SCHOOL BOARD BANS STUDENT MARRIAGES

The Abernathy School Board passed a resolution barring married students from attending Abernathy Schools. The regulation becomes effective with the beginning of the 1955-56 term. The Board took this action at this time so that all could be prepared; yet no present married students attending school would be penalized. At present there are six married students attending high school. Eight others have married and left school during this term.

SCHOOL CENSUS HITS 1119

The count of school-age citizens of Abernathy reached 1,119 this week. Although the enumeration is practically complete, a few more remain to be tabulated. The total 1,119 compares with a final count of 1,018 last year. This 101 increase is the largest in any single year. Six-year olds can still be counted. If you have a beginner that you think was overlooked, call the school.

GRADE SCHOOL CAGE TOURNAMENT SET HERE FRIDAY AND SATURDAY

Abernathy grade school students will be hosts to four neighboring schools in a grade school basketball tournament in the local gym Friday and Saturday. There will be four games each day, starting at 5, 6, 7 and 8 p. m. The public is urged to attend the tournament. The tourney opens at 5 p. m. Friday with the Hale Center-Floyd girls, followed at 6 p. m. by the boys teams of those two schools. Abernathy girls play Petersburg girls at 7 p. m. Abernathy and Post boys meet at 8 p. m. Franchise Sought By New Telephone Company; Would Offer Dial System And Toll-Free Calls To RTA Stations

Abernathy City Council has been asked to grant a franchise for a new telephone company here, to be known as Abernathy Telephone Company, Inc., an independent corporation.

In seeking the franchise, they propose to give Abernathy a dial telephone system, and toll-free extended area service with the County Line and Hollandsville stations of RTA.

The dial system to be installed here would be adequate in size to offer service to all business and residential areas of the town, they said.

The City Council is presenting this case to the people in an effort to determine their wishes in the matter. Would you advise the Council to grant or refuse a franchise to the proposed new telephone company in Abernathy? Contact members of the Council immediately and give them your opinion. They are Mayor Dan Ward, Aldermen Bill Wolf, Edgar Graham, Jack Hackler, J. L. Irish and Edwin Crow.

The system now operating in Abernathy is owned by General Telephone Company of the Southwest, with offices in San Angelo.

TALK -- In Print

Another Santa Fe column this week.

Last column was a double "thank you" to the Santa Fe—for giving the City of Abernathy its 200,000-gallon water storage tank near the depot, and for providing better service in modern equipment with its new, streamliner passenger train which goes into regular service through here February 20.

This week we add a third "thanks" to the Santa Fe. It's for the victory bell which was given District 5-AA. The bell currently is in possession of the Tahoka Bulldogs, co-champs with the AHS Antelopes in football last season. See the victory bell presentation picture in this paper for further details. The AHS Antelopes hope to have possession of the victory bell at close of the 1955 grid season.

Monday, Feb. 14, is Santa Fe Day in Abernathy. The day local people are invited to inspect the new, streamliner passenger train, from 3:45 p. m. until 4:30 p. m., at the Santa Fe depot. C. L. Adams, local Santa Fe agent, and Santa Fe officials invite everyone to see the train that day.

Chamber of Commerce talk usually gets around to securing new industry for Abernathy. Here is a comparatively new industry for the community, one that is in its second season of operation, Farmers Co-op Cotton Seed De-Linting plant.

Prior to its installation, farmers of Abernathy area either

M. Y. F. NEWS

(By Julia Brashers)

Our M. Y. F. met Sunday night at 6:00 o'clock in Fellowship Hall. The program leaders were Gloria Houston and Maudie Haral. It was a very wonderful program, and proved that "love" is a wonderful word.

In our March of Dimes porch light drive, we collected \$330.00 which was nearly twice as much

as last year. The M. Y. F. voted to take \$50.00 out of its treasury to add to this, making a total of over \$380.00. Thanks to each and everyone who helped in this worthwhile cause.

Our M. Y. F. is planning a Youth Revival. Details will be given at a later date. This revival is not only for our Methodist Youth, but it is for all the youth who would like to come. Our revival week is to be preceded by a week of visitation. A Special Council meeting is to be held Wednesday evening to discuss plans for this week of visitation. The Revival will be carried on by the Youth of our church with the help of our wonderful Sponsors. A Youth Speaker, John Taylor of Lubbock, will bring the nightly messages.

The M. Y. F. closed with the M. Y. F. benediction. Choir rehearsals for our youth was held immediately following the benediction.

