## Churches Announce Programs For Easter

Among the largest crowds of the year are expected at all Eldorado churches on this Easter Sunday, which comes a bit early this year, but which season is already coinciding with the warmer Spring weather and budding out of trees and other greenery.

With Holy Week under way, some churches will hold Maundy Thursday communion services tonight; the Ministerial Alliance will sponsor a Good Friday service for all churches tomorrow night at 7:30 in the First Christian church; and all local churches expect good turnouts on Easter Sunday.

Again this year, there will be several from here attending the Easter-Eve pageant at Junction. This event starts at 10:00 p.m. Saturday and continues until midnight; it is more fully described elsewhere in this Success issue.

Easter plans as announced by various local churches include the following:

### Presbyterian

Regular morning services will be held on Easter Sunday, states the Rev. Dan Sebesta, pastor.

Sunday School will begin at 9:45 followed at 11:00 by the morning worship.

At 4:30 p.m., the congregation will gather at the Page ranch for the traditional Easter Egg Hunt for children, and picnic. A vesper service will be held at the ranch to close the day. No night service at the church or young people's meetings.

### First Methodist

A Maundy Thursday communion service by candlelight will be held tonight at 7:30 in the Methodist church conducted by the pastor, the Rev. C. M. Nyquist. This service will take the place of the communion which would be held the first Sunday in April.

On Easter Sunday morning, the Sunday School hour will start at 9:45 and the Lenten Self Denial Folders will be taken up in the various classes at that time.

The pastor will bring the message at the morning worship which will start at 10:45. The choir will render a 14th century Bohemian Easter carol, Alleluia, Jesus Lives. They will be accompanied by Mrs. Bill Rozean at the organ. The membership class of young people will join the church and there will be a baptismal service.

"The Resurrection—After Death—What Then?" will be Rev. Nyquist's sermon topic at the morning hour. For the 7:00 o'clock Sunday night service the pastor will use as a follow-up subject, "The Final Separation."

### First Christian

A preaching service was held Wednesday night to officially launch the Easter theme at the First Christian church, of which C. E. Cogswell is pastor.

Tonight, Thursday, there will be a program by the church youth with a Maundy Thursday communion service included.

Friday evening at 7:30, the First Christian Church will be the host church for the interdenominational Good Friday service sponsored by

## Community Revival Coming

For more than a year the Ministerial Alliance has been at work planning a Community Wide Revival. Plans are now complete and beginning on Sunday night, April 12th, we will meet each night in the High School Auditorium at 7:30 o'clock for six nights. We have selected the spacious assembly hall of our High School as we do not think that there is a church large enough to accommodate the crowd that should attend such a meeting as we have in mind. It is open to all churches and races without regard to creed or color.

We hope the people of Schleicher county will support this meeting by keeping these six nights free and open. We have secured one of the best preachers in West Texas; also one of the very best song leaders. More information and pictures in the Success next week and in your mail. Keep this community effort in mind; remember it in your prayers.

C. M. Nyquist, reporting for the Ministerial Alliance.

the Ministerial Alliance.

On Easter Sunday, the day will start with Sunday School at 9:45, followed at 10:45 by Morning Worship.

The evening service starts at 7:00 p.m. All these will carry out the Easter theme, Rev. Cogswell concluded.

### St. Mary's Episcopal

Holy Week observances are continuing at St. Mary's Episcopal church here in Eldorado conducted by Lea Roy Aldwell, Vicar.

Tonight at 7:30 will be Holy Communion and Stripping of the Altar.

On Good Friday, the Way of the Cross, Good Friday Office, and Meditation will be held at 1:00 p.m.

Holy Communion and Sermon will begin at 11:00 on Easter Sunday morning.

### Assembly of God

Johnny Griffith, pastor of the Assembly of God church, announces that Sunday School will be held Easter Sunday morning at 9:45, followed at 11:00 a.m. with worship service built around the Easter theme.

At 2:30 p.m., there will be an Easter egg hunt on the church grounds for the Sunday School children.

Regular evening service will begin at 7:30 p.m.

### Eastside Baptist

Sunday School at 10:00 and morning worship at 11:00 with the Easter message brought by L. R. Higginbotham of Eola.

Mrs. Duane Branham will direct an Easter egg hunt for the children in the afternoon on the church grounds.

Training union at 6:30 p.m. followed at 7:30 by evening worship.

### Church of Christ

Siles Triplett of San Angelo will preach at the morning and evening services at the (former Rock) Church of Christ.

This church will also provide the setting for the wedding Friday evening at 8:00 of Miss Dora Genelle McCalla and Sidney Van Pennington.

### West Side Church of Christ

M. J. Cunningham of Dallas will be here this week end with his family to visit Mrs. Cunningham's mother, Mrs. Lucille Doyle.

Bro. Cunningham will preach at the West Side Church of Christ on Easter Sunday, both at the morning hour, which starts at 10:30 a.m., and the evening service at 7:00.

### Roman Catholic

Father Joel Byrne of Sonora is conducting a full schedule of Holy Week services at St. Ann's Catholic church which started on Palm Sunday and will close Easter Sunday with saying of Mass in the Sonora church at 9:30 in the morning.

Father Byrne will say Mass at 11:30 Easter Sunday morning at Our Lady of Guadalupe Catholic church here in Eldorado.

## News Of The Sick

Mrs. Donn Byrnes is reported to be continuing to make satisfactory progress in the hospital in Ohio where she has been confined since her automobile accident of a few weeks ago. It was reported recently that Mrs. Byrnes, the former Lola Beth Ballew, will be in the hospital for about another month.

## New Babies

Last week's issue of the Ozona Stockman carried news that Mr. and Mrs. Jerry Dan Perry are parents of a son, Gregory Dale, born in the Crockett County Hospital on Tuesday, March 17.

Mr. Perry is employed by the Southwest Texas Electric Co-Op and is stationed in Ozona. He formerly lived here in Eldorado, attended local schools, before his parents, Mr. and Mrs. E. W. Perry, were transferred from here by Shell.

The Jerry Perrys have two older children.

## Post Script

### Christianity's Birthday

It's a fine time of year. The quickening of spring is on the land and March 29 will be Easter Sunday. We are reminded of Irving Berlin's famous song, Easter Parade. The lyrics paint a vivid picture of the lighter side of this day and the melody comes back to our mind as we read the words.

"In your Easter bonnet, with all the frills upon it, You'll be the grandest lady in the Easter Parade." The musical genius of Mr. Berlin and the appalling inventiveness of the female mind have combined to make the Easter bonnet a kind of contemporary symbol of the observance of Easter. Tens of millions of Christians attending church on Easter Sunday morning may have a new bonnet, many millions more around the world will not, but the meaning of the day will be the same for all. Following the crucifixion, Christ rose in both body and spirit and Christianity was born.

We know a dour old philosopher who always has something nasty to say about what makes others happy. His latest diatribe is against folks "parading to Church in all their Easter finery." But he won't get far with his complaints. For, strange as this might sound, the modern Easter "outfit" has its root in the very meaning of the day.

Easter has always stood for newness of life. It marks Christ's victory over death. It promises an eternal destiny to those who embrace the faith. Easter puts old things away and brings out the new as the Earth sends forth its verdure—as God reveals our Hope. And if there is a glow of happiness in wearing that new dress or hat or suit . . . well, it's only a hint of the joy that comes with finding that New Life.

