## Two Killed As Lashing Rain Storms Sweep Texas Tariff Bill Is Passed By House Tuesday, 264 To 147

### Protection Given From Competition Of Foreign Trade

Thousands Of Products Of American Factories And Farms Are Aided By New Protective Legislation

### Duties Increased

Bill, Written By Ways And Means Committee Republicans, Will Reorganize Tariff Commission

WASHINGTON, May 28.—The tariff bill written by ways and means committee Republicans, designed to afford additional protection from foreign competition to thousands of products of American farms and factories, was passed by the house today, 264 to 147.

The measure, carrying substantial increases in duties on articles embraced in every section of the seven-year-old Fordney-McCumber law, provides for a reorganization of the tariff commission and gives increased power to the president in the matter of changing duties. It now goes to the senate where the finance committee plans to hold extensive hearings before reporting on the bill.

All-Summer Recess Planned  
Plans were under way for an all-summer recess and Republican leadership tonight believed the proposed legislation would not be taken up by the senate for several months.

Before the final vote a motion by representative Gardner of Texas, minority leader, to return the bill to the ways and means committee was rejected, 264 to 157.

Gardner requested that the measure be sent back to be changed so would abolish the present tariff commission and flexible provisions authorizing the president to raise or lower duties as much as 50 per cent up or in its place a fact-finding board of four to be appointed by the president and responsible only to congress.

Some Republican support was given his motion.

Demos Split Vote  
Twenty Democrats joined 244 Republicans in voting for the bill. The 12 Republicans and one farmer.

### Attempt Made To Change Pro Laws

Chicago Women Organize To Bring About Reform Of Present Conditions; Hypocrisy Is Scored

(By Associated Press)  
CHICAGO, May 28.—Temporary organization of a women's organization designed to work for a change in the national prohibition laws was announced here today by Mrs. Charles H. Sablin, of New York, formerly a member of the republican national committee of that state.

The organization is to be known as the Women's Organization for National Prohibition Reform. A statement issued said in part:

"To accomplish our purpose we oppose to deal with facts, not fancies. We deplore the evident hypocrisy of many of those who hold or seek public office. Too often it is tacitly assumed that so far as the Volstead act is concerned, a man's acts need not conform with his votes. We believe in exposing hypocrisy, because such men unfit for public office.

"We will urge women to fulfill their obligations as citizens. We believe that the prohibition law violates the fundamental principles of government, and, therefore, we women, representing many fields of endeavor and activity, have pledged ourselves to give our uttermost in a sane solution."

### EQUIPMENT RECEIVED

Now Testing By Mail Plan To Be Started Soon  
Fifteen farmers of the South Plains have received their equipment for the West Texas Cow Testing by Mail Laboratory, it was announced Tuesday.

The laboratory, a non-profit organization, is sponsored jointly by Sterling C. Evans, district county agent, the Lubbock Chamber of Commerce and Texas Technological college.

The Lubbock Chamber of Commerce has donated the necessary filling boxes, sample dippers, cans of oiler material. This movement being made to interest farmers in bettering their dairy herds.

### Peanut Pusher Dons "Heavies"

COLORADO SPRING, May 28.—The perils of peanut pushing up Pike's Peak are many and varied, says Bill Williams, Rio Hondo, Texas, goober guide, who today negotiated nine-tenths of a mile up the auto highway toward the summit, posing a peanut ahead of him.

Just now, Williams' biggest worry is keeping warm. He has outfitted himself with a set of winter "heavies" and an aviator's winter helmet to better withstand the cold and snow he has found at an elevation of 9,500 feet. Williams today said he will open the throttle on the goober for the remaining 12 1/2-10 miles before him. He has 13 days to make it.

### Rotarians Are Concerned With Code Of Ethics

100 Businesses Represented At 20th Annual Convention At Dallas; Tom Sutton Is Speaker

DALLAS, May 28.—Representatives of nearly 100 businesses and professions worked on codes of ethics or commercial philosophies to apply to themselves today after the first session of the twentieth annual Rotary International convention held here the report of its president, I. B. (Tom) Sutton of Tampico, Mexico.

The general convention session also heard reports from other international officers, a message from Paul F. Harris of Chicago, founder of Rotary, and greeted R. L. Robbins and Jim Kelly, whose monople Port Worth added almost 22 hours to the world's record for sustained flight before landing Sunday.

Dr. Alfredo Colmo of Buenos Aires told of Rotary work in South America in developing youth, and greetings were read from a number of prominent persons, including Baron Gichi Tanaka, prime minister of Japan and President Hoover of the United States and Portes Gil of Mexico.

All delegates were looking forward to tomorrow's general session, at which nominations will be made for officers to be filled. Only two candidates were conducting active campaigns for the presidency, Raymond Knoppel of New York, and Eugene Stearns, Durham, N. C. Each had a big following. Nominations will be from the floor, however, and it is possible that others will get in the race.

Lester Dawsey of Dallas, Roy Donald of Mitchell, South Dakota, Dave Clark of Charlotte, N. C., Claybrook Cottingham of Pineville, S. C.

See ROTARIANS, Page 12

### New Solo Flight Record Attempted

LOS ANGELES, May 28.—(AP)—Herbert J. Fabry, a test pilot, was winging his way through Southern California skies late today in his solo non-stop record.

Carrying 435 gallons of gasoline Fabry left the ground at 4:43:05 a. m. hoping to remain in the air long enough to surpass the solo endurance record of 35 hours 22 minutes and 21 seconds made by Martin Jensen at Roosevelt Field, N. Y., last February.

The freedom of the skies was Fabry's in his flight today for he was bound by no limitation such as ended his first attempt at the record last Sunday when he was forced down by fog because he was prohibited from leaving the environs of Metropolitan airport during the hours of darkness.

### 225 ARE ENROLLED

Lubbock Summer School Is Heavily Attended  
Two hundred and twenty-five students are enrolled in the lower grades and senior high school, for summer school session this year, it was announced last night.

An enrollment of 125 at the high school was reported, and Miss Madeline Larmer, who has charge of the Dupre school, where the first seven grades are taught, announced an enrollment of 100.

### ROBBERY OF \$100

HOUSTON, May 28.—(AP)—George Harrison, 28, was slugged and robbed of \$100 today on a road near the city.

### Sisson Replaces Mrs. Willebrandt As Asst. Attorney

Nomination Of Rhode Islander Confirmed By Senate; Famed Woman Prohibition Leader Praised

WASHINGTON, May 28.—The nomination of Charles P. Sisson, Rhode Islander, to be assistant attorney general was confirmed today by the senate.

The senate also confirmed the reappointment of Roland K. Smith, of Louisiana, to be a member of the shipping board and the nomination of Charles H. Rawlinson to be marshal of the western district of Wisconsin.

Mabel Walker Willebrandt, around whom the prohibition controversy often has swirled, passed on to the government service on June 15 carrying the praise of President Hoover for her "legal ability" and her moral courage.

Resignation Announced  
The resignation of the woman assistant attorney general in charge of prohibition prosecutions was announced today by the chief executive within an hour after it had been received by mail from Mrs. Willebrandt, who is in Waco, Texas, to receive an honorary degree from Baylor university.

In a letter accepting the resignation "with deep regret," Mr. Hoover said he could not "allow this opportunity to pass without an expression of the indebtedness of the American people and of the government to her many years of effective public service."

Position Difficult  
"The position you have held has been one of the most difficult in the government," the president added, "and one which could not have been conducted with such distinguished success by one of less legal ability and moral courage."

