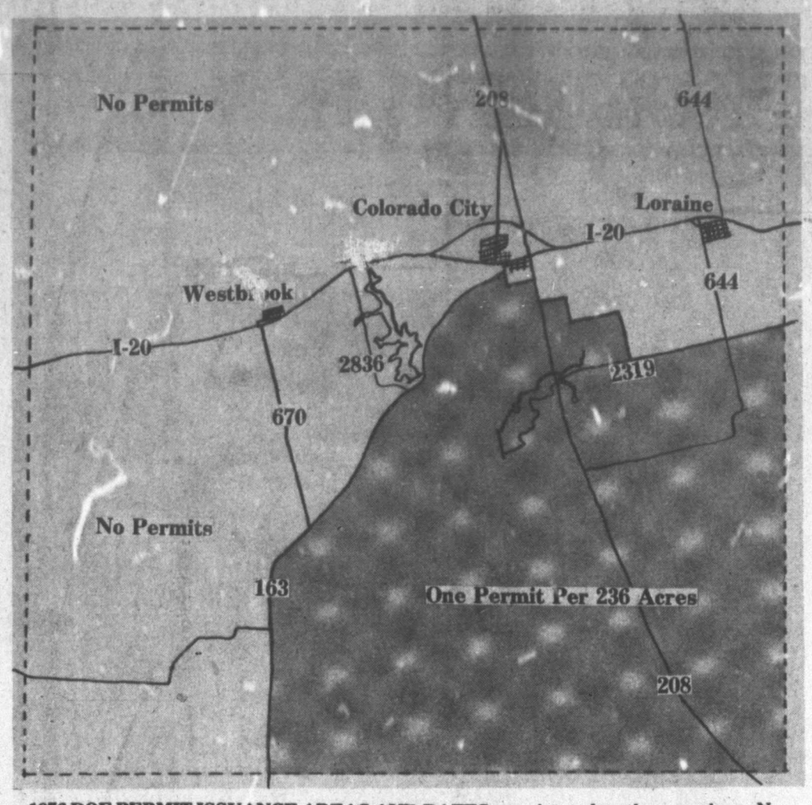
Doe Permit Rate 1 Each 236 Acres



1976 DOE PERMIT ISSUANCE AREAS AND RATES are pictured on the map above. No permits will be issued in the area indicated and only one permit per each 236 acres will be issued in the dark area. The area where doe permits will be issued is east of Highway 163 and generally south of Farm Road 2319. Permits will be issued Wednesday in the Mitchell County courthouse county courtroom.

Mitchell County landowners who either own or control acreage in the southeastern portion of the county may obtain doe permits next Wednesday for this hunting season.

The basis for issuing permits this year will be one permit for each 236 acres either owned or controlled in the outlined area shown on the map.

The area is the same as for last year but the number of permits will be fewer because last year's rate was one permit for each 156 acres.

Permits will be issued Wednesday by Texas Parks & Wildlife Dept. personnel in the county courtroom, Mitchell County courthouse.

Rates of issuance for doe permits are based on estimated deer numbers and carrying capacity of the area. The TP&WD sets the issuance rate.

The outline of the area is roughly between Hwy. 163 and the intersection of Hwy. 208 with FM2319, the southeastern part of the county limited by these boundaries.

Last year was the first year of limiting antlerless deer hunting. In years past, landowners were issued unlimited numbers of antlerless deer tags, giving the landowner complete control over the deer harvest no matter how many acres were under his control.

The new method of issuing permits has been necessitated by the trend in recent years to smaller and smaller tracts, thus increasing the hunting pressure on existing deer herds. Obviously, the issuance rate will prevent some landowners of small tracts from obtaining antlerless deer permits, but the TP&WD feels that there is a sound management basis for the new system.

Permits will still be utilized in the same way as tags were in the past; that is, according to the law, one permit is only good for the taking of one antlerless deer.

No permits will be issued to the western, northern or northeastern portions of the county.

Deer season begins Nov. 13 and continues through Jan. 2; limits are three deer consisting of two bucks and one antlerless deer by permit only.

A resident hunting permit costing $5.25 is required of all Texas residents except those under 17 or over 65 years of age, or those persons hunting on the land where they reside. These persons must have an exempt permit, however. A resident hunting exempt license costs 25 cents.

Permits must be filled out immediately and attached to the carcass until final processing.

Meeting Set In Loraine

All citizens of Loraine and the Loraine community who are interested in getting a community center started in Loraine are invited to attend a meeting at the Loraine Lions Club Bldg. starting at 7:30 p.m. Monday.

Purpose of the meeting will be to discuss plans for having a community center.

Everyone in the community is invited to attend the meeting and express their ideas about how this can become a reality for Loraine in the near future.

Record correspondent Mrs. Ida Baird of Loraine says that many have seen the need of such a meeting place and feel that Loraine is long overdue beginning plans to obtain such a building.

"Smaller towns than Loraine have gone to work, with all cooperating, and have some very well-equipped buildings where community meetings, Club meetings, and so on, can be held," she said.

THE WOLVES FRANK SANCHEZ (No. 30 in white) picked up good yardage on this run from scrimmage against Coahoma Friday night as the Wolves won over the Bulldogs 33-0 to take the lead in District 6-AA with three wins and no losses. Leading blocking in the play pictured are Quarterback Ray Torrez (No. 3) who has just taken one man out of the play and Tackle Ray Ritchey (No. 73). The Wolves are idle this week as they prepare for homecoming next week at Wolf Stadium against Ballinger.

