Delegates Given For Conventions

(See photos on Page 5)

Delegates from Friona to the Girls' and Boys' State conventions were announced this week by the Friona American Legion Post 206 and the American Legion Auxiliary.

Melanie Gallman, daughter of Mr. and Mrs. JeDon Gallman, is the delegate to Girls State. The alternate is DeeDee Davila, daughter of Mr. and Mrs. David Davila. The girls are both juniors at Friona High School.

The Friona unit also is sponsoring Angela D. Charlson of Farwell, daughter of Mr. and Mrs. Harold Charlson of Farwell.

Delegate to the Boys' State convention is Roy Flores, and the alternate is Danny Flores. The boys are brothers, and are the sons of Mr. and Mrs. Jesus Flores of Friona.

The girls will leave June 11 and

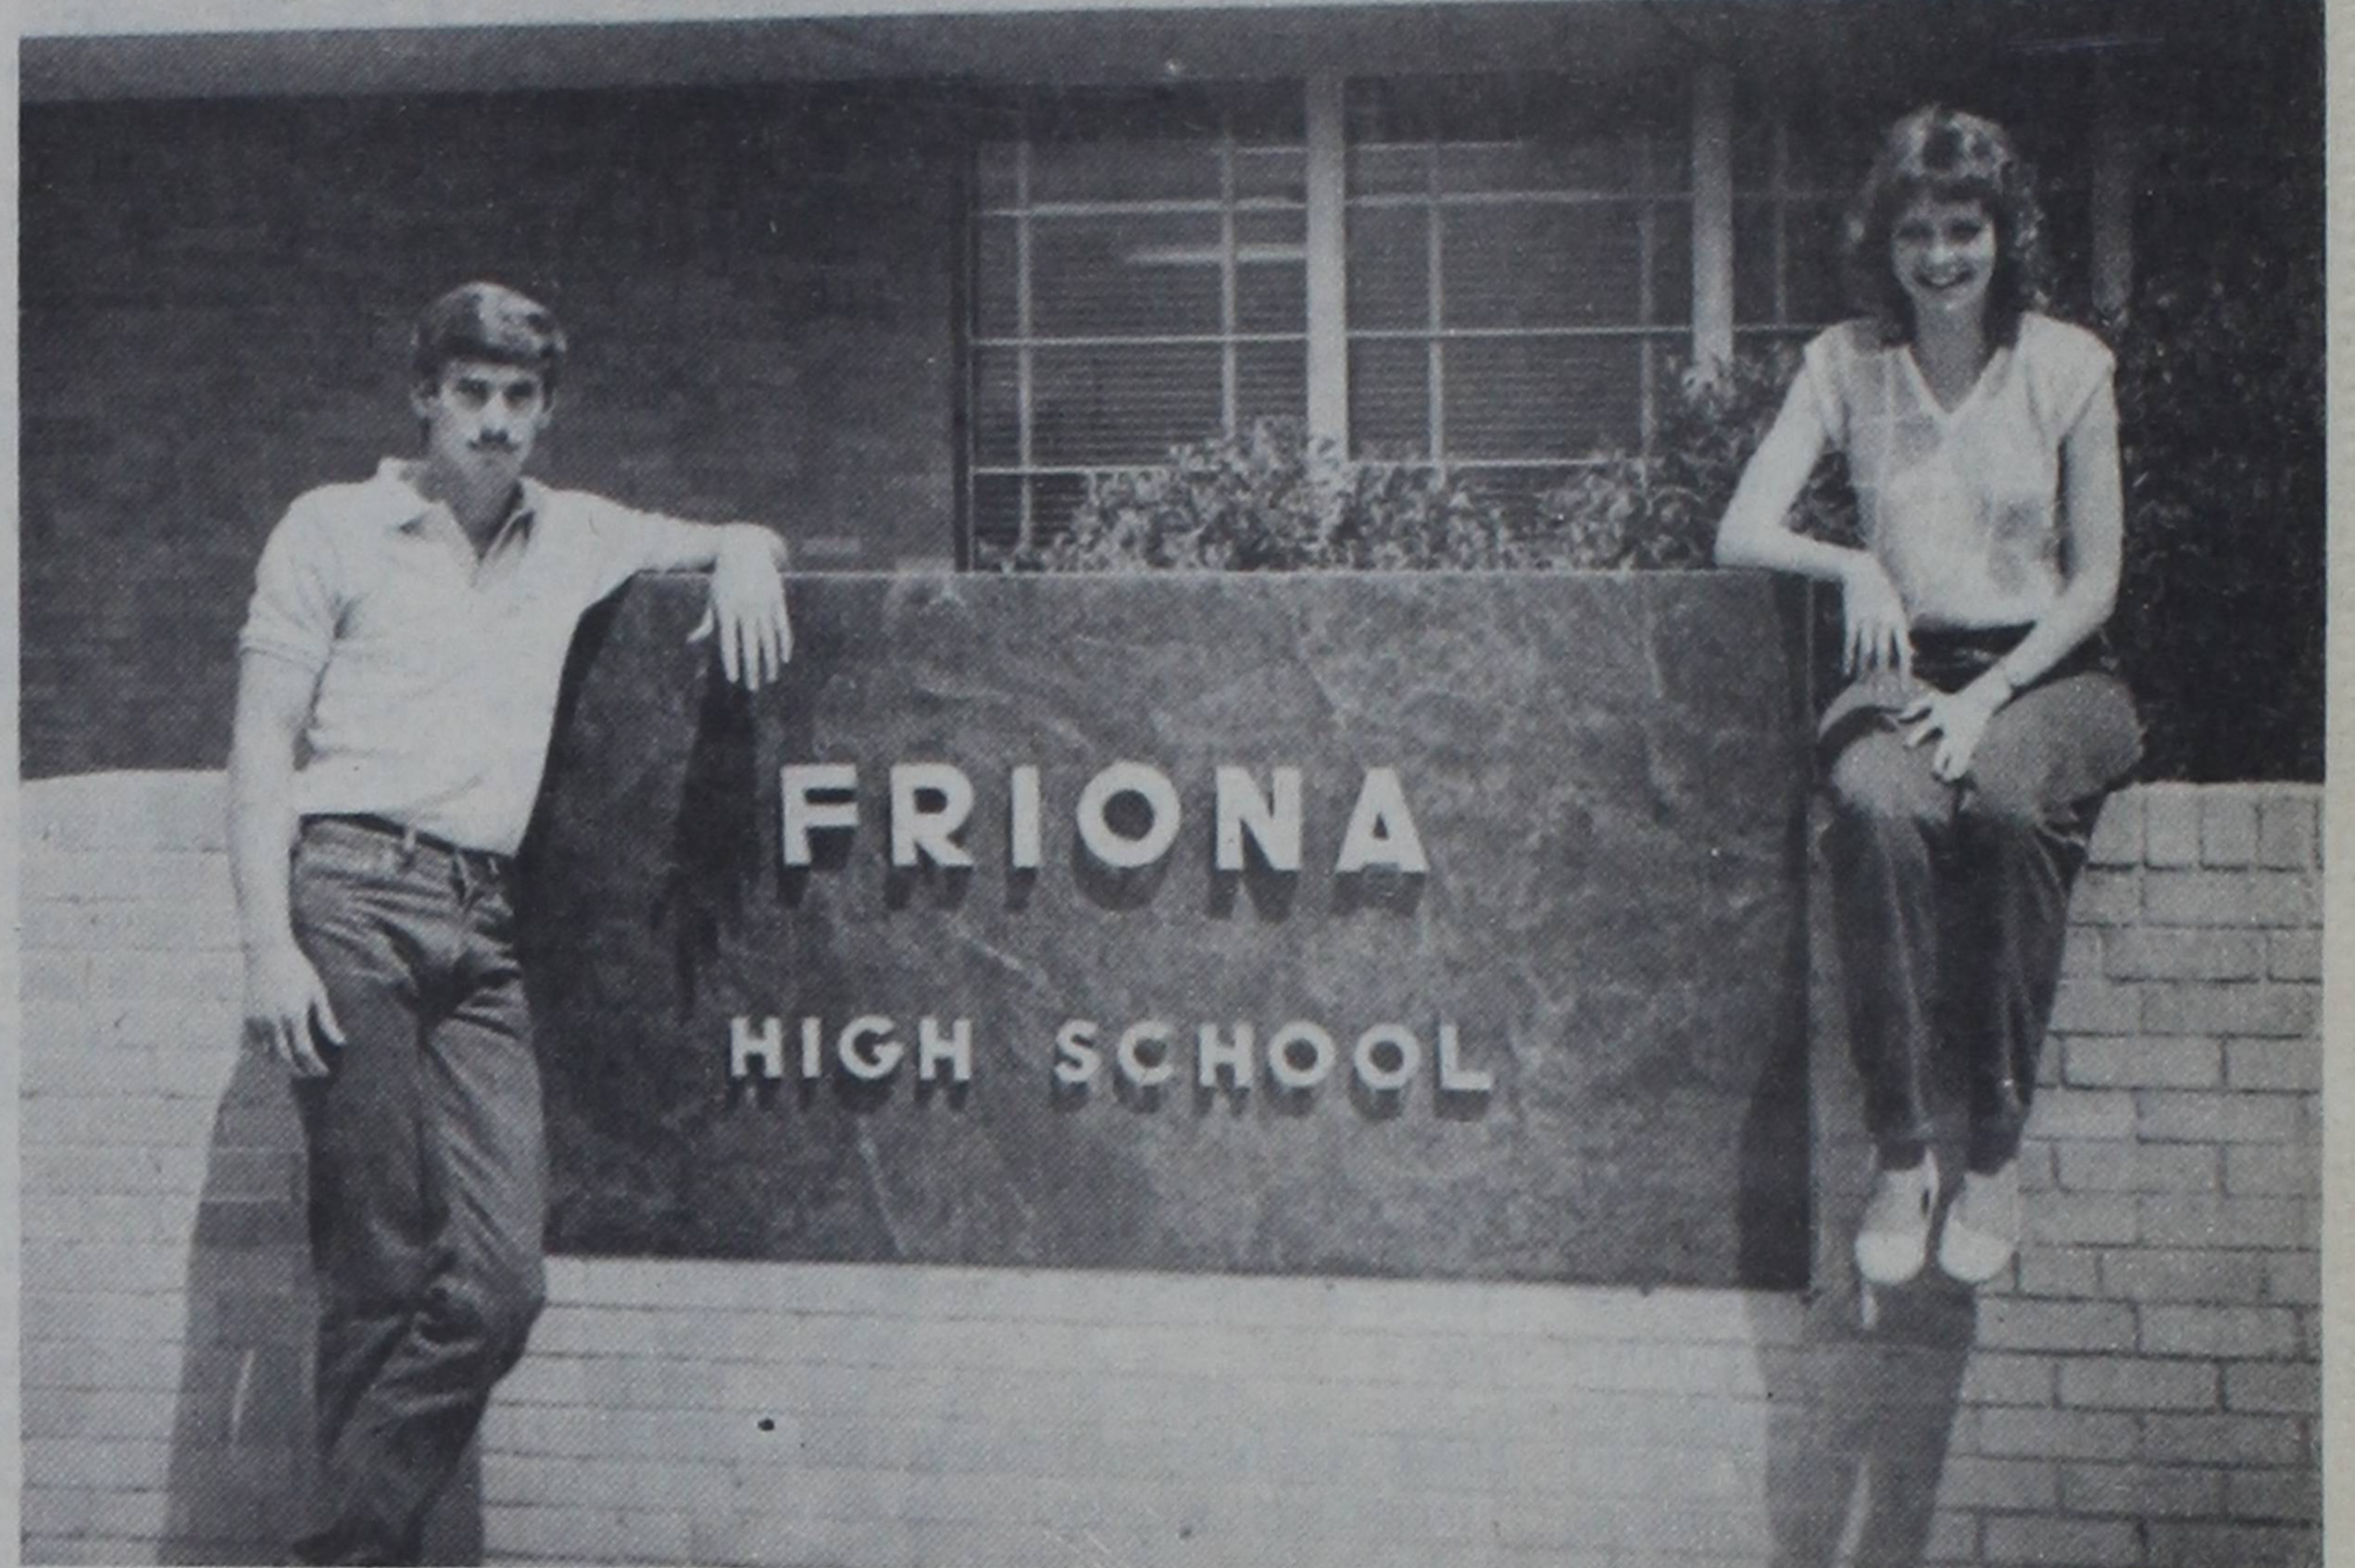

return June 21. The delegates are flown by Southwest Airlines from Amarillo to San Antonio, and then will be taken by bus to Texas Lutheran College in Seguin, for the Girls' State convention.

