United Fund Drive Kick Off Set For Tuesday, Oct. 8

Talco will kick off their United Fund drive Tuesday, Oct. 8, in an effort to help Titus County reach their 1964 approved budget of \$17,650.

The following agencies are United Fund participants in Titus County: Boy Scouts, Girl Scouts, Red Cross, Salvation Army, Titus County 4-H Clubs and Local Welfare Fund. This means that each of these agencies will get their share of all contributions and that each of them will not have a drive of their own in 1964.

By giving the united way you can contribute to all of these in one amount and at one time for your convenience. Slogan will be The United Way, Give a Day's Pay. Even though we may be resentful about contributions at first thought we must all agree that the above mentioned agencies have and will continue to do many good things for our communities and nation.

Workers are needed in Talco for this drive. If you will volunteer your time and services you should contact Mrs. R. T. Fuller, J. H. Dickerson or Jerry Swarts immediately.

Highway Safety Improvements Are Scheduled

The Texas Highway Commission today approved the expenditure of \$182,000.00 for Highway safety and betterment in Lamar County and \$279,000.00 in Red River County during 1964. District Highway Engineer L. D. Cabaniss of Paris announced.

He said a total of 11.4 Highway miles in Lamar County will be involved. The work will be under the supervision of Richard Babb, Senior Resident Engineer, Paris.

He said a total of 16.9 Highway miles in Red River County will be involved. The work will be under supervision of B. P. Burtner, Senior Resident Engineer, Clarksville.

The work is part of the 1964 State Highway Safety and Betterment Program just authorized by the Texas Highway Commission. The program accounts for the saving of many lives on Texas Highways every year.

A \$20 million installment in this program to make \$4.5 billion worth of existing Texas highways better and safer has been approved for 1964 by the Texas Highway Commission.

District Engineer Cabaniss said a total of 50.2 miles in this highway district would be involved, at a total cost of \$710,000.00.

The improvement in Lamar County consists of widening bridges and culverts on State Highway No. 24 from 0.5 mile north of the Delta-Lamar County Line to Paris.

The improvement in Red River County will consist of widening bridges and culverts on State Highway No. 37 from Red River to Clarksville.

The Texas Highway Commission has approved the expenditure of \$62,700 for highway safety and betterment in Titus County during 1964. District Highway Engineer Gilbert Youngs of Atlanta announced today.

He said a total of 15.6 highway miles in the county will be involved. The work will be under the supervision of J. H. Crawford, Sr. Resident Engineer of Mt. Pleasant.

District Engineer Youngs said a total of 149.6 miles in this highway district would be involved, at a total cost of \$580,000.

The following improvement projects will take place in Titus County.

US 271 from 1.0 mile south of south city limit of Mt. Pleasant to Camp County Line, 3.9 miles, level up and seal coat, and

US 271 from US 67 in Mt. Pleasant, northwest 11.7 miles, level up and seal coat.

Lib.-Eylau Trims Trojans 21-14

The Liberty-Eylau Leopards pushed across a touchdown with 12 seconds left in the game to down a determined Talco Trojan squad here Friday night 21-14.

Long climaxed a 39-yard drive with a one-yard blast over right tackle for the winning touchdown.

Talco had tied the game with two minutes and 29 seconds left in the game on a 99-yard drive from quarterback Ronnie Nelson to end Butch Perdue. Nelson hit Perdue with another pass for two extra points to tie the game at 14-14.

Talco then tried an on-side kick. The ball dribbled off and the Leopards took over on the 39, from where they started the winning drive.

After stopping Talco on their own 15, L-E moved 75 yards to score with halfback Speer going over from the four for the Leopards' first TD. Rogers kicked the extra point.

Rogers took the second half kick-off on his own 20 and rambled 80 yards for the touchdown. He also booted the extra point.

Talco scored its first touchdown in the third quarter after Jerry Black recovered a fumble on the L-E 43. Jacky Dixon and Ronnie Duncan moved the ball to a first and goal on the Leopard two. Two plays later, Dixon scored. The extra point was not good and the third quarter ended with L-E ahead 14-6.

Liberty-Eylau moved the ball to Talco's 40 yard line after taking the kickoff, but the Trojan defense held to take over on downs. Long's punt rolled dead on the Trojan one-yard line and Talco began its 99-yard TD scoring march. The big play of the drive was a 25-yard run by Dixon.

Then came the attempted on-side kick, which led to the winning touchdown for L-E.

Talco started throwing passes then, but Corky McClure ended the threat when he intercepted a pass as the game ended.

