Over 10,000 visitors to Lake Colorado City State Park during the Memorial Day holiday meant a very busy weekend for park employees. Saturday night's severe storm went around the lake, sparing the tents and camper trailers from any damage. The Memorial Day weekend traditionally kicks-off the busy season at the 574-acre state park.

Dorsie Leé Johnson

Execution date is set for June 4

A Mitchell County man will be one of two inmates on Texas' death row to be executed on the same night June 4.

According to a Texas Department of Criminal Justice spokesman, Dorsie Lee Johnson will be the first person from Mitchell County to ever be executed.

He has been on death row since 1986 for killing a Snyder convenience store clerk. He and Davis Losado of Cameron County are both scheduled to be executed Wednesday evening, June 4.

Two executions in the same night has only happened once before in modern times, in January 1995, said David Nunley, TDCJ spokesperson.

Johnson's execution by lethal injection is set for 6 p.m. and is expected to precede Losado's because family members of the victim are expected to witness Johnson's execution, said Nunley.

Johnson is one of ten death row inmates schedule for execution in June as Texas breaks a state record for number of executions set 73 years ago.

Last week alone, four condemned killers on death row in Huntsville were executed, one a night for four straight nights.

Texas broke a state execution record in April when six convicted killers were executed, breaking the record set 73 years ago when five murderers died in the Texas electric chair on the

Inmate murder trial is changed to Sweetwater

The trial for seven inmates accused of murder in the death of a Wallace Unit inmate last year will be held in Sweetwater instead of Colorado City.

The state's special prosecutor Latham Boone said Tuesday he is preparing an order to change the venue and submitting it to 32nd District Judge Weldon Kirk.

The main reason for the move is the larger jury pool in Sweetwater, said Ben Smith, assistant district attorney.

Four inmates will be tried at the same time. A larger than normal jury pool will be required with four defense attorneys allowed to strike potential jurors from the jury list.

Besides the larger jury pool in Nolan County, most of the defense attorneys are based in Abilene. In addition, the accused inmates are housed in the French Robertson Unit in Abilene and the courtroom in Sweetwater is larger.

The decision to move the trial to Nolan County was discussed during arraignment proceedings in Mitchell County Thursday,

Various factors lead to cannon being delayed

Think the Oklahoma City bombing, Ruby Ridge, stolen military equipment and the "60 Minutes" television show have nothing to do with Mitchell County?

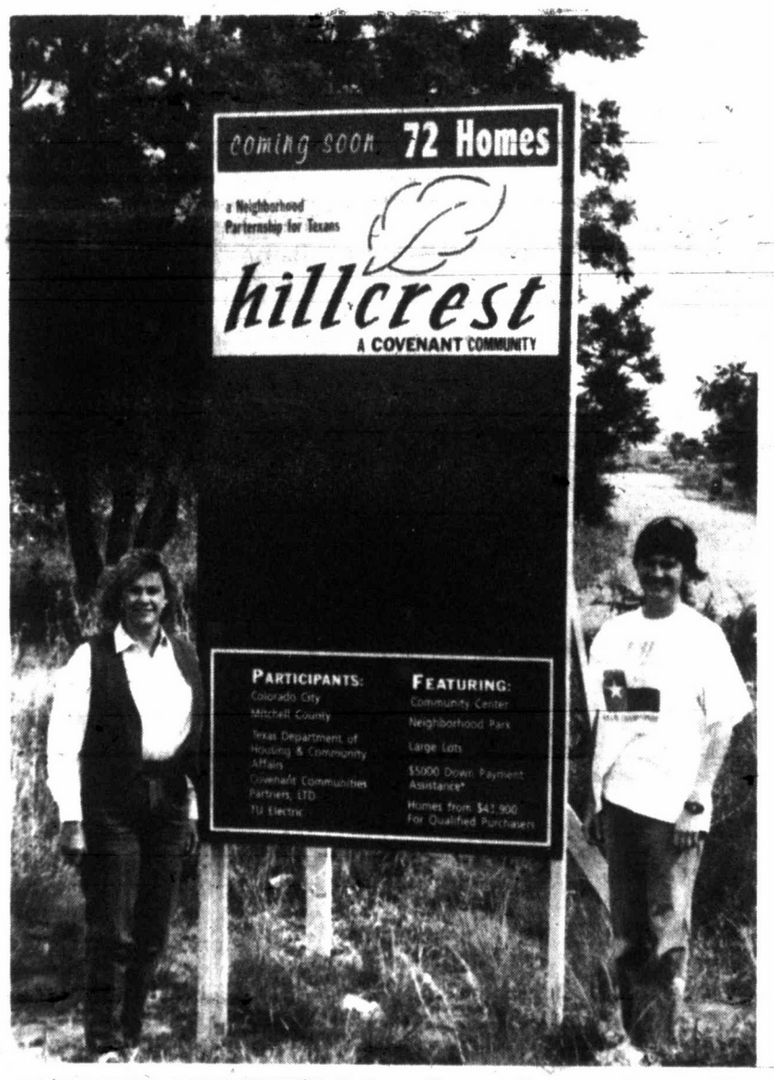

Wrong.

