SMALL BUSINESSES NEED PROTECTION

In the past, the small business committee of the United States Senate has warned the executive branch of our government that small businesses must be protected during the mobilization program. Shortages of vital raw materials and a scarcity of workers are imposing difficult problems for the small industries of the nation.

In 1952, with less steel, copper and vital materials allocated to industries which

do not produce goods on government orders, with the defense program picking up speed, taking more and more of the way from small plants, small businesses will be squeezed even more.

It is important that business and industrial organizations give more thought to measures that may keep the little factories running so that when this armament race is over, these small factories can pick up again their important share of the nation's total production. Small industries are the backbone of our nation and, consequently, it is vital that they are not drowned in the current of our mobilization program.

DOINGS AT MEDICINE HAT

Up in Medicine Hat, Alberta, Canada, one James E. Caldwell has invented a bicycle with wings, fore and aft, which flap, and which, in turn, lift the bicycle into the air. Thus, the modern world has its first flying bicycle.

In operation, the wings flap as the bicycle moves along, and though the engine rates only two horsepower, Mr. Caldwell has pulled himself five or ten feet up into the air, with a bird-like rhythm. The strangest thing about the contraption is that it uses gravity for most of its power. Caldwell says he studied the principles of bird flight for ten years before building the "Ornithopter."

The wings reach out nine or ten feet from each side of the bicycle and are cloth-covered. There is as yet no final agreement as to the importance of the new machine but the inventor claims that it represents a new scientific approach, which may prove of greater commercial value than atomic energy. He explains the principle as one in which the wire lifts the weight and the weight propels the wings. "This formula is the science of using air for a highway and of using gravity for most of the power on that highway," he says.

SAVE THAT BABY TOOTH

Dr. Harold R. Klein, assistant Professor of Children's Dentistry at New York University, says premature removal of baby teeth is responsible for at least half of adult tooth trouble. Dr. Klein warned mothers, who see no harm in extracting baby teeth, that such a practice brings malformation of permanent teeth and other disorders.

Almost invariably, the retention of baby teeth means the preservation of more teeth in the adult, the doctor believes. Thus, in the opinion of some dentists, retention and care of baby teeth are as important as care and retention of permanent teeth.

For this reason, dental groups throughout the country are now devoting considerable time and effort to the development of new techniques for preserving children's teeth.

Enjoy- SLEEPING COMFORT

... sleep under an electric blanket. Sleep soundly, sleep restfully, sleep safely — on the coldest night — under ONE electric blanket.

Ordinary blankets — piles of ordinary blankets — wear you out with their weight — make you feel like you hadn't slept at all. And then, if that pile slips off — and that often happens when blankets are piled on — Brrrrrrr.

Don't be overcome with blanket weight. Be overcome with blanket joy. Use electric blankets — single or double bed models — for your home. Automatically controlled, they keep you warm all night long — with a single setting — no matter how the room temperature or the outside temperature change. ONE blanket — of course, it's electric — will keep you warm on any winter night. See your appliance dealer now.

KIWANIS NOTES

By Dr. C. C. Merritt

Monday, January 7, at Nora's cafe, Wheeler Kiwanis Club had its first regular meeting for 1952. The policies and objects of the club were discussed by the president. The committees' activities and the work of the board of directors were commended for its splendid "kick off."

Herman Wiley, Tom Seay and Herman Rives were installed as the first new members for the year. The club is happy to receive these men into its membership. They are very valuable citizens of the Wheeler community. Tom is specially active in the youth work

and has been named chairman of the youth committee. Thurman is our secretary.

The Kiwanis Club is not, as you might suppose, a social club. True it has its social features but the club is essentially a service club. Our chief purpose is to seek out the real need of the community; to present these needs to the people of the community and to furnish leadership in securing these needs. We will cooperate with the citizens who have been aroused to their responsibility to these needs. I hope to be able next week to tell you what the club's accomplishments were last year as well as to relate the objectives of the club for this year.

