Faubus' Orders Endure

LITTLE ROCK, Ark., Sept. 7 (AP)—Gov. Orval Faubus said tonight that his National Guardsmen still have orders to keep Negroes from entering Central High School.

The governor made this statement in an exclusive interview with an Arkansas Democrat newsman about seven hours after a federal judge refused to delay integration at the school.

Faubus had not been seen since a news conference here Wednesday morning. The brief interview of the governor by George Douthit of the Democrat was held at an undisclosed place.

Faubus was asked to state his position after U.S. Dist. Judge Ronald N. Davies' ruling and he replied: "It is unchanged."

Then he was asked if the National Guard still was under orders to bar Negroes from Central High School.

He answered: "The orders to the National Guard have not been changed from this past week."

Faubus was asked if the full force of the National Guard would go back on duty at Central High Monday morning with the same orders to prevent Negroes from entering.

"I wouldn't want to say now what will take place Monday because this situation could change any time, but as of tonight they still have those orders—I gave them last Tuesday," Faubus said.

The Democrat published the results of the interview in a copyrighted story. Douthit had asked a governor's aide if he and a photographer could take a picture of a North Little Rock grocer presenting Faubus with a scroll of 300 names endorsing the governor's position.

The aide arranged for Douthit and the photographer to meet with Faubus for a brief period and the picture was taken. Douthit managed to ask several questions.

Faubus laughingly said to Douthit when they first met: "Do you know you're the only newspaperman I have seen in how many hours?"

He was asked if there was any reason for his refusal to see the press and replied: "No comment."

Douthit said Faubus looked fit and healthy.

"Are you worried about this thing?" Douthit asked.

"Oh, I'm concerned about it," Faubus answered, "but I am not worried for myself, if that's what you mean."

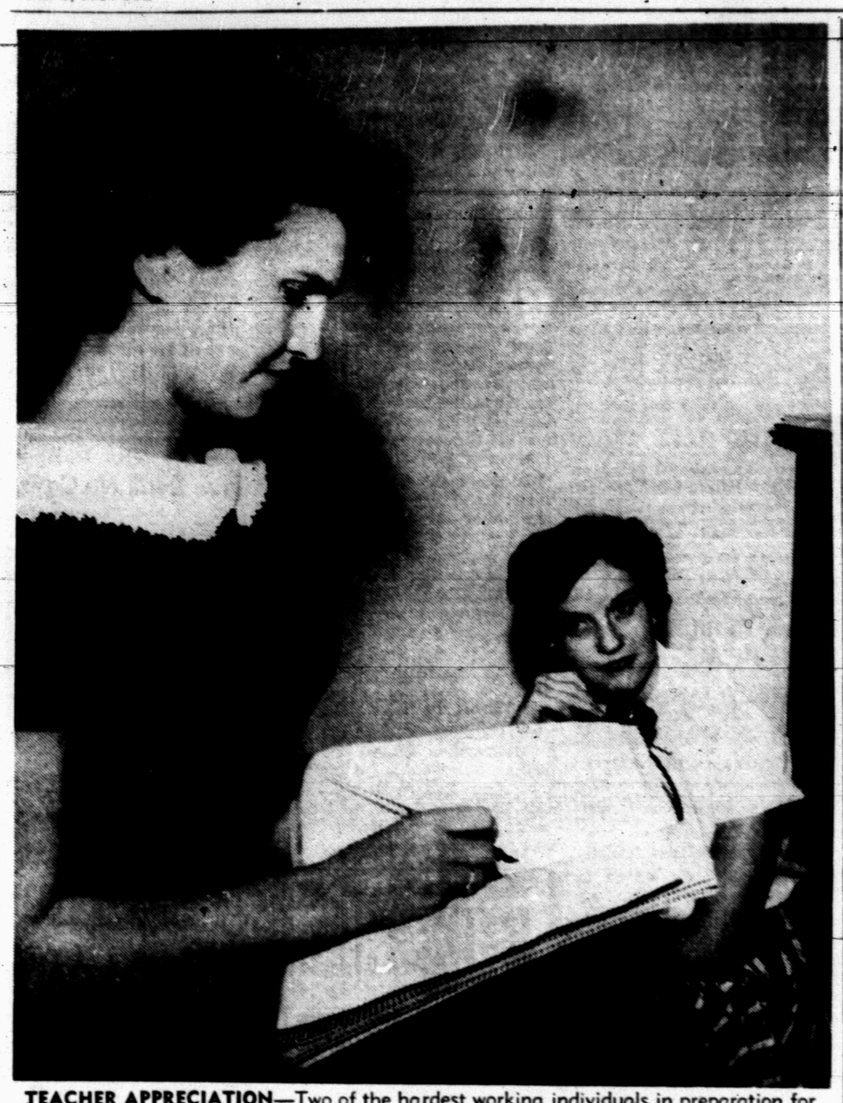

"Do you think you can win?" the newsman inquired.

"On the record or off?" Faubus asked.

Then he said: "On the record, no comment."

The governor also refused comment on half a dozen other questions.

Earlier today, in his ruling, Judge Davies had acidly termed the plea of the Little Rock School Board to delay integration "anemic" and left his previous order for immediate racial mixing of classes intact.

TEACHER APPRECIATION—Two of the hardest working individuals in preparation for the Businessman-Teacher Appreciation Banquet scheduled for tomorrow night are the two pretty women above. Mrs. Bill Morris, left, hired by the Chamber of Commerce, sponsor, to help with telephone ticket sales, and Mrs. R. L. Blakely, office secretary, are shown above as they prepared the list of guests for the banquet. The banquet will be tomorrow night at 7:30 o'clock in the high school cafeteria. (Lee Watson photograph)

DEATH SCENE—The piece of broken window frame leaning against the burning house above makes an arrow pointing to the room where firemen found the charred body of William Morgan Ballinger, 59, who died when the W. H. Cauble house, 1211 Twenty-eighth Street, burned about 1 o'clock Saturday morning. Two other men, Billy Cauble, son of Mr. and Mrs. W. H. Cauble, and John Brock, were rescued from the burning building after having been overcome by smoke. (Lee Watson photograph)

Council To Meet Here

Public hearing on streets recently added to the current city street paving program will be held by the city council during its meeting beginning at 7:30 o'clock tomorrow night.

Several new streets have been added to the program since the previous public hearings.

Other items on the agenda for the council meeting include the public hearing on the city budget for the coming fiscal year, proposal by Scurry County that the city annex Towle Memorial Park and the new park for police patrol purposes.

Several citizens have also requested a hearing with the city council in reference to some of the laws which are being enforced at Lake J. B. Thomas. The four Snyder members of the Colorado River Municipal Water District board of directors have been requested to meet with the council in that discussion.

Agency Plans Full Probe Of Tech Firings

LUBBOCK, Tex., Sept. 7 (AP)—Plans by a committee of the Southern Assn. of College and Secondary Schools to make an on-the-spot probe of the firing of three Texas Tech professors were disclosed today.

Dr. E.N. Jones, Tech president, said Dean Charles S. Davis of Florida State University, chairman of the accrediting association's committee on standards, telephoned that he has decided to come here Sept. 23-24.

Davis announced his decision after receiving a report he had requested from Jones.

The investigation will go into the July 13 firings by the Tech board of directors of Dr. Byron Abernethy, government professor; Dr. Herbert Greenberg, blind assistant professor of psychology, and Dr. Per Stensland, education professor and head of the school's adult education program.

Jones said his report to Davis also covered the Tech board's subsequent refusal to grant open hearings to the three men or to make public its reasons for ousting them.

Davis told the Tech president the findings in his visit here will be relayed to his committee, and it in turn will recommend as it sees fit at the Dec. 2-5 annual convention of the association in Richmond, Va.

The chairman of the Tech board, W.D. Watkins of Abilene, said he will ask the other directors to meet with Davis if the Florida educator wants to question them.

"I don't know whether all of them will be available," Watkins said. "If he wants to talk with me, I'll sure be willing to talk with him."

A newsman asked if Watkins felt there was reason for concern at the interest of the accrediting agency.

"I don't know what to think about the thing," he said.

Watkins also was asked if he would give Davis any reasons for the firings if the committee chairman requested them.

"I don't know what would be proper on that," he replied. "I'll just have to wait and see what develops."

SNYDER SPOTLIGHT

By WACIL McNAIR

If you think highway traffic is going to decline because the vacation season is over, just remember last year and the years before. School activities, with weekend football games, etc., make autumn a season for travelling.

In this connection, here is some food for thought at this season, provided by J. O. Musick, general manager of the Texas Safety Association: "At 60 miles per hour—the daylight speed limit in Texas—if a motorist has an accident, the chances of someone being killed are about one in 20. If the speed is stepped up to 75 miles per hour, the chances of survival are only one in eight. On the other hand, to reduce the speed to 45 miles per hour will increase the odds to one in 75. At 35 they are one in 115, and at 25 they are one in 300."

* * *

Snyder Civil Defense spotters got a 12-hour workout Thursday. They were alerted at about 4 a.m. and remained at their posts until about 4 p.m. when the alert was called off. Subsequently, it was learned that some 360 Civil Defense posts participated in the surprise alert, and that Dallas, Houston and Shreveport were the objects of mock bombing raids.

* * *

Another local traffic hazard was pointed up during the week when two girls were struck by an automobile at Thirty-seventh Street and Avenue M. Opening of the new park on the south side of Thirty-seventh in that area has stimulated more pedestrian traffic there. Thirty-seventh Street, woefully inadequate from stem to stern, is rapidly becoming a bottleneck.

Oscar Fowler, county farm agent, may have been calling the weather shots Thursday night at a Chamber of Commerce board meeting. Fowler said cotton and grain in the west and northwest parts of the county needed rain, while other areas of the county had enough moisture to assure a good crop, barring disaster from other factors, of course. Reports indicated that Friday night's rains were heaviest in the exact areas Fowler referred to as needing additional moisture.

* * *

The kids are here. Enrollment figures at Snyder schools were hovering around the 4,000 mark at the end of the first week, and more are expected. The largest schools in the city are the senior high, with 850 students; West Elementary with 785, and junior high, with 538.

School Teachers Will Be Honored At Banquet Here

More than 200 Snyder school teachers will be honored at 7:30 p.m. tomorrow by businessmen of Snyder at the annual Chamber of Commerce businessman - teacher appreciation banquet.

The banquet, which will be held in the high school cafeteria, will be hosted by the businessmen, who are purchasing tickets for teachers of the school system. Tickets, which are $2, will be available at the chamber office until 5 p.m. Monday.

Clayton Rand, owner of the Dixie Press and editor of the Dixie Guide at Gulfport, Miss., editor of a daily syndicated news feature, and author of several books, will be main speaker.

Wayland Holt, district attorney, will be master of ceremonies. The invocation will be by the Rev. Charles Spivey, pastor of the First Presbyterian Church. Entertainment will be furnished by Bob Clinton, school choral music director.

Dr. Wilton Jones, chamber president and vice-president of the school board, will welcome the teachers. Dr. Cecil Yarbrough, superintendent of schools, will introduce the speaker.

Rand is author if four books,

See TEACHERS, Page 2

Jury Dismissed Until Thursday

The jury in a civil case in 132nd District Court here was dismissed yesterday until Thursday by Judge Sterling Williams.

The jury has been sitting most of the week in the case involving the estate of Maude Donaldson, deceased. Property involved includes the Donaldson Ranch south of Snyder. There are five parties in the suit.

At last report yesterday, attorneys for the five parties were working toward a possible settlement of the case.

A full jury panel is due to report at 9 a.m. tomorrow in the court for other cases scheduled.

Reds Claim Nicotine-Free Tobacco Found

MOSCOW, Sept. 7 (AP) — A Soviet scientist claimed today to have developed nicotine-free tobacco by grafting tobacco plants to tomato plant roots.

G. S. Ilyin of the Bakh Institute of Biochemistry reported this in the newspaper Evening Moscow.

One Dies, Two Hurt In House Fire Here

One man was burned to death and two others were injured by burns and overcome by smoke when the W. H. Cauble home, 1211 Twenty-eighth Street, burned about 1 o'clock yesterday morning.

William Morgan Ballinger, 59, died in the flames which destroyed the large frame house.

Neighbors and police daringly rescued the two other victims from the house. Overcome by smoke before being pulled from the flaming house were Billy Cauble, about 40 years old, and John Brock.

Glenn Sehested, 2740 Avenue M, a neighbor, T. L. Steele, Snyder police chief, Clyde Thomas, and Tom Fagan city policemen, broke into a bedroom door and found Cauble and Brock lying face down near the bolted door. They were lying where they apparently fell after being overcome by smoke while attempting to make their way out of the burning house.

The fire was discovered at "straight up 1 o'clock" yesterday morning by Mrs. Homer Godair, 2706 Avenue M, and her husband immediately called firemen to the scene; then called neighbors to help with rescue of the victims.

The police patrolmen were cruising in the residential area when the alarm was sounded and rushed to the scene, arriving just before the first fire fighting equipment arrived.

Mr. and Mrs. Cauble, owners of the house, had been out of town for several days this week, and were believed to have been visiting a daughter in Brownwood Friday night when the fire destroyed their house. They had left Snyder Tuesday to visit Cauble's elderly mother in Albany, who is reported to be seriously ill.

Three pieces of fire fighting equipment were sent to the scene, one booster truck and two pumper trucks, and an abundant supply of water from two nearby fire plugs was available, but firemen exper-

WEATHER

SNYDER TEMPERATURES: High Friday 98 degrees, low, 58 degrees; reading at 7:30 a.m. Saturday, 60 degrees.

East Texas and South Central Texas: Partly cloudy and mild Sunday and Monday. A few showers near the coast Sunday.

North Central Texas and West Texas: Clear to partly cloudy Sunday and Monday. Mild temperatures.

Rains Of Up To 2.5 Inches Fall

The season's first norther with a punch brought welcome rains and tumbled temperatures in the Snyder area Friday night.

Reports indicated that rainfall over Scurry County ranged from half an inch to 2.5 inches.

Brisk north winds, which accompanied the showers, dropped thermometers to the 58-degree mark, the lowest reading since last spring.

The rains were expected to give cotton and grain crops a late season boost, while ranges and pasturelands were expected to benefit considerably from the new moisture.

Snyder had .99 of an inch, apparently about the average over the county.

Heaviest rains reported fell to the northwest, with 2.5 inches falling on the Fickas Bell place seven miles out. Fluvanna had 1.6, with up to two inches in the area; and possibly heavier rains northwest of there. Although winds mounted during rains, no damage was reported in that area.

Hermleigh had about one inch, and showers were believed to be heavier south of there. Other rainfall in that area ranged from .8 of an inch to 1.2

Camp Springs near the east county line had high winds accompanying showers that produced .6 of an inch of moisture. Some branches were broken from trees there.

At Midway, Bill Jordan reported half an inch of rain, while heavier showers fell in the Lloyd Mountain area, with estimates up to two inches.

The Pasotex Pipe Line Camp eight miles north of Snyder had .75 of an inch.

Showers in Ira brought half an inch of moisture. The rainfall was slightly heavier toward Dunn, ranging up to .7. At Lake J. B. Thomas, half an inch fell at the dam and .4 of an inch at the Big Spring pump station on the south side.

By The Associated Press

Violent thunderstorms which lashed Central and Northwest Texas tapered off late Saturday. Scattered showers were predicted through Sunday.

A cool front that touched off the turbulence Friday night and early Saturday moved into the Gulf.

Two of 15 Sweetwater Junior High School girls were killed by lightning as they huddled under a tree during a storm Friday. Seven remained in a hospital.

Robbie Mitchell, 15, and Glenda Condray, 14, were killed. Ruby Walker, 14, revived 70 minutes later, was believed out of danger.

Ike Vetoes Bills On Federal Pay Boosts

WASHINGTON, Sept. 7 (AP)—President Eisenhower today vetoed as inflationary two bills to raise the pay of 1½ million civil service and postal workers.

He said the bills that called for 850 million-a-year pay boosts, would contribute unnecessarily to "existing and incipient inflationary pressures in our national economy."

Ike Pledges Aid To Mid East

WASHINGTON, Sept. 7 (AP) President Eisenhower bypassed Syria's pro-Soviet government today and urged her people to do something to end fear of Communist-inspired attacks by Syria on her neighbors.

Eisenhower also pledged to use his full power as needed under the congressionally-approved Middle East resolution for blocking Communist expansion in the area.

The extraordinary appeal and re-affirmation of the Middle East resolution were reported by Secretary of State Dulles after an urgent two-hour White House conference.

But Dulles refused to answer a key question put to him by newsmen:

Did this mean the Eisenhower administration was officially defining Syria as Communist-dominated under the Middle East resolution? That resolution promises American troops in response to calls for help from any Middle East nation attacked by a Communist-dominated country.

Dulles, turning away, said he could not go beyond "any inferences that may be drawn from the statement I just read you."

Eisenhower has assiduously avoided labeling Syria as Communist-dominated. "Leftish leanings" is as far as he has gone in describing the people in power in Syria.

Dulles said in the 280-word statement worked out with Eisenhower that the President already has acted under the Middle East resolution.

He said Eisenhower did this by ordering a speed-up in delivery of previously programmed defensive arms and economic aid to Syria's neighbors.

Eight U. S. Air Force C124s are flying from Greece and Libya to Jordan this weekend with U. S. weapons, including 106 m.m. recoilless rifles. The air-lifted arms are due Monday in Amman, Jordan's capitol, amid much fanfare including a ceremonial speech by U. S. Ambassador Lester D. Mallory.

A similar hurry-up flight to Iraq is under consideration, and shipments by sea to Syria's jittery neighbors are being speeded. Schedules have been shortened from months to weeks.

Eisenhower flew to Washington this morning from his Newport, R. I., vacation headquarters. He arranged to return tonight after meeting with Dulles, Atty. Gen. Brownell and Budget Director Brundage.

Colorado Blonde Is Miss America

ATLANTIC CITY, N. J., Sept. 7 (AP) — Marilyn Elaine Van Derbur, tall blonde, green-eyed organist from Denver, Colo., tonight was selected Miss America of 1958.

The 5-foot-8¼, 20-year-old beauty, former University of Colorado student, beat out 50 other contestants for the title worth $60,000 to $85,000 in scholarships and personal appearance fees. Miss Van Derbur, a music lover, swimmer and skier, measures 35-25-36.

She was enthroned by last year's winner, Marian Ann McKnight of Manning, S.C., before a nationwide television audience — CBS — and a Convention Hall crowd of 20,000.

Jody Elizabeth Shattuck of Atlanta, Ga., a 20-year-old, blue-eyed blonde, was chosen first runner-up and won a $3,000 scholarship.

Mary Nancy Denner, a brown-eyed brunette of 21 from Alva, Okla., was second runner-up and awarded a $2,500 scholarship.

Lorna M. Anderson, 18-year-old blonde from Sacramento, Calif., was given third place and Miss Florida, Dorothy Maria Steiner, 20, of Boca Raton, was fourth runner-up. Both received $2,000 scholarships.

The new Miss America was presented her crown, scepter and robe by Miss McKnight. Miss Van Derber then walked down the 120-foot runway in Convention Hall before a wildly applauding audience.

OIL ROUNDUP

Water Needs For Refineries Backed

By MAX B. SKELTON

HOUSTON, Sept. 7 (AP)—Oil refineries require a tremendous volume of fresh water and the Defense Department is backing projects which guarantee an ample supply.

