NUMBER 52

Senator George McGovern is saying that the injury to George Wallace in that assassination attempt was a big factor in the landslide Nixon victory last week. Except for that injury, says McGovern, Wallace would have been an active candidate receiving millions of the votes that were diverted to Nixon, and eventually leaving the Democratic party as the winner.

His reasoning has some validity, but the mention of it now seems like so much sour grapes. The fact is that Wallace tried to bring his influence into the Democratic party and could have been a real asset to it, but he was torpedoed by the radical clique headed by McGovern. A special issue in the political hatchet job was forcible busing of school children. McGovern's crowd demolished that proposed platform plank along with a number of other conservative proposals backed by Wallace. The end result was a party takeover by radicals and the alienation of Wallace and all his supporters.

McGovern and his steam roller crowd can blame none but themselves for their stunning defeat. Had they tried to understand how people think, particularly on the busing issue, instead of trying to cram their own twisted principles down the party's throats, they might have fared better. They could have had Wallace as a friend, but they chose to make an enemy of him.

Needless to say, we're glad he made the choice. We'd hate to think that he would have accepted conservative help and then brought his radical ideas on economy and the Vietnam war and national security and welfare into the presidency. As it turned out the choice in the election was between greater and lesser degrees of liberalism. Hopefully the distinction will become more definite leading up to the time when there will be a clear cut division between the two political philosophies. We'd like to have a conservative party and a liberal party giving us a clear choice in elections.

The wailing of McGovern is one of the many kinds of complaints that inevitably come out after an election loss. It's natural to analyze the causes and also cry about related losses that accompany the defeat for office. A classic statement on the subject appeared in 1936 in a Georgia newspaper purporting to quote a defeated candidate in Arkansas. It's reproduced in the current newsletter of the Texas Good Roads Association.

"In my campaigning I lost four months and 20 days canvassing; lost 1,360 hours sleep thinking about the election; lost 40 acres of corn and a whole lot of sweetpotatoes; lost two front teeth and a whole lot of hair in a personal encounter with an opponent; donated one beef, four shoats and five sheep to barbecues; gave away two pairs of suspenders and five calico dresses; five dolls and 15 baby rattles; kissed 126 babies; kindled four kitchen fires; put up eight stoves; cut 495 bundles of fodder; walked 4,065 miles; shook hands 90,080 times, told 10,000 lies and talked enough to make 10,000 volumes; attended 27 revivals; was baptized four times by immersion and twice some other way; contributed \$15 to foreign missions; made love to nine grass widows, got dog bit 39 times, and then lost the election."

The Good Roads Association, incidentally is concerned with a big problem nowadays. That's the raid which the mass transit advocates of the federal government are trying to make on the federal highway fund.

For many years the government has been collecting a gasoline tax, building the federal Highway Trust Fund which is divided among the states for building our interstate highway system. The fund is enormous and constitutes a sizeable portion of every state's highway construction and maintenance budget.

Well, the mass transit people have a covetous eye on that money. They insist that it should be available to build their rapid transit systems, and have quite a few people in the congress and administration leaning their way — regardless of the fact that the original provision specifies that the money can be used

Thursday Will Be Parents' Night at Tiger Ball Game

Parents of the Sacred Heart Tigers will be honored guests at the football game Thursday night when the Tigers close out their season with Henrietta B. Dads and mothers will be admitted free if the dad is wearing his son's white jersey.

In brief ceremonies before the game the parents will be introduced with the players on the field after which dads will be seated at the sideline and mothers will be escorted by their sons to a special area of the grandstand.

The game, according to Coach Bob Steele, should be one of the season's best. Henrietta B comes here with a 5-2-0 record, the two losses being to Bowie B, which gave the Tigers a tough game last week. Sacred Heart took that one by two points but the statistics leaned the other way. Indications are that the same kind of action can be expected this week.

For their part, the Tigers will be high, not only because they are eager to reverse last year's record — from 1-9 to 9-1 — but because the other team is coached by their former coach, Tom Joy. From the beginning of the season this win has been at the top of their want list. All are expected to be ready physically for the game.

Funeral Set Friday For Mrs. Boyles, 61

Mrs. W. G. (Jud) Boyles, 61, a resident of Muenster for most of her life, died suddenly Wednesday morning in a Wichita Falls hospital.

Funeral service with Requiem Mass will be conducted Friday morning at 9:30 in Sacred Heart Church with Father Bede Mitchel officiating. Burial will follow in Sacred Heart Cemetery under direction of Nick Miller Funeral Home. Prior to the funeral rosary services will be held Thursday at 4 and 8 p.m. in the Miller chapel.

Bearers will be Jimmy, C. J., Tim and Eddie Hellman, Johnny Jones and Jack McCurdy Jr.

Mrs. Boyles is the former Winnie Hellman, born May 20, 1911, in Dallas, a daughter of the late Mr. and Mrs. Ben Hellman. Her family came to Muenster when she was a child. She went to school here and continued living here.

She was married to Mr. Boyles in Muenster on December 6, 1935, and the couple made their home here. He was engaged in oil field work.

In 1950 they moved to Corpus Christi and in 1956 to Raceland, La. They returned to Muenster in 1969 and have

Memorial Set for Deceased K of Cs

Deceased members of the Muenster Knights of Columbus Council will be honored next Sunday at the annual memorial service starting at 2 p.m.

Grand Knight Eddie Fleitman urges all members to join in the ceremonial and prayer and issues a special invitation to family members and friends of the honored dead.

SH School Begins 5 Days Book Fair

Children's Book Week is being celebrated this week at SHS with a book fair, open to public, Thursday through Monday, from 9:00 a.m. to noon and from 1:00 p.m. to 5:30 p.m. each day and after all Masses on Sunday. It will be held in the Reading Lab. Visitors are asked to come in the east door.

The book fair display will include attractive new books from many publishers in all popular price ranges — wonderful books to read or give as gifts. All reading interests will be represented, including classics, fiction, biographies, adventure stories, science, nature, crafts, mystery and reference books. Educational Reading Service, a professional book fair company, furnished the selection of books for the fair.

Students' projects relating to books and reading are on display in the book fair area and in all hallways.

Hornets to Close Football Season With Callisburg

Football continues to be rough for the MHS Hornets this week when they meet the Callisburg Wildcats in a tussle for fourth place in District 11-A standing.

At this time Muenster is 1-3-0 in the district and Callisburg and Pilot Point are tied at 0-3-1. A win would put Muenster ahead of Callisburg and a loss would put Muenster behind. Pilot Point, to play Nocona, apparently is destined for the cellar, either alone or with Callisburg.

As Coach Glenn Richardson sees the game, it will be another tough one for his Hornets. Their No. 3 quarterback, Hank Trachta, expects to be back in action but handicapped by a bruised hip. Even so Trachta lacks the experience of Jim Endres and Randy Wolf and the team will not be up to its early season strength. One satisfaction is that no additional injuries have been sustained. The only problem now is to avoid illness in the severe weather of the last practice sessions.

Callisburg seems to have fared better. In spite of a 1-8-1 season record it has added rather than lost players and has improved. That has been since their close loss to Sacred Heart, which is enjoying a great season.

The game will be played on the MHS field starting at 8 o'clock.

MHS Girls Divide Pair With Alvord

MHS girls improved sharply in their second basketball game of the season, playing a return game with Alvord. They won the B game 32-15 and lost the A game 64-46 after losing decisively at Alvord the week before.