Smith-Davis Vows Exchanged At Kelton

Coene Carter Smith, daughter of Mr. and Mrs. Charlie Carter of Wheeler, and Sgt. Edmond D. Davis, son of Mr. and Mrs. Claude Davis of Kelton, were married in an informal ceremony December 19th in the home of the bridegroom's parents with Judge Geo. W. Hefley officiating the double ring ceremony.

Mrs. Carroll Pettit was the bride's only attendant. Mrs. Pettit wore a brown suit with green accessories.

Junior Davis, cousin of the groom, acted as best man. The bride chose a two-piece beige dress with cinnamon and black accessories. She wore an orchid corsage. She is a graduate of Wheeler High School.

Immediately following the ceremony a reception was held in the home of Mr. and Mrs. Claude Davis.

The couple made a short wedding trip and returned to Wheeler and Kelton to spend Christmas.

Those attending the wedding from Wheeler were Mr. and Mrs. Harry Wofford, Mrs. Frank Noah, Mrs. H. A. Whitener, Ben Wofford, Mrs. A. C. Mitchell, Mrs. C. W. Richerson, Jr., and Mr. and Mrs. Charlie Carter.

Others were Mr. and Mrs. Geo.

MUSTANG BAND NEWS

See Sharp or Be Flat

REPORTER: LaJune Mann

Everyone started back to school Monday with bright shining faces. Santa was surely good to everybody, or was it just the good rest?

We noticed the new ties the boys have been wearing and wonder what they got for Christmas.

We had our Christmas party Wednesday the 19th after Prayer Meeting at the Homemaking Cottage. Laveta Moore received a large box of chocolates for making the most words out of "Mustang Band." We presented Mrs. Boddy with a set of Pin-wheel pottery. Mrs. Boddy gave all of us a very useful gift. Thank you, Mrs. Boddy. Everyone had a good time and had plenty to eat.

Everyone left school Monday evening saying "Goodbye." I won't see you until next year. We had Davidson, Mr. and Mrs. Junior Davis, Mr. and Mrs. Walter Davidson and Mr. and Mrs. Claude Davis.

FRESHMAN NEWS

The freshman are looking forward to the mid-term exams that come up this week. We only hope they won't make it too hard on us, this being our first year in high school.

BASKETBALL NEWS

The ball teams played Reydol Tuesday night and won both games. They are entered in the Wheeler Tournament next weekend.

GOSSIP

Jerry, where were you and Eddie going with those firecrackers in peoples houses the other night? Surely not setting them off, huh?

Wilma, did you really eat three pounds of chocolate in one day?

Wonder what has been wrong with Patsy Waters this week? Couldn't be that her boy friend has left could it?

We all hate it that Joyce has been sick. Didn't get your cold from anyone we know did you?

Wanda, did you and Patsy have fun in Pampa Monday night or did sleepiness get the best of everyone?

Patsy Tipps, you don't think the new belt is pretty do you? Tootie, don't you give anybody

any sympathy when they get hit with snow balls?

Wilma, what were you doing at the window in Junior Business? Not trying to light a firecracker were you?

Wanda, don't be so down hearted, there are still a lot of Joe's around here somewhere.

7TH & 8TH GRADE NEWS

The seventh and eighth grades are dreading the mid-term tests that are coming up this next week. We sure hope the teachers will go light on us and give all the hard questions to high school students.

This & That

From The HOME DEMONSTRATION OFFICE
By Frances B. Stanton

ENJOY YOUR CHILDREN

Learning to enjoy children means learning to know and understand them. One way is to realize that children are wonderfully sturdy pieces of humanity and they don't necessarily suffer from handling by inexperienced parents. The way you feel about your children is more important than any particular way or time that things are done for and with them. The general attitude of love — unconditional love — and concern and sensitivity to his need is important.

Dr. Benjamin Spock said at a recent White House Conference: "What every child needs most is a pair of parents who love each other and who love him truly."

