

Well, guess what? Somebody changed the broken record, even though we did get a sprinkle or two, there was no measurable rain.

We attended and do so hope you did, the "Law Enforcement Appreciation Day." Just can't possibly put into words how every bit of it made you feel, from the patriotic songs, led by our Mrs. Glenn (Billie) Roenfeldt, the wonderful master of ceremonies, Judge Bill Carter, the imitable, Mrs. Charles (Emmabeth) Thompson who so perfectly expressed our words of appreciation to these men.

Also all of the law enforcement officers of Mitchell County were recognized, but when our and I did say our Buddy Herberger assisted with the unbelievable pistol shooting, I can't help but thank him from the bottom of my heart for what he has done on so many, many

occasions for each and every one of us.

There were other things of interest to the police helicopter, the display of guns and drugs, and last but by no means least, the good food.

Many thanks goes to each of you for donating the pies which were a very special treat. Couldn't begin to tell you all the people who were there, but if you weren't one of them, then you are the loser!

Had a real good visit of late with our nice John Bell and he showed me his well-equipped pickup. Truly, you wouldn't believe how nice it is and he did a lot of the work fixing it up himself!

Mrs. Lou Shaw called to tell me she had been visiting in Dallas with a very dear friend of hers and also her son, Lewis Ray and his wife, while in Dallas, she saw the "Debbie Reynolds" show and reported it was grand. She's expecting a visit from her sister-in-law for a few days. She also reported that her granddaughter, Stephanie, who lives in Big Spring, was voted "Miss Beauty" of Big Spring High School. She, too, al-

ong with her parents, have paid Mrs. Shaw a visit.

Saw several people out dining--Mr. and Mrs. Gus (Frances) Chesney, Eleanor Jeffries, her niece and two little ones...also saw B. B. Hardee, his daughter, Sheila, and two little cuties...talked shortly with our nice Jay Bob Dement, who was working hard...spied Mr. and Mrs. L. B. (Elizabeth) Elliott shopping.

Talked to our very nice Mrs. Landon (Kathryn) Dorn and she told me the Episcopal Church was having a dinner honoring their new minister and the minister who has been here but is moving.

Had a nice visit with the Francis Winns and their two little ones, Carol Ann and Tracie...saw the friendly and nice looking Bobby Nobles headed for someplace in his pickup...have seen our pretty and popular high school senior, Debbie Walding, several places, the last time heading for band practice.

Just couldn't have nicer neighbors than the A. E. Pettys...saw that nice and always smiling Bill Bloomer driving down the street...also saw Joe Boatright heading down the street, saw Mrs. Boatright too (in the car) but she seemed to be headed for home...have seen the lovely couple, Mr. and Mrs. Murrell (Jan) Blasingame any number of places--what would we do without people like this?...waved at that friendly and always smiling Lon Robertson, didn't see his wife Ruth E. but she's also a delight...just had a second visit with Faye (Mrs. Bernie) Grable, but what a dear she is--too bad we aren't all this way!

HAVE A HAPPY DAY! ! !

CCMP Has New Leaders, Jamboree

The local CCMP group gathered for a Jamboree July 19 at Colorado City's Lake Champion.

Winning tickets were held by Ronnie Bell who won a rifle and by Mavis Marsh who won a radio. Other gifts were presented during the gathering.

During the group's regular meeting Saturday in the Medallion Room new officers for the club were elected.

Elected president was Eddie Alberts; Patsy Graham, secretary-treasurer and Kathy Barker, assistant secretary-treasurer.

It was announced that at 8 p.m. Friday the group will honor Mr. and Mrs. Frank Marsh and their family who will be moving to Maine.

The affair will be in the Lone Wolf Electric Medallion Room and will be a covered dish supper.

The Medallion Room will also be the setting for regular coffee break at 8 p.m. August 16.

We deal with two types of energy:

1. HUMAN

Many businesses and industries are moving into this region from other parts of the country. They've found that we have a willing work force, a sensible tax structure, favorable weather and adequate energy sources.

New industries don't just move into your town by accident.

Sometimes years of personal contacts by your Chamber of Commerce industrial team and the industrial development experts at Lone Star Gas are carried on before the final decision is reached to relocate in your town.

Your Chamber's industrial team, aided by the state, county and utility teams, study the area to make sure the right industry is matched with the right plant site location.

