Ask Us

Q. — Is it true that Governor Mark White's salary has been raised to $91,600?

A. — Yes. Effective Sept. 1 — the new fiscal year for the state — the governor received a 3 percent step increase in salary. Prior to this, his salary was $88,900.

Soldiers of Co. G to return to Snyder Saturday

The 11th annual reunion of the men of Company G will be held this Saturday on the campus of Western Texas College.

Activities related to the reunion will begin Friday night, as the individuals who mobilized in Snyder on Nov. 25, 1940 for five years of World War II combat return to reminisce and to honor their comrades.

Expected to return again this year is Cpt. Carl P. Matney of Canyon, commander of the company which was attached to the 142nd Regiment, 36th Division.

"Matney's Raiders," as they called themselves, will gather Friday at the B&D Restaurant at 6:30 p.m. for a dinner and "bull session."

Formal activities begin Saturday with a 9 a.m. registration at the WTC Science Lecture Hall. At 10 a.m., Company G member John Portis will give the offical call to order, followed by the invocation from the company chaplain, Lonnie Johnson.

This year's reunion will feature a memorial observance for Robert Swint during the morning. Opening remarks will be given by Jay Skinner, now of Delaware, Ohio.

The annual update of the activities of the men of Company G will be give by Charles Stimsen.

Following a lunch break Saturday, the members will return for the annual business meeting and the election of officers at 2 p.m.

The event will end with a 6:30 p.m. dinner in the WTC cafeteria.

A Texas Historical Commission plaque honoring the men of Company "G" was erected last June 28 on the courthouse grounds. The dedication was part of Centennial Activities for Scurry County.

The annual reunion is traditionally held on the weekend before the anniversary date of their mobilization.

Originally, some 110 men from Scurry County belonged to Company G.

During the war, the 36th Divi-

Shuttle lands safely

CAPE CANAVERAL, Fla. (AP) — Discovery, darting over Texas like a "shooting star" on its homeward plunge, glided triumphantly back to Earth today with two satellite prizes plucked boldly from orbit during history's first space salvage mission.

The 104-ton space plane, its final dash across Florida heralded by twin sonic booms, dropped out of a partly cloudy sky and onto a 15,000-foot concrete runway after a journey of 3.3 million miles during which the astronauts also released two new communications satellites.

The astronauts almost were diverted to a landing in California when clouds moved over Cape Canaveral two hours before the planned touchdown. But the skies cleared and commander Rick Hauck was given the go-ahead to come into this spaceport just 20 minutes before he was to fire the ship's rockets to drop it out of orbit.

Hauck guided Discovery to a center-line touchdown at 6:59 a.m. EST, 11 minutes after sunup, on Runway 15, which is flanked by canals where 400 alligators lurk. The ship, glinting brightly in the early morning sun, came in from the north after making a wide sweep over the spaceport.

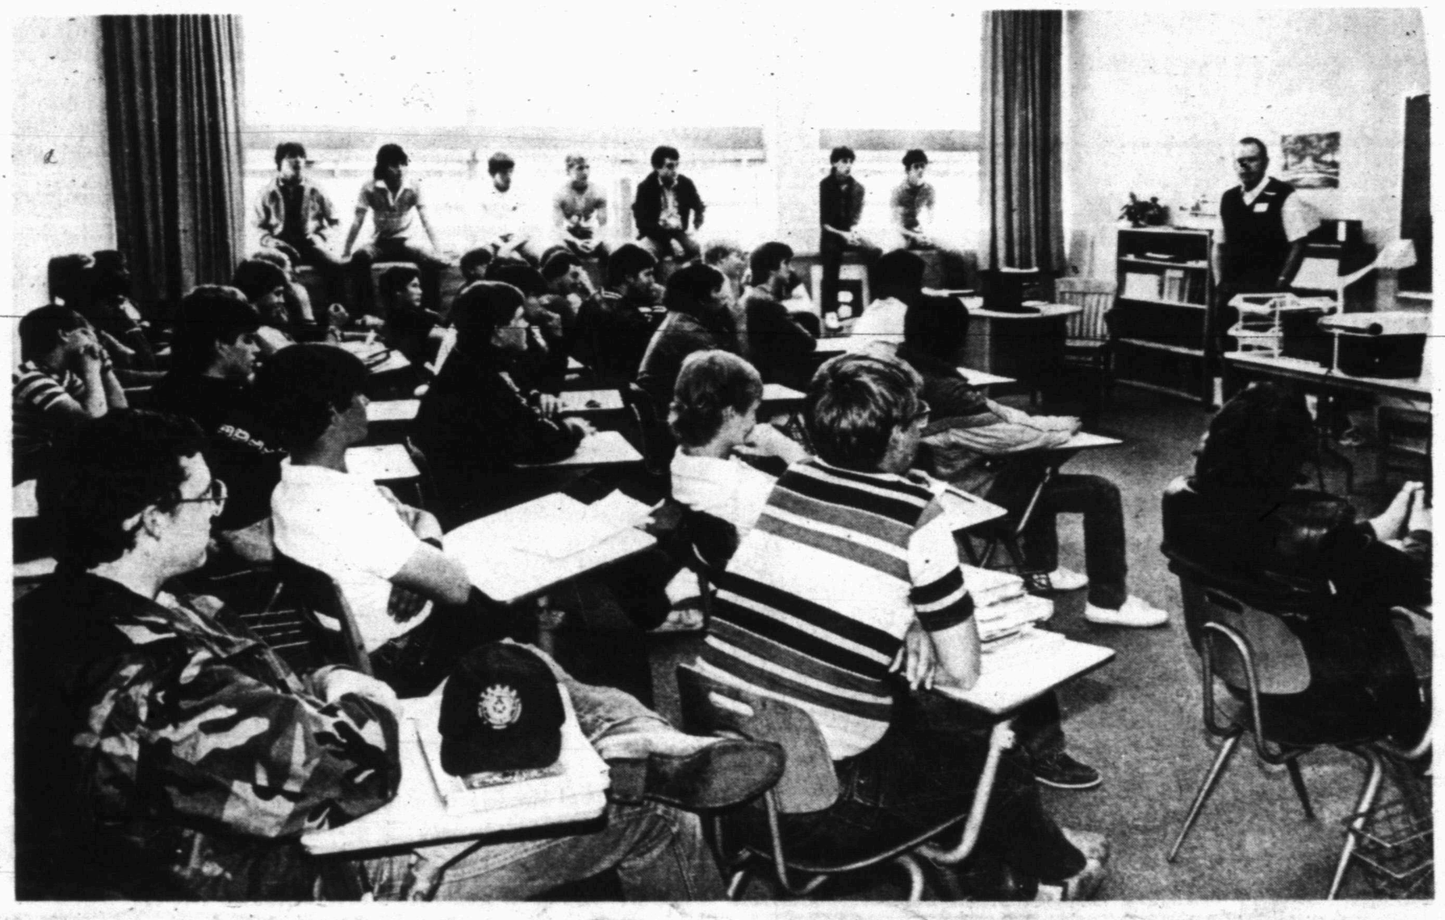
The crew members, four men and one woman, rolled to a stop just three miles from the launch pad where they started their space adventure eight days ago.

"After a 3.3 million-mile service call, the crew of 51-A is home," Mission Control announced. Code number for the flight is 51-A.

It was a reference to Discovery's capturing two stranded satellites, like a tow truck going to the aid of a disabled auto.

Forty-four minutes after touchdown, the astronauts, smiling broadly, exited the ship onto a red carpet. A van drove them to a nearby building for showers, medical exams and reunions with their families. Later in the day they would fly back to their training base in Houston.

Thousands of spectators at the strip and along the nearby Indian River cheered the landing, the third here in 14 shuttle flights and the second in succession.



CAREER DAY SESSION — Students at Snyder, Hermleigh and Ira High Schools were given the chance to discuss numerous career fields with professional men and women Thursday courtesy of the guidance departments at SHS, Western Texas College and the Snyder Rotary Club. Some 90 local individuals offered job advice to the students during Career Day activities on the SHS campus. One of the sessions which attracted the largest crowd dealt with forestry and range and wildlife management, conducted by WTC instructor Jimmy Ritchie (right). (SDN Staff Photo)

History making 'Baby Fae' succumbs

LOMA LINDA, Calif. (AP) — Baby Fae, who made medical history and generated ethical questions as she fought for life for three weeks with the heart of a baboon beating in her tiny chest, died after her kidneys began to fail. She was barely a month old.

The 5-pound infant, born with a fatally deformed heart, outlived by more than two weeks any of the four adults who had undergone animal transplants and lived longer with the transplanted heart than she had with her own.

"Baby Fae died at 9 p.m.," Ed Wines, vice president for public relations and development for Loma Linda University Medical Center, said Thursday night, reading from a doctors' statement.

Her parents, who kept the identity of their daughter seeret throughout the three weeks of intense publicity that surrounded the surgery and forced them into counseling, were consoled by doctors and clergy after their daughter died, Wines said.