Mrs. Willebrandt, who first tendered her resignation on March 6 with a request that it become effective on April 1, is to become Washington

### Nine Qualify In Trophy Air Race

Pilots Will Fly From East St. Louis To Indianapolis And Return Memorial Day; \$5,000 In Prizes

EAST ST. LOUIS, May 28.—(AP)—Racing against time here from five starting points throughout the United States, pilots of nine commercial airplanes qualified today for the \$5,000 Gardner trophy air race to the Indianapolis speedway and return on Memorial Day.

Seven other planes out of eighteen starters finished the race, but did not figure in today's prize money nor qualify for the trophy race. Several flyers made forced landings and several of those who completed the race barely had enough fuel to reach the air port.

The competing flyers came from Buffalo, N. Y., Jacksonville, Fla., San Antonio, Texas, Denver, Colo., and Fargo, N. D., each flying an average of between 750 and 800 miles. In each event, the first to arrive was awarded \$750, and the second \$250 and each qualified for the trophy race. Although ten were to have qualified there was only one entry from San Antonio, Earl Rowland of Wichita, Kansas. He flew here leisurely to top the \$750 prize and qualify unopposed.

### GETS RAINFALL

South Plains Spotted By Showers Tuesday

Portions of the South Plains were moistened by showers which fell lightly over this area Tuesday night. While heavy clouds predicted rain, the precipitation in Lubbock shortly before 12 o'clock Tuesday night was not enough to register on a rain gauge.

Bus drivers arriving in the city last night reported intermittent sprinkles, but in no place was there any considerable rain.

### Where Can Lindy And The Missus Be? Famed Newlyweds Enjoy Hard-Won Privacy After Eluding Reporters And Photographers

(By Associated Press)  
NEW YORK, May 28.—Col. and Mrs. Charles A. Lindbergh, who eloped from the press to be secretly married in the bride's Englewood, N. J. home yesterday, were enjoying their hard-won privacy today after eluding all efforts to trace their whereabouts.

Long investigation by brigades of reporters and photographers failed even to establish whether the Lindberghs were on the ground, on the water, or in the air.

The Flying Colonel and the daughter of Dwight W. Morrow, ambassador to Mexico, were married yesterday with no one but close relatives in attendance as reporters

### Two-Day Encampment Of Lubbock County Four-H Clubs Begins Tuesday

230 Register First Day Of Annual Session

WITH 100 4-H club girls and 130 4-H club boys registered, the annual spring encampment for Lubbock county's 4-H clubs opened its two days session at Texas Technological college Tuesday afternoon.

The girls assembled at the Tech gymnasium at 2 o'clock in the afternoon. Miss Louise Baird, Lubbock county home demonstration agent, in charge. May Wardlaw was chairman of the afternoon meeting with Ruby Phillips and Elsie Wilke as hostesses. A discussion of 4-H club work was led by Oma Jean Edgar of New Hope.

Demonstrations were given as follows: Vitamins and health by the Grovesville club members; judging butter, Carlisle clothing Woodrow county; New Hope; bedroom improvement, McClung; dams and ditches, Liberty; garden, Becton; 4-H beauty shop, Acuff; correct footwear, Hardy; canning tomatoes, County Line; renovation, Posey; Miss Mamie Maxwell, Garza county, home demonstration agent, is to be judge of the demonstrations.

Boys Are Assembled  
At 6 o'clock the county 4-H boys assembled at the Tech livestock judging pavilion under direction of County Agent D. P. Eaton. After a short session they repaired to the Tech cafeteria, where they joined as recipients of the evening meal compliments of the Lubbock Chamber of Commerce and the Lubbock County Farm Bureau association.

Beginning at 7:45, a joint meeting of fun and frolic was enjoyed by both the boys and girls in the Tech gymnasium. A talk by Robert L. Allen, president of the Chamber of Commerce, and by B. Sherrod, former president of that organization and special music by the New Hope girls' 4-H club featured this event.

Today's session will conclude late this afternoon, the boys to have group training in various judging and agricultural subjects, by Tech instructors, and the girls to continue the program as given below. At noon they will again be guests of the Chamber of Commerce and

### Man Injured As 90,000 Gallons Of Gas Explode

Property Damage In Storage Yard Fire At Kansas City Will Run Into Thousands; 12 Cars Burned

KANSAS CITY, Kan., May 28.—One man was burned and fatally injured and more than 90,000 gallons of gasoline were consumed by a fire late today in the storage yards of the Independent Oil and Gas company here. The damage will run into thousands.

The fire started while a truck was being loaded with gasoline from one of 12 railway oil cars. Back-fires from the truck is believed to have ignited the gasoline. Otto Schultz, a loader, was burned from head to feet.

N. R. Browning, about 38, was overcome by heat and smoke.

### Exams Hold Stage At Tech College

Undergraduates of Texas Tech are concerned this week with final examinations and preliminary preparations for homeward trips.

Final examinations will be concluded Saturday.

All trains leaving Lubbock Sunday will be crowded, but many of the students will remain here and work during the vacation season.

The first term of the summer session opens next Monday and will continue until July 15. The second term opens July 17 and ends August 23.

Group singings, band concerts, dramatic productions, moving pictures, and watermelon parties are entertainment features offered to summer students. The college is sponsoring two trips, July 4 and August 3, to Carlsbad Cavern, New Mexico.

An enrollment of approximately 1,000 is expected this summer, Dr. P. W. Horn, president of Texas Tech, announced.

### Will Permit Roll Call Publication

Senate Rules Committee Recommends This Action Be Taken In All Executive Sessions

(By Associated Press)  
WASHINGTON, May 28.—Liberalization of the long-standing senate rules to permit open sessions for consideration of executive nominations on a majority vote and to authorize publication of all roll calls in executive sessions was recommended today by the senate rules committee.

The situation has been receiving committee attention since the recent publication by the United Press of a roll call purporting to show the vote on confirmation of Justice L. Brandeis as federal judge. In the resultant discussion, Vice President Curtis ruled in the senate that representatives of all press associations should be barred from the senate floor, since the rules made no provision for extending that privilege. The rules committee voted seven to five today against restoration of the right, utilized by press association representatives for many years.

Marriage License Filed  
The marriage license was filed with Registrar John S. Manson of Englewood this afternoon by C. W. Hulse, attorney for the Morrow family. It showed that the license was applied for at 8:30 p. m. on May 17

### Six-Year-Old Is Facing Sentence

Efforts are being made to save Carl Newton Mahan, six-year-old Painesville, Ky., boy, from serving 15 years in the state reformatory.

His sentence for the shooting of Cecil Van Hoose eight after a quarrel over a piece of iron pipe. Defense attorneys have filed a motion for a new trial. As the boy was sentenced he played on his father's lap in the courtroom.

Efforts are being made to save Carl Newton Mahan, six-year-old Painesville, Ky., boy, from serving 15 years in the state reformatory.

### Moody Vetoes Two Measures Tuesday

Six Approved; Purchase Of School Lands By Land Commissioner Approved In Favorable Bill

AUSTIN, May 28.—Governor Moody today vetoed two bills and filed with the secretary of state six others that he approved.

One of those approved was identical with one vetoed. It authorized the land commissioner to accept and award applications for the purchase of public school land in Gaines, Hudspeth, Kinney and Yoakum counties.

The other bill which got the blue pencil was one providing for an increase of \$1 per day in compensation paid riding grand jury bailiffs in Bexar county.

Previous Bills Cited  
Referring to the reappraisal bill, the governor said as "an original."

