Cross Plains' First Pictorial Cancellation

By NORMA EVANS
Postmaster

"ROBERT E. HOWARD DAY" is becoming quite a special day for our community. The U.S. Postal Service for many years has participated in special community functions by creating pictorial cancellations to commemorate a particular event. We, at the Cross Plains Post Office, felt this was the perfect and very appropriate time to initiate the first "SPECIAL PICTORIAL CANCELLATION" celebration for our community.

The many organizations in the township have been working together to promote "ROBERT E. HOWARD DAY" and Project Pride created the design for the unique cancellation which will be used to cancel your correspondence for regular mail service or for that unique postmark on any item that you wish to make a more valuable collector's item.

Mr. Howard is becoming recognized throughout the country and has many international fans that visit our community whenever possible and often times ask for postmarks, just to have Cross Plains, TX on their correspondence. His popularity is growing and will continue to grow with the announcement last week of the movie, now in the planning stage, to begin shooting next year.

This is our first attempt to promote a community event and I am sure we will learn many things from it in order to serve you better in the future. Any organization with a special interest event that is recognized by the community may apply for a special cancellation.

We are looking forward to having a unique postmark annually for the local festivities. It will be their decision whether to keep the same design or change from year to year. Whatever the choice, this postmark JUNE 12, 1993 is not only a first for Robert E. Howard; but also a first for our local community. We will provide stamps and postal stock at the museum from 1 p.m. until 4 p.m. and all postal services will be available. The mail will be dispatched on schedule at 3:55 p.m. Come and share the excitement of this unusual postmark celebrating Robert E. Howard's fame and his roots with this community by showing the outline of his home with the celebration date.

Project Pride would like to remind you of the open house scheduled for Saturday, June 12, from 2:00 to 4:00 o'clock in the afternoon at the Howard House located on West Highway 36.

Rhonda Swift Recipient Of TSTA Award

The proud recipient of the TSTA Award for the 1992-93 school year is Rhonda Swift. This $150 award was won by answering three essay questions on her views of the educational systems of Texas. She stressed that better qualified teachers would meet one of the major needs in the field of education. In her view, a way of meeting that need would be not sqandering money on extracurricular activities and keep it in the actual field of education, this would raise teachers salaries, inviting more qualified teachers to their school.

Her hopes of becoming an educator were based on the idea of her making a difference in a school system. She also hopes to become a positive aspect, encouraging students to excel in sciences and perhaps continue the tradition of teaching excellence.

She plans to attend the University of Texas at Austin and study in natural sciences (ESP. Biology) for secondary schools.

Rhonda Swift Receives Beta Sigma Phi Scholarship

The recipient of this year's Beta Sigma Phi Scholarship is Rhonda Swift, daughter of John and Connie Swift. Rhonda plans to attend the University of Texas at Austin and to major in biology.

Each year Beta Sigma Phi presents a $300 scholarship to a senior who has completed a typed double spaced three page essay on an assigned topic.

This year's essay topic was "How Can New and Existing Organizations and Businesses Involve Youth in Cross Plains in Civil and Recreational Activities? How Would the Community as a Whole Benefit?" Rhonda's essay is as follows:

Community and Youth Interaction

In a community like Cross Plains, there are many ways for the new and existing businesses and organizations to involve the youth in civil and recreational activities that would be beneficial to the entire community.

Efforts have already been made to involve the youth in civil activities. For example, the Kiwanis have always asked the bands to participate in the Community Christmas Program. Most recently, the Student Council was asked to help put up the house numbers for the new 911 service, and students were asked to sign up for a community cleanup day. Although participation has so far been very limited, I feel that the student interest will increase if the community will remain persistent in its efforts to interact with the youth. I feel further that students would be more willing to participate if the work they did was rewarded. For instance, after a youth activity such as a cleanup day, the townspeople could prepare a free meal or refreshment fellowship where the students and adults would actually make contact.

As far as recreational activities, our community has already done an outstanding job. Some of its most appreciated provisions include: the library, which provides not only an almost limitless supply of books and other educational entertainment, but also programs like the Learn About Program (LAP) for preschoolers and the Summer Reading Program for elementary students; the baseball facilities, the weightroom and programs such as Project Graduation. However, with only a few exceptions, most of these programs are neither for teens nor for family activities. I feel that if the city would provide recreations geared toward these groups there would be much more all-around involvement especially during the summer. Some of these may include providing exciting new facilities such as a swimming pool, a skating rink, a bowling alley, and/or a family recreation center.