A new business or industry helps your town's economy by providing new jobs and by adding tax dollars for schools and hospitals and other community services.

So when you hear about a new industry moving into your town, call your Chamber of Commerce and thank them for another job well done.

2. NATURAL

To our customers, Lone Star is "the gas company." We serve over one million customers in about 400 cities and towns in Texas. That's a lot of customers... and a lot of responsibility. People depend on Lone Star Gas to have the available natural gas energy whenever and wherever they need it. And we've provided that energy for over 60 years through investments in pipelines, compressor stations and the purchase of new, more expensive gas supplies.

Natural gas produced in the United States provides over ONE-HALF of this country's industrial energy requirements. And the availability of adequate natural gas energy is one of the primary reasons that more and more businesses and industries are moving into this part of the country.

Lone Star Gas is committed to helping your town attract and keep industries that can provide jobs and help the economy. It's just good business for all of us.

City Of Loraine
Operating Expenses & Other Disbursements
For The Year Ended March 31, 1975

Gentlemen:

We have examined the Balance Sheet of the City of Loraine, Texas, as of March 31, 1975, and the recorded receipts and disbursements for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The accounting records are maintained on the cash basis; therefore, accounts receivable due from water and sewer sales, delinquent taxes receivable, accounts payable and accrued and prepaid expenses are not reflected in the financial statements.

The requirements of the Ordinance under Sections 14, 15 and 16 pertaining to the establishment of sinking funds for the 1970 revenue Bonds are being complied with. In order to meet the requirements of these sections for 1975-1976 a monthly transfer to the Reserve Fund of \$130.00 and a monthly transfer to the Sinking Fund of \$385.42 will be necessary.

We have made provision for depreciation of Fixed Assets at a composite rate of 3% per year which is reflected on Page 4.

For general information purposes, the water department records reflected 328 water meter and 265 sewer connections on January 1, 1975, and approximately 40,527,000 gallons of water sold this fiscal year. These figures were not audited and we do not express an opinion thereon.

In our opinion, subject to the explanations on accounting methods made in paragraph 2, the accompanying balance sheet and income and disbursements statements present fairly the financial position of the City of Loraine at March 31, 1975 and the results of its operations for the period then ended, in conformity with generally accepted accounting principles for cash basis accounting applied on a basis consistent with that of the preceding year.

Respectfully submitted,

Joe H. Morren

Legends Behind Symbols

Got a minute? We're going to have a short quiz on Texas history.

The following questions should be answered by either checking a, b or c:

1. The state bird for Texas is a. sparrow, b. crow, c. mockingbird.
2. The state tree for Texas is a. mesquite, b. evergreen, c. pecan.
3. The state flower for Texas is a. bluebonnet, b. poppy, c. rose.

Answers: 1. mockingbird; 2. pecan and 3. bluebonnet. Truthfully, it really is surprising how few Texans know the answers to these questions and can recognize the state symbols when they see them.

And how many of us know that two of these symbols grew from Indian legends? Mrs. C. P. Gary brought to our attention the fact that a number of persons had asked what kind of flowers she had growing in her yard, and strangely enough they were bluebonnets.

So, she did some digging and came up with the legends from which stemmed these two symbols and some facts about the mockingbird.

According to legend, the state flower came into being during a great drought in Texas.

A little Indian girl became concerned that her people might starve so she tried to think what she might do to make the gods look on them with favor. Some great sacrifice was necessary. Suddenly, she knew what it must be.

She would burn her favorite doll as a sacrifice.

A gentle rain came during the night and in the morning the ground where the doll's ashes fell was covered with a beautiful blue flower.

And this was the origin of the Texas state flower -- the bluebonnet.

The legend of the Texas pecan tree is given in the following passage by G. T. Bludworth.

"This little tale came to me from John Lee Smith, of Throckmorton County. It was told to him by a Kiowa Indian with whom he served in the World War.

"Long, long ago the great White Father of the Kiowa Indians, whose home was on the Plains of Texas, lived in their midst, directing them in their war councils, leading them in battles against the enemy, and accompanying them on their hunts.

"He was their personal leader. But the time came when he must leave. He must go to the spirit land, he said. However, he promised to continue to guide his people, through the medicine men, and to return to them when his mission in the spirit world was accomplished.

"He went away.

