State Capital News

By Vern Sanford

John Connally did what people in your capital expected him to do when he said he would not be a candidate for re-election in 1968.

He is the only person who has said so, was Lt. Gov. Smith, an already-anointed candidate for Governor. Connally's declaration brought many reactions.

Some felt it would add to their 1968 campaign strategy, which seem to include attorney general Will in the governor's race.

Others began a sudden game, with former attorney general Waggoner Carr high on their potential. But not all have given Connally. They pointed out the filing deadline is not February 15.

Others promised to be those years when cowboys and Indians both may bite. Things are pointing in that direction.

Fund Fattened
Permanent school fund \$1,100,000 as a result of oil, gas and sulphur sale of 1967.

It averaged \$45.27 an acre on 54,960 acres of oil and gas. Sulphur leases averaged \$67.25 an acre on 3,005 acres.

County Gulf of Mexico lease totalling 1,440 acres of the top bid of \$129,787. Cities Service Oil Company. Sulphur lease bid was \$1,100 by W. C. Tillett for 555 in Calhoun County near Llan.

Commissioner Jerry Sadler reported that the permanent school fund now totals \$742,000.

On Poverty Projects
\$210,000,000 in federal poverty funds have poured into the state in the past two years.

Report by the Texas Department of Economic Opportunity \$18,900,000 authorized for work on poverty projects during the fiscal year which ends August 31.

They found its way into the smallest counties and the poorest. More than a third of the 1967 allocations—\$4,500,000—went to five counties—Harris, Bexar, El Paso and Webb.

\$45,000,000 of the state's 1967 total was for Community Action Programs including Head Start for school children, health projects, neighborhood centers, neighborhood employment projects, training and placement services, legal aid and health services.

Volunteer Youth Corps reaching some 18,463 in the year. Job Corps training center in San Marcos, and Kinney women's unit, and new Waverly rural center received another \$17,000.

Distance to migrants and farm workers totalled \$6,300,000; college study allocations, \$3,900,000; work experience \$2,000,000 plus; and \$1,200,000.

Appointments Announced
Governor Connally announced appointments of 157th District Phil Feden as Associate Justice of First Court of Civil Appeals in Houston, Harris County.

Department of Domestic Relations Judge Arthur Lesher to District Court and Harris County at Law No. 1 Madison Rayburn to 80th District Court (Civil) of Harris County.

Speaker Ben Barnes appointed to the Parks Study Commission. Gene Hendryx of J. M. Simpson of Amarillo Williams of Galena Griffith Moore of Dallas; Howard of Uvalde; James Crockett; and Dave of Wichita Falls.

West was appointed to the State Bar Association advisory committee for law recodification.

13 STUDENTS TO TRY FOR ALL-REGION

On Saturday, December 2nd, thirteen musicians from the McLean High School Band will travel to Panhandle where they will audition for Texas All-Region Honors Band. To pass their auditions these students must show mature musicianship in the following areas: technique, tone, interpretation, and phrasing. Jerry Toler, band director, will accompany the following students: Diana Tryon, Judy Saunders, Cindy Brooks, Denise Bailey, Fran Hopper, Guy Pharis, Joel McCarty, Jerry Dwyer, Judy Kingston, Tommy Gipson, Joe Parr, and Melvin Simpson.

Jerry Toler, Band director in McLean Public Schools, has been named to judge in the auditions held for All-Region Band in Panhandle, Dec. 2. Mr. Toler will be judging woodwind instruments, but mainly clarinets as this is his main concentration.

Asked about this honor Mr. Toler said, "This really surprised me and especially since this is my first year in this area. I'll have some students at the audition, but unfortunately for them, I'll be judging 2AA instead of our class." 2AA band directors will judge the McLean students.

Darkness Doubles Traffic Troubles

With days getting noticeably shorter, the Texas Safety Assoc. and the Texas For Traffic Safety today urged motorists to sharpen up on driving skills to cope with increasing hours of darkness.

Driving during dusk and at night calls for increased alertness, better control of the car and reduction of speed. An estimated 1,805 Texans were killed last year in nighttime accidents.

Both safety organizations recommend that motorists follow these tips for safer driving at night.

Pull into traffic more cautiously than in daytime. Not only do you see less at night, but other drivers have more difficulty seeing you.

Watch for vehicles that might be parked or stopped on the roadway with poor lights or none at all.

If your car becomes disabled, get it off the road and set up flares or lights to alert other drivers.

