Big Picnic and Barbecue August 12th and 13th

Tuesday afternoon the Commercial Club met and decided to have a two days celebration, using both the 12th and 13th of August. Friday to be a regular old fashioned basket picnic where every one bring great stacks of fried chicken and all that goes therewith. Saturday will be the regulation barbecue, with lots of free beef, bread, pickles, onions. coffee and ice water.

The various committees have been appointed, and from the interest being displayed by all, we look for a great time in Tahoka on the 12th and 13th like we used to have, and for which we were justly famed.

The entertainment committee is making arrangements for all kinds of amusements. Something that will please the different tastes of the people who make up the crowd at such places. Some people may not enjoy every thing we have on both days, but most people will be pleased with much that they will find here.

So, every body come and be with us both days if possible; but, if you can't be here for coth days, come for one day anyway, and we guarantee you a good time.

THE PLAINS COUNTRY.

Never in all the history of Plainview has there been a better day fo. ur people than was witnessed here Wednesday. It was a aed letter day for the Baptist College, the dawn of what is hoped to be a bright day for this great school. The town made history for herself Wednesday.

The excercises of the forenoon were under the direction of the Masonic fraternity. Right well did they perform their service too. All conveyances obtainable were captured, the trains were met by a large reception commit'tee and the visitors hauled free of charge to the headquarters prepared ,or visiting Masons on the south east corner of the square. The main building and the towo Wiliams buildings accross the street were used for rest rooms. In thes, buildings ice water, watermelons, coffee, sandwitches, ice cream, and cake were on tap all day. These refreshments were furnished by the Masons free of all cost too. E. E. Webster an wife and others wer there tc make the day pleasant for all who chanced to go that way. A. A. Hatchell, Lee Shropshire and R. W, Brahan are to be congratuiated for their faithful services as a refreshments committee.

The grand procession was then formed as indicated in las weeks paper. The famous Floydada band furnished the music.

Hon. T. M. Bartley of Tahoka acted as specil deputy for Grand Master Yantis. Too much could not be said of the efficient work of Judge Bartley on this occassion. The other representatives of the Grand Lodge withe the exception of Grand Orator were of local talent. The cornerstone was laid with the usual dignity order and solemnity the characterize such occassions.

Articles deposited in the stone were as follows: Abstrrct of title to the College grounds, piece of steel work of building, Baptist Standard, Plainveiw News, list of names of mechainics employed on the building, block of wood emblem of wood work by J. E. McDonough. emblems of wood work by Geo. J. Martins and J. I. Duncan, a message from J. W. Winn, Plainview; "Ten Years in Texas" by Dr. J, B. Gambrell; Family Bible by Dr. J. H. Wayland; photograph of Dr. Wayland's twins: Dr. Waylands first srddle bags brought here ih 1883; card of M. D. Henderson; Card of W. T. Hudson, of Amarillo, with Shrieners emblem imprinted in corner; copper cent by Amarillo chapter; Eastern Star monitor by Plainview chapter; Dick McWhorter ten cent piece date 1901; card, names of W. A. Nashes children; B. T. Conway, Lebanon, Ky., card; program dedication of the christian church; emblem M. W. A. 12424 Channing, Texas, by R. A. Long; card of R. B. Longmire dated July 13, 1910, 12:10 p. m.; ceremony and program laying of cornerstone deposited by Leslie Floyd, Lockney lodge No. 867; copy of Hale County Herald; a message from the Baraca class together with a complete list of charter members, officers and membership to date containing 458 names. Also picture of class when first organized; copy of Plains Baptist; card of Charles A. Duff, Plainview; key and ring by M. L. Stewart.

Grand Orator Jewell P. Lightfoot Atty-Gen. of Texas then delivered the oration for the Masonic fraternity. It was masterful, logical and well received. Mr. Lightfoot is a pleasant speaker and an affable gentleman. This is the first time in the history of Texas that the Atty-Gen. has paid our people a visit and we are not unmindful of the honor we received in lieu of his visit, If space would permit the News would be delighted to reproduce

Rev. I. P. Metcalf sold out his Restaurant, on the north side of the square, to Mr. Goree this week. Mr. Metcalf tells us that he was converted under the preaching of Rev. Abe Mulkey 16 years ago, joined the Missionary Baptist church and at once began preaching. He has been out of the harness for about two years but says that the Rev. Abe has stired him up again and so he enters the active ministerial field again at Brownfield next Sunday.