They're all factors in the delay on returning Colorado City's cannon, said the chief of the Army's RE-USE Department.

Current events involving militant groups, negative national publicity on the use of old military equipment and a large demand for the equipment for display have led the U.S. Secretary of the Army to put a halt to distributing unused, demilitarized equipment, said Ed Woolverton, chief of the RE-USE Department.

Ware Unit nearing capacity

The new TDCJ Ware Unit will be about 2/3 full by the end of this week, said Assistant Warden Neal Webb Monday.

Three more busloads of inmates are expected this week which will increase the inmate population of 581 to 719 by the end of the week.

150 employees are currently working at the Ware Unit.

"Since we have enough staff to run the dormitories, it makes sense to have the dormitories full rather than partially full," said Webb.

The 900-bed transfer facility opened May 4 and the first inmates arrived two days later.

The Ware Unit has filled up faster than originally anticipated. The week before the unit opened, TDCJ administrators predicted that the prison population would reach 500 by the end of the fourth week.

Webb said he expects the number of new inmate arrivals to slow down for awhile after this week while the staff is gradually increased.

Webb said the first month of operation has gone very well.

"There have been no major problems so far, just minor details to be taken care of" he said.

COOK'S CORNER

Betty Sayger

Betty Sayger didn't know much about cooking when she married. She joined her husband, Robert, who was stationed at Webb Air Force Base in Big Spring, not knowing the basics of cooking. She was very fortunate to befriend another airman's wife who taught her how to follow a recipe, among other things she needed to know.

When asked about flops in the kitchen, Betty laughed, "every time I make homemade biscuits, they turn out hard as rocks, now I'm good at whoppin' . . . whoppin' the can of biscuits to open it."

Favorite's vary around the Sayger household. Betty's favorite dish is Beef Cincos, which are similar to nachos. They consist of tostada chips topped with beef, cheese, lettuce, tomatoes, guacamole, and peppers.

Betty said she always tries to have something sweet in the house for her husband, Robert. Desserts are her specialty.

Betty and Robert have lived in Colorado City for 40 years. Robert, now retired from the United States Air Force, is a postman.

The couple has three children. They are Ellen McDonald of Denver Colorado, Cheryl Hoyle of Colorado City, and Clay Sayger of Houston.

The Sayger's also have 10 grandchildren. Betty said that they really enjoy seeing their grandchildren as much as possible. With a family spread apart, it is sometimes difficult to see them as often as they wish. But "it gives us a good reason to travel," Betty said.

Try these recipes which Betty submitted to us.

CHIEF LONE WOLF

By JIM BAUM

So what if the war in France was really over? How would anyone ever know it in Colorado, Texas? The year was 1918. There was no radio, no TV and it would be four days until the newspaper was published.

Yet, somehow, "a report came that Germany had surrendered," according to an account in the *Record.* And that launched a spontaneous celebration. School children led the way and soon the effort spread across town. Then, almost as soon as it started, the joy and merriment ended. News had been received in town that the first report was false.

Later, another report stated the armistice had been signed. This time, the fire bell was rung and residents of Colorado came running from their homes. Some were laughing, some crying, most were shouting. The war to end all wars was over!

As the crowd grew someone suggested that the celebration be moved to the First Baptist Church where a thanksgiving service to God could be held.

Immediately the line of citizens snaked through town to the church where an impromptu rally was held. The city band was on hand, the mayor had a patriotic speech and other speakers praised God.

Thus, the end of the war was celebrated in Colorado (City).

By December of 1918, a movement had begun to honor the boys from Mitchell County who had given their lives for the great cause of freedom. Specifically, it was suggested that a small park be created, near the center of town, where trees and shrubs would be planted, as well as grass, and a "plain and simple monument, probably in the form of a fountain carrying the names of those in service from Mitchell County," would be erected with special inscriptions for those who lost their lives in the war.

The idea was to raise money through contributions, probably a couple of thousand dollars, and then after the park was completed, plans would be finalized for suitable monument.

Unfortunately, that part of the project wasn't to be completed for more than 50 years!!

Meanwhile, plans progressed to welcome home local men who had been overseas. By now some complaints were being heard that "our boys were coming home and being met with very little enthusiasm."

