FEC Acts Before Power Cut

By DICK BARNES
Associated Press Writer

WASHINGTON (AP) — The Federal Election Commission distributed $980,266 in presidential campaign matching funds today before the expiration of some of its key powers at midnight tonight.

Plugging the matching-funds spigot for primary candidates may be only temporary, depending on whether Congress agrees on how to reconstitute the commission.

The Supreme Court ruled Jan. 30 that the FEC was unconstitutionally appointed because four of its six members were selected by Congress instead of the President, and the other two were subject to approval by both houses of Congress rather than just the Senate.

The court gave Congress until March 1 to remedy the problem and extended the deadline to this midnight when Congress missed the first date. Legislation to reconstitute the commission is pending, but no chance remains for Congress to meet the latest deadline.

As the final hours ticked off, no new motion for a deadline extension had been filed at the court.

All nine active and certified candidates received money in the final allocation, along with three who had bowed out of the race in all but the most technical sense.

Gov. George C. Wallace received the greatest amount - $339,603. President Ford received $167,758, and Ronald Reagan got $122,910. None of the others got as much as $100,000.

The certifications brought the total granted this year to $12.62 million. Wallace got the most, $2.79 million.

Sen. Robert Byrd, D-W. Va., running as a favorite son, apparently just missed qualifying. The commission was told by its staff that Byrd was close to raising the required $5,000 in each of 20 states in individual contributions of $250 or less, but was not expected to file in time.

The Supreme Court ruling did not abolish the commission but terminated its powers to pay matching funds. Nor will the FEC be able to carry out other responsibilities for administering and enforcing the law passed in 1974 to govern the financing of federal election campaigns.

The law set limits on contributions and expenditures, in addition to providing for taxpayers' subsidies for the campaigns of presidential contenders.

Supporters of the commission say the panel's objectives would not be harmed by a brief period of suspended powers.

Legislation to restructure the FEC in compliance with the court's decision has bogged down. The Senate debated the measure last week, adopting some amendments and rejecting others, and then agreed to try again this week to break the impasse. The House starts consideration of its own version of the legislation Wednesday or Thursday.

Today In History

By The Associated Press

Today is Monday, March 22, the 82nd day of 1976. There are 284 days left in the year.

Today's highlight in history:

On this date in 1765, the British Stamp Act became law in the American colonies, requiring revenue stamps on such things as newspapers, playing cards and legal documents. Public opposition prevented effective enforcement.

On this date:

In 1622, some 350 Virginians were killed in the first Indian massacre of European colonists in America.

In 1794, the U.S. Congress passed a law prohibiting U.S. vessels from supplying slaves to another country.

In 1820, an American naval hero, Stephen Decatur, was mortally wounded in a duel with Commodore James Barron near Washington.

In 1917, the United States became the first nation to recognize a new provisional government in Russia.

In 1945, the Arab League was founded in Cairo.

In 1941, the Grand Coulee Dam on the Columbia River began producing electrical power.

Ten years ago: The head of Anglican Church, British Archbishop of Canterbury Arthur Michael Ramsey, arrived in Rome for a precedent-breaking meeting with Pope Paul VI.

Five years ago: President Richard Nixon declared that a South Vietnamese invasion of Laos had helped disrupt enemy supply lines and aided progress of U.S. withdrawal from the Vietnam War.

One year ago: Secretary of State Henry Kissinger said he was suspending his efforts to get an agreement between Israel and Egypt over the Sinai because the rift between the two countries was too great.

Bicentennial footnote: Two hundred years ago today, an American force under General William Heath had arrived in Norwich, Conn., to embark for New York after a march from Cambridge, Mass.

Shriver Pulls Out Of Race

ALFREDO HERNANDEZ
...subs for Gonzales

BELEN ROBLES
...Where's the Mayor?

Others Blitz N. Carolina

By MICHAEL J. HALL
Associated Press Writer

R. Sargent Shriver officially dropped out of the campaign for the Democratic presidential nomination today on the eve of the North Carolina primary which could be crucial for fellow Democrat George C. Wallace and Republican Ronald Reagan.

President Ford and Jimmy Carter, the apparent front-runners, looked ahead to future races while Wallace and Reagan blitzed North Carolina for votes, hoping Tuesday would bring their first primary victories.

The withdrawal by Shriver, who already had said he would curtail his campaign after poor showings in earlier primaries, leaves seven major Democratic candidates.

Five of them — Carter, Wallace, Washington Sen. Henry M. Jackson, Arizona Rep. Morris Udall and former Oklahoma Sen. Fred Harris — are trying for some of North Carolina's 61 convention delegates. Only Southerners Wallace and Carter campaigned heavily there, however.

In another campaign development, the Federal Election Commission was scheduled to meet in Washington to certify a final $1 million to presidential candidates. Its authority to give out matching federal funds expires at midnight under a Supreme Court order.

Shriver had said earlier he would limit his efforts to Texas' May 1 primary and Maryland's May 8 contest. He said today he would remove his name from the ballot in Maryland, but would not formally withdraw from the Texas contest out of consideration for delegates there. He said that those delegates will not be bound to vote for him and said he was releasing the 11 national convention delegates he already won.

The 1972 Democratic vice presidential candidate, who finished third in last week's Illinois primary, said he will spend a week or so vacationing and then is likely to endorse another candidate.

"We have not yet by any means seen all the characters who will appear in the play," Shriver said. He generally declined comment on the other candidates, but said Wallace was the only one he could not support. He also said at his Washington, D.C., news conference that he thinks Carter will be "hard to stop."

Producers Assn. To Meet Tuesday

A meeting of the Scurry County Producers Association has been set for 7:30 p.m. Tuesday at the Scurry County Coliseum to discuss a proposed boll weevil control program for Scurry County.

Speaker at the meeting will be Dr. Don Rummel, entemologist at the Texas A&M University research and extension center at Lubbock. Members of the Scurry County Producers Association and any others interested are encouraged to attend.

Snyder Mayor Chided By State LULAC Official

BY JOHN LONG

In a fiery after-dinner speech, Mrs. Belen Robles, vice president of the southwest region of the League of United Latin American Citizens, chided Mayor Bill Vestal for not being present at the State Supreme Council Banquet of LULAC Saturday night. Mrs. Robles hinted that Vestal's absence might have been a well designed snub to the Mexican-American population of Snyder.

The state session of LULAC was hosted in Snyder over the weekend by local LULAC council 629. LULAC officials from all over the state attended the conference. The affair, which was highlighted by a banquet held Saturday night at the National Guard Armory, was attended by about 75 persons.

Mrs. Robles, from El Paso, stated that Mayor Vestal had been invited three months earlier to attend the banquet. She said, "It is very disturbing that we (LULAC officials) did not have the opportunity to meet with the mayor."

City Councilman Jack Cummins, representing Mayor Vestal, had earlier stated that the mayor was out of town and unable to attend the banquet.

Mrs. Robles pointed out cases of what she claimed were examples of local discrimination against Mexican-Americans. She said only one Mexican-American was employed at the courthouse and that he was employed as a janitor. She said there was only one Mexican-American teacher employed in the Snyder public school system and no Mexican-American teachers employed at Western Texas College. She said she thought it is disgraceful that there were so few Mexican-American businessmen in a town in which she said approximately 30 per cent of the population is Mexican-American.

Following Mrs. Robles' speech, Alfredo Hernandez of Houston, three times past national president of LULAC addressed the audience. Hernandez substituted for Manuel Gonzales, current LULAC national president. Gonzales was in Milwaukee, Wis., and, like Mayor Vestal was unable to attend the conference.

Hernandez reminded the audience that Mexican-Americans are as devoted to this country as anyone. He pointed out how Mexican-Americans distinguished themselves in World War II by winning the greatest number of congressional medals of honor of any ethnic group in the United States. He noted the great strides made in civil rights programs by Mexican-Americans and how some of their programs have been emulated by other ethnic groups.

Hernandez said that all Mexican-Americans should become politically and socially involved in the affairs of this country. Mexican-Americans should concern themselves with local, state, and national politics, Hernandez said.

Hernandez reminded the audience of a story attributed to Waggoner Carr, former attorney general of Texas. Carr is said to have once admonished Mexican-Americans to improve their positions in life by pulling themselves up by their bootstraps. "But when you're barefooted, how can you pull yourself up by your boostraps," Hernandez retorted.

