Tidelands Bill Likely Will Be Revived Again

Approval Of Loan To United Nations Also To Be Asked

(By The Associated Press)

WASHINGTON, July 20—The White House said today President Truman will ask the Senate next week to ratify the international wheat agreement immediately.

Mr. Truman also will ask Congress to approve the proposed $65,000,000 loan to the United Nations for the erection of permanent headquarters in New York City.

Part Of Program

Presidential Secretary Charles G. Ross said both actions are part of the President's program for relieving international tension and promoting world peace.

Ross said Mr. Truman has not decided yet whether he will deliver his message or messages to Congress in person or send them to Capitol Hill next week.

He said drafting of an anti-inflation bill is just being started. Ross said he does not have any information whether the President will ask for price controls on meat or other commodities.

Bill Is Not Drafted

Asked about the cost-of-living bill, Ross said:

"The whole subject is still being studied. The bill has not been drafted yet."

The Republicans have a chance in the extra session to nail down one plank in their party's 1948 platform which Mr. Truman doesn't like.

This is a bill to give the states clear cut title to coastal lands lying in a three-mile belt beyond the low tide mark. Some of these lands are oil-rich. The bill has been passed by the House. It was shoved aside by the Senate in the closing rush of the regular session last month, although listed as desirable by the Senate GOP policy committee.

Now it may come up for Senate consideration.

Was Not Ratified

The wheat agreement was submitted to Congress last April 30. It was not ratified although hearings were held by a Senate foreign relations subcommittee.

The agreement called for approval by participating nations before last July 1. Ros said the

Defense Rests In Trial Here

The defense rested just before Judge G. V. Pardue recessed 99th district court for the noon hour in the murder trial of former Dep-Constable Walter Eckels of Slaton.

Eckels took the stand in his own defense, and attempted to convince the jury that he did not intend to kill Clyde Tune May 22 in the railroad yards at Slaton.

Fired Into Air

He said he fired two shots into the air, a third time to the left of where Tune and a companion were running away from a train.

State witnesses Monday had testified that Eckels fired three shots, all at the two men, and that the second shot struck Tune mortally. Tune, they said, fell forward on his face. Eckels, state witnesses said, then fired a third time toward the two men.

VICTIM MAKES DYING STATEMENT

H. M. Duty Charged In Fatal Shooting

★ ★ ★

H. M. DUTY

Hildred Milton Duty, 28, of 820 Ave. J, a taxicab driver, ex-convict and former soldier who said he was given a medical discharge from the armed service after 1,027 days of being AWOL, this morning, was denied bail in connection with a charge that he murdered James W. Hickman, 55, o. 701 Thirty-first, with malice aforethought at 9:35 p. m. here Monday.

The charge was sworn to by City Detective Lee Rice, jr., and filed by District Attorney Lloyd Croslin in the court of D. W. Robertson, justice of peace. It will be investigated by an Aug. 9 grand jury in the 72nd district court of Judge Dan Blair.

Dying Statement Made

In a dying declaration made by the victim at West Texas hospital, Hickman told Croslin that his daughter, Oleta, about 27, had "turned Duty down" about six months ago and that "it has been hell since then."

He said he, his wife and his daughter had been threatened with death since he and Duty were taken into court on a March 15 charge that they were carrying guns illegally.

He told Croslin, before his death at 11:30 p. m. on an operating table, Duty pulled a gun on him on one occasion, a long knife on another, both recent occurrences.

Threats In Letters

Also, Hickman said, he and the daughter had received threats in letters.

Hickman, yardmaster here for the Santa Fe railroad, gave Croslin this account of the Monday shooting—after having been informed that he apparently was about to die:

Hickman went to a cafe just west of the city bus station, he began, and drank coffee. He was en route to work, and was carrying his lantern.

Saw Duty Across Street

He said he saw Duty standing across the street northward from the bus station when he went for coffee. Duty was still there when Hickman came out of the cafe, the victim said.

Then, Duty motioned for Hickman to come across the street to where Duty stood, Hickman said. First accounts of the shooting erroneously said Hickman motioned to Duty, officials said this morning.

Hickman told Croslin that he believed Duty wanted to talk with

Man Confesses To Burglaries

One of two Lubbock men arrested by a sheriff's patrol in the night after allegedly loading a pressure pump and tank into their car confessed today that he and his companion had committed seven burglaries recently here, it was announced this afternoon.

Dep. Sheriff Earl Horton and Texas Ranger Razz Renfrow, who took the statement, planned this afternoon to seek recovery of additional property, chiefly plumbing fixtures admittedly taken from residences under construction.

Two Are Surprised

The arrests were made by Deps. Sheriff Carl Francis and F. A. Bolen, who were cruising on North College Ave., on the south side of the canyon.

They surprised the two defendants, who had not been charged this afternoon, and pinned them in the glare of flashlights. The pump and tank were in the men's car

The man who made the confession is 27, his companion 22 and an ex-convict, Horton said he and Renfrow had been told.

Burglaries Listed

The statements said that the following burglaries had been done by the two:

July 2, they entered the B. (Red) Black residence at 4701 Thirty-fifth and took a lavatory, a commode, and light fixtures.

July 3, they burglarized two houses in Gordon Bozeman addition three miles from Lubbock on the Idalou highway, and took

American Families To Stay In Berlin

FRANKFURT, Germany, July 20. (AP)—American wives and children will remain in blockaded Berlin, Gen. Lucius D. Clay said today.

The U. S. military governor said there had been no move to evacuate the dependents of Americans stationed there. He said those desiring to leave were given a chance several weeks ago.

MILWAUKEE, July 20 (AP) —Here's something new in divorce settlement—a new car every year.

Circuit Judge Otto H. Breidenbach approved the terms yesterday for Mrs. Elsie Jaeger, 49.

Her husband is an automobile dealer.

Jaeger also must pay all maintenance and repair costs on the new cars. In addition, Mrs. Jaeger gets the home he lives in, $17,500 in cash and monthly alimony of $300.

Germans Are Skeptical Of Russian Plan

Soviets Seek To Discredit Allies With Propaganda

(By The Associated Press)

BERLIN, July 20.—With great propaganda fanfare the Russians announced today that they were prepared to supply food for all Berlin including the 2,000,000 German inhabitants of the western sectors whom they have blockaded for more than a month.

They claimed they would be able to do this with 100,000 tons of bread grains imported from the Soviet union.

The Soviet food was not available for the present. Shippers sent into the Russian sector of the city to buy rationed foods found that storekeepers refused to honor their coupons.

Offer Limited Amount

It was held likely the Russians would put a limited amount of food on the market for its propaganda value, but not enough to supply all needs.

An announcement by the official Soviet news bureau told western Berliners they must buy this food with Soviet-sponsored German currency which circulates here as a rival to the western-sponsored deutschemark.

The announcement was timed to coincide with a statement by the Western Allies that they were unable because of the Russian land blockade to deliver proposed increases in food ration scales for

Clay Will Fly Back To U.S.

FRANKFURT, Germany, July 20 (AP) —Gen. Lucius D. Clay, U. S. commander in Germany, was summoned to Washington today to report on the Berlin crisis.

Clay will fly from Frankfurt tonight or tomorrow, accompanied by his political advisor Ambassador Robert D. Murphy.

The full nature of their talks in Washington was not disclosed. Officials said only the two men would report to the Department of the Army on the situation in Germany.

May Decide Next Step

It was expected here, however, that the report of the two top policy makers in Germany may play a big part in deciding the next American step in the battle to break the Russian land blockade of Berlin.

Sharp counter measures have been reported under consideration since Russia's unyielding reply to the protests of Britain, France and the United States

One proposal is that the Russians be served an ultimatum that unless the blockade is lifted, an armed supply convoy will be forced through the Russian barriers

General Clay denied today that such a drastic move had been recommended by his headquarters. But he tacitly acknowledged

More Jet Fighters Will Go Overseas

LONDON, July 20 (AP) — The deputy U. S. consul in Glasgow said today the American aircraft carrier Sicily will land 75 jet-propelled Shooting Star fighters in Scotland Aug. 4, to bolster American fighter strength in Germany.

The U. S. Air Force in Wiesbaden, Germany, confirmed this, as did sources in London who refused to be quoted by name.

An American official in Germany commented—"we are very happy to have them." He said the jets comprised a full group of fighters, adding that he did not know how long they would remain in Europe.

Navy Stages Mock Battle For Hawaii

ABOARD THE USS IOWA, Off Hawaii, July 20 (U.P.)—A mock battle for the Hawaiian islands began today in a test of the U. S. Navy's newest defenses against air power and submarines.

Four ships of the navy's Task Force 12 tried to evade "enemy" search planes which took off from Oahu to locate the "invaders." Seven submarines also were looking for the task force to simulate torpedo attacks. Task Force 12 includes the battleship Iowa and three cruisers, the Pasadena, Astoria and Springfield.

The climax of the maneuvers will be reached July 30 with the sinking of the radioactive battleship Nevada.

Downpour Inundates Two Communities

Kansas Town Is Evacuated As River Goes On Rampage

(By The United Press)

EMPORIA, Kans., July 20—Boat crews today evacuated the population of small Saffordville, 12 miles west of here on the rampaging Cottonwood river, as the stream headed for the highest mark it has ever reached here.

Saffordville has a population of about 100 persons.

Fire department boats, manned by naval reserve crews equipped with walkie-talkie equipment, was rushed to the community today as near cloudburst rains poured additional weight of water into the choked Cottonwood.

The entire town of Saffordville was inundated. Elmdale, west of Saffordville, also was reported under water.

Company B of the National guard and the Naval Reserve Electronic warfare company were furnishing the short wave communication equipment and the men to operate it in the rescue work. Radio operators from a local club were assisting.

The Red Cross also was assisting in the work.

The Cottonwood was expected to crest here tonight at 28 feet, two-tenths of a foot higher than the previous record high in April, 1944. South of here, the Cottonwood was rising six to eight inches an hour. The Neosho, north of here, stood at 23.6 at 7 a. m.

Japanese Communist Leader Target For Would-Be Killer

(By The Associated Press)

TOKYO, July 20—A new labor drive for political power can be expected to follow last night's attempt to assassinate Communist Leader Kyuichi Tokuda.

Behind that will be a sharper clash between radicals and conservatives — with only the presence of General MacArthur's troops preventing what MacArthur himself once predicted could be "a blood bath."

"Communism No Good"

A former Communist, brought home to Japan from a wartime Russian prison camp, threw a dynamite-filled pop bottle at Tokuda. "Communism is no good for Japan," he told police to whom he surrendered.

Tokuda was speaking at a political rally in Saga City, Kyushu, when the bomb was thrown from a balcony by Ichiro Koga, 27-year-old coal miner.

It burst near Tokuda's feet, just

AMARILLO, July 20 — The Conley removal hearing, in which the commonwealth of Massachusetts seeks to return ex-GI Louis Bob Conley to the northern state on an indictment alleging fleeing to avoid prosecution and of assault with a deadly weapon, has been recessed until Monday.

The hearing has been described as a contest between the North and South, with the South represented by Conley and the North by his ex-wife, Mrs. Lucille Conley

Mrs. Conley Arrives

Mrs. Conley came from Brockton, Mass., to appear as a witness in federal district court against her ex-husband, who allegedly took their three-year-old daughter, Lynette, by force and brought her to Texas.

Officials said the case, being heard by Federal District Judge Joe B. Dooley, has attracted the largest crowd in the history of the courtroom.

The case was recessed yesterday afternoon in order that additional evidence, and possibly another witness, might be obtained.

Objections Are Raised

Mrs. Conley did not testify yesterday, because of objections raised by her ex-husband's attorneys. Court was recessed before a ruling was issued on the legality of her testimony. U. S. District Attorney Frank Potter maintained Mrs. Conley is a competent witness.

The Conley case rose above the ranks of the routine when a Brockton probate judge, Harry K. Stone, advised Yankee women to have nothing to do with southern gentlemen.

Mrs. Conley had gone before the judge to tell how her husband had mistreated her, and had even hit her mother with brass knuckles. That was in a case not related to the alleged forcible removal of their pretty little daughter.

"Gets It In The Neck"

Judge Stone, from his bench, said: "Southern gentlemen would just as soon beat their wives as their horses. Every time a northern girl marries one of these southern gentlemen, she gets it in the neck."

The proceedings here got off to a slow start, featuring arguments on legal technicalities.

Conley still has custody of the child, and the mother has not seen the little girl.

E. A. Simpson, attorney for Conley, held the spotlight as the extradition hearing opened. He raised a legal issue which he hoped would prevent Mrs. Conley from appearing as a witness against her ex-husband.

LEVY MADE FOR COLLEGE BONDS

State Ad Valorem Tax Rate 42 Cents

(By The Associated Press)

AUSTIN, July 20.—A state ad valorem tax rate of 42 cents on the $100 valuation was set today by the automatic tax board.

This compares with the current 72 cents and with 37 cents levied two years ago.

The new rate consists of 35 cents per $100 valuation for the available school fund, two cents for the Confederate veteran pension fund, and five cents for college building bonds. No levy was made for general revenue purposes.

Still Up In Court

It was the first time the levy for college building bonds has been made under the constitutional amendment adopted at the polls last August. The amendment is still involved in court litigation.

State Comptroller George H. Sheppard was instructed by the tax board to hold up certification of the new tax rate, pending instructions from the attorney general on the mechanics of handling the revenue collected for college building purposes pending final disposition of the court fight.

Sheppard said that if the constitutional building amendment is held invalid by the court, the five cents levied under the amendment will have to be returned to the taxpayer.

Levy Is Mandatory

He said, however, that the levy was mandatory under the constitution and the tax board had no choice but to make the levy.

Sheppard reported an expected balance of $96,524,990 in the general revenue fund by the end of the 1948-49 fiscal year without the levy of the statutory 35-cent general revenue tax. Law permits the

Alien Agents Flood Nation

WASHINGTON, July 20 (AP) — State department officials have told Congress that at least several hundred known or suspected subversive foreign agents have entered this country as employes of the United Nations and similar organizations.

Robert C. Alexander, assistant chief of the department's visas commission, has testified to a Senate judiciary subcommittee that nothing can be done about it under present laws. The committee is studying immigration problems.

Covered By Immunity

He said such persons are covered by the international organization's immunity act.

"They are not subject to exclusion under our laws, even though we know that their coming here would not be in our best interests," Alexander testified.

"The question has arisen as to whether or not we are not going to build up in this country within the next few years a large number of people who have no sympathy with us or our form of government and whom we can't get rid of because no country will take them back," Alexander said.

Tito Patches Up Old Quarrel With U.S.; Payment Promised

(By The Associated Press)

WASHINGTON, July 20—By patching up an old quarrel with the United States, Yugoslav Marshal Tito fed new speculation today that he may be warming up to the west after falling out with Moscow.

An amicable settlement which his Communist government signed here yesterday met almost in full American demands denounced only a short time ago by Belgrade as exorbitant.

Among other concessions, Tito agreed to hand over $17,000,000 within the next six weeks to pay for American property the Communist regime has taken over in Yugoslavia.

Belgrade also will pay for two United States Army transport planes which Tito's fighters shot down in 1946.

In return Yugoslavia will receive some $30,000,000 in monetary gold which was shipped here in 1942 to keep it out of Axis hands. The gold supply thus was unfrozen just when Russia and some loyal Soviet satellites

Registration Days Set For Various Ages

Induction Of Men 19 Through 25 Is Set After Sept. 22

(By The Associated Press)

WASHINGTON, July 20—President Truman today issued a proclamation calling for the draft registration to start Aug. 30.

On that date, persons born in 1922 after Aug. 30 will register.

The proclamation also fixes the following dates for the registration of other youths between the ages of 18 and 26:

Dates Are Listed

1. Persons born in the year 1923; Aug. 31, and Sept. 1.
2. Persons born in 1924; Sept. 2 and Sept. 3.
3. Persons born in the year 1925, Sept. 4 or Sept. 7.
4. Persons born in the year 1926: Sept. 8-9.
5. Persons born in the year 1927: Sept. 10-11.
6. Persons born in the year 1928: Sept. 13-14.
7. Persons born in the year 1929: Sept. 15-16.
8. Persons born in 1930 before Sept. 19: Sept. 17-18.

Boys born on or after Sept. 19, 1930, under the proclamation, will be registered on the day they are 18 years old or within five days thereafter.

Compliance Is Asked

The President's proclamation called on the governors of each of the states and the territories of Alaska, Hawaii, Puerto Rico and the Virgin Islands and the commissioners of the District of Columbia to comply with the drafting program to "accomplish effective and complete registration."

There was nothing in the proclamation to indicate when actual induction into the armed services will begin. By law, the draft can't start until Sept. 22. That is 90 days after Mr. Truman signed the selective service act.

The draft law passed by Congress last month requires men 18 through 25 to register, although none can be drafted until reaching 19.

Enlistment To Start

Eighteen-year olds can avoid draft by enlisting for one year and then serving for a longer period in the reserves. Such enlistments will be accepted starting tomorrow.

Some 4,000 registration places will be used, as compared with 120,000 used before World War II, and 13,000,000 draft and registration cards have been prepared. The first registration is expected to total 9,600,000, with

More Rainfall Due For Area

A few widely scattered afternoon and evening thundershowers were forecast again for today on the South Plains, following rainfall in varying amounts Monday afternoon in the area.

The forecast as given by the U. S. Weather bureau station north of Lubbock called for partly cloudy skies today, tonight and Wednesday; a few widely scattered thundershowers this afternoon and tonight, and not much change in temperature. The Monday rainfall measurement at the station was .42 inch.

Reports In Area

Rainfall estimates obtained in the area included: Brownfield, one and one-half inches; Ropesville, one-half inch; Meadow one and one - fourth inch, Shallowater, one inch; Levelland, .42 inch; Morton, .25 inch; Abernathy, .60 inch; Whiteface, .23 inch; Hale Center, Littlefield, Anton, Muleshoe, Tahoka, Lorenzo and Petersburg, showers, and Floydada, Crosbyton and Ralls, a "few drops." Post, Snyder, Slaton, Idalou and Plainview reported considerable cloudiness but no precipitation.

A major electrical display knocked out several REA transformers near Ropesville, said Sheriff Ocie Murry of Brownfield.

Shell Blast Is Fatal To Fort Worth Man

FORT WORTH, July 20 (U.P.) — The work of five surgeons who labored for eight hours last night over John W. Skinner, 43, on the operating table, was for naught today.

Skinner died early today of injuries received from a souvenir shell picked up on an artillery firing range at Brownwood. He dropped the shell while cleaning his garage yesterday, and it exploded. His wife said he picked it up on a hunting trip last year near Camp Bowie.

Women Of Texas Expected To Vote In Droves On Saturday

BY MARTHA COLE
Associated Press Staff Writer

The women of Texas will vote in droves Saturday.

They have been working harder than ever this political summer.

Trying to make a family budget buck the high prices and keep their husbands and sons away from another World war got them interested.

They've been out helping their husbands run for office, running campaign headquarters and working on an organized program to arouse more interest in the state government.

Not True Anymore

"I've stopped making speeches about apathetic women," said Mrs. Martin Row, president of the Texas League of Women Voters. "It just isn't true any more."

The league, with 2,500 women in 25 local clubs over the state, has held candidates meetings, distributed literature and gotten on the telephone—anything to get out the vote.

"We don't care whom they vote for—just so they vote."

In the campaign headquarters of the three major senatorial candidates there are women more interested in where the vote goes.

Mrs. Gertrude Peddy is campaign manager for her husband, George Peddy. Mrs. Lady Bird Johnson sometimes follows her husband's helicopter around in a car and spends the rest of the time at his Austin headquarters. Coke Stevenson, whose wife died several years ago, has had the same office manager for all his campaigns, Amelia (Mallory) Buchanan.

New To Politics

Mrs. Peddy, a small brunette who generally has a smile, said she was new to politics except "in 1922 when George was a write-in candidate for the Senate and I would get mad whenever I saw the newspapers say anything against him."

Now her day begins at 8 a. m. at the Houston campaign headquarters and she stays until midnight or later.

"I don't leave the office all day and generally eat a hot dog or hamburger while holding a telephone in the other hand," she said. She has a business background of nearly 20 years work in her husband's office.

Lyndon Johnson has a statewide women's organization headed by Mrs. R. Max (Marietta) Brooks of Austin, with a chairman for each group in each congressional district, and for each county in the district. These groups provide volunteer workers to get out literature and letters and make personal solicitations.

