TAKE WARNING! PEDDLERS AND GRAFTERS ARE HERE

We have had a number of peo-
ple from both town and country,
complain of late about the num-
ber of agents, peddlers, sales-
men, and grafters that were a-
broad in the land. Some of
them are very insistent and
have to be insulted before they
will leave. They are selling ev-
erything, insurance, bonds, gro-
ceries, clothing, hosiery, oil, stoves,
etc. The best way to get rid of
these pests is to show them the
front gate in no uncertain
language. This may be a "pet
peeve" with us, but we just have
not any use for the gentry. They
don't pay taxes or make dona-
tions to support our local govern-
ment, our schools and our
churches, so why fall for their
smooth line of "Bull."

SUNDAY SHOWS FOR PERRYTON

ELLIS THEATRE WILL START
SUNDAY PROGRAMS WITH
MATINEE AND EVENING
SHOWINGS

Carl Ellis, owner of the Ellis
Theatre, the premier show house
of the North Plains, announces that
starting on next Sunday, May 3,
he will start exhibiting Sunday
talkies in Perryton giving a mat-
inee and an evening show. In the
afternoon, the doors will open at
2:30, show to start at 3:00. In the
evening the picture will not start
until after church hours, the doors
opening at nine o'clock and the
picture to start at nine-thirty.

For the first Sunday show, Man-
ager Virby Conley has secured "The
Secret Six," a Metro-Goldwyn-
Mayer picture, a George Hill-Cos-
mopolitan production. Wallace
Beery, Lewis Stone, Jean Harlow,
John Mack Brown and Marjorie
Rambau, are the featured artists.
As an added attraction, a Laurel
and Hardy comedy feature will be
run.

Free Clinic Here

Clinic For Pre-School Age Children
To Be Held at M. E. Church
Tuesday, May 12

The Spring Round-Up committee
of the Parent-Teacher association
is sponsoring a free clinic for chil-
dren between the ages of five and
seven years. This clinic is to be
held at the Methodist church on Na-
tional Hospital Day, May 12, from
eleven to five o'clock. All the phy-
sicians and dentists of Perryton are
cooperating with this movement and
at any time between the stated
hours, a doctor and nurse will be on
duty ready to give your child a
private examination.

It is hoped that every mother who
has children in these ages, will take
advantage of this free examination.

nouncements next week.

ed chorus; and high school orches-
tra.

Third places were won by Lois
Blue, alto solo; Marvin Philipp, reed
instrument solo; Orville Newman,
Bass horn solo; mixed quartet con-
sisting of Charles Fike, Clifton Bell,
Ella Ray Kutch and Jesse Price;
and the boy's glee club.

Competition was very keen, there
being five or more entries in each
event with some events having as
many as twelve entries. The per-
formance of the Perryton high
school mixed chorus was particu-
larly interesting. This chorus has a
membership of sixteen, while the
next smallest club had twenty-eight
and all the other clubs there being
six entered, had a membership be-
tween forty and sixty. With this
competition, the Perryton chorus
placed second which is very credit-
able for the group.

The meet was won by Liberal,
Kansas, with Guymon, Okla., sec-
ond and Perryton third with over
fifteen schools entered. Although
the girl's glee club and girl's quartet
did not place in the meet, the sang
very well and deserve a great deal
of credit for their efforts.

Panhandle Pen Women

Will Sponsor Writer's Course at
Amarillo in June by Noted
Writer and Instructor

Blanche Young McNeil, noted
writer and instructor in writing will
be brought to Amarillo the first
week in June by the Panhandle
Pen Women's Association, for six
days of instruction in Short Story
and Feature Article writing.

Mrs. McNeil visited Amarillo sev-
eral years ago, and her two lec-
tures on writing were attended by
one of the largest gatherings ever
present at a session of this kind.

This course will not be for the
Pen Women exclusively this time,
but will be open to all that are in-
terested in writing, and in improv-
ing themselves along this line; men,
women and students are all urged
to enroll in this course as it is a
great opportunity for the people
of the Panhandle to get this in-
struction at a nominal fee, and is
the same course they would have
to pay a great deal more for in
Denver or elsewhere.

This is a step far in advance of
anything the Pen Women have ever
attempted before, they have spon-
sored a number of speakers among
whom was Mrs. McNeil, but a whole
week's course is making a new rec-
ord for the Association, especially
since it means the coming of so
noted an instructor.

For full information and details,
write Miss Laura V. Hamner, Her-
ring Hotel, Amarillo; or to the sec-
retary, Mrs. R. H. Stittler, 1502
Travis St., Amarillo, Texas.

PERRYTON HIGH GOODWILL MEET

MANY HONORS WON BY PER-
RYTON ENTRANTS AT GOOD-
WILL COLLEGE MEET
HELD LAST WEEK

The Perryton high school music
organizations went to Goodwill, Ok-
lahoma, April 23-26 to attend the
eighth annual Spring Festival held
by the Panhandle A. & M. College.
About seventy students made the
trip and they were very successful
in their efforts. The band placed
first and so did Mildred Thornton
in cello solo. Second places were
won by Charles Fike on the violin;
an instrumental trio consisting of
Alice Kuhn, Ruth Thornton and
Mildred Thornton; an instrumental
quartet consisting of the trio and

LUBBOCK FIRM GETS GENERAL BUILDING JOB

Howard Holt of Perryton Awarded
Heating and Plumbing; Stans-
berry Gets Wiring Job

Work To Start At Once

Twelve Bid on General Contract
Nine on Plumbing and Four
On Electrical Work

W. S. Moss, Lubbock, was award-
ed the general contract for the erec-
tion of Perryton's new \$65,000 school
building at the meeting of the board
Tuesday afternoon. This was the
second letting on this job, all bids
being too high at the letting a week
previous. Alterations were made
in the plans so that deductions could
be made to come within the bond
money voted for the structure. Twelve
bids were submitted for the gen-
eral contract which was approxi-
mately \$50,000.

Howard Holt of this city was se-
lected to do the plumbing and heat-
ing with a bid of slightly over \$9,-
000. Nine bids were received for
this part of the new school house.
The contract for the electrical wir-
ing went to another local man, J.
H. Stansberry, with a bid of about
\$1,700.00. Mr. Stansberry's bid was

LEGION AND AUXILIARY MEETING MONDAY NIGHT

Refreshments will be served
and a special program and so-
cial hour is being arranged for
the next meeting of the Amer-
ican Legion and Auxiliary on
Monday evening, May 4. The
meetings will start at eight o'-
clock. The two Legion organiza-
tions in Perryton now have
a combined membership which
is not equalled by any town of
the same population in the en-
tire state of Texas. At the
present time, the Legion is stag-
ing a free blanket campaign
and it is hoped that sufficient
funds will be raised to clean
up the indebtedness which is
outstanding against the Legion
Hall, the old Ochiltree county
courthouse, which was pur-
chased from the county, and
not donated as some people
think.

GOLF CLUB IM- PROVING LINKS

TWO NEW GREENS; FAIRWAYS
BEING MARKED; PAR TO
BE RAISED; CHARGE
FOR NON-MEMBERS

President E. E. Shupe of the Per-
ryton Golf Club announces that at
a meeting of the directors of the
club on Monday night, plans were
outlined for the sanding of seven
greens and the building of two ad-
ditional greens, also for laying out
and marking of fairways and mowing
of the entire course.

