Officer Election Slated Tuesday

The annual election of the Mitchell County Pest Management Steering Committee will be held Tuesday in the Lone Wolf Medallion Room at 7 p.m.

This is a very important meeting for the cotton producer, according to Deanna Myers, county entomologist. The men serving on this committee are a vital part of determining what the cotton pest management program will be like in Mitchell County. They decide when the planting date will be and who should speak at a meeting like the recent Cotton Information Day.

They also help in securing demonstration plots, give support to the entomologist, set intensified scouting acreage costs among other things. Most of all they represent your concerns to myself and the Texas Agriculture Extension Service. Farmers should know who is representing them and be instrumental in that decision.

AN OHIO FAMILY ESCAPED serious injury when their 1980 Chevrolet pickup turned over on Interstate 20 after a blow-out on the rear.

VFD Needs $$

The Colorado City Volunteer Fire Department is $4,140 short of the money needed to complete the Department's 1975 Ford Pick-up that is being renovated for a fast response rural fire truck.

The four-wheel drive truck will be rigged with tanks and pumps to make it efficient.

The total cost of $8,695, included $3,600 for the truck, $500 for fires, $3,995 for tank and pump unit and $600 for radio and lights.

To date, there has been $2,555 in individual donations and $2,000 given by the County Commissioners, but this is still short $4,140, according to Volunteer Fireman Jack Green.

Green stated that any and all donations will be appreciated.

Woman Injured In Highway Accident

A family, the Leslie Hulls of Ohio, escaped serious injuries when the right rear tire of their 1980 Chevrolet pickup blew out Wednesday afternoon.

A man and his wife and their two children were east bound on Interstate 20 and were pulling a trailer, when their back tire blew out, causing Hull to lose control of the vehicle, just west of the Colorado River bridge. The pickup landed upside down in the median and the trailer crossed over the median striking a west bound vehicle and causing minor damages to that vehicle.

Mrs. Hull sustained a broken collar bone in the accident and the other members of the family were uninjured. Mrs. Hull was taken to Root Memorial Hospital by the Mitchell County Ambulance Service.

Assisting Texas Highway Patrolman James Burson in the accident were Jimmy Roundtree of the Colorado City Police Department, Mitchell County Sheriff's Department, Colorado City Volunteer Fire Department and the City of Colorado City, in helping to clean the debris from the highway.

Dossey's Wrecker Service removed the wrecked vehicle and trailer from the scene of the accident.

8th Annual Railhead Roundup Is Scheduled For October 2 & 3

The 8th Annual Railhead Arts and Crafts Roundup sponsored by Colorado City, Texas, is scheduled for October 2 and 3. All craftsmen and artists interested in displaying and selling their wares are invited to write now for information or advance reservations.

Early announcement is made to allow prospective exhibitors ample time to arrange their year's schedule.

All artists and craftsmen will want to be at this 1982 event. The show draws many hundreds of visitors from the State Park nearby and the surrounding area, as well as fans from as far away as New Mexico, Oklahoma and Colorado.

No media lacks representation. Leather, stained glass, and wood-carving craftsmen are especially popular and this year ceramic workers will be featured with special attention. The country and western motif of the Roundup attracts quilt-making and weaving experts, belt-buckle designers and painters and water colorists of the western scene. There are flower makers, enamelers, photographers, jewelry designers, sculptors in metal, stone, and clay; makers of handpainted bags and miniature western buildings, framers of butterflies, amateurs and professionals in batik, macrame and textile painting. This is a show for any hobbist as long as his or her work is original and hand-made.

The deadline for reservations is August 31, but applications are already being taken in Roundup headquarters at Dockrey Motor Co., on "east hill" of 2nd Street, mailing address Box 236.

Club To Observe White Cane Week

. The Colorado City Noon Lions' Club and the Sundown Lions' Club will jointly observe Lions' White Cane Week March 13-20. This week has been designated as White Cane Week in Texas. Lions chose sight serving in 1925 when Miss Helen Keller challenged the Lions of America to serve the blind and needy with impaired vision. This wonderful woman with multiple handicaps called her inability to see the greatest of her limitation.

Lion J. O. Dockrey, Jr., is chairman of the Sight Conservation Committee and White Cane Days. Lion members of the two clubs will be on the prowl during White Cane Week asking for your donations for sight conservation and work for the blind. Small miniature white canes will be given to persons making a donation. Small jars will also be placed in the various business establishments where individuals can make donations.

Van Mills, president of the Noon Lions' Club stated that all the money raised would be used only for sight conservation.

