... In The Palm Of The Plains!

VOLUME 36. Hale County - Abernathy, Texas - Lubbock County

THURSDAY, MARCH 21, 1957

NUMBER 19

For C. of C. Saturday Night

Carr to Address Banquet Meet

State Representative Waggoner Carr of Lubbock, Speaker of the Texas House of Representatives, is scheduled to address the annual banquet of Abernathy Chamber of Commerce at 7:30 p.m. Saturday, March 23, in the school cafeteria here.

Members of Abernathy Volunteer Fire Department and their wives are to be special guests of the Chamber of Commerce at the banquet.

Tickets for the banquet are \$1.50 each, and are on sale by Chamber of Commerce members.

Officials of the Chamber of Commerce extend an invitation to everyone to attend the banquet. This applies to C. of C. members and non-members alike. C. of C. members are urged to bring farmers and their guests.

Ticket sales should be reported by noon today (Thursday) to help determine the number of people planning to attend the banquet.

Regular Meeting
Weldon Crow, C. of C. manager, reported good attendance at the regular luncheon meeting Monday.

RED CROSS QUOTA HERE IS \$850.00

Quota for Abernathy community in the current Red Cross fund drive is \$850.00, it was announced by Mrs. N. C. Hix and Ercell Givens, co-chairmen.

March is Red Cross month, and a fund drive is under way throughout the nation to raise money for the organization.

Everyone is urged to help in raising the local quota of \$850.00. Make your donation to the Red Cross at Abernathy First State Bank.

The Hale County Chapter goal is \$11,350.00 this year. These funds are for the requirements of the Hale County Chapter, National's portion and the Flood quota for the Eastern states. This is the highest goal in the peacetime history of Hale County Red Cross and it is essential that it be met. This will take more work and generous giving from all of us. And, after the good year with which our county has been blessed should be reached and surpassed.

1957 Study Club Plans Project For Easter

The 1957 Study Club met in the City Hall club room, Wednesday, March 13, 2:30 p.m., with Janet Ellis and Vicki Havens as hostesses.

During the business meeting the members decided on the club colors - Red and White.

Those present decided to have a project for Easter. The project is to be an Easter Egg hunt for the children of the Colored School. This will be April 17 at 1:00 p.m.

A wiener roast was enjoyed Monday night in MacKenzie Park, Lubbock, by the members with their husbands and children as guests.

At Wednesday's meeting refreshments were served to the following: Teenie Burnett, Janis Myatt, Becky Stewart, Norma Stephens, La Nell Stone, Janet Ellis, June Knox, Vicki Havens, Betty Jo Lewis, Janis Young, June Jones and Jan Rogers.

The next meeting will be held March 27, 2:30 p.m., in the City Hall club room, with June Knox and June Jones as hostesses.

Reporter - Vicki Havens

day at Graham's. Edwin Crow, sales manager at Reid Chevrolet, showed films of the 1956 National Soap Box Derby races in Akron, Ohio.

Representatives of Abernathy Chamber of Commerce and Hale County Chamber of Commerce plan to meet in Lubbock at 9 a.m. Friday with the state highway engineer. They will discuss proposals to build the new, wide highway through the two towns ahead of the rural segments of

Sponsors Sought For Soap Box Derby Entries

Sponsors are being sought for Abernathy entries in the South Plains Soap Box Derby to be held this summer in Lubbock. Abernathy won the 1955 (Gerald Grimsley) and 1956 (Carroll Dean Powell) South Plains Soap Box Derby events, with the boys going to Akron, Ohio, to compete in the National Soap Box Derby.

Edwin Crow, sales manager at Reid Chevrolet, is in charge of local activities in the Soap Box Derby. He reports keen interest among the large number of boys planning to represent Abernathy in the 1957 South Plains Soap Box Derby.

Abernathy businessmen who will sponsor a boy in the event are urged to call Crow at telephone number 31.

Crow showed films of the 1956 National Soap Box Derby Friday in the school auditorium for students and the public, and at the Monday noon luncheon meeting of Abernathy Chamber of Commerce at Graham's.

BOWLING NEWS

(By Dan Wright)

White's Auto team downed Citizens National Bank two to one Monday night at L. B. C. Fred Hinson had 200-534, Glennon Selke 189-505, Cleatus Lebow 164-476, Curtis Lebow 161-455 and Gayle West 206-514.

Young's Department Store won three games from Western Tank & Steel Tuesday night at Q.C. Alleys while Crow's Advertising Co. won one and lost two to Barney's Service Station. No scores were available for Shipman Insurance Co.

Scores for Young's were: Donnie Graham 190-531, J. H. Myatt 167-448, Pat Young 192-498, Keith Shipman 160-454, and Ted Watts 165-467.

For Crow's were: Harold McCune 183-509, Curtis Lebow 212-555, Harry Vogt 157-417, Cleatus Lebow 166-481, and Glennon Selke 182-481.

Wednesday night Graham's Cafe team won three games and lost one against the American Travel Club. Scoring for Graham's were: Nora McCasland 169-467, Carol O'Laughlin 138-337, Mary Drace 155-444 and Bonnie Jackson 167-448.

SCHOOL MENUS

Monday, March 25 - Meat loaf, green beans, creamed potatoes, vegetable salad, jello fruit, milk and bread.

Tuesday, March 26 - Dixie dogs, red beans, noodles and tomatoes, pickles and onions, baked apples, milk and bread.

Wednesday, March 27 - Roll roast, English peas, candied yams, cole slaw, banana pudding, milk and bread.

Thursday, March 28 - Chicken and dressing, blackberry peas, yellow corn, cranberry sauce, pineapple cake, milk and bread.

Friday, March 29 - Fish sticks, yellow wax beans, new potatoes, lettuce and tomato salad, lemon pudding, milk and bread.

C. E. Grant, Jr., has received his discharge from the service and has returned to Abernathy.

the project in Hale county. Reports said that all right-of-way, from Abernathy to Hale Center had not been obtained for the 4-lane divided highway. The Hale county portion of the right-of-way has been obtained in the two towns, and representatives will urge that construction be started as soon as possible. Both towns expect a mild boom in business building construction when the new highway is completed.

The C. of C. voted to endorse work being done by Robert G. Wilson of Lubbock, who proposes to edit and publish a yearbook, South Plains Parade of Progress. Wilson was contacting local firms for advertising this week.

Next regular meeting of the C. of C. membership will be a luncheon at Graham's April 15.

Local Independent Team Loses In Klondike Tourney

Last Friday night in the Independent Basketball Tournament at Klondike, Abernathy's independent team was defeated by the strong, tall, First National Bank of Lubbock team, 99-68.

The locals put up a good fight even though they were towered over. They trailed 17-24 at the end of the first quarter of play and managed only 12 points in the second to trail 29-40 at halftime.

The locals sacked up 19 points in the third to Lubbock's 23 (48-63), and added 20 in the final stanza as Lubbock was burning up the net with 36.

This eliminated Abernathy's team, sponsored by Struve Mercantile, from the tournament.

Ray Baumgart paced the local team as he continuously hit the bucket for a total of 29 points. Pete Knox and Jerry Phillips each sacked up 8 points while Danny Ward and Richard Havens each had 6. Wayne Rogers 5, A. B. Simpson 4, and Jerry Don Beard 2.

The opposition was led by Bar-ter. He popped in 37 points. Cain ranked second with 25, one more than Grandy, while Gaines had 7 and Day 6.

LOSE TO IDALOU HERE

Last Thursday night the Abernathy Independent team played host to the Idalou Firemen and lost to the visitors 62-70.

Wayne Rogers paced the locals as he hit for 18 points. Ray Baumgart and Fred Apperson each had 10. Richard Havens 8, Danny Ward, Pete Knox and A. B. Simpson each had 4, and Delton Stone and Earl Bartley had 2 each.

Idalou was paced by Pete Wilbanks who sank 26 points. Charles Dawson scored 14, R. P. Smith and Oscar Jones each had 10, Pete Jones 8 and Buddy Brown 2.

PLAY THERE TONIGHT

The local team will journey to Idalou tonight with hopes of getting revenge and bringing home their first victory.

The Wesleyan Service Guild will have its Easter program Monday, March 25, at 7:30 p.m., in Fellowship Hall at First Methodist church.

Mrs. Fred Miller will be in charge of the program. Mrs. Cecil Amerson will give the devotional. The annual meeting of the Wesleyan Service Guild of the Northwest Texas Conference will be held in Snyder, March 23 and 24.

The Guilds of First Methodist Church and Trinity Methodist Church will be hostesses.

Miss Charlie Mae Harp, delegate from the local unit, and Miss Virginia Greenwaldt, alternate delegate, plan to attend the meeting.

Mr. and Mrs. Lloyd Edwards have moved from their farm north of town, to their new home in Southwest Abernathy.

REP. WAGGONER CARR

SESAME MEET SET TONIGHT IN PLAINVIEW

Plans are being made to hold a sesame meeting at the Extension Service Conference Room, in Plainview on Thursday, March 21, beginning at 7:30 P. M.

Sesame is one of the newer crops grown in Hale County and according to Ollie Liner, County Agent, many farmers are considering it as another cash crop. Mr. Robert Parker from the Sesame Association will be on hand to discuss 1957 outlook for sesame and growing problems. Local farmers will also assist with the program.

All farmers and businessmen are invited to attend.

The AHS bookkeeping class visited Crow's Advertising Co. office Monday and Tuesday. The class was told of the business operation and the firm's method of book-keeping.

Nine Lubbock Jaycees Meet With Local Men To Help Organize Chapter Here

Nine Lubbock Jaycees and eight local men met Tuesday night at Graham's to discuss plans for organizing a Junior Chamber of Commerce in Abernathy.

Pat Garrett, Lubbock, State Jaycee Director, presided at the meeting.

Bill Hall, 3rd Vice-President of the Lubbock Chapter, outlined the basic functions and purposes of the Junior Chamber of Commerce. Jerry Sanders, Regional State Vice-President, presented in his talk the history and advancement of the Junior Chamber of Commerce, nationally and world-wide.

He pointed out that the Junior Chamber of Commerce is in no way connected with the S. Chamber of Commerce. Mr. Sanders also pointed out that the Jaycees have around 2,800 chapters with a membership of about 250,000. The Junior Chamber of Commerce is the third largest International

elvic organization in the world today, next to the Lions and Rotary.

Coffee Conner, Lubbock Committee Chairman, went over the aims and means of the organization. It is a young men's organization, men between the ages of 21 through 35, and the "Jaycees Get The Job Done."

Other Lubbock Jaycees attending the meeting were: Norman Igo, President; Jerry Henderson, 2nd Vice-President; J. E. Weir, Sports Chairman; Howard Parsley, Committee Chairman; and Roy Rowe, a member.

Local men attending the meeting were Joe Bradshaw, H. R. Nelson, Billy Shipman, Ray Sanders, Bobby McAllister, Truman Richerson, Bill Moore and Richard Havens.

In order to "get the ball rolling," temporary chairmen were appointed by Bobby McAllister, who was elected as temporary Chairman of the local Jaycees. Billy Shipman was appointed as temporary secretary; H. R. Nelson, temporary membership chairman; Richard Havens, temporary publicity chairman; and appointed to study the exemplified Constitution and by-laws were: Joe Bradshaw, Truman Richerson, Bill Moore and Ray Sanders.

These eight local men will be contacting other young men between the ages of 21 through 35 during the next few days.

The Jaycees from the Lubbock chapter who met with the local men Tuesday night, will attend the next meeting which is to be held next Thursday night, March 28, 7:30, at Graham's. After that meeting the local chapter will be on its own; whether it prospers or dies is up to the young men of the Abernathy community.

We invite you to join the Jaycees, an organization of YOUNG MEN AT WORK, building for themselves and their community a "Life" instead of a Living.

The Ester Williams Circle of the W. S. C. S. met March 18 in the home of Mrs. Charles Owens. Mrs. Donald Huffaker brought the devotional and Mrs. Bill Moore read the scripture. Mmes. Harold McCune, A. E. Johnson and Curtis Hall were in charge of the program on "Getting Acquainted With the Mission World."

Mrs. Owens and Jackie Barton served refreshments to Mmes. Bill Grider, Donald Huffaker, Roy Jones, Lewis Lutrick, Harold McCune, Bill Moore, J. A. Nabors, Hilbert Rantz, Juanita Settle, A. E. Johnson, E. M. Jones, J. C. Mills, Ardus Ward and Curtis Hall. We are glad to have Mrs. Ardus Ward join our circle.

Weldon Crow, Chamber of Commerce manager, and Phil Sterrett appeared on KCBT-TV Hospitality Time program Monday afternoon to publicize the C. of C. banquet program scheduled here at 7:30 p.m. Saturday, March 23.

Coach Pete Wilson attended the state girls basketball tourney in Austin last weekend.

Nat Jones of Springfield, Colo., visited relatives here.

AUTO SHOW
LUBBOCK, Mar. 18 -- For the benefit of the Texas Tech Red Raider Club, the West Texas National Auto Show is being held in Lubbock Municipal Coliseum Wednesday through Sunday afternoon. See the advertisement on Page 4 of this paper for further information.

Cotton Meet Is Set Friday

The total market for U. S. cotton can dwindle to 8 million bales or grow to 16 million bales in four or five years.

Facts supporting this statement will be discussed at a special meeting of cotton industry members at Abernathy High School Auditorium on March 22, 8 p.m.

This meeting is one of a series being held in the major cotton growing counties of West Texas. It follows a recent meeting at Lubbock where a representative group of West Texas cotton farmers, ginners, and other industry members listened to basic information on cotton's problem, program, and potential presented by staff members of the National Cotton Council. It was recommended by the group at Lubbock that the information be taken to a wider cross-section of the cotton industry through a series of

similar county meetings. The local planning committee for the meeting is headed by W. D. Sanders, Abernathy Growers, Ginners and Businessmen. Speakers at the meeting will include E. W. Sears, Richard Yeager and Dale Anderson.