Women In Forefront

Stevenson said in a speech: "I find that the women of Texas are right out in the forefront in this campaign." He said he received letters every day from housewives interested in his discussion of the high cost of living.

In Austin also is Mrs. William Murray, helping her husband run for railroad commissioner. Mrs. Murray is making a hand-shaking campaign herself, meeting people in the towns. She goes into the beauty parlors, too, for there, she said, the women under the hair dryers have to sit and listen.

Another woman familiar in the political scene is Miss Alla Clary, secretary to Sam Rayburn for many years. Brisk and efficient, she is helping him with his re-election race in his district this year.

Women running for public office in Texas are in a minority.

More In Local Races

From her ranch near Wichita Falls, Mrs. Edith Wilmans, a state worker in the Woman's Christian Temperance Union, is running a race against Ed Gossett in the 13th congressional district.

More are in county and local races.

Registered at the states rights convention in Birmingham, Ala., last week-end were Mrs. Cora Thompson of Houston and Mrs. I. Wright Barrett and Mrs. F. R. Carlton of Dallas.

Mrs. Carlton is executive vice president of the Southern Democrat club in Texas, which has many former Texas Regulars in its fold.

"We're going to get out and work now," Mrs. Carlton said after her return from Birmingham. "We're going to ask the state executive committee to put a referendum on the runoff ballot in August to let the voters decide whether they want the Truman or Strom Thurmond ticket."

McClellan Funeral To Be Held Today

Last rites will be read at 2:30 o'clock this afternoon at the First Baptist church in Mt. Vernon for Mrs. Melvina McClellan, 73, of 3420 Ave. Q, who died unexpectedly Sunday morning as result of a heart attack. Burial will be in Mt. Vernon under direction of Harvey Funeral home there.

Body of Mrs. McClellan was taken overland Monday to Mt. Vernon in a Bryan McDonald & Son Funeral home coach. She had resided in Lubbock for the past four years.

Survivors include three daughters, Mrs. Elaphine Lamb of Lubbock, Mrs. Ewing King of Post and Mrs. Jack Case of Dallas, and six sons, Jesse and Bryant McClellan of Lubbock, Morris and Ray McClellan of Post, Noah McClellan of Los Angeles, Calif., and Walter McClellan of Dumas.

Hale Center Infant Is Claimed By Polio

HALE CENTER, July 20 (Special)—Polio claimed its first victim here this year at 3 a. m. Monday—six-months-old Janett Lindsey Hicks.

The infant, daughter of Mr. and Mrs. Jack Hicks, had been ailing but not actually ill for about 10 days and had been receiving treatment in a Lubbock clinic. Sunday afternoon, while her parents were visiting friends, the child became very ill, and was rushed first to the Co-op hospital in Hale Center, and later to the Plainview hospital. Her illness was diagnosed as polio for the first time Sunday afternoon.

Funeral services have been tentatively set for this afternoon in First Baptist church here, pending arrival of relatives and friends.

Another Hale Center resident afflicted with polio, Mrs. Buck Ewing, is in an iron lung in a Plainview hospital and is responding to treatment. She was stricken about two weeks ago. Her condition has been described as still very serious, but prospects for her recovery are better. Her condition has improved to some extent in the past few days.

Relative Of FDR Is Claimed By Death

HYDE PARK, N. Y., July 20, (AP)—Mrs. Elizabeth Riley Roosevelt, 79, widow of James R. Roosevelt, half-brother of the late president Franklin D. Roosevelt, died yesterday.

Her husband, a second cousin of president Theodore Roosevelt, died in 1927.

She became James R. Roosevelt's second wife in 1914, several years after the death of his first wife, the former Helen Astor, sister of the late Coy. John Jacob Astor. Mrs. Roosevelt was a native of England.

Her husband was appointed by President Cleveland as charge d'affaires and secretary of the legation at Vienna. He served the second Cleveland administration as first secretary of the U. S. embassy in England. He devoted the rest of his adult life to business interests and philanthropic work.

One man recently took INNER-AID three days and said afterward that he ever would have believed his body contained so much waste substance. He says his stomach, intestines, bowels and whole system were so thoroughly cleansed that his constant headaches came to an end, several pimply skin eruptions on his face dried up overnight, and even the rheumatic pains in his knee disappeared. At present he is an altogether different man feeling fine in every way.

INNER-AID cantains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores. adv

Weak, Watery Blood Blamed for Making Men and Women Look and Feel Older

THAN THEIR YEARS

How do you feel at the end of a day? Is that old time pep and drive lacking? Have you checked-up on your blood strength lately? Thousands now regaining glowing good looks and vitality through the release of vibrant energy to every muscle, fibre, cell.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a general run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

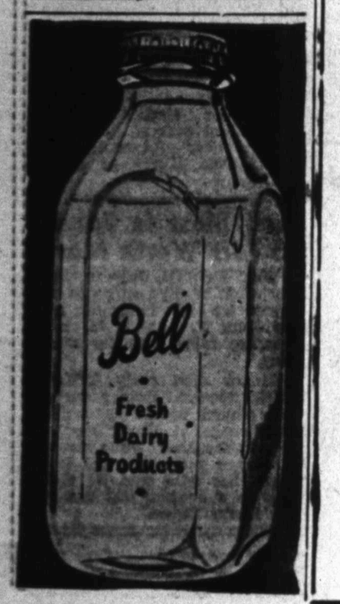

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloat and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

Extreme Caution Is Advised In Dealing With Reds In Berlin

THE HAGUE, The Netherlands, July 20. (AP)—Western European leaders have advised extreme caution in dealing with the Russians over the Berlin blockade. Informants say they consider the crisis "extremely grave."

An authoritative source said representatives of Britain, France, The Netherlands, Belgium and Luxembourg—the nations making up the western European union—met for four hours last night, but reached no agreement on a course of action in the Berlin situation.

Plan Common Defense

The five-nation alliance is meeting here to set up a common defense linked with American armed might. The delegates have before them a series of memoranda on recent talks in Washington between western European representatives and U. S. government officials on possible American military aid.

The conference on the Berlin deadlock was attended by British Foreign Secretary Ernest Bevin, French Foreign Minister Georges Bidault, Belgian Premier Paul-Henri Spaak, Luxembourg Premier Pierre Dupong, and Dutch Foreign Minister Baron Van Boetzelaer Van Oosterhout.

A conference spokesman said all phases of the situation resulting from the blockade and the possibility of increasing the American-British air lift were discussed.

Take Grave View

The informant said the five officials take an extremely grave view of the Berlin crisis and will discuss it again today.

He said they will also talk over the possibility of forging their armed forces into one defense weapon. A report on the question has been prepared by the union's military committee.

The main aim of the conference is to straighten out the five-nation 50-year alliance and consider the possibility of basing it on definite commitments of American military assistance.

A conference spokesman said the delegates also have drafted a program for strengthening the economic ties between their countries within the framework of the European reconstruction program. Final approval of the program will be given a plenary session today, he said.

Some 22 million people have seen Washington, D. C. from the observation platform of the Washington Monument.

GOT QUICK RHEUMATIC RELIEF WITH MERTOX

"For the past 15 years I have been bothered with frequent rheumatic pains in my left shoulder. This trouble later spread to my right shoulder also," writes Mr. J. C. Kirkland of Dallas. In my work I have to use my arms a lot, and my shoulders were beginning to stiffen up. After taking Mertox Compound for a short time this condition was quickly corrected, so that now I am free from rheumatic trouble and free of the aches and pains. I was also troubled with gas and bloat, which were very painful. I felt tired and rundown; just seemed to have no life or pep at all. Had severe headaches, too. The gas would seem to press against my heart and lungs and make it hard to breathe. Now I can eat anything, even meat, which was impossible before taking this splendid medicine. My bowels are now regular and I do not have to get up at night as I did before."

You can get Mertox Compound from any Rexall druggist at the new REDUCED price. Adv

ELMER L. IREY

Elmer L. Irey Death Victim

WASHINGTON, July 20. (AP)—Elmer L. Irey, who snared Al Capone and many another public enemy for tax evasion, is dead.

The 60-year-old former chief of the Treasury department's law enforcement agencies succumbed to a heart attack late yesterday at his summer home in Shadyside, Md.

During his 40 years in government service, Irey played a major role in recovering millions of dollars from income tax dodgers, big and small.

He created the Bureau of Internal Revenue's intelligence unit in 1919 with only five investigators. When he retired in 1946 there were over 1,300 trained sleuths working under his direction.

Besides helping to send Capone "Waxey" Gordon, "Dutch" Schultz and other prohibition gang leaders to jail, Irey had a key part in solving the Lindbergh baby kidnap-murder. It was at his suggestion that marked bills were included in the ransom money. These bills led to the trapping and eventual conviction and electrocution of Bruno Richard Hauptmann as the child's slayer.

Irey also figured prominently in the investigation of the Pendergast and Huey Long political machines.

Born in Kansas City, Irey grew up in Washington and started his long government career as a stenographer in the postal inspector's office. There he received his first training as an investigator.

As head of the Treasury's intelligence units, Irey also supervised activities of the secret service, the customs service, the alcohol tax unit, Bureau of Narcotics and the Coast Guard.

He is survived by his widow and two sons.

The cornerstone of the Washington Monument in Washington, D. C. was laid July 4, 1848.

Candidates Asked To Attend Anton Program Tonight

District and state political candidates, or their representatives, are invited to be in Anton tonight and take part in a Hockley county political rally and "speaking" there, H. G. Richards, editor of the Anton News, told The Morning Avalanche yesterday.

John Potts, Hockley county Democratic chairman, will preside over the program, which will get under way at 8:30 o'clock Tuesday night at the Anton park, Mr. Richards said. A platform, lights and other conveniences have been arranged for.

Mr. Richards said that district and state candidates are invited to speak in behalf of their candidacies, but any who cannot be present may send friends to speak for them.

Disappearance Of Atom Bomb Denied

WASHINGTON, July 20. (AP)—A statement by Rear Admiral Ellis Zacharias, retired, that a navy ship carrying an atomic bomb sank without trace in the Pacific during the war had this terse official denial pinned to it today:

"No Navy ship carrying an atomic bomb ever disappeared."

The former navy intelligence officer told a Mutual network radio audience Sunday that near the close of the war a vessel bearing an atomic bomb headed for the island of Tinian but disappeared before getting there.

A Mutual spokesman said Zacharias had identified the ship as a destroyer and had added that the story was once released by the navy, but was generally overlooked in the flurry over the Hiroshima and Nagasaki atomic explosions.

The Navy put out the official denial of Zacharias' story late yesterday.

One Navy officer suggested that the retired admiral may have been thinking of the cruiser Indianapolis, which was sunk by enemy action near the Philippines after previously carrying one—and possibly two—disassembled atomic bombs to Tinian. Those were the bombs later dropped on Japan.

The U. S. forest service estimates that three-quarters of the timber in Alaskan coastal forests is within two and one-half miles of tidewater.

Louisiana's First Bale Is Auctioned

NEW ORLEANS, July 20 (AP)—The first bale of cotton of the Louisiana 1948 crop, a record early ginning for this state, was sold at auction here today for $1.31 a pound.

The auction was held after the close of the market in the rear of the New Orleans Cotton exchange, with lively bidding.

The 462-pound bale was raised by Moise Chiasson, a tenant farmer of Lafayette parish and brought a total price of $605.22.

Chiasson, present at the auction, beamed his satisfaction over the receipts for the bale. The premium price of $1.31 a pound compared with today's price of middling 15/16th-inch cotton at 33.25 cents a pound.

The purchaser of the first bale was J. Everett Gound of H. R. Gould Co., New Orleans spot dealers. Grade and staple was 1 inch and 1/32nd.

The next highest bid was offered at $1.30 a pound by Charles W. Wells, president of the New Orleans Cotton exchange.

TAX HIKE VOTED

AUSTIN, July 20 (AP)—Austin voters yesterday approved a 40-cent tax increase for schools but rejected by a 13-vote margin out of 7,039 votes cast a proposed 15-cent tax increase to raise pay of city workers.

Nearly 400,000,000 acres of commercial forest land are privately owned in the United States.

We're building
ONE EVERY 45 SECONDS
but that's not fast enough for America!

Service wherever you go

In just two years we've built and sold more fine cars than any other new manufacturer in automobile history.

Why? Because America fell in love with the KAISER and the FRAZER *on sight*. Folks are streaming into Kaiser-Frazer showrooms and learning *from present owners* how dependable these two great cars are. They're learning — *from people who drive them* — how soundly they are built . . . how economical they are . . . how much joy there is in owning one.

THESE ARE THE MOST-COPIED CARS IN AMERICA, road-proved by 250,000 owners in two billion miles of driving.

Because plenty of Americans insist on comfort, convenience, style and value, traditional leaders had to "move over" — as Kaiser-Frazer became the fourth largest manufacturer of motor cars in the world in two short years.

Why wait? Enjoy your new car this summer. *You'll get fair treatment and highest trade-in allowance.*

Bible And Mission Studies Held By Church Societies

Conference, Bible and mission studies and a coffee were held Monday by Women's Societies of Christian service and Women's Missionary societies.

Mrs. J. W. Hendryx presided when Asbury Methodist WSCS met in the church parlor for a final study of conference minutes and recommendations.

An opening prayer was given by Mrs. C. A. Bickley, and Mrs. C. C. Coffee, conference promotional secretary, brought a devotional and led the discussion.

Speakers for the afternoon and their topics were: Mrs. N. M. Lowrey, conference recommendations for secretaries of Christian social relations and church activities; Mrs. Hendryx, conference suggestions on literature and public work and student, youth and children's work; Mrs. Coffee, supply work; Mrs. Bickley and Mrs. H. E. Ross, status of women; and Mrs. Bickley, missionary personnel.

Mrs. M. B. Hilburn, Northwest Texas conference president, gave a summary of the activities of a leadership training school held recently at Mt. Sequoia, Ark.

Tea was served to 28 members and guests.

MRS. J. A. GOODWIN IS CIRCLE HOSTESS

Lucille Reagan circle of the First Baptist WSCS met with Mrs. J. A. Goodwin, 2204 Tenth, Monday afternoon at 3 o'clock with eight members and one visitor attending.

Mrs. E. J. Cowan taught a Bible lesson.

Next meeting will be on August 2, at 3 p. m. in Mackenzie State park.

LIFE OF MISSIONARY IS STUDY TOPIC

Helen Leech circle of Calvary Baptist Women's Missionary society met Monday afternoon to study the life of Julia Mackenzie, a missionary, with Mrs. Bill Diggs teaching the lesson. Attending were seven members.

FIRST METHODIST WSCS HOLDS MONDAY COFFEE

Over 100 persons attended a coffee held Monday morning from 9:30 until 11 o'clock by First Methodist WSCS in the home of Mrs. Sam Hildreth, Plainview highway.

In the receiving line were Mrs. Hildreth, Mrs. M. M. Page, president of Mrs. Hildreth's circle, Mrs. Fred Litton, vice-president of the group, and other members of the hostess circle.

Pouring coffee were Mrs. J. O. Haymes, wife of the district superintendent, and Mrs. M. B. Hilburn, president of WSCS in Northwest Texas conference.

The serving table was laid with a lace cloth and garden flowers were used throughout the house.

Miss Peggy Sutton Weds In California Church

The marriage of Miss Peggy Sutton, daughter of Mr. and Mrs. Roy Adams of House, N. M., and Richard G. Merrell, son of Mr. and Mrs. Floyd Cox of Los Angeles, was solemnized July 3, in the Country Church of Hollywood with Dr. Howard Fagin of the First Christian church performing the double ring ceremony.

Mrs. Merrell is a graduate of O'Donnell High school and attended Texas Tech. Mr. Merrell received his education in Kansas City schools.

After a wedding trip to Southern California, the couple will be at home in Los Angeles, where both are employed.

MARY HAWORTH'S MAIL . . .

Sweetheart, 34, Feels He Cannot Enter Marriage Without Consent Of His Mother

DEAR MARY HAWORTH: Concern for my daughter impels me to write for your advice. Helen is 26, attractive, intelligent and poised. She holds a fine position in the business world.

For the past two years she has been dating Craig, who is 34, charming, reserved and quite likeable. He holds a responsible position, seems to have high ideals, they get along well and have many tastes in common.

Helen is obviously in love with him, has refused to date other men from the time they met, and a year ago he proposed marriage to her. But when he told his mother, she objected so vigorously that he suggested to Helen that they wait until he could win his mother's consent, which would take time, he said.

MAN'S MOTHER HAS TIDY INCOME

THE mother owns her own home, has an income from an apartment and is financially independment of her sons—Craig and his brother—who live with her. Helen would like to get married now, but Craig is still hoping to win his mother's approval before he leaves home to marry.

I shrink from seeming to interfere in Helen's life, but I wish she could be made to realize that Craig never will win his mother's consent; and that now is the time, I feel, to break the engagement. Your comment on this would help her reach a decision, I'm sure.

Signed, C. N.

MAN'S CONSENT WITH MOM-RULE

DEAR C. N.: Doubtless Craig likes to think of himself as a real he-man, champing at the bit to marry and lead a foursquare family life. But way down deep, he has no desire to leave his mother. They're bound together like ivy vine tangled with supporting oak.

In short, Craig is one more victim of "Mom," but he is mom's quiescent captive at this point. He doesn't really want to marry Helen, and unconsciously values mom's opposition as a good excuse for putting it off.

Many a mom's boy has scrambled over the fence into marriage against mom's wishes, when the mating urge was too strong to resist, and then relapsed back into her keeping months later, in whole or in part. But Craig, at 34, is a little too old and jaded—after a series of romantic sorties and broken engagements, I'll wager—to care to upset his routine like that.

MARRIAGE OFFER WAS PERFUNCTORY

HIS marriage proposal to Helen was a gesture he felt he owed her, after accepting her exclusive devotion for a year; and possibly Helen wrested it from him by diplomatic indirection, maybe by suggesting that they ought to clarify the situation, as she had her future to consider, etc.; but his heart wasn't in it, obviously, and when his mother vigorously denounced the idea, he scurried back to Helen with the perfect alibi for wasting her time.

The best one can say for Craig is that he probably doesn't know what a fraud he is in the role of suitor. I daresay it never occurs to him that he banks on his mother to keep him single; or that he remains a bachelor because of his fixated infantile attachment to her, which blocks the development of mature personality and normal sexual competence, hence leaves him apathetic to the idea of bonafide marriage and parenthoom.

In self defense, Helen should dismiss him, I think; for as I see the picture, there is certainly no future in waiting on him to lead the way to the altar. M. H.

American Is Stoned To Death, Others Hurt By Egyptian Mob

WASHINGTON, July 20 (AP) — An American citizen was stoned to death by an Egyptian mob in Cairo last Sunday, the State department announced late yesterday

Stephen Haas, 53, a Philadelphia real estate man, was set upon while visiting the city as a tourist with his wife, press officer Lincoln White said. The U. S. embassy in Cairo reported several Egyptian companions of the couple, as well as members of a British family, were hurt by the mob.

Wife Escaped Injury

Mrs. Haas apparently escaped injury.

Haas, a native of Hungary, entered the United States at the age of three, and became a naturalized citizen. His wife, the former Kathryn Maynes of Philadelphia, was chairman of the women's division of the treasury department's war finance committee during World War II.

Haas was a Jew, but a business associate in Philadelphia said he took no part in Zionist activity and was not active in religious affairs.

Protest Being Made

Feeling occasionally has run high against Americans in Cairo and other cities in the Arab nations at war with Israel. The Egyptian capital has been bombed by Israeli planes, and some Americans have been accused of violating blackout restrictions to guide enemy bombers into the city.

In announcing Haas' death, White told newsmen that Jefferson Patterson, American charge d'affaires in Cairo, is pursuing the matter vigorously with the Egyptian government. White said he did not know whether news of the stoning was being held up by Egyptian censorship.

John Barrymore, Jr., Not Missing At All

LOS ANGELES, July 20. (U.P.)—John Barrymore, jr., 16, arriving home last night from a vacation trip that included detention by the New York City missing persons bureau, said he couldn't understand what all the fuss was about.

Police had detained the handsome son of the late actor at the request of his stepfather, Dr. John Vruwink. The boy had disappeared suddenly from the Thousand Islands where he had been vacationing with Vruwink and his mother, former Actress Dolores Costello.

"I just missed California and left a little earlier than they expected," Barrymore said. He denied he had had any trouble with his family.

Barrymore is studying ballet and an academic course at a private school here. He says he hopes to break into acting after he graduates.