Mass Immunization Delayed In County

Plans for the countywide mass immunization against a virulent strain of influenza commonly known as swine flu have been delayed because of a statewide delay in the program and the county's tentative date, Oct. 27, has been postponed until the second or third week in November.

An extensive list of people have already volunteered to help with the program but others are still needed as readers or interpreters or to provide transportation to Wallace Center the day of the immunization.

Barbara Gary, coordinating the county effort as a volunteer with the First Lady's Volunteer Program, says that the Texas Department of Health Resources will set the date and will also have representatives present the day of the mass effort.

"The Loraine area will receive their shots in Loraine and the rest of the county will receive shots at the Wallace Center in Colorado City," Mrs. Gray said. "The Health Department recommends that anyone with a health problem go ahead and consult their physician about getting the shots now and anyone with a fever or who has received a flu immunization in the past 14 days should consult a physician before taking the flu vaccine."

The vaccine will not give a person flu because it is made from killed viruses. Today's flu vaccines cause fewer side effects than those used in the past. In contrast with some other vaccines, flu vaccine can be taken safely during pregnacy.

Also people with known allergy to eggs should receive the vaccine only under special medical supervision.

Before the shots will be administered, an informed consent form must be read by the person recieving the shots and it must be signed. Persons who speak both English and Spanish are needed to read the form to recipients and may volunteer by phoning Wallace Center.

Local physician Dr. Thomas Aguillon will be the local backup doctor for the program, Mrs. Gray said. Others who have already volunteered their services include the following: Doreen Pender, Mary Lou Bell, Laverne Jones, Rhee Webb, Melba Hackfeld, Versie McMillan, Friday Moore, Liz Alvarez, Petra Galvan and Ceola Whitesides.

Weekend Events Set In Loraine

Capping Homecoming activities at Loraine High School this weekend will be the crowning of a Coming Home Queen and Homecoming Queen and King during halftime ceremonies of the Loraine vs. Jayton game Saturday night in Johnson Field.

Kickoff for the game is set for 7:30 p.m.

Candidates for Homecoming Queen at Loraine High School, representing each of the four classes, are: Brenda Oliver, Senior; Liz Terry, Junior; Karen Tartt, Sophomore, and Carrie Epperson, Freshman.

King candidates are as follows: Jimmy Alvarez, Senior; Donnie Dunn, Junior; Rodney Taylor, Sophomore, and Junior Martinez, Freshman.

Homecoming activities begin Friday evening with a chili supper in the high school cafeteria, sponsored by the Loraine Boosters Club. Tickets are $1.50 each, including drink and dessert.

Then at 7:30 p.m., there will be a Powderpuff football game in Johnson Field as a team of Seniors and Freshmen take on a team of Sophomores and Juniors.

Starting at 9:30, a bonfire and pep rally begins in the vacant lot one block north of Johnson Field, west of the bus barn. There will be speeches by coaches and players and the band will play as the twirlers and cheerleaders perform.

Saturday's events are scheduled for ex-students beginning with registration at 10 a.m. in the high school Principal's office, followed by a noon luncheon in the cafeteria.

A business meeting and program is being planned to follow the luncheon, presided over by George Martin, president of the Ex-Students Association, and Gaye Carpenter, secretary. School Superintendent L. R. Dunn is vice president of the association.

Individual class reunions will take up the remainder of the afternoon and the crowning of royalty will highlight the day's activities.

Changes Referred To A&M

The City Council of Colorado City met in special session Tuesday night to discuss a traffic problem at 17th, Hickory and Vine intersections and to approve notice of sale of $400,000 water and sewer revenue bonds.

The council quickly approved notice of sale of the bonds with bids to be opened Nov. 23. A rating on the bonds has not yet been received but is expected soon. The issuance of the bonds was approved by voters in March and will help rework the water treatment plant, sewage treatment plant and city water towers.

The council for some time has been discussing what to do with traffic problems caused by the five-street intersection at Hickory, 17th and Vine Streets.

The state will not allow the placement of a traffic signal at that intersection so the council has been seeking other alternatives. It was pointed out that the biggest part of the problem is the angle of the streets involved along with the amount of traffic the streets carry.

Last week, the council directed City Manager James Campbell and engineers working on the city's paving project to come up with a plan to help solve the problem.

Tuesday night, four plans were presented to the council. The council asked Vernon Lewis, owner of E-Z Way Superette which is located at that intersection, to come to the meeting and see what he thought of the plans.

Lewis said he had no objections to several of the plans presented but several members said that all of the plans presented might solve one problem but would create others. In addition, other suggestions might not be legal.

It was finally decided to delay a decision until advice could be sought and received from traffic engineers at Texas A&M. The meeting was adjourned after 1½ hours.

Wolves Rest This Friday

Colorado City's Wolves this week are still celebrating their 33-0 win over a powerful Coahoma Bulldog team.

The team and coaches took only a short time to enjoy and savor the win as they were back planning and preparing for the homecoming game next week against Ballinger. The Bearcats are winless for the season, having lost six games and tied one. They'll face Coahoma Friday.

However, despite this record, the Bearcats will be more than ready for the Wolves, said Colorado Head Coach Mike Farda, as they have been waiting all year to try and get revenge against the Wolves. Last year, the Wolves won 7-6 over the Bearcats, who at that time were undefeated and ranked No. 2 in the state and looked like a shoe-in as District 6-AA champs.

