House Group Recommends 25 Per Cent Cut In Funds

AIR ACE DECORATED

Col. Francis S. Gabreski, (right) top U. S. Air Force ace pilot, receives the distinguished service medal at the Pentagon in Washington, D. C., from Air Force Secretary Thomas K. Finletter. He was decorated for tactical doctrines he set up while directing the 51st Fighter Interceptor Wing in Korea. He is credited with destroying 40 enemy planes, 33½ in World War II and 6½ in Korea.

'Sweetheart' In Theft To Be Sentenced

CARSON CITY, Nev (AP) — The French - Canadian divorcee who pleaded that she made a bedroom bargain with millionaire La Vere Redfield to steal his 1½-million-dollar safe today faced five to 10 years in prison for directing that fantastic burglary.

A Federal Court jury yesterday found Mrs. Jeanne d'Arc Michaud, 36, guilty of carrying more than $17,000 of the loot across state lines.

The jury rejected the petite, dark-haired woman's contention that she gained Redfield's consent to the theft in a bedroom tryst at the millionaire's gloomy Reno mansion Dec. 28.

A special suicide watch was put over her. She previously attempted suicide and said on the witness stand:

"It is preferable to this shame of bringing out my private life as La Vere Redfield's sweetheart."

Redfield denied in court he consented to the theft, but was so hesitant and evasive that Federal Judge Roger Foley's temper flared at the blue-jeaned financier.

An amazing new touch to a case that will go down in FBI files as one of the strangest in history came yesterday with this revelation: Redfield still has 270,000 dollars cached in a secret basement room of his field stone residence.

The 270,000 cartwheels, which weigh almost 10 tons, were discovered by FBI agents, acting upon coded instructions found in a note taken from Mrs. Michaud upon her arrest.

The note, with a will and other personal papers, was among the currency, jewels and securities choked into the millionaire's small bedroom safe when it was carted away Feb. 29.

Continuation Of Steel Strike For Another Week Said Certain

WASHINGTON (AP) — The steel strike was considered certain today to continue at least another week even if President Truman bowed to the will of Congress and asked a court to order the men back to work.

There was no firm indication, however, how the President would react to yesterday's House request —paralleling a previous one from the Senate—that he use the Taft-Hartley Labor Law to end the crippling, 24-day strike.

The walkout of about 650,000 CIO steelworkers has already cost more than six million tons of steel.

The President had a chance to tip his hand at his weekly news conference today. His last public comment on Taft-Hartley was a curt remark that Congress has no power to force its use. He also said, however, the use of the law always has been under consideration.

The law calls for a board of inquiry, appointed by the President, to look into the issues involved in a dispute and make a report to the White House. Not until that has happened—and customarily it takes at least a week—can the President ask a court to issue an order banning continuation of the strike for 80 days.

The steelworkers union, it was learned, is considering an attack on the steel industry through the same Taft-Hartley Law.

The act makes it an unfair labor practice not to bargain collectively. The act says collective bargaining is conferring "in good faith" over union demands for higher wages and other contract changes. The union questions whether the steel companies have, in fact, bargained in good faith, and gives this reason:

The union was reliably reported to have reached a tentative agreement on a new contract late last week with Bethlehem Steel, second biggest producer. The tentative accord, these reports said, was rejected by others of the six main companies in the dispute when Bethlehem asked for their approval under an agreement that all six would stick together in the long contract fight.

Stickiest obstacle to settlement of the dispute, which started last November was a union demand for the union shop, under which all employes could be compelled to join the union.

Scurry Well Making Tests In Ellenburger

American Trading & Production No. 1-A Elmer Howell is now swabbing on perforations in the Ellenburger for testing prior to a completion attempt.

The swabbing is recovering an average of five barrels of oil per hour, with the gas reported to be increasing as swabbing continues.

EXTENSION

Stanolind Oil & Gas Co. has reported a one and one-quarter mile southwest extension to the Strawn pay of the Cogdell field at the No. 2 O. A. Buffaloe.

The well was completed through perforations at 7,554-558 feet for 4.16 barrels of 37.2 gravity oil with no water. Gas - oil ratio was 1,415-1. Top of the pay was at 7,547

Drillsite is 467 feet from south and 1,035 feet from west lines of the northeast quarter of section 565-97-H&TC.

KENT WELL

General Crude No. 1 C. V. O'Keefe, Kent wildcat, has been ordered plugged and abandoned in barren Ellenburger. It was in Northwest Kent County about eight and one-half miles east of the Salt Creek field.

DRILLING REPORT

Sinclair Oil No. 1 Reeder, Borden wildcat, is at total depth of 8,345 feet in Ellenburger lime and running a drillstem test from 8,295-345 feet. Top of the Ellenburger was at 8,398 feet on an elevation of 2,386 feet.

Ashmun & Hilliard No. 1-C Long, wildcat four miles southeast of Gail, is at total depth of 3,938 feet in shale and fishing for junk in the bottom of the hole.

Wade Youth Is Found In Levelland Alive

John Wade, 3-year-old son of the Rev. and Mrs. Anthem Wade, of Aztec, N. M., was found in Levelland, relatives here reported today.

The child had disappeared May 4 from the family's home where Mr. Wade is pastor of a Baptist church.

Relatives said the boy was found with two persons who were traveling through Levelland, where Mrs. Wade's brother, Jim Wiman, lives. The child is now at Wiman's home, and the parents are flying from Aztec to Levelland this afternoon.

Churchill For Command Post To Britisher

By The Associated Press

Prime Minister Churchill pressed today for quick appointment of a top British military man on the planning and policy staff of the United Nations command in Korea.

This was the aftermath to the row kicked up by the Laborite opposition in the House of Commons over the bombing of the Yalu River power plants.

Churchill's conservative government expressed regret that it was not advised in advance of the bombings but it defended them as attacks on a legitimate war objective. The Laborites said the bombings threatened to extend the warfare in Asia.

The Russians seized upon the debate as showing up British-American differences.

New Blast At U. S. Treasury

WASHINGTON, June 26 (AP)—Sen. Williams (R-Del) let loose a new verbal blast at the Treasury Department today. He said it settled a 38-million dollar claim against a New York oil man for about three cents on the dollar.

"This," Williams told the Senate, "is only one of the scores of large tax cases which have been compromised for an insignificant fraction by the treasury department during the past several years."

Williams named the oil man as William R. Davis. He said he was a speculator. Davis died in 1941.

The Delaware senator said today of the Davis matter:

"This compromise tax case was approved by the Treasury Department under the same secretary of treasurer, John W. Snyder, who for the past six years has nonchalantly been sitting on the lid of all the corruption which has recently been exposed in the Treasury Department."

Northern Senators Push For Stricter Control Of Border

WASHINGTON, June 26 (AP)—A move to increase funds for immigration patrol work on the Mexican border was started today.

Sen. Lehman (D-NY) told a reporter he and Sen. Humphrey (DMinn) and possibly other senators would seek to restore $4,001,000 to the Justice Department appropriations bill for this work.

Unless this is done, he said, immigration officials have warned that control of illegal entry of Mexican "wetbacks" into the United States may collapse.

The Budget Bureau had requested $44,400,000 for the Immigration Service for the year beginning July 1. This amount was cut to $40,399,000 by the House, and the same figure was recommended by the Senate Appropriations Committee. The Justice Department bill containing the immigration allocation is now before the Senate.

Argyle R. Mackey, deputy immigration commissioner, told the Senate committee during hearings on the bill that the $4,001,000 is needed as follows:

Border patrol program, $1,460,500; operation of detention camps, $540,500; removal of Mexican aliens, two million dollars. As a part of the alien removal program, the immigration service is using five converted C-46 cargo planes as an airlift to return the Mexicans to their country.

Lehman said that if the control program is dropped, more than 700,000 Mexicans may enter this country illegally within a year.

On the House side, Rep. Bentsen (D-Texas) scouted reports that the border patrol program may break down unless more money is forthcoming.

"The immigration service is no sacred cow and it must take its cuts along with other government departments," he said.

He told a reporter the immigration service is not being cut below last year's appropriation. "They are only being held in status quo," he said. "Each year they ask for more money."

Jaycees Have Big Time In Dallas Meet

DALLAS, June 26 (AP)—Jaycee-jittery Dallas was ready for another round of fearful frivolity today as the annual U. S. Junior Chamber of Commerce convention roared on.

And the Jaycees were winning friends, said one oil firm's librarian:

"I wish they could stay ... I never saw so many nice-looking young men."

The complimentary young lady refused to be identified.

Today's program was to be featured with the gigantic "Parade of States," featuring floats from all the 48 states, Hawaii and the District of Columbia.

The Hawaiian delegation's float will be burdened with 15,000 orchids flown from the islands. Horsemen and horsewomen from Hardin-Simmons University and the school's jazzy Cowboy Band will also take part.

Nevada's float was sure to draw attention. The Nevada crew, one of the most popular in the convention, will throw some of the silver dollars from a chest of 12,000 to the parade watchers.

Alice from Dallas, otherwise Miss Barbara Ann Gentry, and Mayor J. B. Adoue Jr. escorted a mule-drawn covered wagon load of Colorado Springs delegates into the city and up on to red carpet proceedings at a hotel.

There was a 20-minute "cease fire," only partly successful, while the mayor nervously drove the nervous white mules up a principal downtown street. A few .45s were fired in the air during the "truce."

Presidential Assistant John R. Steelman, acting director of the Office of Defense Mobilization, was to speak to the rip-snorting delegates today in another rare moment of comparative calm. Steelman was to present the Jaycees with a plaque from President Truman for their work in the defense effort.

The convention lost a speaker when Senator Russell (D-Ga) wired he would not be able to make the inaugural ball tomorrow night.

Senate Not To Go With House

WASHINGTON (AP) — The 46-billion-dollar ceiling built by the House over military spending looks as if it may be torn down by the Senate.

A Senate defense appropriations subcommittee agreed informally yesterday to eliminate a House-voted amendment which would freeze spending for next year. President Truman said the amendment would wreck the military buildup.

Military officials requested 52 billion dollars for the year beginning July 1, and the House authorized $46,200,000,000.

But the rider, sponsored by Rep. Howard W. Smith (D-Va), would mean the three services could spend only a total of 46 billion dollars from this amount plus funds carried over from past appropriations.

Chairman O'Mahoney (D-Wyo) said the Senate group agreed with the administration's contention that the amendment would mean reneging on past appropriations. These have been pledged to pay for military equipment ordered months ago and scheduled for delivery next year.

Execution Date Set For Oscar Collazo

WASHINGTON, June 26 (AP)—The execution date for Oscar Collazo, Puerto Rican who tried to kill President Truman nearly 20 months ago, was set today for Aug. 1.

Collazo, unsuccessful in appeals from conviction of murder of a White House guard, was brought into U. S. District Court and told of the time fixed for him to die in the electric chair. Only the President could now save Collazo from the chair.

104 Recorded Yesterday

A hot 104 was recorded as yesterday's high, Mrs. D. P. Strayhorn, weather observer, said. Low for last night was 75, and reading at 7:30 o'clock this morning was 79.