The local American Legion Auxiliary has been sponsoring delegates to the program since 1954.

The Boys' State program is held on the campus of the University of Texas in Austin, and lasts seven days.

The programs accomplish the same purposes, but are held separately. The young people are available to give their reports from the convention to any organization which might like to have this type of program.

Arrangements for programs on Girls' and/or Boys' State can be made by contacting Ralph Taylor or Geneva Williams.

HONORED....Rodney Allen and Milli Dixon were honored recently by their classmates at Friona High School, named as "Mr. and Miss FHS." They will be featured in the "Who's Who" section of the 1985 Chieftain yearbook.

TAX BURDEN SHIFTED

Judge Critical Of State's Tax Policies

Parmer County Judge Porter Roberts said today that "the state has found a way to get through the legislative session in Austin without raising any state taxes, but the way they have decided to do it means that the property taxes may have to be raised at the county level or services cut."

Judge Roberts indicated that the cost of state programs such as the administration of justice, including increased local costs of the judicial system and costs of incarcerating state prisoners, and even the cost of driver education in the public schools, may be financed out of county and district court fees if pending legislation is passed.

"The way this works," Judge Roberts said, "is that the state increases its share of fees that the county collects in order to raise

revenue for state programs. This could decrease the future amount of money that the county gets to retain from the fees. The county could be forced to take up the slack by increasing property taxes just to stay even." It seems that each legislator who comes up with a bill that needs funding, states in his bill that the county will raise their fees on certain items and send this additional money to Austin.

The judge said that counties only have four sources of revenue: property tax, fines and fees, and federal revenue sharing. He said that revenue sharing "has been going down for most counties for several years, and that the administration proposes to eliminate it by October 31, 1986."

Revenue sharing averaged 16 per cent of county budgets statewide in 1977 but in 1982 it amounted to only 11 per cent. It has dropped even more since 1982 and will be gone entirely by late 1986," the judge said.

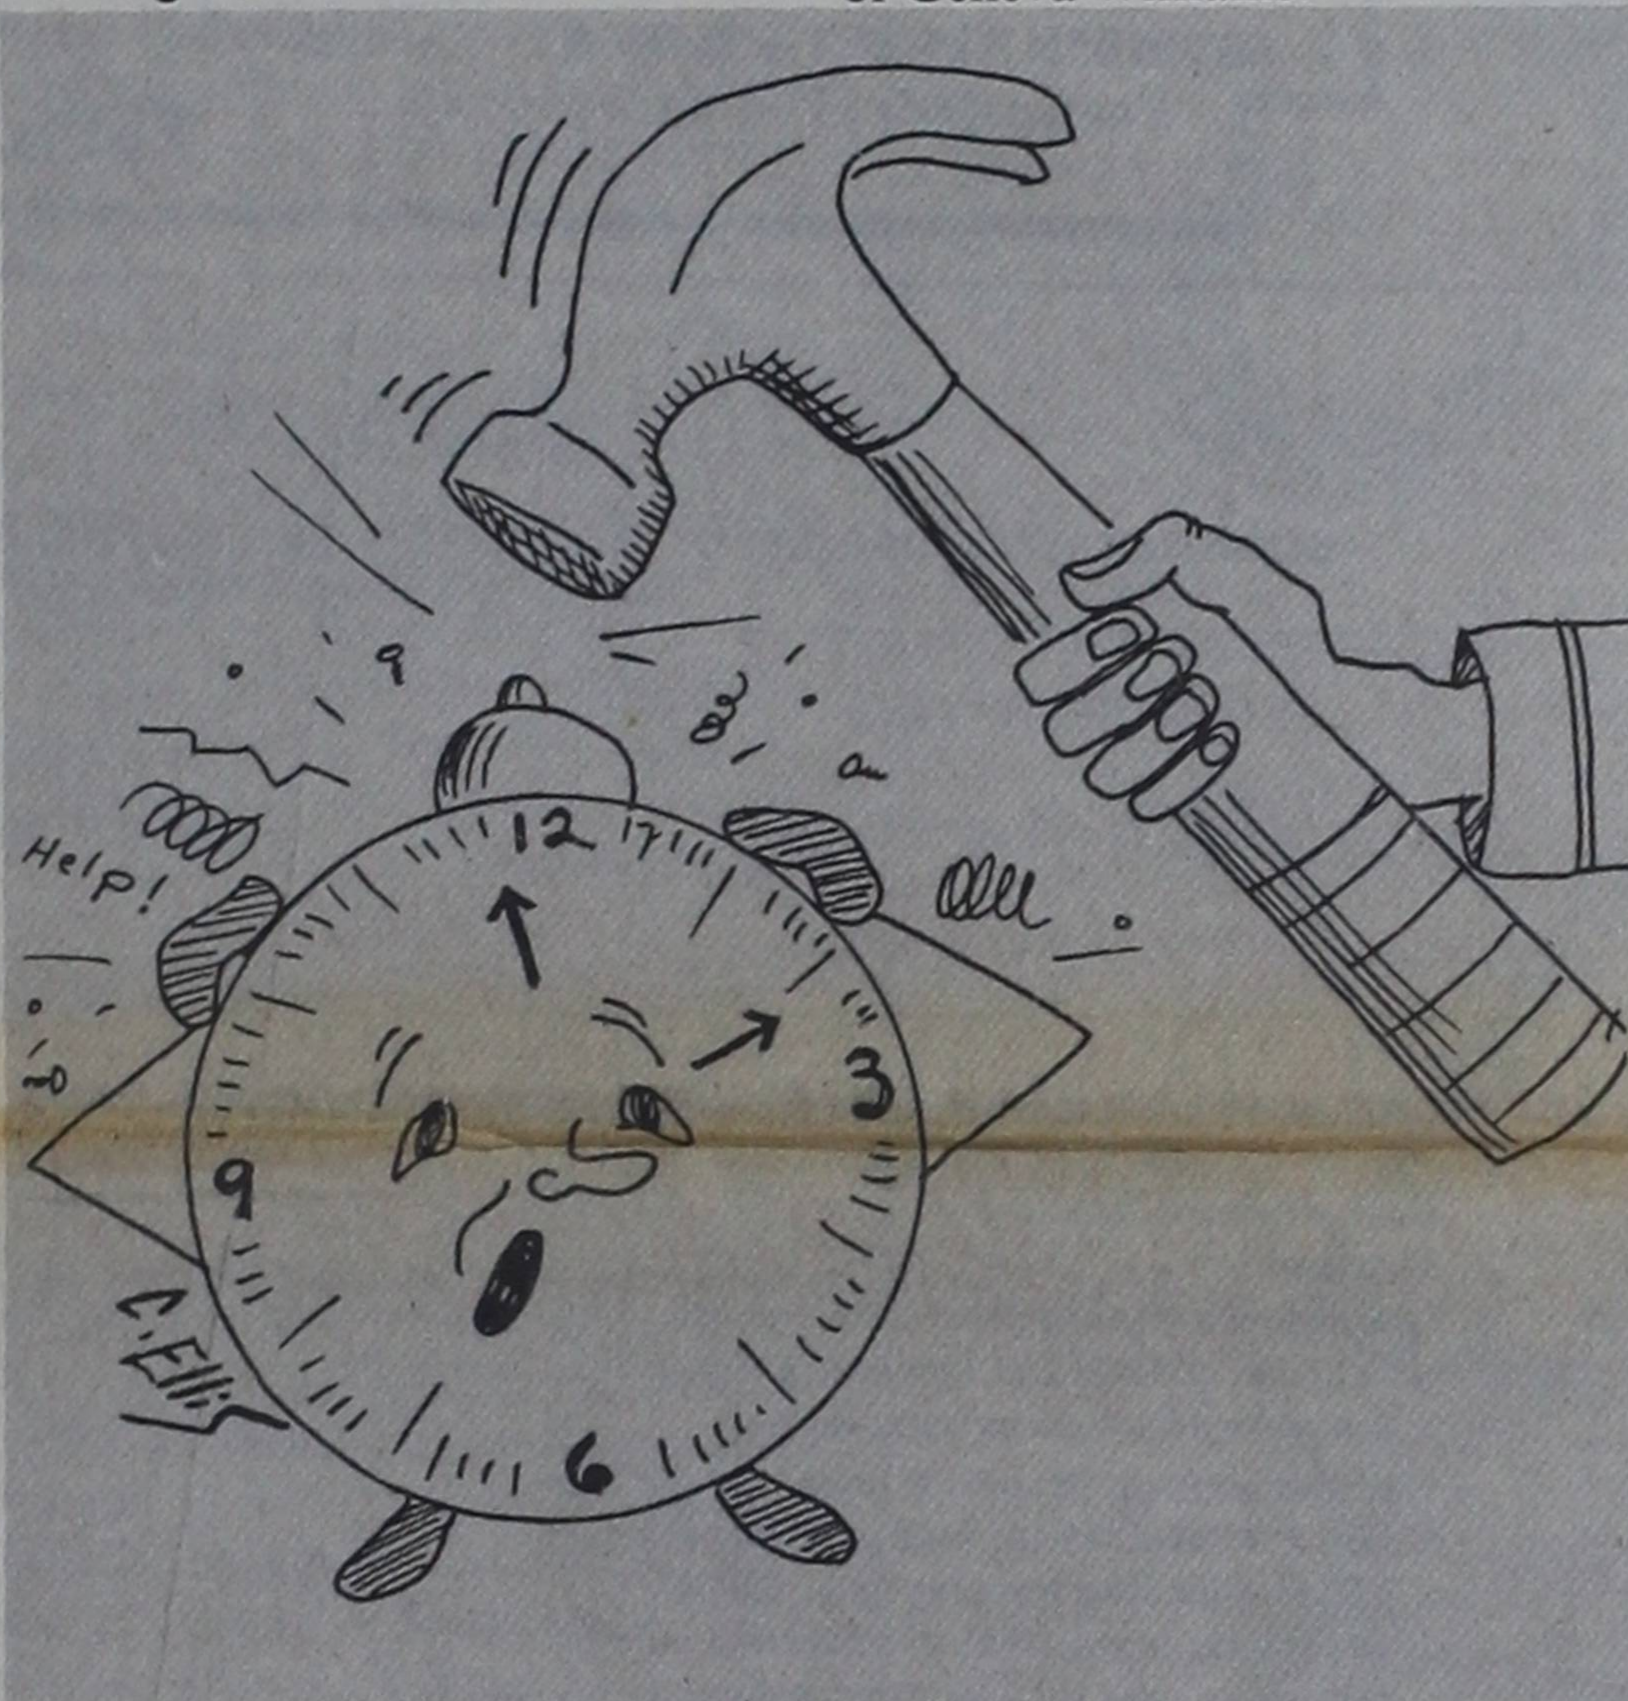

"Taxes may have to be increased even more by the county if inflation causes increased costs. And while the state is taking more

of historical county revenue, legislators are devising ways to have the county take on more and more responsibility that normally would be handled by the state. The more responsibility they give us, the more property taxpayers have to pay."

"What this means," the judge said, "is that the federal government is passing costs to the state, the state is passing costs to the counties and they are both telling everyone that they aren't raising taxes. They're not. Local government has to do it for them."

During this legislative session, for the good of everybody concerned, we need to keep a close eye on bills coming up for vote. If we find a bill that we are particularly in favor of or definitely against, it behooves each of us to call our state representative or senator and tell him our feelings: State Senator Bill Sarpalius, District 31 (512) 475-3222 or State Representative James E. "Pete" Laney, District 85, (512) 475-5671.

For more information, call Porter Roberts, County Judge, (806) 481-3383.

Morris Discusses Opportunity Plan

Milton E. "Buff" Morris of Canyon, the originator of the Opportunity Plan, a system which was devised to make loans to deserving students who might not otherwise attend college, was the featured speaker at the meeting of the Friona Noon Lions last Thursday.

The Opportunity Plan was started in 1963, on a "shoestring," according to Morris, and now is worth in the neighborhood of \$2.5 million.

Morris, who started his teaching career in Friona, and also served as football coach while here, tries to champion "the average guy." He said that he was an average student while in school.

"The scholars don't have any trouble getting scholarships if they need them, but there just wasn't anything for the average individual," Morris said.

Morris started the student loan program while he was serving as Director of Financial Aid for West Texas State University. It was set up where students could attend any school of their choice, not just WTSU. Morris has been taken to task by some of the administrators at WTSU because of the "college of their choice" provision, but he defended that aspect so adamantly that he resigned his post with the university.