However, because of the loss to the Wolves and a loss the following week, they were knocked out of the running and Anson represented the District in the play-offs.

This year it looks like the Wolves along with Stamford are in the driver's seat and Ballinger will be looking to upset the Wolves apple cart. The Bearcats almost upset Stamford with Stamford having to kick a field goal with three seconds to go in their game to come from behind and win 9-7 over Ballinger.

In other District 6-AA games this week, Stamford plays Merkel and Wylie plays Winters. In another

Absentee Voting Heavy

Big Ballot For Voters

Ballots for the November 2 general election were printed and made available to the Clerk's office, Mitchell County courthouse, soon after the uproar over adding Eugene McCarthy's name as a candidate for president on the Independent ticket.

Mitchell County Clerk Marie Bassham said that the law requires 10 per cent more ballots be printed in each county than are registered to vote and she ordered 6,000 ballots from the Austin printing firm.

Absentee voting is currently underway in the Clerk's office and will continue until 5 p.m. Friday, Oct. 29.

The Clerk's office has received applications for 65 absentee ballots, so far, and 25 of those 65 were cast in person at the courthouse. The others were mailed out and have not yet returned.

The general election ballot is a large size and Mrs. Bassham said she remembers only one other time the ballot was as large.

Included on the ballot, which is printed in both English and Spanish languages, at the bottom is a vote on two proposed amendments to the constitution as follows:

--Proposition One, an amendment authorizing an increase of $400 million in the amount of Texas Water Development Bonds that may be issued on approval of two-thirds of the legislature; and repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution.

--Proposition Two, an amendment to increase from $100 million to $200 million the amount of Texas Water Development Bonds that may be issued for water quality enhancement purposes.

The first amendment contains a specific prohibition against the use of state funds for the development of water resources from the Mississippi River. It also requires that before any expenditure of more than $35 million in bond proceeds, it must be approved by resolution of the legislature.

The amendment also removes the constitutional requirement that certain revenues must be used to retire water development and water quality enhancement bonds. The constitutional interest rate limit on such

VOLLEYBALL action at CHS was fast and furious in the girls game with Merkel Tuesday night in Wolf Gym. The CHS team took the win in straight games of 15-9 and 15-6 on their way to a repeat for the District 6-AA championship. Their most serious challengers are expected to be Ballinger and that game is set for Tuesday, Oct. 26 in Wolf Gym.

Girls Down Stamford 15-2, 15-2

Colorado High School's volleyball team won another district contest Tuesday night in Stamford as they downed the Stamford team for the second time.

Taking a short time to take the win, the score was 15-2, 15-2 as the CHS team won without difficulty.

Volleyball Coach Susan Anderson said that the major test of the CHS team will be Tuesday when they play Ballinger in Wolf Gym. Games are set for 5:30, JV, and 6:30, Varsity.

The team now has a 4-0 record as they have downed Stamford twice, Merkel and Ballinger and Mrs. Anderson said that if they can take another win over Ballinger, then the district championship is almost in their hands.

"If we can beat Ballinger again, I think we'll have it made," she said.

The team also goes to Sweetwater in a non-dictrict game tonight (Thursday). Games are set for 6 p.m., JV, and 7 p.m., Varsity.

NEW LOCATION for the Occasion is 169 Walnut in the downtown business section. When the Occasion opened for business earlier this year, it was located on Hickory Street but recently moved to the new location where shop owner Coleen Palmer says there is plenty of room for extensive lines of gift items. Seated here at a table display, Mrs. Palmer and daughter Jackie, are in front of a mirrored shelf display of other china and tableware items.

Women Meet To Elect New Officers

The Women's Missionary Union of the First Baptist Church met recently to elect new officers for the coming church year which began Oct. 1.

Mrs. Bob Manning will be serving as president. Serving with Mrs. Manning will be Mrs. D. G. Rollins, secretary-treasurer and program chairman; Mrs. Floyd Rice, prayer chairman, assisted by Mrs. Lee Shaw; Mrs. L. M. Dawson, mission action chairman, assisted by Mrs. Altis Clemmer.

Mrs. Manning will also teach the Bible Study. Girls in Action leaders, Mrs. Floyd Rice and Mrs. Donald Burnett will serve with Mrs. Clemmer as reporter.

Mrs. Floyd Rice was in charge of the Tuesday program. Mrs. Rollins led the opening prayer and presided in the absence of the retiring president, Mrs. Clemmer.

Mrs. H. M. Rice worded the closing prayer. Present were six members and a visitor, Jaran Ware.

SS Class Meets

Mrs. Raymond Hackfeld and Mrs. Donald Graham were hostesses for the Friendship Sunday School Class of the First Baptist Church of Loraine, when they met in the church fellowship hall Monday evening.

Mrs. Hubert Meadows presided over the meeting and presented the devotional on the subject *Dealing With Modern Day Problems With Young People.*

Several projects for the class were discussed and future plans for the class were made.

Present were Mmes. Bud Hill, Meadows, James Clifton, Lester Hill and the two hostesses.

Simmental Cow Bred By Champion Creek Cattle Co. Wins Award

During the summer, a Simmental cow bred and owned by Champion Creek Cattle Company of Colorado City earned American Simmental Association's "Excellent Cow" award.

Bob and Patsy Fee own and operate the Mitchell County company.

ASA periodically publishes a National Cow Summary, recognizing cows on the basis of data gathered through its extensive performance-testing programs.

