

W. R. Coffee, 40 Year Resident, Dies Sunday

W. R. Coffee, who farmed in the Quail community for 40 years, died at his home in Wellington at 6:30 p.m. Sunday evening, July 17. He had been ill for the past month, and his condition had grown steadily worse.

He was 64 years and nine days of age. Funeral services were held at the Quail Church of Christ Tuesday afternoon at 2:30 p.m., with Minister Gray Carter of Memphis in charge. Gathering to pay tribute was those who had been friends and neighbors for 40 years, and those who in the years that had followed had come to know and respect him.

Pall bearers were Van Allred, George Stephens, W. A. Colson, P. E. Starr, Lee Minaryard and Levi Needham. Flower bearers were Mrs. Haskel Baggett, Mrs. Levi Needham, Mrs. Shelton Nunnally, Mrs. Alex Shields, Mrs. George Stephens, and Mrs. Earl Hunter.

Hymns included "Farther Along," "Precious Memories," and "In the Sweet Bye and Bye." Burial was in the Quail cemetery under the direction of the Ellis Funeral Home.

William Roscoe Coffee was born July 8, 1885, in Monroe, Tennessee, the son of Thomas A. and Ruth Stone Coffee, both also natives of (Continued on Page Eight)

Paul Fivel Named Creamery Head

Paul Fivel came to Wellington recently from Houston, to take over as superintendent of the Steve Owens Creamery, it was announced this week.

Mr. Fivel was with the Camellia Creameries in Houston for three years before coming here.

A graduate of Texas A&M College, he has a degree in dairy manufacturing. His home town is Galveston, and he graduated from Kerwin High School there.

During World War II, he served with the Counter-Intelligence Corps as a special agent in the Pacific area and Japan. He was stationed in the latter country from August 15, 1945, until December, 1946, where his work included war crimes investigation.

Mr. Fivel said that a creamery program is being worked out embracing all the most modern phases of the business.

Addresses of Members Sought

WHS Graduates of '33 Plan Class Reunion

Did you graduate from Wellington High School in 1933. Would you like to have a class reunion and barbecue?

Plans for such an event are in the making, and September 3 has been set as the date.

The idea was worked out by Mrs. John Walker, Abilene, and Barney Glenn recently, and an effort is being made to contact every member of that class. Mrs. Walker, who will be remembered by many as Miss Mary Frances Templeton, has the class roll, but the present addresses of many of these graduates is not known to her.

All persons interested in holding this reunion should contact Mr.

Batchelor to Borger School

James Batchelor, member of the high school coaching staff last year, and more recently employed at the Wellington State Bank, has been elected a member of the coaching staff of Borger High School, and he and Mrs. Batchelor have already moved there to make their home.

In addition to his teaching position, Mr. Batchelor is a pitcher on the Borger baseball team, in the West Texas-New Mexico League.

Mrs. Batchelor will also teach in the Borger school.

Mr. Batchelor will be assistant football coach and head basketball coach in the Borger school.

Monday night he pitched a 5-3 win over the Amarillo baseball team in one game of a double header that was a key spot on the Borger schedule.

Going from Wellington to watch this win were A. Y. Bell, Floyd Cole, Dick Richards, J. M. Strong, Mish Dykeminiar and Jess Boyd.

Mobile Unit X-Rays 2,025 On Visit Here

Free Chest x-rays were given 2,025 Collingsworth County residents and Wellington trade area residents during the five days the mobile unit of the State Health Department was in Wellington, Dr. E. K. Jones reported this week.

"We feel that it went over well. Naturally, our aim is toward a much larger number, but we are indeed happy that so many people took advantage of this opportunity," he commented.

Dr. Jones has already asked that the mobile x-ray unit return to Wellington next year for the entire week, preferably in early September, when fewer area residents will be away on vacation.

"We sincerely appreciate the effort of every person who worked to make this x-ray unit's stay here a success, and also every person who had a chest x-ray made," he said.

Judge Gribble Hears Court Validity Case

Judge Luther Gribble, presiding Judge of the 100th Judicial District and the 9th Administrative District, is trying a case in the 108th District Court, Amarillo, that will determine the constitutionality of the Court of Domestic Relations for Potter County, as set up by the Legislature in the session just ended.

The trial opened Wednesday morning, July 20.

Two suits were filed in the 108th district court relatives to the constitutionality of the court of Domestic Relations, and since both cases concern the same questions, they are being tried together.

Both Judge W. E. Gee, presiding judge of the 108th District, and Judge Henry S. Bishop of the 47th District were disqualified from presiding at this case, and the attorneys through Gee, requested that Judge Gribble try the cases.

The Court of Domestic Relations in Amarillo would deal primarily with divorce cases, delinquent, neglected and dependent children, cas-

Judge Luther Gribble

Cholera Epidemic Is Spreading

The epidemic believed to be hog cholera appears to be spreading over the county, and hog raisers are urged to watch their animals closely and the administration of serum is recommended, J. W. Thom-

as, county agent, said Tuesday, July 19.

The current epidemic appears to be of the chronic type in which the affected hog is sick from seven to 10 days before dying, rather than the acute type, better known in this area, which runs its course in about three days.

Mr. Thomas said that the cholera serum gives immunity for about six weeks, while BT, a vaccine, insures immunity for eight months.

This is the first epidemic of any proportions in this immediate area in about two years.

Nazarene Revival Opens July 27

The Rev. Austin Moore, pastor of the Church of the Nazarene, has announced the opening of an old fashioned revival to begin Wednesday evening, July 27, and continue for 10 days.

The Rev. Paul Gray, an evangelist of Pasadena, Calif., will be in charge of the preaching.

Services will be held at 8:00 p.m. each evening, and Rev. Moore has extended a cordial invitation to the public to attend.

Mangum Wants the Top Place

Dukes Meet Mangum In Key Game Sunday

The Dukes of Wellington play one of the key games of the season Sunday, July 24, at Marian Airpark when they meet Mangum in a game that could decide who wins the league championship.

The Dukes still lead the district with 14 wins and 4 losses, but Mangum is only three games behind with 11 wins and 6 losses, and if anything, they have a team that is getting stronger.

The grapevine has it that they are confident they will take the Dukes even on he Duke's home diamond.

The Dukes will have Jess Upton on the mound, and they also are sure of winning.

These two teams have always had the highest spirit of competition and have always played top baseball each time they meet.

Tickets are now on sale at a number of stores for this game.

The Dukes added two wins to their list last week, beating an im-

proved Shamrock team 8 to 1, behind the six-hit pitching of Johnnie Johnson.

Before one of the largest crowds of the season, the Dukes Sunday continued their winning ways by romping over Childress 9 to 2.

J. M. Strong said Wednesday at noon that a game has been matched with Paducah here Thursday night at 8:30. The Dukes have played them once before, winning 2 to 1. They are at the top of the Greenbelt League by a good margin and this should be a good game.

The Dukes are using a new pitcher and would like for everyone to see him.

Lefty McDonald turned in a five-hit game while the Dukes were hammering Kenneth Rippetoe and

(Continued on Page Eight)

John S. Coleman Heads American Legion for Year

John S. Coleman, World War II Army officer, was named commander of the American Legion for the coming year at the election meeting held Thursday night, July 14. He succeeds Bobo Castleberry.

Other officers chosen were Judge R. L. Templeton, first vice-president; Jess Wilson, second vice-president; Eli Wolf, third vice-president; Mr. Castleberry, finance officer; Harry Gilbert, adjutant; Rolly Fisher, service officer and chairman of the rehabilitation and child welfare committee; the Rev. Lester Hill, chaplain; J. W. Tarver, sergeant at arms; and Clark Anderson, historian.

These officers will be installed at the regular meeting Thursday evening, August 4, at 8:00 p.m.

Odd Fellows Plan Joint Installation With Area Lodges

Officers named by the Odd Fellows at their recent mid-year election, along with those from four other towns will be installed at a service in Memphis Monday night, July 25.

Paul Brewer will take the office of Noble Grand and Hubert Bowen as vice-grand. Hold-over officers are Fred Kersten, secretary, Raymond Terry, financial secretary, and Buster Hughes, treasurer.

Other lodges installing at the same service will be those at Memphis, Lakeview, Childress and Clarendon.

Higdon, White to Buick Meeting

E. F. White and N. M. Higdon, of Higdon Auto Sales, local Buick dealer and salesman, go to Fort Worth on July 21 to attend a preview of the new Buick Special model which will be introduced to the public next month.

Some 800 dealers from the Dallas Zone will be present at the all-day session to be held at the Municipal Auditorium with the meeting being described as Buick's most important full-fledged dealer convention since before the War.

The Special is Buick's lowest priced model and is reported to be completely redesigned. It has been eagerly awaited by the industry since the former model went out of production last December.

J. V. Nance, Zone Manager, will preside and, with his staff, will relay to dealers technical and descriptive data on the Special which they obtained during a field sales organization convention in Flint, Mich., July 11-13. Talks on films will be presented to dealers by Buick's top management covering all phases of manufacturing, engineering, sales and merchandising.

Ceramic Club Names Officers

Mrs. Dorothy Akin was named president of the Ceramics Club organized by approximately 25 Wellington women Saturday, July 16.

Mrs. Cal Sugg is secretary-treasurer and Mrs. Clyde Drake reporter. Mrs. Jess Cook served as chairman at the organization meeting.

Plans were made for classes in pottery making, beginning this week, with Mrs. Dempsey Harrell of Borger, formerly of Wellington, as instructor.

Mrs. Harrell will come here once each week to give instruction, and the classes will continue for a period of ten weeks.

Classes will meet at the American Legion Hall.

Mrs. J. M. Strong, Mrs. Chas. Slay and Mrs. Cook were named a committee to select the location and make arrangements for an electric kiln in which to fire the pottery.

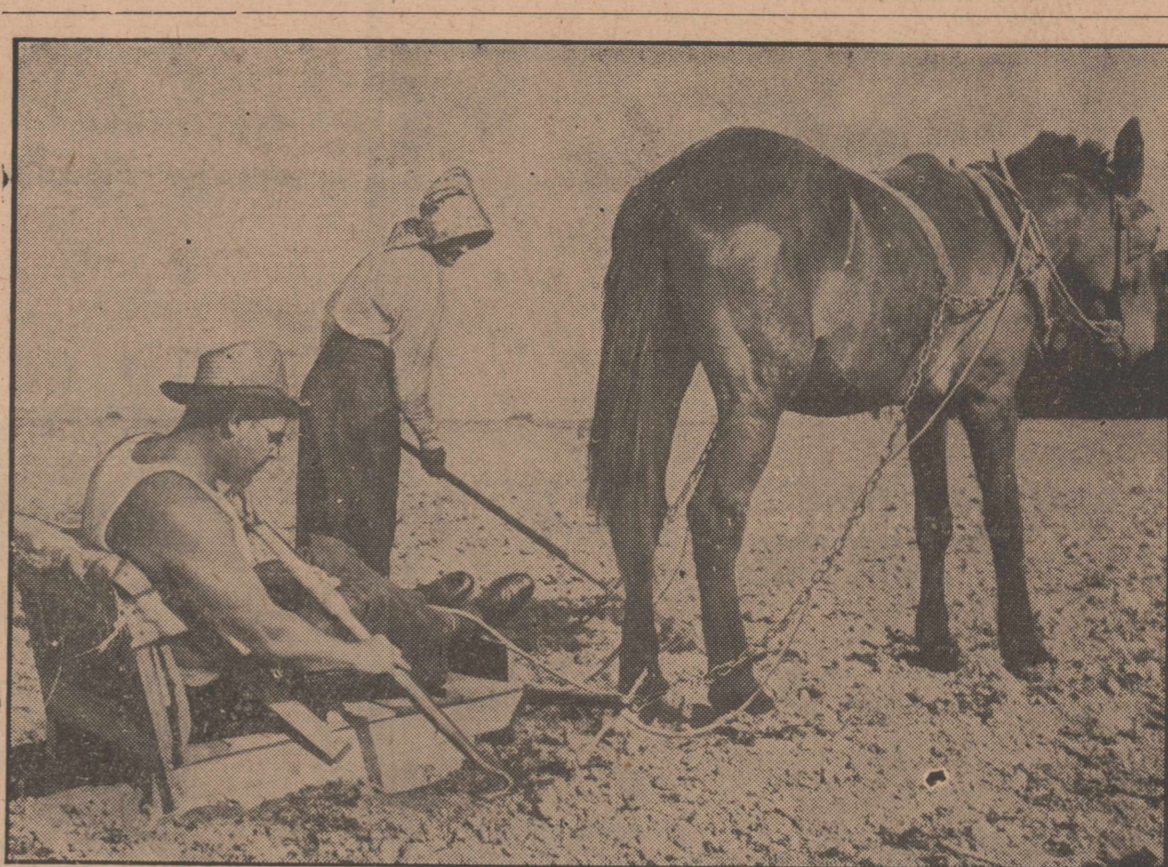

A membership committee was named consisting of Mrs. J. B. Castleberry, Mrs. Clarence Littleton and Mrs. Pearl Parker.

Those interested in arranging for classes should contact Mrs. Cook.

Making of many types of articles in the field of ceramics will be taught, and the organizers point out that the work can become either a hobby or a business, depending on the inclination and ability of the member.

Non-members may also use the kiln for a small fee when it is installed, but members will have first

School Election July 30 of Vital Importance to County Education

HOEING HIS OWN ROW

"There are plenty of good things a guy can do," says farmer telephone lineman Ray Burd, who lost the use of both legs during the war. The crippled veteran proved his statement by turning to farming. Above,

helped by Ora Bell Jarrett, he uses a mule-drawn sled to chop cotton on the Jarrett farm near Memphis, Tenn. He still must report to a hospital every three days.

Saturday, July 30, marks the date on which qualified taxpaying voters of the county will vote on the proposal to raise the tax rate from the present \$1.00 and \$1.25 to a uniform \$1.50 per hundred dollar valuation.

Purpose of this proposed increase is to enable Collingsworth County schools to participate in the benefits of the Gilmer Aikin Act, passed by the Legislature in June.

Elections will be held in all school districts on Saturday, July 30, but each district will vote independently. For example, one district may vote to not raise the tax rate, while all others approve the measure. Action of that one district would affect only itself, and none others.

Election judges and clerks were announced this week by B. W. Beard, county superintendent, and the elections will be held in the usual polling places in the communities.

If the county is to participate in the benefits of the Gilmer-Aikin program, \$55,350 in local funds must be raised. Under the current rate, funds amount to \$68,030, but one half of this is already earmarked to pay off the bonded indebtedness and only \$34,015 is available for local school funds.

It is to raise the difference between \$34,000 and \$55,000 that the increase in tax rate is asked.

The valuation of property in the school districts, the percentage of (Continued on Page Eight)

Annual Rodeo and Old Settlers Reunion Dates August 16-20

The annual three-day rodeo, followed immediately by the traditional Old Settlers Reunion has been announced for August 16 through 20. As was the case last year, these two events are separate, but coming consecutively for four big days of entertainment.

The Wellington Rodeo Association, directors of the Rodeo, has turned the sponsorship of the event over to the Key Club, recently organized junior group of the Wellington Kiwanis Club, Cameron Beam, president of the Rodeo Association, Sunday School Class, club or individual business firm wishing to enter a float is urged to do so. All horsemen and women are invited to take part.

It is county wide, not confined to Wellington alone.

There will be three night performances to the big amateur rodeo, again advertised as not the biggest, but the fastest rodeo in the Panhandle.

More than \$1,500 in prizes will be given away. Clowns will provide the fun at rodeo performance.

ations committee; Fleet Pruden, stock feed and concessions; Ben Hurst, repair and seating arrangement of the arena; Guy Clay, parade chairman; and Guy Bell, arena director.

Mrs. John King will act as hostess to the cowgirl sponsors, and Miss Mary Ann Richards will be Wellington's sponsor in the event.