Friona was one of the early participating communities by forming a chapter of Opportunity Plan, Inc. Baker Duggins was in the forefront when the local chapter was formed. Then, in 1970, a second local chapter was formed, the R.B. Miller chapter.

The students helped by the Opportunity Plan can defer repaying the loan until they are out of college and have a steady job. Morris points out that the amount

of money not collected is amazingly low.

(Following the meeting, Morris divulged figures which showed that since its inception, the Opportunity Plan has helped 54 students from Friona. A total of \$46,000 has been loaned out, of which all but about \$1200 has been paid back.)

"We're looking for kids who are honest, have integrity, ambition, and who are interested in their future," Morris said.

Accompanying Morris to the meeting was his daughter, Cathy Wright, who is the executive vice president of Opportunity Plan, Inc., and works full time for the program.

In attendance at the meeting were Mr. and Mrs. Charles Allen. Mrs. Allen is the mother of the late R.B. Miller, for whose memory one of the local chapters was originated.

All-Sports Event Set

The Friona Chieftain and Squaws' all-sports banquet will be held Saturday, April 27 at the Community Center, beginning at 7:30 p.m.

The banquet will be catered by Fins and Hens of Lubbock.

Park Assn. Sets Annual Meeting

The Friona Memorial Park Cemetery Association will have its annual meeting Thursday, May 2, at 8:30 p.m. in the Community Room of Friona State Bank.

All interested persons are invited to attend this annual meeting.

Lions Set Broom Sale On Monday

The annual mop and broom sale, sponsored by the Friona Evening Lions and Noon Lions Clubs, will be conducted here Monday, April 29.

Residents are reminded that the club members no longer make a house-to-house canvass, but will be set up at a central location to serve the public's needs.

Those wishing to support the sale may make their purchases at the City Park, between the hours of 8 a.m. and 8 p.m.

Booths are also expected to be operated on the parking lots of D.L.'s Thriftway and Bi-Wize Drug during the day.

Telephone orders will be accepted, for delivery for those unable to come to one of the locations. Call the Chamber of Commerce office, 247-3491, between the hours of 9 a.m. and 4 p.m.

The two local service clubs receive a percentage of the gross sales, which they use for various charitable projects.

Items available will be similar to what the clubs have offered in the past, and many of the items are made by the "Lighthouse for the Blind" organization.

Among the items which can be purchased are brooms, push brooms, whisk brooms, mops, poly sweeps, handles, brushes, Scrubeez, mitts, dust cloths, ironing board covers and pad sets, dish towels, lawn rakes, pot holders, utility sponges, wax applicators, mop and broom handles and refills.

TEXAS SIZE....All of the windy days in recent weeks has caused the area's tumbleweeds to change locations. A prize specimen was captured on Main Street. Kathy Beard and her children, Rebecca and Jared pose with the jumbo weed in front of the Chamber office. Star columnist June Floyd was reportedly standing behind the weed, although she can't be seen at all.

SPRING IS A TIME of year that turns out to be "good news, bad news" for a lot of folks, like ye editor.

Lynn Brisendine, who we came to know when he was associated with the Hereford *Brand*, penned the following recently, in his column in the Brownfield *News*.

I think you'll agree that Lynn has it down about right:

"I have always enjoyed the emergence of new life and the greening up of the country side, the warmer weather is much to my liking as well.

The problem, I have to look at the new wonders through red and bleary eyes while breathing through a handkerchief. Spring is murder on a person who is allergic to nearly everything in existence.

This brings up one of the more hated tasks in my life--scalping the yard.

We are led to believe that after the first frost of the winter season, and once the burmuda grass has turned its dead looking brown for the season, it has gone completely dormant and grows no more. It sure looks like it has not grown, that is until you crank up the old lawnmower and begin the task.

That stuff has grown.

It grows funny though, it seems to compact itself, sort of a camouflage technique that sneaks up on allergy sufferers and tries to kill them every Spring.

It not only has grown a ton of grass but it has collected two tons of dirt and sand to the yard. This is another problem that causes near fatal attacks of allergy.

I have a theory about where the mountains came from. Geologists tell us that they are the result of cataclysmic subterranean volcanic eruptions several millions years ago.

My theory is they are the front yards of some ancient pioneers who grew bermuda grass. They just did not fool around with scalping it at various seasons during the year. This led to each yard building up over the years until they were trapping all kinds of debris including boulders and sort of took on a life all of their own.

Bermuda grass was put on earth to keep us humble. You see it never does anything you want it to and always seems to do what it wants.

You can fertilize it, water it, mow it and baby it and it will sort of lay there and seem to struggle along. Let it get within jumping distance of a crack in the sidewalk or close to a flower bed and watch out it starts growing like crazy, and always seems to be the greenest grass anywhere around."

Polygamy is having more wives than you need. Monogamy is the same thing.

Fund Is Begun For Ill Youth

A trust fund has been established for Sandra Cruz, eight year old daughter of Mr. and Mrs. Jaime Cruz, at Friona State Bank.

Sandra is being treated for acute leukemia and has to make daily trips to Lubbock for treatments. Her father has some group medical insurance at EXCEL, where he is employed, but this does not include travel to and from the hospital for treatment, and on a daily basis, this is quite expensive.

Donations were received in January from individuals and proceeds from a dance to benefit Sandra, but these funds are nearly depleted.

Donations may be deposited to the Sandra Cruz Love Fund at Friona State Bank, or by contacting Rachel Estrada, 247-2860 or Jo Blackwell at Prairie Acres Nursing Home.

Friona Flashbacks

....from the files of The Friona Star

55 YEARS AGO--APRIL 11, 1930
A deal was completed last week whereby E.V. Rushing transferred his grocery and dry goods store on Main Street to R.F. Fleet, until recently of Ada, Oklahoma. This is the store originally established by J.G. Weir, now of Hereford, Mr. Weir selling to a Mr. Warren, who in turn sold to Mr. Rushing.

50 YEARS AGO--APRIL 12, 1935
Winners in the County Meet held in Friona last week for high school literary events were: Friona, first with 84 points; Oklahoma Lane, second, 49 points, followed by Bovina, Farwell and Lazbuddie. In the track events, Friona won in Class A. Oklahoma Lane won the Class B division, followed by Lazbuddie, Bovina and Farwell. Rhea was the winner in rural school division with Lakeview second in literary, and Jesko second in track.

45 YEARS AGO--APRIL 12, 1940
There is considerable agitation in Friona asking the city commission to make laws prohibiting chickens from running at large in Friona; also to make regulations governing the cleanliness of houses and lots in which chickens and livestock are kept.
Handbills are out announcing the formal opening of the Haile Hardware for Saturday, April 13.

40 YEARS AGO--APRIL 13, 1945
President Roosevelt died shortly after 1 o'clock Thursday afternoon, according to radio broadcasts. He died at Warm Springs, Georgia. Early details were brief and no immediate comments were made by military authorities. Elected in 1932, Mr. Roosevelt has since served this country continuously as president. He will be succeeded by Vice President Truman.

35 YEARS AGO--APRIL 7, 1950
Is it a bird? Is it a flying saucer? No, it is Ray Landrum's answer to the gasoline tax. Establishing a first for the Panhandle and

probably the nation, Landrum sailed (yes, sailed) his gasless motorless "Windmobile" ahead of Thursday's not-so-gentle breezes down Highway 60, right through Canyon, up the Amarillo hill and finally lighting and hitching just south of Amarillo--a motorless trip of some 72 miles at a speed drawing gasps and odd looks from the morning's travelers along Route 60.

30 YEARS AGO--APRIL 8, 1955
Modern farming methods in Parmer County, with the self-guiding tractor, scientific fertilization of the soil, crop dusting via plane and helicopter, etc., were joined this week by another modern practice--the extensive use of ladybugs in dealing with the greenbug problem on young wheat. G.H. Whitaker, Woodrow Whittaker and Frank Zinzer are the pioneers in the project, distributing some 21 gallons of ladybugs over some 500 acres.

25 YEARS AGO--APRIL 7, 1960
Incumbents won their seats back in both the city and school elections last Saturday and Tuesday. D.C. Herring, up for re-election was returned to the school board of trustees of the Friona Independent School District, and W.M. Massie was also elected. In the city race, Mayor R.L. Fleming unopposed, was re-elected, and aldermen Glenn Reeve Sr. and Eddie Meil were elected for another term.

20 YEARS AGO--APRIL 8, 1965
The Friona City Council officially annexed 24.03 acres of school property at the new high school building site, and agreed to enter into contract with the school for paving adjacent to the property at its regular monthly meeting.

10 YEARS AGO--APRIL 13, 1975
Open House for Parmer County Implement's new home on West Highway 60 has been announced for Thursday, April 17 by company officials. Attending a

special ribbon-cutting ceremony will be J. Patrick Kaine of Chicago, president of the Agricultural Division of International Harvester Company.

A record crowd of around 1100 people attended the "Teacher Appreciation" program in Friona Monday night, which featured Art Linkletter as principal speaker. It was the largest crowd to date for a function in the new Showbarn-Community Center, and the program was very well received by all attending.

5 YEARS AGO--APRIL 20, 1980
A John R. Cook Appreciation Dinner will be held Saturday, May 10 at 8 p.m. at the Friona Community Center. Cook, a teacher, coach and principal in the Friona school system for the past 30 years, has announced that he will retire from his school position at the end of the 1979-80 term.

Four members of the FHS contest play received all-star honors at the UIL Area I Contest last Saturday at Plainview. They are Mark Blankenship, Christy Bengé, Andy Fleming and Sharla Duggins.

'Business Of Year' Award Goes To SPS

Gov. Mark White presented Southwestern Public Service Company an award symbolic of "business of the year" in Texas this week.

At a special luncheon in Austin, White presented SPS Chairman and Chief Executive Officer Berl M. Springer with the Texas Association of Business (TAB) Ed C. Burris Award.

The award is presented annually to one company that exemplifies the best in Texas business and industry, said Bob Myers of Fort Worth, Chairman of the TAB committee that made the selection.

SPS's efficiency in operations, power plant construction, fuel management and other areas that directly benefit electric customers played a major role in its selection, Myers said.

Among the many SPS accomplishments noted by the selection committee were:

--This summer the company will complete its fifth coal-fired generating unit on schedule, within budget--and at a cost about one-half the average for similar power plants throughout the nation. SPS is one of the few electrical utilities in the United States that design and supervise construction of their own power plants.

--SPS was a leader in the utility industry in the early 1970s when it made the decision to meet increasing demand for electricity in its service area with coal-fired power plants. That decision has paid off for SPS customers. Last year alone, fuel costs for its customers were \$157 million lower than if the company had to rely

solely on natural gas as a boiler fuel.

--SPS is working hard to keep down all fuel costs, including costs of coal. After extensive negotiations completed last year with the Burlington Northern and Santa Fe Railroads, SPS renegotiated its coal-haul contracts. The new contracts will save consumers \$27 million in fuel costs this year--and \$790 million over the next 17 years.

--In a further effort to keep down costs in the future, SPS is constructing a test facility near Amarillo that will examine the feasibility of a coal slurry pipeline using liquified carbon dioxide in place of water to transport coal.

If feasible, such a pipeline would be built from northeastern New Mexico to a proposed SPS power plant near Lubbock. It would be the first of its kind in the world. It would conserve previous water and perhaps be a source of carbon dioxide (CO2) for Texas' oil industry. CO2 is used to extend the life and increase productivity of oil wells through territory recovery.

--SPS also has led the development of historic interconnections between the Eastern and Western Electrical Grids of the United States, with two connections that began operation last year. These interconnections have made practical several opportunities for utilities in different halves of the nation to share power, for the benefit of the customers.

--As a participant in the energy conservation programs of the Governor's office and the Public Utility Commission, SPS is making its customers more aware of ways to use energy wisely.

--The company's air-quality control efforts, including the use of low-sulfur western coal at its coal-fired power plants, help protect the environment.

--SPS has developed many safety programs to remind the public about the dangers of carelessness around electricity, and also has an impressive record of employee safety.

--In SPS's "Partners on Patrol," meter readers and other employees who work outdoors are trained by local law enforcement agencies to watch for crime, fires and other problems in neighborhoods where they are working.

--Also recognized were the individual efforts of SPS employees in United Way and other community programs.