The benefits of civil and recreational interaction between the community and the youth are boundless. First of all, when the youth feel that their community is behind them, they are more likely to feed their own support back into the businesses and organizations of the town. In fact, if new recreational facilities were built here, it could very well bring the business of those in surrounding communities into our own. Furthermore, while being under the supervision of the community, they will learn teamwork skills like responsibility and cooperation. When students are doing community work, they will be too busy to get into mischief. Also, by feeling that they have put some of themselves into this community, the youth are less likely to demean it with vandalism. The most important realization that the members of this community now, they will not care later if their town begins to die.

As you can see, there are many things a community can do to become involved with its youth and when they do, it is beneficial to both the youth and adult segments of the community.

Callahan County Sheriffs Posse's Ranch Rodeo Results

The Callahan County Sheriffs Posse's 6th annual Ranch Rodeo, this past Saturday, May 29, 1993 was a great success, according to Sheriff's Posse officials.

Despite thunderstorms, rain, hail and lightening, which delayed the Rodeo's start for approximately an hour, at 7pm, the show went on!

Ten, five men teams vied for the quickest times in Team Penning, Team Branding,Team Mugging, Team Roping and Wild Cow Milking. Times were converted to total seconds and teams were placed, with the winner having the fastest (lowest total seconds) in all five events!

Red's Barbeque team took first place for the second consecutive year. Since the teams are drawn each year, the cowboys on the teams were different, but Red's Barbeque was the winning sponsor for 1992, as well!

1993 Winners Results are:

1st Place: Red's Barbeque - Foy Kelly, Marshal Green, Roger Campbell, Terry French & David Williams, with 297.61 total seconds.

2nd Place: Clyde Farm & Ranch Supply - Tim Broadfood, Steve Goldsmith, Mike Cannon, Cody Odom and Benton Pruet with 334.72 total seconds.

3rd Place: Callahan County Farmer's Cooperative - Joey Henley, Terry Johnson, Buck Campbell, Johnny Lee and Randall Witte, with 397.35 total seconds.

4th Place: Callahan County Veterinary Clinic - Rob Harle, Monty Ancinec, Mel Matthews, Arlon Baize and Alan Wilson with 402.97 total seconds.

5th Place: Lawrence Bros., IGA - Mike Walker, Kenneth Saunders, Sam Hargrove, Phillip Brookey and Bert Jones with a 408.20 total seconds.

6th Place: 1st National Bank of Baird and Clyde - Bill Hargrove, Robert McCullough, Archie Akers, Scotty Goldsmith and Craig Pruet with 420.55 total seconds.

7th Place: Wichita Falls Production Credit Association - Jimmy Hargrove, Tommy Boyd, Ronald Green, Ronnie Barr and Gary Richardson with 423.36 total seconds.

8th Place: Metal Mart - James Jaggers, Iky Akers, Mark Goldsmith, Darvin King and Rooster Hargrove with 465.29 total seconds.

9th Place: People's State Bank - Butch Nelson, David Collins, Bobby Lee, Jeff Clark and Wayne Smith with a 471.68 total seconds.

10th Place: Hanner Chevrolet-Pontiac-GMC-GEO and Hanner Chrysler-Plymouth-Dodge-Jeep-Eagle - Bob Golson, Cliff Holley, Kyle Scott, Shane Lee, and Sam Seider with 479.33 total seconds.

Note there was just a little over three minutes difference in first and tenth places. These were good teams who all had good fast times!

The first place team, Red's Barbeque team members were awarded silver trophy belt buckles given by Luskey's Western Wear and Nelson's Farm Sales - Butch Nelson, Scotty Goldsmith, Felix Manion and Dale Scoggins.

2nd Place - Clyde Farm and Ranch Supply team received engraved leather breast collars.

3rd Place - Callahan County Farmer's Cooperative- received engraved leather headstalls.