The big parade which starts off this year's celebration will be even larger than last year's excellent one, also directed by Mr. Clay. Any organization, Sunday School Class, club or individual business firm wishing to enter a float is urged to do so. All horsemen and women are invited to take part.

It is county wide, not confined to Wellington alone.

There will be three night performances to the big amateur rodeo, again advertised as not the biggest, but the fastest rodeo in the Panhandle.

More than \$1,500 in prizes will be given away. Clowns will provide the fun at rodeo performance.

The Key Club will sponsor caravans to other towns advertising the big 4-day event. The Square Dance Club, under the leadership of Horace Small and Emory Hunter, has volunteered assistance.

The Old Settlers Reunion will follow its familiar pattern, when early settlers, and those who came at a latter day, but still more than 25 years ago, meet at the LaHue Grove August 19. There will be a full day of visiting and a basket dinner spread under the big trees at noon.

Invitations will be sent out of county pioneers, and anyone knowing the name of an early settler whom they wish to have an invitation is urged to leave that name with Miss Katherine Boverie at the county library.

"I am being asked daily if we are going to have the reunion, and I want to assure every one that we will," Mr. Thomas said.

Fuller details of both events will be announced later.

Assembly of God Revival Opens

Evangelist Mamie Watkins of California, a lecturer, teacher and evangelist, is conducting a revival meeting at the Assembly of God Church, 406 El Paso Street.

Evening services are held, beginning at 8:15 p.m., and the revival will continue for two weeks or possibly longer, the Rev. Austin Jolliff, pastor, announced.

"Mrs. Watkins is presenting a study of present happenings in the light of Bible prophecy," Rev. Jolliff said. "She is a rare Bible expositor with many gifts and is greatly appreciated by all. You are invited to come and bring your questions on present day happenings, the end of the age, the return of the Lord, the Anti-Christ, the Mark of the Beast, the Tribulations, etc., the pastor continued.

Sermon subjects during the next few nights will include "The Atomic Bomb and World War Three," "The North Atlantic Pact and How It Fulfills the Bible Prophecies for the Last Days," "China and Other Far East Nations, Going Communist and Why," and "Some of the Newest and Deadliest Weapons of Modern Warfare and Wholesale Destruction."

Motor Company Adds Equipment

Charles Allen, manager of the Wellington Motor and Tractor Company, John Deere and Oldsmobile dealers, announced this week the installation of a Sun distributor or tester and a Sun motor tester for scientific motor diagnosis and tune-up.

"This new equipment will enable us to tell exactly what is wrong with your car, truck, or tractor before we start to work on it," Mr. Allen said.

"We feel that our staff of mechanics, headed by W. T. Williams, will be able to give you even more exacting service since we have provided these better methods of tuning your car so that it will perform at maximum efficiency," he continued.

District Court During Next Week

Judge Luther Gribble, presiding Judge of the 100th judicial district, will hold court in all five counties of the district during next week.

Court will open in Wellington on Monday, Tuesday, Judge Gribble will be in Childress; Wednesday in Memphis; Thursday in Clarendon; and Friday in Panhandle.

choice as to time of using.

Those who take membership in the club do not necessarily have to become members of the class of instruction, nor must those taking lessons become members of the Ceramics Club unless they wish.

Leaf Damage on Several Thousand Acres

Cotton Production Loss by 2-4-D Damage Believed Small

More cotton acreage has been affected by spraying with weed-killing 2-4-D in neighboring fields than is generally realized, but the productivity of only a small percent of this will be lowered.

This is the general opinion of J. W. Thomas, who during the past week has examined numerous fields where 2-4-D damage has been reported, or talked with owners of such cotton.

Mr. Thomas added that from

information he had available now, he believed the production on not more than 1,000 acres will be lowered, although damage has been reported on a total of several thousand acres scattered over the county.

"This has been reported from the west part of the county, from around Wellington, from Fresno, and there's even damage to cotton on the town section, and it is in my own field," he said.

Most of this damage came from late spraying of wheat fields and pasture for weeds, or later spraying for sage brush, and the spraying was apparently done on days when the wind was too high.

While speaking encouragingly that damage appears to be confined mainly to the leaves, Mr. Thomas did not minimize the danger of using 2-4-D, or the importance of using it exactly as the manufacturers direct.

"We have a fine weapon for killing weeds in 2-4-D if it handled right, and if public sentiment does not become so aroused against it that legislation will be passed prohibiting its use.

"The situation that is existing in our cotton fields is not local, it is occurring right now in almost every cotton growing county in the

(Continued on Page Eight)

Charles Allen Named National Guard Officer

of captain.

He is a graduate of Shamrock High School and attended Texas Technological College and the University of Colorado.

He and his family moved to Wellington a year and a half ago, when he became associated with the Wellington Motor and Tractor Company.

Mr. Allen said that plans for a National Guard membership drive are being made, and the drive will probably get under way following the return of a number of the present members from harvest.

"Zero-Zero" to "CAVU"

By BILL HUGHES

If we desire our school to open and complete a full 1949-50 school year, it is necessary to vote "Yes" to raise the tax vote from \$1.25 to \$1.50 for a two-year period. In order to participate in State Aid under the Gilmer-Aiken Act, we have to put into the pot very close to \$10,000 more than we have available from \$1.25. In return for this \$10,000 the State will give back in the form of teachers salaries very close to \$30,000, or we will get back \$3.00 for every \$1.00 put into the State fund.

If we do vote this increased tax rate, we will not have enough funds to meet our required portion of the State-Aid levy. We will, therefore, forfeit our right to State-Aid. If we forfeit our right to State Aid, then we must either raise our tax rate to something above \$200 in order to pay our teachers ourselves without help, or we can use the money from \$1.25 rate for as long as it will hold out. When the money is exhausted there will be no choice but to close with an unfinished year.

Should it be necessary to go this latter route on the \$1.25 for as far as it would stretch, it is my personal opinion that we would lose a considerable number of teachers before ever getting started because they will naturally seek to find a place in a school that will give them a full year's work. We will, therefore, have no school at all.

While the election for this increased rate is authorized and called by your local boards, the reason for it was created by necessity to comply with an act of legislated law. The decision was made for them. They had no choice.

Education is one of the two most important corner stones of America of its way of life, and of its standard of living. It does not matter whether you have a dozen children or no children. Children are not just the hope of the future, but they are a vital factor to everyone of us every day of our lives no matter to whom they belong or from whence they come. Unless you as an individual plan to die in the next hour or so, the result of the education of American children is affecting your life right now, today, because children are growing up and are taking their place along side of you in business, agriculture, government, and community affairs every day.

It is a matter now of whether one likes or dislikes the Gilmer-Aiken bill or whether one likes or

dislikes the thinking and action of our legislature in Austin. The thing is done and anyone voting against the raise won't be voting against the School Board, the Democrats, the Governor, the Legislature nor the Gilmer-Aiken Act. They will be voting against the children, against education, against themselves.

Mr. and Mrs. George Lee of Wichita Falls who were here for the Air Show, visited in the home of Mr. and Mrs. J. B. Faulkner during the week end.

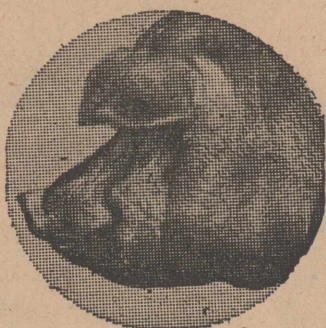

Dan Jones Family Moves to Childress

Mr. and Mrs. Dan Jones are moving this week to Childress to make their home. Mr. Jones is an employee of the State Highway Department.

"We have certainly enjoyed our five years in Wellington, and we have made many friends here," Mrs. Jones said upon leaving.

Mr. Jones was with the highway department most of the time they were here, although for a while Mr. and Mrs. Jones were owners of the Pullman Cafe.

Cotton for Dancing or an Outing
A bright, playful formal puts this comely coed in a dancing mood. Her youthful dancing frock is designed in brilliant Scotch plaid cotton. The Natural Cotton Council reports that plaids are among the most popular of the new spring cottons. This all-occasion dress has a shirt-waist blouse with convertible collar, and the skirt is pleated all around. This pretty cotton frock is typical of the "house dresses" that have come out of the kitchen to go places.

Society News

Abra Citizens Honor Couple

By Correspondent
Mr. and Mrs. Edd Brown were honored with a shower last Saturday night. A group of neighbors and friends gathered at the Abra school house and went in a body to the home of the couple.

Entertainment consisted of group singing and several special numbers were given by Loretta Barnett and Claude Caperton Jr.
The Browns received many useful gifts. Refreshments were served to the following: Mmes. and Messrs. Roy Billingsby, Doyce Cochran, Pat Bradley and Harvey Pat, J. H. Phillips and children, Gus Gooch, Cecil and Ronnie, A. F. Wischkaemper Sr., C. H. Caperton and Claude Jr., Cortez Barnett, and Loretta, Hueyln Laycock and children, Nash Thompson and children, James Murry and children, Leroy Bell, Frank Mayo and children, C. C. Brown.

Also Mmes. Jim Clark, J. D. Throckmorton, Gussie Cornell and children, J. C. Jones, Wayne Laycock, J. F. Brown, and Lavern Deviney.

Those sending gifts were: Mmes. and Messrs. John Roth, Alex Coleman, Dave Kincannon, Wood Coleman, E. L. Rankin, and Miss Effie Rankin.

Hostesses for the occasion were members of the Women's Society of Christian Service of Dozier.

Mrs. H. Yarbrough Hostess to H.D. Club

Subjects for the 1950 year books was discussed Tuesday, July 12, when the Dodson Home Demonstration club met in the home of Mrs. Homer Yarbrough. Miss Jo Wylie gave a demonstration on "How to Set a Table" and "Washing Dishes." She stressed the point of saving steps by using trays.

Refreshments were served to Mmes. Tom Boling, Joe Birchfield, Kenneth King, Thurman Crownover, Chester Wadley, Bill Brewster, Ben Bogle, Marvin Wynn, Z. McKinney, Elbert Warren, Bynum Hightower, Miss Wylie and the hostess, Mrs. Yarbrough.

Midway H. D. Club Has Chicken Fry

Members of the Midway Home Demonstration Club and their families enjoyed an outdoor chicken fry in the grove at the home of Mr. and Mrs. Tom Caldwell Thursday evening, July 14.

Attending were Messrs. and Mmes. Sam Berryman and boys, W. C. Johnson and family, Charles Cason Sr., and boys, B. W. Beard, Rufus Nelson, J. W. Thomas and boys, Ben Brewer, Miss Jo Wylie, Clyde Ingram, Harold Caldwell, and Mr. and Mrs. Caldwell.

Legion Auxiliary Elects Officers

The American Legion Auxiliary met at the Legion Hall Thursday evening, July 14, for the purpose of electing officers for the coming year.

The following officers were elected officers for the coming year.

The following officers were elected: President, Mrs. Harry Gilbert; First vice president, Mrs. Rolly Fisher; Second vice president, Mrs. Joe Thompson; Third vice president, Mrs. Ruth Cochran; Secretary-Treasurer, Mrs. John Bevers; Chaplain, Mrs. Riley Dunson; Sgt. at Arms, Mrs. Ola Wall; Poppy Chairman, Mrs. Elsie White; Historian, Mrs. Marvin Somerville. Installation will be held the first

Norwood H. D. Club Meets with Mrs. Knoll

Mrs. Alfred Knoll was hostess to the Samnorwood Home Demonstration Club Friday, July 8.

The meeting opened with a song from the club song book, followed by roll call and reading of the minutes. It was decided that all members were to make a sack article to be auctioned at the next meeting on July 22. After a report on council meeting the program was turned to Miss Wright, R. E. A. Home Economist, who showed a film on the "Progress of R. E. A. Since 1915."

Miss Jo Wylie, County Home Demonstration Agent, showed three films on "Canning Peaches and Tomatoes," "Canning Vegetables the Steam Pressure Way" and "Backyard Gardens." Mrs. Willie Knoll directed two interesting games.

Refreshments were served to the following members: Mmes. Charley Bradley, Willard Ethridge, Glazner, Knoll, V. J. Simpson, E. P. Tipps, Lu Thompson, Nath Thompson, Alec Coleman and Ann, Donald Coleman and baby, Misses Wright and Wylie, and visitors, Mrs. Hyman and Mrs. Ernest Moore of Clinton, Oklahoma, and the hostess, Mrs. Knoll.

Xmas Party Held Monday Evening

Members of W. S. C. S. held a July Christmas party Monday evening at the Methodist Church. Christmas music and a Christmas devotional were enjoyed by the group. Helen Holder and Tommy Ann Campbell sang "Silent Night." Mrs. Hook Elliott spoke on "Why We Have a July Christmas Party." Refreshments were served to approximately twenty-four guests.

Shower Honors Mrs. Raymond Ford

Pink gladiolus decorated the entertaining rooms for the pink and blue shower, held in the home of Mrs. Elvis Crawley recently, complimenting Mrs. Raymond Ford. Hostesses were Mrs. Crawley, Mrs. James Killian and Mrs. Ernest Nunnolley.

Mrs. Crawley and Mrs. Ford received the guests. The honoree, her mother, Mrs. Hayden Williams and mother-in-law, Mrs. J. C. Ford were presented corsages of pink carnations. Mrs. Killian registered the guests. Mrs. J. H. Wood displayed the gifts.

The lace covered table was centered with an arrangement of baby pink garden flowers. Sand tarts, salted nuts and mints were served with the punch, which was poured by Mrs. Nunnolley.

Gifts were presented by Mmes. Lynn Carter, Arthur Kane, Fred Covey, A. B. Clark, L. O. Tyson, C. B. Nunnolley, Albert Fulcher, Orval Vaughan, Pink Sullivan, Sidney Elmore, George Farris, A. L. Head, R. H. Crane, R. B. Young, Juanita Van, Wilton Ketchum, Fred Patterson, Carthel Lewis, Shelton Nunnolley, Bob Hightower, Annie Wall, Clark Anderson, W. H. Culwell, F. L. White, W. A. Morrow, Luther Gribble, Mack Saied, C. A. Kesler, Elvis Crawley, Prebble Russell, Boots Sechrist, Wood, George Ketchum, John Aaron, Cliff Camp, Mabel Forbis, Barney Cook, Homer Kesler, E. N. Lewis, J. A. Killian, Green Hodges, Ford, Williams, Miss Lola Fay Richerson, the honoree and the hostesses.

Special music by Mmes. Ben Wilhelm and William Barjenbruch, and group singing were enjoyed.
Punch, lemonade and cookies were served to the following guests: Mmes. Howard Jones, Geo. Keller, J. L. Hays, J. C. Whisenant, Henry Davidson, Riley Dunson, Wilhelm, L. A. Hunt, Jess Cook, C. R. Leggett, Edna Woolbridge, Lester Hunter, Cicero Guldrige, Ed Miller Jr., J. J. Atkinson, J. A. Lowe, Barjenbruch, little Misses Katherine Ann Hennard, Katherine Smith, Polly Karen Cook of Smithfield, the honoree and the hostesses.

W. M. S. Installs Officers Tuesday

W. M. S. of the First Christian Church held Installation of Officers Tuesday afternoon, July 12, in the home of Mrs. W. W. Sugg.

Installing officer was Minister A. W. Gray. Mrs. Raburn Holton gave the devotional.

Officers installed were Mrs. Cal Sugg, president; Mrs. Emil Kersten, vice president; Mrs. Holton, secretary; Mrs. Obert Childress, treasurer; Mrs. Archie Gray, treasurer of special fund.

After a short business meeting, refreshments were served to the following: Mmes. Childress, Holton, Kersten, J. E. Leggett, H. M. McCaskill, C. C. Ralls, Sandown Smith, Cal Sugg, C. C. Bishop, Minister and Mrs. Gray and Mrs. Sugg.

