Burial was in Colorado City Cemetery under direction of Kiker and Son Funeral Home.

Mr. McShan died shortly after 5 p.m. Monday in his home of an apparent heart attack.

He was a member of the All Saints Episcopal Church.

All Saints Eucharist Friday Night
All Saints Episcopal Church will observe the annual Eucharist in services set for 11:30 the night of Friday, Dec. 24, Christmas Eve.

The Rev. Harland Birdwell will officiate at the Holy Communion hour, planned as a service of thankfulness.

Members of All Saints Church and their vicar, Rev. Birdwell, invite church friends and worshippers of any faith to attend the Eucharist, which is offered as one of the church's most impressive services throughout the year, said the Rev. Birdwell.

Bogus Bills Back Again
A bogus \$10 bill was found in Colorado City Wednesday.

The bill was discovered as Joe Moser, local wholesale produce businessman, took his deposit to the local bank.

Chief of Police Leon Yeager warned local residents to be on the lookout for more such bills. Serial number on the back of the bill is 1828 and front K407.

(This is the second in a three-part series taken from data collected from various groups studying the needs and areas of improvement for the Colorado Independent School District. The information in this article was taken from ideas and suggestions put forth by the faculty of the school system. Of the approximate 100 questionnaires mailed, 55 were returned and the information here was taken from these. The information in no way reflects the opinions of this writer or of this newspaper.)

Participation by schools in this project included 95 percent from Primary, 72 percent from Hutchinson, 88 percent from junior high and 36 percent from high school. There were no replies from Wallace School.

The teachers were asked to answer on three areas of the various parts of the school program.

Two are discussed here with the final question being in the next issue.

First area was the asking of suggestions for improving the performances of the teachers.

Included in this area were such matters as pupil loads, clerical help, additions or deletions to the academic program, supplementary teaching aids, outside school related demands, grouping of pupils by intellectual capacity and library facilities.

Pupil load — Suggested maximum load was 21 pupils per class for grades 1-6. Some 24 teachers asked for

Ground Broken For Library In Wenesday Ceremony

Groundbreaking ceremony for the new Mitchell County Library was conducted at 9 a.m. Wednesday, at the construction site on Oak St. across from the county court house.

County Judge Elmer Martin welcomed the small crowd present to the memorable event and commended those on hand and other citizens working to make the library a reality for the community.

Mrs. George Witten, president of the County Library Board, offered comments to those present and noted her happiness in seeing construction getting underway on the project.

She then turned up the first shovel full of dirt denoting the beginning of construction on the new building.

In a Monday morning session the commissioners' court made final selection of contractor on the building and chose the low bidding firm of Burk and Millican Construction Co. of Odessa and San Angelo to do the work.

Their bid was \$39,380.

Final allocation for the purchase of library shelving and equipment was put off for a few days pending further investigation by the court and library officials into the quality and needs for the new facilities.

Other members of the Library Board on hand for the ceremonies were George Womack, Mrs. Harry Dockrey, Mrs. Rex McConney, Mrs. Austin McCloud and Mrs. Floyd Coffey.

Chamber of Commerce proxy and manager, Tandy Curlee and Mrs. Freddie Guitler, were also on hand along with other city and county officials.

The Beginning
OF CONSTRUCTION on the new Mitchell County Library was initiated by Mrs. George Witten, county library board president, as she turns over the first soil at the building site.

Local Men Reappointed
Luke Thomas and Wayne Griffin have been reappointed for two year terms on the Housing Authority Board for Colorado City.

Action was taken by the City Council in their December meeting at City Hall by unanimous vote.

The pair will serve terms ending Dec. 15, 1967.

Councilwoman Lena Porter moved for their appointment with a second from C. G. Harkins.

This Is To Santa Claus
Santa Claus, How are you? I am fine and thought you were happy. I want you to bring me some presents and I am happy, I hope you are to.