Perdue and Dixon were outstanding on offense for Talco. Jerry Black stood out on defense for the Trojans.

Don Nolte Rites Held Monday

Don Nolte, surveyor and well known in Talco, died at 8:30 a. m. Friday morning in a Mt. Pleasant hospital.

Nolte called for an ambulance to take him to the hospital Tuesday night and when attendants arrived he was unconscious. It was reported by the hospital that he never regained consciousness.

Last rites were held at 10 o'clock Monday morning. Rev. David Davies conducted the services and burial was in the Masonic Cemetery.

Survivors include one brother, Lt. Col. John F. Nolte, Miami, Fla.

Debra Williams was honored on her 4th birthday with a party by her parents, Rev. and Mrs. Bill D. Williams. Attending were Mr. and Mrs. S. F. Worthington, Belinda, Bud and Jill Worthington.

Poll Tax Receipts Available Oct. 1

Poll tax receipts for 1964 voting will be available beginning October 1, says Wallace R. Fields, County Tax Assessor-Collector.

"However, I urge the people not to pay the poll tax now. November 9th we will have an opportunity to do away with the poll tax and I believe the amendment will be approved. If so we will begin using a Registration Certificate which will cost only 25 cents." Anyone paying a poll tax cannot receive a refund if the amendment passes, but they will not have to register again this year. Any new comer to the state or anyone just reaching the voting age of 21 can secure an exemption now because the new law will make no change in their status.

For any other information you are invited to come by the County Tax Office in the Courthouse or call us at PA 4-3542.

Property Owners Get 1963 Tax Statements

Taxpayers have received statements for State, County, School and City taxes for 1963. Notices were in the mail the latter part of last month. In some counties there is a discount for early payment. Discounts include three per cent for October, two per cent for November, one per cent for December, and net for January. Taxes become delinquent in February.

Mrs. L. Sanford of Mt. Pleasant, visited Mrs. Vivian Belcher.

1963 State Fair Of Texas Oct. 5-20

Dallas. — The 1963 State Fair of Texas, a star-spangled "Exposition of Our American Heritage," will open Saturday, October 5 and run 16 fun-filled days through Sunday, October 20.

"How to Succeed in Business Without Really Trying," the award-winning Broadway musical comedy, and the State Fair Horse shows both will open Friday night, October 4.

Gov. John Connally will officially open the Fair in ceremonies Saturday morning following the opening day parade through downtown Dallas, led by the 4th United States Army Band.

Opening day is also Rural Youth Day, and some 100,000 4-H clubbers, Future Farmers and Future Homemakers from all over Texas will be on hand.

Keyed to the Americana theme of the Fair, there will be a colorful "Parade of the Stars and Stripes" around the fairgrounds each evening at 6:45 p. m.

Exhibits from around the world will be on display in the Texas International Trade Fair in the World Exhibits Building. Spanning a wide range of interests, other special features include the "Faces of Freedom" display of 75 original historical paintings, an authentic encampment of Indians from the Iroquois Nation, the "Wonderful World of Jewelry and Gifts," "Optical Mazer" demonstration of a new concept of transmitting communications over light beams, FFA children's barnyard, new 1964 model cars in the Automobile Show and "live" television broadcasts from the Gas Exhibits Building.

Daily free fashion shows, a quilting bee, demonstrations of food preparation in the "Texas Kitchen Window" and the traditional displays of prize-winning arts and crafts and homemaking skills will be in evidence in the Women's Building.

Special free attractions include the Texas Music Festival October 8, Dallas Symphony Spectacular October 10, Military Tattoo October 12, East Texas on

Tax Notices For Titus Co. Citizens

A total of 8,495 statements were mailed Monday by Wallace R. Fields, County Tax Assessor-Collector. This represents an increase of 219 over 1962. In money the tax statements represent a total of \$229,865.81, an increase of \$8,075.20 over 1962.

The state ad valorem tax is \$39,011.75, up \$212.17; county ad valorem is \$118,948, up \$1,207.39, road tax \$27,866.26, up \$151.35, and school \$44,039.26, up \$6,504.29. Most of the increase came about in the schools due to the increase in rates by Argo and Wilkinson.

The total valuation for 1963 is \$125,190.55, up \$126,629.00 from 1962. Real estate increased \$161,915.00 and personal property increased \$36,915.00. On the other hand oil valuations continued to decrease, dropping \$192,100.00 and railroads, banks and utilities increased by \$119,960.00.

