Several Win Awards At Chamber Banquet Thursday

KITTY McCRACKEN

TERRI MADISON

JACKIE WILLIAMS

More than 200 area residents attended the annual banquet of the Cisco Chamber of Commerce last Thursday night and paid tribute to six individuals for outstanding community service. The event was held at the Laguna Hotel Corral Room.

Cisco's top goal in 1988 will be to acquire new businesses and industries and to promote the businesses and industries already in Cisco, according to Chamber of Commerce President, Emma Watts.

Watts said the chamber will keep on with the campaign to 'Clean Up Cisco' and to help build up tourism here. She said the chamber will keep working with the Christmas in May program, the parades and the 4th of July activities.

Watts said there are planned monthly activities to help Cisco merchants and the chamber will seek new members throughout 1988. She said there have already been two new members who have joined the chamber since the beginning of 1988. She also said the chamber is open to suggestions from the citizens and they can call chamber manager Don Shepard during the chamber's regular business hours.

Emma Watts introduced the new directors for 1988. They are Larry Bryant, Joe Clack, Rex Fields and Fred Wheeler. Also on the board of directors are Ayres Cermin, Harold Reich, Bural Chambers, Dan Dixon, Tim Boersma, Roy Dennis, Harvey Hull, Ronnie Ledbetter, Jerry Morgan and Billy Wright.

Outgoing president Roy Dennis told the crowd he appreciated the opportunity to serve. He said Bill Austin, Joe Cooper, Brad Kimbrough and Helen Orr, outgoing directors, helped to make the past year easier for him. Dennis also said he appreciated chamber manager Don Shepard. Dennis said it is impossible to say how much work Don has done for Cisco. Dennis also said the secretary of the Chamber, Helen Gaeta, keeps the CofC office going.

Dennis said 1987 was a hard year in Texas and equally in Cisco. He said there were businesses in Cisco that had to struggle that have never had to before. But, he added, it's times like these that make people work together for a good thing.

Jackie Williams was presented the Volunteer Youth Service Award by Dick Wages. Mr. Williams received the award for the many years of coaching teenagers in baseball. He is also active in Little League and soccer.

Eddie and Youvonne McMillan received the Community Service Award, presented by Gus Smothers. Youvonne is a member and former president of the Cisco Civic League. She helps to promote Cisco in the Folklife Festival in Cisco and the Folklife Festival in San Antonio.

Eddie McMillan, has worked with the Little League and Boy Scouts in Cisco. He is a member and former president of the Cisco Lion's Club.

Mike Moore presented the Community Improvement Award to Terri Madison, owner of Philpott The Florist. Madison has made several improvements in her new business.

Eris Ritchie presented the Over Due Award to Kitty McCracken. Mrs. McCracken has organized tours of the Conrad Hilton Community Center.

Don Shepard presented the Chamber Service Award to Emma Watts. Emma helped to initiate the Christmas In May program in Cisco.

Jack Martin, Cisco High School principal, presented the Academic Excellence Awards to Krista Shepard, with a grade point average of 95.68, and to Kevin Kirk, who has a grade point average of 94.31.

Krista is the daughter of Don and Janice Shepard and Kevin is the son of Truman and Evelyn Kirk. They are both seniors.

Clois Purvis, of Cisco Junior College presented the College Academic Awards to Ladonna Clement who has a 3.88 grade point average and Jeff Kinser, who has a 3.94 grade point average.

Ladonna is the daughter of Royce and Connie Clement . Jeff is the son of Gene and Rhonda Kinser. They are both sophomores.

The speaker at the banquet was introduced by Rev. Ken Diehm, of the First United Methodist Church, who served as Master of Ceremonies. George Brazell said he appreciated the Cisco Community. He told everyone to set goals for themselves.

Some of the goals Brazell talked about were to learn to face and solve problems and learn to laugh.

Bruce Stoval gave the invocation.

Out of town guests were Lester and Allison Blizzard, Tom and Ruth Pugliese Hart, Sheriff and Mrs. Don Underwood, Wayne and Jayne Jones, Gene and Clara White, and Mr. and Mrs. James Wright, all of Eastland; Vance McCracken, Judge Bud Arnot, Sharon LaMonhague, Ron Butler, and Cleve and Drue Evans, all of Abilene; Mr. and Mrs. James Reese of Golthwaite; Bob Gruell of Moran; Johnnie and Mary Wells of Ranger; and Mary Elizabeth Kremp of Romney, West Virginia.

Do you have any friends who moved to another town from Cisco? And do they take the Cisco Press? If so, then whenever you go on a vacation, or if anything humorous happens to you or your family or any other type of news that others might find interesting be sure and call The Press at 442-2244 and let us know.

Several people from out of town really do enjoy hearing about the folks back home.

We received a letter from the daughter of Edna Malone Benefield last week. She wrote,

"My mother looks forward to the Cisco Press like she does her retirement check. She is 83-years old. She was born in Cisco, the daughter of William T. and Ida Malone. One of her favorite stories is telling about reading the Cisco paper when she was 7-years old about the sinking of the Titanic. She has lived here in San Antonio, for many years, but she still loves to 'keep up' with everything and old friends thru the paper."

—

Another letter from Mrs. Jack Courtney said they get the Press and it goes to her sister, Mrs. Lucille Hall and cousin Ricky White, who also grew up in Cisco, and to her son, Terrell Mayhall. She said they love to hear from back home folks.

—

A lot of times people will send in a note with their subscription to The Press and we will put something in the paper about it.

Several people in town, enjoy hearing from the ones who have moved away. So if you are taking The Press and you live out of town, drop a note, when you send in your subscription and let folks here know how you're doing.

—

Last Thursday night at the Chamber of Commerce banquet, guest speaker George Brazell wanted to know whose wife was the best cook. Gerald Winnett stood up and Mr. Brazell presented him with an album. Gerald's wife is Francille Winnett.

Brazell then asked who had the best looking husband and Peggy Hagen stood right up. Her husband is Benny Hagan, and she also received an album from Mr. Brazell.

Everyone enjoyed the banquet and Mr. Brazell's talk was full of humor. He told about his 91-year old father-in-law. Brazell said the man has 3 girlfriends and drives to Fort Worth in all that traffic. He would be an interesting man to meet.

—

Twenty four members of the Cisco High School Choir sang several songs to entertain everyone. Wayne White is the choir director and you could tell he has a great bunch of students in choir.

While they were singing, the students would be smiling, because they were enjoying themselves so much.

Lady Wranglers Blast By Southwest Christian 116-to-58

By SUSIE ENDSLEY

The Cisco Junior College Lady Wranglers had an outstanding comeback from Tuesday night's loss to Blinn as they upset SWCC 116-58. Southwest Christian traveled to Cisco to play. This win will begin a new record for their home game winning streak. The record, prior to Tuesday night, was 40 wins.

Once again, the Lady Wranglers out played their opponent. CJC had 52 rebounds to SWCC's 28 and they had 38 assists to their 0. The Lady Wranglers also stayed out of foul trouble with a total of 15 fouls for the game. They played exceptionally well. The Lady Wranglers' record is now 3-2.

At halftime, the Lady Wranglers led 55-30. They played tough and held their lead to win 116-58. Tina Gutierrez, a 5'9 freshman from Grandview, led the Lady Wranglers in scoring with 19 points. Good job, Tina!

The Lady Wranglers next game will be Feb. 3 against Grayson here. Games will begin at 6 p.m.

The Lady Wranglers have a great team and are very exciting to watch. Go out and support CJC athletics. Back them 100 percent. Good luck, ladies!