Farwell Party Honors Mrs. Dan Jones

Mrs. Mildred L. Tyler and Dorma Lee Tyler were hostesses to a farewell party and watermelon feast, Thursday evening, July 14, in honor of Mrs. Dan Jones.

Present were the honoree, Mrs. Jones, Mmes. Florence Hughes, Willie Belle Kersten, Bertha Drummond, Francis Hughes and son Mike, Ruby A. Smith and granddaughter, Gwyndolen, Dona Tucker of Childress, and the hostesses, Mrs. Tyler and Miss Tyler.

Home Decorators Borrow Fashion Fabrics
Home decorators are borrowing ideas and fabrics from the women's world of fashion this year, according to House and Garden decorating authorities. They report that cotton fabrics of every description have been adapted from the fashion field for use in the home. The room shown above is designed in metallic gingham that is also a favorite for glamorous dresses.

Mrs. Luther Thompson Is Shower Honoree

Mrs. Luther Owen Thompson, bride of June 24, was honored with a bridal shower in the home of Mrs. Oscar Payne of Samnorwood.

Hostesses for the occasion were Mrs. Payne and Mrs. Hugh Grogan. Mrs. Thompson is the former Miss Arleen Pullum of Denver, Colorado.

Guests were met during the evening from 2:00 P. M. to 5:00 P. M. by Mrs. Payne and Mrs. Grogan. Miss Sherry Grogan presided at the guest book.

The gifts were displayed in the bedroom and later opened by the bride and passed among the guests. Bouquets of gladiolus were used as decorations and the large punch bowl centered the lace covered dining table.

Attending were Mmes. Joe Rountree, Jim Whitfield, Donald Cole-

man, Orville Cunningham, Clarence Garrison, A. J. Taylor, R. L. Thompson, Lee Roark, Harry Jones, S. J. Glazner, S. J. Carrell, Jess Deger, Cecil Brown, J. C. Jones, C. H. Caperton, Wood Coleman, C. C. Brown, Joe A. Coleman, Geo. Childress, C. J. Bradley, Theo Parker, Walter Pullum, Willard Ethridge, Barney Walker, Tom Cunningham, Sarah Jobe, Alex Coleman, Doug Payne, Charles Young, Preston Glazner, J. M. Montgomery, Henry Bockman, Edna Pearl Groves, John Groves, Everett Fain, W. W. Oldham.

Officers Installed By Rebeckah Lodge

Installation of officers of the Rebeckah Lodge was held Monday evening, July 11.

Mildred L. Tyler received her Past Noble Grand pin. Lula Fae Burkhalter was installed as Noble Grand. Margaret Fuson, Vice Grand; Right Supporter to Noble Grand, Francis Hughes; Left Supporter to Noble Grand, Willie Smith; Inside Guard to the Noble Grand, Willie B. Kersten; Outside Guard to Noble Grand, Bertha Drummond; Right Supporter to

Dodson Civic Club Holds Annual Picnic

The annual picnic of the Dodson Civic Club was held Wednesday July 13, in the park, under the supervision of president Esther Bowling.

After a feast of fried chicken, salads, pie, cake, drinks and cold melon, the group was entertained by the Alvie Woods string band from Wellington.

Those attending were Mr. and Mrs. L. A. Rollings, and grandson, Snazz Malone from Vernon, Mr. and Mrs. H. G. Estes, Mr. and Mrs. Floyd Teutsch and son, Glenn, Mr. and Mrs. T. J. Bowling, Mr. and Mrs. H. A. Painter and grandson, Roger Heigh and small cousin, R. Francis from Hollis, Mr. and Mrs. Z. O. McKinney, Mr. and Mrs. Ross Swift and girls, Jeanette and Zenith, Mr. and Mrs. Joe Wilson and Pete Ballard from Wichita Falls, Mr. and Mrs. B. B. Martin, Mr. and Mrs. Jerry Martin and grandmother, Mrs. Vickey Whitfield, Mr. and Mrs. Ewing Ready, E. J. Smith and mother, Mrs. Smith, and little daughter, Susan, all from Hollis, Mr. and Mrs. J. O. Howell and Jimmy, Mr. and Mrs. Alvie Wood and daughter, Alva Nell and Gene Grimes from Wellington, Mrs. Maggie Webb and mother, Mrs. J. E. Farris from Hollis.

Mrs. Pigg Hostess to House Log Club

By MRS. R. L. KARNES
The House Log Club met Friday afternoon, July 8th, in the home of Mrs. M. C. Pigg.

The song entitled "Showers of Blessings" was sung by the group after which a prayer was led by Mrs. Edd Carter.
"Family Entertainment" was discussed and plans were made for a picnic in the park late in the afternoon of Friday, August 5.
Refreshments were served to Mmes. Edd Carter, Eddie Smith, John Henry Ward, R. L. Karnes, Little John Wesley Ward, and the hostess, Mrs. Pigg.
The club will meet with Mrs. Edd Carter July 22.

Shower, Breakfast Honors Mrs. Kromer

Mrs. J. W. Kromer was the honoree at the surprise pink and blue shower, which was given with a breakfast in the home of Mrs. J. M. Strong last Monday, July 10.

Presenting gifts were Mmes. A. Y. Bell, Obert Childress, A. W. Gray, Raburn Holton, Emil Kersten, Bob Leggett, J. E. Leggett, C. C. Ralls, Cal Sugg, W. W. Sugg, Jess Wilson, C. C. Bishop, Guy Clay, Mack Saied, Robert Strong and Mrs. Strong.

Sending gifts were Mmes. Sanrown Smith, V. K. Mincey, Percy Wells, O. L. Cochran, L. C. Hill and Miss Inez Leach.

Farm Safety Is Your Banks Concern

This bank is vitally concerned in Farm Safety, too, just as are the farmers of the area whom it serves.

Farm accidents that may mean financial loss to a family, or even loss of life, also mean a direct loss to the community, and to institutions such as ours. Yes, Farm Safety is our concern as well as yours.

NATIONAL FARM SAFETY WEEK IS JULY 24-30

First State Bank

DODSON, TEXAS

Deck's DIDACTICS

—By Deskins Wells

The people of Memphis and Hall County have voted 45 to 1 on a percentage basis in favor of raising their school tax rate to \$1.50 on the \$100.00 valuation. Actually this was the only practical thing for them to do; for it was necessary to get state aid. It was the only thing for them to do if they wished to have a first class school system. The same thing applies to the four districts of the Wellington area that will vote on this same question July 30.

On Page 4 of section 2 of this issue is an article by T. E. Lennon and J. C. Howell pertaining to the Dodson district. The general facts set forth in this story also apply to the other three districts. The Wellington district, which includes part of Childress County will have to raise its rate from \$1.25 to \$1.50 to get state aid. This increase will not increase the school taxes of the average taxpayer to any appreciable extent.

If we don't get state aid it will take a tax rate of well over \$2.00 to keep our teachers and maintain any sort of a school system at all. Actually folks, our course is very clear-cut in this matter. The only practical thing to do is to vote for the increase.

A notable honor has come to Judge L. E. Gribble this week. He was selected specifically by the lawyers in the case to try the suit in Amarillo on the constitutionality of the county's new Domestic Relations Court. He will write a verdict which is to be given higher court tests. If it stands, it will set a precedent

for every city and county in the state interested in establishing a separate court for handling juvenile cases and family problems. In that event, his verdict will be read by law students for generations to come.

What this county needs is one good soaking rain about the middle of August.

Cotton is looking wonderful right at this time and there is more acreage than ever before. If we hit a good yield per acre, business will be wonderful in Wellington this fall.

The Dukes play Mangum here next Sunday. That will be one of the crucial games of the season. Mangum is only two games behind the league-leading Dukes and a win Sunday could put Wellington in a precarious position. It will be a game that will be worth seeing.

There is talk that the Ritz may put in an open-air theatre. In fact, they might have already had it in if they could find a suitable 10 acre plot.

Mangum Gets Set For Rodeo, Reunion

MANGUM — Thousands of visitors will throng Mangum July 21, 22 and 23, during the 17th annual Greer County Pioneers Reunion and Rodeo.

Annual reunion of Greer county pioneers—settlers who arrived here before 1900—will be July 22 in Harmon Field, city park. Pioneers will register July 21 and 22 and will receive free barbecue tickets.

Eugene Eagin of Plainview, president of the pioneer's association, will present the program.

More than 100 cowboys are expected to enter the five contests scheduled for each rodeo performance. The rodeo will be at 8:15 p.m., July 21, 22 and 23. Prizes totaling \$1,500 plus entry fees will be divided among winners in bare-bronc riding, saddle bronc riding,

bulldogging, calf roping and bull riding.

A cutting horse contest has been added this year to the rodeo program. Special entertainment will be provided by Weaver and Juanita Gray, trick riders and ropers of Muskogee, and two rodeo clowns. The Mangum high school band will play for each performance.

Annual chuck wagon feed of the Pioneer Greer County O'boys association will be at 6 p.m. July 21 at Harmon Field. Glen Putman of Altus, wagon boss, and Dr. J. B. Hollis of Mangum, co-chairman, will be in charge of the reunion. The group includes trail riders of the 80s.

D. 1949.

LUTHER GRIBBLE, Executor of the Estate of Mittie Anne Mabrey, Deceased

Louie Beam left Sunday for Abilene to join the Hardin Simmons Cowboy Band members, playing at the Ranger Rodeo this week. The band will also play for the Top of Texas Rodeo August 2 through 6.

Mrs. John French and her brother, Mr. and Mrs. Joe Hill and family of Houston, are vacationing in Colorado this week.

Mr. and Mrs. Eddie McClaskey and Mr. and Mrs. David Armstrong spent Sunday visiting in Shamrock.

Mr. and Mrs. S. R. Pinkston spent the week end in Vernon visiting in the home of their daughter, Mr. and Mrs. J. Ben Boston.

Wiley Hazard of Los Angeles is visiting his sister and niece, Mrs. Odell Fenley and Janette.

H. T. Muncie of Amarillo spent a few days in Wellington visiting recently with his mother, Mrs. A. C. Muncie and other relatives.

Mr. and Mrs. Levi Needham and family visited with her brother, Mr. and Mrs. J. T. Ogletree, in Vernon over the week end.

WANT TO Swap? One Careless Habit—For A Chance To Live

We know how much you like those little chance-taking short-cuts which may save seconds, but which endanger your life and limb.

We like you to save time, but we like live, uncrippled customers even better.

So for your own sake, and for ours, won't you observe Farm Safety Week with us by taking a close look at your own work habits? And by swapping off the dangerous ones? The only safe farm is the one with safety-minded people. Now is the best time to start.

How about starting your safety check-up here — bull pen, safety shields on farm machinery, your light switches, handling of explosive fuel and the junction of your farm road with the main highway. You can add plenty of others to this list.

TELEPHONES and ELECTRIC RABBITS

In our efforts to provide telephone service for all who want it—we're a little like the greyhounds who chase an electric rabbit around the track. No matter how fast we move, we never quite catch up. This is because the demand for new service never slackens even slightly. We'd like to provide service for everyone immediately. Although that is impossible, we are continuing to install telephones for those on our waiting list at an increasingly rapid rate.

Future Farmer Work Pays Dividends

Wellington and Norwood Youths Get Lone Star Farmer Degrees

Three Wellington boys and one from Samnorwood, all working under the direction of Bennett Goodloe, vocational agriculture instructor of Wellington, have received Lone Star Farmer degrees of the state set-up of Future Farmers of America.

The boys are J. C. Nelson, Morris Johnson and Charles Hammon of Wellington and Clifford Johnson of Samnorwood.

These youths will attend the state Future Farmer Convention in Dallas July 21 through 23, and will receive their Lone Star Farmer degrees at the area banquet to be held in Amarillo at a date to be set in August.

Here those four boys tell in their own words the story of their vocational agriculture accomplishments that enabled them to be awarded the Lone Star Farmer degrees.

Morris Johnson

My Freshman year 1946-47, I entered agriculture and was in-

iated to the degree of a Green Hand under the instructions of Walker P. Todd. This proved a very interesting and profitable year. I purchased two lambs in October 1946, and fed them until we had our fat stock show in March. I sold them making a profit of \$10.54. I also purchased 11 pigs from my dad in the latter part of October 1946. I fed them for a period of 6 months making a profit of \$267.97. At the close of this school term, I received a Registered Hampshire gilt from the Sears Roebuck Livestock Club, on the promise of returning one gilt to some other boy in the chapter.

At the beginning of the second year, Bennett Goodloe became our instructor. In August 1947 I purchased a Registered Hampshire boar for the club future use. As my project the second year I had the Hampshire male and gilt. The gilt farrowed seven pigs in February 1948, and raised six. At eight weeks old I returned a gilt to an-

other boy in the chapter. I entered the sow and her pigs in the Fat Stock Show and received \$5.00 for first place. At the age of 6 months the pigs were sold, making a profit of \$226.97. The sow farrowed again in July 1948, raising eight pigs out of a litter of ten. In March 1948 I attended the Fat Stock Show in Fort Worth, with Mr. Goodloe and several other boys.

My projects for the third year were the sow, boar and eight pigs. In October 1948, three boys and myself were elected to attend the National F. F. A. Convention in Kansas City. We left with Mr. Goodloe November 13 and returned November 19. It was a very interesting trip. In February 1949 the sow farrowed the third litter. Farrowing a litter of 15 pigs, due to the cold weather the sow was unable to raise all 15 pigs, but raised 11. The first of March 1949 I sold the boar, making a profit of \$23.45. The eleven hogs now average 190 lbs. to 210 lbs. I plan on selling them the last of July. They should bring between \$400 and \$450.

The sow is supposed to farrow for the fourth time, the 12th of July. The sow has farrowed 32 pigs in three litters and raised 25 pigs. I have also learned many other interesting things in Agriculture. I have been on many judging teams that have won different placings, such as Dairy Judging, Crops, Senior Quiz, Livestock Judging, Conducting teams and Grass Judging. I have attended the Fat Stock Show at Amarillo all three years.

Having two years of Agriculture under Mr. Goodloe. I feel that I have learned many practical things which I hope will help me in the future. May I say thanks to Mr. Goodloe. He has been so willing and able to help me each time I have asked him in my F. F. A. work.

Charles Hammon

I entered Vocational Agriculture in the Comanche, Okla., high school in 1944. I chose for my project 15 baby chicks which I raised to be fryers and sold them.

Along with learning how to feed and care them, I also learned how to cull and caponize.

My second year in Vocational Agriculture, I had for my projects Duck Breeding, a garden, and showing poultry. I raised some

fine ducks and sold them at a fair price. My garden consisted of onions, mustard, spinach, and peas all of which I sold to the townspeople. I won three first prizes on my poultry and two second places. After having a start in Vocational Agriculture, I transferred to Wellington High School.

My third year I had for my projects 13 pigs which I fattened out and sold at a good profit. I also had two sows for pig productions. The two sows farrowed 22 pigs, but due to cold weather I lost 7 of them. The other 15 I fed out.

After having earned \$250.00 off of my projects in the three years that I took agriculture, it entitled me for a Lone Star Farmer Degree, which I will receive. I would like to say thanks for Vocational Agriculture for the many things I received from it, such as leadership ability and for a knowledge of the most important vocation in the world, Farming.

Clifford Johnson

I have been a member of the 4-H club and the F. F. A. since I was nine years old. I have enjoyed my work very much.

For my first project in the F. F. A. I had a Hereford calf that I fed out for the project show. I entered him in the show in 1945 and won a third place in the lightweight division. The same year I went to Clarendon as a member of the Judging team.