Each of the old greens is receiv-
ing a load of oiled sand. The two
new greens, which are being built,
will increase the yardage, making
a par course of 36 instead of 33 as
at present. The new greens will be
36 feet in diameter, being 6 feet
larger than the old greens. Fair-
ways of 50 to 65 yards in width,
will be laid out, with markers ev-

MAYOR SHANKS TO GET \$100 A MONTH SALARY

At the meeting of the city
council on Tuesday evening the
question of the Mayor's salary
took the center of the stage and
after a full evening's discussion,
the council finally voted to allow
Mayor Shanks a salary of \$100.00
per month. Aldermen voting for
the salary were Rogers, Bryan
and Richardson. Aldermen Hood
and Stump opposed the payment
of this amount. The salary of
J. B. Nash, superintendent of
the water department, was cut
from \$125.00 a month to \$100.00.
Two other city employees were
removed from the payroll and
successors to them have not been
appointed to date.

SHERIFF MAKES A LIQUOR HAUL

TALLEY ARRESTS TWO MEN ON
MAIN STREET WITH CAR
AND TWENTY GALLONS
OF MOONSHINE

Sheriff Sid Talley made one of
the biggest liquor hauls in the his-
tory of the county Wednesday after-
noon when he arrested two men on
Main Street, confiscating a Model
A Ford coupe and twenty and one-
half gallons of alleged moonshine
liquor. Mr. Talley had received a
tip that a cargo of liquor was in
town and became suspicious of the
men.

When he approached the car and
started to search it, a third man
who was on the sidewalk got away.
The driver of the car, who gave the
name of Walker, resisted arrest. The
other man under arrest gave the
name of D. H. Kerr and said that
he was from Chickasha, Okla. He
claimed that he was not acquainted
with the other men and that they
had picked him up on the highway.
All of the trio were men about
twenty-five years of age.

The third man who got away
was traced to Huntoon. The car
carried an Amarillo tag and is
supposed to be belong to an Ama-
rillo woman, so officers state.

To Pave In Lipscomb

Engineer Dyatt is Now Preparing
Plans for Letting of Con-
tract on No. 117

Plans for the route of State High-
way No. 117 through Lipscomb coun-
ty are now being prepared and sur-
veys completed preparatory to the
letting of the contract for drainage
and grading, according to Resident
Engineer A. E. Dyatt of this city.
Lipscomb county recently voted a
bond issue of \$350,000 and no time
is being lost in getting actual con-
struction under way.

every 50 yards after the first 100
yards, giving the distance from the
tee.

The fairways will be cleared and
the club is contemplating the pur-
chase of mowing machine so that
the fairways can be kept clear of
weeds. At the present time the
membership is thirty-four, all of
whom are active. The goal for ac-
tive paying members has been set
at fifty and it is thought that this
number will be reached in a short
time and many more are now using
the course.

The membership fee is \$10 with
a quarterly dues of \$5.00, making
the initial payment \$15.00. For
those that do not pay the regular
membership fee of \$15.00, it has
been decided to make a charge of
fifty cents per day for playing the
course. Those who are not mem-
bers, will pay to the one in charge
of the course. The above ruling
becomes effective Friday, May 1.

With the cooperation of every
Perryton golfer, the Perryton course
can be developed into one of the
finest and sportiest in the entire
Panhandle, for few can boast of
the many natural hazards that will
be found on this course.

Mr. and Mrs. A. L. Dowers were
visitors in Gruver and Spearman
Monday.

A BORGER MAN HELD ON HOMI- CIDE CHARGE

J. E. Marchbanks of Borger Car
Hit Trollering Car Monday
Night on Highway

Lives But Short Time

Deceased Was Beaver County Farm-
er; Leaves Wife and Two
Small Children

J. E. Marchbanks, Borger, is being
held by county officers following an
accident on the state highway a-
bout four miles north of Perryton,
at eight o'clock Monday evening
in which A. J. Trollering, Beaver
county farmer, received injuries
from which he died shortly after
being brought to the Plaza hospital
in this city. Marchbanks is in the
hospital being treated for minor in-
juries which he suffered. He is un-
der \$1,500 bond on a charge of neg-
ligent homicide which his attorneys
expect to furnish today. He waived
a preliminary hearing.

Mr. Trollering, with his wife and
one child, were returning to their
farm after visiting in the home of
his parents in this city, when the
left rear tire went down. The car
was parked on the highway and the
deceased was repairing same when
he was struck by the Marchbanks
car. Trollering was headed north.
Marchbanks, according to reports,
was also driving north. He stated
that about a 150 yards before he hit
the Trollering car, he met a car
driven by Chas. Henson of Sublette,
Kansas. The lights from the Hen-
son car blinded him and he did
not see the Trollering car until he
was almost on it. He stated that at
first he decided to go to the ditch

NOTLA SCHOOL NEWS

School closed last Wednesday, April 22. Everyone passed the final examinations. The highest average was made by Mary Helen Lawrence, her average being 90. Annabell Cox was second with an average of 86.

Those on the A Honor Roll this month were Virginia Barker and Dorothy Stuart. Those on the B Honor Roll were Annabell Cox, W. H. Barker, Mary Helen Lawrence, R. E. Ellis and Clifford Matthews.

We had an excellent crowd at our program Tuesday night. Everyone enjoyed it, seemingly, and highly complimented the pupils on their good work. Annabell Cox was awarded the picture, "Springtime," for her record of perfect attendance. Immediately following the program the people were invited to inspect an exhibit of the art work done by the pupils.

Thus ends another school year, and I as teacher would like to express my thanks and appreciation to the patrons for their splendid help and cooperation. I have felt at all times that I could depend upon them for their support. I also felt that should any problem arise that they did not thoroughly understand, they would come to me first and discuss it to find its solution. It's this kind of support that makes a successful school term and one from which the pupils derive the greatest benefit.

Everyone knows a "knocker" never built up any kind of an organization. If we would remember the sentiment expressed in these lines the world would possibly be a friendlier place in which to live.

It's silly to distrust the world. Suspecting all man-kind. The world is like a looking glass. Reflecting one's own mind.

Again let me say that I have never worked with a more cooperative group of patrons than these:

Mr. and Mrs. J. P. Cox, Mr. and Mrs. Jack Lawrence, Mr. and Mrs. C. W. Barker and Mr. and Mrs. R. E. Matthews.

the screen personages who make the trouble and the comedy respectively, in "Gun Smoke," the main feature which comes to the Ellis Theatre Friday and Thursday, May 6 and 7.

Richard Arlen and Mary Brian, the film; William Boyd, the menace; the Palette, the rotund and riotous of mirth. is a Western with a modern-day plot—gun-totin' horse hunters of the "bad-dahio mix it up with a gun mob which to their country from the big city bent upon running the West in the approved and disapproved racketeer. Do the gangsters win out over the? The answer, everybody, will be the Ellis Theatre screen.

pictures, fall into the hands of Hollywood "gold diggers," have troubles galore with jealous wives, and hilarious adventures at the Monte Carlo below the border.

The Two Husbands

Denny and Harry Stubbs play the two unfortunate millionaires, with Miss Greenwood and Miss Hyams as the two wives. Miss Bond plays Cioe the vamp, the role she played in the original stage production and Merna Kennedy is her assistant in the gentle art of getting innocent millionaires into trouble.

Richard Tucker, Kane Richmond and Wilson Bengie also appear in the new comedy, which Charles F. Riesner, of "Caught Short" and "Reducing" fame directed.