The statistics for the game are as follows:

LADY WRANGLERS (116)– Tina Gutierrez 8 3-4 19, Tia Rosser 6 5-5 17, Lisa Schoemer 5 3-3 13, Rhonda Simmons 6 1-3 13, Naidene Tiemann 4 2-2 10, Stephanie Upshaw 3 2-5 8, Mikki Webb 5 2-4 12, Michelle Wilkinson 4 0-0 8. Team totals: 49 20-29 116.

SWCC (58)– Pearson 8 3-4 19, Fields 5 0-0 10, Hampton 4 3-6 11, Smith 1 1-2 3, Noel 2 1-2 5, Morney 1 0-0 2, Wright 1 0-0 2, Carter 2 2-2 6. Team totals: 24 10-16 58.

CJC Wranglers Beat SWCC 113-91

Eddie Venzant, a 6-2 sophomore from Saline, La., scored 22 points to lead the CJC Wrangler Men to a 113-91 NTJCAC conference win over the Southwestern Christian Rams at Wrangler Gym Wednesday night. With the win, the Wranglers moved into a fourth place tie in conference play with a 2-3 record. They are 10-10 on the year.

Cisco jumped out to an early lead and were never headed. In addition to Venzant's 22 points, the Wranglers had four other players in double figures. Thomas Miller had 19, Mark Benson 15, and Tyrone Williams and Mark Chambers contributed 14 each.

The Wranglers travel to Hillsboro tonight (Saturday) for a conference match with Hill College, then return to the friendly confines of Wrangler Gym Wednesday against Grayson. Game time is 8 p.m, preceded by the women's game at 6 p.m.

Cisco Booster Club To Meet

The Cisco Booster Club will meet at 2:00 p.m. Sunday, January 31, at the Cisco High School Library.

All officers and members are urged to attend.

Loboes Are Upset On The Court Tuesday Night By Dublin Lions

By LORI ANN SPEEGLE

Last Tuesday night the Loboes met the Dublin Lions. The Loboes and Lions were both fighting for what could be the championship of District 13AA. The game started off with great excitement for the Lobo fans as the Loboes led by 10 points in the first quarter, but the Lions did a complete turn around of the game. By the end of the first half the Lions led 33-30. When the game resumed the Lobo fans were ready for the Loboes to take the lead, but even though the Loboes worked hard they were not able to make the shots that usually come so easy to them. The Dublin Lions won 63-58.

High scorer for the game was Underwood, number 10 for the Lions, with 26 points. Jason Phillips, number 12 for the Loboes, was next with 23 points. Scoring for the Loboes were Wallace, number 34, with 16 points; Patton, number 52, with 6 points; Roark, number 40, with 6 points; Wages, number 20, 4 points; and McGinness. number 50, with 3 points.

The Lobo Junior Varsity also played Tuesday night. High scorer for the game was Turner of Dublin. He had 17 points. Harvey Perkins was next with 13 points. Harvey is number 30 for the Loboes. At the end of the half the score was 34-16 Dublin and the final score was 50-42 Dublin.

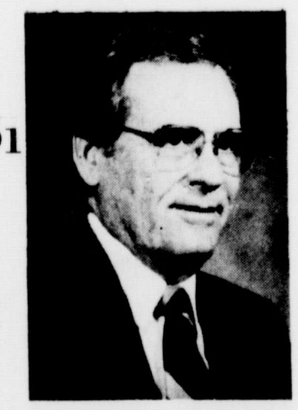

Water Bills Will Be Late This Month

City of Cisco manager Mike Moore reported that due to trouble with the computer at City Hall, customers will receive their water bill late this month.

Cisco P-TO Will Meet Tuesday

Cisco P-TO will meet Tuesday, Feb. 2, at 4 p.m. at the Cisco Elementary School Cafetorium. All members are urged to attend.

Dee Hogan Issues Statement

DEE HOGAN
...Issues Statement

Dee Hogan, candidate for Democratic nomination as Sheriff of Eastland County, has issued the following formal statement:

I am asking to be elected County Sheriff of Eastland County because I am qualified to help work toward improving the living conditions of citizens in the county, and to improving the public image of the county as a safe place from crime.

One of my primary concerns will be for the citizens, especially the young, elderly and the rural citizens, in helping provide protection for them from the criminal elements that are presently prevalent throughout our country. I will strive for a visiable, contactable law enforcement department for the county that will provide reassurance and quick response to violations which endanger our citizens.

Certainly, I will work hand-in-hand with the courts, other county, city and state officials in dealing with criminal pro-

Rabied Skunk Is Killed In Area

Dr. Vergil Patrick, local veterinarian, has reported that a skunk killed in this area recently tested positive for rabies.

Dr. Patrick said skunks are coming into town and are getting under houses. Pets kept outside are in danger and owners should take necessary precautions to protect them. He issued a warning to area residents to be on the lookout for possible rabid animals.

Cisco Gun Club Will Meet At 1st National Bank

The Cisco Gun Club will hold its regular monthly business meeting Monday, Feb. 1st, at 7 p.m. in the Community Room of First National Bank. All club members, as well as the general public, are invited and encouraged to attend this meeting.

Memberships for 1988 are due and available from any of the club's officers – Tommie Lee, Leon Boles and Cathy Lee. Memberships may also be purchased at Ted and Rex's One Stop. Memberships are still a bargain at $10 per year.

blems. Total cooperation is necessary.

I believe that close coordination with the State Jail Standards Commission is necessary, but I oppose the expansion of our present county jail facilities. To expand, would mean additional tax burden which our citizens cannot stand, and I am convinced that state Standards can be met through good management.

Our jail can be kept in compliance by managing its population in the following ways:

a. Expidite the release of those who should be out on personal recognizance bonds.

b. Close coordination with the Texas Department of Corrections van in the timely transfer of inmates.

c. Expidite bringing the indigent prisoners to the attention of the courts at the earliest possible moment to prevent long costly stays.

I herewith pledge to enforce the laws equally and fairly throughout the county. Crimes committed against any person and/or property deserves immediate attention and investigation. A special program will be implemented for the protection of senior citizens and those living in areas not having city police protection.

This county has an abundance of highly qualified, intelligent citizens with integrity and I would first recruit those here who are known and respected, to fill positions in the sheriff's department. This would be done fairly and openly and always within the guidelines of prevailing laws.

In an effort to begin early in teaching our children, I will immediately establish a program in cooperation with our ministerial alliance, ministers, educators and other like-minded public citizens to develop programs wich will equip our youth with the tools necessary to deal with peer pressure and outside influences to which they are constantly subjected.

Statistics show that controlling burglaries and other crimes help control drug trafficking. I for one want the world to know that those who are inclined to sell and/or manufacture illegal drugs or do burglaries to obtain money for such substances, to know for once and for all, that Eastland County is not a profitable place for their activities and such will not be tolerated here one minute.

My wife Jo and I have two daughters and four grandchildren. We live in Eastland and attend First Baptist Church in Olden.

I am 56 years old and am a native of this county, having attended schools in Morton Valley and Eastland. I attended the University of Southern California where I studied Police Sciences and Administration.

My experience in law enforcement includes Uniformed Patrolman, Plain Clothes Detective, Lieutenant of Detectives, Chief of the Crime Prevention Bureau, Deputy Sheriff's Commission and Chief Juvenile Probation Officer.

Other administrative training includes employment with two of the top 100 largest corporations where I served in Management.

At the present time, I am the Tri-County representative for Panasonic and Savin Corporations in the distribution and sales of office equipment.

Change is in the air and my election will guarantee honesty, efficiency and good business management in the sheriff's department. The citizens of Eastland County deserve a sheriff's department that they can be proud of, one known for its creditibility, its cooperation with the courts and other agencies and one that will make it possible for our senior and rural citizens to breath easy again.

