TRADE AT HOME

If you spend a dollar at home you have some hope of getting it back; if you don't, you just spend a dollar.

The Gay Philosopher

By J. W. S.

HERE'S AN ITEM that appeals to the average person. Last night, a group of people gathered at the H. A. Courtney place for an old-time shelling bee. They shelled 10 quarts of peas for canning. There was an average of 1,432 peas per quart so the 40 quarts of shelled peas made a total of 57,280 peas. They counted one quart.

Enjoying the affair were Mr. and Mrs. Courtney, Mr. and Mrs. P. Mosley and son, Andy, Mr. and Mrs. J. E. Crowder and children, Laddie, Nancy Ann, Jimmie, and Wanda Jane and Mr. and Mrs. Frank Boyd and Durdan and Francis DeAnn.

PRESIDENT T. C. Williams of the Lions Club and wife are due here soon. Received a postcard yesterday from them. They were enjoying the scenery at Niagara Falls and expect to tour Canada before turning south and westward.

HEARD ABOUT A Texan who was visiting friends on the West coast and they were telling about a big fish they had caught. The man kept quiet as long as he could stand it. Then he got up and apologized for the size of fish Texas.

"The biggest I ever caught in Texas," he said, "was about this big." And he held his hands apart. "Of course," he added, "you all know that in Texas we measure fish between the eyes."

THE NEWS IS still very good here from Fort Worth where Dorothy Lee Davis is recovering from polio. Mr. Roy Davis said that the early paralysis was slowly disappearing and they have been assured that when Dorothy returns home she will be normal. And she'll be on her horse again before too long.

AND MR. Fleming Waters tells that their daughter, Mrs. Mary McLeskey of Dallas, is slowly winning her fight against polio. She is paralyzed in one arm and the opposite leg. But the limbs are beginning to recover, and treatments are continuing. All hope that she, too, will be walking again and soon.

ALL CISCO IS enjoying the hottest summer in a long time. E. P. Crawford, who has been here long enough to qualify as a weather prophet, tells us that he can't remember a cooler summer. But cool nights and comparatively mild days are no consolation for Mr. Jess Proctor. He's the ice business. And hot weather sells ice. We're told that ice in this section are selling this year than last.

Boy Scout Troop Elects Officers

Boy Scout Troop 101 elected Billy Deen as senior patrol leader at their meeting at the Presbyterian Church Tuesday night. Other officers elected were John Canlies, scribe; Harold Donica, assistant scribe, and Freddy Hay, quartermaster.

Bill Mitcham was elected to the office of advisor and ramrod. The group also made plans to build a camp on the N. D. Gallagher farm east of Cisco. Plans call for the construction of a big replacement with the work to begin August. In order for a scout to attend the camp he must be able to pass his tenderfoot test. The event the group fails to get to Camp Billy Gibson they will establish the new site as a permanent camp.

Plans were also made to form an Indian Lore group composed of scouts who have had one or more years in Indian Lore work. The group will be composed of scouts with first class or higher rank.

700 Lives Taken By Disasters In First Six Months

Catastrophic accidents — those in which five or more persons were killed — took around 700 lives in the United States in the first half of 1950, or about 100 more than in the like period of last year, according to a survey by the statisticians of an insurance company.

This increase reflects the greater number of major disasters this year than last. In the first six months of 1950 there were seven disasters each of which claimed 25 or more lives, taking a total of 267 persons. In the corresponding period of 1949 there were three such disasters, killing 159 persons.

Heading the list of disasters in the first six months of this year was the transport plane accident over Lake Michigan in June, causing 58 deaths, the nation's worst commercial mishap on record. Another civilian aviation accident earlier in 1950 had taken 15 lives, making a total of 73 deaths in such catastrophes; in January-June, 1949, there were no disasters in domestic air transport.

In January of the current year, a fire in a hospital in Davenport, Ia., took 41 lives. Tornadoes in Texas and Louisiana in February killed 38 persons. Other relatively important catastrophes were the collision of a crowded street car with a trailer-gasoline truck in Chicago (34 deaths); the collision of two trains near Rockville Center, N. Y. (32 dead); and the ammunition explosions on four barges at South Amboy, N. J. (31 killed).

To the Voters of Callahan County
I want to express my thanks for the courtesies and support given me in my campaign for the office of Commissioner of Precinct No. 3. I especially want to thank those who went to the polls and voted for me. Although I lacked 13 votes of receiving a majority, I feel that the others are my friends. I want to assure you that I still intend to do all that I can for the roads in our precinct.

I could not make an extensive campaign before the first primary, due to sickness in my family; extra duties connected with the Farm-to-Market Road, which will be let for contract in August; and

a series of rains toward the last of the period.

I shall make every effort to reach each voter between now and August 26, and earnestly solicit your vote and influence, solely upon my qualifications for the office.

I. G. MOBLEY

To the Citizens of Callahan County
I want to express my appreciation to the voters of Callahan County for the splendid vote you gave me in the primary election Saturday, July 22, for the office of County Clerk.

In a special way I would like to say "thank you" to the friends responsible for the ad published in last week's Cross Plains Review. Not knowing who you are, I can not thank you personally, but do want each of you to consider this a personal expression of my gratitude for your thoughtfulness.

I shall endeavor at all times to be at my post of duty and render you the best service possible.

I want you to call on me at any time I can serve you. Thanks, from the depths of my heart.

MRS. CHAS. L. ROBINSON

To the Citizens of Callahan County
I wish to thank each and every one for the many courtesies and splendid support given me in last Saturday's election. I am grateful to the people of Callahan County for the confidence placed in me.

With your excellent cooperation in the past and with the renewed faith you have shown I will strive to accomplish all worthwhile things for the betterment of Cal-

lan County and the citizens who live in the county.