For those of us who live in the northern hemisphere, it seems fitting that this time should come in the spring of the year—a time for new bonnets and for rebirth and growth after the rigors of winter. And for Christians everywhere, it is a time for rededication and renewed faith in the way of the Lord as a guide to a better life and a peaceful world.

### Easter Custom

Ever wonder how eggs and rabbits ever became connected with Easter? The egg and rabbit as symbols of the Easter season derive from the ancient festival of the Norsemen called Ostara or Eastre which commemorated the birth and divinity of spring. They represent the life-giving force in the reproduction of new species. Coloring for Easter eggs was originally practiced to capture the beauty given off by the rays of the Aurora borealis, northern lights and dawning hues of the sun.

This past Saturday night, the annual Fling Ding was held in Sonora, and all the motels down there were booked up about a month in advance of the event. Some of the overflow crowd stayed in the motels here in Eldorado.

As of Monday morning, 475 passenger car license tags for 1964 had been sold in the sheriff's office. This is about half of the close-to-1,000 total expected by the deadline this coming Tuesday, March 31st.

For two Sundays, the Sunday noon Buffet Luncheon has proved highly successful at the Java Junction Cafe, reports Mrs. Louise Boyd, proprietor of the establishment, this week. The buffet will be served on Easter Sunday.

After having been closed since New Year's for the winter months, the Eagle Drive-In Theatre is re-opening this week end for the coming season.

The theatre ad is back in its accustomed spot at the top of page 4, this Success issue.

With the departure of the Ohio, or Marathon, men Eldorado is losing good, civic-minded citizens. W. H. (Buster) Hale served as a city alderman and as president of the Lions club; and C. O. Dewey as school board member. William Jarrett was an enthusiastic worker in Little League baseball. All these men have been active in their respective churches, and they will be missed.

## Masonic Temple Is Nearing Completion

Interior work is continuing this week on the new Masonic Temple north of the courthouse. Interior painting has been done and workmen were installing the wiring and air conditioning, and finishing cabinets and getting ready to install the sinks and plumbing fixtures, Monday morning.

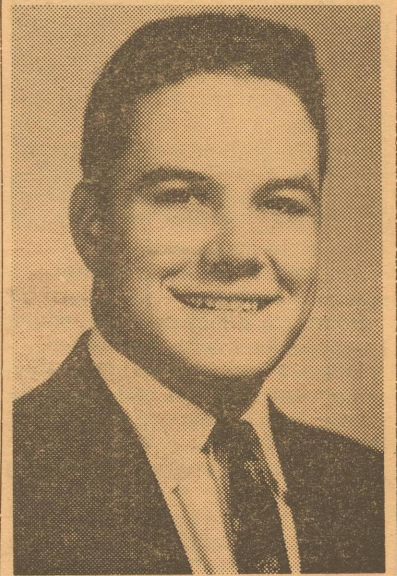

Orval Edmiston, chairman of the building committee, reported this week that the building should be completed and ready for the Lodge meeting on April 9th.

The Eastern Star women and other helpers are continuing the refinishing of the chairs and other furnishings which will be moved from the old building to the new one.

Archer & Renfro of Sonora are the general contractors on the new Masonic building.

It is tentatively planned for March 28 and April 4 to be work days at the new hall for Masons and Star members to clean the yard and get the building ready for use.

## First Baptist Church Launching Revival

MAX L. BROWN

Max L. Brown, pastor of First Baptist church in Ozona, will deliver the evangelistic messages at the First Baptist church here in a week's revival starting Sunday. A former pastor at Baylor Baptist church in Ennis, Rev. Brown has

## School Turning Out For Long Week End

Supt. A. M. Whitis and the other school administrators reported this week that classes will be conducted through today, Thursday, at the usual times, and then turn out late today for the long Easter week end.

Friday will be a holiday as well as the Monday following Easter. Classes reconvene Tuesday morning.

## It's Everyone's Move . . .

Tuesday, Mr. and Mrs. Charles Wimer moved in to Eldorado from the compressor plant of the Northern Natural Gas Co. located in the Reynolds community. They moved to the house in Glendale which they bought several months ago from Albert Tisdale, and which was built by Ray Tisdale about 12 years ago. The Wimers have been repainting the interior of the house in recent weeks preparatory to their move.

The Kenneth Rosford family moved to the house at the compressor plant vacated by the Wimers. The same mover from San Angelo transferred their belongings the same day, Tuesday, as the Wimers'.

The Rosfords vacated Mrs. Jerry Oglesby's house here in town, which is just west of the school. Arrangements were being made this week for Mr. and Mrs. Chester Wheeler to move to Mrs. Oglesby's house from the Henderson place about 12 miles east of town. Mr. Wheeler became county auditor on January 1st, succeeding Mrs. Mabel Parker who retired.

The Morty Mertz family were in the process of moving early this week to their new house in Sunset Acres, on the Mertzson highway.

Deadline April 1st . . .

## Marathon Closing Eldorado Office

Buster Hale, office manager for Marathon (Ohio) Oil Company, has been busy this week boxing up company records in preparation for moving all of their business affairs back to Iraan. The office here closes April first.

The move which affects all Ohio employees here, comes as a culmination of a unitizing plan that has been in the "the mill" for over a year. Under the plan Sinclair takes over all production operations of Ohio's wells in the Huldale field.

The Hale family will continue to reside in Eldorado where they own their home and where Mrs. Hale is public school nurse. Buster will drive to his new work at Iraan, at least until the close of school.

C. O. Dewey, production superintendent, is moving to San Angelo

today as is also J. D. Holden. They have found housing in the Village district, from where, with other Ohio men, they will carry on production duties in the Susan Peak field. Mrs. Holden said they spent an entire day house hunting and finally located at 214 North Harrison.

William Jarrett goes to Lovington, New Mexico, and Bob Hartley to Seminole, Texas.

### Thirteen Years

Ohio moved to Eldorado in a big way in the spring of 1951 following discovery and development of the Huldale field.

The March 1st, 1951, issue of the Success reports that three units of Keno's motel had been taken over as temporary quarters for Ohio officials who were establishing production offices in Eldorado for the Huldale and Runge fields. It also went on to say that C. O. Dewey who had been production supervisor at Seminole, had arrived in Eldorado to take charge of production here.

A week later it was announced that an office was being set up in Pop Taylor's building on South Main, where it has remained up to this time.

Ohio moved in two of their own rotary rigs and crews and contracted for two more. Four rigs were running at one time in Huldale and all four came in as producers. With drilling crews and production crews, Ohio had no less than 50 men working out of Eldorado. At one time they had their own "company" baseball team.

With Sinclair taking over production duties of all Huldale wells it is rumored that they will bring in additional employees.

## Eagles Take First Place In Plateau Relays Here

### Wiley Logan Dies

T. W. Logan, 79, a resident of Sonora since 1937 and formerly of Eldorado, died Saturday at 3:30 p.m. His funeral was held Monday afternoon in the Church of Christ in Sonora with Clifford Fehl officiating.

Interment was made in the Sonora cemetery under direction of the Ratliff-Kerbow Funeral Home. Pall bearers were James Logan, Jim Skinner, Claude Jenkins, Tommy Jenkins, Bill Teague, and Myrl Sudduth.

Mr. Logan was born Nov. 17, 1884 in Coryell county.

