

NICHOLS' WORTH

By: Nanalee Nichols

People write songs and poetry about the beauties of summer, the glory of spring, the melancholy colors of autumn, the delights of snow-covered winter.

No one ever writes a song entitled "When It's Mud Time In East Texas, I'll Be Coming Back To You" or a poem entitled "Tramping The Mud Flats At Eventide".

There's an obvious reason for that...mud is absolutely awful!

Right now, after the hard freeze and inches of ice, it is inconceivable that the mud could get any worse.

The ground is so rotten that driveways are soup, slime covers the roads, and there is simply no way that we can keep from tracking in globs of the sticky stuff.

Those of us on blackland are in infinitely worse shape than the lucky souls who live on sand...but even sandy land residents are regularly getting stuck, tracking in mud and sinking out of sight.

Blacklanders know that back porches were made for weather like this, and rows of mud-encrusted boots and shoes are usually lined up at the back door.

Anyone hapless enough to lack such facilities must resign themselves to leaving dark, muddy stains on floor or carpet. Mud clings to pants legs, shoe soles and flies up on the back of the leg.

Cars are all one dirty, uniform color, their wheels, fenders and hoods coated in a grimy skin that will keep car washes in business...if it ever gets dry enough to bother washing them.

Kids are unable to find a dry place to play...so, being kids, they play in the mud. This, of course, absolutely delights moms everywhere as they throw mud-stiffened jeans and sneakers into the washer with double-doses of detergent and expectations of a second wash cycle.

Farmers trying to move hay out of their barns to their cows are reduced to tractor use...and the mire is so bottomless that even they are getting stuck.

Even folks who spend most of their life on concrete find that the grit and slime have invaded the cities as well.

It's a peculiar part of winter...and one that we are helpless to do anything about...air conditioning or warm fires won't fix it!

So, about all we can do is bear it and try and think up a really good song...or poem...about the mud. Let's see, "Oh, It's Mud Time and I Miss You, And I Remember When We Waded Through The Mire...Which Stuck Through Thick and Thin". Nope, not quite right, guess I'll keep trying!

Local Sales Tax Figures Varied

State Comptroller Bob Bullock on Friday sent checks totaling \$53.7 million in local sales tax to 891 cities that levy the one-percent city tax.

Bullock said this month's allocations showed an increase of \$5.1 million over last year's January allocations, an increase of 10.6 percent.

However, Bullock warned, the unusually large increase is a fluke.

"Last year, we received a late sales

tax report of about \$2.3 million from a large statewide corporation, so January 1987 allocations were seasonally smaller. That's why this year's increase appears to be so large," Bullock said.

The actual increase in statewide sales tax allocations was about \$2.8 million, or 5.6 percent, Bullock said.

"This year's increase is also due to the wider tax base enacted by the Legislature and the slow but steady

healing of our state's economy," Bullock said.

January checks represent taxes collected in November and reported by December 20. October was the first month that the broadened tax base went into effect, according to Bullock.

Locally, Mt. Pleasant received \$66,643.03 for a 22.61 percent increase while Talco received \$1,973.14 for a 102.11 percent increase over last year's payments to date.

Bogata received \$1,005.23 for a 11.91 percent decrease over last year's payment of \$1,141.14 while Clarksville received \$11,721.24 marking an 85.52 percent increase over last year. Detroit received \$630.89 for a 6.51 percent decrease.

Blossom received no payment this period, marking a 100 percent decrease over last year.

Deport received \$551.07 for a 30.96 percent decrease from last year's

payment of \$798.20.

Paris received \$139,455.03 for a 24.93 percent increase.

This month's largest allocation, \$8.8 million, was to Houston, an increase of 15.24 percent. Dallas received the second-largest allocation, \$6.3 million, an increase of 5.4 percent.

Homes Burglarized In Bogata

Investigations by Red River County Sheriff's Department continued Monday in the burglaries of several homes in the Bogata area.

The homes of Ronnie Ross and Dorothy Clark on South Main Street and the home of Brenda Gunter on Circle Drive were burglarized sometime Friday night, January 15. A 1983 Chevrolet pickup was also

reported stolen from the home of Kenneth Jeffery on Alameda Drive and a radio taken from a vehicle at the John Parrish residence just off North Main Street. Several pieces of jewelry were taken from the Gunter home.

Diane Ross returned home around 10:25 p.m. Friday night, January 15, and discovered the back screen door of her house had been cut and unlocked.

Inside the house, she found food which had been chewed, then spit on the floor of the children's bedroom. Upon further investigation, Mrs. Ross discovered that several items were missing including a VCR and remote, a Minolta camera outfit, a 410 shotgun, a pair of boots, two necklaces and a ring which had been given to her as a Christmas gift.

