VOLUME 35 | FLOYDADA, FLOYD COUNTY, TEXAS, THURSDAY, SEPTEMBER 27, 1928. | NUMBER 31

HUNDREDS COMING ON QUANAH'S FIRST PASSENGER

Exhibits Tell Graphic Story of County's Resources

More Than Half of Communities of Floyd County Complete Booths at Fair On Opening Day.

Displaying a community spirit that has never before been witnessed in Floyd County, or possibly any other section of the Panhandle-Plains of Texas, more than one-half of the rural school district in this county are represented at the Floyd County Fair, which opened here Wednesday, with community agricultural displays and home demonstration exhibits, that would do credit to any of the State's greatest expositions. With expressions of pride and anxious to discuss the merits of their communities the various exhibitors are earnestly explaining the features of their exhibits to interested onlookers. With the prettiest exhibits ever shown here before them the fair officials are pointing with pride to the entire show in the belief that it cannot be outdone by any county in the State.

Outstanding Exhibits

An attempt to describe each exhibit as it should be and leave the reader the picture as it can be seen by visiting the exhibit halls would be futile for each display is outstanding in its own appearance. Prosperity reigns in the Blanco Community as shown in the exhibit first seen upon entering the west building. Prepared by W. C. Cates, W. H. Smith and many other willing workers of that community it is a pleasing example of what the first community to enter the 1928 show can do. R. B. Gary, L. A. Williams and other Harmony boosters were very much in evidence in the preparation of the Harmony booth and featured neat bundles of wheat and oats that were arranged only after many hours of labor. Pleasant Hill, one of the 1928 exhiibtors, is back again with a beautiful display of farm products arranged by Fred Batty and his many helpers in that community.

Joe C. Hutchinson, principal of the Aiken school, was not content with that live community failing to be present at the fair and this year had the preparation of the Aiken booth in charge and did a splendid job with the assistance of Mrs. Robt. Jones and others. "The Horn of Plenty" could be no other than Mayview and the display is typical of the many ducts raised in that section. . Bartlett and Mrs. T. J. had the assistance of other leaders in the preparation ooth. Pleasant Valley, an- year exhibitor, with a re- diversified exhibit is lo- cated in the west buildng also. C. F. Harris and his neighbors have this in charge. Sand Hill is for Floyd County and is helping build it with the cow, sow, and hen. This is one of the prettiest exhibits and was arranged in the "wee small hours" Tuesday night by G. D. Tate, principal of the Sand Hill school, with the assistance of W. E. Miller and the others.

Crosby County Represented

For the first time Crosby County is represented at the fair and with a creditable exhibit of diversified farming. The real "Big four" happen to be Mr. and Mrs. Charles B. Parker and Mr. and Mrs. J. A. Fowler, who brought a truck load of farm products for their exhibit. "The cow, the sow, and the hen" are bringing prosperity to the well known Campbell community and Roy Horn, Geo. Stiles had as their assistants loyal helpers from that community that would not spare time, trouble or expense in making of it a real exhibit. Allmon has "the key to ambition, love, liberty, morality, originality, nobility" as shown by a grain sign on the background of this well arranged exhibit. J. V. Jones and H. A. Krause called in the workers of that community and prepared an exhibit filling the entire score card called for in a short length of time.

Lakeview community opens "The Gateway to the Plains." This exhibit arranged principally by George Gilpin, is probably the most talked of display present. Mr. Gilpin, who is principal of the school, had Brentz Breed and other loyal Lakeview boosters as his helpers. Earnest Grigsby, with the help of some of his neighbors, placed Starkey in the limelight by displaying the name of his community with a star inwhich was arranged a key. The sign was made out of grain. Roseland community is back this year with an even better exhibit than the 1928 show, with Miss Anna Sims again in charge and having Mr. and Mrs. W. A. Whitlock as helpers.