The things that help the child grow best are pretty much what loving and well-adjusted parents do spontaneously.

The young folks who aren't old enough to go to school often get left out of plans when families get together. In fact, the White House Conference showed this deficiency in community patterns of recreation and other activities. Can we do anything about this in our community? A place for the small ones, with things they can play with, and some person to see they are happy together while families are having meetings or parties, will make for happiness for all.

Children need play as much as they need rest and love, food and clothing—it helps them learn about things — and people — and helps them grow up. They learn more from other children than from adults. Children learn to like others and to get along with them by playing. In fact, play is the child's business.

What things can we give them to play with? Outside there are

logs, boxes, dirt and sand as well as toys and swings. Inside there are quilt playthings—paper to color and cut, blunt scissors, puzzles, books and magazines, soft balls and clay.

If you need help in setting up a play center, call my office. Very good information can be had through the specialist on family life, Mrs. Eloise Johnson, Extension Service of Texas.

LEPROSY GETS MANY TEXANS

About 12 persons in Texas come down with leprosy every year, according to Dr. Geo. W. Cox, State Health Officer. "Since 1921 over 300 individual cases have been diagnosed, mostly in counties bordering the Gulf Coast and Rio Grande River."

"Leprosy," Dr. Cox says, "is one of the penalties of being human. No other animal ever gets it. You do not need to worry a great deal about it because it is probably the least catching of all communicable diseases. The horror and shame in which the disease is held today is a hold over from Biblical times."

"One consolation about the whole thing is that a Russian satellite—Rumania—is the world's focus of leprosy."

"The disease takes two forms, one called tuberculoid because it resembles tuberculosis; and the other lepromatous. The second type affects twice as many men as women, presumably because 'there are more modes and opportunities for infection in men.'"

"Lepromatous patients live an average of 8 to 10 years, while the tuberculoid type apparently doesn't affect the patient's life span. Neither type is as catching as tuberculosis or other communicable diseases."

"Most cases of the disease are contracted during childhood," Dr. Cox reports, "with manifestations actually appearing in the teens or early 20's."

"Medical researchers at the national Leprosarium at Carville, La., are having success in the treatment of leprosy by the use of certain drugs. The Texas State De-

partment of Health can assist anyone suffering with this disease in securing treatment at Carville."

Briscoe H. Demo Club Holds Meeting Jan. 1

The Briscoe Home Demonstration Club met at the club house Tuesday, January 1.

Mrs. Henry Lee, president, presided over the meeting.

There were seven members present who answered roll call with a New Years Resolution.

Mrs. Redoth Thomas became a new member.

The chairman appointed several committees for the year.

Names were drawn for "Secret Pals."

The club will hold its regular auction sale at the next meeting, Tuesday, January 15 at 2:00 p.m. at the club house. The proceeds will be donated to "The Mothers' March on Polio" fund. Each mother is to spend at least one hour in preparing some kind of food or making an article for the sale. Anyone who would like to assist in this worthy cause is urged to come.

After refreshments were served by the hostess, Mrs. Henry Lee, the club adjourned to meet with Mrs. S. E. Mason acting as hostess next time. Visitors are always welcome.

From where I sit... by Joe Marsh

It's Slim's
For An "Honest" Meal

Most people thought Slim Benson would probably go broke when he first started his system of letting customers figure out their own checks over at his big diner on the highway.

Slim trusts them to pay for as much as they eat—you simply tell Sally, his cashier, the amount of your bill. It works, too. Take the other day when Buck Harris told Sally his bill was 35¢.

Now I was right there with Buck and I knew all he had was coffee and pie which comes to a quarter. "How come thirty-five

cents?" I asked Buck. "Had an extra cup of java the other day, Joe, and forgot all about it—'til now," he says.

From where I sit, most people are basically honest — and that goes for their opinions, too, even though they may be different than our own. I like a glass of beer with my dinner; you may prefer something else... but we all ought to be allowed to "figure it out" ourselves.