Second and third place prizes were furnished by Parker Funeral Home, Metal Mart, 1st National Bank of Baird and Clyde, Wichita Falls Production Credit Association, Hanner Chevrolet, Hanner Chrysler Plymouth, Callahan County Veterinary Clinic, Callahan County Farmer's Cooperative and Lawrence Brothers IGA.

The Callahan County Sheriff's Posse would like to thank each of the above sponsors for their continuing support!

This was the third year for the "Bill Turney Top Hand Award". The winner is voted for by the cowboys themselves. Benton Pruet of Baird won the "Top Hand" title and a beautiful set of silver inlay bits, handmade and donated by R.A. Glenn Handmade Bits and Spurs of Throckmorton, Texas, for this special award!

The Sheriff's Posse would like to thank Mr. Glenn for this award!

The winner of the seven and under boot race was Corey Mayfield and last place went to a tiny cowboy by the name of Brock Davey Jones, who won a free hotdog from the concession stand.

Ronnie Baird of Baird won 1st place in the 8 to 12 goat race. Each 1st place winner received a ten dollar bill!

Winners of the Wild Steer Saddling were: Billy Collins, Jr., James Hopkins and Danny Bell.

Special thanks to Bryant Manning, Byrd Robinson and their crew for being there as EMS, and to Bruce Williams and Billy Collins, Sr. for judging the events.

Many "Thanks" to Roger's Food Store, Town and Country Village Market, and Lawrence Brothers, IGA for their help with the concession food. Also, "Thanks" to Jimmy Parker of Abilene for announcing.

Then last but not least for without their help a rodeo could not be produced. An "Extra Big" " Thank You" to all the area Ranchers who so generously supply the livestock for the rodeo each year and all the wonderful people who work so hard each year to make the rodeo happen.

BURKETT NEWS

By TERRI BUSHNELL

The Burkett-Adams Cemetery Memorial Day Service was observed at 2 p.m. Sunday, May 31, at the Burkett Cemetery Tabernacle. Tom Wood, President of the Cemetery Board, opened the service. Rev. Susan Trammell, pastor of the Cross Plains Methodist Church, was the speaker. Yuna V. Burkett gave a review of the establishing of the Perpetual Care Fund for the Cemetery by Lat Mountain 20 years ago. It is a fund to use only the interest created by the donations to care for the upkeep of the cemetery. This is a separate fund from the cemetery fund used in the current upkeep of the cemetery, but the interest will be used at such time it is needed.

Lat Mountain has been the President of the Perpetual Care Fund until recently. Lat has not been well and has passed the torch on to Joe Hanke of Cross Plains to be board president. A plaque was presented in honor of Lat's twenty years of dedicated service to the Perpetual Care Fund. Lovera Strickland, Lat's daughter, and two of his grandsons received the plaque, as Lat was in the hospital.

Lanette Burns is Secretary-Treasurer of the Perpetual Care Fund. Any donations can be given to Lanette, Joe Hanke, or the Citizens State Bank in Cross Plains.

Several members were replaced on the Burkett-Adams Cemetery Board. After many years as secretary, Freeda Burkett resigned. Jan Baker replaced her. Virgil Burkett resigned and Cody Golson replaced him. This information was provided by Yuna V. Burkett and I appreciate her help.

The final day for the donations on the quilt, gun, baby dress, and photo will be this coming Saturday. Persons can buy a chance until 3 p.m., at that time the drawing will be held. This will take place in Coleman in front of the Old Shipman's Clothing Store on Commercial Avenue. Proceeds from this drawing go toward the restoration of the Burkett Community Center.

Lat Mountain was taken to Brownwood Hospital Wednesday night by ambulance. He continues to be in the hospital, but is improving. We all wish Lat a speedy recovery.

Darlene Webb and Vanessa and Norma Butler visited with Ray Butler and family in Midland over the Memorial Day weekend.

Tash Webb, a C.P. Middle School Cheerleader for next year, participated in a Bake Sale. The girls are raising money for their uniforms.

Jack and Lovera Strickland and Lat Mountain's visitors were Darryl and Kathy Tinney, Linsey and Mindy of King Fisher, Oklahoma, and Don and Kathy Tinney, Jonelle and Johnathon of Lefors, Texas.

Montie Jennings' visitors were Evelyn Williams and Bill Stamphill of Coleman, Letta Valier of Abilene, and Lucille Gould of Burkett.