Be sure your headlights are functioning and that both upper and lower beams are properly aimed.

Do not over-drive your headlights. At 60 miles per hour it will take you, under average conditions, about 370 feet to stop. Yet you can see only about 200 feet ahead.

Never drive with parking lights instead of headlights. Parking lights can cause an oncoming driver to think you are farther away than you are.

Mr. and Mrs. Luther Petty attended the North Fork Assn. workers conference at Lela Baptist Church Thursday night.

FIRST CLASS — Matthew Bailey received his First Class Scout rank in a ceremony led by Steve Odom, Executive Scout and Scout Master James A. Boothe, last week.

MRS. MINNIE FULBRIGHT RETIRES FROM POST OFFICE

Mrs. Minnie Ada Fulbright, longtime employee of the McLean post office, was presented with a 25 year certificate by Post Master Frank Simpson Friday morning, Nov. 3.

Mrs. Fulbright went to work for the post office on November 17, 1942. She received her training. In 1946 she took the civil service test when the post office became 2nd class. She is the oldest and has worked longer than any other post office employee in McLean.

She held the position of post office clerk and also clerk in charge in the absence of the postmaster.

Before going to work for the government Mrs. Fulbright taught school in the Back School, Carpenter School, Fairview School, a small rural school near Claude and in Alanreed.

The citation received by her reads as follows:

Honorary recognition is accorded Minnie Ada Fulbright for devotion to duty of an honorable career in the United States Postal Service.

This citation, tendered upon the postmaster General and a cordial expressions of esteem from co-workers in the service. November 17, 1967, B. M. Myers Jr. Regional Director, Lawrence F. O'Brien, Postmaster General

Truck Overtakes East Of Town

A truck accident was reported Monday when a New Mexico refrigerator truck turned over 5 miles east of McLean on Highway 66.

The truck was carrying frozen peas and beans which were saved. The driver escaped serious injury.

Mr. and Mrs. Roy Wilson of Abernathy visited in the home of their daughter and family, Mr. and Mrs. Roy Sons and children, last week.

COUNTY APPROVES BOND ISSUES

Saturday election had a light turnout at the polls in Gray County.

In the election the county voters approved both the \$850,000 Highland General Hospital and the \$250,000 Perry Lefors Airfield bond issues.

The hospital bond issue was approved 1,220 to 1,081 an edge of 319 votes.

There were 2,384 voters out of approximately 10,000 eligible voters in the county.

McLean voters turned down both bond issues, hospital issue was 37 for 115 against; and voted 18 to 131 against "Pampa's" airport improvements.

Alanreed also voted against both bond issues.

Last Passenger Train Went Thru Last Thursday

The westbound train leaving from Amarillo on Nov. 9 at 7:10 marked the last run of the Rock Island passenger train through Amarillo.

The last run for the East bound to Memphis, Tenn. was also made Thursday morning.

The Rock Island Railroad received word to cancel the two trains earlier this month.

The railroad petition was filed after the Post Office Dept. ordered removal of mail business from the trains.

FBLA Announce Club's Chairmen

Chairmen for the entries at the F.B.L.A. State Convention were announced at the November meeting of the McLean High School F.B.L.A. Chapter Monday night. These chairmen are:

Bryan Going, scrapbook; Mike Simpson, project; Rosita Nall, spelling; Judy Kingston, vocabulary; Dick Back, parliamentary procedure; Mike Darsey, public speaking; and Donna Glass, Mr. and Miss F.B.L.A. This year the candidate for State office is Jerry Dwyer and his campaign managers are Brad Parker and Gail Fry.

The speaker at the meeting was Mr. Bob Gleason, representative of the Shamrock Oil and Gas Co. Mr. Gleason gave an interesting and informative talk on employment in the petroleum field. He, also, explained the merger between Diamond Chemical Co. and Shamrock.

After Mr. Gleason's speech, some of the annual pictures were taken. Immediately following the meeting, refreshments were served in the Home Economics Department.

Tigers Lose To Gruver

Tigers ended the 1967 football season Friday night with a hard loss.

McLean gained an early lead in the first quarter over the Gruver Greyhounds when Jimmy Hester went over the goal line from 10 yards out. The conversion failed.

Gruver got in the game in the same quarter when Dan Ralston ran over from the 12. Conference point was made when Mike McLain kicked a field goal for the extra point making the score 7-6.

