Texas Electric Tradition Means Savings In Dollars

Planning for the future is a tradition among Texas Electric employees - a tradition that continues to mean multi-million-dollar savings to its customers, TESCO President Bill Marquardt said here Tuesday.

This planning has brought about savings despite the many factors that are causing the price of electricity to increase, he said at the company's annual Quarter Century Club banquet honoring 25-year TESCO employees.

The banquet Tuesday night at Colorado City Civic Center was in honor of Sweetwater area members of the Quarter Century Club.

"Inflation, higher operating and construction costs, costly federal regulations and rising fuel costs - all these things have increased what it

Set-Up Planned Monday

Monday is scheduled as set-up day for Mitchell County Fair beginning at 8:30 a.m. at the County Barn. Fair days begin Thursday and end Saturday.

Monday, Oct. 6, following the fair will be clean-up day. The public is asked to participate in both set-up and clean-up activities.

Entries will be accepted beginning 7:30 a.m. and continue until noon Thursday. Fees will not

See FAIR Page 7

costs us to provide good service to our customers," Marquardt said.

TESCO can't do much, he said, about inflation and the wastefulness of the federal bureaucracy, both of which have raised the company's operating and construction costs.

"We at TESCO, like all citizens, can only work through the political process to try to change the government policies that created these problems," he said.

But, Marquardt said, the company has been able to do something to

lessen the effect of rising fuel costs on customers' bills.

"Our low-cost natural gas contracts and our lignite coal have saved our customers more than \$1 billion so far," he said. "And our use of these two fuels is no accident. Long-range

planning by dedicated employees 10, 20, and 30 years ago made this happen."

Marquardt noted the company's Old Ocean natural gas contract, which was signed 20 years ago, will expire the end of this year.

Mitchell Tax District Appoints Review Board

A three man board of review was appointed by the Mitchell County Tax Appraisal District during their meeting Thursday evening.

Review board members were selected by secret ballot by the seven person district board.

All candidates had previously been contacted by individual members to determine their willingness to serve on the review board.

Six nominees were suggested and the three persons receiving the most votes were appointed.

Bobby Lemons, Jinks Powell and Ray Preston will serve as review board members serving staggered terms of office for a period of one or two years.

Compensation for those duties is budgeted at \$3,000 a year for three persons. An estimated 10 days annually will be spent by the board reviewing assessments.

A drawing will be held to determine the length of office for each ap-

pointee. At the end of their respective terms of office, they may be reappointed or replaced at the discretion of the board.

The duties of the review board, under the new state law, is to serve as a board of equalization for the taxing entities.

Under the new law, all property within the county will be re-evaluated at 100 percent of market value, effective Jan. 1, 1981. Rates will then be automatically revised downward to reflect the increased value.

In other action, the district board elected to house their temporary office in the Administration Building.

Southwestern Appraisal Company will move nine persons into the office beginning Oct. 1 and a computer will be installed for their use.

A clerk will be hired by the district board to function as secretary and learn to use the computer.

A salary of \$625 per month has been budgeted for the secretary.

Permanent offices will be established at a later date.

The district board voted to join the Retirement System for District and County Employees. This will mean district employees will contribute seven and one-half percent of their monthly earnings toward a retirement fund, with the district contributing an equal amount.

The employee must remain under employment by the district for a period of 12 years before becoming eligible for retirement.

If the employee terminates prior to that time, the money paid by the employee and the money contributed by the district remains in the fund.

Fire Damages Attic At Whiteway Motel

There was "lots of smoke but not much fire" when Colorado City Volunteer Firemen arrived at the Whiteway Motel Thursday evening, Fireman Jack Green reported.

The call came into the station that the motel was on fire about 10:05 p.m.

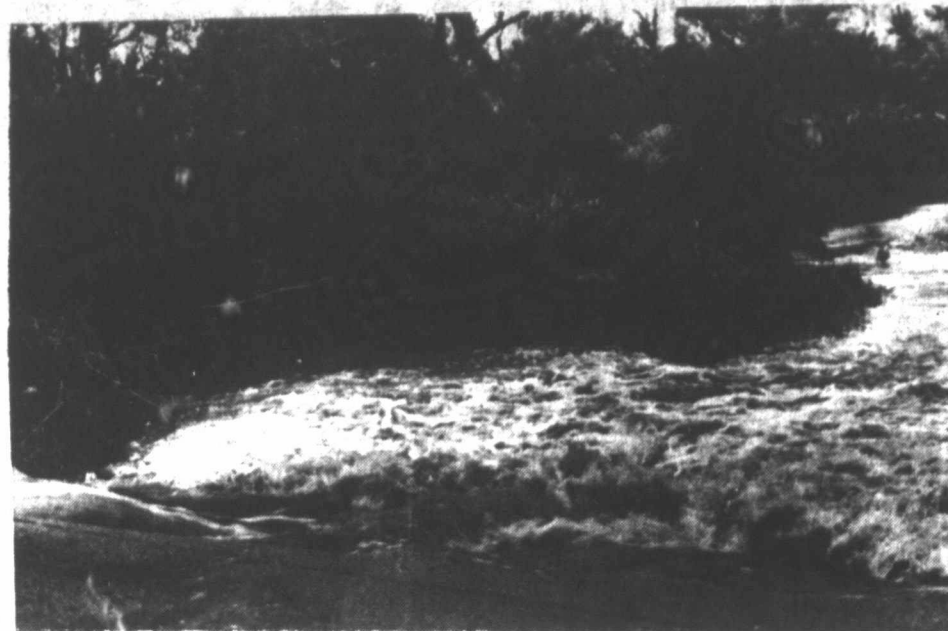

Firemen arrived to find smoke billowing from

all vents, air conditioners and the roof.

Four firemen climbed to the roof of the building to attempt to locate the hot spots.

They discovered the entire connecting attic had burned on a thin layer of shingles remained.

They knocked a hole in the roof to locate the blaze and found that the

NORTH CHAMPION CREEK, between Loraine and Champion Lake, threatens to swell over the low water crossing Friday as gentle rains continue across the county for the fifth straight day.

Lake Champion Swells As Rainfall Continues

If you don't like the weather in Texas, wait a while and it will change.

This often used phrase has proven true again for water-logged Texans who, only a few days ago, were suffering from a severe drought syndrome.

Drought conditions were first broken Sept. 9 when the skies clouded and then dumped more than 19 feet of water into Lake Champion.

Since that time, rains have swollen the lake level still further.

Champion stood at 2,057.85 after the Sept. 9 rains. On Sept. 22 the level had dropped to

2,057.35, then, rains brought the lake to 2,060.15. By Friday, the lake had risen 21.55 feet.

Lake Colorado City has not had the run-off that Champion has caught.

Lake Colorado City stood at 2,058.40 feet above sea level Friday

at 8 a.m., just less than a foot deeper than when the rains began Sept. 9.