"But he had no sooner entered the spirit world than the Evil One, who had been watching and hating him for many years, attacked him.

"In the combat that followed, the cohorts of the Evil Spirit and the cohorts of the Good Spirit fought until the whole upper world became an inferno of lightning and thunder.

"In the end the White Father was killed.

"His lifeless body fell to the earth that the Kiowa hunted over. They saw and recognized his form. They buried it in the bed of a stream, carefully covering the grove with rock and gravel.

"The place of the burial became a shrine for periodical visits.

"One time when some red men came to do homage, at it they saw that a green stem had pushed its way up out of the rock. They took this green thing as a good sign.

"As it grew year after year, they saw that it was a new kind of tree in their world.

"At last, after so many years had gone by that only the old men could remember the burial of their White Father, the Indians found some nuts fallen from the great tree that had sprouted out of the grave. They found the meat in these nuts delicious and the nuts excellent for carrying on long hunting expeditions.

"Other trees came from nuts scattered on the ground and after many, many years the nut-bearing trees were growing all along the streams of Texas.

"They called the tree pecan, which means nut."

As for the mockingbird, no legend on how it became the state bird could be found. So instead, how about a few facts about the little creature.

The bird ranges in size from 9 to 11 inches and is the state bird for Texas, Arkansas, Florida, Mississippi and Tennessee.

It breeds from the West Indies to Florida and Mexico and moves to near England, Ohio, Illinois, central Iowa, southern South Dakota, Wyoming and northern California. It winters in the same areas.

They are common in the wild rocky desert of Western Texas. They are also common in rural areas, along roads, around farms and even in small towns.

The male is the singer. From mid-spring to early summer he will jump in the air, turn a summersault and come down still singing.

When the moon is full he may sing all night.

The nest is in bushes or low trees and is made of weed stalks, twigs, grasses and roots.

The female lays two to five eggs during mating season and the eggs take two weeks to hatch. The birdlings leave the nest when they are less than two weeks old generally, and stay with the parent birds until up in the fall, when the family begins to break up.

So here we have it. The legends and some facts behind each of the symbols and it wasn't so hard to have a short history lesson, now was it.

And, who knows, maybe some day it will come up in a conversation!

Manning To Speak Sunday

By MRS. ALTIS CLEMMER
Record Correspondent

WESTBROOK- The Rev. Bob Manning, pastor of Midway Baptist Church in Lamesa, will be guest speaker at the First Baptist Church Sunday.

Speaking at both Sunday services, Rev. Manning will be coming in view of a call as pastor of the Westbrook Church.

The Rev. and Mrs. Manning are the parents of two sons and a daughter and have served the Midway Church for the past five years.

A basket lunch will be served at the noon hour and members and guests are urged and invited to attend these services.

Rev. Fred Smith is interim pastor for the Westbrook Church.

"Working Together" Installation Theme

"Working Together" was the theme used by Mrs. Pauline Smiley of the Fidelas Sunday School Class as she installed the 1975-76 officers for the Dorcas Sunday School Class of the First Baptist Church.

The theme was taken from II Chron. 6:1-3 and was used last Thursday afternoon during the class meeting in the church parlor.

Officers for the class's new year are Teacher, Mrs. J. E. Eckleberry; Assistant Teacher, Mrs. Bessie Todd; Outreach Leader, Mrs. Fannie Cooper; Assistant Outreach Leader, Mrs. Hattie Iglehart.

Also serving as officers will be Secretary, Mrs. W. A. Rose; Assistant Secretary, Mrs. W. R. Motley; Treasurer, Mrs. C. P. Gary; Assistant Treasurer, Mrs. Earl Weber; Recording Secretary, Mrs. Sam Bullock.

and Reporter, Mrs. Nell Scott.

Group captains for the coming club year will be No. 1, Mrs. Nova Dunn; No. 2, Mrs. W. H. Miller; No. 3, Mrs. Gilbert Leach and No. 4, Mrs. Nora Sadler.

Preceding the installation service, Mrs. Fannie Cooper presided during a business session in which officer reports were given. The opening prayer was by Mrs. Eckleberry.

A refreshment plate was served by Mrs. Rose and Mrs. Eckleberry.

Mr. and Mrs. Kenneth Butler and Mrs. Clara Butler visited their daughter and family, Mr. and Mrs. Max Irwin, Tama and Scott in Abilene Tuesday.