The *Record* acknowledged a fitting welcome had been lacking, but it was reported, the young men were coming back one by one and it had been almost impossible to plan a public demonstration.

"The small town cannot always give its returning heroes triumphal arches and wonderful music and great parades," the *Record* noted.

In time, plans were completed to hold an all day picnic on July 4, 1919. There would be speakers, band music, baseball games and maybe even an airplane exhibition. Free ice water would be made available and citizens were urged to "come early, stay late, cook the fattest legged chickens, wear the broadest smiles and let the event be the biggest ever pulled off in this county."

Of course it was understood, the *Record* continued, that all the stores will be closed and the business houses fittingly decorated.

The big day was launched with a parade. Soldiers in their uniforms marched, there was a band, a truck was decorated, boy scouts marched and the procession made its way through town, ending up at the tabernacle, across from the courthouse.

Inside the tabernacle, where there was seating for two thousand (every seat was taken and another two thousand milled around outside). There was a welcome by the mayor, lots of singing and the festivities continued into the night when a street dance was held.

Fast forward now to the year 1969. The Mitchell County commissioners discussed plans for a memorial marker. It would be for veterans from World War I, World War II, the Korean War and Viet Nam. To be remembered were those who lost their lives while in uniform, but not necessarily in combat.

The total cost of the project was $4001 which included new sidewalks ($1907) and an apache red granite marker ($2094) from Rawlins Monument Company of Weatherford. (There was also a 50¢ per letter charge to inscribe the names of the war dead).

Plans for a memorial had begun several years earlier. County Judge Elmer Martin is credited with the idea. His nephew, George Martin of Loraine, recalls Martin had mentioned a number of times the need for such a marker.

Then, in 1964, the judge received the motivation necessary to get the ball rolling. A nephew, Gerald H. Martin, was killed in an automobile accident. The young man was serving in the Army when the mishap occurred.

George Martin, says that was the impetus his uncle needed to push for the memorial marker.

"Up until then, he had just said 'we need some kind of a memorial for our military men.' After that, he went to work for one."

The dedication of the marker came on March 28, 1970. Congressman Omar Burleson was the featured speaker. Don Delaney, representing the VFW, was master of ceremonies.

"There was a big crowd there that day, probably about 300 people," he recalled. Delaney called Burleson's speech "memorable".

So, 51 years after Mitchell County's young men came from World War I, a memorial marker was in place to remember those who would never return. A salute to Judge Elmer Martin and commissioners W. M. Vest, J.C. Northcutt, Moody Richardson and Drue Cawthron for making it happen.

The expenditure of $4001 was a small price to pay for perpetuating the memory of the men who paid the highest price for their country.

We thank God for all who served in our nation's wars...we thank their families ...and may God always bless America.

Business card request bogus

A request from a teenage cancer victim for business cards is not sponsored by the Make-A-Wish Foundation, according to a Make-A-Wish spokesperson.

"It's bogus," said Amy Collins of the Make-A-Wish Foundation office in Midland.

A letter to the editor in last week's *Record* said that Craig Sherwood, a 17-year-old boy suffering from terminal cancer, had made the wish to enter the Guinness Book of Records as the person who has collected the most business cards. Readers were asked to send their business cards to Craig at the Make-A-Wish Foundation in Atlanta, Ga.

"It's not valid. This chain letter has been going around for the last seven years. We've tried to get it stopped but it still keeps coming up," said Collins.

Business cards sent to Make-A-Wish are shredded, she said.

Make-A-Wish is a non-profit organization that grants wishes to children with terminal illnesses.

Collins explained last week that the boy was granted a wish by the foundation when he was a child and later recovered from his illness. As a teenager he wanted to get a place in the Guiness book. Make-A-Wish's name was attached to the request without their permission.

Last week's letter to the editor in the Record was written by a staff person at West Central Texas Education Cooperative and sent to Colorado Independent School District. After requesting CISD faculty to participate, a CISD administrator asked the *Record* to publish the letter as a letter to the editor with the permission of the author.

lost their lives in Vietnam: Curtis A. Ashton, Robert W. Cooper, Robert Tiger Davis, Manuel G. Martinez, Ralph Smith, and James Glenn Standefer. Representatives from the families accepted the tributes.

The Honor Guard from Dyess Air Force base passed in review, raised the flag and lowered it to half mast when *Taps* was played.

Mayor Jim Baum, keynote speaker, recalled a celebration in 1919 celebration that included a parade and picnic to celebrate the end of World War I. He also reminded the audience that in 1970 a memorial ceremony included the new granite marker in front of the courthouse designed to "perpetutate the memory of those who had paid the highest price for their country."