Intimate glimpses of Caliente are seen, the famous resort figuring in a talking picture for the first time. Amusing scenes in a large swimming pool add to the entertainment. "Stepping Out" was one of the biggest successes of the season on the New York stage.

ROBERT COOGAN IS STAR OF "SKIPPY" AT THE ELLIS

Doing things by halves is not in Robert Coogan's program. The five-year old brother of Jackie Coogan, who makes his feature debut in "Skippy," Paramount's talking version of the Percy Crosby cartoon kid and neighborhood at the Ellis Theatre Friday and Saturday, May 8-9, either must put his entire spirit into work or play, or else be a complete "conscientious objector."

His youthful vim was eloquently demonstrated during the recording of one of the scenes in the picture whose title part is portrayed by Jackie Cooper.

Playing Sooky, Skippy's pal, young Coogan has to carry on a conversation about his dog while pulling slivers from a piano box which has been converted into a boy's club house.

As the cameras ground away, Robert selected a large sliver and pulled at it. The sliver proved its tenacity and refused to yield. Robert yanked harder. The roots of the sliver held firm. With a mighty tug, Robert put his heart into his assignment and the entire side of the box fell his way.

Property men were called into service to replace the damage and the scene retaken, this time with smaller slivers furnishing amusement for Robert.

"SECRET SIX" IS SUNDAY AND MONDAY SHOW AT ELLIS

Actors appear in roles far different from the characterizations in which people know them best in "The Secret Six." Metro-Goldwyn-Mayer's sensational drama of municipal politics and the underworld, which will come to the Ellis Theatre Sunday and Monday, May 3-4.

For instance, who would imagine Wallace Beery, best known in garb such as he wore in "The Big House" and "Min and Bill," appearing in faultless evening clothes as the most fastidious of fastidious dressers? But he does—and wears them as to the manner born!

Then again, the usually debonair Lewis Stone forsakes the tailored garments that have made him one of the best dressed men on the screen, and appears as a broken-down lawyer, with a three days' growth of beard, ragged and unkempt, and apparently on the verge of acute alcoholism—a clever piece of acting, considering that he is a teetotaler.

Paul Hurst, the comedian, fairly oozes menace as the villainous Gouger, and Fletcher Norton, well known on the stage as a dancer, appears as a cringing menial of a gangster chief.

There are many former vaude-villains in the picture, all playing villain roles, though they did comedy on the stage. Tom Hawn, star of "Pat and Genie," "Ed Foster," of the old musical team of "Forster and Foster," and Clinton Lyle of the comedy drama of "Lyle and Amerson," are among them.

George Hill directed the new picture, a graphic expose of political secrets and machinations in big cities, and the operations of the underworld. A notable cast includes John Mack Brown, Jean Harlow, Marjorie Rambeau, Clark Gable, Ralph Bellamy, John Miljan and DeWitt Jennings.

HILARIOUS THEME IN WHEELER-WOOLSEY RIOT

A fussy maiden aunt; a beautiful girl; two rival kings; a restless executioner and a crazy kingdom—these are the laugh-provoking ingredients composing Radio Pictures' "Cracked Nuts," showing at the Ellis Theatre, Friday and Saturday, May 1 and 2.

Co-featuring Bert Wheeler and Robert Woolsey, with little Dorothy Lee as the romantic prize, the two famed comedians battle for matrimony and glory in what is considered their best screen appearance to date.

Wheeler and Woolsey are rivals for the throne of a mythical kingdom, but their enthusiasm cools when they are told that before one can attain the crown the other must die by public execution.

The picture abounds in laughs and in addition provides many new

thrills. Airplanes bomb cities and miniature leaden soldiers battle on the field of honor with Wheeler and Woolsey finally deciding the fight personally.

"Cracked Nuts," adapted from a story by Douglas MacLean and Al Boasberg, was filmed on a more elaborate scale than usual. The picture abounds in magnificent sets and costumes.

In addition to Wheeler, Woolsey and Miss Lee the picture boasts such comedy favorites in its cast as Edna May Oliver, the Mrs. Wyatt of "Cimarron" fame, Leni Stengel, Stanley Fields and Boris Karloff. Edward Cline, who was responsible for "Hook, Line and Sinker," the comedy team's previous picture, directed "Cracked Nuts."

DISTRICT P. T. A. SESSIONS END

OFFICERS HOLD FOR SECOND YEAR: MEETING PLACE IN 1932 TO BE SELECTED BY THE BOARD

Delegate reports and awards brought the three-day conference of the eighth district Parent-Teacher Associations to a close in this city last Friday afternoon.

Due to the fact that officers are elected for a two-year term of office and the convention city is chosen any time before the state meeting in November by the executive board, the last session was devoted to awards.

The San Jacinto Parent-Teacher Association of Amarillo won first in the scrapbook award. The book was compiled by Mrs. W. C. Morehead. Conway won first place in the stunt contest and second place in the scrapbook award. Claude received first for the best story and Hedley for the best poster. Conway also had the number in the graduation class. Ten received diplomas from their associations.

"The New World Challenge to Parents and Teachers," the conference theme, was given by Mrs. W. D. Westbay, Amarillo, corresponding secretary, Thursday evening. Teachers are meeting their challenge with more careful attention to raising. The realization of the knowledge of the child is more than the knowledge of subject matter. Parents, too, realize that old-fashioned methods are inadequate to meet complicated social problems of today. The challenge is not only separately but jointly. Neither the home nor the school is responsible for the child.

"Sometimes a change of occupation is the best method of spending one's leisure time," stated Mrs. J. A. Hill, Canyon, when she spoke on "Leisure and Living." Thursday evening. "Young people should spend their time doing those things which will build up their minds and bodies. Games are most worthwhile when all children are included. Many a so-called bad boy may be saved if taught to play in municipal grounds."

John F. Mead, dean of Amarillo College spoke on "Schools of Tomorrow." Schools of tomorrow are similar to those of today in that they must have parents, buildings, students, curriculums, and teachers. Parents will be different in that more fathers will be interested. Buildings will express more individuality. Students will be more wholesome in mind and body and will be happier. Students will not be forced to struggle through regular routine, but will be allowed to choose their subjects in regard to their vocational ideas. Teachers will be better paid, receive better education and give better work.

As a whole, reports from delegates showed that practically every Parent-Teacher Association in the Eighth District had established a free milk fund in their schools. Most of them have acquired a Red Cross nurse, who examines their children regularly and sees that their defects are corrected. Due to the financial depression, many school children have been fed and clothed free of charge. Many have been supplied with the proper school equipment.

A number of associations reported the backing of Home Economic and Manual Training departments and paying for necessary equipment. Many libraries and playgrounds have been equipped.

Dr. Powell, Eye, Ear, Nose and Throat Specialist, will be at Dr. Brewer's office, Tuesday, May 3. Glasses fitted, tonsils and adenoids removed.

Paul Ballew is able to be out after being confined to his home for about two weeks with attack of the flu.

Carolian Woman Lost 74 Lbs.

In 3 Months and Feels Years Younger

"I have been taking Kruschen Salts for nearly 3 months. I have continued taking one teaspoonful in warm water every morning. I then weighed 217 pounds. I was always bothered with pains in my back and lower part of abdomen and sides. Now I am glad to say I am a well woman, feel much stronger, years younger and my weight is 170 pounds. I do not only feel better but I look better, so all my friends say."

"I shall never be without Kruschen Salts, will never cease taking my daily dose and more than glad to highly recommend it for the great good that is in it." Mrs. S. A. Solomon, New Bern, N. C., Jan. 1930.

