SANTA ANNA, COLEMAN COUNTY, TEXAS, FRIDAY, SEPTEMBER 21, 1951

NUMBER 38

Dairy Meeting Tuesday Night

Traffic Violations Filed In Local Courts Paid Off

Traffic violations filed and disposed of during the past two months in City Court and the Justice of the Peace Court are as follows:

Leon G. Aguirre, no operators license, fined \$10.00.

Geo. W. Richardson, failure to appear, fined \$14.00.

Geo. W. Richardson, speeding, fined \$19.00.

Wm. Harold Tinney, expired operators license, fined \$10.00.

Delbert Lee Warnock, reckless driving, fined \$38.00.

Henry Edward Baker, no operators license, fined \$10.00.

Julian H. Ragsdale, Jr., speeding, fined \$29.00.

George Randolph Brooks, reckless driving, fined \$38.00.

Grover Thompson, passing in no passing zone, fined \$24.00.

Delma Johnson, unregistered vehicle, fined \$10.00.

Victor Diaz, driving without lights, fined \$15.00.

J. L. Sawyers, no operators license, fined \$15.00.

Harold C. Sherill, reckless driving, fined \$15.00.

He who shows off least shows up best.

Salvation Army Drive Is Nearing Close

Miss Ruby Harper, local chairman of the Salvation Army, said early this week that their drive for funds was near the finish and they hoped to exceed their \$300 quota. Three or four of the local districts have not been reported and very little has been reported from the rural areas. She stated that approximately \$200 has already been deposited in the bank.

The Salvation Army, a most worthy organization, anticipates more calls for help this year than in recent years. Any donation that you can make to help them will certainly be appreciated. If you have not donated as yet, and would like to, you may mail your donation to, or see Miss Ruby Harper.

Visitors in the R. W. Matthews home for the past several weeks were: Pfc D. T. Matthews of Camp McCoy, Wis.; Mr. and Mrs. Otto Fowler of Hobbs, N. M.; Mr. and Mrs. Duane Matthews and baby and Miss Shirley Matthews all of Fort Worth. Pfc. Matthews is to report to Fort Lawton, Washington September 20 for duty in the Far East.

City Announces Tax Increase Of Ten Cents

The city officials announce this week that an increase of ten cents will be added to the tax rate of Santa Anna, effective the first day of October, 1951. This will make the ad valorem tax rate on real property situated in Santa Anna, Texas \$1.10 per \$100 valuation.

Mr. Dick Bass, City Manager, stated that prices of everything they use has increased the same as most other commodities have, and in order for the city to continue operation, they are forced to increase the tax rate.

MRS. J. WILL PARKER PROGRESSING NICELY

Reports early this week indicated that Mrs. J. Will Parker, who has been ill for several months, was progressing nicely. Her brother, Mr. D. J. Winger of Oil City, Pa., visited her from last Friday until Wednesday of this week.

V. L. Grady is in the hospital this week, suffering with a badly broken arm, the result of a fall on the street one day last week. We hope for him a speedy recovery.

Red Cross Blood Bank To Be In Coleman Wed.

Mrs. J. Nixon Niell, disaster nurse chairman of Coleman County for the Red Cross, announced this week that a Red Cross Bloodmobile Unit would be in Coleman Wednesday, September 26, from 10:00 a. m. until 4:00 p. m. The unit will be located at the School Recreation Building, directly behind the Coleman High School building.

The armed forces are in need of blood. They have asked for 2,381,000 pints of blood this year and at present the supply is almost exhausted. Blood plasma has been of great help during the Korean War. During the last 10 months 104,000 pints of blood plasma has been used for the wounded personnel in the Korean conflict. Statistics show that 98 percent of the wounded recover because of the use of blood plasma. It takes 2 1/4 pints of blood to make a pint of plasma. Blood will keep for about 21 days, but plasma will last indefinitely and is of vital need to suffering of war torn countries.

Mrs. Niell and Mrs. Jack Shields have contacted a number of local citizens already who have volunteered to go and give a pint of blood. It was reported that 28 had signed up to do so early this week. However you do not need to sign a pledge to give blood.

If you would like to give some blood to the Red Cross you are requested not to eat any fats for at least 4 hours before giving the blood. Also do not drink any milk unless it is skimmed, the day you plan to give the blood. Otherwise your regular meals may be observed.

Age limit for donors is set from 18 through 59 1/2 years. Donors under 21 years of age must have their parent's consent for them to give the blood.

Here is a way that you can help our boys who are giving their all. Go to Coleman Wednesday, September 26, and give them some of your blood.

Band Members Elect Drum Majors And Twirlers For 1951-52

Sandra Shields, a Santa Anna High School senior, was elected Drum Major of the school for the 1951-52 school year. She served as a twirler her freshman year and for the past two years has been sub-drum major. Joan McClellan, a sophomore, was chosen for sub-drum major.

The twirlers elected for this school year are: Dolores Wise, Suzie Renegar, Mary Jane Turner and Evelyn Oakes. The drum major, sub-drum major and twirlers were elected by popular vote.

Officers elected for the band were: President, Don Davis; Vice President, Donnie Oakes; Secretary-Treasurer, Frances McClellan; Parliamentarian, Rilda Stephenson; Librarians, Shirley LeWellen and Annette Johnson; and Reporter, Jo Ann Dunn.

Mr. Martin, band director, is expecting to have a 50 to 60 piece band within three months.

Mr. and Mrs. James E. Bartlett, his wife and baby of Chintiqua, Va., Air Force Base, has been visiting in the J. Ed Bartlett home the past few days.

Mr. and Mrs. C. W. Stephenson Jr., are this week moving to Abilene, where he will begin working for the Western Cotton Oil Co. Monday.

A meeting of everyone interested in the dairy business will be held in the Lions Room of the Service Cafe Tuesday night, September 25, beginning at 8 o'clock. Every person who is in any way interested in the dairy business is urged to attend. Mr. O. D. Dillingham of Abilene, owner and operator of all the Banner Dairies in West Texas and Mr. Loy Gandy, of San Angelo, owner and operator of all the Gandy's Creameries in West Texas, will be speakers on the program.

The Gandy's Creameries and the Banner Dairies both have programs whereby they offer financial help to prospective dairymen. Both men will explain their programs at this meeting. Both companies are interested in increasing the milk production from this area, and are willing to cooperate with interested parties.

The meeting is being called by the Community Chamber of Commerce. The CC of C has seen the need for a diversified program for farmers and others throughout this section of the state and are planning other meetings for persons who are interested in poultry and egg production, turkey production and other kinds of farming programs that will have income other than directly from the soil. The poultry and egg production meeting has tentatively been set for Oct. 9. Top notch speakers will also be on the program for this meeting.

The drought this country has just experienced should have made the entire population realize the need for a diversified farming program where income can be had other than directly from the soil. It is hoped that every family head in this area

will attend at least one of the planned meetings and join in a study of one of the programs. The CC of C is sponsoring these programs in order to have top men in their fields come here and discuss programs like the above and show proper ways of operating other kinds of interests in order for citizens to be successful, and to give communities a year-round income that will be profitable for everyone concerned.