Your vote for Dee Hogan for County Sheriff in the March 8 Democratic Primary will help bring this about.

Thank you, Dee Hogan.

Blinn JC Upsets Lady Wranglers 68-60 Tuesday Night In Cisco

By SUSIE ENDSLEY

The Cisco Junior College Lady Wranglers were defeated by Blinn Junior College 68-60. The game was played here in Cisco. This was CJC's second loss in conference play. Their first loss was against McLennan. Their conference record is now 2-2. This was the first game in four years that the Lady Wranglers have lost at home. The home game winning streak was 40. That's outstanding!

At halftime, Blinn led by four points. The score was 28-24. The Lady Wranglers never let down their guard and played tough till the end, but Blinn held their lead to win 68-60. Tia Rosser, a 5'10 sophomore from Keller led the Lady Wranglers in scoring with 17 points.

The Lady Wranglers' next game will be Feb. 3 against Grayson. The game will be played in Cisco with games beginning at 6 p.m. They played SWCC Wednesday and played Hill last night in Hillsboro. Statistics for those game will be in The Press soon.

The Lady Wranglers have been very busy this past week with games and practices. Go out and support the Lady Wranglers. They have a great team. Cheer them on to help them be No. 1.

The statistics for the game are as follows:

LADY WRANGLERS (60)– Laryssa Bliss 2 0-0 4, Maria Garrett 1 0-0 2, Tia Rosser 8 1-3 17, Lisa Schoemer 2 1-1 5, Rhonda Simmons 4 6-7 14, Naidene Tiemann 5 6-7 16, Michelle Wilkinson 0 2-2 2. Team totals· 22 16-20 60

Putnam News

By Rudy Weathermon

Rusty Robinson is doing well at McMurry. Besides being an Indian, he has made the Dean's list. To get this honor one must have a 3.5 grade point average or above. He is the son of Cookie and Gayla Robinson of Putnam.

Burk Robinson, Cookie and Gayla's other son, who got hurt in the last football game, is doing better, but he has had a trying time of it. He will have to wear a brace indefinitely due to the knee injury he received in the game.

Hop White was taken by ambulance to Humana Hospital on Saturday night with a heart attack.

Our Baird friend, Jo Green, has been ill this past week.

Little baby Kellie Donaway, Annie Mae's new great grand baby, is in Hendrick Hospital very ill with the virus that is hitting the very young babies.

We hope all these people are well soon.

A group of Putnam ladies met with the Callahan County Extension agent, Debbie Christian, on Thrusday to discuss and organize an Extension Club for Putnam. There is not an active Extension Club in Callahan County. The meeting consisted of discussing the primary purpose of the club, and the election of officers. The officers elected were Edith Muzny, President; Ruth Lindsey, Vice President; Annie Mae Donaway, Treasury; Ruby Weathermon, Secretary; and Reporter, ida Mae Waddell. The meetings will be held in the Community Center at 1:00 p.m. each first Tuesday of the month.

Mrs. Sarah Smith had her nephew and wife, Hubert and Shirley Bradshaw from Wellington, Kansas, for visit on Saturday.

Highway Work Continues At Fast Pace In County

Some things may have slowed, but highway development and improvements continue strong in Eastland County.

Bryan Neaves, Area Resident Manager, reports that the Highway Dept. has just completed two major projects and there are five others approved and set to go within the next six months.

Those completed amount to some $1,265,000.00 and the upcoming projects are estimated at $2,336,548.00.

Completed are the roadside safety improvements including bridge rail, guard fence and culvert end treatments along I-20, at a cost of $1,200,000.00.

Also completed and ready for summer-time travelers are the eight picnic arbors near State 16 at I-20 in the east part of the county at a cost of some $65,000.00. Joe Richards, Inc. was contractor.

Near future projects include:

I-20 – Illumination of city interchanges in Cisco, Ranger and Eastland, scheduled to begin in February. James Davidson Constructions Inc. was low bidder at $258,000.00

I-20 – Replace signs on interstate starting in February. Ron Carrol Inc. of Eastland was low bidder at $67,557.00.

I-20 and FM 101, east-west (Main St. through Ranger), hot mix overlay due to begin in May with Stephens and Martin Paving, Inc. of Abilene, low bidder at $785,991.00. Neaves guesses this to be a quick project with very little disruption of traffic.

FM 2461 (Lake Leon Dam) – Rehabilitate base, surface and guard fence at a cost estimate of $125,000.00, set to begin mid-July.

I-20 ramps throughout county – All rehabilitate ramps base and surface at a cost of $1,100,000.00, set to begin in June.

READY FOR TRAVELERS -- The eight picnic arbors near S.H. 16 and I-20 in the east part of the county are completed and ready for use in the upcoming travel season. This is one of two major projects just completed by the Highway Dept., with a number of others set to begin soon.

Scholarships Are Available

It is time for the Senior Class of '88 to start making arrangements, if they haven't already, to further their education in a college or university of their liking.

Maybe you as a high school senior haven't made any plans for college because you don't know if you can afford the large cost of a college education.

Or maybe you are a parent who wants your son or daughter to get a college education, but the money isn't there.

If you, or your son or daughter, happen to be currently enrolled and active in 4-H, and a graduating senior with a recorded S.A.T. score of at least 800 or A.C.T. score of at least 18, there may be a solution.

Tens of thousands of dollars in scholarship money is going unclaimed, we are told, because students who can qualify and who need the scholarships don't apply for them.

The 4-H Foundation Opportunity Scholarship program makes thousands of dollars available to qualified students through various scholarships.

You must plan to attend a college or university in Texas and be able to meet its entrance requirements to qualify.

In order to qualify for one of the scholarships, a student should have an outstanding 4-H career, make good grades, take plenty of "solid" subjects, participate in school activities, know why he or she wants to go to college and what he or she wants to major in, and actually need the scholarship.

Scholarships are provided for the program by several individuals and organizations who may require additional qualifications.

If you think that you or your son or daughter might be able to qualify, contact your 4-H Coordinator or another County Extension Agent and ask for an application. And they will probably give you additional information or counseling on the subject.

But don't wait, most applications have to be mailed in before March 15.

When applying, remember that a scholarshiip is not a reward but an investment in the future of a young person, and that person must convince donors that he or she is a good investment.

Desdemona News

There will be no Musical at the Community Center (old schoolhouse) in Desdemona on the first Saturday night in February. Beginning with March all musicals will be held on the fourth Saturday night of each month instead of the first Saturday night.

One of the classrooms in the old school is being fixed up to have the musicals in, and the next musical is scheduled there for Saturday, March 26. All are welcome to attend.

A Garage Sale will be held Feb. 5 and 6 in the gym to raise money to fix this classroom. Anyone who wishes to donate something for the sale may contact Helen Depwe or any of the businesses in town.

The Desdemona Community Center group will have refreshments for sale at both the garage sale and the musical. So come out and enjoy all these activities - your support is always appreciated.

Defensive Driving Course Offered

As a service to the community, Cisco Junior College will offer a Defensive Driving Course February 8 & 10 from 6 - 10 p.m. The course will meet in room 3 of Schaefer Hall. Fee for the course is $20. Enrollment fees must be paid no later than 3 p.m. on February 8. No late registration fees will be accepted. Students must attend both nights of class.

For more information, contact Charlotte Speegle at 442-2567, extension 115.