Judging by past experience, tax payers of Titus County will pay about 75 per cent of this amount, or approximately \$172,400.00 during the month of October, 1963. A discount of 3 per cent is allowed for payments during October, 2 per cent if paid during November and 1 per cent for December payment. The taxes are due in January, 1964. By January 31, 1964 approximately 95 per cent or \$218,000 will have been paid by the tax payers of Titus County.

J. D. RILEYS HOME FROM WESTERN TOUR

Mr. and Mrs. J. D. Riley returned last week after visiting her brother, R. G. Taylor and Mrs. Taylor in Big Lake. Before returning home they visited in El Paso, Phoenix, Ariz., Grand Canyon, Painted Desert, and other points of interest. In Salt Lake City they visited Mrs. Riley's sister, Mrs. W. I. Wakefield and Mr. Wakefield. They toured the parks, with hundreds of flowers in the most unusual arrangements, the zoo, the aviary, Great Salt Lake, the largest open pit copper mine in the world and an hour's tour of the Mormon Temple Square. Mrs. E. B. Taylor, Mrs. Riley's mother, who had spent the summer in Salt Lake City with Mr. and Mrs. Wakefield, returned home with them.

Parade October 15 and a College Jazz Show October 16.

Austin. — Gov. John Connally spiked increasing rumors of a "near future" special legislative session on congressional redistricting and made clear that he plans to await the decision of a federal court on this touchy issue.

In a specially-called press conference, the Governor also emphasized his support for poll tax repeal. He said "chaos" will result at the polls if the state constitutional amendment is rejected and the Federal amendment to ban the poll tax requirement for voting in presidential and congressional elections is ratified.

Connally was in Washington this week to discuss U. S. financing of the screwworm eradication program, oil imports, forest lands around Toledo Bend Dam, the Jefferson County seawall project, and possibility of a national park in the Guadalupe Mountain Peak area.

He said that President Kennedy may come to Texas on or about November 21-22.

Connally indicated no surprise at a recent statewide Belden poll which showed that 61 per cent of the voters interviewed approved of the way he is running his office. That's an increase of seven per cent since May. Survey revealed that Mexican-American, Negro and labor representatives liked the Governor by about the same percentage as other voters.

REDISTRICTING SUIT HEARD

A federal court took under advisement a Republican group's suit for Texas congressional reapportionment. Suit alleges discrimination against big cities in present representation.

Atty. Gen. Waggoner Carr argued that the U. S. Supreme Court has furnished the Legislature no real guidelines for carving out new districts.

Rep. Menton Murray of Harlingen, chairman of the House Committee on Congressional and Legislative Districts, testified that this was a key factor in the Legislature's failure to re-district this year.

AWAIT FEDERAL ACTION—Carr told newsmen he plans to take speedy action to enforce the Texas Communist registration law after the federal government winds up its present proceedings against John W. Stanford Jr. of San Antonio.

U. S. Subversive Activities Control Board held lengthy hearings on alleged-Communist Stanford's activities at the request of U. S. Atty. Gen. Robert Kennedy.

Stanford refused to register under either State or Federal Communist control laws. Recently he wrote President Kennedy: "The government has no business telling me what my politics should be."

LAW ENFORCEMENT CONFERENCE — Hundreds of local prosecutors, sheriffs, judges and policemen met here for the 13th annual attorney general's law enforcement conference.

TRIBUTE TO GARRISON — Col. Homer Garrison Jr. received a surprise tribute on his 25th anniversary as director of the Texas Department of Public Safety.

Said Sec. of State Crawford C. Martin, representing the Governor at the program honoring Garrison: "It is a tremendous job protecting the lives and property of the people of Texas. We Texans are very fortunate in having a tremendous man to do the job over the past quarter of a century."

CRISIS PERIOD AHEAD — Following a meeting of leaders in the screwworm program, Dolph Briscoe Jr. of Uvalde, predicted the eradication drive will face perhaps its most crucial test within the next 30 to 60 days.

Screwworm cases were reported in the Big Bend area, Wilson, Kinney, Medina, Bandera, Dimmit, Maverick, Edwards, Frio, Val Verde and Zavala counties. Program leaders called for early drops of more sterile flies in the areas hardest hit. Also establishment of a federally-financed "barrier" zone 200 miles deep into Mexico to block continued migration of screwworm flies across the border.

THORNBERRY RESIGNS — Tenth District Congressman Homer Thornberry of Austin has resigned. Effective date is Dec. 10. Thornberry is to become a federal district judge in El Paso.

Voters will select a new congressman on November 9. That's the day Texans vote on the four proposed constitutional Amendments.