THIS IS ELECTION YEAR Have You Paid Your POLL TAX?

Your poll taxes are not assessed with your property tax as they used to be and it is necessary that you pay them separately in order that you may be able to vote. Many of you who have paid your property taxes are probably under the impression that you have paid your poll tax also, but you haven't unless you specifically stated that you wished to pay them. Please check your tax receipts to be sure that you have your POLL TAX RECEIPT, otherwise you may be deprived of a vote in the primary and general elections which are to be held this year.

If you haven't paid your POLL TAX, YOU can still do so between now and . . .

JAN. 31, 1952

If you are at Shamrock, you can pay at the office of J. B. Zeigler.

SENIOR NEWS

Well the vacation is over, so back to school, to the sorrow of most of the students. Some of them are glad to be back because I heard one girl remark that it seemed like we had been out a month so she evidently missed her daily trip to school. We had a wonderful time during the Christmas holidays and from what I can hear Santa Claus was nice to everyone, bringing nice gifts to everyone, even the teachers.

The seniors have lost one of the married members of the class who is Wynola Sanders. We are sorry we lost her because she was a faithful class member.

Some of the senior boys went to Dallas to see the Cotton Bowl game on January the first. We hope they enjoyed their trip and returned home safely in the bad weather.

We are glad to hear that Bob Weatherly is well on the road to recovery after his appendectomy. We have certainly missed him at school the past two weeks.

The seniors will run the concession stand at the basketball tournament and would appreciate your business. They will have a large line of good things to eat.

SENIORS ON PARADE

Melvin May was born on January 22, 1933, at Wheeler. He started to school in Wheeler where he finished his first year. The next three school years he spent in Mobeetie moving back to Wheeler in the fourth grade. In grade school he played on the basketball and football teams. He was in the eighth grade play.

In high school he has played football 3 years and basketball 3 years. He has been a member of the F.F.A. Club for three years. He was chosen senior candidate for Halloween king this year. He helped manage the football team this year and played in the last two or three games. His hobby is hunting and his ambition is to be a farmer.

Doris June Magruder was born at Laketon, Texas, June 6, 1931. She started to school at Wheeler her first school year.

In high school she has been a member of the F.H.A. Club for 3 years and a member of the Pep Squad for 4 years. Her hobby is collecting pictures of friends and relatives. Her ambition is to be a bookkeeper.

JUNIOR NEWS

The juniors made some New Year resolutions this year, they are: 1. To give a good Junior and Senior Banquet this year at least try our best. 2. To give one of the best junior plays that has ever been given at Wheeler. 3. To stop aggravating Miss Brown and get down to work for a change. Now if we can just carry these through we will be doing pretty good.

SOPHOMORE NEWS

There were about 6 or 7 girls and maybe boys out of our room that saw the old year go out and the new year come in. I heard also that Glenda got the air let out of her tires Monday night (rather Tuesday morning). Glenda got her hair cut off very short.

The persons that were described in the paper as Guess Who boy and girl were Rondel Richerson and Margie Barr.

GOSSIP

Glenda, Margie, Beverly, Janice and Vondell how was the mid-night show at Shamrock, Monday night? Vondell, we missed your little red pick-up last week. Yolanda, do you really like him? Pud, why so mad Tuesday morning.

FRESHMAN NEWS

We hope everyone had a happy New Year. I think from the looks of everyone at school that it was pretty happy.

We have been taking I. Q. tests and after looking at some of the tests we were ready to admit that we were morons.

There are seniors, juniors and sophomores that are married and engaged. I don't guess it will be long before you'll see rings on some of the freshman girls fingers.

Here is our first and last farming: Beware all boys, this is leap year.

We sincerely hope everyone has much happiness in 1952. Even if it is leap year.

8TH GRADE NEWS

Last Tuesday night, January 1, the junior boys and girls basketball teams played Mobeetie here at Wheeler and the Wheeler girls and boys both won their games. Then Friday night, January 4, the junior boys and girls played Shamrock at Shamrock and the boys won but the girls lost.