Funeral services will be held today for Gene Howe, above, veteran Amarillo newspaperman who took his own life Tuesday night. His body was found in his car on a road southeast of Amarillo, a pistol clutched in his right hand. He was known to thousands through his column, "Tactless Texan," through his civic work.

Only Showers In West Texas

By The Associated Press

Texas' renewed drouth continued Thursday, broken only by scattered light showers.

Dry winds and high temperatures gave the lack of moisture an assist in cutting the East Texas tomato yield and checking new growth in range and pasture feed supplies in the eastern two thirds of Texas.

Some 13 Texas points reported temperatures of 100 or over Wednesday with Presidio's 106 the highest. Galveston had 88 degrees for the day's low maximum.

The hot weather continued Thursday and before dawn Galveston's 81 was the highest temperature. Marfa was on the cool side with 65, the state's lowest before-daylight temperature.

Showers fell during the night and early morning hours at Lubbock, Salt Flat, Marfa, Big Spring and Midland. But they were not believed enough to slow the effects of the drouth.

Odessa Chamber Dinner Commemorates Water

Gov. Allan Shivers is to be the principal speaker at a Chamber of Commerce dinner at Odessa July 11, commemorating the city's development of a new water supply.

Jesse L. Owens, chamber manager, said water from the new supply reached Odessa June 12 from the Martin County wells, alleviating an acute water supply problem for the first time in many years. Its development was effected through the Colorado River Municipal Water District.

Hits Three Pets Of Administration

WASHINGTON, July 26 (AP)—The House appropriations Committee recommended today a 25 per cent cut in new funds asked by the administration for the armed forces, foreign aid, atomic energy and a variety of other purposes.

In terms of cash, the purse-holding group's proposed reduction—which comes up for House action tomorrow and will be considered by the Senate later—was $3,468,156,250.

The committee, headed by Rep. Cannon (D-Mo), said the agencies involved should get along on $10,282,532,030 instead of the $13,750,688,280 President Truman asked.

The money provided in today's bill is separate from regular budget appropriations already considered by Congress for the Defense Department and the Atomic Energy Commission. Their regular budgets, much larger, have been reduced already.

The new funds supplement appropriations already considered for the coming year or actually made for the present year, and are primarily for construction programs.

No big agencies were spared the committee's cuts. The largest was a $1,706,000,000 reduction in funds for the Atomic Energy Commission. This was 53 per cent less than the $3,191,000,000 requested.

The foreign aid program was chopped by $250,120,000 from $6,526,060,750 to $6,275,940,750.

The Defense Department, which wanted $2,993,868,440 for its construction programs, was allotted $2,187,899,840, a cut of $805,968,600.

A group of defense agencies was trimmed from $661,610,000 to $81,690,000, a reduction of $579,920,000, with $562,500,000 of the total cut aimed at the Civil Defense Administration.

The Economic Stabilization Agency (ESA) got nothing, the committee saying it would consider ESA funds when Congress decides what to do about wage, price and rent controls. The agency wanted $103,250,000.

The Commerce and Interior Departments got what they requested, $716,536 for Commerce and $525,000 for Interior. The extra budget of $132,200 for Congress itself was approved in full.

The Labor Department was cut from $16,870,000 to $9,600,000, most of the cut being in funds for grants to states for unemployment compensation and employment service administration.

The Federal Security Agency was slashed from $110,710,400 to $10,537,750, the committee rejecting among other things the entire 80 millions requested for school construction.

The $250,120,000 cut made by the committee in foreign aid funds was considerably less than some had expected. Earlier Congress shaved by 1½ billions the President's request to authorize a $7,900,000 aid program.

The heaviest cut in the defense appropriation was 568 million dollars aimed at the Air Force, which wanted $1,768,000,000. The Army got all but 54 million of the $654,090,000 it sought, while the Navy was given all but $34,787,900 of the $421,197,740 it wanted.

The committee expressly refused to provide funds, other than planning money, in connection with the proposed Strategic Air Command installation at Municipal Airport, Lincoln, Neb.

The committee chided the Army for putting plush features into some of its constructions, and for building expensive living quarters at such places as Sandia, N. M.

To Try Young Britisher As Spy For Reds

LONDON, June 26 (AP)—A magistrate's court today committed William Martin Marshall, 24, a radio operator for the British Foreign Office, to trial on charges of slipping official secrets to a Russian diplomat.

The action followed a closed hearing. Reporters and the public were barred because of the top secrets involved in the case. At the opening of the hearing, a government prosecutor charged that Marshall was carrying information which would have been useful to the Kremlin when he was placed under arrest on June 13 in the company of the Soviet Embassy official.

Marshall may be tried in central criminal court — Old Bailey—within the next week. This is the same court where Klaus Fuchs was convicted of betraying top atomic secrets to the Russians. Fuchs is serving 14 years in prison.

Marshall was denied bail and ordered held in jail until his trial. Marshall once worked in Britain's Moscow Embassy, where he described himself as a "misfit" and disgruntled with his work.

Pakistan Dignitary Stays In Tourist Court Here Last Night

"The people of my country do not have any great fear of the Russians because we are protected by the Himalaya Mountains," Mohammed Ali, Pakistan's ambassador to the United States said in an interview here last night.

Ali and his family stopped in Snyder to spend the night on their return from an official tour of the U. S. to Washington. They stayed in the Sunset Courts on the Lamesa Highway which is owned by Mr. and Mrs. Harry Holbrook.

Ali, one of the newer diplomatic representatives to the U.S., said that Pakistan has made more social and economic progress in the past five years of independence than it did in the previous 5 years as a colony of Great Britain.

Pakistan was formerly a part of India, but broke away from India when the republics became independent in 1946.

In the breakaway from India, Pakistan was split into two parts which are separated by a 1,000-mile wide stretch of northern India.

The larger section of Pakistan is on the west side of India and is called West Pakistan. The other section of Pakistan; called East Pakistan, adjoins China and Burma and eastern India, Ali said.

Although few foreigners realize it, Pakistan has 80,000,000 persons making it fifth in size of population of the World's nations although both sections of the country cover only about as much territory as Texas and Ohio, Ali said.

Ali was traveling in one of the largest Cadillacs built. It had District of Columbia license No. 56.

Ali explained that the first 56 license numbers issued in Washington are all to ambassadors, and that his short tenure here places him at the bottom of the list.

He became ambassador to the U. S. four months ago after being Pakistan's high commissioner to Canada for three years. Before that he had been a member of Pakistan's cabinet before Pakistan became independent. He was ambassador to Burma before going to Canada.

Although Pakistan is a new country, it is becoming important in world politics, Ali said. He said the country now is a member of the United Nations, and has a representative on the U.N. security council, most important branch of the U.N.

Pakistan is very closely united with almost every home in the United States because Pakistan raises about 75 per cent of the world's supply of jute, from which burlap bags and carpet backing are made, Ali said.

Cotton and jute are the nations money crops, and rice and wheat are the food crops there, Ali stated.

While Ali makes a collection of souvenirs displaying the bigness of Texas according to Texans, his sons make a collection of comic books which they enjoy reading as much as most American boys do.

Mrs. Ali was dressed in the official costume of East Pakistan—a long silken dress over which she wore a silk shawl that reached the floor.

WEATHER

WEST TEXAS: Partly cloudy with no important temperature changes Thursday and Friday. Widely scattered late afternoon and evening thunder showers in Panhandle, South Plains and from Pecos Valley westward.

EAST AND SOUTH CENTRAL TEXAS: Partly cloudy and no important temperature changes Thursday and Friday. Widely scattered afternoon thunder showers near coast. Moderate to fresh south and southeast winds on the coast.

NORTH CENTRAL TEXAS: Generally fair with no important temperature changes Thursday and Friday.

PAKISTAN AMBASSADOR VISITS SNYDER

The ambassador to the U. S. from the world's fifth largest nation is shown above with his family as they stopped in Snyder to spend last night. He is Mohammed Ali ambassador from Pakistan. From left are: Hammad Ali, Mrs. Ali, Ali, and Hamade Ali. The boys gave up their comic books for a minute to pose for the picture. (Lee Watson photograph.)

High Court Upholds Four-Year Jail Sentence Of Bootlegger

For the first time in Scurry County's history, a man convicted of a misdemeanor will have to serve a four-year sentence in the county jail, according to the court of criminal appeals. The appellate court yesterday dismissed an appeal of Anderson Davis, Jr., Snyder Negro and numerously convicted bootlegger.

Dismissing the appeal was the court's manner of upholding the county trail court's decision of May 8 to send Davis to jail for four years and fine him $1,000 plus court cost of $28.50. In this case, a charge of illegally possessing liquor, Davis defended himself, claiming he had paid an attorney in Fort Worth to defend him but that the lawyer was unable to be here and that neither Davis nor the attorney had been given sufficient notice of the trial date.

The state, represented by Keith L. Merrick, county attorney, contended that the court was under no obligation to notify a defendant and his attorney prior to the date of the trial in a case in which the appearance bond was made returnable "instanter," that is, at any time. The bond also stated that the defendant or his counsel should consult the court "from day to day" while the trial was pending. Edgar Taylor, county judge, presided.

Another case against Davis was reversed by the appellate court in Austin yesterday and remanded for new trial. Merrick said that although he has not yet received a written opinion from the court, he expected this case to be reversed on grounds that a special judge presided who was not elected properly in that particular case. It was a case in which a jury on Sept. 26 sentenced Davis to 90 days in jail and fined him $550 plus $28.50 court cost for possessing liquor. It was the second case to be reversed for Davis, the first a conviction of last Sept. 13 when he was sentenced to one year in jail and fined $1,000.

When Davis was convicted on the first case reversed, it was then the greatest sentence ever assessed here on a misdmeanor charge. Davis also has two other convictions still on appeal. One carries a sentence of one year and $750 plus court cost, and the other assesment was a fine of $1,000 plus cost and no jail time. This brings his current debt to the county to a total of five years in the county jail, $2,750 in fines, and $85.50 in court costs.

Concerning the conviction upheld yesterday, Merrick said: "The state's attorney in Austin stated that so far as he knew the punishment assessed in this case was the maximum ever assessed for bootlegging in Texas since bootlegging has been a misdemeanor.

"I am gratified at the ruling made by the appellate court and feel that it bespeaks the wisdom for which our court of criminal appeals is known throughout the nation."

Good Girls Winning Out Over Bad Girls In British Port

MIDDLESBROUGH, England (AP)—Progress was reported today in this city's good girl vs. bad girl competition for the favor of sailors.

The nice girls are going strong, it was said by the Rev. Cyril Kettle, 35-year-old chaplain of the Mission of Seamen.

The sailors are flocking in greater numbers to his mission where, just as the Rev. Mr. Kettle promises on visits to arriving ships, they can meet some of the wholesome and pretty girls of the city. Middlesbrough, an industrial and shipping center of 150,000, has become a bright spot on many a sailor's list.

The Rev. Mr. Kettle's project has attracted a great deal of attention, some reports have suggested that he has organized the proper girls of the town to lure sailors away from the girls, to be found in any port, who aren't so nice.