City Council Passes Ordiances 82-87 Which Calls For Amendment Election

The City Council of the City of Colorado City, Texas has passed Ordinance 82-87 which calls a charter amendment election to be held April 3, 1982. Voters will have an opportunity to cast ballots for or against several issues which will appear on that ballot.

One issue before voters will be the amendment of the city charter which would allow the City Council the authority to meet in executive session for the purpose of discussion of matters which concern land acquisition, litigation, or personnel as authorized by state law. (State law provides specifically for such executive sessions provided that such sessions are not contrary to any provisions of a City's Charter. Currently, the home rule charter of the City of Colorado City prohibits any such session.)

Voters will have an opportunity to cast ballots for or against the amendment which would allow the Council to meet in executive session to discuss land acquisition, litigation, or personnel. Should this amendment be approved by voters on April 3, all applicable provisions of the open meeting's law would still remain effective. The posting of notice of all public meetings would still be required. Further, no action may be taken in executive session. Any action resulting from discussion in executive session must be taken in a reconvened open session of the City Council which is required to be posted at least 72 hours in advance of the meeting.

The City Council has indicated that it will be the city's policy to invite news media to all executive sessions, provided that the media exercises appropriate discretion in not reporting the discussions of the executive sessions. In addition, it will be the case in most instances that the city attorney and the city manager will be present, thereby insuring that discussions do not vary from the subject authorized for discussion in executive sessions–land acquisition, litigation and personnel.

Second, voters will have an opportunity to vote for or against a charter amendment which would allow for the direct popular election of the mayor rather than the election of the mayor by City Council members. This amendment would not change the form of government in the city from a council-manager form. It would simply provide that the mayor file for election for the office of mayor, rather than being selected by the full Council from Council membership. Should, however, no candidate file for the office of mayor, the City Council would select a mayor from its membership.

Third, voters will have an opportunity to vote for or against an amendment which would provide that the Council may select a City Manager from among its membership in the event of the voluntary resignation of a City Manager. Currently, the City charter requires that no person may be selected for employment as City Manager on a full time or a temporary basis if that person has served on the City Council within one year prior to appointment.

Letter To The Editor

Dear Editor,

Colorado City Council recently voted to place three Amendments to the City Charter on the ballot.

It is my firm belief that one of these Amendments, specifically the proposal to close Council sessions at certain times, would be detrimental to the public welfare.

This Amendment states that meetings could be closed at the Council's option if: the purchase of land, or discussion of personnel, or legal action for or against the city is to be discussed.

I believe that as in any business, the people paying the salaries and expenses of that business have a right to full knowledge of any matter which directly concerns that business.

The city must be considered one of the largest businesses in this area and we, the taxpayers, supply the funds, in total, for the operation of this business.

The council could argue that property prices would be much greater if it is general knowledge that a specific piece of property is being considered for purchase.

I would argue that it is a responsibility of the City Manager and City Attorney to negotiate for a particular piece of property in private.

After negotiations, the proposal may be presented to the council in public view and at that point, the council may determine if in fact the property has been correctly priced, or if alternate property should be sought.

Under the present City Charter, the function of the Council is to advise the City Manager and approve or disapprove proposals presented. The Council is expressly forbidden to interfere with the administration and function of employees, with the exception of the City Manager.

Any disciplinary action, hiring or firing of any city employee must be done, according to the charter, by the City Manager.

Therefore, if the city manager believes he needs the advice of the council before hiring or firing, reprimanding or accommodating any city employee, it is my belief that such matters should be brought to public attention so that no question will remain as to the credibility of the reasons and facts involved.

It is further my opinion that the public, which will pay for or receive any remuneration resulting from litigation, for or against the city, has the right to know all the facts in regard to such cases.

I therefore strongly urge voters to cast a negative ballot on this charter amendment.

The council's kind offer to allow the press into closed sessions is deeply appreciated, however, this is only council policy and can be changed at any time. The council which will be seated after the election may not be inclined to allow the press to attend such sessions. Although I consider this to be a totally honest and hard working council, concerned with the best interest of the public, the one true safeguard against the possibility of corruption in government is the meeting which is open to public view. Although no actual vote may be made during a closed session, many decisions made and carried out in any government body is done so by a consensus of the board which means no actual vote is made, only a poll of the group's opinion is taken.

I strongly urge each of you to take the time to vote on April 3, whether it be for or against. This is where a true democracy begins.

Thanks,
Donna L. Watson

Calvary Baptist Church

Sometime ago I read the story of a man who lost his job during the great depression. Day after day he looked for work-and no jobs were available. He exhausted his savings. When he couldn't pay the mortgage, the financial institution foreclosed on his home. His grief was multiplied by the sudden death of his wife. All he had left was his faith--and it was weakening.