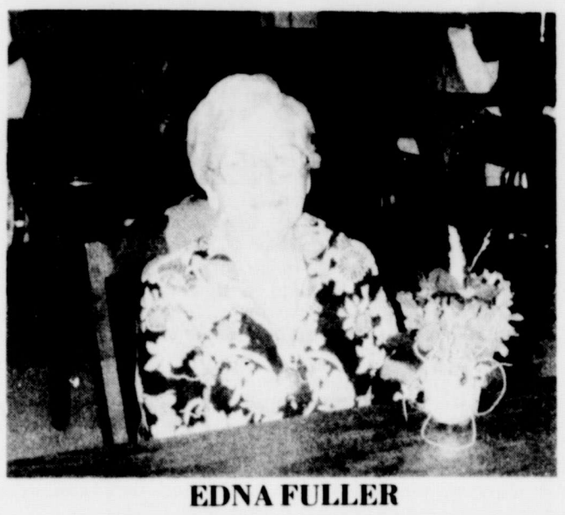

Cisco Writer's Club To Meet February 2

The attention of Cisco Writer's Club members is turned toward what to do with what they have written.

"We'll explore specific markets for material already written," says Viola Payne, Program Director.

"Marketing" is the topic for the regular February meeting of the Writer's Club, which will be held at 7 p.m. Tuesday, February 2 in the First National Bank Bldg. on Conrad Hilton Ave., Cisco. Visitors are welcome.

Resident Of The Month

EDNA FULLER

The residents met at their monthly resident's council meeting and voted for Resident of the Month. Edna Fuller was chosen as "Resident of the Month" for January 1988.

Mrs. Fuller has been a resident here at the Lodge for about 1½ years. She is a very sweet, lovable person, who always has a friendly "Hello" for one and all. She moved here from Strawn. She has 2 sons, Larry Fuller from Strawn, and James Fuller from Clifton, Texas.

Mrs. Fuller is shown in picture. We are very honored to have such a fine lady represent Valley View Nursing Home as "Resident of the Month."

NEVER DOUBT but that we are a sports-loving nation--and this Sunday is the culmination for most of the national obsession in pro football, with the Big Game of the Year: Super Bowl XXII, pitting the Redskins and Broncos.

Chances are you've already read and/or heard more than you really want of this clash of the two conference champions for the NFL Vince Lombardi Trophy. Site is the Jack Murphy Stadium in San Diego. Most will eye-ball it on the tube.

The closest we'll probably ever get to the actual event (and that's fine because there's other things we'd prefer to see) is the official game program to the event, sent to us as a token from the Champion Paper Co., from whom we buy newsprint. The program -- about the size of a good-size J.C. Penney catalog -- is printed on Champion paper, naturally, and it's a treat to persue.

Bits and Pieces:

Don Hutson will toss the coin.

Kickoff will be at 3 p.m. (PST) -- 5 p.m. CST.

AFC will be home team.

Bob Hope will be honored in pregame show; also the Navy's Blue Angels will perform, and trumpeter Herb Alpert will play the National Anthem.

Radio City Music Hall will present the halftime show with the famed Rockettes dance team and rock-and-roller Chubby Checker.

Sudden-death overtime will decide a tie game.

Each member of the winning team will receive $36,000, and member of the losing team will receive $18,000--in excess of $2.6 million for the personnel of the competing clubs. (Thought: what about staging such an event to help pay off the national debt.?)

The index will give you an indication of the scope of the publication: data on the game; news, notes, trivia from behind the scenes; a view from the blimp; insight by Bill McGrane; super bowl records; official signals; scouting reports with records of the two teams plus AFC and NFC passing, rushing, pass and rushing defense, special teams; how the teams were built, coaches; player photos, alphabetical roster, 3-deep roster; starting lineups; Canton's Supermen; City of Good Sports; a site to behold (photos of San Diego); 1987 replay, statistics; pro bowl rosters; and conference results and standings.

At $5.00 a pop, it's a virtual almanac of pro football facts, stats and pictures.

Question: If you were at the game and had a program in hand, what with all the excitement and spectacle before you, how would you be able to use the program? Take it home with you, so you could read about what you saw, maybe.

FAR BE it from us to pull a Jimmy the Greek or even a Dan Rather, judging from the hot water they're in, but here's our "guesses" for the results of Sunday's game:

(First: who do you WANT to win; then who do you think WILL win)

HVO: Denver; Washington by three touchdowns.

Richard Kurklin: Denver; Washington by 3.

Rick Vittitow: Denver; Denver by 7

Kathy Bently: Denver; Denver by 10

Yvonne Williamson: Denver; Denver by 3 points

Margaret Hallmark: Washington; Denver 1 touchdown

Viola Payne: Denver; Denver

James Bently: Denver; Denver

Football Districts Announced

The long-awaited U.I.L. realignment for the "88-'89 and '89-'90 school years was released Wednesday evening. The alignment determines sports and competition classifications which range from class A to class AAAAA, and which schools will make up each district for a two year period staring in the fall.

District 13AA will become 15AA with only one change, Hico dropped to class A and will be replaced by Tuscola Jim Ned. Teams making up the district will be Cisco, DeLeon, Dublin, Ranger, Jim Ned and Eastland.

But the new districts aren't set in concrete yet, they are subject to change for about a month. Just as an example, if Albany had rather be in 15AA and Jim Ned had rather be in 7AA with Anson, Hamilin, Stamford, Haskell and Hawley, they could appeal and they might get swapped. But it probably won't happen.

Dist. 15AA teams will meet dist. 16AA teams at the Bi-District level of the playoffs. Dist. 16AA includes Early, Bangs, Coleman, Goldthwaite, Hamilton and San Saba.

For '88 in football Eastland and DeLeon will probably be the favorites to make the playoffs in dist. 15AA, but they will be pushed by Cisco and Dublin at least.

In dist. 16AA Early and Coleman will probably be the favorites.

All of the class AAA teams in this area: Clyde, Breckenridge, Abilene Wylie, Comanche, Graham and Ballinger make up dist. 7-AAA, and it should be a strong district.

The classA and Six-Man districts in this area really got split-up and rearranged.

Cross Plains, Rising Star, Gorman, Hico, Lometa and Evant now make up dist. 16-A.

Baird has moved to dist. 13-A with Roby, Rotan, Roscoe, Aspermont and Throckmorton.

In Six-Man Dist./2 consists of Carbon, Gordon, Strawn, May, Sidney and Blanket.

Moran moved to dist. 11 with Lueders-Avoca, Haskell Paint Creek, New Castle, Woodson and Rule.

Dist. 7-AAAA includes Brownwood, Cleburne, Granbury, Joshua, Mineral Wells and Stpehenville.

Rodeo

Rodeo is one of the time honored sports of the Old West. There is no pen pointed time of the origin of rodeo, but it was started during the cattle drives during the late 1800's. The first spectators' rodeo was held in Pecos in 1883.

In rodeo there are many things that the contestant must do. The first is that he has to give it all he has to give. He must secondly be mentally prepared for his event. Third, the contestant must draw for the animal that he is to ride in the contest. He must be behind the shoots when his event comes up, that way he can mount his animal when it is his turn to ride. Fourth, after he mounts and checks his rigging and his grip he nods his head and the animal is turned out to do his part. The contestant must ride the animal for eight seconds or he gets a no score. Finally, the winner is the one with the best total after three rides. The sport of Rodeo is that of the Old West.

Players Of The Week

This week the Loboes and Lady Loboes played the Dublin Lions. High scorer for the Lady Loboes was Cheryl Dowdy with 15 points. Jason Phillips was high scorer for the Loboes with 23 points. The Loboes are doing exceptionally well this season they are expected to go to the playoffs. They are now 4 and 2 for the season. Be sure to see the Loboes and Lady Loboes play. They're great.