Other local Memorial Day observances included a barbecue at the VFW building Monday and a military exhibit at the Heart of West Texas Museum. American flags were placed on the graves of Mitchell County servicemen by local Boy Scouts.

district has been discussed in past meetings. Tuesday night the board approved stipulations to the policy suggested by Rick Rickard, hospital administrator. They include enrollment in an acceptable program; 18 years of age; resident of Mitchell County; completing the program in the prescribed amount of time; working the same amount of time as the scholarship education time; and reimbursement to the hospital district if the recipient fails to complete the training or does not work the prescribed amount of time.

same February night.

Johnson was convicted in Scurry County March 23, 1986. Evidence during the trial showed Johnson shot Jack Huddleston in the back of the head with a pistol for $160 and two cartons of cigarettes.

Senior Judge Gene Dulaney set the June execution date after Johnson's latest appeal was turned down by the Texas Court of Criminal Appeals.

It is the fourth execution date set for Johnson, who was 19 at the time. The last execution date of Oct. 23, 1996 was stayed to consider constitutional challenges of a 1995 state law intended to speed up the appeals process for condemned killers.

The appeal by death row inmate James Davis virtually stopped lethal injections in Texas and created a backlog by delaying cases that would have concluded a year ago. The result is the current unprecedented increase in executions.

Johnson changed his name to the sirname Johnson Bey after becoming a member of the Morrish Science Temple several ago while in prison.

last week Woolverton said that there was no way to determine when the moratorium would be lifted. A task force has been formed to evaluate the army's policies on the equipment and will report their findings to the Secretary of the Army.

An investigative report by the "60 Minutes" television show this year was critical of the army's system of distributing the unused equipment.

Meanwhile Colorado City's cannon remains in limbo as it rests in front of the Veterans of Foreign Wars post in Sweetwater. A small group of Sweetwater veterans hauled off the cannon in February after receiving authorization from the U.S. Army.

The army attempted to resolve the conflict by giving the Sweetwater post a replacement cannon. That replacement cannon has been demilitarized and is at Ft. Hood. It can't be moved until the moratorium is lifted, said Woolverton.

Sweetwater post members have so far refused to return the cannon until they receive their replacement.

Five of the seven were arraigned last week: Salvador Munoz Hernandez, Luis Alejandro Ortiz, Humberto Paura, Ramon Antonio Perez, and Francisco Ramirez.

Two inmates had not yet been transferred from the east Texas prison unit to the Abilene unit at the time of the arraignment. Inmates Adolfo Garza and John Gaona are expected to be arraigned during pre-trial hearings in September.

MITCHELL COUNTY HOSPITAL Dietary Director Billie Woods presents Susie Hanmon and Madrine Glenn with gift bags in appreciation for the gourmet dinner they prepared for the hospital staff Thursday.

Glenn prepares meal for MCH employees

Madrine Glenn used the skills she learned from operating a catering business in Cisco, Texas to say thank you to the staff at the Mitchell County Hospital last Thursday.

Glenn, who moved to Colorado City after retiring eight years ago, was a patient at Mitchell County Hospital recently.

"I didn't feel like eating anything," said Glenn. But everyone was so nice to me, encouraging me to eat and doing everything they could to help me, especially Billie Woods (MCHD dietary supervisor). When I got out of the hospital I just wanted to do something nice for them."

With assistance from Susie Hanmon, her friend from Cisco, Glenn prepared a gourmet meal for all three shifts at the hospital. Around 180 people signed up for the dinner that included chicken salad croissants, ham sandwiches with toasted slivered almonds, rice, meatballs, strawberry tarts and a range of other delicacies.

"It's been good therapy. I've missed the catering. This has kept me busy and has been a way for me to return their kindness," she said.

Hospital district employees recognized for years of service

Twelve employees of the Mitchell County Hospital District were recognized for years of service at the MCHD Board meeting this past Tuesday night. They are

San Juana Martinez, EST, for 15 years service at the Valley Fair Lodge.
Toni Everett, RN, for 5 years at the Mitchell County Hospital.

Becky Manning, RN, for 5 years service at the Mitchell County Hospital.
Joel White for 5 years service at the Mitchell County Hospital.
Silvia Barrera, LVN, for 15 years service at the Mitchell County Hospital.
Faye Ross for 15 years service at Mitchell County Hospital and the Wallace and Ware Correction Care Units.
Dorothy Williams, LVN, for 5 years service at the Mitchell County Hospital and the Heart of West Texas Home Health Agency.
Melba Marth, LVN, for 5 years service at Mitchell County Hospital and the Wallace & Ware Correctional Care Units.
Belen Garza, CNA, for 10 years service at the Valley Fair Lodge.
Connie Browning, LVN, for 5 years service at the Mitchell County Hospital.