"Oil is the life of a modern mechanized war machine," Asst. Army Sec. Dewey Short said this week at ground breaking ceremonies for the fifty million dollar McGee Dam on the Angelina River in East Texas.

Short recalled that a water shortage crisis last year nearly forced a major shutdown of the nation's most congested refining area less than 100 miles below the McGee dam site.

Just 20 square miles in the Beaumont-Port Arthur area contain over 10 per cent of the nation's total refining capacity.

Short said Jefferson County's industries are producing about 11 million barrels of oil products annually for the armed forces.

He said McGee, when completed in 1962, will guarantee a year-round supply of fresh water needed to insure production of oil products at present rates or at increased rates made necessary by emergencies.

This was one of the reasons, he said, that Army Engineers during the Korean War listed McGee as one of the nine most necessary projects for the nation's defense and essential civilian economy.

Just below the dam site, the Angelina flows into the Neches River. The Neches provides Beaumont with a deep water port before emptying into Sabine Lake just north of Port Arthur. Refining, petrochemical and chemical plants and docks facilities are mushroomed along the Neches from Beaumont to the lake and along the Texas side of the lake.

Allowable Up 87,343 Barrels

AUSTIN, Sept. 7 (AP)—The Railroad Commission said today the total daily oil allowable this week increased 87,343 barrels.

The allowable today was 3,183,887 barrels, compared to 3,096,514 last Saturday.

A total of 317 oil and 31 gas wells were completed. This upped the oil well completions to 10,909 for the year, compared to 11,476. Gas well completions were 1,341 compared to 1,231.

Some 92 dry holes were recorded raising the year total to 5,250, compared to 5,587.

In unproven territory, 7 oil wells were brought in. There were no gas wildcats, but 54 dry holes were reported.

A total 135 wells were plugged during the week, raising the year mark to 7,598, compared to 7,949.

Two Area Wildcat Locations

Area wildcat locations have been staked in Borden and Nolan Counties.

Wildcats were scheduled Friday in Borden, Nolan, Taylor and Jones countines.

El Paso Natural Gas Co. has filed application to drill an 8,700-foot rotary wildcat in Borden County, 16 miles northwest of Gail. It will be drilled as the No. 1 Lamb.

Location, on a 320-acre lease, is 1,980 feet from the south and 660 feet from the west lines of 28-32-6n-EL&RR.

Texas-New Mexico Development Co. of Midland has filed application to drill a 7,500-foot Ellenburger wildcat in Nolan County, 10 miles west and slightly south of Maryneal. It will be drilled as the No. 11-130 L. Roy Spires, et al.

Location is the center of the northwest quarter of the northwest quarter of 130-1A-H&TC.

The prospector is two miles northwest of Ellenburger production in the Nena Lucia multipay field.

Garza Mississippian Discovery

Garza County gained a small pumping Mississippian discovery with completion of Humble Oil & Refining Co. No. 2 Slaughter, in 4-30-7n-T&NW, 13 miles southwest of Post.

It was completed for a daily pumping potential of 31 barrels of 31.8 gravity oil, plus 20 per cent water, with gas-oil ratio 161-1.

Production was through perforations between 8,770-801 feet in 5½ inch casing set at 8,881 feet.

The strike was a failure in the Ellenburger.

Tests In Fisher Projects

In Fisher County, White Eagle Oil Co. and American Trading & Production Corp. of Midland No. 1 Ada Mitchell recovered gas and distillate-cut mud on a test in an unidentified formation, possibly the Canyon.

Tool was open one hour on the test, which was at 4,872-892 feet. Recovery was 1,966 feet of gas and 80 feet of heavily gas and distilliate-cut mud. Flowing pressure was zero, 30-minute shutin pressure 1,200 pounds.

Scheduled for 5,700 feet, the project was drilling below 4,925 feet.

It is four mies northeast of Roby and five-eighths of a miles south of a Strawn discovery.

Also in Fisher, El Paso Natural Gas Products Co. of Midland was taking a drillstem test at its No. 1 Aiken wildcat 10 miles northwest of Sweetwater in section 214-3-H&TC.

Tool was still open on the test between 6,898-904 feet. Gas surfaced in seven minutes.

Drilling Reports In Area

In Borden County, Tidewater No. 1-B Clayton & Johnson was awaiting orders.

Pure No. 1 Welch in Garza County was coring ahead. It cored at 2,543-548 feet and recovered four and one-half feet of dolomite with no shows.

In Dawson Cosden and Caraway No. 1 Wortham was still testing through the supper Spraberry perforations at 7,385-420 feet. It swabbed 70 barrels of load oil and 19 barrels of new oil plus 42 per cent water in an unreported time.

Also in Dawson, Lanphere-Reagan No. 1 Barrett was at 6,632 feet in lime.

Authority Given To Build Loop Pipeline

WASHINGTON, Sept. 7 (AP)—The Power Commission gave Transcontinental Gas Pipeline Corp. of Houston temporary authority yesterday to build 43 miles of loop pipeline on its natural gas system costing $6,368,000.

The looping will be in Louisiana, Mississippi, Alabama, Georgia, South Carolina, North Carolina and Virginia. It will increase capacity of the system from 877 million cubic feet a day to 921,700,000.

"Abracadabra: One Democrat to Another," "Men of Spine in Mississippi," "Stars in Their Eyes," and "Ink on My Hands," the story of a country editor.

One of his printed speeches, "Diocletian and the New Deal," drew over 8,000 letters, consumed 11 tons of paper, and appeared three times in the Congressional Record.

Rand is past president of the Mississippi State Press Association, National Editorial Association, Mississippi State Press Association, National Editorial Association, and others. At one time he was field secretary of the Press Congress of the World.

Rand has won two national editorial awards. One in 1928 gained him an expense-paid tour to Germany under auspices if the International Press Conference at Cologne, Germany.

Wisconsin-born, Rand was reared in Mississippi. He worked his way through Mississippi State College as a peanut vender and through Harvard Law School and was admitted to the Mississippi bar and practiced law for awhile.

In 1919, Rand bought a country weekly newspaper. In all he has owned five newspapers.

In 1949, 1950, and 1952, Rand spent summers in Europe to get slants on socialism and communism. He made an extensive tour of Yugoslavia in 1952 and of South America in 1955.

A survey of all trade associations in the country made by the U. S. Chamber of Commerce showed that Rand was included in "The 10 convention speakers mentioned most frequently" among those who had appeared before annual meetings and conventions.

Dallas Store Is Held Up

DALLAS, Sept. 7 (AP)—A cool gunman held up a busy grocery store last night and escaped with an icebag full of cash.

A dozen customers shopped unaware during the crime as a cashier signalled in vain to draw attention to the prosperous-looking outlaw.

Mrs. Faynell Engle, the cashier, said the swarthy bandit, about 35, approached her office-booth and asked for the man in charge. She summoned assistant Mgr. John Crable, 25, to the cash window. Then the stocky stranger opened the coat of his gray double-breasted suit and showed Crable and Mrs. Engle a pistol cradled in an inner pocket.

He pulled a water-proofer paper ice sack from inside the coat, handed it to Crable and ordered, "Fill it up." Crable did.

He told police he stuffed 400 1 bills, $70 worth of pennies and $16 worth of nickels into the sack while the outlaw watched.

Jaworski Leaves Reds

WARSAW, Sept. 7 (AP)—Kazimierz Jaworski, kicked out of his job in Poland's Communist government early this year, has fled to the West.

He is probably the highest ranking Polish Communist ever to defect. It was disclosed today that he had led a Polish delegation to East Germany recently, then slipped into West Berlin and asked asylum. The date was not given.

Jaworski lost his job as vice minister of construction in a government reshuffle and was named director of the Construction Research Institute.

His defection was disclosed in the engineering journal Fundamenty.

One Applies For Librarian

One applicant for the position of head librarian at the new county library was interviewed yesterday by the library board in a meeting.

Another is to be interviewed Monday, according to Mrs. Arthur Blanchard, chairman of the board.

Mrs. Blanchard said the board is still accepting applications for that position. They should be written and mailed to Mrs. Robert R. Patterson, secretary of the board, at 110 Milburn.

The county will use local people if it is possible for positions at the library, if qualified local residents can be found.

In additiin to the position of head librarian, there will be other positions at the library, including a bookmobile driver-librarian. Just how many employes there will be has not been determined.

Juvenile Delinquency

IVENNA, Sept. 7 (AP)—The Budapest newspaper Betfoei Hierk carries a police report on juvenile delinquency, saying they arrested 659 Hungarian girls under age 13 in the first six months this year, and 538 were accused of prostitution. The youngest was 12. The report says 147 were suffering with veneral diseases.

Morocco leather, one of the strongest and most expensive of animal hides, is produced from goatskin.

Mólotov Arrives In Outer Mongolia

LONDON, Sept. 7 (AP)—V. M. Molotov arrived in Ulan Bator today and presented his credentials as the new Soviet ambassador to Outer Mongolia.

The arrival of the fallen Soviet leader received only brief notice in Peiping and Moscow radio broadcasts.

Moscow radio devoted only 44 words to report Molotov's arrival in the remote Asian country that became the first Soviet satellite in 1924.

Molotov, Georgi Malenkov, Lazar Kaganovich and Dmitri Shepilov were demoted in June for anti-party activities. All were given obscure jobs far from Moscow.

No ham actor is Meggi O'Day, a leghorn hen who laid an egg every day for more than 300 Rutgers University in New Jersey. College officials turned down an offer to put her in a television show.

FIRE

Continued From Page 1

ienced difficulty in bringing the blaze under control because the house was so completely afire when they arrived.

D. A. Porter, fire chief, said that the large, old house, had canvas over the board walls with wall paper over the canvas, and that the fire apparently almost "flashed" through the house once the paper caught fire.

"The house was burning all over when we got there," Porter added.

All full time firemen except one driver who is on vacation reported either to the scene of the fire or to their stations to stand by, and 19 volunteer firemen went to the scene, Porter said.

Cauble and Brock were rescued from a bedroom in the northeast corner of the house. Ballinger's body was found in another bedroom on the east side of the house. His body was lying on the floor near a bed.

Neighbors said that all three were dressed only in trousers, and had apparently been in bed when they discovered the house was burning.

Cause of the fire has not been determined, but firemen stated they believed it started in a living room at the front of the south side of the house.

"That part of the house was burned out worse than the rest of the house, and the roof caved in worse in that section," Porter said.

The house and its contents were virtually destroyed. Only a shell of outside walls were left standing.

Firemen fought the blaze from shortly after 1 o'clock, bringing it under control by 2:30 o'clock, and had it virtually put out by 4:30 o'clock. The last fire truck left the scene about 6:45 o'clock, having been occupied until then putting out smoldering embers.

The fire broke out in the house again later in the morning, and trucks were sent to the scene the second time to put that fire out about 8 o'clock.

Ballinger's body was pulled from the house about 1:45 o'clock.

Bell Funeral Home ambulance took Ballinger's body from the scene.

Cauble and Brock had been taken to Cogdell Memorial Hospital by Bolger ambulance at about 1:10 o'clock Saturday morning.

Funeral arrangements for Ballinger are pending location of relatives. Officials here had been unable to contact any relatives by late Saturday.

The Spanish village of Lliva is located in France. A private road connects it with its mother country.

Schools Return To Normal Here

As schools settled down to normal after the first week here, they will now begin to build slightly in enrollment, if the pattern set during the past few years continues.

Usually, school enrollment begins to build in the fall and works up to a peak in the spring here.

At the end of the first week of school here, enrollment in all the Snyder schools stood at 3,854 students. That is 244 more students than the schools here had at the end of the first week of school last year.

The first grade, as usual had a great number of students and makes up the largest class in all the schools. There are 510 first graders here. There are 412 in the second, 395 in the third, 391 in the fourth, 383 in the fifth, 306 in the sixth, 288 in the seventh, 269 in the eighth, 268 in the ninth, 255 in the tenth, 169 in the 11th, and 177 in the 12th.

Those figures are from total enrollments of 848 in Snyder High School, 541 at the junior high, 37 in the high school-junior high department at Lincoln School, 56 in the elementary department at Lincoln, 780 at West Elementary, 305 at North Elementary, 526 at Central Elementary, 456 at East Elementary, and 305 at Northeast Elementary.

All but two of the schools here have more students now than they did at the end of the first week of school last year. The junior high has 22 less than at the same time last year, while the North Elementary has 21 less. Both the North and Northeast Elementary schools are expected to see big gains from now until October as more Latin-American students living in those areas get into classes.

West Elementary School now has 138 more students than it had at this time last year. The high school has 67 more students than it had a year ago. Northeast elementary has shown an increase of 36 students over the same time last year, while East Elementary has 33 more and Central Elementary has four more. Lincoln School has 25 additional students, the increase there caused partly by the school's having a high school department for the first time this year.

Lincoln School has three seniors, three juniors, 10 sophomores, five freshmen, and eight each in the seventh and eighth grades in its junior high-high school department.

At Snyder High School, there are 174 seniors, 166 juniors, 245 sophomores, and 264 freshmen.

Last school year, after ending the first week of school with 3,610 students, the schools built up gradually and at the end of the 27th week of school had 3,683 students. Enrollment when the schools closed in May was 3,582.

Bidding On Road Work Is Planned

AUSTIN, Sept. 7 (AP) — The highway department said today it will take bids Sept. 17-18 on 181 miles of road work.

Low bids are expected to total 16 million dollars. About 67 miles of work will be done on farm roads and 114 miles on state and U.S. highways.

Projects by counties up for bid Sept. 17 include:

Montgomery: 2.4 miles U.S. 75, grading, structures and paving from west of Conroe to south of San Jacinto River.

Walker: 6.5 miles U.S. 75, grading, structures and paving in Huntsville.

Washington: 0.1 miles Loop 283, grading, separation structures at Loop 283 near Brenham.

Brazos and Madison: 1.9 miles U.S. 190, grading, structures and paving from Navasoata River bridge and approaches northwest of Bryan.

Milam: Structures on U.S. 190 bridge east of Splawn.

Victoria: 6 miles Farm 444, grading, structures and surfacing from U.S. 59 at Inez to the south.

Wilbarger: Repair bridges on U.S. 283 at Pease Relief.

Sept. 18 bids by counties:

El Paso: 10.8 miles U.S. 80, grading and structures from New Mexico to U.S. 80 (Mesa Rd).

DeWitt and Goliad: 6.9 miles Farm 884, grading, structures and surfacing from south of Yorktown to Goliad County and from Dobskyville northwest to DeWitt County.

Chambers: 6.5 miles State 73, grading, structures and paving from Cove to Harris County.

Cameron: 11.2 miles Farm 506, grading, structures and surfacing from State 107 at Santa Rosa through La Feria to U.S. 281.

Hidalgo: 1.2 miles, Farm 88, grading, structures and paving from State 107 at Elsa north.

Borger Child Is Killed By Auto

BORGER, Tex., Sept. 7 (AP) — Second - grader Michael Joseph Felker, 7, was killed by a car on the Buenavista - Borger expressway while on his way home from St. Joseph's Catholic School yesterday.

Officers said he ran into the side of a sport car driven by Phil D. Phillips of Borger. The child was a son of Mr. and Mrs. B. G. Felker. In 1950 their 19-month - old daughter Anne Josephine was run over and killed by a laundry truck backing from a driveway.

McLaughlin Is On Demo Dollar Panel

AUSTIN, Sept. 7 (AP)—Gov. Price Daniel's first major move toward the 1958 state political campaign comes this week at Huntsville, while the State Democratic Executive Committee announced fund - raising drive plans.

Daniel will make what has been labelled in advance as a major speech at a Democratic rally and barbecue Tuesday night at Huntsville. It also is expected to be, indirectly, at least, his first bid for reelection.

At Abilene today, J. E. Connally, state chairman for the Dollars for Democrats drive slated for Oct. 11 and 12, announced appointment of a statewide advisory committee to carry on the money and recruiting campaign on local levels.

Two planning and organizing meetings were announced by Connally also. The first will be held Sept. 11 at the Hilton Hotel, Fort Worth and the second on Sept. 17 at the Commodore Perry Hotel in Austin.

The announced purpose of the Dollars for Democrats drive is to raise money for the party in the 1958 campaign and to recruit trained workers on the precinct level. Two thirds of the money raised will remain with state and local party organizations and one third will go to the national war chest.

Connally named these advisory committee members and said others would be selected later:

Arch Underwood, Lubbock; C. T. McLaughlin, Snyder; E. A. Aycock, Fort Worth; Pat Beard, Waco; Mrs. Howard Hodge, Midland; Mrs. Silas Grant, Hillsboro; Charles Lee, Mineral Wells; Paul Willis, El Paso.

Also, John Lyle, Corpus Christi; Robert W. Calvert, Austin; Owen Kilday, San Antonio; E. J. Burke, San Antonio; Ralph Hall, Rockwall; George Hinson, Mineola; Clyde Johnson, Austin; Cliff Weise, Calvert; Raymond West, Jacksonville.

Budget Hearing Scheduled

CITY BUDGET for the fiscal year which begins Oct. 1 calling for no changes in city taxes and no increase in water and sewer department revenues will be considered in a public hearing at 7:30 o'clock tomorrow night at the city hall.

The budget hearing will be held in conjunction with the regular meeting of the city council for this month.

The overall budget for the year will be $806,182, an increase of $38,014 over the 1956-57 fiscal budget of the city.

The city tax rate of $1.65 per $100 valuation on an assessment of 40 per cent of the real value of the property will be continued.

"But it should be pointed out that the City of Snyder is continuing to grow very rapidly and it will become more and more difficult to furnish adequate and satisfying services without additional revenue," Roy L. Dunlap, city manager, said in the budget message which prefaces the budget.

The increase of **$38,014** over the current budget is made possible by the increased beginning balance in the water and sewer department funds over previous balances.

The beginning balance in the water and sewer department of $55,000 is the biggest of several increases in anticipated revenues for the coming fiscal years. Other estimated revenue increases are:

Ad valorem taxes $12,337: Corporation Court revenue $5,000; miscellaneous general income $5,734; and miscellaneous water and sewer revenue $700. Total increased revenues are $78,771.

However, general increases in expenditures for all operating departments except the general and sanitation departments will use up the increased revenues.

* * *

CITY EMPLOYES were given varying increases through the departments depending on the job that they do, in reference to their ability and responsibilities.

Departmental expenses which account for the major budget increases are:

Fire department increase of $9,909, to provide maintenance of the central and two sub stations and a more liberal allowance for volunteer firemen.

A police department increase of $3,865 to provide for replacement of three patrol cars.

A street department increase of $2,069 to provide for an additional dump truck and a new three to five ton flat wheel roller for street repair work. Also included in the street department budget will be a fund of $22,871 for future storm sewer work in southeast Snyder. That amount will not pay for the necessary storm sewer, but with similar amounts set aside for two or three more years could pay for the storm sewer.

* * *

A WATER distribution increase of $[illegible],422 would provide for distribution main extensions with the city paying its share in future development.

A water production increase of $4,699 will provide for a laboratory to accomplish better control on processed water, and to improve the taste and odor of the water produced.

And a utility office increase of $13,239 to provide for machine accounting system to provide a constant record of accounts of the city, rather than wait for month-end balances.

Other departments will operate at very nearly the same amounts as in the previous year.

Non-operating disbursements remain at essentially the same dollar value for the coming budget year, although it might be well to point out that 33 per cent of our budget goes for water purchases and retirement of debt, Dunlap said.