See MOODY'S VETO, Page 12

### TAXES TOTAL \$236,861

Three Months Collection Nets Quarter Million  
Property taxes collected by Lubbock county during January, February and March of this year aggregated \$236,861.07, according to figures compiled Tuesday by A. J. Clark, county tax collector.

Automobile license fees paid at the tax collector's office during that period totaled approximately \$100,000, it was announced.

Lubbock county's assessed valuation for 1928 was more than \$23,000,000.

### No Keys To City

DALLAS, May 28.—(AP)—Visiting Rotarians will have to go back to their homes without keys to the city.

Two weeks ago the city ordered 500 gold-plated keys for presentation to the leaders of each visiting delegation. Yesterday the keys, made of some light metal and dipped in gold dust, were delivered.

"These things are not what we ordered," Mayor J. Waddy Tate said. "They were shoddy. We have refused them."

Speed Is Urged  
ST. PAUL, Minn., May 28.—(AP)—A plea to those in charge of negotiations to "step on the gas" and speed up the movement looking toward organic union of reformed churches was delivered today before the 141st general assembly of the Presbyterian church of the United States of America.

### South And East Sections Of State Are Inundated As Rivers Swell To Highest Water Records In Years

Automobile And Rail Traffic Tied Up After Floods Cover Lowlands; Poultry, And Cattle Destroyed

Loss Is Heavy  
Flood Warnings Are Spread Throughout Threatened Areas; Man's Neck Is Broken In Car Wreck

(By Associated Press)  
TWO vast sections of Texas—south and east—were pounded with heavy rains yesterday which took at least two lives and broke high water records of years standing.

The death toll might have been higher had not 47 pipe line workers, suddenly swept into a high wall of water made by convergence of the Blanco river and a tributary, had almost unbelievable good fortune. All succeeded in clambering into the high branches of nearby trees.

In Milam county alone, 225,000 acres of land were reported under water and in Bell county, 60,000 had been inundated.

Streams Out Of Banks  
The San Marcos, Trinity, Colorado, Guadalupe, Neches, Blanco and San Gabriel rivers and hundreds of small streams were out of their banks. Widespread destruction of cattle, poultry and property was reported.

Harry Mike of Lockhart was killed when his automobile skidded during a rain near Temple. His neck was broken. J. T. Terrell, 84, was drowned near San Marcos. A rise swept down on him as he was attempting to lead his cow through flood waters to safety on high ground.

All highway and rail communication was severed as a 20 inch rain fell in the vicinity of Woodville, Tyler county.

The San Marcos river rose 25 feet at Luling to equal the high water mark of 1913 and was still coming up late last night. Temple and Bell county suffered in a seven inch rain with water soaked clouds continuing to dump torrents of rain on the county. A 10-inch rain fell in Rockland on the Neches river in north Tyler county. The San Gabriel river north of Austin was a mile

### Bodies Of Three Youths Recovered

School Boys Are Drowned In Municipal Reservoir At Dallas Monday Night; One Is Rescued

(By Associated Press)  
DALLAS, May 28.—The bodies of three high school boys, drowned late last night when a boat from which they were fishing overturned were recovered from White Rock Lake, a municipal reservoir, today. The bodies were found after an 18-hour search, participated in by several hundred persons.

The dead: Clifford Hall, 19, of Richardson; Albert McQuire, 17, of Clear Lake; Roy Broves, 18, of Clear Lake.

See BODIES FOUND, Page 12

# Final Meetings Of Societies Are Conducted Tuesday

## Luncheon At Hotel Lubbock Served To Twentieth Century Members In Last Spring Meeting; Annual Event

Appointive Offices Filled In Pioneer Study Club; Mrs. J. S. Johnson Heads Club For Next Year

An annual luncheon was served yesterday afternoon at Hotel Lubbock to members of the Twentieth Century club, and a business session closed the year.

Mrs. J. S. Johnson, president, and a corps of new officers, have succeeded Mrs. G. C. Wolfarth and her staff. This new group will be in charge of club activities when the first meeting of next year is conducted in September.

Following the luncheon, the business session was conducted. All committees and officers reported and new officers and committees were introduced.

In addition to Mrs. Johnson, the new officers include the following: vice-president, Mrs. J. N. Michie; recording secretary, Mrs. H. T. Kimbro; treasurer, Mrs. W. W. Rix; corresponding secretary, Mrs. T. R. Aldrich; press reporter, Mrs. A. Davidson; auditor, Mrs. W. O. Stevens; critic, Mrs. Roscoe Wilson; federation counselor, Mrs. W. B. Price; historian, Mrs. H. E. Killen; calendar committee—Mesdames Roscoe Wilson, J. N. Michie, E. L. Klett and H. D. Woods; child welfare committee—Mesdames Wolfarth, W. B. Price, Allan L. Cartel and G. M. Ballinger; membership—Mesdames H. A. Davidson, M. D. James, W. W. Rix, T. B. Duggan, Hilburn and Woods; finance—Mesdames Mae Murfee and Mrs. J. C. Street; entertainment—Mesdames H. E. Killen, C. Ellis, Miss Margaret Weeks, Mrs. A. W. McKee and Mrs. T. R. Priddy; library—Mesdames W. O. Stevens, J. A. Rix and E. L. Klett; Tech student loan fund—Mesdames J. S. Johnson, W. W. Rix and Paul W. Hora.

**Mrs. E. W. Camp Leader Of Last Program**  
Outstanding literary achievements of 1928 formed the topic for study at the final meeting of the Sorosis club yesterday afternoon with Mrs. William Dingus at 2902 21st street.

Members of this society met for an annual luncheon last week. Mrs. E. W. Camp was leader of the program. Mrs. G. M. McCleary discussed drama. Mrs. R. M. Boyd discussed novels and Mrs. J. R. E. Cooper talked of biographies. The "spice of the program" was given by Mrs. H. B. Hawkins.

**Dr. Strout Lectures At Club Gathering**  
Dr. Alan Lang Strout lectured on "Local color in contemporary American novels" yesterday afternoon at the last meeting of the Sorosis Study club for this spring.

This meeting was in the home of Mrs. T. W. Sawyer at 2314 Broadway.

**EL MARTES MEETS**  
Mrs. J. F. Anthony Hostess Tuesday Afternoon

Mrs. J. F. Anthony, 2623 20th street, entertained El Martes club yesterday afternoon in her home, serving refreshments of ice cream and cake at the close of a pleasant afternoon.

Club members attending were Mesdames Frank J. Combs, Williams, G. A. Beard, Pascal Peck and C. W. Moses. Other guests were Mrs. R. Gibson, Mrs. J. B. Anthony and Miss Virginia and Alice Anthony.

**GIRL IS HONORED**  
Swimming Party Is Given Monday Afternoon

Miss Nanna Lee Plisk, who attended high school here, has returned to her home in Brownwood. She was honored at a swimming party given at Tumble N pool on Monday afternoon by the N. B. N. club and attended by 12 friends of Miss Plisk.

**MEETING POSTPONED**  
Date Of Home Demonstration Council Session Set

The regular monthly meeting of the County Home Demonstration Council, which was originally set for next Saturday, has been postponed until June 22, Miss Louise Baird, county home demonstration agent, announced Tuesday.

The meeting will be held in the district court room at the courthouse, beginning at 2 o'clock in the afternoon. Mrs. A. R. Pendley, of Carlsbad, president of the council, will preside.

**MOVIES**  
LINDREY  
Mary Pickford in "Coquette," talking picture. Mme. Schuman-Heink in Vitaphone act and other features.

