"Friends" Benefit Gala raises \$16,000

Another sell-out crowd enjoyed the 3rd annual Floyd County Friends Benefit Gala, Saturday night, March 28, in Lockney.

Two-hundred and eighty paying guests were catered to by approximately 80 volunteers consisting of "Friends" board members and 4-H youth.

The Gala is held to raise money for the future 33,000 square foot Multi-Purpose Building which will be built

on a site in the Muncy community.

Dora Ross and her committee transformed the Lockney Elementary Cafeteria from a school dining hall to a luxurious round tabled dining room, decked out with goldware and china.

Under the guidance of Anne Carthel, and with "Harmony" as the theme, the room was decorated with musical notes hanging from the ceiling and covering the walls.

The music theme carried onto a

stage dominated by a shiny black baby grand piano. The keys of the piano were kept busy throughout the evening--first by Lucy Dean Record who provided very lively dinner music along with Brady Rasco on the fiddle, and Marvin Goodall and Joe Roy on guitars.

After dinner 12 year old Molly Long sat down on the bench and played "In A Gypsy Camp". Her act was the prelude to the featured enter-

tainment of West Texas piano player, and composer, Doug Smith.

The piano bench was also warmed by the team of Doug Smith and "Limborace" (better known as Clar Schacht), playing a hilarious duet of "Green Acres".

Ginger Mathis was the ramrod of the kitchen crew who dished out 280 plates of steaks and trimmings in 14 minutes.

The tasty rib-eye steaks were pre-

pared by Mac Sherman and his cowboy cooks.

De Chance and her volunteers rode herd on the polite and enthusiastic youngsters who served the guests. Everywhere the eye could see, and usually within a whisper distance, there was someone waiting on your every need.

The grand prize of the gala was the \$1,000 cash donated by First National Bank in Lockney and West Texas National Bank in Floydada.

Everyone's ticket was placed into a basket at the beginning of the night and the names were eliminated one by one during the gala.

Throughout the evening, Nick Long, and side-kick auctioneer and emcee Tim Assiter, entertained the audience with their antics at name elimination.

Tickets were very often thrown into the air with, "Thanks for coming--but--you're outta here!"

Whenever the crowd groaned with sympathy for the person eliminated, Assiter usually responded with, "Oh, like you really care!"

By the end of the night and after much wheeling and dealing, Paul Sharp, of Floydada, was named the grand prize winner of the \$1,000.

Almost immediately the auctioneer side of Tim Assiter kicked into overdrive to try and persuade Sharp to spend that \$1,000 on an auction item on the stage. Although he did place some bids, Sharp still managed to make it out of the dining room with some of his money intact.

A total of \$9,651.30 in auction items was donated to the Floyd County Friends for use in the silent and live

auction. The auction, chaired by Shawnda Foster, ultimately raised \$12,328.51 for the Floyd County Friends.

As of Monday, the "Friends" believe they had netted \$16,000 from ticket sales, auction bids, and games.

"We now have a total of \$153,000 toward our Phase One goal of \$600,000," said Floyd County Friends President Nick Long.

"We are within striking distance of grants and have full confidence we will succeed."

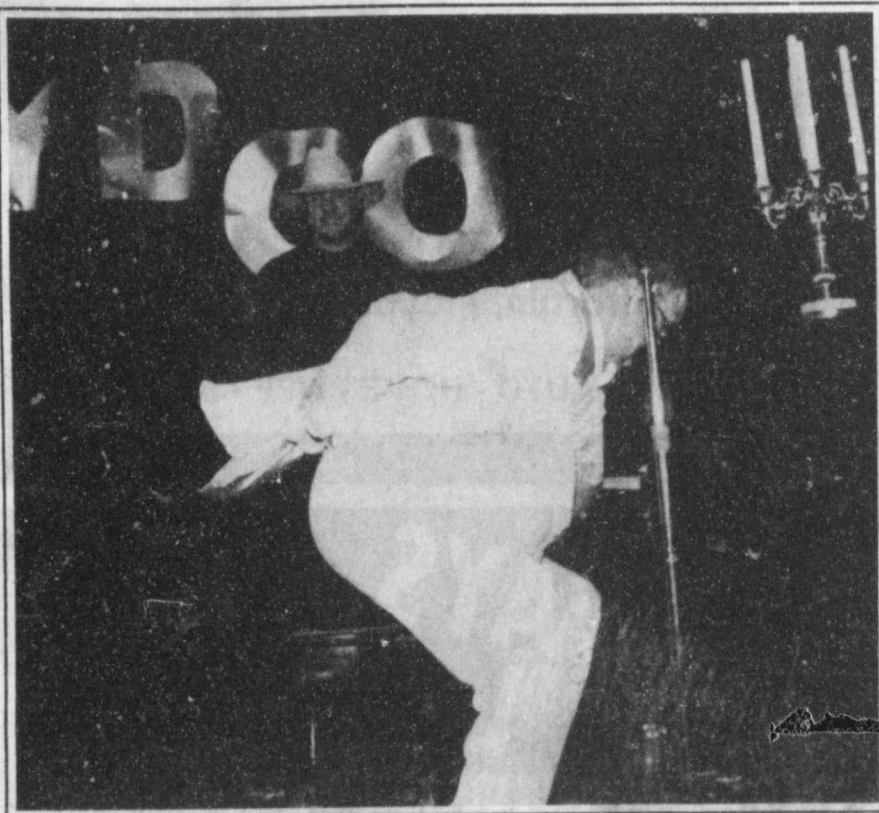

According to Long, the "Friends" believe the Galas will play a major role in raising the money for the operating budget of the Multi-Purpose Center.

"Two of the three years we've had Galas have not been good crop years, and we've still raised \$50,000," said Long.

According to Long the Board of Directors of Floyd County Friends have a plan to keep the public informed of the Multi-Purpose Center budget. "Of the \$600,000 needed for Phase One--\$50,000 of that will be earmarked for reserve," said Long.

Although the fund raising projects have been successful and have put the Multi-Purpose within reach, the "Friends" don't consider the money as the biggest accomplishment of the Galas.

"Regardless of the end of the story," said Long, "the Galas have brought the two towns together. There has been no score-keeping and we feel this project is already a success. We see a change in the two towns. There is definitely "Harmony" between Lockney and Floydada."

"LIMBORACE" ADJUSTS HIS TAILS--Limborace (Clar Schacht) prepared to take his seat on the piano bench next to the featured entertainment and piano player, Doug Smith. Schacht's impersonation of Liberace was a highlight of the show during Saturday night's Floyd County Friends Benefit Gala.

SHARING A DUET--At the beginning of the gala Limborace appeared insulted that he had not been invited to perform for the crowd. He stomped off in a huff only to return near the end of the show. He invited Doug Smith to pick "any song" to play together and Smith wisely chose "Green Acres." Limborace handled his two notes expertly. Staff Photo

Chamber to give away Wyatt print

FLOYDADA--West Texas artist and sculptor, Kenneth Wyatt, of Tulia, will be the guest speaker at Floydada's annual Chamber of Commerce banquet, April 30th.

Wyatt is known for his western and Christian art. He has built an international reputation for painting biblical figures, as well as lonesome cowboys.

Dr. Wyatt was a founder and first president of the Texas Cowboy Artists Association. He has received the West Texas Chamber of Commerce Cultural Achievements Award and has been selected as Man of the Year at Tulia. He also serves on the National Board of Evangelism for the United

Methodist Church.

Dr. Wyatt gained international recognition when he painted "Offer Them Christ", commemorating 200 years of Methodism in the United States.

Prints of "Offer Them Christ" are in 91 countries around the world. Lithographs of Dr. Wyatt's "The Apostles" have received wide spread acclaim, and many churches across the United States are owners of these limited edition lithographs.

His latest work, the larger than life-size portrait of New York Yankee's Mickey Mantle, commissioned for the state capitol building of Oklahoma,

joins many other renowned art pieces which Dr. Wyatt has created for show business personalities, entertainers, major corporations, presidents and even the Queen of England.

Dr. Wyatt is a graduate of McMurry University and Liff School of Theology. He attended Baylor University and received a doctorate from McMurry University.

Dr. Wyatt and his wife, Veda, live in Tulia where they maintain his studio-gallery and Y-8 bronze foundry. He also has a studio and owns the Red River Gallery of Fine Arts in Red River, New Mexico.

Tickets are now on sale for \$12.50

per person. Admission to the banquet will enable you to enjoy not only Wyatt's speech but also the chance to win an original Kenneth Wyatt print.

The ticket price also guarantees you a bar-b-que dinner.

As in year's past the Chamber of Commerce will present the Citizen of the Year Award, Extra Mile Award, Employer of the Year, and Volunteer of the Year Award to deserving citizens.

Employer of the Year nominations will be accepted until April 17th at the chamber office in Floydada City Hall.

Anyone wanting to nominate someone for Volunteer of the Year should contact Gary Brown at City Hall.

Caprock Industries expands operation

By Jennifer Diane Anderson
(Editor's note: Research for the following article, by Texas Tech journalism student Jennifer Anderson, was made possible by a grant from the Reader's Digest Foundation.)

December marked the start of a \$3 million investment by Cargill Inc. to expand Caprock Industries #6 (the feedyard located North of Lockney).

According to feedyard manager, Pat O'Connell, "This is the second expansion of the feedyard since it was purchased by Caprock in 1986."

The original feedyard had a capacity of 25,000 cattle. In 1987 the feedlot was expanded bringing the capacity to its present 38,000 head. The expansion will increase the capacity to 60,000 head.

"The expansion began with moving an enormous amount of dirt (200,000 cubic yards) to establish drainage for the cattle pens and to dig run-off control structures to contain rainfall water on the feedlot. Next, more than two-and-a-half miles of concrete feed troughs were poured, followed by the construction of more than nine miles of pipe fence. Then, concrete water tanks, electrical poles, wire and water pipe were installed to supply each pen with electricity and water," said Bill Anderson, Environmental and Safety manager for Caprock Feedyards.

To illustrate the scope of this project, consider that the 200,000 cubic yards of dirt moved for the expansion is equivalent to the volume of

more than 300 homes. A total of 7,000 cubic yards will be poured. This is equivalent to a 3-foot by 3-foot block of concrete more than three and one-half miles long (about the distance from Lockney to Aiken).

One new technology being used in the addition will be a sprinkling system which will help control dust. The dust-control system incorporates several large 200 gpm (gallon-per-minute) water sprinklers in the pens, a water supply pond, a large pump, and miles of pipe to connect it together. The sprinklers will be on timers which will turn them on and off at specified times to keep the pen surface at optimum moisture to prevent dust from blowing while not allowing water to run off.

According to Anderson, "Pat plans to use rainfall water accumulated in the run-off control structures in the dust control system."

Once the expansion is complete, the feedlot's volume will increase to 120,000 feeder cattle purchased per year and 750 tons of feed manufactured per day for the cattle. The feed will consist of more than 500 tons of milo and other locally grown products. The cattle will ultimately be sent to Excel Corp. in Plainview for processing.

Excel is owned by Cargill Inc., and close proximity to Caprock #6 was a factor in the decision to expand this particular feedyard.

According to O'Connell, the expansion is about two-thirds complete and should be finished and ready for cattle by April 30.

Circus comes to town April 6th

FLOYDADA--The circus is coming to town--thanks to the Floydada Chamber of Commerce.

April 6th, the Allen Brothers Circus will present two shows--5:15 and 7:30 p.m. at the Floydada Rodeo grounds.

Buying your tickets early saves you \$2.00 per person. Adult tickets, for 13 years and over, is \$6.00, and children's tickets are \$4.00. Children under 2 are free.

Ticket outlets are American State Bank, First National Bank and West Texas National Bank, Floydada City Hall and the Floydada Chamber of Commerce.

The show features 90 minutes of family fun, including: jungle big cats, jugglers, clowns, aerialist and acrobats.

A midway offers pony rides, petting zoo and concession wagon.

The Floydada Chamber of Commerce will receive a share of every ticket sold early.

Office Closed

The Floyd County Hesperian-Beacon offices in Lockney and Floydada will be closed on Friday in order that the staff can attend training schools at the Panhandle Press Association convention.

RUN FOR HOME--Lockney Longhorn Pitcher Jordan Lambert raced Whirlwind Richard Casillas to home plate during Friday night's baseball game between the Whirlwinds and Longhorns. The Whirlwinds beat the Horns 14-5.

Police round up suspected drug dealers

Three adults were arrested in Floydada Wednesday, April 8, during early morning raids by Floydada Police, DPS, Floyd County Sheriff's Deputies and a canine unit from Plainview.

The arrests came after sealed indictments were returned by Floyd County Grand Jurors, Tuesday, charging the three with the selling and delivery of illegal drugs.

The indictments were returned after District Attorney Becky McPherson presented grand jurors with evidence gathered during several months of a joint investigation between Floydada Police and the South Plains Regional Narcotics Task Force.

Police gathered Wednesday morning and moved swiftly from one house to another before word could spread of the arrests.

Arrested were:

Ella Davis, 52, of Floydada, after 3 indictments were returned for allegedly selling crack cocaine from her residence located at 519 E. Jackson in Floydada;

John Hearon, 47, of Floydada, on one count, for allegedly selling marijuana from a residence located at 211 N. 10th Street. Police also found marijuana in the house during the raid. Guns were also seized.

Hearon's wife, Brenda Hearon, was arrested at the scene after police discovered her in possession of over 2 ozs. of marijuana.

Also arrested was Rudy Castaneda, 32, of Floydada, was indicted two times for delivery of cocaine within a drug free zone. According to Floydada Police Chief Darrell Gooch, "Castaneda sold cocaine from his home at 307 W. Marivena, which is located 1/2 block from Floydada Junior High School.