Site Of Composer's Birth Given Heirs

PITTSBURGH, July 20. (AP)—A 14-room mansion, believed by some historians to stand on the site of composer Stephen Collins Foster's birthplace, has been given back to the heirs of steel baron James H. Park by the Pittsburgh city council.

Members of council indicated yesterday that the house has been the center of so much contention in recent years, they thought it better to get rid of the property.

The house was given to the city by Park in April, 1914, to be maintained as a memorial. The mansion was to revert to Park's heirs, however, if it was not properly cared for.

In recent years the house has fallen into a state of disrepair. Windows were smashed by youngsters, the plaster has become cracked and the paint peeled.

Mrs. Jesse Welch Rose, the composer's granddaughter, who served as caretaker of the property, insisted the original Foster birthplace—a small cottage two blocks from the big mansion—was sold to the late Henry Ford for his Dearborn village in Michigan.

A board appointed by the city, however, decided after the sale of the cottage that the mansion really stood on the Foster birthplace site and that Ford had bought the wrong house.

The city declined to spend the $10,000 necessary to put the big house in good condition and decided yesterday to return it to the Park heirs.

More Indicted In Horse Meat Sales

HOUSTON, July 20 (AP) —Three more persons are under indictment here on charges of offering for sale meat treated with sulphite, which makes spoiled meat look fresh.

Morris Cohen, Keystone Packing company, was named in two indictments returned yesterday by the Harris county grand jury. W. M. Thomas, market manager at a Piggly Wiggly store, and William Emerson, operator of the Emerson Meat company, were named in one indictment each.

Two weeks ago, the grand jury charged 11 persons in 14 indictments alleging sales of horse meat as beef for human food or sale of sulphite-treated meat.

Forty-two per cent of American farms now have telephone service, the highest percentage in history.

He Discovers They Have Kick Like Horse

Even Cops Are Liable To Get The Bird If They Try To Talk Turkey To Ostrich

KENOSHA, Wis., July 20. (AP)—If you want to talk turkey, don't do it to an ostrich. You may get the bird, even if you're a cop.

Kenosha County Deputy Sheriff Floyd Hughes was cruising along highway 41 last night when he saw a big bird sitting despondently beside the road.

"I thought it was a turkey," he said. But then he stopped his car and approached, the bird got up.

"Got up, and up, and up," Hughes said, "until it was looking down at me."

He decided to take the bird into custody.

"Then," said Hughes, "I discovered that ostriches kick like horses."

He enlisted the aid of George Foster, nearby farmer, and the two induced the bird to accompany them to Foster's barn. Back at the sheriff's office, Hughes learned the adult 200-pound bird had escaped from the Hansen bird circus earlier yesterday in Racine county. It was reclaimed by the circus later last night.

Blonde Texas Triplets Doing Well In Fight Against Polio

EDINBURG, July 20 (U.P.) — Doctors said today that the little blonde triplets who were stricken simultaneously by polio are "all doing well" in their fight for recovery.

The 20-months-old girls were believed to be the first set of triplets ever to suffer from the disease.

Names Not Given

They were brought to the National Foundation for Infantile Paralysis clinic here by their foster parents last week. Their names were not released, but clinic officials said they were being reared on a farm between Lyford and Sebastian in the cotton-growing lands of Willacy county in the lower Rio Grande valley.

Two of the girls lay flat on their backs in the room for serious cases, their white skin, blue eyes and golden hair contrasting sharply with the dark complexions and black eyes of their little Latin-American neighbors in the hospital.

The third, placed in the "acute" ward, tossed about in her wooden crib, digging her head into he mattress and threshing her arms and legs about. She twisted towards the door each time a nurse walked by.

No Paralysis Noted

Paralysis was not noticeable among any of the triplets.

Clinic officials said the foster father was "like a wild man" from worry when he brought them to the hospital.

The little girls still bear the name of their real father who called at the clinic yesterday.

If the clinic follows its normal routine it will be a month before the foster parents and father are able to see the girls.

Hollywood Leading Lady Breaks Leash

HOLLYWOOD, July 20 (AP)—A Hollywood leading lady is missing.

Her name is Zorro, which is Spanish for fox. Zorro is in fact a fox—a red one owned by producer William Lasky.

Lasky has been training Zorra for the role of heroine in a new animal picture. He kept her tied in the back yard of his home and yesterday she was gone. She had chewed her way loose.

Audie Murphy May Marry Movie Star

NEW YORK, July 20. (AP)—Former army lieutenant Audie Murphy—holder of more than 20 war medals and most decorated American soldier of World War II—says he will marry screen actress Wanda Hendrix "as soon as I can afford it."

"Oh, wonderful," says Miss Hendrix. "I'm so happy to hear he said that."

"I don't think it's very serious," says her mother, Mrs. Mary Hendrix.

But Wanda and Murphy have been "going together," the mother conceded. She said her daughter is leaving Hollywood Aug. 6 "to be gone four months on picture work in Italy."

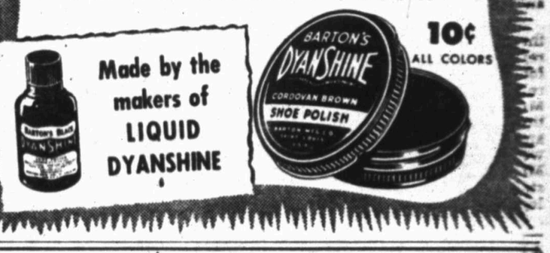

The talk of orange blossoms was transcontinental.

Murphy, a Farmersville, Tex., native who recently made two Hollywood films, made his announcement here yesterday as he returned from a two-week visit to France as guest of the French government. The reaction of mother and daughter came when they heard in Hollywood about what Murphy said.

Murphy plans to return to Hollywood Thursday.

Bank Accounts Examined After Embezzlement By Police Judge

NEWARK, N. J., July 20. (AP)—State officials began a check today of bank accounts of prominent persons who had dealings with former Newark Police Judge P. James Pellecchia, jr., admitted embezzler of $657,000 in bank funds.

It was part of a widened probe ordered by Gov. Alfred E. Driscoll, who alerted all New Jersey law enforcement agencies to join in investigation of the activities of the good-looking, 38-year-old ex-city official.

"No one will be shielded," Driscoll promised. "And not the least of our interest," he said, "is how it was possible for a police court judge to gamble away that much money and where."

It was just a week ago today that Pellecchia, recently named "the nation's best-dressed jurist," was arrested. He frankly admitted that he had taken the funds from the Columbus Trust co., where he served as vice president and counsel.

Pellecchia's calm disclosure of how he created fictitious mortgages to defraud the bank over a 2½ year period caused a sensation in the state.

A telephone tipster was responsible for disclosure of the bank irregularities, state banking officials announced. If Pellecchia hadn't confessed, they said, it would have taken bank examiners months to discover the extent of the swindle.

Bookies Rounded Up

The investigation, in charge of the Essex county prosecutor's office, was moving into high gear with the questioning of scores of witnesses, business and political associates of the former judge.

The ex-judge's admission that he had squandered the money on horse race bets led to a roundup of bookies with whom Pellecchia said he had placed bets.

Bank depositors have been assured that their funds are guaranteed and the Columbus Trust co., has been operating in the hands of state banking officials.

Hearing Postponed

Pellecchia, meanwhile, was taking in stride his new life in the Essex county penitentiary, a cellmate of numerous men he himself had sentenced.

His hearing for release on bail had been postponed until next week to give the prosecutor's office a chance to conduct its investigation.

Pellecchia resigned the judgeship when he was arraigned July 13 on 20 counts of embezzlement He pleaded guilty as charged, facing a maximum sentence of 140 years on all counts.

Pellecchia had served as police judge in Newark since 1945. His salary for the post was $6,000-a-year and he earned another $3,000 as counsel for the bank, which was controlled by members of his family.

Revival Will Start At Church In City

Rev. Paul F. Brown, pastor of the Cumberland Presbyterian church at Marshall, will be evangelist and Rev. W. H. Cheatham, pastor of Cumberland Presbyterian church at Longview, will be song leader during revival services Wednesday through Aug. 1 at the First Cumberland Presbyterian church in Lubbock.

The Marshall pastor is moderator of the Cumberland Presbyterian General assembly, having been elected in June when the assembly met in Nashville, Tenn. He spent four years as a missionary in Columbia, South America, before becoming pastor at Marshall.

Rev. Mr. Cheatham has been pastor of the Cumberland Presbyterian church in Longview 11 years.

Both men are filling a return engagement, having been at the First Cumberland Presbyterian church here last year in revival services.

The first service of the revival will be conducted at 8 o'clock Wednesday night. Services will be held at 10 a. m. and 8 p. m. on week days except on Saturday mornings and at 11 a. m. and 8 p. m. on Sundays.

The public is invited, it was announced.

Actress Is Scolded By Judge For Giving Beer To Daughter

* * *

LESLIE BROOKS

LOS ANGELES, July 20 (AP)—Beer is not good for babies, the judge told actress Leslie Brooks.

So Miss Brooks' two-year-old daughter, Victoria, will be cared for temporarily by her paternal grandmother.

Superior Judge Mildred L. Lillie yesterday gave Mrs. Alice Shay custody of the child until the actress hires a competent nurse-housekeeper.

Divorce Suit Filed

The ruling stemmed from a divorce suit filed by Miss Brooks, 26, against actor Anthony Shay 27

Shay alleged his wife gave the child intoxicants at parties. His brother, Jack, testified Victoria had "seven or eight swallows" from her mother's glass at a party and was "very cute and dizzy."

Miss Brooks denied this but admitted giving the daughter an occasional sip of beer diluted in water.

Then Judge Lillie scolded the actress and said, "I cannot say enough to reprimand a mother for doing this."

Shay was directed to pay, after the nurse is hired, $350 monthly for support of his wife and child pending trial of the divorce suit.

Firefly Market Is Booming For Kids

BALTIMORE, July 20. (AP)—The firefly market brightened considerably today and kids here are scrambling to cash in.

Dr. William D. McElroy, biology professor at Johns Hopkins university, is paying 25 cents a hundred for fire-flies—dear or alive. A $10 bonus goes to the kid who makes the biggest haul.

Dr. McElroy thinks firefly "tail lights" may contain vitamin K. He wants enough of the bugs in order to find out if he's right.

For his project, which has the support of the American Philosophical society, Dr. McElroy says he needs "thousands of fireflies."

The youngsters can't quite believe it's true. They figure it's like being paid for going to the circus

Burton Funeral To Be Held At Lamesa

LEVELLAND, July 20. (Special)—Funeral services wil be held at 2:30 p. m. today in the Methodist church at Lamesa for C. M. Burton, 73, who died early Sunday night in Phillips-Dupre hospital as result of a paralytic stroke Rev. Jordan Grooms of Levelland will officiate at this afternoon's service.

Burton, a Levelland hardware dealer, moved here about two years ago from Lamesa. Burial will be in Lamesa under direction of Plains Funeral home of Levelland, assisted by Higginbotham Funeral home of Lamesa.

He is survived by his wife; one son, M. L. Burton of Columbia, S. C.; three daughters, Mrs. C. A. Lock and Mrs. Mason Costin of Levelland and Mrs. M. H. Hamilton of Lamesa, and four brothers, A. T. Burton of Cleburne, W. L. Burton of Dallas, R. V. Burton of Munday and J. E. Burton of Waco.

Public Can Sit Back And Grin Over Call For Extra Session

By JAMES MARLOW
Associated Press Staff Writer

WASHINGTON, July 20. — While the politicians beat one another over the head with sticks, the public can sit back, grin and say:

"Well, maybe we'll get some good out of this special session of congress, no matter what happens to the fortunes of the Democrats or Republicans."

If the special session is really necessary—and if it does something for the general welfare—then the public benefits.

And that's the main point.

Politicians Arguing

Right now the politicians are arguing, with a lot of noise, about President Truman's calling the special session.

The argument goes something like this:

He pulled a cheap political trick in calling the Republican-controlled Congress back into session because he only wants to embarrass the Republicans and build up campaign ammunition for his own re-election.

Or—

He pulled a smart stunt in calling the special session because in this way he can try to force the Republicans to show whether they really mean the promises they made in their 1948 campaign platform.

Background Simple

The background of the special call is simple to state:

Mr. Truman, a Democratic President, last November recommended to the Republican Congress that it do a number of things he considered important.

For example: give him power to control prices, if and when he thought necessary; set up a big housing program; help education; and so on.

The Republican-controlled Congress ignored most of his recommendations and quit for the rest of 1948—or thought it did—when it adjourned in June.

So a great many of the Truman recommendations were shoved aside. And, of course, the big argument starts right there:

Were they worthwhile recommendations? Should Congress have acted on them? Was Congress right in ignoring them?

Then the Democrats and Republicans had their conventions in Philadelphia and drew up their party platforms.

Collection Of Promises

Those platforms, as such platforms always go, are a collection of promises each party said it would work on if it won the election next November.

Both platforms, in one form or another, contained some of the recommendations made last fall by Mr. Truman but ignored by Congress.

But the party winning control of the government in the November elections won't take office till next January.

So that means—if no special session had been called—that the party victorious in November couldn't start carrying out any of its platform promises till next January.

And, knowing how slowly Congress works, that would mean nothing done on the big issues till many months after January.

Then Mr. Truman stepped into the picture and, in effect, told the Republicans:

"All right, you said that if elected you'd do a lot of things I've already said needed doing months ago. Why wait till next year to do any of them?

"You control Congress right now. So come back into special session and carry out now—instead of waiting till next year, if you win—the things the Democratic and Republican platforms and myself say ought to be done."

Here's Main Point

But, going back to the beginning, the main point is this:

What difference does it really make to the public who wins — Republicans or Democrats — or which side gets the most political good out of the special session if that special session does things which are necessary—if they're necessary—for the public good?

At this point it's getting a little comical—or is it sad?—To hear the politicians on both sides arguing about who's putting whom over a barrel.

The only thing really important is the public welfare. A political party's only excuse for existence at all is to carry out the will of the majority and provide for the public welfare.

If the Democrats or Republicans use the special session for campaign purposes, instead of for the public good, then they're trying to hoodwink the very people they're supposed to be serving.

One Man Is Killed In Texas Hotel Fire

ATLANTA, Tex., July 20 (AP)—Fire destroyed the two-story Baker hotel here, killing one man and causing damage estimated by Deputy City Marshal John H. Thompson at $10,000.

Lewis Allen, 21-year-old Atlanta lumber salesman, was burned to death in his room. Thompson said other guests in the 20-room frame structure apparently had left the building before the blaze.

Work on the Washington Monument in Washington, D. C. was suspended in 1854 when the shaft was 150 feet high and was not resumed until 1880.

Mental Hygiene Group Organized

Approximately 100 persons, meeting in the Agriculture auditorium on the Texas Tech campus, Monday night voted to form a Lubbock chapter of the Mental Health Society, and named officers of the organization.

Dr. Robert L. Sutherland, executive secretary of the Hogg Foundation for Mental Hygiene, spoke to the group, representing approximately 15 different interest groups in the city.

New officers named included Owen P. Caskey, chairman; Rev. Travis White, vice chairman; Mrs. L. B. Holly, secretary; Miss Helen Fuller, treasurer; I. L. Little, membership; and Ross Ayers, membership. Dr. Agnes True was temporary chairman and presided.

Dr. Sutherland, speaking on "Services Mental Hygiene Associations May Perform for Communities," emphasized that such mental health groups could serve communities for such organizations as commercial, religious, medical, law, merchandising, industry, teaching and engineering. He also emphasized the importance of supervisory training in such instances.

Dean Ing, projects committee chairman, outlined several projects for the group to be discussed and voted on at the next meeting

PONTIAC

A Product of General Motors

Fine for its Second owner too!

Recently, a large group of *used* car owners were asked what car they would buy if they were buying *new* cars today. Those who own used Pontiacs led them all in saying they would buy new cars of the same make they are now driving.

In other words—according to this survey—*a used Pontiac is more satisfactory to own than any other make of used car.*

Of course, that could mean only one thing: Pontiac's dependability and long life are outstanding, and Pontiac's fine performance lasts throughout the years. There could be no finer endorsement of a new car than this—and we trust you won't forget it when you order your own next car.

Remember, too, Pontiac is the lowest priced car in the world offering GM Hydra-Matic Drive*—a tremendous advance in better motoring.

It's wise to choose a Pontiac—a car so fine that even its *second* owner is sure to like it.

*General Motors Hydra-Matic Drive and White Sidewall Tires optional at additional cost.

Hubbers And Oilers Meet For Twin Bill

Between . . . The Lines

— By JOE KELLY —

Fight fever is running throughout West Texas if reports being brought back to Lubbock are correct. And the high temperatures are caused by the Junior Chamber of Commerce's 42-round fight card that is scheduled for Thursday night. The crowd at Rosenthal Field, where baseball is often played, will be larger than any crowd for a ball game this year, excepting the Giant-Indian tussle in April. This is not, in itself, surprising. The Jaycees are not sparing any expense to make this the best professional fight card every offered here.

• • •

Despite their liberal spending for fighters and officials, as well as social entertainment of various figures, they expect to make money. It's all well and good to talk about putting on a good show, about sparing no expense and all that; but shows are staged to raise money. If they break even, that's fine; if they make a profit, that also is good. The public doesn't lose either way. An even break proves that at least there are enough people interested in fights to stage others in the future. A profit is more incentive to stage other bouts.

• • •

Along with the profit, fight fans can rest assured that the profits will be going to a cause that is worthwhile. Anything that aids youth is good and there is no cause for suspicion with the Jaycees handling the funds. In fact, when a civic organiation sponsors anything at all, they are doing it with limited capital. They also are doing it with the idea of making Lubbock a better place to live. You pay to see good fights. Your money is used to help kids. That takes them off the street and away from juvenile delinquency. That saves you money in taxes. You could argue like that all night and you'd probably be right on all counts.

• • •

This is going to be a good fight card, make no mistake. Charley Neff of Petersburg, who is fighting professionally in El Paso, knows the boys being brought here. He says they are good and that Bill Henderson will have his hands full with Ignacio Godinas. Neff is in town now and would like to be on this fight card himself. It is not unlikely that he might fight here at some later date.

• • •

Henderson, J. D. Kirkpatrick, Joe Music and Howell Steen are working out at Bert Kahn's. Steen is in and out of town, but is in good shape. Music has peeled off nearly 15 pounds and is getting back to the condition that made him a Marine favorite. As for Henderson and Kirkpatrick, they never looked so well as amateurs as they do as pros now. Kirkpatrick is lean, hungry and firm. He has developed a left hook that really rocks his opponent and he has learned to move in with more agility than before. Yesterday, sparring with Music, the Petersburg boy found the range in the second heat and stayed on top.

• • •

Music, a little older and with more experience, admires Kirkpatrick and his possibilities. He said that he closed in beautifully and that it would have been tough for him had they gone three rounds. He respects his punching ability, he liked the way he boxes. Music flatly declared that Kirkpatrick ought to put on some weight and fight as a heavy. Kahn agreed, but thinks that it will be some time before he can put the weight on where it counts most. A five-pound weight gain this year, according to Kahn, would be a lot for Kirkpatrick, because of his unusual build. It won't be long, probably, before Kirkpatrick is a full-fledged heavyweight, in which case Petersburg might some day be able to point with pride.

• • •

Henderson never looked better than he does now. Still keeping that infectious grin, he is dead serious about his boxing. He works seriously, trains hard and is in perfect shape. He's filled out some since he fought here last. He also has learned a lot in his eight professional bouts. He's a little worried about Godinas, which is a good sign for fight fans. When Bill is "a little worried," he usually gets in the ring and goes to work with a vengeance. All in all, the card shapes up as a tremendous thrill for boxing fans of the South Plains.

• • •

The coming visit by Dallas Sports Editor George White and Associated Press Sports Editor Harold V. Ratliff, both of Dallas, is a tribute to Kahn and to West Texas. Both knew the local health man when he was in Dallas and they admire him for his accomplishments, for his contributions to Dallas and for his conditioning of fighters. White said last week in his column that it was his opinion that Kahn brought the best conditioned fighters to the Golden Gloves tournament in Fort Worth. Their interest in the Thursday night fights is gratifying; it, also will result in favorable publicity, sportswise, for Lubbock. We can stand all we can get.

The University of Illinois college of agriculture reports that lightning causes 37 per cent of all farm fires. Lightning rods provide good protection if properly installed, the college said.

