Loraine elects councilmen

Roland Rickard

Kent Boyd

Of the 185 votes cast Saturday in the special election in Loraine for two new councilmen, Roland "Rick" Rickard captured 135 votes, giving him the seat vacated by Raymond Hackfeld's resignation September 14. The second highest number of votes went to Kent Boyd (77) which means he will take over the position left by the

death of Calvin Forbus on September 24.

Rickard, who will serve until April of 1984, is a pharmacist at Root Memorial Hospital. He and his wife, Marsha, and her children live in Loraine where she is employed as director of the Loraine Nursing Home.

Boyd, who will serve until April of this year,

is a science teacher at Loraine High School. He and his wife, Janet, and their children have lived in Loraine for four years, though he is a native of the area.

Other members of the Loraine City Council whose terms expire this year are Mayor Royce Beights, Jack Brewer and Tommy Green. City Secretary Kaye

Nell Cornutt said that the turnout for the election was "very good," adding that anywhere from 150 to 200 usually vote and sometimes less than that.

Votes received by the other candidates were: Ninfa Esquivel-47, Catarina Martinez-39, Lillian Hallmark-36, Wesdon Beights-20, Jimmy Lopez-7.

Gas-line fire erupts Monday

A gas-line erupted in flames Monday afternoon when a maintainer owned by Sparks Construction of Colorado City ruptured a gas line while building terraces on the Richard Gale farm southeast of Colorado City.

A huge cloud of black smoke filled the sky and firemen from the Colorado City Fire Department

estimated flames went approximately forty feet into the air.

Henry Rivera, driver of the maintainer was not injured in the accident.

The pipeline was reported to be a ten inch line owned by Gulf Oil Corporation.

A HUGE CLOUD OF BLACK SMOKE filled the sky Monday afternoon when a maintainer ruptured a gas line and caught fire. No one was injured in the accident. See related story.

Gin operation returns to normal

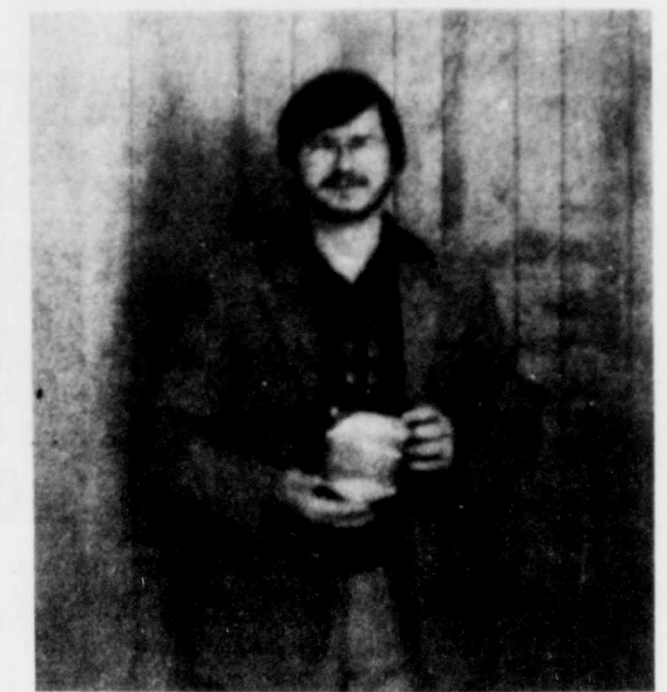

Cotton ginning is getting back to normal in Mitchell County after the recent snow and rain slowed production.

Area gins report a total of 25,623 bales ginned so far, with 1,701 of them done last week.

Co-Op Gin Association in Loraine said that they ginned 622 bales last week, bringing their total to 7,610 and Westbrook Gin produced 303 for

a total of 3,144. Buford Gin baled 150 for a season total of 975 while Mitchell County Gin produced 167, giving them 1,500 bales so far.

CARL BEERY MOORE was presented with the President's Award at the Playhouse Banquet held Friday night at the C. C. Thompson Room. The award, presented by out-going president Jolyn Mikow, recognizes outstanding service to the Playhouse in many areas. The president for 1983 is Bob Reilly.

Congressman Charles W. Stenholm (D-Texas) called the recently announced Payment In Kind (PIK) program "the only game in town" and said it offers a chance to reduce surplus commodities while cutting government costs.

"I have, however, several questions about whether or not the program contains sufficient incentive to get the necessary participation," Stenholm, a member of

the House Agriculture Committee, commented.

"Farmers themselves will determine the success or failure of the PIK program," Stenholm said. "And that's as it should be. Each individual farmer needs to put pencil to paper and see how PIK fits his operation. But if we do get high participation, I believe the program could be helpful."

Stenholm said a successful PIK program

Loraine forms Honor Society

A National Honor Society has been formed at Loraine Public School

and officers have been announced.

The officers are: Stephanie McAdams, president; Margie Alvarez, vice-president; Melissa Clifton, secretary and Treasurer, Helen Alvarez.

Dues for the club is \$10, and this covers the junior and senior years. At graduation Honor Society students will receive a pin or charm, certificate and an emblem with the colors blue and gold.

The students are selected by the faculty based on scholarship, leadership, service and citizenship. The members selected for this semester are Shelly Martin, Jerry Munoz and Mary Lopez.

Industrial Board to meet

The annual meeting of the Mitchell County Industrial Development Corporation Board of Directors will meet at 3 p.m. Wednesday, January 26 in the C. C. Thompson Room to elect new members and new officers and to review their financial statements.

Those nominated for the board are Frank Brownfield, Pete McKinney, Eddie Piland, Judy Foster, Bob Reilly, B. B. Hardee and Brad Rose.