A large number of local dairymen have indicated they would attend the meeting Tuesday night. Some who have been very successful in the dairy line will hold discussions and offer assistance where they can.

Representatives of large dairy concerns state that the dairy business will furnish profitable incomes the year-round and can be combined with other farming programs whereby money enough to pay for the time and effort put into the program can be earned. No business, farming or otherwise, can be successful unless the person going into it is willing to put forth his best efforts for success. Under the proper guidance, the dairy business can be made to prosper in this area.

If you are one of the many who have been considering some other type program and might be interested in going into the dairy business, be on hand at the meeting Tuesday night. There will be no cost or obligation to anyone. Your presence is all that is requested.

Band Boosters Club Has Watermelon Feast Tuesday Nite

Approximately 100 members of the Santa Anna Band Boosters Club met at the home of Mr. and Mrs. T. K. Martin last Tuesday night for the election of officers for the coming year and to enjoy a watermelon feast.

Officers elected were: President, Mrs. Jack Shields; Vice President, Mrs. Jack Mobley; Secretary, Mrs. Milton House; Treasurer, Mrs. Mark Davis; Reporter, Mrs. T. K. Martin.

Immediately following the election of officers, the president-elect appointed the following committees:

Transportation: Mrs. J. W. Riley chairman, Tony Rehm, Claude Beyll, Roscoe Hosch and George Stewardson.

Membership: Mrs. Claude Beyll chairman, Mrs. Tony Rehm, Mrs. Glenn Haynes, and Mrs. T. J. Adkins.

Finance: Mrs. Jack Mobley chairman, Mrs. J. W. McClellan, Mrs. A. D. Donham, Jr., Mrs. John Hensley, and Mrs. Mark Davis.

Entertainment: Mrs. Carroll Thompson chairman, Mrs. Winfred J. Ray, Mrs. T. K. Martin, Mrs. L. M. Weathers, and Mrs. Somers Turner.

Uniform: Rev. Carroll Thompson chairman, Mr. Harold Straughan, Mr. Mark Davis, Mrs. H. W. Foster, Mrs. J. A. Dunn, Mrs. Roscoe Hosch, Mrs. J. M. House, and Mrs. A. D. Donham, Jr.

After the business session, ice cold watermelon was served to the 100 members present.

Membership in the Band Boosters Club is not limited to parents who have children in the bands. If you are in any way interested in the Santa Anna Bands, you are urged to become a member of the Band Boosters Club.

Their meetings are held each second Tuesday night in the club room of the Service Cafe. Meeting time is 7:30 o'clock.

Mountaineers Win First Game Last Week

The Santa Anna Mountaineers took an early lead in their first game of the season last Friday night and maintained it throughout the game to win over the Rochelle Hornets 19-7 in a non-conference tilt. Passing from the hand of Charles Scarbrough, full back, sparked the team to victory.

This was a usual first game with lots of fumbling on both teams and a number of various other mistakes that the coaches expect to get ironed out before the Friday night game with the Coyotes from Richland Springs.

The Rochelle forward wall played a very good game, not permitting any great amount of yardage to be made by line plunges, but with nine men on the line of scrimmage most of the time they were open for a passing attack that won us the ball game.

FIRST QUARTER

Rochelle kicked to the Mountaineers to start the game. After two first downs and a penalty against Rochelle the fumbles started and for several plays both teams had difficulties in holding onto the ball. Mid-way in the quarter Rochelle kicked to the Mountaineer 24 yard line. Five ground plays put the ball on the Rochelle 40 yard line. Scarbrough tossed a pass to Jay Stewart that made the first counter. Scarbrough also kicked the extra point. Santa Anna kicked to the Rochelle 25 yard line and they returned it to the 45 and fumbled with Santa Anna recovering. Two more plays ended the quarter.

SECOND QUARTER

Santa Anna's ball on the Rochelle 44. A running play gained three yards and a pass failed to click and the ball goes to Rochelle on their 41 yard line. Rochelle made a first down on the Mountaineers 47 then failed to gain in three plays and kicked out of bounds on the Santa Anna 32. The Mountaineers drove the ball to the Rochelle 39 yard line and Scarbrough uncorked another pass to Bobby Stewart that was

good for the second TD. Extra point try failed. The Mountaineers kicked to the Rochelle 15 and they returned to the 25. After a first down an attempted pass was intercepted by Scarbrough and returned to the Rochelle 37 yard line. A fumble gave the ball to Rochelle on their 27, and the half time came up two plays later.

THIRD QUARTER

Santa Anna kicked to the Rochelle 10 and they returned to their 30. Eight plays put them on the Santa Anna 45. An attempted kick cost them seven yards and Santa Anna recovered the ball on their 42. A series of ground plays and a five yard penalty put the Mountaineers in the Rochelle 2 yard line. There the Mountaineers received a penalty that set them back on the 17, from where they pushed to the Rochelle five before losing the ball on downs. The Hornets made a first down and then were penalized back to their seven. Three plays later they kicked to the 50 yard line. Santa Anna took the ball, gained eight yards, lost six, gained 8 more for a first down, lost four yards and fumbled with Rochelle recovering as the quarter ended.

FOURTH QUARTER

Rochelle's ball on the Mountaineer 44. On a series of ground plays the Hornets carried the ball over, with Bob McCartney going over from the 4. The try for extra point was good and the score stood 13-7. Rochelle kicked to the Mountaineer 30 and they returned it to their 43. A series of ground plays, with two five yard penalties costing the Mountaineers heavily, put the ball on the Hornet 24. Billy McClellan connected with Royce McIver with a pass that was good for 22 yards, putting the ball on the 2. Melvin Pollock crashed through center for the final score. Try for extra point failed. Santa Anna kicked to the Rochelle 25. They returned to the 43 after a series of ground plays and fumbled the ball. Santa Anna recovered for one play and fumbled. Rochelle recovered

and two plays later the game ended with Santa Anna leading 19-7.

PLAY RICHLAND SPRINGS

This week the Mountaineers play hosts to the Richland Springs Coyotes on the local field at 8:00 p. m. Friday night.

Two weeks ago Bangs beat the Coyotes and reports indicate that Eden beat them last week end. Last year Santa Anna and Richland Springs tied 6-6. Indication are for this to be a good game, with both teams average weight being near the same and the experience of each player will average about the same.

The Coyote line averages 155 pounds while the Mountaineer line averages 156 pounds. The Coyote backfield averages 145 pounds and the Mountaineer backfield average is 143 pounds.

With a good weeks work-out after the last Friday game, getting mistakes ironed out and a little more passing practice the local eleven should be ready to take this game also.

DISTRICT GAMES

Reports from district teams last week show that Cross Plains beat Baird 13-0; Rising Star lost to Valley Mills to the tune of 41-6; Bangs won over Lohn 26-0; Clyde fell to Rochester 13-0; DeLeon went down to the onslaught of Dublin 39-12. No report has been received on the Wylie-Aspermont game.

Games this week will find Richland Springs at Santa Anna; Bangs at Blanket; Cisco at DeLeon; Abilene (B) at Wylie; Leuders at Clyde; Rising Star at Early; and Eastland at Cross Plains. All are non-conference games.