It isn't like that, he protested. There is no exciting competition in the streets between his team and the good time girls. But he does make it possible, and easy, for sailors who land in Middlesbrough to meet girls who can give seamen a memorable and proper evening.

"I wish the mission could supply a few more," the chaplain said. "It's quite a job frequently to turn up a dozen on short notice."

Who are the girls?

"Friendly," church-going and, in many cases, very pretty girls who know a sailor needs a girl to talk to after days and weeks at sea. I like them peppy, and it helps a great deal if they are tireless dancers. Our little church supplies most of the girls but we manage to borrow some from other churches.

"The other churches sometimes are a little unhappy when I make raids on their pretty girls, because the other churches have their own social programs. But the co-operation really is splendid."

Any sailor may find a girl friend here. Many enduring friendships have been formed and, in the Rev. Mr. Kettle's experience, the boy-meets-girl department of the mission has produced at least one highly successful marriage.

Fragile Bones Make Trouble For Youngster

LOTT, June 26 (AP)—It's mighty tough already for three-year-old Glenn Lorenz.

The youngster has had six bone fractures in his short life—and he and his family and his doctor are afraid it won't be his last one.

Because almost any time he falls or bumps into something a bone breaks. Sometimes his brittle little bones don't even have time to heal before they break again.

That's what happened this time—the day before yesterday. Glenn's left leg was still in supporting braces, but he fell in the yard and hit his knee on a rock. His left thigh again snapped.

He was taken to Marlin and his doctor, who has treated him for all of his fractures, fixed him up again. Dr. D. R. Swetland, an orthopedic surgeon, sent the boy home yesterday.

Swetland says Glenn's trouble is that he has too much calcium in his bones, a condition he calls "marble bone." It has affected all the bones in the boy's body, but the breaks have only bothered Glenn's legs.

It's a rare ailment, Dr. Swetland says. In Glenn's case his parents, Mr. and Mrs. Grover Lorenz, have to be extremely careful handling the youngster and watching his little-boy movements.

Glenn's first bone break came when he was only 15 months old. He slipped on a wax floor and broke his right thigh. Four months later he got a foot hooked on the bedsheets of his crib and broke the lower part of his right leg.

A few months after that a fall was responsible for a left thigh break. The next time he fell and broke his left leg. Last August he was standing in the family car, he twisted, fell and broke his left thigh again. And then the Tuesday accident followed.

Glenn's folks, who usually farm near here but have been living in Grand Prairie where the boy's father works in a defense plant, are taking the trouble in their stride.

But everybody is pretty careful about handling little Glenn.

REAL OLD-FASHIONED FUNERAL

Relatives and friends crowd the street following a horse drawn hearse, said to be one-hundred years-old, bearing the body of Elder Lucy Smith, a Negro, after departing from the All Nations church in Chicago, Illinois. Thousands of people lined the street to view the cortege of Elder Smith, former pastor of the church, as it passed on the way to the cemetery.

State-Wide Search Underway Following Abilene Jewel Theft

ABILENE, June 26 (AP)—A state-wide search was on today for two women suspected of stealing $4,400 worth of diamonds from an Abilene jewelry firm, Bush & Sons.

The loose stones which were inside a pouch in a display case were missed yesterday by a clerk, said manager Frank Fite.

Two clerks said they had shown jewelry to the women, one about 35 and another, 55 to 60.

Fite said the theft was effected by a routine he called "familiar in the jewelry business."

The younger woman held the clerk's attention at another counter while the older woman dropped a piece of costume jewelry on the floor, kicked it under the counter and then went around to retrieve it.

Borden County Location

D. D. Feldman Oil & Gas Co. has staked location for its No. 1 A. O. Murphy in the Reinecke field of Borden County about 10 miles west of Ira.

Drillsite is 1,311 feet from west and 881 feet from north lines of section 66-35-H&TC. Contract depth is 7,200 feet, with operations to begin immediately.

A gas will fill any vacant space in which it is placed.

PERSONALS

Mr. and Mrs. Usevia Albereaz, route No. 1 are parents of a son, born early Saturday morning at the Snyder Hospital.

Dr. and Mrs. A. O. Scarborough, 2712 Avenue S, have as their guest Mrs. Irene Boren, Dr. Scarborough's sister from Long Beach.

Mrs. Ella Cooper, 3007 Avenue S, returned home Saturday from Fort Worth where she had been on business and visiting friends.

Mrs. L. B. Norris and children of Midland are guests in the home of Mrs. C. B. Beck, 801 Twenty-third Street.

Mr. and Mrs. Earl Davis, route No. 3, returned home recently after vactioning in Ruidoso and Hot Springs, N.M.

Miss Linda Beth Bailey, daughter of Mr. and Mrs. B. M. Bailey of Houston, is visiting in the home of Mr. and Mrs. A. C. Elkins of Polar and Mr. and Mrs. H. W. Wilkins and family, 217 Thirty-second Street.

Mr. and Mrs. B. V. Gillean and children, Mickey, Max, and Sonja, 320 Thirty-third Street, spent Sunday in Lubbock where they visited in the home of Mr. and Mrs. Q. B. Gillean.

Mrs. Robert Scott, 2902 Avenue N, and Mrs. L. H. Haroy and children, Sandra and Jimmy Don, 1306 Twenty - ninth Street, spent Tuesday in Sweetwater where they visited Mrs. L. E. Musgrobe and Mrs. Willie Keel.

Mr. and Mrs. Jack Smith and children, Mike and David, and Mrs. B. L. Carr, 3004 Thirty-eighth Street, returned recently from vacationing in Colorado Springs, Colo.

Mr. and Mrs. Wayne Pearce and son, Phil, of Fort Worth are visiting in the home of Mr. and Mrs. Ted Johnson, 2812 Twenty-fifth Street.

Mr. and Mrs. Lokey Crockrell and daughter, Lilly Pearl, of Mount Vernon, Tex., were over-night guests Tuesday of Mr. and Mrs. C. L. Banks, 1001 Twenty -sixth Street.

NOTES ... HOSPITAL

Kenneth W. Keyser, Clairemont Route, and James L. McClentoch, Canary Courts, were both admitted to the Snyder Hospital yesterday as medical patients.

Joe Murphy of Snyder was taken to a Lubbock hospital yesterday in a Bolger ambulance.

Sons were born yesterday afternoon and this morning at the Snyder Hospital to Mr. and Mrs. J. B. Reese, 607 Twenty-ninth Street, and Mr. and Mrs. D. A. Burton, DeLuxe Trailer Courts.

Wake Up To More Comfort

Without Nagging Backache

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Truce Talkers Still Arguing

MUNSAN, Korea (AP)—Brig. Gen. William K. Harrison Jr. today accused the Communists of simultaneously agreeing and disagreeing with Russia at the deadlocked Korean armistice talks.

The senior United Nations negotiator made the statement after hearing the Communist reply to his charge that Red insistence on forced return of war prisoners is inconsistent with the policy of Russia in World War II.

U.N. refusal to return prisoners who do not want to go home has blocked a Korean armistice for months.

"It is not apparent how you can at one and the same time both agree and disagree with the acts and declarations of the USSR," Harrison told the Communists at a 35-minute no-progress session at Panmunjom. Another meeting was set for tomorow at 11 a.m. (9 p.m. EST Thursday).

Harrison told the Reds Saturday that Russian commanders in World War II promised surrounded Axis troops at Stalingrad and Budapest return to the country of their choice at the end of the war.

North Korean Gen. Nam Il replied today that Harrison "misinterpreted and distorted" the "ultimatum issued by the victorious Soviet Army to the encircled German, Hungarian and Italian troops." The chief Communist negotiator declared:

"After the conclusion of the second world war, the Soviet Union in strict adherence to the Geneva Convention repatriated all of the war prisoners held by her—German, Hungarian, Italian, Japanese—and of other countries—with the only exception of war criminals.

He insisted that the guarantees made at Budapest and Stalingrad did not involve prisoners but were actions "of a victorious army demanding the surrender of a losing army during hostilities."

"It is interesting to note that you find it necessary to defend the Soviet Union," Harrison replied. "We merely were showing that your position regarding the questions of prisoners of war contradicts the government from which you have taken your ideology."

Services Saturday For 5-Month-Old Daughter Of W. A. Maxfields

Funeral services will be held at 4 o'clock Saturday afternoon for Janet Louise Maxfield, 5-month-old daughter of Mr. and Mrs. William A. Maxfield of Snyder, who died this morning in a Big Spring hospital.

Services will be held at the Church of Christ. Burial will be in the Snyder Cemetery under direction of Nalley Funeral Home of Big Spring.

Survivors are the parents, paternal grandmother, Mrs. Lena Maxfield of Mount Carmel, Ill.; maternal grandparents, Lige Jackson of Belton, and Mrs. Mary Williams of Waco.

New Oil Tests In West Texas Are Still Showing Decrease

Although oil activity in the combined San Angelo (7-C) and Midland (8) districts of the Railroad Commission continued at a slow pace, the District 7-C locations took a decided upswing.

Ninety tests, including 13 wildcats, were staked in 29 counties of the two districts during the 24th week of 1952.

The 13-county San Angelo district accounted for 33 of the field tests and seven of the wildcats.

During the preceding week, 81 tests, including 11 wildcats, were staked in the two districts. Of these, 24 field tests and three wildcats were staked in the San Angelo district.

In the 24th week of 1951, there were 115 tests staked, including 14 wildcats. The San Angelo district had 22 field tests and five wildcats then.

The 1952 total through the 24th week now comes to 2,253 tests in proven areas, and 416 wildcats, adding up to 2,669 locations. The weekly average is 111.2.

The 24-week total for 1951 was 3,135 tests including 455 wildcats and 2,860 field tests for a weekly average of 130.6.

Runnels led during the 24th week of 1952 with 14 tests. Upton was second with nine.

District 7-C wildcats: Runnels, two; Coke, Crockett, Menard, Reagan and Tom Green, one each.

District 7-C field tests: Runnels 12; Upton, nine; Reagan, four; Crockett and Sutton, three each; and Schleicher, two.

District 8 wildcats: Borden, Crane, Hockley, King, Terry and Yoakum, one each.

Dist 8 field tests: Kent, eight, Andrews, seven; Sterling, four; Midland, Ward and Yoakum, three each; Gaines, Howard, Pecos and Scurry, two each; Cochran, Crane, Dawson Ector, Glasscock, Hockley, Loving and Terry, one each.

Senators Pushing Way Up Into American League Pennant Race

By RALPH RODEN
Associated Press Sports Writer

"We won't finish last."

That's what Bucky Harris, genial manager of the Washington Senators stated firmly in February.

"I don't know where we'll finish. We'll win more games than we did last year and we won't finish last," he said.

Washington fans weren't exactly jumping up and down over the Senators' outlook for 1952. There were too many holes to plug.

But Harris, by astute manipulations in the trade marts, has more than kept his word. The Senators are a country mile from last place and are threatening to plunge into the American League pennant race.

Victors in only 62 games last year, the Senators scored their 32nd triumph yesterday, outlasting the cooled-off Chicago White Sox, 9-6, in 10 innings.