Baseball activity in Lubbock last night, if any, was confined to sand lot games, with almost half an inch of rain over the Rosenthal Field area drowning the Hubber-Pampa Oiler contest into a double bill tonight.

The rest enabled the Hubbers to pick up half a game on Amarillo, which lost a wild, free-swinging contest to Borger's Gassers, 17-16. But Borger's win also cut the Hubber lead half a game and left the locals five games behind Amarillo, five games ahead of Borger.

Dukes Beat Clovis

Albuquerque took advantage of the Gold Sox licking to move two and a half games in front, beating Clovis 6-2, and Abilene kept step with Borger by blanking Lamesa 3-0.

The Gassers seem to take delight in breaking up winning streaks. They halted the Hubbers at ten straight recently and last night's victory snapped a 12-game Gold Sox splurge. The fatal No. 13 was too much for the slugging Amarilloans, even though Bob Crues picked up his 44th and 45th circuit clouts.

The erstwhile pitcher seems certain to erase the mark of 57 home runs in league play established by Bill Serena of Lubbock last year. He is only 12 fourmasters behind the 1947 record and he has 51 games left in which to merely tie last year's mark. If he keeps up his pace for the first 89 games over the remainder of the season, he will wind up with no less than 70 roundtrippers.

Leads In Stickwork

Crues leads in almost every capacity involving stickwork in the league. He is topped only by Ray Bauer of Clovis and Ron Bowen of Albuquerque in the number of hits, Bauer with 143 and Bowen with 136. Crues has 135 safeties. The Amarillo outfielder has scored more runs—114—than anyone else; has more total bases—286—than anyone; and he has batted in more runs—154—than the next closest player. These records, based on averages through July 13, probably have changed even more since then.

Revision of league standings placed Pampa only half a game ahead of Lubbock and tonight's twin bill gives the locals a chance to go on the road in third place again. In fact, if they win both games of the double feature, they could pile up a game and a half margin over the Oilers.

Clodfelter To Start

Bob Clodfelter, arm willing, undoubtedly will go in the first game and Manager Jackie Sullivan might decide to use Roy Larue in the nightcap. Larue is the highly-touted righthander the Hubbers obtained over the weekend.

The first game begins at 7:30 p. m. and a good crowd is expected to watch the Hubbers for the last time until next Tuesday, when they return from six road games to meet Amarillo.

The Abilene Blue Sox turned in another shutout last night, this time at the expense of the hapless Lamesa Loboes. Rookie Fred Fazzio, the elongated stringbean freshman, turned back the Loboes inning after inning, allowing only two singles and a double. Paul Cooke matched him relatively well, but gave up a single run in the fourth and a brace of counters in the fifth. That was the ball game, with Fazzio slamming the door for nine innings.

Results Given In City Open

One of the major victories of the City Open golf tournament was turned in Monday at the Meadowbrook Publinx course when Raymond Marshall, hard-driving Lubbock links ace, defeated veteran Chick Trout, 4 and 3, in a championship flight semi-final feature.

Marshall, tourney medalist, took an early lead in the crucial encounter and moved well ahead of Trout at the turn. Through the fifteenth hole, where he clinched the triumph, Marshall was a spectacular six under par.

Trout, shooting steady golf, was two under par through No. 15, but could not match Marshall's brilliant effort.

Match Slated Today

The other semi-final match in the championship flight is scheduled to be unreeled at 2 o'clock this afternoon at Meadowbrook, when young Jimmy Goldman battles Lindsay Telford. Winner of the clash will meet Marshall for the tourney crown Sunday.

One semi-final setto in the second flight was played Monday, with Chick Trout, jr., edging by Dick Rountree one-up in 19 holes. Don Nichols defeated Troy Peeples, one-up, in a third flight semi-final.

Results of all matches played in the tourney, with the winner, loser and score listed in that order, are as follows:

Twins Increase Lead In Big State League

(By The Associated Press)

Sherman-Denison had a breathing margin in the Big State league today.

The Twins last night battered Texarkana 15-7 while second-place Austin was losing to Gainesville 5-4 and now boast a four-game lead.

Waco licked Wichita Falls 8-1 and Greenville whipped Paris 9-5 in other games.

Sherman-Denison clubbed 18 hits in downing Texarkana. There were six double plays in the game, Sherman-Denison making four of them.

Durocher Off To Good Start In His Hardest Baseball Job

MOTHERLY ADVICE—Mrs. Billie Lee, who has time to do nearly everything at Meadowbrook Golf club but play the game herself, gives her son, Pete, 18, some advice about a "stick" as they stand in the clubhouse. Mrs. Lee, who has been at the clubhouse since it opened in July, 1940, spends many a 19-hour day at the busy course in Mackenzie park during the summer.

Leo Durocher is off to a splendid start in the toughest baseball job he's ever tackled—managing his erstwhile worst enemies, the New York Giants.

Preparing to tangle with the St. Louis Cardinals in a crucial series with second place perhaps at stake the Giants under Durocher have won three out of four games to pull up within a half game of the runnerup spot, now in a three-way deadlock.

They Catch His Spark

More important than their victories, however, is the way these "new" Giants have so quickly caught the spark and fire of Durocher. Leo has been in charge only three playing days, but already he has his team hustling and running as never before this season. Yesterday the Giants scored a 14-2 rout of the Reds in Cincinnati.

The Giants collected 18 hits against Peterson, Tom Hughes and Walker Cress in one of their biggest battling days of the year. Larry Jansen went the route for his 11th victory He permitted only seven hits, including Hank Sauer's 26th home run. That tied Sauer with Ralph Kiner of Pittsburgh for the major league lead.

Pirates Move Up

The Pittsburgh Pirates moved into a three-way tie with Brooklyn and St. Louis for second place when they won a 1-0 shutout victory over the National league leading Boston Braves. All three teams now trail by seven and a half games. Danny Murtaugh's infield single off the glove of Pitcher Johnny Sain in the seventh scored Ralph Kiner from third with the only run of the game.

Although tagged for 11 hits including Andy Pafko's 16th home run, Emil (Dutch) Leonard pitched the sixth place Philadelphia Phillies to a 5-4 victory over the cellar-dwelling Chicago Cubs.

The Philadelphia Athletics narrowed Cleveland's American league lead to one game when they swept both ends of a twilight-night doubleheader from the Chicago White Sox, 6-0 and 6-4. Dick Fowler pitched a seven-hit shutout in the opener for his ninth victory. He has lost only two.

Phil Marchildon gained credit for his seventh victory in the nightcap. He also limited the Sox to seven hits, but five came in the fourth to give the Chisox all their runs.

Overcame Early Lead

The Indians overcame an early 6-3 deficit to win an 11-inning thriller from the Washington Senators, 7-6. A single by Bob Kennedy scored Larry Doby from second with two out to give Steve Gromek, the Tribe's seventh pitcher, the victory. Kennedy had saved the game for Cleveland in the last half of the 10th when he speared Al Kozar's drive with one out and nipped Ed Stewart attempting to score from third after the catch. Stewart had a perfect day at the plate with five for five.

Washington knocked Bob Lemon off the hill with a five-run second inning to offset a 3-0 lead piled up by the Indians in the first. Joe Gordon accounted for the Indians' run with a home run. It was his 18th of the year and the 200th of his major league career.

Bobby Doerr slammed a home run off Fred Sanford with the bases loaded in the first inning for all of Boston's runs as the Red Sox defeated the St. Louis Browns, 4-1, at Boston. It was Doerr's 17th of the season.

Rain washed out a game between New York and Detroit at the Yankee stadium after only one inning had been completed. The Yankees had taken a 3-0 lead Yogi Berra supplying two of the runs with a home run.

She's A Big Favorite At Meadowbrook

"Bill" Lee Just About Lives Golf 24 Hours Of Every Day

By BILL CLARK
Journal Staff Writer

If Lubbock golfdom ever sits down at the nineteenth hole and elects its most valuable woman member, the chances are that youthful, cheerful Mrs. Billie H. Lee will be high in the running.

For "Bill," as she is affectionately known to hundreds of Lubbock and South Plains golfers, lives golf 24 hours a day, just about every day of the year. You'll find her listed as "manager" of Meadowbrook golf course in Mackenzie state park, but there's more in the job than the title implies.

On Hand For Eight Years

She's been at the clubhouse since it opened in July, 1940, and the average Meadowbrook golfer would no more think of visiting the course without saying hello to Mrs. Lee than he would expect to find the clubhouse terrace missing.

In the eight years she has been at Meadowbrook "Bill" has registered thousands upon thousands of golfers, and if all the golf anecdotes she has listen to were printed in fine type, they would probably blanket the entire Meadowbrook course.

A 19-hour day is the summertime rule for Mrs. Lee, who with her 18-year-old son, Pete, lives at the clubhouse. On Sunday mornings, for example, she is up and has the clubhouse open for rabid golfers who show up at 5:45 a. m. It stays open until the last light of dusk has speeded the departure of the most wayward foursome, usually about 8:30 p. m. The schedule is about the same on week days.

Time Is Taken Up

And frequently — about three times a week on the average — Mrs. Lee then has a private party or dance to look after on the cool, starlit terrace. So her time from 5:30 a. m. until midnight is pretty well taken up.

She enjoys every minute of it, too.

"I have to be pretty much of a diplomat," she will laughingly tell you. "For instance, a golfer will warn me that if his wife calls, to be sure and tell her that I'm not here. Then, maybe the "golf widow" will come out and I'll have to sympathize with her because her husband stays on the golf course all the time. I have to do all this without taking sides too much, and so far I've been lucky at it."

She Likes To Play, Too

"Bill" loves to play golf and wishes she had time to play nine holes every day, but she hasn't played much since the war years. She used to shoot in the 50's on nine holes.

She has an able assistant in her wiry son, Pete. When they moved to Meadowbrook he was able, by standing on his toes, to just peek over the counter. Now he's about 6 feet 2 inches tall.

Pete started out by caddying, saved his money to pay his own way through college, which is just what he has done. He is now attending summer school to speed his completion of a petroleum engineering course. In his free time he assists his mother. He gets a game in occasionally.

Some Never Miss

Mrs. Lee registers as many as 250 golfers in a single day during the summer months. The monthly average in the summer time runs about 3,000. In September, with cool weather and the start of school, the total drops sharply, but she has a number of golfers who she thinks would come out in a blinding snowstorm in the dead of winter to play at least nine holes.

That golf is a year-round pastime in Lubbock is evidenced by her registration figures. Last February, for instance, she registered 193 golfers on one Sunday and had several days during that month when attendance was well over 100.

She doubles as an advisory council, information and message center, official scorekeeper, refreshment server, equipment agent, clearing house for used clubs and money changer, so it's not very often that she has a moment to stop and reflect what fun she has.

Two Games Are Slated Tonight In Softball Tournament Here

The A. S. A. softball tournament at Jumbo Webster Field came to a complete halt last night when rain broke up the scheduled pair of games on tap.

The drizzle left the field in unsuitable condition and continued light showers through playing time caused the umpires to cancel the night's play.

Games Called Off

Curtis Barrett, umpire-in-chief, checked the field carefully long after the "last minute" to make sure that it would not be possible to play. By 8 p. m. Barrett was so positive that there would be no chance that the games were called off.

So at 8:30 p. m., Culligan's Soft Water nine of Plainview will take the field against the Thomas-Sunbeamer team in the first game. In the second tilt, which probably will start about 9:45, Golden Light Coffee and Baldridge Bakery, a pair of South Plains Softball League foes, will take the field.

Thomas-Sunbeamers Favored

Spectators should see two excellen games tonight, with a definite edge to the Thomas-Sunbeamer combination in the first tilt. The Sunbeamer nine that Saturday night won the Texas Softball League crown, is reinforced by a few members from the Thomas Jewelry team.

Jackie Neel and G. W. Warden are a pair of hurlers that opponents have failed to beat often this season in any league. Both have 12-2 records in the Texas Softball League and give the local team a strong edge. In addition, the Thomas-Sunbeamers present a good hitting club.

Culligan's Good Opposition

Culligan's must be considered with respect. They were losing 2-0 to the Cloverlake Dairy nine in a first-round game as they entered the final half of the seventh inning. Then they exploded, scoring four runs and walking off with an upset victory. On the basis of this performance, they should be strong opposition tonight.

The second game needs little publicity with fans of South Plains loop games. Both Golden Light and Baldridge have strong teams, the latter standing high in the Texas Softball League. This is a natural rivalry, with Baldridge made a slight favorite over the coffeemen.

Tourney May Run Over

Postponement of last night's games creates a possibility that the tournament will run through a week from tonight. Tournament officials said last night that they might play three games each night from now on, with the first contest slated to start at 7:15 p.m. This would help to finish up games in the lower bracket and would make it possible to complete the tourney Monday night, as originally planned.

Kilgore's Drillers Setting A Hot Pace

(By The Associated Press)

The Kilgore Drillers set a hot pace in the Lone Star league.

For half a season they were up and down in the battle with Longview for the top. But now they have a working margin.

Last night runner-up Longview took a double trimming from Tyler while Kilgore was edging Lufkin 11-9 and today Kilgore's lead is five and one-half-games.

Tyler beat Longview 5-4 and 6-5, Dewey Jacobs' homer putting the Trojans back in the game in the sixth inning of the first tilt and Tyler getting a tally in the seventh to win. The Trojans came from behind for four runs in the sixth and another in the eighth to take the nightcap.

Marshall and Gladewater split a double-header, the Tigers winning the first 4-0 and Gladewater taking the afterpiece 15-5.

Henderson beat Bryan 9-2.

Dallas Squad Here For Jaycee Fights

Fighters from Dallas, who will take part in the Lubbock Junior Chamber of Commerce fight card at Rosenthal Field Thursday night, arrived in Lubbock last night and went to the St. Francis hotel, accompanied by Mickey Riley, Dallas promoter.

There they will make their headquarters while in Lubbock, working out daily at Sled Allen's arena. The group appears to be in good condition and will hold only light workouts daily, starting to taper off before the Thursday night fights.

In the group are Billy Louderman, former LaVern Roach stablemate, who will meet Howell Steen in one of the two eight-round features; Jose Andres, classy featherweight schedule to meet Tony Olivas in the other eight-rounder; Abner Bettingfield, an experienced middleweight ticketed to face Enrique Valla; Tommy LeNoir, a good heavyweight billed to challenge Lubbock's Joe Music; and Skeeets Gilbert, a welterweight who will fight Johnny Brown.

Griffin is expected to arrive here with his fighters today and probably will live in a special dormitory room at the Hilton hotel. This is the same hotel in which Jack Dempsey will stay when he arrives, probably on Wednesday

Will Weigh In Thursday

The fighters will all weigh-in Thursday afternoon at 2 at Bert Kahn's Health club, with Dr. Arvel R. Ponton of Lubbock Memorial hospital as the examining physician.

Main referee for the fights will be Jack Dempsey, the famed Manassa Mauler, with Lubbock's O. J. "Bo" Sexton and Ray Simmons also serving on the card. The judges will be Alvin Allison of Levellan dand Tom Murphy of Lubbock.

Coming to town for the fight as special celebrities will be Harold V. Ratliff, Texas Sports Editor of The Associated Press; George White, sports editor of The Dallas News; Mr. and Mrs. Robert Manzell of Tyler, old friends of Dempsey's; Harry Gilstrap, sports editor of the Amarillo Globe-News; Jack Durham, sports editor of the Abilene Reporter-News; Lois Vestal, sports editor of the Hockley County News of Levelland; and various other sports figures.

Lubbock Legion "A" Nine Will Tackle Clarendon At Memphis

First tilt in a two of three games series to determine the bi-district champion of the north division of Area 1 will be unreeled Thursday night at Memphis, when the Lubbock American Legion "A" nine battles Clarendon, winner of District 1, officials announced Monday night.

The tilt will be played at the Memphis diamond in order to secure better playing conditions than are available at Clarendon, officials said, and the second tussle of the two teams will be played at Lubbock. Final arrangements for the return encounter have not been completed.

The winner of the two of three games series will be eligible to compete in the Area 1 tournament here in August, with the area winner to battle for the state title at Austin.

The "A" nine journeys to Slaton this afternoon for a practice game, while the Lubbock Legion "B" squad invades Morton. Although the district championship has already been determined, most of the South Plains Legion nines will continue to play a schedule for another two weeks in order to given their squad members experience for next season.

Game times for the tilts today will probably be 5 o'clock.

Longhorn All-Stars Will Battle Tonight

(By The Associated Press)

The pride and slugging joy of the robust young class D Longhorn league will gather at Odessa tonight to stage the circuit's second annual all-star game.

Teams designated as East and West will battle it out.

Harold Webb, owner-manger of the Midland Indians, will pilot the west all stars while Lloyd (Rabbit) Rigby, manager of the Vernon Dusters, will lead the East's club. Gerald Fahr, Vernon's ace righthander with a 11-5 won lost record, is due to get the nod from Rigby for the East while Webb may rely on the veteran Bill Gann of Sweetwater who has a 13-5 record.

This year San Angelo, Vernon, Del Rio and Ballinger compose the East half of the league with Odessa, Midland, Big Spring and Sweetwater making up the West.

Leading Big Spring took a 21-5 pasting from Sweetwater in last night's games. Second-place Midland trimmed Odessa 8-7, San Angelo edged Vernon 6-5 and Ballinger beat Del Rio 9-7.

Brundage Says He Will Retire

ABOARD THE S. S. AMERICA, July 20 (AP)—Avery Brundage, a storm center of amateur sports for years, says this is the last time he will lead United States forces into the Olympic games.

The man who has guided U. S. Olympic affairs for nearly 20 years and ridden out numerous controversies made the announcement last night as the bulk of America's 1948 team neared English port.

"It is generally understood," he said casually, "that I will not accept the presidency of the United States Olympic association again.

"I think it's a good thing for the presidency to be passed around."

Comes As Surprise

The announcement came as a complete surprise to the U. S. Olympic delegation, numbering more than 300 athletes and officials, on board this giant liner.

Brundage has held the Olympic post since 1929. He was elevated after the 1928 games at Amsterdam at which Gen. Douglas MacArthur was the chief.

He has been reelected at every succeeding quadrennial meeting. The next is in 1950.

"They call me a dictator," he said today. "Everytime I have been elected it was unanimously and I have been upheld unanimously in every matter except going to Berlin."

Led Bitter Fight

Brundage led a bitter fight to send the American team to Berlin in 1936 and won it. His foes argued Hitler was using the games for propaganda purposes.

Another famous controversy arose in connection with those games. Brundage threw swimmer Eleanor Holm off the team while enroute to Berlin as an aftermath of the so-called champagne incident.

The ship is due to arrive in Southampton late today but the Americans will not disembark until Wednesday morning. The games begin July 29.

Nat Love Is Chosen Greenville Manager

GREENVILLE, July 20 (AP) — The Greenville club of the Big State baseball league today is guided by Nat Love, right-handed pitcher who joined the club several weeks ago from Shreveport.

He was named manager yesterday to succeed Morris (Budy) Hancken.

Love has not pitched since joining the Majors because he had his tonsils removed shortly afterward. He will be bench manager until he is able to get back to active pitching.

"We'll Get Licked," Blair Cherry Says

AUSTIN, July 20. (AP)—Blair Cherry, whose first football team at Texas lacked one point for an undefeated season, says the Longhorns will be tough again next fall.

But, he adds, don't expect any team to go through unbeaten in the hurly-burly Southwest Conference.

To hear Cherry talk, one would think he's figuring on a better eleven than the one that walloped Alabama in the Sugar Bowl at New Orleans.

He has a youngster who may step right into Bobby Layne's shoes. "Mechanically, Paul Campbell is the best T-formation quarterback I know of," he declares. "He can pass as well as Layne and he can handle the ball as well. Of course, I've never had him in a tough game and seen what he can do in a tight spot." Campbell was on the squad last season and got to play some.

Cherry thinks he'll have one of the best lines in the country. All-America tackle Dick Harris is going back to center where he was twice all-Southwest Conference. Cherry has plenty of guards, three top-flight tackles and a flock of fine ends.

The critics are predicting that Texas will have its greatest line in history. Line Coach Ed Price won't argue the point.

"But we won't be undefeated," cautions Cherry. "Somebody will give us a licking."

He apparently was thinking about last fall when Southern Methodist edged Texas 14-13 — the only blot on the Longhorn record.

Cherry rates Southern Methodist, Rice, Texas Christian and Texas as the top four teams of the conference. And he thinks they'll all rate with the best in the nation. "Except for manpower we were as good as Michigan and Notre Dame last season," he says.

