By J. W. King, Sr.

How did you like the colored paper on which The News was printed last week? Frankly, we think it would have been better on white paper, but the Lions Club wanted the colored paper to attract attention to the Fair, and it did just that.

The Fair turned out fairly well, exhibits were good in spite of thedry weather we have experienced this year. They might have been better if more people had taken the time to bring in their products—which reminds us that next year the fair date should be set in September so that the rush of cotton gathering will not interfere.

CEMETERY FUND

Contributions to the cemetery fund the past week brought the total thus far to $164.50.

Brown Sisters $10; H. R. Lee, of Lamesa, $10.

Methodists Observe Layman Day Sunday

Sunday, October 17, will be Layman Day at the Methodist Church. Laymen of the church will have charge of both morning and evening services.

Wednesday evening services each week.

NORTH LORAINE H. D. CLUB

Pattern notes was the roll call given by members of the North Loraine Home Demonstration Club in regular meeting Wednesday in the Lions building with Mrs. Ralph Lankford hosting. Mrs. J. E. Price led the opening prayer.

Mrs. Lankford was in charge of the business meeting. Plans were completed for the concession and educational booths at the Community Fair Saturday.

Mrs. Towery, county home demonstration agent, gave a talk and showed materials to illustrate buying shoes and socks. She pointed out that 75% of adult foot ills were results of out grown or mis-fits in childrens shoes from 2 to 6 years of age.

Mrs. J. E. Price displayed a pair of baby shoes 70 years old.

Refreshments of banana bread and fruit punch were served to Mmes Emmabeth Towery, J. E. Price, M. C. Bynum, Ottis Hamrick, Roy Wells, Alva Bennett, and Willie Taylor.

The next meeting will be October 20, in the home of Mrs. Buck Taylor.

Winners At Loraine Community Fair

The Loraine Community Fair, sponsored by the Lions Club, was well attended last Saturday. Although some phases of exhibits in the homemaking and agriculture divisions were light, their display was very attractive and made a good showing.

The homemaking division was held in the Pratt building. The Lions Club building housed the concession booths of the home demonstration clubs, band boosters club, F. H. A., F. F. A. and school classes and the Lions Club bingo booth.

The agriculture and livestock division was held in the dairy barn.

Judges for the homemaking division were Mrs. Dan Morgan, Jr. and Mrs. E. O. Cleaver. Those who planned the booths were Mmes Morgan, Garland Cary, Jasper Doyle, and David McKenzie. Judges for the livestock and crops were Hulan Harris, vocational agriculture teacher at Robert Lee and Ray Womack, vocational agriculture teacher at Rotan. Raymond Holt, vocational agriculture teacher here, was head of the livestock division and Mrs. Dan Morgan, Jr., Loraine homemaking teacher, was in charge of the homemaking division.

The Bauman Home Demonstration Club took first place with their booth, "Bread, the Staff of Life." Second place went to the North Loraine H. D. Club on their booth, "Better Eluipment."

Mrs. E. P. Kuck Buried Here Friday

Funeral services for Mrs. E. P. Kuck were held at the First Methodist Church at 10:30 a. m. Friday, October , with her pastor, the Rev. Ad Hoyer, Lutheran minister from Big Spring, officiating, assisted by the Rev. Lenard Hartley, Baptist pastor.

Mrs. Kuck had been in ill health for several years and passed away at her home here at 8:10 p. m. October 6.

Mrs. Kuck had lived a full Christian life and experienced the sweet mingled with the bitter as is the life of one. She had lived in Mitchell County since 1906 and in Loraine since 1946.

She is survived by two brothers, John and George Wemken, both of Hermleigh; four sisters, Mrs. L. H. Crawford of Canyon, Mrs. C. W. Forbus of Abilene, Mrs. Mel Rice of Sweetwater, and Mrs. Earnest Pearson of Houston.

Pallbearers were Olen Mayes, Nick Narrell, Frank Crownover, Kirk Taylor, August Hackfeld and Moody Richardson.

Interment was in the Loraine Cemetery under direction of Kiker and Son Funeral Home.

Bulldogs Defeat Snyder B Team

The Loraine Bulldogs outscored the Snyder Tiger B team here last Thursday night 39-20, in a thriller from start to finish. The Bulldogs were masters all the way holding the Tigers scoreless in the first half while they made 3. They racked up 3 more in the last half while the Tigers were making 3 and a touchback.