For my second year I purchased two calves. I entered them in the project show and I placed on both of them. One was a Hereford and the other was an Aberdeen Angus. I sold the Hereford at Wellington and took the Aberdeen Angus to the Amarillo Tri-State Fair. I also had a Dairy Heifer which I placed last with in the Wellington Fair. The Samnorwood chapter gave me a Chester White gilt and I entered her in the Wellington Fair and won third. From this gilt I raised a litter of eight pigs. One

went back to the Samnorwood Chapter and I fattened six out and butchered one for home use. I kept my sow and from her I raised seven more pigs for my projects for 1947. My dairy cow has been outstanding cow, for milk production. I was a member of the Dairy Judging team that went to Clarendon. We also went to Pampa to the Fat Stock Show.

For my third year I had two Hereford calves for beef production which I won second for the best two calves fed by one boy. For my project I also had six acres of cotton from which I gathered two bales of lint. I also had four acres of milo which I gathered thirty-five hundred pounds of grain. I also went to the Pampa Fat Stock Show and judged livestock.

For my fourth year I had one beef calf which I took to the Wellington show and sold him at the sale which followed the show. I had six acres of cotton which produced two bales of lint and four acres of milo which produced thirty-two hundred pounds of grain. I fattened out five hogs from the gilt that was given to me for market. I bought twenty-five Buff Orpington baby chicks and raised twenty-four to be fryers. I kept my pullets which were twelve and in our Vocational Agriculture class at school we caponized six roosters. I showed two of those at the show at Wellington and placed first and second on them.

I plan to enter Texas Technological College this coming September and try to learn more about Agriculture.

"Command Decision" is a man's picture - a remarkable, stirring, strongly flavored authoritative tribute to men at war and aerial bombardment. It has an all-male cast—there's no love theme, not even the swish of a wa's skirt. Its the study of a great man-It's filled with the kind of decisions rarely put on the screen. It should be a Command decision of every bread-winner in these parts that his family see this mighty film. We unconditionally recommend it for your "must" list.

ALL-SOUTHWEST PRE-RELEASE SHOWING

The Ritz Theatre is pleased to be among the leading motion picture houses of the great southwest again playing day-and-date this newest story of an investigation into what made the lawless west what it was - - - the accounting of Bill Doolin and his gang of Oklahoma renegades who took up where the Daltons and James Boys left off. Its another "first in the nation" for Wellington.

See Oklahoma's own 29-year-old Louise Allbritten play the role of Rose of Cimarron.

For Safer Driving Try Safety Lane

Nearly three million cars were checked by police in the United States during a safety check program with the following results:

- 28.7% had defective rear stop lights
- 18.2% had faulty front lights
- 12.3% had inadequate brakes
- 8.2 had faulty windshield wipers
- 7.1 had horns not operating
- 4.3 had unsafe tires.

From these nearly three million vehicles checked, one out of every three was operating with one or more obvious defects.

Motor vehicle accidents involving farm people kill more than 7,300 annually, many due to faulty safety features.

EVERY SAFETY FEATURE OF YOUR CAR WILL BE CHECKED AT SAFETY LANE. FROM BUMPER TO BUMPER, WE CAN GUARANTEE YOU A SAFE ROAD SERVICE

DODSON

Still hot and dry and a good rain would be nice, but so far this has been a very nice July.

Mr. and Mrs. Louie Allen and family of Lawrence, Arizona, have returned to their home after visiting here and at Hollis, Okla., this last week.

Mack Ellis received a fractured foot while working at the elevator last week.

A baby daughter was born July 8 to Mr. and Mrs. J. Z. Curry. Mrs. Curry is the former Miss Ramona Talley.

Mrs. Callie Wilfong had as her guest last week her daughter, Mr. and Mrs. Glenn Murley.

Mr. and Mrs. Milton C. Gear and children and Howard Gear of Lawton, Okla., visited Mr. and Mrs. B. B. Martin last week.

Mrs. Max Daniels and daughter of Spencer, Ohio, are visiting her parents, Mr. and Mrs. E. J. Jones and other relatives here.

Wayne Branum of Amarillo and Dwayne Branum of Wellington were visiting in Dodson Friday.

Mr. and Mrs. George Abbott of Mangum, Okla., were visiting Mrs. Mattie Jameson here Friday.

Mr. and Mrs. Ira Harrigan and Mr. and Mrs. Thurman Crowover and family visited at Sudan last week with their son and brother, Mr. Dude Harrigan and family.

Mrs. Gilbert Hunt and children and Mrs. Frank Duckworth of Dallas visited over the week end in Lockney and Plainview.

A good crowd attended the Civic Club picnic at the park Wednesday night. Alva Woods and family furnished music for the occasion.

Mrs. Newell Burk and Janis are visiting Mr. and Mrs. Elliott Wynn this week.

Miss Tommy Fillpot of Hollis, Okla., is moving her Beauty Shop to Dodson. We welcome Tommy back and wish her good luck in her shop. She will make her home with her mother, Mrs. Lucy Fillpot.

Mrs. Amo Fillpot is on the sick list this week.

Miss Oma Smith of Wichita Falls is spending her vacation here with her mother, Mrs. Burton Smith. Oma is finishing her nursing course in a Wichita Hospital.

E. J. Smith and Susan and Mr. Smith's mother were visitors at the Club picnic Wednesday night.

Mr. and Mrs. Marvin Wynn and Kenneth, Mrs. Margaret Nell Birchfield and Paulette visited over the week end in Borger with Mr. and Mrs. Wayne Darnell and family.

Horace Weaver and family of Lefors spent Saturday night in the M. F. Weaver home.

Mrs. Buster Fillpot who has been very sick in St. Joseph's Hospital in Wellington is reported better at this time.

Dinner guests in the home of Mrs. Mattie Jameson last Thursday were Mr. and Mrs. Pete O'Brien, Mrs. Marlin Derrick and son Richard, Mr. and Mrs. G. E. Hunt, Mrs. Frank Duckworth and Ruth Ann, Mr. and Mrs. Howard Hunt and boys, and Mr. and Mrs. George Abbott of Mangum, Okla.

Goat Hopper Buys Drive-in

Goat Hopper, who successfully operated a restaurant in Wellington for around 25 years, announced this week that he has bought Jay's Drive-in from J. C. Ward, who built and opened that business earlier in the year.

Mr. Ward will now devote his full time to his grocery store, Modern Market.

Mrs. Hopper, Juanita to the thousands she has served, will be associated with her husband in the business.

"It's good to be back serving the people of the Wellington trade area. Most of you are old friends, and we want you to come around to see us. To those of you who have come to this section since we went out of the cafe business, we extend a most cordial invitation to come in and get acquainted. We will continue serving the same fine quality of sea foods, steaks and chicken that you have come to know at Jay's," Mr. Hopper said.

The drive-in will open at 6:00 a.m., and breakfasts will be served. The closing hour will be midnight.

Cotton Production

(Continued from Page One)

state, for of all plants, cotton is one of the most susceptible to the effects of 2-4-D. It is simply a situation of having to learn this thing the hard way," the county agent said.

Mr. Thomas pointed out that a sufficient dosage of 2-4-D will kill cotton, and although plants dying from the effects of the spray have been reported in the county, he said that he, personally, had not found any.

Concerning those fields where the production appears certain to be lowered, Mr. Thomas said that two wheat growers whose spraying damaged neighbors cotton, have made arrangements with the latter to settle for the loss this fall after the fields come into production and it can be determined more nearly what the loss is.

Among those farmers who have reported cotton affected by 2-4-D include J. E. Nunnally, Paul Grigsby, E. K. Hall, Hayden Williams, and Troy Godbey.

Loco Man Has Eye Injury

By BETHINE ADKINS

Word has been received here that H. C. Brown of Loco, who is working in Perryton, received a piece of steel in his right eye while working around a combine.

He is gradually regaining his sight, and is receiving medical treatment at the Perryton Hospital.

Circuit Revival Dates Announced

A series of revival meetings has been announced for the Wellington Methodist Circuit by the pastor, the Rev. W. F. Richardson.

First of these begins Thursday night, July 21, at Aberdeen, with the Rev. Ray Copeland of King Memorial Methodist Church, Childress, in charge of the preaching. This revival continues through July 31.

Services at Bethel Methodist Church, Loco, begin August 10 and continue through August 21, with the Rev. C. L. Helms of Briscoe, in charge.

The Rev. Conrad Ryan of Groom will do the preaching at the services at Fresno, which will be un-

Economic Index for County - 0.123 percent
Total Local Funds Charged to County - \$55,350.00

Election judges for the various districts are:
Dodson: Gilbert Hunt, judge; Frank Ford and Marvin Wynn, clerks.
Quail: Lewis Morris, judge; George Stephens and Chester White, clerks.
Lone Mound: Bert Starkey, judge; Mrs. Willie Taylor and Carl Amerson, clerks.
Needwood: Bill Hill, judge; Mrs. C. E. Simpson and Mrs. Elmer Schoonover, clerks.
Wellington: J. M. Wells, judge; Mrs. Joe Terry and Mrs. Mary Stall, clerks.
Samnorwood: C. P. Brown, judge; C. J. Bradley and O. M. Payne, clerks.

All persons may vote in this election who own property in the respective districts, and who have rendered their property for taxation, provided they reside in the district and have paid their poll taxes.

The election for the Dodson Independent school district, where two issues will be voted on at that time, is discussed separately in this issue.

der way from August 24 through September 5.

Last of the revivals will be held at Salt Fork, from September 5 through 16. The guest preacher for this meeting has not been selected.

The regular schedule of services announced by Rev. Richardson are 11:00 a.m. and 8:15 p.m., as follows: First Sunday, Fresno; second Sunday, Salt Fork; third Sunday, Bethel; and fourth Sunday, Aberdeen.

Scouts Pass Tests During Week-End Hike, Camping

A group of Boy Scouts from Troop 32 passed scouting tests during a hike Sunday, July 17.

These tests included cooking, camping and hiking. Boys taking the hike included Calvin Hite, Don Raburn, Jerry Strickland, Jimmie Thompson, Doolin Starkey, Jimmy Leggett and Phil Handley.

W. R. Coffee -

that state. Forty years ago he came to Quail, and had made that his home during the year since, until his health failed and he moved to Wellington.

He made many contributions to the community in which he lived and supported those things which would benefit it. Mr. Coffee was married to Miss Vera Irene White January 30, 1912, at Quail, and became the parents of eight children.

He had been a member of the Church of Christ for 38 years.

Surviving Mr. Coffee are his wife and these children: Ben Coffee of Pampa; Mrs. Vernon Witherspoon, Cordell Coffee and Miss Della Mae Coffee of Dallas; Mrs. Weldon Minyard, Lubbock; Mrs. Marvin Manuel and John Coffee of Wellington; and Mrs. Harold Stiles of Chula Vista, Calif.

Brothers and sisters surviving are George Coffee, Livingston,

Tenn.; Mrs. T. E. Manyard, and Mrs. A. J. Clever of Nashville, Tenn.; Estes Coffee of Celina, Tenn.; and Mrs. R. P. Rainey of Carrollton, Texas.

Seven grandchildren also survive.

Dukes Meet -

(Continued from Page One)

Cliff Jones almost at will.

The Dukes jumped off to a six-run lead in the first two innings, while McDonald set down the Cats with seven scattered safeties.

Altogether, the Dukes were just too much for the Cats.

The League standing at present is:

Sponsors of

FARM SAFETY WEEK

According to the National Safety Council more deaths occurred in agricultural work than in any other seven major industrial groups.

Each of the 7,000,000 farm families in the United States has almost one chance in five of suffering from injury to some member of the family this year unless some drastic reduction is made in the accident rate.

MAKE THIS CHECK-UP ON YOUR FARM

MACHINERY AND EQUIPMENT -

- Do you keep guards in place on power shafts, belts and chains to prevent being caught in them?
- Do you keep children away from machinery?
- Do you avoid operating the tractor on dangerous inclines or near treacherous banks?
- Do you avoid wearing loose fitting, torn clothing, ragged gloves around moving machinery?

BUILDINGS AND FARM YARD

- Are ladders and steps well built and kept in repair?
- Are nails promptly removed from loose boards?
- Do you protect water tanks, cisterns, wells or pools, hazardous to the lives of children?
- Do you keep the farmyard clear of garden tools, forks, rubbish, waste, etc.?

ELECTRICITY

- Do you cut off current when working on an electrical conductor?
- Do you use moisture proof cords for outside weather conditions; heavy rubber cords for motors?
- Do you know how to treat electric shock cases?

NOW IS THE TIME TO CORRECT FARM HAZARDS

COLLINGSWORTH COUNTY FARM BUREAU

Dodson School Opens Aug. 1

The Dodson public school will open for the fall term August 1. T. E. Lennon, superintendent, announced this week.

The term will continue until

enough cotton is open in the area to warrant turning out for the fall vacation.

Mrs. Guy Killian, English teacher last year, has resigned and moved to Lakeview to make her home, and where her husband is pastor of the First Baptist Church. Her place has not been filled.

The new course is being added

shop work, Mr. Lennon announced. A complete shop has been set up in one of the new buildings constructed on the campus from an Army barracks. Howard Perkins will teach the course.

Miss Josephine Dakil of Oklahoma City is visiting in the home of her cousins, Mr. and Mrs. Arthur Dakil.

TRUCK & TRACTOR CO.

Wellington, Texas

J. A. Coleman, S. K. Parsons, and several others have bought sets of barring-off discs for their cultivators in the last few days. These discs cut trash and weeds, and throw dirt either toward or away from the plant.

Sam Lemley has a new side delivery rake he bought here a week or so ago. Still have one of these left; also a tractor mower.

Don Wilks sent his WD9 to the shop for a little work last week. Don is doing custom plowing and chiseling, and with that much power, he ought to be able to do a good job.

Joe Baumgardner has bought

a new Wico magneto for his old Farmall M tractor. It is sometimes cheaper to buy a new magneto than to overhaul an old one, and the Wico is a good, dependable magneto.

Bob Glenn was in a couple of days ago to get a new sickle, some sections and guards for his 10-foot International binder.

R. R. Crawley brought his Farmall M to the shop about a week ago for a valve job.

Claude Lewis has been overhauling his old Farmall the last week—came here after crankshaft and main bearings.

C. D. Damron came after a bunch of mower parts last week.

R. J. Holland called us out to his place the other day, to tune-up his F20 Farmall.

Harris Royal sent his Farmall B to the shop for some work on the brakes a few days ago.

E. E. Darrow bought a wide front axle to go on his nearly new Farmall M last week. He also bought some cultivator parts.

Billy Brewer had his Farmall M in the shop recently for a valve job.

Guy Bumpass was in a couple of days ago after some brake linings for his F20 Farmall. I remember selling Guy parts, I suppose for this same tractor ten years ago or more at Dodson. Nearly any tractor is a good investment, but when they stand up and deliver the goods for years and years, like the Farmall, they become a much better

investment. L. O. Tyson has been in several times the last few days, buying sweeps, a few Farmall parts, and some other things.

This new Kupfer Sprayer, with 26-ft. folding boom and power-take-off driven gear pump, is one of the best spraying rigs on the market. Handles any kind of liquid for bug killing or weed killing. Sells for less than many sprayers with a lot less efficient pump and lighter constructed boom. We have one on the floor now.

National FARM SAFETY WEEK

JULY 24-30

This business of observing Farm Safety Week is a good idea all right, but just because the posters say "July 24 to 30" doesn't mean you can be careful during that time and then starting July 31 just turn all holds loose and be reckless as you please. Better set up your own Farm Safety Year and be careful all the time, if you want to stay healthy and frisky.

Flight Barbecue Draws Visitors From Wide Area

By JACK SCHWARTZ
Amarillo Globe News
With a full throttle on the hospitality, Collingsworth County Flying Club held open house, yesterday for 200 airplanes at Marian Airport, Wellington.

Visitors from Oklahoma, Kentucky, Illinois, Alabama, Iowa, New Mexico and all parts of Texas were included in the more than 400 guests at the barbecue staged by the flying club.