The award is based on a cow's lifetime Most Probable Producing Ability (MPPA), a complex formula which evaluates the animal's preformance as reflected by the weaning weights of her calves. Her performance is then compared to that of her herdmates in order to project the cow's probable future productivity.

To qualify for the "Excellent" award, a cow must product two calves before her fourth birthday, and her MPPA score must be 105 or greater.

Because of their genetic superiority, cows listed in the Summary are in demand as seed stock.

The Simmental organization was the first American beef breed association to recognize performance of genetically outstanding females with national cow productivity awards.

Oglesby Recognized

Navy Radioman Second Class William M. Oglesby, son of Mrs. Helen N. Oglesby of Westbrook, participated in exercise "Bonded Item" in the North Sea.

He is serving aboard the tank landing ship USS Fairfax County, homeported at Norfolk, Va.

He was one of 10,000 Navymen and 11,000 ground troops, from the U.S., Denmark and the Federal Republic of Germany, who recently took part in the coordinated amphibious, land and air exercise.

The primary objective of the exercise was to evaluate and enhance the Allied capabilities for amphibious support for Northern Western Europe. Participating units evaluated increased standardization of doctrines, equipment and armaments among NATO forces, plus command and control procedures for coordinated action by NATO sea, land and air forces.

"Bonded Item" was conducted jointly by the commanders of the Atlantic Striking Fleet and Allied Baltic Approaches Forces. It is one of a series of operations, conducted each fall from Norway to Turkey.

A 1966 graduate of Westbrook High School, he joined the Navy in November 1968.

CRIME PREVENTION

By Chief Fred McWhorter

Colorado City's Chief Of Police

We all hear daily, crime is on a drastic increase all across our nation. There is one startling fact concerning this, it is all very true. When we hear statistics, we tend to think they are true everywhere else but here.

We must remember when we read of National statistics, this does include our community. Our burglaries, assaults, and thefts are counted just as are the reports from Dallas, Ft. Worth, Houston, or San Antonio.

When you read the following facts, keep in mind this concerns all of us in Colorado City. These facts have been compiled from FBI, President's Commission on Law Enforcement, and Police Department Crime Reports:

--A burglary is committed every 10 seconds.

-- 3,020,000 burglaries were reported in 1974.

-- Only one out of three burglaries is ever reported.

-- Burglaries have increased 182.6% in the past 14 years.

--Daytime burglaries have increased 64% since 1969.

-- 80% of all burglaries are narcotics oriented, committed by drug addicts whose actions are unpredictable. Many rapes, beatings and murders very likely started as burglaries.

-- In 1974 $2,616,600,000 was lost as the result of burglary and theft, an average of $317.23 per reported incident.

-- 1 out of every 12 homes had a reported burglary.

-- The odds are 1 in 5 that your home will be burglarized in the next 12 months.

These drastic figures mean money out of your pocket in the form of taxes and rising prices. When you see a price increase in a store, don't get upset with the businessman, get upset with the criminal.

The businessman must raise prices to off-set his losses due to the criminal.

With the help of the newsmedia, I hope to instill an awareness in each citizen of Colorado City, that they may realize we do have a problem, and we can strike back.

In the future we hope to have articles concerning problems with burglaries, thefts, narcotics, and crime prevention measures each of you can take to join in the fight against crime.

Fairview HD Club Meets

The Fairview Home Demonstration club met Thursday, Oct. 14 in the home of Mrs. E. M. Fisher. Eleven members and three visitors were present.

Eddie Piland, owner and pharmacist at Eddie's Pharmacy, was the guest speaker. He presented an enlightening program on drugs and labels to those present.

Two new members were added to the club's roll. They are Mmes. Barker and Carter.

Present for the Thursday meeting were club members, Ora Fisher, Mary Womack, Wilma Womack, Bertha Simpson, Edna Pace, Minnie Strain, Susa Strain, Muriel Thurman, Versie McMillan, Verdie Strain and Mrs. Todd.

The next meeting will be Nov. 11 in the home of Versie McMillan.

Girls In Action Program Begins

Nine girls and two sponsors met Wednesday, Oct. 13 at 4 p.m. to organize the Girls in Action group of the First Baptist Church of Westbrook.

Mrs. Floyd Rice gave the Calendar of Prayer assisted by Angela Lentz and Amy Bradshaw. Mrs. Donald Burnett gave a short talk on "Who are GAs."

Those present participated in Grab Bag with Mrs. Rice discussing what GAs are all about.

Refreshments were served by Elizabeth Burnett to Angela Lentz, Sherrie Lentz, Amy Bradshaw, Tracy Bradshaw, Evon Bradshaw, Stephanie Pierce, Cynthia Cantu, Betty Ann Cantu, Mrs. Rice and Mrs. Burnett.

In closing, the group formed a "chain of prayer".

Future meeting will be held the first, second and third Wednesdays of each month at 4 p.m. in the Fellowship Hall of the church.

All girls of the community are invited to attend.

"How is lignite coal helping my electric bill?"

By using lignite coal to generate electricity, Texas Electric will be saving its customers $44 million in 1976.

We've turned to lignite because natural gas, our main fuel, is running out. New supplies of gas just aren't available in the huge quantities we need. Those supplies that *are* available have soared in cost.

In 1976 the lignite and the plants that use it will cost less than new natural gas alone. Here's how:

$86 million — The additional natural gas we would need in 1976 if we weren't using lignite.
– 42 million — The cost of lignite and the one-year cost for plants to use it in 1976.
$44 million — Money our customers won't have to pay in 1976 because we're using lignite coal.