Again I say thank you.

home at 604 South Daughtery street, by the Rev. Chief Warden Pastor of Wesley street Methodist church of Cisco, as the couple stood before an improvised altar with a background trellis entwined with greenery and tube roses. Baskets of white gladioli marked the sides of the altar.

The bride, given in marriage by her father, wore a gown of white organza, fashioned with a

full skirt, ballerina length. Her finger tip nylon veil was held in place with a satin bandeau decorated with seed pearls. She carried a prayer book shower bouquet fashioned of white carnations and tube roses.

Mrs. Neil Hurt was matron of honor and the bride's only attendant. She wore a dress of navy sheer with white accessories. Her shoulder corsage was of white carnations.

Roy Justice, brother of the bride, was best man. Neil Hurt and James Reed were ushers.

A reception followed the ceremony and was also held in the garden.

The bride's table was laid with an imported white linen cloth and was decorated with an arrangement of tube roses. Appointments were of crystal. Mrs. Daisy Kissenger of Lovington, N. M., cousin of the bride, lauded the punch. Mrs. Donald Tow of Temple served the cake, which was three tiered, white decorated with pale pink rosebuds and topped with a miniature bridal couple.

cluded Misses Betty Ferguson, Betty Gay Allen and Bobby Shero.

When the couple left for their home in Pampa, Mrs. Poe was wearing a navy two piece dress with white accessories and white carnation corsage.

Mrs. Poe is a graduate of Eastland High School and has been employed here by the Singer Sewing machine company.

Mr. Poe is a graduate of Eastland High School and received his degree this spring from Hardin-Simmons University. He is employed by Cabot Carbon Company at Pampa, where the couple will be at home at 215 North Cillispie St.

Local OES Chapter

Meets for Business And

Initiation Tuesday

The Masonic Hall was the scene of a gala occasion Tuesday evening when members of the Order of Eastern Star chapter, number 461 met for the regular stated meeting and initiatory service following. The hall was beautifully decorated with bouquets and baskets of dahlias and other seasonal yard flowers, under the capable direction of Mrs. Zeta Mae Martin, chairman of the decorating committee. Mrs. Stella Lisenbee presided and called the meeting to order, opening in regular form. The colors were presented by Mrs. Hazel Turknett and the Pledge of Allegiance to the U. S. Flag was given. A short business session was held with minutes of the last

meeting to order, opening in regular form. Reports were heard and business of the Chapter was transacted. At the close of the business session eight candidates were initiated into the Chapter. Other officers assisting were: Grover McGowen, Worthy Patron; Juel Browning, Associate Matron; Joe Brown, associate patron; conductress, Gladys Byrd; associate conductress, Lorena Thompson; secretary, Irene Bri- tain; treasurer, Ruby Huffman; Organist, Ione Fewell; Chaplain, Dorothy Williams; Marshall, Hazel Turknett; Ada, Virgie Redwine; Ruth, Zeta Mae Martin; Esther, Lillian Kay; Martha, Mary Huffman; Electa, Hazel Little; Warder, Lillie McClelland; and Sentinel, Lois Roland.

After the initiation visitors were recognized from the following chapters: Eastland, Ranger Moran, Desdmona, Callahan

Chapter and DeLeon. A single visitor from Brooklyn, N. Y., Mrs. Margaret Husband, a visitor in Cisco, was also recognized.

The assembly was then invited into the adjoining room for refreshments. The table, laid with a beautiful lace cloth, held a pretty centerpiece of dahlias and the large crystal bowl filled with delicious fruit punch. Mrs.

Jessie Pippen lauded punch assisted by Mrs. Eula Smallwood; and refreshment plates of assorted cookies and mints were served by Mrs. Sarah Ann Parmer and Mrs. Sadie Youngblood to more than 100 members and visitors.

Take your family to Sunday School every Sunday.

THANKS

I want to take this opportunity of thanking the people of Eastland County for the fine vote given me in the first primary, and to elicit your support in the run-off.

I also want to thank my two opponents for the clean race they conducted. I believe we are better frinds now than we were when we entered the race.

If I am elected your Sheriff, I shall do my best to merit your confidence.

SINCERELY

J. F. (Frank) TUCKER

Back in the Early Days -

this county was surveyed in most part by the railroads in uniform and regular blocks and tracts. Tracts not so surveyed are usually irregular in size and description and are more difficult to abstract and more expensive. But whether your property be a ranch spreading across the hills or a cottage by the side of the road, we find it by a system of abstracting unexcelled in this area. And by getting the best you can have the cheapest.

A Pledge to the American People

by

The Great Atlantic & Pacific Tea Company

We will resist all unwarranted price rises with all our might.

We will make every effort to hold our inventories at the lowest point consistent with good service to our customers, because hoarding, whether by wholesalers, retailers or consumers, will cause higher prices.

We will continue to maintain the lowest profit rate generally prevailing in the entire retail industry. Our net profit now is less than one cent on each dollar of sales.

We will continue to strive for more efficient distribution.

We will fight waste of food, or time, or money all along the line so as to narrow the spread between wholesale and retail prices.

We will devote all our energies to giving you the most good food for your money every day of the week.

We will strive always to do what is honest, fair, sincere and in the best interest of our country and our customers.

As most of you know, this company and the low cost, low profit policies that built it are under attack.

We are defending ourselves against a suit brought by the anti-trust lawyers to put A&P out of business.

But the greater conflict in which our country is now engaged takes precedence over all else.

Today, with our boys fighting in Korea, we believe that all citizens and all businesses, big and little, should devote themselves wholeheartedly to the public interest.

We promise the American people that we will cooperate unhesitatingly with our national government in the present crisis.

We promise you that we will continue to do everything in our power to put more buying power in your food dollar and more good food on your dinner table.