FUNDS SOUGHT FOR STRIP CEMETERY
Mrs. U. L. Moreland reminds those who contribute to the Strip Cemetery maintenance fund that money is needed for that purpose. Contributions may be left with Mrs. Moreland at her home, 1101 Ave. D, or mailed to her at Post Office Box 271, Abernathy.

Also on the ballot for the two alderman places will be the names of Lon Carmickle, owner of Lon Cleaners; C. L. Newton, owner of Newton's Radio and TV, and Robert K. (Bobby) McAllister, who is associated with his father in operation of McAllister Grocery & Market. Write-in places will be provided on the ballot.

Voting will be in the city hall club room, with Rev. James I. O'Neill as election judge.

Polls will open at 8 a.m. and close at 7 p.m.

Voting also is scheduled April 2, in the special election to name a U. S. Senator from Texas.

Local Students Win In Hale Spelling Bee

Gid Adkisson, sixth grader in Abernathy Junior High, this week won the Junior Division of the Hale County Spelling Bee at Plainview, and Daphne Matejowsky was the runner-up in the Senior Division or National Spelling Bee.

There were nine contestants in the Junior Division and four contestants in the National Spelling Bee Division, the latter division being won by Peggy Baldwin, a seventh grader in one of Plainview's Junior High Schools.

Gid, son of Mr. and Mrs. Gid Adkisson, Jr., will go to Amarillo April 27 as a guest of the Amarillo Globe News. He will attend the luncheon or banquet and will receive his award there for winning the Hale County Junior Division.

Daphne, daughter of Mr. and Mrs. Elmo Matejowsky, is an eighth grader in Abernathy Junior High.

P-TA Meets Monday

The Abernathy Parent-Teachers Association will meet at 7:30 p.m. in the school auditorium March 25.

The regular meeting date was postponed March 11 because of conflicts. All parents are especially urged to attend and support your school and P-T. A. unit with your interest and attendance.

A very interesting program is being planned. Come and bring your whole family. The children will be interested in the Amateur Hour.

FEED GRAIN BILL DEFEATED

The Feed Grain and Corn Bill which would have benefited this area was defeated in the House of Representatives last week. The vote was split pretty close to Party Lines with the Northern or large city Democrats joining the Republicans to defeat this along with three other corn bills.

Harold Cooley, a strong supporter of feed grains, says that they will try again to get some kind of feed grain and corn legislation this year, but it is very unlikely because Congress is so divided and most Congressmen are against any farm legislation.

The Feed Grain Bill had been supported by the Grain Sorghum Producers Association and Abernathy Chamber of Commerce. Many local farmers sent telegrams and letters to Representatives from this area and State, encouraging the passage of such a bill.

JUNIOR 4-H NEWS
At our meeting on Monday, Neal Davidson, our secretary, read the minutes of our last meeting.

Henry, our president, then called the meeting to order and asked for any old or new business.

Then Mr. Yeates showed us some films. The title was "Feeding and Showing a Lamb." First it showed the table and equipment for the sheering. It showed the lamb before he was worked on. It showed the washing of the wool before the sheering. This made the wool sort of stand up.

Then came the cording. It would make the wool stand up so it could be cut off easily.

Then the sheering. When finished, he looked like a champion lamb.

Then some of the boys talked about their animals. We were then dismissed.

Reporter - Ronnie Anderson

VACATION CHURCH SCHOOL INSTITUTES ARE SLATED

Institutes for the training of Northwest Texas Methodist Conference church workers, who will be taking part in vacation church schools in their local churches during the summer months, will be held throughout the nine districts of the conference from Tuesday, March 26, through Thursday, April 25.

Charles Lutrick of Lubbock, executive secretary of the conference board of education, has announced the following schedule:

Lubbock district workers on Tuesday, March 26, at Crosbyton, Wednesday, March 27, at Forrest Heights Methodist church, Lubbock, and Thursday, March 28, at Forrest Heights Methodist church, Lubbock.

Plainview district workers on Tuesday, April 23, at Floydada; and on Thursday, April 25, at Dimmitt.

CITY VOTE SET APRIL 2

Abernathians will go to the polls Tuesday, April 2, to elect a mayor and two aldermen. Terms of Mayor Edgar Graham and Aldermen Shelton Hardin and W. F. (Bill) Wolf expire this year. Their names will be on the ballot for re-election.

Also on the ballot for the two alderman places will be the names of Lon Carmickle, owner of Lon Cleaners; C. L. Newton, owner of Newton's Radio and TV, and Robert K. (Bobby) McAllister, who is associated with his father in operation of McAllister Grocery & Market. Write-in places will be provided on the ballot.

Voting will be in the city hall club room, with Rev. James I. O'Neill as election judge.

Polls will open at 8 a.m. and close at 7 p.m.

Voting also is scheduled April 2, in the special election to name a U. S. Senator from Texas.

Last Rites Held For J. H. Fuller

Funeral rites were held in Winters Monday for J. H. Fuller, 54, of Dublin, who died Saturday in that city following a heart attack. Mr. Fuller was a former resident of Abernathy community.

Mrs. Lois Fuller of Abernathy attended the funeral.

Revival Continues At Local Church

(By Rev. Arlie Capps)

Revival continues in the Four-square Church at 14th. and Ave. E. Famous international Evangelist and author, Rev. Mabel Tisdale, recently returned from preaching in Missions, Churches, and jails in Old Mexico, is preaching each night.

God is blessing mightily. Many are being saved, also many are baptised with the Holy Spirit. Among those God has healed are: Mrs. Bill Simpson, healed of phlebitis; Mr. John Johnson, hemorrhoids and back healed; Mrs. Dot Moore, healed of sinus; the 9-year old son of Rev. Rottman of Plainview, had no ear drum since six months old and now hears perfectly.

Thursday evening, March 21, Rev. Tisdale will tell how God healed her miraculously, without medicine or an operation, when hit 13 times on the head by her car, which was totally wrecked. She had three holes in her head! The temple hole was deep enough to lay an egg in. Books with complete proof of this thrilling testimony are available.

Thursday night - Colored slides, which Rev. Tisdale risked her life to take, of the services which she held for six months in the jails in Old Mexico.

Saturday night at 8:00 p.m. folks are invited to come to the hall for fun, games, refreshments and magic. A wonderful time was had last week.

Sunday School at 9:45 a.m., features special interesting illustrations.

Sunday morning service at 11 - There will be some illustrations from the Canadian wilds where Rev. Tisdale was almost slain because nearly all of five tribes of primitive Indians left their religion and became Christians. "Cross Carriers" is the sermon topic.

Sunday night - 100 beautiful colored slides by famous masters. Prayers for the sick and afflicted at every service. The pastors, Rev. and Mrs. Arlie Capps, extend a cordial invitation to the public to attend all these services and receive a blessing from the Lord.

Northwest Texas Guild To Meet

SNYDER -- Mary Lou Santillan of Holding Institute, Laredo, will be the featured speaker for the Northwest Texas Conference Wesleyan Service Guild Annual meeting to be held here Saturday and Sunday, March 23-24.

Miss Santillan will speak during the inspiration hour at Trinity Methodist church from 7:15 to 8:30 p.m. Saturday and from 9:30 to 10:30 a.m. Sunday. Ethel Terrell of Lubbock, will report Saturday night on her attendance at a national Conference on Missions held at Buck Hill Falls, Pa., March 3-7.

Registration, home assignments and a tea with the Big Spring district as host will be held from 2:30 to 5:30 p.m. Saturday at First Methodist church.

Supper will be served at Trinity Methodist church from 6 to 7 p.m. with the Snyder guilds as hostesses.

Business will be conducted from 8:15 to 9:30 a.m. Sunday, following breakfast at the Woman's

club. Guild delegates and visitors will attend worship services at First Methodist and Trinity Methodist churches at 11 a.m. Lunch will be served at First Methodist church.

Closing program feature will be from 1:30 to 2 p.m. with Pam-pa and Childress district guilds presenting a skit on cash supply work done by Northwest Texas Conference for Madar Amjer, India, Tuberculosis sanatorium, and the Bisti Navajo Indian mission at Farmington, N. M.

Theme for the meeting will be "The Spirit of Christ - For All Of Life" with emphasis on the guild's first two quadrennial goals: the commitment of every woman to the principles and spirit of Christ for the whole world; and the acceptance of responsibility in the total program of the church.

CARD OF THANKS

We wish to express our sincere thanks to the friends and neighbors who were so kind to us during the recent illness and death of our father, brother, and grandfather.

The Family of J. O. Holleman

Library News

Miss Nannie Belle Ritchey, sister of Mr. H. T. Ritchey, is serving as librarian following the resignation of Mrs. Oma Toler.

New Books

The WSCS of the First Methodist church has given a copy of "The Mind Alive" by Harry and Bonaro Overstreet to the library as a result of study on mental illness.

On the rental shelf (10c per week) are several good books:

"Jericho's Daughters" by Paul I. Wellman. This is the fourth novel concerning the fortunes through the years of Jericho, Kansas. Now the saga is closed with a contemporary novel about the heirs of Jericho's virtues and evils.

"The Distant Music" by H. L. Davis is a story of a wholeheart-

ed people committed to the opening of the West. Three generations of men are depicted in this tale.

"Miracle in the Mountains" by Harnett T. Kane tells the story of how Martha Berry built the Berry Schools. It is filled with warmth and humor and the understanding that Harnett T. Kane brings to all his books.

"The FBI Story" by Don Whitehead takes you behind scenes and into the files of the FBI to reveal the record of America's crusade against crime and subversion.

"The Land They Possessed" by Mary Worthy Breneman captures the feel of the great Dakota prairies. Late in the 19th century, there came to the Dakota Territory thousands of immigrants from the Ukraine. This book is a vision of an earlier America, as fresh as a spring morning on the prairie.

City Garden Club

Nineteen members were present when the Abernathy City Garden Club met Thursday, March 14, 3:00 p.m., in the city hall club

at
Young's Gulf Service

Selling the Boss
"You told me how good you were, when I hired you two weeks ago," said a foreman to one of his men. "Now tell me all over again: I'm getting discouraged."

GASOLINE
IS TODAY'S
BEST BUY

No one knows better than you how much the price of goods you buy every day has gone up. But, did you know that today's gasoline cost is only slightly higher than 1925 prices? (Taxes, of course, are higher.) On the other hand, gasoline is so improved in quality that 2 gallons today do the work 3 did in 1925.

That's another Good reason it is such a pleasure to service your car... where else can you get today's products at yesterday's prices?

WHEAT

AND SMALL GRAINS

NEED NITROGEN!

For the nitrogen your crops need, apply Phillips 66 Ammonium Nitrate. The nitrogen and other plant foods removed by last year's crops must be replenished to maintain higher yields and profits per acre. Wheat and other small grains respond quickly to nitrogen to help stimulate early growth... produce and support bigger heads per plant and more plants per acre.

For fall-seeded small grains, apply nitrogen this spring before plants reach the jointing stage. For spring-seeded small grains, apply nitrogen before seeding or as a top dressing early in the season.

breeding places is the most effective control, he said.

"We have no program that will solve the problem," Powers said.

Peel told the group that the two tarsalis mosquitoes are the encephalitis bearing pests and that the culex tarsalis is known as the "irrigation mosquito" because it is found in great numbers in irrigation areas.

Mosquitos in the larva and pupa stages are most susceptible to control, Peel pointed out. He said possibly 70 per cent of the tarsalis here were bred in lakes. Water that stands six to eight days can produce a crop of mosquitos, he said. Irrigation tail water and irrigated pastures where there are depressions are breeding places for mosquitos.

In mapping a program people

should be familiar with the habits and life cycles of mosquitos in order to make control more effective. He said that the encephalitis outbreaks usually come in two-year cycles.

Peel said it was fortunate for the area that the U. S. Public Health Department furnished personnel and equipment for control last year, and that such aid would not be available in the future except where the president might declare a national emergency.

Elimination of water in lakes where possible, and where not possible, to modify lakes, that is clean them out so that water will stand over a small area, and keep vegetation down, were recommended.

In reply to questions from the audience Peel said that dieldrin has been used effectively in mosquito control and that in some cases a single application has been effective for an entire season.

Peel emphasized that dieldrin is highly toxic and that it could be fatal to livestock that drank from

a lake treated with it.

The question was asked, "Who will assume the responsibility for mosquito control in a lake on a farm?" Comments indicated that if the owner would not assume the responsibility there was nothing that could be done about it.

The health department representatives said that aerial spraying would be impractical because of the tremendous cost.

County Agent Ollie Liner said the Extension Service and Hale County Soil Conservation District were considering mosquito control as a part of their good farming practices programs.

Dr. Heye said that last year Hale County had 77 cases of encephalitis. Swisher County had the highest incidence in relation to population, 21 cases from a population of 10,000.

County Judge Lee Nowlin, called on by Curry who presided, for comment, told the gathering, "It looks like a personal responsibility to every individual in Hale County to destroy mosquitos on his own premises."

Judge Nowlin pointed out that

Abernathy (Texas) Weekly Review Thursday, March 21, 1957 Page 3

County officials have no way of controlling irrigation tailwater and referred to an instance recently when he saw irrigation water running out of a field down a bar ditch a considerable distance to a lake.

There were requests from the audiences of the health department personnel for bulletins on mosquito control and the reply was that none are available. Peel indicated that the department might get out such a bulletin.

The county agriculture agent, city and county officials are cooperating in the mosquito control program which they hope will get an early start. They will be glad to confer with anyone on the problem on their farm or premises.

The mosquito population here is much greater in dry years than in years when there is considerable rainfall. Powers pointed out that when lakes are filled the wind agitation of water is greater and mosquitos don't thrive under such a condition.