One day as he looked for work, he stopped to watch some men who were doing stonework on a church building. One man was chiseling a triangular piece of rock. Not seeing a spot where it would fit, he asked, "Where are you going to put that odd shaped stone?" As the man pointed toward the top of the building, he said: "Se that little opening up there near the spire? That's where it goes. I'm shaping it down here so it will fit in up there."

Tears filled the good man's eyes as he walked away. God had spoken to him: "Shaping it down here so it will fit in up there." He had found a new meaning to his sorrow and frustration.

Many are passing through troublesome times. Perhaps you are enduring a painful physical illness. You may have anxieties and burdens that are crushing you.

From his prison cell, Paul conforted the Phillippians: "Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all comprehension shall guard your heart and your mind in Christ Jesus. My God shall supply all your needs according to his riches in glory in Christ Jesus." (Philippians 4:6-7, 12-13, 19).

God's grace is sufficient. You can trust him implicitly. "He is shaping us down here so we will fit in up there."

The pretty weather lately has us all getting ready for picnics, shopping trips and outdoor entertainment.

Our Family Night Dinner was a great success with over 100 visitors attending. This includes our staff and families; residents and families, volunteers and friends from the community. A few were absent who normally attend and we missed them greatly and hope for their presence at our next dinner.

Once again we are trying to help the American Heart Association by raising funds. This makes the fourth year that we have joined hands with them. To help raise funds this year we are having a Garage Sale at our home Monday, March 15, and all proceeds will go to the Heart Association. All our staff is donating to help and anyone else wishing to donate can phone and we'll be glad to pick up anything you have to donate.

Voted Employee of the Month by the staff for January was Pat Lindsey from Colorado City who has worked here since January 1981. She is a real asset to our home and we are proud to have her.

Mary Jane Abrigo was Employee of the Month for February. She has worked here since September 8, 1979 and has lived in Loraine all her life.

Celebrating birthdays for February were Bertha Carmack, Sandra Jones, Jessie Eaton, Blossom Green, Callie Thweatt and Alleene Williams, with ages ranging from 30-88. A party was held for everyone with the traditional song, cake and punch enjoyed by one and all.

Many thanks to Glen Coon who is still leading our gospel singing every Wednesday at 1 p.m. Anyone is welcome to join us any Wednesday.

Musicians and visitors at our musical were Billy Epperson, Dub Wooddell, Mr. and Mrs. Dual Blair, Maggie Hamrick, Jack Kitchens, Mr. and Mrs. Jap Doyle, Steven Stevenson, Halt Roberts, Mr. and Mrs. Leach, Mr. and Mrs. Ballard, Coty Hayes, Mr. and Mrs. Perry Ruddick and Gib Harmon. Many, many more came but these are some of our musicians whom we are proud of. Our next musical is Friday, March 26.

Many thanks to the following for donations: Baptist Church for valentines; Rosa Benitez for the valentines from the Catholic Sunday School Class; Nannie Hallmark for the shawl and handkerchief, Mrs. H. H. Hays and Mrs. McCallum for the yarn and Inez Thomas. It is nice to be remembered. Thank you.

A big welcome to Mrs. Mable Green as a new resident to our home. She comes here from Roscoe and is the wife of Monroe Green.

Couple United In Marriage

Miss Tracie Darlene Hammond became the bride of Richard Warren Lavender in a Valentine's Day wedding, set in the chapel of First Baptist Church, Snyder. The Rev. Glenn Roenfeldt, pastor of First Baptist Church, Colorado City, officiated at the 4 p.m., ceremony.

The bride is the daughter of Mrs. Ted Zeck of Snyder and Billy Hammond of Big Spring. The bridegroom is the son of Mr. and Mrs. Charles Lavender of Odessa.

Single ring wedding vows were exchanged by the couple before an altar flanked by two floral arrangements in various hues of purple, lavender and orchid with greenery and baby's breath set on gold stands. Orchid bows marked the family pews. Music was provided by Miss Jacquiline Pilant, pianist.

The bride was escorted to the altar and presented in marriage by her brother, Kenny Hammond of Colorado City. She wore a formal length wedding gown of all over val spray lace in ivory. The gown featured a Victorian yoke neckline of re-embroidered lace and long sleeves gathered at the wrists with a scalloped ruffle. A matching lace pellum ruffle and satin ribbon sash emphasized the fitted waistline. A re-embroidered lace ruffle edged the detachable val spray lace train. The lace ruffle was repeated at the floor-length hem of the full skirt. Pearl buttons added the finishing touch to the gown.