"P. S. You may think I am exaggerating by writing such a long letter but truly I feel so indebted to you for putting out such wonderful salts that I cannot say enough."

A bottle of Kruschen Salts that lasts 4 weeks costs but 85 cents at the Perryton Drug Co., and drug-gists the world over. Take one-half teaspoon in a glass of hot water every morning before breakfast. Attention to diet will help—cut out pastry and fatty meats—so light on potatoes, butter, cream and sugar—the Kruschen way is the safe way to lose fat. Try one bottle and if not joyfully satisfied—money back.

Oliver Sales Meeting

Held District Meeting of Southwest Oliver Dealers in This City Wed.

C. E. Cox, Englewood, Kansas, assistant sales manager of the Oliver Farm Equipment Co., presided at a meeting of the salesman and dealers for Oliver farm machinery, held in this city at the New Hotel Perryton on Wednesday of this week. The territory represented at this meeting included Southwestern Kansas, eastern New Mexico and the Texas and Oklahoma Panhandle country. The Oliver Farm Equipment Co. was formed about two years ago and is a combination of the old Oliver company, the Nichols & Shephard combine factory, and the Hart-Parr tractor people.

Dealers and factory men at the meeting were O. E. Kincaid, salesman at Spearman, Perryton, and Booker; Forest Woolery, salesman at Beaver; B. R. Ford, block man in charge of Woodward, Shattuck, Buffalo, Booker and Pollett; R. M. Crawford, Spearman dealer; Ed Puls, Booker dealer; R. T. Bowen, Forgan dealer; Dave Cates, Forgan, salesman; Ehrich Brothers, Pollett dealers; Joseph Peerer, Fargo dealer; Cecil and J. R. Sample, Shattuck dealers; John G. Cook, Perryton dealer; and Vernon F. Gitch, Perryton, block man for Perryton and territory to the southwest.

Dealers and factory men at the meeting were all very enthusiastic regarding the prospects for the implement business during the 1931 season. They reported that crop conditions were excellent throughout this area and that all indications point to a large yield, with a low cost of production. Wheat growers throughout this territory have been very conservative in the raising of this year's crop and the cost of production per acre will

probably be lower this year than ever before in the history of the Southwest.

THE WOMEN FLYERS

America's intrepid women flyers, of whom Ruth Nichols, Elinor Smith and Amelia Earhart Putman appear to be out in front, are breaking one another's records so often that it is difficult to keep up with them.

One of the latest records set is that for speed, in which Ruth Nichols attained a velocity of more than 210 miles an hour, smashing Mrs. Putman's previous record for women of 181 miles an hour.

Miss Nichols also holds the transcontinental speed record, and last month set a new women's altitude record, but this has been exceeded by Miss Smith. It is believed, although the result of an official examination of her recording instruments had not been made public at the time this was written.

Amelia Earhart Putman has been doing remarkable stunts with the new autogiro, or "windmill" plane one of which was to reach an altitude of about 19,000 feet, the greatest height so far attained by either man or woman in this type of aircraft.

All the records mentioned above may have been broken by the time this gets in print, for these girls are making aviation history with a vengeance.

BAND AWARDED STATE HONORS

PERRYTON "HF" BAND WILL COMPETE IN NATIONAL EVENT AT TULSA; ORCHESTRA LEADS

A few days ago the Perryton high school received two award plaques from the Music Supervisors National Conference and National Bureau for the Advancement of Music stating that the Perryton high school band and the Perryton high school orchestra were first place winners in the Northwest Texas Music Festival in Class B. These plaques are now on display in the windows of the Herald.

In three years time the Perryton music organizations developed from a seven piece band to state champions in both band and orchestra. The orchestra is eligible to the National Contest at Cleveland, Ohio, and the band is eligible to the National Band Contest to be held at Tulsa, Okla., this year.

Although the orchestra will not be able to make the trip this year, the band is planning on attending the meet at Tulsa, May 21, 22 and 23, since this will be the last time the contest will be held in this section of the United States for many years. At this meet there will be state championship bands from every section of the country. The judges last year for the contest included John P. Sousa, Victor J. Grabel, Edwin F. Goldman, Charles O'Neill, and a large number of other distinguished band men. This meet is by far the largest and most important music festival of the year.

In order to finance the trip the Perryton school band is giving a concert, Thursday night, May 7, at 8 p. m. at the school auditorium. This concert will include the contest numbers of the band, a group of new band pieces, several selections by the instrumental ensemble which furnished a program for the P-T-A meeting on Wednesday evening and received much favorable comment, and a number of outstanding small group numbers. The proceeds of this concert will be used to pay the hotel bills for the band while in Tulsa. The admission for this concert will be fifteen, twenty-five and thirty-five cents. Everyone is urged to take advantage of this splendid musical program and help the band go to the National Meet at Tulsa.

(In the recent music contest at Amarillo, first place in Class B was awarded to Amarillo and second place to Wellington, but National Music Association ruled that Amarillo, being a Class A school, was not entitled to enter Class B competition. Wellington was also declared out of the contest on account of an ineligible player. This gave Perryton first and Hereford second.)

Queen of Fete

Mrs. Van W. Stewart, 18th District President of the American Legion Auxiliary of Texas, left Monday for a visit with Auxiliary Units at Matador, Spur, Lubbock, Floydada, Lockney, Muleshoe, Dimmitt, Silverton and Canyon. She will return Saturday. Mrs. Stewart, since her election to this office at the Austin convention last fall, has visited practically all of the Units in her district, which is the largest in the state, both in area and membership, having one-sixth of the members in the entire state. The 18th district is comprised of fifty-three West Texas counties.

Among the members of the American Legion and Auxiliary of Perryton to attend the Pampa unofficial convention last Saturday and Sunday were the following: Mr. and Mrs. Ed Foster, Mr. and Mrs. O. H. Black, Mr. and Mrs. Roy Hogh, land and children, Mr. and Mrs. Horace Lackey, Mr. and Mrs. Van W. Stewart, Mrs. Blanche Reagan, Mr. and Mrs. Wm. Wilson of Beaver, and Henry Frass Jr. and James J. Cessna of Darrrouzett.

Playing cards for children to teach them musical terms and their meanings and uses have been invented.

Farm Agent In Hansford

County Commissioners Vote to Employ County Agent in Hansford County at Once

Hansford county commissioners voted Monday of this week to employ a county agent, according to W. M. Whitson of that city. The Agricultural committee of the Spearman Chamber of Commerce headed by R. V. Converse petitioned the court for the employment of a county agent and that body readily voted in its favor.

Hansford county formerly had the extension work but discontinued it about four years ago. With a county agent in all the adjoining counties and with all these extension workers working together, a more comprehensive agricultural program can be put over in this North Plains section.

Even the employed seem to find time for a good deal of unemployment.

From two-thirds to four-fifths of China's demand for kerosene is supplied by the United States.

Another evidence of American decadence is seen in the fact that a popular crooner makes \$325,000 a year.

CARDS OF THANKS

We have been requested by the Wellington and Conway Parent-Teacher associations to publish the following cards of thanks for the royal treatment which was accorded them during the district convention in Perryton last week:

WELLINGTON—The delegates of the Wellington Parent-Teachers association unit who were in attendance at the Eighth Annual Conference, Eighth District, Texas Congress of Mothers and Parent-Teacher associations, wish to express through the columns of your press, our appreciation of the hospitality shown us by the people of Perryton, and extend our thanks to those who so graciously entertained each delegate, also to the transportation committee who greeted us with a smile and perfected every effort in transporting the delegates over the right named "Friendly City."