Police also arrested two 16 year old boys at school in connection with the selling of marijuana. Both of the juveniles were detained for Delivery of Marijuana in a Drug Free Zone. Both were transported to the Parent Adolescent Center and were released to Juvenile Authorities.

"We are trying to do something," said Gooch. "In the last 9 months the Floydada Police Department, DPS, DPS narcotics and the South Plains Regional Narcotics Task Force have

TOWERY ADDRESSES NEWSMEN—Ken Towery, owner of the Floyd County Hesperian-Beacon spoke before a crowd of newspaper owners, publishers, editors, and staff, at the annual Panhandle Press Association's Awards Breakfast, in Amarillo, April 4th. Towery presented the new "Ken Towery Community

Service Award" to the Moore County News Press and the Canadian River News. Each newspaper received \$250.00. Towery raised the money which will enable the Panhandle Press Association to annually award \$500.00 to newspapers judged superior in the areas of Community Service. Photo by Henry Bargas-Amarillo Globe

Towery named to Hall of Fame Presents cash awards for Community Service

Floyd County Hesperian-Beacon owner, Ken Towery, was one of four newspapermen inducted into the Panhandle Press Association Hall of Fame on Saturday.

Bill Cox, the late H. Deskins "Deck" Wells and the late George Wayne Estlack, were also honored at a luncheon during the PPA's annual convention in Amarillo's Ambassador Hotel, April 4.

Towery has owned the Floyd County Hesperian-Beacon since 1983. He was the former owner of the Crosby County News and The Belton Journal and part owner and managing editor of the Cuero Daily Record. While at the Record, in 1954 &

1955 Towery wrote a series of stories exposing the Texas Veteran's Land Scandal.

The stories and the subsequent trial resulted in Bascom Giles, the commissioner of the General Land Office, being convicted and sentenced to three years in prison. A number of others also served prison time for their part in the fraud.

The story resulted in extensive changes in the operation of the Veterans Land Program, as well as in the operation of the state's General Land Office.

It also resulted in Towery being honored, in 1955, with the Pulitzer Prize for Journalism.

The recognition earned from this award helped further Towery's career with larger newspapers. After a stint at the Austin American Statesman, covering state and national politics, Towery accepted a position on Sen. Tower's staff as Press Secretary.

He then moved up the ranks to serve as Tower's chief of staff during the 1960's and ran two of the senator's successful campaigns for re-election, one in 1966 and again in 1978.

Towery managed former President Richard Nixon's campaign in Texas in 1968 and served as deputy press secretary and campaign spokesman during the Reagan-Bush campaign of

City Council and well engineers compromise

FLOYDADA -- Following recent test pumping of three irrigation wells adjacent to an underproducing well developed under the supervision of Parkhill, Smith, & Cooper, Inc. (PSC), the City of Floydada received a letter proposing a compromise settlement in the on-going dispute. City officials had expressed dissatisfaction with the production capability of the well intended to supplement city water supply and end dependency on Mackenzie Water Authority.

Floydada Mayor Hulon Carthel contended gravel used to pack the well had plugged the screening capability and did not allow sufficient recovery in a timely manner thus decreasing production of the well. The engineers felt that they had used proper materials in all aspects of construction.

"We are lucky we had a mayor who knew something about wells or we never would have discovered this," said Cornelius.

Councilman Sheldon Sue stated, "We would have come away not knowing there was anything we could do about the well and been looking for another solution to the problem of providing water for the city during high usage times and drought conditions."

Independent testing of adjacent wells was used as a means of settling the dispute. High Plains Underground Water Conservation District No. 1 was asked to perform tests with representatives from both sides present.

According to the communication, HPUWD tests on the adjacent wells showed the drawdowns ranged between 15 and 27 feet with production

of 620 to 525 gallons per minute (gpm) which calculated out to a specific production capacity of 41 to 19 gpm/foot. Well #11, engineered by PSC, has a specific yield of 3.3 gpm/foot. PSC indicated they have no explanation for the deficiency in production.

Quoting from the letter: "Well No. 11 is not capable of producing a yield comparable to the three irrigation wells. We are not sure why. It may be that Well No. 11 is located in an isolated area that does not have the same high yield or something in the physical construction of Well No. 11 is limiting the well's yield. While PSC does not believe the well's design or construction had significant negative effects on the yield, we want to do what is in the best interest of both the City and PSC."

Toward that end, the firm offered two proposals for settling the dispute. Both were termed, "fair and mutually beneficial to the city and to us."

Proposal A involved converting one of the current city owned irrigation wells adjacent to Well #11 into a municipal water well at the expense of PSC provided the Texas Natural Resource Conservation Commission (TNRCC) approved the conversion. The city would be responsible for the cost of the pump, valves and underground pipeline plus a new irrigation well to take the place of the converted well. If the conversion was not approved by TNRCC, the firm asked that the expenses already incurred be counted toward the cost of implementing Proposal B.

Early voting starts April 15

Early voting in the May 2 election is slated to begin on April 15. Qualified voters may cast ballots at City Hall in the municipal elections.

LOCKNEY

Voters in Lockney will be asked to elect three council members.

Incumbent District 3 Councilman J.D. Copeland is being opposed by Roberto Luebano.

District 1 council member Richard Zavala, and District 2 representative Tina Graves. Incumbent, Tina Graves and J.D. Copeland, have announced for re-election.

Connie Duenas and Jr. Brotherton will vie for the District 1 council seat. Both are new to the Lockney Political arena.

In District 2, incumbent Tina Graves has two opponents, Silvia Guerrero and Jimmy Kemp.

Early voting will be held at Lockney City Hall beginning April 15.

FLOYDADA

Floydada voters will be electing two At-Large council members and representatives for District 1 and District 2.

Community Easter Services

The ministerial alliance in Floydada is sponsoring a community Easter Service this Sunday.

The alliance will host a sunrise service at 6:30 a.m. on the Pyle Farm, on the edge of Blanco Canyon. Turn east and follow the signs. The service will be led by Rev. Ralph Jackson.

An evening service will be held at the First Baptist Church in Floydada at 6:00 p.m. There will be no preaching at this service. It will be a worship and praise service. Each church is encouraged to provide music.

Floyd County Grand Jurors hand down 30 indictments

In District Court, April 7, Floyd County Grand Jurors returned 30 felony indictments against 18 individuals. Of those indictments, six were sealed pending the individuals arrest.

According to District Attorney Becky McPherson the following people were indicted:

Yolanda Cortez, of Houston, four counts of the State Jail Felony of Theft By Checks, which occurred in September and October of 1996;

Anthony Emert, 21, of Floydada, was indicted on one count of Organized Crime Theft from October 1997-Dec. 1997;

Jo Ann Gentry, of Oklahoma, for the State Jail Felony of Theft By Check which occurred on September 14, 1997;

Mark Green, 21, of Floydada, was indicted on one count of the 3rd degree felony of Organized Crime Theft

which occurred in January 1998; Sergio Guerrero, 24, of Floydada, for the 3rd Degree Felony of DWI, which occurred on Feb. 14, 1998;

Ruth Gutierrez, 27, of San Antonio, for the Dec. 9, 1996 State Jail offense of Tampering With Government Records;

Cris Lee Hacker, 22, of Knox City, was indicted on two counts of the 3rd degree felonies of Organized Crime Theft, which occurred in a time period between Oct. 1997-January 1998;

Julian Hernandez, 19, of Floydada, for Aggravated Sexual Assault, Unauthorized Use of a Vehicle and Kidnapping. All of these offenses occurred on Jan. 17, 1998;

Scott Hulme, 22, of the Texas Department of Corrections, was charged with one count of Organized Crime Theft which occurred in Dec. 1997;

Floydada FFA qualifies 3 teams for State

Three FFA teams from Floydada High School have qualified for state competition. The Poultry, Dairy Products and Meats teams will be representing their chapter, school and community in state contests later in the year.

Poultry Team members are Erin Dawdy, Lindsey Reddy, Mandy Emert, and Reagan Pernell. The team placed fifth in the Texas Tech judging contest April 4th, second at Area 1 competition and first in the Plainview District.

Dairy Products Team members are

Anna Campbell, Meredith Schacht, Amanda Williams, and Tara McCandless. The team was third at Texas Tech, second in Area I and first in the Plainview District.

Meats Team members are Shane Lloyd, Dustin Jones, and Jeremy Hernandez. They were 8th at Texas Tech, second in Area I and second in the Plainview District.

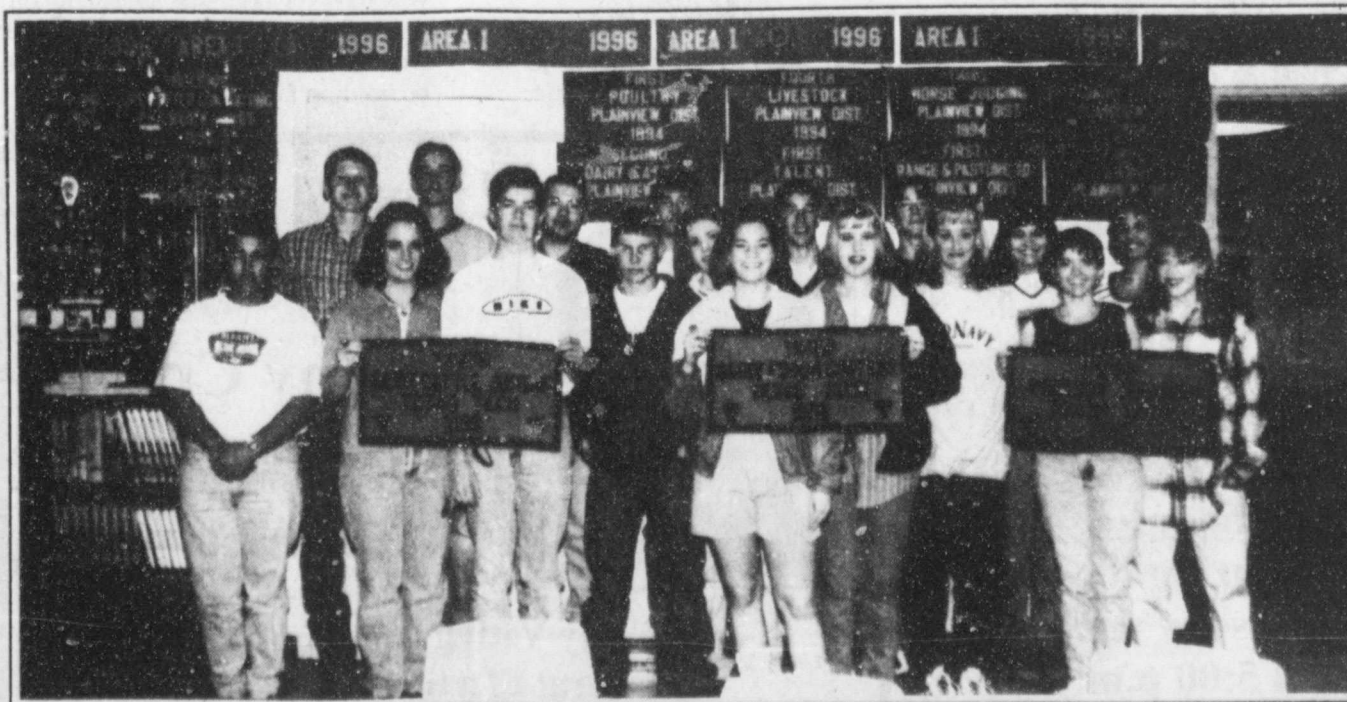

Other local teams competing with over 150 teams at Texas Tech were Ag Mechanics, Horse, and Dairy Cattle.

Ag Mechanic members are David

Rainwater, John Dunavant, and Lonnie Nelson. They placed 7th at Texas Tech, 5th in Area I and 2nd in the Plainview District.

Horse Team members are Jason Campbell, Jacob Thrasher, Tyson Whittle and Adam Perales. The team finished 11th at Tech, 7th in Area and first in the Plainview District.

Dairy Cattle Team members included Ty Hendrix, Cindy Dubois, Matt Rainwater, and Rowdy Derryberry. They were 10th at Tech, 6th in Area I and first in the Plainview

FLOYDADA FFA TEAMS

Theme Contest Underway

The Floyd County Fair Board is sponsoring a "Theme" contest for the Floyd County Fair that will be September 10-13.

All ages can enter.

The prize is a \$50.00 Savings Bond. Entries must be in by April 15, 1998.

Send entries to Floyd County Fair Board, P.O. Box 602, Lockney, 79241.

The Fair Board is also meeting Monday, April 13th, at 7:00 p.m. in the Methodist Church in Lockney. All volunteers are needed and welcomed.

Ball Memorial Tournament set for April 25th

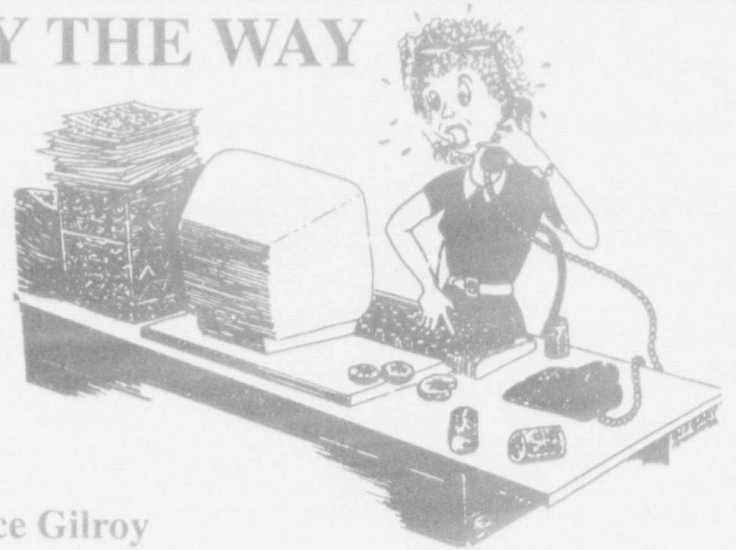

The eleven annual Charles Ball Memorial Fishing Tournament for area fisherman will be held at White River Lake on Saturday, April 25, 1998.