RESPONSIBILITY FOR MOSQUITO CONTROL WITH GENERAL PUBLIC

Mosquito control that would prevent another encephalitis epidemic such as plagued the Plains last year is the responsibility of the general public, state health and Hale County officials told a group meeting in Plainview recently.

The meeting, one of five being held over the Plains, was attended by representatives from other towns in the county, county officials, physicians, business people and others. Interest was high as evidenced in the question and answer sessions.

Robert Peel, Lubbock, with the State Health Department vector control, told the group in referring to last year's epidemic, "The condition here was hot. People were astounded at the prevalence of the encephalitis mosquito."

Dr. Randall Heye, Plainview, opened the discussions after Mayor M. B. Hood had welcomed the group and Hoyt Curry, Plain-

view Public safety, health, and welfare director, reviewed Plainview's rather inadequate mosquito control measures last year.

Dr. Heye said encephalitis is a "first cousin" of polio and early cases of the malady often referred to as sleeping sickness last year were diagnosed as such. Fever, headache, nausea, neck stiffness and general restlessness are early symptoms, he said.

He said the prevalent encephalitis here last year was the St. Louis type. The Plains is an endemic area, that is the "reservoir" source for the illness is constantly present.

Fowls and birds are believed to carry the encephalitis "bug" and the disease is not communicable from man to man or from horses to man by insects.

Control of encephalitis is a matter of mosquito control, Dr. Heye told the group. "The problem is not going to be solved by a sanitation measure alone, or a group of people on the payroll, but it is a job for all the county," he emphasized.

He said the outbreak of encephalitis here in 1954 was the Western equine type, while the St. Louis, the more serious of the two types, was prevalent last year.

W. D. Powers, Lubbock, with the

State Health Department, stressed that a mosquito control program should be planned on a long range basis. Elimination of mosquito

YOU ARE URGED TO ATTEND A

COUNTY COTTON INDUSTRY MEETING

Friday, March 22, 1957
At 8 P. M.

In Abernathy School Auditorium

WARNING

The Commissioners Court of Hale County respectfully requests the cooperation of landowners and tenants in Hale County in stopping the practice of plowing up and across the bar ditches, plowing down the shoulders of roads and turning in the country roads of Hale County.

This practice makes it necessary for us to do our work over and over again, a waste of public money.

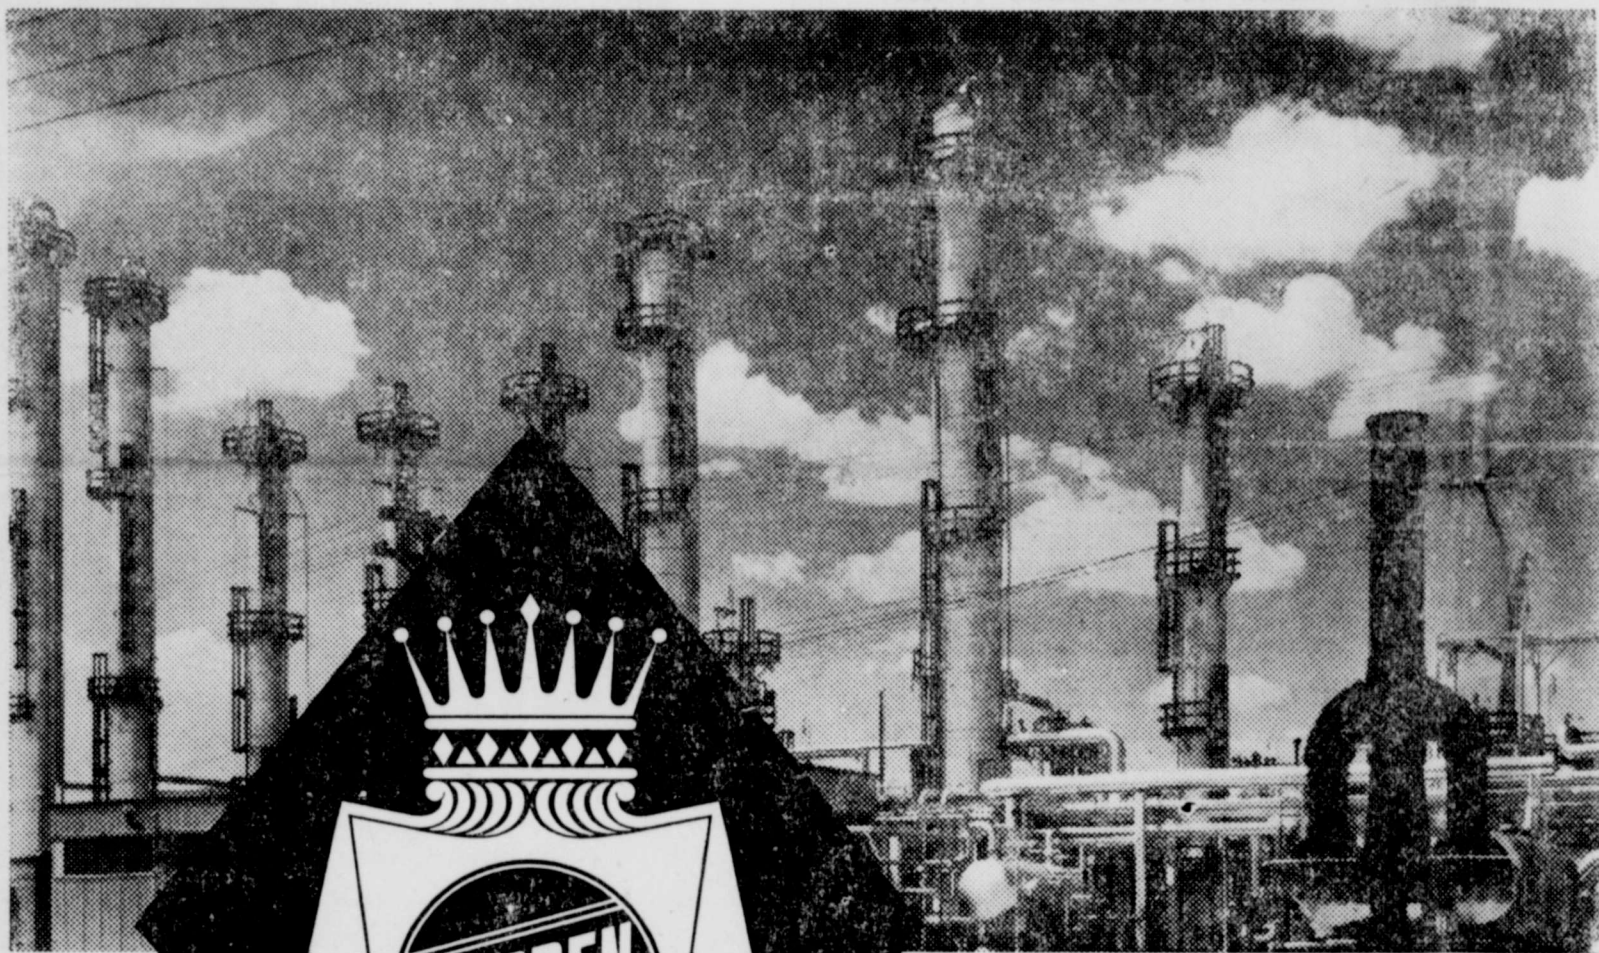

Such practices are subject to legal penalties and in order to properly maintain such roads and protect the lives of those traveling them, these laws must be more strictly enforced.

We have repeatedly asked the public favor in this matter but (in some instances) have failed to receive the full cooperation necessary to properly and economically maintain your county roads.

We sincerely appreciate the cooperation of all who have helped us in this matter and earnestly solicit the cooperation of everyone in the public interest.

We intend to take every reasonable step to protect the public property and to make it safe for traffic. This notice is fair warning to all concerned.

HALE COUNTY COMMISSIONERS COURT

PARTIAL VIEW OF COSDEN'S MULTI-MILLION DOLLAR REFORMING UNIT

PRINCE of PREMIUM GASOLINES!

Cosden recently spent millions, building the world's first fully-integrated Rex-former for just one purpose... to give you the Prince of Premiums! Now, thanks to the completely-new Rex-Forming process, you can have a truly modern fuel... more than matching the ever-increasing demands for higher octanes to power today's high-compression engines. ♦ If you drive a late-model car, insist on a modern fuel... fill up with Cosden Ethyl Gasoline... the Prince of Premiums... Rex-Formed to give you tomorrow's performance today!

Both Cosden Higher Octane Regular and Cosden Premium Ethyl Gasolines combine the dual advantages of the most ultra-modern equipment and the latest refining techniques... both refined in the Southwest to meet Southwestern driving conditions.

**Low feed cost
per
dozen eggs**

That is why 90% of the cage egg producers in the South and Southwest feed Purina Cage Layena.

Almost 3 million hens now are producing eggs in cages in the South and Southwest—and 90% of them eat Purina Cage Layena.

There is only one reason—these cage operators are making more money the Purina Way. They make more money because they get more eggs per bag of feed than on other rations they have tried.

Purina scientists have tested 90 different rations in their Cage Research Farms to find just the right formula for hens in cages. All this testing with many thousands of birds has greatly reduced the feed it takes per dozen and has greatly improved the laying life of caged birds.

Drop in and let us show you the money others are making on Purina Cage Layena.

We have everything you need for success in cages.

HENDRIX-LADUKE WEDDING FRIDAY

Marriage vows for Miss Juanice Hendrix, daughter of Mr. and Mrs. Edwin Lee Thompson, Olton, and Roy LaDuke, son of Mr. and Mrs. L. L. LaDuke, also of that community, were read Friday evening in the Thompson home. Officiating at the ceremony was E. R. Higgins, pastor of the Olton Main Street Church of Christ. Attending from Abernathy were Mr. and Mrs. E. G. Thompson, Pete Thompson and family, Mr. and Mrs. Guy Wilson Thompson and family and Joe Thompson and family.

FRIENDSHIP CIRCLE NEWS

Mrs. E. Lee Stanford was hostess for a covered-dish luncheon at 1:00 p.m. Monday, March 18th, at the parsonage for Friendship

Circle.

Our Prayer Service was led by Mrs. Ray Pinson. Her subject was "Untapped Resources." "The Prayers of Jesus" prayer was led by Mrs. R. A. McAlister. "A Single Pebble", was given by Mrs. Owen Benn. Different members volunteered to open their homes for cottage prayer services before our revival which begins March 31st.

Mrs. H. V. Davis dismissed the session with prayer. Present were: Three new members, Mrs. Millard Hancock, Mrs. W. L. Kerr and Mrs. E. M. Jones. Sr. One visitor, Mrs. August Jones. Others present were: Mmes. C. L. Adams, Frank Tannehill, M. M. Bell, George Ragland, E. B. Lindsey, J. L. Greenwaldt, Owen Benn, R. A. McAlister, H. V. Davis, Ray Pinson and H. L. Howard. The next meeting will be held in the home of Mrs. George Ragland, April 15th.

BIRTHS

Mr. and Mrs. Tom Brogren are parents of a son born March 15. He weighed 6 pounds 13 ounces.

TO WASHINGTON

Picture and story of a recent trip made by Mr. and Mrs. Hol-

lis Barnett is to appear in The Review. They accompanied a group of Farmers Union members to Washington, D. C., to confer with Congressmen. The Barnetts extended their trip by visiting in New York City before starting a leisurely return trip through Southern States.

NAVY BAND COMING TO LUBBOCK

To be presented in concert at the Lubbock Municipal Auditorium on March 23 by Civic Lubbock, Inc., the United States Navy Band is made up of a group of versatile fellows whose first interest is music, closely followed by an affinity for other talents.

Members of the Navy Band are selected not alone on the basis of promising or already proven musicianship, but on the basis of character, intelligence and education, and are themselves among the "Navy's Finest". Many are graduates of some of the great music conservatories of this country, but some enlisted in the Navy in their middle teens and call the Navy itself their alma mater.

The Navy has maintained a School of Music in Washington,

D. C., since 1935. Its graduates are as proud as graduates of many of the fine private conservatories. Some of its high honor graduates go into the Official United States Navy Band with headquarters in Washington and some into fleet bands elsewhere in the Navy sphere. Most aspire to membership in the great official band in Washington.

These men, trained for perfection, give as fine a musical presentation as can be heard anywhere in the world today. Yet, underneath the warmth of the Navy blue jacket beats a heart as interested in the every-day, commonplace activities of America as your very own. Not one is there but what has his special interest, from photography to record collecting, mechanics, writing, amateur gardening, church work, reading, drafting, swimming, hunting, fishing, golf, children and pets, to interest in sanskrit and linguistic reading. Under the direction of Commander Charles Brendler, the United States Navy Band will play two performances in Lubbock. Tickets are on sale at the Auditorium Box Office.

Prices for the special Students

Matinee at 2:30 are \$1.00 on the lower floor and \$.50 in the balcony. For the regular Evening Performance at 8:00, prices are \$2.00 on the lower floor and \$1.00 in the balcony.

"WITH MY
Electric Dryer
I PICK MY OWN
DRYING TIME!"

Says Mrs. Oscar Williams
OF GOODWELL, OKLAHOMA
Teacher and Registrar at Panhandle A. & M. College

"When I arrive home from work at 5 P.M., I usually start my wash-day. So you see why it is so important that I have an electric clothes dryer. I pick my own wash time and day with no dependence on the weather. One of my nightly projects is grading and correcting classroom papers so it is really nice to know that Reddy is working for me. My electric clothes dryer makes it convenient for me and my work and too, my clothes come out so much softer and fluffier," says Mrs. Williams. You, too, can pick your washday time... with an ELECTRIC clothes dryer.