STANDINGS

Team	SEASON				
	W	L	T	Pct.	Pts Op
Bangs	2	0	0	1000	47 6
Cross Plains	2	0	0	1000	33 6

Santa Anna	1	0	0	1000	19 7
DeLeon	1	1	0	500	44 39
Clyde	1	1	0	500	19 13
Rising Star	0	1	0	000	6 41

O. A. Etheredge To Head Church Campaign

In a recent meeting of the Board of Trustees of the Methodist Church, O. A. Etheredge was appointed to head the Budget-Pledge Campaign which has

been planned by the Board.

Designed to bring wholehearted and active participation of a major part of the congregation, the Budget-Pledge campaign is planned to give every member an opportunity to more actively aid the church in its plans and work. The program will be based on the efforts of numerous committees and other groups. All the committee members have been named. On Monday night, the

Rev. J. D. F. Williams and Tommy Saunders of Coleman, who have had parts in similar programs elsewhere, visited a general meeting of the committees and gave the group the benefit of their experience. The program is to be run concurrently with the Evangelistic Campaign soon to be held by the Methodist Church.

Committees and group leaders organized to carry out preliminary plans are as follows:

General Chairman, A. Etheredge.

Associate chairmen: O. L. Cheaney and W. B. Griffin.

Program: R. K. Green, Thomas Myron Hays, Hardy Blue and Mrs. Jack Mobley.

Publicity: C. N. Perry, A. D. Pettit and Carroll Thompson.

Signs: Loyd Burris, Annette Johnson.

Volunteer Office Help: Miss Bettie Blue, Evelyn Oakes, Evangeline Mulroy and Joyce Rowe.

Score Board: Harry Crews, Jim Harris and O. J. Albright.

Meeting Arrangements, Food: Misses. O. L. Cheaney, J. L. P. Baker, D. D. Blake, Rex Golston, and Geo. Wells.

Telephone: Misses. Lela Hays, B. Wagner, T. R. Sealy, J. J. Kirkpatrick, Chiff Herndon and O. A. Etheredge.

Finance: Audit: O. L. Cheaney, W. B. Griffin, O. A. Etheredge, and Miss Ruby Harper.

Phone Distribution: Ozro Euland, Mrs. J. W. Riley, W. A. Standley, and Rex Golston.

Speakers: Misses. J. M. Hays, Jr., Hardy Blue and Ben Yarborough.

Planned to reach the entire membership, the campaign is designed to meet the needs, immediate and future, of the church.

All activities and goals are directed toward the actual needs to support the plans and work of the church.

The membership will be kept informed of the progress of the campaign; the program will be ever growing, expanding in scope until every member has been reminded of his opportunity to make definite plans toward financially aiding the work of the church.

After a period of preparation and education to further acquaint the membership with the plans and needs of the church, a kick-off dinner will be held October 15 at the church. This part of the program will mark the definite beginning of the financial support and pledge period of the campaign.

State Motor Vehicle Division To Have Meeting In B'wood

Mr. D. C. Greer, State Highway Engineer, announced this week

that a meeting will be held in the County Court Room of Brown County at Brownwood Thursday, September 27, at 8:00 p. m. Representatives of local Motor Vehicle Dealers, Finance Companies, Banks, etc. are invited to attend to discuss procedure used in obtaining registration and Certificate of Title on motor vehicles and attendant problems.

The number of vehicles registered in Texas has now reached 3,137,526 and is expected to increase. It is the desire of the Texas Highway Department to coordinate the work of these business firms, the County Tax Collector and the Motor Vehicle Division in order to render the best possible service to the public.

Mr. T. G. Harris and Mrs. Audrey McBurnett of Brownwood, visited briefly in the J. W. Jordan home Monday afternoon.

Mr. and Mrs. Edward Roesch of Denton, returned to their home Monday after a visit with her parents, Mr. and Mrs. J. W. Taylor.

Who says there's anything cleaner than an automatic Gas range?

EVERYBODY KNOWS that parts of an automatic Gas range lift out for quick and easy dish-pan sudsing — keeps pots and pans shiny bright and kitchens cleaner, too. For finest cooking results on the Gas range you buy, look for the "CP" seal — an unbiased guide to cooking perfection.

Cities Should Observe Rat Control Measures

Because of the economic losses they cause to industry and commerce and the annoyance they create in homes, rats have been considered a serious menace to mankind since long before their role as vectors of diseases was understood. Today at least six diseases which are transmitted to man from the rat are known to medical science, according to Dr. Geo. W. Cox, State Health Officer. These diseases include the dread plague, typhus, trichinosis, a form of jaundice, tape-worm and food poisoning. The whole history of the role rats play in the transmission of disease remains as yet unknown.

"It is necessary to public health," Dr. Cox said, "that a continuous rat control program be maintained in every urban and rural area throughout Texas. This is of especial importance

on farm where rats may flourish by feeding in grain and other farm products.

The doctor pointed out that rats, like other living things, require food and shelter if they are to propagate and increase in number. Destroying their shelter and breeding places includes the employing of ratproof design in buildings, the use of ratproof materials in construction, employing ratproof methods of construction and installation, and providing for periodic inspection of buildings to insure permanent safety. This program will force the rat out into the open where its destruction may be accomplished.

Of equal importance as a control measure is the elimination of all food supplies. This consists of storing all foods in ratproof buildings or in ratproof containers, the proper storage and disposal of garbage, and careful feeding of stock to prevent waste

feed from being picked up by the rats.

By observing these control measures, the community will benefit not only in the eradication of a nuisance and economic menace but in improved health conditions and the prevention of rat-borne diseases.

County Day At State Fair

The State Fair of Texas has set Friday, October 12 as the date to pay special recognition to Coleman County. That day being designated as Coleman County Day.

Outstanding presentation on agriculture from the Coleman county area will be made at the agriculture show. This exhibit will feature live lambs, wool, and its end products in the large diorama devoted to this district of the Texas A & M system. Also shown will be grass samples, cotton, and sorghum plants as well as a model home and a display of the type of work done by farm homemakers in this area.

The people of Coleman County are urged to attend the Fair on this date as representatives of Coleman County.

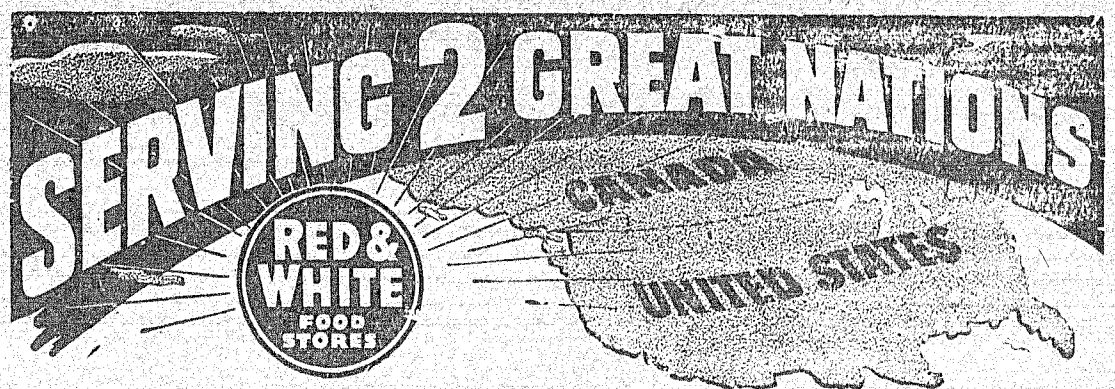

Social Security Man In Coleman Tuesday

Mr. Ralph T. Fisher, Manager of the Abilene office of the Social Security Administration will be at the Department of Public Welfare in Coleman at 1:00 p. m. on Tuesday, September 25. Persons wishing assistance with retirement claims or death claims under the Social Security Act, or needing information about their social security accounts, should call at that time for necessary help and information.

