

The Gay Philosopher

By J. W. S.

A VISITOR to our office this morning was Mr. Gene Watson, who returned this week from being a guinea pig at the Buie Clinic for arthritis in Marlin. And the progress report is definitely good. Gene, in fact, a chronic case under control and the odds are on his side.

WHEN GENE left Cisco about a month ago, he could hardly move a muscle. He weighed less than 80 pounds. He had been confined to his bed for some two years. Today, he has gained some ten pounds. He can move just about every muscle. And when Mother Nature and a lot of good solid food meat on his bones and strength in his legs, Gene will be walking on the streets again.

THE CLINIC released him, stating definitely that his arthritis is under control. A supply of the compound E has been made available for the family doctor to continue the treatments. In addition, he has an elaborate exercise schedule, and a diet that includes plenty of beef steaks and potatoes. Pains are gone, too. When he left for the clinic, Gene practically trembled from pain every time he moved. Today, there's no pain. While he was talking to us, we discovered he could snap his fingers for the first time in years.

MRS. WATSON says he eats with a super appetite—something he has been missing for a long time. We're sure that all Cisco is glad as Gene is that he's home and that the outlook is very bright for him to return to normal living.

MR. H. H. TOMPKINS, the lock-plant man, told members of the Cisco Club this week that he does not wish to appear fussy. But he thinks it's time they decided what they're going to do with some barbecue they had left over from a big feed some four years ago. When the barbecue was over, Tompkins took the left-over meat to the locker plant. They covered the other day that it's all there.

DR. E. E. ADDY, the club's new tailwister, took over his new job with a bang this week. He came armed with a pistol—a .45 caliber—squirting gun. One of the duties of the tailwister is to fine people who get out of line. So, in addition to the water gun, he brought a cash register.

THERE WASN'T a necktie cut at the Lions banquet last week. Usually just about everybody gets a necktie cut off. So all members of the club wore old ties. Tailwister Stormy Davis, who had brought along his shears, got even. He fined every member for wearing an old tie.

SPEAKING OF Stormy, all Cisco-fans to see him leave as foot-coach at the college. But everybody should listen when opportunity knocks, and Stormy has been listening. He's an all-around fellow, he should do very well in his new field. Mrs. Davis is the daughter of Mr. and Mrs. E. G. Damron of our town. Stormy have made our town citizens.

AN error occurred in the advertisement of the IGA Stores—Grocery—in Thursday's issue of The Press. Valley Rose Apple Juice should have been priced at two 46-oz. cans for 73c.

Mr. and Mrs. C. M. Britain left this week for points in the north and West Texas where they will spend their vacation.

FOR SALE—PEACHES. There will be a few peaches on sale at our peach stand 601 West Saturday July 8. Be glad to see old as well as new customers. We will be and get some of them. The peaches and late frosts played havoc with our early and mid-season varieties. However we hope to have peaches on sale most of the time from now to the time the ANKS come in, about Aug. 10. We have a fair crop of Franks, which will have peaches regularly at that time as long as the season lasts, and hope to be favored by your patronage. J. E. Spence, Peach Stand. 165

"ROCKET AHEAD" with Oldsmobile. Motor Company, Eastland

ALL FOR LOVE—Homer Cook, the Oklahoma bad boy who entered Germany illegally in order to visit his girl, Annie Sporer, right, sits in court in Munich awaiting trial on 20 charges. Cook appears mild enough, but he's a past master at breaking out of jail in order to visit his girl. And when he goes calling, all of Germany has to stage another manhunt for a few days.

CAUTION WILL CONTROL FOOD POISONING, HEALTH MAN SAYS

AUSTIN, July 7. — Food poisoning and the spread of food-borne diseases can be "things of the past," State Health Officer George W. Cox asserted here today.

"People need only remember three things to bring about the end of the food poisoning disease classification," Dr. Cox declared. "Buy food from safe sources, prepare it in a sanitary fashion, and serve and store it correctly."

He said state laws covered the sale of contaminated food to the housewife, but "only the housewife can see that food is properly stored and cleanly prepared for serving the family."

There is a difference between food infection and food intoxication, he pointed out.

Food infection comes from eating or drinking a product contaminated by a germ. Dysentery,

typhoid fever, para-typhoid fever and tuberculosis are examples. Animal parasites can also gain entry to the body in this way. That, the doctor said, is how people get trichinosis and tapeworm.