Dorothy Clark, an LVN at Red River General Hospital, arrived home Friday night after working the evening shift at the hospital and found that

home were a VCR, a pocket calculator, binoculars, suitcase,

blank video tapes, and several candy bars. Deputy Sheriff Danny Wilson and John Penney, investigator for Red River County Sheriff's Department, took fingerprints from the Clark home on Monday.

The eight areas to be considered include: student performance, curriculum, teachers and teaching, organization and management, finance, parent and community involvement, invocation and communication.

Input from administrators, faculty and other school personnel, students, former students, school board members and community representatives is being included. Coordinator for the program is Anita Stubblefield.

A goals committee meeting was held Thursday night, January 7 at Rivercrest High School. Community representatives serving on the com-

mittee are Bud Pyron, Kathy Williams, Gary House, Tammy Case, Rusty Jones, Mollie Williams, Alice White, Karen Bagley, Kay Brooks, Pat Stansell, Marilyn Presley, Joe T. Kelsey and Judy Easley.

Discussed at the meeting were student performance, TEAMS tests, parent and community involvement, curriculum and school attendance. Committee members submitted several suggestions for aiding in these areas. Problems in the schools and among students were also discussed and possible suggestions made. A steering committee has been selected to look at these suggestions, set priorities and decide what goals will actually be used. The Steering Committee meeting is scheduled for February 1.

Ruth Reynolds Honored At Retirement Party

A retirement party honoring Ruth Reynolds of Bogata was held Friday, January 15 in the cafeteria of the Phillips Lighting Company plant where Mrs. Reynolds has been employed as secretary for the past 34 years. Another party was held in her honor Saturday night, January 16 at the Country Club in Paris.

In 1954 when Mrs. Reynolds was hired as secretary in the personnel department, the company was owned by Westinghouse. Ben C. Marable was the plant manager at that time. On March 1, 1983, North American Philips Lighting bought out the lamp division of Westinghouse and the company's name was changed to North American Philips Lighting Company. Recently the name of the company has been changed to Philips Lighting Company.

During the 34 years of Mrs. Reynolds' service at the plant, she has trained and worked for 11 different managers. In 1956, she was promoted to office manager secretary and plant cashier. The present plant manager for Philips Lighting Co. is R.A. Perkins.

Mrs. Reynolds has an eight-year perfect attendance record during the past 34 years plus a perfect attendance for 1987.

When asked about some of the changes in the plant during her years there, Mrs. Reynolds laughingly recalled that the most exciting change was when the plant got air

conditioning, a luxury which was not present in the early years of her tenure. She also recalled starting the job with an Underwood manual typewriter and still remembers how wonderful it was to have her first electric typewriter. She says the world of computers and high technology equipment have brought great changes to the plant.

Although the retirement parties for Mrs. Reynolds have been given, she will return to work after a six weeks vacation to train someone for her job.

Her actual retirement date is set for April 1, 1988.

Mrs. Reynolds says she plans to enjoy her days of retirement playing bridge, oil painting, having lunch with friends and is even contemplating writing a book.

Mrs. Reynolds is married to Paul Reynolds and they live on Circle Drive. She is the daughter of Mrs. Nellie Clark of Red River Haven Nursing Home and has one sister, Patsy Martin of Longview.

RUTH REYNOLDS was honored Friday with a retirement party in the cafeteria of Phillips Lighting

Smith-Williams Exchange Wedding Vows

Nancy Rene Smith and Bobby Wayne Williams, Jr. were united in marriage in an informal, double-ring ceremony at 3 p.m. Friday, January 1, 1988. Rev. Randy Newkirk of Commerce officiated the ceremony at the home of the bride's parents at 105 Grayson Street in Bogata.

The bride is the daughter of Roger and Bonnie Smith of Bogata. The bridegroom is the son of the late Bobby Wayne Williams and Mrs. Mary Hatcher of Hughes Springs.

The bride, given in marriage by her parents, carried a bouquet centered with a white carnation corsage her mother wore at her own wedding, accented with baby blue and apricot roses and streamers. She also wore the same earrings her mother had worn when her parents were married, and for good luck, the bride placed in one shoe, a penny, representative of the year of her birth and in the other shoe, a penny with the year of the bridegroom's birth. Her wedding

rings were a family heirloom handed down from the bridegroom's grandmother.

Mrs. Lisa Morton of Bogata, cousin of the bride, was matron of honor. She carried a bouquet of baby blue and apricot roses accented with baby's breath and streamers. The groom's brother, Eddie Williams of Lone Star, served as best man.