ANNIECE DURHAM AND BILL WILLIS TO WED ON EASTER SUNDAY

Mr. and Mrs. J. W. Durham of Rt. 4, Lubbock, announce the engagement of their daughter, Anniece, to Bill Willis, son of Mr. and Mrs. J. N. Willis of Rt. 1, Ropesville.

The couple will exchange vows on Easter Day, April 21, at 3 p.m. at the Ropesville First Methodist Church.

Miss Durham is a granddaughter of Mrs. Ben Struve of Abernathy.

MARRY IN AGUA DULCE

Wedding rites were read in Agua Dulce, Texas, March 3, uniting Miss Elida Lopez of that city and Andres Ramos, Jr., of Abernathy. The bride is a daughter of Mr. and Mrs. Simon Lopez of Agua Dulce, and Andres is a son of Andres Ramos, Sr.

They are at home here. Mr. Ramos is employed in the service department of Abernathy Motor Co.

DRIVE SAFELY — Look out for the driver who doesn't look out for you.

Abernathians On Texas Tech Honor Roll

Three Abernathians were included on the honor roll at Texas Technological college for the Fall Semester.

They are: Arvella Barrick, school of Arts and Sciences; Ray Aylesworth, engineering; Rowena W. Jackson, home economics.

Roland Hunter of Salt Lake City, Utah, visited here last week in the home of his cousin, Mrs. Jake Parsons.

GIRL SCOUT NEWS

Girl Scout Troop 95 went swimming at Lubbock Friday, March 8. Then Saturday morning our leaders had a kidnap party at Mrs. Sterrett's house. At the close of our party we started selling Girl Scout cookies, and we wish to thank everyone who bought cookies.

We wish to thank Mrs. Nelson for the interesting lesson, hand care she brought to us Wednesday, March 13.

We also wish to thank Mrs. Green of Lubbock for giving a flannelboard lesson in which she told the Brownie Story and the story of our Girl Scout founder, and how Girl Scouting started.

Mineral Wells, Texas

Miss Stout And Dale Arthur Are Married March 7

In a candlelight ceremony at the Lakeview Baptist Church, on Thursday, March 7, at 8 p. m., Miss Dorothy Stout, daughter of Mr. and Mrs. G. M. Stout of Petersburg, became the bride of Dale Arthur, son of Mrs. Dessie Ritchey of Abernathy.

Rev. F. W. Elmore, pastor of the Bethel Baptist Church of Plainview, read the double ring service, before an altar setting of greenery and candelabra holding white tapers.

Miss Wanda Smith, cousin of the bridegroom, played traditional wedding music, and accompanied Mrs. Bill Wadley who sang "O Promise Me," and "Because," as pre-nuptial solos.

The candles were lighted by Miss Nancy Kay Ritchey, sister of the bridegroom who looked very pretty in a green tulle formal, and his cousin, James Waters.

Miss Norma Jean Vernon of Plainview was maid of honor, and bridesmaids were Miss Sue Kitchens of Abernathy and Miss Frankie Sparkman of Plainview.

All of the bride's attendants wore identically styled dresses in blue taffeta with bouffant ballerina length skirts, and had corsages of white carnations.

Escorted to the altar by her brother-in-law, Dwain Jordan, the bride wore a lovely dress of white lace over satin, fashioned with low neckline, and full shirred skirt in ballerina length. Her illusion veil was fingertip length and she carried a bouquet of white carnations arranged on a white Bible.

Jerry Stewart of Lorenzo, was best man, and Bernie Greenwood and Leroy Waters of Abernathy

were groomsmen. Rev. Tony Longval, pastor of the Lakeview Church, and John Starnes of Plainview, ushered.

For her daughter's wedding, Mrs. Stout chose a navy costume with matching accessories and Mrs. Ritchey wore a two piece light blue linen, with white accessories. They had corsages of white carnations.

A reception honoring the couple was held in the Fellowship Hall of the church following the ceremony. Sisters of the bride, Mrs. Dwain Jordan and Mrs. Leroy

Waters, served the tiered wedding cake and punch from the beautifully appointed refreshment table.

Mrs. Arthur is a graduate of Petersburg High School and attended Wayland College the past two years. Mr. Arthur attended Hale Center High School, and for the past few years has been engaged in farming near Abernathy.

After a short wedding trip to New Mexico, the young couple will be at home in Abernathy.

Mr. and Mrs. Douglas Chapman are in Cisco this week.

Now 50 MONTHS' ROAD HAZARD GUARANTEE Plus Lifetime Guarantee! Phillips 66 REAR FARM SERVICE TIRES

- ★ OPEN CENTER, FLEX-ACTION TREAD speeds work — tread cleans itself!
- ★ DUAL-ACTION BARS share wear — give bigger, deeper, stronger bite and steady pulling power!
- ★ REINFORCED BARS, EXTRA-RUGGED SHOULDERS for extra strength — extra-long life!
- ★ GUM LINING guards against chemical action from liquid weighting!
- ★ 50 MONTHS' ROAD HAZARD GUARANTEE plus Lifetime Guarantee on workmanship and materials!

FRONT TRACTOR TIRE

High center-rib gives safe, easy steering action! Double side-ribs hold onto furrow walls, resist slippage.

IMPLEMENT TIRE

Saves time and fuel — lets all free-rolling wheels roll easily! Deep-grooved running ribs fight slippage. Thick tread gives long service.

FARM SERVICE TUBES

Built extra strong! Rubber specially compounded for tractor and implement use. Resists chemical action when liquid weighted. Rear tractor tube has 2-piece valve for easy liquid weighting.

JOHN DEERE TRACTORS Set 6 New Power and Economy Records in Official Nebraska Tests...

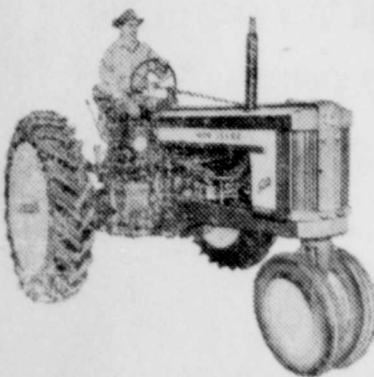

720 SERIES—Tremendous 5-plow capacity (58-plus h.p.) with outstanding fuel economy and general-purpose tractor versatility. Gasoline, LP-Gas, or Diesel engine; general-purpose and standard models.

620 SERIES—Husky 4-plow power (48-plus h.p.) to whip tough jobs; to handle heavy loads and save time. Gasoline or LP-Gas engine; standard and general-purpose models.

520 SERIES—Full 3-plow power (38-plus h.p.) that ranks up with many larger tractors in work output, with many smaller tractors in first cost and operating economy. Gasoline or LP-Gas engine.

Never before in the history of the Nebraska Tractor Tests has any group of tractors set so many new records for power and economy as the new John Deere "520's," "620's," and "720's."

1 The "720" Gasoline, LP-Gas, and Diesel Models broke the horsepower record to become the most powerful row-crop tractors ever tested.

2 The "520" Gasoline Model developed more horsepower hours per gallon of fuel on the drawbar than any other gasoline tractor tested except the new "620."

3 The "520" LP-Gas Model set a new economy record, developing more horsepower hours per gallon of fuel on the drawbar than any other LP-Gas tractor ever tested.

4 The "620" Row-Crop Gasoline Model set a new economy record, developing more horsepower hours per gallon of fuel on the drawbar than any other gasoline tractor ever tested. Same engine available in "620" Standard.

5 The "620" Row-Crop LP-Gas Model developed more horsepower hours per gallon of fuel on the drawbar than any other LP-Gas tractor ever tested except the new "520." Same engine available in "620" Standard.

6 The "720" Row-Crop Diesel Model set a new all-time tractor fuel-economy record, the fourth John Deere Diesel to hold this record in unbroken succession since 1949. Same engine available in "720" Standard.

*See level (calculated); maximum horsepower based on 60° F. and 29.92 in. Hg.

Business located at Ave. C and 13th St. in Abernathy. (1-1-p)

Read the Advertisements in the Abernathy Weekly Review every week.

This week we will continue the study which we began last week. If the Church was established during Christ's earthly ministry, it was only for the Jewish nation. While Jesus was on earth He gave definite orders that His workers were not to go to the Gentiles. He said, "Go not into the way of the Gentiles, and into any city of the Samaritans enter ye not: But go rather to the lost sheep of the house of Israel," Matt. 10:5, 6. This commission Jesus gave is known as the limited commission because it was to the Jews only. The truth of the matter is, the Church was established, salvation was offered under the Great Commission, Matt. 28:18-20; Mark 16:15, 16; Luke 24:46-49. In these passages, Jesus gave His Apostles orders to make known the conditions of salvation to every creature on earth. However, they were to wait in Jerusalem until they had received the Holy Spirit before carrying out His orders, Luke 24:46-49. The Holy Spirit came on

the first feast of Pentecost after Christ's death, thus we again see the impossibility of the Church having been established before that time. Those who would have the Church before the Cross, would have God saving the Jews under one set of conditions and the Gentiles under another. Who would seek to prove this?

Again, if the Church was founded before Christ's death, it was built without the corner stone. Jesus Christ did not become the corner stone until after He had been rejected by the Jews and hanged on the cross, 1 Peter 2:6, 7; Acts 4:11, 12.

The Apostles are declared to be part of the foundation of the Church, Eph. 2:19, 20. If the Church was established before Christ's death, the foundation was faulty. This is true because Judas, one of the twelve Apostles, betrayed Him and Peter denied Him. These Apostles had to receive strength and guidance from the Holy Spirit, Acts 2:1-4.

In the next article we plan to show exactly when and how Christ built His Church. The Church of Christ welcomes you to all of the Lord's services. Lord's Day Bible study begins at 10:00 A. M., and worship at 10:45 A. M. and 6:30 P. M.

Seventh Grade Party
Planned for Friday Night
The seventh grade will hold its annual party in the old gym Friday night. All seventh grade students are urged to be present. Games have been planned that will be of interest to all. The party will start at 7:30 P. M. and last until 10:00 P. M. The party will be under the supervision of the seventh grade teachers and mothers and fathers of the students.

Yearling Football Players
Presented Jackets
At a general junior high assembly Tuesday morning, Coach Royal James and Coach Woodie Coleman presented the football jackets to the boys from Junior High who lettered in football and also to the reserve lettermen.

The following boys were presented with letter jackets: Stanley Davis, Joe Tom Brown, Keith Beard, John Brown, Mike Ritchey, Grady Griffith, J. R. Greene, Ronald Barrick, Larry Florence, Lupe Vecchio, Neal Humphrey, Jacob Torres, Aubrey Smith, Bill Henry, Johnny Adams, Glen Jones, and Donnie Adams.

The reserve lettermen were: Jack Waters, Robert Pope, Lawson Hager, Raymond Smith, Mac Houston, Ray Ingram, George Reagan, Porky Tennell, Jim Stilwell, Dan Thompson, Jim Upchurch, Jimmy Irish, Jerry Gist, Tommy Walker, William Smith, Billy Hooker, and Johnny Bridges.

SCHEDULE OF COMING EVENTS
March 22—Seventh Grade party.
March 22—Interscholastic League One-Act Play—Floydada.
March 23—Chamber of Commerce Banquet.
March 29—Interscholastic League—Tennis for all divisions—Abernathy, Floydada, Lockney—at Abernathy, Times, 10:00 A. M.
March 30—Interscholastic League Volleyball for girls at Floydada.
March 30—Interscholastic League Golf tournament at Floydada.

Abernathy Weekly Review

... In The Palm Of The Plains!

VOLUME 37 Hale County — Abernathy, Texas — Lubbock County

THURSDAY, MAY 29, 1958

NUMBER 20

Fire Truck Parade Friday Will Open Baptist Church Vacation Bible School

The Vacation Bible School of Abernathy First Baptist Church will begin Friday morning, May 30, at eight-thirty with Preparation Day. The highlight of the day will be the annual Fire Truck Parade. Each pupil is encouraged to decorate his bicycle and join the parade. Recognition will be given to the boy and the girl of each age division who has the best decorated bicycle.

The school will be May 30-June 6 in the First Baptist Church

From eight-thirty until eleven-thirty each day, a faculty (fifty-one is on the faculty) that has taken specialized training for the past six weeks will present Bible study, character stories, missionary stories, hand work, recreation, and refreshments to a student body which is expected to exceed four hundred in number.

The commencement Exercises will be held on Friday night, June 6, at eight o'clock. A personalized diploma has been printed and there will be special recognition of the students who have perfect records in attendance, on time, and conduct. Last year the students worked eagerly to obtain this "100% Award."

Every boy and girl between the ages of three and sixteen is encouraged to be a part of the school.

Chitchats From AHS

(By Don Jones, Review Staffman)

The school year of 1957-58 is history! "Chitchats From AHS" for 1957-58 will be history after this week. Therefore the author of this column should like to take this opportunity to thank everyone who has helped in getting the news each week.

The author should like to extend special thanks to Principal J. W. Sollis for the co-operation he gave The Review in getting first hand information from the school.

Thanks also to Mr. Miller, Mr. Mitchell, Mr. Humphrey, all of the coaches, and many others for the co-operation given us this past year.

We, the members of The Review, would like to congratulate the 38 seniors who helped to make this past school year a success. Although this isn't the largest class to graduate from AHS, it is certainly one of the most promising and talented. Good luck former seniors.

We also congratulate the 68 new freshmen who graduated from the eighth grade last week. Welcome to high school SLIMES.

Tryouts for majorettes for next year were held yesterday (Wednesday). Three of last year's four majorettes are candidates for the four positions next year. Last year's majorettes were Jan Williams, Billie Vance Houston, Gwendolyn Sanders, and Linda

Shipman.