"The past year was a very successful year and the City of Snyder was indeed fortunate to have in its employment the type of individuals that it takes to get the job done, for without the drive, enthusiasm and loyalty of all employes the City would not have been able to meet the goals as set forth by the citizens of Snyder," Dunlap said.

Part of the increased cost of the city government for the coming year will go to provide wage and salary increases for all employes. Wages and salaries will be increased in all departments to cover increases in cost of living, and to bring about a better balance of wages in the various departments.

Wage increases generally range from $5 to $7 per month in most departments, with one or two previously below-average pay departments getting slightly larger monthly increases.

Dunlap said the new budget provides for a continuation of the programs now being carried out by the city, but does not provide for any large scale additions to the present work program.

About 100 new street lights, some of residential area type lights, and some of mercury vapor highway type, will be provided. Mercury vapor lights are planned for Thirty-seventh Street and Forty-second Street west from Avenue S, and more mercury vapor lights for the Big Spring highway after it is widened.

SAYS EXPERT

King's English Not Murdered

BY INEZ ROBB

After second thoughts and an agonizing reappriasal (cliche), I have decided only an idiot would write an interview with either Bergen Evans, erudite philologist of the acadmic and teevee worlds ("The Last Word"), and his equally-learned sister, Cornelius Evans Goodhue, novelist.

But I fell in love with their new book (Random House), "A Dictionary of Contemporary American Usage," subtitled "A Ready-Reference Guide to the Effective Use of the English Language."

So when I met Miss Evans the other day, I braced up to her and asked a few questions about both the book and spoken American. Now all I can do is lunge forward, conscious that I am probably fracturing every rule in their lively book.

(This column will doubtless give them material for Volume II. They have already, in Volume I, lowered the boom on my brethren, the sports writers, on cliches and crossword-puzzle English. And patted Marilyn Monroe on the back.)

Is it really true, I asked Miss Evans, that we Americans are, as so many scholarly Englishmen charge, murdering the king's English through constant assault and battery?

"Of course not!" said Miss Evans. "Ours is an alive and lively language. It is living and forceful. Englishmen like it. The upper-class Englishman worries because middle and lower-class Englishmen are picking their language out of American movies.

"Far from ruining the English language, we are keeping it alive. English is a living language that grows rapidly. It has had three great periods of especially swift growth, following Chaucer, Shakespeare and World War II."

The language is very dear to both Dr. Evans, the moderator of teevee's "The Last Word," and his sister, who is the author of two distinguished novels, "The Cloud of Witnesses" and "Journey Into the Fog." But they are not in awe of it.

"All good grammarians won't agree with some of our conclusions," Miss Evans said. "Our yardstick in contemporary American usage is what is acceptable to a great majority of educated people (Note: People, not persons.) We give information on which the reader can decide what he wishes to use.

"But on the split infinitive, I speak dogmatically. Either don't split an infinitive or avoid it altogether by substituting a clause for it. Grammar is complicated. The source of a great deal of grammar trouble is oversimplification. The rules are not simple. They are complex."

Miss Evans regards "A Dictionary of Contemporary American Usage" as an extension of, or even a substitute for, the British H. W. Fowler's "Modern English Usage." The latter has been the grammarian's and writer's bible for 30 years.

"Fowler wrote for the English upper class or five percent of the British," Miss Evans said judiciously. "We have written for the upper 30 percent of Americans."

Miss Evans is agin slang, except in the young on whose tongue it sounds sprightly. She is also agin letter words shown by so many post-World War II writers.

"I find brutality and four-letter words tiresome in current literature," she said. "Maybe this is an attack on old taboos by new authors. But I still don't like it."

Promotions By Magnolia Announced

Three promotions affecting top-level jobs in Magnolia Pipe Line Co. were announced today in Dallas by L. H. True, company president. All were effective Sept. 1.

Don R. Ford, vice-president and former assistant manager, was named manager of the company. J. E. McGeath, formerly general superintendent, was appointed assistant manager. Succeeding McGreath as general superintendent will be M. E. Powell, who has been serving as assistant general superintendent.

Ford, who moves into the top operating post for one of the nation's largest pipe line systems, has been with Magnolia since 1927. A native of Findlay, Ohio, he graduated from Marietta College in that year, then came to Magnolia as a laborer at its Wewoka Station. From this bottom-of-the-ladder spot he moved through successive promotions as district gauger, chief gauger, and through supervisory posts in Texas and Oklahoma. In August, 1949, he was transferred from the division superintendency at Houston to Dallas and made assistant manager. He was elected a director of Magnolia Pipe Line on March 13, 1951, and made vice-president on March 11, 1952.

The new assistant manager, Joseph E. McGeath, has served as general superintendent since January, 1954. Born in Blackford County, Indiana, he attended Purdue University and Wabash and Centenary colleges before coming to Magnolia Pipe Line in June, 1923, as a laborer. His beginning service in the Smackover Field, Arkansas, was followed by duties of increased responsibility in Louisiana, East and West Texas fields, and in Houston and Alice, Texas. In March, 1946, he came to the Dallas offices of the company as assistant general superintendent. He has served as a director of Magnolia Pipe Line since March, 1956.

Malcolm E. Powell, who becomes general superintendent, is a native of Kaufman County. He attended Southern Methodist University in Dallas, then joined a Magnolia pipe gang at Kilgore, in 1931. Serving successively as field, district, and chief gauger, he was made a district superintendet at Luling in 1945, assistant division superintendent at Oklahoma City in 1946, and division superintendent at Midland in 1949. Since September 1, 1955, he has been located in Dallas as assistant general superintendent.

Instructor Comes Free

ETNA, Wyo. (AP)—When the county school board ordered discontinuance of the seventh and eighth grades at the Etna elementary school, making it necessary for the 20 students to travel 35 miles or so to class, the parents rebelled.

Last year the board at Afton, county seat of western Wyoming's Star Valley, provided a teacher. But not this year.

So the parents got their own instructor. He is doing it free. They borrowed books from schools across the border in Irwin, Idaho.

Farmer Dean Humphreys, spokesman for the parents, said it was too much to expect the students to travel that distance "in this deep snow, cold weather country."

Malaya Seeks Trade

HONG KONG, Sept. 7 (AP)—Malaya's first ambassador to Washington, Dr. Abdul Rahman, told reporters his newly independent country seeks trade. "If we had to choose between aid and trade, I think we would choose trade," he said on a visit here en route to Washington.

ABSORBED WITH THE IDEA—Mouth-watering look lights the face of Gerry the cat to scare pair of goldfish swimming in bowl at 18th annual Children's Aid Society pet show in New York City. Gerry's feast was just a dream—but under the circumstances what cat wouldn't get ideas?

Ike Is Wired On Ft. Hood Controversy

DALLAS, Sept. 7 (AP)—State Rep. Joe Pool wired President Eisenhower last night that "our sense of decency" is shocked by reports that Negro soldiers united in "unnatural marriages" to whites may be brought to Texas.

Pool asked Eisenhower to prevent the Negroes of the 2nd Armored Division to bring their white wives to Ft. Hood, from Germany in November.

He told the President Texas law against intermarriage is to "prevent mongrelization of the races."

A division spokesman said the Army recommended that such soldiers transfer out of the division to prevent embarrassment. He declined to say how many such marriages there were or what might happen if a Negro with a white German wife insisted on going to Texas with the unit.

The white house has made no comment on the recommendation by division officials.

Rep. Diggs (D-Mich), a Negro congressman, called on Army Secretary Brucker to investigate and rescind any such recommendation regarding Negroes married to white women.

If such personal-social factors are permitted to influence military assignments, Diggs said, "The ultimate result could be to reinstitute, through direct means, even more flagrant discriminatory practices than have already been banned in the services."

Turkeys make a hissing sound in imitation of a snake to frighten intruders away from their eggs.

Cisco Man Found Dead

LAMPASAS, Sept. 7 (AP)—Jack Smith of Cisco was found dead beside the highway just north of here yesterday. An autopsy was ordered. Officers said they could not tell whether he was hit by a car or thrown from one. Mrs. Smith said her husband was on leave from the Veterans' Hospital at Waco and she presumed he was on his way home.

Snyder Is Experiencing Small Construction Boom This Year

Building permits in Snyder still indicate that there is more building in progress this year than during any year since 1951.

No one has any solid explanation for the small boom in building here this year.

Indications are that, while there is a sizeable amount of business building underway, residential building is accounting for the larger end of the permits now.

For example, there have been so far this year a total of 175 building permits issued, and 124 of those were for houses. That is the largest amount of residential building here since 1951, when there were 136 permits for residences during the eight-month period. Neither of the figures, of course, compare with the amount of residential building in 1950, when 403 house permits were issued during those eight months. Last year there were 142 permits during the period, and 99 of those were for houses, the same number of houses for that period the year before.

Permits for August showed total estimates of building costs at $245,040. That was the highest August figure since 1950 record figmost reached the 1950 record figure of $256,000. In other years, August permits showed costs of $96,945 in 1956, $105,500 in 1955, $68,200 in 1954, $99,050 in 1953, $103,775 in 1952, and $46,600 in 1951.

Total estimates for building so far this year here amounted to $1,966,290, or the most for that period since 1951, when the total was $3,479,331. The 1951 figure included a school building, however.

During the same period of 1950, estimates totaled $2,522,721.

Last year during the same period, building estimates were $1,340,332. Already this year, in less than eight months, building estimates on permits issued by the city planning and zoning department have exceeded the totals for the 12 months in 1956, 1954, 1953, and 1952. They lack little exceeding the entire year of 1955.

The 20 building permits here issued during August included 14 for new residences or residences to be moved in. Largest of those was one for $68,000 for a new auditorium at the Avenue D Baptist Church. Largest of the residential permits was one for $32,500 to Bob Parks & Sons for a house at 2803 Thirty-fourth Street. There were several for houses between $20,000 and $30,000.

Three Ringleaders In Riot Executed

PEIPING, Sept. 7 (AP) — Chinese newspapers announced today the execution of three ringleaders of students' riots last June in Hanyang, central China.

The sentences were reported read out before a crowd of 10,000 persons yesterday and executed immediately.

The three were the deputy principal of a Hanyang school, another teacher, and a local Democratic party leader.

Four other participants in the riots received prison terms of 10 to 15 years.

Fabus To Be Quizzed On Integration Row

NEW YORK, Sept. 7 (AP) — The ABC television network said today Gov. Orval E. Faubus of Arkansas will be quizzed on the network tomorrow from 8 to 8:30 p.m. EST on the Little Rock integration situation, instead of 4:30 to 5 p.m. as previously announced.

Faubus will appear on a special "Open Hearing" program originating from studios of KATV in Little Rock.

Grain Sorghum To Make Good '57 Crop

Grain sorghum is usually considered only lightly as a cash crop in this area, but this year the story is slightly different.

In almost all parts of this area there are good crops of grain sorghums, and estimates have been that some crops will yield up to a ton per acre, or five to six times as much as they did during drought years.

That means a grain sorghum crop worth possibly one and one-half to two million dollars in this county.

There is an estimated 90,000 to 100,000 acres of all types of grain sorghums growing in Scurry County. Possibly 15 per cent of that acreage is made up of hybrid grain sorghums. There are also other varieties, including the standard 7078 and Martin, which are popular here, plus redbines 58, 60, and 66. There are also some Plainsman and Caprock sorghums here.

While some grain sorghums may make a ton per acre this year, many during drought years made around 300 pounds per acre, possibly not even enough to pay for having it combined.

Oscar Fowler, county agricultural agent, said that probably the majority of the farmers here this year will market grain sorghums or put them in the loan. Some will keep a part for laying flocks.

Public storage facilities are already taking in grain, while some farmers will store their own. Not many have much storage space. It has been reported, however, that a few building new granaries, Fowler said.

At the present time, farmers are making more money by putting the grain in the loan than by selling it on the market. The last reported market price was $1.50 per hundred, while by putting the grain into the loan a farmer could net $1.55 after paying storage and service charges. If he had his own approved storage, he could make 16 cents more.

Henry Burchett, county office manager for the Agriculture Stabilization and Conservation committee, said the loan rate on grain sorghums here now stands at $1.73. Those who put the grain into the loan and place it in public storage pay 17 cents for storage and one cent for service charge. If they store the grain themselves, they must pay only two cents for service charge. The grain must be sampled and checked for moisture content and grade, and the farmer storing the grain himself must pay the two cents for the sample being sent to a federal grain exchange.

The storage is pre-paid through March 31, 1958. By that time, if the farmer has not repaid the loan, the grain reverts to the Commodity Credit Crop. That is the route most farmers take.

Moisture content last week was still running high in most grain, or about 15 per cent. It must be as low as 13 per cent to go into the loan. Reports were, however, that warehouses were taking the grain with higher moisture content by docking the price according to the amount of moisture content.

In addition to the grain sorghums, many farmers here have other feed crops, including some hegari and some cane. Mostly used here is regular or Hi-hegari. Hegari is a dual-purpose feed used both for grain and forage. Almost all farmers have some hegari, especially those who have milk cows. There is a new combine variety of hegari, but there has been no report of any growing here.

Some farmers have redtop cane, possibly a few Japanese seeded ribbon cane for bundle feed or ensilage.

The grain sorghum harvest has only begun here. There are many ages of the feed, since planting dates varied throughout the area.

BIG SPRING MAN TO SPEAK AT AG COUNCIL

Dr. Earl Burnett, superintendent of the U. S. Field Station at Big Spring, will be speaker at the Tuesday breakfast here of the Agriculture Workers Council of Scurry, Nolan, Fisher, and Mitchell Counties.

The meeting will be at 6:45 a.m. Tuesday at the Hilander.

Max Carriker of Roby heads the council.

(*)—NONE (**)—TRACE

Rain Still Leads All Years Since '41

Throughout 1957, the year has been compared to 1941 in rainfall.

Although there has not been as much rainfall this year as there was in 1941 (the year's total that year was 44.02 inches) it is similar in many ways.

And through August, 1957 has had more rainfall in Snyder than has any other year since 1941.

In fact, there has been more rain in the eight months so far this year than there was for the whole 12 months of any of the drought years, from 1951 through 1956.

By the end of August, the total rainfall for the year here stood at 20.27 inches, compared to a meager 8.44 by the same time last year, and 12.67 in 1955, 8.29 in 1954, and other similar figures throughout the drought. Even in 1950, before the drought got underway, there was only 16.99 inches of rain by this time of year.

The year 1941 by the end of August had 30.72 inches. Average for the eight months here is 14.09.

August had only .82 of an inch of rain, but even that small amount was the most for that month since 1953. Average for August is 1.88.

Cotton Damage Heavy

HARLINGEN, Tex. (AP)—The Department of Agriculture says pink boll worm and flea hopper losses in cotton yield and grade this year were relatively heavy in the Rio Grande Valley. B. C. Stephenson of the plant pest division said a lack of fall rains last year slowed decay of the shredded cotton stalks. He said a warm winter also helped raise the infestation.

Program Rejected

PHARR, Tex. (AP)—Lower Rio Grande Valley farmers have turned down a proposed cotton escrow program by a vote if more than two to one. The Department of Agriculture said 387 voted against the program and 192 for.

Buying Uganda Cotton

KAMPALA, Uganda, Sept. 7 (AP)—Red China is buying $2,800,000 worth of Uganda cotton. It is the first deal made between the Peiping regime and this British-ruled East African domain.

General Rains Still Needed

COLLEGE STATION, Sept. 7 (AP)—Farm conditions have improved some with scattered showers but the entire state needs a good general rain, the Agricultural Extension Service said today.

"The harvest has been delayed in some sections, but the moisture means additional growth of grass before frost, and land preparation and seeding of fall and winter crops is being revived," Director John Hutchinson said on reports from district agents.

Cotton, corn and sorghum harvests are at peaks. Pickers are starting work in the irrigated sections of West Texas. The chance of an early frost appears the only obstacle to a bumper harvest in the High Plains where crops are three to four weeks late.

Vegetable production ranges from near complete inios and potatoes and the beginning of carrots in the Panhandle.

Some peanuts are being dug, but the crop generally needs rain. Range conditions vary from good in northeast Texas to fair or extremely dry in other parts. Cattle generally are in favor to good condition.

Showers in the Panhandle have aided materially in maturing sorghums, reviving pastures and in the preparation of seedbeds for wheat, but additional moisture is needed. Much wheat is seeded and a good deal up with submoisture which should insure early fall grazing. Sorghum prospects, especially in hybrids, are good. Citton is fruiting nicely. Livestock is in good condition.

In the South Plains cotton and sorghum prospects are the best in years.

Showers in the Gulf Coast area delayed the cotton, sorghum and corn harvest. Late crops and pastures could use a general rain. The rice harvest is increasing.

Ranchers in the Edwards Plateau say if they can get rain early in September, their livestock will go into winter with much better grazing. V. G. Young said at San Angelo. Some rain has fallen and is helping grass which has made a good recovery from the drought. A good rain would help all the area. Cotton farmers are fighting leafworms, but crop prospects are good. The sorghum harvest has produced low yields. The highest were in Nolan and Taylor counties, 800 to 1200 pounds per acre.

Goat shearing is about complete in West Texas. Irrigated crops are very promising as pickers begin the harvest. Spotted showers still haven't provided moisture needed for ranges, but livestock is in good condition.

Moisture is seriously needed for planting and ranges in South Texas. Irrigated vegetables are being planted in the Winter Garden and Valley, but the plantings are light in the Valley due to irrigation water shortage.

Silos and hay lofts in northeast and deep East Texas are filled.

Sweet potatoes, cotton, and peanuts and late feed need moisture in some sections, though scattered rains brought some relief.

Little difference was made by showers to ranges and late crops in South Central Texas. Cattle are showing some shrinkage, and rain must fall before early plantings of oats and barley are made for winter grazing and grain. Peanuts, pecans and native grasses are in extreme need of moisture. The cotton harvest is on the decline.

Central Texas has had some relief, but it's still dry. Cotton is showing ill effects and pastures are dry and weedy, but livestock is holding up. The sorghum harvest is about complete, corn is making fair yields and the cotton harvest is on.

North Texas seedbeds are being prepared for small grain sowing where soil has enough moisture. Many areas are too dry to plow. Cotton is beginning to open, and insect damage is minor. Livestock is in fair condition.

At Vernon, James Simmons said the Rolling Plains needs rain badly for cotton, late sorghum and pastures. Some dryland cotton is shedding. Irrigated cotton prospects are good, but there is some insect damage. The harvest of early sorghum is on.

Texans To Purchase Interest In Banks

CHICAGO, Sept. 7 (AP)—Agreement by Texas financiers to purchase large interests in two South Side Chicago banks was disclosed today by Frank Rathje, 75, banking veteran.

Under one contract, Murmanill Corp. of Dallas, headed by Clint Murchison and Gerald Mann, will acquire stock in the Chicago City and Trust Co. of which Rathje is president.

Rathje's interest in the Mutual National Bank of Chicago, of which he is chairman, will go to Jacques Mossler of Houston.

Chicago City has resources of 114 million dollars. Mutual National's resources total 70 millions.

Farm Program Is Needing Revision

HURON, S. D., Sept. 7 (AP)—Secretary of Agriculture Benson said today agriculture has turned the corner toward prosperity. He said revised federal farm programs are needed to help improve the situation.

Benson said farm income and prices are rising, that farm assets have climbed to a new record, pluses have been cut considerably and that farm exports are at an all-time high.

He said in a speech "We are now ready for a next step in "the continuing debate on farm policy."

"We should move away from the fixed formulas in the old price support law which, as they now stand, require price support levels to be raised as soon as surpluses are moved," Benson said. "If these formulas are not modified, the stage is set for surplus number two as sno as we dispose of surplus number one."