However there's more to the Number 1 contest, says Coach Charles Cash. MHS was going strong until Dolly Bayer went out with a knee injury in the second quarter. After that Alvord moved up and ahead. The injury was a big loss to the team and the big question now is how long Dolly will be out of the action.

Scores by quarters in the A game were 20-10 favoring Muenster in the first period and 28-26, 49-30 and 64-46 for Alvord after that. MHS scorers were Doris Felderhoff 30, Becky Fields 8, Joyce Swirczynski 4, Janet Swirczynski 3 and Dolly Bayer 2.

In the first game Muenster led all the way by scores of 12-0, 20-5, 28-7 and 32-15. Scorers were Debbie Schneider 16, Sandy Dittfurth and Mary Lou Fleitman, 8 each.

Next basketball action will be with Saint Jo, there, on the 27th and Lindsay, here, on the 28th. Boys and girls will play.

Hospital Auxiliary Meeting

Members of the Muenster Hospital Auxiliary will have a meeting Thursday night at 7:30 in the dining room of the hospital.

down to the nitty gritty. Vicious play for the two minutes before half time led to two fumbles by Bowie. And for the third quarter teams were mostly just bumping heads. Bowie got a break ending the first series when Sacred Heart's kick against a gusty wind went only to midfield. A run from there almost got away

Guns, Gun Safety Will Be Program For SH Assembly

A program on guns and gun safety will be the feature for an assembly of high school and junior high boys next Wednesday at Sacred Heart. It will be in the library starting at 12:30 and will last about 1½ hours.

Coach Bob Steele, who arranged the event, says it will be conducted by a representative of the Winchester rifle company and will include a film on the history of rifles, a display of modern guns and a talk on safety for about 30 minutes. Visitors will be welcome.

VFW Will Plant 6 Memorial Trees In City Ball Park

Six new Live Oak trees in Muenster baseball park, as memorials to service men who died in World War II, were approved by the Muenster VFW Post at its meeting Monday night. The trees are replacements for six which failed to survive the earlier plantings and re-plantings.

Originally, a few years after the war, the Garden Club planted 13 trees. Some died early, some after an apparently good start, and some have been replaced. At this time there are seven in good condition.

Garden club members asked for assistance to make the replacements. VFW members voted to buy and Roger Taylor will care for them the first year. The city will provide a guard fence to protect the trees while they are getting established.

HD Club to Send Christmas Gifts To State Hospital

Home Demonstration Club members met in the home of Mrs. Rudy Hellman at Moss Lake last Wednesday. Mrs. Johnny Wimmer opened the meeting with prayer in unison and led the pledge of allegiance to the flag. Members plan to provide gifts for patients at Wichita Falls State Hospital and will collect them in Mrs. Joe Hoenig's home before Thanksgiving.

Everyone brought a sack lunch to the meeting and Mrs. Hellman provided additional goodies with coffee and home made ice cream. Later in the afternoon Muenster Home Demonstration Club members were hostesses at the Christmas in November show in Gainesville.

The December meeting will be held in Mrs. Paul Fisher's home at 11:00 in the morning when Mrs. Tulu Hickerson will demonstrate electric appliances.

Final Service Held For Jack Biffle, 68

Final services for Jack Biffle, 68, were held Sunday afternoon at 2 in the Vernie Keel Funeral Home Chapel of Gainesville with The Reverend Henry Mazingo, pastor of the Myra Baptist Church, officiating.

Assisting were Father Placidus Eckart, pastor of Sacred Heart Church, Muenster, and Gary Anglin, music director of First Baptist Church, Gainesville.

Burial was in Fairview Cemetery, Gainesville, under direction of Vernie Keel Funeral Home. Bearers were nephews, Billy Biffle, Charles Howard, Bill Aston and Kenneth, Wayne and James Selby. Brief graveside rites were conducted by the Rev. Mazingo.

Jack Biffle died early last Friday in Muenster Hospital following a long illness. He was born on October 21,

FFA Chapter Has Two Champ Teams

Muenster FFA chapter had two district champion teams in the leadership contests recently conducted at Grayson County College. In addition one of the teams was third in an area contest at East Texas State University.

The Greenhand Farm Skills team, composed of freshmen Kirk Johnson, Monte Reiter and Dean Sicking won the first in district and became one of eight to qualify for area, where they won third place.

The Chapter Farm Skills team won first in the senior division of the district contest but could not participate in the area because of a football injury to Curtis Klement the night before. His two teammates are Lyle Klement and Dan Sicking.

1904, in Perryton, a son of the late Mr. and Mrs. Sam Biffle, who were former residents of the Muenster-Myra area and returned here shortly after Jack's birth. Since then Jack spent all of his life here.

He was married to Mildred Selby on December 23, 1936, in Marietta, Okla. They spent a number of years in ranching and cattle business before he went into water well drilling and servicing. He retired from that about six years ago because of failing health.

Survivors are his wife; three sons, Jimmy Jack of Muenster, Sam of Garland and David of Myra, one brother, Bill Biffle of Rosston; two sisters, Mrs. Winnie Lou Barksdale of Chico, Calif., and Mrs. Anna Mae Campbell of Corpus Christi; and five grandchildren.

Out of county relatives and friends attending the service were Mr. and Mrs. John Barksdale of Chico, California; Mrs. Geddes McLaughlin, Mr. and Mrs. Henry Weidemeyer, Mr. and Mrs. Carroll Yoakum, and Mr. and Mrs. Don Bailey and Donica, all of Dallas; Mr. and Mrs. Jack Cavanaugh, Leonard Ashton and Robert E. Erikso of Garland; Mr. and Mrs. Charles Selby and Mr. and Mrs. C. C. Gregory and Margaret of Fort Worth;

Mr. and Mrs. R. D. Ward of Ringling, Okla.; Mr. and Mrs. Charles Howard and Rhonda and Luke of Carney, Okla.; Mr. and Mrs. James Bohner of Burkburnett; Mr. and Mrs. William E. Aston of Waco; Mr. and Mrs. Joe Mays of Bells; Raymond Huey and Mr. and Mrs. Bryan Kerns of Marlow, Okla.; and Mr. and Mrs. Billy Biffle and Jennifer of Boyd.

Muenster Juniors Beat Nocona 14-6 For District Lead

Muenster Juniors, for the third time this season compensated in part for the big boys' loss when they played the Nocona youngsters last week.

By a score of 14-6 they took the lead in the junior division of District 11-A football. Until the game both Muenster and Nocona had a 3-0 standing in the race. Now the Little Monsters are 4-0 and the Little Indians are 3-1. It means that Muenster can come out with a 5-0 record by winning at Callisburg Thursday. Or, in case of a loss it can still share the title. Or it could also stay on top with a tie.

The win was a special triumph to Muenster kids because of their apparent disadvantage. The visitors were taller, heavier and well balanced. Along with considerably less average weight Muenster had a few definite lightweights. However Muenster possibly was ahead in speed and co-ordination. The net result was that Muenster led in both statistics and score: 10-8 in first downs and 177-155 in total yards. They were even with 2 each in fumbles.

Muenster had first possession and fumbled the ball away on its second series. From there the visitors went 37 to the 20 then were pushed back 5 in the next four tries. The Monsters then went 62 and stalled on the 13, but regained possession the next play on a fumble. That was on the 17 and the next series failed by inches.