Piland, who is currently serving on the board, said that the meeting was open to anyone who is interested in working with such an organization.

Equipment needed at Wallace Center

Equipment is needed to furnish a new physical fitness room at the Wallace Center. A receipt for any donation will be given for tax purposes.

Needed are: Stationary bicycles, weights, jump ropes, mini trampolines, twisters, and any other exercise equipment.

The Community Education Advisory Council, at a meeting on Wednesday, January 12, voted to purchase the following equipment and have the room ready

for use by April 4, 1983: a DP GYM-PAC bench, bar bell set, monster weight bench with

leg lift, standard weight bench, with leg lift, medicine balls, jump ropes, and a Walker exerciser will be placed in

the room by the physical fitness committee headed by Rick Crowley.

New equipment will be added as funds become available.

A time schedule will be set up for the use of the room by groups or individuals.

Rainfall light

Light rain, drizzle and mist eased into Mitchell County late Monday and continued on through Tuesday morning.

Although everything

was soaked, the actual amount of moisture was small; Colorado City only measured .05 inches while Loraine reported .3 and Westbrook .4.

Stenholm calls PIK "only game in town"

Congressman Charles W. Stenholm (D-Texas) called the recently announced Payment In Kind (PIK) program "the only game in town" and said it offers a chance to reduce surplus commodities while cutting government costs.

"I have, however, several questions about whether or not the program contains sufficient incentive to get the necessary participation," Stenholm, a member of

the House Agriculture Committee, commented.

"Farmers themselves will determine the success or failure of the PIK program," Stenholm said. "And that's as it should be. Each individual farmer needs to put pencil to paper and see how PIK fits his operation. But if we do get high participation, I believe the program could be helpful."

Stenholm said a successful PIK program

could not only help farmers by reducing the surplus, but also reduce federal outlays for farm price and income support programs.

"We have a problem of oversupply in agriculture," he continued, "and we have a budget problem. Now, how do we deal with those two problems?"

"Our options are limited," he said. "Yes, all of us have somewhat different ideas about

what the best course for farm policy should be—I certainly do. But we must do something for the 1983 crop and for the moment, PIK is all that is available. I want to stress that it isn't a long-term answer; it treats a symptom rather than the disease. But if we don't treat those symptoms, I question whether the patient will survive."

Basically, the PIK program provides that farmers who are already

participating in the 1983 reduced acreage program (RAP) may set aside up to 30 percent of their base acreage. In return, farmers would be compensated "in kind" with government- or farmer-held stocks of the commodity they raise.

The compensation would be at a certain percentage of the program yield for that farm. This payment rate is 80 percent for corn, sorghum, rice and upland cotton,

and 95 percent for wheat. The USDA has said the higher rate for wheat is necessary because of the higher costs

already invested in winter wheat.

Farmers who have questions about the PIK program may want to call a toll-free number, 800-368-5942, which USDA has set up to answer producers' inquiries. The number is open for calls between 7 a.m. and 7 p.m. CST.

Brucellosis vaccinations encouraged

Regulations designed to encourage vaccination for brucellosis control went into effect Jan. 12. They applied to cattle being shipped into Texas as well as cattle being moved intrastate.

Dr. John W. Holcombe, executive director, Texas Animal Health Commission, said that vaccination of eligible female cattle is a cornerstone of the Texas brucellosis program. "The new regulations reflect this. In order to more effectively control brucellosis, we simply need to get more cattle vaccinated," he said.

More than 98 percent of all cattle herds in Texas are now free of brucellosis. "This is a good record, but we need to get at the remaining infection in this state. These regulations relating to vaccination will help us accomplish this goal," Dr. Holcombe explained.

The two-area program for Texas will become Class B and Class C as of Jan. 12. This means the present Class

A control area which comprises 140 counties in the western half of the state will become Class B. The present Class B area, which comprised 114 counties in the eastern half of the state, will become Class C area.

The new vaccination requirements for cattle entering either area of Texas are:

After July 1, female breeding cattle four months of age or older, with some exceptions, must be vaccinated before entering Texas. The exceptions are: cattle from a certified free herd, cattle being shown in fairs or exhibitions, cattle from commuter herds, cattle designated to go to a quarantined feedlot or slaughter, and cattle born prior to Jan. 1, 1983 moving from one area to another within the state.

Female cattle four months of age or older born after Jan. 1, 1983 must be vaccinated when moving from one area to another in Texas. However, female cattle born prior to Jan. 1,

1983 moving from one area to another area in the state need not be vaccinated.

Cattle born after Jan. 1, 1983 changing ownership within the C area must have two negative tests at least 60 days apart unless they have been officially vaccinated.

Non-vaccinated fe-

male cattle entering either B or C area of Texas from a Class C state or area require two negative tests 60 days apart until July 1.

Dr. Holcombe noted changes in the Code of Federal Regulations go into effect, an. 12. "These changes in the Texas program conform to that code," he said.

Karate Class moved to Boys Club

In July, 1982, James Cummings began a karate class at the Wallace Center. That class has now been moved to the Mitchell County Boy's Club Building, meeting Tuesday and Thursday evenings at 7 p.m. and two Saturdays per month to be arranged.

Cummings lives in San Angelo, and began his study of Karate in 1956 while serving in the United States Armed Forces in Taiwan. He

has been a Black Belt since 1961, and has now obtained the rank of Fourth Dan Black Belt in the Tang Soo Do style. Cummings has also studied Tae Kwon Do, Shorin Do and Go Jun Ro styles of Karate.

Cummings also has other Karate schools in the area at the Northwest YMCA, Central YMCA and the Marshall Arts Academy all in San Angelo, and the Marshall Arts Academy in

Free trade essential

By LLOYD BENTSEN
I am a strong supporter of free trade.