Survivors include his wife, two daughters, Mrs. Eva Mae Jenkins of Dallas and Mrs. H. N. Skinner of Eldorado and Vernie Logan of Fort Stockton; a brother, Joe Logan of Sonora; a sister, Mrs. Belle Kirkpatrick of Junction; 14 grandchildren and 22 great-grandchildren.

Wiley Logan will be remembered by older residents as an early day builder of houses in Eldorado. He came here from Dallas, was here in the World War I period, and after living in Sonora and Carrizo Springs, came back here in the 'twenties and early 'thirties to work on building jobs.

Among residences here that he built or remodeled were those of John Davis, L. T. Dannheim, Orval Conner, L. T. Wilson, and a number of others over the southwest Texas area.

## Nyquist To Preach At Good Friday Service

The Rev. C. M. Nyquist will bring the message at the interdenominational Good Friday Service tomorrow evening in the First Christian church.

"What Did Jesus See From the Cross?" will be the theme of Rev. Nyquist's sermon. Other ministers will have part on the program and Frank O'Banion will have charge of the music.

The service will start at 7:30.

Statement Pads, 40 sheets to pad, 25c at Success.

Following their sweep to victory Saturday in the Plateau Relays, the host Eldorado Eagle track and field-men are preparing to go to San Angelo this Friday and Saturday to participate in the track meet there.

Coach Earl Barnett, who had general charge of the Plateau Relays, reported this year's event one of the best ever and he thanked all who helped make it such a success.

The Eagles ran up a total of 101½ points to win this Ninth Annual Plateau Relays.

Bronte took the second spot with 87 points and Mason was third. Sonora placed fourth with 78 despite the efforts of Bill Elliott who brought in his usual fistful of points—this time 34.

Eldorado weightman Joe Phillips brought in points for the Eagles claiming the top spot in the shot put. Teammate Ronnie Williams grabbed off the first spots in the 120-yard high hurdles and 180-yard low hurdles. The Eagles' Ronnie Griffin won the century event with a 10.3 clocking.

The Eagles relay team turned in the best time of the day in 440-yard relay prelims, but were disqualified in the finals. The four-some returned to take first in the mile.

Ozona's Rodney Stewart won the discus with a toss of 132-3 and Ray Hinojoas of Mertzon won the 440-yard dash.

Results in detail:  
Discus — 1. Rodney Stewart, Ozona; 2. Jackson, Iraan; 3. Jack Mackey, Eldorado; 4. Amthor, Ozona; 5. Dees, Ballinger; 6. McCown, Miles. Distance 132-3.

Broad Jump — 1. Bill Elliott, Sonora; 2. Royce Lee, Bronte; 3. McDaniel, Bronte; 4. Kothmann, Mason; 5. McCown, Miles; 6. Williams, Eldorado. Distance 20-5.

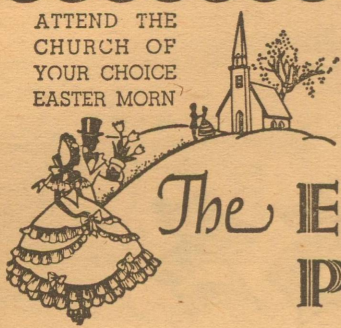

High Jump — 1. Morrow, Bronte; 2. Bill Elliott, Sonora; 3. (tie) St. Clair, Sonora, Favela, Sonora, Cooper; 6. Nixon, Mason. Height 5-10.

Pole Vault — 1. Walker, Mason; 2. Mendoza, Iraan; 3. Randall, Junction; 4. Carson, Ozona; 5. Bermea, Sonora; 6. (tie) Jay Halbert, Eldorado, and Gonzales, Iraan. Height 11-8 (new record).

Shot Put — 1. Phillips, Eldorado.

### Home Demonstration Agent's Column

By MRS. VIDA KREKLOW

If you think that people can be educated out of their superstitions, consider this example of the fact that they can not be. The Treasury of the United States would like to issue more \$2 bills to relieve the pressure on the use of \$1 bills. But people regard \$2 bill as "bad luck" and the Treasury is not going to push production.

And to this fact we can add Friday the 13th, black cats and walking under ladders. Somebody explained it very well not long ago by saying, "I'm really not superstitious but I do believe in playing it safe."

These covered dish luncheons are simply wonderful. Of course I've never been to an uncovered dish affair but I doubt seriously that they will ever measure up to the present day version of the covered dish.

Mrs. Jimmy West was hostess to the Glendale club on last Thursday for an all-day meeting and we fared exceedingly well. (These occasions are excellent places to build character; you dare not let yourself go.)

Martha Godwin's Lemon Chess pie was an undisputed favorite, and she has given me permission to pass it on to you. It's good and rich—so make the servings small if you have the calorie counting habit.

**Lemon Chess Pie**  
(makes two pies, 9 inches in diameter.)

- 2 cups sugar
  - 1 tablespoon flour
  - 6 eggs
  - ½ cup melted oleo or butter
  - Juice of 3 lemons (will make about 5 oz.)
  - 1 teaspoon lemon extract.
- Mix all ingredients well. Pour into unbaked pie crusts and bake at 325 F. for about 40 minutes. Reduce heat to 300 F. for last 20 minutes of baking.

Running right along with the chess pie just mentioned was Lou Dyer's Banana Coffee Cake which I don't want you to miss.

**Banana Coffee Cake**  
Cream 1/3 cup butter and 2/3 cup sugar.

- Beat 2 eggs and add to mixture. Beat in 1 cup mashed bananas.
- Sift together: 1 ¾ cup flour, 2 t. baking powder, ¼ teaspoon soda, ½ teaspoon salt.
- Add these dry ingredients to creamed mixture.
- Pour into a loaf cake pan which has been lined with wax paper.
- Mix 1/3 cup sugar and 1 tablespoon cinnamon and sprinkle evenly over batter. Chopped nuts sprinkled over the sugar mixture are optional but are very good. Press nuts gently into the batter.
- Bake in 350 F. oven for about 35 minutes.

One could gather that we ate our way through the day but one could not be more wrong.

We worked on hats—new hats, restoring and restyling old hats, reviving flowers by steaming, reshaping straw by the same method, raising crowns by adding beecrown strips—in fact some of the hat workers were so engrossed in their jobs we had to make them stop and take time out to eat.

The following recipe is a versatile one. It may be used as a vegetable, or salad or a relish. Green beans will be just as good as corn. This, I think you will like. And at least it is a change.

**Savory Corn Relish**  
½ cup chopped onions  
¼ cup chopped green pepper  
2 tablespoons chopped red peppers or pimiento  
3 tablespoons sugar  
¾ teaspoon salt  
½ teaspoon celery seed  
1 teaspoon dry mustard  
1/3 cup cider vinegar  
1 pkg. (10 oz.) Bird's Eye Whole Kernel Corn.

Combine all ingredients except corn and bring to a boil. Cover; simmer 12 minutes, stirring occasionally. Add corn; bring to a boil. Reduce heat and simmer 2 min., or until corn is just tender. Serve hot or cold. Makes 2 cups or 4 side salads or 6 relish servings.

We got an invitation in today's mail. May I quote:

San Angelo, Texas  
Dear Mrs. Kreklow:  
The San Angelo Symphony Guild wishes to invite you and the women of Eldorado to attend their annual Tasting Tea, which is to be held Tuesday, April 7, 1964, 3:30 to 7:00 p.m. in the home of Mr. and Mrs. Jack Bleakley, 915 Alta Loma Circle. Tickets are \$1.50 each, and will be available at the door the day of the tea.