Then Nocona, on the 7, lost ground in the series and had a fourth down kick blocked behind the line. Nick Walterscheid recovered for a Monster TD. Mark Sicking scooted over for extra points and Muenster led 8-0 as only 27 seconds were left in the half.

Nocona got back into the game on the first play after second half kickoff. It was a break through the middle and a wide open field ahead — a 65 yard scoring romp. But the try for extra points failed and Nocona was still behind 8-6.

After an exchange of kicks Muenster got going on a nice drive with 47 to go. With Sicking, Walterscheid, Mollenkopf and Wolf carrying the effort

Hornets Trampled By Nocona Indians

Muenster High's Hornets had no chance whatever in their game with the Champion Nocona Indians Friday night, and they were lucky to come home with a loss of no more than 49-0.

It was a matter of two extremes. The Indians, rated fourth in the state in Class A, have a powerhouse, with lots of tonnage and speed, more than enough to handle Muenster when it is at full strength. In Muenster's current crippled condition it was hopelessly outclassed.

The Hornets' number one problem of the season got even worse in this game. With quarterbacks Jim Endres and Randy Wolf both out with injuries they had their third quarterback, Hank Trachta, sidelined with a bruised hip. So the job had to be taken over by Louis Koelzer.

The result was that the entire offense was stymied. Both Trachta and Koelzer completed several passes but they were also thrown for steady losses in their attempts to pass. Total pass gains were 70 but the setbacks added to 52 and total yardage for the game was only 18.

The Indians showed the trend of the contest in their first possession going 63 yards for the first TD in only six plays. Big gains were a 23 yard romp by Guilleams and the 19 yard scoring sprint by Stillely. Mike Fenoglio kicked the first of seven extra points and Nocona had 7 on the board in less than two minutes.

For the rest of the quarter

The Hornets made one first down and held the Indians to two. It was their best defense of the night, forcing the big Indians to kick on two series. But shortly after the second quarter started the Indians cranked up their second drive. It made 58 yards in eight plays the big one being Guilleams' run for 22. Guilleams scored from the 1.

An interception by Curtis Klement delayed the next Indian score, but only slightly. On next possession they moved 44 yards. Quarterback Skidmore made 21 of it and Guilleams went over from the 3.

Just before halftime an interference ruling and a pass to Alan Miller gave the Hornets two successive first downs. The gains were for 12 and 16.

Following intermission Nocona started tearing through Muenster's defense again. The drive went for 54 yards. Guilleams went in from the 5 for his third TD.

Next possession was more of the same. With 52 to go the Indians used 9 plays and Hanson scored from the 1.

A delay featured the next drive. Martin tore off 35 to the 6 but Hornet defense plus a penalty ended the next series on the 8. However, after a short kick the Indians finished

JCs Get Trophy At Area Meeting

Muenster Jaycees have another travel trophy, won last Saturday night at the Area 2-A visitation in Jacksboro. Muenster's representatives there were Wayne Klement, Claude Klement, John Schneider, Roy Monday, Dickie Pagel and Mike Frost.

A special guest was "Papa" Bob Cass, national Jaycee director. He emphasized the importance of maintaining interest and activity in the membership.

An area membership drive was launched at the meeting with plans to keep recruiting until the next area meeting on January 9.

Tigers Nudge Bowie B 8-6

Mark up another win for Sacred Heart's rip snorting Tigers, even though they were somewhat tamed down before the battle was over.

Playing Bowie B there, they came out, fortunately at the front of an 8-6 count but they were second best according to statistics. The victory hinged on the bonus points after touchdown, due very much to the strategy of Quarterback Gary Endres. He drifted to the right, his hand cocked for a pass, then suddenly headed for the goal. He barely got there but he had those two big all important points.

Otherwise the score was even, but Bowie led 293 to 204 in total yardage and 18 to 13 in first downs.

The hosts made a strong start moving 53 yards to the 20 in 7 plays before Tiger defense called a halt. The next four tries made 8 yards.

Then the Tigers took their turn — a 68 yard drive to the 20 before giving in to Bowie's defense. Kevin Pels and Davey Krahl were the big gainers along the way.

Again the ball went the other way as Bowie started

from its 18 and went all the way to Sacred Heart's 17. It was quite a power drive, using only 13 plays for the 65 yards, but it fizzled in front of the goal line.

After which the Tigers also started their second drive. Steady hammering went from one 17 to the other then ended suddenly in a fumble. However another fumble two plays later, recovered by Kenny Hess, gave Sacred Heart a second chance from the 20. Six tries plus an offside penalty were enough. Pels scored from the 1. Then came Gary Endres' slick option play for the winning two points.

From there on the teams got

Tiger Exes Clash Sunday Afternoon

Another game is added to the local football program for 1972. It will be a clash of former Sacred Heart Tigers Sunday afternoon at 3 on the Tiger field. Grads of even number years will play those of the odd number years. Uniforms will be available at the Tiger dressing room Sunday from 12 to 2.

Don't Jeopardize Highway Program

The shortsighted attempts to divert our Highway Trust Fund into other, non-highway projects reflects a failure to recognize the greatly increased demands on our na-

tional highway network in the years ahead.

Conservative estimates show that by 1990, 162 million motor vehicles will be using the nation's roads and streets, almost a 50 percent increase over the present 112 million cars, trucks and buses.

And, according to the Highway Users Federation, the number of licensed drivers will grow from about 115 million to over 161 million average family income is expected to double, increasing the desire and ability to travel widely; and shorter work periods will prompt more and more people to take to the roads for long weekend trips, in pursuit of leisure activities. Business and industry will continue to locate outside of central cities, closer to where their employees live and transportation is more convenient.

All of these factors — more motor vehicles, more drivers, more purchasing power and leisure time — add up to a mammoth need for better,

safer and more efficiently-operating roads.

The extent of this need is shown by a recent U. S. Department of Transportation study which shows that states and local governments need \$593 billion for the period from 1970 to 1990 — 85 percent of total transportation investments — for improvements to our highway system.

This figure includes completion of the 42,500 mile Interstate Highway System, better roadway safety features, signs and traffic controls, environmental development, basis costs for rights-of-way, surfacing and bridge modernization — and about \$260 billion to catch up with the present backlog of poor and unsafe highway facilities across the country.

Highway modernization programs have been a top national transportation priority for most of this century. The magnitude of these government figures and the overwhelming evidence of the popularity of automotive transportation as part of the American way of life emphasizes that this commitment must be maintained to keep America on the move.

You're Right

If you think government costs too much, you are absolutely right. Just how much it is costing is a real shocker. The chairman of President Nixon's Council of Economic Advisers, Mr. Herbert Stein, while proposing that Congress adhere to a \$250-billion limit on federal spending this fiscal year, has said federal, state and local governments together now spend about \$400 billion a year. In case you don't have your slide rule handy, that figures out to around \$100 per family per week.

Mr. Stein said, "We think this share is very large. We believe it should certainly not increase, certainly not until or unless governments show themselves better able to use our incomes than they have shown to date. . . ." Most people would agree with this point of view. A good many more would probably also agree they don't want to turn more of the money they earn over to the tax collector for the support of various levels of government. If this is the case, it is time to let our elected representatives know how we feel.