BAPTIST YOUNG PEOPLE WIN HONOR IN EFFICIENCY

(by Yvonne Hager)

A group of some sixty young people from the First Baptist Church journeyed to Idalou last Monday night and returned with a banner awarded them for being the most efficient group in all the Lubbock Baptist Association. The occasion was the Association Youth Rally, held at the First Baptist Church of Idalou.

This rally is held once each quarter for the purpose of providing a closer relationship with young people all over this area.

The meeting at Idalou was opened with a "Singspiration". Abernathy was in charge of this portion of the program. Betty Lovelace played the piano and Ken Coffee directed the singing.

The Church of Lorenzo, represented by their pastor, Jack Pearce, read the scripture and led in prayer.

After this the roll call of the churches was held. Each group answered the roll by telling how many they had in attendance and then a stunt or talent was presented from their church.

Mrs. Clark Estes of the First Church, Lubbock was in charge of the devotional period and gave an amazing comparison between diamonds and Christians. She brought out the fact that we as

Christians are God's diamonds.

At the close of the meeting, refreshments were served and a period of fellowship was enjoyed by all. Over 40 young people and sponsors attended the meeting.

HIGH SCHOOL TIDBITS

(By Annes Thomas)

Yes it has been awhile since the "Tidbits" has appeared in the columns of the REVIEW, but may be this will once more be a regular occurrence.

Freddie Apperson, do you enjoy dating Brenda Shipman? This is becoming a familiar couple around town and high school. She

even has your football.

Carol Brightbill, how do you like Jimmy Lewis? Seems that the liking is mutual. (Walk down the hall and who do you see together?—Jimmy and Carol—and she is wearing his football!)

Erlene Nelson, do you also like "Petersburg boys"—namely Eldon Briggs? If regular dating is any sign, you must like him! (She has his identification bracelet.)

Another girl is "gone on a Petersburg boy"—Jane Hedgpeth has been dating Lonnie Meeks—since she and Harold Stillwell ceased to

go "steady". Jane now has Lonnie's class ring!

Barbara Allen is dating a "swell guy" from Abernathy—Bob Scott! Wonder if she likes him—? She has his senior ring—but they're not going "steady"—Just "Steadily".

The latest fad seems to be "birthday parties"! Marihelen Miller was hostess for the latest party—last Friday night! From ten to fifteen girls usually attend. Poor parents, but lucky girls! They're loads of fun! Just ask almost any high school girl.

Maudie Harral, what was the comment (or was it a plea?) made to Marihelen Miller over the phone the night of Nancy's slumber party—?

"Marihelen, come get me! There are just millions of little eighth-grade girls crawling around on the walls over here!" Was it really that bad? Ha, ha.

Wonder what Nancy Harral thought the night of Maudie's slumber party when Pat Mills (finding no place to sleep downstairs) went up to Nancy's room and went to bed with her.

Although the Football Banquet was several weeks ago, we've had no "formal" presentation of Shirley Mills, the Football Queen, in the Tidbits. Congratulations, Shirley!

Erlene Nelson is the proud new "aunt" of a baby girl! Judging by her comments, she likes it!

George Willis has been dating Shirley Simpson lately! Cute Couple!

Joyce Powell, did you have fun Saturday with Bobby Lee Zigler, the boy visiting Maudie? (We hear that he is "enchanted" with you, Joyce!)

Pat Mills, are you really going to let your hair grow long? It's pretty now!

Gloria Houston had a "Telethon Slumber Party" Saturday night! Were you sleeping in church Sunday morning?!

Freddie Miller, did you enjoy going with Carlos Cunningham this weekend? Heard you had fun!

Marihelen Miller, did you have fun going with Olie Goldston Saturday night? Wonder how Paul Stanford liked it? Quote by Marihelen—"I like them both!"

Vicki Davenport and Yvonne Hager, how were the dates Sunday afternoon from Tahoka? Cute and fun?!

Pete Knox, June Crow looked rather downhearted last week. You weren't here! (He was sick.) We're all glad you're feeling fine now! We missed you!

Ralph Wolf—won't JoAnn Phillips go steady? Gee! She really lost out on a good guy as far as

we senior girls are concerned!

Quote by Joyce Powell—"Yes, she did!"

The Football Boys are the proud new owners of beautiful letter jackets—maroon wool with maroon leather sleeves and white letters. They're extra special!!

The Basketball girls were in Abilene the past weekend participating in the Hardin-Simmons Tournament. Shirley Oswald made First All-Tournament Team. Congratulations, Ozzie! Better luck next time, team!

FHA REPORT

(By Gay Scoggin)

As a climax to the semester of sewing, the Sophomore Home Economics Class of Abernathy High School featured a style show on television. The program was on Johnny Williams' "Community Crossroads", of KDUB-TV, on Monday, January 31.