FHA Spaghetti Supper

The F.H.A. met for a spaghetti supper last week for its monthly meeting. The spaghetti was made by Mrs. Stephenson, and it tasted terrific.

We would also like to mention that we had a really good turnout, and we would like to encourage everyone to come to next month's meeting.

Anyone who may be interested in joining F.H.A. can still do so. If you have a problem concerning your dues, talk to Mrs. Stephenson, and something can be worked out.

Cisco Ag Farm Being Repaired

The Cisco Ag Farm is being repaired by the Ag instructors and the Ag students. "We should be done with a great part of the repairs by the end of this year" says Mr. Webb. The plans are to build 15-20 more pens for the holding of animals. The Ag instructors and FFA chapter members use the farm to grow crops and raise livestock to support the chapter in other projects. The Ag farm has come a long way since the repairing started. The fences and pens are hoped to be built out of pipe. They will be used for the restraint of the livestock. The Ag farm has aided all other Ag projects such as students show animals. The Ag farm has been in use for many years.

Income Tax Advice Available For Area Residents

Free income tax advice will be available for Eastland and Callahan County residents during February, March and April through the Tax-Aide program of the American Association of Retired Persons.

Volunteer counselors, trained by the Internal Revenue Service, will be staffing counseling sites in the Senior Citizen Centers of Cisco, Eastland, Ranger, Gorman and Cross Plains from February 1 through April 15.

Walter Knowlden, Coordinator for the Tax-Aide program, said the service is designed to help the older persons and also tax payers who are unable to afford professional advice and to help them understand income tax forms and to be familiar with special benefits available.

The counselors, many of whom have been in the Tax-Aide program for several years, receive 40 hours of training by the IRS each year and are trained on all the new income tax changes.

According to Mr. Knowlden, past experience has indicated that many older persons are unaware of special benefits they are entitled to claim and are paying more than they are required to pay. Some may not even be required to file a return because of limited income.

Taxpayers using the service should bring copies of their previous years returns their forms for the current year. They should also bring with them all their W-2 and W-2P forms with all their 1099 forms regarding income received, including their 1099 SSA from Social Security. They should also have all their receipts of expenses to show possible deductions.

For further information on how the AARP may serve you, telephone your nearest counseling site for an appointment.

Counseling sites are located in the following cities:

CISCO-- Cisco Senior Center, 400 Conrad Hilton Avenue, 442-2263.

CISCO-- Public Library, Avenue G and West 6th Street.

EASTLAND-- Eastland Senior Citizens Center, Park Hill, 629-1382.

EASTLAND-- Public Library, 629-2281.

RANGER-- Ranger Senior Citizens Center, Joseph Building, 647-1371.

GORMAN-- Gorman Senior Citizens Center, Main Street, 734-2966.

CROSS PLAINS-- Multipurpose Center, East 8th Street, 725-7698.

With more than 22 million members, AARP is the nation's largest organization of Americans aged 50 or older. The non-profit, non-partisen organization offers a wide range of membership benefits, legislative representation at federal and state levels, and education and community service programs carried out through a national network of volunteers.

Any taxpayer that would like help with their return, telephone the nearest senior center and make an appointment.

Fund Started For Mrs. Reed

A fund to assist with the medical expenses of Mrs. Lawrence (Ann Walker) Reed, who is critically ill, has been established, it has been announced by the Eastland Volunteer Fire Dept.

Mrs. Reed, a longtime employee at Eastland Memorial Hospital, was the wife of the late D.J. Walker, who was meat market manager at Super Save Grocery for many years. Her children are Mack Walker and Mrs. Joe Herring.

Contributions may be mailed or taken to Pat Burns at Eastland National Bank.

D.J. Walker was a lifelong member of the Volunteer Fire Dept. and Mack is second Assistant Fire Chief.

Mrs. Reed, of 208 Folts St., was a patient at Hendrick Medical Center for a long time, and is presently at Eastland Memorial Hospital.

Fishing Outdoors

By Terry Wilson

Is the KEAN Big Bass Classic moving?

Easily the largest single fishing event money- and entrants-wise in our area. As you may remember Olden resident Chuck Burgess won last years event at the Lake Hubbard Creek.

Recently we have been told and asked about the moving of this event to Lake Brownwood. After doing some research we have learned the following via a representative of the Brownwood Bass Club. Members of the B.B.C. contacted the Brown County Water Improvement District #1 spokesman and were informed that they had not been approached by KEAN officials concerning this move. Also it was noted that at present Lake regulations prohibited more than 450 entrants in any boating event to be held on Lake Brownwood. Due to this regulation it would be impossible to host this huge event.

Also we would like to make all fishing oriented organizations aware of a newly implemented policy concerning fishing tournaments at Lake Brownwood. All Invitational and Open tournaments are required to purchase a tournament permit from Water District officials at the sum of $15.00. All jackpot and smaller closed tournaments are required to contact Water District officials prior to their tournament dates. There will be no fee for these events if prior approval is received.

Prospective organizations may contact the Brown County Water Improvement District #1 by phoning (915)643-2609 if they have any questions or comments.

Area fishing is slowly picking up as we have warmer days grouping together more.

Leon: Black bass slow to 3 pounds on jig and pig on the ledges; crappie slow in size, numbers are good but few keepers on minnows and jigs.

Brownwood: Water clear, black bass good to 4 pounds on block sensations and spinners; striper slow; crappie excellent to 1¾ pounds on minnows and jigs; white bass fair at night around the lights on spoons; catfish fair to 6¼ pounds on shrimp.

Proctor: Water off-colored, black bass fair to 5 pounds on black jigs; striper improving on slabs; crappie fair to 15 fish per string on minnows and jigs.

Bass fishing at Lake Monticello is at its best when winter weather is at its worst, judging from Texas Parks and Wildlife Departmental creel surveys.

Biologist Tim Schlagenhaft said seasonal creel surveys conducted during 1986 at the 2,000-acre power plant reservoir indicate the winter months are best both for numbers and quality of bass.

"In comparing the seasons, data show that the spring period has the most fishing pressure, at about 22 hours per acre, followed closely by winter, at 21 hours per acre," Schlagenhaft said. "While fishing pressure is nearly equal during these seasons, harvest is almost twice as high during winter."

It might surprise anglers to know that 47 percent of the total yearly bass harvest at Monticello occurs during the winter. The catch rate, or number of bass harvested per hour, also is highest during winter, followed closely by the fall catch rate. "Although the fall catch rate is similar, about 70 percent of the bass harvested during fall are shorter than 14 inches," Schlagenhaft said. "On the other hand, 70 percent of the bass harvested in the winter are more than 18 inches long."

Schlagenhaft said that during one six-hour creel survey in January 1986, anglers harvested six bass over nine pounds each.

Monticello has a 14-18 slot bag limit, meaning anglers are required to release bass between 14 and 18 inches in length.

Monticello is located about 10 miles southwest of Mount Pleasant on State Highway 127. Public launch and camping facilities are available at Titus County Park, where fees are charged.

THANK YOU

CARD OF THANKS

Words can never express the deep love and appreciation that we feel for the people of Cisco as you comforted us in the loss of our Chanda. We thank you for the food, flowers, calls, visits and most of all your prayers that have and will continue to give us comfort. A special thanks to the Church of Christ for the opening of your doors and hearts and your outpouring of love to our family. We can never repay you for what you've done, but we pray that you will continue to love and stay united and we work and live in Cisco.