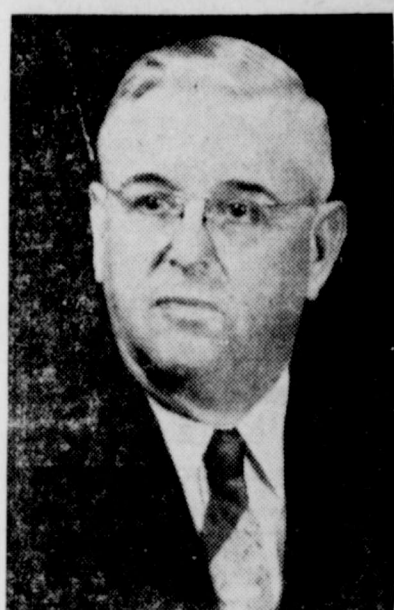

Congratulations to the seniors who were awarded scholarships to various universities. Bo Wright, class valedictorian, received a scholarship from West Texas State College. Sue Williams, class salutatorian, received a scholarship from a college in Missouri and Linda Schreier, third ranking senior, was awarded a scholarship to the University of Eastern New Mexico.

Jimmy Nelson was elected captain of the AHS Antelope Band last week for the 1958-59 school term.

Jimmy, who plays a baritone in the band, will be a senior next year. In addition to serving as junior class president for the past year, Jimmy was a member of the Student Council, guard on the football team, and a member of the AHS Mile Relay team that won district. He is the son of Mr. and Mrs. Clarence Nelson.

Jerry Oswald served as band captain for the past year.

Other band officers that were elected for next school term were Jack Ingram, 1st Lt.; Jimmy Herzing, 2nd Lt.; Billie Vance Houston, 2nd Lt.; Jerry Phillips, senior representative; Price Ameron, junior representative, and Ronald Barrick, sophomore representative. The freshman representative will be elected at a later date.

O. C. LAMBERT

... to Lecture Here

O. C. Lambert of Winfield, Alabama, is to lecture at Abernathy Church of Christ from June 3 through June 6. Lectures will be given each evening at 8 o'clock. The church invites everyone to attend. See the advertisement on page three in this paper for further details.

Recreation Program Begins Here June 2

The school sponsored Summer Recreation Program will begin on Monday, June 2, under the direction of Coach Royal James, head football and track coach of the high school. The program will run through the months of June and July. All Abernathy public school students from the age of nine years through next year's senior class are invited to participate in the activities for their age group.

Swimming, baseball for three different age groups, softball and tennis for young girls, and bowling will form the nucleus of activities for the program.

The first activity to begin the program will be a girls' softball class for girls of the age 10, 11, and 12. Girls interested in this activity should report to the baseball diamond west of the football stadium at 8:30 A. M. Monday morning, June 2. The tennis courts will also be available to girls of this age on Monday, Wednesday, and Friday mornings.

A beginners baseball class for

boys will begin at 9:30 A. M. on Monday morning, June 2, at the baseball diamond. The class will be held on Monday, Wednesday, and Friday mornings.

Boys who are of the ages 11 and 12 and wish to play Small Fry baseball are to meet at the baseball diamond at 4:00 P. M. Boys of the ages 13, 14, and 15, Monday, June 2.

Boys of the ages 13, 14, and 15 who wish to play Junior League baseball are urged to meet at the baseball diamond at 5:00 P. M. Monday, June 2.

The Small Fry and Junior League teams are entered in the South Plains Tri-County Baseball League which includes the following towns other than Abernathy: Hale Center, Idalou, Lorenzo, New Deal, Petersburg, and Ralls. League games will be played on Monday and Thursday afternoons, beginning at 3:30 P. M. Some games may be scheduled at night if arrangements can be made. Abernathy's Smalfry team won the League Championship last year and Abernathy's Junior team won the league tournament.

Included in the recreation schedule this summer will be a bowling night for boys and girls of Junior and Senior High School. This bowling night is scheduled for Tuesday night, and the first trip will be made on Tuesday night, June 3. The bus will leave from in front of the Junior High School at 7:00 P. M. All students that were in Junior High School or Senior High School this past year are eligible to go.

Swimming trips will be made twice a week, on Wednesday and Friday afternoons. All students of the age 9 through next year's seniors are eligible to participate in this activity. The bus will leave from in front of the Junior High School at 12:30 P. M. each Wednesday and Friday. The first swimming trip will be made on Wednesday, June 4. The bus will return around 4:30 P. M. on Wednesday, as the bus will go to K. H. Clapp Pool in southwest Lubbock. On Friday the bus will return around 3:30 as the group will go to the McKenzie Park pool.

You are urged to curb this infectious and dangerous disease by having your dogs and cats inoculated to prevent them from becoming infected should they come in contact with it.

The charge for vaccination is \$2.50 per animal and this could save your life as well as others. Bring your animal to the City Hall Thursday, May 29, 7 P. M. to 9 P. M., and do your part to prevent spread of this terrible disease.

ABERNATHY AIRPORT ACTIVITIES

By W. E. GUERRANT

The Abernathy airport has been the scene of much activity these past weeks. Virgil Rhodes has about 15 students now taking flying lessons regularly. He has attempted to work out a schedule that will enable him to take care of everyone, so if interested you may call for an appointment. The best hours for flight instruction are between daylight and 11:30 A. M., 3:30 P. M., and dark, and there has been some activity almost every day until dark. Rhodes has reserved the time between 11:30 A. M. and 3:30 P. M. for cross country trips or charter, but expects to have someone at the airport most of the time.

Think you are to old to fly? CAA has about 350 active pilots listed over 70 years of age, several of them did not take up flying until they were past 60. Many of the owners and pilots of the light private planes are middle-aged or past. On yes, the private plane owner spends an average of 200 hundred hours per year flying for business and pleasure.

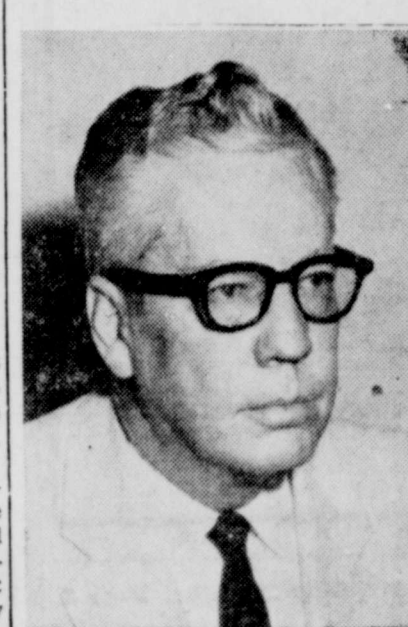

The Rhodes-Davis Flying Service also has two planes available for rent or for charter trips. They will also cooperate with their neighboring airport operators and should be able to help you plan any fast transportation problem. You are invited to the airport for a visit anytime; may get a demonstration in the new Cessna 175. They have a sub dealership for the Cessna line of airplanes with six great Cessnas.

The contract has been let for hangers to be built by James Davis and Virgil Rhodes, T-type construction. The hangers will be built in the administrative area on the east side of the airport. Please use east gate for entrance. The contractor set a completion date of July 1 for the hangers but with favorable weather should have them ready for use by June 15. Application should be made as soon as possible for hanger lease, and may be made to either James Davis or Virgil Rhodes.

The gasoline pumps were installed last week by Phillips 66 and service will include the two most popular aviation gasolines, 80 and 91 octane, which is now available.

The Army has repaired the holes that were left in the runways and removed the Army markings. Glenn Pettit completed drilling a domestic water well near the building area on the east side of the field; so we will soon have an excellent start toward the development of a modern public airport.

Karl L. Lovelady Announces For State Senate, 30th District

KARL L. LOVELADY

Former State Senator Karl L. Lovelady takes this means of announcing for the office of State Senator from the 30th Senatorial District of Texas.

Senator Lovelady's full announcement and platform appears elsewhere in this issue.

Cancer Drive Nets \$365.65

The American Cancer Society wishes to thank all the ladies who helped canvass the city in behalf of the Cancer Fund. A total of \$365.65 was deposited in the bank at Abernathy.

HOLIDAY SET FOR BANK, POST OFFICE

Abernathy First State Bank and the post office will be closed Friday, May 30, Memorial Day. There will be no rural mail delivery that day.

Jane Rieger Announces For Lubbock County Treasurer

Mrs. Jane Rieger, 2003 22nd St., Lubbock, issued formal statement of her candidacy for the office of Lubbock County Treasurer, Saturday, subject to the action of voters in the Democratic primaries this summer.

"In announcing my candidacy for the office of Treasurer of Lubbock County, an office for which I feel I am well qualified, I believe you should have the following facts," her statement said.

Home for 26 Years
"I have lived in West Texas since 1921 and Lubbock County has been my home for 26 years. I am the widow of Odell Rieger. My home is at 2003 22nd St., and my church affiliation is with the First Baptist Church."

"From 1932 until 1945, I was in the abstract business. In 1945, I became a deputy county clerk. I served in that capacity, except for a leave of absence during my late husband's illness, until 1953. "In the title insurance business in New York and Ohio, I acted as escrow agent, closing loans, receiving and distributing funds as well as bookkeeping supervisor. "If elected I shall give competent, courteous service to the citizens of Lubbock County."

MRS. JANE RIEGER

Community Gives Dub Crain Cash Gift of \$836.50

Expressing appreciation for the fine work D. W. (Dub) Crain did with Abernathy school bands during the 1957-1958 school term, residents of the community contributed to a cash gift fund for the popular band director. A committee composed of Chester Pearce, Leland Phillips, E. J. Pope, Jr., and Erroll Givens presented the gift in the amount of \$836.50 to Mr. Crain at the band room recently.

Mr. Crain directed his Antelope and Junior bands to Sweepstakes ratings in the Regional Inter-scholastic League contests last term, and took the Antelope Band to the Tri-State Band Festival in Enid, Okla., where the group took honors and received many compliments.

REPORTS TO CLARK AB PHILIPPINES

(Editor's Note: The following clipping is from the Philippine Flyer, publication at Clark Air Force Base in the Philippines. It concerns Captain Clinton L. Stokes, the son-in-law of Mrs. O. W. Arthur, 1111 14th St., Abernathy.)
Capt. Clinton L. Stokes is a new arrival in the 6207th. He was assigned here from the 904th AC & W Sq. Winslow AFS, Ariz. He is a veteran of 19 years service and has been in the aircraft controllers field since Nov. 1956, when graduated from the Interceptor Controllers School at Tyndall AFB, Texas, as his home. His wife, Carmen, and their two sons, Clinton L. II, and Thane Preston, are residing there until they receive their port call for the Philippines.

Lillian Young, owner of Young's Store in the Harp Building, and Alice Selke were in Dallas this week attending the showing of fall merchandise in ladies ready-to-wear. They made the trip by plane.

R. J. Jones, Jr., went to Bowie Monday to get 2,000 month-old M. Johnson white leghorn chickens. Jones is entering the cage-laid egg production business at their farm southwest of Abernathy. A 34 x 120-ft. building has been constructed to house the business.

Clayton Enger was on petit jury service in District Court in Lubbock.

Mrs. N. C. Hix was called on County Court petit jury panel in Plainview, at 10 A. M. Monday, June 2.

MRS. JANE RIEGER

MEMORIAL DAY SERVICES SLATED

Memorial services will be held at the Abernathy Cemetery on Memorial Day in honor of the war dead. The services which will start at 9:00 A. M., will be held at the Veteran's Grave Spot at the cemetery.

Infant Son Of Local Pastor Died May 21

Walter Neal Helms, who was born May 20, to Rev. and Mrs. Nathan Helms, Jr., of Abernathy, at Hi-Plains Hospital, Hale Center, died at 8:30 P. M., May 21. Funeral rites were held at 2 P. M. Thursday at Abernathy Assembly of God Church, of which the infant's father is pastor.

Rix Funeral Home of Lubbock had charge of funeral arrangements. Burial was Friday in Morris Cemetery near Gladewater.

Survivors other than the parents include two sisters, Lana Sharon and Letha Darlene; the maternal grandparents, Mr. and Mrs. Walter Jackson, Columbus, Ga.; and the paternal grandfather, Nathan Helms, Sr., Cabot, Ark.

FIRST AID COURSE IS COMPLETED

A First Aid Class in Abernathy held six sessions in the City Hall Club Room, with Mrs. May Struve from Hale Center as Red Cross First Aid Instructor. Those receiving instruction were Judy Kiker, Linda May, Ulita Kiker, Ruth Beaton, Marsha Taylor, Betty Sterrett, Horton Struve, James Blalock, Billy Rea Sterrett, Mrs. Jewel Dedmon, Mrs. Martha Reeves, Mrs. Mayo Loper, Mrs. James Anderson, Mrs. Bill Moore, Mrs. Hilbert Rantz, and Mrs. Dan Ward.

BIRTHS

Mr. and Mrs. James Wright are the parents of a son born May 24. He weighed 6 pounds 3 ounces. A daughter, weighing 7 pounds 11 1/2 ounces, was born May 25, to Mr. and Mrs. Lloyd Jones.

Mr. and Mrs. Lawrence Barron, Lubbock, formerly of Abernathy, are parents of a son born May 26. He weighed 5 pounds 13 3/4 ounces, and is a grandson of Mrs. O. O. Hiser of Abernathy.

Mr. and Mrs. Doyle Oswalt and Mr. and Mrs. J. D. Addison attended the graduation exercises at ACC in Abilene this week. Elaine Addison graduated now, and Shirley Oswalt finishes her work at mid-summer term.

Mr. and Mrs. Charles Wilson and daughters are visiting in Illinois.

The Establishment of the Church?

By LOYD E. ASH

There are at least five leading theories as to the time the church or kingdom of Christ was established on earth. All of these cannot be true. In fact, you will see that no two of them can be true for they are contradictory.

One theory says the kingdom has not yet come. Another says it came in 1914. A third says it was established by John the Baptist. Another says it came during the public ministry of Christ. And the last says it came on the day of Pentecost in 33 A. D. Which, if any, of these theories, is true?