The day's events included a time race, spot landing, a beauty contest to determine Miss West Texas Airport, swimming and a barbecue which several gourmets termed "superb."

Winner of the beauty contest was Beth Roach representing Claude Hutcherson of Plainview. The contest winner was awarded an engraved loving cup from the Collingsworth County Pilots presented by Henry Sullivan, the Duke of Wellington.

Other gifts included flowers from the Strong Floral Company, \$100 from the merchants of Plainview, \$25 from KAMQ of Amarillo, a bathing suit from Wayland College, a free private license flying course from the Hutcherson Flying Service.

The runners-up included: Donna Moore who also represented the Hutcherson Flying Service; Neeta Ball and Barbara Wilkins, representatives of Marian Airport, Doris Louise Smith of the Clarendon Flying Service and Sevia Jones representing Clarendon A & E Service. The time races included heats for 165, 90, 85 and 65 horsepower aircraft.

Winner of the 28 mile race in the 165-horsepower class was Cecil Brown of Plainview who made the distance in 13 minutes, 9 seconds, in a Stinson Voyager. G. M. Phenix of Lubbock won the 90-horsepower class in 16 minutes, 23 seconds flying.

(Continued on Page Eight)

Farm Safety Week Seeks to Cut Down Rural Accidents

Farm Safety Week is July 24 to 30. Collingsworth County business men and farm leaders are joining in the drive that is nation wide, seeking to cut down the tremendous loss of life and property and time

Schoolday Friend of Pasetor

Returned Missionary To Speak at Dodson

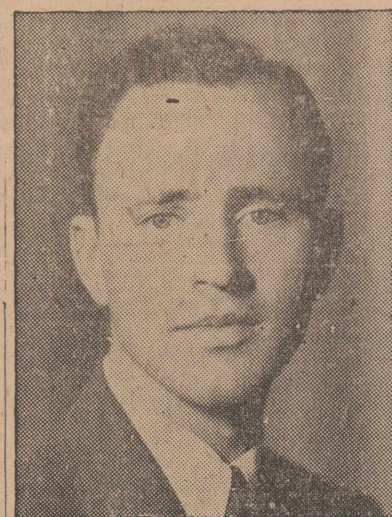

The Rev. Bronell A. Greer, missionary to India for the Church of the Nazarene, now in the United States for his first furlough since going to the field nearly five years ago, will be at Dodson this week end for a series of missionary services, the Rev. C. C. Montandon, pastor, has announced.

Mrs. Greer will accompany him. These services will be held Friday and Saturday evenings, July 22 and 23, at 8:00 p.m., and Sunday, July 24, at 11:00 a.m. and 8:00 p.m. Music for the services will be under the direction of Fred Lee Patterson and Garland Hightower.

Although this is their first time to appear in this area, Rev. and Mrs. Greer and Rev. Montandon are school mates, having studied together at Bethany-Peniel College, Bethany, Oklahoma.

While in India, Rev. Greer was stationed at Mehkar, Berar, and was in charge of the literature on the Indian District. He has published several booklets in the Marathi language for Indian preachers, and started the "Preacher's Magazine" in Marathi for the native workers.

Prior to his service abroad, the Rev. Mr. Greer pastored the Church of the Nazarene at Lexington, Oklahoma, for two years. Together with his wife, Paula Whitener Greer, Rev. Greer will be stationed

MISSIONARY SPEAKER

The Rev. Bronell A. Greer, missionary for the Church of the Nazarene in India, will speak at the Church or The Nazarene in Dodson at services Friday and Saturday morning and evening.

in the United States about a year, during which time he will do deputation work for the Department of Foreign Missions of the Church of the Nazarene, which maintains its International headquarters in Kansas City, Mo.

due directly to accidents that happen on the farm.

National sponsors are the National Safety Council, the United States Department of Agriculture, in co-operation with the National Fire Protection Association, the Farm Equipment Institute, the American Farm Bureau Federation, of which the Collingsworth County Farm Bureau is a unit, and other organizations.

Each year Farm Safety week is proclaimed by the President of the United States.

Everyone in the United States is affected directly or indirectly by accidents to farm residents. Organizations having an interest in farm life can be greatly affected because of the economic upsets caused by accidents on the farm. The greatest grief and loss as the result of farm accidents, of course, is to the farmers themselves.

During 1948 a resident on one out of every 6 farms was the victim of an accident ranging in severity from sudden death to sprained ankles. Thousands of fingers were cut off, feet crushed, ribs broken, eyes injured, arms and legs broken, faces burned, and ruptures sustained, in many cases with resulting permanent impairment.

An average of 2,400 accidents occurred to farm people every day of the year, resulting in an average of about 3 weeks time lost from regular activities for each accident. Excluding fatal accidents and those resulting in permanent total disability, the average medical, dental, and hospital cost was \$43 per accident.

The total annual cost of medical, dental, hospital care resulting from accidental injuries to farm people in 1948 was about \$36,000,000 and the loss of time over 17,000,000 days, apart from losses due to fatal accidents and those resulting in permanent total disability.

(Continued on Page Eight)

Mrs. Mary Odom, Aged Vinson Woman, Passes

Mrs. Mary Odom, 84-year-old Vinson woman, died at the home of her daughter, Mrs. L. A. Davidson, with whom she lived, Thursday, July 7. Funeral services were held at the Vinson Methodist Church the following Saturday, with the Rev. E. L. Shumaker of Willow officiating.

Four grandsons, along with Jack Myers and Ben Brown, served as pall bearers, and granddaughters were flower bearers.

Mrs. Odom was born on June 16, 1865, and reared at Clarendon, Ark., and was married there to W. H. Odom in 1881. They moved later to Waxahachie.

Eight children were born to them. Four preceded her in death, and Mr. Odom passed away April 6, 1933.

Mrs. Odom had lived in Harmon County, Okla., since 1921, and for the last six years had made her home with Mrs. Davidson at Vinson. She had been a faithful member of the Methodist Church for 58 years.

Surviving are four children: Mrs. Davidson; Mrs. Clara Beard of Grandview; Robert Odom of Harlingen; and Frank Odom of La Verne, California. Seventeen grandchildren and 15 great grandchildren also survive.

Singing Dates Reset for July 21

The regular community singing will be held Thursday evening, July 21, at 8:00 p.m., at the Church of the Nazarene, W. S. Brewer, who is in charge, has announced.

This is a change in date, since the singing is usually held on Thursday before the first Sunday of each month, but the new date was set due to the revival services to be held in the near future at the Church of the Nazarene.

Dodson Voters Must Decide Two Issues on July 30th

TERROR IN THE DESERT

Ella Raines and John Ireland are separated by Rondolph Scott and William Bishop in "The Walking Hills," a story of terror and drama of those who hunt a fabulous desert treasure which comes to The Ritz Wednesday and Thursday, July 27 and 28.

SCS Meets to Study Farm Accident Problem

Employees of the Wellington Office of the Soil Conservation Service met July 14th to plan for the observance of National Farm Safety Week, July 24 to 30.

Present at the meeting were William J. Grigg, Work Unit Conservationist; Mary F. Hays, Clerk; H. R. Frisbie and E. J. Myers, Engineering Aides.

Plans were made to acquaint local farmers cooperating with the Salt Fork Soil Conservation District with the purpose and objectives of National Farm Safety.

"During the past year over 386,000 Southern farm people were in-

involved in accidents costing over \$13,000,000 and resulting in loss of work time in excess of 8,000,000 man days," Mr. Grigg stated.

"Falls were the leading types of accident on farms in all regions. They accounted for a fourth of all accidents to farm people. Accidents involving machinery and those involving animals each accounted for about an eighth of farm accidents for the country as a whole. However, in the South animal accidents were 50 percent more numerous than machinery accidents.

"Sixteen percent of all accidents

* People of the Dodson School District will vote on two issues at the time of the school tax election Saturday, July 30. T. E. Lennon, superintendent, announced this week. First of these concerns the increase in school tax rate.

The second will be a vote for a second time on bonds for the construction of a gymnasium for the school. This was approved by voters about a year ago, but the election was held illegal by Attorney General Price Daniel because of a change in size of the district between the time the election notice was passed and the matter was voted upon.

The election will be held at the Dodson school building, with Gilbert Hunt as presiding judge and Frank Ford and Marvin Wynn, clerks.

Mr. Lennon has made the following explanation of the two proposals to be voted upon:

"The first proposition will be increasing the tax rate to \$1.50, the need for which has been discussed elsewhere in this issue of The Wellington Leader.

"Second is the bond issue. "A little more than a year ago the Dodson School District voted a bond issue with which they were to construct a gymnasium. The election was favorable that the proposition passed. However, due to the fact that between the time of posting the election order and the time of holding the election, several sections of land were annexed to the Dodson District, the Attorney General held that the election was illegal.

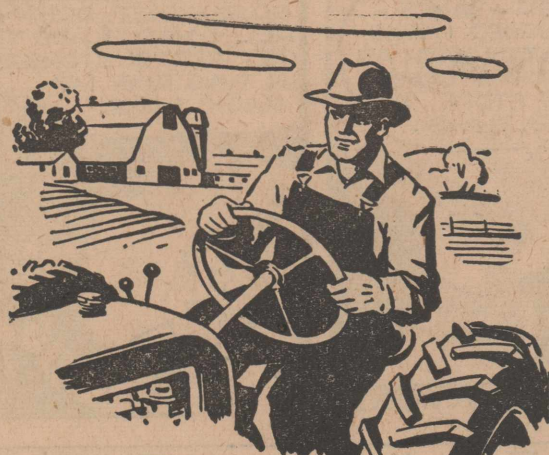

"He ruled that the district that called the election was not the same district that held the election, and advised us to get the legislature to pass an act validating the Dodson School-District before calling another election. That law passed just before the legisla-

EDITORIAL COMMENT — THE WELLINGTON LEADER
Thursday, July 14, 1949

Loss From Farm Accidents Tremendous

National Farm Safety week begins Monday.

Much has been done to cut accidents in industrial plants, and the record of achievement is bright. On the other hand, the farm accident picture remains in the background, yet it is one of the damaging factors to farm economy.

Almost 20,000 farmers or members of their families lost their lives in farm accidents last year according to the National Safety Council. More than 859,000 farm people in the United States were involved in accidents during the 12-months period covering 1948. This was a resident on one out of every six farms in the United States. It appears the record will be no better in 1949.

That has meant a tremendous amount of suffering and grief for those involved, looking at it from the human side. On the economic side, it has meant loss, not only to those individually concerned, but to their communities, and to the whole farm economy.

An average of 2,400 accidents occurred to farm people every day in 1948, resulting in an average of about 3 weeks lost time from regular activities for each accident.

The total annual cost of medical, dental and hospital care resulting from these accidental injuries was about \$36,000,000, and the loss of time over 17,000,000 days apart from losses due to fatal accidents and those resulting in total disability. If this time lost is evaluated at the prevailing average farm wage, it comes to even more than the medical cost. And these figures do not include costs resulting from property damage and the value of the time spent by those caring for the injured.

One fourth of the injuries, over 200,000, resulted from falls, by far the leading type of accidents. Ranking second were accidents involving machinery and animals, which are classed together by the National Safety Council.

Sixteen per cent of these accidents oc-

curred in the home and 56 per cent elsewhere on the farm. Eleven per cent occurred on roads or streets and 17 per cent off the farm.

Fifty four percent of the accidents occurred while the victim was engaged in farm work, making farming one of the most hazardous of all activities.

Wellington business men are joining The Wellington Leader this week in the effort to cut down farm accidents. But these safety messages can serve only to warn and remind you to be Safety-Minded at all times. Your common sense in adhering to rules of safety alone can save you from being one of the 20,000 who will die in some type of farm accident this year.

Others Should Follow Samnorwood

The people of the Samnorwood area are to be congratulated on their Memorial Park. It is a concrete tribute to those who gave their lives during the war, and to those who have died while in some way connected with the school.

Already the park is making an impression on those who see it, although none of the shrubbery or trees was put out until this spring. The imagination tells what it will be in just a few more years.

It is a small park, but that is best. It is of a size that can be most adequately cared for. It is located on the school campus, the center of community activity.

It is a sign of civic pride of the best sort. It is proof that such civic pride is not a matter of size, either. Many towns of several thousand inhabitants are less ambitious.

Samnorwood provides an idea that could well be followed by many other communities, particularly in this southwestern area where natural beauty spots are less frequent than in some other parts of the country.

No Rest for the Weary

The Buck Creek Philosopher

Editor's notes: The Buck Creek Philosopher on his Johnson grass farm on Buck Creek won't get anywhere with his hair-brained scheme to avoid work, but we guess that's his business, not ours.

Dear editor:

I noticed in a copy of The Wellington Leader which was wrapped around a pair of shoes which I had half-soled in town as a birthday present for my wife, some men go for years taking their wife for granted without ever stopping to do some little thing that will please her feminine heart, where a farmer in Tennessee is claimin he owns the air above his farm and has a right to keep airplanes from flying over it if he wants to.

This farmer claims airplanes flyin low over his farm scares his horse so he won't work to a plow and he has had to abandon his crop.

Now while I ain't never been reduced to blamin airplanes for stoppin me from plowin, I don't need a excuse, I just don't plow when I don't feel like it and lots of times don't even plow when I do feel like it, I think that Tennessee farmer is on the right track and I would like to get one of those Wellington lawyers if you can recommend any of em to go into this for me.

I notice lots of town have taken on the right to charge money for parkin on their streets and by the same token it looks like I might have a right to charge airplanes for using the air over my land. I don't have no serious objections to airplanes flyin over my farm out here, but it's possible the drone of a motor could interrupt my trend of thought right when I might have the United Nations problem about solved, or right when I was gettin a nibble and the interruption might cause me to jerk on the line too soon, playin havoc with the future of world peace and my catfish supper, and it's possible a good lawyer could make a case out for me.

I figure just a moderate charge, say \$10 a month on an annual basis, would take care of all damages or

mental interruptions, and while I don't have a way of finding out what planes is usin the top part of my land, I figure the government could take this over and just mail me my check each month and I won't argue about the details. If one or two more planes than I agreed to fly over use my air, I won't squabble. Live and let live is my policy.

Yours faithfully,
J. A.

Imprisonment in ancient Rome was used only to detain a prisoner until tried, when he was either killed, physically punished, or freed.

BIBLE COMMENT FOR JULY 24

Psalmists Knew Man Was Cause Of Sin and Evil

The poet Walt Whitman, who wrote more wisely in other matters, though lightly of the sense of sin. He wrote somewhere about animals not having any sense of sin, and suggested man's inferiority in this respect.

The Hebrew Psalmists-poets knew better. They lived in times, like our own, full of violence and man's cruelty to man. They had either experienced, or they lived close to, exiles and disruptions of peoples. There were plenty of "displaced persons" in those days, and the Psalmists knew that these inhumanities and cruelties were of man's purpose and design, and had their root in sinful hearts.

They were realists about life and man. They had no illusions about man's natural goodness and innocence. Surely in times when we have seen the wickedness of men sending millions of innocent persons to cruel death in extermination camps and ovens, and to even more cruel torture we, too, should have no illusions about sin, as the Psalmists had none.

They knew, too, that the evils so deeply perpetrated were not matters of chance or circumstance. Everything proceeded out of the heart of man, and in that heart of man they saw mirrored what they themselves might be, or become.

The writer of Proverbs 27:19 expressed this grim fact in a beautiful figure: "As in water face answereth to face, so the heart of man to man."

His deepest prayer was that God would give him a clean heart, and renew a right spirit within him (Psalm 51:10). Nor was his prayer always a confession of conscious guilt. In moods of despair or contrition he might bewail the depth of his sins; and as for Psalms that King David may have written, he had plenty of cause for contrition, for he had adultery and murder on his conscience.