Displays Are Artistic

Although first year exhibitors the Fairview community has every right to be proud of the creditable showing made by the community in the display of farm products and the beautiful decorations. E. J. Hoffman, J. B. Tinnin, and A. J. Beedy had as their helpers the principal of their school and his assistants. With a background display that must have taken hours of labor in that each letter is neatly arranged with different colors of corn the Baker community has a booth that is attracting considerable atention. Mrs. Herschel Nelson, with the help of almost a score of others anxious to see their community represented

(Continued on back page)

Stansell Jersey Herd Win Tri-State Awards

Local Herd Wins Eight Places Against Largest Cattle-Raisers In State.

Competing against two of the largest Jersey herds in the entire southwest, O. L. Stansell Jersey herd of this city, carried away eight awards in the Jersey Cattle Show at the Tri-State Fair at Amarillo this week. The Stansell herd was pitted against the Falfurias Jersey Farms and the Taft Ranch, two of the largest breeders of registered Cattle in the country, as well as cattle from all sections of the Plains.

Two new grand champions of Texas made their appearance at the show, one from each of the large exhibitors. The show at the Fair was declared to be the finest ever held in the entire southwest.

The following cattle from Stansell's herd were prize winners: Silver Premier, third in senior bull calves; Fancy Premier's Gezier, third in junior heifer calves; third best get of sire on get of Fancy Premier; and third best produce of dam.

Mr. Stansell, who was in charge of his herd at the Fair, was also in charge of the Hale County Jersey Cattle Club exhibit. This herd took thirteen awards, ranging from third to sixth place.

Every cow shown by Mr. Stansell was a prize winner in some class of the show. Mr. Stansell is vice-president of the Panhandle-Plains Dairy Show Association. He is being assisted this week at the Tri-State Fair by Alpha King, of this city, who is also a director of the Panhandle-Plains Association.

Fair Judges To Make Exhibit Awards Today

T. K. Morris, vocational Agricultural teacher of the Tulia High school, and Sterling C. Eavens, District Agricultural agent, of Lubbock, arrived in Floydada at an early hour this Thursday morning to begin the judging of the community agricultural exhibits at the Floyd County Fair. Twenty rural communities have exhibits displayed in the fair buildings on the south side of the square, and judging will start before noon today, according to the Fair program.

Judging of the flower show was complete yesterday afternoon. Mesdames G. S. Morris, Theodore Griffith and John Broyles, of Lockney, were the judges in this department.

Miss Bess Edwards, assistant State Home Demonstration Agent, will judge the home demonstration exhibits and ladies departments. Mrs. Ben Hardy will assist in the judging of the art department.

FUNDS RAISED TO DRILL SAND HILL WELL DEEPER

Drilling operations on Exploration Oil Company's No. 1 Boon on the Johnson Homestead Survey two miles northwest of Sand Hill, are most certain to continue, according to H. O. Pope, who is in charge of the finance committee in Floydada. Approximately $5000 has been raised to continue the work on the well.

Arrangements have been made with Anderson & Adams, drillers, to carry the well to any desired depth at the cost of ten dollars per foot. Plans are to go 500 feet or more deeper, unless the bit strikes pay at a shallower depth. Arrangements have also been made for fifty-per cent of the well property, rigging and all products from same, to become the property of the subscribing stockholders. These arrangements were made in a meeting of citizens at work on the proposition, held Wednesday afternoon in the Gamble Land office.

The Exploration Sand Hill well was shut down at 4015 feet, the contract depth, some three weeks ago. A meeting to work out further plans for the drilling, will be held Wednesday afternoon of next week in the Gamble office, according to Mr. Pope.

C. E. Stone Co. Takes Long Lease On Bldg.

The C. E. Stone Company, a merchandising organization with thirty-two stores now in operation in Texas and Oklahoma, is the latest business to announce its plans to enter the field at Floydada, with the consummation of a ten-year lease on the first floor of the Masonic Hall at the corner of Main and Missouri Street.