Many self-employed persons do not know that the 1950 Amendments to the Social Security Act extend coverage to them, according to Fisher. This change became effective on January 1, 1951. Self-employed persons now have the same rights to benefit on behalf of themselves and their families as employees.

Self-employment includes individual store owners, partners, pulp-wood operators, owners of shoe shine stands and numerous other business activities. There are 14 specific exceptions for professional people, among them are doctors and lawyers.

Self-employment coverage is not voluntary. The individual is either covered or not covered. The self-employed person's income is not reported until the end of the year and will be reported with his annual income tax return. The first report is due before March 15, 1952. The tax rate is 2 1/4% of the first \$3600 of net business profit.

Self-employed persons who want further information can get a leaflet from the Social Security Administration, 308 Post Office Building, Abilene, Texas, explaining self-employment income.

Civil Service Urges Filing For P. O. Exams

A competitive examination is open for the position of Substitute Clerk Carrier in the Post Office, Paul H. Figg, Director of the Fourteenth U. S. Civil Service Region, Dallas, Texas, announced today. Figg urged all interested persons to make application.

The register established from this examination will be combined with the preceding register. Persons who attained eligibility under the preceding announcement need not apply.

Application forms and more detailed information regarding filing may be obtained at the

local post office. One of the restrictions on filing is that applicants must actually reside within the delivery of the post office or be a bona fide patron of the office.

In discussing the position, Figg said, "appointments are usually made to substitute positions and promotions are to regular positions according to seniority of appointment." Substitutes are required to be available for duty on short notice and generally, they will be working every day.

Mrs. J. V. Browning, Bob and Carol of Dallas, returned home Sunday, after being here with her mother, Mrs. J. W. Parker for a month. Mrs. Browning and Bill came after them.

Dr. Hubert Payne of St. Louis, Mo., and Et. James Q. Barnes of San Antonio, were week end visitors in the Ford Barnes home.

World Citizens

Lesson for September 23, 1951

DO YOU belong to the human race? It isn't as large as you might think.

Hendrik Willem Van Loon once figured out that you could make one box, half a mile long, half a mile wide and half a mile deep, and you could put into that box every man, woman and child in the entire world, packed in like sardines of course, and then you could nail that box up and tip it over into the Grand Canyon.

With the human race no larger than that, isn't it stupid of us not to get together? If you ever read Mark Twain's fascinating tale, "Captain Stormfield's Visit to Heaven," you will remember how that mariner got lost on his way to heaven and arrived at the wrong gate. Since no one at that gate had ever heard of "the earth," the captain finally identified himself as from the Solar System.

Still no one had heard of it. Finally some one discovered it, a tiny dot on an enormous map. The Captain was considerably taken down when he learned how small the earth is in the immense starry universe, and so might we all be.

Passengers on the Same Planet

IN THE EYES of God and his angels, this earth and the people on it do not fill up the big place they fill in the eyes of us mortals. This does not mean that we are unimportant to ourselves, or of no concern to God.

Saint Paul gave us the Christian reason—always the best of reasons—why human beings ought to realize how close together we really are. Speaking to the university crowd at Athens, he quoted from a Greek poet to prove his point: "We belong to His race." (Acts 17:28, Moffatt's translation.)

God made all peoples "from a common origin." In him we live and move and have our being. Remember that Paul was not speaking in a Christian church. Of course Christians are brothers in an even warmer and more living sense; but Paul could say, even to men who were not Christians as he was, that he and they were alike offspring of God, that they all had their being in the same Creator and Father.

The Importance of Being Human
IF WE would only just stop pinning our little tags on people! We call them "foreigners" or "farmers" or "Canadians" or "college boys" or "Chinese." So they are; but the most important fact about Chinese, or fishermen, or farmers or any other class of mankind, is that they are human beings.

What we have in common, as human beings, is infinitely more im-

Eastern Star Has September Meeting

Twenty-two members and one visitor met at the Masonic Hall September 18, for the regular monthly meeting of the Eastern Star. Mrs. Bernice Parmer, Worthy Matron, opened the meeting in regular form. The Chapter gave the Pledge of Allegiance to the Flag.

The minutes of the last meeting were read and approved. A message from the Worthy Matron, Grand Worthy Matron Dunfer, Grand Worthy Matron Committee reports were also given. It was reported that Mr. Z. D. Kemp was at home following a car wreck and hospitalization at Snyder for several weeks.

Mrs. Carmen Donhan reported that ten members attended the meeting, where the Grand Worthy Matron, Mrs. Lucille Dunfer, made a visit. Following the reports, the chapter was closed.

Refreshments of sandwiches, potato chips, olives and cookies were served by Misses. Viona West, Bernice Parmer and Lois Henderson.

Vineyard - Buse

Miss Janell Vineyard, daughter of Mr. and Mrs. John W. Vineyard of San Angelo, became the bride of Jerry Buse, son of Mr. and Mrs. Grady Buse of Santa Anna, in a double ring ceremony at San Angelo Friday, September 7, at 3:00 o'clock.

Immediately following the wedding the young couple left for a short wedding trip to Amarillo, and are making their home in San Angelo, where Jerry has employment.

Blue Bonnet Club Has Interesting Meeting On Thursday

The Blue Bonnet Home Demonstration Club met Thursday, the 13th, in the home of Mrs. J. D. Williamson with the president presiding and welcoming a new member, Mrs. Rube Lobstein. Mrs. Willie Lobstein, who has been an associate member for some time, is again a regular member and the club is very glad to have her attending again.

The pledge and prayer were led by Mrs. E. D. Bouchillon, and the songs were led by Mrs. Rex Barrett. Mrs. Woodrow Wilson reported a large attendance at the club picnic that was held at the Buffalo school on Friday night, September 7. There was fun, ice cream and cake for all who attended. The teachers of the Buffalo school, Mr. and Mrs. H. W. Schultze, took an active part and encouraged those present to continue having a community night. A PTA was organized with Mr. William Brown as president.

More important than the variations which set us off into different races, classes and groups. The Christian will be a loyal citizen of his own land; but he will also remember that he is a world-citizen too. And as a world-citizen, he will always remember certain truths about all his fellow human beings.

One is that since we all have a common humanity, we all stand in need of God. It is not much exaggeration, if any, to say that to be human is to be helpless.

Scholars write books with titles like "The Human Predicament," which is a short way of saying that if you are human you are in a mess. You need God, whoever you are. But if you know that, then also remember that all other members of the human race need him too, quite as much as you do.