However, Morgan Creek, which runs into Lake Colorado City, was reported running 3.4 feet above normal late Friday afternoon.

This September's rain - See LAKE Page 7

Burglars, Vandals Plague Policemen

Vandals hit the high school parking lot again Tuesday when a tire on a 1980 Plymouth Arrow Pickup was slashed causing an estimated \$100 damage.

Paul Woods had driven the pickup, belonging to Billy Joe Woods, to the high school where he had parked it while attending band practice.

He discovered the cut

tire at about 10 p.m., when leaving the band hall.

Assistant Chief of Police Jimmy Roundtree is investigating the incident.

A Sweetwater man was arrested before Justice of the Peace Henry Doss Monday after being arrested for investigation of possession of stolen property - See CUT Page 9

JOHN TOM MERRITT puts the final touches on the front of the Colorado City Museum as he completes renovation work on the building, located on the corner of Third and Oak Streets.

Greenblatt Thanks Helpful Citizens

After officially resigning Tuesday as Colorado City Area Chamber Manager and Executive Vice President at the request of the Board of Directors, Starr Greenblatt had the following statement to make.

"I would like to take this opportunity to thank each and every person who has worked for and supported the Colorado City Area Chamber of Commerce for the past eight months.

"Contrary to the belief of some members, the chamber has been extremely active during that time.

"The rodeo, Fly-in, Fiesta Day, merchants' packets, Youth Play-day, new teachers' luncheon and other successful events and activities are proof that your chamber has been working.

"These events could

not have taken place, much less have been

See LESS Page 7

Ladies' Night Is Tuesday

The annual Ladies' Night by Kiwanis Club is to be held Tuesday, beginning at 7:30 P.M. in the Civic Center.

Officers of the Kiwanis Club will be installed during the event.

Robert Hoback will be installed as president for the coming year by Texas-Oklahoma Division 22 Lt. Governor Boy McCloskey.

Charlie Uleton will take the position of vice president and David Marion will become the second vice president.

Secretary will be Eddie Gibson and Tommy Lovell will be treasurer.

TWO NEW DOCTORS IN TOWN were honored with a ribbon cutting hosted by the Colorado City Area Chamber of Commerce Ambassadors Friday. Pictured left to right are (front row) Ambassador Bob Ratliff; Leslie Perkins; Mrs. Lindsey; Ambassadors Nina Crout and Carol Perkin; nurse Zona Pritchett; Dr. George Lindsey and Ambassador Carolyn Smith; (back row) Ambassadors Monte Jones; Charles Godwin; Mildred Free, Brad Rose; Vicki Weaver; Ray Anne Carlock and Shirley Delaney. Not pictured are Dr. and Mrs. Bill Jones, their family and staff.

Final Date For Voter Registration Is Near

Citizens who are unregistered have one week remaining in which to go to the county tax assessor-collector's office in the county courthouse and sign-up in order to vote in the Presidential Election Nov. 4.

Oct. 5 is the final date on which a person wishing to cast a ballot on Nov. 4 may register.

The tax office will be closed all day Saturday and Sunday but Tax Collector C. C. (Mike) Burt noted he will come to the office to allow persons to register if

they will contact him at home.

At the last official count on June 7, 1980, there are 4,154 persons registered in Mitchell County.

The only requirements to register are to live in the county and be 18 years-of-age or older.

Information on the registration includes name, social security number, address and other statistics.

This information will be computerized and if any person is registered in another county, the

computer will indicate this and the person will be placed on a strike list in one of the counties.

The registration form may be picked-up and returned in person or by mail or may be completed in the office. All registration forms must be completed and returned prior to Oct. 6.

The November ballot will include presidential and vice presidential selections for four parties including: Republicans Ronald Reagan and George Bush; Democrats Jimmy Carter and Wal-

See VOTE Page 6

In my last column I commented on two of the nine constitutional amendments which will appear on the November ballot.

In this column I would like to continue a brief explanation of two more of the proposed amendments.

Amendment number three on the ballot concerns equalization of property values for tax purposes.

This amendment eliminates the requirement that the county commissioners court sit as a board of equalization.

It also requires the legislature to enact a law providing a single entity in each county to appraise property for the taxing purpose of the county and of all cities, school districts and special districts (hospital) within the county.

Currently properties here are appraised in as many as four separate offices. When a property is appraised more than once, the owner, if he wants to challenge the values given his property, has to appear before a different board of equalization for each appraisal.

In 1979 the legislature enacted a new Property Tax code to take effect in 1982 and eliminate most of the duplication of appraisals. It establishes an appraisal district for each county.

A Single board will hear taxpayers challenges to the appraisals.

Counties are not required to participate. They are authorized to participate voluntarily and 215 of the 254 counties have volunteered.

Mitchell County has already joined the tax district. The proposed amendment requires the legislature to either eliminate the county exemption or to choose some other entity to make appraisals for all political subdivisions including the counties.

Arguments for the amendment state that separate appraisal offices and separate boards of equalization for different entities waste tax dollars.

Adoption of this constitutional amendment allows the legislature to complete the job it has begun of eliminating wasteful duplication.

Since most counties have already joined the appraisal districts, this amendment would make little change.

Arguments against the amendment state that the state should not compel those communities that have

See COLUMN Page 9

Allison Begins Duties

Colorado City Police Chief Robert Bailey announced the addition of a new officer to the force Friday.

J. R. (Ronnie) Allison, 25, formerly of Cleburne began duties with the department this week.

Allison previously worked under Chief Bailey in Clifton for a period of one year.

Prior to that, Allison served as deputy for the Bosque County Sheriff's Office for about one year.

While residing in Cle-

Champion Cowboys To Perform

The top three 1980 steer ropers, including World Champion Guy Allen of Santa Anna, will be among the 37 steer ropers who will compete in Post Sunday, Oct. 5, in the 10th Annual OS Ranch Steer Roping.

Team roping is scheduled for all day Friday on the Basinger Ranch in Post with the Saturday schedule including girls' barrel racing, an invitational calf roping, a NCHA championship cutting horse contest and a dance in the community center. Providing the music for the dance will be Red Steagall and the Coleman County Cowboys.

The new OS events are a fiddlers' contest on Saturday morning and a colt sale Monday morning.

The "OS Weekend" annually raises between \$40,000 and \$50,000 for the operation of the West Texas Boys Ranch near San Angelo.

Shawn Sets Tradition

By Lulu Turner

It has become a tradition for the senior girls at the First Baptist Church in Colorado City to have Mrs. Betty Shawn to make garters for the girls getting married from her class.

Mrs. Shawn has been the senior girls' teacher at First Baptist for 19 years and she made her first garter in 1962 as a favor for a girl in her class.

She said she has made 135 homemade garters and that she has tried to give them a personal unique touch to fit each girl. She noted her 100th garter made was for Jean Ann Gray.