The Mitchell County Hospital District Board and Administrator wish to congratulate these professionals on their tenure and thank them for being an important part of health care delivery in Mitchell County.

LETTERS TO THE EDITOR

Say So Week

Letter to the Editor:

A group of Abilene women are again sponsoring "Say So" Week (May 25-31). The Glow Group at Grace United Methodist Church has sponsored this program for several years. The idea of it is to "say so" if you like what someone has done, appreciate a generous spirit or just want to say, "Hey, I like you!"

I usually think that I could do just that, but then I never get around to doing it. So, starting today, I want to say "A BIG THANK YOU" to our City and County officials and workers, civic clubs, Chamber of Commerce and all others, who have worked to make Colorado City and Mitchell County an attractive place to live, a safe place and an interesting place. The improved job market, the water and sewer improvements, the landscaping downtown, the welcome sight of once-empty buildings having businesses operating are all a definite plus in our lives. Steve Shutt and Windi Fuller are among those who deserve our heartfelt thanks and so seldom get the credit they deserve.

So, next time you think that someone deserves a "Thank You!," just "Say So"!

Project Celebration

Letter to the Editor,

Another Project Celebration has successfully come and gone. The students who were involved will have happy high school memories, a fun night and even some nice prizes to remember. The adults will be storing up their energy for next year's bash!

With all of this in mind, I want to thank everyone who made this Project Celebration possible. Our fund raisers were greatly supported by this community. Our requests for food and fun stuff were readily answered. Our calls for help and volunteers were heard and needed.

To those parents and others who spent this year working for Project Celebration I say a great THANKS. To those who worked the actual night of Project Celebration, I say I hope you've gotten back your sleep and see ya' next year!

Loraine Parents

Letter to the Editor:
Dear Loraine Elementary Families:

As school teachers we all recognize that our job is much easier with involved parents. On our recent Field Day you confirmed our belief that we have such parents. You cheered with us, ran with us, and even sat on balloons with us. You showed a genuine interest in our school and most importantly in our children. Thank you for your support. Without you our school would not be successful!

Loraine fourth graders hold chili cook-off

On Friday, May 16, Loraine's fourth grade class held its 12th annual Chili Cook-Off in honor of Texas' state dish -- chili. Usually held in the classroom, this year's contest was moved to Mrs. Moore's house across the road from the school.

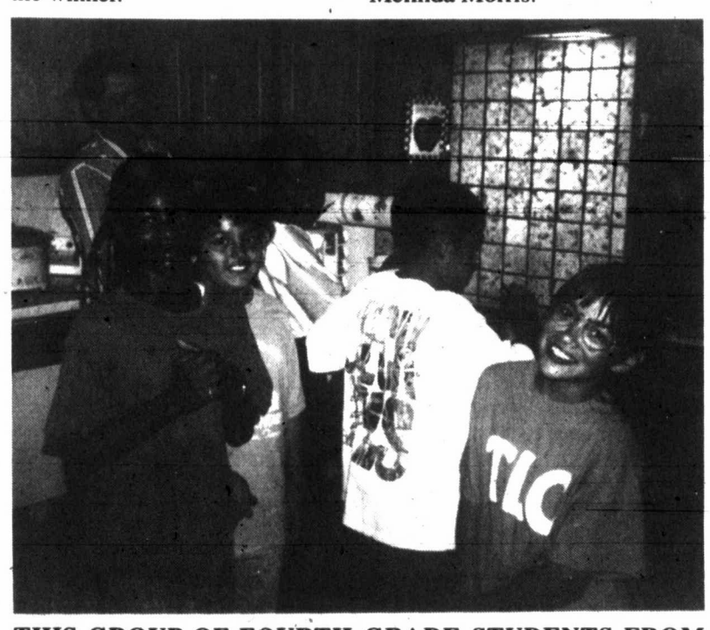

Four teams of students made award-winning chili using no recipe. Each team was provided five pounds of ground beef, but the students had to bring all the other ingredients for their chili. The members of each team decided what and how much of everything to put in, so every pot of chili had its own interesting taste.

Parent volunteers came to Mrs. Moore's home to assist with the safety aspects of cooking and to supervise the outdoor activities in between kitchen duties. Alan and Vonda Neel, Rosemary Aguilar, Karen Morris, and David Arellano spent most of the day with the class, while visits during the day were made by Cassie Rodriguez, Sylvia DeLoera, Rachel Moreno, Teresa Bailey, and Adela Garcia.

Judging of the contest was done by teachers from the Loraine secondary faculty. One veteran judge commented that this year's chili was the best ever and was very difficult to judge.