Price Too High

A graphic example of the desperate need for a turnaround in national policy, pertaining to the development of our petroleum reserves, is to be found on the North Slope of Alaska. The oil and natural gas field at Prudhoe Bay, 250 miles above the Arctic Circle, is believed to be the largest, so far, located in the Western Hemisphere. It is a secure supply of petroleum within the borders of the United States.

Environmental opposition to the construction of the Trans-Alaska Pipeline, which must be built to move North Slope oil to market, has gone on for years. It continues to delay development of this field despite exhaustive environmental studies by private and governmental agencies which indicate that the pipeline can be built and the oil transported without harm to the Arctic wildlife or terrain.

A striking picture in a major oil company publication dramatizes the negativism that is bringing this country to the point of oil and gas shortage. It shows a 130,000-dead-weight-ton tanker, one of the most modern in the world, moored beside a dock in the shipyard where she was built. The ship is the "Mobil Arctic",

the largest tanker ever built in the United States. She was designed to be used to transport North Slope oil from Valdez, on the south coast of Alaska, to West Coast refineries, in the lower 48. The ship is ready, but the pipeline is not, due to the long delays imposed upon its construction.

Until it can be utilized to bring U.S. oil to U.S. refineries, the "Mobil Arctic" will sail in international trade and be unable to contribute to the independence of this nation from insecure, foreign supplies of oil and natural gas. The price of environmental negativism is high, especially when it must be paid from the coin of domestic oil and gas supplies vital to the economic strength and military security of the United States.

Discrimination In United Nations

While the high and mighty in the United Nations hurl charges at others, mostly the United States, of alleged "discrimination" the U. N. itself has proven to be very discriminating in its own policies and programs. The U. N. does not hesitate to denounce Rhodesia, South Africa, Israel, the U.S.A. or whoever happens to be on its black list for the day. Does the U.N. use the same standard for all nations?

Uganda's "President" Amin continues to rival Adolph Hitler for barbarity, which is not surprising in view of the fact that Amin has praised Hitler for his treatment of minorities. Not only is Amin forcing the Asian minority out of Uganda, but his troops are ruthlessly beating, kicking, threatening and robbing them as they exit. What has the U.N. done or said? Nothing.

"President" Bokassa of the Central African Republic enjoys helping his police beat thieves to death, with no trial. When U.N. Secretary General Kurt Waldheim expressed mild distaste for such actions, Bokassa promptly attacked him as a "colonialist and imperialist" and Waldheim beat a hasty retreat.

In Rwanda and Burundi, two more African States, warring tribesmen have slaughtered some 100,000 persons. In India, the leader of the Naga tribe has tried to complain, without success, that the New Delhi government is methodically exterminating his people. The U.N. has yet to respond. Bangladesh soldiers continue to brutalize non-Bengali minorities.

Most of these small fry countries receive more aid from the U.N. than they pay in dues. While thousands perish and cry out in pain, the U.N. rambles on with pious denunciations of racism, imperialism, and a dozen other "isms" against civilized nations such as Rhodesia. The U.N. should drop its double standards, and take prompt and firm action against the small-fry, present day Hitlers. And if the U.N. does not take such action for the protection of human life, liberty and property, then the United States should refuse to be a party to such inaction, and withdraw support from the

U.N. itself.

Someone has suggested that the United Nations be assigned the task of "supervising the peace" in South Vietnam. Surely they cannot be serious. The U.N. is proving itself to be expert at looking the other way. To give the U.N. this task would be an open invitation to the Communists to murder at will.

Over Half of New State Legislature Will Be Changes

The State Legislature which convenes January 9 will be vastly different from the present one which has served through the 1971 regular and four special sessions.

There will be 77 new faces in the 150-member House and 15 new members of the 31-member Senate. (Five of the House newcomers have served before the 1971 session, and six present House members will be serving in the Senate).

Dolph Briscoe, of course, will succeed Preston Smith as governor, and Bill Hobby will preside over the Senate, succeeding Lt. Gov. Ben Barnes. Rep. Price Daniel of Liberty will become Speaker of the House, replacing Rep. Rayford Price of Palestine.

Basically, the House is expected to be a more liberal body than the present one, and the new Senate considerably more conservative.

Republicans, women and blacks increased their strength in the House; and the GOP added one more senator, for a total of three. There will be 17 Republican state representatives — seven from Dallas, seven from Houston, two from San Antonio and one from Midland. GOP senators were elected in Dallas, Houston and Fort Worth.

The House, which now has a single woman member, will have five (including two blacks) in January. Mrs. Betty Andujar of Fort Worth, wife of a physician, is the new woman senator. She is a Republican.

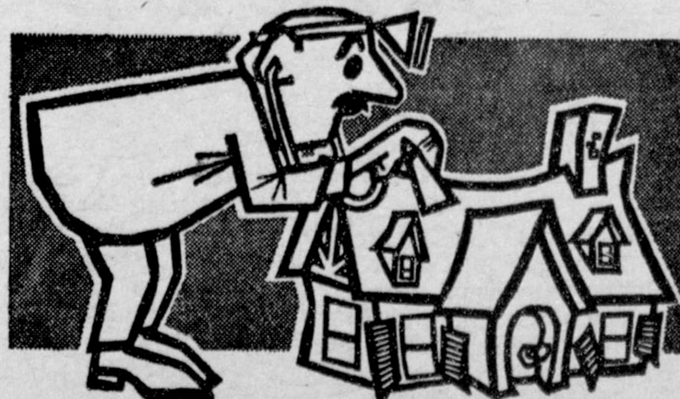

The Senate's only woman member at present is Miss Barbara Jordan of Houston, a black, liberal Democrat who was elected to Congress November 7.

Black membership of the House will increase from two to eight.

A candy wholesaler received an order for \$11.50 worth of candy to be shipped on credit to the "Horsie Hollow Candy Co." The wholesaler asked for a credit report from Dun and Bradstreet, who investigated, and promptly sent back this report: "The Horsie Hollow Candy Company is a small business house, retailing candies at Horsie Hollow, a small Mississippi community. Proprietors are: Royal White and Thomas Flippen. Both are 11 years old; both unmarried. Value of cash and merchandise on hand: \$13.25, largely in chocolate bars, gum drops and Tootsie Rolls. Fixtures and store building, which was remodeled from an old chicken coop, valued at \$45. No liabilities." The candy was promptly shipped.

Texas Farm Bureau Reports All Time High Membership

The Texas Farm Bureau registered its largest membership gain in 17 years during 1972 and also reached an all-time high in number of members, according to J. T. (Red) Woodson, president of the state farm organization.

Total membership as of Oct. 31 (end of organization's fiscal year) was 136,931 member families, a gain of 9,529 over last year, making the 20th straight year for the TFB to show an increase in members. Tabulations were completed Nov. 6.

A total of 171 of the 206 organized county Farm Bureaus showed an increase over last year. Harris County won honors as the largest county FB in the state with 2,274 members and also enrolled the most new members, a total of 479.

Vows Exchanged by Debby Felderhoff And David Fisher

Mr. and Mrs. David Fisher are honeymooning in South Texas since their wedding Saturday, November 11, in Sacred Heart Church. The bride is the former Miss Debby Felderhoff, a daughter of Mr. and Mrs. Vince Felderhoff. Mr. and Mrs. Paul Fisher are parents of the groom.