When asked about herself she replied, "I am a very happy wife, mother and homemaker and I have enjoyed the hobby of making garters for these girls."

She is the wife of Wayne Shawn, senior vice president at the City National Bank and the mother of three sons, Steve, Stan and Tracy. Steve is employed with Southwestern Bell Telephone in Lubbock, Stan is a pharmacist at Eddie's of Colorado City and Tracy is a student at Tarleton State University. She added that she also has a beautiful daughter-in-law, Margie, who is employed with the West Texas Council of Governments.

Besides teaching at First Baptist she is involved as the director of

BYW (Baptist Young Women), active in the deacons wife's organization and a choir member. She said she is presently chairman of the pictorial director and is on the committee to redecorate the church parlor.

Mrs. Shawn said some of her hobbies included sewing, painting, reading, gold leafing, furniture refinishing and cooking. She added that she made a few of her gifts and says she enjoys being creative. Several boutiques have

tried to get her to make garters to sell but Mrs. Shawn says she has only sold one because this was her special gift to the girls.

In conclusion she said, "I'd like to think I've had a direct Christian influence on these girls and they might not remember anything I've said in my teachings but they will remember me and the Christian values I stood for and tried to teach them. They have all been very special to me and I treasure the memory of each one."

Mrs. Betty Shawn

Clinic Set At Fair

The Texas Department of Health will have a Multiphasic Screening Booth at the fair on Oct. 2 and 3.

The tests included are diabetes, anemia, blood pressure and weight. Penny Elizondo and Nelma Ritchey are the two R.N.'s working in the screening booth. Mrs. Elizondo stated that any abnormalities found will be referred to your family physician.

Also on Monday, the Health Department will be showing a film at the Wallace Center entitled,

"The Cancer No One Talks About".

The film will also be presented Tuesday from 1 p.m. until 2 p.m.

All interested persons may phone the Texas Department of Health office at the Wallace Center at 728-5796.

Meeting Set Tuesday

The Westbrook Golden Age Club has changed their meeting date from Oct. 7 to this Tuesday night.

RELIGION & POLITICS?

Rev. Bob Grayson Pastor Calvary Baptist Church

An interesting question was asked during last Sunday night's debate. The question dealt with whether it was proper for a pastor or church leader to try to influence how the people voted. The issue in mind was advice given by a Cardinal concerning candidates and their views on abortion.

The question went on to ask how one's religion should affect one's political decisions.

I think that it is good to be reminded that this nation was founded on Biblical principles. Our constitution and laws as well as the laws of Europe were based on God's law as contained in the Bible. If you saw the TV movie, "Shogun", you could see that Japan's laws were based on different standards than ours. To them suicide is a virtue and required on a number of occasions.

Without God's Word to guide us we will lack the wisdom to know right from wrong and our values and decisions will reflect our confusion and errors. This is the present state of our nation because humanism has replaced God's Word as the authority for money.

A number of years ago abortion was unthinkable to almost all Americans. The Hippocratic Oath said that life was to be respected from conception. But today many Americans accept abortion as "ok" and some medical schools are rejecting the Hippocratic Oath.

Tomorrow we will be encouraged to accept euthanasia. Some feel the time is coming when for the good of the nation a person should not be allowed to live beyond a certain age. These possibilities are no more shocking today than our present day abortion views were twenty-five years ago.

The point is that if church leaders don't speak out and men don't make their political decisions according to the values of God's Word then we will continue toward a "brave new world."

As long as the government has laws against stealing, killing, perjury, prostitution, and assault, then they are in the business of dictating morals. The Libertarian party would like to see a lot of changes in our laws concerning prostitution, sodomy, illegal drugs, and gambling. These so called "Victimless crimes" would be legalized for those who want to participate. They call this increased liberty and reduced governmental interference.

The Romans and the Japanese have believed that a father was responsible for his family and he had the right to life or death over each member. Our society denies father this "freedom" and "right" because it is unbiblical. But without the Bible anything can become acceptable.

I hope you see that things can get very complicated and confusing if you don't have a standard of truth by which to make decisions and value judgments. But we don't have to be confused on issues where God's Word does speak. The need is to be familiar with God's Word and to speak out in favor of it at the polls and in the election process.

Righteousness exalteth a nation but sin is a reproach to any people.

Disaster Loans Available To Farmers And Ranchers

The Small Business Administration farm disaster department is currently making disaster loans to those farmers and ranchers who suffered a loss because of recent drought and natural disaster.

Two hundred and 47 out of 254 Texas counties have been declared eligible for emergency loans to farmers and ranchers by the disaster declaration declared by the Small Business Administration at the request of the Governor.

To be eligible for these loans, the producer must show that the farm operation suffered a loss and that the business has the ability to repay

the loan. These loans can be up to \$500,000 and more in some cases, at the rate of either 5 or 8 1/4 per cent, time span to pay will depend on the individual's ability to repay the loan.

Those farmers and ranchers who need applica-

tions and information about this program should contact the Small Business Administration Farm Disaster office located at 5555 N. Lamar J109, Austin, TX. 78751.

The toll free number to phone is 1-800-252-9726

Mrs. Earl Glenn Womack

...Former Miss Shelley Way

Couple Weds

Mr. and Mrs. M. R. Way of Caldwell and Mrs. Cecil Long of Lorraine have announced the marriage of their daughter, Shelley

Renea Way to Earl Glenn Womack, son of Mrs. Jeanette Porter of Pittsburg, TX., and Bill Womack of Odessa.

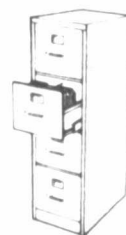

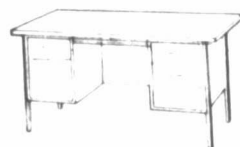

The couple exchanged their wedding vows Saturday in the Pine Baptist Church at 3 p.m. in Pittsburg.

After a honeymoon trip to the Grand Canyon they will reside in Pittsburg.

Rickman Receives Degree

Dee A. Rickman of Colorado City received his undergraduate degree in animal science at Texas A&M University's Summer commencement exercises.

Poetry Society Officers Are Elected For Incoming Year

Election of officers was the topic when the Colorado City Chapter of the Poetry Society of Texas met Thursday at 7 p.m. in the home of Mr. and Mrs. L. B. Elliott.

A letter was read to the group from Garnet Quitt of Snyder, chairman of the nominating committee which included a list of suggested officers for the coming year.

The officers were unanimously received by acclamation as follows: Elizabeth Elliott, president; Nadine Gordon, vice president; Frances Godwin, recording secretary; Lewis Elliott, treasurer and Elizabeth Gary, chaplain.

"How to Observe Poetry Day" was topic of discussion along with plans to be aired on the radio on Oct. 15.