Washington's contingent of former New York Yankees figured prominently in the triumph which enabled the Senators to sweep a three-game series from their former tormentors. Before the series Chicago had won six out of seven from the rising Nats.

Jackie Jensen boomed a two-run homer to run his hitting streak to 11 games while Tom Ferrick picked up the win in relief with the help of Don Johnson. The Senators scored four runs in the 10th with the help of three walks off Marv Grissom and an error by Chico Carrasquel.

The victory enabled the Senators to take over fourth place from the White Sox by three percentage points and move to within four games of the league-leading New York Yankees, who dropped a 10-9 decision to the Browns in St.Louis.

Rookie outfielder Bob Neiman broke up the game, played in 100-degree heat, with a two-out homer in the eighth inning off Bobby Hogue. The teams collected 28 hits and committed seven errors, five by the Browns.

Gene Bearden, who took over in the fourth was the winner but he needed help from the amazing Satchel Paige. Paige was called from his special canopied cushioned chair in the bull pen in the ninth after pinch-hitter Johnny Sain had worked the count to 3-0. Paige struck out Sain and retired the side.

The loss cut the Yanks' lead to 2½ games over the Boston Red Sox, who moved into the runner-up slot by trouncing the Detroit Tigers, 10-3 - while Cleveland's erstwhile second-place Indians bowed to the Philadelphia Athletics, 11-9.

Brooklyn maintained its four-game National League advantage over New York, beating the St. Louis Cardinals, 3-1, while the Giants edged the Cincinnati Reds, 3-2.

Carl Erskine, making his first start since his no-hitter against Chicago, went all the way and allowed eight hits to boost his record to 7-1. Gerry Staley permitted the Dodgers only four safeties but one was a three-run homer in the fourth inning by Roy Campanella.

Whitey Lockman singled home Sal Yvars from third base with two out in the eighth inning to break a 2-2 tie and give the Giants the nod over Cincinnati.

Big Max Surkont and Sid Gordon teamed up to lead the Boston Braves to a 5-2 victory over the Pittsburgh Pirates.

The Chicago Cubs snapped their nine-game losing streak by defeating the Philadelphia Phillies, 4-1.

Whitfield May Be High Scorer Again At Meet

LOS ANGELES (AP)—High scorer among track men in the 1948 Olympics in London was Mal Whitfield of the United States. He won the 800, was third in the 400, and anchored the winning 1,600-meter relay team.

High scorer in the 1952 Helsinki games will probably also be Whitfield. Now he wants three gold medals.

"I'm more serious this time," he says. "I'm more experienced too. I'm in the best shape of my life."

Whitfield is 27, stands a little over 6 feet, weighs 165, is a sergeant in the Air Force on leave (after having seen action in Korea) and is a tough competitor.

Whitfield showed his class in the AAU Championships last week when he trounced George Rhoden, the world record holder, in :46.4 for 400 meters. The track was not very fast, either.

"Are you afraid of Rhoden or Ralph Wint?"

"Who me—afraid? I like competition."

Wint is a Jamaican like Rhoden, and phenomenally tall. He won the 400 meters at London, was second in the 800. Until Whitfield showed up in such superb shape, American experts were willing to concede the 400 to Rhoden, and held little hope in the 800 against Wint. Now the picture is different.

Whitfield is probably the most stylist of modern middle distance runners. His stride of over nine feet is smooth, his arm action is regular. Even in as fast a race as the 400, he has a way of suddenly putting on more speed that looks for all the world like a great 16-cylinder car moving ahead of a jallopy.

Whitfied tries for a place in the final 800 trials Friday and the duel with John Barnes, the Occidental flash, will be something to see. Barnes did 1:49.6 in the NCAA 800. Saturday Whitfield will go for a spot in the 400. Here big Ollie Matson will probably be his chief foe. In both races he must finish in the first three to make the Olympic team in those events.

Davey Prepares For Title Try

DETROIT, June 26 (AP)—Chuck Davey, the thoughtful scholar of pro boxing, looks forward to bigger things today. Now that he's brushed past Chico Vejar for the second time, the bigger things include a crack at the world's welterweight title.

Davey, the 147½ pound Michigan State College graduate student, knocked out Vejar, 149¼, at 1:58 of the fifth round of their scheduled 10-round televised battle last night before 11,341 fans at Olympia Stadium.

"I kept trying to set up Vejar for my body punch," said undefeated Chuck, who now hopes to meet Carmen Basino and Billy Graham before going on to a title fight. "It was harder this time than when I beat him in Chicago (May 7) but I finally got an opening in the fifth."

Davey will fight Basilio July 16 in Chicago, although there is an outside chance the fight may be held in Detroit.

Chuck floored Vejar four times with body punches in their first fight but this time Chico, 21-year-old New York University drama student, went down only once. He couldn't get up.

It is believed that China had the oldest known system of public examinations used for selection of officers for public service.

Rough Go In British Tennis Matches Today

WIMBLEDON, England (AP) — A full schedule of 16 third-round matches today separates the tennis players from the ribbon clerks in the Wimbledon Men's Singles Championship.

By evening, 16 of the world's best-conditioned players will have passed through the first half of an arduous two-week schedule.

The possibilities there will be eight Americans among their number, but several of them will have known they were in a fight today. One American is bound to lose in the match that brings together titleholder Dick Savitt of Orange, N.J., and his friend and fellow-countryman Harry Likas of San Francisco.

Savitt, with his greater experience and all-court game, has the edge.

Keen competition faces Straight Clark of Pasadena, Calif., and Herb Flam of Beverly Hills, Calif.

Clark goes against Fausto Gardini, Italy's top-ranking man and one of the best retrievers in Europe.

Another European player who could thin America's ranks is the young Dane, Torben Ulrich. He meets Flam in the opening match on the center court. On Flam's weak play against Geoff Paish of Britain yesterday, Ulrich could come out on top.

Yesterday's matches brought no upsets, although two unseeded Americans fell by the wayside, Gene Garrett of Los Angeles went down before the booming serves and drives of Ulrich, and Mrs. Baba Madden Lewis of Newtonville, Mass., was eliminated by Mrs. Pat Todd of La Jolla, Calif.

Humble Gets In 2nd Place Tie

Humble joined Sunray and Pasotex in a tie for second place in the Snyder Fastball League when they defeated Snyder Steam Laundry 9-5.

All the second place teams now have 7-3 records, while Diamond M remains first with a 9-1 record.

Snyder Steam, scoring on seven hits, managed two home runs by Miller Price and Carl Foree. Humble had only five hits. The losers committed two errors, and Humble had none.

Winning pitcher was Dan Russell and loser was Travis Rinehart.

Chevron picked up its second win of the season in an 11-3 tally over Sun last night.

The winners scored on nine hits and committed three errors. Sun had three hits and six errors.

Benny Sims, Chevron slugger, hit the only home run of the game.

Beau Jack was winning hurler, and Charlie Franklin was loser.

Chevron is still in last place with a 2-7 record, while Sun has 3-7.

Town & Country (3-7) meets Hermleigh (3-7) at 7:30 o'clock tonight, and American Legion (7-3) plays National Guard (4-5) at 8 o'clock.

Midland Country Club Golf Tourney Begins

MIDLAND, June 26 (AP)—The first round of match play in the annual Midland Country Club Invitational Golf Tournament begins today.

A field of 140 golfers shot qualifying rounds yesterday and local boy, Roy Lockett, 31, ended up with a par 72 and medalist honors.

The tourney continues through Sunday, when the finals will be played.

WINNERS SMILE

Jim Turnesa (right) and Melvin (Chick) Harbert smile as they stand together in the club house in Louisville, Ky., after knocking off their opponents in the semi-finals of the National GA tournament. Turnesa won over cocky Ted Kroll, New Hartford, N. Y., 4 and 2 while Harbert took out one-time PGA champion Bob Hamilton, of Evansville, Ind., one up, in the 36-hole grind. They'll meet for the title.

Heat And Weight Proved Too Much For Sugar Ray In 13th

NEW YORK (AP) — The glorious ring career of Sugar Ray Robinson may have come to an end in the blast furnace heat of Yankee Stadium—just two rounds away from victory over Light Heavyweight Champion Joey Maxim and a third jewel for his gleaming crown.

Steaming 103-degree heat melted the taut flesh off the lean middleweight king and burned out his resistance after 13 rounds of a valiant, winning effort. He collapsed and the victory went to Maxim.

"Ray was going to call it quits if he won decisively," said Junie Clark, a longtime friend of Ray. "Now this could be it too, I guess."

Robinson had been bidding to become the third fighter ever to win three championships and join Ruby Bob Fitzsimmons and Hammerin' Henry Armstrong in the ultra-elite of the ring.

There was many an expert who felt that he had seen the last of felt that he had seen the last of the great Sugar Man.

The bout will go down in the books as a 14th round technical knockout for Joey—the bell had sounded to start the 14th—but everyone in the wilted crowd of 4,983 (gross gate $421,698) will credit the TKO to the steambox that was Yankee Stadium last night.

Ray wouldn't and couldn't talk to the press after he was helped to his dressing room. He had just suffered the first knockout—technical though it was—of his 11 years of pro boxing. It was only his third defeat in 137 bouts, but two of them have come in less than a year. He lost to Randy Turpin last July 10.

"Robinson is mentally as well as physically exhausted," said Dr. Ira McCown, State Athletic Commission physician and one of the first to leave Sugar's dressing room. "He's speaking unintelligibly. He appears to be out in left field."

The middleweight champion, who started out weighing 157, to Maxim's 172, left the ball park with his bathrobe wrapped around him.

Through the first 11 rounds, Ray, as graceful as a ballet dancer, moved in and out and sideways on his taller foe. He shot jabs to the head and body, rattled him with flashing combinations to the head and body, and staggered him in the seventh and ninth rounds with smashing left hooks.

The best Maxim could do on his darting rival was to dig those aborties in the body in the clinches. He landed occasional left hooks to the head and a rare right without much steam.

In the 12th, two rounds after Referee Ruby Goldstein became ill from the oppressive heat and was replaced by Ray Miller, Robinson appeared to wobble as he retreated from Maxim, now the stalker.

Suddenly the heat, the 15 pounds weight handicap and everything else caught up with the sleek, poised Harlemite near the end of the 13th.

Beaumont Roughnecks May Sign Up Negroes

BEAUMONT, June 26 (AP)—Harry Craft, manager of the Beaumont Roughnecks, has refused to say whether two Negroes who worked out with his team last night will be signed up or not.

Pitcher Gene Perkins, 19, a Beaumont boy with eight wins and no losses in semi-pro circles, and Raymond Taylor Lacey, 22-year-old catcher from Wiergate, Tex., worked with the Roughnecks before the Beaumont-Houston Texas League game.

Little League Needs More Players; Farm Team Workouts Monday

Several vacancies exist on Little Baseball League teams, managers announced today.

The managers, who said they are especially in need of 11-year-old boys, urged those who have signed contracts and boys who have moved into town since the league began to report to the Towle Place grounds near the Big Spring Highway for farm team workouts with Charlie Gregory at 9 o'clock Monday morning.