Mrs. Kenneth Butler accompanied the Irwins and Tama and a group from Abilene to Canyon to attend the production "Texas" on Wednesday night.

Mrs. Don Culpepper and children of Grand Prairie were guests of Mrs. Cullen Payne Sunday.

Mrs. Cullen Payne accompanied Mrs. Lester Payne of McGregor to Midland and spent last week with her daughters, Mr. and Mrs. John Hayslip and Mr. and Mrs. Billy Harvey and families and with her granddaughter and family, Mr. and Mrs. William Lawrence.

Mrs. Lester Payne went on Odessa and visited Mrs. Pearly Black.

Beverly Johnson, teacher in the Irving Schools, returned to Irving Saturday after spending two weeks with her parents, Dr. and Mrs. Bruce Johnson.

Mrs. Mable Givens returned

home Tuesday from Malone-Hogan Hospital in Big Spring where she had been a patient the past week and underwent surgery on Friday.

Mr. and Mrs. Pierce Givens have returned home after spending a week in Center, Colorado with a daughter and son-in-law, Mr. and Mrs. Larry Holder.

There were approximately 30 persons present for a "get acquainted" party hosted by Mrs. L. R. Dunn for three new women residents of Loraine.

They were Mrs. Duane Roever, wife of the newly appointed minister of First United Methodist Church in Loraine, Mrs. James Donald Clifton, and Mrs. Ken Lightfoot, wife of the new head coach at Loraine High School.

Refreshments were served.

Mr. and Mrs. Roddy Baumann of Kerby, Oregon announce the birth of a baby daughter on July 25.

The 7 pound 2 oz. girl has been named Mikendie Dawn. Paternal grandparents are Mr. and Mrs. Edgar Baumann of Kerby, Oregon, former Loraine residents. Maternal great-grand-

mother is Mrs. Elsa Freeman of Loraine.

Mr. and Mrs. Willard Brock and Robin of Hobbs, New Mexico visited her parents, Mr. and Mrs. Floyd Coffee Tuesday and Robin remained for a visit and accompanied the Coffee's to Canyon where they saw the pageant "Texas" on Wednesday night.

From there they joined Mr. and Mrs. Brock in Ruidoso, New Mexico for a weekend visit, returning home Sunday.

The sing-a-long at the Loraine Nursing Home last Friday was well attended and musicians will present the next musical Friday night.

The T.E.L. Class of First Baptist Church was host for the July birthday party for members of the home having birthdays in the month of July. Those honored were Mrs. Ruth Walker, Mr. Towery, Mrs. Aguilera and Mrs. Naomi Forbus.

The class members presented gifts to these four and served refreshments of cake and punch to all patients.

Guest of Mrs. Jim Johnson Friday until Monday was her sister, Mrs. L.H. Whitacre from El Paso.

Mr. and Mrs. Paul Brown and sons, Michael and Paul Jr., from Lafayette, Louisiana spent

last week with her parents, Mr. and Mrs. Troy Snyder.

Mr. and Mrs. Doyle Mayes and children, Tommy, Debbie and Billy and a nephew, Weldon Walker of Colorado City, arrived home Saturday after a weeks vacation at Red River, New Mexico.

Donna Holman of Dallas spent the weekend with her parents,

Mr. and Mrs. T. L. Holman.

Mr. and Mrs. Howard Tartt returned home Sunday after a weeks vacation at Red River, New Mexico.

After several days there, they went to Ruidoso, New Mexico, where they met a son and daughter-in-law, Mr. and Mrs. Jimmy Tartt of Midland.

The group remained in New Mexico until Sunday.

SCS Members To Attend Meeting

Two local members of the Soil Conservation Society of America will attend the Society's 30th annual meeting in San Antonio August 10-13.

Attending from the Colorado City area will be Van Mills and Gregg Goode.

South Dakota Senator George McGovern will make the keynote address at the 30th annual meeting of the society and theme of the meeting will be "Land Use: Food and Living."

More than a thousand professional conservationists from the United States, Canada and Mexico are expected to attend the four-day meeting, which begins with registration and a reception Sunday.

The Society is a nonprofit scientific and educational organization dedicated to advancing the science and art of good land use. It has about 14,000 members throughout the world.