Rev. Harry Fisher of Fort Worth, uncle of the groom celebrated the Nuptial Mass and heard the vows of the double ring ceremony.

Presented at the altar by her father the bride wore a Victorian gown of satin faced organza and Peau d'ange lace designed with high rise bodice and full bishop sleeves. The skirt with scalloped lace edging at the hemline fell in soft folds at the sides and flowed into a cathedral length train. Her elbow length veil fell from a Juliet cap trimmed with lace and pearls over satin.

She carried a cascade of stephanotis, white orchid, tangerine sweetheart roses and champagne pom pom mums sprinkled with diamond dust. For sentiment she wore a gold cross and chain belonging to her grandmother, Mrs. Frank Rauschuber and worn at her wedding over 51 years ago.

And she had a penny in her shoe, dated the year she was born.

Wedding Attendants

Mrs. Jimmy Kupper of Valley View was matron of honor wearing a floor length dress with high rise bodice of orange velveteen, long full sleeves and a floral brocade skirt. She had a matching bow

in her hair. Mrs. Dean McMahan of Dallas, and Misses Janie and Carol Felderhoff both sisters of the bride were bridesmaids. They were identically gowned in gold velveteen and floral brocade and wore matching bows in their hair.

Little Miss Christi Stelzer was flower girl. She was a miniature duplicate of the matron of honor and carried a basket of pom pom mums and sweetheart roses. Eddie Hughes, nephew of the groom was ring bearer.

Attending the groom were Jimmy Kupper best man, and William, Donnie and Herbie Fisher, brothers of the groom who were groomsmen. Guests were ushered by Tom Flusche and John Felderhoff.

Wedding music was presented by Miss Mary Lou Kralicke organist, and vocalists Mrs. David Walterscheid and Dr. Martin Kralicke who sang in duet, "How Great Thou Art" before Mass and "A Time for Us Together" at the Communion. Mrs. Walterscheid also sang "We've Only Just Begun" at the Offertory and "Mother, at Your Feet We're Kneeling" after Mass when the couple presented the traditional floral offering of a basket of pom-pom mums and sweetheart roses at the Blessed Virgin's Shrine.

The altar held two arrangements of bronze chrysanthemums and tall floor candelabras with votive crystals entwined with greenery stood to either side. Miss Brenda Felderhoff sister of the bride presented the first reading during Mass and Mrs. Paul Fisher, groom's mother gave the second reading. At the Offertory, Brenda Felderhoff, Terry Hughes and Jeff Fisher presented the Sacred Vessels. Candlelighters and Mass servers were Charles and Kevin Hess and Gary and David Felderhoff, all cousins of the bride.

Wedding Reception

Wedding reception, dinner and dance were held in the VFW Hall where Misses Brenda Felderhoff and Terry Hughes, a niece of the groom, registered 275 guests.

For her daughter's wedding Mrs. Felderhoff chose a dress of floral green and gold and a sleeveless gold coat with brown accessories. Her corsage was of cymbidium orchids. The groom's mother wore plum knit with matching accessories and also a cymbidium orchid corsage. Grandmothers of the couple Mrs. Frank Rauschuber and Mrs. John Felderhoff wore white gardenia corsages.

For their wedding trip the bride changed to a red and white knit suit with black patent accessories. The young couple are both graduates of Muenster High School. He served two years in the army with one year in Vietnam. They will make their home near Muenster. He is employed at Bonna Villa Mobile Homes.

Pre Nuptial Parties

The groom's parents hosted a rehearsal dinner in their

home last Thursday evening for members of the wedding party and both families. Another pre-nuptial courtesy honored Debby when Mrs. Jimmy Kupper and Mrs. Dean McMahan entertained in the home of Mrs. Buddy Reiter. Classmates and family members made rice bags and presented a shower of personal gifts and were served refreshments of finger foods.

Among guests at the Saturday rites were Mrs. John Felderhoff and Mr. and Mrs. Frank Rauschuber of Valley View, grandparents of the young couple and other relatives and friends from Valley View, Denton, Dallas, Fort Worth and Wichita Falls.

Garden Club Hears Talk on Care of African Violets

Mrs. Dan Luke was program leader for the November meeting of the Muenster Garden Club Monday night. She presented a delightful program on African Violets and showed more than two dozen varieties, all in full bloom. She discussed variety, care and propagation; demonstrated rooting, replanting and division, all this to a background of a muted recording of canary bird singing. She provided many divisions for which lucky members drew — so many went home with new plants to care for. Door prize was a large blooming African Violet held in a pink basket and won by Mrs. Wayne Richards. Mrs. Arthur Endres, presided for the business session and called for reports from standing committees. Mrs. Steve Moser stated that the semi-annual cemetery collection of November amounts to \$595.14 with late donations. She expressed the garden club's appreciation to all community members who con-

tributed. Mrs. Paul Endres reported on the last County Council Meeting. Miss Bettye Dodds gave an informative talk on Judges' comments on the recent flower show. Members voted on a Valentine party for the Rest Home and plan to sponsor another day of instruction later in the Spring similar to one held last Spring when Mrs. Ross Ferrier of Fort Worth led a full day's program at the Cooke County Co-op Building. The Garden Club's Christmas meeting on December 11 will also be in the Cooke County Co-op Building when the program will be on Christmas Foods.

Mrs. John Mosman and Sister Mary John Seyler were co-hostesses Monday night in the Mosman home. They served dessert and coffee to 21 members and 2 guests. Mrs. Ben Seyler and Mrs. Wayne Richards, from a table centered with an arrangement of white mums and emphasizing a Thanksgiving theme.

Mr. and Mrs. Bernard Wolf visited in Midwest City, Oklahoma, during the weekend with her mother, Mrs. Mary Lueb and other relatives.

Margaret Kralicke Kenneth Stormer Set Wedding Date

Dr. and Mrs. Martin J. Kralicke have announced the engagement and approaching marriage of their daughter Margaret to Kenneth J. Stormer, son of Mr. and Mrs. E. T. Stormer. The young couple will be married in Sacred Heart Church on December 30, 1972.

They have chosen as their attendants Misses Mary Lou Kralicke, Fran Fagan of Pasadena, Kris Stormer, Renee Cooper of Crowell and Laura Kralicke; also David Stormer, Tom Hartman, and Stephen Kralicke of Atlanta, Georgia, Ray Partridge of Denver, Colorado and Steve Ford of Janesville, Louisiana.

The bride-elect is a 1969 graduate of Sacred Heart High and a 1972 graduate of Texas Christian University with a BA in Speech Pathology. She will complete her Student Teaching assignment at Theodore Wells Elementary School, Carswell AFB on December 15.

The future groom is a 1967 graduate of Muenster High and attended Colorado State University and has completed two tours of duty with the Army in Vietnam. They plan to reside in Muenster after their wedding.

Pair Flies to Post To Visit Stelzers

Mrs. John Schmitz and Mrs. Louis Sicking enjoyed a special treat Saturday when they flew to Post, Texas, to be dinner guests of the Matt Stelzers, sister and brother-in-law of Mrs. Schmitz. It was a first time flight for Mrs. Sicking.

At the Stelzer home they were joined by the Julius and Andy Stelzer families and all drove out to see the Cap Rock. Joe Townsely piloted the plane for F. E. Schmitz, son of Mrs. John Schmitz.