The door prize is to be a lovely Fur Jacket. Recipes of all the foods served will also be available. Your participation in encouraging your friends in Eldorado to be with us that day will be appreciated. —Sincerely, Mrs. G. Howard Briggs, ticket committee, San Angelo Symphony Guild.

FILE FOLDERS: Letter size and legal size, in stock at Success Office.

## 14th Easter Pageant To Be Presented Saturday at Junction

Junction's 14th annual Easter Pageant will be presented this Saturday, March 28, 1964, at 10 p.m. on the eve before Easter Sunday, in a natural amphitheatre on the hillside below The Everburning Cross, one mile south-east of Junction.

Presentation is by four-score Kimble County people, all laymen, women and children in colorful costumes, typical of the dress of Biblical times. Here they will reenact Jesus Christ's last Days on Earth, so timed that the Scene of the final Ascension will take place shortly after midnight on Easter morn.

This Holy Spectacle will be presented in pantomime, supported from a broadcasting booth by readers and background music. A dozen stages have been arranged among the rugged rocks of the hillside, and changes of scenes are effected by the shifting of spot and flood lights.

The production is entirely amateur and non-commercial. Members of the cast are all local people, with no professional or paid actors. The cast contains men and women from many walks of life: clerks, lawyers, barbers, ranch men, bankers, teachers, mail men, housewives, merchants, mechanics—who take time from their business for several weeks to participate in this consecrated service.

Mrs. Jack Reeves, accomplished ranch woman, directs the Pageant for the 13th consecutive year. In 1951, a group of about 20 inspired people enacted the first Pageant from a single stage. From year to year the Spectacle has grown, with changes and improvements in scripts, scenes, staging and props. Attendance has yearly increased, and last year over 6,800 people came from far and near. The excellence of the production is perhaps attested by the ever increasing attendance. Many think there

is nothing finer this side of Oberammergau.

This year a stand-by power unit will be there for use in case of electrical failure, so the program will not be interrupted.

The production of the Easter Pageant is a tremendous undertaking for the small community of Junction. Costs of staging are entirely furnished by contributions.

WISHING YOU THE BEST OF

## Chevrolet will go to any length to make you happy

Things have changed a lot since a Chevy was only a Chevy. Especially your ideas of what you want a Chevy to be.

So now you have the Jet-smooth Chevrolet—17½ feet of pure luxury, bumper to bumper. The size makes it a luxury car. But not the price.

Or you can choose the thrifty Chevy II, a 15¼-foot family car with all kinds of passenger and luggage space.

This year, your choice might be the new 16-foot-plus Chevelle, sized to fit nicely between Chev-

rolet and Chevy II (and between parking meters, with five whole feet left over).

Then, too, there's the sporty 15-foot Corvair, so right for so many people (you girls, in particular) that we've never touched an inch of it. And finally, Corvette—still 14½ feet and still too much for any true sports-car lover to say no to.

The long and short of it is, you don't have to go to any length to find exactly the kind of car you want. Just see the five different lines of cars at your Chevrolet dealer's.

THE GREAT HIGHWAY PERFORMERS Chevrolet • Chevelle • Chevy II • Corvair • Corvette

### Miss Dennis Bride of Mr. Hext March 21st

MRS. MORRIS DWAIN HEXT

The Fruit Avenue Baptist church in Albuquerque, N.M., was the scene March 21st at 8:00 p.m. of the wedding of Miss Lavonne Dennis and Morris Dwain (Butch) Hext, with the Rev. John W. Ransdell reading the single ring ceremony.

Parents of the bride are Mr. and Mrs. Buddy Dennis of Albuquerque, New Mexico. The bridegroom is the son of Mr. and Mrs. G. A. Hext of Eldorado.

Given in marriage by her father, the bride wore a street length sheath of puffed peau de soie. Her veil of illusion was attached to a crown of puffed peau de soie. She carried a bouquet of yellow roses and lily of the valley.

Mrs. Karen Creel of Corona, N. M., was matron of honor. Mr. James Hunton of Albuquerque was best man, with Mike Hamilton and Bob Caudle serving as ushers.

Roy Dennis, brother of the bride, lighted the candles.

Mrs. Billie Haynes was organist. Following the ceremony, the reception was held at the church.

Miss Mary Jane Bowen of Albuquerque presided at the guest book. Serving at the reception were Mrs. Glenn Lamb, Bea Thompson, Kelly Frazee and Miss June Fedenberg, all of Albuquerque.

The couple are to be at home at 237 Riverside N.W. Mr. Hext is employed by Furr Foods, Inc., in Albuquerque.

Mr. and Mrs. Granvil Hext and daughter, Deanne, from here, and Mr. Granvil Hext's mother, Mrs. H. Gordanier of Brady, attended the wedding from this area.

#### W. L. Blakeway Dies

B. L. Blakeway and Mrs. Evelyn Pennington were in San Angelo Tuesday afternoon to attend the funeral of their brother, W. L. Blakeway, 53, who died at 4:15 a.m. Monday in the Veterans Administration Hospital, Big Spring.

Services were held in Johnson's Funeral Home with the Rev. Kenneth Sellers, pastor of Immanuel Baptist church, officiating. Interment was made in Lawnhaven Memorial Gardens.

Mr. Blakeway was an appliance salesman. He had been a San Angelo resident since 1928.

He was born Dec. 17, 1910, in Kennard. He was married July 25, 1935, in Carlsbad, N. M., to the former Bernice Johnson.

He was a member of Immanuel Baptist church, the Veterans of Foreign Wars, and was a veteran of World War II.

Survivors include his wife; two sons, Gary Wayne and Victor Darrell Blakeway, both of San Angelo; his mother, Mrs. Carrie Blakeway of San Angelo.

In addition to the sister Mrs. Pennington and brother, B. L. Blakeway of this place, three other brothers surviving are Harvey Blakeway of San Angelo, Albert A. Blakeway of Laredo and Clayton E. Blakeway of Austin; and another sister, Mrs. Ray H. Rhodes of Fort Worth.

#### Bitten By Hawk

Floyd West, 13-year-old son of Mr. and Mrs. Jimmie West who live on their place in the north part of the county, was bitten Sunday by a small sparrow hawk when he picked it up in the yard of the family home.

Young West was nipped on the hand and lip and the hawk was confined, and died that night.

Monday morning, the sheriff's office arranged to have the head flown to Austin to be checked for rabies. Report was expected back about the middle of this week.

Floyd had to take treatments about two years ago when he was bitten by a rabid dog, and the Latin girl employed on the place was bitten at a still earlier time.

Recent visitors in the home of the Rev. and Mrs. C. E. Cogswell were Mr. and Mrs. O. L. Simpson and Mr. and Mrs. Lucian Madden, of Colorado City. They all toured the Sonora Caverns.

Mrs. O. R. Burden of Wichita Falls visited here recently with her mother, Mrs. T. W. Johnson.

B. F. Hartgraves of Eldorado recently sold four registered Angus cows to Barton Waldrop of Robert Lee.

### American Legion Post Is Receiving Memorials

As announced a while back in the Success, the local Bev McCormick Post of The American Legion has set up a memorial fund and contributions are now being received for it.