The tournament will start at sunrise and weigh-in will be at 3:00 p.m. at the west unloading ramp. The person catching the most pounds of legal fish will be named the winner and presented the traveling trophy and \$50.00. Second place will receive \$30.00 and third place \$20.00.

There is a \$20.00 entry fee, which

BY THE WAY

By
Alice Gilroy

Well we're back from another press convention in Amarillo.

We brought home only two awards this year--which just goes to show you the judges in South Texas don't know what they are doing!

If we had won more--of course I would have told you the judges in South Texas are the most intelligent and enlightened judges in the newspaper business.

It was still a great convention and I always come away feeling refreshed. It's kind of like a "support group". You realize after a week-end around other small town newsmen that you're not the only ship in the water.

My father once again made me really proud.

He was inducted into the Panhandle Hall of Fame, an honor which goes to men and women for "extraordinary leadership, courage and dedicated commitment to the newspaper industry in the Texas Panhandle area."

He deserved it! I've bragged on enough people from other families in this newspaper--it's about time I got to brag on him a little bit. He has been an inspiration to me in all areas of my life.

In presenting the award to my dad, the emcee, Mike Coggins, from the Dumas paper (and president of the Panhandle Press Association) got his tongue tied in knots. It was very funny. For those of you who don't know--my dad has written a book called the "Chow Dipper" about his years in the Japanese prison of war camps, his newspaper career and his life in politics.

Coggins was relaying that little bit of information to the audience during a very solemn moment when my dad was standing at the front and being handed the award.

Coggins said, "Ken is also the author of his autobiography--'The Cow Chipper'."

There were a few giggles, but by in-large people tried to pretend they didn't hear.

At the end of the presentation Coggins said, "I have to correct something or Alice will never let me live it down!"

Mr. Towery's autobiography is, "The Chow Chipper!"

At that point many of the people in the audience shouted--"It's the CHOW DIPPER!"

I then hollered out--"And we have some on sale!"

A man in the back of the room said, "Only one!"

Mike was embarrassed and apologized profusely.

I told him if he hadn't have done it that way we wouldn't have gotten all that free publicity for the book.

I think this particular audience will always remember the name of Dad's book!

Did you hear about the father who remembered his daughter's birthday at the last minute.

On his way home he whipped into the parking lot of a toy store and went inside.

He told the clerk, "I want a Barbie doll."

The clerk said, "Which one?"

The father said, "How many do you have?"

The clerk rolled his eyes and said, "We have a whole variety. You have Barbie Goes to the Prom for \$19.95; Barbie Goes to the Beach for \$19.95; Barbie Goes On a Date for \$19.95; Barbie Gets Married for \$19.95; and Divorce Barbie for \$225.00.

The father couldn't resist. He asked the clerk, "Why is the Divorce Barbie so much more?"

"Oh," said the clerk, "it's because she comes with Ken's car, Ken's house, Ken's furniture....."

Floydada Police Report

April 2, police received a call about a theft of gasoline from Friends Convenience Store.

According to Police Chief Darrell Gooch, the Friends clerk said a Hispanic female, in her early 20's, pumped \$10.00 worth of gas and drove off in a older model golden brown car.

April 4th, at 12:18 a.m., police observed a vehicle driving on 2nd Street without headlights. The driver, Ty Fawver, 17, of Floydada, was stopped and subsequently arrested for DWI.

Also on April 4th, at 2:25 a.m., according to Gooch, police observed an intoxicated man walk into the Allsup's Convenience Store. "They followed

him outside and subsequently arrested Abel Castellano, 20, of Roby, for Public Intoxication. During an investigation, Castellano was later charged with Failing To Register, with the local police as a sex offender. According to Gooch, "When a convicted sex offender moves to a new location he must register with local law enforcement within 7 days."

Also on the 4th, during a traffic stop, police discovered drug paraphernalia and another illegal device inside the car. The driver, Coy Holmes, 17, of Floydada, was issued a citation for the paraphernalia and charges are pending on the other device found in the car.

Suspected drug dealers arrested

Continued From Page 1

arrested 9 drug dealers.

"This is not just a police department problem. It is a community problem. The community knows where the drug dealers are, where they live and what they drive. The community has to stand behind us and let the dealers know we won't put up with this. Five police officers can't do it alone."

Tickets for Floydada Chamber Banquet available at banks, city hall & chamber office.

NOTICE

The City of Floydada will open the sanitary landfill on Saturdays beginning April 11, 1998. The hours will be from 8:00 a.m. until 12 noon. The landfill will be open during the week on Monday, Tuesday, Thursday & Friday from 8:00 a.m. until 5:00 p.m.

A view from

The Lamplighter

By Ken Towery

Oh, dear. Now we will never know. We will never know if Paula's claim of a certain anatomical peculiarity on the part of our esteemed President is in fact true, proven so in open court.

The judge in the case, a Mary Webber Wright, who we understand was appointed to her judgeship by the President, decided that Mrs. Jones didn't have a case of sexual harassment, no matter if our President's behavior with her in his hotel room was boorish in the extreme.

Several months ago Our President offered to pay something like \$750,000 to Mrs. Jones, just to get her to withdraw her claim, and keep quiet about the matter. She refused the offer, 'cause he wouldn't apologize for his acts. Now the judge has thrown the case out of court, and unless she is reversed on appeal, that's the way it will stand.

At first blush, the President and his people were very happy, you might say elated. Then he must of got to thinking how it looked, or sounded, to gloat. So he changed his tact. Now he explains he has been denied the opportunity to be vindicated in court,

which is the price he has to pay because he is not just a "joe sixpack." Had he been a "joe sixpack", he could have afforded the time needed to clear his name in trial court. But since he is the President, and concerned about the problems of all the people, he ought not be bothered by allegations such as those put forward by one of his former employees, when he was Governor of Arkansas.

One can hardly think of the present situation without thinking of the Jewish word "chutzpah." The ultimate in "chutzpah" is that a kid kills his parents, then goes before the judge and demands leniency on grounds that he is an orphan, and should therefore be treated differently. Mr. Clinton does everything he possibly can to delay his case as long as he can, then finally argues that the case should be thrown out of court, and, being successful in that argument, complains that he will not be able to vindicate himself in open court. Now that's chutzpah.

So now we know that all the roadblocks, all the delay, all the obfuscation, all the lies, were not meant as shrewd legal maneuvers, but simply

because our President is so terribly busy on affairs of state, in Africa, in the Oval Office, in the little private room just off the Oval Office, to devote time to his own defense. And besides all that, if you can afford lawyers as high priced as Clinton's, you really ought not have to spend time on the matter. That's what he pays Mr. Bennett for.

Nevertheless, the President is not out of the woods yet. Mr. Kenneth Starr, the Special Prosecutor, had no part in the Paula Jones matter, which was a civil case brought by Mrs. Jones against the President, but he is still digging away in matters of much more import to the nation. The potential for problems are much greater, in our view, from the work being done by Starr than was ever the case, however embarrassing it might be, in the matter of Paula Jones. We may finally find out who paid Webster Hubbell how much and for what reason. We may finally find out a little more about the Chinese connection, and the Indonesian connection, and a few more connections. We may even find out who

lied to cover up whatever. Those are the things that really pose problems, and we mean problems, for this administration.

One thing appears certain at this point. If the truth is finally gotten to, it will be the result of Mr. Starr's work. The Republican leadership in Congress is seemingly not anxious to delve too deeply in the matter, and the Democratic leadership has only one purpose, to defend this Administration in any and all circumstances. We have the uneasy feeling that when all is said and done, there will still be questions unanswered.

And finally. It is good to be back on the plains for awhile. We missed the tremendous influx of Sandhill Cranes, but we read all about it in the Hesperian. We missed a lot of other things as well, as we roamed around the house in a wheel chair, the result of a suddenly bad back. But things are better, we are walking again, the grass is ready to come forth, and the little calves are hungry. Now we need a little moisture.

Grand Jurors hand down indictments

Continued From Page 1

Jonathan McCoy, 44, of Plainview, was charged with Theft--a State Jail Felony that was enhanced to a 3rd degree felony;

David McDonald, 32, of Lockney, for two counts of the State Jail Felony of Forgery, which occurred on Jan. 25, 1998;

Lloyd Wayne Muse, 40, of Floydada, for the 3rd degree Felony of DWI, which occurred on Feb. 28, 1998;

Roberto Navarro, 32, of Floydada, for the 2nd Degree Felony of Burglary of a Habitation, which occurred on Jan. 22, 1998;

Richard Powell, 20, of Floydada, was indicted on 2 counts of the 3rd degree felony of Organized Crime Theft which occurred Dec. 1997-Jan. 1998;

Monte Quisenberry, 20, of Lubbock, was indicted on one count of the 3rd degree felony of Organized Crime Theft which occurred in Dec. 1997.

According to McPherson, a State Jail charge can result in jail time of up to 2 years in a State Jail and a \$10,000 fine.

"If the State Jail offense was committed before September 1997 the individual has to get probation. Since the laws have now been changed pertaining to State Jail Felonies, anyone committing a State Jail offense after September 1997 can be sentenced to straight jail time in a State Jail."

Floyd County newspaper wins press awards

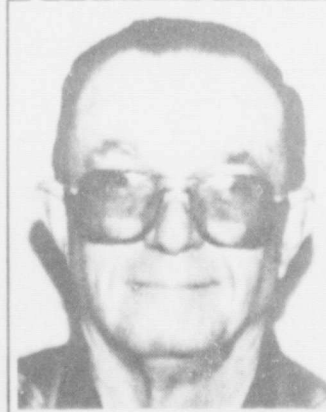

The Floyd County Hesperian-Beacon was the recipient of two awards at the Panhandle Press Association awards breakfast, Saturday, April 4th.

This newspaper was given a 2nd place award in the Division One Category of Feature Writing. The judges liked the story of the near drowning of a Lighthouse Electric crew and the story of a local game warden's experience at the Republic of Texas stand off.

Judges also presented The Hesperian-Beacon with a 3rd place award for the category of Society/Lifestyles. According to judges, there were "lots of good news and pictures of happenings in Floydada".

The Panhandle Press Association, established in 1908, has more than 50 member newspapers in the Texas Panhandle and South Plains, as well as parts of New Mexico, Oklahoma and Kansas.

Have a Great Week!

VOTE for Jimmy Crader City Councilman District # 1

Early Voting April 15-28 General Election May 2nd Political Advertising Paid for by Candidate

HALL OF FAME--Floyd County Hesperian-Beacon owner, Ken Towery, was one of four people inducted into the Panhandle Press Association Hall of Fame Saturday afternoon, April 4, in Amarillo. Inductees were: (l-r) Towery, Bill Cox, and representatives for

deceased inductees George Wayne Estlack and the late H. Deskins Wells. Accepting for Estlack was his widow, Ruby Dell Estlack. Accepting for Wells were his children Diane McDowell and Henry Wells.

can be paid at Floyd County Farm and Ranch Supply any time between now and 5:00 p.m. Friday, April 24, 1998. The entry fee also entitles you to a cap. There will be a hamburger supper and auction at Lambert Spraying Service hanger on Thursday, April 23, 1998 at 7:30 p.m. All proceeds from the entry fees and half of the proceeds from the auction go to the scholarship fund. Everyone is invited to the supper whether you fish or not.

In the past ten years this tournament

Hospital Districts cancel elections

CHD

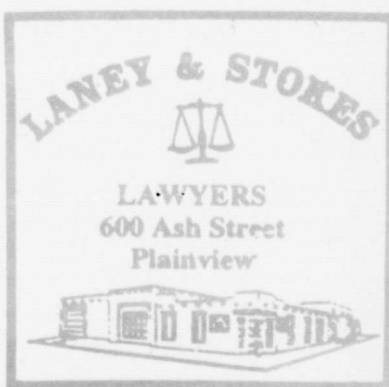

In the Caprock Hospital District trustee election sign-up, incumbent Lee Battey and Jeffery Johnson have filed petitions to run for the two open seats on the board.

According to CHD Board President Tom Farris, no election will be held as there are two candidates and two open positions. "Under the current laws, we do not have to hold an election if there are no opposed candidates," said Farris. "This will save the local taxpayers the cost of holding an election."

LGHD

Because Jack Covington and Jerry Johnson are the only two candidates who have returned petitions to run for the two seats open on the Hospital Board, the Hospital District will not be holding an election this Spring.

FLOYDADA--Oden Chevrolet was opened at its present location in October 1936, and has never moved from this spot.

Conner Oden and Clinton Fyffe were the original founders and owners of Oden Chevrolet. When Oden died in 1972, Doyle Walls and L.B. Stewart joined in the partnership with Clinton Fyffe.

In 1982, after the death of his father, Stephen Fyffe assumed his father's interest in the company. In

1994 Stephen bought out the interests of Stewart and Walls. In 1995 Mike Giesecke bought an interest in the business and is now partners with Stephen.

Oden Chevrolet employs 16 people and has been a dealer for Chevrolets and Oldsmobiles since its inception.

Oden's trade area includes the South Plains and stretches from California to Florida.

Gary Pate has been an employee since 1963 and has run a top notch

service department since 1994. "We are also known for our quality service," said Fyffe. "We fix it right the first time."

Bob Meyers, of Silverton, has worked as the used car manager for about one year. On the average Oden sells about 50 new and used cars every month.

They are open Monday through Friday, from 7:00 a.m. to 6:30 p.m., and on Saturdays the sales office is opened from 9:00 - 2:00.