Two motorcycles were taken from the Bushnells' Friday night. The Dirt Bike Bandits were kind enough to leave a note as to where the bikes could be found. The sheriff's office was notified.

Glenn Rolin, of San Saba, visited with the Bushnells over Memorial Day weekend. While here, he did a little fishing and a lot of work. Glenn, Mac Rolin, and Roy Clark all worked on a remodeling job at Terri's house. A board fell and hit Roy's head and he had to have stitches. Later that day, they had a Bar-B-Que. Those present were Terri, Daniel, Mandy, and Nikki, Sally Worfield, Jessica, Keith, Glenn Rolin, Mac Rolin, Roy Clark, and Dustin Bowden.

BREAKTHRU
By Bob Pipes, preacher
Cross Plains Church of Christ

The story is told of two men, a Christian and an agnostic, who were discussing religion. The agnostic was expressing his disbelief in the existence of God: "After all," he said, "if there is a God, how can He possibly communicate with us and to us?"

As they walked along they came to an anthill. The agnostic continued his argument by saying, "See that anthill? There is no way in the world I can communicate with those ants." "That is true," replied the believer, "but only because as a human being you are limited. But if you could become an ant for awhile, then you could."

And that is what God did, basically, through His Son Jesus Christ, the express image of Himself. Though Christ existed in the form of God in heaven, He counted not the being on an equality with God a thing to be grasped, but emptied Himself, taking on the form of a servant, being made in the likeness of men; and being found in fashion as a man, He humbled Himself, becoming obedient even unto death, yes, the death of the cross. (Philippians 2:6-8)

And He is One who can be touched with the feelings of our infirmities — who can sympathize with our weaknesses — because He has been tempted in every way we are and have been — yet without sin. (Hebrews 4:15)

I call that communicating! And God continues to do so, with and through the message of His Son, the New Testament; and we can communicate to God the Father through prayer. "Break thru" to that communication; don't limit yourself — nor God!

Come study and worship along with us. We do care!

Friends & Neighbors Caring In Jesus

ROWDEN NEWS

By MRS. N.V. GIBBS

Point of interest this week was when James Reynolds found it and told Dorothy and he told men at the Watson party who told Robert and Dorothy and Robbie who made pictures of it. Meanwhile, Dorothy told Joyce when she visited her, who in turn told Claribel who heard that Tony and Judy and Tonya went to see it and Tony made pictures. This is about a humming bird who built her nest in James Reynolds' workshop. She laid two eggs and was trying to keep James away from the nest. That's how he found the nest built on a loop of baling wire hanging from the ceiling of his shop. So far, the two eggs have not hatched. James is keeping his eyes opened for that day, which should be soon.

Michael Palmer, of Clyde, graduated from Clyde High School Friday night. He is the son of Charles and Nancy Palmer and grandson of Joyce Odom. Others from here at the graduation were Dorothy Reynolds, Tonya and Connie Steele. Also from Snyder, Ralph and Ginny Trevey and Scott and Jennifer.

A new baby girl was born to Patty and Stanley Swerneman of Magnolia this week. This new baby is a great-grandchild of Gene and Vernie Belle Mauldin. Grandparents are Margorie and Danny Brown of San Antonio. The baby was named Carly Dianne. She has four young brothers.

Vernie Belle Mauldin received word this week of the death of her brother, Henry Cooper of Portland, Oregon. In Cross Plains Wednesday, Vernie Belle visited a friend, Eva Fleming.

Emma Johnson had family visitors, a son, Webb R. Johnson and his son, Webb Andrew of Caballa, New Mexico. Emma has a new bookcase and her son wanted to put her books in the shelves. Leona Gary took Emma to the Cross Plains nursing home to visit her sister, Lizzie Burks. The two ladies ate ice cream before coming home.

Joyce Odom visited in the Franzel Odom home in Cross Plains Wednesday.

Mike and Dawn Jones, of Baird, visited in the Bob Dye home Saturday.

Gene and Vernie Belle Mauldin met up with a friend, Frank Payne, in Baird during the week for a short visit.