The growth and multiplication of certain toxin forming bacteria in unrefrigerated foods bring on food intoxication, according to the explanation. That is the source of staphylococcus infection and the deadly botulism. Some kinds of mushrooms and certain shellfish are also poisonous.

Some poisonous substances may be accidentally introduced into the food, Dr. Cox said. "For instance, rodent and insect poisons, spray residues on fruit and vegetables, and poisons from metal containers."

To point up the deadliness of some food poisons, he related the story of the housewife who suspected some home-canned green beans she had just opened were tainted.

"She barely tasted one of them, but it killed her in a matter of hours. Such instances are rare but do occur."

Briefly Told

Mr. and Mrs. J. P. McCannies and Mrs. A. A. Harwell spent the Fourth with Mr. McCannies' son, Elroy McCannies, and family in the Humble camp near San Antonio, and with Mrs. Harwell's daughter and husband, Mr. and Mrs. Dick Wheeler, and family of San Antonio.

Mr. and Mrs. J. C. Paschall of College Station came in last Friday and spent the weekend and Fourth of July holiday with his parents, Mr. and Mrs. Crigler Paschall. J. C. is a senior student at Texas A&M College.

Gordon Strawn, Joe O. Harris, and T. E. Owen went to Ellsville on the Fourth where they spent the day fishing. Strawn was very successful, catching a 48-pound fish.

Mrs. Witt Stuart and son, Ben, of Odessa visited here Thursday with Mr. and Mrs. H. J. Woolridge. Mrs. Stuart is a daughter of Mrs. Woolridge's sister, Mrs. W. E. Tucker of Loraine.

Mrs. Ora Forman left today for Odessa where she plans to spend a month in the home of her son and wife, Mr. and Mrs. Luther Forman.

STRICKLAND TO SPEAK

Rev. Otis Strickland, pastor of the First Baptist Church here, will address a meeting of the teachers and officers of the First Baptist Church in Eastland at 7:30 p. m. Friday.

Modern Service for Your Convenience Bank at the Drive-In Window 1st NAT'L BANK—Member F.D.I.C.

Wesley Methodists Have Weekly Activity For Children

Thursday from 9 a. m. to 12 noon, children of the Wesley Methodist Church met at the church for three hours of activities similar to Vacation Bible School.

According to Mrs. C. A. Warden, director of the group, this is to be a regular weekly affair. The children who attend will hear Bible stories, sing songs, play games, and carry on workcraft.

The children of Cisco were invited to enroll for the program which is scheduled to run throughout the summer months.

Gospel Meeting At Second Street Church

A gospel meeting at the Second Street Church of Christ has been announced for July 9-16.

Services will be conducted each evening at 8 o'clock with R. L. Wall of Quanah doing the preaching.

The public was invited to attend these services at the church located at 305 West Second.

Mrs. Jim Latimer Is New President Of Ladies Group

Mrs. Jim Latimer has recently been elected the new president of the Christian Women's Fellowship at the First Christian Church, according to Rev. Maurice D. Swisher, pastor.

The fellowship was a formerly known as the Women's Missionary Council.

Baptist Workers To Meet Tuesday at Church

The regular monthly Workers' Conference of the Cisco Baptist Association will meet at the New Hope Baptist Church Number 3, north of Ranger, Tuesday, July 11, according to Rev. H. D. Blair, associational missionary.

Speakers for the day will include Rev. Clifford Nelson of Olden, Rev. Jasper Massague of Ranger, and Rev. Frank Foster of Caddo. The ministers will speak on important doctrines of the Christian faith.

TELEPHONE MEET

Farmers and rural residents of the county who are interested in obtaining telephone service have been invited to a meeting at 2:30 p. m. Saturday at the Comanche County courthouse. Representatives from eight counties will attend the gathering, which is being sponsored by the REA.

FOR RENT — 3-room furnished apartment. 612 W. 4th, Phone 357-W. 165

Lake Up Two Feet, Crop Outlook Good After Rain.

Fair Progress Is Reported in Farm Work Over State

Necessary field work made fair to good progress in Texas during a week of typical mid-summer weather. In the northern high plains rains temporarily delayed wheat harvest but were beneficial to grain sorghums. Heavy rains in most low rolling plains counties were very beneficial to cotton, grain sorghum and pastures. Outside of the northwest the widely scattered showers were generally too light to materially help growing crops.