DRESS SHOP OPENS--A ribbon cutting was held Tuesday, April 7, 1998 at the Yellow Brick Road in Lockney. Owners of the dress shop, located at 115 South Main Street, are Deneen and Keith Marricle. The ribbon cutting ceremony for the new business was

sponsored by the Lockney Chamber of Commerce. Pictured are (l-r) Charlie McQuhae, Jerry Edwards, Phil Cotham, Gay McPherson, Keith Marricle, Marilyn Anderson, Deneen Marricle, Terry Ellison and Robert Webb.

Ken Towery named to PPA Hall of Fame

Continued From Page 1

During the Nixon-Ford years, at the height of the Cold War with the Soviet Union, Towery was deputy director for policy and plans at the United States Information Agency. The agency is now an arm of the U.S. State Department.

In 1981 President Reagan appointed him to the board of directors of the Corporation of Public Broadcasting, a position requiring confirmation by the U.S. Senate, and reappointed him to a second five-year term. He served two terms as chairman of the CPB board.

In 1994, Towery published his autobiography "The Chow Dipper", which recounts his life leading up to and during World War II. It also chronicled his experiences and views of events and the changing face of journalism, politics and government during critical stages of American history.

Towery is also a Purple Heart veteran of the siege and fall of Corregidor in the Philippines and a survivor of three and a half years in various Japanese prisoner of war camps during World War II.

Towery is active in the operation of The Floyd County Hesperian-Beacon and continues to write his column, "The Lamplighter", which is published in this newspaper.

During the association's annual meeting, Towery announced that he has created a fund to reward area newspapers that excel in service to their communities. The fund, with an initial corpus of \$13,500, should provide a \$500 annual award to newspapers judged superior in this regard.

"I have always had a love affair with the printed word," Towery told his fellow newsmen. "And I have never thought there was a 'little' newspaper. There are merely newspapers with bigger circulations than others. All newspapers serve their community, but some try harder than others to do justice to that effort. It is my hope that this award will reward those papers that go the extra mile in community service."

Towery was nominated for the Hall of Fame Award by Ben Gillispie, owner and publisher of the Crosby News & Chronicle, and chosen for the award by his peers in the Panhandle Press Association.

Hall of Famer Bill Cox, is an award

winning crime reporter, and wrote for the Amarillo Daily News, The Lamesa Reporter, The Odessa American and The Borger News Herald, as well as freelancing for national publications.

He was an investigative reporter for the Globe News and promoted to city editor in 1981. He became a full time columnist in 1987 and retired in 1991. He continues to write true-crime books.

"Deck" Wells was editor and publisher of The Wellington Leader for more than 50 years, and won numerous journalism awards. He served as president of Panhandle Press Association and Texas Press Association, and was TPA executive secretary for six years. Wells award was accepted by his son, Henry Wells, and daughter, Diane Wells McDowell.

G.W. Estlack grew up in the printing business and assumed management of the Donley County Leader (established by his father), in 1942. The paper is now operated by his nephew, Roger Estlack.

He sold the paper in 1974 and retired from the family printing business in 1992. He died in 1994.

The awards luncheon was sponsored by Rural Electric Cooperatives.

City and well engineers reach agreement

Continued From Page 1

Proposal B was for PSC to install a new well that would meet TNRCC standards for a municipal well, but using techniques more common in irrigation wells, such as larger gravel and different cementing and casing. The city would be responsible for the pump, valves, connecting pipeline, electrical connection and controls. In this proposal, both parties would agree that PSC makes no guarantee as to well yield or sand production nor well plumbness and alignment.

After discussion in both open session and during a twenty minute closed door session, Floydada council members indicated they were in favor of Proposal B. The consensus of opinion was that the city should reject Proposal A because it was not fair for the city to have to drill a new irrigation well to replace the one to be converted. Councilman Eric Cornelius said he felt the engineering firm should pay for the replacement well, the pump and pipeline because

the well they put down did not produce.

Councilman Clar Schacht made a motion to accept Proposal B as a settlement to the dilemma. Councilman Jon Nielson provided the second and all voted in favor.

According to City Manager Gary Brown, the city will incur about \$41,000 in finishing up the well location due to current regulations. "We will have to build a building to house the controls and a security fence 50 feet around the well (\$8,000) in addition to the controls (3,000), the pump (\$15,000), \$10,000 for the pipeline and whatever miscellaneous expenses

we run into (\$5,000)."

He indicated that these expenses would have been part of the original well completion had it produced as expected.

PSC stated that they expected the new replacement well to be in place and producing by this summer.

Attending the session were Mayor Hulon Carthel, Councilmen Dale Lawson, Clar Schacht, Albert Hill, Sheldon Sue, Jon Nielson and Eric Cornelius, Karen Lawson, Karen Houchin, Gary Brown, Joe Stepp, PSC representatives Clayton Yeager and Butch Davis, and the Hesperian-Beacon reporter.

Early voting starts April 15th

Continued From Page 1

At-large council members Clar Schacht and Eric Cornelius have been joined by Henry Bolton in seeking two seats on the board.

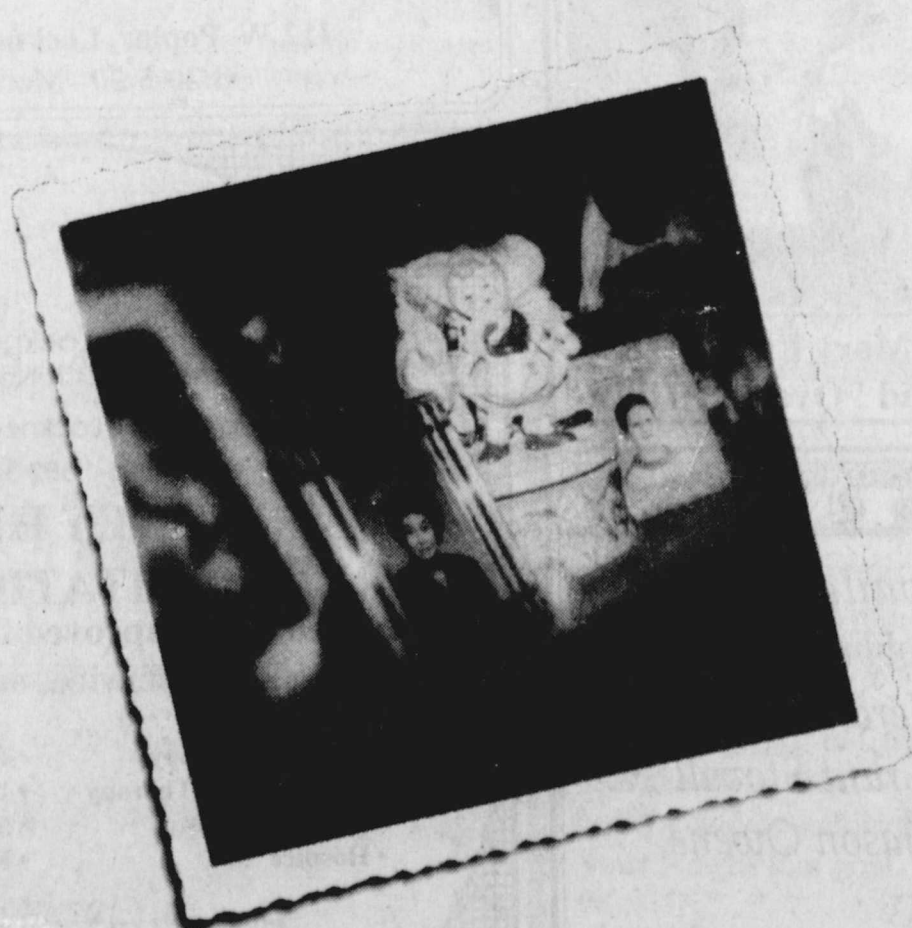

District 1 council member Albert

Hill is being opposed by Jimmy Crader. Hill is the incumbent.

Incumbent District 4 council member Jon Nielson has no opponent.

Voters may early vote at City Hall beginning April 15.

MARKETING GROUP RECEIVE CERTIFICATES--Larry Jones, Wayne Bramlet, Steve Lloyd and Ann Walker traveled to Vernon for a marketing training session. They received certificates for the work completed. Not pictured is Ann Walker. Staff Photo

Four attend marketing training session in Vernon

Larry Jones, Wayne Bramlet, Steve Lloyd and Ann Walker recently received a certificate of recognition for completing sixty-four hours of intensive marketing training in Vernon, Texas.

Subjects included, basic and advanced marketing strategies, development and implementation of a marketing plan, fundamental and technical analysis, value-added and alternative

marketing mechanisms, marketing discipline and starting and leading a successful marketing club.

Training also focused on wheat, feedgrains and livestock management. Numerous high-profile speakers conducted the marketing programs.

The Master Marketer Program is sponsored by the Texas Agricultural Extension Service and Texas A&M University Systems.

Dawdy named to Dean's list

Leigh Dawdy of Floydada was among 25 Dean's Scholars recognized by the College of Agricultural Sciences and Natural Resources at Texas Tech University for the 1997-1998 academic year at a reception held March 27 in the courtyard of the University Center.

The Dean's Scholars Awards are based on academic excellence as well as leadership, character and citizenship. The Gold Award is a \$10,000 four-year scholarship and the Silver Award is a \$5,000 four-year scholarship. To keep the scholarship, recipients must maintain a 3.4 grade point

average for Gold Awards and a 3.2 grade point average for Silver Awards. The scholarships are funded by various donations to the college.

Leigh Dawdy was a Gold Award winner and received a \$2,500 scholarship for this school year. She is a freshman agronomy major.

"These scholarship have been established by the college to reward academic excellence and to encourage highly capable young men and women to major in the agricultural and natural sciences," said John Abernathy, dean of the college.

Cub-o-ree '98 weekend of fun to be held at Camp Post

Attention all parents of Cub Scouts and boys in 1st through 5th grade: Come join the South Plains Council Cub Scouts for a weekend of fun at Camp Post in Post.

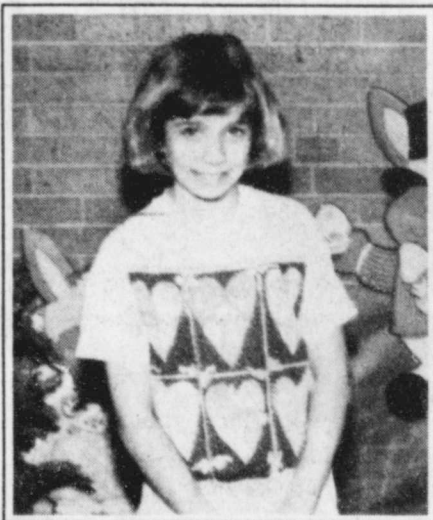

Gather the family, load the camping gear and join us on Friday, April 24th through Sunday, April 26th. Test your aim on the Archery and BB gun ranges!

Meet families from a 20 county area and make new friends as you enjoy the natural beauty of Camp Post! Participate in the Campfire program Saturday night! Enjoy a great pancake breakfast on Sunday morning! Cost is

only \$5 per camper if registered by April 15th (\$7 afterwards).

Sunday breakfast is optional with meal tickets available for purchase at \$1 for 10 and under and \$2 for adults. Reserve your space now as camp-sites are limited. Contact Randy Rockwell or Pete Buchholz, with the South Plains Council at 1-800-658-9310 for more information and to reserve your place.

This is a great way to spend a weekend with your family so mark your calendar and join us for Cub-O-Ree '98.

SHERMAN QUALIFIES FOR STATE--Jordan Sherman of Lockney qualified for the State Power Tumbling and Trampoline Meet to be held in May. She placed 4th overall with her trampoline routine in the 8 year old division of the USATT, STTA District Qualifier Meet Saturday, April 4, 1998 in Brownfield. Miss Sherman is the daughter of Billy and Robin Sherman of Lockney. Staff Photo

Telecommunications degree awarded to Staples from SPC

Kevin Staples, son of Howard and Annela Staples of South Plains, earned an Associate of Arts degree in Telecommunication from South Plains College recently.

Staples is an honorary standing member of the Phi Theta Kappa Society and is currently employed with the ABC affiliate, KAMC Channel 28 in Lubbock. He is a photojournalist and an editor.

Lubbock Lake Landmark holding Archaeology Awareness Week

The Lubbock Lake Landmark is holding its annual Archaeology Awareness Week from Friday, April 17th through Sunday, April 26th.

The Landmark holds this festival in order to promote a better understanding of scientific archaeology, and to further the preservation of our state's rich archaeological heritage. Everyone is invited to participate in this week full of learning, which includes exciting films and demonstrations.

Special family workshops will be held for parents and children aged 7 and older on Saturdays and Sundays. They will have an opportunity to learn about pottery reconstruction, excavation techniques, spinning and weaving, and artifact identification. Unique demonstrations will be given for older audiences on flintknapping, pottery, and wool spinning and weaving.

The Landmark is open Tuesday through Saturday, 9:00 a.m. to 5:00

p.m. and Sunday, 1:00 to 5:00 p.m. It is closed on Mondays. A fee of \$2.00 for adults and \$1.00 for students will be charged by the Texas Parks and Wildlife Department. Children under the age of six are free. All Archaeology Awareness Week activities provided through the Museum of Texas Tech University, including tours, are free of charge.

The Lubbock Lake Landmark is a 300+ acre National Historical and State Archaeological preserve is jointly operated by the Museum of Texas Tech University and the Texas Parks and Wildlife Department as the Lubbock Lake Landmark State Historical Park. The focus of the research and interpretation is to study how people interacted with their natural environment throughout the last 12,000 years.

For information and workshop registration, please call 742-1116. Group tours may be scheduled by call 742-2456.

Cooperative breaks ground for power plant

Golden Spread Electric Cooperative, Inc., headquartered in Amarillo, opened a new chapter in its proud history of service to customers in Texas and Oklahoma when it broke ground on April 2 for Mustang Station, a \$145 million electric generating plant near Denver City.