With regrets to the honorable mayor, Mr. Dave Shanks, for the loss of weight, due to the fact that the delegates were served so bountifully at the luncheon, we would not fail to mention that his loss

was our gain.

The music was well received and we especially enjoyed the Boys' Glee club program. The tea given in honor of the graduates was a complete success and to the hostess, Mrs. R. T. Correll, we enjoyed it thoroughly.

We shall always think of Perryton as the "Friendly City," hospitable and courteous. Sincerely yours: Mrs. Cleo Templeton, city council; Mrs. S. G. Henry, county council; Mrs. S. F. Clark, rural P. T. A. Cross Roads; Mrs. W. W. McCleskey, Mrs. Judge Holton, Mrs. G. C. Brooks, Mrs. Travis Heatley, Mrs. J. B. Castleberry, Mrs. R. H. Ball, Mrs. John Beavers and Mrs. R. C. Dryden.

CONWAY: We, the delegates and graduates from the Conway P. T. A., wish to express our sincere appreciation to each and everyone of Perryton who had a part in making our stay in your "Friendly City" so pleasant during the convention. We were very proud of the fact that, although we are a small town, we had the largest correspondence class, nine, to graduate. Again we say, "Thank You, one and all!"

Pioneer Woman Dies

Mrs. C. T. Jackson Dies Tuesday Afternoon; Burial at Ochiltree This Afternoon

The entire community was overshadowed by a pall of gloom on Tuesday afternoon when the word went around that Mrs. C. T. Jackson, one of the pioneer women of the county, had passed on to that world overhead. Mrs. Jackson had been in very poor health for many years and for some time her condition had been very serious.

The deceased, Annie Morgan, was born in Richmond, Indiana, on December 7, 1866, and at the time the Grim Reaper called, had almost reached the age of sixty-five. In 1885, she was married to Charles T. Jackson, who survives. To this union four children were born, the eldest, a daughter, passing on in infancy. The other surviving children, all residents of this county, are Mrs. Jess Cudd, Chester Jackson and Merl Jackson.

In 1899, the Jacksons emigrated to this county from Indiana, settling on the home place west of old Ochiltree, where they lived until about two years ago when they built a nice home in this city. Funeral services will be held this afternoon from the Methodist church.

Ford Factory Doctor Pays High Tribute To Sargon's Power

"Sargon is one of the most powerful strengthening, reconstructive tonic and body builders I have known in the 30 years I have engaged in the practice of medicine," declared Dr. P. K. Drummond, for 12 years factory physician at the Ford Motor Co., Detroit, who was retained to examine the formula. "At this season of the year, especially, people who are in a rundown condition, due to simple anemia, thin, watery blood, poor digestion or elimination, should benefit richly from the Sargon treatment." Dr. Drummond's straightforward endorsement of Sargon is typical of the unstinted praise it has received from scores of other outstanding physicians and explains why Sargon is having the largest sale of any tonic medicine of its kind in the world today.

Sold by City Drug Co. 14-11-c.

Mrs. E. A. Greever and Rev. C. E. Pike having charge of the services. Interment will be in the Ochiltree cemetery.

Rudolph R. Willman, director of the band and orchestra in Perryton High school will spend two months at the special camp for boys at Camp Rio Medina, near Medina, Texas, this summer and will direct the band and orchestra during his stay there. He will also have a special class in music. Willman spent thirty days at the same camp last summer and has just signed to direct the band and orchestra there for a sixty day period this summer.

Keep Your Range Money at Home

At the present time, this country is over-run with PEDDLERS and some of them are selling RANGES. We ask you to stop and compare the value that we offer you with that of the outside smooth talking peddler. One hundred ranges were sold by agents in a nearby community. Stop and think of the difference in the price of our ranges and that of the salesman. One hundred ranges means a \$14,000 sale with an added profit over our price of \$3400. You are actually paying out money for the privilege of having your own money leave home. There are a number of home firms that sell ranges. We ask that you see them before you buy. Think it over!

CHRISTIAN SCIENCE

"Probation After Death" was the lesson-sermon subject in all Churches of Christ, Scientists, Sunday, April 26.
The golden text was from Psalms 37:18. "The Lord knoweth the days of the upright; and their inheritance shall be forever."
Included in the service was the following passage from the Bible: (Hosea 13:14): "I will ransom them from the power of the grave; I will redeem them from death: O death, I will be thy plagues: O grave, I will be thy destruction."
The following citations from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, were also read: "Jesus' unchanged physical condition after what seemed to be death was followed by his exaltation above all material conditions; and this exaltation explained his ascension, and revealed unmistakably a probationary and progressive state beyond the grave... The sin and error that possess us at the instant of death do not cease at that moment, but endure until the death of these errors."

CHRISTIAN CHURCH NOTES

Sunday School at 9:30 a. m. Please take special notice of the change in time. Come early and get through early. No more late dinners, no late getting ready to enjoy the afternoons. We believe that you will appreciate the change in time as soon as you see the benefits derived. Come, bring your family and friends and enjoy the service with us.
Morning worship and communion immediately following the Sunday School. The important thing to remember about the morning service is that you will be dismissed and starting home at 11:30 in plenty of time for dinner. Don't forget, if you come late, that makes us late in starting and you late in getting home.
Young people meetings at 7:15 p. m. Come on time as we have only

three quarters of an hour to have our meeting in and we need all of it.
Evening service at 8:00 p. m. Plenty of singing and a good sermon. You may not always agree with us but you have one satisfaction, we preach what we believe and do it straight from the shoulder without fear or favor. We do not court favor by trying to be a good fellow. Come and help us have the best service possible. You and your friends are always welcome.
L. O. Byerly, pastor.

NEW OAKLAND V-8

WITH 85-H.P. V-8 ENGINE . . WITH

NEW INSULATED FISHER BODIES . .

WITH SYNCRO-MESH TRANSMISSION

\$1061

This is the price of the Two-Door Sedan or Coupe equipped and delivered in Perryton. Sport Coupe \$1141. Four-Door Sedan or Convertible Coupe \$1161. Custom Sedan \$1227. All cars equipped with front and rear bumpers, shock absorbers, 5 wire wheels, extra tire, tube and tire lock, spring covers and tire cover.

Pending an examination and a personal test of the car itself, you can gain some idea of the new Oakland's unusual value from the following important features:

POWERFUL V-TYPE ENGINE—developing 85 h.p. in a smooth flow of energy—more than adequate for all needs and emergencies. The V-type motor, as a type, has long been identified with the finest cars. Now Oakland owners enjoy its advantages at low cost.

NEW INSULATED BODIES BY FISHER—combining new roominess, beauty, comfort and safety with a practical snugness of construction which shuts out inclement weather, excessive heat and cold. Cowl and windshield posts are built in one piece, a leak-proof and rattle-free design.

SYNCRO-MESH TRANSMISSION—one of the outstanding contributions to motoring efficiency. It enables

Oakland drivers to shift gears up or down, quietly and almost without effort.

CHASSIS CUSHIONED WITH RUBBER—At more than 40 points in the chassis, rubber insulation absorbs road shocks—adding to comfort, increasing the car's steadiness and prolonging its life.

MOHAIR OR WHIPCORD UPHOLSTERY—choice, durable materials which please riding guests, satisfy the owner's pride and help maintain Oakland's value.