The building will be vacated by the present occupants, Martin Dry Goods Company, as soon as their new building on West California Street is completed, when the new leaseholders will take the Masonic Building over and begin re-modeling it for their needs. The contract, signed by the C. E. Stone Company and a building committee from the lodge composed of J. D. Starks, Jas. K. Green and A. J. Folley, calls for occupancy for a period of ten years beginning January 1.

It is reported the new occupants, when they take over the lower floor of the building, will occupy the north thirty feet of the building as it now stands for their business, and will sub-lease the south thirty feet now used for the office and gentlemen's department. This is not authorative from the head of the new lessors, however.

FLOYDADA SCHOOLS WILL DISMISS FRIDAY AT NOON

In observance of "Floydada Day" at the Floyd County Fair, and to attend the Floydada-Idalou football game Friday afternoon, the three Floydada schools will dismiss at the noon hour tomorrow, it was announced by Superintendent W. E. Patty.

High School classes and organizations from all schools, are making plans to enter floats in the parade Saturday afternoon. The classes will also be active at the football game Friday afternoon, it was stated.

Wichita Falls Trade Special Via Floydada

Unofficial reports which reach Floydada indicate that the Dallas, Fort Worth and Wichita Falls trade trips which are to be made following the opening of the Denver lines into the South Plains cities and towns, will occur around the fifteenth of next month, which is about the date it is said the new lines will be opened to passenger traffic.

At least three, and possibly five, specials will make the trip out over the new lines.

One of these, the same grapevine source of information employed by The Hesperian, will make the trip returning home by way of the Quanah, Acme & Pacific Railway Company. This is the Wichita Falls special. This last information is given authenticity by the statement made nearly a month ago by Hubert Harrison, manager of the Wichita Falls Chamber of Commerce, that his city would have a special train out to visit Floydada shortly after the Frisco extension reached here.

Break Ground For New Martin Store Building

Actual work of digging foundation pits for the new home of the Martin Dry Goods Company at the corner of Fifth and California Streets was begun Tuesday of this week by workmen for H. E. Cannaday, contractor.

The new building, it was announced a few weeks ago, would be constructed with seventy-five feet frontage on California and 100 feet on Fifth, with the entrance on the California Street side. The site and building will cost $30,000 or more when ready for occupancy, and it will house one of the largest and most elaborately arranged department stores in this section of the state, according to the plans of the owners.

IMOGENE LEWALLEN BETTER

Little Miss Imogene Lewallen, who sustained a broken and crushed leg when a fire escape weight fell from the Baptist church where she was playing, is still very cheerful after almost four weeks in the sanitarium. Her condition is as good as could be expected, doctors said Wednesday and she spoke of future plans when she can be up and about again. "When I get well I'm going to have a little white dog and I don't want it to have its appendix or tonsils taken out or its legs broken" she said. Many visitors come each day and she has received a roomfull of gifts she said.

Imogene is the daughter of Mr. and Mrs. E. G. Lewallen.

Mr. and Mrs. John Lewis, who are now making their home in Silverton, spent Sunday in Floydada with friends and relatives.

Floyd Asked For $100 Hurricane Relief Donation

Floyd County has been assessed, and asked to rase and forward, $100 to the relief of the sufferers of the recent West Indes—Florida hurricane, through the American Red Cross. Judge F. P. Henry, Floyd County Chairman of the Red Cross this week received advices that the life toll and the suffering and need in the affected areas was much greater than at first believed, and that such work as has been done has been accomplished only under great disadvantages.

The need for help is immediate and urgent. At least four hundred thousand are absolutely destitute and dependent upon the Red Cross for food, shelter, clothing and medical aid. Babies and children are the great sufferers and present a pathetic picture.

"We are going to ask the people of the county to provide the relatively small amount we are asked to give from this chapter," Judge Henry said. "The need is great and the amount we are given as a quota ought to be taken care of quickly."