These savings will continue in the years ahead. In fact, they will increase as we add more lignite power plants and our nuclear plant.

This doesn't mean rates will go down. But we will be able to keep increases in your electric bills as low as possible.

Mr. And Mrs. George Lee To Celebrate 31st Wedding Anniversary Sunday

Mr. and Mrs. George M. Lee of Loraine will celebrate their 31st Wedding Anniversary, Sunday, Oct. 24, with a reception given in their honor at the fellowship hall of the First Baptist Church in Loraine.

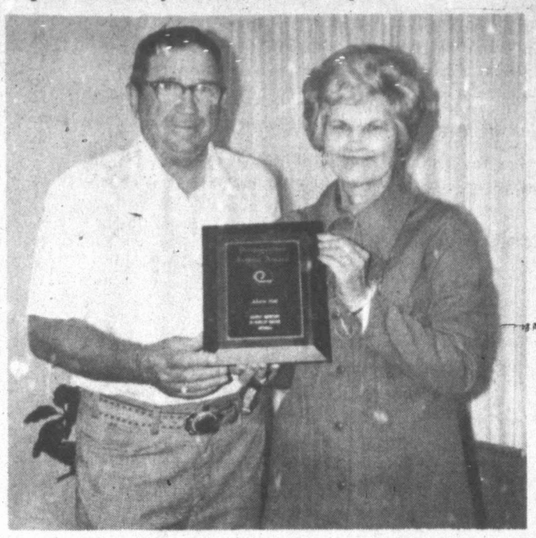
Friends are invited to call from 2-4 p.m.

Hosting the celebration will be their four sons and daughters-in-law, Mr. and Mrs. George Lee Jr. of Colorado City; James Lee of Lubbock; Mr. and Mrs. Johnny Lee of Odessa and Jay Lee of Loraine. The couple has one grandson, George Clayton.

Mrs. Lee was the former Estelle Prewitt, daughter of Mr. E. L. Prewitt and the late Mrs. Prewitt of Stroud, Oklahoma. His is the son of the late Mr. and Mrs. G. O. Lee of Loraine.

They were married at the First Christian parsonage in Stroud, Oklahoma on October 10, 1945, and have lived in Loraine all of their married life.

The Lees live on their farm south of Loraine. They are members of the First Baptist Church of Loraine and Mrs. Lee is a substitute teacher in the Loraine school system.



MRS. PRICE (AMARIE) HALL recently retired as Secretary to the Mitchell Soil and Water Conservation District. Amarie started to work for the District in 1953. She was presented with a distinguished service plaque by Jimmy Harrison, Chairman of the Board of District Directors. The Halls will reside on their farm three miles southwest of Loraine. One of their many retirement activities will be to visit their grandchildren at every opportunity.

Guests of Mr. and Mrs. B. D. Taylor have been their sons and daughters-in-law, Mr. and Mrs. Earl D. Taylor and Mr. and Mrs. Jack Taylor of Big Spring.

Bobby Sparks Re-elected As President Of The Mitchell County Gun Club

During a recent meeting of Mitchell County Gun Club, officers were re-elected to lead the club for another year. They are, President Bobby Sparks, Vice President Swain McGuire, Secretary Linda Mathis, Treasurer Dale Mathis and Instructor Ronnie Aston.

Aston, as Mitchell County Game Warden, is also executive officer of the group.

During the last meeting, a discussion was held concerning plans for holding an intra-club meet sometime soon. Mrs. Mathis said that there will be different classes and distances in rifles and pistols as the 44 club members compete with each other.

The club meets the second Thursday of each month at 7:30 p.m. in the Texas Electric Reddy Room.

Colorado Independent School District Balance Sheet Fiscal Year Ended August 31, 1976

Board of Trustees
Colorado Independent School District
Colorado City, Texas 79512

Members of the Board:

We have examined the balance sheet of the Colorado Independent School District as of August 31, 1976 and the related analysis of changes in reserves and fund balances, comparisons of official budget with revenues and expenditures, and the bond schedule for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Explanations and comments on accounting procedures are explained in the "Notes to Financial Statement."

In our opinion, the accompanying balance sheet, analysis in changes in reserves and fund balances, and comparisons of official budg with revenues and expenditures present fairly the financial position of the Colorado Independent School District as of August 31, 1976, and the results of its operations for the year then ended and, with exception of areas of noncompliance as may be indicated on exhibits or schedules attached hereto, such operations were in accordance with applicable laws and regulations in conformity with generally accepted accounting principles for public local education agencies applied on a basis consistent with that of the preceding year.

Respectfully submitted,
Joe H. Morren

Everetts To Be Guests At Angelo State University Orientation

Bill Everett, Principal of Colorado High School, and his wife are among approximately 100 area public school officials and spouses to attend an orientation program Saturday on the campus of Angelo State University.

Area superintendents and principals are to tour the newly completed Robert and Nona Carr Education-Fine Arts building on the ASU campus Saturday afternoon and attend a dinner in the ballroom of the Houston Harte University Center.

The participants will also be the university's guest at the Saturday night football game between Angelo State and Texas A&I University.

Mexia Sunshine Singers To Perform Here

The Mexia Sunshine Singers will be performing for the First United Methodist Church Saturday night at 7 p.m. They are a group of young people from the Mexia State School who have traveled extensively over the country singing and sharing their faith in song.