General rains would be very beneficial in western, central and southern counties. Wheat harvest was practically completed in the central high plains counties. Uncut fields in northern high plains counties were getting weedy.

Early corn was maturing in south central Texas and was reaching the roasting ear stage in the northern counties. Much of the corn is late and was needing additional moisture in many areas. Rapid progress was made in harvesting the commercial grain sorghum crop in the coastal bend and lower Rio Grande Valley. Condition of the growing crop was almost completed in the southern high plains except for a few localities needing surface moisture for germination.

Planting and replanting continued in the northern high plains, where recent rains will be very beneficial in getting the crop off to a good start. Peanuts were up to a good stand in most northern counties. Rice made good development during the week.

Range and pastures were supplying adequate feed over most of the state. Mid-week showers in the northwest added further to moisture reserve and will keep grass growing. In many other areas native grass was curing in the hot dry weather. Sudan grass continued to supplement native pastures on many farms. All classes of livestock continued in generally good flesh. Screw worm infestation continued very severe.

Young People Will Meet on Saturday

High school and college young people of the First Presbyterian Church have invited their friends to join them in their first "Say-So" house meeting Saturday night at 8 o'clock. Games, gab and grub will be enjoyed by the attendance.

Any young person who wants fun and fellowship was invited to the First Presbyterian Church, 6th and Ave. G. Meetings will be held each Saturday evening throughout the summer, according to the announcement.

Nazarenes To Have New Superintendent

Rev. Orville W. Jenkins, formerly of Salem, Oregon, is the new superintendent of the Abilene District of the Church of the Nazarene, it was announced this week by Rev. Cecil Stowe, local Nazarene minister.

Rev. Jenkins succeeds the Rev. W. B. Walker who recently resigned to accept the pastorate of the First Church of the Nazarene, Dayton, Ohio.

At a rally in Breckenridge, July 18, members of Nazarene congregations in Cisco, Eastland, Ranger, Stephenville, Mineral Wells, and Breckenridge will hear the new superintendent.

Clovis Pastor Will Speak Here Sunday

Rev. William C. Cummings, pastor of the First Presbyterian Church, Clovis, N. Mex., will be the guest speaker at both morning and evening church services Sunday. The Lord's Supper will be administered in the morning worship and recent members who have been received into the membership of the church will be baptized.

"God So Loved the World" by Landon will be sung by the choir at the morning service.

SENORA GUANACO AND CHILD—The only guanaco ever born at Brookfield Zoo, in Chicago, Ill., made her first public appearance at the age of two days and posed for the photographer. Her name is Clementine and she's with her mother, Gertrude. The guanaco, a South American pack animal, does not breed well in captivity and Clementine's birth was something out of the ordinary.

George Irvine Is Assigned To Pipe Line Office Here

George N. Irvine, recently of Longview, has been assigned to the Humble Pipe Line Company's Cisco headquarters offices as assistant Central Texas division superintendent, it was announced Thursday. Mr. Irvine has been here about a month, having been sent here as acting superintendent in the recent absence of Superintendent W. P. Guinn.

Mr. Irvine had been in Longview for about two years as assistant superintendent of the East Texas division. Here about a month, the recent move made his Cisco assignment permanent. Mr. Guinn returned to his offices here last Saturday.

Mr. and Mrs. Irvine are making their home for the present at 1605 Avenue D. Mr. Irvine was with Humble here for some ten years being transferred to West Texas some 14 years ago.

Mrs. Harlan Suffers Broken Leg in Fall

Mrs. W. J. Harlan, 78, mother of Mrs. Paul Woods of Cisco, was taken by ambulance early today to Temple for treatment after she suffered a broken leg Thursday night in a fall at the Woods residence. Mrs. Harlan lives in Bartlett and has been a frequent visitor here.

She was given emergency treatment at Graham hospital and was there overnight. An examination disclosed a broken ankle and a broken bone in the thigh or hip. Mrs. Woods accompanied her mother to Temple, where the aged woman's son is a physician.

TO GO TO CAMP

Members of the Cisco battalion of the Texas National Guard will report to Camp Hood for two weeks of active duty on July 16, it was reported today.

Mr. and Mrs. C. S. Karkalis and daughter, Miss Louise Karkalis visited his sister, Mrs. W. F. Walker here Tuesday evening. A nice picnic lunch was enjoyed on the lawn.