History teaches us that restricting the flow of trade between nations results in trade wars that nobody wins.

But, Americans must insist that, while world trade should be free, it must also be fair.

Our system of world trade is, in fact, based on a series of agreements designed to insure fairness for all participating countries and for workers and businesses within those countries.

Built into these agreements are procedures for dealing with complaints of unfair trade practices.

It does no good to negotiate these international agreements, though, if the fair trade provisions within them are not enforced.

For years, administration after administration in this country has failed to insist that our trading partners stop and desist in unfair trade practices.

American farmers, in trying to sell their goods abroad compete, not against European farmers but against the governments of Europe which spend billions of dollars every year on unfair agricultural subsidies.

One of the most dramatic examples of the effects of unfair trade practices seen by Texans has been the closing of Lone Star Steel's plant in Daingerfield.

Lone Star's plant was modern and efficient, employing some 4,000 people in the production of oil country tubular steel and a variety of steel pipe and tube products.

Several months earlier the U.S. had clamped down on imports of carbon steel from Europe that were subsidized as much as 20-25 percent by European governments. Undaunted, the Europeans simply shifted those unfair subsidies from carbon steel to pipe and tube steel.

During the first six months of 1982, according to the American Iron and Steel Institute, imports of subsidized European pipe and tube products increased more than 50 percent. This dealt a blow to Lone Star that resulted in the plant closing in August.

As ranking Democrat on the Senate Trade Subcommittee and Co-Chairman of the Senate Export Caucus, I wrote

to President Reagan urging that he use his powers to put an end to these unfair import subsidies.

The White House assured me that it is acting to protect U.S. pipe and tube producers and workers. Additionally, the Commerce Department advised me that it is prepared to act promptly on any formal complaints U.S. steel producers may lodge against

unfair foreign trade practices.

This is a first step in the right direction. I will be keeping a close watch, though, on the follow-through.

As American, we should not be hesitant to support free trade. This is clearly in our best interest.

But, our government is going to have to start demanding that trade be fair as well as free.

Loraine comes out top dog

Loraine won the battle of the Bulldogs here Friday night as the boys and girls varsity teams downed the Ira Bulldogs, gaining their first district wins of the season.

The Bulldog boys had a tougher time than expected from a scrappy Ira club. Loraine led just 34-28 going into the final quarter, as they downed Ira 49-41.

The first half was on even terms all the way as Loraine led 8-7 after the first quarter, and the score was tied 18-18 at halftime. "We shot poorly in the first half, but we did a good job hustling and playing defense," said Loraine coach Ronald James. "We should have beaten them by 15 or 20 points," he added.

In the second half the Bulldog press started to take its toll on Ira. Ruben Garcia and Jerry Darnell keyed the press with five steals each. "The press hurt them. We got a lot of layups off steals," said James.

James Griffin and Audra Rose keyed the win with 16 points each. Griffin added 12 rebounds while Rose, a 5-11 point guard pulled down six rebounds. Ruben Garcia scored eight points and Jerry Darnell contributed four points and four rebounds.

"It wasn't one of our better games, but it helped our confidence to

get the win. We knew we could win and we did, but we can't play like that and expect to win the rest of our games," said James. The win puts the 'Dogs district slate at 1-2.

The Bulldog girls showed no mercy on the visitors as they romped the Ira girls by a 62-32 count.

The key to the win was the first and third quarters when the Bulldogs got into their press. In those two quarters alone, Loraine outscored Ira 41-11.

Loraine coach Jimmy Fine was elated with the girls' performance. "The girls played with a lot of intensity, more than we had against Roscoe. We know our backs are against the walls, and we have to win. The girls were definitely ready for the game," said Fine.

Fine said guard Janie Barrera who finished the night with 18 points, had her best outside shooting performance of the season, and Stephanie McAdams controlled the boards with 11 rebounds. Bulldog leading scorer Leslie Rose led all scorers with 22 points, as the 'Dogs record goes to 1-2.

Others scoring for the Bulldogs were Tency Deloera six, Julie Wells five, McAdams six, Shelly Martin two, Martina Vallejo two and Kathy Wright one.

Boxers fare well in tournaments

The Mitchell County Boxing Club travelled to San Angelo February 5 to participate in a boxing tournament.

Three boxers took first place in their weight divisions. They were: Joey Arispe, Mark Strawcutter and Jeremy Strawcutter.

Those bringing home second place trophies were: Troy Davis, Leonard Rico, Ricky Pineda, Oscar Martinez, Sammy Rivera and Vince Gaona, Jr.

Last weekend, the Mitchell County Boxing club travelled to Snyder for a tournament and brought home five first place trophies.

Greg Gaona, Jeremy Strawcutter and Rudy Arispe all kept their records unbeaten with victories. Other winners were Jamie Rivera and Rudy Molina.

Chris Alvarez, Stevie Williamson, Mark Strawcutter, Mark Alvidrez and Mark Jones all came in second place.

Other second finishers include Troy Davis, Bobby Aroacha, Leonard Rico and Spencer Taylor. In other action, 89-pound Gabriel Gaona lost a split decision to a

122 pound opponent from Levelland, while 112-pound Vince Gaona, Jr., lost to a 138-pound opponent from Big Spring.

This Thursday, Friday, and Saturday the Mitchell County Boxing Club will be in action at a tournament in Odessa. Boxing coach Vince Gaona, Sr., said that a tournament is planned for Colorado City sometime in February.