Thank you,
The Family Of

Area News Briefs

EASTLAND

The Texas Old Time Fiddler's Association, a statewide organization, will hold their annual Convention at the Majestic Theatre on Saturday, February 27. This event is expected to bring many people into town, both from this area and around the state. Robert D. Weeks of Eastland, well-known musician, extended the invitation to this group. He is also handling arrangements for this event, which could turn out to be an annual affair here in Eastland County.

—

"Brown Bag Day" at the Eastland Memorial Library will be Wednesday, February 3 at 12 noon. Hazel Taylor, a volunteer member of the Library staff, will bring information concerning changes in your income tax returns. A number of items dealing with this will be discussed, such as personal exemptions, standard deductions, charitable contributions, interest, IRA's, tax forms and provisions affecting dependant children, etc. Mrs. Taylor recently attended a workshop to bring her knowledge of the tax laws up-to-date. Don't miss this important program.

—

The Eastland Music Study Club will celebrate the annual "Parade of American Music" with a program of piano music next Wednesday, February 3 at 3:30 p.m. in the Women's Clubhouse. Mrs. Kenneth (Mary) Heitschmidt will present her piano students in a recital. All "Friends of Music" and other interested persons are invited to join the Club members for this presentation. This will be the first of two "Parade of American Music" programs in February.

—

RANGER

Mary Jo Williams has been elected as Vice President and Cashier at First State Bank of Ranger. Mrs. Williams has been employed by First State Bank for 15 years. Audrey Rose has been promoted to Assistant Cashier and Banking Officer. She has been employed by First State Bank for 33 years. In making these promotions, the Board expressed that both ladies are valuable employees to the bank, and also valuable to the community.

—

David Rodriguez, Ranger Policeman, has submitted a letter of resignation to Police Commissioner Paul Kaster. The resignation will be effective February 8, and financial reasons were given as the cause of this action. Rodriguez's resignation was approved and accepted by the City Commissioners. He was hired by the city September 3, 1987.

—

A discussion is still underway concerning certain cemetery lots. Charles 'Toot' Botts addressed the City Commission last week on the matter, saying that an agreement had been made between him and the City of Ranger to sell the city four lots he owned by the cemetery, and the house sitting on the lots was to be traded for two cemetery lots. The minutes of a meeting in 1948 reflect a sale, but do not include a trade. The matter was tabled until the next City Commissioners meeting, to allow Mayor Rogers to check with the city attorney on the matter.

—

Lone Cedar Game Day will be Friday, February 5 at 10 a.m. Ladies are invited to meet for a day of games of your choice. A delicious lunch will be served. Bring a partner for a day of fun.

—

DESDEMONA

The date has been changed on the monthly musicals at the schoolhouse (Community Center) from the first Saturday night in each month to the fourth Saturday night. There will be no musical in February, and the next one will be March 27. There will be a garage sale in the school gym on the 5th and 6th of February, however. Come out and look over the big variety of items. There will be refreshments for sale at both the garage sale and the musical.

—

RISING STAR

The next meeting of the Rising Star Volunteer Fire Department will be Monday, February 1 at 7 p.m. Kyle Smith, the new Fire Chief, reminds citizens of the area that the State Insurance Board requires that a town the size of Rising Star have an attendance of at least 20 people at these bi-monthly meetings. Insurance premiums rise when attendance falls. So come out and help the Firemen - who need the support of all.

—

CISCO

The First Baptist Church of Cisco has invested $350,000 from a bequest in Texas Baptist Church Loan Corporation bonds, and plans to make a similar investment later this month in the amount of $150,000. The funds will be loaned to organized churches to construct church and educational buildings, according to Dr. Bruce Bowles, who presented the first bond to the Church in a ceremony on January 10. Dr. Bowles, President of the Corporation, spoke at the service that day. These funds were received five years ago from the estate of Mrs. Norma Carlton, who had lived in Cisco when a child.

—

A Jumble and Bake Sale will be held at the Federated Club House, 400 West 7th St. on Saturday, January 30 from 8 a.m to 6 p.m. Assorted clothing, household items and plants will be offered.

—

The Cisco Writer's Club will hold a meeting on "Marketing" Tuesday, February 2 at the Community Room of the First National Bank. The program will begin at 7 p.m. All interested persons are invited. Bring a completed manuscript if desired.

—

There will be a general meeting for the second annual "Project Graduation" Celebration on Thursday, February 4 at 7 p.m. at the Cisco High School Library. All parents of all ages of High School students are encouraged to attend this important meeting. Last year about 150 area students from Cisco, Eastland, Ranger, Carbon, Gorman, Rising Star, Albany and Dublin attended the all-night event. It was fun for all, and a safe way to end the High School years. Public support is solicited for another such celebration this year.

Musical At Putnam February 5

The monthly musical at Putnam will be Friday, Feb. 5 at the old school. A spaghetti supper will be served, beginning at 5 p.m.

The music will begin at 6 p.m., with a good show lined up with area musicians. Bob Weeks of Eastland will be in charge of the program, and he and his sons will also play their violins.

The public is invited out for an enjoyable evening.

Game Day

Lone Cedar Game Day will be held Friday, February 5 at 10:00 a.m.

Ladies are invited to meet for a day of games of your choice. A delicious lunch will be served. Bring a partner and join us for a day of fun.

County Extension Homemakers Meet January 19

The Eastland County Extension Homemaker Council met at the Texas Electric Reddy Room at 10 a.m. on January 19, 1988.

We enjoyed a smoked turkey luncheon with salads.

Those attending from the Olden Extension Club were Hazel Barron, Rosemary Ferguson and Rena Kirk.

Obituaries

Kathleen McKeehan

BROWNWOOD– Kathleen (Mrs. Jack) McKeehan, 76, died Monday at a Beaumont hospital.

Services were at 10:00 a.m. Wednesday at the Davis- Morris Funeral Home Chapel with the Rev. Bill Johnson officiating. Burial was in the Eastlawn Memorial Park.

Born in Sipe Springs, she moved to Brownwood in 1954.

Engagements

Rose - Lucasey

Mr. and Mrs. Tommy Rose of Eastland announce the engagement of their daughter Tammy Lea to Patrick Thomas Lucasey, son of Mrs. Carolyn Littlepage of Hawaii.

Both Tammy and Patrick attended Eastland High School. Patrick graduated in 1981.

The wedding will take place February 6th at Calvary Baptist Church at 7 p.m.

After their Honeymoon, the couple will be making their home in Eastland.

Rear - Pierce

Mr. and Mrs. Eddie Bilger of Eastland are proud to announce the engagement and approaching marriage of their daughter, Misty Michele Rear, to Jimmy Dewayne Pierce, of Abilene and son of Mr. and Mrs. A.J. Owings of Brownwood.

The bride-elect is currently a Junior at Cooper High School in Abilene.

The future bridegroom graduated from Brownwood High School in 1985, attended Cisco Junior College for 2 years and is presently attending Texas Stenograph Institute in Abilene.

The couple are planning a February 20, 1988 wedding, 7:30 p.m. in the First United Methodist Church in Ranger.

All family and friends are invited to attend and a reception will be held in the Church immediately following the wedding.

"Employee Of The Month"

Crickett Henley

The residents met at their monthly resident's council meeting and voted for Employee of the Month. Crickett Henley was chosen as "Employee of the Month" for January 1988.

Crickett is the Activity Director at Valley View Lodge and has been an employee for almost 2 years. She has a very deep love and concern for the elderly and expressed that it was a special privilege and honor to be chosen by the residents as "Employee of the Month."

Crickett is shown in picture being presented a "Certificate of Recognition" from her Administrator, Jerry Underwood. She also received $10.00 and the privilege to park in the "Employee of the Month" parking space.