The group started in 1968 with three boys who wanted to take guitar lessons. Since that time the group has participated in off-campus sacred concerts, devotional, worship, prayer, song, rhythm band and choir practice.

They also furnish the music for a new program titled Community Outreach under the direction of Chaplin Charles E. Hartsfield.

The group will also sing at the morning worship services at St. Luke's Methodist Church Sunday at 11 a.m.

The public is invited to attend both performances of this singing group.

Spook House Planned

The Westbrook 6th Grade Class is planning a Spook House Oct. 29 for the Hallowe'en Carnival. Set in the Girls Junior High Dressing Room, the Spook House will be full of ghosts, vampires, doctors, Frankenstein as well as other monsters, gypsies, witches, fortunetellers, and werewolves.

The class is also planning to put on a Thanksgiving Day play this year and they will be starting rehearsals soon.

Last Friday the students learned to play the Map Game.

THE B&PW CLUB had a Coffee Break to celebrate Business Women's Week in Mitchell County. These women gathered in the Texas Electric Reddy Room from 9-11 a.m. for coffee and cake. The 8th grade Wolves lost against the Ballinger Bearcats last Thursday. It was a hard fought game, but in the third quarter the Bearcats scored their second T.D. to make the score 12-6, with only seconds to go. The Bearcats' first touchdown came in the first quarter.

Then Ballinger kicked to the Wolves, and Doug Johnson returned the kick off for a T.D., with very good blocking involved by the whole return team, especially the line.

Yancy Spivey did a very good job of running. Mark Carter threw the ball very well and Kirk Evans caught the ball well. Jerry Phariss did very well carrying the ball.

The offensive line did a much better job of blocking, especially the second half.

Sam Houston, Cliff Burke, Steven Light and Tommy Romero did well on the defensive line. Frank Norris, and Mark Piland as inside linebackers, Yancy Spivey and Doug Johnson as outside linebackers, Mark Carter, Kirk Evans, and Trey Womack in the secondary all played good defense. Mike Smith, Manuel Molina, Joe Stinson, and Weldon Walker all did good jobs coming in as replacements.

Today the Wolves play Coahoma at Wolf Stadium and the Wolves plan on winning.

The Colorado Middle School spirit was sky high during their pep rally, October 14th. They were pepping the 7th and 8th grade football boys up for their big games against the Ballinger Bearcats.

The student body roared with laughter when the first and third period speech classes held a spirit-lifting skit. The girls dressed up as the Wolves and the boys portrayed the girlish Bearcats. Of course the Wolves won. The Ballinger coaches had to take the teams' suckers away from the team before they would line up!

The eighth grade won the spirit stick for the second time!

Jana Bassinger

At the pep rally last Thursday the band played a couple of new songs. They were *Close To You* and *The Magnificent Seven.* The twirlers did their routines to *Salutation* and *Bluff Creek.*

Kim Hutto, our feature twirler, did a solo routine to *Sweet Caroline.* She twirled with flags on both ends of her batons.

We have two pep ralleys left, so the band is going to be playing its best.

Tammy Bodine

Our seventh and eighth grade reporters were out this week asking the following question: What have you done this year to increase school spirit?

Here are the answers: Donetta Lewallen, made posters, went to the games, and participated in pep rallies; Sareesa Mitchell, went to all the games, yelled, led the band as a drum major; Kelley Dockery, played in band, yelled at pep rallies; Ranee Grisham, try to have a lot of spirit at the pep rallies, and even when we lost, I tried to keep the spirit up.

Kim Hardegree, trying to give everyone spirit about the games, and trying to encourage their enthusiasm; Vicky Franco, yelled a lot and gave the boys spirit; Delores Martinez, encouraged the sixth graders to have a lot of school spirit.

Patty Womack, I've yelled at pep rallies and played in the band. I've also supported our boys at home games, and I can't wait until the upcoming 2 games. I'm going to be there to yell for the best team in the world even if they haven't been winning because they've fought harder than anyone I know. I LOVE MY TEAM. Linda Mendoza, I've participated in the pep rallies by being in the Jamborees. I've made signs and posters to show more spirit and to spark up fire for our team.

Anna Arellano, I've yelled at pep rallies and the home games, and I've made posters, Nodd Neff, I've come to school; Dalton Maddox, yelled at the pep rallies to win the spirit stick; Toni Hutto, made run-through signs, been in band and Jamborees, and bought a lot of pennants.

Lynn Bradbury, I played in the band at pep rallies; Jessie Bodine, I yelled at pep rallies and I set up the gym for this activity; Miss Brown, I lick to set with the students and be a part of the pep rally.

During the short time which remains of football season, the staff encourages each student to find a way all his own to make the spirit of Colorado Middle School second to none.

The National Junior Honor Society met at Colorado Middle School in room twenty-six, October 12, 1976 at 8:30 a.m.

We discussed the grades and conduct rules. The rules are as follows: Probation occurs when you make a B in grades, or if you make two N's in conduct. Dismissal occurs when you make two B's or three N's, or one U in conduct.

We discussed about our concession stand tonight. We have some new items tonight. We'll have fresh, hot popcorn and homemade cupcakes.

We would like to give Penny Lane Restaurant a special thanks for furnishing the flat-wraps for our hot dogs for the last home game.

We would also like to thank Zeno Smith for furnishing the pop corn popper we'll be using tonight.

The Intramural girls have developed their skills, the set, dig spike, serve, and rotation, well enough to begin tournament play among themselves.