Baby Fae had been in serious but stable condition Thursday, but her kidney function deteriorated and around 7 p.m. she required dialysis, Wines said.

Doctors had been saying Baby Fae was recovering from an attempt by her body to reject the baboon heart she received on Oct. 26. She was on a respirator and had been receiving immunosuppresant drugs, including one that affects kidney function, but Wines did not say what caused her kidney problems.

Victims of abuse...

Noah Project now officially opened

The Noah Project, a family violence shelter for battered women and their children, officially opened Thursday in Snyder.

At an open house observance for the facility — located in the Old Scurry County Jail — Linda Scalf, outreach coordinator, and Kathy Hall, vice president of the advisory council, took visitors on guided tours.

Prior to Thursday, Scalf said two families have already been using the facility.

The shelter is large enough to accomodate three to five adults and their children.

Prior to the shelter officially opening, a 24-hour crisis hotline has been in operation. That number is 573-1822. Scalf maintains regular office hours of 8 a.m. to 5 p.m., but the crisis hotline is open 24 hours a day for victims of what is termed spousal abuse.

Items used to furnish the shelter have been donated by city and county residents, Scalf said. "We found many items just left on our doorstep."

Western Texas College carpentry students have been helping with fixup procedures at the facility also.

Items donated include a television, beds and several articles of furniture. A refrigerator and dish washer were purchased.

At present, the second and third floors of the facility are storage areas, but plans call for remodeling part of the upstairs to be used as a shelter attendant's residence, Scalf said. Funds have been set aside for this project.

A Community Clothing Room--to be located on the second floor of the shelter--is also being planned. It will serve as a distribution point for clothing donated by local residents.

Several organizations in addition to the Noah shelter will be able to use the Community Clothing Room including SCOOP (Scurry County Options and Opportunities for People) and the

The SDN Column

By Roy McOueen

The feller on Deep Creek says, "The world owes nothing--it was here first."

Keeping tabs on our neighbors:

Cactus Pryor, in the Austin American-Statesman, likes to throw barbs at politicians. We especially liked one of his post-election stories.

Vice President George Bush was said to have ordered a late-night hamburger from the hotel's room service.

"Do you prefer mustard or mayonaise?" the waiter asked the vice president.

"What does the president prefer?" Bush inquired.

"The president prefers mustard," said the waiter.

"I prefer mustard," said the vice president.

After 25 years of marriage, one would assume that one partner would know the other like an open book.

This isn't necessarily so, according to Orlin Brewer in the Vernon Daily Record.

For example, in the recent presidential election, only 56.5 percent of the wives knew which candidate their husband intended to vote for. With regard to likes, only 48.8 percent of the wives could say what color their husbands like to see them wear.

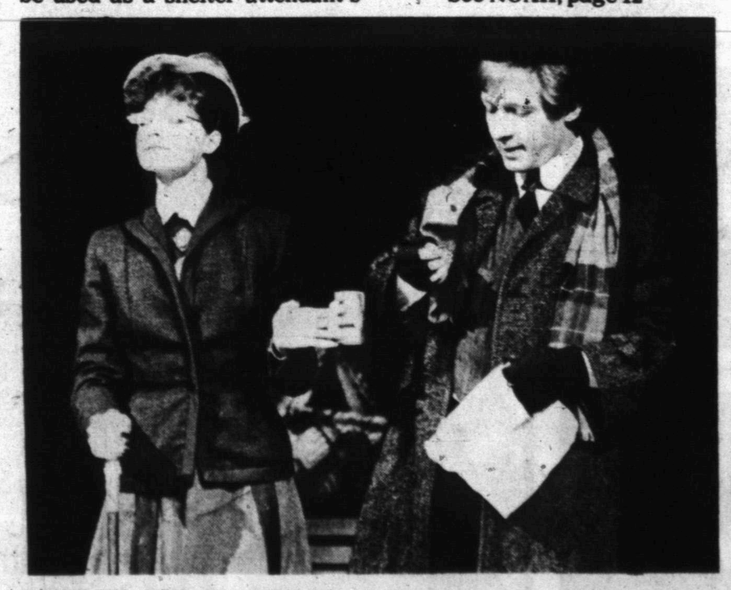
Since a large number of males tend to be either color-blind or color-ignorant, the findings don't surprise us much. Just don't expect us to remember if she was wearing a dress or slacks when she left home this morning.

Doug Manning, in the Hereford Brand, said he read in some poll that a great percentage of Panhandle residents would move if the nuclear waste dump is built in Deaf Smith County.

"That is hogwash," said Manning.

"Ticks, boll weevils, dust bowls, drought, high fuel, low profits, rattlesnakes, mean winters, flys, mosquitoes, plagues, ornery longhorns, wild Indians, miles of nothingness and indomitable bindweed have never driven Texans off their land.

"A hole in the ground with some Eastern Yankee trash in it ain't going to do it either."



TONIGHT AND TOMORROW — Performances of the Western Texas College production of "Tintypes" are scheduled Friday and Saturday nights beginning at 8 p.m. in the WTC Fine Arts Auditorium. Tickets are $5 for adults and $3 for students. Shown in this scene from the musical revue are Ramona Murphy and Jeff Combs. (SDN Staff Photo)

In Brief

More ships

WASHINGTON (AP) — The Pentagon says more ships loaded with Soviet or Soviet bloc weapons may be headed for Nicaragua in a continuation of what the Reagan administration calls a dramatic and troubling arms buildup in the Central American nation.

The new ships would be in addition to three spotted earlier and the much-publicized visit last week of a Soviet freighter that U.S. officials at first said might have been carrying MiG fighters. They later said the cargo was other military equipment.

Libyan troops

PARIS (AP) — President Francois Mitterrand today admitted that Libyan troops had not completed their pullout from Chad, despite an announcement six days ago that France and Libya had withdrawn all their forces from the central African nation.

Helicopters

MANAGUA, Nicaragua (AP) — A Sandinista official confirmed that Nicaragua has obtained Soviet-made Mi-24 combat helicopters and says they will be deployed against U.S.-backed rebels fighting to overthrow the government.

Local

Meeting set

The Snyder Chapter of the International Youth Exchange Program, formerly known as the American Field Service, will have a Dutch-treat breakfast at 8 a.m. Saturday at the B&D Restaurant on the East Highway.

Christmas cards will be signed by those present and mailed to all AFS students that have lived in Snyder the past 26 years. Everyone interested is encouraged to attend.

As a reminder, Shana Hart, the AFS student abroad to Brazil for this past summer, is presenting her experiences through a prepared program for interested clubs and organizations. Hart may be contacted at 573-4743.

Raquel Rotela, Snyder's exchange student from Paraguay, will be available for programs after the first of the year. Rotela is living with the D. V. Merritt Jr. family and is attending Snyder High School as a junior.

Weather

Snyder Temperatures: High Thursday, 64 degrees; low, 41 degrees; reading at 7 a.m. Friday, 42 degrees; precipitation none; total precipitation for 1984 to date, 14.31 inches.

Snyder Area Forecast: Tonight: partly cloudy with 20 percent chance of showers. Lows lower 50s. East to southeast wind 5 to 15 mph. Saturday: 30 percent chance of showers. Highs upper 60s. South wind 10 to 20 mph.

Alateen chapter now organized in Snyder

A chapter of Alateen — an organization designed to help teenagers who have problem drinkers in their family — was organized in Snyder last month.

The group meets at 7 p.m. every Monday at Trinity United Methodist Church (front east [illegible]).

Alateen meetings are normally closed to the public to preserve the anonymity of those attending, but this Monday night a special open meeting will begin at 7 p.m. for all interested parties.

The local chapter is sponsored by the Snyder Alanon group.

The area coordinator of Alateen will be the guest speaker and bring the program.

Alateen is an offshoot of Alanon — the group organized for family members of problem drinkers — and Alcholics Anonymous, the self-help program for problem drinkers.

Each organization preserves the anonymity of those attending meetings. And each follows the same basic philosophy. . .

Alateen seeks to help young people accept their situation as it is. Children of problem drinkers often have many problems which are related to living with a problem drinker.

They often have inferiority complexes and problems with studying in school.

Alateen tries to help them build self esteem. Young people attending are encouraged to talk and listen to each other. An Alanon sponsor moderates all meetings.

No last names are ever used. In fact, no one is asked to give their name or speak if they choose not to. According to a spokesman, "They can just come and sit and listen if that is all they want to do."

Alateen was started in California in 1957 and utilizes the same 12 steps and traditions as Alcoholics Anonymous.

Statistics show alcoholism affects one in five families, but it is often difficult to have teenagers join Alateen because of the social stigma attached to drinking problems.

The following questions provided by Alateen will help area young people determine if they need Alateen.

—Do you have a parent, close friend or relative with a drinking problem?

—Do you feel you got a rotten break in life?

—Do you hate one or both of your parents?

—Have you lost respect for your non-alcoholic parent?

—Do you try to get even with your parents when you think they have been unfair.

—Are you ashamed of your home?

—Do you wish your home could be more like the homes of your friends?

—Do you lose your temper a lot?