Southwestern Public Service Company primarily provides electric service to a population of more than one million in a 52,000-square-mile area of the Panhandle and south plains of Texas, eastern and southeastern New Mexico, the Oklahoma Panhandle and southwestern Kansas.

Runners Invited To 10-K Event

Area runners, joggers, and walkers are encouraged to participate in the National 10-K Run to be held in Clovis on Saturday, May 18. The 6.2 mile event will start and finish at the ENMU-Clovis campus beginning at 8 a.m. (M.S.T.).

The National 10-K Run is an effort by the National Association for Sport and Physical Education to promote physical fitness throughout the country. Similar runs will be held across the nation during the month of May, including ten run sites in New Mexico.

For more information contact Joe Ortiz at (505) 769-2811 or pick up an entry form at one of the following locations: ENMU-Clovis campus, YMCA, Durham & Kinyon, The Fitness Center, Taco Box, or from Tammy Willard in Bovina.

LEGAL NOTICE

The City of Friona, Texas will hold
a public hearing at 7:30 p.m., on
Monday, May 6, 1985, in the
Council Room of the Friona City
Hall in regard to the submission of
an application to the Texas
Department of Community
Affairs (TDCA) for a Texas
Community Development
Program grant.
The purpose of this meeting is to
allow citizens an opportunity to
comment on the City of Friona's
proposed application.
This meeting will provide citizens
an opportunity to participate in the
development of the application.
The final application will be
submitted to the Texas
Department of Community
Affairs by June 14, 1985.

DELEGATES NAMED.... Melanie Gallman, left, and DeeDee Davila have been chosen delegate and alternate, respectively, for the 1985 Girls State Convention from Friona. They are sponsored by the local American Legion Auxiliary.

BOYS' DELEGATE.... Roy Flores, right, is the FHS delegate to Boys' State for 1985, and his brother, Danny, is the alternate. The boys check the state map to find the mileage from Friona to Austin, site of the convention.

PRIZE WINNERS.... The winners in the door prize drawing at Eclectic Ideas' grand opening promotion are shown with the store owners. From the back, left, are Carmen Rape, co-owner, Veca White (merchandise), Louise Widner (merchandise), Wyona Clark (aerobics) and Sylvia Ingram, co-owner. Seated are Daphne Cunningham, set of hangers, Karene Bass, blanket, and Carol Ellis, aerobics.

GSPA Sponsoring Yield Competition

The National Grain Sorghum Producers Association (GSPA) will sponsor the first nationwide sorghum yield contest this year, with top winners receiving a trip abroad. "The contest will focus on yield and management," said Elbert Harp, executive director of the National GSPA, "and will help us gather information on the most efficient and cost-effective ways to grow sorghum."

"We feel this is important because of a trend indicated by recent USDA figures. The cost of sorghum production is up as much as 50 cents a bushel over production costs for corn. If this trend continues, sorghum farmers will find it harder to remain competitive. By sponsoring the contest, the National GSPA will be able to study production techniques and find improvements," said Harp.

"In addition, the information farmers will provide during the contest, such as type of fertilizer used, will help us establish other regional, state and national trends that might affect the market for sorghum."

Contest awards will be made on three levels—county, state and national. The top winners in each class on the national level will receive a trophy and a trip to a foreign market country. On the state level, plaques will be awarded to the top three winners in each class. The first place winner in each class on the county level will receive a certificate.

The contest entry deadline is 30 days prior to harvest of the contest plot and harvest reports are due by December 1. Applications and rule books are available through the National GSPA, members of the state Grain Sorghum Producers Association, and supporting seed and agricultural chemical companies.

"Some of the manufacturers supporting the contest, such as Stauffer Seeds, are offering cash awards," said Harp. "These awards vary with each company and are designed to stimulate interest in this very first National Grain Sorghum Yield and Management Contest."

All contest entrants will be scored in relation to their county's established average yield. According to Harp, all calculations will be done by computer in the National GSPA office in Abernathy, Texas. The National GSPA will also keep all records on the contest and provide computer printouts of production data to contestants, county agents, university researchers and others.

"We want to promote the profitable production and the consumption of sorghum," said Harp. Through this contest, we believe we can increase interest in sorghum growing and use."

WTSU Sets Teacher Job Fair

Good jobs in the teaching field are frequently hard to find. But West Texas State University's placement service is trying to make it a little easier through their Teacher Job Fair on Tuesday, April 30.

According to placement director Gene Parker, approximately 75 school districts will have representatives set up at tables in the Henson Activities Center ballroom from 2-6 p.m. Interested students or interested individuals from the outside community may bring copies of their resumes to the Job Fair. They may visit with the various representatives and pick up applications. There is no charge for this service.

Child Abuse Prevention Month Set

The month of April has been proclaimed as Child Abuse Prevention Month.

Child abuse and neglect not only cause immediate human pain, but also costs society by preventing our children from adequately reaping the benefits of our education system. These problems also contribute to problems of crime and incarceration, by causing victims to lack the self-esteem they need to succeed and fully function as adults and by perpetuating themselves from one generation to another.

To report child abuse, contact your local Department of Human Resources in Hereford. Their number is 806-364-6841, or call the 24-hour Child Abuse Hotline, 1-800-252-5400.

MELISSA PARRISH and TONY LAFUENTE... Mr. and Mrs. David Parrish of New Deal, Texas announce the engagement and approaching marriage of their daughter, Melissa, to Tony Lafuente, son of Mr. and Mrs. Alfredo Lafuente of Friona. The wedding is set for Saturday, June 8 at the First Baptist Church of New Deal. The bride-elect is a senior at New Deal High School. The prospective bridegroom is a graduate of Friona High School and is presently employed by Bell Dairy in Lubbock.

Chieftain Trio Advances In Track

The Friona Chieftains qualified for the regional track and field meet in three events, including a school record performance by hurdler Ben Neelley, at the district meet last Saturday in Floydada.

Neelley, quarter-miler John Aguirre, and pole vaulter Sam Montoya all advanced to the regional meet. Vaulter Rod Britting missed out on advancing by having one too many misses in his event, and the Chiefs' two relay teams were one place away from advancing.

Neelley chipped off a 14.8 clocking in the 110-meter high hurdles, beating the school record shared by Chitto Caballero and Mike Neill, a pair of premier hurdlers at FHS.

Aguirre won the 400-meter dash with a time of 50.1, not quite his best time, but good enough to beat Muleshoe's Mark Moton, his chief rival in district, by almost a full second.

Montoya and Britting each cleared 12 feet in the pole vault. Montoya earned second place on fewer misses, with Britting having to settle for fourth.

The 400-meter relay team missed out on a trip to regional by three-tenths of a second. The foursome (Lonnie Phillips, Daniel Echols, Neelley and Aguirre), ran a 44.3. Tulia was second at 43.98.

The 1600-meter relay team (Echols, Neelley, Peter Malouf and Aguirre) clocked a 3:32.6, their best time of the season, but were edged by about a second by second-place Muleshoe.

High jumper Shy Burney cleared six feet, two inches, which would have qualified for regional most years, but only got him a sixth place this year.

(School record holder: Daniel Gowens, who cleared 6-4 in the event last season, has been unable to compete this spring due to recovering from knee surgery.)

Jeff Chaney placed fifth in the discus at 129 feet, and Matt Osborn was sixth at 120 feet.

Darron Nash, a sophomore on the youth-laden team, placed sixth in the hurdle event won by Neelley.

Another sophomore, Peter Malouf, was sixth in the 300-meter intermediate hurdles with a time of 44.1.

