Gilmer Takes Two Out of Three from Talco Oilers

By JACK WINN
The improved Gilmer Bucks beat Talco Oilers two best out of three this week to even their record with them this season at two-all.

The Bucks scored 5 runs after one was out in the bottom of the ninth in the series opener at Gilmer Thursday night to win the game by the score of 10-9. After two were out in the last inning and the score was 9-7 in favor of the Oilers, Buck Austin hit a home run over left center field fence with two mates on to end the game.

In a make-up game, also at Gilmer Friday night the Bucks handed Ray Tucker his first defeat of the season by the score of 3-2. Talco made two costly errors that let in the three runs for Gilmer. Talco collected 10 hits to Gilmer's six off Tucker.

Talco managed to slam out a 15-10 decision Sunday afternoon at Talco before the smallest crowd of the year at Oiler park. The Oilers collected 18 hits off Dean, Canter and Smith, including home runs by Ken Williams and F. A. Jones, to outlast the Bucks who got 14 hits off McKnight and Broussard. Canter hit for the circuit for the Bucks. Broussard got credit for the win, his first of the year against three hard luck losses.

Short Shots: The electric score board should be ready for operation by the last of the week.

James Gray, Ray Tucker and Wayne Shaw were picked to play on the all star team at Daingerfield July 4. Several more of the Talco players were mentioned, but only three were picked from each team in the league. They will play the Daingerfield team that won the pennant last year. The team will be about the same as the Lone Star team this year.

George Washington has hit 12 homers for Lone Star so far this season. The game that was finished under protest here last Tuesday night was evidently never protested to the League president, as no word has been received by the Talco club.

The hot weather is causing each club to consider the Sunday game on Saturday night. The Talco club is highly in favor of the change. The Sunday crowds are dropping off all over the league.

The scales that were used to weigh the players in at the Fat & Lean game Saturday night evidently had been "fixed," as Lloyd Gaunt weighed on them at the park Sunday morning and weighed only 165 pounds, some 50 pounds light. You don't suppose

the lean boys were trying to swing some of the heavies over to their side, do you? John Dvorak, the Lean manager, was over at the heavy boys dug out protesting something to Heavy Manager Son Adams, and was thrown up on top of the dugout. Well, we all had fun and the Cub Scouts benefitted from it all, so thanks to everyone, the money will go for a good cause.

Farmers Are Needing Good Soaking Rain

Hot, dry weather, accompanied by strong winds for the past several days are causing some damage to crops, gardens and truck crops in this area. A good rain is needed to keep crops growing and increase truck crop yield. Temperatures have risen daily above the 90 mark. Most cotton fields have been chopped, plowed and hoeing a second time is underway.

Most of the vetch crop in this area has been combined and a fair yield reported. Oat harvest has averaged better than 16 bu. per acre. Many stockmen have been putting up hay for the past week with many acres of grass-land yet to be baled.

Talco Boy Scouts Enjoy Past Week Lake Fannin

Thirty-three Explorers and Scouts from Troop 205, Talco, enjoyed a week of scouting, swimming and hiking at the Lone Star Area's encampment at Lake Fannin, 16 miles north of Bonham, on Red river.

The boys were accompanied by Scoutmaster Bud Hunt and Explorer Advisor Odell Morrison.

To say the Talco Scouts gave a good account of themselves is putting it mildly. They tied for first place in the swimming meet and placed second in the archery contest. They were the largest troop in camp, in fact, they were the largest troop ever to be in camp.

Many of the boys passed many phases of their first class requirements and considerable work was done on merit badge requirements.

Larry Hunt and Darrell Morris successfully completed work for their swimming merit badge. Jimmy Hunt and Larry Hunt also received their life saving merit badges.

The week was well planned and supervised by the Scout executives in charge. Just about every phase of scouting was covered.

The Talco Scouts gave a very good account of themselves during challenge and stunt nights. The acts were very good and very clever.

Friday night the Order of the Arrow staged their calling out ceremony. This performance was staged around a huge camp fire and the Order of the Arrow members were in full Indian dress. The ceremony was very beautiful and impressive. Two members of Troop 205 were tapped for membership in this organization.

The leaders of the Talco Scouts wish to thank all parents who furnished transportation and especially thank Mr. Harper and Mr. Morris for furnishing pickups to haul the equipment.

FRED BENNERS TO PLAY PROFESSIONAL FOOTBALL

Fred Benners, SMU's spectacular football passer, and who pitched baseball for the Talco Oilers and worked for Humble last summer, will play professional football for the New York Giants. The lanky, 6-foot-3-inch, 195-pounder, was twenty-two years of age last Sunday.