Houston Moves Up In Race As Tulsa, Ft. Worth Drop Games

By HAROLD V. RATLIFF
Associated Press Sports Editor

The Texas league race officially has passed the two-thirds mark with nothing decided, particularly which club is going to lead over the season route.

The two-thirds span was reached last night with Houston moving within three games of the top and just one-half game out of second place.

The Buffs were the only members of the big three to win Houston trimmed Dallas 4-3 while front-running Fort Worth fell to San Antonio 7-4 and runner-up Tulsa lost to Shreveport 6-2.

Beaumont licked Oklahoma City 4-1 to make the latter's cellar spot more secure.

Man Of The Hour

Little Pete Mazar was the man of the hour for Houston in edging Dallas. Pete stepped in to halt a dangerous Rebel rally in the ninth San Antonio bunched eight hits to defeat Fort Worth. Two of them were homers, Sal Madrid hitting a circuiter with one on and Red Davis parking the ball with the bases empty.

Shreveport banged five runs across the plate in the eighth to beat Tulsa.

Kent Sterling southpawed Oklahoma City into submission with a seven-hit performace.

Trout Defeats Raley In Directors' Cup

A tough second round elimination bracket in the annual Directors' Cup golf tournament at Lubbock Country club forced favorites to turn in sub-par rounds last week, Pro Herb Schroeder reported Monday night, with Chick Trout nosing out John Raley, one-up, in one of the top matches of the meet

George Carter was the winner of the toughest match of the pairings, with a 20-hole one-up victory over B. E. Adair, while Ray Biggers ousted Stoney Wall, one-up in 19 holes.

Other Cup results included:

J. B. McCauley, jr., bested Jimmie Morris, 3 and 2; E. H. Armstrong defeated Dr. M. D. Watkins, 3 and 2; C. C. Caldwell dropped Lawrence Banks, 2 and 1; J. A. Raley defeated Alvin Allison, 3 and 2; O. A. Terry defeated C. E. Fish, 4 and 3.

Dr. J. H. Stiles eliminated Armstead Smith, 3 and 2; Glenn Watson beat Sid Claiborne, 3 and 2; Armond Samson defeated Tom Hamin, one-up in 20 holes; A. C. Jackson beat Spencer Wells by default; and Jake Warnick defaulted to Newt Walton.

Third round matches must be played not later than Sunday, July 25, Schroeder announced.

Allen Medalist In Senior Golf Tourney

AMARILLO, July 20. (AP)—Medalist honors in the 14th annual Tri-State Senior Golf tourney were copped by Roy Allen of Oklahoma City, president of the tournament association, who turned in the low qualifying score of 72 Monday.

Red Gober of Austin, three-time winner of the tournament, trailed by one stroke in the field of 156 players, all of 50 years of age or older.

Other qualifiers and their flight designations included:

Championship flight — W. G. White (75) and T. F. Vaughn (77) of Lamesa.

First flight—O. A. Terry (79) of Lubbock, Chick Garland (80) of Slaton.

Second flight—Tom Davis (83) of Petersburg, A. E. Miller (83) of Lubbock.

Eighth flight—R. H. Todd (104) of Slaton, H. H. Odom (105) of Lubbock, Tom May (126) of Brownfield.

Football Storm Warnings Sound At Two Schools

By HUGH FULLERTON, JR.
Associated Press Sports Writer

NEW YORK, July 20—Football storm warnings are coming in from East Lansing, Mich., and Boulder, Colo . . . Word is out that Michigan State, opening a 51,000 seat stadium next fall, is going out for a schedule to match . . . With Ann Arbor only 60 miles away, the Spartans have to have the team and the games to compete for the customers . . . Colorado has to build up to Big Seven level and reports from the mountain country say it wil get there—as a title contender—about '49 or '50 if summer school doesn't take too big a toll . . . Also looking ahead, Vern Gardner, Utah's basketball ace who has another year of eligibility, is working for the Phillips Oil Co. this summer. Guess where he'll go after graduation.

When Bill Terry wanted to trade Mel Ott several years ago, Giant Owner Horace Stoneham said: "I could not face my mother if I let Mel go."

Five Princeton varsity sports captains are on the scholastic honors list just announced. That doesn't include Football Capt. Dick West, who won a Phi Beta Kappa key before his February graduation.

TO CALL ERSKINE

ST. LOUIS, July 20. (AP)—The Brooklyn Dodgers have announced plans to call up Carl Erskine, the young righthander who has won 14 and lost six for Fort Worth of the Texas league as soon as a replacement can be found.

It won't work...*by itself*

It takes a lot more than a telephone instrument to give you telephone service.

Before a telephone will work it must be connected by a pair of wires from your home all the way to the switching equipment in the central office.

Telephone wire and cable are still scarce compared with the large amounts we need. But we are placing and splicing new cable as fast as we can get it.

In some places, there isn't room for more telephone connections on the switchboards. To get more room, we are adding new equipment — faster than ever before.

Despite shortages, we would be caught up by now if it was not for the extremely large number of new applications for service. They pour in at a rate of 50,000 a month in the Southwest, and that tremendous demand has kept us from eliminating the wait for telephone service in most places.

It is still an uphill pull, but we are gaining on it, and we are grateful for your patience and understanding.

KILLERS FLEE INTO RED ZONE

U. S. Soldier Slain In Korean Ambush

(By The Associated Press)

SEOUL, July 30—Koreans firing from a border ambush killed one American enlisted man and wounded another, then fled into Russian - occupied North Korea, a U. S. Army statement said today.

An unknown number of attackers, in civilian clothing, hid in a cornfield 400 yards inside the American zone. As five Americans approached, the Koreans threw grenades and opened fire with small arms, then fled into the darkness.

Returned The Fire

The American soldiers returned the fire with carbines and rifles, but there was no indication of any Korean casualties, the announcement said. The scene of the attack was near Kaesong, northwest of Seoul.

Names of the American casualties were withheld.

It was the first death of an American soldier in a Korean border incident. There have been a few clashes. Most involved South Korean police and North Korean constabularymen.

Sharp Protest Made

One American, Karl Smith of Huntington, W. Va., was wounded last May by a shot fired across the border by a North Korean constabularyman.

Lt. Gen. John R. Hodge, the American commander, protested sharply over that.

Hodge withheld comment today, pending further investigation.

Berlin Crisis

their sectors of the city.

Double-Barrelled Attack

Thus the Soviet announcement was a double barrelled attack on the western powers. Not only did the Russians claim they could feed all Berliners but their announcement sought to discredit western sponsored currency as worthless for the primary function of buying food.

In Frankfurt Gen. Lucius D. Clay, American military governor, showed skepticism of the Russian offer to feed all Berlin.

"The proof is in the performance, not in the statement," said the U. S. comamnder, whose planes have been flying nearly 1,500 tons of food and coal a day over the Russian land blockade.

Clay flew to Frankfurt from Berlin for a meeting of the British, French and U. S. military governors with German officials to discuss plans for forming a new German government in the three western zones.

Planes Buzz Field

Russian fighter planes "buzzed" the British airdrome in Berlin yesterday. Western Allied officials said, however, that Soviet air tactics have not impeded the American-British aerial supply service to the city.

The Russian blockade with its attending economic paralysis, has forced the closing of nearly 1,000 of Berlin's industrial plants.

The first reaction of western Berliners to the Russian food announcement was somewhat cynical. Some said they would attempt to obtain the Soviet-offered food but one native Berliner employed in an American office remarked:

"So now the Russians offer us food when they have shut it off from western Germany. They say it is grain sent from the Soviet union. But what about the low rations 16,000,000 Germans in the Russian occupation zone nave endured? What about the millions of tons of food the Russians have taken out of their zone and shipped to Russia?"

Cars Turned Back

Official German newspapers of both the American and British military governments repeatedly have stated that the Russians have been taking food out of the Soviet zone of Germany while the U. S and Britain have been pouring hundreds of millions of dollars worth into western Germany and Berlin to support the civilian ration.

The Russians clamped the autobahn shut today on all westbound American vehicular traffic from Berlin. The first nine American vehicles attempting to reach Helmstedt in the British zone were turned back by Russian guards.

American officials have said they would never accept the recent Russian order demanding prior clearance of American vehicles by the Russians. Until today the Soviet order had been enforced only half-heartedly.

Gen. Clay

that it was among steps considered.

The general will not stay away long from his critical post in Berlin. He is scheduled to return Sunday.

Daily Markets

Stock Market

MARKET IN ADVANCE

NEW YORK, July 20. (AP)—The stock market advanced over a broad front today after three days of heavy losses.

Closing prices were up fractions to 6 points. The general price level, though, had considerable distance to go to wipe out the effects of a decline which reached a climax yesterday in the severest break in nearly two years.

Buying power was well distributed. Support first appeared in.force in the rail and oil sections but soon spilled over into such key groups as the steels, motors and chemicals.

Fast turnover developed at times. Business for the full day was at the rate of around 1,600,000 shares. This was far below yesterday's 2,560,000 shares but still a good piece of busines.

The first batch of railway earnings for June may have been encouraged market sentiment but traders found no change or importance in the international news.

Higher were Chesapeake and Ohio, Superior Oil of Calif., Richfield Oil, Nickel Plate, Skelly Oil, U. S. Steel, General Motors, Goodrich Tire, Curtiss-Wright, American Smelting, Phelps Dodge Cooper, Allied Chemical, Santa Fe, Southern Pacific, Chesapeake & Ohio, Standard Oil (NJ), Pacific Western and Mission Corp.

Cotton Market

NEW YORK REPORT

NEW YORK, July 20. (AP)—Cotton futures were irregular in dull trading today. Light mill buying and short covering met only limited hedge selling. Failure of the ECA to give a breakdown on authorizations for the current quarter of Marshall plan countries left cotton traders uncertain as to volume of exports for the period. Good cotton crop weather and dullness in textiles created a hesitant tone.

Commission house selling in the final hour depressed prices which closed around the lowest of the day.

Futures closed 40 cents to $1.00 a bale lower than the previous close.

Grain Market

CHICAGO REPORT

CHICAGO, July 20. (AP)—Improved flour demand brought aggressive mill buying into the wheat pit at the board of trade today. At times wheat was more than 2 cents above the previous close, and generally profit cashing was well absorbed.

Corn and oats advanced with wheat, the December and September corn scoring great gains.

Oats were under pressure part of the time, and July oats could not develop much steam. Bookings of oats were placed at 300,000 bushels, corn at 156,000 bushels and wheat at 120,000 bushels.

At the finish profit cashing had eaten into the advance and wheat was ½ higher to ⅝ lower than the previous close, July $2.33¾. Corn was 3¼ lower to ⅝ higher, July $2.07¼-07. Oats were ⅛ to 1¼ lower, July 18-80½.

Congress

(Continued From Page One)

United States "has reason to believe that if it is ratified at the special session" it can be put into effect even at this late date.

He said some nations, including Great Britain, either withdrew from the agreement or signified their intention of doing so when the U. S. failed to meet the deadline for ratification.

Under the agreement, the United States, Canada and Australia would supply up to 500,000,000 bushels of wheat a year for five years to Great Britain and other importin gcountries at a price not to exceed $2 a bushel with a graduated minimum running from $1.50 a bushel the first year down to $1.10 the fifth year.

U. S. Quota 185,000,000

The United States would supply 185,000,000 bushels a year under the agreement.

The importing nations would agree to take the 500,000,000 bushels yearly from the U. S., Canada and Australia. Soviet Russia and Argentina, other big producing nations, are not parties to the agreement.

The Republican platform called for action to give the so-called tidelands to the states. The Democratic convention, despite agitation for a similar plank from the Texas and California delegations, remained silent on the point.

The administration is opposed to any such move.

Across Party Lines

But the fight actually spreads across party lines. Such Republican senators as Donnell of Missouri and Tobey of New Hampshire are strongly opposed to it. On the other hand, Democratic Senator McCarran of Nevada and Downey of California are among its most ardent supporters.

Gov. Earl Warren of California, the GOP vice-presidential nominee, has taken a leading role in the campaign for congressional action, thus putting the issue into the top campaign level.

"I hardly think so," said the pretty divorcee. "Everything hinges on his attitude."

Said Conley: "One thing I'm certain of. Lynette is not going back to Massachusetts. Whether or not my wife sees her depends upon how she acts."

Traffic Jam Recipe Trucker's Special

WAUKEGAN, Ill., July 20 (AP)—Want a new recipe for traffic jam?

Take: 300 cases of red raspberries; 25 cases of black raspberries; 15 cases of currants; 50 cases of dewberries and 25 bushels of apples.

Mix well and press with a ton and a half truck.

That's what Wayne Hellenga of Three Oaks, Mich., did last night. His truck, loaded with the juicy ingredients overturned on highway 41 north of here. There was plenty of traffic jam. Hellenga was not hurt.

Fatal Shooting

(Continued From Page One)

him. He said he had been thinking things over and wanted to adjust differences with Duty peacefully.

Stepped Behind Car

When Hickman was almost to where Duty stood, Duty stepped behind a parked car, on the west side of Ave. J in 1000-block, Croslin was told.

Then, Hickman continued, Duty stepped from behind the car and, without any statement, fired twice.

Hickman, hit in the stomach, told Croslin that Duty then ran. Duty had been following him since March, Hickman said.

The victim said he was alone at the time of the shooting, but believed that someone standing nearby might have been with Duty.

Hickman told Croslin that, when the men first had their difficulty, he had thought about killing Duty, then changed his mind.

Third Such Incident

The shooting was the third such incident in the last two months involving the alleged slaying of fathers by suitors seeking to marry the victims' daughters, officials said.

The official reports show that Hickman charged March 15 that Duty rode beside a bus on which Hickman was a passenger and pointed a pistol at him. Duty charged on the same date that Hickman was carrying a gun. A pistol was found in Hickman's possession. Another was found behind the seat of Duty's car. Hickman paid a fine of $100. Bond of $800 was set for Duty, who pleaded innocent.

Surrenders To Police

Duty surrendered at the police station nearby to Capt. Gilbert Newton, less than 10 minutes after the shooting.

"I just shot J. W. Hickman," he was quoted as saying.

He reached into his pocket and surrendered a .25 caliber pistol.

He said he believed Hickman had something in his hand when Hickman crossed the street, but allegedly admitted that he did not believe Hickman had a gun.

He gave a statement to E. G. Pharr, assistant district attorney, wherein he admitted serving penal terms in Texas and California. He also gave details of his service record. Pharr said he was charged with burglary at Killeen a brief time after he had been inducted and that, when taken back into service after a two-year penitentiary term, he deserted.

Arrests Are Cited

His record shows arrests at various times and on various investigations at Amarillo, San Antonio, Chicago, Denison, San Francisco, and Lubbock.

Tom Garrett, jr., was charged with murder with malice in the slaying of Alvis Graves on June 9. He was released on $5,000 bond the next day.

Richard W. McGee, Lubbock insurance salesman, still is held in Lubbock county jail without bond on a charge of murder with malice of R. L. Allston, Lubbock grocery association executive, who was fatally wounded at his Colonial apartments residence on July 7.

Born In Texas

Hickman was born at Denton in 1893. The family moved to Mangum, Okla., while Hickman was still a child. He lived there until he was 25 years of age. In 1916 he married Miss Alberta Florence Stout. They left Oklahoma in 1918 for Clovis, New Mexico where Hickman first joined the Santa Fe railroad as a switchman.

Hickman and his wife remained at Clovis only a short while however before they return to Oklahoma where he engaged in farming four years. He gave up farming to resume his work with the Santa Fe system at Oklahoma City.

In 1928 the Hickmans moved to Lubbock where he continued his work with the Santa Fe. The family has lived in Lubbock since that time. At the time of his death Hickman was yardmaster for the line.

Funeral services will be read at 4 p. m. Wednesday from Plains chapel, by Dr. M. Norvel Young, minister of Broadway Church of Christ, it was announced from Plains Funeral home. Burial will be in a Lubbock cemetery.

Survivors include his wife, a daughter, Oleta; a brother, Arthur Hickman; two sisters, Mrs. Cora Treadaway, Jester, Okla., and Mrs. Florence Holly, California, and a half brother, Floyd McBride, Lubbock.

Latest census figures show there are 17,000 more women in Venezuela than men.

News Briefs

Army and air force enlistments of men 10 years old will begin here Wednesday, according to Major Harold Fulghum of the local recruiting station. Applicants enlisting under this new directive will be exempt from the draft upon completion of 12 months service in either army or air force. The quota set up for the area under the Lubbock recruiting district calls for 15 white applicants to be accepted for the ground forces, 2 for the air force, and 2 negro applicants for the ground forces between July 21 and Aug. 31. Fulghum said the quota would be filled on a first come, first served basis.

All former residents of Runnels county now living on the South Plains have been invited to pack a basket lunch and attend a reunion picnic scheduled for 10 o'clock Sunday morning, Aug. 1, at Mackenzie State park, with the specific meeting place designated as "east of the swimming pool" by Mrs. A. B. Forbus of Abernathy, who made announcement of the reunion gathering.

Songs by Rex Webster, accompanied at the piano by Roy Bass, featured the luncheon program of the Lubbock Optimist club at Hotel Lubbock today noon. The club voted to stage a picnic at the barbecue grounds at Mackenzie State park, Aug. 23. J. M. Finley of Austin was an out-of-town guest.

Tol Terrell, former Lubbock man who has been superintendent of Harris Memorial hospital in Fort Worth the past nine years, has been appointed superintendent of Shannon West Texas Memorial hospital at San Angelo. He is a son of Mrs. B. T. Terrell, 2324 Fourteenth.

The condition of 6-year-old Judy Holcombe, daughter of Mr. and Mrs. Ralph L. Holcombe of 214 N. Adams, was termed by an attending nurse at West Texas hospital this morning as still very critical, with perhaps a very slight improvement. The youngster, who Saturday morning ran into the rear of a city garbage truck while riding her bicycle, continues to remain under an oxygen tent and to receive blood transfusions. No improvement in a severe paralysis of her body resulting from the accident was noted this morning.

July 11, they entered a house a half-mile east of Country club and took a lavatory and commode that had been installed. Property was owned by J. C. McClellan, they said.

July 15, they burglarized the $25,000 residence of C. R. Nix north of Country club and took a sweeper, 100 feet of cord, a new water heater and chrome bath fittings.

July 19, they took a commode and water reservoir from the A. L. Stovall residence at Thirty-fifth and Filmore.

Took Carpenter's Tools

Then, Monday night, they entered a house where E. W. Cox was working, at 3900-block Forty-fourth, and took a quantity of carpenter's tools.

They then drove to the place where they loaded the pressure pump and tank, the confession concluded.

Three persons charged in connection with alleged failure to leave information at scenes of Sunday accidents had been arrested, police announced today.

Fines Are Assessed

They said that David Specter, 73, of Wichita Falls and Lupe Carresalez, 20, of Meadow route 1 had been fined $50 each on pleas of guilty, and that a 16-year-old newspaper route boy was arrested for questioning of juvenile officials.

Police said the arrests followed radio communication with the automobile registration division in Austin.

Vada Johnson, a negro woman listed as living at rear of 407 Sixteenth, was stabbed by a negro man, police reports showed. The man was identified by her as King Brown. Police had filed no charge, but quoted the victim as saying she did not wish to appear against her assailant.

Pistol Is Stolen

C. L. Thomas, of 502 Ave. B, said a souvenir pistol of Japanese make had been stolen from him.

J. C. Vannoy of three miles southwest of Posey said two batteries had been stolen from irrigation wells. Another was reported stolen from H. L. Greenhill of north of Lubbock on the Plainview highway. Mrs. Hermond Darby of 2707 Thirtieth charged that a $50 bike had been stolen there. J. A. Yeggy of 1106 Twenty-third complained that a $15 stove had been stolen from his residence.

admitted under cross-examination of District Attorney Lloyd Croslin that Ben Mansker, county commissioner, had told him that, while the commissioners court had approved Morris' having a deputy, that he should not use Eckels after Jan. 1.

Others Are Called

The state called only Bobby Smith, ambulance driver of Slaton, at the morning session, then rested its case.

The state planned at the afternoon session to introduce rebuttal testimony.

Judge Pardue informed the defense that it had predicated "two incompatible defenses"—accidental homicide and self-defense. He indicated, however, that he would charge the jury with deciding between the two claims.

Roy Sansing of Higgins is a special prosecutor in the case, and assistant District Attorney E. G. Pharr also is a member of state's counsel. For the defense, E. A. Blair and Grady West are counsel

several thousand more men to be listed each month after that.