When the judging was complete, it was decided that all the teams had prepared winning chili. The judges, however, were requested to name a first place pot of chili. After much deliberation, the team composed of Marcy Rodriguez, Anthony Esquivel, Cameron Smith, Shawn'tae Bars, and Amanda Aguilar was declared the winner.

Also competing were Cloves Carrington, B.J. Barnett, Elizabeth Martinez, Elania DeLoera, April Bailey, Jonathan Ellis, Travis Leighton, Krystal Sanchez, Eva Gowen, Eliza Garcia, Ashley Smith, Tyler Neel, Stephanie Rich, Cynthia Delgado, and Melinda Morris.

THIS GROUP OF FOURTH GRADE STUDENTS FROM LORAINE ISD prepared the winning pot of chili at the 12th annual Chili Cook-Off held at the home of fourth grade teacher, Mrs. Moore. Pictured (l-r) Shawn'tae Bars, Amanda Aguilar, Cameron Smith, Anthony Esquivel, Marcy Rodriguez. Standing in the back is parent Alan Neel.

Summer jobs for youth needed

This is the second year Representative Rob Junell has promoted the "Summer Jobs for Youth" program in Colorado City. In order for this program to be a success we need cooperation of the employers and agencies in Mitchell County.

There has been an overwhelming response from the students in the county, and Representative Junell asks that all employers give serious consideration to assisting our young people in finding jobs this summer.....jobs of at least 20 hours per week for 6 weeks, paying minium wage. This program is for students 14-21.

Employers who have not received letters regarding this program may contact the Chamber of Commerce or Representative Junell's office. Junell's office hours are 9-11:30 and 1-3:30, Monday through Thursday.

A college student, Lori Dockrey, has already begun work in the Junell office.

KTXS to sponsor summer reading program

Summer fun is found at the local library! KTXS-TV, in partnership with local Big Country libraries, is launching its annual Summer Reading program. This program is designed to encourage reading among elementary-aged kids during the summer months.

All area libraries are invited to join in. Participating libraries are given Six Flags tickets as incentive prize for the kids who read in the program. Bookmarks are also available for everyone. Individual libraries handle the details of their program independently. Those who wish to sign up should contact their local library.

A kickoff party will be held in the upstairs auditorium of Abilene Public Library on Saturday, May 31, from 3:00-4:00 p.m. Free cokes and popcorn will be available along with prizes and games. Local puppeteers will do puppet shows and Artist Patty Ray Welborn will be there to do caricatures. The party will also be the time for Abilene children to sign up for the program. Big Country kids from outside Abilene should sign up at their home town library.

Loraine fourth graders visit the Science Spectrum and Omnimax

Mrs. Moore's fourth grade class from Loraine went on a field trip to Lubbock on May 2nd. The trip was to reward themselves for doing a great job on the TAAS and to celebrate being finished with the tests for the year. Twenty students, eight parents, and Mrs. Moore made the trip, which included a visit to the Science Spectrum Museum, lunch in the Kaleidoscope Cafe, and seeing "Titanica" at the Omnimax Theater. The class raised money for the trip earlier in the year by taking donations on a chance to win a Kmart gift certificate and by selling plastic craft lace.

Summer food service program to begin June 2

The Colorado Independent School District is happy to announce they will be sponsoring the Summer Food Service Program again for the fifth time this summer. This program provides lunches FREE to all children one year through 18 years of age.

Meals will be served at the Colorado Middle School Cafeteria, 11:30 a.m. to 12:45 p.m., Monday through Friday June 2 through July 11. It will be closed July 4.

Children may come to the cafeteria at the west door on Chestnut Street to enter. They may come at anytime during the serving time and be served.

All children in attendance will be served the same free meal, with no physical segregation of, or other discrimination against any child because of race, color, handicap, age, sex, religion, national origin or political belief. Any person who believes they have been discriminated against in any USDA related activity should write the Secretary of Agriculture, Washington, D.C. 20250. Discrimination complaints based on religion or polictical belief must be referred to: Director, Civil Rights Division, Texas Department of Human Services.

Meals for infants will not be available, but adults may eat at a price of $2.50 each. All meals served meet the USDA guidelines for children, which when eaten will furnish one-third of a child's minimum daily requirement of nutrition.

All children are invited to come and eat lunch. No tickets, no sign up, or forms to fill out, or reservations to make. All that is necessary is to meet the age requirement and want to eat. The SFSP hopes the children will tell everybody about it and bring their friends and relatives if they want to, but if not, come anyway. The children do not even have to live in Mitchell County to come and eat. Just remember **IT'S FREE.**

Hill participates in AQHA horseback riding program

Brittany B. Hill of Colorado City recently enrolled in the American Quarter Horse Association Horseback Riding Program. The program provides AQHA members recognition for time spent riding or driving American Quarter Horses.