Speakers at a series of 10 concurrent technical sessions will consider the land use implications of meeting domestic and foreign food demands. They will also discuss the impacts expanded agricultural production will have on the nation's soil, water and other natural resources.

Program Chairman Edward E. Thomas, state conservationist for the USDA Soil Conservation Service in Temple, will preside.

Report On Baptist Session

By IDA BAIRD
Record Correspondent

LORAIN - The Baptist Women of the First Baptist Church of Loraine met at the church Monday at 2:30 p.m. and heard reports from members who had attended the Baptist

Women's Session at Glorieta Baptist Assembly last month. Mrs. T. J. Riden presided over the meeting and Mrs. Roy Baird read the prayer calendar followed with prayer by Mrs. Lynne Compton.

Mrs. Pauline Smiley, Mrs. Bernice Hallmark and Mrs. Harvey Leach answered questions by Mrs. Clara Butler regarding the sessions they had attended at Glorieta.

They gave excerpts of talks by missionaries, workshops promoting various phases of WMU work and told about the Bicentennial program presented at the last night's session.

After the program, Mrs. Riden conducted a short business session and Mrs. Clara Butler read the minutes of the last meeting and gave the treasurer's report.

Mrs. Riden Tells Highlights Of Recent Scandinavian Tour

By IDA BAIRD
Record Correspondent

LORAIN - Mrs. T. J. Riden returned home recently from a three-week tour of the Scandinavian countries.

Highlights of her trip are as follows:

"We flew from New York to Norway and upon arrival in Bergen, Norway the temperature was 54 degrees and they have 24 hours of daylight.

"In every place we landed there was a tour guide to meet us and pilot our group to a bus. As we proceeded to the hotel, we had an interesting and comprehensive tour of Old and New Bergen.

"We had three days in Norway. Leaving there by bus we drove along the Sogne Fjord River, through mountain passes and roaring waterfalls, then cruised on a ferry down the Sogne Fjord, the longest and deepest river in the world.

"In Oslo, we saw the Holmenkollen ski jump, the Frogner Park with unique Vigeland sculpture. On this peninsula we viewed the preserved Viking ships.

"From there we flew to Stockholm, Sweden, to attend the Baptist World Alliance. Stockholm consists of 14 islands, connected by bridges and tunnels, with a 2 million 800 thousand population. Daylight is 20 hours here in the month of July.

"Theme of the Baptist World Alliance was 'A New People for a New World Through Christ.' The Prime Minister of Sweden greeted us as did several other dignitaries. Eighty-four flags formed a circle around the stage and the music presented was part in English and part in Swedish. Earphones were available for everyone who desired them and a button was pushed for the language you would need.

"After four days here we flew to Copenhagen, Denmark. Our tour guide put us on a boat and we cruised through the city. We visited the world famous Tivoli garden where we enjoyed a violin concert. We also saw the Little Mermaid of Hans Christian Andersen's story, the Royal Opera house and the lovely Renaissance Rosenburg castle where the Danish Crown jewels are exhibited.

"Our next stop was in classical Vienna, Austria. There we visited the French Gardens, the Opera House, National Museum, Parliament and Schanbrunn Castle.

"From there we went by rail to Salzburg, Austria. Here we saw the 'Marionettes,' a Mozart opera. We had an afternoon in Germany which was very exciting. We made a mountain drive and traveled to Lake Koenigssee, the most beautiful of German lakes, and here we saw Hitler's hideaway during World War II.

"Every night there was a concert in the park. Again we went by train to Zurich, Switzerland. Our hotel was in Lucerne.

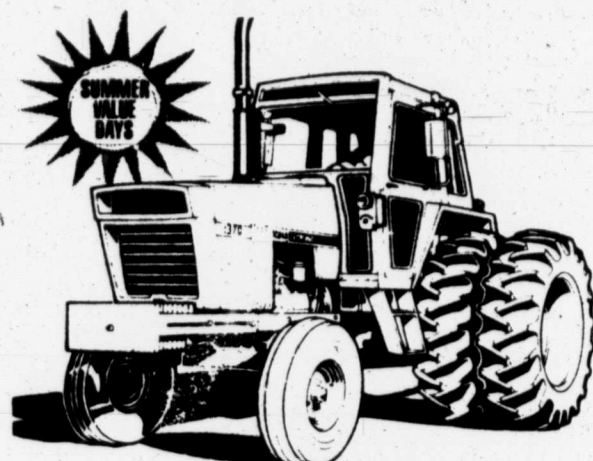

"From the Galleries there are breathtaking views of Lake Lucerne and the Alps. By cog-wheel railway (the steepest in the world) you descend to where a motor boat awaits your return trip across the lake to Lucerne.