Tolson Rites Held Today

Funeral service was held at 10 a.m. today at the Bell-Seale Funeral Home Chapel for Philip B. Tolson, 62, who died at 1:10 p.m. Saturday in Cogdell Memorial Hospital.

The Rev. Cone Merritt officiated at the funeral service and burial was in the Colorado City Cemetery.

Mr. Tolson, a carpenter by trade, was a native of Snyder and was a veteran of World War II. He is survived by a sister, Mrs. Nealie Hudson of Tucumcari, N.M., and a brother, T.A. Tolson of Fort Worth.

Burglary Case Trial Begins

Trial began in 132nd District Court with jury selection this morning in the trial of Shelby James Jones, Jr.

He has pleaded innocent to a charge of burglary of the Food Basket. His attorney is Alex LeFeuvre. District Attorney Pete Greene is prosecuting the case, and District Judge Wayland Holt is the presiding judge.

Miss Longet Released On Bond

ASPEN, Colo. (AP) — Accompanied by her ex-husband Andy Williams, a weeping Claudine Longet appeared in court today in connection with the shooting death of professional skier Vladimir "Spider" Sabich.

Miss Longet, an actress and singer, was told her rights and released on $5,000 personal recognizance bond. She left the court in tears.

Miss Longet was freed pending a court appearance April 8 at which Dist. Atty. Frank Tucker said he would file formal charges.

Colorado law allows holding a suspect for "investigation of" an alleged offense until the investigation of a crime is complete and the district attorney files formal charges.

Tucker said Miss Longet was held initially for investigation of criminally negligent homicide to allow her to be advised of her rights in the court hearing. Tucker said he did not know what charge would be filed April 8, but criminally negligent homicide was "probable."

Tucker refused to comment on a statement attributed to City Manager Philip Mahoney. Mahoney reportedly said that Miss Longet told police after the shooting that Sabich was showing her how to hold a handgun when it discharged accidentally.

Snyderite Killed In Road Mishap

One person was killed and two persons injured in a one-car accident Saturday night on Highway 84 north of Snyder.

Killed as a result of the mishap was Antonio Ocampo Nieto, of 1810 Eleventh Street, Snyder, driver of the 1971 Pontiac. Mr. Nieto died early Sunday morning at Cogdell Memorial Hospital where he had been taken following the accident.

Injured in the mishap were Ladeslao Ponce Hernandez and Carlos Vitirez Martinez, both of Chico, Mexico. Both Hernandez and Martinez were taken to Cogdell Memorial Hospital where they were treated and released Saturday night.

The vehicle, a 1971 Pontiac, was reportedly travelling south on U.S. 84 at a high rate of speed when it went out of control, left the highway and overturned several times. The mishap occurred approximately 14½ miles north of Snyder.

Funeral services for Mr. Nieto will be at 2 p.m. Tuesday at Our Lady of Guadalupe Catholic Church, with Father Thomas Jordan officiating. Burial will be in Snyder Cemetery, under direction of Bell-Seale Funeral Home.

A native of Luvianos, Mexico, he is survived by his wife, Estella, of the home; five sisters, Elda, Yolonda, Nie, and Edie Nieto, and Carmela Norego of Mexico City; two brothers, Rafael Nieto Jr. and Bulpredo Nieto.

Court Upholds Residency Rule

WASHINGTON (AP) — The Supreme Court today upheld an ordinance requiring that Philadelphia city employes be residents of the city.

The court affirmed a decision of the Pennsylvania Commonwealth Court rejecting a challenge to the ordinance by a Philadelphia fireman.

With another case involving Youngstown, Ohio, the court declined to review a ruling that a city may not require employes to live within city limits unless there is some special need for this — as in the case of police and firemen.

In other actions today, the Supreme Court:

—Agreed to decide whether children have a right to an impartial hearing and their own attorney when their parents attempt to commit them to a state mental institution.

—Let stand a ruling that broadcasters are not required to give equal time to opponents of advertised products which are involved in public controversy.

—Declined to hear arguments of United States Steel Corp. that state courts should be barred from acting against potential polluters while federal proceedings are pending.

—Agreed to determine the constitutionality of procedures by which employers are penalized for unsafe working conditions under the Occupational Safety and Health Act.

—Declined to review new Agriculture Department beef grading standards which consumer groups said would make it harder for shoppers to tell what quality beef they are getting.

Patty Waits Behind Bars For Sentence By Judge

SAN FRANCISCO (AP) — Patricia Hearst, convicted of bank robbery by a jury convinced of her guilt by her words and actions as the revolutionary "Tania," faces up to 25 years in prison and another trial on more serious charges.

Evidence presented by the government to show that the kidnaped newspaper heiress willingly embraced the terrorism of her captors outweighed her testimony that she cooperated with them to save her life, jurors said.

"I don't think it was any particular thing at all that led to our finding her guilty," said Marilyn Wentz, a member of the panel that found Miss Hearst guilty of armed bank robbery Saturday after 12 hours of deliberation. "I think it was a combination of all the evidence."

Mrs. Wentz, 36, a dental assistant and mother of four from Hayward, Calif., said in an interview Sunday night, "I know I went over it, and over it — everything — before deciding."

She said she thought that both the prosecutor, U.S. Atty. James L. Browning Jr., and chief defense attorney F. Lee Bailey "did a very good job in presenting the case."

Another juror said the ordeal of deliberations was so intense that some members of the panel wept and others became sick to their stomachs.

Today, the 22-year-old Miss Hearst waited behind bars for the unfolding of a fate now in the hands of her judge, attorneys and prosecutors.

Sentencing by U.S. District Court Judge Oliver J. Carter is scheduled for April 19. He said Sunday that the maximum penalty he would consider would be 25 years in prison and a $10,000 fine for armed bank robbery.

Miss Hearst also was convicted of using a weapon in a felony, which carries a maximum 10-year sentence. But Carter said, "I don't consider that I could impose the second penalty on top of the bank robbery, since that really is included in the first offense."

The minimum sentence would be probation.

The heiress to a vast publishing fortune showed no emotion Saturday afternoon when the guilty verdict returned by the seven women and five men was read in the hushed courtroom.

Miss Hearst had testified tearfully that she had joined the April 15, 1974, holdup at a Hibernia Bank branch here after being raped, tortured and threatened with death by the Symbionese Liberation Army band that kidnaped her two months earlier.

Carter said the federal government would turn her over to authorities in Los Angeles for arraignment on state kidnaping, assault and robbery charges within the week. If convicted on those charges, which stem from a crime spree a month after the bank robbery here, she could be sentenced to life in prison.

Carter said he and Browning had agreed to allow her transfer to Los Angeles — probably by mid-week — upon completion of interviews with probation officers on the condition that she be returned here for sentencing "without any legal squabble."

But defense lawyer Albert Johnson said, "I'm certainly going to ask the court not to allow that to happen." He said he would fight the transfer in court if informal overtures to Carter failed.

SLA members William and Emily Harris, whose arrest last Sept. 18 led to the capture of Miss Hearst on the same day, face trial in the same case.

Miss Hearst denounced her two underground companions during her trial. Browning said Sunday that Miss Hearst "quite probably" would be a star witnesses if the Harrises are prosecuted in the Hibernia Bank robbery or for the heiress' Feb. 4, 1974, kidnaping.

Bailey said Miss Hearst had already asserted her willingness to testify against the Harrises. "She certainly will do so if anyone asks her to," he said.

The attorney, who visited his client in jail Sunday night, said, "She is holding up well. She was able to respond to my brand of humor."

Randolph A. Hearst, somber and reticent, visited his daughter for two hours and 15 minutes Sunday afternoon at the San Mateo County Jail 25 miles south of here and said later, "She's all right."

But his wife, Catherine, remained in seclusion at their Nob Hill apartment. "She doesn't feel very well today," Hearst said.

He said the family was "shocked and surprised" by the verdict. "It was a disappointment to all of us."

Hearst was accompanied by Miss Hearst's eldest sister, Virginia, and her husband, Jay Bosworth.

Dr. L.J. West, a UCLA psychiatrist who testified for the defense, also visited Miss Hearst and described her mood as "sad."