In this non-conference tussle the Bulldogs spaced the Tigers with 18 first downs to 4.

Roy Johnson was the leading scorer for Loraine with two touchdowns and three extra points. Richey Cary came next with two touchdowns and Jimmy Hall with one.

The Bulldog line was working superbly from end to end most of the time during the night.

The Bulldogs take on another conference foe Friday night at 7:30 when they host the Robert Lee Steers. It will be their second conference game, having disposed of Trent two weeks ago. Last week the Robert Lee Steers dropped their opening conference game to Hobbs while Trent outscored Bronte.

Up to now the Bulldogs and the Hermleigh Cardinals are tied for first place in the district.

Gin Report

Cotton ginning neared the half way mark for the season this week when the four gins reported they had ginned 2582 bales.

Estimates have run all the way from 3000 to 7000 bales for the season. It appears now that the latter figure will be closer to the final ginnings.

Willie Taylor Gets Good Irrigation Well

Willie Taylor has one of the best wells for irrigation in this part of the country, and the first in his immediate territory. The well was put on pump at 11 o'clock Monday night and had been pumping a full six inch stream for 14 hours without stopping. An accurate test had not been run on the well early Tuesday afternoon but it was estimated to be more than 1000 gallons a minute.

E. O. Cleaver Drilling Co. of Loraine drilled the well to a depth of 280 feet. The pump was set at 230 feet. Cleaver said he hit the water formation at 145 feet and continued in it through 279 feet.

Since this well has come in so strong, several others will be drilled in the area, according to Mr. Cleaver.

NOTICE OF ELECTION

The Constitution of Texas establishes four funds from which a county shall operate its business. These are Constitutional funds and are known as the Jury Fund, the Road and Bridge Fund, the General Fund, and the Permanent Improvement Fund. The law does not permit a transfer of money from one of these funds to the other fund. however, on November 7, 1944, the people amended the Constitution of Texas to allow the citizens of any county to reallocate the Constitutional tax levies within these funds to suit the needs of their respective counties.

The Commissioners' Court of Mitchell County sees such a need now. Due to the growth of this county and the increase in cost of operations the present levy for General County purposes is inadequate to meet the demands now placed on this fund, therefore, we, the Commissioners' Court of Mitchell County, are taking this problem to the taxpayers and proposes the following changes in the levying of County taxes.

The following shows the Constitutional levies and the levy we are asking the voters of Mitchell County to approve:

FUND	Constitutional Levy	Present Ouerating Levy	Proposed Levy
Jury	.15	.05	.05
Road &Bridge	.15	.15	.15
General	.25	.25	.40
Permanent Improvement	.25	.20	.10
TOTAL	.80	.65	.70

The above does not affect any special County tax.

This proposal will be voted on at the General Election being held on November 2, 1954. 22-3c

The products of the petroleum industry are literally everywhere. Every hour of the day, oil or natural gas serves you and virtually every other American. Oil is indispensable to our way of life; it makes the United States a better, safer country to live in.

You may wake in the morning in a room warmed by a furnace burning fuel oil or natural gas.

You drive to work, and your car burns gasoline, uses petroleum oils and greases for lubricants, rolls on tires of synthetic rubber which had their beginning in an oil refinery.

The plant where you work may depend on oil or natural gas as the source of its power. The oil and gas industry supplies 65% of the nation's energy requirements.

Meanwhile, if you live in Texas, your children are attending schools to the support of which the oil industry pays heavy production and ad valorem taxes. And your U. S. Army, Navy and Air Force plan the national defense with confidence that the oil industry has developed the proven reserves that can fuel their machines of war. Oil also supplies munitions — TNT for instance.

Finally, the lady of the house may prepare dinner on a stove fueled with natural gas, and you may go to bed in pajamas laundered with a petroleum detergent, after reading a newspaper printed with ink made from oil, in a room decorated with a paint manufactured from petroleum.

... And that's only a beginning.

The products of the petroleum industry, oil and natural gas, head the list of our most useful resources. A progressive, competitive oil industry, encouraged in the future as in the past, will undertake the further development that will keep them there.