Thursday's Rain Measures From 2 To 3 Inches Here

Cisco's water supply materially increased and the farm outlook for the area was bright today after a soaking rain, averaging from two to three inches, fell in this Central West Texas region Thursday afternoon.

City officials reported that the Lake Cisco water level was up some two feet and that Lake Birnie was full, with water still running into both lakes. The Lake Cisco rain gauge registered a fall of 3.3 inches, while the city hall two inches.

Rain appeared considerably heavier around Lake Cisco and in the area north of the reservoir than in the Lake Birnie watershed.

Peanut crop outlook appeared very bright, farmers reported. All planting had been finished and the new moisture assured excellent growing conditions for several weeks. Little or no damage was reported from the rain storm.

Most cities in this section reported good rains. The rain was accompanied by welcome relief from a heat wave that had kept thermometers in the upper 90s for several days. The forecast called for continued cool with probable rain showers.

Wranglers Trim Albany Team In Softball Contest

In a wild slugging contest, the Cisco Junior College Wranglers scored a 6-4 victory over Albany in a softball game there Thursday night.

There were hits aplenty for both teams. Jerry Cottle, Albany pitcher, gave up 19 hits, but superb fielding by his teammates held the Wranglers to only six runs.

Lonnie Crosby, Cisco hurler, also had a rugged night with Albany hitting almost at will. Due to brilliant fielding by Jack Leveridge and the Wrangler infield, led by Don Johnson, the Cisco boys were able to rack up their fifth victory since entering the Inter-City League. The Wranglers have one loss against their record.

The Wranglers have one more league game — at Gustine next Tuesday night. If they can win this one, they will hang up a record any team could be proud of.

In the season as a whole, the Wranglers have won 17 games and lost four, playing one 4-4 tie with Lamb Motors of Eastland.

Seymour Speaks At Rotary Meet

Rev. Leslie Seymour, superintendent of the Cisco District of Methodist Churches, talked to Rotarians and guests at their regular weekly luncheon meeting at the Victor Hotel Thursday.

Rev. Seymour talked on "The Real Things of Life," and stressed the point that the making of money was a minor thing when placed beside love for man and God. He appeared on the program at the invitation of Rotarian W. P. Guinn.

The meeting was in charge of C. W. Henry, newly elected president.

Visitors at the Thursday meeting were Rotarians John B. Ray, Abilene; Jack Reynolds, Brownwood; Claude Brown, Pettus and C. A. Deuschle, Mineral Wells. Other visitors were George Ervine, Cisco, and Joe Eddy Hayes, Abilene.

Recent visitors in Cisco were Dr. Wayne Gormley of St. Louis and his brother, J. Grant Gormley of Fort Worth who were guests of their grand-mother, Mrs. Ora Forman.

FOR SALE — 1.6 acres adjoining Cisco on the new Abilene Hwy. C. H. Housh, 1000 W. 11th. Phone 737-J. 165

COMMUNISTS ARE ON THE JOB

The American Communists, who have gone underground with a vengeance, are attempting to weaken the nation through propaganda, and are training spies whose job is to bore inside the government and to steal our top military secrets — particularly those concerning atomic weapons, jet planes, and plans for the national defense in event of war. That, in essence, is what FBI Director J. Edgar Hoover recently told a Senate committee.

Mr. Hoover is under no illusions as to Communist purposes. He said, "The Communist Party is not a bona fide political party. It is a highly organized, militant, disciplined conspiratorial group dedicated to the overthrow of our government."

Just how large is this party

whose loyalty belongs to a foreign power? According to Mr. Hoover, there are 54,174 actual Communist Party members within the U. S. at the present time, most of them in the concentrated centers of population. New York State alone contains about half of them. It is likely that for every party member, there are 10 sympathizers, who are ready, willing and able to do the party's work. So, he declared, "there is a potential fifth column of 540,000 people dedicated to this philosophy."

Since the trial and conviction of the party's executive board, major organizational changes have been effected, Mr. Hoover continued. The trend has been toward decentralization. In order to eliminate the dangers that arise when large numbers congregate, the number of Communist Party clubs has almost tripled. No membership cards were issued last year, and the maintenance of membership records has been discontinued. A courier system has been established to protect confidential communications. Secret printing plants have been set up. Leaders are being selected for the underground. A thorough and elaborate system has been devised for making certain that each member is loyal to Communism and will remain so.