All of the Robert Watson family and guests were home for the Baird High School Graduation Exercises. Their youngest son, Wyatt, was a graduate. Those at home were Robbie, Brock of Oklahoma, Brad and wife, Michal of Arlington, Kile of San Antonio, and his Dorothy Watson's, Larry and Patricia of View and their children, Jessica, Matthew, and Ethan. Also a friend, Dean Porter of Abilene.

Children's Sport Injuries

Make sure your kids are into sports for the fun, friends and some exercise... not for the pro scouts. The NY Times says that, "Intensive sports training for children is creating an epidemic of stress fractures and other injuries usually associated with adults." Orthopedists and pediatricians blame specialty sports camps and longer training seasons. Also adding to the problem are inexperienced coaches, poor fitting equipment and fields too big for kids.

Your better health is our concern.

because we want to be here when you need us.

It's irritating to be in the middle of a Saturday afternoon project and run out of building supplies. And it's even more irritating if the store has already closed and you have to put the project on hold until Monday.

We want to help take a little irritation out of your life. So beginning this Saturday, we will stay open from 7:30 to 5 p.m. We'll be working a little short handed until we have our employee's schedules revised so we ask you to be patient with us when you need a delivery. We look forward to serving you even better with our new Saturday hours. Come see us.

COLONIAL OAKS NURSING HOME NEWS

By LINDA EDINGTON
Activity Director

We are proud to announce the accomplishments of three employees here at Colonial Oaks. Jessie Stancil, Joyce Lee, and Jenean Wells took a class on EKG Techniques at TSTC in Abilene. They completed a successful three-month course under the direction of Tonjia Crenwelge. Ruby Cassle surprised them with a party in their honor. Our congratulations to these ladies.

What a fine turnout we had at our sing-a-long last Wednesday morning. Everyone enjoyed some fine singing and music. We appreciate Burlie Paul McCowen for coming and playing his fiddle and to all our regular group of singles who come every week.

Mabel Halsell from Cottonwood visited with Carl Halsell and others.

Patti Sue Dolgener from San Angelo visited Clara Coburn.

Jimmie Marie Davis from Austin, Jimmie and Erma Tomlinson from Coleman, A.B. Harris from McCamey, and Ollie and Peggy Bradford from Proctor visited with Elsie Porter.

Pauline Smith from Cottonwood visited Bertha Wheeler.

Allison McGowen, Brandy Weaver, and Jewel Thompson were here visiting everybody.

Sally Roady visited with Nettie Roady.

Macy Wilson from Baird, Mosell Hilberg and Evelyn Hard from San Angelo, and Earlene Hughes from Baird visited with Lillian Smith.

Farrell and Carol Stephens visited with Zenovia Strickland, Minnie Dallas, Nettie Clark, and Ruth Joy.

Lois Crist from Wichita Falls, Bonnie Illingworth, and Jason and Bobbie Lynn Gilmore from Iowa Park visited with Midge McCall and Elsie Porter.

Diane and Will Green from Clyde visited Ruth Joy.

Vernie McMillan visited with Minnie Dallas.

Larry, Susanne, Ashley, and Larrisa Gandy from Tatum, New Mexico visited Sylvia Smith.

Lindie Wolf from Abilene was here visiting everyone.

Activities during the week:

Monday: Bingo winners were Sylvia Smith (2), Mildred Ford (3), Bertha Wheeler, Vera Belyeu, Clara Coburn, Estelle Breeding, and Lucille Stone. Exercise class.

Tuesday: Art class. Popcorn and dominoes.

Wednesday: Sing-a-long with Irma Miller, Ruby McCowen, Oliver and Frankie Smith, Vernie McMillan, Burlie Paul McCowen, and Mabel Halsell. Exercise class.

Though oft' I feel discouraged, I know that God is there and even when I whisper, He hears my faintest prayer.

Lunch will be catered by Bill and Lucille Hester of Eastland. The price for lunch will be $5 per plate. Looking forward to seeing all of you.

SENIOR CITIZENS STATS

By MARIE HORTON

You know I love to visit with each of the Seniors each morning, so if one is out I miss them and I hope they will be there the next day.

I was visiting with Lois Garrett the other morning when Gladys Smith came in. She joined us and I heard about these two ladies going to school together and playing basketball. They were telling how great they both were, and you know they are still great today. Not in basketball, but to the Center they are, as each one comes every day. I think it's nice to have been friends all these years.