The bridal veil of ivory candelight illusion was edged with wide scalloped lace and fell to ¾ length from a small cap covered with matching lace and tiny seed pearls.

Following tradition, the bride wore a diamond ring which belonged to her grandmother for something old; her wedding gown was something new; opal earrings were borrowed from her mother and her garter was something blue.

Her bouquet was a cluster of lavender silk roses, large purple tiger lillies and orchid and white daisies surrounded by greenery and baby's breath placed on an ivory lace fan with lavender satin stramers.

The bride's sister, Christy (Mrs. Phillip) Wagenfuhr of San Antonio was matron of honor. She wore a printed knit dress of tiny orchid flowers on a cream colored background. Her dress featured a below-the-knee handkerchief hem and butterfly sleeves. She carried a nosegay of orchid, lavender and deep purple silk flowers arranged with baby's breath and tied with lavender satin ribbon.

Best man was Tommy Lavender of Odessa, brother of the groom. Ushers were Lane Johnston, brother-in-law of the groom and Jerry Johnson, both of Snyder.

Flower girls were Tamra and Wendy Wagenfuhr, nieces of the bride. They wore matching dresses of lavender print featuring full ruffled skirts, Victorian necklines and puffed sleeves.

The groom's mother wore a deep purple street length dress. The mother of the bride wore a lavender dress with coordinating jacket.

Registering guests was Mrs. Kenny Hammond, sister-in-law of the bride. Out-of-town guests included family and friends from Odessa, Howe, Colorado City, San Antonio and San Angelo.

A reception was held following the ceremony at the home of the bride's mother and stepfather. The serving table was draped with a lace cloth and appointed with silver and cut glass. A floral arrangement added color to the setting. A three-tiered wedding cake decorated with lavender roses was served with mints, nuts, coffee and punch. Serving at the reception were Mrs. Lane Johnston of Snyder, sister of the groom and Mrs. Kenny Hammond of Colorado City.

The bride chose black slacks and a turquoise blouse with petal sleeves for the couple's honeymoon trip to San Angelo. They will make their home in Snyder.

Q. How do I test the alternator output on my car?

A. There are several test devices available with different capabilities and prices. Disconnect the negative battery lead from the terminal. Next, disconnect the field lead from the alternator. This lead will either be marked with an F on the alternator housing or consult your car's service manual. Clip one end of a jumper wire to the field terminal, and the other end to the alternator terminal marked BAT or battery. The voltmeter red lead is then attached to the BAT terminal, and the black one to a good ground on the alternator frame. Reconnect the battery ground cable. Turn off all accessories and start the engine. A fully charged battery will read about 14 volts at idle. If voltage is low and does not begin climbing within a few minutes, you probably have a alternator problem. If low voltage does climb the problem may be in the regulator.

Colorado City B & P W Meets

The Colorado City Business and Professional Women's Club, Inc., met for the regular dinner and business meeting, Tuesday evening at 7 p.m., in the Civic Center.

The Young Careerist Committee hosted the meeting. Christine Cooley was chairman and she was assisted by Nelda Garrett and Judy Winkle. The Pledge of Allegiance to the Flag was given, led by Judy Winkle.

Ida Kirschbaum voiced the club collect. Bimbo Stewart won the handshake dollar.

The guest speaker for the evening was Mrs. Mark (Donna) Cook. She holds a Bachelor's Degree in English and Sociology. She is serving as Counselor in the Colorado City Middle School, dealing with young women making decisions as to their goals in life, then making preparation for these goals. She indicated that as of today the work force is made up of one half of our working women, and that the average woman spends thirty-five years of her natural life working outside of the home. In her counseling with young people, both boys and girls, she presents surveys on how to understand where their abilities lie, so that they can work toward their goals in life. Planning needs to be done before hand, to determine where their attitudes and interests lie. More opportunities are open to women today than ever before in the history of our nation. In conclusion she stressed the fact that they choose a career by choice rather than by chance. She was given a round of applause.

The business session was called to order by First Vice-President Ann Gregory in the absence of President Virginia Dearen. A treasurer report was given. The minutes of the previous meeting were read and approved.

Faye Spivey, membership chairman, presented the club pin to new member, Debbie Kelley. Her grandmother, Eddie Barclay, and her mother, Anna Staats, assisted in the presentation, making a three generation club membership.

In June, 1981, Mrs. Eddie Barclay moved to Colorado City from Garden City, Kansas, to make her home near her daughter, Anna Staats and her family.

Mrs. Barclay had been a faithful member and very active in the B&PW Club in Kansas for many years. It was only natural for her to transfer that membership to Texas.