Farmers Still Have Insect Problems

Cotton farmers in this area were still having troubles with at least three kinds of insects late last week.

Just what the effect of the weekend rains would be on the cotton insect problem was not known, but the picture was expected to change some.

The cabbage looper was still the "villain" of the insects. Many farmers have been using parathon in an attempt to poison the cabbage looper but not getting enough kill. Boll and leaf worms were being kept in check.

Endrin is the only thing specifically recommended for killing the cabbage looper, and it is expensive, costing about $2.25 per acre for materials, compared to less than $1 for parathon. Endrin is also very dangerous for human beings if not handled in the right way.

Also, endrin will not kill the boll worms and leaf worms, and poison for those worms will not kill the cabbage looper. No one has yet worked out a combination chemical which will get all of the cotton insects, according to Oscar Fowler, county agricultural agent.

Many farmers here have poisoned five times or more for insects, spending possibly $1.50 each time on materials alone. There are others, of course, who have poisoned only once or twice, and there are reports of a few who have not poisoned for insects even once.

At least two-thirds of the country had insect problems through last week. Two or three weeks ago, Fowler said, it appeared that the wilt disease, which kills the cabbage looper, was showing up in some fields. Since that time, however, the cabbage looper population has increased, so there was either no wilt disease or, there was a new hatch of the worms.

Ida Pearl Fine Dies

Services were tentatively set for 3 p.m. today at Winters for Mrs. Ida Pearl Fine, 70, mother of B. J. Fine of Snyder.

Mrs. Fine died Friday night in Winters Municipal Hospital after a long illness. She was born March 28, 1887, in Bandera County. She was married to B. F. Fine in 1912, and they moved to Winters in 1934. Mr. Fine died 10 years ago. She was a member of the Baptist church.

Services are to be held at Spill Memorial Chapel in Winters, and burial is to be in Northview Cemetery.

Survivors include four daughters, Mrs. E. R. Henson of Wingate, Mrs. T. W. Cobb of Falfurrias, Mrs. C. E. Bird, England, and Mrs. Mary Taylor of San Angelo; two sons, Jimmy Lee Fine of Winters and B. J. Fine of Snyder; four sisters, Mrs. Ada Mosley fo Memphis, Tenn., Mrs. Alice Smith of San Antonio, Mrs. Ruby Neely of Kingsville, and Mrs. Mary Williams of Van Nuys, Cal.; and two brothers, Lee Walker of Medina and Charles Walker of California.

Sergeant To Be Tried On Theft Of Airplane

DAYTON, Ohio, Sept. 7 (AP)—Sgt. Milton Martin was ordered returned to Enid, Okla., yesterday to stand trial on charges of stealing an airplane Aug. 4.

He was arrested by the FBI agents in Springfield where he landed the craft. Martin was stationed at Bergstrom AFB in Austin, Tex., where he allegedly stole the plane. He had escaped from a stockade at the base where he was being held on a 25-year rape sentence.

Young Heads State Extension Service

COLLEGE STATION, Sept. 7 (AP)—Vernon Young was named state agent of the Texas Agricultural Extension Service today.

He will take over Sept. 16, succeeding the late W.I. Glass. Young had been district agent since 1947.

He will supervise district agents and work with state program leaders in carrying out an integrated program for agriculture and home economics.

From 1934 to 1936 Young successively was an assistant in cotton adjustment in Borden and Scurry counties and in Dawson and El Paso counties.

He was appointed county agricultural agent for Glasscock County in 1937 and in April 1940 was transferred to the same position in Midland County. In 1941 he was granted military leave and in 1946 returned to his former position at Midland. Later he was stationed in San Angelo.

Born 16 Miles Apart

WINCHESTER, England, Sept. 7 (AP)—Mrs. Arthur Prosser's new twin daughters were born three hours and sixteen miles apart. The first arrived at Andover Hospital. Fearing complications, the doctor had Mrs. Prosser moved to a larger hospital here at Winchester where the second was born.

The island of Tahiti in the south Pacific is composed of two extinct volcanoes.

41 Applications

AUSTIN, Sept. 7 (AP)—The State Board of Health will consider 41 applications Monday from cities and non-profit groups seeking federal aid to build and operate hospitals. Texas' share of the federal aid for hospitals during 1958 is $6,160,263.

THE SNYDER DAILY NEWS

YOU DRAW DIVIDENDS

from every business enterprise in the community where you live

If some good neighbor with a popcorn stand was giving you part of his profits every day...

. . . you would probably give him ALL of your popcorn business . . . you might even try to influence other neighbors to take up popcorn . . . and to buy it at home.

Actually, you DO share in the profits of EVERY business in your home community, because a BIG PART of the gross margin on every local business transaction goes toward the support of things that benefit YOU and everyone else who lives here.

Such as schools, churches, roads and streets, fire and police protection, jobs for more people so that we can keep among us MORE good teachers and preachers and doctors and other skilled folks. And so we can have more stores that are better stocked for our convenience and for our EMERGENCY needs.

Because we don't get these benefits in cash, we sometimes forget that ALL home business is really OUR BUSINESS. And some of us even forget . . . and trade somewhere else . . . when OUR OWN PAYCHECK depends on keeping this community prosperous.

It Pays to Buy where You Live

OFF TO COLLEGE—Mr. and Mrs. Billy R. Greene are shown beside their trailer house as they took off Friday for San Marcos, Tex., where both will be freshmen in Southwestern State Teacher's College. The newly married couple plan to go to school there for two years, then move in their mobile home to Lubbock and attend Texas Tech. He is the son of Mr. and Mrs. Jake Greene, and she is the daughter of Mr. and Mrs. Glenn Halloway. (Lee Watson photograph)

AT ELEMENTARY SCHOOLS

Music Aptitude Tests Planned

Music aptitude tests are to be given in the elementary schools to all sixth grade students beginning Monday, according to Phil Cherry, director of the elementary instrumental music program here.

Cherry said the aptitude tests having nothing to do with whether a child can take band classes in the elementary schools. He does that by his own choice. These tests just help school officials determine the aptitudes of children in music.

For sixth grade students who desire to take band instruction, classes will begin Sept. 23, Cherry said, adding that the times for classes will be worked out according to the schedules of various elementary schools. There will be three sessions weekly at each elementary school, with each session lasting about 45 minutes.

Cherry, in the instrumental music program, teaches the five basic instruments — flute, clarinet, alto saxaphone, cornet, and trombone. From these, students who intend to play other instruments can branch out later in school.

Children furnish their own instruments for the program. That, however, is all the student furnishes. Instruction, books, music stands, and other needed equipment are furnished.

Once or more annually, elementary band students perform for the public. Cherry has a mass elementary band concert annually. Some of the elementary school Parent-Teacher Association groups hear band students of their schools perform occasionally.

CRMWD Has Big Month

BIG SPRING — The Colorado River Municipal Water District has experienced another billion gallon month.

Total delivery of water to customers amounted to 1,071,877,000 gallons, according to O. H. Ivie, production superintendent. This was only slightly under the previous month.

Odessa again led the field with a demand for 450,950,000 million gallons, about 25 million less than the previous month. Big Spring, with 256,772,000 similarly was off about 25 million. Snyder requred 75,955,000 gallons. Other deliveries included SACROC repressuring 201 760,000, Sharon Ridger repressuring 42,600,000, Lion (Monsanto) represurring 39,437,000, and Texas Gulf Producing 4,402,000.

Demand for September is continuing high, but Ivie said the normal pattern was for a decline in production as the autumn season sets in.

BIRTHS

Mr. and Mrs. D. E. Ritchie, 2312 Fortieth Street, are parents of a son, Richard Cory, born Monday at 1:45 p.m. in Root Memorial Hospital at Colorado City.

Will Join Union

AMARILLO, Sept. 7 (AP)—American Smelting & Refining Co. workers voted 196-147 yesterday to affiliate with the United Steelworkers of America. The refinery has been a non-union shop throughout its 24 years.

Borden Gets Park Land

Borden County may soon develop a public park on the north shore of Lake J. B. Thomas.

The Colorado River Municipal Water District has deeded seven lots to Borden County for park purposes, said E. V. pence, general manager.

Location of the tract (lots No. 129 through 135) is immediately west of a tank battery midway on the north shore and approximately half a mile west of the northern neck of the lake which leads to the Bull Creek diversion.

Borden County has indicated plans for improving the area for public recreational purposes, including picnicking, boating, fishing, etc.

LEGAL NOTICE

NOTICE

TO THE REAL AND TRUE OWNERS OF PROPERTY ABUTTING UPON THE HEREINAFTER DESCRIBED AND DEFINED PORTIONS OR STREETS, AVENUES AND ALLEY IN THE CITY OF SNYDER, TEXAS, AND TO ALL OWNING OR CLAIMING ANY SUCH ABUTTING PROPERTY OR ANY INTEREST THEREIN, AND TO ALL INTERESTED IN ANY OF THE PROCEEDINGS, CONTRACT OR OTHER MATTERS HEREINAFTER MENTIONED.

* * *

Notice is hereby given to the real and true owners of property abutting upon the following named streets, avenues and alley within the limits hereinafter defined, in the City of Snyder, Texas, and to all persons owning or claiming any interest therein, and to all railroads and all others claiming, or interested in, any of said property, or in any of the proceedings, contracts and matters herein mentioned, that:

The City of Snyder, Texas, acting by its City Council, has determined the necessity for, and has ordered, the permanent improvement of portions of various streets, avenues and an alley in such City named and described in the City Engineer's Schedule of Cost Estimates hereinafter contained, by raising, grading, filling, widening, permanently paving or repaving same by the construction, reconstruction, repairing or realigning concrete curbs and gutters in the manner and where the City Engineer determines that adequate crubs and gutters are not now installed on proper grade and line, and by construction of such drains and incidentals and appurtenances as deemed necessary by said Engineer; said improvements to be of such type, construction, materials and thickenss as is deemed adequate and proper by said City Engineer, all of such improvemtnst to be constructed according to such specifications and standards as the City Engineer deems adequate and suitable, and to be constructed in the manner and as provided for in Plans and Specifications and the Contract Agreements, covering the construction of said improvements, now on file in the office of the City Secretary.

That the said City Council, by said proceedings, further has determined the necessity of levying assessments for a portion of the costs of construction of said improvements against the properties abutting upon said streets, avenues and alley within the limits hereafter defined in the City Engineer's Schedule of Cost Estimates, and against the real and true owners thereof, and has adopted the proposed apportionment of costs therein set out between said City and said abutting properties and their owners; that the portion of said costs proposed to be so assessed will be in accordance with the Front Foot Rule or Plan; that such City Engineer's Schedule of Cost Estimates, containing descriptions of the respective Improvement Units, their designation numbers, such apportionment of costs, and other matters, is as follows, to wit:

Unit No. 61—40th Street from E.P.L. Hwy. 350 to 25 feet West of W.P.L. 39th St., Width back to back 24 feet (Curb N. Side Only): Rate per front foot for C & G $1.45. Rate per front foot for pavement $1.67700: Total Property Owner Cost $1.500.96. Cost to be Paid by City: To Contractor $1.274.26. To Engineer $166.51. Total Unit Cost $2.941.73.

Unit No. 71—18th Street from E.P.L. Ave. S to W.P.L. Ave. R. Width back to back 37 feet: Rate per front foot for C & G $1.45. Rate per front foot for pavement $2.03033: Total Property Owner Cost $2.088.20. Cost to be Paid by City: To Contractor $525.03. To Engineer $156.79. Total Unit Cost $2.770.02.

Unit No. 72—19th Street from E.P.L. Ave. S to W.P.L. Ave. R. Width back to back 37 feet: Rate per front foot for C & G $1.45. Rate per front foot for pavement $2.03033: Total Property Owner Cost $2.088.20. Cost to be Paid by City: To Contractor $431.80. To Engineer $151.20. Total Unit Cost $2.671.20.

Rate per front foot for pavement $2.03033: Total Property Owner Cost $4.176.40. Cost to be Paid by City: To Contractor $1.686.76. To Engineer $351.79. Total Unit Cost $6.214.95.

Unit No. 83—36th Street from W.P.L. Ave. B to W.P.L. Ave. A. Width back to back 37 feet: Rate per front foot for C & G $1.45. Rate per front foot for pavement $2.03033: Total Property Owner Cost $4.176.40. Cost to be Paid by City: To Contractor $1.534.48. To Engineer $342.65. Total Unit Cost $6.053.53.

Unit No. 84—Noble Drive from N.P.L. 40th St. to S.P.L. 39th St., Width back to back 31 feet: Rate per front foot for C & G $1.45. Rate per front foot for pavement $1.67700: Total Property Owner Cost $1.304.91. Cost to be Paid by City: To Contractor $571.54. To Engineer $112.59. Total Unit Cost $1.989.04.

Unit No. 85—Denison Ave. from N.P.L. 36th St. to S.P.L. 35th St., Width back to back 37 feet: Rate per front foot for C & G $1.45. Rate per front foot for pavement $2.03033: Total Property Owner Cost $2.088.20. Cost to be Paid by City: To Contractor $544.97. To Engineer $157.99. Total Unit Cost $2.791.16.

Unit No. 86—Denison Ave. from N.P.L. 37th St. to S.P.L. 36th St., Width back to back 37 feet: Rate per front foot for C & G $1.45. Rate per front foot for pavement $2.03033: Total Property Owner Cost $2.088.20. Cost to be Paid by City: To Contractor $593.75. To Engineer $160.92. Total Unit Cost $2.842.87.

Unit No. A-6—Alley between Ave. S & Ave. T. from N. curb line on 24th Street to N. curb line on 23rd Street., Width back to back 20 feet: Rate per front foot for pavement $4.27922: Total Property Owner Cost $2.567.53. Cost to be Paid by City: To Contractor $1.611.61. To Engineer $250.75. Total Unit Cost $4.429.89.

TOTAL COST: Total Property Owner Cost $46.074.70. Cost to be Paid by City: To Contractor $17.351.05. To Engineer $3.805.56. Total Unit Cost $67.231.51.

Each portion of said street avenues and alley as designated by unit number constitutes a separate and independent Unit of said improvements and shall be improved, and the improvements constructed therein, separately and independent from each and every other Improvement Unit, and assessments to be levied for said improvements in each Unit shall be altogether separate distinct and independent of and from the assessments to be levied in every other Improvement Unit; and, in making and levying assessments against property abutting upon one of said Units, no matter or circumstance in connection with any other of said Units shall be considered, or have any effect upon, the other, all as fully, and to the same extent, as if separate proceedings and contracts had been had and executed with reference to the improvements to be made in each of said Units."

A hearing will be given and held by and before the City Council of the City of Snyder, Texas, in the Council Chamber of the City Hall in the City of Snyder, Texas, on the 9th day of September, 1957, at 7:30 o'clock P.M., to the real and true owners, whether named, or correctly named in the assessment proceedings or not, of all property abutting upon said streets, avenues and alley within the limits to be improved, and to all lien holders or other persons owning or claiming any such abutting property, or any interest there in, and to all railways occupying any portion of said streets within any Improvement Unit as above defined, and to all others interested in any of the proceedings, contracts or matters and things herein mentioned, or incident or relating thereto or the contract for the construction of improvements herein referred to.

At said time and place, all such persons, firms, corporations, railways and estates, and their agents and attorneys, shall have the right to appear and to be heard and offer testimony as to the said assessments, and as to the amount thereof proposed to be assessed against abutting property and the real and true owner or owners thereof, and as to the lien and charge of personal liability to secure payment of said assessments, the special benefits to accrue to each such abutting property and the owner or owners thereof by virtue of said improvements, if any, or concerning any error, invalidity, irregularity or deficiency in any proceedings or contract in reference to said improvements, and said proposed assessments, and concerning any other matter or thing as to which a hearing is a constitutional prerequisite to the validity of said assessments, proceedings, and improvements and on which the owner or owners are entitled to a hearing under the Constitution and laws of the State of Texas and the proceedings of said City Council.

Following such hearing, assessments will be levied against each and every parcel of property abutting upon said streets, avenues and alley, within the limits above defined, and the real and true owners thereof, for that portion of the cost of said improvements determined by said City Council to be assessed against such abutting properties, and the real and true owners thereof, and against railways occupying any portion of said units, and said assessments shall be and constitute first and prior liens upon said abutting properties, from the date said improvements were ordered by said City Council and a personal liability and charge against the real and true owners thereof, as of said date, whether such property be described or correctly described, or such real and true owners be named, or correctly named, in such proceedings, or not, and no error or mistake or discrepancy in the names of such owner or owners, or in describing said property in any of said proceedings with reference to said improvements, shall invalidate any assessment or certificate issued in evidence thereof; but, nevertheless, each parcel of property abutting upon said streets, avenues and alley, and the real and true owner or owners thereof, and each railroad, shall be charged with, and be liable for, said assessment, which shall be valid whether or not such owner or owners be named or correctly named, or such property be described or correctly described, all as provided for under Article 1105-b of the Revised Civil Statutes of Texas, as amended, heretofore adopted by said City Council as the Law under which said improvements, proceedings and assessments are being constructed, performed and levied.

Of all said matters and things, all owning or claiming any such abutting property or any interest therein, as well as all others in any wise interested or affected by the things and matters herein mentioned, will take notice.

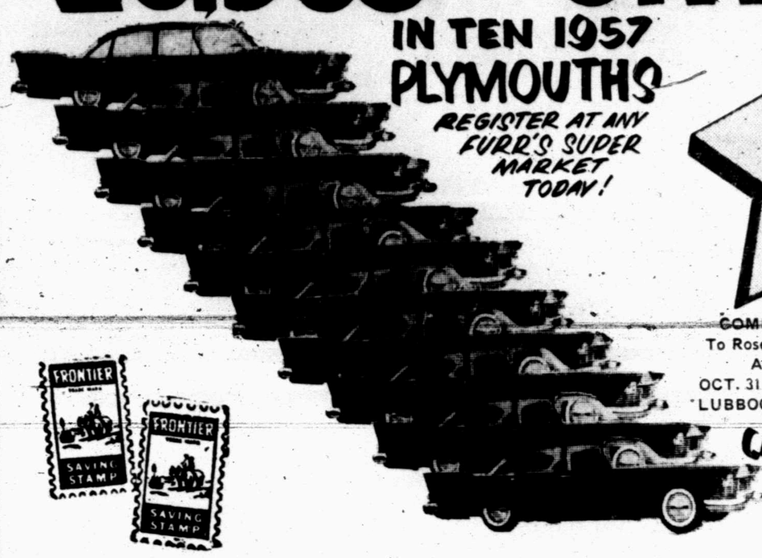

DONE by order of the City Council of the City of Snyder, Texas, this the 5th day of August, 1957.

(s) K. O. Pitner
City Secretary
City of Snyder, Texas

BUCKIN' THE LINE

By BUCK FRANCIS
News Sports Editor

THE "ZERO HOUR" IS drawing near for the Tigers season opener and while there may be a flock of fans planning to follow the team to Borger Friday, most of 'em, apparently, are going to make the trip by methods other than by rail.

At this writing only about a dozen fans had bought tickets for the special train to Borger.

We realize that it's only human nature for one to put off 'til the last minute to buy tickets for various things such as this, especially when they know they can get one at the last minute.

But this isn't helping the "blood pressure" of the Quarterback Club members who are sponsoring the train. If the club goes through with the special whether they get the required 325 or not, it stands to lose a "peck of dough" if the number falls far short of the goal.