VFW Post host party

Representatives of the Wilson Wyatt VFW Post 9178 and its Ladies' Auxiliary hosted the monthly birthday party for the patients in the Nursing Home Care Unit of the VA Hospital in Big Spring on Friday, January 14.

4-H, a exciting, growing organization

A dynamic growing organization, 4-H has expanded steadily for the past 25 years. Since 1914, more than 40 million youth from all states, the District of Columbia, Puerto Rico, Virgin Islands and Guam have participated in 4-H.

4-H is an exciting youth program that offers "something for everybody," says Marian

Highland bests Westbrook

Both the Westbrook Wildcats boys and girls suffered defeat at the hands of Highland last Friday night.

The Westbrook boys surprised Highland in the early going as they jumped to a 14-7 first quarter lead. Roger Cantu along with good free throw shooting helped the 'Cats get the lead from the pre-district favorites. Cantu scored seven points, while Westbrook sank four of six charity shots.

Disaster struck the Wildcats in the second stanza when Cantu went down with a knee injury. Doctors have diagnosed the injury as being a sprained knee, and Cantu is not expected to be back for the remaining season.

The Wildcats shooting tailed off and Highland nibbled at the lead, and finally regained the lead on a last second shot before the buzzer.

In the third quarter, Highland built up their lead to 34-24 as Westbrook shot only 33 percent from the floor, and made just one of six freethrows. In the final quarter the determined 'Cats cut the lead to 37-30, and Highland jumped into their stall game. Westbrook could not hit the outside shots and Highland escaped with a 46-33 win.

Wildcat coach Jerry Tucker said that this was his team's best defensive performance of the year. "We were playing good. I think it hurt us psychologically when Cantu was injured. We have to win, right now we are playing good enough to win," explained Tucker.

Donald Burnett led the Wildcat charge with 16 points and eight rebounds. Steve Cook also contributed eight rebounds.

It was a long night for the Westbrook girls as they were downed by Highland 45-9.

It was a miserable shooting night for the 'Cats as they shot only 13 percent from the floor. The Wildcats luck was so bad that they missed six shots under the basket with no one around them. "We could not rebound with them, so we tried to slow the game down," said Wildcat coach Keith Bundas of his team's dismal performance.

Lynn Dawson led Westbrook scorers with six points. The Wildcat boys district record is 0-3, while the girls are 1-2.

Morris, county 4-H program coordinator with the Texas Agricultural Extension Service, Texas A&M University System.

Young people may participate in 4-H through a variety of methods. These include organized 4-H clubs, 4-H special interest groups (like the Expanded Nutrition Program), 4-H curriculum enrichment program, camping or instructional television.

Young people learn how to do a variety of new and interesting things through "learning-by-doing" projects.

4-H is a unique partnership involving youth; volunteer leaders; state landgrant universities; federal, state and local governments; and the private sector. The overall mission of the Texas Agricultural Extension Service in conducting 4-H programs is to develop youth indi-

dually and as responsible and productive citizens.

Special efforts are being made to:

-Reach larger numbers of youth from all socio-economic, cultural and ethnic groups both rural and urban areas, including handicapped.

-Double the number of volunteers serving 4-H.

The 4-H program, with its many facets,

may have a different meaning for each person it touches. The future of the nation is dependent upon the development of its youth, says Marian Morris.

Support 4-H. It offers "something for everybody."

The Texas Agricultural Extension Service serves people of all ages regardless of socio-economic level, race, color, sex, religion, or national origin.

Two students from Colorado City received their degrees at Texas A&M University's fall commencement exercises.

A total of 2,306 degrees were awarded, including 1,865 bachelor's, 340 master's and 101 doctorates.

Colorado City students receiving bachelor's degrees include: Pete Fincher, veterinary medicine and John Latimer, agronomy.

ties for the Spring semester at the Wallace Center. Registration should be made in person at the Wallace Center during the week or a registration form and tuition may be mailed to the Wallace Community Center before the first class meets.

The majority of the classes will begin the week of January 31, and February 7. All Community Education Courses are taught by qualified

instructors sharing their talents and skills with the community.

The Community Education project is constantly seeking new instructors and new classes to offer. If you have a special talent or skill you would like to offer on a paid or volunteer basis, contact the Center office.

Some of the courses to be offered are auto mechanics, bookkeeping, body control, bridge, calligraphy, cake decorating, ceramics, country and western dancing, defensive driving, farm and ranch Spanish, floral design and GED studies.

Other classes being offered are gymnastics, karate, lingerie sewing, machine embroidery, needlecraft, painting, photography, toile painting and secretarial refresher.

Some classes are free while others have a nominal fee. For information concerning all classes, please call the community education office at Wallace Center in Colorado City, 728-2392.

Community Education is a project of the Public School System working together with the City of Colorado City and Mitchell County and other agencies to make maximum use of public facilities and other resources.

DPS will continue to enforce insurance law

The Texas Department of Public Safety will continue to enforce the current mandatory liability insurance law as enacted by the last session of the Texas Legislature. A recent Attorney General's opinion stated that failure to carry, produce or provide proof of insurance is not an offense. However, the opinion does not require DPS policy to be changed. The offense contained in

the law is "failure to maintain financial responsibility," i.e., failure to maintain liability insurance.

Colonel Jim Adams, DPS director, said "the statute requires motorists to furnish information concerning evidence of insurance to a police officer upon request. Failure to provide satisfactory information creates a rebuttable presumption under the statute that the

motorist failed to maintain liability insurance. This presumption may be rebutted by presenting evidence to the judge that the motorist did in fact have insurance and the judge may dismiss the charge."

If the officer is not satisfied with the information provided, he can issue a citation. Adams said troopers will continue to issue citations when drivers are unable

to furnish satisfactory information.