I want a bike and a bow and arrow. That will be all the toys I want and I am a good boy. I am seven years old and we live at 831 East 19th St. Can you come here? I hope you are real happy. I am, I like you Santa Claus.

The Beginning OF CONSTRUCTION on the new Mitchell County Library was initiated by Mrs. George Witten, county library board president, as she turns over the first soil at the building site.

ON SCHOOL PROGRAM

Faculty Offers Ideas

reduced pupil loads, but some noted their loads had improved.

Clerical help — Half of the teachers asked for clerical help. This included a majority in Primary and Hutchinson where many asked for secretarial help.

Capacity Grouping — Twenty-one requested grouping in various forms of pupils according to intellectual capacity.

Teaching aids — Some teachers asked for additional teaching aids, including larger budgets in each department, more money for elementary supplies, wall maps, reference books for each class, visual aids and special education facilities.

Some teachers said they still spent some \$25.50 per year on aids in spite of an increase from the school this year.

A speech book for junior high was requested.

It was the general thinking of the teachers that air conditioning of classrooms would enable the faculty and students to work more effectively.

Junior high teachers noted a lack of electric outlet plugs to use their present equipment such as projectors.

Library facilities — Teachers expressed a need for better libraries in all schools in addition to improvements already planned.

A librarian, more facilities, additional books and a card catalog were asked for Hutchinson.

A need for clerical help was cited in the junior and

Relationships — Five felt better liaison between teachers and the community and school board would be beneficial, but did not suggest ways to accomplish this aim.

Study — Almost all teachers would appreciate some type of additional training. Financial problems and the inability to leave families hamper some teachers study.

Suggestions included good in service training, workshops, summer courses offered here, refresher courses and travel tours.

Financial aid and leave of absence from school to enable teachers to study was requested often.

Many felt that visits to other schools and classrooms would give them new ideas; attendance at professional meetings, at school expense, would give them new perspectives.

Adult education — Teachers wished some program of adult education were possible to provide better liaison between home and school.

Mrs. Cecil Robinson
... Vows in Loraine Church

Miss Katrina Wells Is Bride Of Cecil Robinson

Wedding of Miss Katrina Wells, daughter of Mr. and Mrs. Roy Allen Wells of Loraine, and Cecil Robinson, son of Mr. and Mrs. Clinton S. Robinson of Hamlin, was solemnized Sunday afternoon, Dec. 19, at 2:30.

The couple, both seniors in McMurry College at Abilene, pledged their marriage vows in the First Methodist Church at Loraine. Dr. George J. Steinman, professor of Religion at McMurry College, read the double ring ceremony.

Wedding archway at the altar was covered with long-needed pine boughs and poinsettias. The altar's seven-branch candelabra were also covered with pine boughs and marked with a red velvet bow. Flanking the candelabra were tall potted poinsettias enlaced with red velvet bows.

Given in marriage by her father, the bride wore a gown of white Chantilly lace over bridal satin. The fitted bodice featured a jeweled Queen Ann neckline and sleeves which tapered to petal points over her hands. The skirt of nylon tulle was fashioned with panels of Chantilly lace in front and back. Her tulle bridal veil was fastened to a tiara of seed pearls. The bride carried a green orchid topped her white Bible.

Matron of honor was Mrs. C. L. Mendenhall, of Dallas, sister of the bride. Miss Joretta Hall of Odessa was maid of honor. Their identical dresses made of Kelly green peau de soie were designed in empire lines with floor-length skirts and elbow length sleeves. They wore Dior bows of velvet and brief veils of matching tulle and carried poinsettias.

Bridesmaids were Mrs. Adron Welch of Abilene and Miss Gloria May of El Paso. They wore gowns of mint green peau de soie with long bell-shaped skirts, fitted bodices, and elbow sleeves. Matching veils of tulle were held by Dior velvet bows. Their flowers were poinsettias.

Flower girl, Pam Mendenhall, niece of the bride of Dallas, wore a long dress of ivory

and carried a basket in two shades of green. The bride's nephew Allen Mendenhall was ring-bearer.