And if the advance sale up to now can be used as a criterion, the boat will be far from reached.

If the goal falls just a few short, then the QB Club could make up the difference without too much trouble. But the QB Club can't stand too much of this "making up the difference."

Probably one of the reasons for the slow advance ticket sale pace is that the "grid fever" hasn't really hit. As this week wears on, though, the "fever" probably will begin setting in and maybe the special train will fill up quicker than you can "skin a cat."

Borger Tough Outfit

You can see by the story out of Borger elsewhere in this section that the Bulldogs are sure to be "fired up" for Friday's game. The Bulldogs will be going all out to atone for the drubbin the Tigers handed them here last season.

So, the Tigers are going to need a lot of encouragement Friday and a big turn-out of fans here for the game will certainly help. If you are left to decide which of the first two games to attend, Borger, in paper, appears to be the biggest test for the Tigers than Dumas, whom the Tigers meet up in the Panhandle the following week.

Consequently, the Tigers are going to need more encouragement from you fans this week so why not make plans now to be in Bulldog Stadium next Friday night.

Tech Low On Vets

Bill Holmes, the Texas Tech "tub-thumper," is singing the blues these days about the Red Raiders.

Holmes says there is no denying that the Red Raiders will give away gobs of experience in each contest this fall.

"Take for example," Holmes says, "how Tech's number of returning starters—three—stacks up against the Raiders' opponents."

"Nine starters each are boasted by two schools, Oklahoma State and Tulsa. Hardin-Simmons has eight; Texas Western, seven; Texas A&M and Arizona, six; Baylor, Arkansas and West Texas, dotted Louisiana State, four.

"In returning lettermen," Holmes continues, "it's no better Tech, by adding in a letterman from 1954, halfback Mack Pogue, back frm the Army, now has 10 returning lettermen."

"By contrast, Oklahoma State sports 28; Baylor, 23; Hardin-Simmons and West Texas, 22; Texas A&M and Arkansas, 19; Louisana State and Tulsa, 17; Texas Western, 16; and Arizona, 15.

The picture doesn't look too rosy at Raiderland, all right, but we look for the "Old Grey Fox," coach Dewitt Weaver, mould the Techsans into a representative ball club.

Tigers Win 7 TD's To 1

LUBBOCK, Sept. 7—The Tiger footballers romped to seven touchdowns while holding the Tom S. Lubbock Westerners to one in a pre-season scrimmage session at Chapman Field here Saturday night.

The Tigers scored three times in the first half and four times in the second. Lubbock's only score came in the second half.

Tiger coach John Conley remarked after the scrimmage:

"We looked better than we thought we would. We were pretty well pleased with the boys' performance."

Sophomore Dick Hayes scored three touchdowns for the Tigers while Bud Morgan scored twice and Dwaine Merritt and Johnny Drake tallied once each.

Richard Mahan tossed two touchdown passes while Morgan and Dick Martin each completed two TD passes.

The first Tiger score came on a 12-yard pass from Morgan to Merritt.

Hayes followed up with a 38-yard TD scamper and he then caught a 15-yard toss from Mahan for touchdown No. 3, giving the Tigers an 18-0 halftime lead.

In the second half, Mahan hit Hayes with another scoring pass, this time covering 40 yards.

Morgan then went 32 yards for the fifth Tiger touchdown.

The Tigers then executed the game's longest scoring play when Martin hit Morgan for a 46-yard payoff aerial.

The final Tiger touchdown came on a seven yard run by Drake.

The Westerners scored on a short run in the second half and were on the Tiger five when the game ended.

Each team retained possession of the ball for two 15-minute sessions. No extra points were attempted.

Conley, in praising the defensive play of the Tigers, singled out Bill Jennings, Ronnie Giles, Bill Crowell, Bill Phillips and John Ward.

Borger 11 Rated High In 3-AAAA

By TOBY DRUIN
SPORTS EDITOR
BORGER NEWS-HEROLD

Borger, Sept. 7—Billed as one of the surprise teams of District 3-AAAA after finishing second in 1956, coach Billy Willard's Borger Bulldogs are shooting for the top this season despite a lack of returning veterans. First victim in the Borger plan of action is slated to be the Snyder Tigers in the season opener Sept. 13, at Borger.

The Bulldogs still smarting when recalling the 21-0 pasting the Tigers gave them last year and are anxious to settle the score.

Only seven lettermen are still around for the coming campaign, including three starters, from a team that had a so-so, 6-4, record. Five of those six wins, however, came in the last six games with the sole loss being to powerhouse Amarillo.

The three regulars are Bob West, 185-pound tackle; Mickey Miller, 160, at end and Gene Sewell, 154-pound halfback candidate. Lettermen include tackle Harold Smith, center Bill O'Dell, halfback Bennie Hill and fullback Donnie Lake.

Despite the aforementioned lack of seasoned hands at the other positions and depth, Coach Willard is optimistic about his teams' chances. "We will have a young ball club with few returning lettermen. However, if some of our young boys develop we could have a much better ball club than last year."

He says further, "We will have fair team speed, large interior lineman, small ends and small backs."

The Bulldogs' main problem will be in filling the shoes of quarterback Bob Page and center-linebacker Earl Ernest. Page, with his fine ball handling and passing and Ernest with superb linebacking were the bellwethers of the 1956 Borger eleven and if suitable replacements can be found for them Borger's stock would be raised greatly.

LONE RETURNING REGULAR—When guard Roger Hensley moved away during the summer it left tackle Billy Phillips, above, the only returning regular in the Tiger football ranks. Phillips is due to man a starting post Friday night when the Tigers open their 1957 season at Borger. (Lee Watson photograph)

Longhorn 11 Eyes Climb Back To Top

AUSTIN, ept. 7 (AP)—Twenty years ago the University of Texas started a football restoration program that was to project the Orange and White into the spotlight as one of the nation's winningest teams over the 15 middle seasons.

Once again Texas is preparing to hit the road back and the man summoned to lead it from its lowest level in history is Darrell Royal, one of the country's fastest rising young coaches. In his own words, however, he reminds: "One does not take over a squad that has lost 9 of its 10 games, and inherit a warm bed."

No overnight rehabilitation is expected despite the return of 22 lettermen and a better than average sophomore crop. Changes appear fair of improving on the poorest record in the school's history.

Recovery programs in the Southwest Conference have been on accelerated schedules in recent years, but it has been taking two years, not just one, to achieve full restoration. Arkansas, TCU and A&M, the last three to reign supreme in this league, moved from the cellar to the championship in two seasons.

Last year's Texas team was the most inexperienced ever fielded, with only one 2-year letterman among the 14 lettermen. A dozen of the returning award winners this season have two letters.

Still have of the playing squad—the top 30 to 35 men—will be youngsters who never have played a down of varsity ball. This means Texas will not have experienced depth to compare with its rivals.

Next to inexperience, inadequate defense was Texas' chief shortcoming last fall. The Longhorns yielded an unprecedented number of long gainers and touchdowns last year. Improvement was noted in spring training.

Defense will be the first requisite when starters are named, which points to better linebacking and end play. At tackle, this year's crew numbers eight lettermen in contrast to only two last year.

There will be marked change in Texas' attack, with emphasis on the ground instead of passing. The key man in Royal's split-T attack will be senior Walter Fondren, the highly talented and versatile back who returns to the man-under position.

The coach decries the scarcity of running backs, along with the lack of experience among backs. None across the T have played a full season as a regular.

The guess is that senior Mickey Smith, light but eager, and sophomore Max Alvis will be the starting halfbacks, with senior Jimmy Welch a bit ahead of Mike Dowdle, 210-pound sophomore fullback.

Sophomores, long vital in Texas' success and in its only previous restoration program, appear to have moved ahead at three pisitions in the line. Newcomers currently listed as first-stringers include ends Maurice Doke and Richard Shulte and guard James Shillingburg.

Two-year lettermen hold the other spots: Co-Captain Louis Del Homme at center, Don Wilson at left guard, J. T. Seaholm and Garland Kennon at left tackle.

19TH WIN FOR SPAHN

Spahn, Braves Beat Cubs, 7-2

MILWAUKEE, Sept. 7 (AP)—Milwaukee's stopper, Warren Spahn, pitched a five-hitter and was backed by the home runs of Wes Covington and Andy Pafko as the National League leading Braves snapped a three-game losing streak with a 7-2 victory over the Chicago Cubs tonight.

The Braves remained 6½ games in front of the second place St. Louis Cardinals and seven ahead of the Brooklyn Dodgers who are third. Both the Cards and Dodgers won today.

The home runs by Covington and Pafko delivered five of the Milwaukee runs.

It was the 19th triumph for Spahn, 36, who tops the league in victories. The peerless lefthander has won 10 straight. He has eight losses.

TIGER-BORGER TICKETS GO ON SALE WEDNESDAY

Tickets to the Tiger-Borger game will go on sale here Wednesday, Art Nicholas, school business manager, has announced.

Adult tickets may be purchased at the Chamber of Commerce Office while the student tickets will be on sale at the assistant principal's office at the high school.

Borger is sending 400 adult tickets, which are reserved seats, and 250 students. The adult tickets are $1.50 and student tickets 50 cents.

Special train tickets are also available at the Chamber of Commerce and assistant principal's office.

Borger officials have informed local officials that arrangements have been made to pick up the fans at the train and take them to the stadium.

The train tickets are $7.25 for adults and $3.65 for students.

Needles, 1956 Kentucky Derby winner first gained acclaim by winning the 1955 Sapling Stakes at Monmouth Park as a 2-year-old.

Scott, Dr. Kidd In 'Showdown'

Leader Don Scott and his nearest pursuer, Dr. R. J. Kidd, hook up in the seventh and final round of the "Round Robin" golf tournament at the Country Club next week.

Scott, however, has just about clinched the title. He goes into the final round with 27 points to Dr. Kidd's 13. Dr. Kidd would need to win by seven holes to tie and eight to win.

Play in all flights will end a week from today. Following are the 6th round matches that have been played:

6TH ROUND RESULTS
CHAMPIONSHIP FLIGHT
Don Scott beat Manning Davis, 4-up.
Shelby Coker beat Dr. R. J. Kidd, 2-up.
John Pickering beat Max Millam, 2-up.
FIRST FLIGHT
C. V. McClatchey beat Howard Crenshaw, 1-up.
Hollis Jones beat Earl Fish, 2-up.
SECOND FLIGHT
Harold Van Hook beat Ross Carroll, 1-up.
Harold Lacik and Doc Weaver, even.
Jeston Corbell beat Ed Free, 2-up.
THIRD FLIGHT
Buck Francis beat Vic Baze, 6-up.
James Rosser beat Rex Miller, 8-up.
FOURTH FLIGHT
Roy Priolo beat Ray Devers, 3-up.
Herman Corbell beat Wendell Shiflett, 2-up.
FIFTH FLIGHT
Dr. D. K. Ratliff beat Lee Gatewood, 1-up.
Howard Jones beat Dan Cotton, 4-up.
E. A. Brooks beat Holmon Odom, 6-up.
Father Chrisman beat R. V. Corbell, 2-up.
SIXTH FLIGHT
Leon Autrey beat Bill Eiland, 3-up.
Weldon Kincaid beat Earl Perser, 1-up.
Bill King beat Dr. W. N. Jones, 6-up.

Ira Drops Opener, 43-18

JAYTON, Sept. 7 — Tom Echols of the Ira Bulldogs returned the opening kickoff back 75 yards for a touchdown here Friday night but the Jayton Jaybirds battled back to hand the Bulldogs a 43-18 lacing.

It was the season opener for both teams.

Echols scored again in the first quarter on a 25-yard scamper with Don Plumlee going 25 yards for the other Ira touchdown.

Gene Murrell and Red Murdoch led the Jaybird attack with three touchdowns apiece. Bob Duboise scored the other Jayton TD.

Murrell scored on runs of 53, 65 and 8 yards while Murdoch went 15, 20 and 48 yards. Duboise scooted 37 yards for his counter.

Ira hosts Gail next Friday night in its home debut.

Proposal Rejected

FOREST HILLS, N.Y., Sept. 7 (AP)—The executive committee of the U. S. Lawn Tennis Assn. today rejected the proposal of an open tennis championship permitting pros to play against amateurs.

Pirates Trip Phillies, 6-3

PITTSBURGH, Sept. 7 (AP)—The Pittsburgh Pirates combed Philadelphia pitchers Jack Sanford and Tom Qualters for six runs in the first seven innings today to whip the Phillies 6-3 and chalk up their fourth consecutive victory.

Bonus pitcher Art Swanson (3-2) received credit for the victory although he needed help in the seventh inning when the Phillies threatened.

Three More Mustangs Turn In Uniforms

DALLAS (AP)—Three more SMU football players have left the squad.

Turning in uniforms yesterday were: Hal Bittenbender, No. 4 fullback; Bill McNeill, No. 4 right halfback, and Bob Kokosinski, No. 5 left guard.

Coach Bill Meek said McNeill left for his home in Beaumont before he had a chance to talk with him. Meek said he hoped McNeill would return to the team.

Dodgers Edge Past Giants

NEW YORK, Sept. 7 (AP) — Pee Wee Reese's run scoring single in the seventh inning and Roger Craig's tight relief pitching brought the Brooklyn Dodgers a 5-4 victory over the New York Giants today.

All eight of the other runs were driven in by homers. Duke Snider hit a three-run blast in the sixth and Carl Furillo swatted a solo in the fifth for Brooklyn. New York's Valmy Thomas hit a four-bagger good for three runs in the second and Willie Mays whacked one with the bases empty in the ninth.

College Linemen Will Not Be Forgotten This Fall

By BOB HOOBING
The Associated Press

The tackle who blocks for touchdowns and halts a goal line charge will not be football's forgotten man in the college season ahead. All-America Alex Karras is one of a horde of agile giants waiting impatiently to grab a share of the 1957 gridiron plaudits.

Karras, 235-pound key figure in Iowa's Big Ten championship and Rose Bowl victory, will receive great pressure in the race for individual honors from men like Kentucky's Lou Michaels, Texas A&M's Charley Krueger, Washington's Dick Day and Ron McCusker of Pitt.

Not only are speedy 240-pound tackles commonplace in college today but also their importance is further underscored by the trend back to the running game.

Michaels, pride of the blue grass, won a second team All-America berth in 1956, playing 56 minutes plus each game. He does the punting and placekicking, too. Bigger and rougher, Michaels is due for an even better season according to Coach Blanton Collier. He weighs 230.

Krueger (216) and Day (214) were third team A-A nominees last fall.

McCusker and Ron Kissel help give Pitt one of the heaviest lines in its history.

Frank Youso, 245, recalls the tackle types of Minnesota's national champions as the Gophers bid to regain those glory days. Elsewhere in the Big Ten, Jim Orwig of Michigan, Pat Burke of Michigan State and Wayne Farmer of Purdue are standouts.

Baylor, figured to have the best line in the Southwest, contributes a pair of headline candidates in Charley Bradshaw and Bobby Jack Oliver while Rice counts on greatness from Larry Whitmire.

Other tackles expected to attract attention include John Kompara, South Carolina; Leon Bennett, Boston College; Bob Salerno, Colorado; Monte Clark, USC; Emil Karas, Dayton; Gene Hickerson, Mississippi; Larry Amizich, Utah; Dave Jesmer, Oregon State, and Gil Roberts, Shaw, Brown.

Oklahoma's bid for its third successive national championship and extension of its 40-game victory streak hinges on Bill Krisher who is ticketed for greatness as a guard. He blocked All-America hopeful Clendon Thomas to the national scoring championship in '57.

Aurelius Thomas may make Ohio State fans forget All-America Jim Parker. Navy's Tony Stremic and Army's Stan Slater. Al Ecuyer of Notre Dame and Jim Healy of Holy Cross will make their respective coaches' jobs easier.

Bill Johnson of Tennessee, Roy Hord of Duke, Lloyd Day of Tulsa, and Chuck Howley of West Virginia are ready to spearhead their teammates in determined bid for conference championships.

Jerry Kramer of Idaho (three field goals in '56), Jim Jones of North Carolina, Noel Robinson of Stanford, Penn State's Joe Sabol, sophomore Rodney Breedlove of Maryland, Ed Brown of Arizona and Montana's Stan Renning also merit a look in the coming contest for stardom.

All-America center honors may be contested between Don Stephenson of Georgia Tech and Charley Brueckman of Pitt who met in the Gator Bowl last December. Their numerous competitors include Bob Reifsnyder of Navy, the sophomore sensation of '56 switched from tackle, Bob Harrison of Oklahoma, Ed Sullivan of Notre Dame, Maryland's Gene Alderton, Vester Newcomb of Miami and Army's Jim Kernan.

A summer accident has ruled Washington State's Bill Steiger, second best pass receiver in the nation last year, out of competition. That leaves the top end candidate list as follows:

Jim Phillips, Auburn; Dick Lasse, Syracuse; Tony Kolidziej, Michigan State; Jerry Nabors, Georgia Tech; Charles James, Missouri; Dick Wallen, UCLA; Ron Wheatcroft, California; Jim Wood, Oklahoma State; Bob Bryant, Texas; Don Stiller, Oklahoma; Jim Gibbons, Iowa; John Nikkel, TCU; Ron Schomburger, Florida State; Carroll Dale, Virginia Tech; Ron Hanson, Illinois; and Buddy Dial, Rice.

Following the linemen through the holes and supporting them on defense will be a cordong of exceptional backfield talent.

At fullback, Purdue's Mel Dillard—third team A-A last fall—will get all the battle he wants in his own conference from John Herrnstein who has been labeled Michigan's best bucking back since Bob Westfall (1941).

Tommy Bronson of Tennessee comes from out of the shadow of Graduated All-America tailback Johnny Majors for much-deserved recognition.

The South's other prime fullback candidates are Hammerin' Hal McElhaney of Duke and Virginia's Jim Bakhtiar, the Iranian bull who ranked fifth among the nation's ground gainers in '56.

Arkansas claims there will be none better anywhere than Gerald Nesbitt.

Halfback Thomas must shoulder the Kingpin load handled by departed A-A Tommy McDonald at Oklahoma. As a junior last year he topped all scorers with 108 points, was eighth in rushing with 817 yards and posted a startling 7.86 yards-per-try average to go with his 6.83 sophomore effort.

The unbeaten Texas Aggies of '56, now eligible for bowl competition, count on John Crow to carry them to another Southwest Conference crown on his sturdy legs.

If old injuries are completely healed, Michigan State's Walt Kiwalczyk and College of the Pacific's Dick Bass will be tops.

Don Clark of Ohio State, Phil King of Vanderbilt and John Varone of Miami are ready to challenge.

Bold and bright Bobby Cox, the transfer from Washington, is the split-T master in Minnesota's bid for acclaim. The quarterback race could narrow down to a test between Cox and Mississippi State's Billy Stacy.

As a sophomore, Stacy won SEC honors, was eighth nationally in total offense and led all comers in the art of returning punts. The Maroons figure that with a year of experience Stacy can't be stopped.

However, the quarterback picture isn't quite that simple. In the role of single wing blocking backs, John Sapoch of Princeton, Tennessee's Stockton Adkins and Colorado's Boyd Dowerler spell excellence.