Our Lost Brothers

REMEMBER, too, that while all are summoned to the same destiny (as Paul said: "God commands all men to repent"—not just some of them!), many and many a man (must we say, alas, most men?) misses that destiny.

There is a broad road leading to destruction, Jesus said, and many are traveling that road. How can a Christian be indifferent about a thing like that? Every man on the dark road is a man who might be a Christian.

From the dead-end road of selfishness, hatred and pride he might come over to the highway of God . . . if some one took the trouble to go after him. But we shall not bother ourselves much, we shall not bother ourselves enough, about our lost brothers, unless we have the world-citizen's eye and the world-Christian's heart.

(Copyright 1951 by the Division of Christian Education, National Council of the Churches of Christ of the United States of America. Released by WNU Nations.)

The meetings will be the first Friday night in each month. On October the 5th there will be a meeting with the men in charge of the program. It should be fun. Come out, meet your neighbor and take part in the program. You will be glad you did.

Mrs. Woodrow Wilson gave the council report.

After the business session the members enjoyed a program on the Country Government and people of England.

Mrs. E. D. Bouchillon gave a demonstration on making nylon corsages and exhibited some very attractive ones.

The hostess served an attractive refreshment plate to two visitors: Mrs. Lloyd Price and Mrs. A. K. Grimes; and Misses. E. D. Bouchillon, John Lauder, Solan Wilson, Leroy Curry, Rube Lobstein, Woodrow Wilson, Willie Lobstein and Miss Thelma Casey.

Miss Gladys Darden, specialist in family economics, will meet with the Blue Bonnet club at the next meeting, on Thursday, Sept. 20, at 2 o'clock in the home of Mrs. Woodrow Wilson. Miss Darden will talk on "Family Management". Visitors are invited.

Trickham 4-H Club Meets

The Trickham 4-H Club met at 4:30 p. m. September 13 at the home of their community leader, Mrs. Oscar Boenicke. The meeting was opened by the ones present giving the 4-H motto.

Pledge and Prayer.

Election of officers for the coming year was held, with the following being elected: President and Recreation Leader, Roberta James; Vice President, Wilma Bardley; Secretary-Treasurer and Reporter, Oda Nann Stearns.

Those present were Misses Bradley, Stearns and James; two visitors, Nancy Jo Haynes, and Mamma Shields; three leaders, Mrs. Boenicke, Mrs. Smith and Mrs. Cleo James. The hostess served ice cream and raisin cookies.

The next meeting will be October 11, at the Trickham school house at 4:30 p. m.

Trickham Home Dem. Club Met Sept. 12

When the Trickham Home Demonstration Club met at 2:30 p. m. Sept. 12 at the school house the following officers were elected:

Mrs. Harry Wilson, re-elected president; Mrs. Buck Mitchell, vice-president; Mrs. Delburn Rice, secretary-treasurer; Mrs. Albert Dean, council member; Mrs. Oscar Boenicke, reporter.

Plans were made to have family night Saturday, Sept. 15, at the school house. Each family bring a watermelon.

The program was led by Mrs. Buck Mitchell on "England". Mrs. Dean told about the country; Mrs. Boenicke the people; Ruth Dean the government; and

Mrs. Mitchell gave the ten commandments for homemakers.

The next meeting will be Sept. 26 at 2:30 at the club room. Subject: "Problems Teenagers Create". Each member is asked to bring any material to help on panel discussions. Visitors and new members are always welcome.

—Reporter

Economics And Religion Studied At WSCS Meeting

The Woman's Society of Christian Service met at the Methodist Church Monday afternoon at 3 o'clock.

Mrs. John Hunter conducted the worship service with Misses. Aubrey McSwane, J. T. Avants, Marcus Johnson, Sam Estes and M. A. Richardson discussing Religion and Economics.

The social meeting will be with Mrs. Sam Estes Monday, Sept. 24, at 2:30 o'clock.

Attending the meeting were: Misses. Jack Bostick, Tom Bryan, M. A. Richardson, J. C. Ferguson, Sam Estes, Don Jopling, J. C. Hunter, Uless Maness, Aubrey McSwane, Bob Johnson, Fox Johnson, Marcus Johnson, J. T. Avants and Bill Rehm.

Mr. and Mrs. Mace Blanton, Jr., and son of Fort Worth, spent the week end in the home of his parents, Mr. and Mrs. Mace Blanton, Sr.

PYPA Rally At Pentecostal Church Friday Night

Mrs. Ruby Evans, pastor of the Pentecostal Church to God announces that the PYPA Rally of the West Texas District will be held in the local church Friday night at 7:45 and extends a cordial invitation to every one. The church is located in the former Santa Anna Gas Company building, on main street in Santa Anna.

Musicians and singers from the different churches will be present and the District Superintendent and District Presbyter will also be present.

She announced their regular Sunday church program as follows: Sunday school at 10:00 a. m.; Evangelistic services at 7:45 p. m. PYPA services will be held at 7:30 p. m. on Tuesdays.

What are the Dollar Signs Saying?

NO OTHER CAR PROVIDES ALL THIS:

- DYNAFLOW DRIVE*
- FIREBALL ENGINE
- PUSH-BAR FOREFRONT
- WHITE-GLOW INSTRUMENTS
- TORQUE-TUBE DRIVE
- 4-WHEEL COIL SPRINGING
- DUAL VENTILATION
- DREAMLINE STYLING
- BODY BY FISHER

*When better automobiles are built
BUICK will build them.*

MAYBE you've noticed that dollars don't seem to talk as loud as they used to in a lot of places.

But you ought to hear what they say about this Buick.

They say—here's the big thrill—big mileage—big power of a valve-in-head Fireball Engine—eight-cylinder performance at the price you'll pay for most sixes.

They say—here are size and room and comfort that are hard to match at anywhere near the price tag this Buick SPECIAL is wearing.

They say—here are such things as an oil filter, air cleaner, vacuum booster, built-in summer ventilation—not as "extras" but yours at no extra charge.

They say that "smart buy's Buick"—by a wide measure.

But a smart buyer will also let this dashing

darling speak for itself.

He'll take the wheel and feel how it snugs to the road on turns—holds its course on the highway with big-car assurance.

He'll touch off the power of its Fireball Engine and get firsthand the lift of its nimble response.

And he'll find out how coil springs on every wheel level out what he thought were bumpy roads.

Want to know more? How about coming in first thing tomorrow?

Equipment, accessories, trim and models are subject to change without notice.
*Standard on ROADMASTER, optional at extra cost on other Series.

PTA Has First Meeting Tuesday

Members of the Parent-Teachers Association met in the auditorium at the Ward School Tuesday afternoon, at 3:30 p. m. for their first regular meeting of the year. Mrs. Paul Pembroke, president, presided. A very good attendance was reported.

Mrs. Harry C. Wigger was the principle speaker of the afternoon. She talked on "Who Bends the Twig", telling of the parents responsibility in teaching children at home as well as in school, in mental, spiritual and physical education.

All members present introduced themselves, after which Mrs. Clyde Haynes, treasurer, gave her report. The Ward school girls choral club, under the direction of Mrs. Gertrude Martin, sang

four numbers and Miss Joan Niell rendered a solo.