Bailey, who said he planned to appeal the conviction, explained his client's impassive reaction to the verdict by saying, "She was kind of convinced that she didn't have much of a chance. She continued to believe that."

Bailey had come from Boston to head an elaborate, expensive defense effort that portrayed Miss Hearst as a kidnaping victim coerced by her captors into committing crimes. But jurors didn't believe it.

One of the panelists, Norman Grim, 43, of San Mateo, said Miss Hearst's failure to take advantage of opportunities to return home and the Los Angeles incident in which she sprayed a sporting goods store with gunfire to help the Harrises escape after a bungled shoplifting effort were very damaging to her.

"It is possible, I imagine, for a person to be coerced, but I don't believe it is possible for someone to be coerced all the time," Grim said.

A juror who asked not to be identified told the San Francisco Chronicle that it was clear to the panel from the beginning of deliberations that an innocent verdict would not be returned.

But each panelist would rather have been able to acquit the heiress than convict her because of the fact that she was kidnaped, the juror said.

HERE FOR LULAC MEETING—Tom Robles, left, of Albuquerque, N.M., District IX Director of the Equal Employment Opportunity Commission, and Overlin Esparza, Voluntary Programs Officer of the Dallas Regional Office, were among well-known personalities here for a meeting of the LULAC Supreme Council over the weekend.

EEOC Director Addresses Group

Tom Robles, Director of District IX of the Equal Employment Opportunity Commission at Albuquerque, N.M., addressed a group of some 40 to 50 persons Saturday morning during a Supreme Council meeting of the League of United Latin American Citizens. His speech centered on the need for enforcing the fair employment policies provided in Title VII of the Civil Rights Act of 1964.

Robles spoke under the auspices of the League of United Latin Ameridan Citizens local council 629 which is hosting a weekend state convention of LULAC.

Robles administers Title VII of the Civil Rights Act of 1964 which makes it unlawful for employers to discriminate against persons because of race, color, religion, national origin or sex. Robles' Albuquerque office has jurisdiction over Oklahoma, New Mexico and West Texas.

"People have the duty to police federal laws and regulations. It is your responsibility to see to it that agencies work for you," Robles said in emphasizing the need for individual involvement in civil rights programs. Robles stressed the need for reporting discriminatory hiring practices to the proper agencies.

Robles said that discriminatory hiring practices do not have to be intentional to be illegal. "It is not the intent, but the effect that counts," he said.

If discriminatory hiring practices are employed, even unintentionally, they are illegal and employers violating the fair employment codes can be prosecuted, Robles said.

Robles stressed the need for LULAC to develop a panel of attorneys to investigate alleged discriminatory employment practices. "It is the duty of LULAC to bring pressures to bear on government agencies to make sure our laws work well and are implemented properly," Robles said.

Robles claimed he found several Snyder businesses to be in violation of federal law because they did not have an equal employment opportunity poster prominently displayed. It is a federal violation not to have such a poster prominently displayed, Robles said.

Calling the Dallas region of LULAC one of the most successful regions of the nation in terms of processing prosecution charges against violaters of equal employment practices, Robles reminded the audience of how effectively existing laws can be enforced.

Robles concluded by telling the audience that any successful affirmative action plan must be goal and results orientated.

Revenues Of CRMWD Above 1975 Figures

Revenues of the Colorado River Municipal Water District are running substantially ahead of a year ago, due in part to increased rates to meet higher bond payments, and due also to increased comsumption.

February receipts of $495,206 (on January billings) made the two-months" receipts amount to $853,620, up $147,000 over the same period a year ago.

Sale of water to cities was $486,787, up $85,000 for the two months, and to oil companies and industries $350,157, up $69,000.

Total operational expenses were $332,302, up $38,000, which happens to be almost the same amount of increase in energy costs for pumping. The margin between revenues and expenses enabled the district to transfer $500,000 to indentured funds, principally debt service. The district this year begins paying back the principal of the 1966-69 issues for construction of Lake E.V. Spence and pipelines.

For the first two months of 1976, the district billed to cities 1,699,811 gallons of water out of a total billings of 2,672,573 gallons, up by some 331,000,000 gallons over the first two months of 1975. Most of the production, or 2.1 billion gallons, came from Lake Spence and Lake J.B. Thomas.

Six Mishaps Are Reported Over Weekend

Six traffic accidents and a theft headed police reports for the weekend.

A major accident occurred in the 4400 block of College Avenue Saturday morning. Involved in the mishap were a 1970 Ford truck owned by Sargent Industries of Odessa and driven by Hoyt Prater of Odessa. The truck was involved in a collision with a fire hydrant and a street light pole. Total damage to the hydrant and light pole was estimated to be $600. The truck was demolished in the accident.

A minor accident was reported on Scott Street late Saturday morning. Involved in that mishap were a parked 1974 Pontiac owned by Alice Luera and a 1969 Ford driven by Muriel Roy Mapes.

A minor accident occurred at the Sonic Drive-In Saturday afternoon. Involved in that accident were a 1972 Mercury driven by Malcolm Rigsby and a 1966 Chevrolet driven by Ricardo Ramirez.

A hit and run mishap was reported at a Snyder High School parking lot Saturday afternoon. Debra K. Newman said a vehicle had struck her 1967 Ford Mustang and left the scene.

A minor accident was reported in the 1300 block of Twenty-third Street Saturday night. A 1968 Ford driven by Judy A. Halbert was in collision with a dumpster.

A minor accident was reported Sunday afternoon in Towle Park. Involved in the mishap were a 1976 Pontiac driven by Oscar Tavarez and a 1970 Ford driven by Howard L. Jones.

A theft was reported Sunday night at Snyder Lanes. Carroline Barbee reported that a CB radio antenna was stolen from her car sometime between 1 p.m. and 6 p.m. Sunday afternoon.

Summer Slate Set At WTC

Copies of the schedule of summer classes at Western Texas College are now available from the office of the registrar in the Administration Building.

Two six-week sessions are planned, with one nine-week session offering night classes. Classes in the six-week sessions will meet during the mornings Monday through Friday, while classes in the nine-week session will meet Monday, Tuesday and Thursday nights or Wednesday nights.

The new scheduling system will offer students greater versatility in selecting classes and will enable some students to earn more than the 12 hours of college credit usually available through summer school.

The first six-week session and the nine-week session will begin May 26. The second six-week session will begin July 7.

Firemen Called

The fire department reported one grass fire Saturday afternoon. The fire occurred in the 200 block of Forty-fifth Street.

An estimated 300,000 persons died in a hurricane which hit Calcutta, India, Oct. 7, 1837.

ABWA Enlistment Tea Is Held

The Scurry Charter Chapter of the American Business Women's Association held their annual enlistment tea at the Martha Ann's Womans Club on Sunday afternoon, March 14, 1975. There were 17 members and 10 guests present. The guests included Loy Forbes, Ruby Deaver, Genetha Payne, Donnie Chorn, Jo Taylor, Eura Robbins, Rheta Autry, Norene Murphy, Minnie Beall, and Mrs. Billy M. Green. They were welcomed by Mary Faver, Chapter President.

A bicentennial skit was given by Helen Feinsod, Ileta Hall, Mary Smelser, Irene Brooks, Margaret Easterwood, Marilyn Burton, and Inez Teaff with a narration by Mary Ellen Meador in which it was imagined that the women of 1776 who were left at home to manage the family businesses during the Revolution had gotten together to organize an Association of Business Women. They were in costume sitting around a table covered with a red, white and blue cloth and writing with feather quills. Their dream was brought to a reality years later when the American Business Women's Association was formed.

An invitation was given to the guests to join ABWA and refreshments of red punch with cookies of red, white and blue was served. Those who joined will be initiated into the local Chapter at the regular monthly meeting Thursday, March 25, 1976.

NEW MEMBERS—Pictured above are new members who joined Scurry Charter Chapter of American Business Women's Association at the recent enlistment tea held at Martha Ann Woman's Club, (from left) Genetha Payne, an employee of Furr's; Sara Jo Taylor and Minnie Beall, who are with Rip's White Kitchen; and Norene Murphy, postmistress at Ira.

By Oswald & James Jacoby

Jim: "We haven't discussed the bridge proverbs such as 'second hand low' for some time."