Each enrollee receives an official AQHA log sheet to record their hours driving or riding their American Quarter Horse. Participants need not own their own horse, but all official hours must be accrued with a registered American Quarter Horse.

The first award, a program recognition patch, is given after only 50 hours have been logged and verified. Patches and nine subsequent awards are presented at 100 to 5,000 hour levels.

Horseback riding provides good exercise. According to the U.S. Department of the Interior, more than 27 million people participate in horseback riding nationally.

AQHA actively encourages horseback riding as a relaxing recreational activity that can be enjoyed alone or shared with family and friends.

A MESSAGE TO ALL HOME BUYERS

Before you buy... Pre-qualify

Buying a new home in the Permian Basin is becoming more of a challenge. More people are trying to buy from fewer available homes. That means a builder or seller could receive other offers on the home you want.

If you want to move fast on the home of your dreams, we've introduced a smart, new way to buy it -- before you buy...pre-qualify.

Pre-qualify?

Your negotiating power will be much stronger when you pre-qualify.

Realtors, builders and sellers know ***HNB****Ready First* buyers already have the cash and are ready to deal -- now. And, if there is more than one offer, one pre-qualified and the other not, which are they most likely to take?

Will they take their chances? Or take the ***HNB****Ready First* money?

Save Money?

Some restrictions apply (you must be credit-worthy), but becoming ***HNB****Ready First* is easy...call HNB's dream team (our experienced staff who lives to make your dreams come true). We can pre-qualify and pre-approve your home loan quickly and easily with money-saving low interest rates.

Before you buy?

Before you buy...before you even start house-hunting, call HNB Mortgage first and pre-qualify, before you buy. If you want to be a Permian Basin homeowner fast, get ***HNB****Ready First.*

Loraine News

By Bessie Ann Vaughn

Greetings from Loraine!

***

You say you are lonely and no one comes to visit? You might try the following...

Poke a hole in a big ripe watermelon and place the melon high on a post.

Lie down under it and let the sweet juice drip down all over you. In no time you will be visited by all sorts of little creatures—cats, dogs, flies, spiders and ants. You won't think about being lonely after that!

If per chance that doesn't work, you might try hiding money inside your house and invite people to come play hide and seek for money. They will come! Just about the time they spy some money and reach for it, turn you bad dog loose. This lets you keep your money and gets rid of your visitors before they wear out their welcome.

***

Scott Irwin from Fort Worth stopped in Loraine Friday night to visit his grandparents, Kenneth and Juanice Butler. Scott is a seminary student in Fort Worth. After leaving Loraine, he visited his other grandparents, Mr. and Mrs. E.B. Irwin in Eunice, New Mexico.

***

We have concerns for our friend, Dr. Joe Terry. He underwent heart by-pass surgery this past week in Abilene. It is reported that he is doing well and should be home by now. He was expected to be released on Tuesday, May 27.

***

Greg Wilkes, former chief engineer for Handley Petroleum Co. has been promoted to vice president of engineering. Wilkes has been with Handley for over ten years. Greg is the son of Monte and Melba Wilkes, a grandson of J.A. and Adell Thompson of Loraine and Ruth Wilkes of Robert Lee.

***

Bill and Barbara Long visited with Annie Bell Jones Sunday, May 25. The Longs are from Savannah, Ga.

***

Irene and Clovis Hale from Lubbock, M. L. and Maureen Chandler from Snyder and Bill and Barbara Long from Savannah, Ga. visited in the home of Irene Kidd Monday, May 26.

***

Last week, Royce and Neysa Beights went to Lubbock to attend a dance recital where their granddaughter, Morgan, performed. It was lovely and they enjoyed it, but before leaving the building, Neysa collided with a chair and broke her arm.

Now only a few days later, she has broken a toe. We hope it is a passing "short" phase and Neysa mends quickly.

***

Danny and Pam Butler along with children, Brian and Krystal, have just returned home from Carlsbad, where they visited with Mr. and Mrs. A.M. Hughes and later attended a graduation ceremony for Pam's nephew, Clint Hughes.

***

Congratulations and best wishes go to newlyweds, Carl Graham and his bride Melody Barry Graham. A beautiful wedding ceremony took place at Loraine's Friendship Park with a large gathering of family and friends on Sunday, May 25. A reception followed at the Senior Center Hall. The couple will make their home in Loraine.

***

My good friend, Pres Powell, is so kind and generous. I heard he has barn swallows that he wants to "shoo" over to my house. Well, I do believe they showed up yesterday and joined mine for a party under my breezeway. I feel sure you have heard about party poopers. There is mounting evidence that each and every mud swallow in Mitchell County "pooped" a lot at the party.