Backs also meriting consideration are:

Walt Fondren, Texas; Bob Newman, Washington State; Dan Nolan, Lehigh; George Walker, Arkansas; Joe Kapp, California; Lee Grosscup, Utah; Bob McKeiver, Northwestern; Tom Lorino and Bobby Happ, Auburn; Joe Francis and Earnel Durden, Oregon State; Jim Shanley, Oregon; Ron Morris, Tulsa; Stan Flowers, Geogia Tech; King Dixon and Alex Hawkins, South Carolina; Charley Sidwell, William & Mary; Luther Carr, Washingtin; Rex Johnston, USC; Kirk Wilson, UCLA; Glenn Shaw, Kentucky; Claude King, Houston; Billy Cannon, LSU; Jerry Brown, Nebraska; Dick Dagampat, Navy; Larry Krutko, West Virginia; Buddy Dike, TCU; Lou Valli, Stanford; Dick Borstad, Minnesota.

Ford Halts Yank Skid With 4-1 Win Off Sens

WASHINGTON, Sept. 7 (AP) — Whitey Ford, pitching his first complete game in more than a month, today hurled the crippled New York Yankees to an eight-hit, 4-1 victory over the Washington Seantors.

The Yanks protected their league lead over Chicago without their three big hitters — Mickey Mantle, Yogi Berra and Bill Skowron. The mighty men were out because of injuries or, in Skowron's case, a faltering bat.

Manager Casey Stengel also juggled his line-up to insert Joe Collins at first and Bobby Richardson at second.

The shifting around paid off, as the Yanks socked three Washington pitchers for 11 hits and enabled Ford to coast along by going ahead with a two-run splurge in the second inning.

Roy Sievers, the American League's home run and RBI leader, saved Washington from a shutout by slamming his 36th homer over the left field fence in the ninth.

The victory was Ford's ninth of the year against four defeats. Suffering most of the season with a sore pitching shoulder, Ford had not started a game since Aug. 14 and had not gone the distance Aug. 4.

Pedro Ramos, now 11-14, yielded all the Yankee runs in his 5 2-3 innings of work and took the loss.

Dick Hyde followed Ramos and Washington introduced Ralph Lumento, its recent $35,000 bonus acquisition in the ninth. Lumenti, a tall 20-year old southpaw from the University of Massachusetts, allowed one hit in his one inning on the mound but struck out Harry Simpson.

Pierce Wins 19th As Chisox Triumph

CHICAGO, Sept. 7 (AP) — Little Luis Aparicio today hit the fourth and fifth homers of his major league career, driving across four runs, and Billy Pierce hurled his 19th victory as the Chicago White Sox defeated the Kansas City A's, 8-2. A six-run fourth turned the trick for the Sox.

The triumph kept Chicago's pennant hopes alive, although the first-place New York Yankees kept 4½ games ahead of the Sox with a 4-1 victory over the Washington Senators.

Aparicio led off the game for the Sox with an inside-the-park homer, but in the fourth belted an honest-to-goodness homer into the left field stands with two mates aboard. He also singled in the third.

Tribe Stops Tigers, 5-4

DETROIT, Sept. 7 (AP) — The Cleveland Indians belted Detroit righthander Frank Lary for four runs in the first two innings and had to fight off a pair of late Tiger rallies for a 5-4 triumph today.

Mike Garcia needed relief help from Don Mossi and Ray Narleski in the eighth inning but was credited with his fourth straight victory and his sixth in his last seven starts. He drove across two of his team's runs with a second-inning double.

A throwing error by third baseman Dick Williams put Garcia in a jam in the seventh inning and pinch hitter Dave Philley followed with a two-run double.

Fewer Applications Than Antelopes

AUSTIN, Sept. 7 (AP)—The Game Commission said today hunters who applied for antelope permits west of the Pecos will get a hunt this year without a drawing.

V. E. Skaggs said there were fewer applications than antelope when the filing closed Sept. 1.

Hunters seeking to shoot antelope in the Panhandle area will have to draw for permits later.

Cards Stay Alive With 7-4 Victory

ST. LOUIS, Sept. 7 (AP) — Lindy McDaniel hurled seven innings of two-run relief and Wally Moon, Del Ennis and Irv Noren drove in all the Cardinals runs as second-place St. Louis defeated Cincinnati today, 7-4.

McDaniel came on in the second inning with the bases loaded and one out. He allowed an RBI single to Frank Robinson but closed out the inning without further scoring.

Lindy relieved his brother, Von, also a $50,000 bonus beauty. It was Lindy's 13th victory in 21 decisions.

The Cards moved to within six games of first-place Milwaukee which played Chicago tonight.

Bosox Nip Orioles, 4-3

BOSTON, Sept. 7 (AP)—Streaking Pete Daley hit a tie-making home run and Frank Malzone followed with a two-run single today for Boston's 4-3 victory over Baltimore.

Connie Johnson, the Orioles' lean righthander, had a 2-0 lead on a two-hitter going into the bottom of the seventh inning when the Sox concentrated an offensive in one swift jolt.

American League-leading batsman Ted Williams again was missing from the Red Sox line-up due to a heavy cold.

Tickets On Sale

MERCEDES, Tex. (AP)—Tickets are on sale for the football game here Sept. 21 between Texas A&I and National University of Mexico.

JIMMY DIGS—Jimmy Roemisch, hard charging Hermleigh Cardinal halfback, No. 36, is shown ripping off a nine-yard gain in Friday night's season opener at Coahoma. Roemisch, the Cardinal's leading ground gainer for the night, left the game late in the third quarter with a leg injury. Other Hermleigh players shown are Arlon Groves, No. 46; Butch Nachlinger, No. 16; and Carllee Burleson, No. 13. Coahoma racked the Cardinals, 39-6. (Lee Watson photograph)

BY COAHOMA, 39-6

Cardinals Bowled Over In Opener

By BUCK FRANCIS
News Sports Editor

COAHOMA, Sept. 7 — The Coagreen Hermleigh Cardinals team, 39-6, here Friday night in the opening game of the 1957 season for both teams.

The Class B Cardinals eleven, which numbers only five seniors on a squad of 30, were no match for the Bulldogs who are odds on favorite to annex the District 6-A crown this season.

Except for a bad snap back from center on a fourth down punt formation play and a blocked kick, the Cardinals played the Dogs on virtually even terms the first half.

The two mishaps led to two Coahoma touchdowns that helped the Bulldogs to a 19-0 halftime lead.

The Bulldogs boosted their lead to 26-0 in the third period and then added their final two touchdowns in the fourth before the Cardinals scored their lone TD.

A partically blocked punt late in the game paved the way for Hermleigh's touchdown. Guard Arlon Groves scooped up the loose pighide on the Bulldog 30 and raced it 15 yards to the 15 yard marker.

A running play netted two yards but a 5-yard penalty halted the Cardinals momentarily. However, sophomore quarterback Donald McHaney, after shaking off several would be tacklers when he faded to pass, finally got off his heave and it was a perfect strike to end Virgil Davis in the end zone and Davis snaped in for an 18-yard touchdown play.

Don White, hard running Bulldog halfback, was a thorn in the Cardinals', side throughout the night. White dominated the Coahoma scoring, racking up five of the six Bulldog touchdowns.

One of White's touchdown scampers was a 55-yarder. White, in addition, added two extra points on end sweeps to account for 32 points. Lonnie Anderson scored the other Bulldog touchdown while fullback Harold Herrington, who did a fine job of lugging the ball, accounted for the final point.

Coahoma held a big advantage in yardage, running up 352 yards to 55 for the Cardinals. The Cards, however, held the advantage in passing, completing three of six for 32 yards while Coahoma made 20 yards on one pass completion.

First downs favored Coahoma, 16-7.

The Cardinals will open their home slate next Friday night against the Aspermont Hornets.

Score by quarters in Friday's game:

HERMLEIGH	0	0	0	6—6
COAHOMA	6	13	7	13—39

Gail Blanks Union, 14-0

UNION TERRY, Sept. 7 — The Gail Coyotes defeated the Union Terry Bulldogs here Friday night in a rain-shortened game, 14-0.

A heavy downpour caused the game to be called off after one half of play.

Scoring touchdowns for the Coyotes were Raymond Walton and Bernie Massingale. Wilson Walker and Massingale added the extra points.

The Coyotes go to Ira next Friday for their second game of the season.

LA Supporter Hunts Walter

LOS ANGELES, Sept. 7 (AP)—The negotiator representing Los Angeles in its efforts to bring the Brooklyn Dodgers west flew to Wyoming today for a brass tacks talk with vacationing Dodger President Walter O'Malley.

Businessman Harold C. McClellan carried a brief case bulging with plans and data as he took off to track O'Malley to his hunting and fishing lair near Rawlings, Wyo.

McClellan declined to comment on any specific proposal he may have to present to the Dodger president. But he expressed concern over the rising tide of criticism directed at O'Malley by Los Angeles residents who feel he is playing the city off against New York in an effort to get himself a better deal to remain in Brooklyn.

Pee Wee Grid Tryouts Set This Week

A Peew Wee football program will be held in Snyder again this season.

The program, introduced last fall by Guy Sullivan, then the Boys Club director, consists of boys ages 10-11-12 and who are not yet in junior high school.

The Boys Club is again behind the program.

Practice sessions have been set each day this coming week at 4 p.m. at Central Elementary. One workout has already been held but only 40 boys showed up.

However, no announcement had been made of the workout, and it was believed that very few boys knew about the workout.

As last year, four teams will be formed. Each team will be fully equipped, uniforms and all.

Workouts this week, though, will be held without uniforms.

Teams will be picked following Friday's workout and the season will open next Saturday.

Each team will have two coaches. Most of the team coaches have been acquired but there is still a need of additional coaches. Any adult interested in working with the Pee Wee football program are asked to contact Michie Byrous at the Boys Club.

Hobbs Wins Opener, 25-6

HOBBS, Sept. 7 — The Hobbs Panthers opened their 1957 season here Friday night with a 25-6 triumph over Flower Grove.

Joseph Martine led the Panthers attack with two touchdown gallops and he passed for one other TD.

Martinez scored on 35 and 30 yard runs.

Martinez passed to Bobby Hardin for another Panther touchdown, the play covering seven yards.

Jimmy Pullig intercepted a pass and returned it 40 yards for the fourth Hobbs touchdown.

The lone extra point was scored on a pass, Mike Soto to Fred Cave.

Flower Grove's only score of the night came in the first quarter on a pass interception.

Hobbs led 7-6 at halftime, boosted it to 13-6 in the third period and then iced the game away in the fourth with their final two touchdowns.

No Soap, Says Tony's Boss

LOS ANGELES, Sept. 7 (AP)—Archie Moore's request for a two-week postponement of his Sept. 20 title bout with Tony Anthony drew this response today from the challenger's camp:

"He can give us $10,000 from his end of the purse or drop dead."

The gentle rejoinder came from Ernie Braca, manager of the young challenger for Achie's light heavyweight crown.

If Moore fails to come up with the extra cash and still demands the delay, Braca said, the championship will be claimed in Anthony's name on the night of Sept. 20, when the bout is scheduled for Olympic Auditorium.

SPAHN PITCHES 41st SHUTOUT—Warren Spahn (left), Milwaukee Braves' pitcher, gets a hearty handshake from teammate Red Schoendienst (right) after Spahn registered the 41st shutout of his career, a National League record for lefthanders. Looking on is Nippy Jones (25) of the Braves. The Braves beat the Cubs, 8 to 0. (AP Wirephoto)

WINNING STREAKS ON LINE

Upper Division Opens Up Friday

By The Associated Press

Abilene goes after its 38th straight victory this week as the Texas schoolboy football race opens in the upper brackets.

Last week saw Classes AA and A starting with a 32-game winner — Stamford, champion of Class AA — capturing its opener, 25-6 over Quanah. Stinett, Kingpin of Class A and winner of 15 straight, beat Clarendon 31-7.

Abilene, not as muscular as it has been the past three years as AAAA titles but still considered one of the teams to beat, opens against San Antonio Jefferson at Abilene Friday night.

Garland, champion of Class AAA, gets going against Dallas Hillcrest. Garland isn't rated as high as last season but still looms powerful in the title picture.

Some 112 games are scheduled in the two top classes with Corpus Christi Ray, the state title favorite in AAAA, tackling Austin of Houston. Amarillo, well-rated, gets Dallas Adamson at Amarillo. Baytown, the perennial threat, starts against Houston Lamar.

Nederland, rated in most books as the Class AAA championship AAAA Orange.

Class AAAA (all games Friday unless noted otherwise:)

1. Ysleta at Roswell. Las Crues, at El Paso Bowie. El Paso Jefferson at Alamagordo; Saturday: Albuquerque at El Paso.
2. San Antonio Jefferson at Abilene. Andrews at Big Spring. Lamesa at Midland. Dallas Sunset at San Angelo.
3. El Paso Austin at Pampa. Dallas Wilson at Lubbock. Dallas Adamson at Amarillo. Snyder at Borger; Saturday: Fort Worth Poly at Amarillo Palo Duro.
4. Fort Worth North Side at North Dallas. Texas City at Fort Worth Arlington. Fort Worth Tech at Phillips; Saturday: Lubbock Monterey at Fort Werth Paschal.
5. Dallas Highland Park vs. Dallas Crozier.
6. South Oak Cliff vs. Dallas Jefferson.
7. Gainesville at Sherman. Durant at Denison. Fort Worth Carter at Grand Prairie. Vernon at Wichita Falls.
8. Palestine at Lufkin. Galena Park at Tyler. Carthage at Marshall. Dallas Samuel at Longview.
9. Freeport at Houston Reagan.
10. Travis Austin at Houston Bellaire.
11. New Orleans East Jefferson at Port Arthur. Texarkana at Galveston. Nederland at Orange. Beaumont French vs. Beaumont South Park.
12. Houston Lamar at Baytown. Spring Branch at Houston Smiley. Odessa at Pasadena.
13. Houston Sam Houston at Temple. Houston San Jacinto at Austin McCallum; Saturday: San Antonio Brackenridge at Austin.
14. Houston Austin at Corpus Christi Ray; Saturday: Beaumont at Corpus Christi Miller.
15. San Antonio Tech vs. Alamo Heights. Victoria at Port Lavaca; Saturday: San Antonio Edison at San Antonio Harlandale.
16. Kingsville at Alice. San Antonio Central Catholic at Laredo. South San Antonio vs. San Antonio Burbank. San Antonio Lanier vs. San Antonio Edgewood.

Class AAA All games Friday):

1. Canyon at Hereford. Brownfield at Levelland. Plainview at Littlefield. Fort Worth Tech at Phillips.
2. McCamey at Odessa Ector. Kermit at Hobbs. Monahans at Crane, Carlsbad at Pecos.
3. Kerrville at San Angelo Lake View. Breckenridge at Sweetwater. Seminole at Colorado City.
4. Mineral Wells at Ranger. Fredericksburg at Weatherford. Jacksboro at Graham. Dallas Jesuit at Brownwood.
5. Carrollton at Richardson. Seagoville at Handley. Denton at Fort Worth Brewer. Fort Worth Lanelr at Diamond Hill. Lake Worth at Birdville. Dallas Hillcrest at Garland.
6. Irving at McKinney. Gainesville at Sherman. Mt. Vernon at Sulphur Springs.
7. Mt. Pleasant at Kilgore. Houston St. Thomas at Gladewater. Jacksonville at Grand Saline. Vidor at Nacogdoches. Houston Milby at Henderson.
8. Greenville at Ennis. Waxahachie at Lancaster. Terrell at Athens. Waco at Corsicana.
9. Rockdale at Cameron. Cleburne at Waco U. Mexia at LaVega. Killeen at Hillsboro. Stephenville at Comanche.
10. Aldine at Angleton. Port Neches at Bryan. Houston Jeff Davis at Conroe. Spring Branch at Houston Smiley, Huntsville at Jasper.
11. Beaumont South Park at Beaumont French. Silsbee at Liberty.
12. Alvin at West Columbia. Brenham at Bay City. Columbus at El Campo. Deer Park at LaMarque. Bellville at Lamar Consolidated.
13. San Antonio Northeast vs. San Antonio Sam Houston, New Braunfels at Lockhart. Gerogetown at San Marcos. Floresville at Seguin.
14. San Antonio Northside at Uvalde. Eagle Pass at Crystal City. Hondo at Del Rio.
15. Refugio at Robstown. Corpus Christi College at Beeville. Karnes City at Cuero. Victoria at Port Lavaca.
16. Brownsville at San Benito. Mission at Mercedes. Harlingen at Weslaco.

All-Foreign Finals In Net Tourney

FOREST HILLS, N. Y., Sept. 7 (AP) — America's fluctuating Davis Cup fortunes hit another low today when Australia's young Ashley Cooper thrashed Herbie Flam 6-1, 7-5, 6-4, assuring an all-foreign final in the National Tennis Championships.

The 20-year-old, dark-haired Aussie, champion of his country and top-seeded favorite here, tomorrow will play the winner of the match between his fellow countryman, Malcolm Anderson, and Sweden's Sven Davidson.

Cooper, never impressive, cashed in on Flam's wasted opportunities to win the match which had been billed as a possible preview of the Davis Cup challenge round next December.

Cooper is Australia's No. 1 player, successor to Lew Hoad. Flam was put on the U. S. Cup team yesterday after his victory over Uncle Sam's Cup favorite, Vic Seixas.

Althea Gibson and an old adversary, Louise Brough of Beverly Hills, Calif., marched in to the women's finals with easy straight-set triumphs. They clash tomorrow, renewing an old feud.

Miss Gibson, who learned her game on the sidewalks of Harlem, smashed Mrs. Dorothy Head Knode of Forest Hills 6-2, 6-2. Miss Brough, four-time Wimbledon champion and a victor here exactly 10 years ago, avenged a Wimbledon defeat by overwhelming Darlene Hard of Montebello, Calif., 6-2, 6-4.

Dallas Open Starts Friday

DALLAS, Sept. 7 (AP)—Few big names of golf will be missing Sunday as the star-spangled tour movies in for the $40,000 Dallas Open.

Dick Mayer, the National Open champion and leading money winner of the year with over $65,000, heads the field of 150 that will go out Friday, opening one of the biggest money tournaments in the world.

Arnold Palmer and Doug Ford, who have won four tournaments each this year; Ken Venturi, hottest golfer on the trail with consecutive triumphs at Milwaukee and St. Paul, but who laid out last week; Dow Finsterwald, Mike Souchak, Jack Burke and probably Sam Snead will be among those seeking the $8,000 first money here.

Jimmie Demaret, who has won three tournaments this year but hasn't been on the tour recently, is a probable entry.

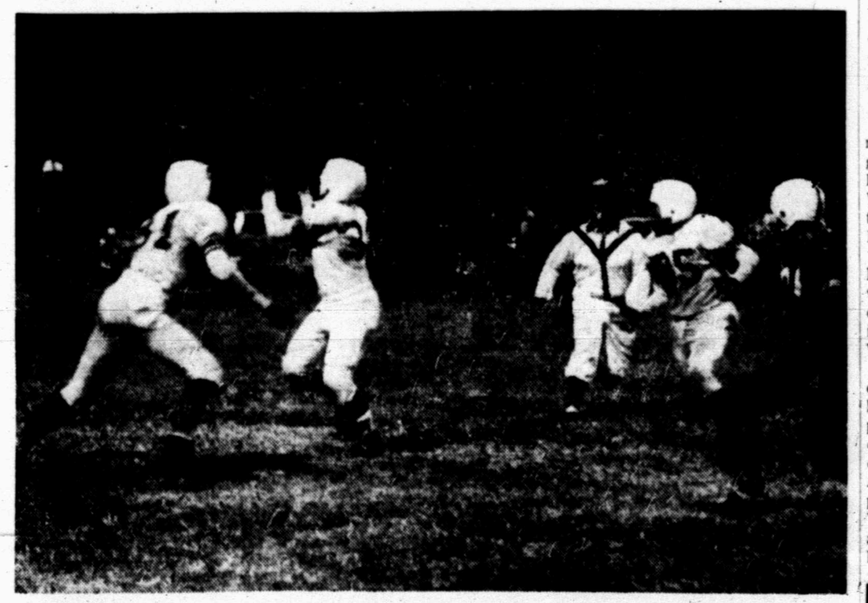

Ben Hogan has been invited but isn't expected to enter. Hogan hasn't been playing golf lately.