According to Mr. Hoover, the

party has "endeavored to exploit youths, veterans, civil rights, foreign nationality, the press, radio, television, the motion-picture industry, educational, political, women and labor groups. . . . Forty-eight percent of the membership of the Communist Party is in the basic industry of this country. . . . Communist efforts toward infiltration have been intensified in basic industries vital to our security, such as steel, heavy machinery, mining, communications, transportation, the electrical industry and the maritime industry. . . . The Communists have developed one of the greatest propaganda machines that I think modern civilization has ever known. . . . It is clear that Mr. Hoover regards the Communists and fellow-travelers as an exceedingly grave menace to our security. And no man is in a better position to know."

INTERNATIONAL SUNDAY SCHOOL LESSON

MOSES, WHO LED HIS PEOPLE TO GOD

Devotional Reading: Exodus 33:12 to 34:9. The Larger Lesson: Ex. 4:28-31; 19:20; 35:40-17:38; The Lesson Text: Exodus 19:16-25; 35:4-5; 21.

Golden Text: If ye will obey my voice indeed, and keep my covenant, then ye shall be a peculiar treasure unto me above all people. Ex. 19:5.

INTRODUCTION

1. This lesson leads us to think of one of the great men of history. 2. Moses was a great man because of his relationship to God. 3. Since he wrote the first five books of the Old Testament, we will have to cover a good deal of material to get the life of Moses in concise form. 4. Thus we give a brief of the life of Moses and draw lessons therefrom.

A. Brief of the Life of Moses, Who Led His People to God, Three Periods of Forty Years Each

I. From Birth Until Flight from Egypt. 1. Moses was born in troublous times. Faith preserved him. Heb. 11:23.

2. Adopted into family of Pharaoh. Moses nursed by his own mother. Important period of his education. 3. Moses was educated in all the wisdom of Egypt. Acts 7:22.

4. He chooses to ally himself with the people of God. In a fit of anger slays an Egyptian. 5. Now comes the flight from Egypt into the wilderness. He flees to Midian.

II. Period of Preparation to Be a Leader of God's People. 1. By chivalrous conduct Moses secures a home and a wife. 2. The discipline of Moses in the desert.

a. He is content to be shepherd. b. Solitude of desert encouraged meditation. c. Gained knowledge of country through which he would lead Israel.

3. Moses called at the burning bush. a. Burning bush symbol of fiery trials of Israel but they would not be consumed. b. Moses raises objections. "I am not equal to the task."

"By whose authority am I to go?" "The elders of Israel will not believe me." "I am not an eloquent man."

"Send anyone except me." c. Moses surrenders and departs for Egypt.

III. Moses the Deliverer, Leader, and Lawgiver of Israel.

1. The duel with Pharaoh to liberate Israel.

a. Elders are convinced by words and signs and consent to make trial.

b. Pharaoh replies by increasing burdens of Israel.

c. A sign is given to Pharaoh. The rod of Moses swallows up other rods.

d. The contest in ten battles (plagues.)

e. The passover and the exodus. f. Deliverance at the Red Sea.

2. The journey to Mt. Sinai. a. To Marah—bitter. "I am thy healer."

b. To Elim (twelve springs of water.)

c. To the Wilderness of Sin. Manna. Cf. Deut. 8:2-6.

d. Rephidim and its trials. Water for their thirst. Battle with the Amalekites. Deut. 25:17-19.

3. At Sinai. a. Preparation to receive the law.

b. Great day when law given. Solemn ratification of the law.

c. First forty days of Moses on Mount and receives pattern for tabernacle.

d. The golden calf. e. The tabernacle built by free will offering.

f. Anointing of Aaron and sons. g. Journey from Sinai to Kadesh-barnea.

5. The period of Wandering. (Nearly thirty-eight years.)

6. From Kadesh-barnea to Plains of Moab.

7. The closing days of Moses. a. Moses warned of approaching death. Joshua appointed his successor.

b. The war with Midian. c. Closing addresses of Moses in last month of his life. Deut. 1.

Lesson for Us from the Life of Moses

I. It is a great advantage for a child to be born into a home of faith and devotion to God.

II. A Godly mother is the most potent weapon God has in the world.

III. When God calls one for service He calls to preparation.

IV. Trials work patience in the believer.

V. A leader must be able to stand alone and be able to suffer misunderstanding.

VI. One will not know the end of his influence until Jesus comes.

VII. Meekness and humility are marks of greatness and strength of character.

Mr. and Mrs. Dale Howard and baby, Caroline, of Austin visited here on the Fourth with her brother and wife, Mr. and Mrs. Ted Waters. With them was Mr. Howard's mother, Mrs. O. L. Howard, of DeLeon.