FIVE WIRE WHEELS—heavy single-bar bumpers; Lovejoy shock absorbers; one-piece fenders with fender lamps; new sturdy, rugged frame and axles.

A demonstration of the new Oakland V-8 will be arranged at your convenience.

PARENT-TEACHERS

An enthusiastic crowd was present to enjoy the first meeting after the conference, which was held Monday evening, April 27, at the school building.

The invocation was given by W. B. Irvin. A vocal solo by Miss Lois Blue, accompanied by Charles Pike at the piano, was greatly enjoyed by all. J. G. Newman made an interesting talk on "The Theory of Einstein."

Many of the conference bills were presented and it was gratifying to learn the expense was not as great as had been anticipated.

USES OF THE LORD'S DAY

With the announcement in this week's issue of the Herald of the opening of the Ellis Theatre next Sunday will come a great deal of discussion and squabbling among the folks as to the right of the show to open and also to what position the churches will take on the matter. Accordingly we write this to help and foster a spirit of fair play and also to help to build for greater civic righteousness.

First of all let us say that we have discussed this matter with the management of the Ellis Theatre and they are not as strong for Sunday shows as one might be led to believe by the fact of their opening next Sunday. But many considerations have entered into the matter and in our talk with the management of the Ellis Theatre we found them to be mighty fair minded. Note this one thing they are doing different from any other show of our acquaintance—they are refusing to open during church hours. That certainly is a spirit of fairness.

Second, let us say right away that personally we are not in favor of a lot of things that are being done on the Lord's Day. We do not favor the opening of drug stores, soda fountains, filling stations, road houses, baseball parks, golf courses and a lot more we might mention. It is certainly no more a mark of disrespect for the Lord's Day to go to the Ellis Theatre and see a show than to hear one over the radio. It is certainly no more of a mark of depravity for young folks to go to the Ellis Theatre than it is for them to take the "family" car and raise several kinds of "hades" in several different places around the country. Dad sleeps late, refuses to go to Sunday school, eats like a hog, reads the Sunday paper, plays golf and otherwise does as he pleases but to go to shows on Sunday, oh my, that is awful. I wonder sometimes how folks get that way.

As pastor of the Christian Church I feel it my duty to advise and help my people as best I can. However, I cannot regulate every little act, for many of them are far wiser in some respects than I am. I am not a God to give command. I only can try and live and help others to live that we might come to the end of life and hear the Master say, "Well done, good and faithful servant." A great many people like the other fellow to be faithful but reserve some things specially for themselves. There are many brands of Christianity in Perryton. The proof of the pudding is in the eating. The church has preached that she could do things that she has failed at. To illustrate I have heard preachers and churches claim to cure disease but a careful study of the situation shows me that doctors and hospitals have succeeded better than these churches and even

they have failed in the crisis and all men finally become sickened and die. Thus by the fruits we are to know these things. I will watch the experiment of the opening of the Ellis Theatre with great interest and shall reserve my right to speak for or against as the case may be and have only written this that we might have a better feeling of fair play and a more concerted effort upon the part of all to help every one be a little better. If I find evil existing in Sunday shows you can rest assured that I will speak. But remember Christian people, there are shows that run during church hours—the Ellis theatre promises not to do so—we might jump out of the frying pan into the fire. As ever we are, your servant, L. O. BYERLY.

P. S. At all events come to our services Sunday at the church and then the rest of the day do as you think best.

Miss Polly Speyers, Liberal, Kansas, is the new technician at the Plaza hospital and Miss Ada Watkins, Woodward, Okla., is the supervisor. They came in this week to take the places of Miss Elizabeth Brunt and Miss Dora Olsen, who leave Friday for Temple.

Mrs. Ed Morgan and daughter, Miss Juanita, and her mother, Mrs. Nancy Aults, and Randall Jones returned Tuesday from Anthony, Kansas, where they were called because of the death of Mrs. Morgan's niece.

The TOP of every FRIGIDAIRE is a porcelain-topped table

Food on its way into a Frigidaire and food on its way out need not be juggled, or tip-tilted, or inconveniently parked on the distant kitchen table... the flat expanse of showy porcelain atop the Frigidaire makes such a perfect serving shelf!

It is an ideal place to put piping-hot things that should be cooled off before they are exposed to low temperatures... a splendid permanent place to keep the few foods that need not be refrigerated.

And nothing—hot or cold, smooth or scratchy—can in any way scar or mar the lifelong lustre of its diamond-hard Porcelain-on-steel finish.

A conveniently flat, unencumbered serving table top is one of the very real advantages of Frigidaire Advanced Refrigeration. There are many others. We invite you to come in and learn all about them.

One of the high spots of the convention and one which was most enjoyed, was the noon luncheon served each day at the Methodist church. The banquet rooms were elaborately draped in blue and gold crepe, the association colors, and fragrant blooming plants and potted ferns graced every place of advantage. Mrs. D. D. Shanks took care of the decorations and favors and she deserves much credit for her artistic creations.

On Monday, the Suzanna Circle of the Methodist Missionary with Mrs. Jas. E. Barbour in charge, prepared the delicious two course meal. Yellow tulips centered the tables. The favors of many colored caps, lent a note of gaiety to the occasion. Soft music was played throughout the dinner. Mrs. R. T. Correll, president of Perryton Parent-Teachers, presided and all presidents were honored.

The Thursday banquet was complimentary to the Publicity chairman. Mrs. W. D. Westbay, the district publicity chairman, was in charge. Miss Anna Belle Collins, society editor of the Amarillo News-Globe, and Van W. Stewart responded with enlightening talks on "News". Musical selections from the Boys' Glee club and piano numbers by Miss Lola Belle Barbour were especially enjoyed. The tables were centered with a large cardboard telephone and at each place was a miniature phone. Bud vases were filled with pink roses. The tempting menu was served by the Baptist W. M. U. with Mrs. W. J. Brewer as their leader.

For the last day of the convention, the Perryton Parent-Teachers, headed by Mrs. L. L. Lance, were responsible for the savory three course dinner. The tables were decorated with baskets of spring flowers and little bunnies, wearing their new spring tops, were watching each plate. These were given as favors. The program pertained to "Health" and the Health chairman were special guests. Mrs. C. T. Hunkapiller, seventh vice-president, presided. Mrs. Carl Ellis and Mrs. C. E. Whippo gave several vocal selections.

Shower Honors Bride

Mrs. John Brodie entertained with a miscellaneous shower honoring Mrs. Frank Leatherman, who until her recent marriage was Miss Mildred Burkstresser, on Wednesday, April 22, at the home of Mr. and Mrs. Bert Leatherman.

Games and stunts appropriate for the occasion made the afternoon pass pleasantly. Mrs. Bert Leatherman and Mrs. Paul Corbin assisted the hostess in serving the guests with ice cream and cake. The bride received many beautiful and useful gifts.

Those attending were Meses. T. W. Gray, Ansel Brown and baby, Garret Kerns, Chas. Lile, P. F. Brickley, John Corbin and son, P. E. Leatherman, I. M. Corbin, Floyd Kerns, E. B. Gyger, Paul Corbin, P. M. Corbin, G. T. Leatherman, Anna Marsdon, Irvin Burkstresser, D. C. Robertson, Wm. McCarty, Ray Boles, H. C. Stewart, Fred Smythe, Dean Rorabaugh, Leonard Frye, Miss Vida Stewart, Mrs. Bert Leather, the hostess and the honoree.

Hi Lo Bridge Club

Mrs. C. E. Whippo was the gracious hostess to the members of the Hi Lo Bridge club and a few friends for bridge Tuesday afternoon, April 28.