The award for the class with the largest attendance went to Mr. Carl Walker's Sixth grade. The group was dismissed by Rev. Harry C. Wigger, pastor of the First Baptist Church.

Wanted By F.B.I.

GUS HALL

The FBI has requested the assistance of alert citizens and law enforcement agencies in locating Gus Hall, National Secretary of the Communist Party, U. S. A. He is one of the Communist Party leaders who have been convicted of the Smith Act and are presently fugitives from justice. A description of Hall is as follows:

Age, 40, born October 8, 1910, at Virginia, Minnesota; height, 5' 11"; weight, 220 pounds, eyes, blue-gray; hair, light brown; complexion, fair; build, heavy; race, white; nationality, American; scars and marks, small scar on left thumb, two pock marks on left cheek, mole on right side of neck.

Hall sometimes wears a mustache. He leans forward at the shoulders when he walks, drinks large amounts of coffee and usually rests his elbows on the table holding the cup at lip level. He laughs easily and is described as being rather boisterous. He speaks in a husky tone but at a high level. He seldom wears a hat. His eyes have a staring appearance. He likes to hunt, fish and play golf.

FFA Members Elects Officers

In a meeting of the members of the local FFA Chapter Thursday night, September 13, the following boys were elected as officers for the coming year:

President, Charles Scarbrough; Vice-President, Billy Woods; 2nd Vice-President, Burgess Stewardson; 3rd Vice-President, Donald Trull; Secretary, Billy McClellan; Treasurer, Dennis Farmer; Reporter, Donnie Oakes; Historian, Royce McIver; Parliamentarian, Melvin Pollock; Sentinel, Gary Patterson; and Song Leader, Clayborn James.

Their regular meeting nights have not been determined as yet, but will be announced later.

S/Sgt. C. Caldwell Arrives In France

Mr. and Mrs. Ray Caldwell of Rockwood, have received a letter from the son, S/Sgt. Charles Caldwell, that he had arrived in Chateau Roux, France, and that they are sleeping under four Blankets at the present time.

His wife and daughter are at Mason, with her mother and will join him as soon as possible. In the meantime Mrs. Caldwell is doing Special Duty at the Mason hospital.

The Caldwells have another son, Cpl. Talmage C. Caldwell, who is in the Marine Corps, stationed in the Panama Canal Zone. He writes of deep sea fishing and catching an 800 pound sword fish.

TAX NOTICE

Delinquent county taxes for years 1919 through 1950 will be compiled into one delinquent tax record at an early date.

This contract has been given to W. F. Turner Company of Stephenville by the Commissioner's Court, and is believed will begin about September 24. It is expected to take three months to complete same.

Property owners interested in clearing their property before going on this delinquent record should inquire at County Tax Collector's office.

RED CHAIN
EGG MASH

A 20% PROTEIN RATION

AVAILABLE IN
MASH • NUGGETS

Experienced poultrymen know that better hens fed a better ration have better egg producing records. It is not unusual for well bred and well managed hens to lay around 230 to 250 eggs a year . . . provided they are fed a high quality ration like Red Chain Egg Mash. Experiments show that high egg producing hens furnish a dozen eggs on approximately one-half the amount of feed required to get a dozen eggs from a low producing hen.

See your Red Chain dealer today . . . get a free copy of the Red Chain Feeding and Management Program for Laying Hens.

Griffin Hatchery

Oil Activities IN COLEMAN COUNTY

W. J. Murray, J. L. Collins & Co. of Coleman No. 2 Ed Harmon, Jr., has been spotted as a wildcat 10 miles west of Coleman.

Slotted depth is 3,900 feet with rotary, 330 feet from the south and west lines of J. L. Clayton Survey 28, A-132.

Brannon & Murray of Coleman No. 1 L. S. Tabor is to be drilled as a wildcat 10 miles northeast of Coleman.

Drillsite is 330 feet from the north and 2,150 feet from the east lines of Joseph W. Hicks Survey 265. Proposed depth is 1,990 feet with cable tools.

Location for a 3,700-foot rotary test has been staked 2,500 feet northwest of the Glen Cove townsite.

It will be W. C. Woolf & N. H. Wheelless Oil Co. of Abilene No. 1 E. G. Simpkins. Location is 330 feet from the south and 1,660 feet from the west lines in the northeast quarter of Section 10, T&NO Survey.

The Glen Cove area drew a new wildcat location last week.

It will be E. B. Fletcher of Dallas No. 1 J. M. Futrell.

Drillsite is one-fourth mile north of Glen Cove, 979 feet from the north and 330 feet from the west lines of Section 4, T&NO Survey. Operator filed application to drill to 3,800 feet with rotary.

Novice North Field in the Co. has staked a new producer.

It is M. E. Daniel No. 18 J. P. Morris, Section 6, J. P. Stone Survey.

No. 18 Morris gauged 83.42 barrels of 40.4 gravity oil and 11 percent water in 24 hours. Oil flowed through 16-64 choke with packer on casing and 150 pounds on tubing. The well is producing from 38 perforations at 3,606-16 feet. Operator set casing at 3,669 feet. Total depth was 3,800 feet. Gas-oil ratio was 2,470-1.

Luling Oil & Gas Co. No. 4 I. G. Whittington has been spotted as a diagonal offset to the discovery well in the Glen Cove area.

Drillsite is one-half mile south west of Glen Cove, 1,890 feet from the north and 1,318 feet from the east lines of Section 11, T&NO Survey. That places the site 933 feet southeast of No. 1.

No. 4 Whittington is contracted for 3,800 feet with rotary.

Luling has staked location for its No. 1-C W. H. Davis.

Drillsite is one-half mile west of Glen Cove, 330 feet from the north and 467 feet from the west lines of a 20-acre lease in Section 11, T&NO Survey. Also it is 330 feet from the north line and approximately 3,617 feet from the west line of Section 11, T&NO Survey. Proposed depth is 3,800 feet with rotary.

Location for a 2,000-foot rotary wildcat has been staked eight miles east of Coleman.

It will be Clark & Cowden Oil Co., et al, Dallas, No. 2 Weaver Estate, 330 feet from the north and west lines of Section 1, Blk. 480, L. Johnson Survey.

J. H. Blackwell and others of Coleman, have staked two offset locations in the North Coleman Junction Field. Both tries are slated for 2,800 feet with rotary and offsets three miles southeast of Coleman.

No. 1 A. Steffey will be 839 feet from the south and 330 feet from the west lines of Section 6, Coleman CSL Survey 57.

No. 1-C John R. Pearce will be 632 feet from the north and 330 feet from the east lines of Section 5, Coleman CSL Survey 57.

A wildcat has been abandoned seven miles north of Coleman. Plugged at 2,100 feet was L. J. Maxwell No. 1 Mrs. Mattie B. Miller, David Breeding Sur. 728.

Donald E. Blackmar, et al, of Roswell, N. M. is to drill the No. 1 J. P. McCord as a county wildcat three and one-half miles northeast of Talpa. Location is 330 feet from the north and 1,361 feet from the east lines of Section 305, Charles Wilson Survey. Contract depth is 3,600 feet with rotary.