"At the top of this summit I paid 80¢ American money for a cup of coffee. We visited the International Seminary at Ruschlicon, Switzerland, across the

lake to Zurich.

"We flew to Madrid, Spain from there. Young men were our waiters, served us on planes, we saw no more young ladies as waitresses after we left New York.

"A 747 plane took us to New York, where we went through customs for the first time. There were 18 in our group with Dr. Taylor Henley from San Angelo as our guide.

Based on latest FPC figures, Texas Electric's residential rates are 27% below the national average.

The average family uses about 750 kilowatt hours of electricity per month. Based on the latest Federal Power Commission figures, Texas Electric's rates for this much electricity are about 27% below the national average.

But the costs of producing your electricity are going up. New supplies of Texas Electric's major generating fuel — natural gas — are harder to get and much more costly. So we're turning to lignite coal and nuclear fuels. While these fuels cost less

than new supplies of natural gas, plants that use them are considerably more expensive to build than gas-fired plants.

This means electricity will have to cost you more.

But we're working to keep your rates reasonable by using fuels that will keep costs lowest in the long run.

AN ORDINANCE FIXING AND DETERMINING THE GENERAL SERVICE RATE TO BE CHARGED FOR SALES OF NATURAL GAS TO RESIDENTIAL AND COMMERCIAL CONSUMERS WITHIN THE CITY LIMITS OF LORRAINE, MITCHELL COUNTY, TEXAS, AND PROVIDING FOR THE MANNER IN WHICH SUCH RATE MAY BE CHANGED, ADJUSTED AND AMENDED.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LORRAINE:

SECTION 1. Effective with the first gas bills rendered from and after thirty (30) days from the date of final passage of this ordinance, the maximum general service rate for sales of natural gas rendered to residential and commercial consumers within the city limits of Lorraine by Lone Star Gas Company, a Texas corporation, its successors and assigns, is hereby fixed and determined as follows:

First 1,000 Cu. Ft. or Fraction Thereof \$3.1277 Gross; \$2.8149 Net
Next 3,000 Cu. Ft. @ \$1.8277 Per Mcf Gross; \$1.6449 Per Mcf Net
Next 6,000 Cu. Ft. @ \$1.7166 Per Mcf Gross; \$1.5449 Per Mcf Net
Next 15,000 Cu. Ft. @ \$1.6277 Per Mcf Gross; \$1.4649 Per Mcf Net
Next 75,000 Cu. Ft. @ \$1.5721 Per Mcf Gross; \$1.4149 Per Mcf Net
Over 100,000 Cu. Ft. @ \$1.5388 Per Mcf Gross; \$1.3849 Per Mcf Net

No gas bill will be rendered to any residential or commercial consumer served under the above rate not consuming any gas during any monthly billing period, except that where customer's only use for gas service is in an outdoor grill and/or a fireplace starter, the amount shown for the first consumption block shall constitute a minimum monthly bill.

ADJUSTMENTS
The amount of each net monthly bill computed at the above-stated rates shall be subject to the following adjustments: Plus or minus the amount of any increase or decrease, respectively, above or below the \$1.0399 per Mcf level in the intracounty city gate charge as authorized by the Railroad Commission of the State of Texas or other regulatory body having jurisdiction for gas delivered to Lone Star Gas Company's distribution system for sale to residential and commercial consumers where such changes are caused by increases or decreases in the cost of gas purchased by the Company, plus an amount equivalent to the proportionate part of any new tax, or increased tax, or any other governmental imposition, rental, fee or charge (except state, county, city and special district ad valorem taxes and taxes on net income) levied, assessed or imposed subsequent to July 1, 1975, upon or allocable to the Company's distribution operations, by any new or amended law, ordinance or contract. Each gross monthly bill shall be adjusted proportionately. Company, at its option, may forego the application of any adjustment if such adjustment would result in an increase in the monthly bill; however, failure of Company to apply any adjustment shall not constitute a waiver of Company's right from time to time, or at any time, to make any adjustment, in whole or in part, in any subsequent current monthly bill that may be applicable to such bill.