Wedding Bells

Mr. And Mrs. Scott

Betty Charlyn Burton and Theo Dick Scott were married on December 26, 1987, in the Church of Christ Fellowship Hall.

Betty Scott is the daughter of Mr. and Mrs. Audy Moore of Cisco. She is a first grade teacher at Cisco Elementary School and the mother of David and Cynthia Burton.

Theo Scott is a mechanic and has two sons. Craig Berryman is in the U.S. Army stationed in Georgia. Joe Berryman, an 8th grader, will live in the home.

The couple will reside at 1410 Avenue O, in Cisco.

Toby Long Wins First Place

Fort Worth-Toby Long, a 4-H member from Rising Star, entered "Toby's Pepsi" and won 1st Place in Late Summer Yearling Simmental Heifer class at the 92nd Southwestern Exposition and Livestock Show Sunday, January 24th.

Baptist Revival To Be Held At Union Center Sunday Jan. 31

Starting Sunday, January 31st, Dwaine Clower of Mangum and Terry Moffett of DeLeon will be leading in a Baptist Revival at the Union Center community building on Highway 183 between Cisco and Rising Star. Services will be conducted at 11 a.m. and in the evening at 7 p.m.

This revival meeting is designed to explore the probable relocation of the Long Branch Baptist Church building to some point on Highway 183 between Romney and Union Center.

Each night, there will be special music and inspiring sermons. The music will consist of groups or singers from the area such as, the Solid Rock Singers from Mangum, Forever His Singers from Breckenridge (will sing Friday) and Richard Rossander from Eastland (will have a mini concert on Wednesday), plus others nightly. Some of the sermon topics will be Preparation for Meeting God, Game of Life, One Sufficent Refuge, The Danger of Delay, and The Peril of Resisting God, plus more.

The Long Branch Baptist Church disbanded last year, and assigned all of its assets to be used by the Cisco Baptist Association in an effort to start a new congregation on Highway 183. Survey workers have been doing a church survey and found about 50 persons who have expressed an interest in the new church.

County Soccer Meeting Tues.

The Eastland County Soccer Association will have a Board meeting, Tuesday evening, February 2, at 7:00 p.m., at the Eastland National Bank Community Room.

All Board members, coaches and interested persons are encouraged to attend. Start dates will be decided upon for the Spring playing season.

If you have any suggestions, please be at this meeting. Thanks.

Eastland Kiwanis Club To Present The Stars Of Gospel Music

The Eastland Kiwanis Club will present The Stars of Gospel Music at the Majestic Theatre on February 20 featuring The Crystal River Gospel Group of Lubbock and The Solid Rock Gospel Group from Mangum Baptist Church.

The proceeds will go to Special Olympics Children Youth Programs in Eastland County.

Tickets in advance are $5.00 for adults and $3.00 for children. Tickets will be $1 higher at the door. For tickets call 629-3407.

The Next Best Thing -

.....to a clear conscience and a good night's sleep is the feeling of security in owning your own home with with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then becomes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CISCO TEXAS:

SECTION 1. That the City of Cisco, Texas hereinafter called "City", hereby grants to Lone Star Gas Company, a Division of ENSERCH CORPORATION, hereinafter called "Company", its successors and assigns, consent to use and occupy the present and future streets, alleys, highways, public places, public thoroughfares, and grounds of City for the purpose of laying, maintaining, constructing, operating, and replacing therein and thereon pipelines and all other appurtenant equipment needed and necessary to deliver gas in, out of, and through said City and to sell gas to persons, firms, and corporations, including all the general public, within the City incorporate limits, said consent being granted for a term of twenty (20) years from and after the date of the final passage and approval of this ordinance.

shall lay, maintain, construct, operate, and replace its pipes, mains, laterals, and other equipment so as to interfere as little as possible with traffic and shall promptly clean up and replace or restore, at its cost, such streets, alleys, thoroughfares, and other surfaces which it may disturb in the same or as good condition as before such work was done. The location of all mains, pipes, laterals, and other appurtenant equipment shall be fixed under the supervision of the City or an authorized committee or agent appointed by said City.

SECTION 3. When Company shall make or cause to be made excavations or shall place obstructions in any street, alley, or other public place, the public shall be protected by barriers and lights placed, erected, and maintained by Company; and in the event of injury to any person or damage to any property by reason of the construction, operation, or maintenance of the gas distributing plant or system of Company, Company shall idemnify and keep harmless City from any and all liability in connection herewith. Company shall repair, clean up, and restore to an approximate original condition all streets and alleys disturbed during the construction and repair of its gas distributing system.

SECTION 4. In addition to the rates charged for gas supplied, Company may make and enforce reasonable charges, rules and regulations for service rendered in the conduct of its business including a charge for services rendered in the inauguration of natural gas service, and may require, before furnishing service, the execution of a contract therefor. Company shall have the right to contract with each customer with reference to the installation of, and payment for, any and all of the gas piping from the connection thereof with the Company's main in the streets or alleys to and throughout the consumer's premises. Company shall own, operate and maintain all service lines, which are defined as the company lines extending from the Company's main to the Customer's meter where gas is measured by Company. The consumer shall own, operate, and maintain all yard lines and house piping. Yard lines are defined as the underground supply lines extending from the point of connection with Company's customer meter to the point of connection with consumer's house piping.

SECTION 5: Company shall not be required to extend mains on any street more than fifty (50) feet for any one consumer of gas.

SECTION 6. Company shall be entitled to require from each and every customer of gas, before gas service is commenced, a deposit in an amount calculated pursuant to the Company's Quality of Service Rules as may be in effect during the term of this franchise. Said deposit shall be retained and refunded in accordance with such Quality of Service Rules and shall bear interest, as provided in Tex. Rev. Civ. Stat. Ann. art. 1440a (Vernon Supp. 1987) as it may be amended from time to time. Company shall be entitled to apply said deposit, with accrued interest, to any indebtedness owed Company by the consumer making the deposit.

SECTION 7. The rights, privileges, and franchises granted by this ordinance are not to be considered exclusive, and City hereby expressly reserves the right to grant, at any time, like privileges, rights, and franchises as it may see fit to any other person or corporation for the purpose of furnishing gas for light, heat and power to and for City and the inhabitants thereof.

SECTION 8. Company shall furnish reasonably adequate service to the public at reasonable rates and charges therefor; and Company shall maintain its property, equipment, and appliances in good order and condition.

SECTION 9. Company, its successors and assigns, agrees to pay and City agrees to accept, on or before the 31st day of January, 1988, and on or before the same day of each succeeding year during the life of this franchise, the past payment being made on the 31st day of January, 2008, a sum of money which shall be equivalent to two percent (2%) of the gross receipts received by Company up to the effective date of this ordinance from the sale of gas to its domestic and commercial consumers within the corporate limits of said City (expressly excluding, however, receipts derived from sales to industrial and governmental users and consumers in said City) and four percent (4%) for the balance of the 1987 calendar year from the sale of gas to its domestic, commercial, and industrial customers, and a sum of money which shall be equivalent to four percent (4%) of said gross receipts for each preceding calendar year thereafter from the sale of gas to its domestic, commercial, and industrial customers, which annual payment shall be for the rights and privileges herein granted to Company, including expressly, without limitation, the right to use the streets, alleys, and public ways of said City. And it is also expressly agreed that the aforesaid annual payment shall be in lieu of any and all other and additional occupation taxes, easement, and franchise taxes or charges (whether levied as an ad valorem, special, or other character of tax or charge), in lieu of municipal license and inspection fees, street taxes, and street or alley rentals or charges, and all other and additional municipal taxes, charges, levies, fees, and rentals of whatsoever kind and character which City may now impose or hereafter levy and collect, excepting only the usual general or special ad valorem taxes which the City is authorized to levy and impose upon real and personal property. Should City not have the legal power to agree that the payment of the foregoing sums of money shall be in lieu of taxes, licenses, fees, street or alley rentals or charges, easement or franchise taxes or charges aforesaid, then City agrees that it will apply so much of said sums of money paid as may be necessary to satisfy Company's obligations, if any, to pay any such taxes, licenses, charges, fees, rentals, easements or franchise taxes or charges.