Prizes were awarded to Mrs. Ruth Phillip Steinhauser of Port Worth.

special guest, to Mrs. J. R. Thomas and Mrs. Fred Battle, high score among the club members, and to Mrs. C. E. Woods, who played high for the guests.

Those playing were Mrs. J. C. May, Mrs. Dewey Allen, Mrs. Paul Bowen, Mrs. J. R. Thomas, Mrs. Fred Hood, Mrs. G. J. Budd, Mrs. Robert Lawrence, Mrs. R. T. Correll, Mrs. T. D. Moss, Mrs. A. J. Kelly, Mrs. H. C. Sanford, Mrs. Fred Battle, Mrs. J. W. Wilson, Mrs. Stanley D. Key, Mrs. A. H. Nichols, Mrs. Carl Ellis, Mrs. C. E. Woods, Mrs. Jas. E. Barbour, Mrs. Ray Carr, Mrs. Frank Dodson and Mrs. Steinhauser.

Red tulips adorned the tables and a color note of red and white was carried out in the table appointments and the delicious two course lunch.

Mrs. J. F. Cox Entertains

In spite of the unpleasant weather a very delightful evening was spent in the home of Mr. and Mrs. J. F. Cox, April 23. Progressive pitch was played. Judging from the noise and laughter everyone was feeling his best and enjoying the game to the fullest extent. High score was won by Bill Dutcher and Frank Cox, the latter still insisting after the game that he had another "punch" coming. We haven't decided yet whether he meant on his nose or on his score card. Mrs. Val McLanahan won low.

At a late hour refreshments were served to the following guests: Mr. and Mrs. Val McLanahan and sons, Billy and Vernon, Frank Horton and Fern, Margie and Dale Horton, the Dutcher brothers, George Seitz, and Miss Jimmie York.

Sorosis

Mrs. P. H. Sebastian and Mrs. Luther Wade were hostesses for the meeting of the Home Economics department of the Sorosis club on Wednesday afternoon.

This lesson study was "Color in the Home". Roll call was answered by naming an artist and his masterpiece. Interesting talks were given by Mrs. G. I. Horne on "Colorful Furniture"; by Mrs. B. H. Murphy on "Colored Drapes" and by Mrs. J. B. Nash on "Rugs and Living Room Pieces."

A lively contest followed in which Mrs. G. K. Reading, Mrs. R. H. Holland and Mrs. Jas. E. Barbour tied for honors. The consolation went to Mrs. W. C. Herndon.

The hostesses served a delicious lunch to eighteen members and to Mrs. L. L. Lance, Mrs. G. K. Reading, Mrs. R. H. Holland and Mrs. A. K. Wooten, guests.

Enjoy Day

Sunday Mr. and Mrs. Fred Dowers and children, Mr. and Mrs. A. L. Dowers and Francis, Mr. and Mrs. A. A. Sword and family, all of this city, and Mr. and Mrs. John Jantz, Turpin, Okla., accompanied Mr. and Mrs. Ben Kennedy of Boyd to the matinee at Beaver and after returned to the Kennedy home for dinner. A very enjoyable time was reported.

Bridge Guests

Mr. and Mrs. Cecil Dodd had as their guests for bridge Saturday evening Mr. and Mrs. Lester Hasley, Mr. and Mrs. Vance Apple and Mr. and Mrs. Charlie Kent.

Mothers' Club

The 20th Century Mothers' Club met Tuesday, April 28, at the home of Mrs. Paul Sherman. "American Principles and Ideals" was the sub-

ject for discussion.

Those present were Mrs. Wm. Stramp, Mrs. Geo. Fletcher, Mrs. W. L. McDivitt, Mrs. G. K. Reading, Mrs. J. L. Couger, Mrs. W. G. Caldwell, Mrs. C. B. Rogers, Mrs. E. E. Shupe and Mrs. Harriet Long, Colorado Springs, Colo.

The next meeting will be with Mrs. C. B. Rogers on May 12. This is the last meeting for the year and it is hoped all members will be present. Officers for the coming year will be elected.

Wesley Class Social

The Wesley class of the Methodist Sunday School enjoyed a business meeting and social hour at the church Monday evening, April 27. New officers were elected. Delightful refreshments were served to twenty-five class members at the close of a very successful evening.

Bridge Party

Miss Addie Hicks, Miss Kula Marie Wales and Miss Mary Louise Yoe entertained with three tables of progressive bridge Saturday evening at the R. T. Correll home.

The guests were Miss Lida Beasley, Miss Violet Kuper, Miss Roberta Hutchinson, Max Boyer, Manse Wood, Lloyd Campbell, Arthur Turner and Oscar Flowers.

AT TEXAS-LOUISIANA

The many friends of R. O. James and family will be pleased to learn that they are returning to Perryton after an absence of several years. Mr. James has accepted a position with the Texas-Louisiana as division store keeper with headquarters in Perryton. He succeeds L. H. Hays, who is going to the Gulf Coast country. Mr. James first came to Perryton as cashier for the Santa Fe, later entering the employ of the White House Lumber Co. From Perryton he went to the general office of the lumber company at Canadian, moving from there to Shamrock as local yard manager. James is an expert accountant and a good citizen and the Herald is glad to welcome him and his excellent family back home.

CHAPTER IX

Paris July 20, 1917, for a field marshal Sir Douglas Haig, the British commander in chief, whose headquarters were in the Chateau half hidden away in the forest at Belduque, accompanied by Colonels Alford and Captain Paterson, the subject of conversation turned on the military situation of the allied armies. In particular, they were known about our army, its size, and the progress of our active participation in many factors, such as equipment and shipping, of course, were indefinitely disappointing. We asked many questions especially interesting to the importance of artillery employment by its chief, Major General who spoke of the difficulties had experienced in supplying ourselves with guns that the enemy's.

Turning to their lack of artillery, Major Birch was reason to believe they had finally attained a superiority over the Germans.

Teamwork Lacking

Douglas told me some of the

seemed to be disappointed when a flight of planes departed for the front without him.

Conferences Valuable

This visit to British headquarters was most instructive, as every opportunity was given us to study intimately the details of their wartime organizations. After similar studies of the French system we selected from each those features best suited to perfect a well-balanced staff for our own army.

The cordial relations and good understanding established between Sir Douglas Haig and myself and between the corresponding members of our staffs and with a number of the leading British officers with whom we were later to have official dealings proved very advantageous. In London, long after the armistice, Sir Douglas, in an after dinner speech, referred to this visit which happened during a period of depression, and said that our timely appearance at his headquarters had aroused in them a strong feeling of hopefulness for the future.

Meets Other Leaders

My diary at this time notes the following:

Paris, Thursday, July 26, 1917. Had breakfast yesterday at the Crillon with Lloyd George. He is alert and energetic and had a clear conception of allied problems. Took lunch with Mr.

With reference to American assistance, I gave in detail the situation as to our man power, immediate and prospective, especially in the light of the latest plans of the department, and laid particular emphasis on the necessity of additional shipping. A cablegram had just been received in response to mine of July 6 in which I had requested that at least a million men reach France by the following spring.

This message, indicating that the War Department foresaw small chance of securing the necessary tonnage, was read to the conference in part as follows:

"By using all shipping which is now in sight for the purpose and which will be available after month of November, the plan proposes to transport to France by June 15, 1918, twenty-one divisions, comprising about 420,000 men, together with auxiliary troops and replacements troops, line of communication troops, and others, amounting to 214,975 men, making a total of 634,975 men."