United North & South Development Co. of Luling, Texas, No. 4 O. O. McWilliams has been spotted as an offset two and one-half miles southwest of Glen Cove.

Luling Oil & Gas Co. of San Antonio, No. 5 I. G. Whittington has been spotted one-half mile southwest of Glen Cove.

Drillsite for No. 5 Whittington is 2,250 feet from the north and 330 feet from the east lines of Section 11, T&NO Survey. Oper-

ator will test to 3,800 feet with rotary.

Plugged at 3,800 feet was Miami Operating Co., Inc. No. 1 T. J. Allen, Section 64, Block 1, GH&H Survey. It was a wildcat two miles south of Valera.

Whon News

Mrs. Tom Rutherford

Mr. Roy England left Saturday for College Station, where he began studies Monday in A & M College. His wife and son remained here with her parents, Mr. and Mrs. Warren Gill.

Mrs. Doris Watson and girls spent last week with Mrs. Etolile Cozart and son, Dwan. Mr. Co-

zart was with his son, Mr. and Mrs. Elvis Cozart.

Mr. and Mrs. Henry Smith were shopping in Coleman Saturday and while there visited Mr. and Mrs. J. S. Martin and also Mr. and Mrs. Earl Mankin.

Mr. and Mrs. J. B. Rowe of San Angelo, was greeting friends in Whon Friday afternoon.

Thomas Ray Rutherford of Abilene, spent Saturday night with his parents, Mr. and Mrs. Tom

Rutherford.

Vonnie Adkins spent Saturday night with Mary Jane Turner in Santa Anna.

Mr. Bert Turney was called to California last week to attend the funeral services for his brother, Mr. Bill Turney.

Mr. and Mrs. Tom Rutherford and children and Sammy Shields attended services at the Brownwood Nazarene Church Sunday night. They heard the big evangelist, Lun Jones, preach.

Mr. and Mrs. Jack Black of Brownwood, Bert Carter of Gatesville, spent the week end with Mr. and Mrs. Jim Carter and Leon.

Mr. and Mrs. Henry Smith were bed-time visitors with Mr. and Mrs. Buster Wallace and family Saturday night.

Mr. and Mrs. Henry Smith and daughter, Mr. and Mrs. Don Gray have been transferred from Brownwood to Stamford as a store manager.

Mrs. Warren Gill has returned home after being at her father's bedside several weeks. Mr. Kemp was able to be moved from the Snyder hospital to his home in Brownwood this last week and is reported doing fine.

Mr. Clifton, father of Mrs. Lee Abernathy, has been moved from Brady to Scott & White in Temple, and will undergo surgery there Wednesday. All wish him a speedy recovery.

Mrs. Bert Turney returned home Monday from Dallas where she has been with her daughter for several weeks.

Mr. and Mrs. George Wheatley spent the week end with her parents, Mr. and Mrs. Riley McFarlin. Mrs. Bill Bryan and her mother, Mrs. Cooly went to Austin Monday, planning to return home Tuesday.

Mrs. Waggie Montgomery and son spent Saturday night with Mrs. Love Adkins.

Trickham News

By Mrs. Buck Mitchell

Rain for the community during the past few days would average about 2.40 inches.

The Trickham Home Demonstration Club met last Wednesday at the club room.

Mrs. Ona Robertson of Houston visited last week with her mother, Mrs. Lee Vaughn and other relatives.

Mrs. C. F. Shields is spending a few days with her daughter, Mrs. Leo Driskill of Brownwood. She plans to return home this Wednesday.

Jerry Nick Buse and wife spent the week end with his parents, Mr. and Mrs. Grady Buse.

Friends here were grieved to hear of the death of Mrs. Emma Rice of Electra. She is the mother of Frank Rice of near Wenatch, grandmother of Delbert Rice of this community. Burial will be in the Rice Cemetery.

Frank Wells made a trip to Brady Monday.

Mr. and Mrs. Sam Craig visited Sunday night in the Buck Mitchell home.

The Trickham 4-H Club met in the home of Mrs. Oscar Boenicke last Thursday afternoon for installation.

Visitors with Mrs. Beula Kingston last week were: Mrs. Gene James, Mrs. Sam Miller, Mrs.

Vaughan and daughter, Mrs. Ona Robertson of Houston, Mrs. Walter Stacy, Mr. and Mrs. G. K. Stearns and Sherman and Mrs. Key Bradley.

Mr. and Mrs. Oscar Boenicke visited with Mr. and Mrs. Antone Boenicke of Mount View Sunday, also with Mr. and Mrs. Oil Martin and Herman.

Local Methodist Church News

The Women's Society of Christian Service of the Santa Anna Methodist Church met on Tuesday of this week for a luncheon meeting in the home of Mrs. Hardy Blue. Co-hostesses for the meeting were: Mrs. Jack Mobley, Mrs. T. A. Mills and Miss Betty Blue. At this meeting a new Mission Study on Latin America was started.

Cottage prayer services are being held each week in the various homes of the church, in preparation for the United Evangelistic Mission beginning October 26th and continuing through November 4th. The Revival meeting is known as the United Evangelistic Mission because every Methodist Church in the State will be holding simultaneous revival meetings. The Cottage prayer meeting for this week was held in the home of Mrs. Arch Hull, with a large group in attendance.

The Glad Hand Sunday school class, a ladies class taught by Miss Bettie Blue, were the leaders for the prayer service on Wednesday evening at the church.

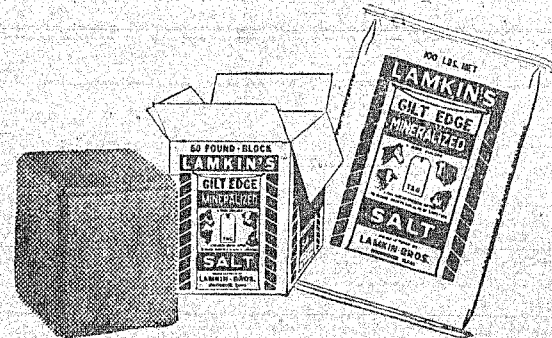

The young people of the Methodist Youth Fellowship continue to carry forward a very active

program, with attendance especially on the increase at the Sunday evening meeting of the MYF. Mr. and Mrs. Kent Martin are the enthusiastic adult sponsors for these evening meetings.