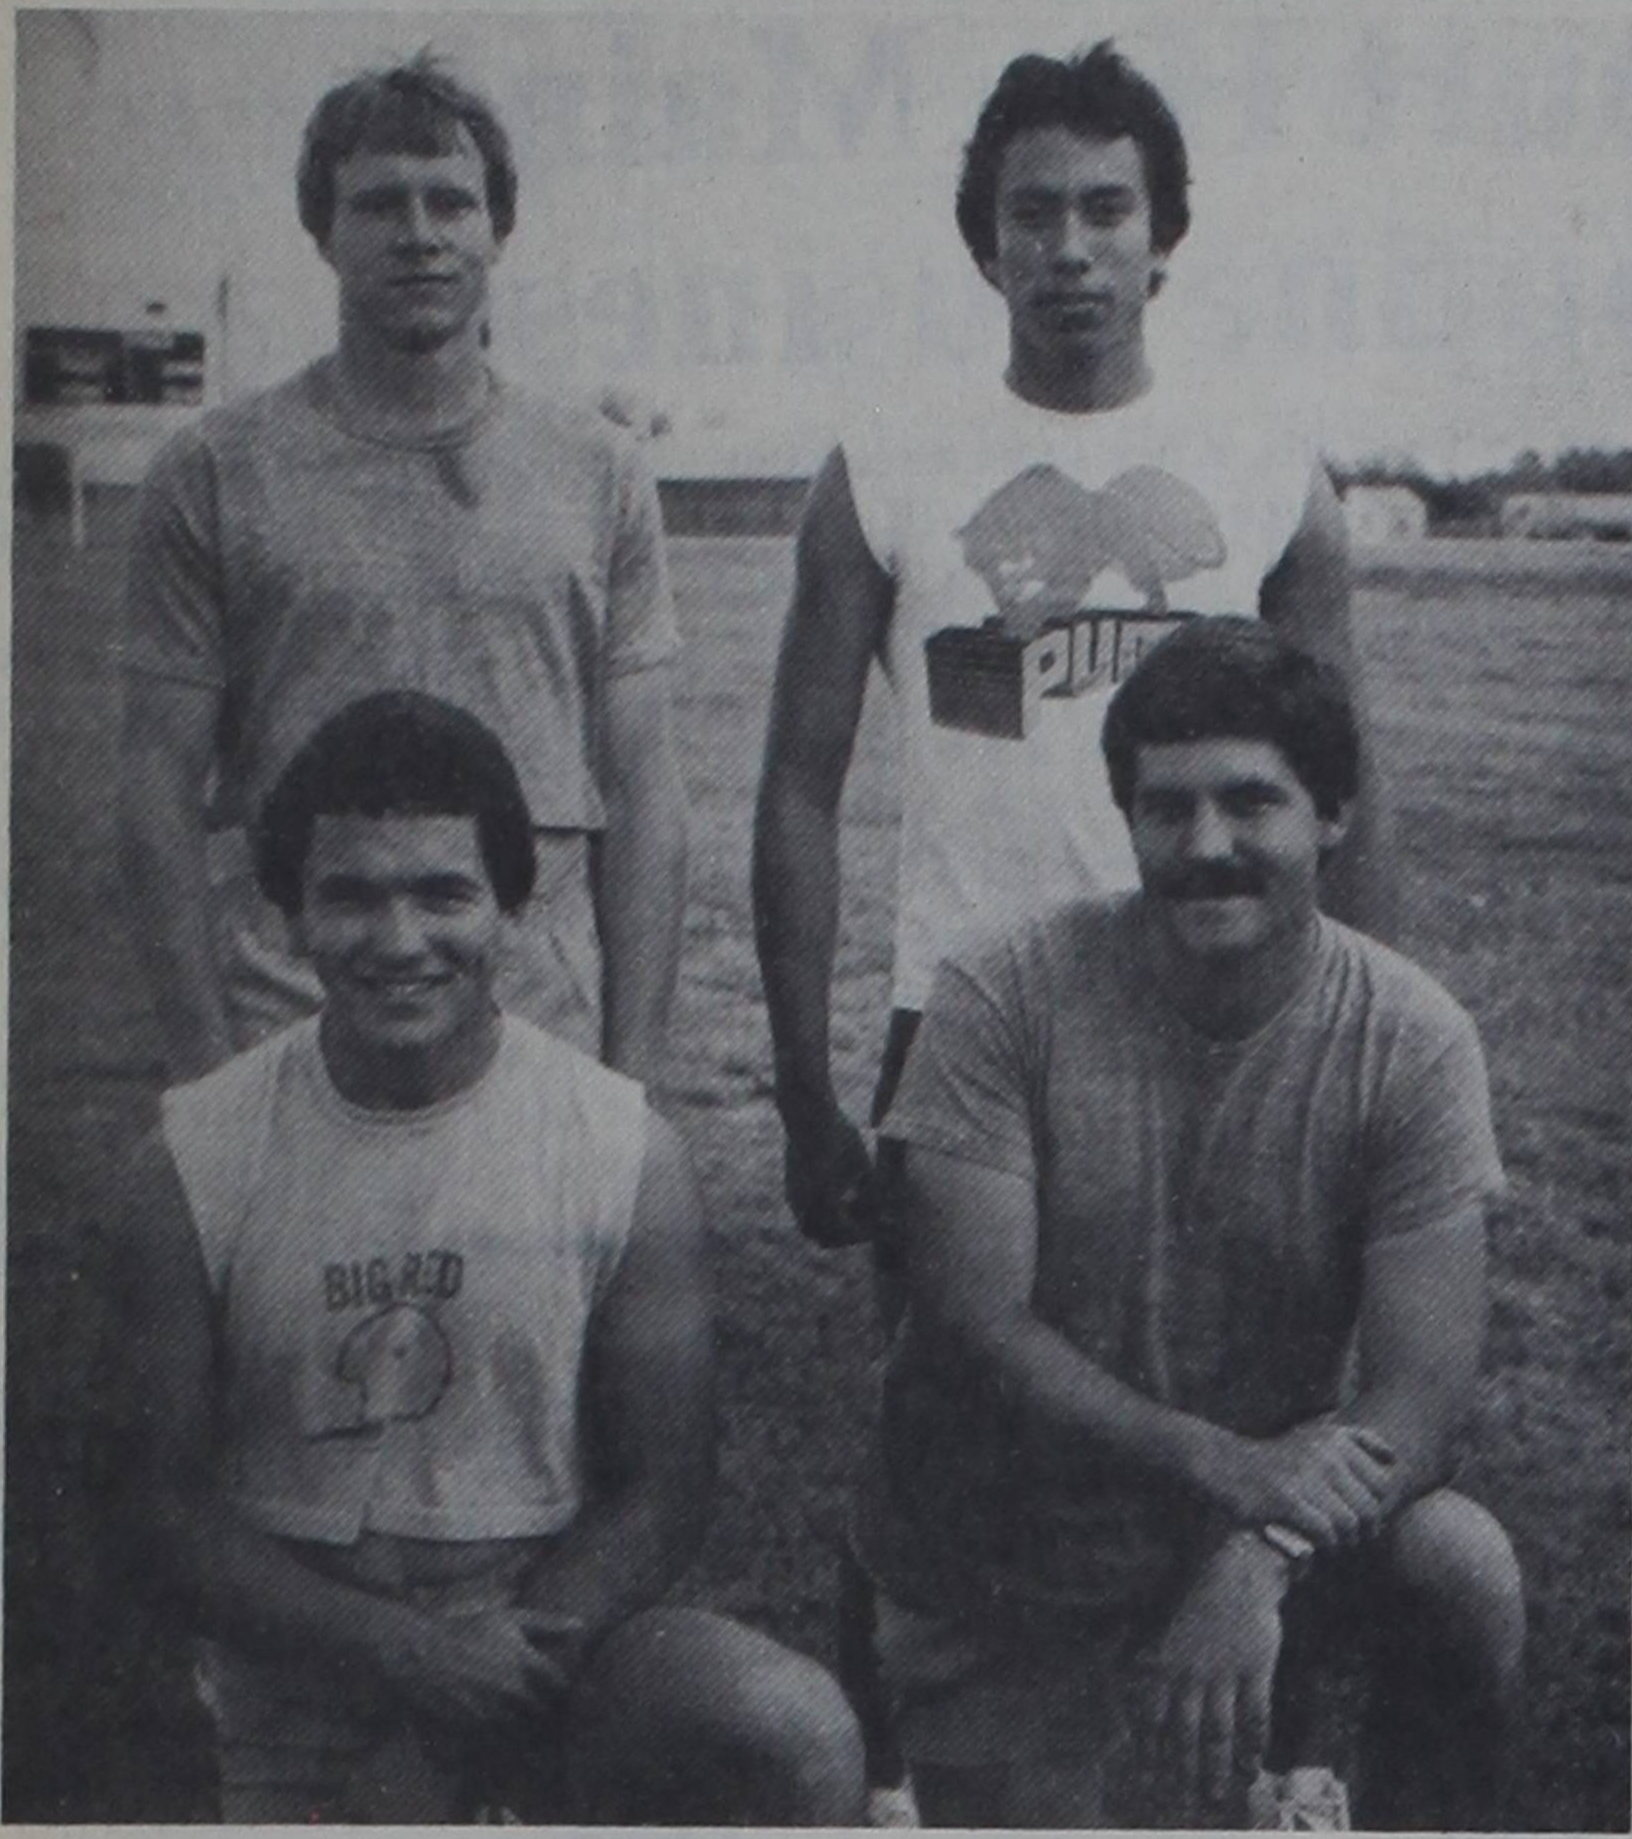

Echols, another sophomore, qualified for the finals in the 200-meter dash, coming in seventh in the event.

As a team, the Chiefs placed fourth with 65 points.

"To have lost so many to graduation and injuries, I thought this group of guys came a long way, and these three who advanced still have a chance at further accomplishments," said coach Steve Williams.

The Chiefs will enter the regional qualifiers' meet at Lubbock Roosevelt Saturday. Williams said the sprint relay team, although alternate to regional, also would compete.

Regional is May 3-4 in Odessa.

QUALIFIERS....FHS boys track coach Steve Williams (kneeling, right) is shown with a trio of tracksters who have qualified for the regional meet next week. In the back are Ben Neelley (left), who set a new school record winning the high hurdles, and John Aguirre, winner of the 400-meters. Sam Montoya, left, qualified in the pole vault.

Relay Team, Layce Regional Qualifiers

The Friona Squaws qualified their 1600-meter relay team and 800-meter runner Layce Osborn for the regional meet, in the District 2-AAA meet held last Saturday at Floydada.

JV Boys 4th In District

A first-place performance by pole vaulter Albert Trevino, plus a gaggle of seconds (by Stephen Thornton, twice, Lance Gatlin, and Glen Trimmell), paced the junior varsity Chiefs in their district meet last Saturday.

As a team, the Chieftain JVs scored 83 points, and placed fourth overall.

Trevino won his event, clearing 11 feet, and Julian Mendoza was third at 10-6.

Thornton was second in the high jump at 5-6, and also in the intermediate hurdles with a time of 45.9.

Gatlin was second in the high hurdles with a 17.0 clocking, and Trimmell was second in the 400-meter run at 56.1.

Rusty Rainey was fifth in the shot put with a toss of 38-9; and Daniel Padilla was third in the discus at 119-0.

The 400-meter relay team: Gatlin, Albert Trevino, Thornton and Trimmell, placed fourth with a time of 48.2.

Tracey Talley was third in the running of the 800-meter race, at 2:21; and Gatlin was fourth in the intermediate hurdles at 47.7.

The 1600-meter relay team placed fourth at 3:57. Team members were Thornton, Trevino, Julian Mendoza and Trimmell.

Lance Venhaus rounded out the scoring with a sixth place in the 1600-meter run, at 5:30.

The team came within an eyelash of qualifying for the regional meet in four other events, but had to settle for third place in each one.

Sophomore middle-distance star Layce Osborn was the lone first-place winner for the team in the district meet. Miss Osborn, who has one of the area's best times this season in the 800-meter run, won the event with a time of 2:29.25.

The 1600-meter relay team qualified for the regional meet, placing second to Tulia with a time of 4:20.45, their best time of the season. Members of the relay team are sophomores Mika Maddox, Ronda Ratcliff and Layce Osborn and Susan Bailey, a junior.

The team barely missed qualifying for regional in four other events. Kerry Cain threw the shot put 34 feet, 8 1/4 inches, her best mark of the year, but had to settle for third place. Miss Cain likewise placed third in the discus event with a toss of 105 feet, 11 inches.

Ronda Ratcliff was in a three-way tie at four feet, ten inches in the high jump, where second, third and fourth were involved. She took third on the basis of the number of misses she had in the event.

The team's 800-meter relay team was edged out by five-tenths of a second from making the trip to regional. The team (Kelly Wied, Susan Bailey, Ronda Ratcliff and Mika Maddox), ran a 1:52.30, their best time of the season, for third place. Idalou was second in the event with a time of 1:51.76.

Otherwise, Alesia Perkins placed sixth in the 1600-meter run with a time of 6:12.

Friona placed fifth in the team standings with 56 points.

The mile relay team, and Miss Osborn in the 800-meters, will enter a regional qualifiers' meet at Lubbock Roosevelt on Saturday. The regional meet is the following weekend at Odessa.

CONSTRUCTION UNDERWAY... Work is underway on east Highway 60 for a truck wash facility. Hack Corbell is installing a truck wash. Details on completion, etc., will be forthcoming.

SQUAW WINNERS....Friona High School's girls mile relay team qualified for the regional meet, and Layce Osborn qualified in the 800-meter run. Coach Don Herbert is shown with (l-r) Mika Maddox, Ronda Ratcliff, Susan Bailey and Miss Osborn.

Fete Will Focus On Nutrition

A nutrition program will be presented April 30, from 1:30 to 3:30 p.m. at the Friona Public Library in Friona.

Sponsored jointly by Central Plains Counseling Center and the South Plains Health Provider, the program will feature Jean Burton, a licensed dietician. Marlene Hoover, the home-bound teacher for the Friona rural infant education program, will also be at this meeting to answer any questions you might have about the program.

Ms. Burton will focus on proper nutrition for young children beginning with infancy. She will be available to answer related questions.

SIGNS PROCLAMATION....Porter Roberts, Parmer County Judge, is shown signing the Proclamation declaring the week of May 12-19 as Soil Stewardship Week for Parmer County.

Proclamation

WHEREAS, the well-being of our people depends upon the production of ample supplies of food, fiber and other products of the soil; and

WHEREAS, the quality and quantity of these products depend upon the conservation, wise and proper management of the soil and water resources; and

WHEREAS, protection of our surface waters from pollution is dependent upon protection of soils from being blown or washed into those waters;

WHEREAS, conservation districts provide a practical and democratic organization through which landowners are taking the initiative to conserve and make proper use of these resources; and

WHEREAS, the soil conservation movement is celebrating in 1985 its 50th anniversary of carrying forward a program of soil and water conservation in cooperation with numerous agencies and countless individuals:

NOW, THEREFORE, I, in full appreciation of the value of our soil and water resources to the public welfare, and desiring to honor those who protect those resources, do hereby proclaim May 12-19, 1985

Soil Stewardship Week

in the COUNTY of PARMER

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the County of Parmer to be affixed.

Done at the County Courthouse
in the Town of Farwell
of this 24 day of April, the Year of
Our Lord one thousand nine hundred eighty-five.

Attest: *Bonnie Warren* *Porter Roberts*

Court Has Mainly Routine Business

Mostly routine business was on the agenda for the Parmer County Commissioners at their first meeting in April.

Motion was passed to pay the March boarding bills for the foster children in Parmer County, in the amount of \$1,519. This money is reimbursed to Parmer County from the state.

An indigent citizen met with the court asking help in paying his

utility bills. After some discussion, the payment of these bills, in the amounts of \$14.70 and \$17.54 was approved on a one-time only basis.

The county treasurer's quarterly report was approved, with the notation that the report also be published in the county's three newspapers, which has been accomplished.

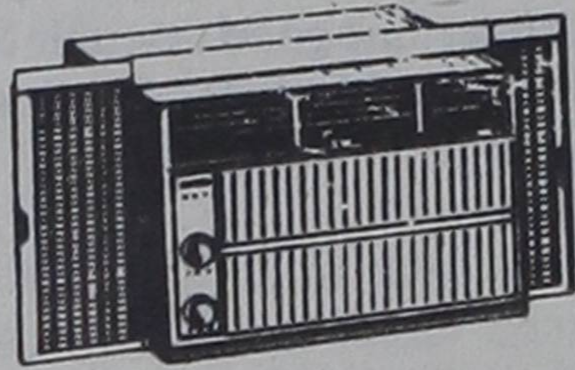

A resolution was passed appointing the Parmer County Tax

Appraisal District to represent the county in the matter of delinquent tax collections.

Soil conservation work was approved for the farms of Larry Hodnett, R.J. Renner, Jr. and Woodrow Finley in Precinct 2, and Jerry Herrington and Gary Foster in Precinct 3. This work is performed by county machinery when the machinery is not needed for other work, and cost of such work is reimbursed the county.

SOLAR POWERED SURGE SYSTEMS

from

P&R SURGE SYSTEMS, INC.

The P&R Valve

Tough — all cast aluminum

Lightweight — from 20 to 65 lbs.