Art MacKinstry received burns on his right hand while fighting fire that broke out in the Humble bunk house.

Humble Station At Talco Robbed, Five Arrested

Five persons were arrested by Deputy Sheriff James Robertson and charged with burglarizing the Humble Service Station at Highway 271 and FM 71, owned and operated by Ernest Smith, in Talco on Saturday night.

Deputy Sheriff Robertson came upon the group as they were leaving the station. The five, Gene Hazzard, Leon Stephens, J. W. Stephens, Gilbert Stephens and Aubrey Stephens, all with Titus County addresses, were placed in the county jail at Mt. Pleasant.

Robertson, it was said, drove into the station just as the group was preparing to leave. Two of the men were coming out of the station, the officer said, their arms loaded with cigarettes and other articles and carrying with them all the money left in the cash drawer. The other three were seated in a car, a 1950 Chevrolet convertible recently reported stolen in El Paso.

Three of the men, local officers said, have penitentiary sentences against their record and Hazzard was reported to be wanted on a federal warrant by officers in El Paso.

Leon and Gilbert Stephens were arrested about a month ago, and charged with cattle theft, according to Sheriff Loyd Sinclair, who is very proud of the work done by Deputy Robertson in the E&W Humble Station burglary.

The Stephens boys reside near Wilkinson and were out on bond in the cattle case. They gave Deputy Robertson a chase down Highway 271 when he came upon them at the station, but the officer soon crowded them to a stop.

Mr. and Mrs. Herschal Kelley Jr. and three daughters of Longview, spent Sunday with his parents, Mr. and Mrs. Herschal Kelley Sr.

Talco Lions See Safety Films

Talco Lions held their regular meeting Monday night, June 23, at the educational building of the Talco Methodist Church.

Lions present were: L. G. Adams, Harold Bonham, Andy Bowman, George Bonds, Omer Cole, Harry Carlisle, J. A. Davis, John Dvorak, Roy Farrar, W. T. Hughes, Felix Jones, D. H. Kelley, S. O. Loving, E. L. Miller, Bill Thurman, K. E. Westbrook, P. O. Wilhite, J. H. Weatherall and Robert Harper.

Jim Bagby was a guest of J. H. Weatherall and Charlie Devine of Munfordville, Ky., was a guest of John Dvorak. Program consisted of several "Safety" films.

Sunday guests of Mr. and Mrs. O. D. Welch were Mr. and Mrs. J. T. Leftwich of Mt. Pleasant.

L. H. Wilson Hurt in Fall From Horse

L. H. Wilson, prominent Titus County oil man and land owner and former Talco resident, was taken to Dallas Friday in a serious condition resulting from injuries sustained when he was thrown from a horse earlier in the day. Mr. Wilson suffered a broken hip.

The accident occurred when the horse he was riding reared, unseating him. He is now in Baylor Hospital.

Mr. and Mrs. Felix Jones entertained with a fish fry Saturday night at their home. Attending were Mr. and Mrs. Fred Blackard and family of Greenhill, Mr. and Mrs. F. A. Jones and Phil, Mr. and Mrs. Farris Brown, Janell and Lana Sue, Mr. and Mrs. Lon Jones, Jerry, Nelda, Cato and Virgil Jones, and David Cato.

the Baker in Dallas on Saturday
night. This editor regrets he was

Cattlemen always look for a

one was more than had been an-

will resist prices now in effect
and keep their cattle at home un-

OLD-FASHIONED DEBATE

Candidate Joe McCasland, run-
ning for Congress in the First
District, challenges his opponent,
Rep. Wright Patman, to "an old-
fashioned debate on governmen-
tal issues."

It might not be a bad idea—in
all political campaigns. In the
old days, they "joined the issue"
literally by rising successively
from the same stump. And it is
probable that people understood
issues better in that day than at
present.

Of course, the issues are vastly
more complex today. But that
might be one more good reason
for bringing them together in
"good old-fashioned debate." —

TRIM YOUR COSTS 3 WAYS WITH DODGE TRUCKS

"Dodge is by far the
lowest cost to operate!"

"We keep complete individual records of each of our
trucks and have found that Dodge is by far the lowest
cost to operate. In fact, our Dodge costs us .6 of a
cent less per ton-mile to operate than our next closest
truck! This difference must be the result of Dodge's
many economy features.
"Furthermore, we've found that our Dodge 'Job-
Rated' truck will haul a full load of sand or gravel up
hills that several of our other trucks won't take. Our
next truck will be a Dodge."