Secretary of the Army Royall said recently the first call will be "relatively small" and that later inductions will be geared to the number of voluntary enlistments.

Royall estimated that an average of 30,000 men a month will be needed.

appeared ready to add economic support to the Cominform's break with Tito.

Besides the gold, Yugoslav assets to be released by the Treasury include a government bank account of possibly $225,000 and private holdings of Yugoslav citizens amounting to perhaps $10,000,000.

The private assets are to be released to their original owners and not to the Yugoslav government, so Tito will have to make his own terms with them. The United States made the same terms in unfreezing assets of Franco Spain.

Property in this country of three other Soviet satellites—Romania, Hungary and Bulgaria—remain blocked along with assets of six other countries. These are Germany and Japan, the Baltic states of Latvia, Estonia and Lithuania which Russia has absorbed and Portugal, a wartime neutral. Negotiations are going on for an agreement only with the Portuguese.

Plains Cooperative Meeting Scheduled

Annual stockholders meeting of the Plains Cooperative Oil Mill will be conducted Wednesday at the mill in southeast Lubbock, Roy B. Davis, manager, has announced.

Every member of each cooperative gin of the South Plains is invited to attend and bring his family. A fish fry will be held at noon.

The program will include the annual report of the cooperative and is expected to be announced by 4:30 o'clock.

The most desirable weights in fresh lobsters run from about 1¼ to 2 pounds.

Finishes His Speech

"This was dangerous, I thought," Tokuda later told newsmen as he washed his 38 minor wounds—while some of the panicky audience plunged unhurt from windows. Then he finished his speech and went to a hospital.

Said his assailant: "I regret extremely that I did not assassinate Tokuda. As long as there is Communism in Japan, she cannot be rehabilitated."

British Royalty To Receive Americans

LONDON, July 20. (AP)—Ninety-nine Americans have been invited to meet King George and Queen Elizabeth at a garden party to be held at Buckingham palace on Thursday.

Some of the Americans live permanently in England, but most of those on an invitation list released tonight by the U. S. embassy are visiting the country.

It will be the seond of the season's large garden parties at which the royal couple will entertain visitors and persons who are not British subjects.

The guest list includes:

Miss Kathleen Dorrance, Mr. and Mrs. Forest E. Mars, Miss Mary Elizabeth Vick, Mrs. Videlle Grant Wilson and Miss Rosalie Bosworth, all of Houston, Tex.

Ford, UAW To Renew Talks

DETROIT, July 20 (AP)—Strike action at Ford Motor Co. hinges today on a new conference between the company and CIO United Auto Workers representatives.

Both parties agreed to the meeting yesterday shortly after the UAW executive board unanimously authorized a walkout of 116,000 Ford workers.

Renewal of negotiations, which were broken off July 14, was scheduled to begin at 9 a. m. (EST).

Strike Steps Not Taken

A telegraphed appeal from UAW President Walter P. Reuther to Henry Ford II for further sessions brought immediate acceptance from the young automobile executive.

Indications that the union was banking strongly on the new meeting came from the lack of large-scale preparations which normally precede a major walkout. Union sources said usual pre-strike assignment of picket details and establishment of soup kitchens had not begun.

Yet, all that was necessary to start the walkout was a nod from Ken Bannon, UAW national Ford director.

Methodist Children Study Mission Work

Primary and junior children of the First Methodist church school attended a fourth additional session at the church this morning for mission study on negroes.

Ada Mitchell and T. R. Albert, pastor of Mt. Vernon Methodist church, negro visitors at the session, sang "Steal Away" and "The Lord Is My Shepherd."

Piano accompaniment was played by Ned Hardin. Mrs. C. C. Chambers gave the devotional. Mrs. Claud H. Dalton reviewed the book, "My Dog Rinpy." Other adult leaders were Mesdames George Box, A. F. Harrison and G. F. Hill.

Following the program, the group was taken by chartered bus to Carver Heights, where visits were made to the Mt. Vernon Methdist church and parsonage and Chatman hospital and residence.

The additional sessions are held on Tuesday mornings and are in addition to regular church school on Sunday. Twenty-seven children attended this morning.

Terror Reign Hits Malaya

SINGAPORE, July 20 (U.P.) — Terrorist tactics today have British colonials on edge over a possible Communist coup in the richest tin and rubber country in the world—Malaya.

Violence, rampant on the jungle peninsula since the war's end, has broken out into open warfare. Police no longer blame "local gangsters." Instead they openly charge "organized Communist gangs" with lootings, murders, and the pillage of wealthy plantation areas.

Plan All-Out War

British High Commissioner Gen Malcolm MacDonald in Singapore has acknowledged the peril. He said Britain would wage all-out war against the "terrorists" to prevent them from "taking over the country."

But the job is not an easy one. Malaya—stretching to less than 75 miles from the equator—is a nearly impregnable jungle claw reaching down from Asia proper into the South China sea.

Out of these jungles, terrorist gangs have crept into villages and plantations to wreak havoc and then have disappeared as mysteriously as they came.

Poll Tax Transfer Deadline Is Given

Reminder that this is the last day for a transfer of poll tax receipt to qualify for participation in the Democratic primary Saturday was given this morning by J. B. Johnston, county tax assessor-collector.

Affected are those who have moved from one voting precinct to another since payment of poll tax, he explained. The law allows transfers up to within three days of election, he added.

Palace Theater To Erect Neon Signs

Permit for a neon electric sign costing $16,000 for the Palace theater was issued today by City Building Inspector Lloyd Ross.

Clark Abbott, Griffith Amusement Co. manager here, said the sign will be animated, three color and spread over most of the Main street and Avenue J fronts of the theater entrance.

Other permits included three for residences costing $31,000 and one of a concrete block apartment costing $11,000 at 2419 Eighth.

The residence permits were: Paul Graham, 3211 Twenty-first $17,000; H. R. Taylor, 3501 Twenty-ninth, $7,000, and F. F. Foster, 2309 Ninth, $7,000. J. H. Penn got the apartment permit.

Jerry Longley Wins Model Plane Honors

Jerry Longley, 22-year-old son of Mr. and Mrs. Herbert J. Longley of 2509 Twenty-third, took three first places in the first annual Plainview model plane meet Sunday afternoon to annex sweepstake honors and enhance his chances of being one of 21 Texas youths selected to compete in an international model plane contest scheduled in Detroit in mid-August.

Jerry, a student and part-time physics instructor at Texas Tech, won firsts in the Class D speed contest, Class D open free flight, and in his specialty, model plane stunt flying.

The previous week, Jerry had emerged from a similar contest held at Amarillo with two first places and one second place performance. Similar contests are held over the nation under the co-sponsorship of the Plymouth corporation and local Plymouth dealers, and top performers in each state are chosen to fly their planes in the international competition on tap in Detroit. Lubbock has not scheduled a model plane meet.

Other Lubbock winners included A. E. Irwin, second place in the open speed division with 93.5 miles an hour and second in Class C open speed; Kenneth Smith, first in Class A open free flight; Bob Riley, first in senior Class B free flight; Memes Carpenter, second in Class CD senior sport flying.

Softball Tourney Schedule Changed

Three softball games have been scheduled at Jumbo Webster field tonight instead of two games previously announced in the American Softball tournament.

The games will be as follows: 7:15 p. m., Golden Light Coffee Company vs. Baldridge Bakery; 8:30 p. m., Culligan's of Plainview vs. Thomas Sunbeamers of Lubbock; 9:45 p. m. Bennett Motor Company of Seminole vs. Baker-Fleming Company of Plainview.

Revision in the schedule was made necessary because games were rained out last night.

2,321 Students To Register At Tech

A total of 2,321 students had received permits to register for the second summer term at Texas Technological college up to 1:30 o'clock this afternoon, exceeding the previous record second summer-term enrollment of 2,265 last summer.

Registrar W. P. Clement said the final figure probably will be in neighborhood of 2,350 students.

Today is the only official day of registration. Students unable to be here today will be allowed to register as late as Thursday, but a late registration fee of $2 will be charged those who register later than 5 o'clock Wednesday afternoon, the registrar said.

Soil Conservation Boards Meet Here

Members of the boards of supervisors of soil conservation districts in this area and representatives of the state soil conservation board were in conference here today with county agents and other extension service workers discussing a memorandum of understanding between the agencies designed to increase conservation practices.

The meeting was being held in Aggie Memorial auditorium at Texas Tech college, and is one of a series of 14 being held over the state, according to J. D. Prewit, acting director of the extension service. First meeting of the series was held yesterday at Amarillo, and another is scheduled at Vernon Wednesday.

Sid Payne of Tulia, member of the state conservation board from this area, presided.

Lions Hear Talk On County Blood Bank

While a group of members and friends were enroute East after an early morning takeoff in a charter bus for the convention of Lions International in New York City, the Lubbock Lions club at weekly luncheon today at the Hilton hotel, heard a discussion of the Lubbock county blood bank and saw a short film on operation of such a project.

Mrs. W. H. Agee urged continued public cooperation in the blood bank. She said that in its eight days of operation to date 86 pints of blood had been secured, and that 40 pints had been used in hospitals here, not including that donated by members of the walking blood bank.

An appeal for a full turnout at the polls Saturday by those qualified to vote in the first Democratic primary, was made by Rod McDougal.

Two new members were introduced. They were A. B. Reese and J. M. Crook.

Club President Wayne Henly, who with several others is to leave Thursday for Dallas to join the Texas special train to the New York convention, announced that the board of directors had elected Dr. Sam Hitch as third vice president to succeed Capt. Vincel Larsen, Salvation Army commander here, who is being transferred to Concord, N. C.

Program was in charge of Cliff Freeman. Invocation was by Capt. Larsen.

Becton Man's Father Dies At Age Of 83

EASTLAND, July 20. (Special) —General G. Reed, 83, of Eastland, died Monday afternoon at the home of a son, Boyd Reed, near Becton, where he had been making his home for several weeks.

Funeral services will be held at the Idalou Baptist church at 4 o'clock Wednesday afternoon, with Rev. Joe Matzenbacher named to officiate. Interment will be in Idalou cemetery under direction of Rix Funeral home.

Copeland of Eastland, Mrs. Florence Herder of Wiemaar, Mrs. J. T. Fortner of Moran, Mrs. Oscar Parker of Gordon and Mrs. B. V. Rieves of Stephenville, 29 grandchildren and 10 great grandchildren.

Pioneer Resident Of Lubbock Is Claimed

J. W. Jones, 69, a retired farmer who had resided here for the past 24 years, died at his residence on Lubbock route 5 at 2 o'clock Monday afternoon.

Funeral services, originally planned for Wednesday, are now scheduled for 10:30 o'clock Thursday morning at the Central Baptist church because of delay in arrival of relatives. Rev. Jeff D. Welch, pastor of the church, will officiate, assisted by Rev. A. A. Brian, pastor of the Brownfield Baptist church. Site of interment is not set.

Survivors include his wife, four sons, J. L., D. W., and W. L. Jones, all of Lubbock, and Johnny Jones of San Pedro, Calif.; a stepson, Albert Stoary of Levelland, and four daughters, Mrs. J. E. Wheeler and Mrs. Bill Johnson of Hawthorne, Calif., Mrs. Fred McCrummin of Roswell, N. M., and Mrs. Christine Roady of California.

Names Secret In Allen Case

LOS ANGELES, July 20. (AP)—Secrets in the little black box found in Brenda Allen's house in the Hollywood hills will remain just that—at least for the time being.

Superior Judge William R. McKay ruled yesterday in Miss Allen's pandering trial that the card-index box be kept locked up until he decides whether its contents are admissible as evidence.

Police claim the box has a file of visitors to the house of alleged $10-to-$100 pleasure. Whether it contains the names of Hollywood well-knowns is a subject of considerable public curiosity.

Others Arrested

Judge McKay denied a defense motion to dismiss the charge against Miss Allen, also known as Mrs. Marie Mitchell. The defense contended the state had failed to make its case.

Miss Allen was expected to take the stand today in support of her claim that her arrest May 5 was a case of entrapment. Police said they nabbed her and two undraped girls along with an embarrassed male visitor in the raid.

Policewoman Audrey Davis testified that Miss Allen earlier had offered her a job at the house.

Mrs. Marjorie A. Pierce, who runs a telephone switchboard service, testified that Miss Allen subscribed to the service at $25 a month. The witness said Miss Allen identified herself as a "studio artist."

Drilling Applications Made For Gaines County Stepouts

Locations have been made for immediate drilling, on two stepouts from production in west-central Gaines county.

Cities Service Oil company and The Atlantic Refining company have filed an application with the Railroad Commission of Texas, covering their No. 2 Proctor, to be 10 miles northwest of Seminole, and adjacent to the same operators' No. 1 Proctor, recently completed discovery from the San Andres-Permian.

Gaines Stepout Slated

It will be 1,980 feet from north and east lines of section 335, block G, CCSD&RGNG survey. The exploration is slated to go to at least 6,775 feet, to test the Clear Fork Permian. That makes it a wildcat, as there is no production in the adjacent areas of the Clear Fork.

Tide Water Associated Oil company No. 1 J. M. Shelton is to be a stepout from Clear Fork production in the North Riley field, in west-central Gaines county.

It is located 660 feet from north and east lines of the southeast quarter of section 404, block G, CCSD&RGNG survey. It is contracted to 7,000 feet, to test into the zone which is making oil in three nearby wells. Drilling with rotary is to begin immediately.

Ellenburger Test Set

American Republic corporation No. 1 Susue Koonsman is to be a 7,750-foot wild cat in Northeast Scurry county, to hunt for and test the Ellenburger.

It is 2,115 feet from north and 3,290.3 feet from east lines of section 240, block 2, H & TC survey. That puts it eight miles northwest of Camp Springs, and 15 miles northwest of Snyder. Drilling is to begin at once.

This venture is on a block of about 10,000 acres, which had been held by The Imperial Agency of the Netherlands government. American Republic has secured a one half interest in the Block in return for assuming the obligation to drill the wildcat.

Magnolia Petroleum company No. 1 Winston, south-central Scurry county wildcat, four miles south of Snyder, and 330 feet from north and west lines of tract 72, Kirkland and Fields survey, was corning ahead from 6,853 feet in Pennsylvania lime.

Cochran Producer Complete

A drillstem test was run for two hours at 6,844-53 feet. Recovery was 3,755 feet of salt water, and 10 feet of drilling mud. There were no shows of oil or gas.

This project had oil saturated lime from 6,790 feet to about 6,820 feet. Water was found below 6,822 feet. There is a possibility that a producing well, and a new discovery from the Canyon lime, might be completed from the 30 feet of pay above the water.

C. U. Bay No. 1 Ralph Gardner, south-central Cochran county wildcat, five miles southeast of Lehman, and 440 feet from north and east lines of the lease in F. O. sub-division 2, league 131, Carson county school lands, has been completed as a pumping producer and the opener of a new producing area from the San Andres-Permian.

It made a 24 hour pumping potential of 90 barrels of oil from pay between 4,863 feet and the total depth at 5,010 feet. That zone had been treated with acid.

Discovery Made In Andrews

Placid Oil company No. 1 Nix, about 12½ miles southwest of Andrews, in central-southwest Andrews county, and 1,980 feet from south and west lines of section 21, block A-47, psl survey, swabbed 150 barrels of oil and 150 barrels of sulphur water, in 24 hours, after the load and residue from a 15,000 gallon acid treatment had been swabbed out.

The fluid is from the Clear Fork of the Permian above the total depth at 7,455 feet.

Operator is installing a pump to complete the project as a discovery. It is about three miles south of the Fullerton field.

Morton Carpenter Killed In Accident

MORTON, July 20. (Special)—The body of a Morton carpenter Bennett Massey, 36, who was burned to death in a truck accident near Mescalero, N. M., about 5 a. m. Monday, has been returned here for final rites and interment.

The Associated Press reported that Massey was burned to death when his truck overturned about a mile and a half from Mescalero on U. S. Highway 70. The accident occurred on the Mescalero Apache Indian reservation.

Driver Pinned

New Mexico state policemen said that Massey apparently applied the brakes on his machine to stop for a hitchhiker. His truck skidded off the rain-slicked highway into a ditch, pinning the driver. Flames broke out immediately, preventing rescue efforts, The Associated Press said.

Morton sources reported that Massey, who built houses, was enroute to Alamogordo, N. M., when the accident occurred. He frequently brought in truckloads of lumber and other materials for use in his work, it was said.

Reports were that the truck was burned so badly that efforts to identify it or its driver were of no avail until midafternoon.

Funeral services for Massey, who is survived by his wife and two children, will be under direction of Singleton Funeral home here.

Cash Is Taken From Office Of Sheriff

LOS ANGELES, July 20 (AP)—Sheriff's detectives — with slightly red faces—are investigating the burglary of what they thought was the safest safe in the city—the one in the sheriff's business office.

Someone entered the locked business office over the weekend, opened the safe and took $22.50, which, deputies said, represented payments by employes for personal telephone calls. They said the thief overlooked $3.50 in a separate envelope.

Dr. Joe Bigsby Dies After Heart Attack

Dr. Joe Bigsby of Oak Cliff, Dallas, about 44, died of a heart attack in his office in Fort Worth Monday afternoon, Lubbock friends were advised last night. His wife is the former Mrs. Allie Reeds of Lubbock. Burial will be conducted in his former home at Kirksville, Mo. Mrs. Marshall Harvey left for Dallas by plane this morning to attend the services.

Mother Reunited With Daughter After 16 Years On 'Extended Trip' To City

LYNCHBURG, Va., July 20. (AP)—After 16 years, Mrs. Nellie Arthur, of Lynchburg, was able to say: "A fairy tale come true."

Sixteen years ago a childless couple took Mrs. Arthur's two-and-half year old daughter, Joyce, with them on a trip to New York.

The last word Mrs. Arthur heard from the couple was two weeks later. They wrote that the trip would be extended.

The efforts of Mrs. Arthur, a factory worker and mother of two children, to locate her daughter were unsuccessful.

But last spring Joyce—now Mrs. William Elldridge, of Pocatello, Idaho — who thought she had been adopted, asked the juvenile court here for legal papers.

Mrs. Arthur was notified and the mother was off to visit her daughter.

And the couple who took Joyce to New York 16 years ago? They died leaving two children. Joyce is going to adopt them.

Mrs. Stanton Has No Lyrics Rejected

Lubbock Woman Will Receive Rewards For Song Writing

By OPAL DIXON
Journal Staff Writer

An attractive red-haired young woman, Mrs. M. F. Stanton of 2324 Broadway, this summer and fall will reap some of the rewards for writing a series of songs.

She has the distinction of never having had one of her songs rejected.

About two years ago she was suffering an attack of tonsilitis and was at home all day. She decided to make an attempt at writing a song. She sent it to a publishing house, which forwarded it to Bob Carleton, who set the lyric to music.

Since that time she and Carleton have collaborated, but she has never met him. She and her husband plan to leave Aug. 10 for California, partly for a vacation, partly to meet publishers of her work and Carleton. An autograping party, date or place for which have not been set, is to be held for her because of a book of poems, "The Singing Heart," which she has written and which is to go on sale, probably in November.

Bermuda Trip Planned

In September, she will be eligible for a trip to Bermuda on an all-bills paid vacation, as prize for winning first place this month in the Hollywood Search for Talent song contest with her song, "Irish Molly 'O'."

She also will be eligible to submit any new songs to the Hollywood Screen Writers association, an agent being assigned to attempt to place the material with a motion picture. She was given membership in the Hollywood Screen Writers association for her composition, "Oh, Mister Owl," last month.

Other published compositions of which she is author include "Aloha Gave Me You," "If I Had a Million Hearts," "My Man Don't Care," and "Lost Beguine."

First printing of 1,000 copies each has been made of each of the published compositions and some have gone into the second printing of 5,000 copies each.

Preparedness Now Is Theme Of Candidates

(By The United Press)

The closing days of the senatorial and congressional campaigns in Texas found the candidates in agreement on at least one issue: A strong America with its sleeves rolled up ready to defend the principles for which it fought two World wars.

With the international situation tense, the senatorial candidates especially, Lyndon Johnson, George Peddy, Coke Stevenson, Roscoe H. Collier and others, have hammered on the importance of military preparedness.

Saves Sharp Barbs

Peddy devoted much of his talk last night in Austin to foreign affairs but saved some of his sharpest barbs for Johnson and Stevenson. He declared both were headed for the "graveyard" at Saturday's Democratic primary election.