Narrators were Nanci Young and Gay Scoggin. Shirley Watson provided the musical background.

After Mrs. Hackler, the home-making teacher, was interviewed by Johnny Williams, the following girls modeled the dress they had

Mrs. Peggy Tooker has been elected to teach in the Abernathy system next year. No specific assignment for her has been announced. Mrs. Tooker, the former Peggy Terrell of Lubbock, has taught in the Lubbock system for the past three years. She has a

took their cotton seed to other towns, or depended on itinerant delinting units for this service.

Abernathy Farmers Co-op Gins spent several thousand dollars to install permanent equipment, adequate in size to give the quickest and best service possible to farmers of this area. The plant has Carver equipment, including three stands, two cleaners (before and after cleaners) and a seed treater.

The plant de-linted near 460 tons of cotton seed after it started operation late in the season last year. The current season run is expected to exceed last year's processing output.

The de-linting plant employs five men: W. H. Loyd, Doug Moore, Hugh Murdoch, John Crenshaw and Walter Hines. Manager Leonard Phillips and Melvin Patterson take care of the paper work for the plant and gins.

Al Hinds' Paducah Post carries this top left, page one: "Paducah 'The Friendliest Little City In Texas'"

Certain things could be done by local organizations and individuals to make Abernathy the friendliest little town in the Southwest. This could be done without outlay of cash to finance the project. Just a friendly smile and "hello" to the many newcomers to our community, and an invitation to the church of their choice, an invitation to join the various organizations for which they are eligible.

And, Abernathy could gain the reputation of being the "Cleanest Town in Texas", a distinction which it does not now deserve.

The city should work out a plan with local stores to pick up trash and boxes two or three times a week. Disposal is a problem for local stores. Burning it in the alleys, as practiced now, is a fire hazard. Paper that is not burned swirls through the alleys and up the sidewalks to create an unsightly mess. We are so accustomed to seeing it that we don't pay too much attention, but newcomers and visitors to our town observe the situation as it really exists.

ANTELOPE CAGERS WHIP POST 66-52, SPUR 74-67

The Abernathy Antelope Basketball team won two very important games away from home last week to remain in the District 5-AA race with Slaton. The Antelope Boys now own a 5-1 district record having lost only to Slaton on the Tiger Home floor with a much weakened squad due to illness and sickness. Freddie Apperson, regular pivot for the local cagers is still out of action with an injured knee. Bursae but is expected to be back in the lineup by Feb. 14 when Slaton comes to Abernathy. The Antelopes must win over Tahoka Tuesday night in Tahoka to remain in the title race. Slaton eked out a 62-60 win over Tahoka Friday night in Salton to stay out in front in 5-AA play.

Jumping Jack Guire continued to scorch the nets as he dumped in 50 points in the two games against Post and Spur. Playing three quarters against Post the hustling forward scored 17. Friday night he completely baffled the Spur defense for 33 points with very fine assistance from the two very fine guards Roy Sons and Hayden Blalock who each scored 15 points and teamed together to play a dazzling floor game. Leaping Leon Manley was the hot man against Post as he led Antelope hoopsters, with 18 points. McGuire canned 17. Blalock 15, Sons, 8, before leaving the game with an injury contacted as he drove hard into the wall after scoring a driving crip. Manny Connell and Ronald Furrh also turned

in strong play to contribute to the team success. The Antelopes have won 12 of their last 14 games despite the fact that they are probably the smallest team on the South Plains and do not have a starter who stands 6 ft.

Following is the individual scoring records for the season, district, and average per game for district play. Freddie Apperson's average is for the three games he played in. He has a very fine 13.3 average even though he played only one conference game before he received the knee injury.

Jack McGuire	381 116 19.3
Hayden Blalock	215 70 11.6
Leon Manley	212 77 12.9
Roy Sons	164 63 10.3
Freddie Apperson	133 40 13.3

AHS Antelope teams downed Tahoka squads in District 5-AA games there Tuesday night. Local girls won 61-41, and Abernathy boys came from behind to win their tilt, 57-54.

LOCAL TEAMS BEAT TULIA

Playing Monday night, AHS Freshmen beat Tulia, 49-41, with Oscar Lopez making 18 points and Neil Hail, 10, for the winners. AHS sophomores won over Tulia, 45-26. Ray Baumgart scored 18 points and Buddy Guinn 15 for Abernathy.