**MCWHORTER
 BROS. MEET
 XMAS IN KOREA**

EDITOR'S NOTE:—Below is a
 letter which L. A. McWhorter
 recently received from his son,
 Richard, regarding a reunion of
 his two sons, Richard and Del-
 bert, in Korea at Christmas
 time. Both the boys have been
 in Korea for some time and
 Delbert has seen front-line ser-
 vice.

24th December, 51
 12:00 a.m.

Dear Dad,
 Guess what? Delbert just left
 here to go back to his outfit. His
 outfit was headed back to an Is-
 land just off Pusan and so he got
 a three day pass to come and see
 me. He hitch-hiked in over a
 hundred miles. He walked up yes-
 terday to where I was working
 and I didn't recognize him right
 off. When I finally did, it left me
 unable to speak for a moment. He
 stayed all night and this morning
 with me and then he had to head
 back.
 He is over six foot tall, he will
 weigh close to 200-lbs., he has
 his hair cut real short and has a

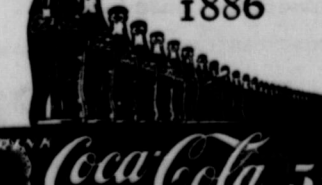

big mustache. When he came in he
 had on two coats, two sweaters,
 a shirt, two pairs of pants, long
 underwear, snow pacs with two
 pair of ski sox, a fur lined cap
 under a helmet and was carrying
 two rifles, a cartridge belt and
 water canteen and first aid kit.
 You can imagine why I failed to
 recognize him right off. He was
 pretty dirty too. Anyway I
 got him cleaned up and got rid
 of most of his clothes and made
 him fairly comfortable. He had
 come off of the front lines the day
 before and never had a chance to
 clean up. He believes that this
 mess is about over or else they
 wouldn't be pulling his division
 back.
 We have it so nice here that he
 was uncomfortable. He brought me
 a Russian made Chinese carbine.
 I gave him the twenty-five auto-
 matic and two bottles of good Am-
 erican whiskey which he said
 would bring a very high price
 from the Army boys.
 The rifle he brought is a fairly
 nice gun. I am going to try to get
 it home. He said that he couldn't
 or he would have saved it. I will
 probably mail it to you.
 I had another guy take some
 pictures of us together. I will send
 you one as soon as I get them de-
 veloped.
 Work time, so long.
 Love,
 Richie

vice with the Wayland College Volunteer Mission Band in charge. Following the services the young people will enjoy a Fellowship hour. On Sunday morning Jan. 13th, the Mission Band will again have charge of the service and at the night service they will present in drama "The Challenge of the Cross." A cordial welcome is extended to everyone to attend these services by the pastor, Rev. E. White.

Mrs. Bill Corcoran and Tommy have returned from California where they visited with her father and mother, Mr. and Mrs. G. R. Price, San Bernadeno and sister and family, Mr. and Mrs. E. T. Martin, Palm Springs. A brother of Mrs. Corcoran, Earl Price, also visited in California at the same time which made the family circle complete for Christmas Day.

It seems there are a lot of changes being made in and around Mobeetie. The J. T. Wallis who runs the Grocery Store and Bus station on the Hi-way have moved

into the D. G. Sim house in the east part of town. S. B. Hooker and family have moved back to their home in Old Mobeetie and Mr. and Mrs. Richard Dyson and girls have rented the Mrs. V. E. Herd farm. We understand also that Mr. and Mrs. Alfred Hill and boys are moving into Maggie Thompson's house vacated by Jack Sims. If this keeps up we won't know who lives where, but it always adds just a little spice to living to move once in a while—sometimes your reporter gets the urge.

Mrs. Ariza Corcoran has been spending some time in Pampa with her father, Mr. Bill Stracher, Lefors, who is ill in a Pampa hospital.