Compact — from 20" to 30" wide

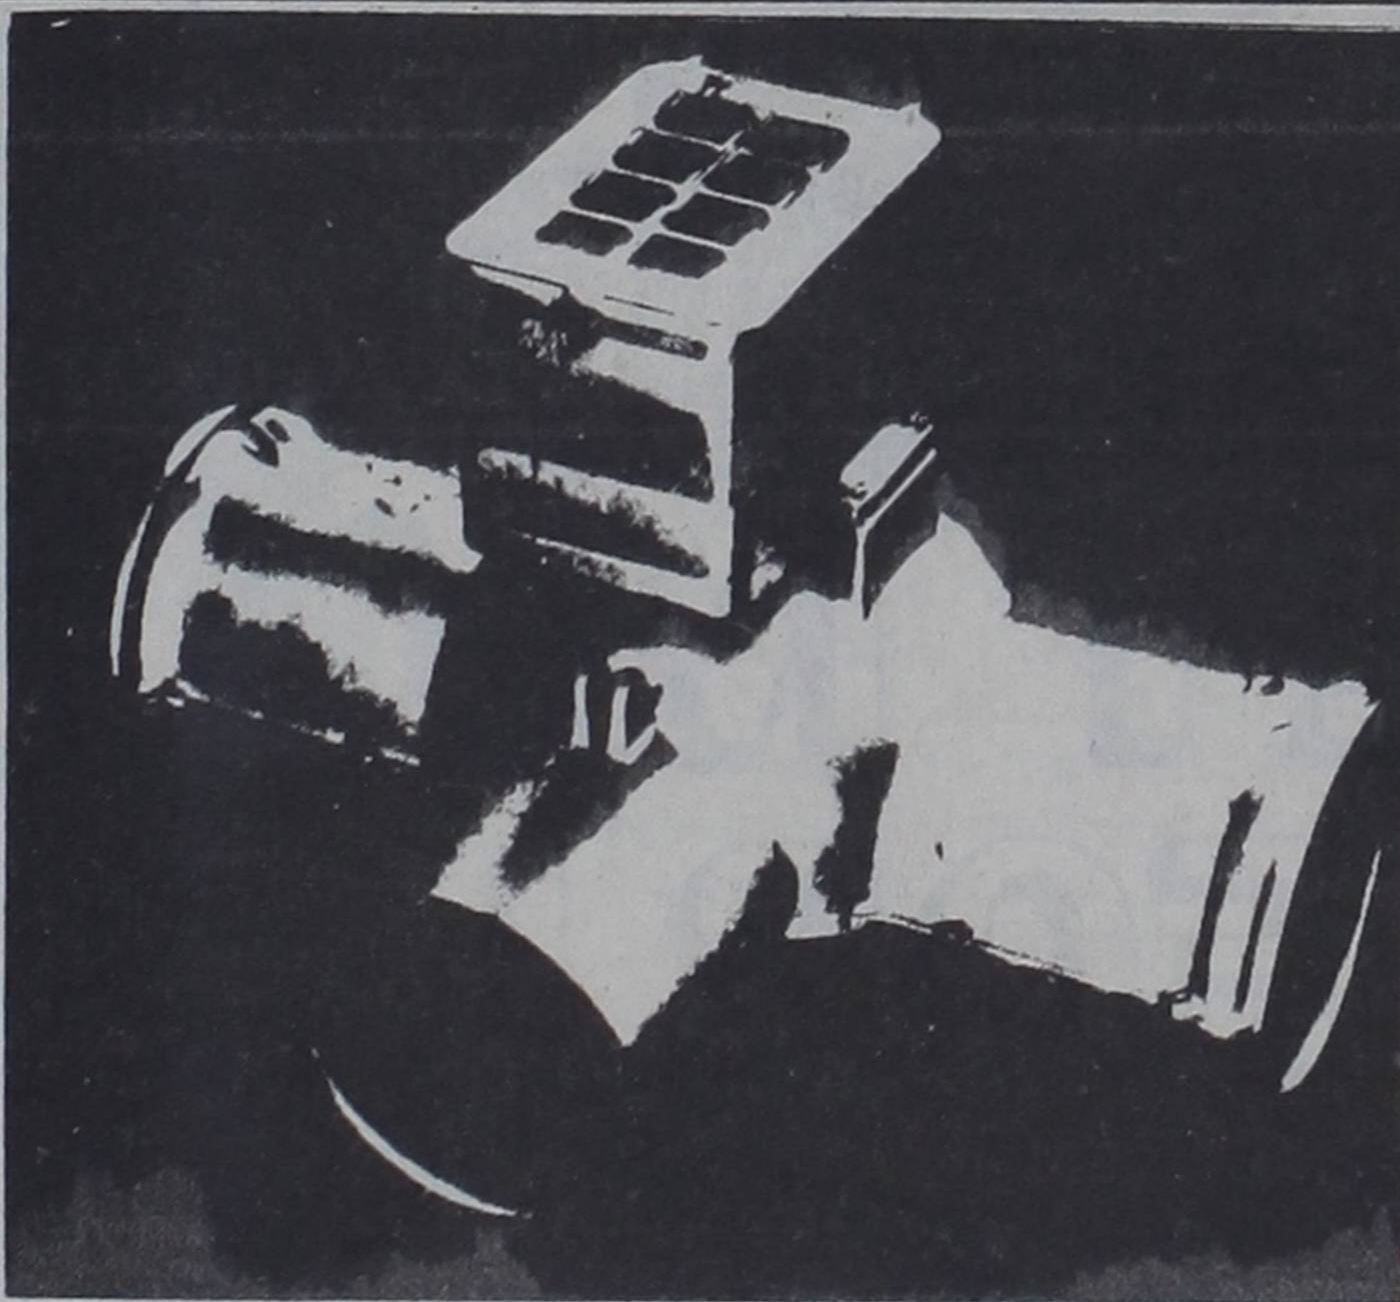

Easy to install — 7" long coupler arms accept all standard gated pipe

Operates efficiently — needs no minimum volume, no line pressure

Changes water smoothly — with no back pressure, no turbulence, no flow restriction, negligible friction loss

Simply constructed — one-piece cast shaft and butterfly flap, with brass bushings, o-rings, rubber seals

Easy Maintenance — stainless hardware, grease fittings, valve halves open for easy servicing

VALVES

Pipe sizes*	4"	6"	7"	8"	10"
Width	20"	24"	28"	28"	30"
Weight	20	30	50	50	55
Capacity	300	700	1200	2000	
Pressure	all units 10 PSI				

*For each size, all pipe ends are the same diameter except the 7" which has an 8" end to the hydrant. Smaller valves have female pipe coupler to hydrant to minimize friction loss.

ADDITIONAL FEATURES

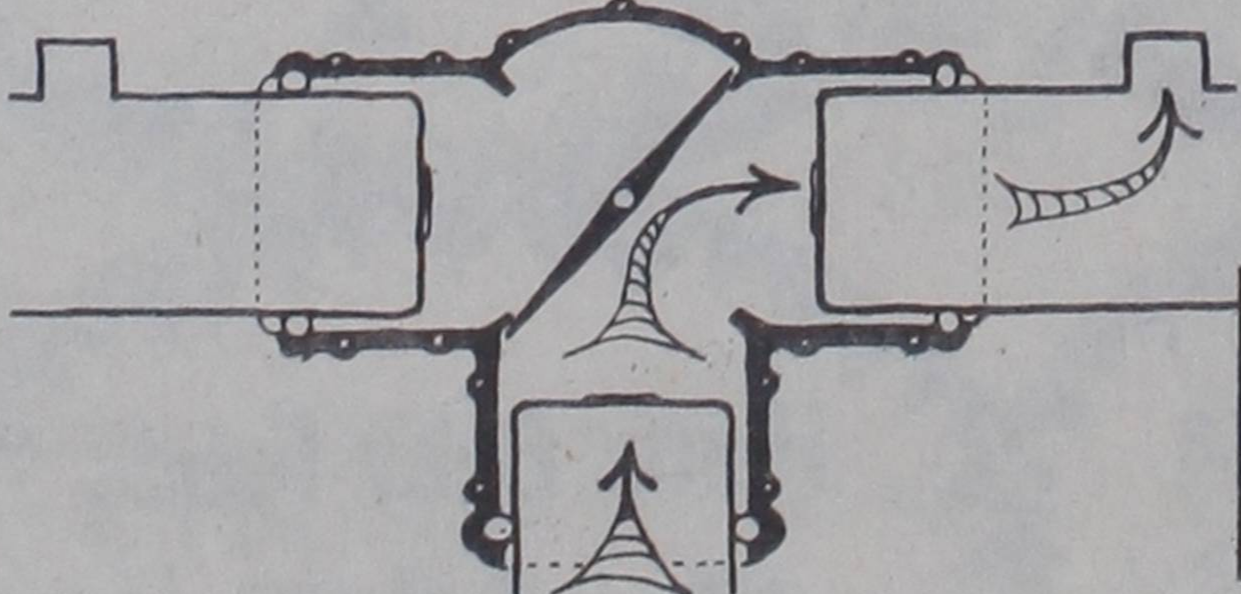

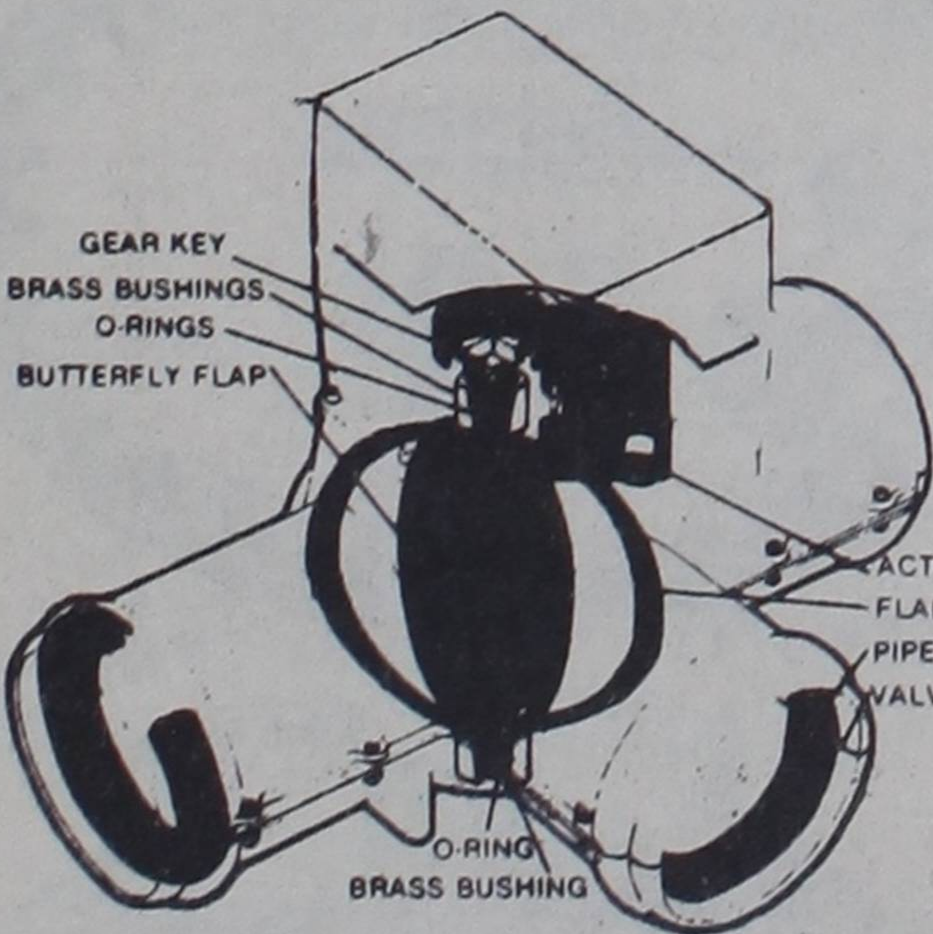

Motor — is a heavy duty, sealed, double-winding worm gear actuator with built-in overload protection. The motor is stall protected both mechanically and electrically. Valve uses no limit switches. Motor torque: up to 115 inch pounds.

Gear — steel, mounted and keyed to the shaft. Gearing ratio varies with valve sizes.

Vacuum relief port provided

Casing drilled to allow stop for splitting water to both sides

Detachable controller—lifts off gear by removing 4 bolts.

**Happy Birthday
April 27th**

SPECIAL RECOGNITION....James Robinson will be posthumously inducted into the Pioneer Section of the National Greyhound Hall of Fame April 27 at Abilene, Kansas. The Robinson family resides at Clay's Corner. His children are continuing the family business.