Mrs. Jerry Sicking Honored at Shower

Mrs. Jerry Sicking was the surprised honoree Sunday afternoon when Mrs. Charles Pagel and Mrs. Teddy Oakley entertained from 3:00-5:00 in the Pagel home with a shower attended by twenty two friends and relatives, who enjoyed visiting and table games.

The hostesses served cake, punch and coffee. Gifts were displayed in a play pen. The hostess' gift was a 44 piece bottle sterilizer and bottle set.

Out of town guests included the honoree's mother from Decatur, Mrs. C. M. Flusche, her husband's mother Mrs. Johnny Sicking of Myra and Mrs. Alma Mason, Miss Effie Tackle, Mrs. Carolyn Williams, Mrs. Bill Gage and Mrs. Pauline Gage all of Decatur and Mrs. Jay Caldwell of Fort Worth and Mrs. Ira Van Zandt of Gainesville.

Bake Sale and Holiday Baskets Planned by CDA

Members of the Catholic Daughters of America held their November meeting in the K.C. Hall last Thursday night with Grand Regent Mrs. Tony Hess presiding. In addition to routine business Mrs. Joe Luke brought the semi-annual library report placing special emphasis on last summer's Story Hour project in which 480 children participated. She urged more volunteer helpers for Tuesdays and Thursdays during the school year.

Mrs. Joe Felderhoff was appointed chairman for the poetry contest, sponsored annually for elementary and high school students. Mrs. Clyde Walterscheid discussed plans for the bake sale to be held with the annual C.D.A. Bazaar on Friday and Saturday of this week, November 17 and 18 and asked for additional volunteer help during sale hours.

Members were reminded that holiday baskets for shut-ins will be prepared during next month's meeting on December 14. After the close of the meeting the refreshment committee served coffee and cookies.

Students Attend Speech Tournament in Wichita Falls

Sacred Heart Students attended the Seventh Annual Notre Dame High School speech Tournament on Friday, November 10. This was the first tournament of the year for Sacred Heart. A total of forty schools were represented.

The Gobbler Is Back

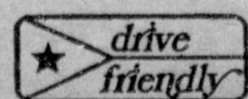

The Highway Gobbler is the driver who acts like he's the only one on the road. He always drives a little faster than the speed limit, passes to get a little further ahead or tailgates when he can't pass.

This Thanksgiving weekend, the Highway Gobbler is back. He really hasn't been gone. He's been there all along making his generous contribution to the toll of death and injury and

property damage on our highways. But he's recognizable for what he is during the Thanksgiving holiday season.

There's no room for the Highway Gobbler—this Thanksgiving or any time of the year.

This and That In Conservation

by Eual Davis
 The sale of land and turnover in district cooperators seems to be increasing every month. As a result we are seeing new faces or land owners, new fences, new homes, and a lot of good conservation work being carried out.

In the Leo community new and revised conservation plans have been developed with J. W. Bullion on two farms. He has removed undesirable brush, shaped gullies, built ponds, controlled weeds, constructed miles of new fences, built a new home, drilled a well for livestock water and for irrigation of a garden and small orchard area. Grass has been planted, native grasses deferred or rested and properly grazed. He has been a fine addition to the conservation team in the Upper Elm-Red District.

Also in the Leo community new conservation plans have been developed with Henry Lindsley III on two farms. Undesirable brush is now being removed, two farm ponds have been cleaned out and two more are scheduled to be cleaned out when weather permits. Two new ponds are presently under construction. Grass planting is planned as well as a new home. We welcome the Lindsleys to the District's conservation team.

New conservation plans have been developed with the Jim Johnstons and the Frank Kabernas. The Johnstons have cleared some brush and done a lot of clean up work. New fences are presently being built. Lovegrass and Coastal Bermuda will be planted later. The Kabernas have built a pond, shaped some gullies, and planted some lovegrass. Both families plan to build new homes.

New farm ponds have been constructed on Leon Fleitman, Dangelmayr Brothers, Ray Sicking, J. W. Fleitman, Dr. Antonetti, and Art Bayer all of Cooke County, and on Bill Day and Clifford Hudspeth of Montague County.

M. L. Sappenfield has constructed 12,000 feet of parallel terraces on his farm. Grade stabilizing structures have been completed on Guy Gates, Prentis Harris, and Gus Lutkenhaus. Surveys and designs have been completed for sites on Royce Chism, John Fredrick, Prentis Harris, and W. R. Hudson.

Gully shaping is underway on Art Bayer, Jess Shields, Grady McElreath, Willie Wal-

terscheid, Trachta-Otto, Wayne Thompson, and Guy Gates. Several others have applications for shaping.

Several district cooperators planted TAM Wintergreen Hardinggrass this fall. Those planting were Bruno Fleitman, Arthur Hellman, Harold Bindel, Zimmerer Brothers, and several others.

4-H Club News

Community 4-H Club

Fifteen members and four adult leaders attended the November meeting of the Muenster Community 4-H Club in the TPL Building. Two new members, Sherri Wolf and Benji Luke were admitted.

Barbie Davidson, president conducted the business session and inspiration was provided by Mike Daviddson. Reports included one by Mary Lou Fleitman on the achievement banquet where ten club members received medals. Another by Pat Davidson on the county poster contest, in which she and Lou Ann Swirczynski received blue ribbons. Kathy Davidson reported on the clean program offered at CCJC and sponsored by the Extension Service.

The group discussed the Share-the-Fun contest and made plans for a junior entry. Jack Davis, District Soil Conservationist gave a program of slides showing conservation practices in each State.

Sacred Heart 7th & 8th

The seventh and eighth grade girls group of the Sacred Heart 4-H Club held its meeting Monday at 2:30 p.m. in the Library with Stacie Walterscheid presiding. Song leaders Cindy Sangster and Marilyn Otto led the group in "Army". Vice president Mary Hoedebeck read a short poem "Squirrel". The girls are learning to crochet with the help of Mrs. Bill Lutkenhaus and Mrs. Oscar Detten and Assistant Home Demonstration agent, Mrs. Marlea Thompson. Thirty girls were present and three new members were enrolled, Ramona Walterscheid, Beverly Pels and Tina Wilde.

Two famous theater critiques:

"The cast was well balanced; they were all terrible."
 "Shakespeare said that the play's the thing. This one is more of a 'thing' than a play."

One of Every 14 College Students Gets SS Benefits

One out of every 14 college students in the United States receives social security benefits according to Gus Jones, social security district manager, Sherman, Texas.

These benefits are paid to full-time unmarried students between 18 and 22 who are children of retired or disabled parents receiving social security enough to be insured under the program, he explained.

Although the students may continue receiving benefits throughout a summer of non-attendance between semesters, Jones added, the benefits end if the student's school attendance drops below full-time during the college year.

A college or university load of at least 12 semester hours is considered full-time, Jones said. Attendance at a business, technical, or high school of at least 20 hours weekly is also considered to be full-time he added.

All social security student beneficiaries must notify social security if their school attendance is reduced, he said, to avoid an overpayment of benefits that would have to be repaid.

A representative may be contacted in Gainesville each Tuesday and Thursday from 9:30 a.m. to 12:00 noon at the Federal Building, if there are questions you may have concerning student benefits.

Cooke County FB Adopts Property Protection Plan

Cooke County Farm Bureau has adopted the new Property Protection Plan offered by the Texas Farm Bureau.