The first phase of the 486-megawatt plant will produce some 285 megawatts and is expected to be in service in the spring of 1999. The second-phase addition will begin production in January of 2000. Mustang Station will be fueled by natural gas and will eventually require about 20 employees.

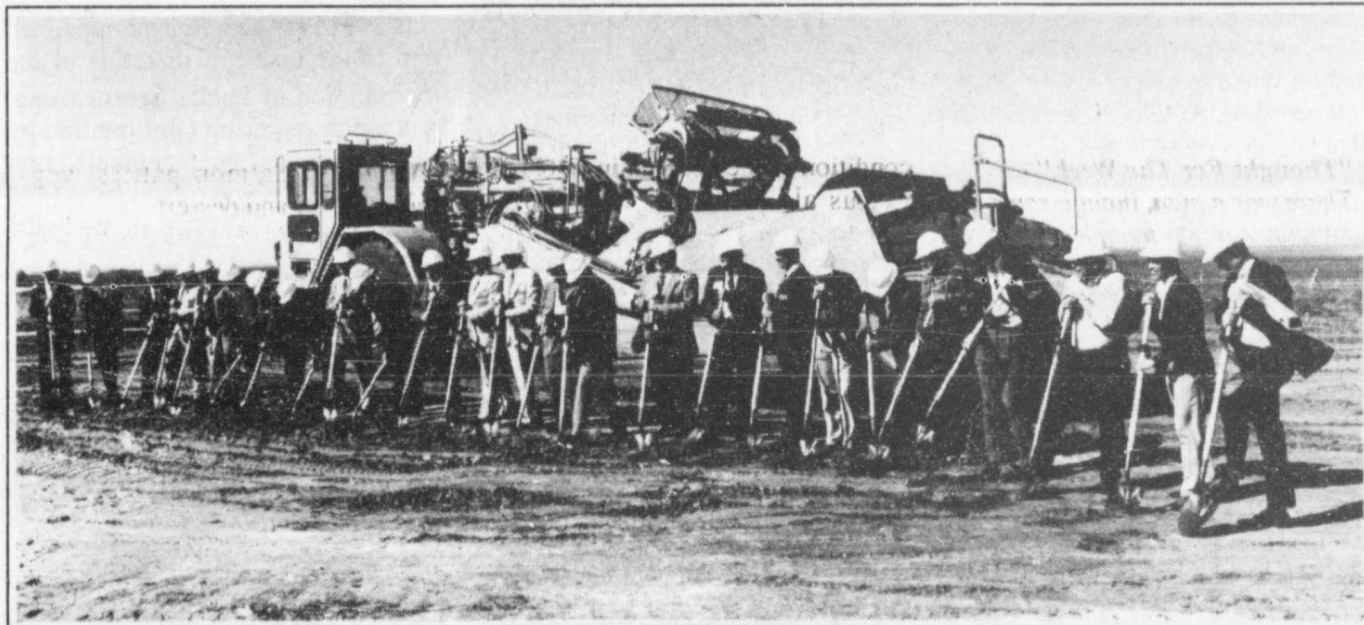

"This state-of-the-art facility will equip us to meet the needs of our member-consumers for years to come," said Robert W. Bryant, president of Golden Spread EC. "It truly is a power plant for the 21st century."

The primary customers for Mustang Station will be the 100,000 member-consumers served by the 11 Golden

Spread member cooperatives in the South Plains and panhandles of Texas and Oklahoma.

Golden Spread's subsidiary, GS Electric Generating Cooperative, will purchase a 50-percent interest in Mustang Station when the generating units are completed. Denver City Energy Associates is an equal partnership formed by Quixx Corporation of Amarillo, an affiliate of Southwestern Public Service Company and LS Power, an independent power producer based in New Jersey.

Golden Spread, organized in 1984, is one of the first generation and transmission (G&T) cooperatives to move from formation to generation without the assistance of federal financing. Although eligible to seek federally guaranteed financing through the Rural Utilities Service (RUS), Golden Spread chose to arrange financing with Denver-based CoBank, and Societe Generale, a bank based in Paris, France.

GROUND IS BROKEN for the \$145 million Mustang Station being constructed near Denver City, Texas by the Board of Directors of Golden Spread Electric Cooperative, representatives of bankers CoBank and

Societe Generale, and by Yoakum County Judge Dallas Brewer and Stan David, City Manager of Denver City.

Tandy scholars announced

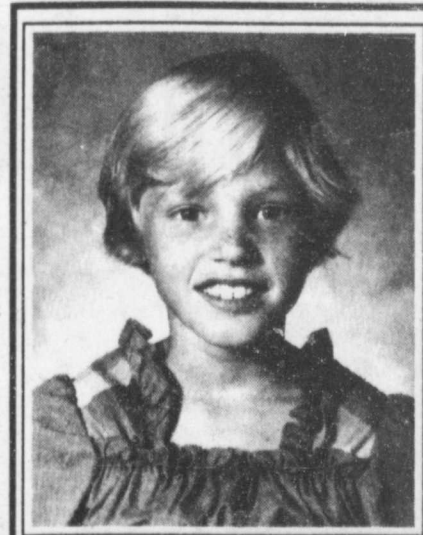

Mario Nunez, a May 1998 Floydada High School graduate, and Callie Wilson, a May 1998 Lockney High School graduate, have been recognized as Tandy Technology Scholars.

The two were recognized in the top two percent of graduates rated academically and will receive certificates of recognition.

"Tandy Technology Scholars was created nine years ago to encourage excellence and competition in math, science and computer science," stated John V. Roach, chief executive officer and Chairman of the Board of Tandy Corporation.

The program is funded by Tandy Corporation and administered by Texas Christian University. Approximately 83 percent of all secondary schools in the United States are enrolled in this prestigious education initiative.

For the fifth year Radio Shack will sponsor the trophies presented to the prize recipients' school.

Floydada Senior Citizens News

By Margaret Word

FLOYDADA--The center is open Monday through Friday. If you plan on eating lunch please call 983-2032 by 10:00 a.m. If you are 60 years or older, this center is for you. Our address is 301 E. Georgia Street and our mailing address is P.O. Box 573, Floydada, Texas 79235.

Edna Patton's granddaughter, Zuzanne Patton and her children, Haley and Cameron of Lubbock, were here April 1 visiting her.

My sister and her husband, Ella and Cecil Oglesby of Hereford, spent Tuesday, March 30 visiting with us. They ate lunch with us at the center too.

We are having a few new people eating lunch at the center. We do need you. We appreciate your support.

On Saturday evening, April 11, singles and couples will meet at the center at 6:00 p.m. for a pot luck meal and play games during the evening. Come bring your favorite dish and enjoy a good meal, games and fellowship.

Faye and William Bertrand have returned from a weeks vacation and fishing at Possum Kingdom. They also drove to Tyler to see the azaleas.

Margie Fowler and her sister-in-law, Mildred Dinnin of Wichita Falls and a couple of other relatives have just returned from a cruise of 15 days on a Norwegian Dynasty Cruise Ship boarding at Jamaica. They went to San Andres, San Blas through the Panama Canal (9 hours), Costa Rica and others. In Acapulco they spent three days watching the cliff divers, visited churches and Shrines. Then on to Mexico City and home. Margie said everyone ought to go on a cruise ship vacation.

Blanche Williams' daughter and husband, Loene and H. Nelson of Bayfield, Colorado, came by Floydada on their way to Colorado from San Antonio where they have spent the winter. They also visited their son, Kevin and Terri Nelson and family.

Remember to attend church this Easter Sunday.

Harold Wayne Bennett is home from the hospital.

Jo V. Bingham is at St. Mary's Hospital in Lubbock.

I understand that Olin Watson in Midland (the Watson's use to live in Floydada) will be having both knees operated on this week.

Our sympathy to Teresa Hollums on the loss of her mother, Lois Gay.

Remember to pray for those above and other who are in need.

"Thought For The Week"

There was a man, though some did count him mad, the more he cast away the more he had.

John Bunyon

MENU

April 13 - 17

Monday: Baked chicken with mushroom sauce, mashed potatoes, broccoli, tossed salad with 1000 island dressing, bran muffin or lemon cake.

Tuesday: Lasagna, Italian vegetables, tossed salad with ranch dressing, garlic bread, banana pudding.

Wednesday: Cornflake chicken, potatoes O'Brien, spinach, tossed salad with French dressing, roll or cornbread, frosted spice cake.

Thursday: Beef enchiladas, red beans, stewed okra and tomatoes, sliced onions and peppers, fruit salad.

Friday: Brisket, au gratin potatoes, fried okra, pickle, onion and tomato, wheat roll, apricot cobbler.

business meeting. Dorothy Hodges, Margaret Berry and June Sherman gave a report on their trip to Houston for the State Conference.

June thanked the hostesses, Carolyn Marble and Susan Dunavant, for the lovely refreshments. She also thanked Evelyn Branch for letting us have our meeting at the Inn.

The next meeting will be April 28 at the Floyd County Museum where we will be working in the genealogy department.

Floyd County Lifestyles

Floydada Rehab & Care Center News

During the first two weeks of April, everything is about the same. Monday through Friday we have Coffee or juice at 9:30 a.m., devotionals at 10:00, exercise at 11:00, snacks at 3:00 and more exercise at 4:00.

Residents play bingo on Wednesdays and every other Friday. Special events within these two weeks include Mary Coleman and her talking pets, and an Easter Party coming up on Friday.

Lennie Willis is the only resident celebrating a birthday this month. Employees celebrating birthdays are Delma Jimenez, Melva Alaniz, Jorge Deleon and Rita Jennings.

Resident of the month is Lena Hinkle. Employee of the month is Gloria Enriquez.

Becky Orta, our D.O.N., has been transferred to another sister facility. So

we have new D.O.N., Donna Thiebaud.

We still have cookies for sale on Tuesdays and Thursdays. Just call in your order.

Special April Events include National Volunteer Week from April 19-25, Keep America Beautiful Month, National Garden Month, and National Occupational Therapy Month. All are events worth looking into. I know that I enjoy the spring time, because it's the time of the year when we spend lots of time with our yards and gardens.

Until next time, you all take care.

A reminder to the public and families, Family Support Group for Alzheimer's and other related diseases is Thursday, April 23, at 6 p.m. at the Methodist Church on 230 W. Kentucky.

Lockney Senior Citizens

By Gladys Ragle

LOCKNEY--Well, it looks like spring has sprung. March came in like a lamb and went out like a lion and looks like we may be having March winds in April instead of March.

The Lockney Senior Citizens would like to extend our sincere thanks to Elton and Marie Wylie for their generous contribution to the center. Also we would like to express our thanks to Lavirn Carthel for painting the porch steps and parking blocks. Cooperation like these things are what will keep the center going.

Verna Duvall remains in critical condition in the hospital in Lubbock. Let us all remember them in our prayers.

The center surely does look nice all decorated up for Easter. Thanks to the hostesses.

We appreciate all the donations made to the center in memory of Owen Thornton, Bobbie Kellison, Inez Johnson, Doug Meriwether, Dorsey Baker, Bernice Miller, Cap Carthel and Myrtle Taylor. Those making donations are listed below.

In memory of Owen Thornton: Mr. and Mrs. Paul Glasson, Mr. and Mrs. Paul Cooper, Mr. and Mrs. F.L. Montandon, Georgia Ford, Claude and Wilma Brown, Mr. and Mrs. E.L. Brotherton, Elton and Marie Wylie, Dan and Penny Rahlfs and family, Charles and Molly Huffman, Jim Kellingsworth, Wilda Kellingsworth, Sherry Sunderman, Leslie Cagle, Kim Ratliff, Boyd and Gayle Reay, Bea Norman, Gussie Boedeker and Janice.

In memory of Bobbie Kellison: Mr. and Mrs. Paul Glasson, Mr. and Mrs. Paul Cooper, Mr. and Mrs. F.L. Montandon, Claude and Wilma Brown, Mr. and Mrs. E.L. Brotherton, Elton and Marie Wylie, Boyd and Gayle Reay.

In memory of Inez Johnson: Mrs. Joe Webb, Mr. and Mrs. John Turner, Gladys Ragle, Almeda Phillips, Georgia Ford, Mr. and Mrs. Boyd Reay, Mr. and Mrs. W.W. Hartman, Denny and Johnnie Quisenberry.

In memory of Doug Meriwether: Mr. and Mrs. E.L. Brotherton, Elton and Marie Wylie, Paul and DeLinda Glasson, Almeda Phillips.

In memory of Dorsey Baker: Charles and Molly Huffman, Mr. and Mrs. Bobby McCormick.

In memory of Bernice Miller: Charles and Molly Huffman.

In memory of Cap Carthel: Gussie Boedeker and Janice.

In memory of Myrtle Taylor: Mr. and Mrs. Ike Johnson, Mrs. Joe Webb, Denny and Johnnie Quisenberry.

TAMMY RENEE MORRIS AND COREY WAYNE ROBERTSON

Morris and Robertson

Mr. and Mrs. Delbert Morris of Tulia wish to announce the engagement of their daughter Tammy Renee Morris, to Corey Wayne Robertson, son of the late Gayle and Jack Robertson, of Silverton.

Miss Morris is a graduate of Tulia High School. She was awarded a Bachelor of Arts in Sociology at Angelo State University. She is currently a District Sales Representative for Watson Food Service, Lubbock, Texas.

Robertson is a graduate of Silverton High School. He was awarded an Associate of Applied Science at South Plains College. He is a photographer for R Photography in Floydada.

The couple plan an evening wedding on June 13, 1998 at the Oakwood Methodist Church in Lubbock, Texas.

McDowell presents World War II program to DAR

By Vera Jo Bybee

The Buffalo Grass DAR Chapter met March 24 at the Lamplighter Inn with 14 members and 2 guests present.