James Robinson To Be Recognized

A former Lazbuddie resident, James Robinson, will be posthumously inducted into the Pioneer Section of the National Greyhound Hall of Fame on April 27, at Abilene, Kansas. This section "pays tribute to the persons who participated in greyhound racing before 1940 and who have made outstanding contributions in any field or service to the sport."

Robinson resided at Clay's Corner and raised greyhounds for over forty years before his death on December 21, 1984. He raced dogs in Florida for forty years, in Juarez, Mexico since 1963, and in Arkansas, Arizona, Colorado and South Dakota at various times. His racing kennels have maintained a high position on the kennel standings based on wins and money earned throughout the years.

In addition to raising top quality dogs over the years, he also taught

the business to his children and helped get them started in raising and/or racing their own dogs. One daughter, Gayle McElhinny, operates the racing kennel in Florida. Jimmy Robinson has taken over the operation of his father's dog farm at Clay's Corner. Mrs. James Robinson assists Jimmy with the running of the farm. Two other daughters, Vicki Morris and Glenda Jennings, raise greyhounds near Clay's Corner. One other daughter, Sherry Embry, resides in Muleshoe and is Assistant Vice President of the First Bank of Muleshoe.

With his children involved in the business, the bloodlines Robinson started developing over forty years ago will be carried on in the future.

Happy Birthday Friona Folks....

WEEK OF APRIL 27-MAY 3
Friona residents having birthdays next week are:

April 27--Duane Reed, Clint Homfeld, Jim Shelton, Diana Mendoza, David Whatley, Tony Baca, Gena Willard, Tena Willard, George Ryan.

April 28--Naomi Perez, Julie Goddard, Wade Davenport, Lynn Pope.

April 29--Karen Edelson Stewart, Chance Smiley Butman, Kristi Britting, Vincent Koelzer, Bernard Gowens, Wayne Davis.

April 30--Wanda Reeve, Davy Hill, Teresa Ready.

May 1--Jerald Reed, Amanda Sifford, Kayla Smiley, Vickie Copley, Amy Knowles, Gregory Koelzer, Joe A. Walters.

May 2--Skip Sirnic, Larry Drake, Pearl McLean, Sheryl Dement.

May 3--Gene Brito, Angie Gomez, Cathy Spencer.

If you or someone in your family has a birthday coming up soon, call the Friona Star at 247-2211 by Thursday noon and report it.

by David Hutchins

STATE BOTTLED

Do you know what it means when you see the "estate bottled" designation on a bottle of California wine? It indicates that the entire wine-making process took place on property owned or controlled by the winery named on the label. Many California wineries buy grapes from independent growers and then proceed to make wine. An estate-bottled wine, however, has been produced from start to finish, including the growing of the grapes, by the named winery. The quality of the wine, however, cannot be guaranteed merely because the label carries the words "estate bottled." The term is not significant as it is now defined.

Welcome to our weekly column!

THE STORE carries a fantastic selection of domestic and imported wines. If you have never sampled any wines from California you have a real treat in store. Many California wines compete favorably with even some of the finer French wines. We have wines priced to suit every pocketbook. Come by and see us at 400 N. 25 Mile, 364-7802. Open: Mon.-Sat. 10-9, use our drive up door until midnight for beer and wine, on Sun. only beer and wine is available from 12-12.

Melanie Blackwell Weds Mark Montoya

Melanie Dawn Blackwell and Mark Anthony Montoya, both Friona residents, exchanged wedding vows in a candlelight ceremony Saturday, April 13 at 7 p.m.

The ceremony was conducted in the First Baptist Church of Friona by Rev. Daymun White.

The bride is the daughter of Mr. and Mrs. John R. Blackwell of Friona.

The bridegroom is the son of Mr. and Mrs. Phil Montoya of Friona.

Mrs. Anna Mae Thomas, organist, accompanied Rev. Gary Smith of Friona's Congregational Church as he sang "Surround Me With Love," "Just You and I," and "The Lord's Prayer."

The church was decorated with pink carnations.

As the bride was presented in marriage by her father, she was attired in a white satin tea-length gown. Her victorian neckline was decorated with alencon lace on the edges of the band. The bodice was decorated with a flounce of re-embroidered lace and encrusted

Friona 4-H Met April 15

The Friona 4-H Club held their regular monthly meeting April 15 at the Friona Community Center.

A financial report was made on the concession stand the 4-H Club sponsored during the local volleyball tournament April 4-6. Plans were made to purchase the fireworks display for the city's Fourth of July celebration. The remainder of the money will be donated to the Humane Society and to the Friona Public Library.

The idea of adopting the Community Center as one of the club's main projects was presented. The purpose would be to help in the upkeep of the building.

The meeting was adjourned and refreshments were served to those attending.

with pearls. Her waistline was cinched to a point and tied in back in a wide satin bow. The gown featured a full shimmering white satin skirt.

Her headpiece was a wreath holding flowers. Long ribbons of satin fell down her back from her headpiece.

She carried an orchid corsage with pink roses atop the Bible, carried by her mother in her own wedding.

Following bridal tradition, she wore pearls belonging to her grandmother, a garter belonging to her mother and pennies in her shoes minted in the years of their births.

A single pink rose was given to the bride's mother as they entered the church and a pink rose was given to the groom's mother as the couple left the church.

Mrs. Twyla Corbell of Friona served as matron of honor. She carried a single pink rose.

Sam Montoya of Friona served his brother as best man.

Serving as ushers were Denny Cole and Bobby Drake, both of Friona.

Marcia Blackwell, sister of the bride, and Shawn Cole, both of Friona, lit the candles.

The bride's grandparents, Mr. and Mrs. J.W. Blackwell of Amarillo, were special guests.

The reception was held in the home of the bride's parents at 1303 West Eighth, Friona.

Tammi Kelley of Friona presided at the guest registry.

The bride's cake was a gift from Mrs. Mike Pitts of Amarillo and the groom's cake was a gift from Mrs. Bobby Drake of Friona. Piano music at the reception was furnished by Gilrobert Rennels of Muleshoe.

Dierdre Miller of Friona and Kim Hawkins of Amarillo served cake. Coffee and punch were served by Tammi Kelley of Friona.

Others assisting in the houseparty were Mrs. Jean Anthony of Friona, Mrs. Jack

Rennels of Muleshoe, Mrs. Bobby Drake of Friona and Mrs. Mike Pitts of Amarillo.

For a wedding trip to Amarillo, the bride chose a blue and white dress with blue hat and corsage.

Out-of-town guests attending the wedding were Mr. and Mrs. Jack Rennels and sons of Muleshoe; Mr. and Mrs. Trey Ellis and children of Muleshoe; Mr. and Mrs. Mike Pitts and James of Amarillo; Sean Fredricksen and Kim Hawkins of Amarillo; Mr. and Mrs. Larry Combs and Greg of Muleshoe and Frank Ellis of Muleshoe.

The couple will reside in Portales, New Mexico.

The bride will graduate from Friona High School in May and is currently employed by Prairie Acres as assistant in activities. She plans to attend ENMU, Portales, New Mexico during the summer session and major in education.

The bridegroom is currently attending ENMU, Portales, majoring in business with a minor in physical education. He plans to continue studies at ENMU.

Antique Club Meets On Monday

The Friona Antique Club met Monday, April 22 in the home of Raymond and Nola Adams. Seven members answered roll call.

The hostess served "Best-Ever" fried chicken, hot rolls, pickles, macaroni salad, coffee, tea and punch.

Each member brought a salad. The evening was spent visiting.

Present were Elvie and Virginia Jennings, Orma Flippin, Selma Habbinga and Hazel Baxter, and the hosts, Mr. and Mrs. Adams.

The next meeting will be in the home of Mr. and Mrs. Leo Bails in May.

Mr. and Mrs. Mark Montoya

Twelve Frionans Attend State Meet

"Yesterday, Today and Tomorrow" was the theme for the 1985 State Meeting of the Texas Future Homemakers April 12 and 13 in the Albert Thomas Convention Center in Houston. Four thousand, seven hundred and forty members and advisors were present.

Julie Wilshire, state parliamentarian, officiated at the Nominating Committee Meeting on April 12, then participated in the general sessions Friday night and Saturday.

Tom Jarboe, Friona Superintendent, was one of the

guests to become an honorary state member.

Keynote speakers were Dr. Jim Kern of Hurst, Mark Scharenbroich of Minneapolis, Minnesota, Tim Daggett, a 1984 USA member of the gold medal Olympic team and Amanda Blake ("Miss Kitty" in the Gunsmoke series).

Those attending from Friona were Julie Wilshire, Shannel Woodard, Debbie Reeve, Denae Reeve, Tammy Harguess, Amy Smith, Mr. and Mrs. Tom Jarboe, Mr. and Mrs. Bill Wilshire, Gayle Murdock and Valoris Osborn.

FREE PROTECTION: 5 YEAR/36,000 MILE

ON FORD CROWN VICTORIA AND FORD LTD FOR A LIMITED TIME ONLY!

The Ford Extended Service Plan is now FREE* — and provides protection for your new Ford for the first 5 years or 36,000 miles, whichever occurs first. It could be the most valuable option on your new luxury Ford. Because it guarantees that on any covered component **no repair will ever cost you more than \$75.** That's right . . . you pay no parts or labor charges, just a \$75 deductible per eligible repair visit. **Coverage is good at more than 6100 dealerships** across the US and Canada. Should you sell your car, **ESP is transferable.** ESP: it's the best vehicle protection plan available, so you can enjoy hassle-free dealer visits, and peace of mind driving.

And be sure to ask your dealer about ESP PLUS and ESP CARE.

MUST TAKE DELIVERY FROM DEALER STOCK BY MAY 20!

KONIS SHOW.... This painting, "Through Rose-Colored Glasses," a pastel, will be among those featured when Ben Konis holds his 17th annual spring show May 12 in Amarillo. Konis' wife is the former Jinni Landrum of Friona.

Konis Sets Art Show

Painter of the Southwest, Amarillo artist, Ben Konis, will hold his 17th annual Spring Studio Show, "Art In The Garden," on Mother's Day, Sunday, May 12, at 712 West 17th, in Amarillo.

In the past year, Konis has visited the Taos, Acoma, Laguna, Zuni, Navajo and Hopi reservations of New Mexico, Arizona and Utah, as well as the Texas hill country, Wyoming, Colorado, and several regions of Mexico. He also painted in Italy and Greece last summer. His new collection of paintings will reflect his travels, and he will be showing his colorful landscapes and character studies in oil and pastel mediums.

Konis conducts art seminars throughout the Southwest. He will be holding several in New Mexico soon. Cloudcroft and White's City are scheduled for June, and his 16th Carrizo Lodge summer workshops in July and early August.

The exhibition is open from 12 noon until 6 p.m., and the public is invited to attend.

Concert Set In Hereford

Festival of Praise, a touring group made up of adult singers from all walks of life and all parts of the United States and Canada, will be presented Wednesday, May 1, at 7 p.m. at the Community Church, 15th and Whittier, in Hereford.

The program of choral, solo and instrumental music, has been specifically designed to include the entire audience in worship. It includes new gospel songs as well as familiar and traditional hymns.

Festival of Praise, now in its eighth year, has sung in more than 2,000 churches and civic auditorium concerts in the United States and Canada.

The public is invited to attend this concert.

Riding Club Offers Help For Horsemen

The Friona Riding Club wants to remind all youngsters that Lynn Alameda will give help to any young person with their horses.

This program is held each Sunday afternoon throughout the summer at 2 p.m. weather permitting.

He has movies lined up. The first one entitled "When You're Young" will be shown May 25.

The club encourages all youngsters to come to the programs.

VIDEO TAPES.... Late titles, old classics. Something for all age groups. Over 300 titles to choose from. Bill Ellis, 1201 Maple St., Phone 247-3053.

EARLY CHILDHOOD EDUCATION CLINIC MAY 3, 1985

Friona Elementary School Library
9:00 a.m. to 12:00 Noon

The Parmer County Cooperative for Special Education serving the Friona, Bovina, Lazbuddie, and Farwell Independent School Districts, is offering a FREE clinic for children, 3, 4 and 5 years old. This clinic is to identify children who may need early classroom experience because they seem to have problems in:

HEARING, TALKING, SEEING, PLAYING LIKE OTHER CHILDREN, LEARNING ABOUT THEIR WORLD, USING THEIR HANDS (Using scissors, crayons, pencils, etc.)

or who may have a **PHYSICAL HANDICAP**. Certified specialists will be working with children at this clinic which is to be held at the Friona Elementary School Library, May 3, 1985 from 9:00 a.m. to 12:00 noon. If you are concerned about your child's growth and development in any of these areas, bring your child to this clinic. If you need additional information,

Call: Charles Turner
Friona, 247-3315

It's No Mystery!
West Park Drug
(Formerly Winn's Pharmacy)
HEREFORD
is moving to
213 W. Park
Monday, April 29th

David Burns and his staff are moving into their new location at 213 W. Park on Monday, April 29th in order to better serve your prescription and medication needs. They will continue to offer the same courteous and prompt service as in the past, and as an additional courtesy, they will transfer all existing customer prescription files to their new pharmacy.