**PALACE**  
Rod La Rocque in "Lover of the Right."

**LFHC**  
Jean Harlow, Marion Nixon and George Lewis in "Jazz Mad." Comedy and news.

**REX**  
Edith Thompson in "Talk Play."

### Today In Society

Mrs. R. D. Coughanour Jr., of Dallas, will be honor guest at a party to be given this afternoon at 3 o'clock by Mrs. Jack Claiborne in her home at 2316 10th street.

Mrs. Elmo McClellan and Mrs. A. K. O'Kelly will entertain the Lucky 13 Needle club this afternoon at 3 o'clock at 1911 12th street.

Misses Sylvia Wilson and Mary Hope Westbrook will entertain at 8:15 o'clock this evening with a bridge party complimenting Miss Erika Peters, who is to spend the summer in Switzerland and France.

Pledges of the Tech Women's Forum will be introduced at an annual garden party from 5 until 7 p. m. on the green of the college administration building.

Mrs. H. L. Allen is entertaining the Lindy Needle club at 3:30 p. m. in her home at 2122 17th street.

## 'War Mothers' Are Honored At Legion Program Monday

J. E. Murfee Home Is Scene Of Special Program On Monday Evening Honoring World War 'Mothers'

"War Mothers" in Lubbock were honor guests Monday evening when the American Legion and Auxiliary gave a special program in the J. E. Murfee home at 1923 Broadway.

Songs of the late World War period were sung, talks were made by Durwood Bradley, district attorney, Charles Whitacre, post commander, and Mrs. J. G. Porter, president of the Legion auxiliary.

A knitting scene was staged in the Murfee rose garden by Mesdames M. E. Merrill, Pebble Talley, Sue McMurtry and James R. Robinson, while Miss Vera Murfee sang "Garden of Old Fashioned Roses" and members of the Legion served array "chow" in an improvised camp.

Edgar Inmon directed the men in military drills, stunts and songs.

## The Woman's Day

By Allene Sumner

I am inclined to froth at the mouth rather readily, but rarely frothed such a really swell froth as when reading of the very right reverend (no capitals) Ira E. Hicks, Baptist minister of Toms River, N. J., who declared that his native breath was "defiled with sin" because a high school boy kissed a high school girl in the annual senior play given at the High School auditorium a few nights ago.

Oh, yes, we frothed just as good a froth at the Evangelical minister of the same town, the equally right reverend George Washington Hamner, who stalked forth from the performance of "Miss Cherryblossom" after the first kiss, and who issued a later statement to the effect that when a town's young people could so shock their elders that the elders were forced to leave an entertainment given by them, it was high time something was done about it.

**INDECENT, EH?**  
"The play had utter disregard for decency," he said. "It had sexual appeal. In one scene all of 50 American boys and girls come on the stage with their arms about each other, and later they actually kiss."

Just imagine that, Ignace and Inogene, they "actually kiss!"

Just think of all these years that the very right reverend George Washington Hamner, a middle-aged widower has been living quietly and staidly with his sister, going about in his ministerial habiliments of frock coat doing his clerical duty, quite shielded from the knowledge that kissing was going on in the world, only to have it suddenly thrust upon his attention by not one occasion, but 50!

It was May. The minister bolted through the door, only coming to a few hours later to level thunderous bolts against these young who had disturbed his serenity.

"They actually kissed."

"There was actually sexual appeal in the play."

Such an outrage! Here all these long years the two divines had gone about their ways, trying to ignore and condemn by silence the fact that their Creator had made such a mistake as to include sex in his plan for the world.

They never actually complained about it. After all, they realized that when he made the world in six days he necessarily did a hurry-up job and had to make a few slips. That sexual business was one of them. But as for them, they'd just

## She Flaps Her Wings For Flapper Air Record

Here is the newest contender for the woman's flight in their record. She is 20-year-old Margaret Crawford of Los Angeles, Calif., who plans to start her flight June 1 in a Kinner monoplane with sufficient fuel to last 20 hours. Miss Crawford has flown for five years. If she remains aloft until the gasoline is exhausted she will break the present record of more than 20 hours held by Elinor Smith, 17-year-old, of New Haven, Conn.

## TWO PERMITS ISSUED Altitude Record Is Set By Woman

Lubbock's Building Total Increased Tuesday  
Lubbock's building valuations for the month were increased to \$24,697 with the issuance of two permits Tuesday.

Permit valuations for the year aggregate \$2,323,837.  
Permits issued yesterday were L. C. Ellis, 2205 Nineteenth street, two room frame store building \$1,000. H. E. Miller, contractor, 11 E. West, 1710 Avenue G, building porches to residence, \$200.

**DEAN GORDON IS SPEAKER**  
Dean James M. Gordon, of Tech, addressed the graduates of Littlefield High school last night at the commencement exercises there. Tomorrow night, he will address the graduates of Amarillo High school.

**B. L. Manire, Tech student, will return Thursday to his home in Slaton.**

Funeral services were conducted at 4:30 o'clock Tuesday afternoon at the First Methodist church for Emma Evelyn Stanton, 9-year-old daughter of Mr. and Mrs. Fred H. Stanton, 1923 Texas Avenue, who died at 1:30 o'clock Monday afternoon.

Rev. H. L. Munger, pastor of the First Methodist church, officiated. Burial was at Lubbock cemetery under direction of Rix-Sanders.

**SERVICES HELD**  
Emma Stanton Buried In Local Cemetery Tuesday

Funeral services were conducted at 4:30 o'clock Tuesday afternoon at the First Methodist church for Emma Evelyn Stanton, 9-year-old daughter of Mr. and Mrs. Fred H. Stanton, 1923 Texas Avenue, who died at 1:30 o'clock Monday afternoon.

Rev. H. L. Munger, pastor of the First Methodist church, officiated. Burial was at Lubbock cemetery under direction of Rix-Sanders.

**THE HEART OF THE HOME**  
Is Reached Through Nourishing Food

## SHREDDED WHEAT

With all the bran of the whole wheat

A welcome relief to a stomach that has been struggling with heavy foods. Crisp, savory shreds of whole wheat. Delicious with milk and fruits—wholesome and satisfying.

Save the paper inserts for the youngsters.

Save the paper inserts for the youngsters.

## Miss Margaret Abel Complimented At Bridge Party Given Yesterday By Mrs. K. L. Riggs In Her Home

PLAN FISHING PARTY  
Lubbock, Plainview Men Go To Baylor County

Three Lubbock and two Plainview citizens compose a fishing party, which left here Tuesday for Lake Kemp, Baylor county, where they will spend several days in piscatorial endeavor.

B. B. Travis, A. H. Baughman and Archie Baughman, all of Lubbock, and Marvin Young and Earl Young, both of Plainview, compose the party.

**NAMED ROTARY HEAD**  
McLaughlin Elected Prexy Of Ralls Organization

**RALLS, May 28—J. Ed McLaughlin** was elected president of the Ralls Rotary club at a recent election.

Others elected were: Dr. Harry F. Schwab, vice president and M. E. Ware, secretary and treasurer. Directors are J. Edd McLaughlin, Harry F. Schwab, Ben Cole, Reed Loflin, Murray Hargrave, Leod A. Wicks and A. P. Sanders.

More than 50 per cent of the local Rotarians are attending the international convention in Dallas this week.

Mark Cave has returned to Rotan after an illness in a Lubbock hospital.