Mrs. Mathis is going to divide the girls into four teams. There will be one captain to each team to be in charge of substitution, or putting in a player to take another player's place.

The tournament will begin on Monday, and if it can be worked out, the game for first place might be played in front of the student body.

Good luck girls. Get to work!

Marjori Maddox

In our eighth grade history class we are doing reports. Mrs. Rees has us to write a report on the Colonial Life in New England or The Salem Witch Trials. The last few days we have been going to the library and working on these. They are due Monday.

We are also drawing maps and working sheets on the New England states.

Kari Morren

This week in girls' P.E. we have been taking our volleyball test over the dig, the serve, and the set.

Monday, our dressing room was flooded because a pipe broke. We couldn't suit out until Tuesday. It was only flooded about an inch.

For about two weeks we will be tumbling. This week we will learn to do the forward roll, backwards roll, the log roll, and the fish flop.

Last Tuesday we reviewed for a written test on volleyball, and Wednesday we took the test.

On Tuesday, October 12th, the seventh and eighth grade choir met at 7:30 a.m. to practice with the stage band. They will meet again Friday morning at 7:30.

On Tuesday, October 12, Midge Ledbetter and Eddie Swinney came and sang for the second period 8th grade choir. Midge played an organ type of instrument that makes good music.

Eddie talked to us about music and played his guitar and sang. The stage band and choir are going to put on a performance in front of the school the 29th of October.

The sixth grade social studies classes finished our unit on Europe. As a finishing project each student cut out the countries of Europe and glued them on paper.

Also in social studies the sixth graders took a presidential poll. Each class took a secret opinion poll to see who the students would make the best President.

In the opinion of the sixth graders, Governor Carter would make the best President. He received 76 % support, President Ford received 21 %, and there were 3% who couldn't decide. The sixth graders will hold their own election on November 2.

Teresa Gorham

In the seventh period 6th grade band class we have started playing songs such as *Down In The Valley, Yankee Doodle,* and *Fair of Our Fathers.*

This is good considering we are only beginners. We are having more tryouts and everybody is doing great.

This week our roving reporter interviewed a most valuable person in Middle School, the teacher's aide. In the limelight is our new aide Triesta Lilly (Mrs. Troy Lilly). Mrs. Lilly worked in the resource room as a part of the Plan A program.

Mrs. Lilly was born here in Colorado City. She moved to Snyder soon after and lived there all during high school.

After Mrs. Lilly graduated from Snyder High, she went to Baylor Univ. to study music. One year later she decided to go to Texas Tech where she studied home economics.

Backpacking, snow skiing, and music are Mrs. Lilly's main hobbies. She can play the piano and actually worked her way through college giving piano lessons.

Mrs. Lilly once taught home economics at the high school level so our reporter asked her if she liked being a teacher's aide for younger pupils. She replied, "Yes, I enjoy being an aide because I never had a chance to work with junior high and elementary children."

In the afternoons Mrs. Lilly travels to Hutchinson where she also works with children in the resource room.

Poetry Program Given

The home of Mrs. L. B. Elliott was the meeting place of the Self Culture Club on Friday, Oct. 15 at 3:15 p.m.

The meeting was called to order by the president, Ida Keith. Pledge to the flag and opening prayer was given by Lucretia Small.

Minutes were read and approved. Mrs. Jewel Tiller gave the treasurer's report.

Communications from district president, Mrs. Charles Boyd, and Mrs. A. J. Smith, Jr. were read. Their thanks to all members on the recent Workshop were conveyed.

Reports on various programs at the recent District Board Meeting and Workshop were given. Money was collected from members for needed repairs on TFWC Headquarters Club Building in Austin.

Members were urged to consider making garments for the "Fashion For Fun" Contest to be held at the next District Spring Convention to be held in Abilene on March 23, 1977. Announcement was made that Mrs. Charles Williams had accepted membership in the club.

With Oct. 15, 1976 being designated as Texas Poetry Day, a program was given by the local chapter of the Poetry Society of Texas with the following members reading one of their original poems: Ruth Morgan, *Lines To A Babe;* Garnett Quiett, *In Such A Lowly Place;* Ina Fargason, *The Rendevous;* Elizabeth Elliott, *The Sunset* and *My Fellow Man;* Nadine Gordon, *Sight and Sun Magic;* and Elizabeth Gary, *Stockroom A-3.*

Refreshments were served to the following members: Ida Keith, Minnie Strain, Elizabeth Gary, Lucretia Small, Fannie Beeman, Jewel Tiller, Flora Brown, Rosa Herrington, Louise Logsdon, Joy Culwell and the following guests: Ruth Morgan, Garnett Quiett, Ina Fargason and Nadine Gordon.

Granado Services Tuesday

Services for Frank Granado Jr., 24, of Colorado City were held at 10 a.m. Tuesday at St. Ann's Catholic Church. Father John Busch officiated. Burial was in the Mitchell County Cemetery under the direction of the Kiker-Seale Funeral Home.

Granado died Sunday as a result of injuries sustained in a recent fall. He was hospitalized in Hendrick Memorial Hospital.

Born in San Marcos, he had lived in Colorado City about eight years. He was employed by the Sweetwater Cotton Oil Mill.

Survivors include his parents, Mr. and Mrs. Frank Granado Sr. of Colorado City; three sisters, Mrs. Joe Delgado of San Marcos, Mrs. Mike Loe of Odessa and Mrs. Juan Molina of Colorado City; and a brother, Felix of Odessa.