Appropriate cards have been printed for sending to the donor acknowledging the memorial, and a different card which is sent to the family of the deceased.

Bernard Carr is in charge of the memorial fund for the Legion.

NEW TEXAS ALMANACS for 1964-65 available at Success. \$1.80 inc. tax.

### Shurley To Receive Lions Club Plaque

Merton Shurley, rancher of Christoval, was recently rated the top conservationist of Eldorado-Divide Soil Conservation District. He is to be presented the Lions club plaque for his outstanding efforts and success at a meeting of the Lions club sometime in May.

Shurley's main interest and livelihood is the raising of sheep, goats, and cattle. He realizes, however, that his main crop is growing grass. You cannot ranch very long, successfully, without grass, he says.

He purchased his ranch between Eldorado and Christoval a number of years ago. He has lived in Christoval since the purchase of the ranch and operated it from there. Some few years ago landowners in his zone elected him to serve as district supervisor to represent them from their zone. Just this last year Mr. Shurley was elected to serve as vice chairman of the Eldorado-Divide Soil Conservation District.

In recent years Mr. Shurley has done quite a bit of work in the interest of a watershed program on the South Concho River watershed.

On his ranch, Mr. Shurley has

had quite a problem with brush. For the past several years he has been working on the control of mesquite, pear, and cedar. He chose to take advantage of The Great Plains Conservation Program to help carry out some of the needed conservation practices on his ranch. In recent years he has reseeded and converted an old cropland field back to native grass.

Mr. Shurley's conservation plan on his ranch calls for "the use of each acre of agricultural land with in its capabilities and the treatment of each acre of agriculture land in accordance with its needs for protection and improvement." When carried out, this plan will go a long way toward conserving his soil, water, and plant resources.

Greetings

LET US ALL WORSHIP  
AT THE CHURCH OF OUR CHOICE.

To each of our loyal friends in this community we wish for you a happy and symbolic Easter season, brightened with the love of those about you.

After You Attend Church Sunday,  
Come Here For Our Special . . .

**Roy Lynn Sallee Was Married On March 14th**

Roy Lynn Sallee, son of Mr. and Mrs. Russell Sallee of Eldorado, was married in Fort Worth on Saturday, March 14th, to Betty Winkle. The ceremony was performed by Rev. Harvey R. Hardisty, Baptist pastor at 2713 Goldenrod, with a double ring service. The bride is a daughter of Mr. and Mrs. J. T. Dows of Ft. Worth. The couple are making their home at 2614½ Loving Ave., Ft. Worth. Roy Lynn attended Eldorado schools through his junior year when his parents moved to Menard. He graduated from Menard H. S. in 1962 and has been in Fort Worth since that time, where he attended Fort Worth College and Cisco Jr. College. Roy Lynn is now employed by the City of Fort Worth.

**"Brush"**  
Mesquite, cedar, pear, and numerous other types of brush, has spread over thousands of acres of our rangeland in the Eldorado-Divide Soil Conservation District.

There is good evidence to show that in and around local areas the spread and thickening has increased tremendously since the recent drought.

Controlling the spread of this brush depends primarily on improvement of the grass cover and the means of distributing the seeds. A reasonably dense stand of grass will control the seedlings if germination occurs. The big job is controlling and eliminating the brush that has already become established. Even though ranchers have been working on the brush problem for years very little headway has been made. One rancher said, "We have controlled brush and controlled brush, and it seems like we still have just as much brush as we ever had, if not more."

The big hindrance to controlling brush that is already established is that it is expensive. With each kind of brush there are several methods of control, but practically all of them cost a great deal of money.

Within the Schleicher county part of the district alone there are approximately 795,000 acres of brush of all kinds ranging from light to heavy infestations. Listed below are some of the species and densities of different kinds of brush:

**Mesquite—**  
Light .....241,600 Ac.  
Medium .....149,800 Ac.  
Heavy .....393,600 Ac.  
**Cedar (Juniper)—**  
Light .....354,000 Ac.  
Medium .....70,000 Ac.  
Heavy .....19,400 Ac.

**Pricklypear—**  
Light .....615,500 Ac.  
Medium .....105,700 Ac.  
Heavy .....68,800 Ac.

To control these infestations of brush it is going to take time and money. About the quickest and cheapest methods of controlling mesquite is by aerial spray. This can be done at an average cost of about \$2.70 per acre regardless of the percent of infestation. The big trouble with this method is that the percent kill is not too high, and

if crops are growing nearby, it isn't safe to use this method. Estimated average costs of controlling the different kinds of brush by percentages are as follows:

**Mesquite—**  
Chemical Control; aerial application .....\$2.70 per acre  
Basal application (chemical and/or oil)  
10-20% infestation.....\$6.20 per acre  
21-30% infestation.....\$9.30 acre  
31% plus infestation.....\$14.40 acre  
Treedozing (mesquite and mixed brush)  
10-20% infestation.....\$9.65 acre  
21-30% infestation.....\$11.50 acre  
31% plus inf.....\$14.00 acre  
Cedarizing or dozing mixed brush, with cedar dominant  
8-20% infestation.....\$6.25 acre  
21-30% infestation.....\$8.30 acre  
31% infestation.....\$9.75 acre

**Pricklypear—**  
Chemical control (basal)  
5-10% infestation.....\$5 per acre  
11-20% infestation.....\$8.00 acre  
21-30% infestation.....\$11.00 acre  
31% plus infestation.....\$13.00 acre  
According to the above average costs one can see that it is going to cost money to control brush, but in most cases the longer one waits the more it is going to cost.

With brush on the rangeland the range cannot grow the maximum amount of grass on a given amount of rainfall. On most of our ranges, good management will need to follow brush control to help establish and maintain the better grasses. In other words—once brush is removed a rancher should not figure on immediately increasing his stocking rate.

Rev. and Mrs. Harold Prvor and son Paul of Houston are visiting in the home of Mr. and Mrs. Leonard Wilson. Mrs. Prvor is a sister of Mrs. Wilson.

**Debaters Give Program At Lions Club Meeting**

At the meeting yesterday of the Lions club in the Memorial Building, Bill Bowen presented four of his Junior High debaters on the program.

The four girls, Kathy Robinson, Susan Hill, Judy Davidson, and Martha Sue Page, debated the topic, "Resolved: That Social Security Benefits Should Be Extended To Include Total Medical Care."

The girls discussed the topic thoroughly and their presentation was well received by the club members.

In the business session at which C. J. Hahn presided, it was stated that Monday, April 6, has been set for a ladies night at which the boys and girls basketball teams from the school will be honored.

Officers will be elected at the meeting this coming week, on April 1st. Fred Watson heads the slate of officers who have been nominated for the 1964-65 year.

Secretary Bill Rountree reported that the club took in slightly more than \$700 at the broom sale last week.

**Bridal Shower Honors Mrs. Roy Lynn Taylor**

Mrs. Roy Lynn Taylor, recent bride, was honored with a gift tea Saturday afternoon in the Methodist Fellowship Hall. The former Georgia Gail Rode, Mrs. Taylor's parents are Mr. and Mrs. G. T. Rode of Sonora.

Receiving guests were the honoree, her mother, her grandmother, Mrs. Bert Rode also of Sonora, Mrs. Clovis Taylor, Eldorado, and Mrs. R. E. Johnson of Coleman, mother and grandmother of the groom.