Net rate shall apply to all bills paid within ten days from monthly billing date; gross rate shall be applicable thereafter.

The above rate is applicable to each residential and commercial consumer per meter per month or for any part of a month for which gas is used at the same location.

In addition to the aforesaid rates, Company shall have the right to collect such reasonable charges as are necessary to conduct its business and to carry out its reasonable rules and regulations in effect.

SECTION 2. The rate set forth in Section 1 may be changed and amended by either the City or Company furnishing gas in the manner provided by law. Service hereunder is subject to the orders of regulatory bodies having jurisdiction, and to the Company's Rules and Regulations currently on file in the Company's office.

SECTION 3. It is hereby found and determined that the meeting at which this ordinance was passed was open to the public, as required by Texas law, and that advance public notice of the time, place and purpose of said meeting was given.

NOTICE OF BUDGET HEARING
Notice is hereby given that a public hearing will be held by and before the Board of Trustees of Lorraine Independent School District, Lorraine, Texas on August 11, 1975 at 8:00 p.m. in the Home Ec Building at Lorraine School.

Purpose of said hearing is to adopt a budget for the Lorraine Independent School District for the fiscal year beginning September 1, 1975 and ending August 31, 1976.

eratives are doing and he pleased to have more cooperatives in this Congressional district than anyone else in Washington.

Burleson also pointed out to the crowd that in regards to the many problems facing Congress that "We'll do something about it (the many problems)."

In his speech, Richter pointed out that "rural folks don't need to be outsmarted or out-hustled just because they are out-numbered;" also that the 80 rural electric cooperatives can be and should be entities reflecting rural unity, rural cooperation, rural high purpose and rural power.

Richter warned those present to watch out for "common enemies. I won't try to name them specifically, but in a generic sense, they include inflation, they include senseless bureaucracy, they include greed and avarice, they include what I might term the Anti-Rural Attitude."

Wolves Ready For Football

Wolves football players grades 10-12 were issued their shoes Wednesday and began two-day workouts in shorts Monday.

Head football coach Mike Farida said this was in accordance with UIL rules, that the boys work out in shorts for the first four days.

They will work out at 8 a.m. and 6 p.m. Monday through Thursday and get their contact equipment Friday. Freshmen begin work out Friday.

After school starts Monday, August 18, the football players will work out only once a day, getting ready for their first scrimmage with Baird in Baird 7 p.m. August 22.

A second scrimmage is set with Crane in Wolf Stadium 6:30 p.m. August 29 and the rest of the football schedule follows:

--Sept. 5 in Slaton, 8 p.m.
--Sept. 12 here against Sweetwater, 8 p.m.
--Sept. 19 in Big Lake, 8 p.m.
--Sept. 26 here against Post, 8 p.m.
--Oct. 3 in Coahoma, 7:30 p.m.
--Oct. 10 Homecoming against Stamford, 7:30 p.m.
--Oct. 17 Open.
--Oct. 24 in Anson, 7:30 p.m.
--Oct. 31 here against Winters, 7:30 p.m.
--Nov. 7 in Ballinger, 7:30 p.m.
--Nov. 14 here against Hamlin, 7:30 p.m.

Season tickets are now available for the five home games at a cost of \$7.50, a saving of \$2.50 over the gate price of \$2 per game.

4-H Clubbers Enter Record Book Contest
Nine 4-H members from Mitchell County participated on the district level in record book competition Friday.

"Record book competition is a measurement of achievement over the years," says County Extension Agent, Mrs. Janis Choate. Records reveal consistency in achieving goals, experience in projects and activities, leadership development, and growth and development in personal, community and civic responsibilities.

Those representing Mitchell County in the junior division and the awards they received were:

--Nina Bodine, clothing, second place.
--Brad Fincher, foods, second place.
--Jana Bruce, sheep, first place.
--Julie Craighead, dairy foods, first place.
--Dawn Lemons, consumer education, second place.

Senior entrants not placing in the top three categories received participant ribbons. These included:

--Mary Martinez, clothing.
--Pete Fincher, agricultural.
--Kirk Stubblefield, beef.
--Ronnie Miller, swine.