Dorothy Hodges, National Defense Chairman, introduced Bonita McDowell of Crosbyton, who presented the program. It was about her adventurous life in World War II. She worked at Pan-Tex in Amarillo making cartridges. She was also a "Rosie the Riveter" in a shipyard in California.

June Sherman, Regent, held the

business meeting. Dorothy Hodges, Margaret Berry and June Sherman gave a report on their trip to Houston for the State Conference.

June thanked the hostesses, Carolyn Marble and Susan Dunavant, for the lovely refreshments. She also thanked Evelyn Branch for letting us have our meeting at the Inn.

The next meeting will be April 28 at the Floyd County Museum where we will be working in the genealogy department.

Have a good week!

LITTLE LONGHORNS NAMED--Selected as Little Longhorns for the week of April 6-10 at Lockney Elementary school are (l-r, back row) Graden Long, Sasha Wood, Jeremy Pyle, Danny Cervantes, Karah Hrbacek; (l-r, 2nd row) John Sherman, Manuel Fierros, Matthew Garza, Ricky Vasquez, Sergio Leal,

John O'Connell, Jordan Sherman, Yvonne Martinez; (l-r, front row) Alicia McDonald, Hugo Mondragon, James Mercado, Olivia Mariscal, Lindsay Reed, Zachary Gonzales, Carlynn Taylor, Travis Thorp, Kenya Persina, and Cheyann Powell

Staff Photo

ANDREWS ACHIEVERS--Honored at Andrews Elementary this week were (left to right) Taryn Rainwater, Jennifer Redwine, Jessica Horn, and Becky Warren.

R.C. Andrews Achievers

Faculty Member of the Week is Mrs. Jennifer Redwine. She grew up in Munday, Texas and graduated from Texas Tech University. Her favorite food is Mexican food. Her hobbies include cooking, going to the lake and horses. She thinks the best thing about RCA is the staff is very helpful and very nice. She really appreciates this in her first year as a teacher.

Also selected as Staff Member of the Week is Mr. Armando Enriquez. He grew up in Floydada and graduated from FHS. He has been involved with the schools for 17 years. His family includes wife Gloria and son Roland in the 4th Grade. His favorite food is chicken fried steak and his hobbies are playing basketball and baseball. He thinks the best thing about RCA is being around students, keeping their rooms clean and making them happy.

4th Grade Student of the Week is Taryn Rainwater, daughter of Kay and Andy Rainwater. Her favorite subjects are PE and Language. Her favorite food is strawberries. She enjoys playing the piano and playing with baby kitties. She has two brothers, Brady and Adam. She thinks the best things about RCA are the nice teachers and good friends.

5th Grade Student of the Week is Jessica Horn. Her favorite subject is Social Studies. Her favorite food is chicken casserole. Jessica's hobby is playing basketball. Her parents are Wendell and Jennifer Horn and she has two sisters, Katie and Abbie, and a brother Clay. Jessica thinks the best thing about RCA is someone always being there when you need help.

6th Grade Student of the Week is Becky Warren. Her favorite is Reading-she likes books. Her favorite food is lasagna. She has several hobbies: collecting stamps and sports cards. Playing sports-basketball is her favorite and Golf comes really close. Her family includes her Dad, Don, her Mom, Hope and sister Mary. She thinks the best thing about RCA is the nice teachers.

Have a Good Week!

FHS Seniors '98: Making It Great!

By Monica Galvan

Jason Ken Campbell, son of Ken and Polly Campbell

considers his most significant accomplishment to be making the playoffs in baseball when he was a freshman and sophomore. His best memory of high school are playing sports and having fun with his friends. His pet peeve is anyone being two-faced then trying to deny it. He thinks people are generally getting lazy and is afraid our generation has not been taught what hard work is. Jason's favorites are: movie-Tombstone; book-Jurassic Park; food-T-bone steak; and vacation - going to the lake. His hobbies include roping, playing baseball and riding horses. Jason most admires his dad because he is a hard worker and has taught him to do the same. After graduation, he plans to attend a four year college and choose a career that will pay well.

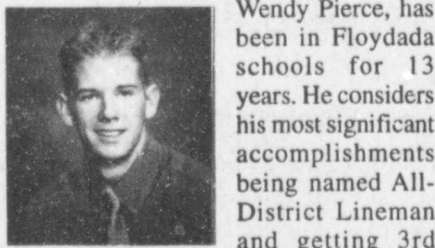

Ubaldo Chavez, son of Waldo and Imelda Chavez, has attended Floydada schools for 13 years as well as schools in Lockney & at Dougherty. He considers his most significant accomplishment to be the fact that he is going to graduate. His best memories of high school are attending football games and out of town school trips. His pet peeve is people bothering others about the same thing over and over. The economy is his major concern about the future. Some of Ubaldo's favorites are: TV show-Friends; color-blue; food-any type of Mexican food; hobbies-riding motorcycles and hunting; comic-Marvin; and vacation trip-Mexico. Ubaldo most admires his father because he has been there for him in everything and without him he would be nothing. After graduation plans plans on joining the Marines or attending a trade school. He would like to be remembered by the motto, "Eat a loaf."

Aaron Kirk, son of Kenney & Terry Kirk, has attended FHS for 3 years. He also attended Brownfield High School & Middle School for 2 years, Spur Junior High and Elementary 3 years, Haskell

Elementary for 4 years and Vega Elementary for two years. His favorites are: movie-Star Wars Trilogy; book-The Bible; and musical groups-Jars of Clay and Caedmon's Call. He is active in the First Methodist Church and is president of the youth group. His pet peeve is people who are not consistent in what they say and do. He admires Jesus for everything, Bill Bates for determination, and his parents for loving him. After graduation Aaron plans on attending college and staying close to home so he can continue to play with his band. His motto is, "It's not how you live, it's who you live for."

Stanley Kyle Pierce, son of Stanley and Wendy Pierce, has been in Floydada schools for 13 years. He considers his most significant accomplishment being named All-District Lineman and getting 3rd

place at the Houston Livestock Shows with his pig. Kyle is involved in the youth group at the First United Methodist Church and leads the music on Wednesday nights. His best memories of high school are laughing with Mario during football and basketball practices. His pet peeves are people who stare and people who don't have much common sense. His major concern about the future is that people won't live up to their expectations and will not take advantage of life. Some of his all-time favorites are: TV show- Seinfeld & Jeopardy; movie-any with Jim Carrey; color-blue; food-anything fattening; hobby-playing the guitar and song-Faith Like a Child by Jars of Clay. He most admires Mario Nunez because he is able to overcome adversity and still maintain responsibility, leadership, and great friendship. After graduation Kyle plans on attending college and majoring in agricultural education. The motto he would like to be remembered by is: "Don't let the things that mean the most to you slip right through your fingers."

LAB PALS CHOSEN--Andrea Balderas and Bridget Ascencio were chosen as C.E.I. Lab Pals at Lockney Elementary School for the week of April 6-10.

COACHES COMMENTS

All teams are really competing well right now considering our late start! A lot of our athletes have really stepped up due to other teammates that have had some injuries. We have only two weeks left until district (April 16-17 at Amarillo Highland Park). Our teams will travel to Dimmitt on Thursday. I really appreciate their hard work and dedication.

A special thanks to all the junior high track athletes for their hard work this season!

Thanks,
Coach Ventura

Lockney schools will make up the day lost during the state basketball games on Monday April 13. This day had been set aside as a snow day.

2A ALL REGION BASKETBALL TEAM NAMED--Members of the 1998 Lockney Longhorns named to the 2A All-Region team were Willie Luna, Honorable

Mention; J.R. Walker, First Team; Thad Lusk, Honorable Mention; Devon Phillips, First Team; and Charles Van Zandt, Honorable Mention. Staff Photo

'Winds drop first two district games

Lubbock Cooper 16-Floydada 3

The Floydada Whirlwinds dropped their District 2-31 opener to Lubbock Cooper in Floydada by a 16-3 margin. Trailing only 7-3 going into the fifth inning, the "Winds" committed five costly errors and gave up 9 runs in the inning. Offensive standouts for the "Winds" were: Derek Martinez-2 for 2 and 1 RBI, Cory Kirk-1 for 2 with a run scored, Richard Casillas-1 for 2 and 1 RBI, and J.J. Morales and Dusty Anderson each scored a run.

Denver City 12-Floydada 2

The Floydada Whirlwinds lost their second District game on Friday at Denver City. The Mustangs scored 9 big runs in the bottom of the first inning which proved too much for the "Winds" to overcome.

Coach Kennedy summed up the week by stating, "We can't afford to give up the big inning and expect to win. We have to play to the top of our game if we want to win. I know the kids will continue to work to get better."

Lockney JV falls 14-10 to Jackrabbits

By Coach Sutterfield
LOCKNEY--The Lockney Junior Varsity Baseball Team lost to the Ralls team 14-10 at Longhorn Field.

We had a little let down in one inning that really hurt us.

Kelsey Schumacher started on the mound, but had to leave due to injury.

Pitchers Kelsey Hooten and Josh Quebe finished the game.

Tyler Bybee, Cooter Durham and Chase Graves hit the ball well.

These kids are doing a great job. They improve each week.

and in that event during Friday's field events. Fellow sophomore Justin McGuire gave the Whirlwinds their only other points in the field with a pair of sixth place finishes.

McGuire leaped 5-10 in the high jump and managed 38-9 in the triple jump. The two events were contested simultaneously and McGuire also had

to contend with his qualifying heat in the 400 meters during the same time frame. He qualified in that event and came back on Saturday to run easily his best time of the season, a fully automatic clocking of 53.98, to finish fourth.

Fuller, however, gave the brightest performance on the track for the "Winds. He won the 200 handily in 22.96. Aaron Kirk, who clocked a 23.22 in the prelims as well as a non-qualifying 11.16 in the 100 meters, took fourth behind Fuller.

Fuller came back to open the fourth-place 1,600 meter relay in 52.17. McGuire followed with a strong 54.0, freshman Jermaine Wickware added a 55.2, and junior Michael Black anchored with 52.9.

Darryl Henderson just missed earning a medal as he stepped to a 16.59 in the high hurdles to complete the FHS scoring.

In the junior varsity, David Lightfoot led the way with a pair of second-place finishes in the hurdles in times of 16.55 and 45.84, respectively. Lightfoot added a fourth place in the triple jump at 37-7 3/4. Zack McNew added a silver medal of his own to lead the field performers when he leaped 5-6 in the high jump for second. The duo were joined by Clay Horn and Rudy Adam Arellano to form the sixth place 1600 relay unit. Arellano pulled ironman duty both days of the meet as he anchored the relay just minutes after competing in the individual 1,600-meter run.

Antonio Santos and Josh Caballero completed the jayvee scoring for FHS with a fourth place finish in the shot put and a sixth in the 1,600 meter run, respectively.

Also competing at the meet and doing a good job were Katie Sanders, Maria Rangel, Tamisha Burks, Kelsey Pierce, Kocrist Burks, Mary Jane Cisneros and Erin Ralston.

The Lady Winds next track meet will be at New Deal on April 11. Field events will start at 9:00 a.m. with prelims starting at 10:00 a.m. and the running finals will start at 2:15 p.m.

FHS girls track team competes at Abernathy April 3

FLOYDADA--Eleven girls participated at the Abernathy Meet. Leading the way for Floydada was senior Tara McCandless. She placed 2nd in the 1,600 meter race and 3rd in the 3,200 meter race. Deniece Williams placed 2nd in the 100 meters and 4th in the 200 meters. Lana McCandless placed 4th in the 800 meters and 4th in the 1,600 meters. Amanda Williams placed 5th in the 300 meter hurdles and Cynthia Chavez placed 6th in the shot put.

CHURCH TO PRESENT ONE-ACT PLAY--Martin Warren, Will Warren and Bill Harbin portray disciples in the one-act play, "The Garden". The play will be presented Friday, April 10th, 6:00 p.m. at the First United Methodist Church in Floydada
Courtesy Photo

"The Garden" will be presented at First Methodist Church, Floydada

As part of the celebration of Holy Week, the First United Methodist Church in Floydada will present a one-act play, entitled "The Garden," at 6:00 p.m. on Good Friday, April 10, at the church, 203 West Kentucky.

This drama is set in the Garden of Gethsemane just following the last supper of Jesus and his disciples. A fictitious account of the last hours of Jesus's life shows us how it may have been for three of the disciples as they

attempt to understand what is happening. John, James and Peter are presented as angry, fearful men bickering among themselves, even doubting the very man they had chosen to follow as Messiah. The play reveals the humanness of the characters and, at the same time, lets the audience see that the disciples were people no different than people today.

There will be no charge, and everyone is welcome.

The Paper Pulpit

By: Pastor Henry Russell

"The Voice Of The Cross"

ALL HISTORY CENTERS AROUND THE CROSS OF CALVARY! Old Testament believers looked forward to the cross. New Testament believers look back to the cross. We who understand what the cross stands for, can in our hearts hear it speaking to us.

The cross cries out to the world, "FORGIVENESS!" Ephesians 1:7 tells us, "In whom we have redemption through His blood, the forgiveness of sins." Psalm 103:2 tells us, "Who forgiveth all thy iniquities." The cross speaks out to a lost world, "Forgiveness can be ours through Christ's death on that old rugged cross!"

The cross speaks loud and clear, "PEACE!" to troubled hearts. Colossians 1:20 says, "And having made peace through the blood of the cross..." He's still the Prince of Peace!

The cross speaks out, "REGENERATION!" A new birth by the Holy Spirit. "If any man be in Christ, he is a new creature; old things are passed away, behold all things become new." (II Cor. 2:17)

The accomplishments on the cross speaks out, "HEALING!" I Peter 2:24 says, "Who His own self bare our sins on His body on the tree, by whose stripes ye were healed."

It speaks out, "ETERNAL LIFE!" John 3:16, that golden text of the Bible says, "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life."