Effective Nov. 1, 1972, all members who have the official "No Trespassing" signs posted on their property will be protected against trespass and other offenses. This reward program is provided by the Texas Farm Bureau and affiliated insurance companies.

Action was taken by the County Board of Directors to adopt the program.

The new service-to-member program provides for the posting of property according to the new anti-trespass law passed during the last regular session of the Legislature.

A reward of \$200 is offered by the Texas Farm Bureau and Insurance Companies for information leading to the arrest and final conviction of persons committing trespass, felony theft, arson, or malicious mischief as defined by Article 1350 on property of a current Farm Bureau member.

Each member will automatically have protection on the effective date provided he has properly posted his property. Signs will be available from the county Farm Bureau at a cost of 45c each.

Decals for automobiles, trucks and other vehicles will be provided at no cost to the member.

The county Farm Bureau will be responsible for completing a form furnished to them for the purpose of reporting information leading to the arrest and final conviction under the program.

The Farm Bureau insurance adjuster will investigate and send the report with further information to the state office. The \$200 check will be sent from the Texas Farm Bureau to the county Farm Bureau president who will deliver it to the property owner.

There is no cost to the individual member for the protection except for the signs. The county Farm Bureau assumes the cost of the program which is 20c for each current member of the organization not having a fire or casualty policy with the Texas Farm Bureau-Insurance Companies.

The mistletoe bird of Australia feeds its young while hanging upside down.

Behind every successful man are the Joneses.

"Talent in itself is not enough. Talent in the service of truth or beauty or justice is one thing; talent in the service of greed or tyranny is quite another. In other words, neither intellect nor talent alone can be the key to a position of leadership in our society. The additional requirement is a commitment to the highest values of the society."
— Mr. John W. Gardner.

4-H Club News

by Marlea Thompson

Thank you to the 4-Hers who acted as hostesses for the Cooke County 4-H Poster Show, Tammera Hickman, Denise Martin, Kim Reiter, Sandy Reiter, and Kathleen Watson. We appreciate your help.

4-H clubs throughout the county are busy working on their share-the-fun acts. They are preparing songs, skits, and dances to be presented to the public in December. Every club is eligible to have both a junior and a senior act.

Last week we honored two 4-H alumni in Cooke County. Mrs. Thurman Martin of Valley View and Mrs. David Smith of Gainesville received a pin in recognition of their work in 4-H and their work as an adult leader. The First Lady, Mrs. Pat Nixon; Actor Roy Rodgers; Singer Glen Campbell; Astronaut Alan Shepard; Former Quarterback Don Meredith; and Secretary of Agriculture Earl Butz are just some of the other 30 million Americans who call themselves 4-H alumni.

Kim Reiter, Dwayne Dennis and Margie Felderhoff attended the District Gold Star Banquet at TCU in Ft. Worth on November 9. Kim and John Schumacher were honored as Cooke County Gold Star recipients.

4-H Alumni Still Make Best Better

SPECIAL - Would you believe that every seventh person in the U.S. has been affiliated with 4-H at some time in their life? Over 30 million Americans are 4-H alumni, including many prominent government leaders, educators, judges, farmers, homemakers, musicians and military officers.

Each year eight outstanding 4-H alumni are given national recognition for their accomplishments, in the national 4-H alumni recognition program. This is the 20th anniversary of the program, sponsored since its inception by the Olin Corporation, which has honored over 160 4-H alumni.

The program, supervised by the Cooperative Extension Service and the National 4-H Service Committee, honors 4-H alumni whose accomplishments exemplify effective community leader-

ship, public service, service to 4-H work, success in their chosen careers and who provide youth with living examples of dependable, purposeful citizenship.

The list of former 4-H'ers who have made outstanding contributions include: Secretary of Agriculture Earl Butz and his predecessor Clifford Hardin; Senators John Sparkman (Ala.) and Herman Talmadge (Ga.); Governors William L. Guy (N.D.) and Robert W. Scott (N.C.); Congressman Jamie Whitten (Miss.) and Graham Purcell (Tex.); and the First Lady, Mrs. Pat Nixon.

Also, Alan B. Shepard, Jr. -- first American in space; the late Jess W. Tapp -- chairman of the board, Bank of America; Ed Bailey, retired president Union Pacific Railroad; actor-entertainers Roy Rogers and Glen Campbell; and former Dallas Cowboy quarterback turned

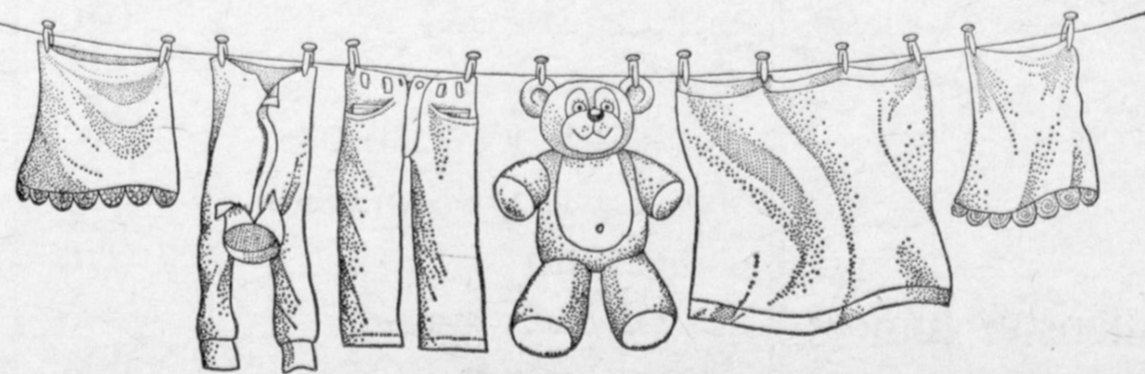

sportscaster Don Meredith. No profession or vocation has been slighted as 4-H alumni are found performing effectively in all walks of life.

Olin sponsors awards for county, state and national 4-H alumni program winners. County winners receive gold-plated recognition pins. Burnished copper alumni recognition plaques are awarded state winners.

National 4-H alumni winners attend the National 4-H Congress in Chicago where they receive a gold key.

4-H members, leaders, extension agents and others can nominate 4-H alumni for recognition in the 4-H alumni program.

For more information and nomination blanks, contact the county extension office, or the National 4-H Service Committee, 59 E. Van Buren St., Chicago, Illinois 60605.

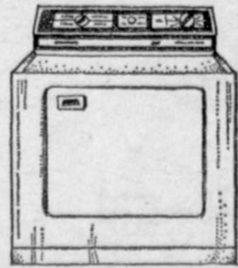

Gotta hang-up?

Get an electric dryer.

The day you do, drippy washday hang-ups simply dry up and go away! So do worries about rainy days, dusty days, heavy baskets of wet wash and scratchy towels.

With a modern electric dryer, any time--night or day--is a good wash 'n dry time. Clothes stay clean and smell fresh. Towels go soft as a dandelion puff and most wrinkles fluff away--cutting pressing time to

nothing. And the gentle, even heat of an electric dryer is exactly right for wash-and-wear fabrics!