—Do you sometimes say and do things you don't want to but can't help yourself?

—Do you have trouble concentrating on school work?

—Do you resent having to do jobs around the house that you think your parents should be doing?

—Are you afraid to let people know what you're really like?

—Do you sometimes wish you were dead?

—Are you starting to think it would be nice to forget your problems by taking drugs or getting drunk?

—Is is too hard for you to talk to your parents? Do you talk to them at all?

—Are you afraid of the future?

—Do you believe no one could possibly understand how you feel?

—Do you get upset when your parents fight?

—Do you go to extremes to get people to like you?

—Do you feel you make your alcoholic parent drink?

—Do you stay out of the house as much as possible because you hate it there?

—Do you avoid telling the truth to your parents?

—Do you worry about your parents?

—Are you nervous or scared a lot of the time?

—Do you resent the alcoholic's drinking?

—Do you feel nobody really loves you or cares what happens to you?

—Do you feel like a burden to your parents?

—Do you sometimes do strange and shocking things to get attention?

—Do you cover up your real feelings by pretending you don't care?

—Do you take advantage of your parents when you know you can get away with it?

If the answer is "yes" to some of these questions and you are close to someone with a drinking problem, Alateen may help you.

Abilene considers waste water plan

ABILENE, Texas (AP) — Turning wastewater into drinking water is the least expensive long-range water option for Abilene, but it's also something that local residents will have to be sold on, the City Council has been told.

"The question is whether our citizens are ready for this now. We need to find that out," Councilman Julian Bridges agreed after a report was presented at Thursday's meeting of the council.

Consultants from Freese and Nichols Inc. of Fort Worth presented a study on wastewater reclamation for municipal use, a process used in some form in El Paso, Virginia and Orange County, Calif.

"People have demonstrated strong aversion to any identifiable association with human waste within their immediate environment," the report said.

PIANO RECITAL — Recently students of Mrs. Virgil Mott presented an all-boy piano recital at Colonial Hill Baptist Church. Those participating in the event included, on the front row left to right, Russell Schlegel, Jerry Armstrong, Kurtis McCathern and Robert Patterson. On the back row are Jim Kirk Palmer, Cade Walton, Andy Rumpff, Lee Idom and Ryan Byrd. David and Josh Stewart also appeared on the program. In addition to playing the piano, Ryan Byrd entertained the group of parents, grandparents and friends with several harmonica selections. (Mott Music Studio Photo)

BRIDGE

James Jacoby

Taking a double finesse

By James Jacoby

When you have opened the bidding holding five diamonds and four clubs, your normal rebid is two clubs, your second suit. That is what South would have done if his partner's response had been one heart or one no-trump. But when North responded with one spade, South decided to rebid one no-trump. It seemed logical to protect his A-Q of hearts from attack on opening lead if his side ended up in a no-trump contract.

That thinking was OK. After all, how could South know that his partner had the heart king? North promptly raised to three no-trump and West tabled the jack of hearts. Since there was not enough time to develop the diamond suit, declarer tried a spade finesse for his ninth trick. When that lost, he had to go set.

At the risk of being set more than one trick, South could have increased his chances of making game. Note the spade spots. If declarer plays the nine of spades with the intention of playing low from dummy, he not only makes three no-trump when West has the queen, but he will also make the contract when West holds the 10 and the eight. If the 10 covers the nine and the jack loses to the queen, declarer returns to his hand and plays a second spade to dummy's seven.

Members urged to take time for their well-being

Stressing the need for women to take time for themselves, Jackie Buckland addressed members of the Lambda Kappa Chapter of Beta Sigma Phi during the group's Nov. 6 meeting in the Snyder Country Club.

With the topic, "Recreation: How It Works for You," Buckland explained the need for both active and passive recreation to enhance physical and mental well-being. By taking time for themselves, women are better able to give their best to family and jobs.

She is employed in the new accounts department of First Federal Savings and Loan Association.

Brenda Hedges, president, led the business session which followed. A certificate of appreciation was received from the American Cancer Society and members made plans to sell Christmas wrapping again this year.

Donna Fowler invited the group to her home on Nov. 16 for a salad supper prior to their attending "Tintypes" at Western Texas College.

Hostess Carolyn Limmer served chips, dips and fresh vegetables to conclude business.

Garden Club has member named to district position

Seventeen members attended the November meeting of the Snyder Garden Club. Two guests, Ramona Reed and Linda Jones, were introduced.

Laverne Hood announced upcoming events at the Martha Ann Woman's Club. Margaret's Fashion Review will be Saturday, Nov. 15 and the Christmas bazaar and supper is scheduled for Dec. 1 from 3 to 8 p.m. at the clubhouse.

Garden Club members have held two workshops in preparation for the bazaar.

Laverne Hood, Polly Autry, JoAnn Nunley, Julie Fox, Carol Davis, Frances Stevenson, June Boren, Anna Mae Sears and Bertha Terry attended the District VIII fall convention in San Angelo Nov. 7-8. Davis became the district's 1984-86 treasurer during the business session held at the Holiday Inn.

After the host club directed a tour through several renovated buildings of Fort Concho, delegates enjoyed a dinner in the Ridgeway Florist and Greenhouse.

The Snyder Garden Club will meet again Dec. 6 for a luncheon at the MAWC. "Christmas Decorations from Williamsburg" will be presented by Vera McSpadden and Glenna Jones.

For the first time since the Great Depression of the 1930s, America's home ownership rate is faltering, says the American Council of Life Insurance. A drop was recorded in the first six months of 1983, following steady increases every year since 1940. It says the proportion of American households owning their own home reached 65.3 percent in 1981 and remained there through 1982. But in the first half of 1983, it slipped to 64.7 percent. Since then, the rate of home ownership has hovered around that figure.

FINAL PREPARATIONS — Geleska and Roy Baze are shown hanging a canopy in preparation for a luncheon and style show sponsored by the Martha Ann Woman's Club. A capacity crowd will gather in the clubhouse at 11:30 a.m. on Nov. 17 for the members' major fall fundraising events. Using "New York" as the theme, Margaret Drum, owner of Margaret's, is providing the featured styles and will narrate the event. The twelve women's organizations holding membership in the MAWC plan to use the proceeds from the affair for maintenance of the clubhouse. Ticket sales for the show ended at noon on Nov. 15. (SDN Staff Photo)

BEAUTY BRIEFS

Florence De Santis

Flattering coiffure

Considering a new fall hair style? Choose one that flatters your best features and plays down your weaknesses.

Short hair waved away from the face gives importance to small features. Height over the crown balances a prominent nose while accenting your eyes.

For an overly round face, bring waves or curls forward over sides of cheeks.

When getting a new hair style, look at it in profile, not just from the front, to see if it flatters chin and the jawline.

The massage

Turn your tub bath into a relaxing message treatment.

Using your soap or beauty bar to work up a lather, massage the lather from the feet up your legs, around the calf and knee, with strong strokes.

Relax, with legs in the water, then use lather to massage arms from fingers to shoulders.

Work more lather in circles over chest and shoulders and as far down your back as possible. Sit up in tub and use long-handled back brush to clean and massage the lower back.

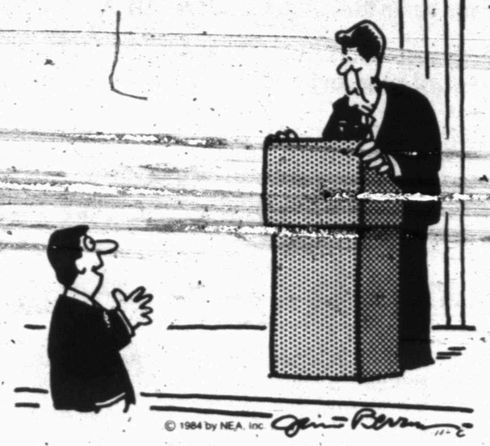
Berry's World



"Let's just practice, in case you ever want to have a press conference again."

Dear Abby

By Abigail Van Buren

© 1984 by Universal Press Syndicate

DEAR ABBY: I am praying you will answer my letter in the paper because I don't even know where I'll be living by the time you get this.

I was supposed to be married last Friday. My family went to a lot of trouble to arrange the wedding and many guests had bought gifts to bring. I thought I was marrying a sweet, thoughtful man who loved me.

I found out last week that "Jerry's" friends were planning a "bachelor party" for the night before our wedding. I also found out that a cheap hooker would be there to provide sex and entertainment and that plenty of liquor had been bought so everyone could get drunk.

I didn't want to marry a man who thought illicit sex with a hooker was a "treat," and I told Jerry so. He said there was no way he'd call the party off, that he deserved one last fling, and that he was glad he found out I planned to run his life before it was too late to get out.

Now, none of my family is speaking to me. My mother says I will have to change my ways if I ever expect to find a husband. Everyone else says I threw away a great guy. I am sick and wish I had never been born. Was I wrong not to want a husband who got drunk and had sex with a slut the night before my wedding? Everyone is making me feel like I am crazy or something. Please answer me.—"C"

DEAR C: You are not crazy. You and Jerry are miles apart when it comes to moral values, which is the cement that holds a marriage together. You are not his kind of woman, and he is not your kind of man. You're lucky to learn it before the knot was tied.