We will close Saturday at 12 noon in order to make our move.

NEW TECHNICIAN....David Howard, District Technician with the Parmer County Soil and Water Conservation District, is shown with Eldarica seedlings to be used in Christmas tree plantings. Howard, a native of Friona, is a 1981 graduate of Friona High School. He is a member of the Calvary Baptist Church. He enjoys singing and is very civic minded. As a district technician, Howard is available to assist producers in planning and designing windbreaks, trickle irrigation systems, and irrigation water management.

Local Officials Attend District Convention

The Spring Convention of the 18th District of the American Legion and Auxiliary was held at Vega, Havens Post 168 on April 13. Geneva Williams, Friona Unit 206 and 18th District President, presided at the meeting.

The Friona American Legion Auxiliary was honored for obtaining their goal of membership. They were given a cash award as well as being honored at the meeting.

There were six units present from Amarillo, Borger, Friona, Hereford, Nazareth and Shamrock.

A joint memorial program was held at the cemetery to dedicate a monument in memory of all

deceased veterans and to renew the aims and efforts of the American Legion and Auxiliary.

A joint session was held at Havens Post 168 to hear George Fountain from the Veteran's Administration Medical Center, Amarillo. This was very informative and gave those in attendance information and procedures needed at the VA Hospital to obtain services.

In the business session for the Auxiliary, unit reports were given about the accomplishments during the year. The American Legion and Auxiliary are required to report to Congress on the work accomplished during the year.

Beverly Jesko, Hereford Unit

Lazbuddie Honor Roll Released

The fifth six weeks honor roll at Lazbuddie Junior High School was released this week.

Making the honor roll were:
Seniors--Chandra Engelking, Jamie Everett, Cheryl Holt, Maureen Jesko, Carolyn Nail, Becky Schacher, Susy Valencia and Rhonda Waddell.

Juniors--Sue Collins, Aaron Hargett, Wendy Jarman, Lisa McGehee, Sandra Nail and Melissa Sanchez.

Sophomores--Traci Elliott, Cami Ivy, Dusty Jesko, Shane Mason, Kristine Miller and Cathy Schacher.

Freshmen--Amy Daniel, Tim Lust, Omar Sanchez and Tammy Vise.

Eighth grade--Jim Allen, Connie Gonzales, Jonessa Jennings, Ginger Jesko, Scott Miller and Susan Redwine.

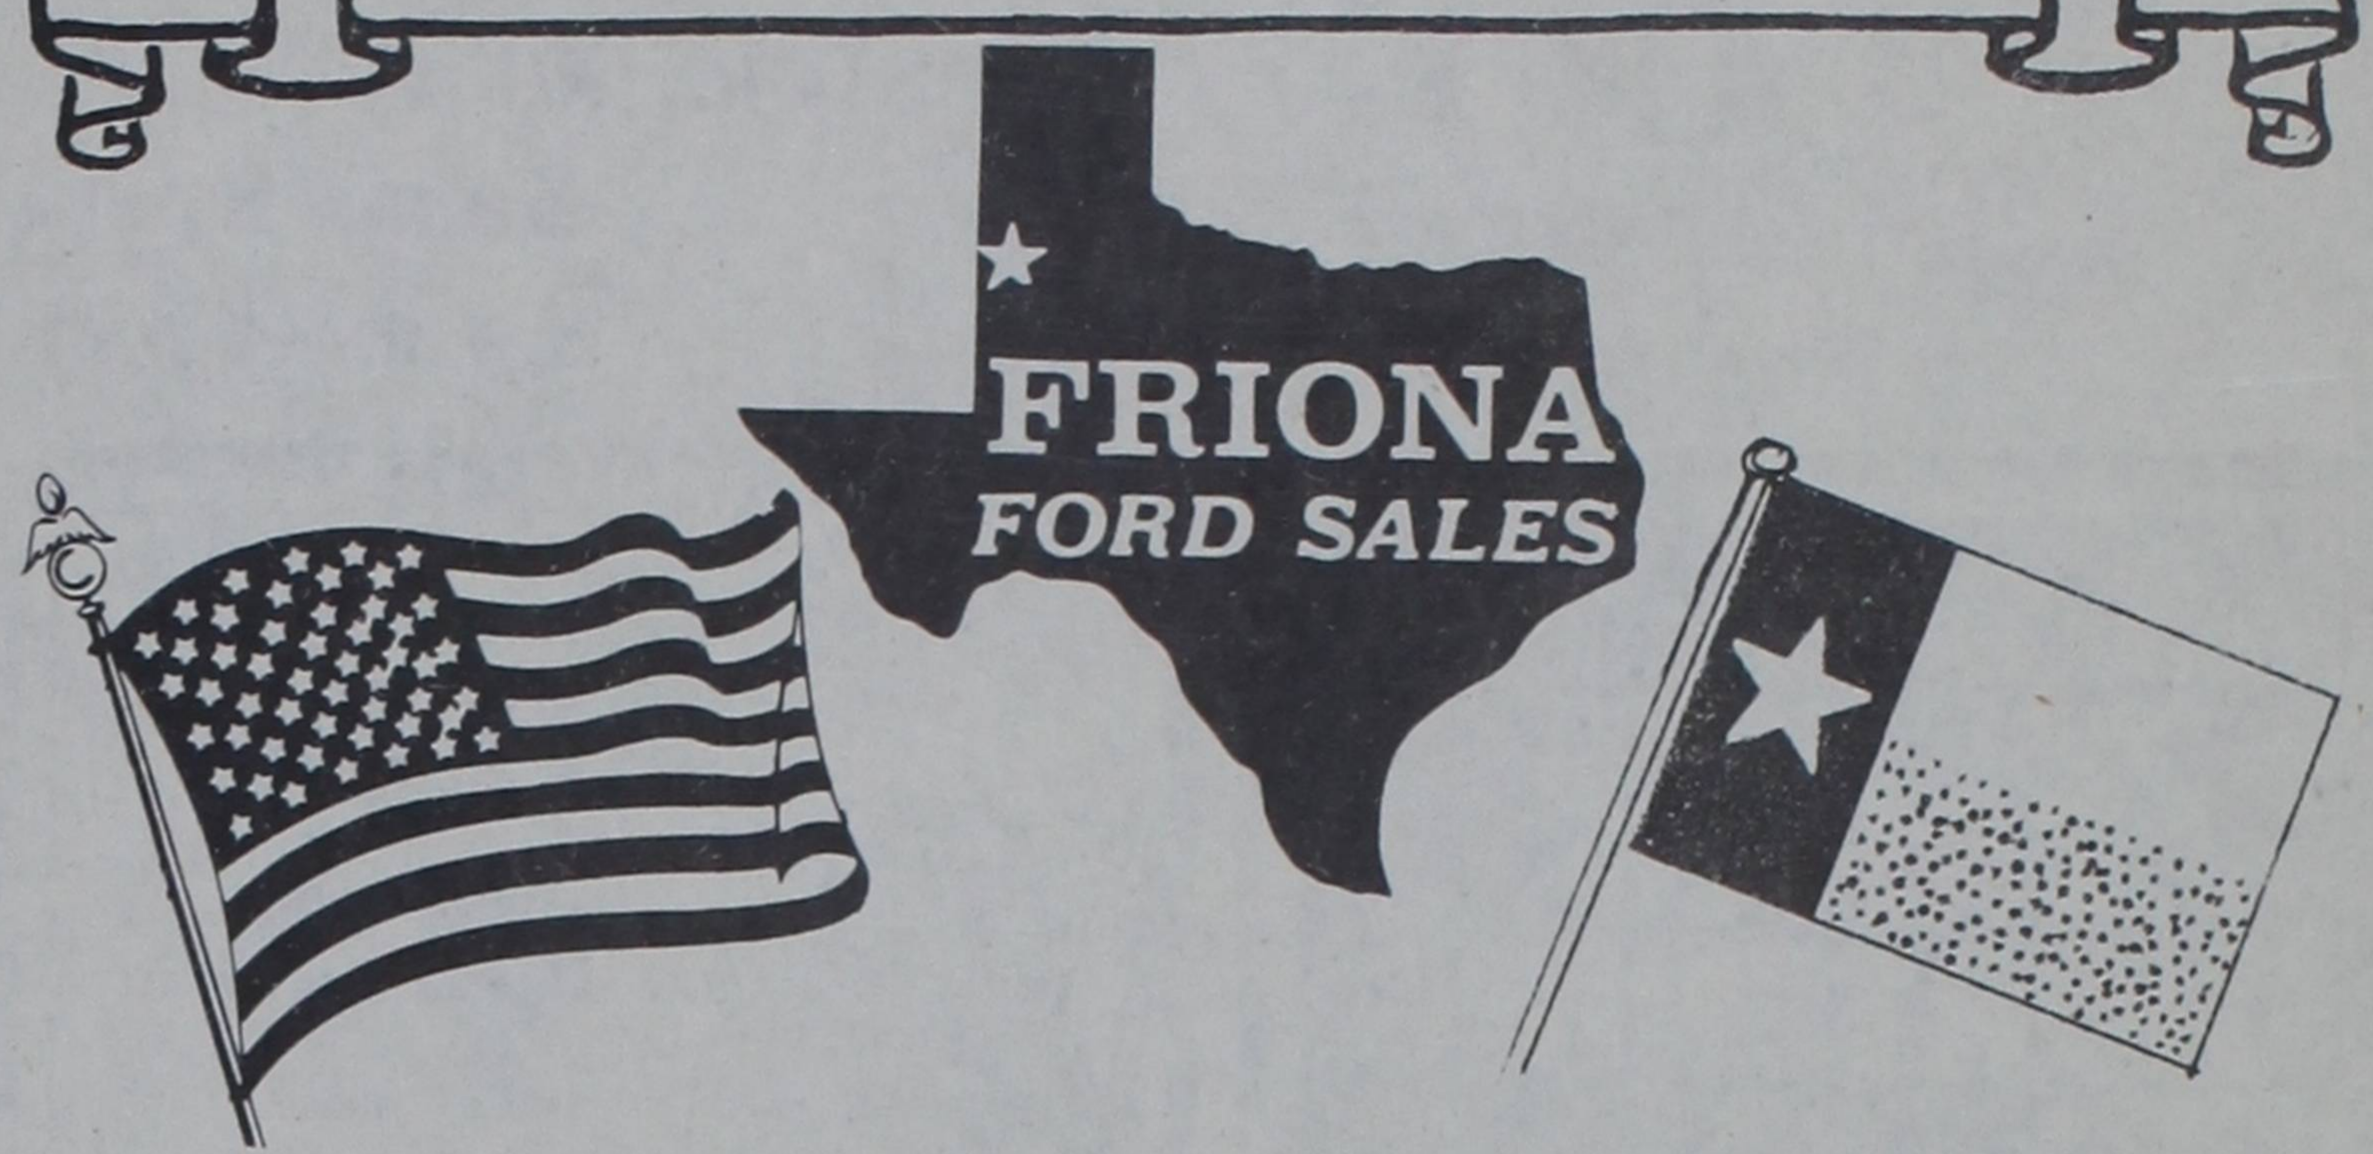

Seventh grade--Julie Harris, Lanse Ivy, Mia Jennings, Kevin McGehee and Eddie Zamora.

Sixth grade--Audra Allen, Casey Bradshaw, Juanita Ramos and Jana Vise.

192, is VA Hospital representative and gave a detailed report on the Christmas Gift Shop held December 1, 2 and 3 at the VA Hospital. A total of \$3,068 in gifts were given to Veteran families. There were 33 volunteers, assisting with this program. The hospital patients have an opportunity to share Christmas gifts with their families that they might not otherwise be able to share.

Betty Wilhelm, Nazareth Unit 528, and Girls State District Chairman, reported that a total of 25 girls will be attending Girls State from the 18th District. (See separate story on delegates the local Legion and Auxiliary will be sponsoring.)