About the time Mrs. Barclay transferred her daughter decided it was time for her to get more involved in community affairs. Mrs. Staats decided to do this by joining the local B&PW Club.

Then, a third generation, Debbie Kelly, made the decision to follow suit and joined this month.

Mrs. Barclay is the mother of four children, grandmother of eleven, and has one great grandchild. She is a retired school teacher obtaining her degree from Emporia State University, Emporia, Kansas, at the age of 59.

Mrs. Staats, wife of Colorado High School teacher Walt Staats, is employed at the Chiropractic Health Clinic. The mother of four children and boasts to having one grandchild. Anna's college degree is a PHT (Putting Husband Through) Degree from Pittsburg, Kansas.

Debbie is co-owner of Rainbow Records with her husband, Tom, a teacher in the middle school. She has a degree in Speech and Communications from Ft. Hays State University, Hays, Kansas.

Reports of the standing committees were held under new business. The club is to be a co-sponsor with the modeling school to be held at the Wallace School, March 27.

Guests present were Cinda and Bimbo Stewart.

Members present included: Eddie Barclay, Minna Berman, Mildred Boyd, Molly Bruce, Margaret Ann Conaway, Christine Cooley, Joy Culwell, Shirley Delaney, Annie Dixon, Mildred Free, Nelda Garrett, Barbara Gray, Ann Gregory, Ethyl Hardegree, Jean Holbert, Ida Kirschbaum, Ida Miles, Erdine Morgan, Margaret Oyler, LaRue Powell, Lana Pritchett, Sallie Rogers, Juanita Schafer, Nell Shackelford, Faye Spivey, Anna Staats, Thelma Tidwell, Pearl Watson, Judy Winkle, Mary Womack, Wilma Womack and Debbie Kelly.

Marion Morris, Home Economist, presented the lesson on the proper way to make a blazer.

The hostess served Cokes, cookies and snacks to the following members: Eddie Barclay, Almarene Claxton, Etta Lee Gibson, Beatrice McGuire, Pansy Northcutt, Iva Prescott, Catherine Shurtleff, Madge Sheppard and guest, Marion Morris.

A BELATED ARBOR DAY celebration was held recently by the Colorado City Garden Club as club members participated in planting two red maple trees behind the gazebo area in the new Barber Park. Pictured inspecting the new plantings are left to right: Mmes. Martin, Halbert, Brownfield, Hilliard, Myers, Palmer, Johnson, Coles, Brown and kneeling is Mrs. Stewart.

MRS. EDDIE BARCLAY AND MRS. ANNA STAATS present Mrs. Debbie Kelly, (center), with her new membership Business & Professional Women's Club pin Tuesday night at the Colorado City Civic Center. Mrs. Kelly is the third generation of her family to belong to the Colorado City B&PW Club.

BUILD A $270,292 NEST EGG FROM CHICKEN FEED.

THE NEW TAX-DEFERRED INDIVIDUAL RETIREMENT ACCOUNTS—IRAs.

Contrary to popular belief, you don't need big bucks to build a retirement nest egg. At least not any more.

Because the new tax-deferred Individual Retirement Accounts at our FULL SERVICE BANK* let you build a sizable retirement fund from modest annual investments.

As an example, deposit $1,000 at the start of each year for 30 years and your grand total, with earned interest, could be a whopping $270,292. (Based on 12% interest, compounded annually).

That's worth repeating: $1,000 a year for 30 years, plus interest, could equal over a quarter of a million dollars.

Or, if you prefer, deposit the maximum amount for an individual, $2,000 a year. Which could make you a half of a millionaire in 30 years.

And because our IRA plans are tax-deferred, you deduct the annual investment from your yearly taxable income. So you'll pay no federal taxes on your IRA until you start withdrawing funds (minimum age 59½).

Then, when you retire, you'll probably be in a lower tax bracket, paying less taxes.

To get all the details about affordable IRAs, see the professionals at our FULL SERVICE BANK. They'll show you how a little chicken feed can help you hatch a golden egg for a golden retirement.

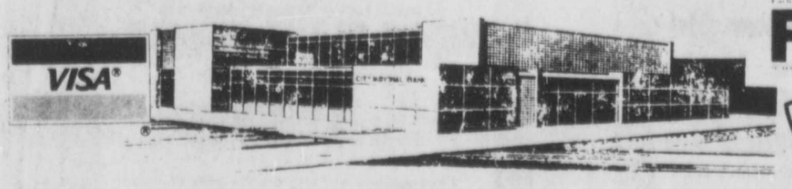

Note: The above calculations are intended to be an example of how regular deposits into an IRA can grow into a substantial sum. This is not a guarantee of interest rates or end financial results.