New Roofing Concern Opens In This City

Floydada's first roofing concern, the Norwood Roofing and Sheet Metal Company, opened for business in this city last Thursday in the J. A. Enoch blacksmith building on the east side of the square. H. B. Norwood, and J. O. Long, of Plainview and Amarillo, are the proprietors and operators of the new firm. Both men and their families are making their home here.

Carey Built roofing is being featured by the new firm. This special composition roofing is believed by the jobbers to be one of the best all-weather roofs on the market. It is especially featured for business house roofing.

Although the firm is new in this city, it is by no means an amateur concern, Mr. Norwood stated. Mr. Norwood has been in the roofing business for more than twelve years.

RPO Service Quanah To Floydada Is Plan

Railway Postal Service, Quanah, to Floydada, will be inaugurated over the new line of the Quanah, Acme & Pacific Railway Company when its first passenger runs on Monday of next week.

Advice that the railway mail service would be started with the first train was received by Ed Bishop, secretary of the Chamber of Commerce Thursday of last week from S. M. Gaines, superintendent of the Fort Worth Division, in a telegram, which was amplified upon in a letter of the following day. This letter in part reads:

"Am very much pleased to be able to advise you that I some time since made report in this case to the Department and requested authority for the employment of railway postal clerks to perform service between Quanah and Floydada, that to be effective with the establishment of through train service. It is my understanding that the extension of service will be made effective October 1 and we will have postal clerks assigned to the line just as soon as that takes place.

"It is believed that this will materially improve your service and I am very glad that it has been found practicable to do it."

Bishop as secretary of the commercial organization and local postal authorities laid the matter of railway mail service before the division officials some weeks ago.

7 Bills Returned By Grand Jury This Week

Seven bills of indictment had been returned by the grand jury for the fall term of District Court, Floyd County, at the close of its session Wednesday night, all of them being on felony charges, including one forgery charge and six liquor charges.

A number of non-jury cases had been tried by District Judge Charles Clements up to Wednesday night and the remainder of the week will also be given over to the hearing of non-jury cases. Next week the first petit jury for the term will be here and the civil docket will be taken up. The third week the criminal docket will be taken up.

Floyd County Fair Program

Wednesday Preparation Day

Wednesday was preparation day at the fair. All exhibits were prepared and although the buildings were not officially opened to the public, hundreds visited the buildings. Copper States Shows, midway attractions got under way with fair attendance and at 7:30 in the evening Floydada Municipal Band gave a concert.

Thursday

Agricultural buildings open to public at 9:00 p. m.

12:00 m. Dainty May Foster and Si Smith, Rube Police Clown.

2:30 p. m. Auto Polo, Auto Push Ball, Auto Ball, played at the Floydada Baseball Park by International Auto Games Company. Two hours entertainment.

7:00 p. m. Concert, Floydada Municipal Band, A. L. Lundgren, Director.

Copper States Shows open all day. Midway attractions.

8:00 p. m. Dainty May Foster and Si Smith, rube police clown.

Friday "Floydada Day"

Fair buildings open at 8:00 a. m.

12:00 m. Dainty May Foster and Si Smith, rube police clown.

2:30 p. m. Football at Floydada Baseball Park, Floydada Whirlwinds vs. Idalou Bobcats, followed by one hour and thirty minute program by International Auto Games Company featuring auto polo, auto push ball and auto ball.

8:00 p. m. Dainty May Foster and Si Smith, rube police clown.

10:00 p. m. Fireworks display on the east side of the square. This display is free and will last for forty minutes. Under the supervision of a capable director. Band concert in connection.

Copper States Shows open all day. Midway attractions.

Saturday "Floyd County Day"

Fair buildings open at 8:00 a. m.

12:00 m. Dainty May Foster and Si Smith, rube police clown.

12:30 p. m. Parade of decorated floats, rural schools and organizations. This parade will form on South Fifth street near the Methodist church. It will start promptly at 1:00 p. m.

2:30 p. m. Auto polo, auto push ball and auto ball at the Floydada Baseball Park. Admission 50 cents.