Two Theories Rule Out

The first two theories can be ruled out at once. There are positive declarations in the Word of God to the effect that the church or kingdom already existed in the days of the apostles. "And the Lord added to the church daily such as should be saved." Did the Lord add people to something that did not exist? Paul started in Col. 1:13, "Who hath delivered us from the power of darkness, and HATH TRANSLATED US INTO THE KINGDOM of his dear Son." Did you see that? You can't be in something that does not exist, can you? (See also Rev. 1:9). If the kingdom or church was in existence in the days of the apostles, the theory is false which says that it came in 1914, as well as that which says it is yet to come.

Not By John The Baptist

Jesus said: "Verily I say unto you, among them that are born of women there hath not risen a greater than John the Baptist: notwithstanding HE THAT IS LEAST IN THE KINGDOM OF HEAVEN IS GREATER THAN HE" (Matt. 11:11). Did you see that? The LEAST in the kingdom IS GREATER THAN JOHN! But this would not be possible if John were in the kingdom, would it? Therefore, John was not in the kingdom and did not establish it.

You read of the death of John in Matthew 14. But two chapters later, in Matt. 16:18, you hear Jesus saying: "Upon this rock I WILL BUILD MY CHURCH." Jesus used the future tense here, which proves the kingdom of church had not yet come. But John

was already dead. Therefore, John did not establish it!

Not During Jesus' Earthly Ministry

From the above statement in Matt. 16:18 it is evident that Christ would build the church or kingdom later. Also, He said: "There be some of them that stand here, which shall not taste of death, till they have seen the kingdom of God come with power" (Mark 9:1). The apostles were around Him at this time. Therefore, the kingdom was to come during the lifetime of the apostles.

There is no scripture to effect that the church was established during Jesus' earthly ministry. If the kingdom existed before His death on the cross, it was without the benefits of His blood. The blood was shed for our redemption (1 Pet. 1:18-19). If the kingdom existed before Christ's death, then it was a kingdom without redemption. Paul said the kingdom is made up of redeemed people (Col. 1:13-14). Therefore, the kingdom was not established until after the blood of redemption was shed. This rules out the theory.

Established On Pentecost, 33 A. D.

Jesus said the kingdom would come with power (Mark 9:1). But He also said the power would come when the Holy Ghost came upon the apostles (Acts 1:8). Therefore, the kingdom would come when the Holy Ghost came upon the apostles. When was that? Notice Acts 2:1, 4: "And when the day of Pentecost was fully come, they were all with one accord in one place. . . . And they were all filled with the Holy Ghost." This is the day of Pentecost A. D. 33. The kingdom came with the power and with the Holy Ghost.

From this time forward, the church or kingdom is spoken of as being in existence (see Acts 2:47; 20:28; Col. 1:13, etc). Christ now sits on the throne in heaven, at the right hand of God, as Lord and Christ (Acts 2:33, 36).

Any theory of the establishment of the church or kingdom which does not harmonize with these Bible facts is to be rejected as false and without foundation.

Graduation Exercises At East Ward

Graduation exercises were held Wednesday night of last week for students of Abernathy East Ward School.

Joe Mills Harris was graduated from the twelfth grade. Those who were graduated from the eighth grade were Wilbert J. Mathis, Richard A. Minor, and Shirley Webster.

Mrs. Ruby J. Cummings taught grades one through four, and Miss Eugenia Lowe taught grades five through twelve. Miss Lowe will spend the summer in San Antonio, and Mrs. Cummings will be at home in San Angelo.

Bees Necessary To Growers Of Cucumbers

Pollination of cucumbers is absolutely necessary to the successful growing of cucumbers commercially. Unless properly pollinated the yield will be very substantially reduced in value to the commercial grower. One hive of bees per acre is usually recommended though two may be used to good advantage. The more bees the more thorough pollination. From planting time to gathering time is fifty-five days and the bees should be in the field from bloom until harvest is completed, according to Mr. J. C. Herring of W & W Pickle Company.

Couple Given Prison Terms

Five-year penitentiary sentences were assessed a husband and wife in 64th District Court in Plainview Saturday.

The couple, Billy Don Knight, 25, and his wife, Jean, 20, pleaded guilty to charges of burglary of the Edwin B. Braly farm residence west of Abernathy on Feb. 23.

Knight was on parole from the penitentiary. Mrs. Knight is under a two-year sentence for forgery at Amarillo, officials here said.

A-3C Julia Pearl Brashear, former Abernathian, has been transferred from Francis E. Warren AFB, Cheyenne, Wyo., to Carswell AFB, Fort Worth.

Reports from three Texas Agricultural Experiment Station Poultry Diagnostic Laboratories indicate that the incidence of pullorum and typhoid are definitely on the increase in Texas. And this, warns Bill Cawley, Texas supervisor for the National Poultry Improvement Plan, can mean trouble for the State's broiler growers. The industry is urged to take the steps needed to restore the effective program which has existed in Texas for many years.

Graduation Exercises Set At Texas Tech

LUBBOCK — An estimated 800 Texas Tech students will be candidates for degrees during commencement exercises at 8 P. M. Monday, June 2, in Jones Stadium.

Dr. Arthur S. Adams, president of the American Council on Education will deliver the commencement address.

Tech's baccalaureate sermon will be given by Dr. W. Kenneth Pope of First Methodist Church in Houston at 8 P. M. Sunday, June 1, in Jones Stadium.

Dr. Adams is a former president of the University of New Hampshire. He left that position in 1951 to head the council in Washington, D. C.

Dr. Pope has travelled throughout the world as a representative of the Methodist Church. He also has been very active in educational circles, serving on boards of trustees for Southwestern University (Georgetown) and Samuel Houston College (Austin).

He has been a visiting faculty member at Southern Methodist University and has served in numerous Methodist educational policy

PROGRESSIVE BUSINESS AND CIVIC-MINDED PEOPLE OF PLAINVIEW AND VICINITY

This department has been worked up largely as a reflection of public opinion. No person has written of themselves or their business. All articles have been compiled by a representative of The Abernathy Weekly Review as he saw conditions. These people are all leaders in their various lines of endeavor and the co-operation of those citizens in Plainview who helped make this department possible is sincerely appreciated.

R. Q. SILVERTHORNE

Recognized as an authority on all insurance and real estate problems, R. Q. Silverthorne, of the agency bearing his name, has turned his knowledge to the advantage of the people of Plainview and vicinity. More than that, Mr. Silverthorne is a man who has always been vitally interested in the civic betterment and progress of the city and has backed up his interest by lending assistance, in one form or another, to the successful promotion of many things which have benefited the community as a whole. Plainview owes much to such men for their part in making the city the business center of this area.

He has always been alert to the many opportunities for service, and more than ready to recognize and accept his share of civic responsibilities.

Because of these things, R. Q. Silverthorne has become accepted as a progressive business man who is an asset to both the business and industrial life of the city, and we trust he will continue to serve the people of Plainview and the surrounding area in his present capacity for many years.

MURPHY WHITE

In compiling this review of progressive Plainview business people, we have endeavored to select those citizens who, by the manner in which they have conducted themselves and their businesses, have earned for them positions of leadership in their various fields of activities. Such a man is Murphy White of Murphy's Corden & Dealer for Yellow Jacket and Soncraft, and Mercury Outboard Motors in this area.

Mr. White's main interests have not been solely confined to his own business and private affairs, but have also included his contributions, in one form or another, to those projects of a civic nature which come within the scope of his activities.

Murphy White is a man of wide experience whose exploits in the business and civic life of Plainview and vicinity merit more than a passing attention, and the writer is privileged to pay this brief tribute to a man who well deserves more credit than is accorded him here.

B. L. WALKER

B. L. Walker of B. L. Garage, is one of those progressive business men who has always done his bit to maintain the prestige of the city of Plainview as the leading metropolis of this section of the state. He has always worked for the development of the city and his many services are worthy of sincere appreciation.

His well earned success as a business man is easily understood, knowing as the people do his widespread reputation for the honesty which characterizes all of his business dealings.

And it is a combination of technical knowledge, mechanical skill and business ability which has elevated Mr. Walker to a position of leadership in the automotive repair and maintenance business.

He is completely aware of his civic responsibilities and is wide awake to the many opportunities for service, and always ready and willing to lend his support to any project which promises to benefit the community as a whole.

We compliment B. L. Walker on his accomplishments, and wish for him continued success.

S. A. HALEY, P. D. HAMMER and G. G. VERNON

The men in a community who work for the best interests of the community, usually are leaders in whatever they attempt. This is especially true of real estate and insurance men because they are generally among the first to be called on to help with all worthy civic projects. Three such men are S. A. Haley and P. D. Hammer of the Realty Barn, and G. G. Vernon, agent for Farmers Union Insurance, three of the city's better known and more progressive business men. They stand at all times prepared to assist their city and are always ready, if necessary, to take off their coats and work for its best interests.

It is men like Mr. Haley, Hammer and Vernon, who have had the vision to realize the possibilities of Plainview and the surrounding territory and have given of their time and energy to make that vision come true, who have won the respect and good will of their fellow citizens.

We take pleasure in paying this brief tribute to S. A. Haley, P. D. Hammer and G. G. Vernon for being far-sighted business men who are firmly established in the forefront of the business and civic life of their city.

TROY E. POWELL

It is because of the unfailing optimism and faith which he so consistently displays toward the future of Plainview and vicinity that we are prompted to call the attention of our readers to the fine service which Troy E. Powell of the

Troy Powell Transfer, authorized agent for Wheaton Van Lines, Inc., whose offices are now located at 327 Broadway, performs in the successful conduct of his business.

Mr. Powell is an aggressive and resourceful personality whose progressive policies have earned for him a widespread reputation as a business man of more than average ability; and his present willingness to devote some of that ability to the promotion of civic activities further enhances his value to the city.

The safety and efficiency of the operations of the Troy Powell Transfer, reflecting as it does the executive ability of this man, has earned for the firm a well deserved popularity among the people it serves. We are glad to give Troy Powell the credit he so well deserves for his achievements and to wish for him a continued successful career as one of Plainview's more progressive business men.

MRS. ERNIE BROCK

One of the better informed real estate and insurance executives of the city is Mrs. Ernie Brock of the Ernie Brock Insurance and Real Estate Agency.

She has been operating a complete service for her large clientele over a period of time and during that time she has made a great many friends both for herself and for the companies her agency represents.

Mrs. Brock has also contributed considerable of her time and energy to the growth and progress of Plainview and this district, and has been content to take her reward in the quiet knowledge of a work well done and the respect and admiration of her many friends. The value of such a citizen to her city and the surrounding territory cannot be overestimated when considering the many personal sacrifices she has made in order to contribute to the general welfare of the community as a whole.

We congratulate Mrs. Ernie Brock on her splendid reputation and wish for her a continued successful career as a leader in the insurance and real estate field throughout the South Plains area.

VICTOR A. EBELING

In all business and professional pursuits, there are men who have met with success because they have honestly deserved it, and such a man in his field is Victor A. Ebeling of Vick's Machine Shop, one of the very few manufacturers of Casor Bean Harvesters in the world, who well deserves the reputation he has earned for being one of Plainview's more progressive business men. His thorough knowledge of everything pertaining to the machine shop and manufacturing business is exemplified by the manner in which he fulfills each and every demand made upon him in line with his business.

Furthermore, such experience as Mr. Ebeling has gained in the successful management of his business has been turned to the advantage of his fellow citizens by applying the same principles to the promotion of those civic projects to which he has been called upon to lend his able assistance. Thus his success in business has further enhanced his value to the city.

We appreciate the opportunity of including Victor Ebeling in this group of progressive and civic-minded men who are actively taking part in the evolution of the business and industrial life of Plainview.

SAM, REX and TOMMY JENKINS

In every community there are a number of business men who can be pointed out as having taken a three-fold part in the onward progress of their city. Three well-known business men of the South Plains who belong in this category are Sam, Rex and Tommy Jenkins of the Jenkins Farms Gin Company, Inc., formerly the Farmer's Gin.

Their leadership in their line of business is recognized throughout this entire district. And their furtherance of civic activities and support of those organization whose main objectives are directed along lines of civic betterment and community progress is well known to their immediate associates.

The Jenkins are men who are equally well liked and respected by their friends and the community. They are loyal to the community, thankful for their success in business, and have shown their appreciation by their contributions to various civic movements of benefit to the city.

We congratulate Mr. Jenkins and his two sons, Rex and Tommy, for being good citizens, progressive business men and boosters of their community.

MRS. BOB ADAMS and T. A. 'Doc' GARNER

Mrs. Bob Adams and T. A. "Doc" Garner of the Adams Electric Company, are two of those progressive type of citizens upon whom the community depends a great deal for leadership in business or other matters. They are also civic-minded and have, in the past, no doubt will continue in the future to give more of their time and energy for

the welfare of others than themselves.

They are the kind of people who make friends, and friendships once formed by them are never broken by an unfriendly act on their part, and they spare no efforts in order that their services to the surrounding area shall be more dependable.

Mrs. Adams and Mr. Garner have never been known to inject themselves into a situation for the mere purpose of gaining publicity. However, they proceed in a calm and unostentatious manner, and accomplish their objectives with a quiet dignity. We do not hesitate to recommend Mrs. Bob Adams and "Doc" Garner to our readers as good examples of the more progressive type of business people who are aiding in the growth and development of Plainview and the surrounding country.

C. H. SMITH

Our issue today proposes to call the attention of our readers to some of those progressive and civic-minded people who have contributed their share of time and energy to the building up of Plainview and the surrounding territory to the position of prominence which it enjoys at the present.