* * *

DEAR ABBY: Recently my wife and I stopped at a restaurant while driving to Savannah, Ga. After ordering, I asked the waitress for a glass of water to take some pills—one for my heart, the other for diabetes.

The waitress said, "I will have to charge you 10 cents for the water, sir." I was shocked. I replied, "Ten cents for a glass of water?" She said, "Yes, for the paper cup you will be using."

I said, "Well, all right, I will pay the 10 cents, but suppose a customer is eating and starts to choke; do you mean to tell me if he didn't have 10 cents for a glass of water, he would just have to choke?" She didn't say anything, but she brought the water, and I took my pills.

Later I asked her for a spoon to stir my coffee. She said, "Sorry, sir, we don't serve spoons with coffee, but I can let you have a plastic knife." I said, "Remind me never to eat here again."

Was I wrong to pay my bill without leaving a tip for the waitress?

A SOUTHERN PASTOR

DEAR PASTOR: Yes. Assuming the waitress wasn't also the owner, she didn't make the rules; she was only carrying out the boss's orders.

If the service was good, you should have left a tip.

* * *

CONFIDENTIAL TO EVERYBODY:

Dr. Lamb

Lawrence E. Lamb, M.D.

DEAR DR. LAMB — I am compelled to write regarding your column in which a couple who were trying to conceive asked about sperm life. You advised them to have intercourse every third day.

Why didn't you tell them about modern methods of natural family planning, which would teach them to recognize the fertile mucus signs and changes in the cervix? With natural family planning, they can abstain early in the cycle to build up the sperm count, wait for the fertile mucus and then begin to have intercourse every other day. The temperature-measuring part of natural family planning helps a couple to see if conception has taken place.

DEAR READER — Before you get your temperature chart out of range, you should note that I sent the couple The Health Letter 17-2, Female Reproductive Function. This covers the mucus question and includes a discussion of the temperature cycle. This information can be used both to determine fertility and as a natural way of birth control. However, while these methods help, they are not the most effective means of birth control available.

Regarding your point about abstaining until the fertile period: Most knowledgeable physicians who deal with fertility problems have learned that abstaining to build up the sperm count really doesn't work. That is why I didn't suggest it. Limiting sex to once every three days is about the most you can accomplish with abstinence. Therefore, I am not impressed with the theory that a couple should avoid sex early in the cycle and have intercourse only when the signs are right for approaching ovulation.

Readers who want information on the normal cycle, either for fertility or for birth control, can send 75 cents with a long, stamped, self-addressed envelope for the Health Letter 17-2, to me in care of this newspaper, P.O. Box 1551, Radio City Station, New York, NY 10019.

Couples who are having fertility problems really should visit a fertility clinic. It is important that both the man and the woman be evaluated. Some medical problems, such as a varicocele, can be corrected. There is more to the problem than just mucus and temperature.

DEAR DR. LAMB — I am 78 and in good health. The only medication I take is Esidrix, 50 mg. three times a week. After reading about the controversy regarding this diuretic, I am considering not taking it. My blood pressure is 150 over 80 and I feel great.

I take vitamins and minerals and don't eat sugar or salt. Will it ever be determined that diuretics are harmful and should be stopped? Since I don't have a problem, why should I continue to take a medication that gives me one?

DEAR READER — Esidrix is a trade name for hydrochlorothiazide. Another trade name for this is Hydrodiuril. No one should stop taking a prescribed medicine without their physician's agreement. Stopping some medicines abruptly can cause rebound reactions that can be dangerous in some cases.

The amount of Esidrix you are taking is quite small. Your blood pressure may be at its present level because you are taking it. People who have normal blood pressure and are taking medicines often find that when the medicine is stopped, the pressure rises.

Complications can occur with diuretics, but most of them are minor and easily corrected. In many instances of congestive heart failure and other fluid retaining medical problems, diuretics can be lifesaving.

Astro-Graph

By Bernice Bede Osol

Your Birthday

Nov. 17, 1984

Laying strong foundations will be essential to your success this coming year. If you do, the outlook is rosy. If not, the end results are questionable.

SCORPIO (Oct. 24-Nov. 22) It could be a waste of time today to try to put a business deal together as it is happening. Relax and enjoy the party. Major changes are in store for Scorpios in the coming year. Send for your predictions today. Mail $1 to Astro-Graph, Box 489, Radio City Station, New York, NY 10019. Be sure to state your zodiac sign.

SAGITTARIUS (Nov. 23-Dec. 21) Success is more likely today if you stick with conventional methods and procedures. This is not the right time to be experimental.

CAPRICORN (Dec. 22-Jan. 19) People in minor roles could mess up your plans today. If you have a proposal of importance to make, go right to the top guy.

AQUARIUS (Jan. 20-Feb. 19) Joint ventures look promising for you today, provided they're with cohorts who have a conservative outlook. Risks with high fliers may crash.

PISCES (Feb. 20-March 20) Partnership arrangements might be subjected to additional stress today. You'll probably accomplish your purpose, but not without tense moments.

ARIES (March 21-April 19) Others will treat you generously today. If someone comes to you for help, be as kind to him as your benefactors were to you.

TAURUS (April 20-May 20) You're apt to be amicable and easygoing today unless something material is at stake. When the ante goes up, your self-centeredness increases.

GEMINI (May 21-June 20) Beware of tendencies today to toss in the towel before the final score is tallied. Keep reversals in proper perspective.

CANCER (June 21-July 22) Strive to stay levelheaded today so you'll be able to cope with adversities. Don't base judgments on your emotions or feelings.

LEO (July 23-Aug. 22) You might be subjected to unexpected swings in your financial affairs today, but you'll come out a-okay if you behave in a businesslike manner.

VIRGO (Aug. 23-Sept. 22) Once you've formulated intelligent plans today, proceed toward your objective. Last minute changes lessen your probabilities for success.

LIBRA (Sept. 23-Oct. 23) Do not try to force your ideas on others today in ventures where you play a minor role. It's wisest to listen and say little.

(NEWSPAPER ENTERPRISE ASSN.)

Able to melt diamond

ITHACA, N.Y. (AP) — By focusing a high-powered laser on a diamond anvil cell under extreme pressure, university researchers here were able to melt a diamond, the hardest substance known to man.

The droplets of melted diamond that resulted are important because they might confirm a theory that carbon, the raw material of diamonds, can exist in a liquid state at the high temperatures and pressures found deep inside the earth.

Children no longer walk alone

EXETER, N.H. (AP) — "Tammy Belanger is missing. We want her back."

Posters made by her schoolmates spread the message throughout Exeter, a town of 11,000 where children no longer walk alone.

"The children are frightened, worried and sad. They're hearing so many awful rumors about what's happened to Tammy," said her school principal, Patty Lyman. "At the high school they seem to feel worse. There are hordes of teen-agers outraged, wanting to help in some way."

A futile three-day search for the 8-year-old girl ended Thursday afternoon with firefighters fruitlessly hunting for clues in muddy culverts and frustrated volunteers sifting roadside garbage.

JUDY TUCKER

Judy Tucker to sing here

Judy Tucker of Lubbock, will be ministering in song and testimony at 11 a.m. Sunday at Green Hill Baptist Church, 201 N. College.

For 13 years Tucker has been involved in ministering through song. From 1971 to 1974 she traveled with the Covenant Players, a Christian repretory theatre group, throughout the United States and Europe.

After leaving the group she began a gospel music ministry in Southern California serving churches, schools, and convalescent homes. She is more recently working with Cornerstone, a gospel music group, as their publicity agent and has appeared with Nicky Cruz.

In 1978, Tucker recorded an album, "Hello, Jesus."

GOOD RUNNING – Snyder's Joe Martinez scoots past an Andrews defender for a 13-yard gain during junior varsity football action played here Thursday. Snyder won the game 21-7, concluding its season with a fine 8-2 record. (SDN Staff Photo)

Snyder JV squad wins big; ends season with 8-2 mark

Snyder High School junior varsity football team scored three second-quarter touchdowns to defeat Andrews here Thursday, 21-7.

The Cats, 8-2, finished the season with six straight victories.

"As usual, the defense played exceptionally well, very aggressive," said Coach Albert Lewis. "They have been for the last six weeks. It was a pleasure working with this group. I know they are all eager to play again next year and help turn around Snyder's program," he added.

Snyder's first touchdown came on a two-yard run by Joe Martinez. Mitch Page kicked the conversion. The seven-play drive went for 62 yards.

The Cats then took advantage of a short punt by Andrews to march 48 yards on their next possession. Tony Pineda scored from four yards out on a double-reverse. Page kicked the conversion.

Snyder's final TD came on a 25-yard pass from Dennis Martinez to Steve Mack. The two-play, 36-yard drive also saw Dennis Martinez hit Michael Long for an 11-yard toss. Page again kicked the conversion.