Oswald: "Most of these go way back to whist. The reason second hand usually plays low is that his higher cards can usually be effective later on in the play. Thus, he only plays high second hand when he has some really good reason to make the play.

Jim: "In today's hand South should play dummy's queen of hearts immediately. It won't have any value at all later on, but may just win that first trick."

Oswald: "This time it does and South is on easy street. If he takes a diamond finesse against East, he is sure of eleven tricks. If he tries it the other way, he will only score ten."

Jim: "If East produces the king of hearts, South can run five clubs and then go after diamonds. This time a wrong guess will cost him his contract."

Ask the Jacobys

We have had several more questions about the bonus honors in rubber and party bridge.

The answer is that it is awarded to the side of the player who holds the honors whether he is declarer, dummy or a defender.

Cabrillo Monument Offers Fine View

SAN DIEGO, Calif. (AP) — The Portuguese navigator Juan Rodriguez Cabrillo sailed into San Diego Bay and landed at Point Loma, a peninsula jutting out into the Pacific, on Sept. 28, 1542.

It is said Cabrillo named the bay San Miguel Bay.

Today, visitors may stop to see the Cabrillo Monument at Point Loma. From the monument, which is about 300 feet above sea leve, one can see the entire metropolitan San Diego area, the Laguna Mountains to the east, and part of the Mexican border.

Snyderites To Accompany Girl Scouts To Rockwood

The West Texas Girl Scout Council announces its 1976 Bicentennial Wider Opportunity for Girl Scout members - a trip to Rockwood National Girl Scout Center near Washington, D.C., July 20th through August 4th. The opportunity to travel amid historic places in the Bicentennial year is offered to 36 girls, 14 years and older, in the Cadette, Senior, and Associate Scout programs.

Cost to each girl is $275 which covers all expenses of the trip except for souvenirs and incidentals. The Council has chartered a bus and paid reservations for six nights at Rockwood.

Adult sponsors selected to accompany the Scouts are Mr. and Mrs. Carl Voss, Jr. of Snyder; Mr. and Mrs. Richard Burton of Abilene; and Mrs. John McAvoy, R.N., of Abilene. Girls from Stamford, Snyder, Roscoe, Colorado City and Abilene have registered for the tour.

Itinerary en route will include Barksdale AFB, Shreveport, La.; Southern College, Birmingham, Alabama; Agnes Scott College, Decatur, Ga.; Days Inn, Durham, N.C.; Days Inn, Williamsburg, Va. Side trips will be made to Atlanta Underground Stone Mountain, St. John's Church, Richmond National Battlefield and Colonial Williamsburg. The Scouts will arrive on July 25th at Rockwood which is located at Potomac, Maryland about fifteen miles from the national capital. The group will use the Center as its base station while sight seeing at the White House, the Capitol, Mt. Vernon, Arlington National Cemetery, the Smithsonian Institute and other historic points of interest.

The return trip will be through Philadelphia, Valley Forge and Gettysburg to Bristol, Tennessee, Next on the schedule is a visit to the Hermitage, a boat ride on the Mississippi River, and exposure to Opry Land in Nashville. Last night out will be spent at Little Rock, Ark.

Any Scouts interested in joining this ROCKWOOD-WASHINGTON, D.C., Wider Opportunity, may contact the Girl Scout Service Center, 3165 So. 27th, Abilene, Texas, 79605 within the week for applications.

Indy, UCLA Vie Saturday

By ALEX SACHARE
AP Sports Writer

Gene Bartow remembers the first time UCLA played Indiana this season. It's not a very pleasant memory, but it's one he's getting a chance to erase.

"It was my first game at UCLA," said the man who stepped into the shoes of the legendary John Wooden as coach of the Bruins. "It meant so much to me, the pressure that was on me was extended to our players. I think we were over-prepared."

Indiana overran UCLA 84-64 in that season opener in St. Louis Nov. 29, the Hoosiers' first triumph in a perfect string of 30 so far this year. The Bruins, meanwhile, stumbled through the early part of their schedule but then put the pieces together to win the Pacific-8 title and a berth in the NCAA tournament, where they are defending the title they won 10 of the past 12 years under Wooden.

Bartow will get a chance to wipe out the memory of that initial defeat Saturday when Indiana and UCLA square off again in the NCAA semifinals at the Spectrum in Philadelphia. It's the second game of a doubleheader that will be nationally televised (NBC, 2 p.m., EST), with Rutgers, 31-0, and Michigan, 24-6, meeting in the first semifinal. The winners meet in the final Monday night, March 29.

If top-ranked Indiana's 65-56 triumph over No. 2 Marquette in the Mideast Regional Saturday was the Game of the Year, the UCLA-Indiana matchup must rate as the Rematch of the Year.

The last time, All-American center Kent Benson of Indiana was the dominant factor, controling play at both ends of the court. But since then, 6-foot-10 freshman David Greenwood has replaced 7-2 senior Ralph Drollinger as UCLA's starting pivotman, and Bartow hopes the two of them will be enough to contain Benson.

Also on display in the big rematch will be two of the game's premier forwards, Scott May of Indiana and Richard Washington of UCLA. The 6-foot-7 May is a first-team All-American and college basketball's Player of the Year, while the 6-10½ Washington was a second-team All-American.

Both played prominent roles in Saturday's regional finals.

Washington scored 22 points and grabbed 10 rebounds to lead fifth-ranked UCLA, 26-4, past 15th-ranked Arizona 82-66 in the West Regional on UCLA's home floor, Pauley Pavilion. The game was tied 58-58 with eight minutes left before UCLA broke it open with 12 consecutive points, Washington getting two baskets and an assist in the burst.

May picked up three personal fouls in the first 6½ minutes of Indiana's game against Marquette at Baton Rouge, La., and sat out the rest of the first half. But he came back in the second half to help his team to its 64th victory in the last 65 games.

The red-hot Hoosiers hit 15 of their first 21 shots from the field and raced to an early 30-19 lead before Marquette closed to 36-35 at halftime. The Hoosiers built a 10-point lead midway through the second half, but again the Warriors rallied.

With 2:18 to play it was 57-54, and Marquette had the ball. But Bo Ellis missed a turnaround jumper, Indiana collared the rebound and Tom Abernethy was fouled. What's more, Marquette Coach Al McGuire, complaining that Ellis had been fouled, was slapped with a technical. Abernethy sank two free throws, the Hoosiers retained possession of the ball and free throws by Abernethy and Bob Wilkerson moments later plus a layup by Quinn Buckner clinched the victory.

Benson led Indiana's balanced attack with 18 points, May had 15 and Abernethy 12. Earl Tatum was high scorer for Marquette with 22.

The Rutgers-Michigan semifinal matches two teams whose forte is quickness. Both could carve their mark in the record book by going all the way.

The Scarlet Knights, should they win the semifinal and final, would finish with a 33-0 record, the most victories ever by a major college team in one season. The Wolverines, who finished second to Indiana in the Big Ten, are trying to be the first conference runner-up to win the national crown.

Fourth-ranked Rutgers got its running game going in the East Regional at Greensboro, N.C., against VMI, leading by as many as 21 points and then turning back a mild challenge by the Keydets to win easily 91-75.

Guards Ed Jordan and Mike Dabney scored 23 points apiece for Rutgers, while Will Bynum led VMI with 34.

Ninth-ranked Michigan, meanwhile, is hoping for its third shot of the season at mighty Indiana. The Hoosiers won 80-74 at Ann Arbor, Mich., and 72-67 in overtime at Bloomington, Ind., in the regular season.

Michigan got 23 points from Rickey Green, 21 from John Robinson and 20 from Phil Hubbard to offset a spectaular 43-point game by Missouri guard Willie Smith and beat the Tigers 95-88.

Michigan led 41-23 late in the first half before Smith shot Missouri back into the game with his long-range jumpers. The Tigers took a 76-71 lead 12 minutes into the second half, but were then outscored 16-4 as Michigan took control again.

"We're not afraid of anybody," said Michigan Coach Johnny Orr.

Green Wins At Jacksonville

JACKSONVILLE, Fla. (AP) — Hubert Green counts himself a lucky man.

"I'm lucky I can play golf for a living," he said.