The bride's parents were hosts for a reception following the ceremony. The wedding cake was made by the bride's mother and aunt. Serving were Kathy Hawkins, cousin of the bride, and Tina Smith, sister of the bride.

The bride is a 1985 graduate of Rivercrest High School. She is presently employed at Pilgrim's Pride in Mt. Pleasant. The bridegroom attended Hughes Springs High School and is also employed at Pilgrim's Pride in Mt. Pleasant.

Girl Scout Cookie Order Continues

Girl Scouts in this area will continue taking orders for Girl Scout cookies through January 29. Seven varieties of cookies are available for \$2.00 per box. They will be delivered February 24 through March 6.

The annual cookie sale is a major fund raising source for the council as well as individual troops. Proceeds from the sale support troop activities and council services.

According to Betsy Mills, cookie sale coordinator for Red River Valley

Council, the annual sale not only represents an opportunity for girls to increase troop funds, but also teaches them business skills and gives them experience in meeting the public. In addition, girls who participate in the sale earn awards according to the number of boxes they sell.

To order your cookies, contact a Girl Scout in your neighborhood or call the neighborhood cookie chairman, Kay Ross, at 632-4259.

Warriors Sweep Pair From Rebs

By Stan Anderson

Last Tuesday the Honey Grove Warriors invaded the Rivercrest gymnasium for a pair of important district contests.

The Rebelettes were still stinging from a loss to Leonard and looked to get back in the hunt if they could overcome a strong Honey Grove squad. For six and one-half minutes of the first quarter, the Rebelettes shut down a potent Warrior offense.

The first basket was made at 1:25 by the Warriors. The Reb team answered with a basket of their own. The quarter ended with Honey Grove owning a 4-3 lead.

The second quarter saw both teams open up their offenses and race neck and neck to a 13-12 halftime score with the Warriors holding the edge.

The defenses ruled the third quarter as the Reb fens netted two baskets to take a 16-15 lead heading into the final period.

Honey Grove took advantage of several Reb miscues to outscore Rivercrest 12-7 and retake the lead enroute to a 27-23 victory over Rivercrest.

Rosie Norman took high point honors for the Rebs scoring 11 points. Kim Clark followed with five and Kristie Stansell had four. Rachel Smith finished out the Reb scoring with three points.

The last game of the evening pitted the Rebel men against the defending district champ, and from the start,

the Warriors seemed to be ready for another run at the title, jumping out to an 11-4 lead over the Rebs. Craig Savage pumped in nine points in the quarter as Rivercrest trailed 19-12 going into the second quarter. The Rebels put together a good effort in the second period scoring 13 points but were unable to contain the Warrior offense as the visitors scored 21 for a 40-25 halftime advantage.

Both teams offenses slowed down somewhat in the third quarter as Rivercrest scored only seven points, but had the Honey Grove team answer with a nine point effort, widening their lead to 18 going into the final period.

The fourth quarter saw the Rebels stage a frenzied comeback effort that netted them 22 points, but the Warrior held their lead with a 21 point effort and a 68-53 victory over the Rebels.

Friday night, the Rivercrest teams visited Chisum High School for a pair of contests against two play off teams from last season.

The Rebelettes found the going pretty tough in the first quarter as the Mustangs scored at will for an 18-5 first quarter lead. A wild second quarter put the Rebelettes back into the contest as Rivercrest outscored the Mustangs 10-2 for four minutes and pull within 4; 29-25 at the half.

The Rebelettes kept the pressure on the Chisum team into the third quarter and even pulled within one point, 37-36 before the Mustangs reeled off a 10-point run and a 46-38 score to end the third quarter.

The final quarter, Chisum picked up the pace, scoring 23 points to the Rebelettes 11. The Mustangs won 63-49 to drop the Rebelettes district record to 2-3.

Cindy Thompson and Rachel Smith shared high point honors for Rivercrest, scoring 11 each. Rosie Norman and Amy Gladden had 9 and 8 respectively. Kristie Stansell pitched in six and Kim Clark finished with four points.

The final contest pitted the Rebels against a Mustang team that advanced to last season's Class 2A semi-finals. The Reb team seemed more than ready for the Mustangs as Rivercrest stung the Chisum team for 20 points in the first quarter while only allowing Chisum 10 points. Craig Savage fueled the Rebel run with a 14-point effort.

The second quarter had all the signs of a Reb blow-out as Rivercrest powered ahead of the Mustangs 31-14 at the half.

Chisum made a charge at the 18-point Reb lead. The Mustangs used a swarming press defense to move