Immediately following Thornberry's resignation J. J. (Jake)

Pickle of Austin resigned his post on the Texas Employment Commission and announced as a candidate for Congress.

Pickle, 49, was appointed by Gov. Price Daniel to a five year term on the TEC in January of 1961. He has been active in Democratic circles since his graduation from the University of Texas in 1938.

Rep. Jack Ritter Jr. of Austin announced for the post several weeks ago when Thornberry first indicated he might resign.

OGALLALA — A vast underground water reservoir, which supplies irrigation and municipal water for all or part of 48 counties in West Texas, was the subject of a two-day hearing before the Texas Water Pollution Control Board.

Water districts in the area from Dalhart to Odessa asked the board to outlaw the use of open, unlined salt-water disposal pits by oil and gas operators. Their experts contend that the salt seeps into the underground formation, contaminating the water.

Oilmen were concerned that the Pollution Control Board might set up regulations for the use of salt water disposal wells which would replace the pits as a means of getting rid of the water. They want supervision of their operations to remain under the Railroad Commission.

Board delayed hearing until November 20, to give the oil industry time to make suggestions for curing the problem.

SHORT SNORTS

First enrollment period for new "Over 65" health insurance is October 1-31. Governor Connally called attention to the program with a special proclamation. . . House General Investigating Committee took its first look at allegations of faulty construction in nursing homes for the aged. Governor's Committee on Aging will move to "eliminate whatever weaknesses may exist in present regulations and codes for construction of nursing homes after its own study" says Chairman Walter Richter, State Senator from Gonzales. . . Applications to establish new banks in Nacogdoches (Fredonia State Bank) and Paris (Citizens State Bank) have been approved by the State Banking Board.

T. E. L. Class Has Installation Service

T. E. L. Class of Calvary Baptist Church held installation service in the church annex Monday evening. Mrs. R. L. Prestidge was installing officer and likened the officers to the qualities of fine glass. The teacher, Mrs. Joe B. Nelson and assistant teacher, Mrs. J. C. Stewart, were compared to a magnifying glass, taken from Psalms, 35-27. They will magnify the Lord continually. The president, Mrs. R. T. Fuller and the vice president, Mrs. E. W. Smith were compared to sparkling cut glass as leaders of their class, taken from Psalms 23-3. The secretary and treasurer, Mrs. C. H. Dickinson and assistant, Mrs. J. D. Funderburk, were likened to the pure crystal, as they must be true and faithful servants. Taken from 1st Cor. 4-2. Social chairman, Mrs. O. J. Holland, was represented by the beautiful stained glass as is the beauty of christian fellowship. Acts 2-42. Mrs. H. D. Lightsey, Mrs. A. C. Hopper and Mrs. Charles Russell composed the group captains and they were likened to pyrex, strong and hardworking as witnesses for Christ, taken from Hebrews 12-1. The personal service chairman, Mrs. Ed Nugent, was compared to the qualities of all the glasses which is required for dedicated service.
The refreshment committee, composed of Mrs. Neugent, Mrs. Smith, Mrs. R. W. Weisinger, Mrs. Stewart, Mrs. Loyd Orren, Mrs. M. C. Cooper and Mrs. Nadine Caldwell, served pie and coffee from an all pink table to 14 members. Pink roses with lace fern in a crystal bowl were the centerpiece. Bronze mums made an attractive arrangement on the piano.
Out-going president, Mrs. Holland opened the meeting with a song with Mrs. R. T. Fuller at the piano. She expressed her appreciation for the cooperation of all the class during the past year and encouraged the new officers. The secretary, Mrs. Dickinson, gave the year's report. After the class song, Mrs. Nelson dismissed the meeting with prayer. Others attending were Mrs. R. J. Rosson, Mrs. Zela Neugent and Mrs. M. E. Jones.

Former Talco Couple Re-Wed

After 18 years and five children. Mr and Mrs. John Clifton Means of Greggton, former Talco residents, were re-married on Sept. 2.
They were among the many Arkansas couples who awoke one day to the startling news that their marriages—for one reason or another—would have to be performed again in order for the couple to realize full legal advantages.
When Patsy Ruth Walker was 15 and living in McCloud, she and her lover who was 20, eloped to Texarkana. She gave her age at the marriage license bureau at 18. Her husband-to-be said he was 21. The clerk took their word for it and they were married before a Baptist minister on March 2, 1946.
Means' work keeps him on a Mobil Oil Co. platform in the Gulf of Mexico, just off Morgan City, La., a good part of the time.
The Rev. Travis L. Darby, a former Deport minister, performed the second marriage ceremony at the Greggton Methodist Church.
Said Mrs. Means: I'll bet I'm the only bride who had to get up and iron her husband a shirt for the wedding . . . and I cooked breakfast for him and the children, too."