"I'm lucky that playing golf enables me to go all over the world, places my mother and father never even thought about going. I've played in Australia and New Zealand and Morocco and Japan. I've played in England and Scotland and other places in Europe. I'm lucky I can do this. Not everybody can."

And how about the money he's piled up while playing his game, well over one-half million dollars in the last 3½ seasons?

"Money isn't everything," Green replied in his curiously quick, clipped delivery. "It's nice to have, but it isn't everything.

"I'm trying to pile up the titles, not money. If you win the titles, win the golf tournaments, the money will follow."

And Green, rapidly advancing through the ranks of the game's premier performers, piled up another one Sunday, rallying from the potential disaster of a double bogey with a gritty, two-under-par 70 that won him the $35,000 first prize in the Greater Jacksonville Open.

It was the second title in as many weeks for the man who calls himself "just a skinny kid from Birmingham," and the 11th, including a Japanese title, in his career.

Now Green, who won this one by two strokes with a 12-under-par total of 276, would like to get lucky enough to win one of the game's Big Four crowns, the only thing he really needs to gain his full stature as one of golf's leading practitioners.

"In my estimation," said Green, a run-away, record-setting winner of the Doral Open a week ago, "a great player is a player who plays well in the major tournaments.

"I haven't had a particularly good record in the majors. That's what I want to do. That's the next step."

And his rare sweep of two consecutive titles stamps the dark, slender, 29-year-old Green one of the prime favorites for the Masters crown, the first of the year's major titles, to be played in Augusta, Ga., three weeks from now.

The victory, nailed down with a magnificent shot from a fairway sand trap on the 18th hole, allowed him to join Johnny Miller, Hale Irwin and Ben Crenshaw as the only double winners of the year.

Gold Stars Nip White

The Gold team defeated the White team, 30-29, in an exciting Little Dribblers All-Star game here Saturday night.

The score was tied, 6-6, after one quarter, but the White went ahead, 17-16, at halftime. The Gold rallied in the third period to take a 26-23 lead which held up.

Trey McWilliams and Randy Burrus each tallied eight points for the Gold while Allen Keith Wallace led the White with eight.

Also scoring for the Gold: Curtis Gafford 4, Richard Derrick 4, James Caldwell 2, David Rios 2, and Bart Moran 2.

For the White, Ricky Howard scored 6, Britt Vincent 5, Tommy Collum 4, David Nicholson 2, Bradley Robertson 2, and David Gee 2.

Ten All-Stars were selected to represent Snyder in district play April 8-10. They were Trey McWilliams, David Rios, Bart Moran, Curtis Gafford, Randy Burrus, Britt Vincent, Ricky Howard, Bradley Robertson, Allen Keith Wallace and Tommy Gressett. Coach of the Snyder All-Stars will be James Vincent and I.E. Ham.

Net Team Is Third At B'wood

BROWNWOOD—The Snyder High School tennis team placed third at the Brownwood Tournament last weekend.

Coleman won the tourney with 90 points. Scores of other teams: Granbury 75, Snyder 71, Ballinger 66, Brownwood 65, Clyde 52, Stephenville 48, and Ft. Worth Carter 39.

In boys singles, Robert Potts took 7th by defeating Southerland of Stephenvile 2-6, 7-6, 6-1. Marcus Anderson was fourth with a 6-2, 6-2 win over Withrow of Brownwood.

In boys doubles, Danny Ronquille and Oscar Ramirez were second by defeating Kingsbury and Christian of Coleman 6-2, 6-1. Jeff Scannicchio and Zane Sterling were third with a 6-4, 7-6 victory over Coleman and Dering of Coleman.

In girls singles, Margaret Womack was first by beating Williams of Coleman 6-1, 6-0.

In girls doubles, Pam Burrus and Jana Wellson were 13th with a victory over Stephens and Butler of Brownwood 6-4, 6-2. Lori Watlington and Debra Tucker were 15th with a win over Zertucke and Reyes of Ballinger, 6-2, 6-1.

The tennis team will be at Amarillo April 2-3.

Permian, Ector Win Reef Titles

The only new records set at the annual Canyon Reef Relays this year was in the girls' division. Since this was the first year for a girls division, all of the first place winners hold new records. None of the competitors in the boys divisions set new records. But, it was a cold, windy day not conducive to outstanding performances.

Odessa Permian swept to the team title in the AAAA division, getting eight blue ribbons and scoring 203 points to dominate the field. Amarillo Tascosa was runnerup with 131 points while Lubbock Monterey compiled 122½ and Big Spring got 26½.

Odessa Ector won the AAA division, outscoring Lubbock Dunbar, 153 points to 140. Ector got seven first places. Snyder was third with 105 points, and Pecos was fourth with 73.

Big Spring nipped Ector, 139 points to 129, for the girls division crown. Scores of other teams: Brownfield 93, Breckenridge 63, Colorado City 59, and Snyder 37.

Snyder took three blue ribbons in the AAA division, led by Steve Green, who missed the standard in the high hurdles by only .3 of a second with a 14.3 clocking. He led all the way. Mike Freeman took first in the shot put with a heave of 54-3 while Ricky Rice took first in the pole vault by clearing 11-0.

Steve Fisher was runnerup in the mile run with a 5:03.4 effort while Chester Cobb placed second in the high jump by clearing 6-0. Cobb also had two third place finishes. He was timed at 15.1 in the high hurdles and had a distance of 21-7½ in the long jump.

Other third place finishers for the Tigers included Dennis Boone in the mile run with a 5:03.4 effort; Clay Peterson in the 100 yard dash with a 10.2 clocking; and the sprint relay team comprised of Doyle Browning, Steve Green, Clay Peterson and Ronnie Collins with a 44.3 effort.

Clay Peterson also was fourth in the 220 with a timing of 23.2. The Tiger mile relay unit comprised of Brent Tery, Clay Peterson, Steve Green and Greg Early also placed fourth with a 3:47.8 clocking.

The Tigers have a young team and should be strong the next two years. Del Vickers took fifth in the mile run with a 5:17.4 clocking while John Garza took fifth in the 880 yard dash with a 2:10.1 clocking. Tim Falls was fifth in the high hurdles with a 15.6 effort, and Johnny Velasquez was fifth in the quartermile with a 56.6 clocking. Steve Green was fifth in the 330 yard intermediate hurdles with a 43.2 timing. Cary Welch was sixth in the discus with a heave of 119-8½.

Snyder got one blue ribbon in the girls division when Mitzi Autrey cleared 4-10 in the high jump. Sarah Fagin was runnerup in the 80 yard hurdles with a 12.3 timing. Mitzi Autry also was third in the hurdles with a 12.9 clocking while Vanessa Short was timed at 13.1 in the same event for a fourth place. Tanya Boydstun was fifth in the long jump with a leap of 15-6¼ while the mile relay team comprised of Dana Elrod, Norma Sauceda, Glenda Vaughn and Carrie Taylor also placed fifth with a 4:34.7 clocking. Boydstun also was sixth in the discus with a distance of 82-7. The sprint relay unit of Beverly Thompson, Debbie Newman, Sarah Fagin and Della Brazil was sixth with a 53.5 clocking.

UP AND OVER—Snyder High School's Chester Cobb is shown clearing the bar at 6 feet in the high jump event at the annual Canyon Reef Relays, held here Saturday. He placed second in the event, Odessa Ector won the Meet.

Tigers Nip Kermit 4-3

ANDREWS—The Snyder High School Tigers scored two runs in the bottom of the 8th inning to take a 4-3 triumph over Kermit and win Consolation championship honors in the invitational baseball tournament here Saturday.

With Kermit leading 3-2 going into the bottom of the 8th, Tracy Witherspoon led off for Snyder with a single to left field. After Alvin Ollison fanned, Dray Sikes stepped into an 0-1 pitch and drilled a double, scoring Witherspoon from first. Salvador Canales, the next batter hit a 1-1 pitch to the third baseman. Langston, the Kermit third baseman, hurried his throw and made a wild throw to first, letting Sikes in with the winning run.

Kermit had tied it up in the top of the 8th when D. Hagood socked a triple over the left fielder's head and scored on a subsequent error.

Snyder had taken the lead first, 2-0, in the bottom of the second. Kelly Ragland and Mitch Mackey each singled. They scored on a resounding double by Tracy Witherspoon.