Candlelighters were Miss Earlene Alvis of El Paso and Mrs. Bobby Ward of Dallas. They were gowned in Kelly green peau de soie, designed with short bell skirts.

Toby Burkhardt of Abilene attended the groom as best man. David Bonds of Hamlin, Stanley Austin, of Hamlin, and Dennis Kelly of Abilene were groomsmen. Wedding ushers were Jackie Narrell of Loraine and Johnny Smith of Midland.

Music preceding the ceremony was played by Mrs. K. L. Taylor, organist. Soloist Arnold Marshall sang "Because," and "The Lord's Prayer."

Reception, hosted by the

bride's parents in Fellowship Hall at the church, had as members of the houseparty Miss Cindy Mahon of Loraine, Miss Barbara Mahon of Lubbock, Mrs. Bruce McKague of Midland and Mrs. Darrell Owen of Calvert. Miss Julie Babb of Abilene registered reception guests.

Bride's table was covered in lace over green. It held the bride's cake, crystal appointments, and flowers carried by the attendants. Table for the groom, laid in organza over red, featured a wedding candle, lit during the ceremony, silver coffee service and spice cake, decked with holly.

For a short honeymoon trip the bride chose a yellow wool suit with avocado green accessories and the green orchid from her bridal bouquet. The couple will live at 2117 Hunt St. in Abilene.

The bride, graduate of Lor-

aine High School, is a senior at McMurry where she is a member of the Gamma Sigma social club. Mr. Robinson, who will receive his degree in January, is a graduate of Hamlin High School. At McMurry he is a member of the Alpha Sigma Chi social club and the Letterman's Association.

Out of town guests attended the wedding from Abilene, Colorado City, El Paso, Dallas, Lubbock, Hamlin, Midland and Calvert.

Rehearsal dinner was given by the parents of the bridegroom, Saturday, in Henderson's Cafe at Loraine.

'Twas the Night before Christmas....

"... And all through the house, not a creature was stirring" ... except these two little rascals! Christmas is their day ... dreams of toys, and sweets, and games, and lots of wonderful things!

Christmas is for children, yes. But, Christmas is for grownups, too. It's a time to give, a time to receive. But, sometimes the spiritual side is overlooked; not deliberately, of course, but lost in the delightful chaos of cheer and joy and fun.

Then remind yourself, to go to church—your choice! Pause there to pray, to give thanks for all you have received; especially, that wonderful gift, the gift of God Himself, in His infant Son. Christmas is Christ's day, His birthday!

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

OVER FLOYDADA 71-70

Wallace Nets Close District Opener Win

The Wallace Wildcats required two overtimes to edge Floydada's Della Plains High School Hornets, 71-70, in a District 1-B basketball game played in Floydada.

Willie Brown, 6-5 Wallace center, took top scoring honors with 25 points. Wayne Russell and Curtis Taylor, added 16 and 15, respectively, followed by Melvin Williams, who hit nine, and Don Irvin, who bagged six.

Raythel Chatman was high for Floydada with 16, while receiving valuable assistance from Tommy Collins and Leon Collins, who bucketed 13 each for the Hornets.

In the girls' contest, Floydada downed the Wallace sextet, 42-26. Shirley Minner took game honors, hitting 24 for

Floydada, while Duvie Green led Wallace with 15. Joyce Lewey and Lonnie Williams hit four each, and Lanetta Bracy tallied three in a losing effort for Wallace.

The Wildcats led 18-9 after the first quarter; 30-24 at the half, and 46-43, going into the fourth period. The Hornets, however, came back to tie the score, 60-60, when Louis Williams flipped in two points with 20 seconds remaining in the period.

Russell's field goal gave Wallace a 62-60 lead but Curtis Jenkins' basket brought Floydada even, 62-62, sending the game into overtime.

Both teams scored a field goal in the first extra period, which ended 64-64. After Chatman drove in to give Floydada

a 66-64 lead, in the second over-time, Brown personally accounted for seven points in succession to give Wallace a 71-66 margin, 15 seconds before the end of the period.