Christianity At The White House

(Editor's Note: Following is an editorial from the January 29, 1955, edition of the BAPTIST STANDARD. Dr. E. S. James is editor and business manager of the Baptist Standard. Walker L. Knight is associate editor, and assistant editors are Don McGregg and Kathryn Allen. Dr. David M. Gardner is Editor Emeritus.)

The editor of the Standard is registered as a Democrat. He is an out and out Baptist. He is proud to be an American. However, he believes that Republicans are just as good citizens as Democrats. He knows many wonderful Christians in Catholic, Methodist, Presbyterian, and other denominations. He recognizes that many of the world's best citizens are not Americans. Therefore, the fact that President Eisenhower is a Presbyterian and a Republican does not in any measure prejudice an opinion of him. He believes every Christian in the land should thank God every day that the man in the White House is devotedly dedicated to leading his nation in public and private paths of peace and righteousness.

One needs but a glimpse of Israel's history to see the influence of political leaders in the religious life of a nation. When the kings were righteous the people became righteous. When rulers were evil the nation forgot God. Most American presidents

have been church men, and some of them have been devoted Christians. When one of them has manifested ungodliness we have been quick to condemn. Why should we not praise the Lord when the national leader does what he can to set the right example in worship, conversation, activities, and attitudes? A White House aide reports that the president underplays his devotion to God lest some may think he is religious for political purposes. The editor has a warm personal friend in the government in Washington, and that friend says that every meeting of the cabinet or any other group is asked by the president to begin the meeting with bowed heads while each prays in his own manner.

In an early day two horsemen with much gold had to seek lodging in the home of a strange farmer. When the horsemen went upstairs to bed they decided that one would remain awake to guard the gold lest the farmer might steal it. However, in a little while they heard the farmer and his family downstairs praying; and in that prayer they heard him praying for the strangers in the home. One of the men said to the other, "We might as well go to sleep. We will never be harmed by a man who prays like that."

Because of political jealousy millions of Americans condemned Woodrow Wilson and Abraham

Lincoln every hour they lived, and then when they were dead the same millions lauded them. The men in the White House are human, and all of them err; but when they are doing their best to give the nation Christian leadership then every person who loves righteousness should praise Christ and let the presidents know that they have the moral support of God's people whatever may be their church or political party. "Righteousness exalteth a nation, but sin is a reproach to any people."

THE BASKETBALL NEWS

The Abernathy girls entered the fourth annual Hardin Simmons University High School Girls Basketball Tournament last week.

Their first game was with Noodle, whom Abernathy defeated 63-57. Shirley Oswald scored 37 points for high point honors. She was followed by Barbara McDougal with 20 points, who played a very fine floor game. Shirley Ward scored 6 points.

The next round opponent was one of the pre-tournament favorites and proved to be the eventual tournament champion. This was the Hawley Bearkats. They entered the tournament with a 28-1 won lost record, and had won two other tournaments.

During the first quarter of the game the Abernathy girls probably were thinking of their opponent's reputation and Hawley got a quick ten point lead. After that the Antelope girls settled down and played good ball, and were gradually gaining on the Hawley Lassies in the second half. Hawley went into their stalling tactics late in the game and Abernathy was forced to foul and Hawley pulled away to a final 41-32 score.

Shirley Ward was high in this second game with 17 points. Shirley Oswald scored 14 points. Barbara McDougal and Mona Struve also saw action as forwards.

Shirley Oswald was named to the first all-tournament team and was presented with a beautiful necklace.

Emma Lee Whitson played an outstanding game at guard in the Hawley game. Other guards that played were: Theror Sandlin, Janice Nichols, Pat Mills, Nanci Young, Elizabeth Pearce.

Making the trip were: Shirley Ward, Mona Struve, Shirley Oswald, Barbara McDougal, Emma Lee Whitson, Pat Mills, Janice Nichols, Theron Sandlin, Elizabeth Pearce, Betty Adkisson, Shirley Powell, Nanci Young, Betty Gail McDougal, Sharon Thompson, Ruedell Stephens, Manager Peggy Teaff, Sponsor Norma Akin and coach Pete Wilson. Hazel Thomas, forward on the A. H. S. team, became ill the day before the team left and was unable to make the trip.

While in Abilene the girls were guests of H. S. U. in one of their new dormitories. The tournament was a 16 team affair and was played in spacious Rose Field House at H. S. U. This was the third and final invitational tournament for the girls. In all three tournaments it was the eventual champion that eliminated Abernathy. The girls are looking forward to their next three conference games and hope to maintain their lead in their race for the championship of District 5-AA. The Freshman Girls played Hale Center B Team, Monday, February 6, at Hale Center. Abernathy won 51 to 49.