LYNN COUNTY OPPORTUNITIES

And Tahoka The New Railroad Town

Ten years ago Lynn County had ten voters and three women in it, and was attached to another county for judicial purposes. One could buy land here for 50 cents to $1 per acre. We were eighty miles from a railroad and one postoffice supplied the people for fifty miles around. Today Lynn County has a population of Two Thousand Five Hundred, twelve organized schools, three postoffices and cotton gins, Four Hundred Voters, Four Hundred Fifty School Children, and thousands of acres of fine farming lands which produce a bale of cotton per acre with one hoeing and two plowings. Don't shake your head, for I can show you men right here who have done it. Our lands will grow sixty bushels of corn and oats to the acre, sixty bushels of kaffir corn maize, abundance of millet and alfalfa, big crops of sweet potatoes, two good crops of Irish potatoes per year, eighty pound watermelons, two pound tomatoes, twelve to fifteen pound cabbages and not half try. Lynn County soil grows fine grapes, several kinds of berries, squashes, pumpkins, cantaloupes and all vine products. Apples, Peaches, Plums and Apricots do well here and are freer from pests and diseases than East Texas fruit. Lynn County cannot be excellek as a corn and feed producing country, and it is well that such is the case, for the Great State of Texas spends twenty-five million dollars annually for imported corn, and several million for imported meat. The Plains country is destined to become the future bread basket of not only Texas but a large part of the United States. She will also be expected to furnish a big per cent of beef and pork for hungry millions. What country under the shining sun is better adapted to pork and beef production than this? There is none. It is easy to raise abundance of feed, and our water is as pure as God ever made. Our air is cool and bracing all the year round, so mister hog and miss cow grow to maturity under the most favorable conditions possible.

PROPOSED AMENDMENT TO THE STATE CONSTITUTION AUTHORIZING THE ESTABLISHMENT OF A HOME FOR WIVES AND WIDOWS OF CONFEDERATE SOLDIERS AND SAILORS.

HOUSE JOINT RESOLUTION NO. 7.

Joiht Resolution to amend Section 51 of Aiticle 3 of the Constitution of the State of Texas, as amended in 1903, so as to authorize the grant of aid in the establishment and maintenance of a home for the disabled and dependent wives and widows of Confederate soldiers and sailors and such women as aided the Confederacy, and making an appropriation.

Be it Resolved by the Legislature of the State of Texas:

SECTION 1. That Section 51 of Article 3 of the Constitution of the State of Texas, as amended in 1903, be so amended as to hereafter read as follows:

Article 3. Section 51. The Legislature shall have no power to make any grant or authorize the making of any grant of public money to any individual, association of individuals, municipal or other corporations whatsoever: provided, however, the Legislature may grant aid to indigent and disabled Confederate soldiers and sailors who came to Texas prior to January 1, 1880, and who are either over sixty years of age or whose disability is the proximate result of actual service in the Confederate army for a period of at least three months, their widows in indigent circumstances who have never remarried and who have been bona fide residents of the State of Texas since March 1, 1880, and who were married to such soldiers or sailors anterior to March 1, 1880, provided, said aid shall not exceed eight dollars per month, and provided further, that no appropriations shall ever be made for the purposes hereinbefore specified in excess of five hundred thousand dollars for any one year. And also grant aid to the establishment and maintenance of a home for said soldiers and sailors, their wives and widows and women who aided in the Codfederacy, under such regulations and limitations as may be provided by law: provided, the grant to aid said home shall not exceed one hundred and fifty thousand dollars for any one year, and no inmate of said homes shall be entitled to any other aid from the State; the Legislature may provide for husband and wife to remain together in the home; and provided further, that the provisions of this Section shall not be construed to prevent the grant of aid in case of public calamity.

SEC. 2. The Governor of the State is hereby directed to issue the necessary proclamation for the submission of this amendment to the qualified voters of the State of Texas at the regular election of State officers, in November, 1910.

The sum of $5,000.00, or so much thereof as may be necessary, is hereby appropriated to pay the expenses of carrying out the provisions of this Resolution.

the speech verbatim.

After Mr. Lighttoot's oration a most sumptious dinnner was served. So many baskets were brought forth that the tables were inadequate for the occassion. Many spreads were made throughout the building. After everyone had eaten, sufficiently enough victuals to feed the crowd again was put back into the baskets. No one could possibly go away hungry.

After dinner Dr. J. B. Gambrell of Dallas spoke a breif message on "plantin and building." He was followed by Homer T. Wilson who said preceeding and necessary to every great and worthy undertaking there must be (1) a thought, (2) this thought must be put into a word and (3) he word coined into an action. After these great addresses some of the candidates spoke. Judge Hunt for representative led out R. M. Ellerd spoke, J. M. Bull, Geo. L. Mayfield, A. C. Hatchell, also spoke a few moments.

Following these speeches the band gave a concert that was much appreciated by the audience. Our people are greatful indeed to the Floydada boys for theis services. When we get them up a few more times Plainview will claim the boys.

The day was ended with a ball game between Plainview and Childress. Thus ended one of the very best days ever kewn in the history of Plainview. It was a success in every particular.—News.