Mrs. Godwin and Mrs. Elliott brought the program on "Free Verse", with examples from Walt Whitman, Psalms 70 and 90 and the Gettysburg Address given. Two readings from

poems were presented by Bertha Warren of Sweetwater and Mrs. Elliott.

Refreshments were served to those attending.

Booth At Fair Is The Topic At The C. City Club Meeting

The C. City Lake Club met in the home of

Lucille White Tuesday at 1:30 p.m. for their

monthly meeting.

Plans were discussed for work on the booth for the fair and items were brought to be sold in the booth.

Coffee, lemonade and cookies were served.

Members present were Marilyn Zimmerman, Lucille Driver, Billie Woods, Benita Smith, Bea Harlow, Esther Driver, Mary Dally, Bobbie Norman, Marie Harlow and the hostess.

Band Lessons Offered To Interested Persons

Anyone interested in taking private band lessons may contact Don Chandler or Bob Newman, band director at Colorado schools.

McMurtry upper classmen with music majors.

Classes will be Wednesdays from 6:30 p.m. until 10 p.m. and the cost is \$4 for a 30 minute lesson.

CLASS OFFICERS, REPRESENTATIVES AND SPONSORS are pictured above for the Colorado High School for the 1980-81 school year. Freshmen through seniors are represented here.

Garage Sale Set Thursday

Ann Gregory, director of the Mitchell County Day Care, has announced a special fund raising garage sale on Friday from 9 a.m. until 5 p.m. at the Center located at E. 10th Street.

Mrs. Gregory said the garage sale was to raise money to purchase children's chairs because there was no money in the budget to buy the chairs.

302 W. 2nd Colorado City 728-2441

Representative To Assist With Applications

The Social Security Office will have a representative at the Wallace Center Wednesday from 10 a.m. until 2 p.m.

He will assist with applications and answer social security related questions and will also help persons wishing to apply for benefits.

The representative meets at the Wallace Center every other Wednesday of the month.