Before the resurrection there had to be a cross! It was on the cross that our sin debt was paid in full. As we now accept Christ as our Lord and Savior, He cancels that debt. marks it "PAID IN FULL!" How thrilling to sing that precious old hymn, "Jesus paid it all! All to him I owe! Sin had left a crimson stain! He washed it white as snow!!!!"

RENEW YOUR FAITH This Easter

Riding For The Cross

By Edward Marks

I ride for a new outfit now,
I work for a new wagon boss.
I used to ride for the devil,
Now I ride for the Cross.

The hands on this spread are all happy,
You can see it on every face.
The chuck they serve at the wagon,
It's sure got a heavenly taste.

I've never worked for an outfit
Where the hands were so happy and free.
The boss makes sure we're outfitted,
yup, he sure meets our every need.

He owns the cattle on a thousand hills,
And all of the horses too.
The grazing is the best I ever seen,
Why, it's as pretty as the morning dew.

Them earthly storms don't bother me,
They just don't worry me at all.
My boss rides a great white stallion,
And he's in control of it all.

I ride herd on this great range,
A rounding up wild critters that's gone astray.
I reckon I'll ride for this outfit
Until my dying days.

Then you can tie my bones to my ponies back,
And send me on my way.
And I'll ride off to heaven,
Won't be no need to stay.

Till then, I reckon I'll keep riding for the Cross;
I sure do like my job.
Why, I got all the treasure I can handle,
And it's the kind ain't no thief can rob.

You're welcome to spread your bedroll
At our camp anytime.
The boss is always looking for new riders
To ride His glory line.

Mark 1:16-18

* Pest Management Report *

by Ron Graves
Extension Agent-IPM
Crosby/Floyd Counties
MOISTURE

The current moisture situation is the best I have seen for this time of year. Rainfall amounts in Crosby-Floyd counties range from 2 to 6 inches since January 1st.

1997 IPM HANDBOOKS

The 1997 Integrated Pest Management handbook for Crosby-Floyd counties is completed. If you would like a copy, please come by or call me at 806-675-2426.

MAILING LIST UPDATE

The Texas Agricultural Extension Service is required by law to update its mailing list on an annual basis. This list is for our county newsletters and information mailouts. Your address is not given out or provided to any private business. If you wish to continue receiving the Pest Management Report, you must fill out and mail the information card to our office. If you do not contact us, we will remove your name from our list.

1998 SCOUTING PROGRAM

The 1998 Scouting Program will begin around May 20th. Scouts will be hired prior to June 1. Applications for scout positions are available at the Extension Office in Crosby or Floyd counties.

The Pest management Scouting Program is the core of the overall Crosby-Floyd Integrated Pest Management Program. The objectives of the scouting program are: to demonstrate the value of regular field scouting, to educate the producer in the identification and biology of pests and beneficials, to educate the producer in proper pest management decisions, and collect pest data from all areas of Crosby-Floyd counties to provide current information for the weekly Pest management Report. Each enrolled field is checked once a week by field scouts and/or myself. Boll weevil traps will be placed around each program field to monitor overwintered weevil movement. These traps will be provided by Crosby-Floyd Pest Management.

Producers receive a detailed report for each field outlining the current pest situation and crop growth stage. Per acre scouting fees have been set at \$3.50 per acre for all crops.

ACREAGE ENROLLMENT CARDS

Acreage enrollment cards are available for each field in the scouting program. If you have not received a card, call the office. Cards must be returned by May 1. Sign-up is on a first come first serve basis. Please understand that this card only indicates your interest in participating, and does not constitute an agreement by either party.

BOLL WEEVIL UPDATE

Last week the Texas Agricultural Extension Service initiated the AgriPartners Boll Weevil Grid Trapping across the High Plains Region. This is the fourth season that this program has been conducted in order to gather seasonal information on weevil emergence and movement throughout the growing season. Trapping data will be provided in this newsletter on a weekly basis.

An information sheet concerning the management of overwintered boll weevil populations in cotton is available. If you have any questions concerning this sheet or boll weevil management please contact me at 675-2426.

One note about the trap index for boll weevils. Some research indicates that the treatment index of 4 or more boll weevils is too high and this number may be lowered to 2 in the future publications. Just keep in mind that if you have a trap index ranging from 1 to 4, field inspection should be done prior to making treatment decisions.

OVERWINTERED BOLL WEEVILS

Emerging overwintered boll weevils usually move relatively short distances from hibernation sites and usually are confined to small areas in fields adjacent to good overwintering habitat. Overwintered weevil emergence begins during early spring and generally peaks during late May and early June. However, significant emergence can continue into early July in some years. The adult weevil is about 1/4 inch long, grayish brown, and has a prolonged snout with chewing mouthparts at its tip. The presence of two distinct spurs on the lower part of the first segment of the front leg will distinguish the boll weevil from other weevils with which it might be confused.

Weevil colonization in cotton is closely related to the fruiting of the plant, with the greatest numbers of overwintered weevils entering cotton fields after squares are present. Therefore, the extent of overwintered weevil infestation depends on the size of the emerging weevil population and the availability of squaring cotton. Thus, early-planted cotton and fields adjacent to ideal overwintering habitat are much more likely to have significant weevil infestation than cotton planted later in the season or fields farther away from good overwintering habitat. In areas where a uniform delayed planting date is recommended, volunteer cotton should be destroyed as early as possible.

Management and Decision Making - In weevil infested areas, uniform planting of cotton on a community-wide basis after mid-May will often significantly reduce weevil infestations. When fruiting cotton is not available for feeding, the life span of newly-emerged weevils is relatively short. Therefore, delayed, uniform planting of cotton increases suicidal emergence of overwintered weevils.

The need for insecticide applications to suppress overwintered boll weevils can be determined by: 1) pheromone trap collections (Trap Index Method); 2) Field Inspection Method; or 3) a combination of both

wintering population and the need for one or more insecticide applications. Do not treat if there are 1 or fewer weevils per trap per week.

Treatment may or may not be justified, if there are more than 1, but fewer than 4 weevils per trap per week. Do not treat unless field inspection at pinhead to 1/3-grown-square stage indicates presence of a damaging weevil infestation (see field inspection method) or unless the number of weevils caught per trap for the week previous to pinhead square exceeds 10.

Treatment is probably justified if there are more than 4 weevils per trap per week.

Pheromone traps must be kept operational and inspected regularly to be reliable. Rain, windy conditions and cool temperatures will reduce weevil response to pheromone traps. Therefore, if adverse weather conditions are present during the week of first square, the average trap catch for the previous week should be considered in determining the need to treat.

Pheromone trap data may not be reliable after 25 percent or more of the cotton in an area has begun to square or after 1/3-grown squares are present in a field around which the traps are located. Trap data are most reliable in areas using uniform planting dates.

Field Inspection Method - Fields should be observed very closely when pinhead size squares begin to appear. Inspect at least 100 plants for adult boll weevils. If one or more weevils are found per 100 plants checked or four weevils per 100 feet of row monitored (about 530 weevils per acre) in cotton which was planted after mid-May, apply insecticide just prior to or when first squares reach 1/3-grown stage.

Overwintered boll weevil control is designed to destroy adult weevils in the field before they deposit eggs in squares. It is also designed to keep the F1 (first in-season) weevil generation below the treatment level, thereby avoiding the treatments at a time when bollworm outbreaks are more likely to occur (late July to early August). If field or trap inspections indicate that weevils are still entering the field following the first insecticide application, an additional one or two applications may be needed. The first application should be made just before the earliest squares are 1/3-grown with additional applications following at 5-day intervals.

Applications should be terminated as soon as possible after the first 1/3-

growing stage. Inspect at least 100 plants for adult boll weevils. If one or more weevils are found per 100 plants checked or four weevils per 100 feet of row monitored (about 530 weevils per acre) in cotton which was planted after mid-May, apply insecticide just prior to or when first squares reach 1/3-grown stage.

Inspected at least 100 plants for adult boll weevils. If one or more weevils are found per 100 plants checked or four weevils per 100 feet of row monitored (about 530 weevils per acre) in cotton which was planted after mid-May, apply insecticide just prior to or when first squares reach 1/3-grown stage.

Smith discusses Roundup Ready cottonseed at Monsanto meeting

By Shawn Wade

At the invitation of Plains Cotton Growers, Inc. Monsanto Company President Hendrik Verfaillie stopped in Lubbock, Tuesday, March 10. Verfaillie's visit was geared around developing a stronger working relationship between Monsanto and the end-users of its technologies.

Accompanying Verfaillie was Dave Rhylander, Monsanto's area manager.

Verfaillie addressed the group and was eager to listen to the concerns and suggestions of cotton, corn, sorghum, wheat and cattle producers present.

Dr. Randy Boman, Texas Ag Extension Service Cotton Agronomist, presented a comprehensive overview of the High Plains agricultural region and an overview of cotton production systems across the area.

Cotton producers Eddie Smith, Floyd County, Frank Jones, Dawson and Gaines counties, and Mark Williams, from Farmer county discussed their experiences with new Roundup Ready cottonseed. They commented

Floyd County 4-H Horse Judging Team competes in contest

Seven members of the Floyd County 4-H Horse Judging Team participated in a practice contest in Canyon on March 27th. The Jr. Team of Kacie Young, Rachel Miller, and Ashley Brock placed 4th overall, 3rd in performance and 4th in halter. Kacie Young was named the high point individual in the Jr. contest, placing 3rd in performance and 5th in halter.

Laura Miller participated in the Sr. contest and placed 4th in halter.

Also participating in the contest were Eddie Lee Fortenberry, Taylor Brock and Mathew Miller. The team was accompanied by Kay and Kyle Brock and Marcia Phillips.

Managing Stale Seedbed Cotton

If you bedded your cotton seed in the fall or winter, you're a step ahead of the rest now. Completing field work after harvest generally provides more time in the spring for planting. Also, it provides a quality seedbed for fast seedling emergence and uniform stands. However, some weed control may be sacrificed. To eliminate unwanted grasses

Billy Campbell
Zeneca Ag Products

and weeds that have emerged in your seedbed over the winter and spring, apply a burndown herbicide prior to planting. A preplant burndown remains the best method for weed control when preparing no-till or stale seedbed cotton fields. Beginning with a clean field makes planting possible and enables the crop to get a head start on both annual grasses and annual broadleaf weeds.

Producers also can piggyback various jobs such as preemergence herbicides or liquid fertilizer applications along with the burndown.

A number of burndown herbicides exist, but make certain to choose a product that:

- controls a broad spectrum of weeds and grasses
 - works quickly
 - is rainfast in only minutes.
- GRAMOXONE® EXTRA is a nonselective, contact herbicide that desiccates weeds in just a day or two. Some other nonselective herbicides, like glyphosate, take up to a week or more to work. And, Gramoxone Extra is rainfast in only 30 minutes. A herbicide that is rainfast in a matter of minutes can mean lasting weed control, eliminating the need to reapply chemical.

Gramoxone Extra works on a wide range of grasses and broadleaf weeds. Additionally, the Environmental Protection Agency (EPA) recently reduced the handling restrictions for Gramoxone Extra, so field posting is not required when it's used. And, the product now comes in a white recyclable container with a clear measuring window for easier mixing.

When you need speed with confidence, count on Gramoxone Extra to get the job done fast.

For more information about Gramoxone Extra, contact your local ag chem dealer.

©1998, Zeneca Inc. Zeneca Ag Products is a business unit of Zeneca Inc. GRAMOXONE® is a trademark of a Zeneca Group Company. Gramoxone Extra is a restricted use pesticide. Farm Safety Always!

Panhandle-Plains Federal Land Bank Association

Cordially invites all members to "an evening to remember" on April 18, 1998.

It is time for the annual stockholders meeting of Panhandle-Plains Federal Land Bank Association and this year as a special thank you to our members, we are throwing a big party with entertainment by the country band, "Blue Prairie" and plenty of cash door prizes.

Registration begins at 5:15 p.m. and dinner is served at 6:00 p.m. The business meeting will kick off the annual meeting with a director election, president's message and chairman's message. Then, we'll celebrate a successful year and end the evening with a heel kicking, foot stomping, good time!

So, come to the Ambassador Hotel, 3100 I-40 West in Amarillo on April 18, 1998!

Obituaries

BILL BLACK

Funeral services for Bill Black, 58, of Plainview, were held on Monday, April 6, 1998, in First United Methodist Church with Dr. R.L. Kirk, associate pastor of St. Stephen's United Methodist Church in Amarillo, officiating.

Burial was held at Muleshoe Cemetery by Lemons Funeral Home.

Black died at 9:05 p.m. Friday, April 3, 1998, in Methodist Hospital Plainview.

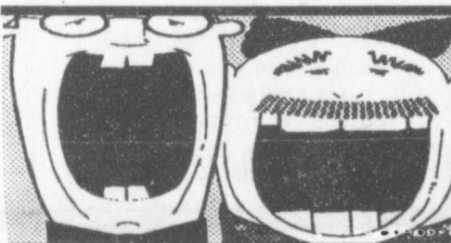

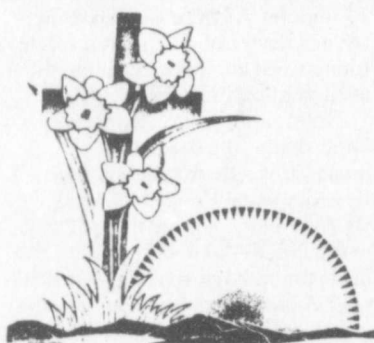

He was born Sept. 10, 1939, in Clovis, N.M.

Black grew up in Muleshoe and attended schools there, graduating from Muleshoe High School. He also graduated from Texas Tech University.

He went to work for Production Credit Association at Floydada in 1963. He transferred to the central office in Plainview in 1972. Black was appointed president in 1979 and served in that position until his retirement in 1982.