5:00 p. m. Old Fiddlers contest in charge of Jno. W. McDonald. The fiddlers will play near the fair buildings. $25 first prize.

7:30 p. m. Square dance on pavement South side of square. Only old time tunes and dances.

9:30 p. m. Dainty May Foster and Si Smith, rube police clown.

10:00 p. m. Fireworks on the east side of the Court House square. No admission charge. Band concert in connection.

Copper States shows open all day. Midway attractions and rides.

Oklahoma City And Cities Enroute to Furnish Big Passenger List on Train Opening Service to Floydada.

With sizable to large contingents from Oklahoma City, Quanah, Paducah, Matador and Roaring Springs listed as passengers, the inauguration of through over-night passenger service from the Oklahoma Capitol to Floydada over the new line of the Quanah, Acme & Pacific, is expected to bring hundreds of residents of these cities to Floydada on the first passenger train. "The Plainsman," all-steel, seven-day-a-week crack train to be operated, carrying its big cargo of passengers is expected to be met in Floydada by thousands of people from the plains area, who will want to be present on the historical occasion.

Gala Day Planned

Local people are thrilled with the prospect of the inauguration of the crack passenger and mail train eastward, and the day is going to be a historical one for the entire area, when thousands of persons are expected to be present to see the first train roll into town, and it will be turnd into a gala affair.

Plans to see that the excursionists who will ride the first train have a full afternoon in Floydada have been made by a committee of twelve members of the Chamber of Commerce. Advance information reaching the office of the organization indicate that the excursionists may number as high as 500, including a delegation of Oklahoma City business men that will number at least fifty, probably a hundred from Quanah headed by Chamber of Commerce officials and the Quanah Municipal Band, and equal or greater contingents from Paducah, Matador and Roaring Springs. G. F. Stephens, secretary of the Roaring Springs Chamber of Commerce, expects between thirty and forty citizens of that community to be on the train as it leaves that city.

The procession of "The Plainsman" through Quanah, Paducah, and points westward is expected to be the occasion for celebrations that will consume some of the scheduled time and may cause the train to be as late as 1 o'clock reaching Floydada. This is indicated by reports that a twenty or thirty-minute celebration is expected to be staged at Paducah in which a band concert will be a feature. With this possibility in mind and desiring that the excursionists will have as much time free as possible to spend seeing Floydada and the surrounding territory, local citizens are planning to meet the excursionists with a lunch as they alight, following which some twenty or thirty minutes will be given over to ceremonies fitting the occasion.

Ride Over Territory

Following the talks at the Quanah Station, if present plans are carried out, the large contingent of home folk and visitors with the Floydada Municipal Band leading the way, will parade down Mississippi Street to the business section where agricultural displays from the fair will be on exhibit, and where the visitors will be assigned cars for a twenty-mile ride through a portion of the county, for rides over the city or for other tours they may prefer. This is planned to give the visitors visual proof of the large row crops now maturing in Floyd County fields. The committee of local Chamber of Commerce workers last night expressed the belief that possibly 100 automobiles might be needed to carry the visitors on the tour.

Prominent among visitors in Floydada for the event will be Chas. H. Sommer, president of the line, of St. Louis, A. F. Sommer, vice president of Quanah, and other rail officials, wholesalers and jobbers from Oklahoma City personnel of which party is being made up this week, and similar contingents from Quanah, Paducah, Matador and Roaring Springs.

An invitation to citizens neighboring cities and towns in the plains area broadcast this morning by the Chamber of Commerce, inviting any citizens who could to come to Floydada on the historic occasion included Lockney, Plainview, Tulia, Amarillo, Silverton, Lubbock, Idalou, Ralls, Crosbyton, Lorenzo, Hale Center, Abernathy and others. Officials of the West Texas Chamber of Commerce, of the Texas Railroad Commission and of West Texas Gas Company and Texas Utilities Company are among the prominent men of the state who are being invited to be present.