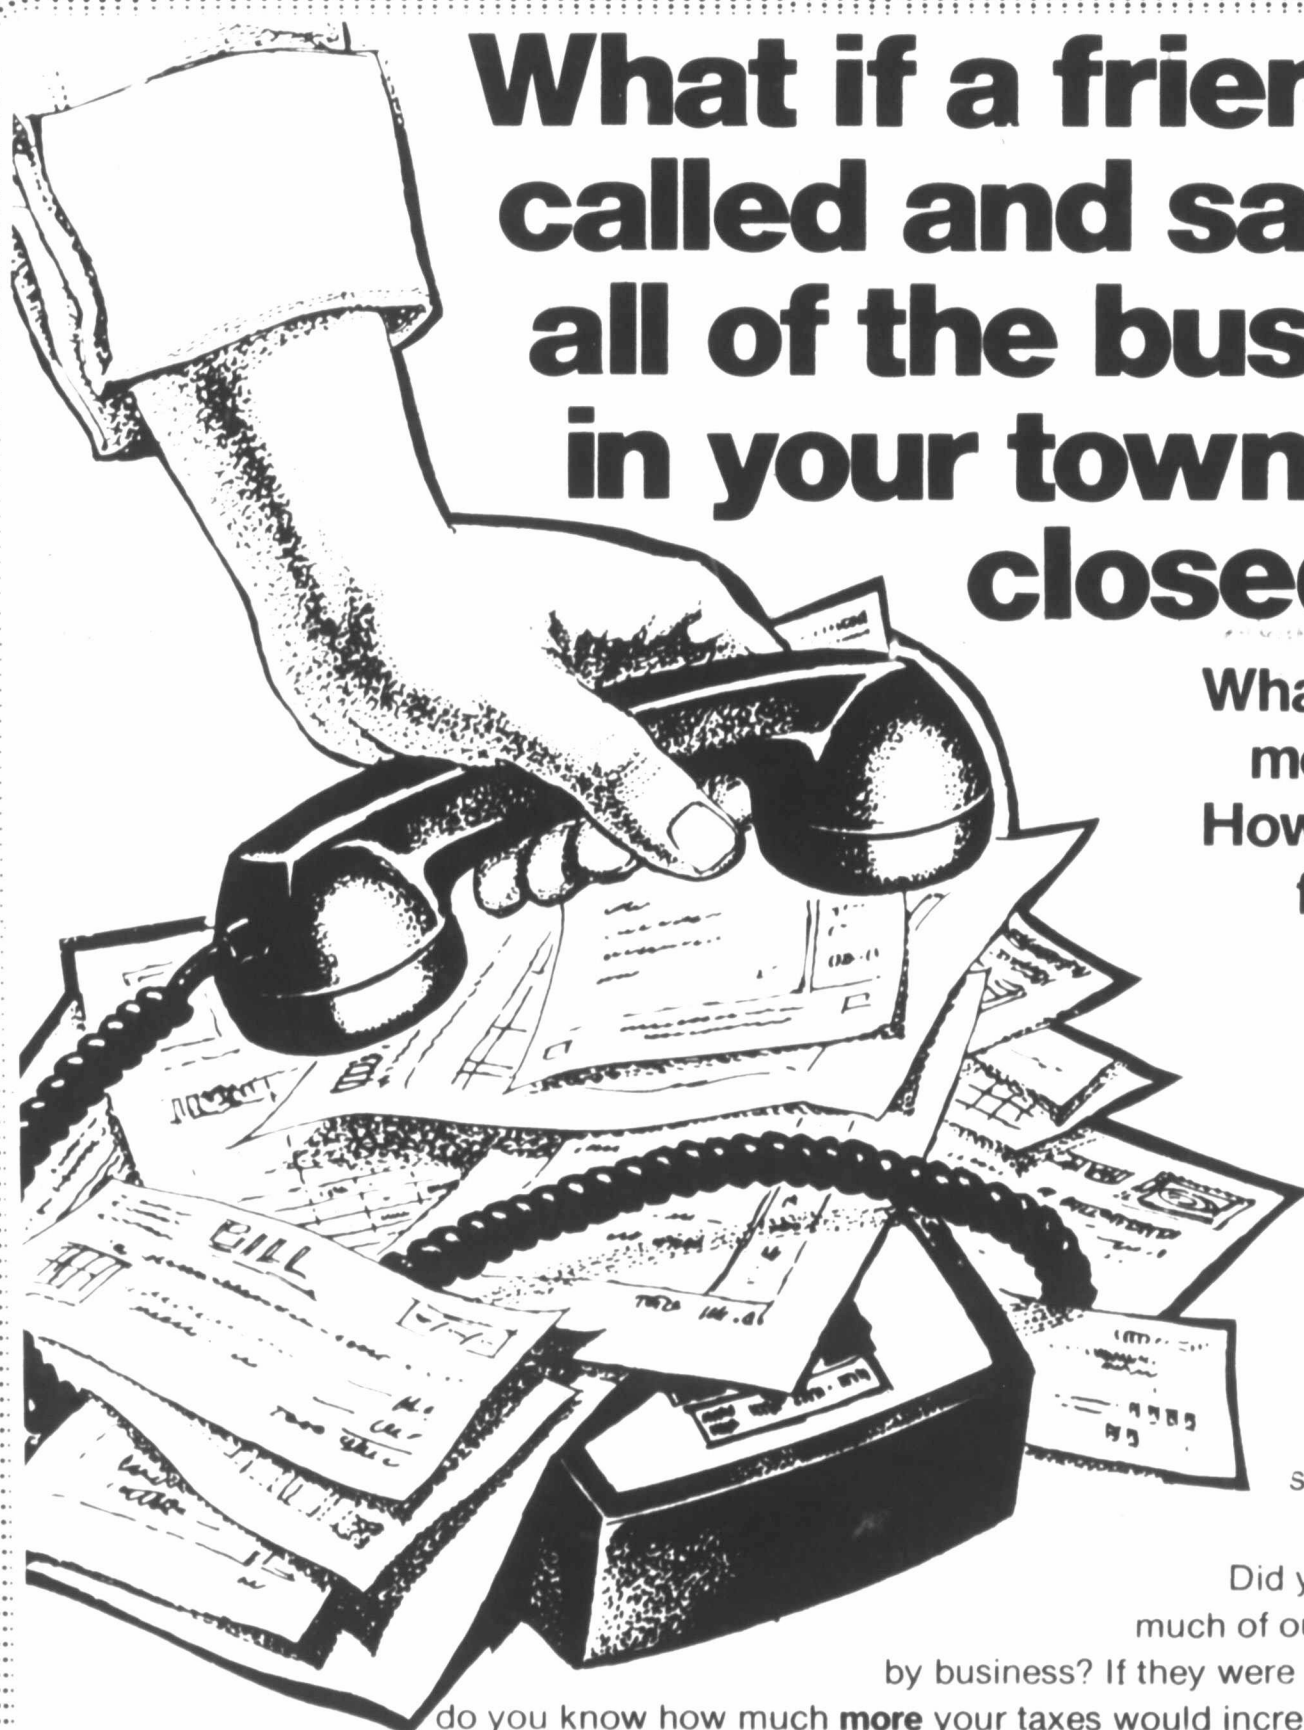

Gospel Singing Set Today

Memorial Baptist, located at the corner of Cedar and 11th Streets, will have Gospel singing today (Sunday) beginning at 2 p.m.

R. L. Solomon will lead the singing and he stated the public was invited to attend.

Senior Citizens

The Loraine Senior Citizens will tour the inside and outside of the Loraine Fire Department Monday at 11 a.m. Leading the tour is Betsy Hall, volunteer.

What if a friend called and said all of the businesses in your town closed up!

What would it mean to you?
How would you fare financially?

It could happen. In some towns it already has because the local people did most of their shopping out of town. We all know of communities with lots of empty stores...and empty stores mean less tax support...a lot less.

Did you ever think about how much of our community's taxes are paid by business? If they were no longer paying their share,

do you know how much more your taxes would increase to pay for essential local services? If they no longer made charitable donations to those groups to which you belong, how much more would you have to pay?

A healthy business community benefits everyone. Shop locally.

No need to roam...the best shopping's here at home!

***OCEAN, From Page 1**

When the contract expires, the amount of gas it supplied will have to be replaced with gas purchased at today's far higher prices, and the result will be higher bills to customers.

But, Marquardt said, "Because of Old Ocean, their bills have been substantially lower than they would have been. When that contract expires, it will have saved our customers more than \$700 million."

Even after Old Ocean expires, he added, customers' bills will not be as high as they would have been if it were not for another example of long-range planning: the acquisition of lignite coal reserves, beginning 30 years ago, and the construction during the late 1960s and the '70s of new power plants to use it.

Through the end of 1979, customers saved about \$250 million because the company was able to use cheaper lignite instead of natural gas to produce part of their electricity, Marquardt said, and those savings will continue through the life of the company's lignite-fueled power plants.

The Comanche Peak nuclear plant also "will provide a supply of electricity that people can count on," he said.

"The plant has been designed well. It's being built carefully, and it's going to be operated safely," he said. "And it will help hold down the price of electricity to our customers — just as lignite is doing today."

"Let's talk about the weather for a few minutes," Marquardt said. You know what Mark Twain said about the weather — everybody talks about it, but nobody does anything about it. Well, Mark Twain unfortunately never got to meet the folks here at Texas Electric.

"All of us and all the people who depend on us for electric service have endured a heat wave the likes of which we haven't seen before. In Fort Worth, the temperature hit or broke the 100 degree mark in 69 days. Our peak demand was 14.2 per cent higher than last year.

Former Resident Dies

Worth Gibson, 67, of Lamesa, a retired Dawson County employee and former Mitchell County resident, died Sunday morning in a Lamesa Hospital.

Services were Tuesday at 10 a.m. in the 14th Street Church of Christ in Lamesa, directed by Brandon Funeral Home. Burial was in the Dunn Cemetery.

He was born March 12, 1913 in Walker County, he moved to Mitchell County during the 1920's and lived here as a farmer for 25 years. He also lived in Scurry County. He married Marie Daughtrey in Lorraine on August 10, 1940.

He is survived by his wife; two daughters, Mrs. Gaylon Williams of Baird and Mrs. Kenneth Riddles of Lamesa; six brothers, J.D. of Colorado City, Horace of Bronte, Morris and Frank, both of Big Spring, Marlin of Ackery and C.T. of Houston; three sisters, Mrs. Coy Woodell of Lorraine, Mrs. R. V. Martin of Roscoe and Mrs. Smith Jones of Sweetwater and three grandchildren.

Nephews served as pallbearers.

"And we handled it. We did do something about the weather. We saw to it that the people who depend on us had the electricity they needed to keep their air conditioners running."

"You all know this wasn't any accident. It's because of the people who planned our system...the people who designed it and built it...and the people who operated and maintain it."

"Those people are you of course...every employee in this room. This summer put special challenges on almost every job in this company, and you answered those challenges."

"I want to tell you that our customers also know it wasn't any accident that they were able to endure this summer in relative comfort. I've

got a customer comment here I'd like to read. It states "I thank God for this good group of people that maintain our electricity. You all provide good service for us, and my family is so grateful for it." And that's not just one isolated customer comment. It's typical of many, many comments we've received."

"Our generating plants — and the people who keep them running — were called on this summer to meet the heaviest demand we've ever faced."

"I know I've said this before. But we simply cannot overstate the value of our gas plants. They proved that value day after sweltering day this summer. Because of them we not only carried our own load,

but we were still able to help some of our neighboring utilities."

New members of the Quarter Century Club include M. M. Orr and R. H. Scogin of Sweetwater and F. C. Bryant of Snyder.