Without naming the two, Peddy said "they set out to make this a two-way race between them, each one believing he knew enough about the other to destroy him."

He charged that Johnson and Stevenson hope "to scare the people into voting for them."

Points To Record

Johnson, in a transcribed broadcast from Austin, said he could not believe "that Texans want a senator without program." He traced his more than 11 years in Congress in which he pointed to his votes for prepardedness prior to World war II.

"I cannot believe," he said, "that Texans want to be represented by a man who has no plans, no objectives, and no experience. Instead, you want a man who has consistently . . . fought to make and keep America strong." Johnson was in Waco today.

Stevenson said in a talk from Waco last night that he intended to conduct his campaign in the closing days along the same lines he has been following. He said he would not "start slinging mud at this late date."

Stevenson on foreign affairs said if elected he would devote his best efforts toward complete destruction of the Communist movement in this country. And further, "I do not think one American dollar should ever be used to aid any country whose policies are laid down by Russia."

Criticism Is Drawn

Federal spending and handling of federal taxes drew criticism from Stevenson. He said "we pour all that money (federal taxes) into Washington, and then, in spite of all the talk about federal grants we get back only a small fraction of it to use . . ."

Stevenson goes to Marlin, Cameron and Caldwell during the day

James H. Simpson Lands Leading Role

Unexpected Stage Career Is Launched For Tech Graduate

From Lubbock to Maine is a long trip for most people but it was only a step past graduation for James Henry Simpson, 23-year-old son of Mr. and Mrs. J. C. Simpson of Roby who is playing the romantic lead in the current production, "Ever Since Eve," on the stage of the Greenwood Playhouse, in Peaks Island, Maine.

Protege of the imminent New York stage producer, Robert Paine, the current production is the second in the spiraling career of the talented young actor; the first in which he played the leading role was "Ramshackle Inn."

No Stage Aspirations

The strange part about the whole thing is that James Henry had no stage aspirations whatever, even as a boy, and later as a college student. Son of prominent stock farmers, he was born and reared near Roby and since his boyhood interests seemed centered around agricultural matters, he appeared destined for a career in that field.

In Roby High school, of which he is an honor graduate, young Simpson received his first stage experience, appearing in junior and senior class plays. His education in Texas Technological college was interrupted for the time of his Army service. After his discharge, he returned to Texas Tech, where in June, after three and one half years of college work and 165 credit hours, he received his degree in landscape design, graduating with a B average.

Early in his senior year, Simpson was spotted by a Hollywood

Two Men Killed In Dallas Plane Crash

DALLAS, July 20 (U.P.)—Two young fliers were killed here late Monday when their basic training plane crashed into a hilltop in a meadow in the southwest part of the city.

The plane burst into flame a moment after the crash.

The fliers were tentatively identified as Ledoux Smith, 23, of Austin, the pilot, and D. C. Williams, 27, a Marine sergeant stationed at Hensley Field here.

Eugene Simpson, 23, of Dallas, said he saw the plane take off from fliers field on Duncanville road about two miles south of the Cockrell hill section of Dallas.

"The plane climbed to about 500 feet," Simpson said, "then went into a spin."

Airlines Contest Will Be Conducted

Continental Air lines Lubbock station will take part in August in the OTO (On-Time-Operation) contest seeking to find the "best station in the nation."

Special emphasis will be aimed at station delays.

Continental Air lines have offered to provide a three-day expense-paid vacation on its system, with transportation for the winning station manager and two of his agents.

Information has not been received here what other lines will participate in the national contest. Braniff airways plan to participate here on a local basis, whether or not taking part on a national basis. Braniff and Continental, operating with the same personnel at the field, will work to outdo the other in their on time-operation records. Keeping records constantly of such operations, they each have recorded one delay of two minutes each this month. The delays are recorded if the flight is longer than 10 minutes going out after time of arrival. They are not based on late flights, if they were late arriving but went out within the 10 minutes' period.

In the national contest, the OTO factor will be computed by dividing total departures for August into total delays in minutes on a systemwide basis.

Foreign Aid Is Proving Costly

WASHINGTON, July 20. (AP) — Foreign aid is costing Americans more this year than the total outlay for schools, police and fire protection and similar local services.

Paul G. Hoffman, who is directing the European recovery program, made this assertion today in a radio address to be beamed to Europe by the World Wide Broadcasting Foundation.

The economic cooperation administrator, striking back anew at Communist criticism of the aid venture, declared:

Claim Ridiculous

"No Communist claim has been more ridiculous than the charge that we are dumping surpluses on Europe."

Then, detailing the "sacrifices" he said Americans are making, Hoffman added:

"Foreign aid is costing the United States six billion dollars this year. This . . . is more than the amount spent by all the cities, towns and villages in the United States for fire protection, police, schools, sanitation, parks and similar local services."

Congress set aside $5,055,000,000 for the European recovery phase of the program. New dollar investments in that program now have pushed the six-month total toward the half-way mark.

Allotment Announced

Hofman yesterday anounced a $1,118,800,000 allotment for loans and grants for a three month period ending September 30.

A comparable amount was authorized for the first three months of ECA's operation, but not all the funds were distributed. Approximately $632,000,000 of the first quarter funds have been carried over to the July-September period, making about $1,751,600,000 available for western European nations in their fight against Communism.

Hoffman plans to leave Washington late today on the first leg of a trip to Paris for six days of conferences with top ECA officials there. He expects to return to New York July 29.

CONNALLY RETURNING

WACO, July 20 (AP) — Senator Tom Connally was to return to Washington today. He came here yesterday to attend the funeral of a cousin, Dr. H. F. Connally, secretary of the state board of medical examiners, who died Friday.

In 1947 the United States exported more than 19 million tons of food.

PUBLIC MAY ATTEND MEETING

Budget Hearing Is Set For Thursday

By H. I. KIEFER
Journal Staff Writer
(First of three articles).

The proposed city budget for the present fiscal year is set for public hearing at City hall Thursday at 2 p.m.

Any citizen has a right to be heard on the budget at that time. He can criticize, praise or ask questions.

KIEFER

City budgets are made up of a solid mass of thousands of figures. They make dry and complicated reading. This and subsequent articles will attempt to explain the important features of the budget proposed in a way that will be comprehensible to the layman. The average citizen should be interested because every figure goes straight to his pocketbook.

The budget is proposed for the "fiscal year" which started last April 1. For various sound reasons unimportant in this discussion, the city dates its business, or "fiscal" year, from April 1 instead of Jan. 1.

Thus, the proposed budget is for a year which already is nearly four months old. Such a delay is bad policy, bad business and bad finance. A budget should be adopted before, or when, the fiscal year begins, not after it is nearly four months gone.

This year, there were more or less unavoidable reasons for delay. City Manager Marlin R. Smith, jr., did not begin his present duties until last March 1. He had to start from back of scratch in preparing the budget—and the preparation of a budget is an enormous job.

On top of that, a new mayor, W. H. Rodgers, and two city commissioners, Clarence Whiteside and E. K. Hufstedler, jr., did not take office until last April 9. They compromise a majority of the city commission, the two other members being Commissioners W. B. Price and John Spikes. It naturally required time for the new members to get a grasp of city finances before they could be ready to act intelligently on a budget.

Full allowances thus should be made for the delay this year. But it is not the sort of thing which is good for any city year after year.

The basic purpose of any budget is to tell where the city expects to get money during the year ahead and how it will be spent.

In the case of Lubbock, the budget anticipates revenues totaling $2,570,980—which probably is low by a rather substantial amount. Total expenses shown are $2,441,907 which probably is on the high side. But, assuming the figures are approximately correct, this would leave a balance of $129,073 at the year's end.

Where will the city get the money it proposes to spend?

As a starter, it has $110,255 as a balance from last year. Such a balance is considered sound finance. It provides for unexpected expenses or emergencies. The amount shown is not excessive.

The city expects the electric department to take in $825,000 and the water department $580,000. These are gross amounts, not profits, but the estimates unquestionably are very conservative.

Tax collections are shown at

Three-Year-Old Lad Ready For Burglar

HOUSTON, July 20 (AP)—It didn't scare three-year-old Harry Noe, jr., when someone attempted to enter his parents' home last night.

Harry was armed and ready—with a kitchen kettle lid he generally uses as a drum.

A burglar was hacking away at a window screen next to Harry's bed.

"Don't cut that screen," he ordered. "Go 'way from here."

When the man failed to heed the order, Harry picked up his "drum" and started swinging.

By the time his father arrived after hearing the commotion, the intruder was fleeing acros thes back yard.

"I heard him talking and heard him banging that lid around," the proud father explained. "I was on the way to make him stop when I heard him say a man was trying to cut his hair with a big knife."

Man Sentenced For Theft From Mother

FRANKLIN, Ind., July 20 (AP)—Scott Pitcher, 38 year old farmer, was sentenced to one to 10 years in the Indiana state prison yesterday on his plea of guilty to stealing his widowed mother's only cow.

Pitcher, sentenced by circuit Judge Grant Rodgers, had been charged with grand larceny by his mother, Mrs. Fairy Pitcher. She had lost all her possessions except the cow when fire destroyed her home last year.

If inflation continues, people with old Confederate money in their trunks are likely to wake up some morning and find themselves rich!

WE HERE on the South Plains are not directly affected, but we should all know that the radical Political Action committee in Texas is busy in all parts of the state. The lefties are secretly laying plans to take over as many Democratic precinct and county conventions as possible, in the hope that their minions will be able to control the next State Democratic convention, on September 17.

Precinct conventions will be held through the state on July 24—day of the first Democratic primary. A week later, on July 31, will come the county conventions.

The radicals hope to catch good Democrats asleep, appear at precinct and county conventions in full force and thus get their own people elected as officers and delegates.

* * *

The PAC originally was an adjunct of the CIO, but now has been expanded to take in all the leftwingers, fellow travelers and parlor pinks available in the state.

Fellow named J. J. Hickman, address unknown, is the boss of the PAC in this state. He has been advising his stooges everywhere to work quietly, to lie low—and, especially, not to let the newspapers know the outfit's plans and goals.

In his instructions to his radical pals, he sets out that the PAC almost captured the last State Democratic convention at Brownwood, in May, and says his unsavory crew can do the job at the next state conclave.

* * *

AS WE noted at the outset, the PAC scheme to kidnap the Democratic party in Texas does not affect us directly—but, if the plan is successful, it will affect us indirectly.

A taking over of the party machinery by the radicals in this state would eventually leave good citizens no place to go, politically speaking.

Therefore, it is to the best interests of Democrats on the Plains to make sure that they get the strongest of leadership in precinct and county conventions and that their delegates to the state convention in September are men and women of sound judgment, unquestioned loyalty to real democracy—and have the intestinal fortitude to stand up to the radicals and beat their ears down.

DURING the next few weeks and months, the American public will hear a great deal about the high cost of living and who is to blame for it.

The HCL is going to be a whipping boy in the national political campaign, with the Democrats blaming the Republicans and the Republicans blaming the Democrats.

From where we sit, however, it appears that the public isn't primarily interested in whether the Republicans, or the Democrats, can holler the loudest aoout the high cost of living. What the public wants is action, not words—and the public isn't particularly interested in where the action comes from—as long as it comes.

The truth of the matter is that every principal action taken by the Congress was taken by a coalition of Democrats and Republicans.

It took both to put over the Taft-Hartley bill, which is a step in the right direction in getting the heels of the labor bosses off the public's neck.

It took both to put over European recovery. It took both to revise income taxes downward. It took both to do everything done by the Congress in the past two years.

Therefore, it is logical for John Q. Public to think that it took apathy on the part of both Democrats and Republicans to fail to attempt to reduce skyrocketing living costs and to try to halt the upward swirl of inflation.

People don't want talk—from Democrats, or Republicans—about who is to blame for living costs.

They want action—from both Democrats and Republicans—to improve conditions.

"If you men don't fall for the dictates of fashion and custom,"

BY DREW PEARSON: GENERAL MacARTHUR KNOWS HOW TO DEAL WITH THE RUSSIANS

DP Act Will Be Revamped During Special Session

WASHINGTON — General MacArthur has his own special system of dealing with the Russians. One incident contrasts with the recent arrest of Marshal Sokolovsky in Berlin by American military police for speeding, and the subsequent official apology to him despite the fact that he was clearly guilty of violating the law.

PEARSON

Meanwhile in Tokyo the top Russian general, Colonel General Galensky, was arrested by American military Tokyo for failing to have a pass. After his arrest, Galensky came storming into the office of Joseph B. Keenan, chief war crimes prosecutor, demanded an apology. Keenan took the request to MacArthur.

"No."

"Can you go outside Tokyo without a pass" MacArthur asked Keenan. "Can I go outside Tokyo, can any American soldier or enlisted man travel outside Tokyo without a pass?

"Tell the colonel general," concluded MacArthur, "that he gets exactly the same treatment given to you and me. He gets no apology."

Keenan conveyed this message verbatim to Galensky at his home. The Russian colonel general listened carefully to MacArthur's words as relayed by Keenan, finally said:

"What a man! Let's have tea."

Displaced Persons

Senate Democratic leaders say that one of the first moves at the special session of Congress will be to revamp the displaced persons act. Many Republicans agree, are angry at the anti-Catholic, anti-Semitic restrictions.

The Senate accepted the bill in its present form, because it came up so late that to have fought for corrective amendments would have meant no displaced - persons legislation at all.

The bill is the handiwork of West Virginia's Republican Senator Chapman Revercomb, and the methods he used to foist it upon his fellow senators are some of the most shameful in the history of the 80th Congress. Soon after he was assigned to head a judiciary subcommittee to study the problem, Revercomb bluntly told colelagues: "We could solve this DP problem all right if we could work out some bill that would keep out the Jews."

That is exactly what he did. By legalistic sleight-of-hand, he put through a bill admitting 200,000 of Hitler's victims to this country—but on Hitler's terms. Those who entered Germany after December 22, 1945, cannot be admitted. It so happens that most of the Jews, now in refugee camps, fled into Germany from the Polish pogroms—after the December 22, 1945, deadline.

Revercomb's bill also assigns 50 percent of the displaced-persons quota to the Baltic states for no valid reason, except that these states are predominately Protestant. What's more, the bill requires that 50 percent of those who come to this country must be farmers—in spite of petitions from employers and labor groups, asking for trained garment workers to fill the shortage in that field. Few Jews are farmers, many are garment workers.

Two months ago Undersecretary of State Robert Lovett wrote Revercomb asking him to move up the eligibility date from 1945 to 1947. Revercomb kept the letter secret from his own committee until his West Virginia colleague, Democratic Senator Harley Kilgore, found out about it several weeks later.

"The State department recommendation," snorted Revercomb, in reply to Kilgore's protest, "was made by the Jews. The department is full of them."

Later, while the Senate-House conferees were debating differences in the bill, U. S. Ambassador to Britain Lewis Douglas sent an urgent cable to the State department, warning that Europe regarded Revercomb's bill as grossly anti-Semitic and anti-Catholic. He requested that his views be communicated to congressional leaders.

The State department promptly got in touch with Senator Alexander Smith, New Jersey Republican, who urged Revercomb to present Ambassador Douglas's views to the Senate-House conferees. Afterward, Smith asked Revercomb whether he had done it.

"I did not," growled the West Virginia Republican. "I didn't want to raise any racial or religious issues in the conference."

CY CHING, former head of the U. S. Rubber company, who patriotically retired from a top job to aid his country as federal labor conciliator, has been taking a brief vacation.

To get farthest away from the labor strikes he tries so hard to settle, Ching went on a fishing trip to Nova Scotia. Even there, however, he could not escape the name of the man who causes him most trouble—John L. Lewis.

Writing to a friend in Washington, Ching said:

"My fishing guide is named 'Lewis'." Then, with a note of relief he added: "The only time he says 'strike,' however, is when there's a fish on the line."

Veterans Housing

Congressman Albert Thomas, Texas Democrat, who has a fine record on most matters, did his best before Congress closed to hamstring the housing expediter's authority to investigate veterans' housing.

First he tried to block an appropriations bill, granting extra funds to the housing expediter to expand his investigating staff. When that failed, Thomas suggested that all housing functions relating to veterans should be transferred to the Veterans' administration.

What the Texas congressman didn't mention in his battle against the housing expediter was that one of his own close friends, Frank Sharp of Houston, a home builder, is under investigation on charges of defrauding veterans. The investigation has been pressed, of course, by the housing expediter.

When a newsman called to get Thomas's side of the story, the congressman growled: "You'd better be careful what you print about Sharp!"

The person who leans over backward in being fair often receives a jolting blow in the solar plexus.

Seersucker Summer Suit On French Poodle Latest Item

MEMOS of a Girl Friday—British Air Force General T. W. Potts is romancing Betty Lawford via the overseas phones. (What fun is that?) . . . I assume you've noticed the life-sized figures of the stars in "Easter Parade," which are all over the Loew's State frontage. Well, Ann Miller's shocked mother is terribly displeased about Annie's. Too much leg (up to the thigh), she sez. The New Yorker is readying a series on Lepke (Louis Buchalter) by R. H. Rovere, who'll eventually put it between covers. Says he is acquainted with most of the details on the surrender. He would like, however, to get direct from you any impressions you formed of him. The sort of man he "really was." Told Mr. R. you were with Lepke not longer than 3 or 4 minutes. From the scene of surrender at 24th and Madison Sq. Park to where G-Man Hoover was—at 28th and 5th. But that you'd be glad to see him, prob'ly after b'cast.

WELL, you've gotta hand it to Mr. Dewey, at that. He was wisely managed. I now learn that his brain-trust had a cross-index of every delegate. That's over 1,000 of them. Which clubs they belonged to—which churches — their local and nationa' contacts and so on. The Dewey crowd had all concerned pound these delegates with letters urging them to vote for Dewey. When they came to N. Y. they were supplied with best seats to best shows — fancy limousines were at their disposal sans fee, and a fuss was made over them until the Convention ended. Where does all that money come from?

Peter Bergson arrest has finally been explained by the British in an AP dispatch. His secret bride (in New York) thanks you for forcing them to discuss his case—why he was kept incommunicado since his arrest 3 weeks ago. They ignored over 50 cables from U. S. Senators and Congressmen, members of the State Dept. etc., all of whom asked if Bergson was still alive or what. Then, following your inquiry Sunday night, they got an explanation

most women will say, "why do you wear ties?"

That's a good question—especially in the Summer time.

* * *

Men wear ties solely from force of habit, because of the dictates of custom, and for the decorative value (if any) of the necktie.

That the tie is useless, from the standpoint of necessary clothing, there is no doubt.

In recent years, many males —mostly youngsters — have stopped wearing ties in Summer, Spring and Fall, substituting for them the flaring collar of the sport shirt.

But most adult males cling to the tie custom and probably always will.

* * *

THE necktie is about 300 years old, stemming from Paris where it was introduced by officers and men of the Croatian regiment in 1660.

It made such a hit with other French soldiers that they took up the necktie, then called the "Croat," which the French had difficulty in pronouncing and which became the "cravat."

First "cravats" were of silk, muslin and lace and were really neckerchiefs, rather than today's ties. Some of them sported buttons, tufts and other ornaments.

The fashion spread to England and elsewhere and, in time, came to America.

* * *

So because some French soldiers adopted a fashion nearly 300 years ago, we American males, circa 1948, wear neckties, even though they are a far cry from the finely embroidered lace "cravats" of earlier days.

And the custom of wearing neckties gives women more than a leg to stand on when they answer masculine taunts at their hats and some of their clothing styles.

Just as there is no sense to a lot of fripperies of female wear, there's no practical use to men's neckties. Yet few will argue that a tie doesn't add to a man's appearance.

ANY sane individual whose civil rights have not been destroyed by his own foibles; who has passed his majority; who has a poll tax receipt, an exemption certificate, or who is otherwise exempt from poll tax payment, can cast a ballot in the State of Texas.

It doesn't make any difference if he is as ignorant as a one-eyed Mongolian; whether he hasn't learned to read, or to write. If he can satisfy election judges that he's qualified under the law, he can vote.

As the boys might put it, "we ain't got no literacy test" for voters in Texas.

That, it seems to us, is a pretty bad state of affairs — and one which needs exploring, especially if the leftwingers in the East are successful in forcing the State of Texas to knuckle under on the poll tax argument.

Okay, Let's Go!

Congressional Session Now Will Be Costly To Country

WASHINGTON—It took a great deal of persuading to get President Truman to call the 80th Congress back into session. He knows very well that it will mean a repetition of the game of veto and recrimination that was played out in the end of the session that closed just before the opening of the Republican convention.