Mrs. Charles Kellogg of Rankin registered guests. The tea table was laid with a pastel yellow cloth and centered with a yellow and white Spring floral arrangement. Serving during the tea hours were Misses Katherine Adams and Mary Ceil Hawkins of San Angelo, Miss Joyce Hearn of Sonora and Mrs. Martha Alston, San Angelo. Other out-of-town guests were Miss Deborah Kellogg of Rankin, Mmes. Fannie Joy, Duard Archer, Terry Baker, Melvin Hearn and Bill Turney all of Sonora.

Hostesses for the affair were Miss Naomi McCoy and Mmes. Richard Cheatham, Eula Smith, Wiley Hight, Orland Harris, Elton McGinnes, W. G. Godwin, Delbert Taylor, Edgar Spencer, Sandy Donaldson, Bill Williams, Auta Mae Bradshaw, Earl Parker, Bill Lester, Sadie Davidson, Curtis Short and Albert McGinnes.

**Two Local Bank Women Named To Association**

Mrs. Frances Peters and Mrs. Mary Nell Harkey, both Assistant Cashiers of The First National Bank, Eldorado, Texas, have been named to membership in the National Association of Bank Women, according to its president, Mrs. Emily Womach of Laurel, Delaware.

Mrs. Peters, who resides with her husband, E. C. (Pete) Peters, in Eldorado, is supervisor of the Proof Department of her bank. She joined the bank in 1957 and was made an officer in 1963. She has two children, Kay Frances and Kenneth Charles.

Mrs. Harkey resides with her husband, Bennie F. Harkey, in Eldorado. She joined the bank in '55 and was made an officer in 1961. She is supervisor of the Bookkeeping Department. She has one daughter, Kaye Francys.

The National Association of Bank Women, Inc. is composed of more than 4,000 active members throughout the country, all of whom are bank women officers.

**J. W. Hill Is 98**

J. W. Hill, father of the late Ed Hill of Eldorado, celebrated his 98th birthday in San Antonio this past Saturday, March 21st.

Spending the week end in San Antonio to help Mr. Hill observe the birthday were Mrs. Ed Hill, her daughter Mrs. Billy McCravery and her two daughters, Maureen and Jeanne.

**Pink & Blue Shower Honors Mrs. Brannaugh**

A group of Young Homemakers Home Demonstration Club met at the home of Mrs. Jimmy Doyle and honored one of their club members, Mrs. Mitchell Brannaugh, with a baby shower.

A cake shaped into the form of a "bootie" and candy favors were served each guest. Mrs. Brannaugh received many nice gifts.

Mrs. Jimmy Doyle accompanied her mother, Mrs. Ethel Turner, and Mrs. W. T. Goodson to a class of the Dale Carnegie Course in Ozona Tuesday night. Mrs. Turner's speech won the Best Achievement Award. There are 48 members in the class instructed by Mr. Justin ("Zip") Buttons.

**BAKE SALE—** Saturday, March 28 10 A. M. to 12 Noon, at Eldo Hotel. Sponsored by Youth Fellowship of First Christian Church. (c)

Austin.—District, county, city and precinct officials learned the hard way from the Texas Supreme Court that the constitution and laws mean what they say.

Since 1876, the constitution has provided that a federal or state official is not eligible to serve in the Texas Legislature "during the term to which he was elected" to his previous office.

Even resignation before filing will not cure the ineligibility, the high court held in ruling former County Commissioner Sam Jorrie off the ballot as a House candidate and in refusing to order ex-Fort Worth City Councilman Doyle Willis certified as a Senate candidate.

Jorrie had resigned February 1, and his successor has been named. Willis' place was automatically vacated when he filed for the Senate. His successor, too, has been named.

The decisions also will apply to a Port Arthur city councilman, Bob Wyde, and to a Fort Worth constable, O. L. Watson Jr., both of whom had filed in the Democratic primary for legislative seats.

In a Travis County case, the Court held that Justice of the Peace Curtis Lacy could not run for re-election because he had moved out of the precinct, and did not meet the law's standard which is: You must have lived in the precinct, county or district you seek to represent for at least six months before the primary or general election at which you seek to be elected.

Supreme Court also kept in force an earlier decision that slant-hole oil wells can be re-drilled or straightened. A Railroad Commission motion for rehearing was refused.

In a San Antonio case, the Court agreed with a Court of Civil Appeals ruling that income from a Texas trust could not be spent for establishing a non-medical "clinic-hospital" in California which would be illegal in Texas.

Attorneys for two big discount stores challenged Sunday closing laws. Shoppers World Inc. of Corpus Christi claimed any type of article may be sold on Sunday if customers sign a certificate that their purchase is necessary to their welfare, health or safety. Spartan stores' attorney attacked the 1961 law's constitutionality.

In the Third Court of Civil Appeals, a 1960 ordinance of which LaPorte annexed 12 square miles of territory in Harris county won approval in a decision reversing the trial court.

**Redistricting Hearing Set**  
Houston federal court has set the showdown hearing on congressional redistricting for Friday, March 27.

"We will be ready," said Atty. Gen. Waggoner Carr who had anticipated an early setting.

Outcome of the case will determine whether Texas must hold statewide elections for all congressmen or perhaps hastily redraw congressional boundaries in a special session of the Legislature.

U. S. Supreme Court has upheld the Houston court's October 19 finding that present districts are unconstitutionally drawn in favor of rural areas. It has permitted the state to go back to the lower court, however, to explain problems involved in statewide congressional voting after the regular election process already has been set in motion.

Houston court has held—and the Supreme Court agreed—that districts be based as nearly equal in population as is feasible. Texas districts, if absolutely equal, would contain 416,000 population each. They now vary from 216,371 to 951,527.

State Democratic administration wants to delay effect of the ruling until the next regular legislative session in 1965.

Five Republican leaders brought the original suit. Twenty-two Republican congressional candidates and Bob Looney, Democratic candidate for Congressman-At-Large, have intervened on the side of immediate redistricting.

**Connally Threatened**

The FBI filed charges in Nashville, Tenn., against two women alleged to have made telephone threats on the life of Gov. John Connally the day Jack Ruby was sentenced to death.

Connally told newsmen threats and "vile" letters had increased since the Ruby verdict. Most of the letters and calls come from out of state. Actually, he has been subject to numerous such threats since the assassination of President Kennedy on November 22,

when Governor Connally was seriously wounded.

**Belli Blasted**

Flamboyant Melvin Belli, defense attorney in the Jack Ruby murder trial, who mad-mouthed Dallas and the trial court there, received a return blast from Attorney General Carr. Said Carr of Belli's repeated anti-Dallas talk:

"An example of professional ethics which should shock all our members from coast to coast... It is almost a certainty to state that, had Mr. Belli acted so irresponsibly in the courts of his state or in the federal courts, he would have promptly been held in contempt and heavily fined and/or placed in jail."

The president of the American Bar Association, in a speech at San Francisco, Belli's home town, said, "That he (Belli) should so flagrantly disregard the code of professional ethics, and his oath as an attorney, is a discredit to him and to his profession."

Belli, who has resigned from the American Bar Association, anyway, retorted: "Being barred from the ABA would be like being banned from the Book of the Month Club."

**'Watchdog' Agency Sets Record**

Agriculture Commissioner White claimed a record number of public service inspections conducted by his department—which he termed a "watchdog agency"—over the past year. He said there were more than 1,400,000 separate acts of inspection.