Kermit had tied it up, 2-2, in the top of the 5th. Back-to-back doubles by Langston and Berzoza accounted for one run, and Berzoza scored on an error.

The Tigers' Gary Greenlee went the distance, giving up just six hits while fanning seven. Isaacs and Patrick handled the mound chores for Kermit, and they were touched for eight hits. Mackey, Witherspoon and Sikes each collected two hits for the Tigers while Ragland and Tony Lewis each got one hit.

Coach Speedy Moffett said the Tigers will have their work cut out for them tomorrow. They host perenially tough Lubbock Monterey at 4 p.m. Tuesday on the Moffett Field diamond. The Tigers' season record now is 6-8. The junior varsity hosts Lubbock High at 4 p.m. Wednesday, also in Moffett Field. The Tigers have a 4-game home stand. Following the Monterey game, they host Andrews Thursday at 4 p.m., then entertain Pecos Saturday in a doubleheader beginning at 2 p.m.

Time Runs Out For Cinderella Cagers

NEW YORK (AP) — The North Carolina-Charlotte 49ers took three bites of the "Big Apple" — but couldn't get the fourth down.

After delicious victories over the University of San Francisco, Oregon and North Carolina State, time finally ran out Sunday for the cinderella team of the 1976 National Invitation Tournament.

"I think we did a tremendous job and I'm really proud of my team," said North Carolina-Charlotte Coach Lee Rose after losing the NIT finals 71-67 to the red-hot Kentucky Wildcats. "I think you must keep in mind that Kentucky's got three high school All-Americas on their team — and we have none."

The unheralded 49ers had a seven-point lead with ten minutes left in the game and the opportunity to knock off one of college basketball's traditional powers. But strangely, they went into a slowdown while Kentucky's entire starting front line was sitting on the bench in foul trouble.

"When they started backing off," said Kentucky Coach Joe Hall, "that was just fine with us. We appreciated that."

Eventually Mike Phillips, Jack Givens and James Lee — all of them saddled with four fouls — came back into the game to help Kentucky win the 39th NIT title.

The Wildcats, who landed in the finals at Madison Square Garden with close victories over Niagara, Kansas State and Providence, didn't do things the easy way in the championship game, either. Phillips scored five points in the last minute, including a crucial tap-in on a missed foul shot, and the 49ers contributed two key turnovers at the end.

"Phillips' big play at the end was a super effort," said Hall, whose team was given up for dead in midseason but finished with 10 straight victories. "The big thing about this team is that for the last 10 games, they have simply refused to be beaten. I had all the confidence in the world that we were going to win this one."

Hall, whose Wildcats lost the NCCA championship game last year to UCLA, put the whip cream on his 1975-76 season by beating the 49ers.

Golf Team Leads By 1 Stroke

SWEETWATER—The Snyder High School golf team took a one stroke lead in the first District 3-AAA Match held here Saturday. The Tigers carded a 325, one stroke better than Sweetwater's 326.

Scores of other teams: Brownfield 334, Sweetwater No. 2 349, Lamesa 357, Snyder No. 2 365, and Brownfield No. 2 414.

Snyder's Stan Talbot was medalist with a 74. Runnerup medalist was David Kuss of Sweetwater with a 78. His teammate, Mike Hawley, fired a 79.

Scores of other Tigers: Walt Williams 82, Mike O'Day 86, Todd Line 85, and Lance McMillan 84. The scores of the No. 2 Snyder team: Mark Duke 88, Frank Osborne 84, Dennis Gary 94, Randy Wolfe 100, Randy McCowen 99, Lars Clausen 83, and David Webb 101.

The next district match will be held on the Snyder Country Club course Saturday. Tee off is on tap for 8:30 a.m.

Jr. Tennis Team Wins

The 7th and 8th grade tennis players from Snyder Junior High have yet to be defeated by the same team twice. The junior netters, have reversed all three of their loses this season. The results from the Saturday dual were as follows:

Girls Singles

Connie Weber continued her winning ways be defeating Michalle Ellis 6-3, 6-4. Donnie McGee had a tough time handling the lobs of Susie Jobe but did winning 6-4, 7-6. Kim Harlin, playing on the College courts, won over Denata Hall 6-1, 6-2. Belinda Scott had trouble with her overhead and was defeated by Suzanne Cooper 6-4, 6-2. Martha Womack, after deciding that tennis is a game of errors, defeated Rosa Garcia 6-2, 4-6, 6-0. Shelley Grosshans had to go three sets in order to defeat Patty Finley 6-1, 5-7, 6-4.

Girls Doubles

Weber and Womack played real well together and defeated Ellis and Jobe 6-2, 6-3. McGee and Harlin had a tough first set but won going away 7-6, 6-0. Scott and Owens had to go three sets in order to defeat Finley and Hall 6-3, 5-7, 7-6.

Boys Singles

Darrell Calvert, playing one of his best matches, lost to Ed Weddle 6-4, 6-3. Mark Scott had all kinds of troubles and lost to Cody Hicks 6-0, 6-1. Scott Marler had Clinton Godwin going but let up and lost 7-5, 6-2. Bryon Vincent played Harvey Duke a good match but lost 6-3, 6-4. Robett Bartlett, playing the number five position, won over Billy Greenfield 6-1, 6-2. Jeff Wesson defeated Bill Keller 6-2, 6-4.

Boys Doubles

Marler and Calvert, playing real tough at the net, defeated Weddle and Hicks 6-4, 6-4. Shawn Ragland and Robett Bartlett took three sets to win over Godwin and Duke 4-6, 6-3, 6-0. Wesson and Neal Paige defeated Keller and Greenfield 3-6, 7-6, 6-4.

The team is improving every match in doubles. This time they didn't lose a doubles match. The next action for the top players will be the Lubbock Invitational Tournament April 3-4. Some of the players who haven't played too much this season will get their chance Tuesday against a "first year" team from Big Spring.

King Kong Is Happy As A Security Guard

By CHARLES CHAMBERLAIN
Associated Press Writer

CHICAGO (AP) — King Kong is alive, well and happy as a security guard for a Chicago insurance company.

"It was me in my gorilla suit up on top of the Empire State Building, clutching Fay Wray in one hand or putting her gently on a ledge and knocking down attacking planes until the bullets got me," says Carmen Nigro, recalling the memorable, final scene of the 1933 movie classic, King Kong.

"Of course, what I was on was an eight-foot model on the RKO stage with a backdrop of New York City," said the man who was known for 25 years as the Hollywood Apeman.

"Fay Wray was an animated doll. Planes were projected on the backdrop. There were a few little gasoline-powered planes hooked on wires that were aimed around me. I wore fur-covered ballet slippers with rubber suction pads on the bottom. I looked 50 feet tall."

Nigro, whose professional name was Ken Roady, is a lively 71-year-old who still can mimic the shuffle of an ape. He appeared as a stuntman in about 100 movies and played a gorilla in 33 others.

A barrel-chested 5-foot-6, Nigro was the hairy beast in Mighty Joe Young, The Unholy Three, Tarzan and His Mate, Night of Horror and Ape Man Nabonga. His last gorilla movie was Gorilla At Large in 1954.

Nigro said he studied the way an ape moves when he accompanied the late Frank Buck, the animal collector, on two jungle trips.

"I was ready when I heard RKO was looking for a gorilla man in 1931 to play the title role of King Kong," said Nigro. "I had to beat out a couple of other guys. I was the most realistic and besides I paid $3,500 to have a gorilla suit made out of six bear skins. I still have it at home but it's in pretty bad shape now.

"The hardest part of the job was withstanding the heat buildup inside the suit. I'd have to take the head off every 10 minutes to get my breath. Over the years I wore out eight Kong heads and 10 sets of arms and extension hands."

For his part as King Kong, one of the most famous roles in movie history, Nigro said he was paid $7,500, "and when you deduct the cost of the costume, I netted only $4,000."

Nigro now lives in a small apartment in Cicero, a Chicago suburb. He says producers would not let him use the name King Kong in the girl-and-gorilla acts he took across the country. He also worked as a dining car cook on the Sante Fe Railroad, finally became a chef and retired in 1970 after 32 years of service. He said he gets no money when King Kong or some of the other old movies he appeared in are on television.