***NEW, From Page 1**

burne, Allison worked as an electrician and currently holds an electrician's license.

Allison and his wife, Vickie have two children, Mike, 11 and Steve, 9, who are currently attending Hutchinson Elementary School. The family is temporarily living at the Whiteway Motel until they are able to locate a suitable home here. Allison and his family are Baptist and enjoy hunting and fishing in their spare time.

***TAX, From Page 1**

The district board voted to spend up to \$1,000 on a typewriter and office equipment to establish the temporary office.

Chief Appraiser Mike Burt reported that the district currently has about \$42,000 in the bank, with five entities having paid \$39,005 toward district support to date. He said that leaves three entities owing \$9,263.

*LAKE, From Page 1

nfall has been average when compared to that experienced over the past few years. September of 1974 saw 7.35 inches of rainfall; in September 1975, only 3.49 inches of moisture fell. September 1976 had 5.45 inches of rain to fall and in September 1977, no rain came.

In September 1978, 4.27 inches of rain fell and in September last year, no rain came. The total rainfall to date this year, measured at the Morgan Creek Power Plant, stands at 14.1 inches as of Thursday midnight.

"Again, thank you for your many kindnesses and for the support given to me and my family during our stay here. Starr Greenblatt."

The funds have been deposited to draw five and one-half per cent interest at this time, Burt said.

Fleta Lewis, district board member, said the

*FAIR, From Page 1

be charged for entries. The barn will be closed to public during judging hours on Thursday.

Judging hours will begin at 2 p.m. and continue until 6 p.m.

*FIRE, From Page 1

where the blaze began. Three fire trucks and 20 men attended the fire. About 350 feet of hose had to be laid to the nearest fire hydrant.

Because of the rain, the hose could not be rewound due to the possibility of mildew.

The barn will be open from 10 a.m. until 10 p.m., Friday and Saturday.

A carnival will be held in conjunction with the fair beginning Wednesday continuing through Saturday.

Firemen replaced the hose on the truck with another line and hung the 350 feet of wet hose on a line at the station to dry.

Firefighters worked until midnight as a result of the motel blaze.

Freshmen Defeat Big Spring 28-0

Wolves ninth grade football team won their game against Big Spring, 28-0.

Larry Hamilton made the first touchdown in the first quarter on a seven yard run. The second touchdown was made by Ben Gonzalez in the second quarter with a six yard run.

Larry Hamilton made the third touchdown late in the second quarter with another seven yard run.

The final touchdown was brought in by Manuel DeLorea in the fourth quarter on a four yard run.

Total rushing for Wolves freshman on the

night was 160. Larry Hamilton had 69 yards rushing, Manue. DeLorea with 58, Ben Gonzalez with 37 and Dennis Rivera with five.

Total passing yardage was 18 for the game. Jardy Powell passed two of three for 18. John Gilstrap caught one for 14 and Charles Iglehart caught one for four.

Total yardage for the Wolves in the game was 187.

Wolves ran 49 plays as compared to Big Spring's 27.

Freshmen Wolves are scheduled to play Coahoma at Lone Wolf Stadium 5 p.m., Thursday.

Eighth Grade Football Team Tied 0-0 Against Ballinger Bearcats Thursday Night

Wolves eighth grade football game with Ballinger ended in a tie 0-0.

Total yardage for the Wolves was 111, most of

which was passing.

Wolves were inside the Ballinger 10 yard line twice, but still no score prevailed.

"The game was mainly a defensive battle,"

said Coach Raymond Zamarrappa. "The closest they got to scoring was our 30 yard line." "The boys did a good

job on offense too, especially on passing," said Zamarrappa.

Colorado City had only one fumble which was quickly recovered. Ballinger had several fumbles recovered by Colorado City.

One interception was made by Mike Davila for 35 yards in the fourth quarter.

Key receptions were made by Gary Marsh with Doug Chitsey passing.

"The whole defense unit deserves credit, without them, it would have been a whole different ball game," said Zamarrappa.

Eight grade's next game is scheduled with Coahoma, there.

"Our game with Coahoma will be a tough one. We have to get down and get ready. They beat us really bad last year and we're looking for revenge this year," said Zamarrappa.

Wolves Junior Varsity Defeated 12-10 By Ballinger

Wolves junior varsity football team lost 12-10 in their game Thursday against Ballinger.

Ballinger returned the opening kickoff for 80 yards, but missed the extra point attempt.

Ballinger then kicked off to Colorado City, four plays later, Wolves drove the ball to Ballinger's 40 yard line.

Richard Ligon threw to John Johnson for a touchdown with a 40 yard pass.

Jaime Bailey converted the extra point, leaving the score 7-6 in favor of the Wolves at half-time.

Wolves kicked off again in the third quarter, held Ballinger and took the ball from them. They then drove it to Ballinger's 15 yard line. "Two plays could have been scored on, but resulted in a 25 yard field goal made by Jaime Bailey," said Coach Mike Hart.

Wolves kicked to Ballinger after the extra point. Soon after they

punted to Colorado City, and Wolves fumbled the ball on the 20 yard line.

Ballinger then took the ball and scored after a few plays, but missed the extra point attempt, putting the score at 12-10.

Wolves drove the ball to the Ballinger 30 yard line with 14 seconds left on the clock. The ball was wet and slipped from the quarterback's hands, as the game ended.

Total yardage for Wolves J.V. in the game was 260 with 195 rushing and 65 passing.

Richard Ligon had 100 yards rushing, James Blackwell, 75, and Bennie Arocha, 20.

John Johnson had one reception for 40 yards and Willie Martinez with one for 25.

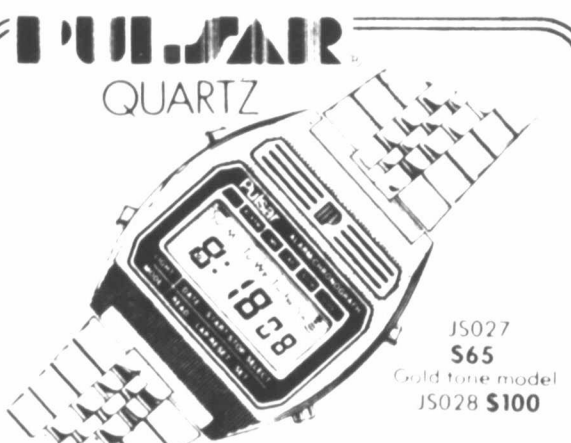

Two interceptions were made during the game, Ruben Luera and Frank Torrez each with one.

"As a whole, defense played better, the secondary showed much

improvement," said Hart. "The offensive line with Chris McKinney at center, Ron Potts and Lynn Williams as guards and Tracy Tarter and Jaime Bailey as tackles showed improvement also."

"The team's progress is good. We are 0-4 but each ball game is getting better and work-outs have been very good. The boys just have good character," said Hart.