I'm going to Rosie's to look at shotgun shells. If I follow through in that direction, I guess I'll be looking for a roofer...What to do? What to do?

***

SENIOR CENTER NEWS

On. Wed., May 21, Loraine school children from the first and second grades came down to the center and had lunch with us. They sang songs and for the finale, each student told us his hame and what grade they were in.

***

Line dancers from Big Spring entertained us last Friday prior to the noon meal. Talk about a lively, cheerful group! They all seemed to be in tip top shape as a result of all that dancing and moving about.

We sure did enjoy the action. Thank you to Lorrie Schaedel, Margie Windsor, Sydne Rasene, Charlene Ragan, Luca Perry, Bonnie Cross, B.D. Mason and leader Dorothy Kennemur.

***

Having birthdays in May are June Barron, Frances Godwin, Biddie Jones, Kenneth Kendall, George Lee, D.C. Fowler, Lurlene Feaster, Elsie Freeman, Christene Britton, Frank Lamborean, Denise Mitchell, Elsie LeCroy, Thurman Danheim, Gloria Browning, Dorothy Langford, Brother James Merrell and Pat Hodgins.

Julia Green will furnish the birthday cake.

***

The Wallace inmate gospel singers sang for us Wednesday, May 28. They are very entertaining and if you like gospel music, you will love this group. We all did and hope they will return again.

***

We have concerns for Annie Belle Jones and Betty Marsh.

LORAINE MANOR NEWS

Jeff Woodell, social director reports that the zoo visit in Abilene was enjoyed by 10 residents. After seeing the animals, this group went to Henry D's Restaurant, where they all ordered cheeseburgers. Jeff said the cheeseburgers caused more excitement than getting to see all the animals!

***

The manor has welcomed a new resident. Mr. Leonard Reed just recently moved there.

***

J.D. Iglehart is still in the hospital. We hope he is feeling better soon.

***

Several residents enjoyed an ice cream party at Kristie Lee Manor on the 23rd.

***

The birthday party for May was held on May 26. Having birthdays were Alvis Finley and Antonio Moreno.

***

Jeff says the garden at the manor is looking good—everything except the blackeyed peas. Someone please call Jeff and tell him when and how to plant peas. He needs a little advise about that!

THE CONCLUSION OF ROSIE-AN AUTOBIOGRAPHY

I am probably the only girl in the country that her doctor makes house calls for. Alfred, the local veterinarian, just happens to be a gun person, so he drops by to see me. He cleans my ears with Q-tips and sends me into ecstacy.

I have a large fan club which headquarters at Mel's Country Kitchen, a local cafe. For Valentine's Day, they sent me a card that measures 14 by 22 inches, when folded in the middle. There were smaller cards inside and out of the big one. They were signed by nearly everyone in town and a bunch from out-of-town. One couple from Petersborough, Ontario came over and got my autograph.

A reporter showed up one day to interview me. A very nice young man named Ken Ellsworth. He writes a column entitled "Eye on I-20" for the Abilene *Reporter News*. We had a nice talk and he tried to take notes. In an effort to assure correctness I took his pen in my mouth, much like I do for anyone who tries to write in my presence. He moved it around so I couldn't reach it, so I bit him gently on the elbow. Nevertheless, he wrote a very nice story about me. He did remind everyone to be sure and pet the cat.

I found out later that another of my friends, Bessie Ann Vaughn, who is a local reporter for the Colorado City *Record*, had told Ken about me. As a result of Ken and Bessie Ann, my fame has spread. I received a letter from a gentleman in Abilene wanting my autograph. He said he had already written a book about famous people and had their autographs in it. He said I would be the first famous animal in his new book, so we sent him an autographed footprint and pictures.

I have a friend who is a truck driver. He comes by to see me whenever he is in town. He has a little dog named Honey. She looks like a cross between a rat terrier and a chihuaha. She also looks enough like a mouse that she might be delicious. Ever since I made a dive for her one day, Honey stays in the truck.

As I sit here looking back at my life, I still can't decide who should play me in the movie version of my book. It's a shame Sandra Dee got so old so soon. That just about leaves me with Heather Locklear. As for the romantic interest, it's Tom Cruise or possibly Tom Selleck. It's been rumored that I may have been involved with Socks, the Whitehouse cat. NO WAY! After all, he's a democrat!

As you can tell, I've led an exciting life...what with all the interviews, personal appearances, commercials and such crammed into a short nine years.

THE END

Be sure and tell Tommy Wright you enjoyed his "Rosie Story". I thank him for letting me use it.

Take good care and see you about town!