Little League teams playing tonight are Kiwanis Braves vs. Optimist Cardinals at 7 o'clock and Lions Cubs vs. Quarterback Giants at 9 o'clock.

Jim Turnesa Says It Was Hard One To Win From Harbert

LOUISVILLE (AP)—For Jim Turnesa, the first victory was the hardest.

That's easy to say today after watching the swarthy, tight-lipped little man fight his way back from what looked like a certain defeat to whip Chick Harbert 1-up on the 36th hole of the Big Springs Course to win the PGA Championship.

It was the first major title ever taken by a professional member of the famous Turnesa golfing clan.

But Jimmy said it himself even before he went out to meet Harbert, a golfer who wades into the tough spots and usually comes out ahead with the big punch.

Comparing his trip to the finals this year to that of 10 years ago, when he whipped Dutch Harrison, Jug McSpaden, Ben Hogan and Byron Nelson in successive matches, only to bow to Sam Snead in the final, Turnesa insisted this one was harder.

"I was ahead of those guys," he said unsmilingly. "This time every match has been tough. Ted Kroll (semifinal loser) never let up on me. Every time I thought I had him, he'd come right back at me. If I hadn't played Clarence Doser the day before, I probably would have lost to Kroll. Doser played the same way."

Turnesa, third member of his family to reach the PGA final, must have learned something from those matches. Harbert knocked him down at the very first hole. After the first 18 he was three down. Then, like his earlier rivals, he "came back" at his rival.

While the wild-shooting Harbert became wilder as the tension increased, little Jim steadied, improved his long iron shots, which had been erratic, and began sinking the "pressure" putts.

At the 27th he had cut Harbert's margin to one hole—for the second time. At the 32nd he drew even, ramming in an eight-foot putt for a birdie. But he never was ahead until the 36th.

There Harbert, who belted 13 drives into the rough during the afternoon round, got into his worst position. His ball landed under a small evergreen and Chick had to crawl beneath the branches to chip it out to the fairway. That wasted stroke cost him the title and the difference between $2,500 first prize and the loser's share, $1,500.

Turnesa calmly hit up the middle for his par 4. Chick reached the edge of the green in 3, but couldn't make a long one drop and that was all.

Two Players Leave Beaumont Ball Club

BEAUMONT, June 26 (AP)—Beaumont's Texas League club is minus two players today—both quit in two day's time.

Joe Sabatella, first baseman, left the club yesterday because of a dispute over leave of absence pay.

Hank Wyse, veteran pitcher, departed Tuesday. He said he wasn't making enough money for the work involved.

Cleveland Indians Get Denison High Player

DENISON, June 26 (AP)—The Cleveland Indians have signed Bob Leach, Denison High School baseball sensation, to a contract.

The 19-year-old southpaw pitching star inked a pact with the Indians yesterday with the amount said to be more than $20,000.

Polio Victim Able To Crawl

Eddie Wilson, Scurry County's first polio victim of 1952, was reported very much improved in a Fort Worth hospital last night.

The 18-month-old child's father, Tommy Wilson, Roby Highway, visited the hospital yesterday afternoon, and he later reported that the child has regained use of his arm and that he has made attempts to use his legs. The child lost use of both legs and one arm two weeks ago before he was taken to the hospital.

Wilson said hospital attendants will not yet allow Eddie to attempt walking, but he added that the child crawls on hands and knees.

A SCOOP ..... for ANTHONY'S
A Brand New — LONGER Wearing
"SUPER-BUCKHIDE"
CANVAS GLOVE

Made of NYLO-FIL
Blend of Cotton and Nylon
NYLO-FIL fabric originated in Anthony's Research Department. It's a canton flannel, woven of cotton and nylon blended. Just where you need the extra wearing qualities you find that added NYLON strength in "Super Buckhides." Look for the word NYLO-FIL. Look for the RED TOP and RED LABEL.

First Improvement In Over 30 Years
In the 30 years Anthony's has been selling 12 ounce canvas gloves, to our knowledge, there has been no improvement. NOW Anthony's is glad to announce it is FIRST to improve the wearing qualities of these gloves. We believe our regular Buckhide is the most accepted, the most widely worn of all the 12 ounce gloves sold in the southwest. We are proud to offer for the first time a new "SUPER BUCKHIDE" NYLO-FIL work glove which will practically double the wear of the regular 12 ounce gloves.

Exclusive at Anthony's

35¢

Anthony Low Priced
Yes, the initial cost of this NYLO-FIL is slightly higher, but you will be buying approximately twice as much wear. . . . So, the actual saving will be great.

CUSTOMER TESTED — CUSTOMER APPROVED
Sketches Show Results of Actual Tests

NYLO-FIL 12 OUNCE REGULAR

Not a guess . . . not a machine tested glove, but actual CUSTOMER-TESTED gloves. For many months now Anthony's has been giving these gloves to customers to test on their jobs. SUPER BUCKHIDES were worn on one hand against ordinary gloves on the other. Every test was an actual work test of a regular Buckhide against a SUPER BUCKHIDE. Oil field men, steel workers, ranchers, brick-layers, plumbers, and many other workers tested these new SUPER BUCKHIDES. Notes and letters signed by these workers confirm twice to four times greater wear from the SUPER BUCKHIDE NYLO-FIL gloves.

YOU TEST THEM!
We'll Replace Them If You're Not Satisfied.

SUMMER ENTERTAINING WITH AN EYE FOR THE SWEET TOOTH INCLUDES FRESH PINEAPPLE CUT IN HALF LENGTHWISE
. . . insert pretzel stick into each bite-size chunk, pile back in shelf for 'finger dessert'

Gay Summer Snacks Can Make Outdoor Living Fun For Cook

Out go the winter woolens and in come the bathing suits — and paint brushes to freshen porch, terrace or backyard furniture as the open season for outdoor living gets underway.

Habits of entertaining change with the season, and warm weather brings back the relaxed, casual mood of visiting. Parties are planned on moment's notice, and unexpected guests are expected anytime.

In keeping with the informality of outdoor snacks is the cheese tray served with a tall, cool beverage. Generally, there's little time for fuss or bother beyond arranging the cheese and pouring the beverage, but the hostess will choose her nicest tray and serve the drink in her best goblets.

Several varieties of cheese may be kept on hand in the refrigerator throughout the season to give the usual assortment more interest, along with a made-at-home spread rich in flavor of Welsh rarebit. Easy to make, the cheese is put through the food chopper seasoned and blended to a creamy consistency with a little liquid. Covered well, it will keep several weeks in the refrigertor, ready to add a bright, flavorful touch to any cheese or snack tray.

Welsh Rarebit Spread

Run one-half pound sharp cheddar cheese through coarse blade of food chopper. Gradually add 1-3 cup liquid, blending with fork until fluffy and light. Add ¼ teaspoon dry mustard, salt to taste and a dash of tabasco. Serve with crackers and tall glasses of beverage for informal party refreshments.

For dessert, the hostess may choose a fresh pineapple with a pretty top and cut in half lengthwise. She cuts the pulp from the halves with a grapefruit knife and slices into bit-sized chunks. Then she inserts a pretzel stick into the shells, arranging them on a serving tray. The addition of pear slices, cubes of blue cheese, fingers of sharp cheddar, and lots of crackers completes this simple menu. Steaming cups of after-dinner coffee add the final touch.

Snack Tray

In the modern trend of informal entertaining, the snack tray adds a note of friendliness to any party or gathering. It's fun for guests, because they feel more at ease when they can help themselves to an assortment of tasty tidbits.

Using a large tray, the hostess places the cheese in the center. Around the cheese, she arranges several kinds of crackers and small dishes of pickles, olives, radishes, raw carrot and celery strips, avocado slices and colorful relishes, along with chilled shrimp, spiced ham cubes, deviled tongue spread, sardines, herring, anchovies or any zesty meat or fish.

For the Girls

The month of flowers and weddings, June is the perfect time to give a luncheon for the girls—or a party for the bride-to-be. Completely feminine, the occasion can be kept smart and modern with the accent of informal simplicity. Setting a simple table with individual luncheon mats and napkins will do the trick. A large, low centerpiece of spring flowers may float in a low shallow bowl.

A light but satisfying menu which served easily on one course large luncheon plate is a main combination salad. With crisp rolls, the luncheon needs only some fresh fruit or small cakes for dessert.

June Party Menu

Diced ham and celery salad with
Swiss cheese slivers
Sliced avocados
Watercress
Tomato wedges
Crisp salt sticks
Minted fresh fruit cup
Tiny frosted cakes
Demitasse

Typical of modern entertaining, a luncheon party can be prepared in advance and served smoothly without extra help.

In keeping with the gaiety of the season, new ideas and refreshments that are "different" give a fresh look to any social function. For an unusual treat, the hostess may try hot hors d'oeuvres of tiny rice and cheese balls. A large number of them may be prepared in a short time, and they're "just the thing" to serve with drinks not only because they're delicious, but because they're inexpensive as well.

The hors d'oeuvres are so tempting that the hostess had better allow at least five or six to each guest. Even though she may not need as many as the recipe indicates, she can prepare the full recipe, shape as many as needed and serve the remainder, as she would fish cakes or croquettes, for supper.

Rice and Cheese Balls

1 1-3 cups pre-cooked rice
3 tablespoons butter or margarine
3 tablespoons flour
1 cup milk
1 teaspoon salt
Dash of pepper
Dash of cayenne
1½ cups finely-grated sharp cheese
½ teaspoon dry mustard
¼ teaspoon Worcestershire sauce
1 teaspoon grated onion
2 tablespoons milk
2 eggs, well beaten
Fine dry bread crumbs

Prepare rice as directed on package. Meanwhile, melt butter in saucepan. Add flour and stir until blended. Then add milk gradually, stirring constantly. Add salt, pepper and cayenne; cook and stir over low heat until very thick. Add cheese, mustard, Worcestershire sauce and onion. Blend well. Then add rice and mix thoroughly. Chill.

Shape chilled mixture into 1-inch balls, using about 1½ teaspoons mixture for each ball. Add milk to eggs; blend. Dip each ball in egg and milk mixture; then roll in bread crumbs. Fry in hot shallow fat until golden brown on both sides. Drain on absorbent paper. Serve hot. The recipe makes 85 balls.

Ham Leftovers

Special occasion or otherwise, the traditional American fable is graced with a beautiful glazed ham. On first serving, it's savory hot and fresh from the oven. Later on, it completes its dual purpose as cold sliced ham.

Then comes the question of how to use the bits that remain. Making them a hit instead of a bore with a dish that takes on new character is possible with this recipe for deviled ham and egg sandwiches which will serve 4 with only a cup of the ground or diced ingredient.

Deviled Ham and Egg Sandwiches

1 cup diced ham
2 hard cooked eggs, chopped
¼ cup mayonnaise
½ teaspoon dry mustard
¼ teaspoon pepper
4 rusk
¼ cup grated cheese

Combine ham, eggs, mayonnaise, mustard and pepper, spreading on the rusk, top each sandwich with 1 tablespoon cheese. Broil for 2 minutes, or until cheese melts. The recipe serves 4.