One of these men to whom we wish to present to our readers is C. H. Smith of the Plains Drug Company, a Plainview firm where pharmacy is a profession and not merely a side-line. He is a man who has never spared himself in his aggressive march forward and one whose competitors respect as much as do all others with whom he comes in contact.

Mr. Smith is at all times conscious of his civic responsibilities and may be depended upon to meet in every detail the many opportunities which present themselves to be of service to the city.

C. H. Smith's record of achievement is one of which he may well be proud. His value to his city and this district is an established fact, and we hasten to give him the credit which is just due.

J. W. 'Jim' PERKINS

It is gratifying to include J. W. "Jim" Perkins of the Rosehill Nursery & Fence Company, in this review of progressive and civic-minded men of Plainview. Aside from his success in business he has always evinced a willingness to take part in some manner in those activities which will promote the growth and progress of the city and the surrounding metropolitan trade area.

Mr. Perkins is a nurseryman and landscape architect who, literally and figuratively, knows his business from the ground up. This knowledge plus his artistic ability and ideals of service have made him one of the more popular nurserymen and landscape architects in Plainview. All of which combined with his sound and upright business principles are sure to keep him in the public's favor.

"Jim" Perkins' integrity, responsibility and thorough knowledge of his business gained through long experience, will always keep him in the forefront of his line. And it is a pleasure to compliment him for his many successes.

JOHN SANDS

It is fitting in this review of progressive Plainview business men that we acquaint our readers with the man to be credited with having maintained the Plains Bowl in the enviable position it holds in the recreational life of this district. That personality is John Sands, whose genius for organization and for converting new ideas into actual deeds has played a vital part in the distinctive recreation which the Plains Bowl now enjoys among the keepers of the South Plains.

Mr. Sands has found time, in addition to his business interests, to give thought and energy to community projects. He is a citizen whose talents have been steadfastly devoted to the best interests of the city.

We are glad to pay this brief tribute to him and to say that this district owes much to the many benefits which John Sands and the Plains Bowl have rendered to the people.

SAM LANGFORD

Sam Langford, superintendent of the Panhandle Compress & Warehouse Company, has won the universal respect and good will of the people of Plainview and the surrounding country for the progressive manner in which he has kept the company in the forefront of the business and industrial life of the South Plains area. Also for the efficient and friendly willingness he has displayed in accepting his share of responsibility in aiding civic projects.

Mr. Langford is not the kind of man who makes himself conspicuous by the manner in which he conducts himself, either in business or other matter. Yet, his quiet reserve and air of confidence mark him as a man of sound judgment whose opinions and advice are sought after and listened to with respect.

We compliment Sam Langford for the successful management of the Panhandle Compress & Warehouse Company, and also for his constructive advice and help on

those civic affairs in which he has found time to interest himself. He is a man whom many are proud to call friend.

COLEMAN WADE

Because this is a period of growth and expansion for Plainview, those progressive business men who had the foresight and ability to lay their plans so as to be able to take advantage of those conditions, are entitled to more than ordinary acclaim. We are therefore, glad to pay tribute to Coleman Wade, Division Manager of the Panhandle Steel Buildings, Incorporated, for he has become a well-known figure in the business and industrial life of this entire area.

Mr. Wade's persistent optimism and steadfast belief in the continued future prosperity of the people of Plainview and vicinity are characteristics which are deserving of our highest praise.

Coleman Wade has also always shown a willingness to do his part in civic advancement and has contributed his bit, in one form or another, to projects promoted for the welfare of the city. We believe that a business man of this kind is entitled to our sincere praise, both because he has achieved success in his private affairs and because he is willing to contribute to the public good.

CURTIS and WELDON NICHOLSON

To be a consistent and persistent booster of any community often takes courage and plenty of optimism. It is because of their unfailing faith in the future of Plainview and the surrounding country, and their unflinching efforts to promote its development, that Curtis and Weldon Nicholson are selected now for this brief tribute.

The Nicholsons have proven very ably that they are restaurant operators of unusual ability, for it is largely due to their ideals of service, coupled with a determination to serve only the very best of food that the Alceve Restaurant holds its high position in the public's favor.

And their personalities and energy in directing the operations of their restaurant are important factors in their outstanding success.

We are glad to pay tribute to Weldon and Curtis Nicholson and to point out to our readers that theirs is the guiding influence responsible for the splendid service and delicious foods, served in a delightful atmosphere, to be had at the Alceve Restaurant in Plainview.

WILLIAM E. PERRY

It isn't the size or volume of a man's business which determines its value to the community in which he lives. But rather by the manner in which it is conducted. Which, to a greater or lesser degree, reflects the personality and character of the individual. The value of William E. Perry's business to his city is a reflection of his progressiveness and a determination to render the utmost in service, a policy which has caused Perry's Culf Service Station to be so well thought of and so widely patronized by the people of Plainview and the surrounding area.

That same progressiveness and ability which has made him so successful in his own service station business has also fitted Mr. Perry to be of assistance on community projects and public drives. Moreover, he does so cheerfully and with a friendly spirit of cooperation that is always more than welcome.

It is a pleasure to include William Perry in this Plainview review of progressive business men, and to wish him further success in his particular field of endeavor.

'THUMP' and JEWELL HEMPHILL

Mr. and Mrs. T. R. Hemphill are two of the more successful restaurant operators of Plainview who, by maintaining a constant standard of service and high quality foods, have made the O K Cafe, located at 619 Ash, one of the more popular eating places in the community. We are glad to give them credit for their well-earned success in a field which is so highly competitive.

It is also a pleasure to give them credit for taking part in community affairs and lending their assistance to various activities and public projects. When to take part in such matters they always do so without ostentation, but in a quiet manner which lends dignity to their cheerful acceptance of their share of the civic load. It is a pleasure to be associated in the promotion of community activities with two such people as Mr. and Mrs. Hemphill.

This review of progressive and civic-minded people of Plainview would not be complete were we to fail to include Jewell and "Thump" Hemphill. Theirs is the kind of success which deserves recognition and we wish them both many more years of the same.

E. L. PLANK

Good motels and tourist courts are indispensable to the progress and development of a growing city such as Plainview. And the Rest Well Motel, combining the best features of both, has accommodated a

great many tourists and business men in a manner that assures them of the continued patronage and good will of the motoring public.

The management of the Rest Well Motel has maintained an ideal of service which is thoroughly exemplified by the manner in which every need of the traveling motorist has been anticipated and prepared for. Nothing is taken for granted; nothing is forgotten, and hospitality and service is always their first and last consideration.

Much of the credit for the splendid reputation of this modern drive-in motel is due to the executive ability of E. L. Plank, whose untiring efforts, foresight and careful attention to detail, have maintained a standard of hospitality and service which would be difficult to surpass. It is a pleasure to say these words of praise about the Rest Well Motel, and its friendly operator, E. L. Plank.

J. H. DOTY

Every progressive and successful business man in Plainview contributes in some manner to the growth and progress of the city. And a man who is always willing to do his part in both civic and business activities is J. H. Doty of the Plainview Rendering Company, Incorporated, who is well known and has many friends and business associates throughout this entire district.

The prominent part that the Plainview Rendering Company is playing in the business and rural life of the South Plains area, mirrors the progressiveness and ability of such men as he. Furthermore, Mr. Doty has also at all times been steadfast in his devotion to the city and the surrounding country, and on many occasions, has lent his support to the successful promotion of meritorious civic projects.

Plainview and this district are fortunate to have such a man as J. H. Doty in a position of responsibility and service and this newspaper feels that it merely reflects public opinion in paying this brief tribute to one of the city's more progressive business men.

J. A. BRADEN

There are many men in their chosen fields who have gained recognition for the progressive manner in which they have conducted their business and accepted their civic responsibilities but who will not permit much to be said of their achievements. But in reviewing a group of such citizens we should include Dr. J. A. Braden of the Plainview Veterinary Clinic, for he is a man who has always done his work effectively even though it has been accomplished in an unobtrusive manner.

Dr. Braden, busy as he is, always manages somehow or other, to do his bit in any movement calculated to benefit the community as a whole. His modesty, however, will not permit him to say the things about himself which are said by his friends, who do so because of a personal knowledge of his professional activities.

We do not hesitate to recommend J. A. Braden to our readers as a citizen who continues at all times to work to the advantage of the people of this entire district.

E. N. CULP

We desire in this Plainview review to call the attention of our readers to the well-earned position which E. N. Culp has reached in the business life of this section. During the comparatively short time he has been the manager in Plainview of the Ponca Wholesale Mercantile Company, he has made many personal friends as well as having earned the good will of his associates for the straightforward manner in which he has conducted his business affairs.

Mr. Culp is working hard to deserve the confidence which the dealers in the South Plains have in him, and he continues to work hard to maintain in every way, that high standard which he has set, not only for himself, but for the management of the Ponca Wholesale Mercantile Company as well.

He has also shown a willingness to assist in every manner at his disposal in the growth and development of the city of Plainview and is always ready to lend his support to civic projects. E. N. Culp deserves our heartfelt congratulations on the splendid record he has already established, and we sincerely hope for his continued success.

FRANK and JEAN COX

We wish in this edition to pay tribute to Frank and Jean Cox of Frank's Fruit Market, for their many services to the city of Plainview and their splendid record of achievements in the business life of the city.

Mr. and Mrs. Cox probably have as wide a circle of friends as any other two people we could name, because they are just naturally the kind of folks who make friends with almost everyone, and always conduct themselves in such a manner as to deserve the respect and good will of all who know them.

Plainview is fortunate in being able to number among its more progressive business people, citizens of this type.

They are always ready and willing to lend their support to the

promotion of any project which promises to benefit this entire district. They may be depended upon, and their services to the people are too many in number to be described here. It may be sufficient to say that we consider Frank and Jean Cox as assets to the community, and progressive business people of whom their city may be proud.

Bill Pope and Weldon Crow fished at Red River, N. M., last weekend.

Lakeview

(From Last Week)

Elza Lambert returned to his home from a Lubbock hospital after an emergency appendectomy May 9.

Mrs. R. E. Anderson is visiting relatives in Chillicothe this week. Rev. Luther Baker, Lakeview Methodist pastor, was commencement speaker for the graduation exercises of the Idalou High School Monday night. His son Curtis was a member of the class.

Sunday night services of the Baptist and Methodist churches were dismissed so members might attend the Baccalaureate services in Abernathy and Petersburg.

Don Rhodes, son of Mr. and Mrs. O. D. Rhodes, Betty Lynn Pittman, daughter of Mr. and Mrs. Crain Pittman, Don Goldston, son of Mr. and Mrs. Bill Goldston, and Patsy Fred, daughter of Mr. and Mrs. N. J. Fred of this community are members of the Petersburg graduation class.

Mr. and Mrs. Lloyd Goldston and La Honda rode in the Pioneer Roundup Parade in Plainview Saturday.

Mr. and Mrs. Bobby Spitzer, Vicki, and Tommy of South Plains attended church services at the Methodist church Sunday and were dinner guests of the Udel Adams. They formerly lived in this community and are moving to Snyder this weekend.

Norman Matthews is receiving treatment in a Lubbock hospital and will probably undergo surgery this week.

Mr. and Mrs. Guy Thompson visited her brother Kent Bolin in Perryton last week.

Mrs. S. M. Harrison is visiting in Burk Burnett this week.

Leo Ammonett returned home from the Methodist Hospital last week where he was a patient for forty-one days receiving treatment for an attack of hepatitis.

LUBBOCK — First Methodist church here will host Tuesday, May 27, to Friday, May 30, to the Northwest Texas Methodist Annual Conference which will consider a \$60,000 campaign to finance improvements at Ceta Canyon Methodist Camp near Canyon, the building of a conference headquarters in Lubbock; a conference builders club organization to aid in the building of new churches to be financed by a 5 cents per member contribution; and the establishment of a fund for the building of a home for the aged.

RECEIVE DEGREES FROM TEXAS TECH

Included in the list of graduates from Texas Technological College, to receive degrees Monday night, June 2, are the following from Abernathy:

Betty Alice Lovelace, daughter of Mr. and Mrs. Frank B. Lovelace. She will receive a Bachelor of Science in Education Degree, elementary education.

James R. Ray, son of Wade Ray, Bachelor of Arts, government.

Jeral Wayne Jackson, Bachelor of Science in Petroleum Engineering. He is the son of Mr. and Mrs. S. R. Jackson.

Elaine Adkisson received a bachelor of science in education degree from Abilene Christian College, at Abilene, in commencement exercises Monday.

Miss Adkisson is the daughter of Abernathy. She will receive her degree in elementary education. She is a member of Future Teachers of America and Delta Theta, a social club.

ABILENE—Don V. Cunningham, son of Mr. and Mrs. W. V. Cunningham of Abernathy is a candidate for the bachelors degree at Hardin-Simmons University. Baccalaureate will be held Sunday, June 1, and commencement will be held Monday, June 2, both at the First Baptist Church here.

Cunningham is a candidate for the Bachelor of Business Administration Degree.

F. H. A. News

Summer homemaking will get under way with a regular meeting of the Future Homemakers chapter on June 2, at 2 P. M. in the Homemaking Cottage.

On June 4, at 2:30 P. M., Miss Fines, Home Economist with Southwestern Public Service, will be assisted by Mrs. Cooke, local homemaking teacher, in demonstrations on Foods for the Deep Freeze and the use of the Electric Range.

All girls enrolled in summer homemaking work, their parents, and any others interested are urged to attend.

On June 10, Miss Virginia Greenwaldt, local school nurse, will be the leader for group work, assisting Mrs. Cooke in a study of home care of the sick.

Later in June, the Future Homemakers will leave for a three day

trip to Quartz Mountain Lodge.

The public is invited to a group meeting on June 24. Miss Novella Hart, home economist from Pioneer Natural Gas Office, demonstrating the ease of Meal preparation with her "Topic Cooking With Gas."

The Summer Roundup and Achievement Day program for all students completing the summer homemaking course will be held on June 27.