Andrews' lone touchdown came on a 74-yard pass and run play with 1:01 left in the game.

The Mustangs polled 202 yards worth of offense while Snyder had 340 - 257 on the ground.

Long ran for 100 yards on 12 carries while Joe Martinez had 81 on 16 and Pineda had 24 on two. Dennis Martinez passed complete 3 of 13 times for 33 yards.

Frosh pop 'Stangs to finish 5-3 term

ANDREWS – Snyder freshmen completed their football season with a 36-18 victory over Andrews here Thursday evening.

Snyder came from behind twice in the contest. Lawrence Barrera led the action as he ran for 274 yards and three touchdowns on 27 carries.

Andrews scored first to lead 7-0, but Snyder retaliated when Barrera tallied on a two-yard run. Barrera, who had broken a 65-yard scamper to the 9-yard line to key the drive, also ran over the conversion.

Andrews came back with a field goal to go in front, but Barrera countered for Snyder on a two-yard power play. He took the option pitch and went over for the conversion, giving Snyder a 16-10 lead at halftime.

Barrera's third TD came on a 27-yard run off of a trap. Roland Romo passed to Terry Garza for the two-point conversion.

Steve Harper scored Snyder's final two touchdowns, the first coming on a two-yard sweep.

In the fourth, Harper intercepted a pass and went 61 yards to score. The run was called back due to a clipping penalty but Harper scored three plays later on a six-yard sweep.

Snyder came up with 430 yards offense. Barrera's 274 yards put him at 1,300 unofficially this season in eight games.

Harper had 40 yards on eight carries and caught a 67-yard halfback pass from Barrera. Brad Gartman and Romo combined for three of seven passing for 85 yards.

"It was such a team effort and a game in which so many people contributed that I don't what to single anybody out," said Snyder Coach Ricky Howell. "They ended their season 5-3 and I think they can be very proud of that. The most important thing is they improved every day. They are a group that has a sense of togetherness. They have character and they'll work hard. We are expecting nothing but great things from these young men who have been such a pleasure to coach."

Seagraves tries Stamford here; area teams vie

Snyder's Tigers are on the road tonight in Andrews, but Tiger Stadium will not be dormant.

Stamford and Seagraves kick off in a Class 2A bi-district playoff game here at 7:30.

In other games, featurning the 4-1A district, two-time defending state champion Highland takes on Weinert at 7:30 in Roby and Jayton plays Grady at 7:30 in Gail. Both are zone playoff matchups.

Seagraves, 9-1, is champion of District 5-2A while Stamford, 6-4, is runnerup of 6-2A. Seagraves boasts one of the better defensive teams in the area, having allowed an average of only 9.3 points per game. It's offense is also strong, scoring an average of 29 points.

Stamford, beseiged by injuries early in the season that left at least two all-state prospects on the sidelines, is averaging 25.1 points and allowing 20.2.

Other playoffs of local and area interest include:

Class 4A

Plainview vs Midland Lee, 8 p.m. Friday, Jones Stadium, Lubbock.

Odessa Permian vs. Amarillo Palo Duro, 8 p.m. Saturday, Jones Stadium, Lubbock.

Class 3A

Post vs. Kermit, 7:30 p.m. Friday, Seminole.

Frenship vs. Fabens, 7 p.m. Saturday, Pecos.

Vernon vs Graham, 8 p.m. Friday, Graham.

Springtown vs. Abilene Wylie, 2 p.m. Saturday, Wichita Falls.

Gatesville vs. Colorado City, 2:30 p.m., Saturday, San Angelo.

Ballinger vs. Brady, 7:30 p.m. Friday, San Angelo.

Class 2A

Abernathy vs. Crosbyton, 7:30 p.m. Saturday, Bulldog Stadium, Plainview.

Lockney vs. Hale Center, 7:30 p.m. Friday, Bulldog Stadium, Plainview.

Hamlin vs. Morton, 7:30 p.m. Friday, Slaton.

Seagraves vs. Stamford, 7:30 p.m. Friday, Snyder.

Class 1A

Munday vs. Aspermont, 7:30 p.m. Friday, Haskell.

Roscoe vs Wilson, 7:30 p.m. Friday, Coahoma.

Forsan vs. O'Donnell, 7:30 p.m. Friday, Big Spring.

SIX MAN

Highland vs. Weinert, 7:30 p.m. Friday, Roby.

Jayton vs. Grady, 7:30 p.m. Friday, Gail.

Tigers wrap up campaign; 'momentum' the key word

With the District 2-4A playoff contenders already in the bag, tonight's action centers around momentum.

For Sweetwater and Monahans, momentum means getting ready for the playoffs. For the rest of the pack, momentum means closing 1984 on a winning note, and getting ready for next year.

The Mustangs, ranked No. 8 in the state with an 8-1 season record, 6-0 in 2-4A, will be looking at Fort Stockton for an eighth straight victory. Fort Stockton is 7-2 for the season and 4-2 in district play.

Monahans winds up at home also, facing San Angelo Lake View. Like Sweetwater, the Loboes are 8-1 for the season, but 5-1 in district play. Lake View is 1-8 and 1-5.

Both playoff-bound schools expect to be big winners this Friday.

Elsewhere in District 2-4A:

Snyder (2-7, 1-5) at Andrews (4-5, 2-4)- Snyder's first season under Coach Dennis Tomlin has already produced as many wins as the previous three combined, but the Ragin' Tigers would like to end the season with a victory - and beating Andrews would be a special feather in the cap.

The Mustangs, however, want to break .500. After a 33-7 win over Lake View last week, they'll be tough. Andrews features the district's No. 2 runner in Jeff Tidmore, who has rushed for 921 yards this season. Tidmore missed last week's game with a deep thigh bruise, and may not start tonight.

Lamesa (5-4, 2-4) at Pecos (5-4, 3-3)- Lamesa started off the season with a 5-1 mark, but has lost its last three ballgames, including 45-12 romp to Fort Stockton a week ago.

Pecos has been the up-and-down team in 2-4A this year, winning big at times, then facing embarrassment the following week, i.e. when Sweetwater bombed them 54-0 last week, for instance.

FOOTBALL STANDINGS

Team	Season W	L	T	District W	L	T
Sweetwater	8	1	0	6	0	0
Monahans	8	1	0	5	1	0
FtStockton	7	2	0	4	2	0
Pecos	5	4	0	3	3	0
Lamesa	5	4	0	2	4	0
Andrews	4	5	0	2	4	0
Snyder	2	7	0	1	5	0
Lake View	1	8	0	1	5	0

Nov. 9 Games: Monahans 47, Snyder 7; Sweetwater 54, Pecos 0; Fort Stockton 45, Lamesa 12; Andrews 33, Lake View 8.

Nov. 11 Games: Snyder at Andrews; Fort Stockton at Sweetwater; Lake View at Monahans; Lamesa at Pecos.

Coach Frisbie lauds effort

GAIL – When you are 7-2-1 on the season and miss making the playoffs by a coin flip, well...

"We really hate to see the season end. We've got good, young men. We've got a bunch of good kids that have good parents. It's really hard to see it end," said Borden County Coach Duke Frisbie of the Coyotes.

Borden County finished in a three-way tie for second place in District 4-1A South Zone, but lost a coin flip to Grady that would have sent them into the playoffs.

Coach Frisbie wrapped up the 1984 season with comments about the 1984 team, and a look into the future.

"We've got four good seniors that have been good leaders for us. They all have desire. They aren't outstanding athletes, they just like to play," he said of Glen Bacon, Robin Hood, Dennis Buchanan and Kirby Williams. "We're really going to miss them."

Borden County can expect another fine season in 1985. Among the talent returning is running back Chris Cooley.

"Chris got all the recognition but he'll be the first to tell you if it hadn't been for the workhorses up front he wouldn't have done anything," said Frisbie.

Cooley, a 155-pound junior, carried the ball 229 times for 2,080 yards and 34 touchdowns.

"I don't want people to think we just ran him and ran him either," said Frisbie. "Against Wellman for instance, he only carried the ball five times."

Cooley romped for 173 yards on those five carries. He had a low of 126 yards against Ira and a high of 362 against Grady.

Also returning for Borden will be one of the top tacklers on the team, Tommy Soto, a 6-1, 218 sophomore who "did an excellent job on defense for us. In one game, he made four straight tackles all by himself," said the coach.

Among other key personnel coming back in 1985 will be Bric Turner, Mickey Burkett, Gary Smith and Brice Key.

Slide show depicts Tiger's grid season

As part of their preparation for the Andrews game Friday night, the Snyder Ragin' Tigers viewed Friday morning a slide-music show depicting their season and featuring the Tiger's victories this year.

The show — which includes a color slide of every player on the team — was shown at an 11:25 a.m. pre-pep rally presentation in Worsham Auditorium.

Prepared by local photographer Harley Bynum, the 160 slides which comprise the show also features the fans, coaches and members of the Black and Gold SHS Band.

The show concludes with jubilant locker room shots after the Tiger victory here over San Angelo Lake View.