Speedy Fixin'

If the hostess has to start from scratch, with no possible leftovers to utilize, meats-in-a-can may be changed to attractive meats-on-a-platter in a matter of minutes. She will want to use this quick-trick idea often for summer lunches, suppers and snacks. All that's necessary is to chill, slice and serve with the addition of a few simple garnishes.

A favorite combination is a platter of sliced veal loaf and lunch tongue with zesty Vienna sausages on a pick. Crisp stuffed celery and lettuce cups full of cool relishes are added attractions. A beverage and pineapple upside down cake complete the menu.

Stuffed Celery Slices

To make this novel appetizer, cut the leafy end off a bunch of celery. Separate the stalks; wash and dry thoroughly. Spread inside of each stalk with a ham and cheese mixture, using one 3-ounce package of cream cheese blended with one-half of a 3-ounce can of deviled ham. The remaining ham may be used for luncheon sandwiches the next day.

Starting at the heart, put celery stalks back together to form an even round bunch. Tie securely with cord at 2-inch intervals. Chill two or three hours, or until the filling is firm. Remove string and cut into circles ¼ inch thick.

Pack a Picnic

Summer picnics and casual meals bring thoughts of sandwiches and, of course, canned meats play a role here, too. Deviled ham, lunch tongue, veal loaf and corned beef all make scrumptious sandwiches. It is at this time of the year, especially, that the cook will enjoy trying some new deviled ham sandwich ideas.

Adding 2 tablespoons mayonnaise to one 3-ounce can deviled ham, she may vary the recipe by adding any one of the following: ¼ cup finely chopped stuffed olives, sweet pickles or dill pickles, ¼ cup chopped salted peanuts, pecans, or walnuts; or cup chopped celery, cucumber, or green pepper.

JUNE PARTY LUNCHEON IS LIGHT BUT SATISFYING
. . . informal simplicity keeps it smart and modern

News From Ira

By Mrs. MABEL WEBB

Mr. and Mrs. Will Hatter of Red Springs spent Wednesday with Mr. and Mrs. L. L. Eubank.

Mrs. Bailey Thornhill was brought home Wednesday from a Colorado City hospital where she had been a patient two weeks.

Mrs. John Cason of Lamesa spent part of last week with her daughter, Mrs. Frankie Tinsley.

Mr. and Mrs. Grady Suiter and son, Ronnie, and Mr. and Mrs. I. H. Suiter spent part of last week with Mr. and Mrs. A. L. Free and children of Brownfield and Mr. and Mrs. F. M. Martin, Jr., in Hope, N.M. Helen Suiter returned home with them after visiting there.

Mrs. W. M. Howard and Mrs. W. O. Webb visited Mr. and Mrs. Jack Webb and Velma Howard in Midland.

Mrs. Autry Eubank and children, Ann and Danell, spent part of last week with Mrs. Eubank's mother, Mrs. Mattie Minor, in Tyler.

Sunday guests of Mr. and Mrs. L. A. Vaughn were Mr. and Mrs. L. A. Vaughn, Jr., of Snyder and the Rev. John Leeson of Abilene.

Mr. and Mrs. B. F. Eades and children of Hobbs, N.M., spent Saturday night and Sunday with her parents, Mr. and Mrs. W. O. Webb

A community singing program is being planned Friday night at the Methodist Church. The Rev. John Leeson and other singers from Abilene are to be present, and the public is invited to attend.

Mrs. J. W. Taylor of Abilene visited part of last week with friends here.

Mrs. May Parrott spent Sunday in Colorado City with her daughter and son-in-law. She also visited Mrs. Bama Clark of Dunn who is in a hospital there.

Mr. and Mrs. Tom Webb of China Grove visited Mr. and Mrs. Loyd Webb Monday.

Mr. and Mrs. Edgar Eades spent Sunday afternoon with Mr. and Mrs. Leonard Lankford and daughters in Dunn.

The young people of the Baptist Church held an ice cream supper Thursday night.

Mr. and Mrs. J. W. Lewis attended a homecoming at Richland Springs over the week end.

Mr. and Mrs. J. D. Brewster and daughter of Snyder spent Sunday with Mrs. Nettie Webb.

Mrs. Robert Erwin and daughter of Midland spent the week end with A. H. Kruse.

Glenna Cohee of Snyder visited her grandparents, Mr. and Mrs. Garnett Kelley.

Mr. and Mrs. Grady Suiter had as guests part of this week her brother and family from Sulphur, Okla.

Mr. and Mrs. J. W. Nettles are now at home in Lamesa following their marriage here Tuesday. Mrs. Nettles is the former Miss Eula Pearl Taylor, daughter of Mr. and Mrs. E. G. Taylor. The ceremony was performed in the Taylor home by the Rev. J. G. Allen in the presence of a few friends.

Kay Linda and Jeanie Byars spent Saturday night and Sunday with their aunt, Mrs. Grady White, and family of Dunn.

Mr. and Mrs. Clyde Balding of Dunn visited Mr. and Mrs. J. L. Byars Tuesday night.

Cpl. and Mrs. Dale Grant spent Thursday night with Mr. and Mrs. J. L. Byars. He left Friday for California where he will begin training.

Mrs. A. N. Jackson and daughter of Lamesa arrived Monday for a visit with her parents, Mr. and Mrs. J. Z. Carruthers.

Mr. and Mrs. H. L. Bailey of Midland spent Sunday with his parents, Mr. and Mrs. A. L. Bailey.

M. J. Bryant and son, Will, spent part of this week in Abilene.

Mr. and Mrs. Loyd Webb and Elmer and Odell Bryant returned Sunday from a fishing trip at Brownwood Lake.

Judge and Mrs. Edgar Taylor of Snyder were visiting here Thursday afternoon.

Ann Falls, a student at Hardin-Simmons University, spent the week end here with her parents.

Leola Bihl, who is working in Colorado City, spent Saturday night and Sunday with her parents, Mr. and Mrs. Charles Bihl.

The name "Gypsy" is a corruption of "Egyptian," but there seems to be no evidence that the people had any special connection with Egypt.

Half-hatched Eggs Cure-all For Austrians

VIENNA, Austria (AP)—The Austrian government has banned the sale of the country's latest fad in wonder cure-alls — half-hatched eggs.

Claims that nine-day-old embryo chicks were a great restorative and source of hormones appeared in Austria about three months ago.

Hatcheries suddenly found business booming, with the half-incubated eggs selling for seven or eight times the price of a fresh egg.

Vienna's University Clinic tested the claims. One doctor and 15 patients took the nine-day-old eggs every day for a month, first thing in the morning.

The patients claimed they felt The clinic's official verdict: "They don't appear to do any good, and they don't appear to do any harm."

But the Ministry of Social Welfare banned sale of the eggs anyway.

"Under the food laws,' 'the Ministry said, "they are spoiled food. Under the drug laws, medicines can be sold only in drug stores."

Capital Temporarily Has Water Rationing

WASHINGTON (AP)—Many members of Congress—and President Truman—were inconvenienced in yesterday's record 98-degree heat. There was no water. A giant water main burst, cutting off water to the White House and much of downtown Washington.

Water was rationed at hotels. The air conditioning system was shut off in the White House but workers managed to get enough

No Water In St. Louis

ST. LOUIS (AP)—It was 100-above and no water for about 5,000 homes in St. Louis County yesterday. A connecting joint on a 36-inch transmission line blew out, cutting off the water supply.

There are no red-haired races of man.

Firm Support For Taft, Gains For Ike Shown In Pennsylvania

PHILADELPHIA (AP) — Substantial gains for Gen. Dwight D. Eisenhower, and a hard core of support for Sen. Robert A. Taft both are visible in a new Associated Press poll of Pennsylvania's delegation to the Republican National Convention.

Eisenhower, the poll showed, is preferred by 32 delegates in the 70-vote group. That represents a gain of 12 since the previous AP poll two months ago.

Taft, has the backing of 24 delegates, a gain of five. Many of them say firmly they will not vote for Eisenhower at the convention.

The number of delegates undecided or not willing to express a preference at this point—10 days in advance of the convention—has been shrinking steadily. The AP poll, which once listed 32 delegates in this group, now shows only 14.

Nevertheless, the intervening weeks have not diminished the prospective influence of Gov. John S. Fine in the Pennsylvania delegation picture. Fine generally has been credited with being in a position to advise or guide the votes of 32 delegates; the governor himself has said he believes the total is "not less than that."

And the newest AP poll, based on direct contacts with the delegates, conversations with leaders of both Taft and Eisenhower factions and many GOP leaders, shows 33 delegates with whom the governor's decision may be persuasive. Fine insists he has not made up his mind, nor given a commitment to any candidate.

The nation-wide Associated Press listing of delegate commitments and expressions of opinion now shows: Taft 483: Eisenhower 405; other candidates 129; in dispute or undecided, 189. A total of 604 convention votes is needed for the nomination.

Pennsylvania delegates can—and often have in the past—switch their votes in advance of the convention or after the balloting starts. State law leaves the final decision to them.

Taft, for instance, claims 20 votes in Pennsylvania. His backers say the Ohio senator will get that many regardless of what decision Gov. Fine reaches. They estimate with Fine's support—and say confidently they expect to get it—Taft will have at least 50 and perhaps 60 votes.

Eisenhower has made no public claim, but his campaign forces are insisting now "we have a majority" in Pennsylvania, under any circumstances. They, too, say they expect to win Fine's endorsement, and with it have a total of 58 to 65 votes.

New Mexicans Try For Unity

ALBUQUERQUE (AP)—New Mexico Democrats, pleading for unity but beset by a disturbing family fight, met today to name a 12-vote delegation to the national convention.

The advance indications were that an uninstructed delegation of 24 members, each with one-half vote, would be chosen by the party's state convention. The main possibility of a dispute hinged on the method of selecting the delegates.

Backer of Sen. Estes Kefauver of Tennessee said they had given up any thought of asking an instructed delegation for Kefauver, although they were hopeful of getting some delegates friendly to the Tennessean.

Sen. Dennis Chavez, facing what may be his most bitter battle, and former U.S. Atty. Everett Grantham, whose candidacy for governor is still contested nearly two months after the primary, made the bids for unity last night at a Jefferson-Jackson Day banquet.

Chavez' November opponent is onetime Secretary of War Patrick J. Hurley, whom he defeated by about 4,000 votes in 1946.

Lake J. Frazier, Grantham's opponent in the May 6 primary, has filed an election contest against Grantham, whom the State Canvasing Board certified as the Democratic nominee by a 754-vote margin. Frazier, absent from the meeting, was described by aides as busy with a court case.

The Democrats cheered Gov. Paul Dever of Massachusetts, who will be the national convention keynoter, when he assailed the Republicans as traditionally the party of the big interests and held up the Democrats, since the days of Jefferson and Jackson, as the champions of the people.

Defense Move In Red Trials Is Overruled

LOS ANGELES (AP)—A federal judge has denied a move by defense attorneys at the trial of 14 California Communist leaders to obtain opinions from a Yale professor and four other prominent men.

The defense asked yesterday to have the five, all non-Communists give their opinion as to the validity of the trial.