Inspections ranged from checking the accuracy of gasoline pumps to crops in the field and products at retail outlets. He estimated that on commercial scale corrections alone, his staff saved Texas housewives more than \$2,000,000 last year.

**April Oil Allowable**

Texas oil production will be held at 29% of potential during the next month, highest figure for April in five years.

Texas Railroad Commission, that heard predictions of nine major oil producers that demand for oil will increase from two to three per cent this year, set April allowable at 2,931,746 barrels daily. March production was 2,983,222 barrels a day, also under a 29% order.

Twenty-four executives, delivering their annual state-of-the-industry reports, said there were 177.8 billion barrels of crude oil on hand in Texas on March 1. This is some 1,480,000 barrels more than they figured desirable.

Railroad Commissioner Jim Langdon reported that substantial progress is being made toward reorganization of the Commission. He also stated the Commission will move to curb water pollution due to faulty well engineering.

**Appointments Announced**

Governor Connally named D. M. Skidmore of El Paso and E. Earl Merrill Jr. of Bryan to the State Board of Architectural Examiners.

Hugh M. Patterson of Houston was designated a member of Texas Civil Judicial Council, and Wallace Scott of Austin named to the State Board of Cavaliers.

**Crime At New High**

Major crime in Texas reached a new high last year, with a felony committed every two and a half minutes, Department of Public Safety records show.

Crimes reported a DPS in 1963 totalled 229,254—a 5.8% increase over 1962 and 88.6% above 1953. Seven major felonies tabulated showed these rate increases: murder, up 8.5%; rape, up 14.2%; robbery, up 10.6%; burglary, up 4.9%; aggravated assault, up 4.4%; theft, up 6.6%; and auto theft, up 2.8%.

**Funds Dwindling**

Screwworm eradication funds will be spent by July 1, reports the Southwest Animal Health Research Foundation. Maintenance of the barrier zone of sterile screwworm flies between Mexico and the U.S. will depend on congressional appropriation.

Two new screwworm cases have been confirmed—one in Medina county, another in McCulloch county near Brady.

**All-Time High Number of Voters Qualified To Vote**

Final reports have reached State Comptroller Robert S. Calvert from only a few counties, but preliminary estimates are that there may be nearly 3,000,000 Texans qualified to vote in this year's elections, a 15% increase over 1960.

**Rabies Report Negative**

Wednesday morning, the local sheriff's office was notified by the Rabies Control laboratory in Austin that the hawk which bit Floyd West Sunday did not have rabies.

The hawk bit 13-year-old Floyd and then acted sickly the rest of Sunday and died that night. The head of the hawk was flown to Austin Monday morning to be checked at the laboratory.

Mr. and Mrs. Sherril Gandy and daughter Lisa from Howard Payne College, Brownwood, visited here last Saturday in the home of Mr. and Mrs. Leonard Wilson.

Tax Collector's Office Will Be Open Until Noon This Saturday — March 28

## Yarborough Challenges Gov. Connally's Record

Austin.—Pledging a "New Day For Texas," Don Yarborough, Democratic candidate for governor, has issued a call to the public to help him inform everyone of the true record of the present governor.

Yarborough said Allan Shivers' recent endorsement of his opponent plus the loss of many thousands of voters to the Republicans on May 2 will help cause the defeat of the present governor.

"Texans will be stunned when the governor's weak leadership and true record are fully exposed," he said.

Don Yarborough said it is not generally known that the governor asked the last state legislature to extend the sales tax to farm implements.

"Although it was killed by the legislature this time," Yarborough charged, "it could be proposed again and perhaps enacted if the present governor is allowed to remain in office. This tax could destroy the Texas agricultural community."

Don Yarborough said the governor usually does not directly oppose a program he wants to hurt. "Whenever the governor has come out strong for something, we have actually seen it delayed, procrastinated and finally destroyed."

Yarborough said the governor had promised to push a bill to control loan sharks in Texas, yet he signed into law a measure allowing these same loan sharks to increase interest rates on small loans from 10 to 320 per cent.

"There will be more examples given in this campaign of how the governor used the technique of coming out for a program to which he was committed to destroy," Yarborough said.

Mr. and Mrs. Joe Smith and baby daughter of Big Lake spent a night here last week with his parents, Mr. and Mrs. Jim Smith.

## Woman's Club Members Hear Book Review

The Woman's Club of Eldorado met in a regular meeting on March 24 at 2:30 in the club room with the president, Mrs. Edwin Jackson, presiding.

Several gave reports, and Mrs. Archie Mittel gave a report on the recent district meeting that was held in Brownwood and attended by Mmes. Edwin Jackson, Carl Stevens, and Mittel. Mrs. Jackson was elected trustee of the Heart of Texas District. Her duties will be to look after and see that the club house in Austin is maintained properly.

Mrs. Keno Ogden was the leader. She introduced Mrs. Jackson who reviewed the book "The Word on the Brazos." It is by J. Mason Brewer.

Refreshments of cake, coffee and hot tea were served to 11 members by the hostess, Mrs. Keno Ogden.

## D.A.R. Meeting Held

"Our Texas" was the subject of the meeting of the El Dorado Chapter, D.A.R.: last Thursday at the Club Room. Mrs. Thompson, the chaplain, read a poem, "The First Easter" and the flags of the United States and of Texas were saluted. Mrs. V. G. Tisdale gave an excellent report from the County Library. Mrs. Hoover explained that the State Good Citizens' chairman asked our chapter to sponsor the Good Citizen from Junction High School, who is Miss Janet Fields. She will be presented with a D.A.R. pin and certificate from this chapter. Mrs. Ernest S. Goens, the regent, was attending the state convention at Fort Worth, and Mrs. J. E. Hill presided.

Mrs. Ernest C. Hill read the message of the President General which was also a National Defense report. There are now more than one and one half million members of the Daughters of the American Revolution. The 75th anniversary of its organization will be celebrated in different ways beginning

in September. Mrs. Hill was leader of the program on Texas and Mrs. W. N. Ramsay gave an informative discussion of "Texas Gleanings," which noted numbers of historical spots and out of way places of interest in our state.

The club room was decorated with Easter baskets and spring flowers; and the same motif was carried out in the refreshments which featured Easter colors.

Misses John Alexander, Katherine Hill and Mesdames Schrank and L. M. Hoover were hostesses. Among those who attended were Mrs. Lowell Hankins and Mrs. S. S. Shanklin of Rocksprings who are members of this Chapter. Thirteen members were present.—Mrs. L. M. Hoover, rep.

## GIRL SCOUTS MET MONDAY

The Fourth and Fifth grade Junior Girl Scout troop met Monday, March 23, at the Memorial Building. We went to Lee's for a treat and it was served by Genie Newport. We played games. To close our meeting we sang Taps.—Jeanne McCravey, rep.

## School Menus

Thursday, March 26: Chicken salad sandwiches, potato chips, English pea salad, milk, fruit cobbler.

Friday through Monday: Easter holidays.

Tuesday, March 31: Baked ham, candied yams, waxed beans, Waldorf salad, buttered rolls, milk, canned fruit.

Wed., April 1: Hamburgers, lettuce & tomatoes, potato chips, milk, fruit cobbler.