Michael Matherly With A. F. Band

One of the three boys who recently enlisted in the Sheppard Air Force Band was Michael Matherly of Burk Burnett. Born and reared in Burk Burnett, he played the trumpet nine years through elementary, junior high and high school. Although he played the trumpet through nine years of school, Michael switched to the French horn after auditioning for CWO Harold E. Waite, commander of the band. Despite the fact that he could have entered other Air Force bands, around the world and continued with the trumpet, Michael chose the French horn and be assigned to SAFFB.
Michael a star member of the Bulldog Band several years, was accepted for the All-Region Band all four years in high school, and twice competed successfully in the Tri-State band competition at Enid, Okla., winning 17 band medals in all. Attending Abilene Christian College, Michael played in orchestral, dance, concert and marching bands, and was a member of Alpha Phi Omega. He is the son of Mrs. Valree (Gieger) Matherly and grandson of Mr. and Mrs. B. L. Gieger, Talco.

On the set of Walt Disney's new motion picture "Mary Poppins," Dick Van Dyke, popular TV comedian, and Matthew Garber, 7, take a break from their acting chores to prepare for National Fire Prevention Week, October 6-12. They're studying a list of common home fire hazards in Matthew's copy of the Junior Fire Marshal Magazine. Some 4.5 million elementary school boys and girls will qualify as Junior Fire Marshals this Fall by inspecting their own homes for these fire hazards. The Junior Fire Marshal program is sponsored by The Hartford Insurance Group as a year-round public service to promote fire prevention and safety.

Hay Is Burned At Parker Place

Talco Fire Department was called to the D. L. Parker farm south of town about 1:30 p. m. Tuesday, when a grass fire threatened a barn and other buildings. Mr. Parker is reported to have lost over 1000 bales of hay which were stacked near an empty house on the farm. The fire department was called to put out a fire near Whittens mill on Highway 271 about noon Sunday. Then about 3 p. m. they answered a call to put out a grass fire near the home of Mrs. Nolan Neugent. Monday afternoon at 5 p. m. they were called to a grass fire at the Crawford property.

Alcorn Glad to Learn Owing Farm Helps Improve His Social Standing

Editor's note: Achin Alcorn Philosopher on his Johnson grass farm on Sulphur discovers he has a new standing, his letter this week reveals.

Dear editor: In my time, I have called this Johnson grass farm a lot of things which you wouldn't be interested in printing, but it was only last night I found out the correct thing to call it.

It's a status symbol. According to an article I read in a magazine, owning a farm or ranch is a status symbol, and a status symbol, as I understand it, is something to prove you're a notch ahead of somebody else, like white sidewall tires or a \$6000 automobile that won't go any faster or smoother than a \$2500 one.

"With a growing number of city people, land ownership is a status symbol," the article claimed, adding that formerly a city man, when asked what he was going to do on the week-end, would say he was going to play golf, but now he says he's going out to his farm or ranch. This is

supposed to add to his status; it proves he has luxurious tastes.

Well now, while I'll admit I'd just as soon stay on this farm as play golf, I didn't know till now it was improving my social position to do it.

However, if going up one row and down another on a tractor without springs makes me the envy of city people, if greasing a tractor makes a tired business man wish he could join me, if fighting the weather and insects and high costs looks like a hobby, I will accept this new status with all the grace befitting a man of my position in the society world.

I figure if it helps the standing of a city man to be able to go out to his farm or ranch on the week-end, it must send my rating over the top to be able to stay out here seven days a week the year around.

There is a catch, however, and farming won't reach its full social standing until a farmer can say, Well, I think I'll go into town for the week-end to check on my bank.

Yours faithfully, A. A.

Good Lookin' Cookin'

tastes better, too, when cooked **ELECTRICALLY**

Most women know electric cooking is so much cleaner because it's flameless . . . more accurate because of the precise temperatures possible. But did you know many foods actually **taste better** when cooked electrically! This is true because sealed-in oven heat (no air flow needed for combustion) keeps meats from drying out, makes them juicier and avoids shrinkage. Electric range-top cooking preserves vitamins and minerals because less water is needed. Thus, foods are tastier, and more nutritious. See your dealer real soon about a flameless electric range. Latest models are now on display, and terms are convenient.