Head Coach Dennis Tomlin introduced the show Friday morning.

The music which concludes the nine-minute presentation includes the Tiger theme song, "Eye of the Tiger," and its companion song, "Gonna Fly Now."

French author George Sand (1804-76) once said: "Art for art's sake is an empty phrase. Art for the sake of the true, art for the sake of the good and the beautiful, that is the faith I am searching for."

WTC men's Classic opens here tonight

Western Texas College hosts the men's WTC Classic tonight and Saturday in Scurry County Coliseum.

The four-team classic opens at [illegible] with Western JC Athletic Conference power Odessa College taking on Tyler. Host Western Texas plays Ranger Junior College at 8.

Saturday's slate calls for Odessa and Ranger to square off at 6, followed by WTC and Tyler at 8.

Western defeated Ranger 115-94 earlier this season. Western goes into tonight's game with a 5-0 record while Ranger is 2-5.

"Ranger will get after you. We expect them to be a stronger ballclub than when we played them earlier," said Westerner Coach Phil Spradling. "We were able to run pretty well against them then, so I'm looking for them to try to slow it down against us this time."

James Dawn, a 6-5 freshman from Amarillo, led WTC in scoring against Ranger with 27 points. Dawn is averaging 17.6 points a game which leads the Westerners. Floyd Singleton and Lorand White, both sophomores, are averaging 14.8 and 12.2 respectively while freshman Alvin Hicks is putting in 10.6. Nearly grazing double-digits is sophomore Victor Spencer, averaging 9.4.

Odessa, always one of the stronger teams in the WJCAC conference, will come in at 2-1. Tyler is 1-1.

Tyler is a constant strength in Region 14. Western fans will remember the 1960 NJCAA National Tournament when Western came from behind to defeat Tyler 67-52 in what was billed as the "Texas Shootout" in Hutchinson, Kan. Western went on to win a national championship and go undefeated at 37-0. Spradling, not so incidentally, was a sophomore starter for Western Texas that year.

NEW UNIFORMS

Western Texas will unveil new uniforms tonight in the classic. The white shorts and tops are striped in blue and green.

SUPER FAN

WTC president Don Newbury has dedicated both the WTC men's and women's classics to Virginia Whitson.

"Virginia has been called 'Super Fan' for years, and with good reason," observed Dr. Newbury. "We have no finer fan than she, and because of the way she has supported the college, the WTC Booster Club and our athletic teams over the years, both the men's and women's basketball classics scheduled here during the next two weekends are being dedicated to her," he said.

The women's classic is scheduled for Nov. 23-34.

French scores 31...

Dusters defeat Henderson

AMARILLO – Lyndy French put in a career-high 31 points to lead Western Texas College's Dusters past Henderson County in first-round action of the Amarillo Bankers Association Classic here Thursday night.

"She had an outstanding shooting game," said Coach Joe Cushing, whose Dusters vault to 8-1 on the season with the 66-62 victory. "They just couldn't stop Lyndy."

The scoring effort by the 5-11 sophomore was four shy of the Duster record of 35 set in the 1977-78 season by All-American Cindy Luttrell.

The Dusters are scheduled against Scottsdale Community College of Arizona tonight at 6:30. A second Duster squad, made up primarily of backup personnel, will play Western Oklahoma at 4:30.

Despite French's output, Cushing said the Dusters did not have a good overall ballgame.

"I don't know exactly what it was. It was hot in the gym and it seemed to sap us a little bit. We looked like a team that hadn't worked out in a couple of days and that may have been it because we really hadn't worked out in a couple of days," he laughed.

Western built a 40-29 halftime lead and held an advantage throughout the contest. Henderson pulled within two, 64-62, with 14 seconds left, then fouled freshman Rhonda Chisum. Chisum made both freethrows to clinch the victory.

Patti Hayes was the only other Duster to hit in double figures. She scored 10 points. Clara Campbell had 7.

Western had 11 assists and steals. Rhonda Hoelting led in assists with 4, while Renvy Evans had 4 steals. Campbell had 11 of WTC's 40 rebounds.

"I was proud of the kids for holding their poise. Henderson made a good run at us there at the end and the girls kept their heads and played well," said Cushing.

Dale Ivey paced Henderson with 16 points. Angie Jones had 12 and Shelle Sivley added 10.

Western Texas 66, Henderson 62

WESTERN TX (66)– French 14 3 31; Hoelting 2 0 4; Chisum 0 2 2; Wiseman 1 0 2; Evans 3 0 6; Ramaekers 0 0 0; Rose 2 0 4; Hayes 5 0 10; Campbell 3 1 7; TOTALS 30-73, 6-13, 66.

HENDERSON (62)– Jones 3 6 12; Sivley 4 2 10; Ivey 7 2 16; TOTALS 22-66, 18-21, 62.

Halftime: WTC 40, HC 29.
Total Fouls: WTC 19, HC 18.
Fouled Out: Wiseman, WTC; Sanders, HC.
Rebounds: WTC 40.
Records: WTC 8-1.

Tigers show improvement in workout with Coahoma

Coach Larry Scott gave his makeshift Tiger basketball team an optimistic report card following their scrimmage with Coahoma here Thursday night.

The squad was made up of varsity and junior varsity players. Scott expects 15-16 other players to come out for basketball following tonight's final football game in Andrews.

"Considering that we have a game Monday against Lubbock High, which is rated third in their district and is supposed to be the strongest team they've had in a while, I'd say we're behind," laughed Scott. "Really," he added, "It went pretty good."

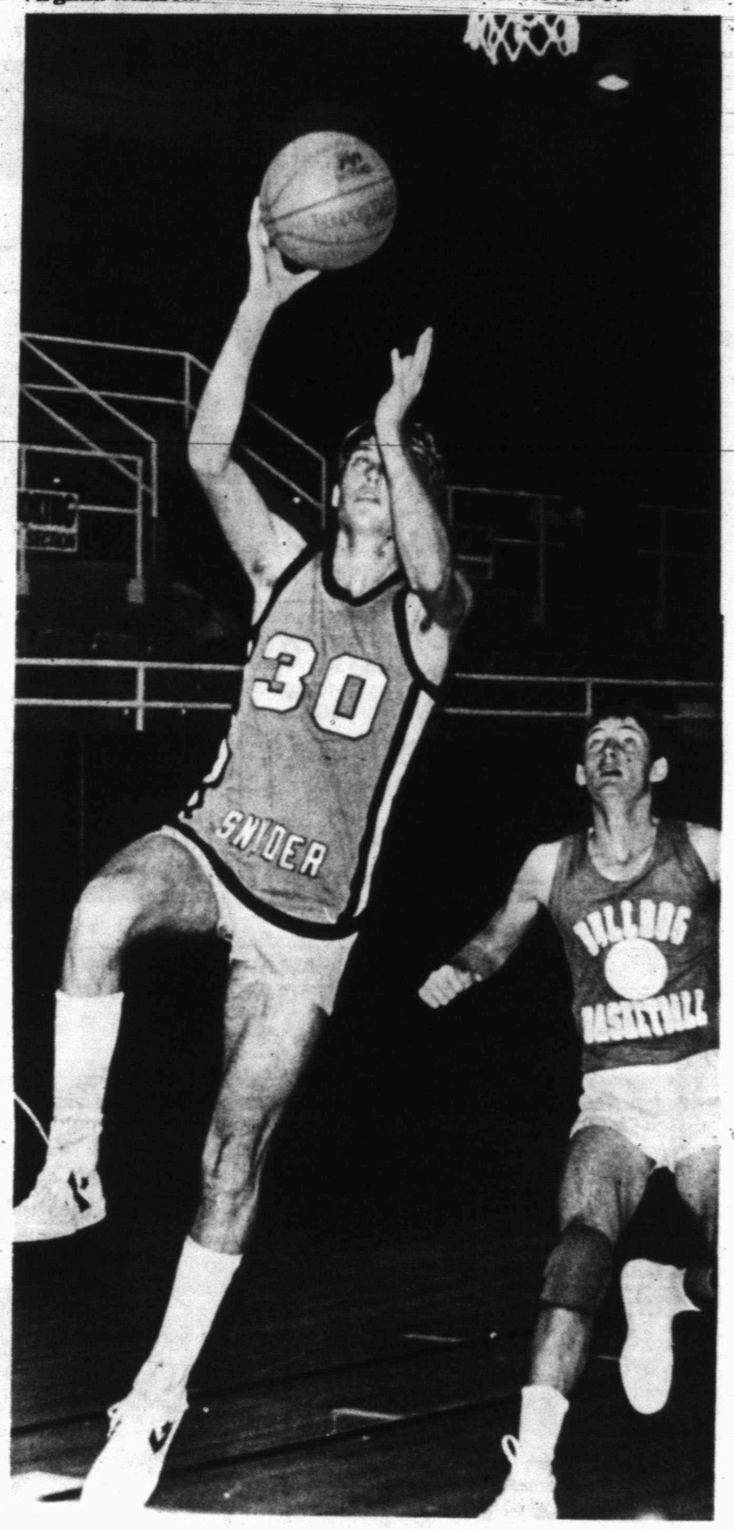
Snyder had only one post player available - Don Osborn - and Scott used Jackie Anderson and Wade Forga in relief. "That affected us some. We're still not running our defense like we want to. We're still having trouble on timing in our press offense. But we did better the longer it went," said Scott, who noted that Tiger fans will see a different type of ballclub this seson.