It's good for Clyde Linker to have his wife at the nursing home here so she can be closer to him. We miss Clyde when he isn't here. Maybe, he will be back next week.

Les and Fay Henderson danced some for us Tuesday. It made several of the ladies want to join in, but they had no partners.

We had Minnie Woody from Abilene and Dorothy Woody from Clyde here Tuesday. They had been quilting and came in for lunch.

Brenda Elkins, Program Specialist for the Aging Department from the West Texas Central Council of Governments in Abilene, was here also on Tuesday. We enjoyed her visit and received some helpful information from her, and Minnie was with her. We always enjoy her.

Norma Vandivere, Lois Henderson, D.J. Smelly, and Ollie Smelly were here also. Yuna V. Burkett was here. We are always happy to see visitors and regulars that have been out for awhile.

June Hickman's kids are returning from Guam to stay and she is one happy Mom. They will be here June 3.

Doyle's son and two granddaughters are coming to see him. Doyle McMillan, we know you will be happy to see them.

The Hendersons will be here Tuesdays to play for us, and the trips to Abilene is Tuesday afternoons if you want to go. Bingo is Fridays 10:30 a.m. — 11:20 a.m. We have a good turnout. Bring something for a prize and join us. We have good food and lots of fun.

MINUTE MUSINGS

By ESTHLOY S. DICKSON

This is a beautiful Monday morning — I'm tempted to call it a 'June morning.' Five months gone by already — how time flies!

Our Karen called me on Saturday — just checking, she said. She really made my day — a joy to hear from them.

Services at First Baptist were unusual — the Coggin Avenue Baptist Youth Choir filled much of the time. The pastor's message from Hosea was interesting.

Betty Beggs had a good report this morning. On Tuesday of last week, Betty and Nikki and Ashley Beggs and Ozella Huddleston were in Eastland for a day-long art session at the Art Craft Center on the square. J.T. and Betty visited with Rex and Edith a short time on Saturday afternoon. Betty visited one day with Novella Barton — they did some quilting.

Sally and Bob Roady were busy all week, however, they found time to visit Ms. Nettie at the nursing home. They talked to Cindy and Charlie on the telephone. They visited in Abilene with Art and Bertie Roady. Their son, George of Dallas, spent Friday night with them. Four boys of the Coggin Avenue choir spent one night with them.

Jewel Foster didn't have any special news this morning, but I enjoyed my chat with her. She was in Sunday School and church on Sunday. Like me, she is grateful for good health and ability to keep going.

My young neighbors on the west have built a nice fence on the highway line from my corner west to their yard. Looks great!

VETERAN NEWS

By TOM IVEY
Veterans Service Officer
Callahan County

This news item concerns all citizens of Callahan County in addition to our veterans. The Department of Veterans Affairs has just released figures for expenditures in Callahan County for fiscal year 1992. The total is $1,571,362, an increase of $53,569 for the twelve months.

The benefits by category are:

Compensation and Pension — $1,462,479 up by $48,668

Readjustment and Vocational Rehab — $9,234 down $7,242

Insurance and Indemnities — $99,649 up by $12,143

Total paid in Callahan County — $1,571,362 up by $53,569

The largest increase was in Compensation and Pension, which means that disabled veterans, widows, and dependent children are receiving more payment. We should all agree that these are areas where our tax dollars are well spent.

As stated in this report last year, a dollar changes hands up to six times before leaving a community; thus the VA benefits are a very vital contribution to our Callahan County economy.

New National Cemetery

Master planning and land acquisition actions have been initiated by the Department of Veterans Affairs for a National Cemetery for Veterans in the Dallas-Fort Worth area. Construction could begin by October 1994. Completion of the first phase (about 50 acres) should be completed in 1997, provided funding is made available.

This National Cemetery will be located in Southwest Dallas Hill Country on the eastern shore of Mountain Creek Lake and adjacent to the Dallas Baptist University.

World War II Facts

A profile of U.S. Servicemen and women (1941-1945) shows that 38.8 percent (6,332,000) were volunteers. 61.2 percent (11,535,000) were draftees. Of the 17,955,000 men examined for induction, 35.8 percent (6,420,000) were rejected as physically or mentally unfit.