Tommy Collins reduced the margin to 71-68 on a long jump-shot, and then scored again for Floydada on a lay-up after stealing the ball from the Wildcats three seconds before the end of the game.

Floydada held a slight margin in rebound and field goal statistics, edging the Wildcats 25-14 in rebounds, and connecting on 31 of 30 field goal attempts, for 39 per cent, while Wallace hit 20 of 56 for 36 per cent. Wallace, however, capitalized on its superiority at the free throw line, racking up 31 free throws on 48 attempts for 65 per cent, while Floydada hit only eight of 24 for 33 per cent.

Westbrook Wins Second In Tourney

Westbrook Wildcats captured second place in a basketball tournament held in Stanton December 16 through 18, after having defeated Sands and Coahuila.

The Wildcats lost to Stanton Buffaloes 68-56 with Elmer McMahon bagging 23 points. All tournament picks included David Rich and Elmer McMahon from Westbrook.

In the girls' division, Westbrook placed third. They won over Sands and lost to Coahuila by 2 points, then defeated Clint 54-44 to win third Darlene Lankford netted 33 points in the final game and also made the all-tournament team.

Both teams will journey to Trent to participate in a tournament there December 30 and 31 and January 1.

DUMPS WALLACE

Dunbar Avenges Earlier Defeat

Avenging a 69-60 defeat by the Wildcats earlier this season, Lubbock's Dunbar Panthers trimmed the Wallace quintet, 80-59, in a non-district basketball game played in the Wallace Gym.

James Gary led the Panthers with 31 points, while James Johnson had 18 and Larry Blaylock had 10. Curtis Taylor paced the Wildcats with 25, while Willie Brown tossed in 15, and Don Irvin bagged 11.

Other Wallace scorers were Melvin Williams and Wayne Russell, who managed six and two, respectively.

The Lubbock quintet also won the B game, 100-32. Wayne Davis pumped in 24 for the winners, while Ken Johnson

OVER TEXAS

Safety Group Warns Drivers

The Texas Safety Association today issued its annual "Accidental Death Alert" for the Christmas-New Year's holiday period and called on citizens for support of traffic law enforcement to reduce the holiday death toll.

"Law enforcement officers and agencies officially responsible for the welfare of the people of our state need the cooperation and support of every citizen if we are to prevent a tragic loss of life on our streets and highways during the holiday season," S. Ross Carr of Houston, TSA President, said.

It has been estimated that 110 persons will be killed in traffic in Texas during a 10-day period, beginning at 12:01 a.m. Friday, December 24 and ending at 11:59 p.m. January 2, 1966.

This is the period designated by the Association for the "Accidental Death Alert" which includes all types of accidents. It coincides with the period set for the annual "Operation Deathwatch" of the Texas Department of Public Safety.

The Association is joining the DPS, the Texas Highway Department and other groups in a coordinated safety program aimed at reducing accidental deaths during the holiday period.

Carr also urged citizens to be on the alert for other hazards, such as fires in the home, falls and hunting accidents. It is estimated that an additional 42 persons will be killed in accidents other than traffic and that 43 persons will die as suicides and homicides.

In closing, the Association president challenged citizens to put safety first — "whether at home, at play, at work or behind the wheel of an automobile."

was high for the Wildcat junior varsity with 12.

In the varsity game, the score was tied at 15 after the first quarter, but the victorious Panthers held a 35-28 lead at halftime, and carried a 62-45 margin into the final period.

Early in the fourth quarter, the Wildcats staged a desperate last-ditch rally which brought Wallace within seven points, 62-55, on field goals by Taylor and Brown, and two free throws each by Williams, Irvin, and Taylor. At this point, the Panthers hit ten points in rapid succession to regain their 17-point margin, 72-55, with 2:35 remaining to play, and for all practical purposes, the game was over for the Wildcats.