The cottage will be open each week day mornings from 9-12, beginning June 2, for any one who wishes to come to use the sewing machines and to receive help with problems in clothing construction, remodeling, and repair.

The people of this community are urged to take advantage of these services.

Enjoy BETTER BROILING the Smokeless Way

with a **GAS** built-in range

BURNER WITH A BRAIN
does away with pot watching,
eliminates burning and boil-overs,
literally turns your every pot and
pan into an automatic utensil.

AUTOMATIC OVEN CONTROL
maintains the temperature set
within a margin of five degrees...
provides completely care-free, "set-
it-and-forget-it" baking or roasting.

True broiling is a LIVE FLAME process...
whether on a spit over an open fire or on the open grill of a restaurant
or steak house. The bright, blue flame of GAS most closely duplicates these methods for
taste and tenderness. And for cleanliness, no other residential fuel can match
GAS. Broiling vapors must be dispersed one way or another. One method is to
deodorize or "cover up" objectionable fumes. GAS does it the "natural" way
with live flame literally CONSUMING vapors. This, plus pin-point heat accuracy and
low operating cost make GAS the choice of food connoisseurs everywhere.
Where food is finest, it's cooked with GAS.

fuel for a growing empire **Pioneer Natural Gas Company**

Linda Roberts Heads F. H. A. 1958-59 Year

The installation of officers for the local chapter of the Future Homemakers of America was held Monday night, May 17, in the high school speech room.

The incoming officers are as follows:

President, Linda Roberts; vice president, Lynnea Bradshaw; corresponding secretary, Claudia Shipman; recording secretary, Betty Struve; treasurer, Becky Hager; historian, Daphne Matejowsky; and reporter-parliamentarian, Sandra Wolff.

In the setting of candlelight, the new officers pledged themselves to uphold the constitution and to perform their duties accurately and efficiently. The retiring officers, Linda Schreier, Sue Williams, Nancy Herral, Sandra Wolff, Peggy Evans, Billie Davis, Daphne Matejowsky, and Becky Hager, were presented red roses, the official flower of the national organization.

Mrs. Cooke reviewed events which will highlight the coming year's program. They include the back-to-school party, the Halloween trick-or-treat, giving of Thanksgiving gifts for the needy, sponsoring a Christmas party for children, Western Day in high school, the annual banquet, the state meeting, and again, the installation of officers for the coming year.

We were very pleased to have two in coming freshman at the meeting and we invite all the freshmen to join in our activities and become active members of the FHA.

The FHA trip will be at Quartz Mountain Lodge in Oklahoma June 18-20. Members planning to go should contact Linda Roberts.

The FHA pins will be in some-times in the near future.

Refreshments were served to the twenty-five present by Ann Stephens, Coleen Bradley, Lynnea Bradshaw, and Linda Roberts.

This is my last official write-up as reporter and I wish to thank all those who read these reports and for everyone's interest in the FHA. Thank you.
Peggy Evans

TIMELY TIPS ON PLANTING

(By Abernathy HD Club)

Crepe Myrtle, the community's recently adopted flowering shrub, is a well known shrub or small tree valued for its summer bloom. It is often called the "Lilac of the South."

Try to plant a few watermelon red crepe Myrtle on the north. They are very lovely. This plant, like others, sometime needs severe pruning because of pests.

Sprays For Vacation Pests

If leaf hoppers attack, use a spray of D. D. T.

For Thrips, aphids, and plant lice use nicotine sulphate spray.

For red spider which we have to contend with in this locality, spray plants with cold water or dust with sulphur.

Feeding too much grain in poultry rations results in reduced growth rate and production, and adversely affects feed conversions, says B. L. Reid of the Department of Poultry Science, Texas A & M College.

Abernathy (Texas) Weekly Review Thursday, May 29, 1958 Page 6

Constant care and attention are necessary for the maintenance of a beautiful lawn. One of the basic factors involved, says E. M. Trew, extension pasture specialist, is mowing. Improper mowing, too high or too close, is responsible for the deterioration of many lawns. He suggests that a copy

of B-203 Home Lawns, be obtained from the local county extension agent for detailed information on lawn care and maintenance.

Bridal Shower Is Given For Miss Thompson

In the spacious colonial home of the Jack Bartons, was the scene of a bridal shower honoring Miss Sharon Thompson, bride-elect of Bob Thomas of Lubbock. Miss Thompson was acclaimed 1957 Miss Young America in 4-H. She was featured in numerous nationally known magazines.

Miss Thompson is the daughter of Mr. and Mrs. Lewis F. Thompson, prominent pioneer family of the Cotton Center community.

Mmes. Foust Sageser, Joe Barton, W. B. Albers, Fitz Benson, Otey Shadden, Frank Moore, Peyton Barrington, Clarence Liles, Bence Jones, J. N. Teague, and

Gill Starnes were co-hostesses.

The chosen wedding colors, yellow and white, were featured in decorations. The lace covered serving table was centered with nosegays of yellow roses and white feathered carnations. Table appointments were crystal and silver. Tall white tapers accented a lovely porcelain lace figurine which was an exact replica of the bridal gown of Mrs. W. B. Albers (Nee Betty Barton).

Guests were registered from Lubbock, Plainview, Littlefield, Houston, Abilene, Hale Center, and Cotton Center. Approximately seventy-five guests attended.

Mr. and Mrs. Walt Cotton visited in the home of their daughter and family in Sundown.

W. S. C. S. NEWS

The Priscilla Circle of Woman's Society of Christian Service met Monday, May 19, at 2:30 P. M. in the home of Mrs. W. M. Medlin, 607 Ave. C.

The meeting opened with prayer by Mrs. R. W. Owens. A lovely program, "God's Measuring Rod," was given by Mrs. J. P. Nystel and Mrs. R. W. Owens. Mrs. H. B. Coggin read this interesting poem:

The Better Way

"I'd rather see a sermon than hear one anytime. I'd rather one should walk with me than merely show the way. The eye's a better pupil and more willing than the ear. Fine counsel is confusing, but examples are always clear, and the best of all the preachers are the men who live their creeds. For to see the good in action is what everybody needs. I can soon learn to do it if you'll let me see it done. I can watch your hand in action, but your tongue to fast may run. And the lectures you deliver may be very wise and true, but I'd rather get my lesson by observing what you do. For I may misunderstand you and the high advice you give, but there's no misunderstanding how you act and how you live."

Mrs. Harold Davis led the closing prayer. Those attending were Dixie Duffee and Mmes. Mary Hamilton, Lena Donnell, M. M. Bell, H. B. Coggin, R. T. Rhodes, W. L. Kerr, Harold Davis, R. W. Owens, J. P. Nystel, A. T. John-

ston, J. L. Greenwaldt, and the hostess.

Next meeting will be in the home of Mrs. W. L. Kerr on June 16.

U. S. broiler production last year exceeded 1.4 billion birds, an increase of 126 percent since 1950. Texas broiler growers produced 103 million birds in 1957 to rank fifth in the nation.

Mr. and Mrs. G. R. Brown and their four children, Karen, Gary, John, and Marlene, are moving here from Conchas Dam, New Mexico. They will occupy a residence on west 14th St. Mr. Brown (Shorty) who moved from here in 1940, is returning to work in Struve's IH Department.

DRIVE SAFELY — Alert today — Alive tomorrow.

Attention, High School Graduates

Learn a trade in six months. LUBBOCK BARBER COLLEGE is the cheapest way to a good profession. It costs only \$250.00, and takes only six months.

Several of our students, who have completed our course, are paying their way through Texas Tech by means of barbering.

Texas Champs in 4-H Achievement

State honors for 1957 were received by two Texas 4-H'ers for outstanding records in the 4-H Achievement program. They were presented with certificates of recognition for their contribution in 4-H Club and community activities.

Clydel Young

The 16-year old winners are Clydel Young, of Cameron county, and John Landers, of Menard county. Clydel was a state delegate to the National 4-H Club Congress held recently in Chicago. Her trip as well as other achievement awards were provided by Ford Motor Co.

Clydel participated in clothing and leadership. She organized and led a clothing club and was an officer in the 4-H Junior Leaders Club.

At the age of 10, John began 4-H work with a flock of sheep. He has since shown several grand champion animals. Helping younger members learn how to shear sheep has been one of the important contributions to his local 4-H work.

The Cooperative Extension Service directs the 4-H Achievement program.

Aluminum Awnings

Humphrey Awnings make your home more attractive and pre-vent rays of the sun striking directly against your window panes. The unobstructed rays of the sun conduct heat into your rooms like a radiator. Increase the efficiency of your air-conditioning system by eliminating unnecessary over-loads from unprotected openings. Use Humphrey Awnings to make your rooms 8 to 20 degrees cooler.

Ample ventilation and circulation of air, eliminating heat pockets, has been engineered into the design of the awning ends and top cover, warm air is drawn off through protected vents at top and on sides.

FORMER SENATOR KARL L. LOVELADY ANNOUNCES FOR STATE SENATE

To The Voters of the 30th Senatorial District:

I take this means of announcing my candidacy for the office of State Senator of the 30th Senatorial District in the forthcoming Democratic Primary. I make this announcement after careful and considered appraisal of the voiced opinions of the many persons who have come to me and that I have gone to see, who have insisted that I make this race based on my past record in the State Senate of Texas to keep the state out of debt and to vote a Vote for all the people and not a vote for the chosen few.

I base my candidacy on the following platform:

HONESTY AND INTEGRITY—

The past few years have brought dark clouds of dishonesty and corruption in our state department, and I for one, if elected your State Senator, propose to do my part to see that the people of Texas shall once again have confidence in our government.

FARMING—

I believe in a broader "Farm-to-Market" road program, by trying to get an additional \$50,000,000 per year to the amount now spent, for more farm roads.

I believe in a much broader rural electrification and rural telephone program so that every farmer will benefit.

I would like to see a state supported experimental farm, to be located in the heart of the vegetable growing district, for experimentation in the growing of vegetables.

I would support a program to conserve our surface water supply by the state expending money for the construction of dams on all rivers and draws where needed. (In doing this we would also have places for recreation right here in West Texas.)

I would amend the present employment law so that the TEXAS EMPLOYMENT COMMISSION would bring into any given area suitable labor to be used on the farm where said labor is not locally available at the time when this labor is most needed by the farmer.

I would vote for and support a stronger seed regulation law in order to put this state on par with other states in seed regulation. I will always oppose any legislation to unionize farm labor.

SCHOOLS—

A stronger emphasis on the teaching of the basic subjects of reading, writing and arithmetic in the lower grades, and on mathematics and science in high school, so that we can better equip our students to preserve our leadership as a nation in the world.

Better pay for all school teachers, and more money for better school plants from the state. (I think teachers should receive salaries equal to other professions of similar education and training.)

I think we should have a state supported Junior College near the center of the district so that buses can run from the various towns carrying students to said college.

BUSINESS—
I would abolish the State Store Tax, State tax levied on stores that sell cigarettes and charge the collection of all taxes and cosmetics, etc., now collected by the merchant to that of the manufacturer who makes them. (In fact I think the merchant, farmer and all retail businesses should be taken out of the business of collecting taxes for either the state or federal government.) It is about time the small business man got a break in this government of ours.

The present "Hot Check" law should be amended so that when any person gives or passes a check without cash, to pay a bill or to receive merchandise, he or she may be handled by the proper court if said check is not honored at the bank for payment.

Any person who makes a bill for groceries, clothing or drugs, same being necessities, the merchant should have stronger laws than we now have for the collection of said debts.

LOAN SHARKS—
I would vote and support a law to place all loan companies under the same regulations as the banks are now under.

CITIES AND TOWNS—
I believe that all cities and towns in the state should be given aid from the state, based on population for use in building streets, alleys and for the purchase of highway rights-of-way through their cities and towns. (As you know, all this expense is now carried by the property tax payer who already has all the burden he can carry.)

PROFESSIONS—
I believe that the present laws regarding the illegal and unethical practice of law, medicine, and healing arts should be strengthened so that the public may be better protected, and any professional person or so called professional person who, either in private, in public, or in print, willfully misleads the public to obtain a client or a patient should be prosecuted for so doing.

WELFARE—

I would give additional aid to all persons under the welfare program where need can be shown to exist. (Any increase in pension checks, etc., would help our economy because they spend their money on the necessities.)

OFFICIAL NOTICES AND CITATIONS—
I would vote for an amendment to the present law on official notices and publications to provide that all official notices and citations now posted at the court house door be published in a newspaper in the county so that the public will be properly informed, and that individual citizens affected will not be deprived of their just rights under our laws.

FREE PRESS—
Our laws should be amended so that all government records and all government meetings shall be open to the press so that the people may be informed on all happenings and acts of the government of state, county and political subdivisions.

TAXES—
The State Comptroller has estimated that by January 1, 1959, the State shall be about \$100,000,000 in debt, thus the next session of the Legislature will be faced with the duty of getting the state out of the "red." I think that this can best be done by the abolishing of needless jobs and the elimination of duplicate functions of various state agencies, none of which render any service to the tax payer. With times getting harder, economy should start at Austin.

I would abolish the State Property taxes, as the property tax payer now has too great a burden to carry in supporting our school, cities and county governments. SINCERELY,

I am not supported by any clique or clan, nor am I fighting any group or individual in this campaign, but if elected your State Senator, I will be your State Senator in fact and in truth, and the fighting that I will do will be on the floor of the State Senate, fighting for your interest. I implore that each person reading this announcement check my past record in the legislative hall of Texas, and as a public spirited citizen in the community in which I reside.

I am outspoken in my beliefs and never ride the fence on any issue. Trusting that you will take this announcement to your heart for the good and future prosperity of this district, and that we all go forward together with progress consistent with our times for the good of all of us.

SINCERELY,
Karl L. Lovelady