Thursday, April 2: Roast beef & gravy, creamed potatoes, whole kernel corn, tossed green salad, buttered rolls, milk, banana pudding.

Friday, April 3: Tuna sandwiches, pimento cheese sandwiches, French fried potatoes, carrot sticks, milk, fresh fruit cup, sugar cookies.

APSCO Giant Pencil Sharpeners available at Success office.

**Eldorado Jr. High Takes 1st In Triangular Meet**

In a Triangular Meet held here Monday with Big Lake and Sonora, Eldorado Jr. High won first place by slipping by Sonora 43½ to 41 points; Big Lake had 5½. Gary Derrick led the Eaglet scoring with 3 first and 2 seconds. Gary won the high jump, broad jump, and the 330 dash. He placed second in the shot and discus.

Results, as announced by Coach Guy Whitaker, were as follows: Broad jump: 1st, Gary Derrick, 17' 10"; 2nd, Manuel Chavez; 3rd, George Cozley; 4th, Randy Ferguson.

High Jump: 1st, Gary Derrick, 5' 0"; 2nd, Ed Lee Renfro.

Shot: 1st, Johnny Mayo, 45' 4"; 2nd, Gary Derrick; 3rd, Perez; 4th, Mike Gosney.

Discus: 1st, Johnny Mayo, 127' 11"; 2nd, Gary Derrick; 3rd, Mike Gasney; 4th, Ed Lee Renfro.

Pole Vault: no places. 100 dash: 1st, Ed Lee Renfro; 2nd, George Cozley.

100 L. H.: 1st, Chavez; 2nd, Schmidt; 3rd, tie: Clifford Schooley and Lane.

330-dash: 1st, Gary Derrick, 40.9; 2nd, Chavez; 3rd, Cook; 4th, Randy Ferguson.

440 relay: 1st, Sonora: 51.4; 2nd, Eldorado.

880 relay: 1st, Sonora, 148.1; 2nd, Eldorado.

**Republicans At Mason Schedule Primary**

For the first time in history, Mason Republicans along with the rest of Texas will have an opportunity to express their preferences for the GOP presidential nomination, according to Mrs. Billy Wayne Kooch, secretary for the county organization.

Jerry Kampreth, a Republican Field representative from Austin, was in Mason Monday to bring the county Republican Executive committee up to date on procedures and regulations for the Primary to be held May 2, which is the same date for the Democratic Primary.

Republicans will also vote in all the state races where there is a contest Mrs. Kooch said. At the Monday meeting the executive committee voted officially to hold a primary ballot in Mason county.

An announcement as to the location of the voting places will be announced later, Mrs. Kooch stated.—Mason County News.

**Brownies Met Tuesday**

The Second and Third Grade Brownie Troop No. 153 met at the Corral Tuesday. There were eight girls and two leaders present.

Refreshments were served at Lee's Drive In by Linda Robledo, the hostess.

The girls acted out nursery rhymes.—Rep.

**Parcel Post Rates To Be Hiked April 1st**

Postmaster Bernard Carr has reminded local residents of Eldorado that an effective date of April 1 has been set for new domestic parcel post rate increases.

The parcel post increase—approved recently by the Interstate Commerce Commission and averaging about 13.1%—is expected to yield about \$75.4 million annually.

Catalog rates will be increased approximately 13% and will produce added revenue of about \$2.4 million if 1962 volume is maintained.

The higher rates do not affect air parcel post or international parcel post.

Postmaster Carr said he has been advised by Postmaster General John A. Gronouski that the decision of the ICC will assist the Post Office Department in carrying out its objective of reducing the drain on the Federal treasury by \$100 million.

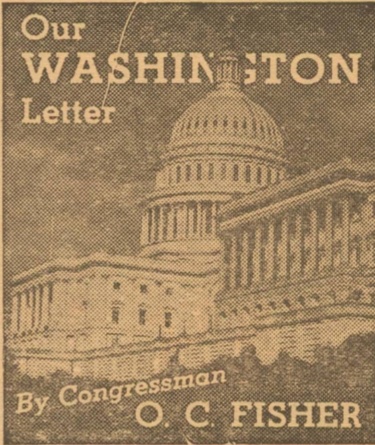

The last parcel post increase was on February 1, 1960, the postmaster pointed out.

To illustrate the effect of the new rates here, Carr noted that a six-pound parcel—which is the average weight—for local area delivery, will cost 37c instead of 32c.

**BROWNIES 41 TROOP**

met Thursday at church and made "sit-upons" and played an ABC game. They were served refreshments of lemonade and cookies.

The Kimble-Menard County singing convention will meet Sunday, March 29th, at the Hext Baptist church at 2:00 p.m. Come, be with us, stated Mrs. Allen Davis, sec.

A Louisiana farm family received a CARE package in their mailbox the other day. It came from Europe. Somehow, the sender had obtained the farmer's name, heard the U.S.A. was poverty-stricken, and decided to practice some reverse foreign aid.

CARE is an abbreviated description of packages for needy abroad; and millions of Americans have responded to the call for helping the underprivileged in foreign lands by contributing clothing, food, medicines, etc., which are distributed to the unfortunate.

Now: for the first time, maybe our foreign friends are at least willing to reciprocate. If the idea would catch on, then perhaps kind of snowball, we might get a good thing going and get back some of the \$100 billion we have sent out in foreign aid. It would not only help our poverty-stricken, but would help our tax-payers who are now being asked to fork up a billion dollars to use in the war on poverty.

The new drive against poverty reminds us that FDR, 29 years ago, said: "The Federal Government must and shall quit this business of relief." He seemed to think it was essentially a local responsibility and Uncle Sam should get out of it.

But times have changed. More and more the federal government has become involved on a scale reminiscent of depression days. Plugging for the President's billion dollar anti-poverty package, Secretary of Agriculture Freeman last week told a congressional committee the war should include the farms where he said half of America's poverty is now found. He deplored the "thousands of weather-beaten inadequate farms that still mar this lovely countryside of ours." He advocated outright grants of up to \$1500 per farmer to help him dress the place up and emerge from the shackles of poverty.

In the past ten years federal relief has risen twice as fast as the nation's population. There are now about 8 million receiving relief dotes from Uncle Sam. That's a third more than in 1955. Our population has increased only 15% during that time.

This relief bill costs taxpayers around \$400 million monthly, or nearly a fourth of what Americans pay each month through taxes for education. Most of the federal dollars spent for welfare goes to young mothers and their dependent children. Relief for this purpose has jumped up 140% since 1955. In New York alone it is reported that 40% of the children on relief are illegitimate.

This would indicate that if the cause of the problem is to be attacked, the government might do well to step up its birth control program.

it's the cleanest...

there's just no limit

... to how clean electricity is. With just the flick of a switch or punch of a button—you never see it, or smell it, it's so clean you'd hardly know it was there. With no flame there is no smoke, smudge, film or fumes, no vents to check or burners to adjust—this means less cleaning required for walls, curtains, furniture. If you'll stop and think about it you'll agree that flameless electricity is the easiest, cleanest, most comfortable way to live.

West Texas Utilities Company an investor owned company

If you'd like to install flameless electric heating in your home, see your electrical heating contractor or a representative from WTU.

The Blessings of Easter

At no other time of the year are we more conscious of the blessings of the one on high as manifested by the resurrection of His only Son. So, let us give praise at this glad Eastertime in reverence in our hearts for the blessings bestowed upon us.