The advantage of many commercial codes is that they condense the message into one-fifth the space.

The name "rubber" comes from the earliest use of the substance, which was to rub out pencil marks, according to the Encyclopaedia Britannica.

Other Days -- Familiar Names

By Virginia Robey

Ten Years Ago 1939

F. O. Masten was elected president of the Master Farmers of Texas organization at its meeting in College Station. Guy Beasley also attended. Collingsworth was the only county in the state to have two Master Farmers.

Mary Frances Turner, 6-year-old daughter of Mr. and Mrs. Francis Turner, broke her arm when she fell out the door of her home.

Judge C. C. Bishop, Bob Glenn, Lee O'Neil and Deskins Wells, along with a group from Wheeler County, made a trip to Washington in the interest of a government dam and lake in the north part of the county. They were assured by Congressman Marvin Jones, that while it could not be built this year, it would eventually be built.

Because of the damage coyotes were doing, the Commissioners Court hired a second trapper. The 20-year-old marker in the middle of the street at the northeast corner of the square was removed. It was recalled this was put advertising the Ozark Trail, when that route ran temporarily through Wellington. It was changed to run through Shamrock, but the marker remained.

G. N. Scruggs, Fire Marshall, and Hiram Cudd, represents the local fire department at the Firemen's School at College Station.

A group of people in the Bean Hill community chivariated Mr. and Mrs. Albert Dinney, who were recently married.

Twenty Years Ago 1929

A meeting was called in which officials of the Fort Worth and Denver Railroad told how a branch line from Childress to Pampa, through Wellington, would benefit the whole state as well as this section. S. R. Pinkston, president of the Chamber of Commerce, was in charge of the meeting, and local speakers were R. H. Templeton, George Richards and S. P. Buster.

Mrs. Catherine Jane Word died of injuries received in a car accident near Plymouth.

Mr. and Mrs. W. A. Golightly moved their Golden Rule Grocery from the east side of the square to the south side.

Mrs. Cleo Templeton was remodeling three buildings on the south side of the square, occupied by the City Bakery, the Gem Theatre and Richards Bowling Alley. The store formerly occupied by

the Mis Fit Store was being remodeled for Kraft Mint.

The Baptist Church issued the first church directory ever issued in Wellington.

George Spann, employed at the West Texas Utilities Co. for several years was transferred to Memphis.

Mr. and Mrs. J. A. Leach and Miss Inez Leach and Miss Clara Leach left for a vacation to Juarez, Mexico, Carlsbad Caverns, El Paso and other points.

Thirty Years Ago 1919

W. T. Williams, who moved here from Kentucky last winter, reported his barley crop made 100 bushels per acre.

Wilton Ketchum reported a 32 acre yield on wheat.

Postmaster J. O. Wood and wife and Herbert Dysart and family left for points in Arkansas and Missouri to visit.

Mr. and Mrs. J. S. Driskill and family came in from California, where they had spent several months.

Messrs. Cope and Kemp of Clarendon were here installing some delco lighting plants.

Johnny Payne left for Memphis to open a jeweler shop.

Attorney and Mrs. A. C. Nicholson were visiting in Amarillo.

Buck Creek — Everett Thurman left Thursday for camp at Del Rio.

The Commissioners Court instructed the sheriff to enforce the law requiring the extermination of prairie dogs.

The postmaster at Dodson was arrested on a charge of embezzling funds to the extent of \$4,100. It was reported he had lost the money in some oil investments at Burkburnett.

The Chautauqua was announced for August 6 to 10, to include the Cartwright Brothers and Dr. Roland A. Nichols; Helen Burgess and Dr. L. G. Herbert, second day; Sgt. Edwards of the Canadian "Princess Pat" regiment and the Hawaiian Singers, third day; DeWillo, King of the Concertina, M. H. Jackson, traveler, and Morris Gershon Hindus, Russian exile, fourth day; and the Navassars Girls Famous Orchestral Singing Band, fifth day.

Colorful goldfish have been produced by careful breeding, but under natural conditions they will revert to their original greenish-brown color.

OTHER EDITORS SAY:—

Our Park -- A Symbol of Americanism

Elsewhere in this issue is a story noting that the Memphis City Park will soon celebrate its 10th anniversary. Reaction to this fact runs to two extremes.

Visitors to Memphis and to the City Park gaze in wonder and remark, "You mean it's only 10 years old?"

On the other hand, those of us who have lived here throughout the conception and completion of the project find it hard to believe we have had this fine park a decade.

The Memphis City Park is an outstanding project. It is the outstanding project of this area. In the words of the late Dr. W. C. Dickie, it has truly become the back yard to hundreds of people seeking a gathering and recreational location.

All Hall Countians should have a great deal of pride in the City Park. It is an undeniable mark of a progressive area and of progressive people.

The Memphis City Park is a symbol, as are other parks all over this country, of the great "American Way of Life." It stands for a love of beauty, a love of peace and a love of wholesome, enjoyable recreation and fellowship.

Yes, and it stands for accomplishment through hard work and undying faith. All these things are truly symbols of our way of life.

But perhaps the most important symbol of all is that the City Park belongs

to the people, not to any individual or single group. It is a great example of democracy, where all share in the benefits and responsibilities.

And the Memphis City Park belongs to you. It is your back yard. Be proud that out-of-town visitors come to enjoy it and marvel at it. It is a wonderful thing that we are able to provide such a popular recreational facility to all who find pleasure in it, for this, too, is a part of "The American Way."

So take time during this great project's 10th birthday to renew your interest in the City Park. Remember, the accomplishments have been tremendous. They must be made and care taken to but the job ahead is a big one. Improve-insure that the Memphis City Park—your back yard—is an even more outstanding recreational spot on its 20th anniversary.

Farm and Ranch Chatter

With Layne Beaty, WBAP, Fort Worth

It's hard to fool a rabbit. The only people we ever knew personally who could tell from the outside whether a watermelon was good inside were a couple of professional watermelon graders for the state department of agriculture in Oklahoma.

But the old timers say a rabbit won't chew on a bad melon and that if you can find tooth marks of the right kind on a rind, it's a safe bet. There's some question about how long a melon will stay good after it's pulled, but that depends upon several things, and you can usually tell how long it has been out of the field by looking at the stem.

Now the kids will have a good reason to save the Easter bunnies over until July.

Pigs sired by a registered boar will bring from three to eight cents a pound more on the market than offspring of grade or grade swine parents, some of the hog experts are saying now. This should more than pay the cost of the purebred boar.

For the first time, probably, in the history of either hogs or television, a registered Hampshire boar was seen on WBAP-TV this week. It was T. J. Harrell's Jubilee Thickset, 1948 State Fair champion.

Tall grass and weeds along the roads and streets constitute a real traffic hazard. You never can tell when there is a child, or a moving auto or train just around that clump of Johnson grass at the corner.

If enough livestock were allowed to graze Johnson grass at the prop-

er time in its growth, there'd be a lively market for the seed in a few years.

What looks like a real crisis exists in Russian-dominated countries where the Pope has expelled communist adherents from the Roman Catholic church. It may become a test of the strength of that church. In all Christian countries the church undoubtedly is an important influence. Here, we often take our local churches for granted, giving lachardaisical support, attending spasmodically, sometimes regarding the minister as an out-dated old fuddy duddy. Who among us, though, would live in a churchless community that was big enough to have one?

We don't like the kind of politics they have in Argentina, but they fatten their cattle on grass and nothing else, so maybe we can learn something from them. Incidentally, the Argentine president and his entire cabinet turn out in formal attire for the country's main livestock show.

Tech Approved For AAUW

LUBBOCK — Texas Technological college has been approved for membership in the American Association of University women. Action on Tech's application was taken at the fifty-first biannual convention of the national AAUW in Seattle.

The approval, which women of Tech have sought for years, will mean that graduates of this college may become members of the national organization in whatever towns they may find branches, and

Farm Croppers—1949

Dancin', Mom?

NATIONAL FARM SAFETY WEEK
JULY 24-30, 1949

NATIONAL SAFETY COUNCIL

it will pave the way for Tech's undergraduate women to apply for membership in other national organizations.

The purpose of AAUW is for women who have the privilege of a college education to work together as a professional group to increase educational opportunities and raise educational standards for women all over the world.

There are approximately 49,000 members in the U. S. and about 5,000 in Texas. Only seven other colleges in Texas are members of the organization. AAUW sponsors a large and extensive program of fellowships and scholarships for women who wish to do graduate studies.

Mrs. O. V. Adams, head of home economics education at Tech, is chairman of the committee which began in May 1946, shortly before Tech was recognized by the Association of American universities, to prepare data, exhibits and materials in connection with the application then contemplated. Membership in AAU is a pre-requisite to attaining membership in AAUW.

Use More Salt During Summer

AUSTIN — A deficiency of salt in the human system can cause serious consequences, and for this reason Dr. Geo. W. Cox, State Health Officer advises every person whose work is such that it causes excessive perspiration to add a pinch of ordinary table salt to each drink of water taken during the day.

Farmers, mechanics, carpenters, construction men and all others whose work causes them to sweat profusely are in danger of having their body salt content seriously depleted, and a result may suffer from heat cramps or heat fag. Salt is a prominent constituent of sweat, and when the thermometer hits the high register, the human body may lose as much as 40 to 50 grams of salt during a single day.

In many industrial plants, workmen are furnished with an urge to take a tablet of pure salt or a mixture of salt and dextrose with each drink of water. Many find

"The Good Old Summertime" May Be Hard on Hogs

COLLEGE STATION — "The good old summertime" often means a bad time for the hogs. June is the month hogs may become so overcome with the heat they die, even though the temperature climbs higher in July and August.

Apparently the hogs become adjusted to the heat during the latter part of the summer, says E. M. Regenbrecht, extension swine husbandman of Texas A. & M. College. Now is the time to watch your hogs to make sure they have plenty of cool shade, lots of drinking water and, if possible, a sanitary hog wallow.

It's better to handle the hogs on dry ground in the summertime, rather than allow them to lie in an old mud hole constantly. A concrete hog wallow, he says, is better than the mud hole. The wallow should be constructed out in the sun, but very near the shade. There's a reason for this. This way, a small wallow will take care of a large number of hogs. With the wallow

this a pleasant way of taking extra salt, but others prefer to add the needed amount of extra salt to their food and drink.

"Take your extra salt in any manner that is agreeable to you," says Dr. Cox, "but take it. Heat cramps are very painful and exhausting. They are characterized by cramps in the abdominal region, headache, and in severe cases there may be nausea and vomiting. Body salt losses occur without the knowledge of the individual until a deficiency exists; then the abdominal muscles begin to cramp."

According to the State Health Officer, it is a wise precaution to keep the body supplied with salt, and thus avoid much possible suffering and loss of time from heat cramps.

EVERY JOB GUARANTEED

Your money will be gladly refunded if you are not completely SATISFIED with the way we do your cleaning.

Mrs. Earl Reynolds, agent at Dodson

THE TOGGERY

out in the sun, the hogs will get wet in it, then go immediately to the shade and lie down. A breeze will keep them cool until they dry off.

On the other hand, if your hog wallow is in the shade, you'll find the hogs will stay in the pool all the time. As many hogs as possible will pile in, crowding out some that may become overheated.

It's not good for hogs to stay in the pool all the time, Regenbrecht concludes. So, the arrangement of the wallow in the sun near the shade will give all the hogs a chance to keep cool.

The chemical designation for the element plutonium, an ingredient of the atom bomb, is PU.

Electricity is the farmer's hired hand and the farm wife's chore girl. Hundreds of you enjoy the convenience of electricity in your home and around the place.

Some of you are just getting it turned on. But you cannot be careless with electricity. So if you are one of our customers, or any user of electricity,

Make This Electrical Checkup

- Are all electric circuits equipped with proper fuses? (Branch fuses should generally not exceed 15 amp.)
- Do you cut off current when working on electrical equipment?
- Do you use moisture-proof cords for outside weather conditions; heavy rubber cords for motors and motor driven appliances?

- Are you using an approved commercial electric fence controller?
- Are all electrical appliances in proper condition; are they being properly operated?

- Do you know how to treat cases of electric shock?
- Is the pathway to main switch box free of all obstructions?
- Do you avoid replacing burned out fuses with coins, wire and other metal?

Dodson District Eligible for \$25,000 Aid

T. E. Lennon Explains Gilmer-Aikin Benefits

By T. E. Lennon and J. C. Howell
 The Gilmer-Aikin bill has become a law and no school in this county can operate without the help given under its provisions. That provision which effects the taxpayer most is the provision which states, that to be eligible for the equalization fund, each School District must pay into the fund a certain amount of money. That amount is arrived at by comparing your District index to the county index.
 In the case of the Dodson School District it amounts to \$4200. Last year this district put \$2900 into the equalization fund. This is a difference of \$1300 our district must raise to be eligible for equal-

that all school districts in Collingsworth County will be voting on, July 30. Every school district in the county is faced with the same proposition with which we are faced and in my opinion it is essential, that this rate of \$1.50, should be voted so that the schools of Collingsworth County can operate properly another year.

I would suggest that every taxpayer go to your County Supt., your local School Supt., or to your School Boards and discuss the matter with them. We know that taxes are easy to put on, but hard to take off. However, if you come to the conclusion that the raise in rate is necessary we know that you will favor the raise and we feel that it will be for the good of your community, your school and your children.

On July 30 the property owning taxpayers residents of the several School Districts of Collingsworth County will be asked to vote for or against the \$1.50 tax rate.

It is natural for you to ask the question: "What benefits do we gain from the Gilmer-Aikin program." Since you are helping pay for the program, it is a timely one.

The Gilmer-Aikin program raises the teachers salary most especially in the upper bracket. This will enable your district to employ better qualified teachers or it will enable the teachers already employed to continue their education and thereby become better teachers for

your children.
 This bill raises the amount a district can spend on maintenance from \$300 per teacher to \$400 per teacher. It also raises the amount payable on transportation from \$40 per pupil transported to \$45.
 It gives a county of 40 or more teachers the right to hire a Supervisor, to help the teacher and the pupil; a nurse to give periodic examinations in the class-room; a Doctor to give medical care or to suggest medical care and a Special Teacher for the under privileged children.

This bill also allows a superintendent and two vocational teachers to any four year accredited high school without charging them against the Districts A. D. A. It is an equalization bill under which the schools of this county receive from the state better than six dollars for every dollar that they put into it.

It will cost the Dodson district approximately \$3,200. We will qualify for approximately \$25,000 from the Gilmer Aikin program. Finally, it is a worthy effort to establish a permanent school bill, so that the Legislature won't have to write a new school bill every two years.

Mr. and Mrs. N. C. Tension, their daughter and granddaughter, Mrs. Guy Bumpas and Miss Joan Bumpas, visited last week with relatives in Amarillo, Lubbock, and Artesia, N. M.

Terror Stalks In Film of Lost Treasure

"The Walking Hills," Columbia's dramatic story of nine men and a woman who hunt a fabulous desert treasure, is coming to the Ritz Theatre on July 28. Randolph Scott and Ella Raines are co-starring, with William Bishop, Edgar Buchanan, Arthur Kennedy, John Ireland, Jerome Courtland and Josh White, the folk and blues singer, in the principal supporting roles.

Scott, famous for his characterizations of hard-bitten Westerners as in "Gunfighters" and "Coroner Creek," gives another of these portrayals, it is reported, but in an entirely new type of story for him. Miss Raines, last seen in "The Senator Was Indiscreet," a comedy, plays a cowgirl rodeo performer who joins up with a motley band of treasure-hunters, including Scott, seeking \$5,000,000 in gold supposedly lost 100 years ago in the awesome sand dunes called the Walking Hills, located north of the Mexican border.