Marilyn Wiesman and A.J. Wachsmann United at Kermit

In a Nuptial Mass read in St. Thomas Church by Father John Burris at Kermit Friday, November 3, Miss Marilyn Wiesman was married to A. J. Wachsmann, Jr. Parents of the couple are Mr. and Mrs. Louis Wiesman of Kermit, formerly of Gainesville and Mr. and Mrs. A. J. Wachsmann of San Angelo. The bride is a grand daughter of Mr. and Mrs. Tony Wiesman of Gainesville.

Presented by her father, the bride wore a formal gown in an A line silhouette, with Chantilly lace forming the scalloped Sabrina neckline and long fitted sleeves with deep ruffle trim. The satin and peau skirt had inserts of chiffon and swept into an overlay of scalloped chantilly lace. A Juliet style head piece held a Chantilly lace trimmed illusion mantilla of cathedral length. Bridal flowers were white glameias with white feathered mums with long pink satin ribbon tied in love knots.

Miss Karon Wiesman, sister of the bride was maid of honor. She wore a formal gown of hot pink chiffon over satin designed with an Empire bodice of matching Venice lace, high-rise neckline and long bouffant sleeves with lace trimmed cuffs, and a matching hot pink bow in her hair.

James Wachsmann, cousin of the groom was best man. Jerry Kinser, groom's brother-in-law and Roger Yosten were ushers. Bobby Wiesman, bride's brother was altar boy.

Flower arrangements on the altar were of deep pink and white gladioli. Following Mass, a reception was held in the Parish Hall. The bride's chosen colors were carried out in decorations and refreshments. The three tiered wedding cake with supporting columns was decorated with tiny pink flowers. Pale pink candles accented a deep pink and white centerpiece.

After a trip to El Paso and New Mexico the newly weds will make their home in San Angelo. The bride is a graduate of Kermit High and attended Odessa College where she majored in business. The groom graduated from San Angelo High and also attended Odessa College with a major in computer programming.

Among the out of town relatives at the wedding were Mr. and Mrs. A. J. Wachsmann, Sr. of San Angelo and Mr. and Mrs. Tony Wiesman and Mr. and Mrs. Bill Terry and family of Gainesville and Mr. and Mrs. Don Wiesman and family of Fort Worth. The local relatives spent the weekend and returned home Sunday.

The judge said to the accused, "We have five witnesses who say you stole that car." "Is that so? I can bring you 20 witnesses who didn't see me take it."

Following that, possession changed three times and Bowie had good position again — on the 31. But the opportunity was wasted on a fumble.

Tigers had to kick on their fourth play and Bowie moved again but only for two first downs before another punt.

Finally, shortly after the last period opened, persistence paid off for the host team. It went 35 yards to Sacred Heart's 45 in 6 plays and then a 44 yard romp to the 1 where a quarterback sneak finished the drive. A run to tie the score fell short. Sacred Heart was still in front by 2 points.

But Bowie was still hampering. Shortly before the end it advanced 50 yards in three first downs to the 13 but Tiger defense got tough and threw the next series for a 19 yard loss.

During the second half Tiger offense was stopped cold, but its defense was stout, allowing Bowie to cash in on only 1 of four opportunities.

Cubs End Season With 3-4-2 Record

The football season for Sacred Heart Junior High's Cubs came to a premature end Tuesday when they got a call from Collinsville cancelling the last game. It was a let-down to the kids, who had big hopes of ending the season with a 4-4-2 standing. Now they have to settle for 3-4-2.

Despite that record the Cubs have the satisfaction of winning big and losing small. Combined margin of the three wins was 76 points and combined margin of the four losses was 22 points.

Their season record:
Cubs 18, Saint Jo 0
Cubs 32, Nocona B 0
Cubs 26, Gunter 0
Cubs 6, Lindsay 6
Cubs 6, Valley View 6
Cubs 18, Callisburg 20
Cubs 2, Whitesboro 6
Cubs 0, Trinity Christian 6
Cubs 14, Era 24

Nocona Wins 6-2 Over Muenster in 7th Grade Contest

Seventh graders of Nocona were 6-2 winners over Muenster seventh graders last Thursday night in the preliminary to the eighth grade contest for lead in the 11-A junior division.

It was a game in which the visitors scored early on a 30 yard run and Muenster threatened near the end but was outfoxed.

Early in the final period a pass to Lenzy Dyer gained 15 to the 10, a swell chance to catch up or go ahead, but Muenster blew it with a fumble on the 7.

On the next three plays the Little Monsters pushed 'em back to a fourth down on the 1. Muenster kids got set for a big effort to block the punt but were tripped up by a flash of strategy.

Nocona's kicker just grounded the ball for a safety, giving up 2 points, and being permitted a free kick from the 20. After all that Muenster was back at midfield again instead of in a good scoring position. And time ran out after the first few plays.

Muenster Juniors

went all the way, however Muenster fumbled, the ball tumbled over the line and Nocona recovered.

The ball went into play on the 20 and Nocona got back to midfield before losing possession on a fourth down try. From there runs by Walterscheid, Wolf and Mollenkopf plus a 10 yard penalty put Muenster on the 10 and four more tries finished the job. Wolf scored from the 4.

With barely less than three minutes to go Muenster recovered a fumble and had a punt partially blocked on its first series. From the 30, then, a penalty and 3 short gains got Nocona past midfield as the game ended.

Captains Elected By SH Grid Teams

Sacred Heart Tigers and Cubs, who have had appointed captains for their football games this season, now have elected captains for the record. They were elected by their teammates early this week.

For the Tigers they are Gary Endres, Larry Bayer and Kenny Fleitman, all seniors. For the Cubs they are Chuck Koesler, Jim Koelzer and Craig Sangster, all 8th graders. Joe Sicking is the choice for the seventh graders.

First in Hair Styling

The hair styling class of Cooke County Junior College was first place winner in a styling contest on November 5 in Wichita Falls. Gayle Sicking is one of the 4 member team representing CCJC. Four other schools were in the contest.

SH Spanish Class Takes Field Trip

The Spanish II class and instructor, Mrs. Joy Testa spent last Wednesday in Dallas on a field trip. They toured the El Chico food packing plant and had dinner in an El Chico restaurant.

Later they visited "Little Mexico," a Mexican section in Dallas and spoke with Mexican children while touring the shrine and school there. Sacred Heart Cathedral was last on the agenda before the group returned home. Twelve Spanish students participated in the tour.

2 games for SH Juniors

Basketball at Sacred Heart will begin next Tuesday at 6:30 p.m. when Immaculate Conception Academy of Grand Prairie will be here with their junior high girls for A and B team games.

only to build and maintain roads.

Just before Congress adjourned the transit crowd succeeded in blocking legislation for distribution of the road funds, and states are wondering now whether the funds are in jeopardy, and if so, how much.

In plain words, this thing looks like a big steal from people like you and me whose pennies have been going into the fund. It looks all wrong to raid the fund for mass transit when only highway money has been put in. It's not fair to deprive our Texas road program to provide transportation for people in New York and Washington.

Conceivably some people up there would like to have their share of the highway fund diverted to mass transit. We can't quarrel with that. How-

ever we think every state should get its rightful share, based on the amount it paid into the fund, and then let each state decide how to spend its own portion.

the job with a 28 yard pass from Skidmore to Penaluna.

Then a quickie following a Hornet fumble on the 31. Four plays later Martin scored from the 11.

The remaining six minutes featured a pair of first downs for Muenster on passes, also two interceptions by Nocona and one by Muenster.
