie Brice, Mrs. Martin Murphy, Charles Bruce, Mrs. Jan Roberts, Bill Jones, Pat Falls, Dr. A. B. Lightfoot and Bob Womack.

Certificates of appreciation were presented to KSNY Radio and the Daily News for publicity given during the past year; to Charles Bruce for his help with the golf tournament; to Snyder Lanes for their help with the bowling tournament; and to Piggly Wiggly, Everybody's and Early's grocery stores and to the Altrurian, Altrurian Daughters, and Twentieth Century women's clubs for their help with the "heart coffee" days.

Cablecars' Male Domain Gives Way To Integration

SAN FRANCISCO (AP) — Tradition dies hard in this windy city, and none has been laid to rest with more wordage than the custom of the "outside step" of the dear old dinky cable cars.

Since 1873, when they first clattered up the hills of San Francisco, it has been traditional that the weaker sex — that is to say, women — should not ride the outside step.

The outside step — a 10-foot-long running board along the outside seat — was a male stronghold. The woman who tried to ride this hallowed plank was soon told off by the conductor, or by the gripman who drives the cars with long steel grips that clutch the moving cable.

But in recent weeks the outside step has been integrated — for women.

"Get 'em off!" bellowed Tom McGrath, spokesman for the Cable Car Gripmen's Union, when a college coed, Mona Hutchin, 19, dared break the ice. She insisted she could ride outside — lawfully.

And so she could. In fact, so could all females. Turned out there is no law against women riding the step.

"It doesn't make any difference to me whether they ride outside," said husky John Hepburn, gripman of the Hyde Street Line.

Conductor Frank Brown agreed: "No difference to me at all," he said. "If they fall off, they fall off. Just wait, they'll start falling off."

No women were on the step at the time. The main objections to their riding there are that they're weaker than men, wear skirts that can blow revealingly aloft in high breezes, and—besides — they're women! The objection about the skirts was based on the theory that the girls, in trying to get their wind-blown skirts down, would forget about hanging on to the railing, and toppple off.

On another car a little later:

"Now look. Are you two going to stand out there?" gripman Jim Stewart said, glowering at Sue Cuddeback and Kerin Baker.

"Then you got to hang on with both hands or in you come. Both hands!"

The girls, determined, stayed put.

Passengers turned as one to watch.

"Both hands, see," snarled Stewart.

"How are we going to get our fares if we have to hang on with both hands?" said Sue, hanging on with both hands.

"I don't care," scoffed Stewart. "Like I said, both, both hands!"

The girls got off without paying their fares.

ON UNEMPLOYMENT

Records Refute Negroes' Claims

By REX THOMAS

SELMA, Ala. (AP) — Civil-rights leaders say scores of Negroes have lost their jobs in Selma because they took part in right-to-vote demonstrations.

But employment records don't show it. In fact, says the State Employment Service, jobs are going begging in almost every classification.

"Suppose 200 Negroes have been fired as they claim," says Monroe Quinney, manager of the employment service office. "There are enough other jobs available to take care of a substantial number of them."

But, he added, "the number of applicants is decreasing and we can't fill the jobs."

Dr. Martin Luther King Jr. has charged that white employers have laid off some 200 Negro workers because of their civil-rights activity. He also said that many of them are without food and clothing.

A Federal Community Relations Service spokesman, Fred Miller, says he has the names of the 180 Negroes who say they were fired because of the street demonstrations which became almost a daily occurrence in the first weeks of the right-to-vote struggle.

City officials say they have received similar complaints. During a recent conference, Negro leaders produced the names of 50 unemployed workers. The City Council declined to accept the list until it also included names of the former employers.

Miller says most of the complaints he has received come from maids, cooks and other domestic help. Quinney says his office has requests from white housewives anxious to hire domestics.

It may be, of course, explained the employment service manager, that jobless Negroes are looking for work through other channels instead of registering with his office. He added that a housewife who has fired her maid or cook may have hired another Negro to take her place.

"We had a lot of complaints of absenteeism during the height of the demonstrations," Quinney continued, "and it may well be that women who have to have a maid — especially mothers who work — refused to take them back after they had been off for several days."

He added that some merchants have had to let employes go because Negroes are boycotting white stores and business has fallen off.

In April 1964, Quinney said, the employment service received 253 new applications from men and women looking for work. Last month, the figure dropped to 186.

BIRTHS

Mr. and Mrs. M. D. Templeton, Route 2, Hermleigh, are the parents of a 7 lb. 15 oz. baby girl born at 6:38 p.m. May 12 at Cogdell Hospital.

Mr. and Mrs. Jerry Schulze, 3102 Avenue C, are the parents of a 4 lb. 10 oz. baby boy born at 2:03 p.m. May 12 at Cogdell Hospital.

District GOPs Favor Keeping Present Laws

Republican county chairmen for the 24th Senatorial District met last weekend in Abilene.

Gene L. Dulaney, district committeeman from Snyder, reported that the group went on record as favoring the retention of the present method of cotton planting as opposed to a new method proposed by the Department of Agriculture.

Another resolution adopted at the meeting showed that the group was in favor of retaining the Texas "right-to-work" law, and called on Governor John Connally to take a stand in support of this law.

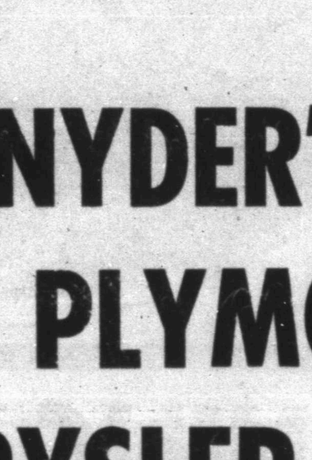

Shrimping is the most valuable seafood industry in the United States, the National Geographic says. In Florida, the tasty shellfish brings in more money than all other seafoods combined.