Seventy-three percent of the servicemen and women served overseas, with an average of 16.2 months abroad. The average base pay was $71.33 per month for enlisted troops and $203.50 per month for officers. The average duration of service was 33 months.

Medical Care For Dependents And Survivors (CHAMPVA)

The Civilian Health and Medical Program of the Department of Veterans Affairs, known as CHAMPVA, helps pay for medical services and supplies obtained from civilian sources by eligible dependents and survivors of certain veterans.

The following are eligible for CHAMPVA benefits, provided they are not eligible for medical care under CHAMPUS (Civilian Health and Medical Program of the Uniformed Services) or MEDICARE.

(a) The spouse or child of a veteran who has a permanent and total service-connected disability.

(b) The surviving spouse or child of a veteran who died as a result of a service-connected condition; or who at the time of death was permanently and totally disabled from a service-connected condition.

(c) The surviving spouse or child of a person who died while on active military service in the line of duty.

(d) A surviving spouse who remarries may qualify for care after the subsequent marriage is terminated.

Care under the CHAMPVA program is not normally provided in VA facilities. In December 1991, however, VA began offering CHAMPVA beneficiaries treatment in a number of VA health-care facilities. VA facilities that elect to participate may provide treatment when (1) they are equipped to provide the care and (2) use of these facilities does not interfere with care and treatment of veterans. Apply to the CHAMPVA Center, 4500 Cherry Creek Drive South, Denver, CO 80222, or call 1-800-733-8387.

Your Callahan County Veterans Service Office is open Mondays and Thursdays, (915) 854-1520.

THE PIONEER PATCHWORK

By IRMA MILLER

The ladies in the Quilting Club quilted on the Bear Paw and the Quilt of '76. Their visitors Tuesday were Myrtle Harlow, who quilted with us throughout the morning, and her husband, Grasson Harlow of Arlington. Grasson came at lunchtime and visited with the other husbands.

Jean Alexander reported that James is doing well, and the doctors are pleased with his progress after eye surgery Wednesday at Scott and White in Temple. May Jones and Dorothy Zedlitz went to be with Jean, waiting out the surgery.

May and D.P. Jones enjoyed the air show in Breckenridge on Sunday.

Frankie and Oliver Smith were in Temple on Tuesday for Oliver's appointment. They stopped by to see friends in Newburg, James and Shirley Blue. On Wednesday they, in company with Jean Fore, were in Ranger to visit Frankie's daddy and to visit his sister, Dorothy Rogers. They were back in Temple Friday for a return appointment for Oliver. They had supper with Mr. and Mrs. Blue that night. On Saturday they went to the Gustine City Homecoming celebration. There was a parade, arts and crafts spots, and contests, for a full day, which Jean Fore enjoyed with them.

Betty Beggs visited on Saturday with Novilia Barton, and Nell Fleming on Sunday afternoon.

Laverne and Cowan Hutton went to Burkett to attend worship services on Sunday morning.

Nell Fleming's visitors were Jerry Fleming of McLean, Tuesday to Friday, Wanda Fay and Alvin Flippin on Thursday afternoon, and Bryan Fleming of Lubbock Friday afternoon. Bryan went back on Sunday afternoon, and at that time Vince and Betty Meiron of Andrews also were visiting.

Jewel Foster's visitors Wednesday were Less and Fay Henderson, Charles and Lucille Foster, and Mr. and Mrs. Bradbury, all of Clyde, and Gene and Norma, all on motorcycles. They all went to the Dairy Queen and ate beans. Asked if she rode a motorcycle with them, Jewel said, "No, they wouldn't let me ride."

Six Good Reasons To Vote For Kay Bailey Hutchison For U.S. Senate

1. Her budget as State Treasurer is down by 8%, yet she still earned more for the taxpayers than ever in the state's history.
2. As a small business owner, she will fight taxes and push for more spending cuts.
3. Her #1 priority is reducing the federal deficit by cutting spending, not by raising taxes.
4. She's for across-the-board cuts in the $300 billion the Federal government spends for overhead and has a plan to save $1 trillion by limiting the growth of spending.
5. Kay is a strong supporter of term limits and reform of Congress.
6. She wants to stop frivolous lawsuits that clog our courts and drive up health care costs.