**Miss Margaret Abel, who has returned from New York where she completed work for her master's arts degree at Columbia, was guest of honor at a bridge party given yesterday afternoon by Mrs. K. L. Riggs in her home at 1501 13th street.**

Miss Abel is leaving Friday for Kingsville, where she will teach in the State Teachers college this summer.

Four tables of bridge and one of forty-two were in play yesterday afternoon and the hostess served a delicious salad collation at the close of the afternoon.

**Gift for Honoree.**

ocket Of 72nd Court Announced

udge Homer L. Pharr Will Preside Over May Session Of District Court Here; Criminal Settings Made

Cases were set for the May term 72nd district court Tuesday, when strict Judge Homer L. Pharr led the appearance docket. Third and fifth weeks of the term will be devoted to trial of criminal cases.

Civil case of L. H. Plain vs. right is set for Saturday. The setting of cases follows: Second week, June 3 to 8—Rahn vs. Dean and Webb; B. B. Sumnerlin vs. McDonald Packing Company; John L. Scott vs. C. C. Cline; Citizens Bank vs. Pearl Dine; John L. Scott vs. C. N. Hodges.

Third week, June 10-15, criminal cases—Arnak S. Abell vs. Anna Abell, set conditionally. Fourth week, June 17-22—Mrs. Sanders vs. P. and S. P.; Mrs. McEllon vs. Lubbock sanitarium; J. Townsend vs. E. M. Werthy.

Fifth week, June 24-29—criminal cases. Twenty-three will be arraigned before the 99th and 72nd district courts during June for trial on charges of violation of the prohibition law.

Pro Law Cases Set. The following, charged with violation of the prohibition law, are scheduled to be tried in 99th district court during the weeks of June 3 and June 17: Jim Henderson; L. Croilin; S. F. Gentry; Bertus Poka; Aubrey Connell; H. J. Gentry; Jake Hill; W. L. Seymore and M. Kerr; D. K. Bruce, who is scheduled to be tried during that session, is charged with driving a while intoxicated.

Those charged with violation of prohibition law who will be tried in 72nd district court during weeks of June 10 and June 24 are the following: Willie Farnor; Ber Bradley; Buddy Crowder; S. Davis; R. M. Harky; Herahel; George H. Croker; Will Bruce; Cox; Mrs. Mary L. Kerr (twice); J. C. Barnard; L. C. Williams; T. J. Wren and W. M. Jarman. Any of the cases not tried June 24 will be reset for the week of June 24.

W. Hughes of Stamford, is in a hospital in Lubbock. Mr. and Mrs. Ralph Tatum are being to Lubbock from Abilene.

HURRY WITH THE SERVICE CAR THE OIL BROKE DOWN DON'T LET THIS HAPPEN TO YOU STRANDED five miles from nowhere because the oil wouldn't do its job! Has that happened to you? If it has, the chances are that you were not particular the last time you had the crankcase drained — or perhaps you ran too long without changing the oil. This will be a slack summer for service cars if motorists will remember two things: first, to change oil regularly, and secondly, to use only a brand of oil which they know from their own experience or the experience of others will stand up under the most trying conditions of motor operation. You can depend upon any oil which has the backing of the Continental Oil Company. These are the brands which have been tried and tested—in the laboratory and on the road. They lubricate thoroughly, protect every moving part and stand up under intense heat. Ask for these brands at leading service stations and garages. CONOCO MOTOR OIL EXTRA LIFE for your car

...in the ring it's PUNCH! ...in a cigarette it's TASTE! TASTE above everything Why are Chesterfield tobaccos "cross-blended"? Why are they so thoroughly aged? Why do our leaf buyers watch quality so closely? Why is the Chesterfield blend so accurate? You get the answer when you light up; you get out of your Chesterfields exactly what you put in—"taste... above everything." CHESTERFIELD FINE TURKISH and DOMESTIC tobaccos, not only BLENDED but CROSS-BLENDED

# Pittsburgh Pirates Sweep Series With St. Louis Cards

## Santa Fe Aggregation Hands Hardware Nine 12 To 5 Trouncing

Lubbock Hubbers are facing another formidable opponent this week-end. The Lamasa all-stars are to furnish opposition for the locals in the regular Sunday game. The latest performance of the Lamasa outfit was a 5 to 3 win over Tahoka. Tahoka, it will be remembered, gave the Hubbers a good beating when the two teams met here several weeks ago.

The baseball aggregation that took the field for Lubbock last Sunday was far below the standard that this city is capable of putting forth. Glaring weaknesses in the infield and a lack of pitching strength made the Hubbers look miserable while playing before their largest crowd of the season. Those in charge of the team here declare that this won't be the case very long. Raymond Aker, former Lubbock high school star, who has been covering around the shortstop position for the University of Texas freshmen this season in brilliant style is expected in Saturday or Sunday. His presence in the infield and power at bat will improve the strength of the Hubbers nine fifty per cent. As a fielder, Aker has no peer in this section.

Interest in forming an automobile league among South Plains towns continues to be evidenced, but as yet no definite steps have been taken. rivalry between the towns will do more toward upbuilding an interest in baseball on the Plains than any other one factor.

Another prospective entry in the South Plains League came to light yesterday when it was learned that the Pure Oil company of Seagraves had organized a baseball club and was ready to meet competition in this section. The Seagraves manager was in communication with local baseball officials and expressed himself as being desirous of a game with the Hubbers. According to reports received here, the Seagraves outfit is a fast semi-professional capable of holding its own with the best in West Texas.

The Tactless Texans of Amarillo will likely be the new foe of the Hubbers following the game with Lamasa Sunday. Sted Allen, former Lubbock manager, is at the helm of the Amarillo aggregation and boasts a strong baseball outfit. With Sted behind the bat and furnishing the batting punch, the Texans have downed the best that Panama has had to offer, winning over the Grays and the All-Stars.

Wilbur Coen, the youthful member of the international tennis team representing the United States, has flashed brilliant tennis during the current French championship games held in Paris. As the protégé of Bill Tilden, the seventeen-year-old Kansas City youth gives promise of becoming one of the ranking net stars of this country. In Tuesday's play, Coen staged a magnificent uphill battle to down the ranking English player, Collins, and win the fourth round of the singles competition.

The writer had the opportunity to witness Coen when he was at Columbia, Missouri, last year when Coen was a senior in a Kansas City high school. Not once was he offered the sort of competition that forced him to extend himself. He sailed through the tournament without a bobble, flashing brilliant bits of play only for the benefit of the spectators. His opponent always found themselves in the wrong spot to return his accurate shots. His service was trained on the lines and in the corners so that the majority went for aces. Coen's general nature won for him many friends during the tourney.

### GOOD FOR THIRST, TOO

**CEDAR RAPIDS, Ia.**—Because they convert all the corn produced into pork and pone, Iowa farmers will turn their corn into alcohol according to Floyd Fillmore in a talk before the Conopus club. Still will dot the state, according to Fillmore, and he pictures them as being owned by a "standard alcohol company."