"We play Coahoma here this week," said Hart, "and I believe strongly that we are ready."

Is Personal Liability Covered In A Homeowners Policy?

Yes. It pays for claims for which you and family members may be legally responsible, other than auto accidents, and includes legal defense costs even though an accident may not be your fault. For example, if you hit someone with a golf ball or if your dog bites the mailman, you are protected within the policy limits against ensuing claims. There are exclusions which your independent agent can explain.

A host often feels an obligation to pay medical costs for a guest injured in his home or a child injured at play in his yard. The medical payments section of your personal liability insurance takes care of these expenses.

and unlawful carrying of a weapon.

Sergeant Don Hamilton stopped the man, who was driving a 1979 Ford LTD for a traffic violation.

The firearm, a .38-Caliber Arminius revolver, was allegedly found in the automobile.

A routine check was run through the computer on the revolver's serial number.

The gun was reported stolen out of Fort Worth. Bond was set and posted at \$1,500.

A Colorado City man was arrested and arraigned Saturday before Judge Ben Costin on charges of simple assault.

Charges stemmed from an incident which allegedly occurred at Fuller Foods about 5:15 p.m. Sept. 20.

While a Colorado City woman was shopping in Fuller Foods, the man allegedly entered the store and physically accosted her with his fist.

Bond was set and posted at \$53.50.

Sergeant Hamilton is investigating the incident.

About midnight Monday, Roundtree answered a call to 1428 Westpoint to find a brown and black doberman pincher dog had allegedly raided a chicken coupe, killing about 14 chickens.

The chickens' owner had caught the animal in the pen with the chickens.

The owner of the dog was contacted and restitu-

tion is being made. Damages were estimated at about \$14.

Burglars broke into two service stations Sunday between 7:05 and 7:58 a.m. on Monday.

Burglars hit the Phillips 66 Service Station located on Interstate 20 and Highway 208 at about 7:05 a.m.

Entry was gained to the building by breaking the front glass out of the door.

The cash register was opened and about \$10 in quarters was stolen.

Damaged was estimated at about \$150.

Burglars hit the Bell Service Station on Highway 208 about 7:58 a.m. that same morning.

Entry was apparently gained through a broken window on the north side of the station.

Again, the cash register was opened and about \$20 in assorted change was stolen.

Damage in this incident is estimated at \$100.

Both stations are owned by Willis Taylor of Loraine.

Officer Billy Ray Williamson is investigating the burglaries.

Criminal mischief complaints were brought against four juveniles Sept. 19 as a result of an incident which occurred at 106 W. 17th.

Rita Cowin returned home at about 3:40 p.m. that day to find two windows and two screens had been broken at her residence.

Damage allegedly oc-

cured when four juveniles threw rocks and shot bb guns through the windows.

The juveniles were turned over to County Judge Bill Carter.

Estimated damages amount to \$116.

A CB antenna was stolen from a 1963 Chevrolet belonging to Jeffie Robertson of 628 Locust, while the car was parked in front of his residence. The theft occurred between 6 p.m. Monday and 4:30 a.m. Tuesday.

Investigation into the theft is continuing.

Thursday, three hitch-

hikers reported the theft of their suitcases. A person driving a 1980 yellow Chevrolet with a Louisiana license plate had allegedly give the trio a ride from Abilene.

They reported he had let them out at Trucktown and said he was going to pick up some marijuana and would return.

He apparently did not return.

Police in surrounding cities were notified to watch for the car.

Sergeant Hamilton is investigating.

***COLUMN, From Page 1**

not joined, because of their particular local problems, just on principle when it will have little statewide impact on streamlining tax administration.

Currently, county ad valorem taxes are relatively low. They are low because county property values are determined by the county tax assessor-collector, who is elected and are equalized by commissioners court members who are also elected. Adoption of this amendment would eliminate direct control by the electorate.

If adopted, rural tax will increase. Appraisal district boards will be dominated by urban cities and school districts and will not be as sympathetic to problems of agriculture.

The fourth proposed amendment on the ballot authorized the legislature to pass a law permitting and regulating bingo games conducted by a church, synagogue, religious society, volunteer fire department, non-profit veterans' organization, fraternal organization or non-profit organization supporting medical research or treatment programs.

The law permits the voters of a county, justice precinct or incorporated city or town to determine whether the bingo games may be held in the county, city or town.

The law enacted by the legislature also requires: the proceeds from the games be spent in the state for charitable purposes; the games be limited to one location; the games be conducted, promoted and administered by members of the organization and it must report quarterly to the comptroller on collections and purpose for which the proceeds are spent.

Currently, the Constitution prohibits the establishment of lotteries and gift enterprises. Laws state that a game is a lottery if a prize is awarded; distribution of the prize is determined by chances and a participant in the game pays a consideration for the opportunity to play the game.

A bingo game at which a prize is awarded and consideration is charged to play is clearly a lottery, according to the law.

The attorney general of Texas has ruled that a law exempting churches, veterans' organization or other nonprofit charitable groups from prosecution under the lottery statute violates the constitution and as a result an amendment is necessary.

Arguments for the amendment state the charitable

***VOTE, From Page 1**

ter Mondale; Libertarians Ed Clark and David Koch and Independents John B. Anderson and Milton S. Eisenhower.

The Anderson and Eisenhower ticket was placed on the ballot earlier in the year. Anderson's name will appear in other states with a different vice presidential candidate, according to the state office.

Other contested races which will appear on the ballot include: Democrat Buddy Tempie and Republican Hank Gowder for Railroad Commissioner; Democrat James

E. Nugent, Republican H. J. Blachard and Libertarian David Hutzelman for Railroad Commissioner; Democrat James P. Wallace and Republican Jim Brady for Associate Justice, Supreme Court, Place 1 and Democrat C. L. Ray and Republican Will Galloway for Associate Justice, Supreme Court, Place 4.

Voters will also be asked to vote on nine proposed constitutional amendments which will appear on the November ballot.

Wolves Varsity Take Second Victory 12-6

Colorado City's Wolves eeked out a 12-6 victory over arch rival Ballinger Friday night in Wolf Stadium in the rain and mud before a large group of hardy fans.

The Wolves, hampered by a growing list of injuries, scored 12 points in the first half and then held on by the skin of their teeth to gain the victory.

In gaining the victory, the Wolves could muster only 136 yards total offense while Ballinger piled up a lot of yardage with a total of 221 rushing and no yards passing.

However, when the Bearcats got within the Wolves 30, Colorado City's defense stiffened in all but one case and that case led to a touchdown due to a fumble by the Wolves at the Colorado City 41.

The Wolves offense could only muster one score while the defense got one on a blocked punt just before the first half ended.

The Wolves took their second possession from their own 34 to score with the touchdown coming on a five yard pass from Mark Carter to Tight End Kirk Evans with 2:32 left in the first period.

Evans attempted the extra point but the kick went wide.