Ham Undecided

NEW ORLEANS, Sept. 7 (AP)—Ham Richardson today withheld comment on whether he would accompany the U. S. Davis Cup tennis team to Australia. He said it may be a month before he has a final decision.

BULLDOGS ON THE MOVE—Mac Robinson, No. 33, Coahoma Bulldog halfback, is shown taking a pass from quarterback David Barr for a 20-yard gain against the Hermleigh Cardinals Friday night. Coming in to lead interference is Malcom Roberts, right end. It was the lone pass completion for the Bulldogs. Coahoma rolled well on the ground, though, to bop the Cardinals by 39-6. The Cardinal at right above is unidentified. (Lee Watson photograph)

THE SNYDER DAILY NEWS

VOL. 8, NO. 112 SNYDER, TEXAS, SUNDAY, SEPTEMBER 8, 1957 SECTION B

One of the season-opening activities of women's clubs in Snyder was the program Thursday night of the Suburban Study Club at Martha Ann Woman's Club building. The program was a report on the 66th convention of the General Federated Women's Club given by Mrs. William Tooley, center. A new member of the club, Mrs. Bruce Denny, left, and Mrs. J. D. Richardson, president, look on the display. (Lee Watson photographs)

The World's Great Religions will be the subject of this season's study by the Acacia Study Club. President, Mrs. Carl Dillaha, above, holds a large book which will be one of the books studied, while Mrs. Harold Rogers, left, Mrs. Tim Dennis, second from right, vice president and chairman of the yearbook committee, and Mrs. Harold Lacik, right, look over contents of the book. Mrs. Rogers and Mrs. Lacik served with Mrs. Dennis on the yearbook committee. The season's first meeting of the club was strictly a business meeting.

Women's Clubs Open New Season

Mrs. Wade Winston, left, serves refreshments following an interesting review of "Anne Boleyn," written by Evelyn Anthony and reviewed by Mrs. Bard Paul, Dallas, second from left. Waiting their turns in the refreshment line are Mrs. O. M. Fowler, club president, and Mrs. Wayne Boren, another of the hostesses for the Thursday afternoon review.

Signing up new members in a membership campaign last Thursday afternoon was one of the season-opening activities of the Snyder Book Review Club—one of the city's largest clubs. Mrs. S. L. Terry, left, hands Mrs. Hugh Birdwell a new membership card, while Mrs. R. L. Brice, second from left, accepts annual dues from Mrs. Frank Miller, at end of table, one of the former members.

MRS. CLARENCE WALTON PREWETT

DOUBLERING RITES

Miss Carolyn Ann Daniel Wed Here

Doublering wedding vows were repeated by Miss Carolyn Ann Daniel and Clarence Walton Prewett in the First Baptist Church here Sept. 1 at 3 p.m.

The bride is the daughter of Mr. and Mrs. C. R. Daniel, 115 Browning. Mr. Prewett is the son of Mr. and Mrs. E. L. Prewett of Artesia, N. M.

The Rev. G. M. Cole officiated at the ceremony.

Vows were exchanged in front of an altar decorated with an arch of fern and greenery, with pink roses and baskets of gladioli.

The bride wore a gown of white French rose design lace and tulle, fashioned with a sevrina neckline and long petal-point sleeves. Scalloped lace bordered the triple tulle skirt, ending in a full sweep. Her fingertip veil of French illusion was attached to a regal crown of pearls. She carried a cascaded bouquet of pink rosebuds.

Miss Wanda Austin of Lubbock was maid of honor. She wore a waltz length dress of pink satin, styled with a scooped neckline, a demi-bustle and with a hue of pink accenting the princess dress. She wore a picture hat of pink tulle and velvet.

Bridesmaids were Miss Mary Herring of Lubbock and Miss Elna Swanson of Midland. Their costumes were similar to that of the maid of honor and they carried fan-shaped arrangements of white gladioli.

Ramona Kay Guinn was flower girl. Her costume was of pink eyelet, with ruffle and lace trim. Her headpiece was of pink gardenias.

Craig Alexander was ring bearer.

Best man was Tony Benson of Roswell, N. M., while ushers were Joe Dorsey and Hollis Chandler.

Miss Beth Wiman, organist, played wedding music and accompanied Miss Ann Osborn, who sang "Walk Hand In Hand," and "Because".

Following the ceremony, a reception was held in the Ranch House banquet room.

A pink motif was carried out, and the three-tiered wedding cake was decorated with pink roses and topped with a miniature bride and groom. Miss Shirley Herring of Lubbock served, and Miss Connie Ryan registered guests.

For the wedding trip to Ruidoso, N. M., the bride chose a toast brown two-piece jersey suit, white scarf, white fur hat, beige gloves, and brown shoes and bag. She wore a corsage of gardenias.

Both the bride and bridegroom are graduates of Snyder High School. They will make their home in Lubbock where Mr. Prewett is a sophomore mechanical engineering student, and Mrs. Prewett is employed as a secretary for Civil Service.

Out of town guests were here for the wedding from Corpus Christi, Amarillo, Lubbock, Abilene, Roswell, N. M., and Artesia, N. M.

Miss Louise Crook Is Wed Here To Joe W. Devenport

Miss Louise Crook, daughter of Mrs. James P. Crook, 2808 Thirty-seventh Street, became the bride of Joe W. Devenport in the Colonial Hill Baptist Church at 8 o'clock Saturday night.

Mr. Devenport is the son of Mr. and Mrs. Silas Devenport, 2405 Twenty-seventh Street.

The doublering vows were read by the Rev. Jimmie Nelson in front of a platform bordered with candles placed in greenery, with two candleabra and two sprays of white flowers.

Kenneth Crook of Lubbock, brother of the bride, gave his sister in marriage.

The bride was attired in a wedding gown of white non-luster satin with sabrina and escollaped neckline. The back of the skirt was made of 16-inch tulle ruffles with an eight-inch border of embroidered tulle forming a chapel train. Her headpience was compose of irridescent sequins with a fingertip veil attached. She carried a crescent bouquet of white roses, carnations and gladioli.

Mrs. Kenneth Bowen, sister of the bride, was matron of honor. She wore a street-length dress of Siam blue non-luster satin, with a portrait neckline, and a full skirt with godets at the bottom.

Bridesmaids were Jane DeWald, Mary Alice Richardson and Glenda Keith. Their dresses were identical to that of the matron of honor. All attendants wore white circle hats with veils circling the heads.

Vicki Henshaw, daughter of Mr. and Mrs. Hershel Henshaw, was flower girl. She wore a white dress fashioned similar to those of the other attendants, with a cumberbund and bows of satin.

Barry Park, son of Mr. and Mrs. W. W. Park, was ringbearer.

Best man was Ramon Hedges of Snyder, while ushers were Joe Davis of Snyder, Don Devenport of Tulsa, Oklahoma, brother of the bridegroom, and James Shank of Lubbock.

Wedding music was played by Ralph Wesson. Don Armstrong sang "Thou Ring Upon My Finger," and "This Is My Beloved." He was accompanied by Mr. Wesson. At the close of the ceremony, the bride and groom sang "Wedding Prayer" in duet.

A reception was held in the Fellowship Hall of the church following the ceremony.

Decorations featured the bridesmaids' flowers and two sprays of white flowers. The three-tiered white wedding cake was decorated with blue flowers.

Mrs. Kenneth Crook, sister-in-law of the bride, served cake, and Miss Mary Lou Devenport, sister of the bridegroom, registered guests.

For the wedding trip to Leadville, Colo. the bride selected a Black Thomas cotton suit with black and white accessories.

Following the wedding trip, the couple will be at home at 1909 Sixteenth Streetl Lubbock, where both will be senior students in Texas Tech.

MRS. JOE W. DEVENPORT

Emotionally Upset Women Have Many Home Problems

By DOROTHY ROE
AP Women's Editor

What is wrong with women?

Well, says Dr. John A. Schindler, co-founder of the famous Monroe Clinic at Monroe, Wis., and author of the best-selling book, "How to Live 365 Days a Year," the principal thing wrong with women is marriage.

Dr. Schindler has just written a new book, "Woman's Guide to Better Living," in which he says that the bulk of medical practice in the United States is concerned with emotionally induced illness (E.I.I.). Three out of four of these emotionally upset patients in every doctor's office, he says, are women. Moreover, most of them are married women.

Now the good doctor doesn't suggest that we should become a nation of spinsters and bachelors, but he, being of an inquiring turn of mind, began probing for the answer to a highly important question—why do so many married women blow their tops?

The reason, he now states, is that wives and mothers have been handed the greatest and most difficult of all possible jobs—that of managing a marriage and raising a successful family. This, says he, is a job that requires the highest abilities, talents and training — and many women just aren't equal to the job.

Adequate training is not available, personal weakness is great, problems are legion — and so many women survey their lives along about midway in a marriage and all of a sudden start picking the roses off the wallpaper.

Physically, says the doctor, women are much tougher than men. Mentally they're on a par with men, also. It's just in the emotional department that they are likely to crack up.

Dr. Schindler has some prescriptions to help women make a success of their monumental job.

Woman's best medicine, he says is a sense of humor.

His advice to women is—grow up. And he offers the following qualifications for a mature woman:

1. A sense of humor and a pleasant disposition.
2. Ability to make the best of any situation.
3. Unselfishness.
4. Confidence in yourself.
5. Control of your temper.
6. Tenderness and affection.
7. Satisfaction in work and responsibility.
8. The ability to mix common sense and fancy.
9. Ability to make sex a happy part of life.
10. Many interests outside yourself.
11. Ability to make decisions.

Ira Girl Gets First Place In District Contest

One first place award and two other awards were taken by Scurry County girls when their records were judged in district 4-H Club contests at Lubbock last week.

Peggy Brown of Ira, a student at the University of Texas, won the 22-county district's electrical contest and will get a $50 award. Her records will be entered in the state contest.

Scurry County won the electrical contest for having done the most electrical work of any county reporting.

Brenda Maddox took second in general home economics work.

Karen Lou White was third in food preparation.

Miss Ruby Butts, county home demonstration agent, helped to judge the records.

League's Study Units To Meet

Study units 1 and 2 of the Snyder Provisional League of Women Voters have scheduled a combined meeting Tuesday night in the Humble recreation hall.

The meeting is set for 7:30 p.m.

Members of the units will view and discuss an industrial loyalty-security film titled "Kill Only The Ivy." Ethel Roberts will serve as discussion leader.

FOR GOOD EATING

GOOD DINNER

A divine vegetable dish!
Broiled Flank Steak
Potatoes
Green Peas
Tomatoes and Onions Supreme
Bread Tray
Fresh Prune Compote
Beverage

TOMATOES AND ONIONS SUPREME

Ingredients: 3 medium-small onions, 2 tablespoons butter or margarine, 1 teaspoon sugar, 4 medium-large tomatoes (1¼ pounds), 1 tablespoon butter or margarine, ¼ cup heavy cream, extra salt.

Method: Peel onions and cut into thin round slices. Melt 2 tablespoons butter in skillet (10 to 12 inches); add onions; cook slowly about 10 minutes, stirring often and separating onion slices into rings. Sprinkle with sugar. Remove onions from skillet with fork and spoon, leaving as much of the fat as possibly in the pan. Cut a thin slice from each end of each tomato; slice tomatoes into halves. Stir flour, salt and a dash of pepper together on a sheet of waxed paper; dip cut ends of tomatoes into mixture. Add 1 tablespoon of butter to skillet; add tomatoes and cook rapidly turning to brown cut sides. Watch heat so as not to scorch pan. Add onions and cream to skillet; reheat, adding extra salt and pepper to taste. Makes 4 large or 8 small servings. The tomatoes should be soft but hold their shape; the onions should be slightly crisp.

Jigtime Chowder
Pilot Crackers
Chef's Salad
Crusty Rolls
Fruit
Beverage

JIGTIME CHOWDER

Ingredients: 1 can (15 ounces) New England style condensed clam chowder, homogenized mild, 1 can (10½ ounces) minced clams, ¼ cup minced parsley.

Method: Turn chowder into a refrigerator container; fill soup can with milk and add. Pour in clams (including liquid in can) and minced parsley. Beat with a whisk or fork to break up condensed chowder and distribute evenly. Chill about 4 hours or overnight. Serve cold. Makes almost 5 cups—enough for 4 to 5 servings.

Note: Adding all the liquid from the minced clams yields a tangy chowder; if you prefer the soup less salty, add only part of the clam liquid. Light cream may be used instead of milk; the parsley may be omitted and the chowder accompanied by minced chives.

Add grated onion, butter and lemon juice to drained cooked leafy spinach for savory flavor.

WANDA MARIE LANE
. . .To marry James Hatfield
Photo By Craft Studio

WEDDING IS PLANNED

Mr. and Mrs. Olin Lane, 3015 Thirty-eighth Street, have announced the engagement and approaching marriage of their daughter, Wanda Marie, to James Hatfield, son of Mr. and Mrs. J. B. Hatfield of Gainesville.

The wedding will take place Nov. 2 at 8 p.m. at the Colonial Hill Baptist Church, with the Rev. Jimmie Nelson, pastor, officiating.

Miss Lane is a 1955 graduate of Snyder High School and is now employed by Cities Service Oil Co. in Midland.

The prospective bridegroom is a 1950 graduate of Gainesville High School and served four years in the Navy. He is employed by Sinclair Oil & Gas Co. in Midland.

25 YEARS AGO

(Taken from the files of the Scurry County Times, Sept. 8, 1932)

Scurry County the past 10 days has been akin to the old woman who lived in a shoe—she has so much rainfall she doesn't know what to do. A total of 11 inches of wetness has fallen in Snyder since Tuesday noon of last week, and in many parts of the county the downpour was heavier.

• • •

A full statement of indebtedness, receipts and proposed 1933 expenditures for the city of Snyder was accepted Monday night by the City Council in regular monthly session. The detailed statement reveals the following totals: Indebtedness, $206,609.27; cash on hand, $27,167.20; receipts from all sources, $45,386.63; amount available to meet budget requirements, $72,553.83.

• • •

Labor Day slipped through Scurry county fingers almost unobserved, except that banks and the post office were closed from morning until night.

• • •

The Church of Christ will have a new minister Sunday, unless the wet weather continues to make his coming impossible. He is O. D. Dial, who has been in charge of the church at Cheyenne, Okla., for some time. He probably will be accompanied by his wife and child.

• • •

Farm wagons operated on any designated state highway at night without regulation lights will subject their owners to arrest, C. L. Schuck, highway patrol official in this division, warned several days ago. Schuck stated that all such wagons should be equipped with reflectors on the rear and a lantern in front.

• • •

The monthly Santa Fe crop report issued Sept. 1 indicates that Texas is already certain to have her smallest cotton crop in years, and that further deterioration may be expected.

NEWS FROM HERMLEIGH

By MRS. OCIE VEST

Mr. and Mrs. Ocie Vest, Linda and Ociene spent Friday in Loraine where they visited Mr. and Mrs. Alna Vest.

Seniors Elect Officers Slate At Hermleigh

HERMLEIGH, Sept. 7 (Apl) — The Hermleigh Senior Class has elected officers for the 1957-58 school year.

The new officers include Arlon Groves, president; Butch Nachlinger, vice president; Don Vineyard, secretary; Sandra Darden, treasurer, and Enid Minor, reporter.

Student Council representatives are Delmar Henley and Dub Etheredge. Room mothers are Mrs. S. T. Minor, Mrs. Frank Nachlinger, Mrs. O. B. Darden and Mrs. Foster Watson.

During a business meeting the class discussed selling ads and magazines to raise funds.

Miss Collier Gets Degree

Gaylan Collier, daughter of Mr. and Mrs. Ben Collier of Fluvanna, received the doctor of philosophy degree in theater in the August convocation at the University of Denver.

A graduate of Fluvanna High School, where she was outstanding in drama, Miss Collier holds the BA degree in speech and drama from Abilene Christian College and the MA degree from the University of Iowa.

Her dissertation title was, "The Five Major Dialect Stereotypes in American Drama: An Analytical Survey of the Speech Delineation of the Stage Yankee, Frontiersman, Irishman, Negro and Indian, as Depicted by Playwrights and Actors. 1766-1900." The major part of her original research was done in the theater collection files of the New York Public Library.

Miss Collier, who formerly taught at Woman's College of the University fo North Carolina, is at present associated with Abilene Christian College, where she is director of theater.

DISCUSS P-TA PROGRAM—Mrs. Harold Brown, left, who resigned the post, discusses Snyder P-TA activities with Mrs. Frank LeFeuvre, new president of the city council of Parent-Teacher Associations. Mrs. Brown resigned the local post to become area vice president of District 18 of the Texas Congress of Parents and Teachers. (Lee Watson photograph)

City P-TA Council President Elected

Mrs. Frank LeFeuvre, 3102 Avunue V, has been elected president of the city council of the Parent-Teacher Associations in Snyder.

Her election came upon the resignation of Mrs. Harold Brown, 2900 Avenue U, who resigned to become area vice-president in District 18 of the Texas Congress of Parents and Teacers.

Mrs. Brown, as district vice-president, serves an area which covers Scurry, Fisher, and Kent Counties. Her work will be mostly in extension service upon assignment of the district president to aid units and councils in the area.

The new district vice-president has served as a unit president previously here and was chairman of the central P-TA organization here when the first city council was organized.

She was chosen to serve the remaining year of the three-year term of Dr. DWane Collins of Snyder, who moved to Colorado.

Mrs. LeFeuvre will serve a one-year term. She was elected to the city council from the West Elementary P-TA unit and was vice-president of the council. Last year, she served as program chairman for the West Elementary unit.

New vice-president is Mrs. W. R. Everett, filling the vacancy created by Mrs. LeFeuvre. Mrs. John Hazle was elected secretary to fill the vacancy created by the moving to Slaton of Mrs. E. D. Tumlinson.

At their Thursday meeting, council members heard a report on activities of the Citizens Committee for a Junior College by Ray Houpt. After the talk, the council voted to adopt work toward a junior college as ine of its projects for the year.

Dr. Cecil Yarbrough, superintendent of schools, gave a talk to the group on "What the P-TA Means to the Schools."

The council has scheduled the course on parliamentary procedure for Sept. 17 at the high school.

Patrolman Radios For Aid In Fire

LARAMIE, Wyo. (AP) — Gene Curtis had no trouble receiving assistance when his car caught fire on the highway south of Laramie.

Curtis, a Wyoming highway patrolman, merely used his two-way police radio to summon the Laramie rural fire truck.

Altrurian Daughters Plan Breakfast Here

The Altrurian Daughters Club will begin its new club yeear with a breakfast Wednesday in the Martha Ann Woman's Club.

The breakfast is set for 9:30 a.m.

Hostesses for the event will be Mrs. Ross Carroll, Mrs. Melvin Blackard, Mrs. A. T. Nicholas, Mrs. R. E. Patterson and Mrs. Bill Atwood.