Board Meets To Discuss Report On Foundation Funds

Supt. L. R. Dunn announced this week that Monday will be a holiday for students while teachers meet for In Service. Students will return to school Tuesday for classes at the regular time.

Teachers will be working on Self Evaluation for accreditation.

The Loraine School Board met in regular meeting Monday night October 11.

The Board approved the estimated application for foundation funds for 1976-77 school year, and discussed a report given on foundation funds received Sept., 1976.

The Board approved the purchase of a copying machine for both administrative and instructional use, and also discussed insurance for bus drivers. The total school district personnel and funding sources were reviewed.

The Board reaffirmed the school's philosophy of grade retention. Supt. Dunn stated he felt it very important that students meet minimum standards gradewise. in each subject, and that teachers be able to verify grades by keeping on file a sampling of student work.

A report was given of the TASA-TASB convention held in San Antonio. Of paticular interest was proposed revisions of House Bill 1126 and the governor's Fair Market Value studies, which pertains to Ad Valorem taxation.

Tax-Assesor Collector Wanda Hamilton will be attending a workshop at the Education Service Center in Abilene, Thursday, Oct. 21. This workshop will pertain to rural appraisal and value assessment.

One yardstick used to measure the nation's growth and health is called the Gross National Product, or GNP. The GNP is the combination of all the and services, plus government expenditures, and is computed on a quarterly basis.

At the end of 1975, the GNP stood at nearly 1.5 trillion dollars. While there have been some quarter to quarter declines in the GNP, particulary in periods during the past 18 months, it has shown a steady growth pattern indicating a basically healthy economy.

You may not realize it but the GNP affects our daily lives. If our GNP drops off sharply, this will lead to unemployment. If the GNP expands too rapidly, this can lead to inflation, and inflation to higher prices. So, you see, the entire growth pattern of the country affects you also.

We want you to know more about our business!!!

B&PW Meets In Loraine Lions' Building

The newly organized B&PW Club of Loraine met in the Lions building in Loraine on Monday night with Margaret Brame, president, presiding.

Blondie Hamilton, program chairman, was in charge of the program and refreshments. Judy Stewart gave the report on the District Conference of the B&PW Clubs that several of the Loraine club attended October 16-17 in Brownwood.

She told that your life is 10% the way you make it and 90% the way you take it.

She learned at the meeting that every woman should have a hobby which she is good enough at that she could use it to supplement her income.

She should have a systematic savings program and should make a will and keep it up to date. Finally every woman certainly should keep her appearnace up. Never let yourself go, the group was cautioned.

The head of the Civic participation committee, Billie Schroeder, reported that all of the organizations and clubs in the Loraine area will meet Monday night, Oct. 25 at 7:30 p.m. to discuss improvements on the Agri-building in order for it to be more beneficial for community gatherings.

Margaret Brame named committees to plan the Charter Banquet that the Loraine B&PW will have when the state president and other dignitaries of the B&PW will come to Loraine and present a charter to the new club.

Carroll Dies Sunday

John Henry Carroll, 73, of Loraine, died Sunday morning at his home. Services were held at 3 p.m. Tuesday at the Kiker-Seale Funeral Home Chapel.

Rev. Carl Clinton, pastor of the First Baptist Church of Loraine, officiated. Burial was in the Colorado City Cemetery.

Born January 14, 1903, at Tarrant County, he came to Mitchell County in 1919. He married Estelle Davies July 20, 1928. She died in January of 1966. He then married Vera May Self in November of 1966 in Colorado City.

Carroll was a retired farmer.

Survivors include his wife; a daughter, Mrs. C. A. Gerstenberger of Las Vegas, Nev.; three sons, Jack of Spearman, Glenn of Garland, and Cecil of Snyder; three sisters, Josie Stephens and Viola Tucker, both of Colorado City and Dovie Farmer of Hesperia, Calif.; 14 grandchildren and two great grandchildren.

★Wolves From Page 1

big area game this week, Post and Slaton play in a game that will go a long way in deciding the champion of District 5-AA who will play the winner of District 6-AA in bi-district.

The only losses suffered by the Wolves this season came at the lands of Post and Slaton. Slaton is undefeated while Post has lost two games, one of which was a district contest with Tahoka.

Regarding the Wolves-Coahoma game, Farda noted after reviewing films of the game that everyone on the team had a good game and he couldn't single out any particular individuals that played any better than anybody else. Everyone played up to their ability, Farda added.

Pest Control Services

Mitchell County is one of nineteen area counties selected to be serviced by an area Urban Rodent Control Specialist.

Terry Cluck has assumed the responsibilities as the specialist replacing Larry Killgo. Cluck, a native of Sentinel, Okla., recently received an M.A. degree in biology from Baylor University.

While working on his graduate degree, Cluck taught genetics laboratory classes at Baylor. From 1972-74, he served as a missionary journeyman in Kenya, East Africa, where he taught Kenyan biology, chemistry and agriculture. He is married to the former Jane Coleman whom he met in Africa.

He is available for educational programs and demonstrations concerning the control of rodents and other animal pests such as skunks armadillos and raccoons.

Home demonstrations on rat control can be arranged at no charge for interested neighborhoods. Cluck can be reached by phone at (915) 673-0331 should there be any questions.

Correspondence should be addressed to: Terry Cluck, Urban Rodent Control Specialist, c/o County Extension Agent, Taylor County Courthouse, Abilene, Texas 79602.