In order to determine the gross receipts received by Company from the sale of gas (expressly excluding the sale of gas to governmental consumers) within the corporate limits of City, Company agrees that on the same date that payments are made, as provided in the preceding paragraph of the Section 9, it will file with the City Clerk a sworn report showing the gross receipts received from the sale of gas to its domestic and commercial consumers within said corporate limits for the calendar year preceding the date of payment. City may, if it sees fit, have the books and records of Company examined by a representative of said City to ascertain the correctness of the sworn reports agreed to be filed herein.

Receipts from sales to governmental users or consumers shall include all those receipts derived from the sale of gas to federal, state, county or city governments or branches and subdivisions thereof, school districts, or other similar districts, it being the intention to include within the term "governmental users and consumers" all tax-supported institutions owned or operated directly or indirectly by said governments and branches or subdivisions thereof, such as schools, colleges, hospitals, eleemonsynary institutions, army or training camps, airports, courthouses, city hall, and other institutions of like or similar kind and character.

The payment herein provided shall be for the period January 1 to December 31 of the respective year that the payment is made.

SECTION 10. When this franchise ordinance shall have become effective, all previous ordinances of said City granting franchises for gas distribution purposes which were held by Company shall be automatically cancelled and annulled, and shall be of no further force and effect.

SECTION 11. Company shall file its written acceptance of this franchise ordinance within 60 (60) days after its final passage and approval by said City.

SECTION 12. In order to have this ordinance passed and in effect prior to the first of the 1988 calendar year, the City Council declares an emergency and that the provision of the Charter of the City of Cisco calling for two readings of an ordinance be dispensed with, and that this ordinance take effect as an emergency measure immediately upon its passage and approval.

PASSED AND APPROVED on this 8th day of December, 1987.

Lady Loboes Defeated By Dublin

By SUSIE ENDSLEY

The Cisco High School Varsity Lady Loboes were upset by Dublin in a game played here Tuesday night. This was a good game. The Lady Loboes had a weak third quarter, scoring only 4 points to Dublin's 16. This is the fifth loss for the Lady Loboes. Their record is 1-5. Last Friday, the Lady Loboes defeated Hico for their only win.

At the half, Dublin led by 5 points. The score was 28-23. The Lady Loboes played tough, but Dublin held the lead and went on to win 58-45. Cheryl Dowdy, a 6'0 junior, led the Lady Loboes in scoring with 15 points. Cheryl has been the top scorer the last few games. She is doing an incredible job. Congratulations Cheryl!

The Lady Loboes played Eastland in Eastland Friday night and will play Ranger here Tuesday. All four teams will play with games beginning at 4 p.m.

Thanks to all the people who came to the game and brought washrags. Thanks for shaking them in support of CHS. It was a great sight to see yellow rags spinning around and being shaken everytime Cisco scored. It is refreshing to see townspeople care and support youth in every activity. Thanks for the encouragement given! Now don't ever forget your washrags. Be sure to wear school colors, too!

Go out and root on the Lady Loboes and the Loboes. Whether we win or lose, let's be No. 1.

The statistics for the game are as follows:

LADY LOBOES (45)– Dee Wages 6 2-2 14, Leigh Callarman 1 0-0 2, Krista Shepard 0 2-6 2, Lori Justice 1 1-1 3, Cindy Choate 4 1-5 9, Cheryl Dowdy 5 5-8 15. Team totals: 17 11-24 45.

DUBLIN (58)– Spurger 3 2-pointers, 2 3-pointers, 2-3 14, Jones 4 4-4 12, Armstrong 2 1-2 5, Harbin 2 0-2 4, Dirkse 7 0-0 14, Bronniman 1 1-3 3, Freeman 2 2-2 6. Team totals: 21 2-pointers, 3 3-pointers, 10-16 58.

Durel Reid Speaks At Lions Club

Durl Reid of Eastland spoke to the Cisco Noon Lions Club at their regular meeting held last Wednesday at Traditions Restaurant.

Mr. Reid, who is with the Welfare program in Eastland County explained some of the welfare programs in this area. He spoke about the types of welfare including welfare in nursing homes and food stamp welfare.

Twenty two Lions Club members attended the meeting according to Roy Dennis, Lions Club president.

From Page One ....

At the end of the banquet, everyone checked to see if a number was taped to the bottom of their chair. It there was, they won a bouquet of flowers that decorated the tables.

Evelyn Valek, who was sitting next to me, had the winning chair. She got to take home a lovely basket of flowers.

My niece, Ladonna Clements won the girl's academic excellence award from CJC. Her whole family sure is proud of her.

—

A gentleman stopped by The Press last Wednesday and said he was a little upset. This man has always bragged on the youth in Cisco. He is retired now and has a little trouble with arthritis every once in a while.

This man said he went to the grocery store last week and he was having to walk pretty slow since he was having a lot of trouble that day.

He said a girl, anywhere from 18 to 20 years old was behind him when he was going into the door at the store, and she was in a hurry. She told him real loud, "Why don't you just go home."

Well, it hurt this man's feelings pretty bad. He said he didn't say anything to the girl, but when he told the sacker boy about it, the young man wanted the man to tell him who this young girl was so he could ask her to not to do say things like that again. But he was going to ask her with the help of his foot.

The gentleman said the kids in Cisco are all good kids and he couldn't understand why one of them would act this way.

I hope it never happens again.

City Council Holds Regular Meeting Tuesday

The City of Cisco collected 72% of the current taxes in December of 1987, according to Mike Moore, city manager, at the regular meeting of the Cisco City Council held last Tuesday at City Hall. Moore said 12% of the delinquent taxes was also collected.

Moore also told the council members during the financial report, that the city of Cisco collected 34% of the revenue of the estimated 1987-88 budget.

In other matters, Moore asked the council if they had any objections with him going to the Texas State Appeal Court in Austin to appeal the surcharge by WTU. Moore said this appeal case is with the main company of WTU, not the local office in Cisco. Moore said there is a good relationship between the employees of the Cisco WTU office and City Hall.

Council members agreed that Moore should go to Austin to work on the appeal case.

Council members also approved the speed limit ordinance requested by the Texas Highway Department revising the speed limits on the north and south I-20 access roads.

Council members agreed to the revision in the oil and gas lease with Thomas Canan reducing the city's royalty interest from 33 1/3% to 20%.

The Council approved the oil, gas and mineral lease with EP Operating Company for 247.8 acres out of section 500, S.P.RR. Co. Survey, A-876.

City Manager Moore told the council he was approached by Action Telcom Co., about the City of Cisco using their service in the City Hall, Fire Station, City Barn, and Water Shop.

Moore told the council members the Action telephone lines will save the City approximately 20% on long distance phone calls. Moore said the city of Cisco will not be under any contract. He said he was impressed with the explanations given to him by the Action representative.

Council members told Moore to find out more information about the installation.

City Manager Moore and council members discussed several ideas for the economic development strategies for the City of Cisco. Mayor Joe Wheatley asked council members and the city manager to keep their eyes and ears open for any ideas that will help the City of Cisco encourage new businesses to come in and build.