"We're going to play more pressure defense this year. We want to force the offense outside and we did a pretty job of that. We made some good steals. We're going to try to have a controlled fast break, fill the lanes, get the ball in the middle. The past three years since I've been here, and before that, Snyder always pretty well walked the ball down the floor. It's going to take some time get everything going like we want to. But I think we'll be able to do it," he said.

Snyder also worked against Coahoma's junior varsity.

"We worked some freshmen and sophomores against their sophomores and mostly juniors and did pretty good job considering they were lot more experienced than us. They pressed us and we hadn't worked with that. I was pleased with the effort," he said.

Scott expects to have a clearer picture of what players will be on the varsity Saturday morning. The Tigers' first game will be held at 8 Monday in the coliseum. JV and sophomore games are also scheduled at 6:15 and 4:30 - all against Lubbock High.



UP FOR TWO -- Don Osborn puts in two points on the fastbreak as Snyder scrimmaged Coahoma here Thursday. The Tigers open the 1984-85 cage season Monday by hosting Lubbock High in the coliseum. See related article, this page. (SDN Staff Photo)

Longhorns favored by two over Cotton-hopeful Frogs

by The Associated Press

The Southwest Conference leading Texas Christian Horned Frogs put their Cotton Bowl dreams on the line Saturday against the suddenly human Texas Longhorns before what is expected to be the largest crowd in Amon Carter Stadium history.

Oddsmakers installed the Longhorns as two-point favorites in the 2:50 p.m. regionally televised (ABC) "Showdown in Cowtown" which is expected to draw more than 47,000 fans.

Seating capacity is 46,000 but 1,200 box seats at field level have been sold, too, meaning the crowd should reach at least 47,200.

In 1957, Texas A&M edged the Horned Frogs 7-0 before the biggest home crowd in TCU history - 47,000 fans.

TCU hasn't beaten Texas in 16 years and the Longhorns haven't fallen in Fort Worth since 1958.

TCU hasn't been to the Cotton Bowl since 1959 and could all but hop into the January Classic's host role by defeating the Longhorns.

"It's the game of a lifetime," said TCU running back Kenneth Davis, who has had three games of over 200 yards rushing this season. "It's a game you dream about playing in."

Last year Texas fell behind 14-3 at halftime but rallied for a 20-14 victory. Davis got only 17 yards rushing on 7 tries.

TCU is 8-1 overall and the most improved Division One NCAA team, coming off a 1-8-2 record in Jim Wacker's first seaon as coach.

The No. 12 rated Horned Frogs have a 5-1 record to 4-1 for the No. 10 ranked Longhorns, who are 6-1-1.

Southern Methodist, Arkansas, and Houston all have two losses.

If TCU beats Texas, then the Horned Frogs would be Cotton Bowl bound unless a bizarre set of circumstances occur.

TCU would have to lose to Texas A&M, SMU would have to win all of its remaining games, and Arkansas, Houston and Texas would have to lose another game.

If there is a multiple tie, TCU would go to the Cotton Bowl on the most recent appearance rule. Only a tie with SMU would kill the Frogs, who lost to the Mustangs in September.

In other games Saturday, Arkansas was a 10-point pick over Texas A&M in an 11:30 a.m. regionally televised game from Little Rock; Baylor was a 15-point choice over Rice in Houston; and SMU was a 6-point favorite over Texas Tech in Lubbock.

"We gave Houston an early Christmas present with all those turnovers and now we catch TCU riding high," said Texas Coach Fred Akers. "They have tremendous speed and great balance."

Wacker said he doesn't feel like the Horned Frogs should be "under-Frogs" this year.

"I have to believe that it is anybody's game," Wacker said. "Hey, we have just as good a chance to win it as they do. It's going to be fun. It's a big, big showdown and all the chips are on the table."

TCU is already the highest-scoring team in Horned Frog history. The Frogs are second in the nation in rushing with 309.9 yards per game, third in total offense with 467.7 yards per game, and average 35.3 points per outing.

Western competes at Lubbock rodeo

LUBBOCK -- Western Texas College is competing in the Texas Tech University NIRA Rodeo here this weekend.

The single-go rodeo concludes Saturday.

Currently, WTC's Bliss Mayan is in first place in the saddle bronc with a 60. Tobin Tate also holds down first in the bull riding, with a 72.

In other results, Niki Moist is second in goat tying with an 11.1 and third in the barrels with a 14.82. She received a no-time in the breakaway roping event.

Chris Carpenter took a no-time in steer wrestling; John Beckmeyer a no-score in bareback; and Greg Rhodes a no-score in bull riding.

Competing tonight will be Judy Cox and Canita Cass, Tony Hecksher, Gary Rowe and Mayhan.

Grid playoffs remain mired in controversy

AUSTIN (AP) - A temporary injunction won by two Texas school districts won't affect any of this weekend's 4A football playoff games, an official says.

But a hearing scheduled for Monday could decide whether the high school football playoffs will drag on through Christmas or conclude Dec. 22 as originally scheduled, according to University Interscholastic League Director Bailey Marshall.

A Matagorda County judge - at the request of the Bay City and Brazosport independent school districts - issued a temporary restraining order Thursday that, until Monday's hearing, reinstates the old schedule.

The Austin Court of Appeals on Wednesday ordered a new schedule, accommodating an extra team in the playoffs, which would end on Dec. 29.

If a permanent injunction is issued next week, several schools will have to squeeze weekday games into their schedules to finish up the season by Dec. 22, Marshall said.

But that's better than a Dec. 29 championship game, Bay City coach Don Mills says, because about two-thirds of his school's basketball team - whose practices would overlap with the extended schedule - also are on the football team.

At the heart of the controversy is Austin Westlake senior quarterback Todd Maroney, who the UIL contends is ineligible, a ruling that would cause Westlake to forfeit its games and miss the playoffs.

However, a judge ruled earlier that Maroney, who recovered from a debilitating illness to lead Westlake to the playoffs, could play football while court battles raged over his eligibility.

New members named to council

Two new members were welcomed to the Senior Citizens Center Advisory Council Wednesday and outgoing members were awarded plaques in appreciation of their past service.

Outgoing members honored are the Rev. Ken Branam, John Gayle, past president, Bill Dryden and Ray Summers. New members of the group are Dolores Merritt and Margaret Johnston.

Gayle gave a brief report on the progress of the senior citizen housing project, Golden Terrace Village. Preliminary work is underway on the site at 37th Street and College Avenue and it is hoped that construction will be completed about April 15. Applications for the apartments will be accepted 60 to 90 days prior to completion.

Gloria Shaw, Senior Center director, said that 12 Emergency Response System units have been placed and are now in use. Additional units are available and persons interested in participating in the project are invited to contact Mrs. Shaw's office. Applicants must have a written statement from their family doctor stating they do have a health condition which would make the unit valuable.

ADVISORY COUNCIL--Outgoing members of the Senior Citizens Center Advisory Council were honored and incoming members welcomed at the council's monthly meeting Wednesday. Pictured above are Ray Summers, John Gayle, Bill Dryden, Dolores Merritt, Margaret Johnston and the Rev. Ken Branam. (Council Photo)

Belachheb gets six life sentences

DALLAS (AP) — A chapter in the violent odyssey of Abdelkrim Belachheb, who shot six people to death in a swank Dallas nightclub, has ended with a maximum sentence of six consecutive life terms.

Jurors Thursday also sentenced Belachheb to 20 years in prison for attempted murder and assessed fines of $70,000 — $10,000 on each of seven charges stemming from the worst multiple slaying in Dallas history.

The panel rejected the insanity plea of the man prosecutors called "the epitome of cunning, conniving, vile, vicious, self-centered, cold-blooded humanity."

They deliberated just over six hours before convicting him of gunning down seven bar patrons, one of whom survived, after a woman spurned his advances at the club last summer. Punishment deliberations took another hour, and the Moroccan native was swiftly sent to the Texas Department of Corrections.

Reaction to the verdict was swift and intense.

The widow and sister of two of the murder victims wept in each other's arms in the hallway outside the packed courtroom.

"It's like a chapter being closed," cried B.J. Minasi, whose husband, Joseph, was murdered. "Now maybe I can pick up and start again."

Forrest Gassett, whose sister-in-law, Marcell Ford, 34, was the first to die, stubbed out a cigarette with trembling hands as his wife sobbed.

"I hate him," the burly, bearded Gassett said. "Isn't that something? To hate someone you don't even know?"

In 1934, the Mutual Broadcasting System began as a cooperative made up of four radio stations: WOR New York; WGN Chicago; WLW Cincinnati, and WXYZ Detroit.