### Railroaders Slam Terry From Hill In Second Inning

**Dunlap Hurls Air Tight Brand Of Baseball Turn Back Losers Twilight Tilt**

**Red Terry's slow teasers were made to order for the Santa Fe sluggers Tuesday afternoon and before the Hardware manager could send himself to the showers W. Railroaders had scored eight runs and sewed up a ball game. The final score was 12 to 5.**

**Hopper relieved Terry on the mound for the losers and hurled a nice brand of baseball, but support allowed the stamped Santa Fe crew to count four more in the third.**

**Sensational fielding by Rainwater saved Terry in the first round, but in the second the Railroaders opened up with a barrage of base hits that netted eight runs. Haley started to fireworks when he hit a fast one toward third base that Curtis muffed. Cotton came through with a single and Lemons got a life.**

**Ekrut's error Galtley flew out center Rainwater holding Haley out third. Clements cracked out a do.**

**See RAILROADERS, Page 5**

General List Of Stock Market Is Revived Tuesday

Operations For Advance Resumed After Reaching Lowest Levels In Years In Monday's Mart

By CLAUDE A. JAGGER. Associated Press Financial Writer. NEW YORK, May 28.—(AP)—Operations for the advance were resumed in rails and utilities in today's stock market, and the general list rebounded from the low levels reached in yesterday's drastic house cleaning, regaining about half of the ground lost.

Speculative sentiment remained confused, however, and traders were inclined to keep close to shore. The rally was not convincing, in that it only duplicated the action of the market after the severe shakeout of a week ago. Total sales fell short of 4,000,000 shares.

The Associated Press index of 50 industrials reached 311 points of yesterday's 77 point tumble to a new 1929 low. The index of 20 rails, however, practically regained yesterday's loss of nearly 2 1-2 points, and the index of 20 utilities regained about two-thirds of the drop of 52 points.

The rally was facilitated by unexpected relaxation of a 6 per cent call loan rate through the day, interpreted as reflecting liberation of funds by the violent shakeout.

To Pave 35 Miles Highways In Hale

(Special to The Avalanche) PLAINVIEW, May 28.—Following the letting of the last contract on Highway Nine at the May meeting of the state highway department when a contract was let to Carl Pleasants of Amarillo for the paving of the road from Hale Center to Abernathy, thirty-five miles of concrete will be laid in Hale county this year.

Contract on paving from Hale Center through Plainview north to the Swisher County line was let at the April meeting to Cook and Stucky of Ottawa, Kansas.

"I Just Can't Tell How Grateful I Am", Says Lady

Prominent Lubbock Farmer's Daughter Is Now Well And Happy Since Taking Orgatone

"I suffered with liver trouble and heart trouble for two years and found no relief until I began taking Orgatone," said Miss Ruby Bell, daughter of a well known farmer residing on rural route 1, Lubbock, Texas, in an interesting interview a few days ago.

"Everything I would eat," continued Miss Bell, "no matter how little or how much, would ferment and fill my stomach with gas and misery. I was continually belching up sour undigested food, had severe heart burns and in a general run-down condition. I felt terrible a great deal of the time and was often so nervous that I thought I would go distracted. I got so I dreaded to eat, everything bothered me so, in fact, I could hardly find anything in the way of dieting that would agree with me. I tell you I was all undone and my condition was anything but comfortable. No treatment or medicine did me any good and I was getting worse all the time.

"One of my personal friends had found relief from troubles like mine by taking Orgatone so I decided to try it myself. Three or four weeks ago I bought a bottle and in a few days I noticed I was getting better, and from that time on I improved rapidly. A few doses relieved me of all the gas and every sign of indigestion and gave me a fine appetite. All my nervous feelings left me and I sleep like a baby every night. I have no more heart burns and I can eat anything I want now, even to the richest of food, and I never have a pain or uncomfortable feeling after my meals. I feel perfectly well all the time, and anyone who knows me can readily see the change Orgatone has made in me. I can't understand it, neither can my family, how it is that I have gotten such complete relief from my two years of suffering in so short a time. But I have, and I just can't tell you how grateful I am for what Orgatone has done for me."

Genuine Orgatone is not a so-called patent or secret remedy but a new scientific treatment containing no alcohol or other false stimulating drugs and is sold in Lubbock exclusively by the Bowen's Drug Store, under the personal direction of the special Orgatone representative.

Rallies Follow Decline In New Orleans Cotton

NEW ORLEANS, May 28. (AP)—After declining 5 to 11 points in early trading cotton rallied sharply later today on demand influenced by expectations of a bullish weekly weather and crop report tomorrow and the continued unfavorable weather conditions in the belt. October advanced from 18.35@18.60 and closed at 18.57, or 15 points net higher. The general market closed steady at net advances of 10 to 20 points.

Liverpool cables were lower than due and first trades here showed declines of 2 to 5 points in sympathy. Prices started on the up-grade under demand stimulated by map indications of considerable rain in the belt during the past 24 hours and although there were small reactions from time to time on realizing the general trend was upward for the remainder of the session.

Receipts 7,791; for week 15,431; for year 9,204,696; last year 8,261,233. Exports 20,518; for week 41,800; for year 7,286,675; last year 6,790,269. Stocks 1,129,605; last year 1,269,274. Stock on shipboard 74,177; last year 113,593. Spot sales 5,077; last year 4,482.

Daily Markets

LUBBOCK LIVESTOCK. Cattle, calves, choice white face 11.00@12.00, good medium 9.00@11.00, common and dogs 7.00@8.50, yearlings and heavy heifers, choice 9.00@11.00, cows, choice 7.50@9.50, good medium 6.50@7.50, common and cutters 4.00@6.00, canners 2.00@4.00, bulls, heavy butchers 7.00@7.50, heavy bolognas 6.50@7.00. Hogs, choice butchers 9.25@9.75, choice light weights 8.50@9.00, choice heavies 8.50@9.25, packing sows 7.00@8.00.

MID-WESTERN LIVESTOCK. KANSAS CITY, May 28. (AP)—Moderate activity developed around the 11-market circuit on fed steers and yearlings. Demand was especially broad for choice offerings. Steady prices were maintained with some strength on the better kinds to sell above \$14.00. Slaughter cows had more of a local aspect, choice 11.87-lb steers in Chicago scored \$14.20 while choice 1,206-lb averages at Kansas City made \$14.75. Replacement stock was scarce with values unchanged.

Hogs fairly active at 10c to 30c lower than Monday's average trade. The day's extreme top of \$19.95 was paid in St. Louis. Sheep supply approximated 51,000, a slight increase over a week ago. Fat lambs were tendered another price jolt of 25c to 50c but light receipts of aged stock were readily at steady to 25c higher rates.

FORT WORTH LIVESTOCK

FORT WORTH, May 28. (AP)—With very light offerings all classes of cattle and calves sold about steady. Slaughter steers from 9.75 to 11.00, bulls fully steady, common light ones from 6.00 to 7.00, slaughter yearlings steady, top 14.50; cows from 9.00 to 10.00; canners and cutters from 5.00 to 6.25; calves about steady; veals from 13.50 to 14.25; better heavy calves around 10.75; stocker cattle steady.

Hogs truck sales from 9.90 to 10.10. Few sheep offered; fully steady with short fat yearlings at 11.50; spring lambs from 13.00 to 14.00.

CHICAGO GRAIN

CHICAGO, May 28. (AP)—United States wheat today threw down the gauntlet to all competitors and went low enough in price to meet foreign rivals. Before this was accomplished, however, the July delivery of wheat here, representing the 1929 domestic harvest, was forced down today to below \$1.90 a bushel, after the descent yesterday of May wheat, which stands for holdings of last year's crop on hand now in storage. Simultaneously today, corn, oats and rye, as well as wheat, all dropped to new low-price levels.

NEW YORK, May 28. (AP)—An early decline under further near-month liquidation was followed by advances in cotton today with some broadening of demand reported on unfavorable features in weather and crop advice. October contracts advanced from 18.37 to 18.70 and closed at 18.69. The general market closed very steady at net advances of 10 to 20 points.