The Department of Public Safety issued rules when the law went into effect detailing examples of information which would be accepted as evidence of financial responsibility. The items include the insurance policy, insurance identification card, or other information which confirms to the satisfaction of the officer that the operator is in com-

pliance with the law.

In an opinion dated May 14, 1982, the Attorney General upheld these rules as binding on all law enforcement officers of the state.

"If a person is unable to furnish the information requested by the officer, the officer may issue a citation even though the individual claims to have the required insurance," Adams said.

Colonel Adams said

the law has produced positive results, and has resulted in an increase in the number of Texans who presently carry liability insurance. "Be-

fore the law was passed, 74 percent of the Texas motorists involved in vehicle accidents did have insurance. However, 1982 accident re-

ports indicate that 91 percent of the drivers involved in vehicle accidents have obtained and maintain insurance," he said.

Beights named to honor roll

Tracy Beights of Lorraine has been named to the President's Honor List at South Plains College for the 1982 fall semester.

To qualify as an honor student at SPC, students must maintain a minimum 3.25 grade point average while enrolled for at least 12 semester

hours. Students maintaining a 4.0 or straight A grade point average are named to the President's List, while those earning a 3.25 or better are named to the Dean's List.

"We wish to extend our congratulations to these fine students who have demonstrated academic excellence which is found at South Plains College," said Dr. Bud Joyner, vice president for academic affairs. "We are always proud of the students who are named to the President and Dean's Honor Lists."

A total of 162 students were named to the President's List, and 297 students to the Dean's List for the fall 1982 semester at SPC.

Recipe ingredients omitted

Two ingredients were left out of Janet Moore's recipe for Popcorn Crumble in last Sunday's Cook's Corner. The entire recipe appears below.

POPCORN CRUMBLE

2 qts. unsalted popped corn

1 & one-third c. pecan halves

Two-thirds c. sliced almonds (optional)

One & one-third c. sugar

1 c. margarine

1/2 c. Karo syrup

2 t. vanilla

Mix popcorn and nuts in a large bowl (spray the bowl with Pam or other vegetable coating first) and set aside. Combine sugar, margarine and Karo syrup in a heavy saucepan. Bring to a boil and cook to 300 degrees on candy thermometer, stirring constantly.

Next, add vanilla and very quickly pour over popcorn-nut mixture. Stir to coat well and spread on greased cookie sheets to cool.

When thoroughly cooled, break into serving size pieces. Store in airtight container.

Mendoza, Godina unite

Irma Mendoza and Manuel Godina were united in marriage during a double ring ceremony held at the Housing Authority at 2 p.m. Saturday, January 15. Rev. Robert Bracy performed the ceremony.

The vows were exchanged before an arch decorated with wedding bells and white roses. The bride, given in marriage by her father, wore a gown with a lace

bodice accented by pearls with a high neckline of fur. The sleeves, fitted from elbow to wrist, held small roses and pearls. The skirt was split in the front with ruffles edged by fur.

Parents of the bride are Mr. and Mrs. Eppy Mendoza, Jr. and parents of the groom are Mr. and Mrs. Emilio Godina.

Maid of honor was Chonita Gonzalez and best man was Phillip Lujan.

Following the ceremony, a buffet lunch was served in the Housing Authority.

After a honeymoon trip to Abilene, the couple resides in Colorado City, where the bride works part-time at Eppy's Restaurant and the groom is employed in the oil field.

Stock show plans set

The Fairview T.E.H.A. met Thursday, January 13 with Versie McMillan presiding.

The members discussed plans for the stock show to be held January 27, 28 and 29 during the business session. The home demonstration clubs will sell lunches in the kitchen of the Agriculture Barn.

Hostess Mary Womack served refreshments of ice cream and cake to Murial Thurman, Bertie Strain, Billie Smith, Edna Pace, Mrs. McMillan, Wilma Womack and Velma Hester.

Ward named to honor roll

Karen Denise Ward, daughter of Mr. and Mrs. Wendell Thomas of Colorado City, has been named to the University Honor Roll at Texas Woman's University in Denton for achieving a 3.3 or higher grade point average.

WTC honor rolls lists 9 area students

Nine Mitchell County students have been named to honors lists for the fall semester at Western Texas College.

Susan Kay Moore of Colorado City and Rene Alvarez of Loraine were among the 14 students on the President's List. Students on this list must have a grade point average of 4.0 (A).

On the Dean's List are Donna Deneen Dunn, Kimberly Ann Feaster, Dale Bernard, Tanya Sorrells and Tracy Lee Womack of Colorado City and Patricia Munoz

and Mary Woodell of Loraine. The Dean's List is composed of students who earn a grade point average of 3.5 or more while enrolled for at least 12 semester hours of work exclusive of physical education.

Spring semester classes at Western Texas College began Jan. 19. Late registration is now in progress and will continue through Feb. 1. Dr. Duane Hood, Dean of Student Services, said. Persons wishing information about registration are invited to call the college at 573-8511.

Mr. and Mrs. Manuel Godina

Laura Ornelas

Engagement announced

Mr. and Mrs. Joe J. Ornelas of Odessa announce the engagement of their daughter, Laura, to Eddie Selvana, son of Mr. and Mrs. Ralph Selvana of Odessa.

The couple plans an August 15 wedding in Odessa.

The bride-elect is the granddaughter of Mr. and Mrs. Herman Q. Ornelas, Sr., and the great-granddaughter of Mrs. Elena Ornelas, all of Colorado City.

Both Selvana and Miss Ornelas will graduate from Odessa High this spring.