East Cisco Baptists Prepare For Revival

Men of the East Cisco Baptist Church will meet at the church at 7 p. m. today to work on the new building in preparation for the revival meeting which begins on Sunday, according to Pastor Paul Stephens.

New Sunday School rooms are being built in the back of the new building, side walls of the auditorium are being painted, and varnishing of woodwork is also planned before Sunday.

The new baptistry was installed this week. A beautiful baptistry scene was to be installed today. The painting was paid for by Hancel McCord of Dallas, a former member of the church. This week,

two new pulpit chairs were installed through the courtesy of Rev. Mart Agnew, another former member of the congregation.

J. C. Pelfrey, Sunday School superintendent, has pointed out the need for more baby beds in the nursery of the church and for two pianos for the new Sunday School departments. Anyone having baby beds or pianos not in use and wanting them to be used by the Sunday School, was asked to contact Mr. Pelfrey.

In the revival meeting, July 9-16, the pastor will do the preaching at all Sunday services and at the week-day evening services of the revival series. Rev. Joe Smith, Jr., pastor of the Harmony Baptist Church, Morton Valley, will lead the singing and speak at each week-day morning service.

The public was invited to attend these services to be held in the new air-conditioned auditorium at 504 East 11th.

First Methodist Services Given

Rev. E. H. Lightfoot, pastor, will speak in both worship services of the First Methodist Church Sunday. At 10:50 a. m., he will speak on the subject, "Sunset at Dawn." The choir, under the direction of Mrs. R. N. Cluck, will sing Florence Blair's arrangement of "O Lamb of God I Come."

At 8 p. m. the pastor will speak on the "Decision of Destruction." Special music will be provided by the young people of the church.

The pastor reported that Church School attendance was up 11% last Sunday over the previous Sunday, in spite of the weekend holiday. New workers are being added to the staff.

All members and friends of the church were urged to attend the Church School every Sunday in

Wesley Brotherhood To Meet Tonight

The Brotherhood of the Wesley Methodist Church will meet at 8 o'clock this evening for an ice cream supper, according to Rev. C. A. Warden, minister.

The men have invited their wives and other ladies of the church to meet with them.

preparation for the worship service.

The Youth Fellowship Hour at 7 p. m. is attracting larger groups each Sunday, the pastor said. A weekend retreat is being planned for the young people of the church.

Air-conditioning equipment was used for the first time last Sunday and met with universal praise.

"For a warm spiritual service in a cool place, First Methodist is it," says Rev. Lightfoot.

Congregation To Meet At City Hall Sunday

The congregation of the Bible Baptist Church will meet at the City Hall again Sunday, it was announced here today.

Services include Sunday School, 10:30 a. m.; morning worship, 11 a. m.; evening worship, 8 p. m.

The public was cordially invited to attend.

Times Changed At Church of Christ

Due to the long days of the summer months, time for services at the Church of Christ have been changed as follows: Young people, 7 p. m.; worship, 8 p. m., and the Wednesday night service at 8 p. m.

Sunday morning services will continue at the regularly scheduled times, according to officials of the church.

PRESBYTERIAN CHURCH

The Churches Of Cisco Welcome You

**THROUGH
A GLASS...
DARKLY**

She's frightened. She's seeing the world for the first time through dark glasses. It's no wonder you and I are frightened. Ever since we were old enough to reason, we have been seeing the world through dark glasses. It's just as Paul said:

"Now we see through a glass, darkly; but then face to face."

We spend our years wondering why things happen as they do... why hatred flourishes and love withers... why sorrow seems inevitable and joy so rare. Apparently, we were not meant to understand... not here!

Some truths God has revealed to us; these our Churches teach. Other truths God will not reveal until another day; to prepare us for that day our Churches strive.

Until at length we gain that complete vision, we are happiest and strongest when we live faithfully in the truth already revealed. Even with dark glasses a man can see as long as he walks toward the Light.

**THE CHURCH FOR ALL...
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	I Corinthians	13	9-13
Monday	James	1	22-27
Tuesday	Matthew	19	13-22
Wednesday	Ephesians	6	1-4
Thursday	Psalms	118	19-29
Friday	Luke	1	76-80