75 In Auto Caravan To Motley Co. Fair

Floydada Visitors in Matador Get Royal Reception Friday of Last Week.

Led by the Floydada Municipal Band under the direction of Prof. A. L. Lundgren, seventy-five Floydada boosters were visitors at the Motley County Fair held at Matador last Friday and in addition to visiting the various rural community exhibits of fine art, farm products and poultry extended an invitation to the neighboring county to visit the Floyd County Fair held here this week. Eighteen automobiles formed the caravan that left Floydada at one o'clock headed by W. H. Henderson, S. W. Ross and Ed Bishop.

Immediately following the arrival of the Floydada delegation and a short concert by the Floydada Municipal Band, Rev. P. D. O'Brien extended an invitation on behalf of Floyd County to visit the fair here and expressed appreciation of the courtesy of the neighboring fair in re-arranging the dates of their exposition in order not to conflict with the dates of the Floyd County event. The speaker was loudly applauded and from the many expressions and indications the visitors were enthusiastic over the reception.

The Floydada Muncipal Band was made the honor visitors when they were asked to lead the parade of decorated floats and automobiles through the main business streets. Following the parade the band played a thirty minute concert on the streets that was enthusiastically received by the Matador people. The visit will be returned when the Matador delegation arrives here to-morrow according to the plans of the officials of the Motley County Fair.

Whirlwind Team Meet Idalou Eleven Friday

As the feature attraction of the third day of the Floyd County Fair, Coach Troy Jones' Whirlwind eleven will hook horns with the Idalou eleven on the local gridiron at three o'clock Friday afternon. If good weather previals Friday, a record crowd is expected out to see the Whirlwinds in action for the second time this year.

The two teams are well matched, and tomorrow's affray is expected to be a tight game. Floydada's team is inexperienced but fairly weighty. According to reports, the Idalou team is an experienced squad, but with less weight and fewer men.

Coach Jones reports that he will use practically the same starting lineup that he used in last week's game against Roaring Springs. It is probable that he will use a large number of substitutions in order to give every player an equal chance.

Kinder Speaks For Al Smith Here Saturday

Judge L. S. Kinder, of Plainview, will speak in Floydada Saturday afternoon of this week favoring the candidacy of Governor Alfred E. Smith, of New York, for president.

The speech is set for 2:30 o'clock.

A. & M. Extension Agt. Is Visitor In Floydada

Sterling C. Evans, District Agent of the Extension Service, A. & M. College, was a visitor in Floydada Wednesday, being here on a tour of the district in which he is working.

Some twenty-five counties comprise the district in which Floyd County is located, twenty of which are using the services of a county agent.

PENNINGTON TO TURKEY

Walter Pennington, who has been employed with a drug store in Lubbock for the past several months, moved the first of last week to Turkey to be employed with the C. E. Stone Company in that city.

A new store is just being opened by this firm in Turkey. Mr. and Mrs. Pennington moved Tuesday of last week to make that city their home.

LOCAL WOMEN RENDER AID IN SERIOUS CAR ACCIDE

Mrs. E. C. Nelson and Mrs. W. Standefer were the first to the scene of a very serious acc which occurred on the Lockney way Sunday afternoon when a young people overturned in a touring car. They rendered al possible and Maury Hopkins, Plainview, who was passing after the accident, carried the jured parties on to Plainview.

The occupants of the car Jewel Newsome, 16, who suffered fractured skull; Arthur Bates reported to have a fractured sku Willis McClendon and Bertha Newsome, bruised but not seriously injured. All were of Plainview.

ANNUAL FAIR OPENS

With the opening yesterday of the fifteenth annual Floyd County Fair, without doubt began the greatest exposition of the county's resources ever assembled. It is true the exhibits of the county are being shown in cramped quarters and that if buildings two or three times as commodious could be provided the showing would be more impressive to the critical observer, possibly a man from another county or another state. However, since the fair is essentially to sell our own resources to our own selves this defect will not be so apparent, and the exhibitors will overlook with kindly eye the failure to provide what would be termed adequate housing or more adequate housing.