Jim Law and Bridget Turner
Engagement announced

Mrs. Deway A. Turner announces the engagement of her daughter, Bridget Janine Turner, to Jimmy Lynn Law, son of Dr. and Mrs. Jimmy Law of Midland. The couple plans a February 4 wedding at 7

p.m. in the Calvary Baptist Church in Colorado City. The bride-elect is a teller at Colorado City Savings and Loan and the future groom is the owner and operator of Jim's Diesel.

Information about your changing telephone service from Jim West, Community Relations Manager.

Changes in Telecommunications—Today

The new year brings with it the first signs of changes in the way we do business with you.

These changes are the result of a ruling by the Federal Communications Commission to introduce more competition into our industry. The ruling went into effect January 1.

For most customers, the changes will have little impact. In fact, you probably won't be affected immediately unless you move, disconnect or change your service in some way.

If you plan to alter your phone service, here are some areas of change you should know about.

Bell PhoneCenters

Bell PhoneCenters are no longer a part of Southwestern Bell. Now the Southwestern Bell business office is the place to call for starting, stopping, moving or changing your service. The number is listed in the front of your phone directory.

Telephones

Southwestern Bell will continue to lease phones to our customers. However, during this year, we will not be permitted to add new phones to our inventory.

When you order phones from us, we will direct you to the nearest

Southwestern Bell Service Center to pick up your telephones. If you cannot go to the Center, we will deliver the phones. There will be a charge for this service.

Business customers with a single line or two lines with non-key equipment can pick up telephones from these Centers, too.

Repair Service

We will continue to repair Southwestern Bell phones as always. If you have trouble with your phone, you still should call the repair service number listed in the front of your phone book. If the problem is in your Southwestern Bell set, we'll direct you to a Service Center where you can pick up a replacement.

For more information about the changes, write me for a copy of our booklet, "Telecommunications in Transition." Address requests to: Transition Booklet, Southwestern Bell, P.O. Box 225265, Dallas, Texas 75265.

If you have any questions or comments to pass along, don't hesitate to contact me at the address below:

by Nell Doyle

Staff Sgt. and Mrs. Robert Flannagan and children, Jackie, Tony and Robbie, of Panama Beach, Fla. are here visiting her parents, Mr. and Mrs. Jasper Doyle. A-C Bill Hoffman of Tyndall AFB came as far as Loraine with them and took a bus to Hereford to visit his parents.

Mr. and Mrs. Tommy Doyle and children, Mandy and Shannon, spent the weekend here and on Saturday the Doyle's had all their children and grandchildren with them for Christmas dinner.

Those present were: Mr. and Mrs. Robert Flannagan and children, Mr. and Mrs. Chester Collier and Jimmy of

Roscoe, Mr. and Mrs. Tommy Doyle and children of Sweetwater.

Mr. and Mrs. Collier visited throughout the week and Jimmy Collier also spent Saturday night with his grandparents.

xxx

Mrs. Georgie Walker of Crane spent the weekend with her mother, Mrs. Harry Leach.

xxx

Mr. and Mrs. Truman Nix of Waco and Mr. and Mrs. Glen Nix and children of Clifton visited awhile and had lunch Sunday with their mother, Mrs. Inez Webb.

xxx

Mrs. Billie Ruth Tartt just returned from a visit with her daughter and family, Mr. and

Mrs. Gene Daniel and children in Shreveport, LA. While there they met another daughter and her husband, Mr. and Mrs. Doug Bell and Cody at his parents' home in Shadow, LA

and visited with them. She flew back to Midland and visited another

daughter and husband, Mr. and Mrs. Mitch Hammer before returning home.

Texas Church Safety Week theme revealed

"Vigilance, Good Housekeeping Guard Against Church Fires," is the theme of this year's Texas Church Safety Week, February 13-19. Hilton Gilliam, Texas Safety Association Vice President for church activities said the theme of 1983 Texas Church Safety Week will be fire

prevention. "Church officials and fire department fire prevention workers all over the state will be combining efforts during the week following Valentine's Day to help guard against church fires," Gilliam said. He noted the three major causes of church fires are arson, heating systems and kitchen equipment.

The Loraine United Methodist Women met in the home of Mrs. Pearl Bruce for their program on "Call to Prayer and Self Denial."

This particular program is emphasized annually by Methodist Women throughout America.

After Mrs. Lola Faye Bennett gave the opening prayer, Mrs. Ruth Blair read scriptures from the 4th chapter of Phillipians, the 21st chapter of Luke and James 5:16.

These scriptures dealt with prayer, giving and thanksgiving. Mrs. Bennett stressed the power of prayer in all things. Mrs. Lula Bond highlighted the purpose and results of the work accomplished by the United Methodist Women throughout the World.

Offerings given to this cause could be given "Towards a World of Peace with Justice" or to the "Deaconess and Home Missionary Fund."

Since the group chose to give to the latter cause, Mrs. Bond read comments from retired deaconesses who served for practically nothing on Mission Fields at home and abroad, children's homes and other full-time areas of service to make Jesus Christ known in the full-

ness of his mission. Retirement pay for these women is far below a livable salary and the M.E. Women's continued support is up-grading their retirement pay.

Letter from retired deaconesses were read and were filled with gratitude and thanksgiving. Mrs. Bond closed by reading a modern version of the Prayer of St. Francis of Assisi.

Mrs. Lola Faye Bennett stated that the new study in Hebrews entitled "Outside the Gate" will begin January 19.

"Churches are especially vulnerable to fires because they are not occupied all the time and many churches are left open," he said. "We want to create an awareness of the need for active fire prevention, even in God's house," he said.

For more information on Texas Church Safety Week, held in conjunction with the National Safety Council's National Safety Sabbath, write: Texas Safety Association, P.O. Box 9345, Austin, Texas 78766.