Talco Happenings Ten Years Ago

Week of June 26, 1942

Dr. Vernon A. Dean, Talco physician, had died.

W. O. Rodgers, 88, had died at Hagansport.

Married men had been given army deferments until all single men had been taken.

Eight Titus County men were to enter the Army: Charles Rook, Eugene White, Bernard Sullivan, James Warren, Benjamin Brown, Obie Clark, George Lilly and Frank Johnson.

Plans had been made to register men between ages of 18 and 20 for June 30. All men born between the dates of Jan. 1, 1922 and June 30, 1924 were to be registered.

The drive for rubber in Titus County had been highly successful; more than 50,000 pounds had been secured.

Mrs. W. A. Black, 72, had passed away at Cunningham.

F. H. Churchwell, 59, had died at his home in the Argo community.

Andrew Jackson Mitchell, 77, had died at his home in Cunningham.

Mrs. T. I. Williams of Avery, had passed away. She was the mother of Mrs. O. O. Blount, formerly of Talco.

Ernest Brown of Mt. Pleasant, and A. P. King of Winfield, had been added to the selective service board at Mt. Pleasant.

Births: A daughter, Beverly Irene, to Sgt. and Mrs. O. O. Blount, and a daughter, Linda Dee, to Mr. and Mrs. Deodric Austin.

Marrriages: Miss LaVerne Sawyer of San Antonio and Cpl. John Walker of Talco; Sgt. Ray Moore of Talco and Miss Dorothy Hines of Midland; Miss Maurice Turner of Coke and Weldon Moore of Talco, and Miss Shirley Henderson and Frank Lindsey of Talco.

Evening Services At Humble Lake

Next Sunday evening, the regular monthly Sunday evening fellowship program of the Talco Methodist Church will be held at Humble Lake, with an "old-fashioned picnic lunch" planned for 6:30 p. m., to be followed by a devotional service with a special "worship climax," a Galilean service.

Mrs. Guy Walker, chairman of the Social Life committee of the church, with her committee is in charge of general arrangements for the fellowship program. Each family of the church and guests and friends are asked to bring enough food for the family (including all utensils, paper plates, etc., that are needed) and join in the fellowship.

Mrs. Gerald Kempe is in charge of making the arrangements for the devotional service, and she will be assisted by Mrs. A. E. Foster and members of the Youth Division, working with the pastor, John Dvorak.

Book Club Meets With Mrs. Morse

The Book Lovers Club met with Mrs. J. B. Morse Friday, June 20. The meeting was called to order by the president, Mrs. Williams. After the business meeting and distribution of the books, the program, "Vacation Time," presented by Mrs. Hood, was enjoyed. Beautiful pictures of Carlsbad Cavern were shown through several view masters.

Mrs. N. W. Nugent gave a reading on "vacations then and now." Everyone enjoyed the games. Tour the World in Texas and Finding Hidden Cities in Scrambled Sentences, with Mrs. Morse and Mrs. Hill winning lovely prizes.

The hostess served delicious refreshments to Mmes. Gieger, Williams, Neugent, Hill, Jones, Hood, Cato, Smith, Jones and Nugent. The next meeting will be Sept. 5 with Mrs. E. E. Nugent hostess and Mrs. J. L. Cato, program director.

Softballers Win One, Lose One

Talco Softballers played the Winfield team in Mt. Pleasant City League last Friday night, and were defeated 10-3. Monday night, however, in a non-league game against the Mt. Pleasant Blues, the Talco team won 36-6, opposing a make-shift team. Robbie McCuller pitched both games for Talco.

In the 36-6 onslaught, Cogburn

and Fussell hit homers for Talco. Bobby Martin gathered six hits and scored six times.

Talco is scheduled to play Bob Sandlin Motors at Mt. Pleasant on Thursday night, June 26; and will play Mt. Pleasant Blues "regular" team next Monday night here in Talco.

Billy Charles Morris, employed in Gladewater, spent the week end with his parents, Mr. and Mrs. J. C. Morris.

Is One Church As Good as Another?

In the world there are several hundred religious bodies. Each of these groups claims to have something worthwhile for mankind both here and hereafter. All of them, however, disagree with one another in doctrine and in practice. One teaches one thing; another practices something else. Yet they all, with but few exceptions, claim to be ruled and governed by one book, The Bible. Do you suppose that the Bible authorizes all these different doctrines and practices? Do you suppose that the Bible authorizes all these different institutions, and that one is just as good as another?