The opening was steady at a decline of 5 to 11 points and active months sold off another point or two before the initial offerings were absorbed.

The market soon turned steadier on reports of further rains in Texas and prospects for more general showers over the belt.

Opinion was expressed in some quarters that liquidation of Wall Street and Western long lines promoted by recent declines in grains and securities had run its course, leaving the market more sensitive to weather and crop advice.

Plainview Hilton Hotel Opens Soon

New Eight-Story Structure To Have 110 Rooms; Will Give City Best Facilities For Size In State

(Special To The Avalanche) PLAINVIEW, May 28.—The Hilton hotel at Plainview now under construction will be opened for business during the first part of July, according to officials of the company who were in Plainview recently inspecting the new building now nearing completion. The hotel will have 110 guest rooms, all with bathrooms and modern conveniences, a spacious lobby, a roof garden and commodious dining room as well as a large coffee shop. It is eight stories high and breaks the present sky line of Plainview, the only other higher building being the Harvest Queen mill and elevators.

Work To Begin On Orient Extension

(Special To The Avalanche) ALPINE, May 28.—Permission for the extension of the Orient railroad from Alpine which was granted by the Interstate Commerce Commission recently, stipulates that work shall begin not later than Jan. 1, 1930, and completed by Dec. 1, 1930, news dispatches from Washington state. The commission also authorized the extension from San Angelo to Sonora and it is understood that the first car of steel rails for the Sonora project arrived in San Angelo last week.

E. H. Shauler, general manager of the Orient, said that work would begin on the extensions just as soon as a favorable report from the commission could be received. The extensions will mean the expenditure of between \$5,000,000 and \$10,000,000 and the Alpine to Presidio extension will take from \$5,000,000 to \$7,000,000 of this amount, according to estimates. The completion of the Orient from Alpine to Presidio will give the road a through connection from Wichita, Kan., to the interior of Mexico, the road having recently been spliced to the border on the south side of the Rio Grande at Presidio.

Smart Linens

Bed-linens develop style lines this spring and make much of the polka dot motif in their scheme. Some wedding linen from France comes in soft pinks with white polka dots embroidered along the borders.

### Father Held For Wife's Absence

#### Californian's Bond Is Set \$10,000 On Statutory Charges Preferred By Three Daughters

SACRAMENTO, Cal., May 28. (AP) G. F. Franklin, of Del Paso Heights, Cal., was under arrest today after authorities had been informed by his three daughters that their mother and a young brother had disappeared in 1923.

The daughters and another son, Robert Franklin, 19, appeared before District Attorney Guy P. Johnson and charged their father with inhuman treatment of his family. Statutory charges were preferred by the daughters and Franklin, an elderly carpenter, was held on \$10,000 bail.

Franklin denied the charges and told police his wife and son had gone to Portland, Ore. He also denied misconduct involving his daughters.

### Tariff Bill

(Continued From Page One)

er-labor combined with 135 Democrats in opposing it. Most of the Democratic support came from Florida, Louisiana and Texas, products of which are given higher protection in dozens of instances, especially Louisiana cane sugar.

Representative McCloskey, one of two Texas Democrats who voted for the bill, said he supported it because "the people in my district believe in such a bill."

Some features in the measure which he said would be of particular benefit to Texas were increases in duties on wool, live cattle, mohair, peaches and fillers carlin.

**Texas Favors Bill**  
Representative Hudspeth, Texas, who voted for the measure, issued a statement saying it carried a duty on practically everything produced in his district except oil and long staple cotton. As a result, he said, he supported the measure although he is opposed to flexible provisions giving the president power to raise or lower duty rates on imports. This he added, was a dangerous abrogation of the power of congress.

The measure, Hudspeth said, should have carried a duty on crude oil, long staple cotton and jute. He said the main reason he voted for the bill was because it placed a duty on live cattle and livestock products, hides, fruits and vegetables.

### Bodies Found

(Continued From Page One)

Wylie.

**One Is Rescued**  
Guy Watson, 17, of Dallas, a fourth member of the party, was rescued after he had clung to the overturned boat for several hours. Watson said he and his companions had hung on to the boat for quite awhile, but that the other three boys had decided to swim to shore after they had failed to attract attention of any one who might have aided them.

He said one of his companions cried out in distress when only a short distance from the boat, but that his heavy clothing prevented him from going to his aid. Belief was expressed that the cold water had caused the boys to be seized with cramps.

The accident occurred when one of the boys attempted to cross from one end of the boat to the other.

About 50 persons were thrown into the water today when a pier from which they were watching swimmers collapsed. None however, was hurt.

### 4-H Meet

(Continued From Page One)

Farm Bureau, as they will be at breakfast. All brought their own bedding and slept at the Tech, the girls at the gymnasium and the boys at the livestock pavilion.

**Program Given.**  
Following is the day's program for the girls:

### Oil Production Shows Increase

#### All United States Fields Register Advances For Week Ending May 25 To Halt Previous Decline

(By Associated Press)

TULSA, May 28.—Virtually all fields in the United States during the week ending May 25 registered an increase in light oil production to regain 50,142 barrels of that lost in the gradual trend downward during the past month. Heavy oil on the other hand decreased 3,783 barrels to make the estimated total increase in all fields 46,357 barrels, according to the current estimate of the Oil and Gas Journal.

The estimated total average production of light oil during the week of May 25 was 2,222,583 as compared to 2,172,451 during the week of May 18. The estimated total average production of heavy oil during the past week was 455,987 as compared to 459,652 during the preceding week.

**Texas Shows Increase**

Boosted by the released flow in the Seminole area, Oklahoma registered the largest total increase of the week with 18,380 barrels over the week preceding. West Texas reported an increase of 11,497 barrels in the daily average production and the total mid-continent area showed an approximate increase of 32,131 barrels in light oil and a constant production in heavy oil.

Production in the north Louisiana, Arkansas, north central Texas, east central Texas and Kansas fields was virtually constant with a slight trend toward increase. Gulf coast's heavy oil dropped slightly.

### Floods

(Continued From Page One)

wide. More than 5 inches of rain reported in the vicinity of Georgetown brought a rise in the San Geronimo there causing the highest water since 1921. The Colorado river at Austin was at the highest stage since 1921.

Thousands of dollars damage to crops and highways was reported at Bremond, Texas, where all streams were full and the Little Brazos out of its banks, flooding the lowlands. Traffic to Waco and Marlin halted. A number of tourists were marooned between the Little Brazos and Big Creek near Marlin due to flooded highways.

The Navasota river was out of its banks in some places near Mexico due to a five inch rain.

**Flood Warnings Issued**  
Flood warnings were issued at Rockland that heavy rains upstream would cause a stage of 26 to 28 feet within 24 to 36 hours on the Neches and a progressing flood down stream for several days.

The rainfall passed seven inches last night and continued to fall in torrents at Temple. Bell county streams overflowed in places and threatened a serious overflow in the Little river, south of Temple was predicted. The Little river is one to three miles wide over the lowlands. The Temple-Taylor road was closed to traffic.

The Leon river, which feeds the Little river, was out of its banks at Catesville. Railroad tracks and bridges damaged by high water two weeks ago on Big and Little Turkey creeks near Woodville, were washed out.

**Bridge Washed Away**  
The T. & N. O. bridge south of Woodville was washed away, even to its supporting piling.

Relief crews and repair gang on the railroads at Woodville last night numbered 250 men.

A 30-foot rise threatened Bend, on the Colorado river.