Henderson, Johnson host Loraine B&PW

The Loraine B&PW Club met Monday night in the Lions Club building with Mrs. Theron Henderson and Mrs. Dorothy Johnson as hostesses.

The program was presented by Mrs. Bobby Hamrick who spoke on the Senior Citizen housing project.

She stated that the opening date is April 1 and explained that it

was being built by FHA under the direction of HUD.

She said that occupants of the 16-unit project must be 62 years of age and over and that there will be a screening committee of three Loraine people to go through the applications.

The applications will then be turned over to HUD where they will be judged on physical condition, mental condition

and monetary need and also on the order in which they signed up, she said.

It was noted that Loraine is the only town of its size in the U.S.A. that has this type of housing.

The meeting date will be changed to February 15 because the president, Marsha Rickard, will be going to school on Monday night.

Birth

Mr. and Mrs. Carl Porter of Cleburn announce the birth of a daughter, Billie Jean, weighing 7 lbs., 2 ozs.

Grandparents are Mr. and Mrs. Roy Johnson and great-grandparents are Mr. and Mrs. Glen Lee, all of Loraine.

Hallman dies in California

Mrs. Max (Lennie May) Hallman of San Bernardino, California, a former resident of the Loraine area, passed away January 11 at her home after a long illness.

She is survived by her husband; a daughter, Marjorie Hawk of San Bernardino; one son, James Max Hallman of Odessa.

Loraine Homemakers meet

The North Loraine Homemakers Club met in the home of Mrs. Raymond Wheeler on Wednesday, January 12.

Mrs. Wheeler took over the duties as club president and assignments were made on the food and work schedules for those working at the stock show on January 27.

Refreshments were served to Mrs. Hubert Meadows, Mrs. J. E. Price, Mrs. Clarence Matejowsky, Mrs. Jack Linam, Mrs. R. T. Holman, Mrs. Roy Wells and Mrs. J. M. Templeton.

Club officers installed

The Baumann T.E.H.A. Club met Tuesday, January 11 in the home of the president, Bernice Hallmark.

The club officers, selected by Pauline Griffin, are: Mrs. Hallmark, president; Stella Harris, vice president; Lynn Compton, secretary; Mrs. Griffin, treasurer.

Council delegate elected was Mrs. Leach and Clara Butler will be the alternate.

Committees were also appointed by Mrs. Griffin.

Members attending were Mrs. Harris, Inez Webb, Mrs. Butler, Mrs. Leach, Mrs. Griffin, Pauline Smiley, Mrs. Hallmark, Vada Preston, Mabel Givens, Mrs. Compton and Gladys Payne.

Is your heating/cooling system gobbling up too much money?

If electric bills are taking too big a bite out of your budget, consider equipment with a higher energy-efficiency rating. The higher the rating, the less electricity it takes to heat and cool your home. And using less electricity will help hold down your bill.

High-efficiency equipment costs more, but when the equipment qualifies, Texas Electric will give you a bonus check to help pay the

difference. So if you're planning to install or replace central air conditioning, a room unit, or a year-round heat pump, ask your dealer about equipment that qualifies for a bonus check from Texas Electric.

And put money back in your pocket.

NURSE MOORE takes the blood pressure of Maye Ehret during the Health Seminar held at the Wallace Center Saturday afternoon. The activity was co-sponsored by the Ladies' Auxiliary to the Wilson Wyatt VFW Post 9178 and the Colorado City Business and Professional Women's Club.

Senior Citizen Games to be held

The second annual Texas Senior Games are on the way. The starter's gun is loaded and will go off on the campus of UT-Arlington, May 18-21.

Any Texas resident 50 years of age or older is eligible to compete in any of the over 40 events being offered. In most events, separate contests will be held for

men and women in the following age groups: 50-54; 55-59; 60-64; 65-69; 70-74; 75 and older. Registration cost is \$1 for each event, plus nominal facility fees for cer-

tain events such as bowling, golf, tennis and racquetball.

The success of the first Senior Games held last year has insured a large turnout of the state's older athletes and game players. "Over 600 older Texans competed in our games last year," according to Hal Geldon, executive director of the Texas Senior Games. "We had people from all four corners of the state compete and expect an even greater turnout this year which appropriately enough will coincide with Older American's Month."

Among the local groups that will be working with the participants are: Dallas County YMCA, Arlington YMCA, Arlington Bicycle Club, and the Arlington Parks and Recreation Department.

The following competitive events have been approved for the 1983 Texas Senior Games:

Basketball free throw, men and women.
Bicycle races (1/2 mile sprint, 2-mile and 5-mile race), men and women.

Billiards (eight-ball), men and women.
Bridge, mixed.
Bowling, men and women.
Checkers, mixed.
Forty-two, mixed.
Dancing, mixed (waltz, jitterbug, square, folkloric).
Golf (18-hole), men and women.
Swimming, men and women.
Horseshoes, men and women.

IRS says to choose carefully

If you choose to have someone do your federal tax return for you, the Internal Revenue Service advises that you take the same pains in making a wise choice as you would in choosing a doctor, lawyer, or any other professional, since the only person who is ultimately responsible for your tax return is you.

The IRS offers these suggestions on how to select and what to expect from a preparer.

-Taxpayers should not sign a blank return, nor one which is partially completed, nor one prepared in pencil.

-Preparers should be asked to sign the return in the taxpayer's presence and to give his or her identification number, as required by law.

Washer pitching, mixed.

Table tennis, men and women.

Tennis, men and women's singles and doubles and mixed doubles.

Track and field, men and women.

Fun walk, (2-mile, not heel-to-toe), men and women.