How much confidence would you have in a man who told you one hundred different, and conflicting stories about one particular event? You wouldn't have any, would you? How much confidence then can we have in the Bible if it tells hundreds of conflicting stories about what man must do to be happy here, and saved hereafter. The truth of the matter is, friends, the Bible doesn't. Men preach many different ways. They say one is just as good as another. Men exalt many different churches, and say one is just as good as another. When we read the Bible, however, we find that it knows but one way—but one church.

Now before you become angry, and accuse me of being narrow just let me persuade you to see what the Bible actually says. I don't want you to take my word, but God's word. "To the law and to the testimony" let us appeal. Jesus said: ". . . upon this rock I will build my church . . ." (Mt. 16:18). Note the singularity of this language: not my churches, but "my church." Jesus promised to build but one. The Bible further declares that Jesus is the head of His church, and that the church is His body. (Eph. 1:20-23). Then it says, "there is one body . . ." (Eph. 4:4), and again yet but one body" (1 Cor. 12:20). What is "the body"? Why, it is the church.

Hence, we can see that the Bible reveals but one church, and I urge you to accept what God has said in preference to what men say. We'll not be judged by the opinions of men, but by the book of God, in the final day. (Rev. 20:12-15.)

Alcorn Pleased to Notice Candidates Have Come Out Against High Taxes

Editor's note: Achin Alcorn, philosopher on his Johnson grass farm on Sulphur, has been listening to the candidates, his letter this week reveals.

Dear Editor: For a while, the various campaigns for the Presidential nomination had me worried.

There wasn't anybody running on a platform of reducing taxes, and it just ain't natural, it's like gettin married without promisin to support your wife, but startin last week I notice most of em are fallin in line and you can now

take your pick of havin your taxes reduced by anywhere from 15 per cent to 50 per cent. So far ain't none come out in favor of wipin em out altogether, but I'm willin to listen.

As long as I can remember, candidates have been runnin on platforms of reducin taxes, and as long as I can remember taxes have been goin up, and while I had rather see a man run on a platform of less taxes than more, if nothin else it just sounds better, still I would like to see some of em accomplish their ends occasionally and I have figured out

Tree Plantings Total 11,707,938

A summary of forest tree plantings in this area from seedlings supplied by the state for the 1951-52 season shows 29 planters took 25,000 slash pines in Franklin County.

In Red River 17 planters took 17,000 slash pines.

In Titus one planter took 2,000 short leaf pines.

In Lamar two planters took 1,000 slash pines.

Over the state total farm and commercial plantings totaled 11,707,938 small trees or plants.

SCHOOL PATRONS TO VOTE ON DISTRICT ANNEXATION

Voters in a small school district between Avery and DeKalb will go to the polls Saturday and vote to determine if the district shall be annexed to Avery or DeKalb. Guy Lemmond, former Talco teacher, is superintendent at Avery.

It Pays to Advertise.

a way.

When a candidate stands up and says "I will reduce your taxes 15 per cent the first year I'm in office," we ought to believe him and sort of take him at his word, and at the end of that year, if he rides into office, what we ought to do is take off 15 per cent of the previous year's tax total and send him a bill for it.

This would have one of two results: either it would reduce taxes 15 per cent, or it would reduce promisin.

Of course you understand when I say I'm in favor of reducin taxes, it goes without saying the reduction should come through cuttin out waste and extravagance in Washington or Austin or at the court house, and not through cuttin down on any road improvements or other governmental service slated for this area out here. We ain't quite gettin our share like it is. Anybody can reduce taxes by lettin things slide, what I want is reduced taxes and increased services both in the same year.

As I see it, everybody runnin for anything this year is opposed to graft and corruption and high taxes, so all we got to do is get the election held and everything will be straightened out, no matter who gets in where.

Yours faithfully, A. A.

Plans Travis Peak Test Southeast Of Mt. Pleasant

W. B. Hinton, Dallas, is reported planning a Travis Peak exploration five miles southeast of Mount Pleasant on acreage held by John B. Stevens, Mount Pleasant. Location would be on the W. J. Henderson 76.5-acre tract in the Kendall Lewis league, A-334.

Another try for oil in Morris County has missed out. B. G. Byars No. 1 Paul Pewitt, G. Dyer survey, eight miles north of Omaha, found nothing promising in going to 4,700 in the Paluxy.

Oil Activities in Bowie, Red R., Lamar

In Bowie County extensive leasing on the part of T. A. Hosey and B. W. Hemphill, Longview, has seen 27,000 acres taken southwest of New Boston toward Dalby Springs. Leases are 10-year commercial at \$1 and \$2 an acre. Surveys include L. M. Rice, L. M. Ball, J. W. Dobbs, S. K. Blythe, John Wheat, Charles Carson, C. M. Collum, L. W. Rose, W. F. Thompson, J. H. Smeltzer, J. T. McGee, Sewell Hancock, J. Kirtrell, William Ritchie, L. W. Ross, J. P. Wright and others.