Cotton

NEW YORK (AP) — Cotton futures No. 2 were higher at midday dealings today.

The average price for strict low middling 1 & 1-16 inch spot cotton advanced 11 points to 59.69 cents a pound Thursday for the eight markets, according to the New York Cotton Exchange.

Midday prices were $1.45 to $2.45 a bale higher than the previous close. Dec 64.60, Mar 66.43, May 67.86, Jul 69.24, Oct 69.00, Dec 69.20 and Mar. b70.10, May b70.00.

Fire intentional with local drill

Snyder firemen answered two fire calls Thursday, one a blaze set intentionally by fire officials as an unannounced drill for local firefighters.

The first call — a bonafide reported fire — came from the Faustino Castillo residence at 2109 24th St. at 4:54 p.m.

Arriving firemen discovered only smoke from food left too long on the stove, however.

City firemen were next summoned to a major structure fire in the county, east of Western Texas College and north of Farm Road 1605.

This blaze was intentionally set by fire officials as a drill shortly after 7:30 p.m.

The structure used was an abandoned house on land owned by Roger Mize of Snyder and scheduled to be bulldozed.

British spy John Andre was hanged in Tappan, N.Y., in 1780.

Obituaries

Terry Clark

Services for Terry Nolan Clark, 31, of Dallas, former Snyder resident, will be at 3 p.m. Saturday at First Baptist Church chapel with the Rev. Jimmy Nelson of Burleson, officiating, assisted by the Rev. Miller Robinson, pastor of Colonial Hill Baptist Church, and the Rev. Randall Morton of Big Spring. Burial will be at Hillside Memorial Gardens under direction of Bell-Seale Funeral Home.

He died Wednesday at his home in Dallas. He was born July 15, 1953 in Big Spring. He was a Baptist and had worked as a jeweler at the time of his death.

He is survived by a son, Nicholas Nolan Clark of Snyder; his parents, Mr. and Mrs. Lindy Clark of Dallas; two sisters, Teresa McKee of Snyder and Denise Clark of Dallas; a brother, Stanley Clark of Lubbock.

Friends are contributing to the Nicholas Clark Scholarship Fund at West Texas State Bank.

Mary Wills

Services for Mary Colon Wills, 84, of Fluvanna are set for 3 p.m. Saturday at Fluvanna United Methodist Church with the Rev. Hal Wadkins of Midland officiating. Burial will be in Fluvanna Cemetery under direction of Bell-Seale Funeral Home.

She died at 6:38 p.m. Thursday at Cogdell Memorial Hospital. She was born Sept. 18, 1900 in Bell County, Tex.

She was a housewife and married Virge Wills Jan. 8, 1937 in Snyder. He survives.

She was preceded in death by a daughter, Rosemary, in 1969.

She is also survived by two sisters, Mildred Mathis of Fluvanna and Aline Ross of Lubbock; a brother, Cecil Boren of Snyder.

Mrs. Springer

OAK PARK, Mich.–Services are pending for Elizabeth Springer, a former Snyder resident, who died here Friday morning.

Mrs. Springer was the mother-in-law and mother of Mr. and Mrs. Charlie Garner. Garner is a former minister of the 37th Street Church of Christ. Mrs. Springer is survived by two other daughters.

Lonnie Knutson

BRECKENRIDGE--Services for Lonnie L. Knutson, 63, of Breckenridge will be at 1 p.m. Saturday at Morehart Mortuary in Breckenridge. Burial will be in 3:30 p.m. at Memory Gardens Cemetery.

He died Thursday morning at Hendrick Medical Center. He was a former Snyder resident and the brother of Jessie Etheredge of Snyder.

He was born June 1, 1921 in Richland Springs.

He is survived by his wife, Wilma Faye; a daughter, Linda D. Huff of Colleyville; two sons; Danny D. of Mineral Wells and Larry L. of Breckenridge; his parents, Mr. and Mrs. L. E. Knutson of Placid; three other sisters; five brothers; 10 grandchildren; numerous nieces and nephews.

Family requests that memorials be made to the American Cancer Society or Shriner's Children Hospital Burn Center.

Stockman outlines 1985 budget option

WASHINGTON (AP) — Budget director David Stockman is giving President Reagan a set of hard options for cutting looming federal deficits amidst administration pessimism about balanced budgets before the 1990s.

Ed Dale, spokesman for the Office of Management and Budget, said that during a 2½-hour Cabinet meeting Thursday afternoon, Stockman outlined three or four different ways in which the deficit might be cut.

Stockman's goal was to let Reagan and his Cabinet officers know "the kind of pain that would be involved in the various ways of reaching a much lower deficit," Dale said.

Neither White House spokesman Larry Speakes nor Dale would give specific details about the Stockman options.

But Dale said one option would be based on cutting the deficit without cutting defense spending or Social Security while another might involve cutting the deficit by lowering Pentagon outlays.

Dale said he did not know whether one of the illustrative options involved Social Security cuts, a path Reagan has pledged not to follow.

Speakes said the budget talks included various proposals aimed at bringing the federal budget into near balance but not until "the early 1990's."

Dale said in an interview that while there was talk among various Cabinet members about a freeze on spending or a requirement for across-the-board spending cuts, he did not believe those approaches would win out.

Some Cabinet members were intrigued by the idea of a spending freeze, but Dale said that would be hard to implement because there are items such as defense spending that will go up next year based on already-projected spending.

He said Social Security cost-of-living increases also are a form of a built-in spending increase.

'Sew-in' is scheduled at museum

The Scurry County Museum has planned a "sew in" on Monday for women and men who would like to make ornaments for the museum's Friendship Ornament Tree.

The tree will feature handmade ornaments in keeping with the current exhibit, "Handwork: Women's Folk Testiles," on loan from Women & Their Work, Inc. in Austin. Work by several community residents is, included in the display.

The museum will furnish some materials for making the decorations, Shirley Leftwich, interim museum director, said. It would be appreciated if people with special items in mind would provide their own materials. These would include crocheted decorations, for example, since the museum does not have the crochet thread or needles.

There will be three additional sessions, one on Nov. 26, one on Nov. 28 and one on Nov. 30. Each session will start at 1 p.m.

Additional information about the Friendship Tree and the work sessions can be obtained by calling the museum office at 573-6107. The museum is located on the south side of the Western Texas College campus and visitors can park in the West Parking Lot adjacent to the building.

Four arrests here

Police logged four misdemeanor arrests Thursday.

Two subjects were jailed for public intoxication Thursday night while one was arrested on warrants issued for unpaid fines for public intoxication.

The fourth misdemeanor suspect was jailed on warrants issued by the Department of Public Safety for unpaid traffic tickets.

Company reunion planned Saturday

sion of which Company G was a part suffered 27,000 combat casualties, the third highest of any W.W. II division.

During the Centennial ceremonies here last summer, it was noted that a German general singled out the 36th Division as the hardest fighting combat division he faced during the war.

They were the first American troops to invade Italy at Salerno on Sept. 9, 1943. After this, they participated in six European campaigns.

In Italy, these included Salerno, Foggie, Rome and Anzio. They fought also in Southern France at Ardennes and Alsace, in Central Europe and at Rhineland in Germany.

The division was awarded 15 Congressional Medals of Honor, 2,354 Silver Stars, 80 Distinguished Service Crosses, 5,407 Bronze Stars, 88 Air Medals and 12 Unit Citations.

Noah Project opens doors here

Continued From Page 1

Child Welfare Board.

Scalf credits Randy Davis, chairman of the Child Welfare Board, with founding the Community Clothing Room. All donations will be appreciated, she said.

While not yet in operation, plans are to open it two afternoons a week. Scalf said that even though it will be located at the shelter, it will be separate from the Noah Project and will have it's own outside entrance.

Scalf added that trustys at the county jail have been helpful in getting the shelter ready for operation. Work done includes yard work, electrical wiring, plumbing, new gas lines, painting and installing sheetrock. Sheriff Keith Collier, chairman of the Noah Project Advisory Committee, supervised.

The Noah shelter is open to anyone in Scurry County who is the victim of spousal abuse. People may live at the shelter for a few weeks or simply use the outreach services offered, Scalf said. Counseling is also available for both husbands and wives she added.

Noah Project will also refer people to other agencies in the city and county which may be able to help them. Scalf said they plan to send out letters to the area churches and clubs to inform the public that the shelter is now open.

Twenty people have volunteered to work at the shelter. All volunteers have to undergo several hours of training before assuming their duties.

The shelter is still in need of many items, she noted, in particular donations of food items. Scalf said it will be many months before they become eligible for government food commodities since the shelter has to house five people a day for six months in order to qualify for assistance.

She provided a list of items needed. These include beds–preferably twin size–dressers and a freezer. Smaller items include outdoor flood lights, blankets, bedspreads, sheets, plastic mattress protectors (twin and full size), towels, wash cloths, kitchen curtains, curtain rods, a toaster, alarm clocks, children's school supplies, first aid supplies, all personal items, diapers (all sizes), light bulbs, detergent, bleach, paper towels and child car seats.