He was a member of the First United Methodist Church in Plainview and a past member of the Plainview Rodeo Association.

Survivors include two daughters, Terri Fortenberry of Hereford and Cindy Ashmore of Hale Center; seven brothers, Lyndal, Ronnie, Gaylon, Dean, Rex and Kim Black, all of Muleshoe; and Ricky Black of Lubbock; five sisters, Katherine McCain of Odessa, Maxie Rogers and Shirley Waggoner, both of Muleshoe, Karon Murray of Lubbock and Rita Morris of Leander; and five grandchildren.

WILLIAM H. HOLMES

Services for William H. "Bill" Holmes, 75, of Amarillo, were held at 2 p.m., Monday, April 6, 1998 at Bolton Street Baptist Church. Officiating was Rev. Leon Green, pastor. Burial was in Memorial Park Cemetery by Boxwell Brothers Funeral Directors.

Holmes was born in Floydada and had lived in Amarillo for 56 years. He owned the Village Barber and the Barber Shop at Amarillo National Bank. Later he owned Ace-Hi Barber and retired recently.

He was a member of Bolton Street Baptist Church.

Holmes was a World War II Army Air Force veteran. He entered the Air Corps in 1943 and served 8 months of flying B-17's on the European Front.

He married Maureen Hart on Dec. 12, 1941 at Floydada.

He is survived by his wife; 3 sons, Dwain Holmes of Port Lavaca, Lyn Holmes of George West and Dell Holmes of The Colony; 2 daughters, Anita Wilson of Carrollton and DeAnn Smith of Friendswood; a brother, C.A. Holmes of Floydada; 8 grandchildren; and 2 great grandchildren.

The family requests that memorials be sent to Bolton Street Baptist Church, 2555 S. Bolton, Amarillo, Texas 79103.

PROSPERO GARCIA PEREZ

Rosary services for Prospero Garcia Perez, 72, of Lubbock, were held at 7:00 p.m. Sunday, April 5, 1998, in Moore-Rose-White Memorial Chapel. Funeral mass was celebrated at 2:00 p.m. Monday, April 6, 1998, in the Saint Mary Magdalen Catholic Church of Floydada with Father John Ohlig, celebrant, and Reverend Raymond Asebedo of Plains, Texas, assisting. Burial was followed in Floydada Cemetery in Floydada under the direction of Moore-Rose-White Funeral Home of Floydada.

Perez died April, 2, 1998 at St. Mary's Hospital in Lubbock, Texas.

Perez was born November 12, 1925 in Devine, Texas, to Manuel Perez and Maria Perez. Perez graduated from Odem High School and attended Del Mar College in Corpus Christi, Texas. Perez moved to Lubbock in 1992 from Corpus Christi, Texas, having moved to Corpus Christi from Plainview. A son, Joe Perez preceded him in death in 1987.

Perez was a truck driver for many years, retiring from Excel Corporation in Plainview, Texas. Perez served in the Army Corps in Iwo Jima during World War II. He was a member of the VFW, and a member of Sacred Heart Catholic in Plainview.

Perez is survived by the mother of his children, Feliciano Pesina of Lubbock, Texas; three sons: Jesus Perez of Lubbock, Texas; Genaro Perez of Lockney, Texas; and Prospero Perez Jr. of Lubbock, Texas, six daughters: Margarito Silguero of Corpus Christi, Texas; Yolanda Eads of Cahokia, Illinois; Rosa Maria Perez of Lubbock, Texas; Blanca Estrella Yarborough of Ventura, California; Cynthia Ann Hodge of Lubbock Texas; and Melissa Lusk also of Lubbock, Texas. He is also survived by two brothers: Frank Garcia of Odem, Texas and Louis Garcia of San Antonio, Texas. Other survivors include three sisters: Guadalupe Perez of Chillicothe, Texas; Evangelina Villafranco of Mathis, Texas; and Carolina Garcia of Odem, Texas; 21 grandchildren and 8 great-grandchildren.

The family requests memorials be made to St. Mary Magdalen Catholic Church at 503 S. Wall, Floydada, Texas 79235.

JAMES STONE

Graveside services for James Edward Stone, 29, of Lubbock were held at noon on Wednesday, April 8, 1998 in the Lubbock Cemetery. Reverend Kevin O'Brien, pastor of Bethany Baptist Church, officiated.

FLOYD COUNTY STOCKSHOW ASSOCIATION

The Floyd County Stockshow Association will hold a general meeting Thursday, April 16 at 7:30 p.m. at Lighthouse Electric. All exhibitors parents are invited.

Burial was under the direction of Jamison's Funeral Home.

Stone died Sunday, April 5, 1998 in Lubbock.

He was born May 21, 1968 in Floydada. He attended Lubbock schools.

Survivors include his wife, Elizabeth Ann Lynch Lee; his parents, Tom and Lu Allison of Lubbock; two stepchildren, Christopher Michael Lee and Heather Nichole Lee, both of Lubbock; two brothers, Robert Davis of Floydada and Roger Shane Dromgoole of Dallas; and five sisters, Anna Crosby, Kathy House, Kristy Kref and Rachel Randles, all of Lubbock; and Terry Smith of Houston.

JOAN THOMPSON

Memorial services for Joan Thompson, 69, of Dallas, were held on Saturday, March 14, 1998 at Cox Chapel of Highland Park United Methodist Church, with the Rev. Bill Smith officiating. Burial was at Hillcrest Memorial Park.

Mrs. Thompson died on March 12, 1998.

She was born on February 2, 1929 in Amarillo, Texas. Her grandparents, E.P. and Roseland Thompson were Floyd County Pioneers.

She graduated from Pampa High School and The University of Denver with a degree in Interior Design.

She married Don G. Thompson on Sept. 4th, 1954. She was preceded in death by her parents, Raeburn and Annie Thompson of Pampa, Texas.

She is survived by her husband; one daughter and son-in-law, Marsha and David Gabriel of Dallas; one son, Michael Thompson of Orlando, Florida; granddaughters, Millicent and Alison Gabriel of Dallas; one brother, H. Ray Thompson of Pampa, Texas; and a cousin, Janice Lloyd of Floydada, Texas.

Mrs. Thompson was a long time member of Highland Park United Methodist church, a member of the Caladium Garden Club, a member of the Daughters of The American Revolution, former member of the board of directors of The Dallas County Genealogical Society and former docent at Old City Park.

The family requests memorials be sent to Cancer Research, Baylor Health Care Center Foundation or charity of Your choice.

MY DAD

By Edward Marks

My dad is quite a guy,
And I am proud to be his son.
For he has something gold can't buy,
A love as bright as the sun.

A better man I never knew,
An guess I never will.
Because men like him are very few,
And I think he's pretty swell.

Small in size but big in heart,
This grand old man of mine.
I just think he's pretty smart,
and men like him are hard to find.

He fought life's battles with dignity and grace,
And sometimes life was no fun.
But always with a smiling face,
Yes, I'm proud to be his son.

Deadline for accepting applications is June 1, 1998.

3-12, 3-19, 3-26, 4-2, 4-9, 4-16, 4-23c

NOTICE OF REGISTRATION

High Plains Concrete Co., Inc. has registered with the Texas Natural Resource Conservation Commission (TNRCC) to operate a Concrete Batch Plant at a site approximately 1/4 mile south of US Highway 70 on FM 1958, Floydada, Floyd County, Texas under TNRCC 30 Texas Administrative Code Section 106.201 (formerly Standard Exemption 71). The facility will emit the following air contaminant: particulate matter. To request a hearing, a person must actually reside in a permanent residence within 440 yards of the proposed plant. If a hearing is held, it will be a legal proceeding similar to civil trials in state district court. The subject of the hearing would be limited to applicable air quality requirements, which do not include issues such as water quality, noise, traffic safety, or zoning. If the registrant demonstrates the plant will comply with all applicable requirements, the proposed plant will qualify for the exemption.

To request a hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) the registrant's name and registration number; (3) a statement "If we request a public hearing"; (4) a brief, specific statement of how and why emissions from the proposed facility would adversely affect you in a way not common to members of the general public; and (5) the location of your residence relative to the proposed plant.

Hearing requests or comments on the registration must be received in writing at the Chief Clerk's Office, MC-105, TNRCC, P.O. Box 13087, Austin, Texas 78711-3087, within 15 days after the second publication of this notice. This notice is to be published April 2 and April 9, 1998.

A copy of the registration is available for review and reproduction at the TNRCC Office of Air Quality, 12124 Park 35 Circle, Building C, Austin, Texas 78753. Registration documents and further information may be obtained from the TNRCC Lubbock Regional Office, Air Program at 4630 50th Street, Suite 600, Lubbock, Texas 79414-3509, telephone (806) 796-7092. Individual members of the public who wish to inquire about the information contained in this notice or to inquire about other agency permit applications or permitting processes should call the TNRCC Office of Public Assistance, toll free, at 1-800-687-4040.

4-2, 4-9c

FISHING TOURNAMENT

The Charles Ball Memorial Fishing Tourney is scheduled for Saturday, April 25, 1998.

AMERICAN CANCER SOCIETY MEETING

The American Cancer Society, Floyd County Unit, will meet Monday, April 13, at 5:00 p.m. in the community room of the First National Bank of Floydada.

Pain may be eliminated for millions

(SPECIAL)--A drug that is exciting researchers in the treatment of pain has been formulated into a new product known as "Arthur Itis," and is being called a "Medical Miracle" by some, in the treatment of debilitating conditions such as arthritis, bursitis, rheumatism, painful muscle aches, joint aches, sprains, back aches, bruises, and more. Although the mechanism of action is unclear, experiments indicate that Arthur Itis, relieves pain by first selectively attracting, and then destroying the messenger chemical which carries pain sensations to the brain, thus eliminating pain in the affected area. Arthur Itis, is available immediately without a prescription in an odorless, greaseless, non-staining cream or new roll-on lotion form. Arthur Itis, is guaranteed to work or your money back.

AVAILABLE AT:
Payne's Pharmacy
200 S. Main
Floydada,
983-5111

CLINIC

Lockney pre-kindergarten and kindergarten students not previous enrolled in school need to attend the Pre-school Clinic which will be held Wednesday, April 22 between the hours of 12:30 p.m. - 3:00 p.m. Parents need to bring child's social security number, birth certificate and current shot records. EMOTIONAL STORM

My emotional storm is a day to day thing but the further I travel alone the more adjusted to the emotional storm I become. My emotional storm is where my emotions run wild like in weather and I have no control over my emotions. What began my emotional storm was the loss of a very close and best friend who meant the world to me. The days were long and rainy with tears from my eyes, it was like winter, snow with no end. I couldn't feel any warmth anywhere, my heart covered by clouds so no one could get in, deep in the middle of my emotional storm the sun began to shine again. Then thoughts of my past flashed in my mind like lightning, then came the clouds of tears into my eyes again, then tears fell again like rain on to my face. My emotions stormed through me like a tornado tearing me apart in days like seconds. I have been through all four seasons in a short amount of time from autumn, winter, spring, and then summer. As to have been from tornados, lightning, thunder, hail, wind storms, snow, rain, to sunshine. My emotional storm is over for a moment, after putting myself back together with the help of a very dear and special friend. Emotions can make you cry sometimes but emotional storms can tear you apart.

CARDS OF THANKS

To the Motley and Darty Fire Dept., Sheriff's Office and the Lighthouse Electric, Friends and Neighbors.

We would like to say THANKS to each of you and a note of appreciation to the Fire Departments, Sheriff's Office and the Commissioner for the very prompt and efficient job of putting out the prairie fire on our ranch Monday night. Also I want to brag on the 911 operator for her prompt and fast work in reaching the Fire Department and the R.E.A. at Floydada to check out the lines. Everyone responded in a very short time. To the Commissioners for the fast response of getting a fire guard around the burn, this saved a lot of grass. Again thanks to all. We appreciate the help.

Commemorate your special occasion with photos by Don's

Have you ever wished you could capture your children or that special someone just as they are — and keep it forever? Don's Photography in Plainview can do just that. With 21 years of experience and award winning quality, Donald Dickson's full-service studio can take photos of you, your friends and family that will commemorate all of you just as you are in the present.

Dickson is recognized across the nation for some of his photography techniques, and he teaches courses and seminars nationwide. It is a great advantage to have his talent located so conveniently near in our area.

Easter is just around the corner, and Don's features an April Easter promotion for your little ones. With live, in studio, rabbits and a special background Don's waives the sitting fee on the special package of Easter portraits for your children. You need to be sure to call early for an appointment, because the slots fill quickly. Featured packages start as low as \$15.00 for this unique, special Easter offer.

Spring and summer are also the most popular times for weddings. Don's "Love Story" wedding package has won national awards. The package features an album that actually tells the story of the wedding, including: preparations, ceremony, and reception. Special packages are priced to fit your needs and budget.

Year around, Don's features specials for children ages six months and up. An extremely popular package seems to be one featuring mother and infant (which is a beautiful testament to additional children in the setting). These photos make excellent Father's Day and Christmas gifts.

Summer is drawing nearer daily. Additionally, Don's does

Summer Time Family Portraits. A unique one includes casual family portraits taken in the shop's exclusive outdoor garden. It makes a beautiful, once in a lifetime photo of the family in a wonderful summery setting.

With hundreds of frames of all sizes and shapes in stock, Don's Photography can mount and frame your photos for immediate delivery. In addition, they will be running senior photo and Christmas specials.

Next time you want to commemorate your family or special occasion with a photo, contact Don's Photography.

Wayland Shopping Center on the south side of the street at 1501 West Fifth, shop hours are Tuesday through Friday from 9:00 a.m. to 6:00 p.m. and Saturday from 9:00-1:00. Other arrangements may be made by appointment. Call 806-296-2276 to set up your appointment.

Check with them throughout the year for your photo needs.