Hospitality Plan To Help In Visit

FREDERICKSBURG, Va. (AP) —Mr. and Mrs. Stanley Wooten of Cheltenham, England, yearned to visit the United States. British restrictions on the amount of cash they could take outside the country blocked their plans for several years. They wrote to the mayors of several American cities asking if they knew of anyone who would take them in during a visit in exchange for hospitality in their own home in England.

"We were besieged," said Mrs. Wooten here. Among the cities they will visit under their plan are Atlantic City, Asheville, N.C., Miami, Mobile, and Denver.

GOLD STAR GIRL—Betty Pylant, Fluvanna, right, was named the Gold Star 4-H Club girl for Scurry County last week. A runner-up in the judging was Sadie Fern Hillis, left, Plainview 4-H Club, and Eudera House, not pictured, of the Ira 4-H Club. (Lee Watson photograph)

Fluvanna 4-H Club Member Is Named County Gold Star Girl

Betty Pylant, Fluvanna 4-H Club County's Gold Star Girl for 1957 by a judging committee.

Miss Mylant, 15, is a sophomore in Fluvanna High School.

Members of the judging committee were Mrs. D. M. Pogue, member of the Plainview Home Demonstration Club; Peggy Brown of Ira 4-H Club, last year's Gold Star winner; and Brenda Maddox of the Snyder High School 4-H Club, Gold Star winner n Hardeman County last year before moving here. She substituted on the judging team for Carolyn Engler of the high school 4-H, who was unable to judge.

Miss Ruby Butts, county home demonstration agent, took the committee to visit the three girls selected as nominees for the Gold Star award. Each girl was asked to show as much as possible of her work to judges in the 30-minute period allotted.

Miss Pylant, who has been in 4-H six years, has canned 627 jars of food, including peas, beans, berries, peaches, sweet potatoes, chow chow, and tomato juice. She has helped to freeze 126 containers of peaches, blackberries, and chicken. She helped grow the vegetables, fruits, and chickens.

The family poultry flock of about 150 hens and 200 baby chicks each year is one of Miss Pylant's responsibilities. In return for caring for them, she gets part of the egg money. Helpful around the house, she keeps her own room and takes a sizeable share of the responsibility for keeping the remainder of the house. She has prepared 483 meals and 245 other dishes.

In July at the county baking contest, she tied for the top award, the sweepstakes ribbon.

In the yard at home, Miss Pylant's interest has caused her to set out some corner plantings of shurbs, and she cares for the grass.

Clothing has been her major project, and she still has the apron which was the result of her first 4-H sewing efforts. She has made 49 garments and 52 articles. She has entered the county dress revue each of the six years in 4-H, winning an award each time. She was county winner of the dress revue this year and in the red ribbon group at district.

Miss Pylant has been secretary, treasurer, recreation leader, clothing leader, and food leader for her 4-H club, treasurer of the county-wide 4-H committee, and reporter and treasurer for the county camp. She has been elected chairman of the county-wide committee for next year. She has attended district 4-H camp at Lubbock and the state 4-H Roundup at Texas A&M College. She has also attended the four county 4-H camps here and helped lead the photography group one year and craft group one year. At the rally day at camp in 1955, she helped lead group study on history and background of 4-H.

Miss Pylant has entered the dairy foods team demonstration contest two years and place first in the county both years. One year a junior contest was held at district, and she and a teammate participated. She has also had livestock projects, raising lambs, some for the livestock show and some just pets. This has brought in more cash than any other projects.

She has one purple sweepstakes ribbon, 14 blue ribbons, eight red ribbons, and three white ribbons in competition. She has also received awards medals for home economics and dairy foods and the coveted locket given by the local Home Demonstration Clubs to the outstanding girl in the 4-H Clubs each year. Besides 4-H work, she was salutatorian of her junior high class last spring, secretary of her class four years, and is active in Sunday school and training union in the Baptist Church, assistant pianist for the church, takes art lessons and paints at home.

Other gold star girls in the county are Peggy Brown, Ira, 1956; Alma Nell Hillis, Plainview, 1955; Jacqueline Martin, Fluvanna, 1954; Betty Hillis, Plainview, 1953. The Gold Star award is given by Texas A&M College to the girl selected in each county as the most outstanding for the year. No club member is eligible to win it more than once.

Other nominees were Eudora House of Ira 4-H and Sadie Fern Hillis of Plainview 4-H. Miss House is the daughter of Mr. and Mrs. Travis House of Ira. She is 14. Home improvement has been her major project. The family has added a new kitchen and enlarged the living room, among other improvements. She has helped paper four rooms, helped refinish woodwork, make curtains, build a closet for her own room, and other improvements. She has planned storage for her shoes and belts in her closet, selected curtains and bedspread, and added other articles to the bedroom.

Clothing is another favorite project, and she has made 52 garments, including a pink eyelet dress for graduation. She has entered the dress revue four years, winning two blue and two white ribbons. She has also sewed about 30 articles.

Other work includes taking care of 100 turkeys this year, helping cut up and package for freezing three hogs, 600 packages of vegetables, and 140 ears of corn, helping with housekeeping and preparing meals. She has been reporter, food leader, and president in her club, county camp secretary, helped as a leader in county camp. She has been to the district camp and district electric camp. She has entered vegetable preparation team demonstration and went to district as a county winner one year. She has won five blue ribbons and two white, as well as receiving a home improvement award.

Miss Hillis, daughter of Mr. and Mrs. T. J. Hillis, Sr., of the Plainview community, is a sophomore at Hermleigh High School and has been in 4-H five years. She has two older sisters who were Gold Star winners.

Miss Hillis is cooking, and she has prepared 186 meals, canned 266 jars of food, including beans, peas, okra, tomatoes, pickles, peaches, and plums. In 1956 she won the sweepstakes ribbon for the most points in the county bake contest.

In sewing, she has made 75 garments, including much clothing for her sisters and herself. 23 of the garments this year. She has entered the dress review each year she was in 4-H and won an award each time. The yard has been a "sister" project, with all the girls working on it to develop an attractive lawn, along with shurbs and annual flowers. Her livestock and poultry projects have included chickens and lambs. She won eighth and 13th places in the county livestock show.

Miss Hillis has been secretary, clothing leader, and reporter in her club, has been to district camp and all the four county camps. She has assisted in leadership at the camps. She has entered the team demonstration contest three years, and one year she and her team did a vegetable dmonstration for a TV show. Besides 4-H, she is also active in the Methodist Youth Fellowship, pep squad, Future Homemakers of America, and a girls baseball team.

DATE DATA

By BEVERLY BRANDOW

By BEVERLY BRANDOW

Dear Miss Brandow:

My sister, who is a year older than I, teases me because she has more dates. She enjoys calling me a child and embarrassing me in front of my friends. What can I do?

Perplexed Teen

Tell her that the amount of dates one has is no standard of measurement for one's maturity. Tell her that her teasing makes her seem very young and petty herself, and inquire whether she thinks her actions befit a mature person, least of all a devoted sister. It is not the Christian way.

If necessary, go to your parents explaining the situation and asking that they put a stop to it. This is not tattling.

Dear Miss Brandow:

My boy friend and I always double date with his room-mate and his girl friend because my boy friend has no car. We girls are disgusted because the boys act so silly on double dates, when each is capable of acting sensibly when alone with us. How can we show them they are making us unhappy by acting that way.

Betsy

Quit double dating for awhile. There are things you can do and places you can go without a car. Grandma did it, didn't she? Take advantage of the city transportation system, your two good legs, and the opportunity to have your date to yourself.

After a little while, praise him because he is so much more sensible and mature than some other boys — for instance his roommate. Men like to live up to your high ideals of them. Try it. See if it doesn't work.

Musical Replacement Found Right At Home

NEW YORK (AP) — An intensive hunt for a cast replacemtn in the Broadway musical "Li'l Abner" ended right where it began.

More than 200 hopefuls were auditioned for the role vacated by Tina Louise because of film commitments. None satisfied the producers, who then agreed to consider a dancing member of the show's current cast who wanted a chance at the role.

The producers found the girl, Deedee Wood, made a sensational transformation from pigtailed hillbilly into a soignee comedienne, switched her role without delay.

WOMEN'S CALENDAR

MONDAY

Rainbow girls meet at Masonic Hall, 7:30 p.m.

Monday Duplicate Club meets in home of Mrs. Wayne Boren, 2701 Thirty-second Street, with Mrs. Clyde Hall hostess, 1:30 p.m.

10-16

AS fresh and young as tomorrow, and just for teens. Clever with or without sleeves, teamed with a jacket that goes with everything.

No. 1306 with PHOTO - GUIDE is in sizes 10, 12, 14, 16. Size 12, 32 bust, dress, 5 yards of 45-inch; ¾ yard contrast; coat, 2⅛ yards of 54-inch.

Send 35c in coins for this patern to IRIS LANE, (care of Snyder Daily News), Box 438, Midtown Station, New York 18, N. Y.

If you have an electric blender you may use it to make crumbs from dry bread zwieback and graham crackers. The trick is to add only a small amount of the dry material to the blender at one time.

Is there a ricer in your kitchen? Then rice boiled potatoes directly into a serving dish add top with thin slices of butter and a dusting of paprika. The potatoes stay fluffy this way.

MRS. NOLAN W. TIDWELL
(Wolfe Studio Photograph)

Miss Greta Lou DeShazo Is Wed In Doubling Ceremony

Miss Greta Lou DeShazo became the bride of Nolan W. Tidwell of Borger in a doublering ceremony in the First Baptist Church in Kermit on Aug. 31.

The bride, who is the daughter of Mr. and Mrs. Homer L. DeShazo of Kermit, is a former teacher in the Snyder Schools. Mr. Tidwell is the son of Mr. and Mrs. Joe C. Tidwell of Quanah.

The rites were read by the Rev. Joe S. Allen in front of an arch of greenery and bells, with two baskets of white mums accented by blue.

The bride was attired in a waltz-length white silk antique shantung princess-style dress, with matching long sleeved volero. Her shoulder-length veil fell from a pearl tiara, and she carried a bouquet of white orchids and feathered carnations.

Mrs. Sue Clark of Waco was matron of honor. She wore a royal blue cotton-shantung princess-style dress, a royal blue feather hat, and carried a crescent bouquet of yellow roses.

Mrs. DeShazo, mother of the bride, chose a beige sheath shantung dress, with blue accessories.

George Martin McGuire of Dallas was best man, while ushers were Gary DeShazo, brother of the bride, and Charles Quisenberry of Lubbock.

Traditional wedding music was played by Mrs. Richard Horner, who also accompanied Mrs. A. J. McReynolds, who sang "Wonderful One," "Because," and "The Lord's Prayer."

A reception was held immediately following the ceremony. The serving table was decorated with white mums, and Miss Sammie Reed of Dallas and Miss Joella Weintert of Snyder served punch and cake. They were assisted by Miss Nadine Weinert of Snyder. Mrs. Keith Haines of College Station registered guests.

For the wedding trip the bride selected a black pima cotton suit. Her accessories included black leather shoes and bag and mauve hat and gloves. She wore an orchid corsage.

Following the wedding trip the couple will be at home at 1413-B Boyd Street, Borger, where Mr. Tidwell is employed by the J. M. Huber Corp.

WHAT'S GOING ON

MR. AND MRS. BOBBY L. TAYLOR and daughter of Lubbock are visiting MR. AND MRS. G. S. TAYLOR, Big Spring highway. He is attending Texas Tech.

Civic Music Slate Set

Four concerts for the 1957-58 season were announced this week by the Snyder Civic Music Association.

Art Nicholas, president of the association, said appearances will be made here in the season's series by Rosina DaRemini, the Houston Symphony, Nelson & Neal, and James Pease.

Miss DaRimini, a South American singer who appeared muneruous times on the Arthur Godfrey television show, will make the first appearance here on Friday, Oct. 25.

Next, on Feb. 21, will be the Symphony Orchestra.

Nelson & Neal is a husband-and-wife piano team which will be here March 20.

The final concert of the series will be by Pease, bass-baritone.

The Snyder Civic Music Association enrolled more than 700 members in its drive last spring. Membership is now closed except to newcomers to Snyder, who can purchase memberships at $6 for adults and $3 for children.

The memberships here also entitle card holders to attend concerts of other civic music associations in surrounding cities. New residents interested in becoming members have been asked to call Mrs. Walker Dabbs at 3-7264.

Nicholas said membership cards have not yet been distributed to members. The reason for the delay, he said, was that the local association is awaiting the schedules of other civic music associations in this area before printing the cards. The schedules will be provided to members. Many of the area associations do not have their membership drives until fall and therefore do not know what their concerts will be.

The local civic music association's officers include Nicholas, Mrs. Dabbs, membership chairman; Mrs. Frank LeFeuvre, secretary; and H.W. Cargile, treasurer.

Production Chief Is Busy At Playwriting

NEW YORK (AP) — Playwriting is taking up more and more time in the life of Dore Schary, former production chief of a Hollywood film studio.

Now finishing up "Sunrise at Campobello," a drama about Franklin D. Roosevelt which is to be presented on Broadway this season, Schary plans to follow with a play about the life of a big business executive.

'Small Planet' Tour

NEW YORK (AP) — The current Broadway comedy hit, "A Visit to a Small Planet" is scheduled for a number of prudctions shortly in Europe. The Gore Vidal script is being translated for presentation in West Germany, Austria, and Switzerland.

WITH FALL SEASON

New Year Opens In TV

By BOB THOMAS

HOLLYWOOD (AP)—As far as television is concerned, this is the start of the new year.

But will it be a happy one? If it's anything like last year, the answer is no. What a dud that one was! Except for some topnotch dramas on Playhouse 90 and a few other shows, the 1956-57 season will go down in TV history as the year the money-hungry contest winners pushed entertainment aside.

So what's ahead for 1957-58? Step right up while I gaze into my crystal TV tube.

Here are my predictions:

A half-dozen "adult" westerns will bite the dust.

The paucity of comedy shows will prove a boon to the ratings of Red Skelton, Danny Thomas, George Gobel, Phil Silvers and the few remaining TV funnymen.

Steve Allen will overtake Ed Sullivan in the ratings because Allen offers a funnier show, while comedy has always been Sullivan's short suit.

NBC's ailing "Tonight" show will give up the ghost, torpedoed by the late, late movie.

The spectaculars on all networks will continue to net the biggest audiences, proving that viewers crave an occasional dessert to go with their steady diet.

Lucille Ball will again draw her stratospheric ratings with the stretched-out version of "I Love Lucy" five times yearly.

Groucho Marx will have trouble with competition from the new "Mark of Zorro" show.

The public will weary of the flood of singing emcees on TV, but Frank Sinatra's one who will be among the most popular new entries.

The No. 1 TV show of the nation will be—

Oops, the crystal tube grows a bit smoggy here. I'll have that prediction for you at a later date, perhaps next June.

AMUSEMENT

Dallas Getting New Film In Cinerama

DALLAS, Sept. 7— Dallas will be one of the world's first cities to present the new and fourth Cinerama production, "Search for Paradise," which will premiere Oct. 2 at the Melba Theatre, exclusive showcase for the panoramic screen process in the Southwest.

The latest Cinerama odyssey ventures into the forbidden kingdoms of the "Roof of the World" in Central Asia. The real Shangri-La is sought in hidden valleys surrounded by the snowy peaks of the Himalayas and the Karakorams.

Possibly the last demonstartion of Oriental pomp and splendor is recorded in Nepal during the coronation durbar of King Mahendra in Katmandu. Lowell Thomas was sent to the Land of Everest as official U.S. Ambassador by President Eisenhower.

Aboard the U.S. Air Force Globemaster which took the Cinerama expedition around the world, Thomas meets two avaitors looking for an escape from the complicated, modern world. The three-lensed Cinerama camera and the "directional" Cinerama Sound system follows them into the tiny land of Hunza, where people commonly live for a hundred years and there is no jail, no income tax and no poverty.

Dimitri Tiomkin composed the music and Robert Merrill recorded the four new songs featured in "Search for Paradise."

Mail orders for the new Cinerama release now are being filled.

Performances include evening shows at 8:30 p.m. Monday through Saturday and at 7:30 p.m. Sunday and matinees at 2 p.m. Wednesday, Saturday and Sunday.

Dallas is the only city in the entire Southwest that can or will show Cinefama.

To Veto Application

TAIPEI (AP)—A spokesman announced today that Nationalist China again would veto Outer Mongolia's application for membership in the United Nations if necessary.

Ida Katharine Fikes Dies

Funeral services will be held at 2 p.m. today in the First Assembly of God Church for Mrs. Ida Katharine Fikes, 54, who died at 7:15 p.m. Friday in the Cogdell Memorial Hospital, following an illness of about six months duration.

A native of Wicks, Ark., Mrs. Fikes had lived in Snyder for 35 years.

She is survived by her father, A. R. Nolan of Snyder; three daughters, Faydell, Judy and Jean Fikes, all of Snyder; two sisters, Mrs. Lena Miller of Pickens, Okla., and Mrs. Dovie Hill of Oakley, Calif.; two brothers, Ira Nolan and Burton Nelan, both of Snyder.

The Rev. Robert Owens will officiate at the funeral service. Burial will be in the Snyder Cemetery, under direction of Bolger Funeral Home.

Pallbearers will be W. C. Holamon, Charles Mobley, Melton Davis, Maurice Way, Melton Hollis and Doug Burney.

Toastmasters Change Their Meeting Place

The Snyder Toastmasters Club, which has been meeting at the Hilander Drive-In, has changed its meeting place to the Ranch House, officers of the club said.

The organization's next meeting will be at 6:15 p.m. tomorrow.

On the program will be Ralph Howser, head toaster; John Black, one-minute topic; Gilbert Fields, Bill Schiebel, Art Blanchard, and Jack Cross, gassers; Roy McCloskey, head knocker; Ed LeMarquand, grammarian; and Jim Tatum, "oh" and "ah" flasher.

Lentz To Be Speaker On 'Daily Devotions'

The Rev. Walter L. Lentz, pastor of the Grace Lutheran Church in Snyder, will be the speaker on the "Daily Devotions" program during the coming week, Monday through Friday, at 9:15 a.m.

"Daily Devotions" is presented regularly by pastors of Snyder churches.

Warning!

The 1958 State Automobile Inspection Regulations have been changed. Particular emphasis has been placed on the brake system. At least one wheel must be removed from each vehicle and brake linings must be replaced in most cases where there is as much as 60% wear. Don't get caught in the rush, let us make your 1958 Inspection and do any needed brake work now. Any Make or Model. Reasonable Prices.

See us for your service work!

Stock up on sheets now at this very low McDonald price!

Slight irregulars, full 81"x108" size

Each only..... **$1.68**

You get tremendous savings on these sheets because they are irregulars. You get tremendous wear because they are fine quality muslin, 128 count.

SURELY YOU LIKE US BECAUSE . . .

In 42 years we've grown from one store in Holdrege, Nebraska, to 99 modern stores located in 12 states. Growth such as this certainly indicates that you and your friends enjoy shopping at McDonald's!

We've been trying to think of some way to say a great big "THANKS" to you for your loyal patronage. It finally occurred to us that even though times have changed and many new and wonderful things for better living are now available to all of us, you probably enjoy a good old fashioned BARGAIN just as much as your grandmother did when she shopped at McDonald's first store back in 1915. So here they are . . . real values . . . the best way we know to THANK YOU for being our customer!

McDONALD'S 1915 42ND 1957 ANNIVERSARY SALE