Racquetball.
Jog (3 1/2 mile), men and women.

Medals will be awarded to 1st, 2nd, and 3rd place winner in each age group. All participants will receive certificates.

No registrations will be accepted that are postmarked after midnight, May 11.

Registration information may be obtained from: Hal Geldon, Texas Senior Games, Box 676, Richardson, Texas 75080, 214-231-6889.

Lone Star has ample gas supply

Texas and Oklahoma residents have already gotten a taste of cold weather, but Lone Star Gas Company's residential customers can anticipate clean, reliable gas heat even on the coldest days of the winter season.

"We don't foresee an exceptionally long, cold winter this year," says Jack Cole, Lone Star's chief gas controller. "We anticipate a relatively normal winter, and we base that opinion on forecasts from the National Weather Service."

During the spring and fall when little gas heating or air conditioning is normally required, Lone Star injects large volumes of gas into the company's nine active storage facilities located near Athens, San Angelo, Denton, Hamilton, Cisco and Wichita Falls. On cold winter days when customer demand for natural gas is high, Lone Star supplements gas coming directly from wells with the stored gas.

During the coldest weather of the winter, gas service to certain large industrial and electric generation customers is expected to be curtailed according to contracts under which they receive service.

Cole explains, "This is because the Lone Star pipeline network is designed to carry less than a peak-day load. Designing the system to meet the maximum peak day load, which only occurs a few days per year, would be like building a church large

Cards Of Thanks

Card Of Thanks
The Family of Dr. Bruce H. Johnson would like to acknowledge with grateful appreciation the many kind expressions of kindness and love extended to him during his last illness. Also, the gestures of thoughtfulness and sympathy at the time of his death, especially the memorials given in his name—May God bless each of you.

Card Of Thanks

We wish to thank our many friends for their prayers, food, floral offerings and help during our time of sorrow. We especially thank the hospital staff at Root Memorial, Dr. Cowan, Dr. Terry, The Masonic Lodge, and the Rev. Roenfeldt for their many kindnesses.

W-2 forms due Feb. 1

Employees who have not received a W-2, Wage and Tax Statement, by February 1 should contact their employer to be sure they have the correct address, the Internal Revenue Service says.

Even if an employee is unable to get a W-2 before the tax filing deadline, the return must be filed by April 15. The IRS reminds taxpayers that they have a W-2 form from every employer they worked for during the year. If it is impossible to obtain a W-2 from an employer, the employee should either request a Form 4852, Substitute Wage and Withholding Statement, from the IRS or attach a signed and dated statement explaining the tax computations for the missing wage and tax information to replace the W-2 and file it with the tax return, according to the IRS.

Obituaries

McDonald

Gene Frances McDonald, 61, of Colorado City, died at 3:15 a.m. Saturday, January 15 in Malone-Hogan Hospital in Big Spring.

Services were held at 2 p.m. Monday, January 17 in the Kiker-Seale Chapel with Rev. Charlie Lummus officiating. Burial was in Westbrook Cemetery.

Born Gene Frances Harmon on November 23, 1921 in Fort Worth, she married Lillies McDonald in Fort Worth in 1941. She lived in Mitchell County for 19 years and was a member of the First United Methodist Church.

Survivors include her husband; two sisters, Mrs. Carolyn Graves and Mrs. Wanda Record, both of Fort Worth; one brother, Ben C. Harmon, Jr. of Springfield, MO.

Pallbearers were Foy Dunlap, Drew Cawthron, Rodney McDonald, A. W. Sullivan, Johnny Shackelford and Ralph Hines.

Womack

Nema Belle Womack Johnston, 90, former Mitchell County treasurer,

died Monday January 17 in Clovis, NM.

Funeral services were held in Steed Todd Chapel in Clovis at 9 a.m. MST Wednesday, January 19 and graveside services were held in the Colorado City Cemetery at 3 p.m.

Born Nema Belle Bryant on May 7, 1892 in Bradford TN, she was married to G. E. (Ed)

Womack when she lived in Colorado City, serving as county treasurer from 1947 to 1950. Womack died January 4, 1947. She moved to Clovis in 1952 and married Johnston in 1958. She was a Methodist.

Survivors include one sister, Nova Durkee of Clovis; one brother, Herbert Bryant of Albuquerque; one sister-in-law, Martha Bryant of Clovis; one nephew, G. D. Bryant of Clovis.

Crownover

J. L. Crownover, 49, a former Colorado City resident, died at 9:15 p.m. Saturday, January 15 in Hendrick Medical Center in Abilene.

Services were held at 10:30 a.m. Tuesday, January 18 in the Kiker-Seale Chapel with Rev. David H. Lelek officiating.

Curry named queen

Of the eight members present when TOPS TX 691 met at 5 p.m. Monday, January 17 in the Housing Authority building, only one had gained weight and the other seven netted a 10-pound loss.

The Queen for the week was Gladys Curry.

Two women were presented for membership and were warmly welcomed. Leader Lillian Vest said, "We will try not to make them regret their decision to join a club that Takes Off Pounds Sensibly."

Burial was in the Colorado City Cemetery.

Born January 8, 1934 in Oklahoma, he lived in Abilene for the last ten years and lived in Colorado City before that. He was an Air Force veteran of the Korean War and he was a heavy equipment operator. He was a member of the Assembly of God.

Survivors include his

father, Alton C. Crownover of Colorado City; one daughter, Debra Jan Bailey of Devine; one son, Jimmy Dale Crownover of Longview; three sisters, Evonne Smith of Kansas City, MO, Delpha Rich of Sterling City and Wilona Bassinger of Abilene; two granddaughters.

Nephews were pallbearers.