They are remaking King Kong now in Hollywood, but Nigro says he is through with gorillas. "I'm just happy being a security guard and having my memories," he said.

Five Wounded In Church Shooting

PHOENIX, Ariz. (AP) — Five persons were shot and wounded, one seriously, at a church Sunday. Police said they had a 15-year-old boy in custody and were seeking another teen-ager.

Police said the incident apparently was touched off by racial slurs exchanged between two black youths and two white youths outside the Church of Jesus Christ of Latter-day Saints.

Four of the shooting victims were listed in good condition or were released. The fifth, Dellwin Thomas, 36, was reported in serious but stable condition at Memorial Hospital with a chest wound. All were church members.

At least 100 persons were inside the church when the shooting erupted shortly before 10 a.m., according to Charles Taylor, a church bishop. Taylor said he was in another part of the building when "someone told me there was a fight out front.

"I was walking through the culture hall when the first thing I saw was a member of our church laying in the cultural hall, blood all over his shirt."

Taylor said that "as far as we can tell, three people were hit outside the building and two inside the building."

Police gave this account:

Witnesses said two white youths, identified as Gary Holt, 18, and Randy Cason, 17, were standing outside the Mormon church when they saw two black youths hitch-hiking on the other side of the street. One of the whites thought he recognized one of the blacks and called to him, but the blacks, misunderstanding, shouted back, witnesses said.

The exchange turned into racial slurs and the four youths then scuffled, police said. One of the black youths, an unidentified 18-year-old, threw a large rock at Holt and struck him in the back.

The two blacks then left, but one returned a few minutes later and again exchanged heated remarks with the two whites, who then were standing with a large group of churchgoers.

The black drew a .22-caliber revolver and fired a shot over the heads of the group, then fired repeatedly into the crowd while standing inside or near the front door of the church.

The youth then fled into a housing project and was caught by pursuing church members and a policeman.

The 15-year-old was being held at the Maricopa County Juvenile Detention Center for investigation of five juvenile charges of assault with intent to commit murder, officers said.

The second black youth was still being sought, police said.

The Consumer Alert

by John L. Hill
Attorney General

AUSTIN—Every day thousands of Texas consumers receive flyers and mailers proclaiming a "special sale" on one or many items. Newspapers are full of "spring specials" on everything from lawn and garden equipment to Easter dresses.

And many of these sales are advertised something like this: "Buy one for $10, get the second one for half price," or "normally sells for $59.99, our sale price now $39.99."

These are price comparison advertisements, our Consumer Protection attorneys say, and they are a widely used and effective means of promoting a product.

In price comparison advertising, current prices for goods or services offered for sale to consumers are compared with previous prices, with future prices, or with other stated values. This is to show price reductions, cost savings, or sales, and is a common form of advertising.

Price comparisons that accurately reflect current market value help consumers by providing information useful in making buying decisions. But price comparisons based on inflated or arbitrary prices can be misleading, and our lawyers say, could constitute violations of the Deceptive Trade Practices-Consumer Protection Act, which prohibits "false or misleading statements of fact concerning the reasons for, existence of, or amount of price reductions."

They say that while most businessmen use price comparisons to advertise legitimate cost reductions, there are a few unscrupulous merchants who treat both consumers and their competitors unfairly by misusing price comparison advertising.

For example, they may raise the price of an attractive item, then later offer "an incredible price reduction on our most popular line of power tools." Our lawyers say it's misleading and illegal if the seller raised his price on an item a short period before a sale, since the previous price must have been in effect for a reasonable period of time, and must have been sold regularly at that price before the sale.

Consumers should also read sale literature carefully. Phrases such as "made to sell for $29," or "compare at $7.99" can be meaningless. They may not mean the merchandise actually sold at that price, or that the merchant even tried to sell it at that price. Yet they give the impression that the purchaser will be getting a real bargain.

Other phrases such as "reduced from manufacturer's suggested retail price" can also be misleading if a manufacturer customarily lists an unrealistically high "suggested price" so retailers can offer what seems to be a good buy.

And offering merchandise at "factory price," "dealer cost," or "wholesale" can be deceptive if the merchant's definition of "dealer cost" means what an item cost a dealer, plus his overhead, advertising costs, sales commissions, and other expenses.

If you have a consumer complaint about deceptive or misleading advertising, get in touch with our Consumer Protection Division, your county or district attorney, or your local Better Business Bureau.

Easter Seal Appeal Here Going Well

Scurry County's Easter Seal Representative reported today that the 1976 Easter Seal Appeal of the Easter Seal Society for Crippled Children and Adults is going well but urged all citizens who have not responded to the Appeal to do so.

Cecil J. Boren, of Snyder serves as Easter Seal Appeal Treasurer for the County.

The 1976 Easter Seal Appeal will finance the Easter Seal Society's rehabilitation program for crippled children and adults in Texas. Last year the Society helped 10,768 persons through its program of assistance in finding and making effective use of services for the disabled and their families.

The Easter Seal Society helps support 11 treatment facilities in Texas where children and adults not eligible for other assistance are treated. These centers offer physical therapy, medical diagnosis, speech and hearing programs and related services to help the disabled build happier and more useful lives.

The Easter Seal Representative is the person to contact for services from the Easter Seal Society and for the request form to be sent to the Texas Easter Seal Society to determine the needs of the disabled person. The Society will provide the services or will direct the handicapped person to the best resources available to help him.

Contributions to the Easter Seal Appeal should be sent as soon as possible. The Annual Spring Appeal continues through Easter Sunday, April 18.

When Lassen Peak in California erupted in 1915, the resulting mudflow shoved 20-ton boulders five miles down the nearby valleys.

Party Bust Nets 73 Arrests

WEATHERFORD, Tex. (AP) — Parker County Chief Deputy Sheriff Rob Stokes wasn't exactly the life of the party—at least not to 73 persons arrested in a raid where drugs were suspected.

Stokes said he "kind of ruined the party" when he led a raid on a house early Sunday following an informant's tip that illegal drugs might be found.

"I only expected maybe 10 or 15 people at the house," Stokes said. "But at least we didn't have any trouble with anyone."

Stokes a group of 12 state and local officers raided the house just south of this West Central Texas city of 11,000.

Arrested were 63 adults and 10 juveniles, he said.

Charges against the partygoers ranged from illegal possession of marijuana to contributing to the delinquency of a minor, Stokes said.

The deputy said those arrested were mostly from Weatherford, Mineral Wells and Fort Worth.

The house, in a new subdivision, was owned a 24-year-old man, he said.

The revelers, ranging in age from 15 to 24, were taken to the county jail in police cars.

"I tried to figure out where I could get a bus, but I couldn't think of one," Stokes said.

Those arrested were kept at the jail, which is designed for 40 persons, until they were processed and released on bond later Sunday.

"We had plenty of room to squeeze them in," Stokes said, "but the biggest problem was getting all the information."

As far as the amount of drugs seized, it was not a big raid, said Stokes, who added that some marijuana and heroin were taken.

"But it was the biggest seizure people-wise I have ever seen," he said.

Dr. Lamb

Sore throat can be treated

By Lawrence E. Lamb, M.D.

DEAR DR. LAMB — I am very worried about my 3-year-old son. He has a very bad sore throat. I took him to the doctor and he told me he has quinsy.

I would appreciate it if you would explain what that is and what causes it. The doctor told me my son inherited it from me. As a child I had frequent sore throats and weak tonsils. I try to take the best care of my children's health as I can.

My son became sick on Monday and on Tuesday he was a little worse. He said his throat did not hurt. Then Wednesday morning he tried to eat his breakfast and he couldn't swallow, so I took him right over to the doctor. How can a child get that sick so fast and not complain? I feel very helpless and bewildered. I asked the doctor and he just said it was a bad sore throat and that he hadn't seen such a case in years.

DEAR READER — The term quinsy is used for the development of an abscess around the tonsil as a complication of a severe sore throat, usually a strep throat. The tissue around the tonsil area is fairly loose and an abscess can form and become quite large. It may produce severe swelling of the neck. Certainly it's enough to cause difficulty for a child in swallowing.