In Red River County continued leasing is reported: In the area south of Clarksville, Paul B. Beard took nearly 3,500 acres at \$3 an acre out of the G. S. Young, Josiah Turner, H. M. Henderson, J. Armstrong, Paul Cornelius, W. G. Zandt and other surveys.

Phillips Petroleum, which has been leasing heavily in the southeast part of the county, has added nearly 5,000 acres more at \$1 and \$2 an acre. Surveys include N. H. Boone, Lucy Cullum, J. C. Hart, Noel Arrington, S. W. Sims, Robert Goodwin, L. Flint, Levi Dean, Dave Washburn, Morris Ward, William Brinton and John Watkins.

In Lamar County Continental Oil Company is buying extensively in the northwest part of the county along the Fannin County line at \$1 and \$2 an acre. Around 5,400 acres have been leased.

Highway Engineer Assigned to Austin

Ed Bluestein, district engineer for the Atlanta district of the Texas Highway Department the past eleven years, has become district engineer at Austin.

Bluestein's Atlanta duties were taken by Gilbert A. Young, who has been assistant district engineer there for seven years. Bluestein, whose transfer amounts to a promotion, assumes duties of the late W. D. Dockery at Austin. Dockery was the first district engineer of the Atlanta district when it was organized in 1932.

Bluestein has been with the highway department twenty-eight years, serving most of the time at Bryan and Atlanta. The Atlanta district is composed of Bowie, Cass, Marion, Harrison, Panola, Upshur, Titus, Camp and Morris counties.

Whitey Sure "Rang the Bell"

Telephone woke me out of a sound sleep last Friday about eleven-thirty. "This is Whitey Fisher out on River Road," says a voice. "I just wanted to tell you how much I like this week's Clarion."

"Thanks, Whitey," I told him. "But why in blazes call to tell me at this time of night?" "Simple," he says, "your paper boy just delivered it a short while ago. Been waiting for it all evening."

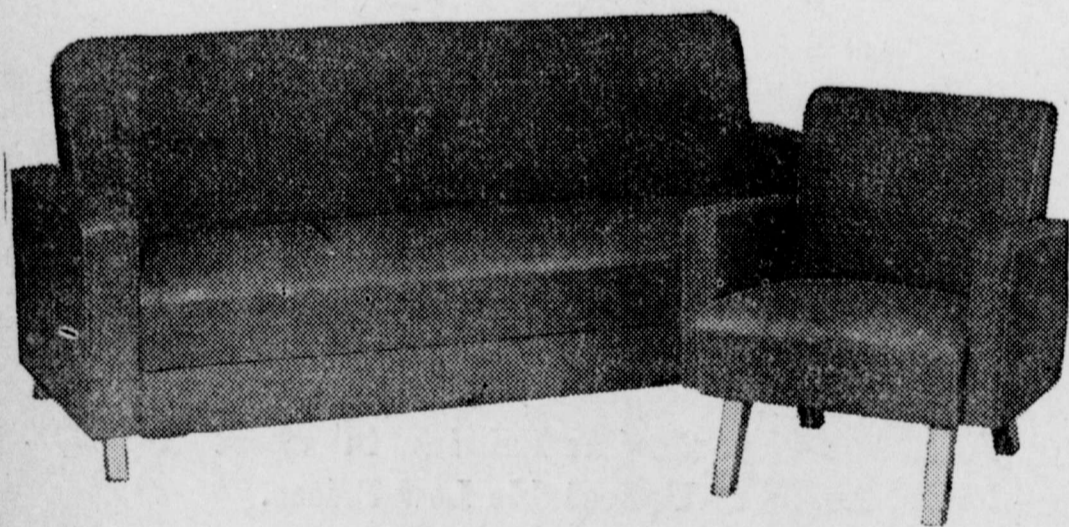

Next day, Buzzy Wilson tells me he delivered Whitey's paper late because he stayed for the school dance and thought it would be OK

to drop it off on his way home. From where I sit, I can't blame Whitey for his joke. He was just reminding me we owe other people the same respect we expect from them. Since I'm always talking about respecting the other fellow's rights—including his right to enjoy a glass of beer if he chooses, it was only fair that Whitey should "wake me up" to his right to get his copy of the Clarion on time. Thanks again, Whitey!