Sunday night guests in the Phil Corcoran home were Mrs. Corcoran's parents, Mr. and Mrs. Raymond Cox, Pampa.

Sgt. and Mrs. Geo. B. Dunn, Jr. were in town a few days last week enroute to Ft. Worth where Sgt. Dunn has been transferred from Topeka, Kansas.

Monday, Jan. 14th, Rev. L. E.

White leaves to attend the Texas Baptist Evangelistic Conference at Ft. Worth. This conference will be held in the Will Rogers Memorial Coliseum and many outstanding Baptist leaders will be heard during the 3 day conference.

Rev. L. E. White announces a Workers Conference at Kelton January 17 beginning at 5 p.m. and urges all who can to attend.

Our basketball teams went to Follott Tuesday where two very good games were played. The girls winning their game with the boys losing by one point—too bad boys.

Mr. and Mrs. John Dunn, Mobeetie and Mr. and Mrs. Roy Sewell, Pampa left Saturday morning for the Valley where they will be joined by Mrs. Dunn's sister and husband, Mr. and Mrs. Mort Elliott, for a trip into Old Mexico. They plan being gone about a month.

Our basketball boys and girls are in a tournament at Wheeler this weekend. Let's hope we come out winners.

Mr. and Mrs. Guy Ward left Sunday for Sayre, Okla. to attend the funeral of a nephew. The baby was the 7 months old son of Mr. and Mrs. Hershel Rankin.

Mr. and Mrs. Tom A. Beck and Tom, Jr. moved to Amarillo Monday to be near his work since Tom works at the Air Base and Mrs. Beck and daughter will move on their place west of town. We are sorry to lose the Becks to Amarillo.

Word has just come to me that Jimmy Johnston, son of Mr. and Mrs. J. T. Johnston, is in the Highland General Hospital, Pampa with pneumonia. We are sorry Jimmy is so ill and wish him a speedy recovery.

News From

office now that Robert Ledbetter has resigned from the Extension Service and Assistant County Agent of Wheeler County. Robert has gone back to his home near Breckenridge, Texas where he will be associated with his father in the farming and ranching business. We will all miss him a lot as he was well liked personally and he did an excellent job as assistant county agent. I know that the Wheeler County 4-H clubs will miss him as he primarily worked with this group.

Now that Robert is gone, I will make the 4-H club meeting in his place. Even though I will not be able to spend as much time with

4-H work as Robert did, we will continue to have as strong and as good 4-H club work as went on before. 4-H club meetings will be held at Shamrock on Monday, January 14; Kellerville on Tuesday, January 15; and at Kelton on Wednesday, January 16.

Plans are progressing on the Wheeler County Baby Beef Show which will be held in Wheeler on the 19th of January. Competition will really be stiff and the boys are doing lots of work on their calves. Hope to see all of you at this show as it will mean a lot to the boys as well as give you a chance to see some excellent jobs of feeding, fitting, and showing of good beef calves.

If you still haven't ordered any of the following seedling for windbreaks or shelter belts, you have until the 30th of January to do so. You can get the following seedlings for \$1.00 per hundred. They are: Osage Orange, Red Cedar, Arizona Cypress, Chinese Elm, Cottonwood, Parvifolia Elm, Russian Mulberry, Sycamore, and Thornless Honey Locust. Send in your order to the county agent's office.

Everyone who is going to plant grass this spring and have their seed and are ready to use the grass drills should let the SCS know this so that they can get the drills going.

March Of Dimes

watch inspector in the Dan Witt building until his death on December 9, 1944.

Mrs. Stedman was always a good wife and mother, a fine neighbor and friend. She was a faithful member of the Methodist Church and her hobbies were crocheting and flowers. Besides her three children, she is survived by one brother, Ed Newman of Greeley; and by four grandchildren: Billie Ruth Rupe, a teacher at Oakley, Kans.; Mrs. Richard (Patsy) Fairchild of Amarillo; Louise Marian Rupe; and Ethel Louise Stedman.