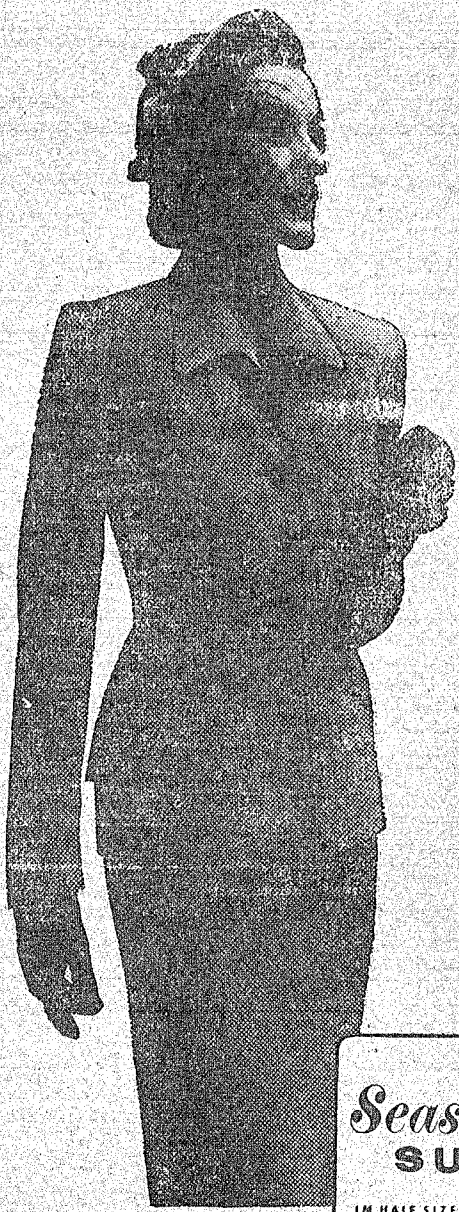

The young people are sponsoring the showing of a sound film, called "Crossroads", at the evening service next Sunday, September 23. This is a very inspiring and challenging film portraying how a teen-age boy was led to make a decision as to his life work.

Next Sunday, Sept. 23, is Rally Day in the Sunday school. There is a class for every age — and if you are not attending Sunday school somewhere, you are most cordially invited to come to the Methodist Church next Sunday morning at 10:00 a. m.

AN ORDINANCE FIXING AD VALOREM TAX RATES ON REAL PROPERTY IN THE CITY OF SANTA ANNA, TEXAS

BE IT ORDAINED BY THE ALDERMEN OF THE CITY OF SANTA ANNA, TEXAS:

That the ad valorem tax rate on real property situated in the City of Santa Anna, Texas, be and the same is hereby set at one dollar and ten cents (\$1.10) per one hundred dollars (\$100.00) valuation.

This rate shall take effect on the 1st day of October, 1951, and the same shall be payable in cash.

APPROVED:

C. E. Flint
Mayor Pro-tem of the City of Santa Anna, Texas.

ATTEST:
ROSA MAE BASS
Secretary of the City of Santa Anna, Texas. 38-40c

**Citation by Publication
THE STATE OF TEXAS**

TO: David T. Bennett Defendant.

Greetings: You are hereby commanded to appear before the Honorable 35th District Court of Coleman County at the Court House thereof, in Coleman, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 5th day of November A. D. 1951, then and there to answer Plaintiff's Petition filed in said Court, on the 25th day of August A. D. 1951, in this cause, numbered 7499-A on the docket of said court and styled Ann T. Bennett Plaintiff, vs. David T. Bennett Defendant.

A brief statement of the nature of this suit is as follows, to wit:

Plaintiff alleges that she and the Defendant were lawfully married October 31, 1942, and permanently separated on or about January 23, 1948, on which date the Defendant left and deserted her for a period of three (3) years with intentions of abandonment, since which time they have not lived together as man and wife. Plaintiff alleges that no children were born of the marriage and prays for the restoration of her maiden name, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Coleman, Texas this 18th day of September A. D. 1951.

Attest:
T. H. Cogder, Clerk.
District Court, Coleman County, Texas.
(SEAL) 38-41c

**Farmers Urged To
Put Cotton In Loan**

Pecos, Texas — Urging farmers to place one out of two bales of their cotton in the government loan for four months, J. C. Wilson, president of the Southwest Five State Cotton Growers Association, recently stressed that only through a system of orderly marketing can producers be assured a fair price for their crop.

High costs of production in the Southwest this season make it mandatory that growers get an adequate price for their cotton, Mr. Wilson declared, explaining that due to dry weather the farmer's cost ran much higher than could be anticipated.

A selling price above the cost of production certainly ought to be the objective of every cotton grower, he emphasized, noting that Secretary of Agriculture Brannan in recent testimony on price control legislation said that the fair price for cotton this year should be at least 40 cents.

A water scarcity prevented farmers in much of the Southwest area from making a bumper crop, the Cotton Growers Association head said. This shortage occurred because of extremely dry weather and due to the fact more acres were in cotton.

"Our cotton farmers answered the government's call for higher production and increased their cotton acreage to do so. Then the dry weather came along with the result that we just didn't have enough water to go around," the cotton industry leader stated.

**Water Conservation
Program Needed
In Texas Now**

A water conservation program must be started immediately by towns, water districts, ranchers, and farmers declared Dr. George W. Cox, State Health Officer. The present situation is extremely grave and immediate action is necessary to relieve drouth areas and prevent such conditions occurring in the future.

Dr. Cox said, "Our diminishing water supply, and in many places in Texas the total lack of water, brings about an emergency that imperils the life and health of the citizenship and brings about a substantial economic loss."

"Without water — industry can not operate — homes can not exist — crops can not grow — forests would disappear — game and fish would die — the earth would become a desert — and the human race would perish!"

"Municipalities must make plans for additional water supplies. These may come from the construction of dams to impound water during the time of rains and with additional wells. However, the construction of dams is

the more practical as the water level in Texas is getting lower each year.

"An immediate water conservation program throughout the state that will provide for the impounding of flood and rain water will contribute more to protecting the health of our people and add more to our economy than any other known project that could be undertaken. To wait three to five years to develop such a program could prove to be our greatest domestic tragedy."

**Show Herds To Stay
On Grounds At State
Fair This Year**

Show herds of all beef and dairy cattle breeds shown at the 1951 State Fair of Texas will be on exhibit through the opening 14 days of the fair, Oct. 6-19, Livestock Manager Ray Wilson has announced.

Because the fair has such a lengthy run, many fairgoers have missed seeing their favorite breed because its show was over or hadn't yet begun in the day they visited the fair.

Beef and dairy cattle are held separately — beef cattle being shown Oct. 6-12, and dairy cattle Oct. 12-19 this year.

Show herds of Guernseys, Holsteins, Friesians, Jerseys and Milking Shorthorns will be on exhibit during the beef cattle shows, and top herds of Herefords, Aberdeen-Angus, Shorthorns and Brahmans will remain in the cattle barns during the dairy show. This is made possible through cooperation of breed associations and prominent breeders, Wilson said.

In addition, there will be exhibition herds of Santa Gertrudis, Charbray and Charolais cattle on hand during the opening 14 days of the fair.

**Hand Book Of Texas
Published Next Year**

Austin. — Do you know where your town and county got their names, and the dates of their establishment?

If not, you will have a reference available next year which will provide that information. A two-volume "Handbook of Texas" has been completed at the University of Texas and is scheduled for publication next year by the Texas State Historical Association.

Dr. Bailey Carroll, director of the association, estimates the handbook will include 2,000,000 words concerning all phases of Texas history. More than 1,000 contributors wrote articles for the publication, which has been in preparation 10 years.

Here are some samples of the information contained: Brahman cattle, a breed which has existed in India for more

FOR RENT: Brick garage apartment, furnished. Ruby Harper.

FOR SALE: 10 Foot International Harvester binder, power driven. Good canvas. See Jesse K. Barton. 1tp