Freshman Antelopes beat the Tulia Hornets, Monday night at Abernathy. The final scores were: Tulia—41, Abernathy—49.

RELEASE AND REAPPORTMENT OF 1955 COTTON ALLOTMENT

John B. Martin, Office Manager, Hale County ASC, has explained that the regulations governing the establishment of 1955 cotton acreage allotments contains provisions for release of all or any part of a farm allotment, either on a one year or permanent basis, which will not be planted for the 1955 crop year. Any such acreage released will be reapportioned to other cotton farms in the county by the ASC County Committee.

The advantage of this provision, Martin said, is to maintain the farm county cotton acreage history for future years, since any such acreage release will be credited as cotton history to the farm from which released, provided such farm has had an acreage of cotton planted in either of the years 1953 or 1954, or will have an acreage planted for 1955. Therefore, Martin said, it will be to the advantage of every farmer in Hale County to release to the County Committee any cotton acreage that will not be planted for 1955. Likewise, Martin said, unless such acreage is released the county and state will lose credit for any unplanted acreage.

The ASC office will accept released acreage through May 20th and all released acreage must be reapportioned by the Committee by June 3, 1955.

It is the hope of the Committee, Martin said, that producers will release their acreage as soon as they are sure that it will not be planted in order that it can be reapportioned to other farms in the county in time for them to prepare the land and get it planted by the normal planting time.

Any producer who desires to make applications as well as those releasing their acreage should contact the cotton office of the ASC, located on the second floor of the Agricultural Building in Plainview.

A Tiny Tot Popularity Contest for youngsters between the ages of one and six will be held in connection with the show.

The winners will be those children who have accumulated the largest number of votes at a penny each. These winners will receive gold loving cups—one for the little girl and one for the little boy who tallies the highest in the voting, so naturally the contest has the whole town talking.

The contestants who are taking part in this clever contest have their pictures on display in the windows of Struve Merc. Also each child that is entered has a vote jar in a leading merchant's store where they are being sponsored.

Standing of the contestants are posted daily on the Struve window at 12 noon. Widespread interest is evidenced as the position of the contestants change with the daily counting of the votes.

The second night of the show the children are presented and the winners announced.

There is a coronation ceremony for this event. The boy and girl in third place are declared to be Duke and Duchess of Toyland; the boy and girl in second place are designated as the Prince and Princess and the top winners are known as King and Queen.

The contest closes at 4 p. m. Friday, Feb. 18. Watch the results

as they are posted each day.

For information about entering your child in this Tiny Tot Popularity Contest contact Mrs. Weldon Crow whose telephone number is 161.

Adult tickets \$1.00; Student and children, 50c.

1955 NEW GROWER COTTON ALLOTMENTS

The local A. S. C. (P. M. A.) office has announced the receipt of instruments and application forms for New Grower Cotton Allotments. John Martin, Office Manager, stated that the final date on which applications will be accepted, as established by the State A. S. C. Committee, is Friday, February 25th.

New Grower Cotton Allotment farms are farms on which no cotton was planted in either of the years 1952, 1953 or 1954 and therefore did not receive an Old Grower Allotment.

Martin explained that all applications for New Grower Allotments which are received through February 25 will be reviewed by the Hale County ASC Committee and approved or disapproved in line with the eligibility requirements. One of the eligibility requirements which is different from past allotment programs is that no farm will be eligible for a New Grower Allotment if the owner-operator of such farm has an in-

terest in the 1955 cotton crop on another farm in Hale County for which a 1955 cotton allotment has been previously established. This, Martin said, will make a number of farms ineligible.

The regulations require that both the farm owner and operator sign the application in instances where such persons are interested in the farms and each person must sign by the closing date of February 25. Therefore Martin suggests that for farms on which there is a different operator and owner that both parties come to the A. S. C. office together and execute the New Grower Application.

No applications received after February 25, 1955 will be considered for an allotment Martin said and urges each person desiring an allotment to file an application by such date.

COTTON PREMEASUREMENT

Hale County cotton growers can arrange for official measurement of their 1955 farm cotton acreage allotments prior to planting time, the County Agricultural Stabilization Committee announced this week.

To get the premeasurement service, which is being provided on a cost basis, a cotton farmer must file a written request with the county ASC office between February 14 and 28, 1955, says Mr. T. A. Shipp, committee chairman.

The rate of charge for the service in Hale County has been established at nine (9) dollars per farm and two (2) dollars extra for each plot over one, and payment based on this rate must be made at the time the request for measurement is filed. "The premeasurement is purely optional," says Mr. Shipp, "and is offered as a service to growers who prefer to have an of-