More Tonnage Needed

Although short of my recommendations, even this schedule could be carried out only by a very large increase of tonnage. The other members of the conference were of the opinion that if new adjustments could be made there might be shipping for nine or ten of our divisions before spring. So for the moment there did not seem to be the slightest chance of transporting a million men to France by the following June.

After canvassing the whole situation, the conference expressed the unanimous opinion that a defensive role should be adopted on all secondary fronts. The British and French representatives hoped that the surplus troops resulting from this course might be available to strengthen their armies in France and General Cadorna, of course, thought the Italian armies should have their share.

CHAPTER X

About this time (July, 1917) disturbing reports were submitted to me confidentially by one of our naval officers sent by Admiral Sims from London. Calculations based upon tonnage losses for May, June and July seemed to confirm the conclusions of a month previous that there would soon be insufficient allied shipping left to bring over an American army of required strength and that the allies would find it difficult to keep up their food supply from overseas.

The data presented by the naval officer proved that if this rate of destruction could not be reduced the war would be lost before we could fire a shot.

This report was certainly most pessimistic, but did not dispel my confidence in the success of the plan that had been tested and was about to be inaugurated of sending ships over in convoys under the protection of naval vessels. Additional destroyers requested by Admiral Sims had by this time largely increased such craft in European waters and as a result the activities of submarines had been somewhat diminished for July as compared with April.

Yet for the time being ship construction in British yards continued below losses and our shipping board stopped wrangling over materials and types. All these facts caused everybody to realize the extreme urgency of speed, and that in turn gave some hope that the prospects might soon become brighter.

Spies Get Sailing Dates

The success of submarine warfare had been largely dependent upon advance knowledge concerning movements of vessels. As there was no doubt that the sailing dates of much of our shipping reached Germany through spies, one way to reduce the danger would be to close such sources of information.

In the beginning the practice by our War department of transmitting secret information was extremely loose. The data regarding sailing was, of course, sent to my headquarters, but at the same time, or often before, it was also given to both French and British military and naval attaches and missions in Washington. They immediately transmitted the information by cable to their respective governments, with the result that it usually became almost common knowledge.

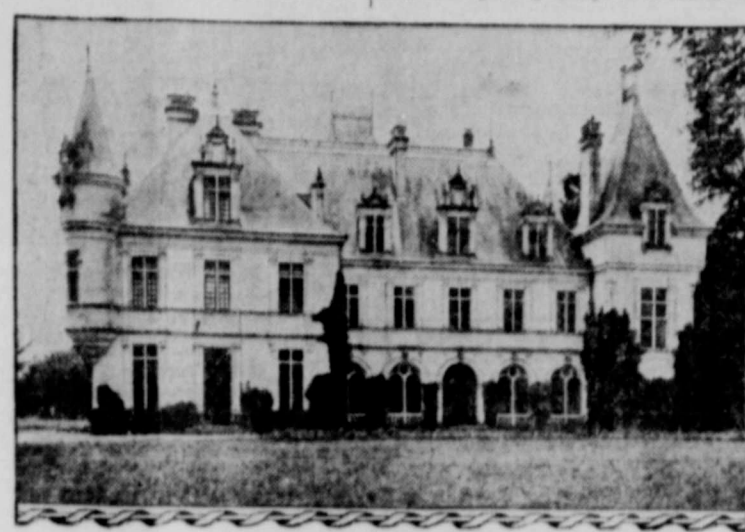

But there were other sources of information possessed by the enemy. One message intercepted by

the French, sent from some wireless station in Spain, announced the arrival of several American vessels at Nantes and of 10,000 American soldiers at St. Nazaire, and also gave the routes taken by our transports.

Another, evidently intended for submarines, reported the departure of a convoy of transports from New York. These and similar facts were cabled at once to Admiral Sims and to Washington.

Leadership Big Problem

Pictorially the most important fac-

Vn. des Ecoliers, Near Chaumont, Domicile of the American Commander in France.

or in building up an aggressive army is the selection of leaders. Without efficient leadership, the finest troops may suffer defeat by inferior forces skilfully led.

The following was my recommendation to Secretary of War Baker.

"My observation of British and French armies and most exacting service conditions at the front fully convince me that only officers in full mental and physical vigor should be sent here. Contrary course means certain inefficiency in our service of officers concerned. General officers must undergo extreme effort in personal supervision of operations in trenches. Very few British or French division commanders over forty-five or brigadiers over forty."

"We have too much at stake to risk inefficiency through mental or physical defects. Strongly recommend conditions be fully considered in making high appointments and suggest that no officer of whatever rank be sent here for active service, who is not strong and robust in every particular. Officers selected for appointment general officer of line should be those with experience in actively commanding troops. Officers not fulfilling above conditions can be usefully employed at home training troops."

These recommendations were not altogether followed at home. In fact very little effort seems to have been made at selections, so that some officers without ambition or initiative, whose inefficiency should have been well known, and others whose age and physical condition were such as to disqualify them for strenuous service, were given important assignments.

Most of them were known to me and not a few who, under the rule of seniority, were commanders of regiments and departments, had lacked the energy even to train their commands or themselves in battle exercises, where favorable opportunity had been afforded.

The policy of the War department from beginning to end seemed to be to appoint officers to the higher grade, according to seniority, with

the intention of weeding out the inefficient later on. This appears to have been the department's idea of selection and the result was practically no selection at all. After the appointment of such officers it was a slow process to eliminate them.

In the Training Area

The first division was now well settled in its training area in the region of Gondrecourt, south of Bar-le-Duc. The troops of the division had already established friendly relations with the French peasantry and had quickly adapted themselves

on our line of communications to the front and centrally placed as the probable sectors of our operations. The fine stone regimental barracks became our headquarters and we were able to obtain ample billeting accommodations in houses for all except the enlisted men, who were provided with temporary barracks.

Situation Not Hopeful

The meeting of the allied military leaders July 26, which was my first, brought out little that was hopeful. The political relations of the allies were touched upon in a general way, but only so far as they might affect the military situation. The most significant recent event, of course, had been the crisis in Russia.

on the right, then changed his mind and tried to go around to the left, but struck the rear left side, mangling Trolinger and inflicting fatal injuries. Mrs. Trolinger and the child were also injured but not seriously.

The deceased was born November 20, 1897, in Marshall county, Tenn., and at the time of the sad death was past 33 years of age. He moved with his parents to Hollis, Okla., at the age of four, coming on to Beaver county at the age of 9. He was married December 21, 1924, to Miss Lois Seago. She with two children, Maxine Yvonne, age 3; and Romona Lela Elizabeth, age 2, survive. Other relatives left behind are the parents, Mr. and Mrs. E. S. Trolinger of Perryton; two brothers, Dewey Trolinger, Boyd, Okla., and Cecil Trolinger, Canadian; and two sisters, Mrs. May Ballard, Gray, and Odessa Trolinger of this city.

Funeral services were conducted at the Gray church, Wednesday afternoon at three o'clock, after which the body was laid to rest in the Bethany cemetery. Rev. W. C. Bryan had charge of the services. Relatives present at the funeral were Mrs. Cora Harris, Morgan, Texas; Miss Maggie Trolinger, Hollis, Texas; S. J. Whitman and family, Hollis, Texas; Armour Batten, Fred Batten and family, Sam Batten, Miss Ethel Batten and George Beavers, all of Hollis. The untimely