Midway through the second quarter, the Bearcats drove from their own 30 to the Wolves 27 but were stopped. On

Ballinger's next possession, the Bearcats were stopped and on the punt attempt, the Wolves Randy Useton raced in, blocked the punt and then caught it as it came down and raced some 35 yards to score. An attempt for two points failed, leaving the score at 12-0 with 1:45 to go in the first half.

A few seconds later, the Wolves Randy McPhaul intercepted a tipped Bearcat pass but the Wolves were unable to capitalize on the turnover.

On the Wolves first possession of the second half, there was a fumble at the Colorado City 41 and the Bearcats drove it in from there with the Quarterback Richard Campbell going the final 12 yards to score with 6:16 left in the third period. A try for two points failed, leaving the score at 12-6.

The Wolves next got the ball at their own 43 and drove to the Bearcats 20 but were stopped there. The Bearcats drove the ball from there to inside the Wolves 25 but McPhaul hopped on a Ballinger fumble to stop that drive.

As time grew short, Ballinger got desperate and went to the airways and there was excitement for Wolf fans as Colorado City's Victor Jackson grappled an errant Ballinger aerial and raced from his own 25 to the Ballinger 12 but it was called back to the Wolves 38 on a clip.

Wolves 38 on a clip.

Loraine Junior High Game Rained Out

Loraine's Junior High game scheduled for Thursday against Roby was cancelled due to rain.

The game will not be rescheduled, but another one is being planned, reported Coach Ted Wiley.

Ballinger got the ball back one more time but to no avail.

Wolves suffering injuries included Jeff Hammond with an ankle injury and Jay Green with a knee injury. It is not known just how serious their injuries are.

The Wolves travel to Coahoma next week.

Team	C City	Ballinger
First Downs	8	13
Rushing Yards	104	221
Passing Yards	32	0
Passes Completed	2 of 6	0 of 10
Intercepted By	2	0
Punts Average	4 for 29	4 for 29
Penalties, yards	7 for 50	2 for 15
Fumbles, lost	1	1

Junior High Teams Defeated Tuesday

Wolves' seventh grade red volleyball team lost their first game to Bronte's eighth grade 'B' team, Monday. The game was played in Bronte at 4 p.m., scores were 5-15 and 4-15 in Bronte's favor.

Scoring for the first game were Melanie Rees with three, Diane Gregory with one and Shannon Perkin with one.

Second game scorers were Yolanda Lee with three and Denise Jackson with one.

Wolves eighth grade white team lost to Bronte 2-15 and 1-15.

Scoring for the first game were Sally Rodriguez with one and Beth Smith with one.

Middle School Honored

Colorado Middle School's eighth grade team will be the guests of the Colorado City sports Boosters Club weekly meeting at 7:30 p.m., Tuesday.

The Sports Boosters will be meeting in the Colorado Middle School Cafeteria.

Coaches will show the game film of the Wolves contest with Ballinger as well as give a scouting report of Coahoma.

Everyone is invited to attend and parents of the eight grade boys are encouraged to be present.

Second game scorer was Rose Larez with one.

Wolves eighth grade red team played Bronte's eighth grade A team. Wolves lost with scores of 2-15 and 11-13.

Scoring for the first game were Sheri Morris with one and Teresa Garcia with one.

Second game scorers were Christian Aguilar with six, Sheri Morris with two, Rebecca Erwin with one, Anita Silva with one and Juanita Green with one.

Seventh and eighth grade teams will play their next games in Lone Wolf Gym Tuesday, Sept. 30, against Bronte.

Seventh Grade Defeated 18-0

Wolves seventh grade football lost their game 18-0 to Ballinger.

"We just didn't play very well," said Coach Ronnie Gaine. "We were in the wrong place at the wrong time."

Ballinger scored in the second, third and fourth quarters, with one touchdown in each.

"On offense, we moved the ball and got inside the 20 yard line

several times, but were stopped each time," said Gaine.

"On offense, we moved the ball and got inside the 20 yard line several times, but were stopped each time," said Gaine.

"Mike Ligon and Ronny Lowrance both had a good game," said Gaine. "Next week we play Coahoma, there. It should be a really tough game."

Loraine Takes 20-0 Victory Over Sands

Loraine Bulldogs took their first victory 20-0 over Sands Mustangs in Sands Friday.

With 2:05 minutes left in the first quarter Jerry Rose, number 32 scored from the two yard line on a run. The kick for the extra point failed.

Bobby Sanchez, number 12, scored from the one yard line on a run, with 3:01 minutes left in the second quarter. Bulldogs went for two more points on a pass to Wayne Rose. The two point conversion was good.

Six minutes into the fourth quarter, a touchdown came from a pass made to Frank Sanchez from Bobby Sanchez. The extra point attempt failed.

Total yardage for Loraine was 188.

Total rushing for the night for Loraine was 143 yards. Tony Williams, number 20, had 24 rushing for 63 yards; Jerry Rose, number 32, had 11 rushes for 23 yards; Bobby Sanchez had 11 rushes for 32 yards, and Jerry Darnell, number 42, had three rushes for eight yards.

Passes for the night were Wayne Rose with two attempts for 10 yards and Frank Sanchez one for 35 yards.

Tony Williams was named Back of the Week for the Loraine Bulldogs.

Wayne Rose had a 45 yard touchdown called back in the third quarter for clipping.

Loraine is scheduled to play Gorman next week, in Gorman.

Loraine Booster Club Met Tuesday Night

Loraine Sports Booster Club met Tuesday night in the Loraine school Library at 7 p.m.

Highlights of last week's football game with Garden City were reviewed and commented on by coach Ted Wiley.

Wiley discussed improvements and areas needing work. All business was conducted afterwards. The maid topic being a used blocking sled purchased from Snyder. The Club voted to donate funds to help the school in funding the sled and for pads to be purchased later.

A coffee maker was given away recently, it was reported that a net of \$35 was made from the sale of tickets for the raffle.

Sixty dollars was made from sale of new memberships. Membership includes all sports. Membership tickets are \$5 per family or \$3 per individual. Your membership is needed and appreciated, officials said.

Baker Wins Clock-Radio

Vanessa Baker was the winner of a clock-radio in a drawing last week at the local Montgomery Ward Catalog Store, Billie Apperson, agent.

The name was drawn by Mr. R. E. Geiger.

Ambassadors Set Reception

Ambassadors of Colorado City Area Chamber of Commerce met Thursday at noon in the Villa Restaurant to discuss a welcoming reception for Colorado City doctors.

The reception is to be held Nov. 2 from 2 to 4 p.m. in the C. C. Thompson Room.

Card Of Thanks

Every kindness shown to Bob during his illness and his passing is deeply appreciated. For all the prayers, visits, calls, flowers and food, I thank all of you. My special thanks to Dr. Cowan and the hospital staff for their care.
Bea Looney