In the course of the action are such highlights as a savage fight between Bishop, a fugitive from justice, and Ireland, the "private eye" trailing him, with both trying to commit mayhem with shovels; the gun duel, in a gathering storm, between Scott and Kennedy; and the sandstorm itself, a blinding fury of sand, lashing at every living thing and putting an end to the man-made enmities. White, who has long been revered by the folk-singers, sings blues songs of his own creation as well as the rhythmic "Riddle Song."

A myriad of production problems presented themselves to the producers of "The Walking Hills." Since California's famed — and feared — Death Valley was chosen as the filming site — normal production obstacles were magnified many-fold. For instance, almost all supplies, including food, had to be trucked in or flown in from Los Angeles, 273 miles away. In order to create the climactic sandstorm — Columbia would not leave this to nature — camera equipment and wind machines were trucked into the sand on giant steel sleds, and all rolling equipment used were fitted with oversized airplane tires. For closeups of the dune material, a huge dune was built on a stage at Columbia ranch, with hundreds of tons of sand hauled in and piled in exact duplication of the Death Valley dunes.

That's the way a Columbia production crew licked nature, and helped to create an entertaining movie.

John Sturges directed from Alan LeMay's story and screenplay, with additional dialogue supplied by Virginia Roddick. Harry Joe Brown produced.

Mexicans Chop Cotton - Houselog

By MRS. R. L. KARNES
 A big truck load of Mexicans came in last week to chop cotton for Dick Lindley. They live in the old school house.
 When you pass by a cotton patch in this area you can see all the way from two to 50 or 75 hands hoeing cotton in the same patch.

LUTIE

By MRS. JACK LOWRY

Showers fell over a part of the community on Friday, but sunny weather seems to be here for a while.

Mr. and Mrs. B. C. Rountree of Littlefield visited with Mr. and Mrs. Joe Rountree Sunday night.

Mrs. Audry Simpson who underwent surgery for goiter in the Wellington Hospital this past week was returned to her home on Monday. She is getting along nicely.

We are glad to report Mrs. Selba Rainey is still improving from her recent illness.

Mrs. Joe T. Stanley is quite ill in a Shamrock hospital.

The following people attended school in Canyon the first six weeks term and have returned home for the remainder of the summer: Mrs. Raymond Brown, Mrs. Charlie Hill, Miss Ida Louise Knoll and Miss Marie Carreker.

Mr. B. F. Lowry made a business trip to Amarillo over the week end.

IN MEMORY

July 24th, 1948, there passed into her Heavenly Home one whose kindnesses here, were they reduced to flowers, would have caused her resting place to become a pyramid of roses through all these days since her parting.

It has been and is one of the great things of my life to have numbered her as my friend. Her services to others during all the years she worked with me were numberless; her life with and for her church were climaxed—from her meager estate—with \$500.00 to such church, and if ever I know one who lived up to her beliefs in Christianity, it was Miss Jessie. (Mrs. Jessie Service Glenn).
 May we not forget.
 R. H. Cocker

One Fourth of all Fatal Accidents Happen on The Farm

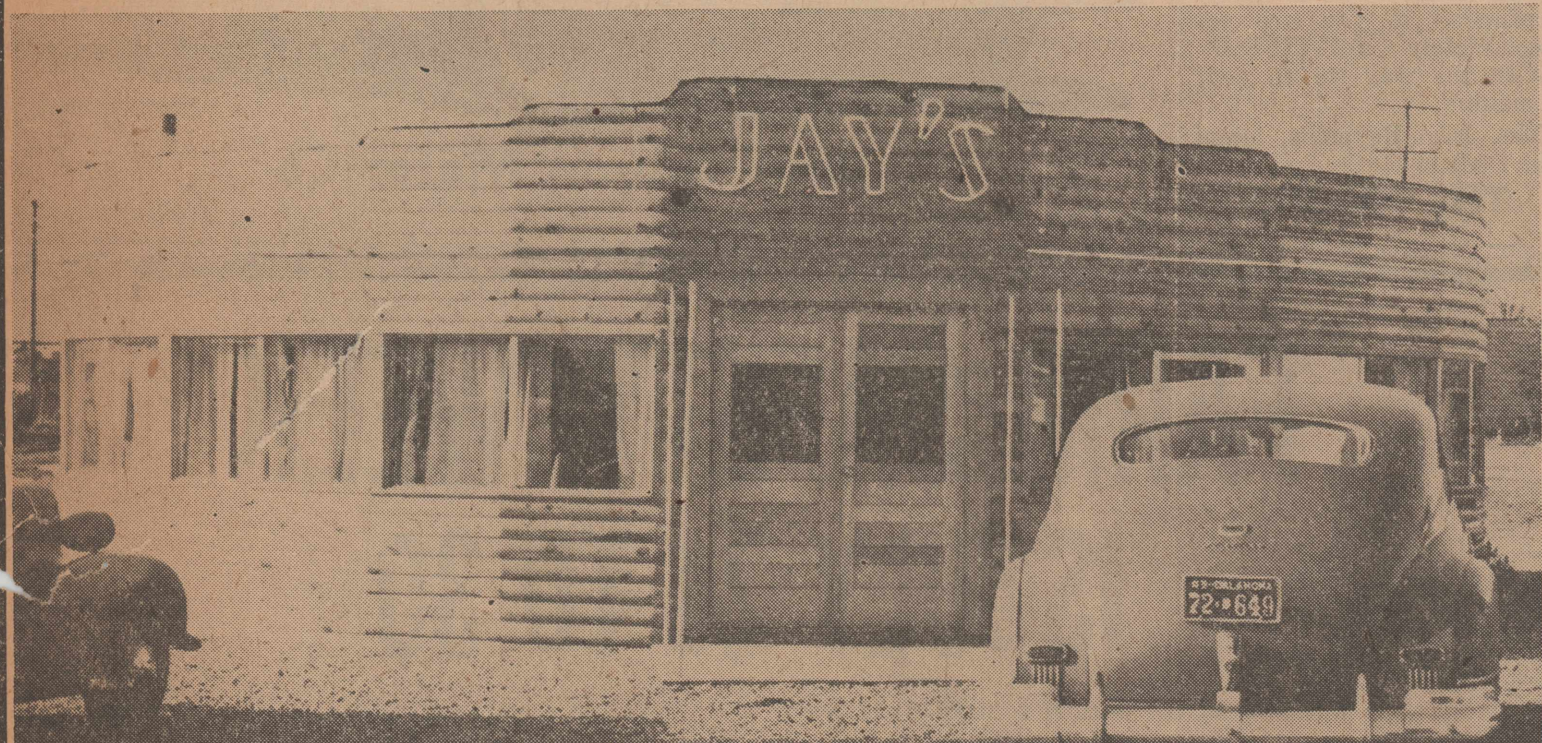

This is a terrible drain on the productivity and the financial resources of the farmer. This is farm security week. As we advise you to take care and caution in the interest of yourself and of your contribution to the nation, we would also like to remind you of the benefits of ADEQUATE INSURANCE in case it does happen to you.

Farm work ranks high as one of the most dangerous in the United States. Take care of yourself and your family.

We will be glad to advise with you as to how adequate insurance can help you.

Don't Take A Chance On An Accident

Yearly hundreds of thousands of man hours of labor and thousands of lives are lost on American farms due to avoidable accidents. Protect yourself and others using your farm machinery by observing the following precautions.

1. Keep the safety shields and guards in place.
2. Do not try to adjust a machine that is operating.
3. Avoid unnecessary high speeds.
4. Follow operating instructions of the manufacturer.
5. Replace worn parts at once.

AT ALL TIMES HAVE YOUR MACHINERY SERVICED BY EXPERTS... MEN WHO ARE TRAINED TO REPAIR FARM MACHINERY.

D&M Farm Machinery Co

MINNEAPOLIS-MOLINE SALES & SERVICE

Kiwanis NOTES

People . . . (especially those who live on a farm) you should get acquainted with Miss Gladys Wright. At demonstrating methods of making preservation of food products, in many ways, she knows how.

Thanks to Miss Wright . . . she presented a movie that certainly depicted the contrast between the old kerosene lamp method and the new R. E. A. method, of not only proper refrigeration of food products, but also proper uses of different appliances that are essential on the farm as well as in the town of Wellington that is potentially supported by the surrounding trade area of diversified farming. Orval Couch, Floyd Cole, Miss Wright and other members of the R. E. A. Organization are making wonderful accomplishments in delivering electric energy to farm homes that not only furnish lights, far superior to the old kerosene lamps, but also furnish current that will operate refrigerators, irons, radios and many other appliances that the farm home enjoys as well as being beneficial in promoting the welfare of the health program of the family.

J. B. Stevenson voluntarily accepted the place that his son-in-law occupied in the Club. Dan McCaskill (the son-in-law) is greatly missed and, in my opinion, J. B. is the best qualified person to take his place.

Guests: Dick Ellis, Pat Riley, E. Mills, Mr. Henry, Mr. Roberts, F. Saied and Peter Zabl.

LILLIE
By MRS. G. D. THOMAS

Rev. Steve Greenwood filled his regular appointment at Lillie Sunday. He was a dinner guest in the H. L. Tollett home.

Mrs. Beulah Tucker visited in the Beatrice Jinken home Saturday night.

Mr. and Mrs. Carl Whitfield of Snyder are visited this week in the L. D. McMinn home.

Mrs. Kenney Newman and son Rickey of Hartford, Conn., visited in the Woodrow Wilson home Sunday.

Mrs. Jerry Daniels of Panhandle is visiting this week in the Homer Davis home.

There are lots of plums and peaches ripe in Lillie community. Walter Needham has been trucking fruit to Amarillo last week.

Mr. and Mrs. Paul Grigsby of Ring and Mr. and Mrs. Jim Lowe visited Sunday in the L. D. McMinn home.

Mrs. Pearl Webb of Lindsay, Okla., and A. J. Ashton spent the week end in the G. D. Thomas home. A. J. is going to spend the summer with his daughter, Mrs. Thomas.

Clifford Austin and daughter Cliffs Mae, Mrs. Ida Austin, Miss Melba Regland of Dimmitt, and Mr. and Mrs. Clyde Brown of Rolla visited in the Mac Horton home Sunday.

Needless to say, I still need a stenographer 'cause I am unable to read my notes due to the fact that I have to scribble so fast.

Did you see those bathing beauties Sunday? . . . Oh, boy.

SAMNORWOOD
By MRS. C. W. FRITTS

Mrs. C. W. Lee of near Los Angeles, Calif., is visiting her daughter and family, Mr. and Mrs. Alton Spencer and children in Norwood.

Mr. and Mrs. Orville Cunningham made a four day business trip to Colorado points last week end.

Mr. and Mrs. Bill Childers and small sons visited the lady's parents, Mr. and Mrs. Jess Young and children Sunday.

Mr. and Mrs. J. C. Williams and small son of Pagan visited in the Jess Young home Sunday.

Mr. and Mrs. J. L. Burt Jr., of Amarillo visited the lady's parents, Mr. and Mrs. Robert Young and Gene Sunday.

Among those from Norwood who attended the ball game and airplane program Sunday afternoon were Mr. and Mrs. Walter Bradley,

Mr. and Mrs. Odus Bradley and daughters, Anna Lou, Sue, Rose Lee, and Patricia, Mr. and Mrs. Charlie Bradley, Mr. and Mrs. Tom Cunningham and George, Mr. and Mrs. Nath Thompson and Joe Ross, Robert, Jess, and Gene Young, Bill Childers, J. C. Williams, Mr. and Mrs. C. W. Fritts, and Mr. and Mrs. Fred Johnson and children.

Mr. and Mrs. Charlie Bradley are remodeling their 6 room home in Norwood. They have stuccoed the building and put on a new roof and remodeled the inside also recently.

Mrs. Paul Lusby and little daughter, Paula Sue left Monday morning for Pine Bluff, Arkansas, where Minister Lusby is holding a series of Gospel meetings. They will go from there to Duvall, and will visit friends in that area for three weeks, after which they will accompany Minister Lusby to Vinson, Oklahoma, for a meeting, and will return home from there.

FORD DEALERS KNOW FORDS BEST!

I Saw-

By VIRGINIA ROBEY

Orville Cunningham, superintendent at Samnorwood, asked if he had telephone service yet, saying, "No, I've been promised a phone 'within the next 90 days' ever since I came to Samnorwood three years ago." Which brings up the thought that you can sit in an easy chair in your own home in Wellington and talk by phone to Shanghai and Berlin, but not to Samnorwood and Aberdeen, each about 15 miles away as a crow flies.

The Bill Hills and J. D. Prigmores of Needwood in to pay electricity wiring bills. They're on the new part of the Greenbelt lines turned on recently. . . Sharon Roy, daughter of Mrs. Marjorie Roy, saying that she is six years old and will go to school this fall. "I've already gone for half a day," she confided proudly.

Tony White trying to persuade his mother, Mrs. Chub White to buy him a cowboy flashlight. "They're just a dollar," he argued. "But a dollar's a lot of money," she replied. "Why, it's just one of those little pieces of paper," he told her.

A local man who had received payment by check for some work done, turned the check over to his wife, who took it to a local store when she made some purchases. The husband got a rather urgent call while he was working on another job. "Who gave you that check?" she asked him. "They can't read the signature down here and don't want to cash it." "Well, that's Bud Manzer's signature. I watched him write it. And if they don't want to cash it, you just bring it right back up here and I'll take it over to Bud's bank and cash it myself," he replied.

Bill James, who painted the Leader's doors and awning, putting a few refinishing touches on the doors after two customers had gotten their fingers in the paint and Skipper, the Leader dog, had rubbed an ear against it.

Mrs. A. L. Nowlin with the back of her car full of fresh garden vegetables she was taking to a number of friends. Mrs. Nowlin, who is having her first garden season at their new home on 15th Street, said it looked as if every seed she planted came up. And the nice thing about it is that she's sharing all these good things with friends.

Little Insects Do Big Damage in Your Grain Bins

COLLEGE STATION — Those tiny insects in your grain bin may be small, but they do a tremendous lot of damage to stored grain. That's the word from the USDA Bureau of Entomology and Plant Quarantine.

The first place to start getting rid of them is right inside the bin itself. By doing a good job of bin cleaning, and afterward spraying with 5 percent DDT before the newly harvested grain is put in, you can go a long way toward killing out the hold-over infestation. Also, you're giving the new grain a chance to escape damage.

Dr. H. G. Johnston, head of the Texas A. & M. College department of entomology, says these tiny insects get one out of every eight bushels of farm stored grain in Texas. Missouri loses one bushel in ten, according to 1948 figures. But in that same year, the national loss average to insects was one in twenty. So, Texas is practically at the top of the "high loss" list.

Entomologists point out that grain losses can be lowered quite a bit by harvesting the grain as soon as it's dry enough for safe storage and by storing it in weather-tight bins that have been made insect free by a thorough cleaning and spraying.

Then, after you've got all the

grain in storage, check it now and then to see if the bugs are getting into it. If they are, fumigate with a mixture of ethylene dichloride and carbon tetrachloride at the rate of 3 to 6 gallons per 1,000 bushels, depending on how tight the storage bin is, Dr. Johnston says.

Stored grain insects take 300 million bushels of the nation's total production every year. That much grain is worth a lot of today's prices. So Texas has a long way to go in cutting down her share of the 300 million bushels the insects get, he concludes.

Vivian Aldridge of Carnegie, Oklahoma, spent last week in the home of her grandparents, Mr. and Mrs. W. D. Aldridge.

Welcome to Wellington

Wellington welcomes Mr. and Mrs. D. W. Pollock from Ada, Oklahoma, who are operating Dodgins' Mens' Store.

Mr. Pollock was in the real estate business in Ada, while Mrs. Pollock has a number of years experience with clothing stores.

Mrs. Pollock was a resident of Wellington for 4 years some years ago. Many will remember her as Mrs. Dame.