Federal Judge William Mathes ruled, however, that the Smith Act under which the defendants are being tried, has already been upheld by the U.S. Supreme Court. Any opinions on its validity would be immaterial, he said. The defendants are charged with conspiracy to teach and advocate overthrow of the government by force.

Six Sets Of Brothers In National Guard

A good recruiter must have the same abilities as any good salesman, National Guardsmen said this week, and all members of the Snyder guard unit consider themselves good recruiters.

Their boast is based on the fact that when the men in their unit cannot find anyone interested in joining the unit, they work on members of their own families. That work has resulted in the Snyder company having six sets of brothers on the roster.

The older brothers who were already members of the unit were quick to see one great advantage for their younger brothers if they joined the guard, they said. If the boys join before they reach the age of 18 years, they are exempt from draft as long as they are in good standing with the unit.

The Snyder unit has recruited seven men since Jan. 1, an average of more than one a month. They plan to conduct a major recruiting campaign sometime next month.

Brothers in the unit are Sfc. Lewis Bird, tank commander, and Sfc. Charles Bird, squad leader; Cpl. Raymond Treat, cook, and Cpl. Henry Treat, rifleman; Sgt. Willie Martin, tank gunner, and Pfc. Harold Martin, rifleman; Sfc. Wayne Pherigo, squad leader, and Pvt. Tommy Pherigo, rifleman; Sfc. Bobby McCormick, supply sergeant, and Pvt. Billy McCormick, rifleman; and Cpl. Charles Sutton, truck driver, and Pfc. Floyd Sutton, rifleman.

Socialists Lead In Netherlands

AMSTERDAM, The Netherlands, (AP)—Socialists nosed into the lead as The Netherland's strongest political party for the first time in history today as parliamentary election returns gave them three news seats and a gain over 1948 voting of almost 300,000 votes.

The popular ballotting yesterday filled the 100 seats in the national Parliament's lower house. Today, provincial legislatures sitting as electoral colleges choose the 50 member sof the upper chamber.

On the basis of his party's triumph, Socialist Leader Dr. Willem Drees was expected to be designated again by Queen Juliana to form a new Cabinet. Drees has been Premier of the out-going Labor-Catholic coalition Cabinet.

Another coalition cabinet was expected since none of the parties won a majority in the voting.

Complete unofficial returns showed that the middle-of-the-road Catholic party lost, by a small margin, the lead in popular votes it held in the 1948 general election.

Labor won 1,545,414 votes to the Catholics' 1,529,464. Each won 30 parliamentary seats, the Catholics losing two.

The Communists also lost two of the seats they won in 1948, leaving them six in the lower house.

"DRIVE A QUARTER SAVE A DOLLAR" 2707 25th STREET

Mrs. T. J. Guthrie, who has complete charge of buying and cutting meats at her market, is shown dividing a quarter of beef in preparation for cutting the steaks and roasts. After the picture was made she discovered the first whack was off only a quarter of an inch. Butchers use a bone as the guide for this first cut. (Staff photograph)

TALK OF THE TOWN

By SUE HOLMES

A housewife—young, pretty and newly married—walks into the grocery store and back to the meat counter. In her mind is the thought of the appetizing dinner she wants to prepare for her husband, but in her purse is the remains of the week's grocery money she's tried so carefully to budget.

To a housewife, young, middle-aged or old, the business of meat has become the No. 1 problem. By asking questions in several local markets, we've found a few ways by which the housewives of Snyder may profit.

First of all, the butchers advise, go to a reliable clean market where the meats are graded. Find a good butcher and stay with him. Confidence in a butcher is of major importance in getting good meats and at the same time staying within one's budget, advise H. B. ALTMAN, N. C. HALBERT and Mrs. T. J. GUTHRIE, who have charge of the markets where they work.

Not only can good butchers tell you what cuts of meat are good for company meals or for budget-stretchers, they also can suggest good cookery methods and sometimes will furnish tried and true recipes.

GRADES IMPORTANT

Beef, as graded by the United State Department of Agriculture, is one of the following: prime, choice, good, and commercial. The meat men and women say the stamped grade on meat is the best indication of quality for the inexperienced buyer.

It's better business in the long run to buy good qualities of beef, the butchers say. The economy comes in when you buy the less expensive cuts and when you stretch the meat budget by serving variety meats for which the demand is not so great.

"You can make Cube meat tough, but you can't make tough meat tender," is one butcher's slogan. He does not advise cooking by the clock, since no two cuts of meat require exactly the same time. His method for roasts is to cook slowly, make small knife incisions from time to time to test the doneness, then stop cooking while the meat is still slightly pink inside. Over-cooking is the cardinal sin where meats are concerned.

Buyers who are trying to stay within a budget—as most of us must these days—cannot afford steaks every meal, even if the family didn't grow tired of them. There may be nothing better than a good thick broiled steak—but when the meal is over there's not a bit of meat left to help out on another meal.

Roasts on Sunday will usually provide some left-over meat for sandwiches sometime the next week. One butcher advises buying a 4-5 pound chuck roast for a family of four. By trimming the unwanted fat from the roast, the cook has some fat to add to stew meat (usually lean) which she purchases later in the week.

And speaking of fat, the butchers say good meat must have some fat on it. The fat can be a mild creamy color or procelain white and still be on choice or prime beef, they say. A mild, yellowish tinge means that the beef has carotene coloring, which contains Vitamin A.

One of the butchers, who says his wife is a good cook and a good manager, is able to feed his family of seven for under $30 a week. He suggests a meat menu for a family of four with fresh meat at least once a day as follows:

Sunday: Roast (trim the fat)

Monday: Stewing beef, all lean, 1½ pounds. Add the beef fat for beef pie or stew, or use the fat to season noodles and cheese.

Tuesday: Cold roast beef sandwiches

Wednesday: Ground beef, 1½ pounds, for hamburgers or any of the multitude of ground beef dishes.

Thursday: Steak, which could be arm or shoulder steak; round, seven steak (cut thinner than the seven roast). Suggested cooking method is in a covered iron skillet over a slow fire. The nutritive value of shoulder steak is said to be greater than steaks from the hind quarter.

Friday: Fish day. This doesn't strictly mean fried cat fish. It could be tuna, salmon, shrimp or

ily of four should be able to eat for $115 a month. With good managing and planning, the butchers think this is possible.

The three persons we talked with have larger than average families and are well-acquainted with meat stretching ways.

The men learned their trade by apprenticeship. Mrs. Guthrie, who helps her husband run a grocery, learned the trade when good butchers in small markets became too expensive. She is one of the few women butchers in this area.

Ask Mildred

Send your questions to Mrs. Mildred Sparks, county home demonstration agent, the courthouse, or to the Snyder Daily News.

I am trying to get a collection of main-dish salads for the hot days ahead. I have the recipe for congealed vegetable salad, but we like food that sticks to the ribs better.

Here is a recipe for a hearty salad. It is called Macaroni Vegetable Salad.

4 ounces shell macaroni
½ cup cubed cooked ham (¼ pound)
2 hard cooked eggs, diced
½ cup diced celery
1 cup cooked cut green beans
1 tablespoon vinegar
2 tablespoons chili sauce
¼ teaspoon salt
1 tablespoon sugar
¼ cup salad dressing

Cook macaroni in boiling salted water until tender (about 15 minutes). Drain and rinse in cold water. Combine macaroni, ham, eggs, celery and green beans. Add vinegar, chili sauce, salt and sugar to salad dressing. Mix well. Add to salad mixture and toss together lightly. Chill before serving. Makes 4 servings.

* * *

We have enjoyed our wood-burning fireplace through the winter, but now I want to make the area look summery. Also my andirons are brass and they need cleaning badly. Could you tell me how to do this? Mrs. R.

Scour the andirons with a mild household cleanser until the soot is gone. If a heavy crust has formed, considerable rubbing and scouring are needed. When the metal is free and clean, brass andirons can be polished with a good metal polish and a clean soft cloth or brush (for ornamental sections). Apply the polish lightly and when it has dried, rub until the metal gleams.

A pretty, large plant, such as philodendron or a large ivy could be used nicely in your fireplace. Or you could make a large pleated fan out of stiff paper to cover the fireplace.

Mr. and Mrs. R. R. Browning of Ranger visited Tuesday in the home of their duaghter, Mrs. Obie Elrod, and Mr. Elrod, 804 Twenty - third Street. Mr. and Mrs. Browning were on their way to Melrose, N.M., with another daughter, Mrs. J. W. Thomas, and Mr. Thomas.

Saves Ironing Time

Daughter's side-buttoned princess dress is a warm weather wonder because it opens out flat to minimize mother's ironing time! (Panties to match are also quickly made from this same pattern.)

No. 2965 is cut in sizes 2, 4, 6 and 8. Size 4, for the dress with panties, 2¾ yds. of 35-in fabric.

Snyder Daily News, Box 229, Madison Square Station, New York 10, N.Y.

Mr. and Mrs. John Dirickson returned Tuesday from Mullins, Tex., where they were called to attend the funeral of her step-mother, Mrs. C. W. Rhodes.

NEWS FROM FLUVANNA

By MRS. W. F. MATHIS

Mr. and Mrs. R. Reeder of Shamrock were Fluvanna visitors last week.

Mrs. Russell Jones of Wilberton, Okla., spent Thursday night in Fluvanna on her way to Hobbs, N.M., where she will visit her daughter.

Mrs. Ida Barker of Erick, Okla., visited relatives here last week.

Mrs. W. A. Reeder and Loy Reeder returned from Cassville, Mo., Thursday. They visited Mr. and Mrs. Cullen Perry there.

Mr. and Mrs. Alford Browning of Venita, Okla., have been visiting relatives here.

Mr. and Mrs. Glen Toombs and daughter of Lubbock were weekend guests of his parents, Mr. and Mrs. Cullen Toombs.

Mrs. Mabel Beaver of Snyder has been visiting her daughter, Mrs. Panch McDonald.

Mrs. Jessie Sims visited her sister-in-law, Mrs. Nathan Letcher, Saturday afternoon. Mrs. Letcher is a patient in a Rotan hospital.

Mrs. Burl Belew and children visited Lucian Thomas in Lubbock Saturday and Sunday.

E. C. Browning and sons made a trip to Venita, Okla., last week.

Sunday guests of Mr. and Mrs R. B. Wills were Mr. and Mrs. George Miller and children of Snyder and Mr. and Mrs. R. B. Wills Jr., of Lubbock.

Guests of Mr. and Mrs. C. F. Landrum late last week were Mr. and Mrs. Clay Sutton of Midvale, Idaho. They went to Carlsbad, N. M., Sunday and through the caverns.

Saturday night and Sunday guests of Mr. and Mrs. V. A. Wills were Mrs. O. S. Wills, Mr. and Mrs. Earl Berry and son and Mr. and Mrs. Sam Wills, all of Ozona; Mr. and Mrs. Hood Wills and daughters of Perryton; Mr. and Mrs. Dud Arnett and son of Vincent, Mr. and Mrs. Waldon Wills and son of Fluvanna, and Mrs. J. I. Boren and Mrs. J. R. Wills.