Neither team scored until the fourth quarter and again Hester scored on a 20 yard end run. The Tigers failed to score the extra points leaving the score 12-7.

The Greyhounds made the win when the Tigers fumbled while driving for another score. Dean Bayless scored with 29 seconds left on the board and McLean kicked a goal leaving the score 14-12.

McLean has finished the season with a 5-5 record and due to Wheeler's loss to Clarendon, stands 2-A with a 3-1 record.

Even with a final record of 5-5 the Togsers have fooled the critics, showing that Fred Hedgecock has done a fine job of coaching.

The McLean Tiger football team had this to say about the support their fans gave them.

"The Tiger Football team would like to thank all our loyal fans for backing us all the way and we the Seniors of the team hope you will encourage and support our team and coaches. It means a great deal to all of us. Thanks again, you made our season great."

Fifteen staff members and their advisor, Mrs. Dory R. Baker, are putting in long hours in order that McLean High School and the advertisers will be proud of their 1968 yearbook.

All Voters Must Register

Qualified voters who wish to vote in the 1968 elections are required by law by the State of Texas to register between Oct. 1, 1967, and Jan. 31, 1968.

Under the present law, ALL persons must register to be able to vote. The older people of our community also have to register (not required before).

The qualifications of a voter are the same—a resident of the state one year and the county six months, and must be 21 years old before voting date is reached.

LIONS WILL SELL BULBS TUESDAY

Tuesday afternoon and evening Nov. 21 will kick off the annual light bulb sale sponsored by the McLean Lions Club. Proceeds will go toward funds needed for a childrens Christmas party and baskets for needy families in the local area.

It is hoped that several work crews can call on all the down town merchants as well as the families in the residential area.

However to be on the safe side, those wishing light bulbs or wishing to contribute to this very worthy cause are urged to contact Clarence Pierce, Jay Thompson or any member of the McLean Lions Club.

Deliveries will be made to your door in any size and quantity. Don't forget, Tuesday, Nov. 21 is light bulb buying time. It is also our chance to help some or family have just a little better Christmas.

Grain Sorghum Yields Upped By Row Spacing

Grain sorghum yield increases ranging from 10 to 30 percent have resulted from narrow row and double row spacings in recent trails conducted by the Texas Agricultural Experiment Station.

The project was decreed by M. J. Norris of the Livestock and Forage Research Center near McGregor, a speaker during the annual meetings of the American Society of Agronomy, Soil Science Society of America and the Crop Science Society of America Nov. 5-10 in Washington, D. C.

Norris, an agronomist at the center, said there were no important differences in grain sorghum yields due to planting rates, but there were highly significant differences due to row spacing.

"Narrow rows and double rows resulted in grain yield increases ranging from 10 to 30 percent," he said.

Row spacings of 10, 20 and 40 inches at planting rates of 4, 6, 8, and 10 pounds per acre were used with grain sorghum during a three-year period. Other row spacing experiments were made using a uniform planting rate of 7 pounds per acre, including comparisons of single rows and inter beds spaced 40 inches apart; and grain sown on a flat seed bed with a grain drill spacing of 14 inches between drill openings.

Norris said the work was done on a dryland, upland soils of the Grand Prairie near McGregor.

Food Market Tips

Do you have "Novemberitis" with activities to attend, mending to do and don't forget - meals to plan? Quick and tasty meals are a must for this busy season reminds Gwendolyn Clyatt, Extension consumer marketing specialist with Texas A&M University.

Fryers are featured by many markets due to a plentiful supply. Turkey offerings are more than adequate and the large size birds

have very attractive price tags. Pork prices are a bit lower with good values found on Boston butt roasts, shoulder steaks, hams, picnics, bacon and sausage.

Beef specials are scattered - mainly chuck roasts and steaks, round steaks and beef liver.

The most attractive fresh vegetable choices are the staple items: cabbage, hard shell squash, sweet potatoes, carrots, dry yellow onions, potatoes, as well as mustard, collards and turnip tops.

Head lettuce is reasonably priced. Cauliflower, broccoli, brussels sprouts, corn and snap beans are other vegetables to consider. Dry split peas are a real economy to remember.

He lived 89 years and 11 months

and he died. At first I thought what a pity that he didn't live out the other month and round out a long life of 90 years. He had been sort of counting down the days since he had been so ill. But as I passed the casket and looked upon his peaceful form, there seemed nothing else to say but "Blessed be the name of The Lord."