Before going to Ada the Pollocks lived in Colo. At the present time their address is 700 Childress St.

Let's Consider Safety

National Farm Safety Week is
July 24-30

Safety is a big consideration on the farm today. Lack of it is meaning the loss of thousands of lives each year, and the loss of property and vital time. Every farmer knows safety measures pay in dollars and cents.

There is another "safety" important to farmers, that of their bank. The City State Bank has been a safe place for farmers to do business for almost 40 years. This safeness enables us to make a valuable contribution to the farm economy of this county.

City State Bank

A Safe Place to Deposit

Personal

Mary Turner and friend, Lamoine Hathaway, of Boise City, Oklahoma, were here last week visiting her grandmother, Mrs. Lola Dobbs.

Recent tonsillectomy patients in St. Joseph's Hospital were Margaret Vaughan, Sue Leach, Neeta Ball and Wanda Hightower.

Don Lacy underwent surgery in St. Joseph's Hospital last week.

Bonnie Gay Hively underwent surgery in St. Joseph's Hospital last week.

Mrs. G. W. Crosnoe, and Mrs. J. F. Isaacs were medical patients in St. Joseph's Hospital last week.

Mrs. A. L. Simpson underwent surgery in St. Joseph's Hospital last week.

Fred Tidwell underwent surgery in St. Joseph's Hospital last week.

E. W. McKeag and J. F. Waddell of Kingsville are visiting their niece and sister, Mrs. T. B. Loving and family.

Miss Carolyn Salek of Tyler is a guest in the Enis Schaded home. She is a niece of Mrs. Schaded.

Mr. and Mrs. W. T. Helbert of Clayton are parents to a daughter, Brenda Joyce, who was born July 7. She weighed 6 pounds and 12 ounces. Mr. and Mrs. Helbert are former residents of this county.

Mrs. Walter Wright of Fort Worth and Mrs. Callie Wilson of Byers came last week to visit their sisters, Mrs. C. T. Donnell and Mrs. M. C. Cleveland.

G. M. Tucker underwent surgery in St. Joseph's Hospital last week. His condition is reported as being critical.

Lt. and Mrs. J. M. Robertson and sons, Lionel and Dick, of St. Louis, Mo., and Mr. and Mrs. Jay Swope and son James of El Paso spent last week visiting Mrs. Robertson's and Mrs. Swope's parents, Mr. and Mrs. Ray Clubb.

Mrs. Homer Bohannon of Odessa returned home last week after spending the last two weeks with her mother, Mrs. Edd Clark, who has been ill.

Those visiting in the home of Mrs. Edd Clark recently were Mr. and Mrs. Clarence Hundley and Myrtle Ruth Tater Bearden, Mrs. Ted Wheeler, and Mr. and Mrs. Tom Sexton all of Hollis, Okla. Also visiting with them were Mr. and Mrs. Ozell Bird of Wellington.

Mr. and Mrs. Jess Cook recently visited their son and family, Mr. and Mrs. J. M. Cook in Melrose, New Mexico.

Miss Polly Karen Cook of Fort Worth is here visiting her grandparents, Mr. and Mrs. Jess Cook.

Mr. and Mrs. Bob Stephenson visited recently in Eden with her sister and brother-in-law, Mr. and Mrs. Tom Rodgers, who lived here some years ago. The group also attended the horse races in Brady.

Mr. and Mrs. Henry Hutson and baby daughter of Amarillo visited recently with Mr. and Mrs. Jess Motesbocker.

Mrs. Lewis Cotton and sons, Bobby and Roy Lee, returned late last week after a week spent visiting her mother at Bridgeport.

Clifton Clark of Long Beach, Calif., returned home recently after visiting his parents, Mr. and Mrs. J. G. Finley, Lura and Betty.

Mrs. Emmett Wisdom, Mrs. Denny Judd and son, Gary Lynn spent last week visiting relatives in Dallas.

Mrs. George Clark. Mrs. Clark accompanied him to California to visit for a few weeks.

J. G. Finley Jr. who is attending summer school in Amarillo spent the Fourth of July holidays with his parents, and sisters, Mr. and Mrs. J. G. Finley, Lura and Betty.

Mr. and Mrs. Ross Gladney and family, Allie Rogers and Jennie of Amarillo also W. A. Gollighugh of Oklahoma City were week end visitors in the W. A. Gollighugh home.

Miss Sara Jones is making an extended visit with relatives in Arizona. She will visit a niece, Mrs. Elmer Peiper in Winslow and her sisters, Mrs. E. C. Myers and Mrs. J. E. Crockett in Phoenix.

Mrs. Roland Mayhugh of Arlie underwent minor surgery in St. Joseph's Hospital recently.

Mrs. Charlie Motesbocker and daughters, Charlesreen and Sharon of Borger spent the week end with Mrs. Nina Johnson here and Mr. and Mrs. Roland Mayhugh and daughters in Arlie.

Mr. and Mrs. Herschel Beatty and two children, Carolyn and Jerry, of Midland, have returned to their home after visiting a week with her sister and family, Dr. and Mrs. Dale Watkins and children. Mr. Beatty is with the Texas Electric Service Company at Midland.

Mrs. R. E. Bassel and children returned to their home at Hollis Thursday after visiting her mother, Mrs. Fred Watkins, for about 10 days.

Leon McClendon, E. V. McClendon and Dick McClendon went fishing Sunday at Buffalo Lake.

Mr. and Mrs. George Greenhaw of Memphis have been guests in the R. F. Curry home twice recently coming to be at the bedside of Mrs. Curry, who is receiving treatment in St. Joseph's Hospital.

Mrs. M. L. Portwood has been visiting during the last week in the home of relatives at Hollis.

M. L. Portwood was a business visitor near Memphis during last week end.

Carelessness Will Cost You Money!

Carelessness about the farm and ranch will cost many people countless time and money lost this year, as it has every year in the past. You can help save yourself by taking a quick survey of your surroundings. Hazards are not hard to find.

The Wellington State Bank joins other businesses in urging you to reduce these hazards — cut down accidents that affect life and limb and property among farm people. It is the responsibility of every one of us.

Wellington State Bank

John Coleman, county co-ordinator for the Veterans Vocational School; Mrs. S. L. Lindsey, secretary; and Mrs. Vondel Starkey of the Wheeler School, returned Saturday evening after attending a conference for bookkeepers of Veterans Vocational Schools at Austin.

Mr. and Mrs. Walter Hagler spent last Sunday with relatives in Lakeview. Mary Estes Hagler who has been visiting there, returned home with her parents.

Joe Horn spent the week end with friends in Whitesboro and went from there to Longview to visit his brother, Mr. and Mrs. R. M. Horn Jr. His niece, Katherine Ruth Horn will accompany him home for a visit in the home of her grandparents, Mr. and Mrs. R. M. Horn.

Mr. and Mrs. Richard Scott of Austin spent the week end with his parents, Mr. and Mrs. W. M. Scott.

Eddie Crawley of Levelland is visiting his sister, Mr. and Mrs. J. H. Wood and family.

Miss Patsy Roberson recently returned from a four weeks visit with her sister, Mr. and Mrs. Harold Maddox in Oklahoma City.

Mr. and Mrs. Lee George Tice and children of Sacramento, California, spent last week end with their sister-in-law and niece, Mrs. Edward Tice and Eddie Jean, also Mrs. Tice's parents, Mr. and Mrs. W. C. Killingsworth. The Californians took moving pictures of Texas scenery and members of their brother's family, back to California. T-Sgt. Edward Tice is now located at Firstenfeldbruch Army Air Base in Munich, Germany. Lee George and Edward are sons of Mr. and Mrs. George J. Tice of Anaheim, California.

Mr. and Mrs. W. G. Tomlinson of Los Angeles, California, are guests in the home of Mr. and Mrs. Dave Thomas.

Can Black-Draught help that dull, dopey feeling?

Yes, Black-Draught may help that dull, dopey feeling if the only reason you feel that way is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental haziness, bad breath—and if these symptoms are due only to constipation—try Black-Draught. Get a package today.

Mrs. Bob Parsons and children, Judy and Kaye of Canyon spent last week in the home of her parents, Mr. and Mrs. A. T. Smith.

Mr. and Mrs. Loyd Roberson and children, Billy and Betty also Mrs. Roberson's mother, Mrs. Eva Fulcher, are vacationing in the white mountains of New Mexico.

Mr. and Mrs. J. W. Wells attended to business in Amarillo Saturday.

Misses Betty Wood and Jennie Scott returned from Dallas Monday night after visiting with Mr. and Mrs. A. C. Ward, uncle and aunt of Miss Scott, and other relatives there.

Miss Rose Shadid attended to business in Memphis Monday.

Miss Lou Emma Hobbs of Mangum, Okla., visited with her aunt and uncle, Mr. and Mrs. Cicero Gulley, last week.

FARM SAFETY WEEK Is July 24-30

Do you know . . .

That more people were killed in farm accidents last year than were killed in the great Chicago Fire, the Sinking of the Titanic, the San Francisco earthquake and the Johnstown flood combined. You don't hear much about farm accidents, yet farms are the scene of an alarming number of fatalities. National Safety Council figures indicate that 20,000 people are killed on farms each year.

In Farm Safety Week, we urge you to take every step to bring safety to your farm. We should also like to remind you of the benefits of ADEQUATE INSURANCE, for you, your family, your livestock, your crops, your buildings and your possessions.

Do you know About our FARMERS COMPREHENSIVE LIABILITY INSURANCE?

It gives you complete liability coverage on every type accident except those involving registered vehicles, which are covered by other types liability insurance. No farmer can say he is entirely safe without this Farmers Comprehensive Liability Insurance.

Cub Scouts Receive Bob-Cat Pens Monday

Twenty-seven Cub scouts received Bobcat pens Monday evening, July 18, at a get-together of parents and Cubs held at Ellison Park, H. L. Duncan, cubmaster, reported.

Following the family style picnic, the tribe was called to council by Don Scott, beating the tom-tom made by boys of Den 6.

The short ceremony was given around a large camp fire, and the Bobcat pens presented. Requirements for receiving these pens are to know the Pledge to the Flag; the law of the Pack; the Cub Scout oath; and be able to explain the Cub pass-word, "Webloes."

This was the first meeting of Pack 31, and other meetings will be held monthly. The six dens meet weekly.

Approximately 125 Cubs, parents, and guests enjoyed the chick-

en, potato salad and baked beans which made up the menu. Coca Cola for the occasion was given the Cubs by Mr. and Mrs. Bill Burden of Shamrock.

Boys receiving Bobcat pens were: Den One: Dickey Sweat, Randall Raburn and Tommy Tollett.

Den 2: Jim McDowell, Wendell Williams, Kelly Kern Pigg and Gus Drake.

Den 3: Raymond Brummett, Jimmy Thompson, John Eikenburg, Billy Lewis and Don Scott.

Den 4: Tim Campbell, Reggie Smith, Billy Bratton and Jerry Elbert.

Den 5: Billy Jack Gibson, Bobby Cotton, Dale Jones, Junior White, Dickie Dodd and Larry Hammonds.

Bratten and Jerry Drummond; Den 5: Mrs. Jack Gibson, Mrs. Floyd Cole and Joe Lynn Moore; Den 6: Mrs. D. E. Scott, Mrs. Morris Reed and Ronnie Coleman.

Karnes at Guley Barber Shop

Billy Wayne Karnes graduated from West Texas Barber College in Amarillo July 1, and has received his barber's license. He is now employed at Cicero Smith's Barber Shop.

He has been in Barber's school for 6 months, and plans to attend college this fall probably at West Texas State where he will major in physical education.

Billy Wayne is the son of Mr. and Mrs. Leonard Karnes of this city.

Miss Mary Lewis of Austin is spending the summer with her parents, Mr. and Mrs. E. N. Lewis.

Kathryn Ruth Horn of Longview, is visiting with her grandparents, Mr. and Mrs. Roy Horn and her uncle, Joe Horn.

Mr. and Mrs. Tom Way of Memphis visited friends in Wellington during the week end.

SS Man Here on Wed., July 27th

The month of July is one of the four months each year when social security tax returns must be filed by all employers in commerce and industry. These returns will report wages paid during April, May and June. The tax return should be mailed to the Collector of Internal Revenue, Dallas, Oexas, and not to the Amarillo Social Security Office.

A social security tax return is not complete unless it shows the full name and social security account number of each employee. The employer can be sure of having this information if he will insist that each new employee show his social card at the time he is hired. Any employer having difficulty getting social security numbers for all his employees is invited to contact the Amarillo office or the representative when he is in Wellington.

Floyd B. Ellington, Amarillo office representative, will be at the Department of Public Welfare Office in the Court House at 9:00 a.m. Wednesday morning, July 27th.

SCS Meet to -

(Continued from Page One)

to farm people occurred in the home, 56 percent elsewhere on the farm, 11 percent on roads or streets, and 17 percent off the farm. Apart from falls, burns and shock were the most frequent type of accidents in the home.

"Fifty-four percent of injuries were sustained while the victim was engaged in farm work, 17 percent in recreational activity, and 6 percent in housework. The remaining 23 percent included injuries resulting from motor vehicle and home accidents which were unclassified as to activity, off-farm work accidents happening to farm people and other unclassified accidents.

"Most accidents can be prevented," Mr. Grigg concluded. "People can be taught to locate farm hazards and guard against or remove them before an accident occurs. Employers and farmers cooperating with the Salt Fork District are urged to check their farms and homes for hazards and take steps to correct any that may be found."

Flight Barbecue -

(Continued from Page One)

ing a PA-11. C. Q. Smith, coach of the Georgetown, Ky., College football team, won the 85-horsepower heat in 13 minutes 38 seconds, flying a Cessna 140. He also won a prize for being the first plane to arrive Saturday for the air meet.

The 65-horsepower event was won by W. W. Wheeler of Oklahoma City in a Luscomb 65.

Spot-landing honors went to W. L. Stanley of Lubbock in a Piper Vagabond who landed, in a heavy wind, within 49 feet of the spot.

Oldest pilot of the day was 66-year-old F. E. Stevens of Shamrock.

Prizes donated by Wellington merchants included: a leather map case given by the Wellington Leader; an electric fan from R. A. Williams; a pneumatic seat cushion from the Castleberry Motor Co.; a 40-pound watermelon from the Wellington Ice Co.; a seat cushion from the Lion Auto Store; a plastic car awning from the L. E. Ward Motor Co.; a set of auto fog lights by Higdon Auto Sales and an automatic cigarette server from the Palace Drug.

Dodson Voters -

(Continued from Page One)

ture adjourned. "We have the lumber and building on hand to complete the job, but no money to pay for the labor.

"In the name of the children of this district, I ask that you vote for the bonds. It will not raise your taxes above the \$1.50 rate but it will give the school board authority to sell the bonds and to designate a part of the rate to the bonds for their retirement.

"The Dodson school district was formed in 1910 and has never had a gymnasium. This is not fair to your children, for they have a right to compete with the other children in the county.

"We ask that all qualified voters come out and vote," Mr. Lennon concluded.

Farm Safety -

(Continued from Page One)

If the time lost by members of the agricultural labor force alone is evaluated at the prevailing average

rates of pay for farm workers, the cost in lost time is even greater than the medical costs. These figures are exclusive of costs occurring from property damage and the value of time spent by those caring for the injured.

Unless something is done to prevent such accidents, the same thing is likely to be repeated in 1949.

Mr. and Mrs. W. M. Phillips and family visited relatives and friends in Memphis Sunday.

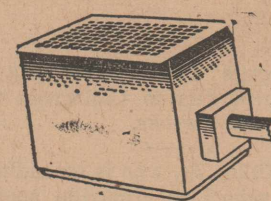

James Byron and Eldon Lusby are in Hobbs, New Mexico, to spend three weeks with their grandparents, Mr. and Mrs. B. A. Brouse.