The Red Cross, still busy rehabilitating families suffering effects of the flood two weeks ago in the Livingston district last night, faced repairs and more work. Eighteen hours steady rainfall totaled nine inches at Livingston where flood waters covered the lowlands. The fire department was fighting to keep the water from flooding the Livingston power plant.

**Trains Not Running**  
Southern Pacific trains were not running at Livingston. Missouri Pacific and Katy trains, which use the same track between Austin and San Marcos, were turned back at Austin last night.

The highway bridge over the Blanco river, five miles north of San Marcos on the Austin-San Antonio-Post road went out. Its heavy timbers battered the Missouri Pacific trestle a short distance below damaging the railroad bridge so trains could not cross. Every road leading out of Austin was blocked by high water.

The Guadalupe river reached flood stage at Seguin and was rising rapidly.

### Moody's Veto

(Continued From Page One)

inal proposition," he would not approve "the policy of reappropriating the school lands upon which a balance was due the state, but a bill was passed in 1925 providing for their reappropriation; it was approved and became the law."

"Under it hundreds of thousands of acres of land upon which a balance was due the school fund were reappropriated and the owners permitted to repay at a reduced price. "It is evident from the passage of these two bills at a special session that the 41st legislature feels that the owners of the land covered by the two bills should be treated the same as the others have been treated."

"Other bills approved were "local" two having to do with oil and gas permits in Pecos county, County attorneys' fees, county commissioners' salaries, and county judges' salaries in certain counties.

### Re-Assemble Farm Relief Committee

WASHINGTON, May 28. (AP)—A reassembling of the farm relief conference committee before the end of the week was predicted today by leaders trying to bring the house and senate to agreement over disposition of the disputed export debenture plan.

The committee's negotiations were halted last week after house members had refused to discuss differences in the two farm bills passed separately by the house and senate unless the debenture plan was eliminated.

Senator McNary of Oregon, chairman of the conference, said he thought another meeting would be held Thursday or Friday and that plans to insure uninterrupted negotiations probably would be agreed on.

### Mrs. Willebrandt

(Continued From Page One)  
counsel for the aviation corporation at a retainer which greatly exceeds her salary as assistant attorney general.

Administration officials not only expressed regret that Mrs. Willebrandt found herself unable longer to adhere to wishes of present administration that she remain in office, but also that reports of friction between her and Attorney General Mitchell and President Hoover had been circulated.

### "Green Flash" Is Ready For Flight

OLD ORCHARD, Maine, May 28. (AP)—Reports today indicating that flying conditions over the Atlantic had cleared, announcement was made that the monoplane Green Flash would take off for Rome at 8 a. m. tomorrow.

Indications were that the French plane Yellow Bird would fly for Paris at the same time, but a definite decision remained with Amino Lotti, sponsor of the flight, who went to New York to get detailed reports from Dr. James H. Kimball, water pilot at Austin. It was reported that Lotti and Rene Lefevre, who accompanied him, were returning here tonight.

Lewis A. Yancey, navigator, and Roger Q. Williams, pilot, of the Green Flash, said the weather was more favorable than it had been for ten days and that their "weather" was certain unless a report late tonight indicated an abrupt change in conditions.

### Explosion Probe Prevented By Gas

YOLANDE, Ala., May 25. (AP)—Aftermath of the lethal gas that followed an explosion today prevented inspectors entering the Connellyville mine of the Yolande Coal and Coke company near here to determine the cause of an explosion which killed nine men and injured two others last night.

Rescue squads returning to the surface last night after bringing bodies of the victims to the open reported that the one fan kept blowing down the 1,000 foot shaft had served virtually to clear it of poisonous gases. Attempts to enter the mine through one of its two main openings were frustrated by the gas when the fumes were detected as they were forced up by pure air inspectors must approve re-opening the mine.

### DENY ROBBERY PLOT

Former Electra Constable Testifies In Trial

WICHITA FALLS, May 28. (AP)—Ed. Pryor, former Electra constable, today denied on the witness stand that he and Tom Shook, former Electra police chief and now a fugitive, persuaded Henry Shumate to rob an Electra hotel last summer. He also denied Shumate split the spoils with him and that he promised to "protect Shumate from the police."

The testimony was given by Pryor's trial here on charges of robbery of the Jefferson hotel at Electra in June, 1928.

Texas Swimming Head Faces Kidnapping Charge

AUSTIN, May 28. (AP)—Jack Freith Austin swimming instructor, charged here with kidnapping Fannie Lee Minter, is under arrest in New Bedford, Mass., according to information given out at Governor Moody's office today.

Miss Minter, a young Texas university student, was socially prominent.

The governor issued a requisition on Massachusetts for Freith's return to face trial on a swindling indictment.

### WILL END TODAY

Testimony Is Completed In Swearing-Trial

AUSTIN, May 28. (AP)—Trial of Ed. Swearingin, charged with the murder of Carter Flowers, probably will be completed tomorrow. Arguments were begun late today, after a delay caused by inability of the defendant to reach Austin from his home in Lockhart. He was held up by high water. Swearingin and Flowers had been life long friends, having served together during the world war. Swearingin told the jury that whiskey and marimians had so numbed his brain that he did not know when he cut Flowers and that for a period of four days preceding the homicide he was not responsible for his acts.

NEW YORK, May 28. (AP)—Ed Gallagher, of the stage team of Gallagher and Shean, died of paralysis today.

### SARGON BROUGHT HIM NEW HEALTH; GAINED 15 POUNDS

"For fifteen years I had serious trouble with my stomach. It simply revolted at food and after eating I would have sharp pains, followed by terrible headaches and dizziness. My kidneys also bothered me and caused severe backaches. I also suffered with constipation. I became very anxious and nervous when every kind of treatment failed to help me. I lost weight and strength until I was utterly discouraged."

MACK H. HANIGAN

The results from Sargon in my case were remarkable. My stomach is soothed and I can enjoy my meals without a sign of indigestion, headaches or dizziness afterwards. I have no more trouble with my kidneys and the backaches are gone. My nerves are steady, I sleep better and awake feeling refreshed and fit for my daily work. My old time strength and energy returned and I feel better in every way.

"Sargon Soft Mass Pills is the only medicine that ever gave me permanent relief from constipation. I will be glad to tell anyone who asks me more about the wonderful good I received from this wonderful treatment."

The above statement was made by Mack H. Hanigan, 106 Toole Place, Apt. No. 1, San Antonio.

Sargon may be obtained in Lubbock at the City Drug Store, and in Station at the City Drug Store.

### Rotarians

(Continued From Page One)

La. and Clyde Huester of De Moines, Ia., were outstanding candidates for the five directorships to which the United States is entitled.

**Director Is Selected**  
The British delegation already has selected Sidney Farnell of London to fill the one seat on the board of directors to which England and Ireland is entitled. Elections will be held Thursday.

Each business represented in Rotary held separate conferences this afternoon on the ethical needs of its own members. The conference considered good and bad practices in their relations with each other and with their customers and with their employees.

Roy Ronald of Mitchell, S. D., in an address which ended the morning session, urged the delegates to work out practical workable philosophies for their business, which would carry out the Rotary object of service.

**Urged to Learn Rules**  
Mr. Harris message to the assembly urged them to learn the rules of the game and increase their batting average, as that when the umpire starts to the last man have said "you are out," they would be a Tyron "Cobb" and not a "stray."

President Sutton's annual message took an uncompromising stand against sentiment for a divergent policy of administration in the organization fostered by a group of British delegates.

"A general administrative change would be unwise for Rotary," he