CHILDS

What may well have been the clinching argument came from Mr. Truman's political managers. They pointed out that the Democratic till is practically empty. The funds are simply not forthcoming to conduct a national campaign with costly radio hookups and country-wide tours

But with Congress in session, it argued, the President would have a ready-made sounding board. A message by the President of the United States to Congress is front-page news even though he is a candidate for re-election.

If the President goes in person to the Congress with his message, it is normally carried by all the radio networks. Here, incidentally, is an interesting problem for the radio chains, which customarily charge commercial rates for broadcasting political speeches.

* * *

Angry Mood Expected

The Republicans are certain to come back in an angry mood. They will do everything they can to put the President on the spot as revenge for boldness in calling them back.

The more rebellious are even asking whether it might not be better to refuse to come back. There is nothing to compel Congress to return. Such a refusal would create an extraordinary situation and the President could tell the country that the Republicans were afraid to face the issues.

The political hazards in a special session are real. The President can't risk a great deal because he has so little to lose. That is not true of the GOP.

The Republican candidate for president, Gov. Thomas E. Dewey, will be seeking to shape a campaign by speeches and statements that appeal to a wide range of voters. But by their actions the Republican Congress can nullify his stand and make him look foolish. This is one of the chief points urged on the President by those who favored the step he took dramatically in his acceptance speech.

The Democrats will, of course, have their own troubles. Republican leaders in Congress plan immediately to push civil-rights legislation called for in the platforms of both parties.

* * *

THIS will precipitate a southern filibuster in the Senate. Such a filibuster was discounted in the discussions leading up to the recall of Congress. It was considered quite likely that it would last at least a month.

That interlude would even help the President's position since it would put off until the fall, when the campaign really warms up, the showdown over housing and inflation. In the dog days of August the country can ignore the marathon of southern oratory, which will gradually wear itself out. Then, as an interest in politics revives in September, the President can throw the book at the Republicans encamped unhappily on Capitol Hill.

The southern marathon is likely to defeat any civil-rights measures. That will give the GOP a chance to blame Mr. Truman's party for failure to carry out platform pledges. But clearly he cannot be made to accept responsibility on this score, since the south in convention seceded from the Democratic party of the north.

* * *

Siege To Be Bitter

So the country is in for a long and bitter siege while the rival branches of government belabor each other, as they have so often done in the past, with every weapon in sight. It will be a strange spectacle for the allegedly most powerful nation on earth at a moment when so much is balanced on the knife-edge of destiny.

It goes without saying that the net result in legislation will be zero. As there are political hazards in this maneuver, so there are great hazards for us all regardless of party.

The fragile boundaries of the bi-partisan foreign policy have already been pushed in by what happened at the conventions and the shadow of the coming campaign. In the special session that little island of policy is certain to be further invaded by angry partisans. The taberites will not be able to resist sniping at the European Recovery program.

The session may well hold political advantages for Mr. Truman, who finds himself under such great handicaps. But measured in terms of the good of the country, this campaign maneuver may prove even more costly than the old-fashioned variety financed by lobbyists and pressure groups.

He brands all gossip as "absurd," but always hears a choice bit through to the end before striking that noble attitude.

NEVER IS WRONG

HE never makes a mistake in judgment. If he comes up with a wrong answer there is always a logical excuse for it.

He doesn't find the question "What kind of a day did you have?" any stimulation to conversation. It's a question he feels can be answered either by "Okay, I guess," or "Lousy."

He hears only what he wants to hear of the conversation that is directed toward him at home.

Who is he?

He's a husband. Surely, you recognized him in at least three of these paragraphs.

"Try And Stop Me"

THE human organism is a delicate as well as a complicated piece of machinery. The vast strides made in psychosomatic medicine reveal the close links between physical ailments and emotional disturbances. In other words, your mind can help you get sick—and it can also help to make you well again.

English Prime Minister Gladstone was a victim of psychosomatic illness; although a man of sturdy physique and robust health, he developed a shattering "diplomatic cold" whenever he faced a difficult or distasteful debate in Parliament.

An even more striking example was Elizabeth Barrett, browbeaten daughter of a tyrannical father, who was a bedridden invalid for twenty years when she met and married Robert Browning and was cured almost overnight. The following year, in fact, at 41, she was well enough to scramble over mountains, and two years later she bore a perfectly healthy child. She didn't need her symptoms any longer!

STRENGTH FOR PEACE

The ominous implications which will be seen in the flight of 60 American Superfortresses to the British Isles are too obvious for discussion. The mission is sure to be construed as further evidence of the existence of a world peril of terrifying possibilities.

But the flight cannot add to the real dangers of war. It might be used as the excuse for starting hostilities. But any nation which might do that would be determined upon a war anyway. If one excuse were not available, another would be found.

A more encouraging possibility is that the venture might prove a maneuver for peace through its demonstration of power to nations which seem to understand no language except that of overwhelming force. They might hesitate to attack the nation which could retaliate instantly with swarms of Superfortresses.

The flight, in short, can be labeled a venture which could not make matters worse, and might improve the peace outlook considerably. If it is such a gamble, it is one any nation unhesitatingly should make

NOTICE OF SALE, TEMPORARY LOAN NOTES HOUSING AUTHORITY OF THE CITY OF LUBBOCK, TEXAS

Sealed proposals will be received by the Housing Authority of the City of Lubbock, Texas (hereinafter called the "Local Authority") at the Hilton Hotel in the City of Lubbock, Texas until twelve (12) o'clock Noon, (C. S. T.) on August 3, 1948, for the purchase of its Temporary Loan Notes (Seventh Series) in the aggregate principal amount of Four Hundred Fifty-Two Thousand Dollars ($452,000.00), at which time such proposals will be opened and canvassed.

The Notes will be dated August 19, 1948, and will be payable to bearer on February 11, 1949. The proceeds of said notes will be used to pay expenses incurred or to be incurred in the development of a housing project or to refund, renew or extend outstanding notes isued in connection therewith, and for which the Public Housing Administration has agreed to make a loan to assist in the development thereof.

For the prompt payment of the principal of and interest on said notes the full faith and credit of the Local Authority will be pledged and said notes will be further secured by a requisition agreement between the Local Authority and the Public Housing Administration under the terms of which agreement the Public Housing Administration agrees to purchase an advance loan note of the Local Authority prior to the maturity of such temporary loan notes and in an amount sufficient to pay the principal and interest of all said temporary loan notes and agrees to cause so much of the proceeds of such advance loan note as shall be sufficient to pay the principal of and interest upon any of said temporary loan notes to be deposited at the respective bank at which said temporary loan notes are payable for the benefit of the holder or holders thereof.

Said notes will bear interest at the rate or rates per annum fixed in the proposal or proposals accepted for the purchase of such notes, will be issued in such denominations, and both principal and interest thereof will be payable at such incorporated Bank having trust powers or incorporated Trust Company as the purchaser designates in his proposal; such Bank or Trust Company must be a member of the Federal Reserve System and must have an unimpaired capital and surplus of not less than the aggregate principal amount of note designated in the proposal or proposals submitted by the purchaser, provided, however, that such unimpaired capital and surplus need not exceed One Million Dollars. The notes will provide that they are not valid until after such Bank or Trust Company has signed the agreement, appearing on each note, to act as paying agent. The notes will be transmitted to such Bank or Trust Company for delivery to the purchaser upon receipt and disbursement by such Bank or Trust Company of the purchase price thereof in accordance with instructions from the Local Authority. After taking delivery of the notes the purchaser shall obtain the signature of such Bank or Trust Company upon the notes as aforesaid. All fees or charges if any, of such Bank or Trust Company shall be paid by said purchaser.

Complete certified transcripts evidencing the lawful organization of the Local Authority and the validity of the notes and the requisition agreement will be furnished the attorneys designated by the purchaser to approve the validity of said notes and said requisition agreement, at least five (5) days prior to the date of said notes. The fees or charges of such attorneys shall be paid by said purchaser.

All proposals for the purchase of said notes shall be submitted in a form approved by the Local Authority. Copies of such form of proposals may be obtained from the Local Authority at the address indicated above or from the General Counsel, Public Housing Administration, Washington 25, D. C., or from Regional Counsel, Public Housing Administration, in the cities of New York City, New York; Chicago, Illinois; Atlanta, Georgia; Fort Worth, Texas; and San Francisco, California.

Proposals may be for all or any part of said notes and separate proposals will be required for each part of said notes for which a separate interest rate is bid. Said notes will be awarded at the lowest net interest cost to the Local Authority under such bid or bids, and in computing such interest cost the Local Authority will take into consideration any premium which any bidder offers to pay. No bid for less than $50,000 principal amount of said notes or for less than par and accrued interest (which interest shall be computed on a 360-day basis) will be entertained and the Local Authority reserves the right to award to any bidder all or any part of the notes which such bidder offers to purchase in his proposal, upon the basis of such proposal. If only a part of the notes bid for in a proposal are awarded by the Local Authority the premium, if any, offered in such proposal shall be pro-rated, and said notes will be issued in denominations in the order of the lowest denominations specified in such proposal, provided, that one note may be issued in a smaller denomination than is otherwise specified. The further right is reserved to reject any or all bids.

In the event that prior to the delivery of any of the notes to the successful bidder therefore the income received by private holders from obligations of the same type and character shall be taxable by the terms of any Federal income tax law hereafter enacted, the successful bidder may, at his election, be relieved of his obligations under the contract to purchase said notes.

Budget Hearing

(Continued From Page One)

$712,500, based on 90 per cent of collections on assessed valuations of $60,000,000 and a tax rate of $1.25. This estimate also is low. Valuations will be larger than $60,000,000. If collections drop to 90 per cent, it will be the worst record in history. Collections should hit closer to $750,000 than to $712,500.

"Miscellaneous" sources are expected to produce $290,725 in revenues. These include dozens of items, such as police court fines, $67,500; parknig meters, $60,000; permit fees, $38,050, and others. Smaller items of revenue add $52,500 to the revenue total

Let's now look at the revenue figures in table form:

Bal. from 1947	$110,255
Electric Dept.	825,000
Water Dept.	580,000
Tax collections	712,500
Misc. Depts.	290,725
Other sources	52,500
Total	$2,570,980

The biggest item of proposed expenditures is $1,580,244 for the operating expenses, including $1,038,895 for "general" departments, $372,782 for the electric department and $168,567 for waterworks. "General" departments are those having to do with actual government functions, such as police, fire, health, garbage, street maintenance, etc.

Another $322,400 is provided for "capital" or long-term outlay for such things as buildings, fire trucks and hundreds of other items. The total includes $207,235 for general departments, $46,025 for the electric department and $43,200 for water works.

The city also has to raise a minimum of $356,125 this year to apply on bonds secured by taxes and $152,138 for bonds secured by electric revenues.

Another $30,000 is marked for the Board of City Development. The city charter provides a tax levy of 5 cents on the $100 of assessed valuations for the BCD.

Here, in tabulated form, are the expenses as budgeted:

Operating expenses	$1,580,244
Capital outlay	323,400
For tax bonds	356,125
For revenue bonds	152,138
BCD	30,000
Total	$2,441,907

The item in the table of most concern to the taxpayer is the one which shows proposed operating expenses totaling $1,580,244.

Tomorrow: Major Items

Tomorrow's article will deal with the budget's accountings for the major items of those expenses. Comparisons also will be cited with last year's figures, which show operating expenses have jumped approximately $250,000—more than 20 percent—in one year.

Comparisons also will be cited with 1941, the last pre-war year, when operating costs of the electric department were only $137,-532, as compared with the $372,-782 now proposed; those of the water department only $65,492 instead of $168,567; and when the city managed to get along on $304,000 from taxes, instead of $712,500, and on a tax rate of $1.10 instead of $1.25.

creative work, because she also has written short stories and is working on a book-length novel. Editors of two national magazines have asked to keep two short stories longer to consider them, and the Exposition Press has asked to be the first publisher to see her book when it is completed.

She has written poems which have been published in magazines. She won honorable mention in the "American Poets and Song Writers of the United States" publication.

Her mother, Mrs. Betty Sheets of Hot Springs, Ark., has written songs, ballads and sacred music, but did not encourage her daughter to begin writing because of possible disappointments. Mrs. Stanton sent her first song to Nordyke publishers, the publishers of some of her mother's lyrics.

Most of Mrs. Stanton's songs have been sent to Nordyke and Arlington publishers.

Resident Here 5 Years

Mrs. Stanton, whose full name is Elizabeth Bernice Stanton, writes under the name Elizabeth Stanton. She is known to her friends as "Bernice."

She has lived in Lubbock about five years. She and her husband returned here about two years ago after he had served about three and one-half years in the Army.

Each song of hers that has been published has BMI (Broadcast Music, Inc.) rating, which means that it is suitable for broadcasting.

One of the compliments she has received was from Nordkye publishers, stating she "definitely has what the music buying public wants in song materials."

Carleton, who writes music for her lyrics, composed the music for the movie, "New Orleans."

with a stop at Bryan scheduled for tonight.

Collier, the Dallas war veteran seeking the senatorial post, made himself clear on four points. He said he favored universal military training, full support of the secretary of state on foreign policies on a non-partisan basis, federal aid to education without federal control and repeal of the Taft-Hartley labor law.

The two chief opponents of Gov. Beauford H. Jester—Roger Q. Evans and Caso March—said they would campaign right up to election.

Evans goes to Houston tonight for a political rally, then to Marshall tomorrow. March plans to visit Waco, Bryan, Hearne and Cameron today.

Showdown Promised

March, in a talk at Fort Worth last night, promised a showdown battle for control of the state Democratic convention Sept. 14 at Fort Worth. He accused Jester of delivering "the Democratic party in Texas into the hands of the enemy."

March plans to be in Camden, Tex., tonight where he will speak on "Freedom of Speech." Four union leaders were arrested there last week for violating a court order which forbade them from trespassing on property of a sawmill company.

A Dallas jurist, District Judge John A. Rawlins, charged that labor politicians were throwing huge sums of money into a determined attempt to elect Justice James P. Hart to the Supreme court of Texas. Hart, a former AFL attorney, now holds the position by appointment but is a candidate for re-election. The AFL convention at Fort Worth recently endorsed Hart.

Fort Bliss Stamp Slated This Year

WASHINGTON, July 20 (U.P.)—The Post Office department announced today that a special commemorative stamp will be issued this year in connection with the 100th anniversary in November of the establishment of Fort Bliss, Tex.

Fort Bliss is an army installation near El Paso. A full description of the stamp will be issued later, the department said.

Stassen To Confer With Thomas Dewey

PAWLING, N. Y., July 20. (AP) Harold E. Stassen is headed here to lend a campaign hand to Gov. Thomas E. Dewey.

The former governor of Minnesota is flying today from St. Paul to New York City, and tomorrow he will motor to Dewey's Pawling farm for a luncheon conference with the Republican presidential nominee.

Stassen, an unsuccessful candidate for the nomination, said last night at St. Paul that Dewey had telephoned to invite him for the conference.

They will talk over the conduct of the election campaign and the issues to be stressed.

They also may discuss Republican strategy to be followed at the special session of Congress convening next Monday at the call of President Truman.

Steel Workers Get Pay Hike

PITTSBURGH, July 20. (AP)—Republic Steel Corp. of Cleveland, the nation's third largest producer, has granted a 13-cent hourly wage increase to 55,000 production workers, President Phillip Murray of the CIO-United Steelworkers announced.

Murray said the Republic agreement was made yesterday under the same terms as the wage boost pact reached with U. S. Steel last Friday. U. S. Steel granted hourly wage increase of 9½ to 25 cents, averaging 13 cents.

The U. S. Steel contract also was extended to April 1950, with a wage reopening clause effective in July, 1949.

Others Get Hikes

In addition to Republic and U. S. Steel, Weirton Steel Corp. has granted a 14-cent hourly wage raise and Bethlehem Steel Corp. gave its workers a 13-cent hike.

Meanwhile, the steelworkers union was scheduled to resume negotiations today with Youngstown Steel and Jones & Laughlin Steel Corp.

The Republic pact brought to 400,000 the number of workers in the basic steel industry granted increases since last Friday. Approximately 900,000 workers are expected to be covered when negotiations have been completed with all the basic and fabricating steel companies.

Georgia Solon Says He Suffered Beating

ALBANY, Ga., July 20 (INS) — Rep. E. E. Cox (D-Ga) was quoted today in the Albany Herald to the effect that two men beat him Thursday in his Camilla, Ga., office.

Cox said three men came into his office and two of them struck him about the eyes before he knew what it was all about. He identified the men as friends of a secretary in the congressman's office.

Cox denied that he was beaten because he had made improper advances to the secretary as reported by radio commentator Drew Pearson. Cox told the newspaper: "Pearson's charges were made without the slightest justification."

Cox said he had no intention of filing charges concerning the incident.

Male Polar Bear Is Not Seeking Lover

NEW YORK, July 20 (AP)—That 625-pound male polar bear that the Bronx zoo brought over from Denmark is no gentleman.

About the first thing he did upon arrival yesterday was to reach a paw through the bars and swat one of the female polars who were standing up in the next cage admiring him.

Former Nazi Satellites Will Have Voice In European Meet

By R. H. SHACKFORD
United Press Staff Writer

LONDON, July 20. — For the first time since World War II three former Hitler satellites will get an equal voice and an equal vote with their conquerors at an international conference this month.

The occasion will be the international conference on the Danube which opens in Belgrade on July 30. It will be attended by the United States, Great Britain, France, the Soviet Union, the Soviet Ukraine, Yugoslavia—all members of the United Nations; Bulgaria, Romania and Hungary, former enemies; and Austria, which had a special category during the war and will be only an observer at the conference.

Soviet To Have Majority

The "cold war" between Russia and the West has blocked the admission of former Nazi satellites—which have not become Communist satellites of Russia—into the United Nations.

But at Belgrade they will have equality even with the great powers, thus giving Russia for the first time in postwar history a clear two-thirds majority in this international conference. One of the most interesting possible developments will be whether the West, certain to be out-voted, will agree to abide by the two-thirds decisions of the East.

The Danube conference dates back to the long rows at the Paris peace conference two years ago over the satellite peace treaties. But disagreement over the international status of the Danube between Russia and the Western powers dates back more than a century.

Equal Rights Contested

The forthcoming conference will be confused and obscured by many political, economic and technical arguments. But the fundamental issue is simple:

Shall the Danube — Europe's greatest river and navigable from its mouth on the Black sea 1,000 miles through the heartland of Europe—be open on equal terms to the trade and shipping of all nations of the world?

Ever since the Congress of Vienna in 1815 Great Britain has upheld the principle of equal rights for all on the Danube.

For almost as long, and certainly ever since the Treaty of of Paris in 1856, Russia has contested this principle and sought special privileges for herself and the nations bordering the Danube.

Arguements Historical

Thus the controversy is not one brought about by the current ideological struggle between eastern Communism and western Democracy. It existed before Karl Marx published his Manifesto and before Lenin and Stalin were born.

Today the two sides of the debate are the same as they were a century ago:

1. Great Britain, supported by the United States and France, holds that the European commission for the Danube, established in 1856 to control the river from its Black Sea Delta and the Port of Braila in Romania, and the international commission, set up in 1920 to extend that control upstream from Braila to Ulm in Austria and to all navigable tributaries, are still in force. The western countries want to reinstate this international control and thus guarantee equal treatment of all commerce and shipping.

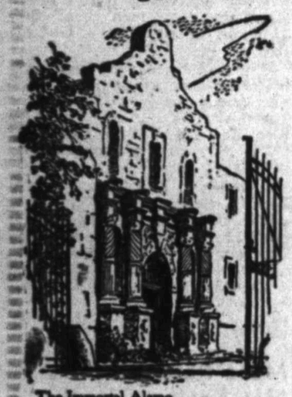

Russia Failed Previously

2. Russia always has and under its present Communist regime still does oppose such freedom to all and wish to limit the privileges and rights of nations which are not actually on the banks of the river.

For over a hundred years Russia has failed in this effort. But today she is in a far better bargaining position. In the first, and most important, place, the Soviet Union now has a frontier on the Danube. By annexing Bessarabia, formerly part of Romania, the Soviets control the north bank of the Danube delta on the Black Sea. Furthermore, all the Danubian countries are Soviet satellites.

The wartime secret of what makes gasoline thicken into a jelly for use as a liquid incendiary in flame-throwers or fire bombs has now been revealed. It is a soap made with aluminum instead of the usual chemicals used in or-