Mr. and Mrs. C. F. Landrum were hosts to the Saturday Night Canasta Club. Thirteen members were present.

Guests in the home of Mr. and Mrs. Bunyon Evans Sunday were the Rev. and Mrs. J. B. Gatlin of Ariz., Mr. and Mrs. Ivan Gatlin, Mrs. Bill Campbell, Mr. and Mrs. Raymond House and sons, and Mr and Mrs. Cecil Mearse and son, all of Snyder.

Truss Farquhar and Jackie Holder left Monday for Colorado where they plan to work.

Mrs. Buster Robertson and children returned Sunday from Wichita Falls and Vernon where they have visited during the past four weeks.

Mrs. Arch Odom visited in Wichita Falls last week.

Mr. and Mrs. W. W. Thorne visited Mr. and Mrs. Robert Keel in Sweetwater Sunday.

Don McDonald is attending a rodeo in Archer City.

Mrs. Alice Clery of Hurlwood is visiting Mr. and Mrs. Leslie Boatman.

Mr. and Mrs. Frank Beaver and daughter of Ackerly were visitors here Sunday.

Mr. and Mrs. Wallace Jones visited Mr. and Mrs. Wilbur Sewalt of Jayton Sunday.

Mr. and Mrs. Oscar Sewalt of Kermit are visiting Mr. and Mrs. J. J. Belew.

Mr. and Mrs. Frank Farquhar are spending a few days at Bangs.

Joe Landrum and Virge Wills are on a fishing trip.

Mr. and Mrs. Harley Carmichael and Mrs. R. B. Wills spent Monday and Tuesday in Lubbock.

Mr. and Mrs. Jack Thomas and children of Lubbock visited Mr. and Mrs. Burl Belew Monday.

Mr. and Mrs. Jim Norton are leaving soon for Cheyenne, Wyo., to visit their daughter.

Mr. and Mrs. John Stavely were in Rule and Haskell Sunday.

Sam Boatman is visiting here this week.

B&PW Club Combines Business with Picnic

Mrs. Mollie Pinkerton was hostess to the Business and Professional Women's Club Tuesday night. The group combined a business meeting with a picnic.

Fifteen members and one guest were present.

The club will meet the fourth Tuesday of each month this summer, according to Miss Zaida Brown, president. The usual two meetings a month will be resumed in the fall.

Tri-Community Club Holds Business Meet

Mrs. M. L. Andress was hostess to the Tri-Community Home Demonstration Club yesterday in her home.

Plans were made to send gifts to two patients in the State Hospital in Abilene. Mrs. C. M. Lyons and Mrs. Hubert Robison were named as the committee to select gifts.

Mrs. Andress told members of the sewing classes conducted in the county home demonstration agent' office twice weekly.

Diane Kerley of Fluvanna gave a report of the 4-H Club encampment at Lubbock which she attended.

Before the business session, roll call was answered with a safe driving rule.

Mrs. John Covey conducted a game using flowers and months.

Refreshments were served to Mrs. Bruce Kerley and Diane, Mrs. W. M. Dabbs, Miss Martha Stoker and 11 members.

PERSONALS

Miss Zaida Brown, 315 Thirty-fifth Street, returned Tuesday from Taylor and Nacogdoches where she visited friends.

Mrs. R. L. Nash, Clairemont Road, returned home yesterday from Sweetwater where she underwent surgery in a hospital there.

Mr. and Mrs. R. E. Duncan of Big Spring visited last week with Mr. and Mrs. J. D. Pryor, Lamesa Highway.

Mrs. P. R. Riley's parents, Mr. and Mrs. Verne Nicholson, of Muskogee, Okla., returned home yesterday after visiting here. They were here for their grandson, Jackie Dean Riley's thirteenth birthday.

Mrs. George E. Anderson, 313 Twenty - fifth Street, Mrs. C. L. Luschen, 1307 Twenty - fourth Street, and Mrs. A. F. Johnson, Big Spring Highway, were in Odessa last week where they attended a party in honor of Mrs. H. M. Fair.

Mr. and Mrs. H. W. Elkins and children, Kenny and Karon, 217 Thirty - second Street, returned home Tuesday after visiting in the home of Mrs. Elkin's parent ,Mr. and Mrs. E. C. Screvner, in Ozona, Tex.

Mrs. Criss Hostess To El Martes Club

Mrs. Doak Criss entertained members and guests of the El Martes Bridge Club at her home Tuesday.

Mrs. S. A. Tibbets won high score, and Mrs. A. M. Ewing won second. Guests were Mrs. Tibbets, Mrs. Ewing and Mrs. Lester Sweet.

A refreshment plate was served the eight women present.

Mrs. Buster Robertson Home from Vacation

Mrs. Buster Robertson and children, Glenn and Karen, are at home in Fluvanna after a long vacation in Vernon, Wichita Falls and Elk City, Okla. While in Wichita Falls, Mrs. Robertson and children attended Vactaion Bible School with her sister and family.

Mrs. A. L. Odom went with her brother, Buster Robertson, to Vernon to bring the family home.

"no other coffee can match it"

SAYS: Jack Ferrell, Executive Manager of the World-Famous Shamrock Hotel in Houston, and Vice President of McCarthy Center, Inc. Popular Mr. Ferrell is host to distinguished guests from all over the world. "Consistent high quality is is of primary importance with us," says Ferrell. "That's why we serve Maryland Club exclusively."

THE CHOICE OF CELEBRATED HOSTESSES

"Maryland Club is as important to my table as fine china, silver and crystal," says Mrs. Allen Collette, prominent Houston Socialite.

"Maryland Club has a delicious, distinctly different flavor," says Mrs. Webb Walker, Jr., popular Fort Worth Hostess.

Richest of all coffees...

Rich, winey, delightfully different. Yes, there's only one coffee with MARYLAND CLUB'S flavor richness and cup economy ... MARYLAND CLUB itself! No other brand can duplicate it ... because no other brand possesses exactly the same rare coffees, matchlessly blended. Try MARYLAND CLUB and discover for yourself how really good a coffee can be ... and how economical, too! Remember, MARYLAND CLUB gives you 10-15 more cups per pound.* So get a pound today. Serve your family and friends the coffee served by celebrated hostesses and famous restaurateurs throughout the Southwest.

WANTED YOUNG MEN!
If you are over 18 and not over 30 years of age, in good health, you may qualify for employment with the Telephone Company.
We have openings for construction linesmen and cable splicer's helpers in Abilene, Sweetwater and Colorado City as well as unlocated status jobs throughout the Abilene District area.
You'll have regular employment, pay increases, good working conditions; and most important — opportunity for advancement and security if you qualify.
Apply In Person To:
874 Walnut Street
Abilene, Texas
(or call 2-2889 for information)

Deaths From Heat Reported In Several Northern Cities

By The Associated Press

June's blazing heat kept up its relentless siege over wide areas in the Eastern half of the nation today.

Wednesday was the summer season's hottest day in hundreds of cities in the heat-stricken region. Temperatures soared into the 90s and above 100 in the East, the South and the Midwest. Records for the date were broken in scores of cities.

No immediate, widespread relief appeared in sight. However, some of the cooler air which covered the Northern Plains states was headed into the North Central states. There was a promise of some cooling by Friday. No such relief was forecast for Eastern and Southern hot spots.

Hot dry weather threatened crops in some Southern states, including Virginia and Arkansas.

Deaths from heat were reported in several cities. Hundreds suffered heat prostration.

Baltimore reported 99 heat prostrations and one death from the 98-degree heat. It was the hottest June 25 in 54 years. In nearby Washington, the mercury hit 98 for a season's high and the hottest June 25 since 1875.

Three deaths attributed to the heat were reported in Ohio, which sweltered in temperatures around the 100.

Two persons died from heat in Philadelphia and 40 were treated in hospitals for heat exhaustion. The day's top reading of 96 was a record for the date.

New York City reported a record 96.5 reading. More than a score of persons were treated for heat prostration. One death was reported in Upstate New York, where temperatures were in the 90s.

Readings of 100 and above were general in many parts of the South. The day's top of 104 at Macon, Ga., marked the fifth consecutive day of 100 or higher and the 25th straight day with temperatures above 90. It was 103 in Augusta and 101 in Savannah. The 101 in Nashville was a record for the date while Chattanooga's 102 tied the all-time high for June.

New records for June 25 were set in several Virginia cities, including Newport News with 102 and Richmond and Norfolk with 100. Texas baked, with a top of 106 at Presidio.

St. Louis was promised no relief after yesterday's sizzling 100-degree heat which set a new June 25 record.

It was 97 in downtown Pittsburgh equaling the record for the date set in 1822.

It was nearly normal weather in the Rocky Mountain and Pacific Coast states. The day's top at Los Angeles was 70; 68 at San Francisco and 69 at Seattle.

Officials From PMA Attend Lubbock Meet

Five Production & Marketing Administration officials from Scurry County returned Tuesday from Lubbock, where they attended a two-day district meeting to study new loan procedures in connection with the government price support program.

They were Irelan Finley, PMA administrator; Jeannene Carmichael, Commodity Credit Corporation loan clerk; and Clifton Thomas, Glenn Tate, and Charlie Bley, PMA county committeemen.

Finley said that under the new system, the county PMA office will handle all loan documents and keep complete loan records here. The records have previously been serviced in the Dallas and New Orleans CCC offices, he added.

The administrator said that while banks and other lending agencies are urged to enter into agency agreements with the CCC for making loans to farmers on crops stored on farms and in approved warehouses, the CCC will make direct loans if no lending agency is interested in making that type of loan in this area.

The loans, made to farmers during difficult periods of marketing, transportation, and storage which often occur during harvest time, are made in Texas on cotton, wheat, oats, barley and grain sorghum.

Man Confesses Brutal Slaying

ST. LOUIS (AP) — A 23-year-old Mexican has admitted the brutal hotel room slaying of Mrs. Irene Thompson, an attractive 32-year-old mother.

Police Capt. John Buck reported last night Jose Romero had signed a statement saying he strangled Mrs. Thompson and left her partially nude body in a room at the Jefferson Hotel.

Mrs. Thompson's body, clad only in panties, was found in the room Sunday. Her throat had been slashed with a broken bottle and an electric cord had been twisted around her neck.

Romero told of having been in a fight with another man over Mrs. Thompson last Friday and then visiting her hotel room later that night. He said she had screamed insults at him and lunged toward him with a desk pen.

Romero met Mrs. Thompson, mother of a 2-year-old daughter, at a dancing studio where she was employed as an instructor.

He surrendered to police yesterday on a warrant charging him with the slaying.

New York Delegates Are All For Harriman

NEW YORK (AP) — Democratic State Chairman Paul E. Fitzpatrick says New York's 94-vote delegation to the party's national convention is "100 per cent behind" W. Averell Harriman and "will continue to be for him."

Fitzpatrick made his statement at a news conference called largely to deny charges by supporters of Sen. Estes Kefauver that the Harriman - for - President drive is just a holding action until New York State party leaders agree on another candidate.

Asked about Gov. Adlai Stevenson of Illinois, Fitzpatrick declared he is not a candidate, "and I know what I'm talking about."