The usual nature of quinsy is to cause a sudden change in illness just as you described. The child may be gettting along very well with an ordinary sore throat and then have a sudden marked swelling of the throat, difficulty in swallowing, fever and evidence of severe illness. Just keep in mind that it is simply an abscess and it is caused by an infection. It can be treated and it is not that dangerous today because of the treatments which are available.

This was once a dreaded and fairly frequent complication of strep throat but since strep throats are largely controlled today with antibiotics it is seldom seen. That's why your doctor said he hadn't seen such a case for years.

Your son did not inherit quinsy from you. It is an infection caused by bacteria. What your doctor probably meant was that your son inherited a tendency to throat infections which allowed him to get the sore throat to begin with. It is true that some people seem to be more resistant to infections than others but the exact reasons for this are not always clear.

For more information on sore throats and colds send 50 cents for The Health Letter, number 3-1, The Cold, Flu Group. Send a long, stamped, self-addressed envelope for mailing. Address your letter to me in care of this newspaper, P.O. Box 1551, Radio City Station, New York, NY 10019.

There is a wide variety of questions, comments and other things in my mailbag. Recently I received a printed statement from one of the readers which was short, simple and full of wisdom. It read as follows, "Don't be afraid to ask stupid questions. They're a lot easier to handle than stupid mistakes."

I'm inclined to agree and such a philosophy is certainly important where health is concerned. A simple question can sometimes solve important problems that have far reaching effects on one's life and health.

Local Pharmacists Named To Academy

Robert J. Patterson, R. Ph. and Maria J. Patterson, R.Ph. of Snyder have been named members of the Texas Academy of Pharmacy for 1976. Of the nearly 6,500 pharmacists presently practicing in the State, fewer than 200 are so honored each year.

Excellence in professional practice, voluntary participation in continuing education, and outstanding activity in local and state pharmaceutical associations are prerequisites for Academy membership.

Family Loans Hit New High

WASHINGTON (AP) — The Mortgage Bankers Assn. of America says single-family loans reached a record volume of $15 billion in 1975.

It says this was 16 per cent above the previous record of $13.3 billion set in 1972.

A Golden Oldie From Abby's Mailbag

By Abigail Van Buren

© 1976 by Chicago Tribune-N. Y. News Synd. Inc.

DEAR READERS: I am presently writing a book that will contain choice letters I've received in the last 20 years. In selecting the material, I came across a letter that gave me a chuckle. I hope it gives you one, too. It was published in my column in October, 1968:

DEAR ABBY: I'm a 44-year-old bachelor who digs women, but I'm not looking for any matrimonial involvements. I live alone in a modest bungalow and enjoy my privacy.

My problem is an aggressive divorcee who lives next door. She's not bad looking, but she comes on awfully strong. She's a rip-roarin' Republican and a Nixon booster from way back. If she sees a light in my place, she runs right over with a prepared meal and an armful of Nixon campaign literature. She's even offered to cook for me and do my ironing, but I'm not about to fall into that trap. When she's not trying to sell me on Nixon, she's talking about marriage.

Last week I had it, so I moved my refrigerator, stove and TV down to the basement so she won't know I'm home. So now she phones me! What should I do?

NOT INTERESTED

DEAR NOT: Tell her you're going to vote for Hubert and move back upstairs!

DEAR ABBY: PENNA. READER wrote: "I went to a nice supper club with my lady friend and another couple, when a male friend of the other couple approached me and asked if I minded if he danced with my date. I said 'Yes, I do mind,' and my date thought I was rude."

You said, "You were. You should have asked your date if SHE wanted to dance with the stranger."

Well, I think you were wrong. Why should a man who goes to a supper club (and probably left his wife or girlfriend at home) expect some other guy to provide him with a girl to dance with?

I say, nuts to him. If he likes to dance, let him bring his own date!

WYOMINGITE

DEAR WYOMINGITE: I led with my chin on that one. You're right!

DEAR ABBY: A school dance is coming up next month, and the girls are supposed to ask the boys.

I want to ask a certain boy I know, but my mom says I shouldn't ask a boy who hasn't ever asked me out, and this one hasn't.

Abby, I think it's only fair that this once I should be able to ask the boy I really want to ask. What do you think?

TO ASK OR NOT TO ASK

DEAR TO ASK: The purpose of a girl-ask-boy dance is to change the boy-ask-girl tradition with which girls have been stuck for so long. If girls ask only boys who have asked them out, where's the breakthrough?

Everyone has a problem. What's yours? For a personal reply, write to ABBY: Box No. 69700, L.A., Calif. 90069. Enclose stamped, self-addressed envelope, please.

Pollution Control Costs In Billions

CHICAGO (AP) — More than $195 billion will be spent by American industry on water pollution control equipment over the next decade, according to Ecodyne Corp.

The firm said the amount represented three times the total 1975 Gross National Product of The Netherlands.

THIRD CRITICAL

Rat Poison Kills 2 Kids

DURANT, Okla. (AP) — Two children died Sunday and another remained in critical condition today after they ingested a rat poison Saturday evening that authorities say has no known antidote.

The children apparently ate vanilla wafers soaked in the poison, identified late Sunday night as sodium fluoracetate — commonly known as Compound 1080, authorities said.

The wafers were on the seat of a pickup truck owned by an exterminator. The poison generally is mixed with water and spread around to kill rats, but authorities said that sometimes wafers are soaked in the poison and put in out-of-the-way places to attract the rodents.

However, another Durant exterminator, Bob Scopel, said the poison is so lethal that few exterminators use it.

The youngsters who died were Joseph Whaley, 2, son of Mr. and Mrs. Robert H. Whaley, and Tracy Lynn Beshirs, 3, son of Mr. amd Mrs. John H. Beshirs.

Joseph's brother John Michael Whaley, 4, was taken to an Oklahoma City hospital in critical condition.

Two other youngsters were under treatment for possible poisoning — Tony Beshirs, 4, brother of one of the dead, and Tracy Daniels, 2, son of Mr. and Mrs. L.O. Daniels.

Ten to 15 children were playing together in an apartment complex when they spotted a can of the wafers on the seat of the pickup.

Dist. Atty. Jack McGahey said reports had been received that the exterminator parked his truck in the apartment complex and left it. Authorities were seeking the man.

"We don't know if any others ate any," McGahey said. "We hope to God they didn't eat any of them."

McGahey said a $10,000 bond is required for purchase of the poison and permission is required for its use.

Dr. R. R. Moose said he talked to a New York City poison antidote center but was unable to get any information on the possible antidotes.

Six children were reported stricken at first but authorities later said confusion at the hospital, caused by a crowd of parents bringing their children in to be checked, was to blame for a miscount.

One of them is John Michael Whaley, 4, brother of Joseph Whaley, a 2-year-old who died. Their parents are Mr. and Mrs. Robert H. Whaley.

Some 21 per cent of the motorcyclists in California, according to National Automobile Club statistics, are women, but on a national scale 5 per cent are women.

Earning Reports Required By SS

According to Don Minyard of the Big Spring Social Security Office, Social Security beneficiaries who earned more than $2520 in 1975 must report their exact earnings to Social Security before April 15.

Minyard explained that this is a separate report from the income tax return that must be filed before April 15. Often people become confused about this report and feel the one report to Internal Revenue Service is sufficient.

If social security is aware that you planned to earn over $2520 in 1975 you will receive a form in the mail. If you do not get an annual report form in the mail you may get one from the representative at the contact station in your area. The representative is in Snyder every Tuesday on the third floor of the county courthouse from 10 a.m. to 12 noon and from 1 p.m. to 2 p.m.; Colorado City every Wednesday at the Chamber of Commerce Office from 10 a.m. to 12 noon; Lamesa every Thursday at the Senior Citizens Center from 10 a.m. to 12 noon and from 1 p.m. to 2 p.m. These reports are not difficult to complete but if you feel you need assistance the Social Security representative will be glad to assist you in completing the form.

It is important that the earnings you show on this report are exactly the same as is shown on your W-2 forms and income tax returns, so be sure to show your wages exactly as your employer showed them on your W-2 form and your self-employment income exactly as it is shown on your income tax return.

Social Security beneficiaries receiving benefits because they are disabled, and beneficiaries over 72 in all months of 1975, are excluded from those who must make an annual report of their earnings. All others whose earnings exceed $2520 are required to complete the report even if they are paid correctly for 1975.