To those scores of workers from various communities who have put together the exhibits, to the town full of visitors from over the county who are here to see and to learn, The Hesperian feels it is expressing the exact mind of the citizens of this particular community where the fair is being staged when it says that we are most happy to have you here; communities get to thinking of things in their communities as being theirs and not the common property or asset of all. It is the sincere hope of Floydada citizens that they have no such idea even remotely in their minds. The fair is, and indeed must be ever to be worth anything to the county, the common meeting ground of us all, to teach, to learn, and to meet and mingle. If Floydada people claim to be the instrument that makes such a great gathering possible that honor is sufficient. And we are mighty glad the fair is being held here, that you are here. We keenly appreciate the neighborly spirit shown by such a big contingent of neighboring communities, and feel sure it will certainly redound to the county's greater development, social and civic, as well as commercial.

—O—

A WIDER HORIZON

With the inauguration next Monday of a fast passenger and mail service between Floydada and Oklahoma City, when the first all-steel train of the Q. A. & P. Railway Company will run, a wider horizon for this community and the entire east plains will be opened up. It brings the opportunity for development we have long maintained is essential for our community in this big area. It hails the new day which we have believed is in the offing.

The fact that, as advance reports indicate, we shall have a large number of visitors from cities to the east of us to visit Floydada and the east plains for the first time, constitutes a straw to indicate the way the full wind will blow when all the work has been done and we settle down to the steady growth that will ensue.

—O—

ABOUT SERVICE CLUBS

Critics, first and last, have said some cutting things about so-called "service clubs" and their accomplishments since the idea had its inception some ten or fifteen years ago, but critics who give expression to these kind of things about their neighbors or their fellow-countrymen, usually do so in an effort to keep their stock as satirists or humorists at par.

As a matter of fact, serivce clubs of one kind or another, Rotary, Lions Kiwanis, or possibly just the individual club standing along as is the case in Floydada, serve so many good purposes that any shortcomings or whimsies that creep into them are merely proof that the men who go to make them up are human after all; and one of the most human things is the desire for the companionship of one's fellows, for a wider touch with things.

Floydada's Luncheon Club, for instance, has been an entity in the community for some three years. It is as strongly entrenched in the thoughts of its members as though it were not just a voluntary gathering of "the fellows" for an hour every week or so to chat with and "kid" each other, and incidentally to give impetus to and possibly sponsor some of the things they may agree upon as for the general good. Such environment certainly will not injure the community or the individual. In fact, it is a most wholesome condition that a service club by its very nature helps to bring about.

—O—

WE NEED TO ROUND OUT

...aff story appearing in The Dal... Morning News the other day, tell... of the railway developments in ... south plains area and of the ...coming visits of trainload dele... ...ns from manufacturing and job... ...centers when the new line of ...Denver is completed, mentioned ...act that "Floydada is the new... ...bbing center that is developing ...he plains country," or if not ... exact words, substantially that. ...t the opportunity is here is evi... ...ed by the changed map of the ...try since new transportation fa... ...es have come in to aid those ...ady here. Travel over the broad ...s that are within striking dis... ...ce of Floydada is greater proof, ...n more substantial demonstration of the outlook that favors this community.

In some lines Floydada, as a jobbing center, is moving along in a big way. In others, it seems to us, we have not grasped the possibilities. We have in mind right now that a wholesale dealer in eggs and poultry in Floydada could render a big service to local dealers and to produce raisers all over the area. Thousands of dollars could be conserved in truck hauling charges alone, unless we are basing our belief on the wrong premise. This is one of the things Floydada capital could profitably do to help round out the community and at the same time be profitably employed. There are "other things too numerous to mention," as the auction sale bill would say.

—O—

MONEY GETTING DEARER

Money is getting dearer in the east, they tell us, for a good many reasons among which are the higher price levels prevailing n practically all lines and the greater amount of money needed in every branch of industry for its proper functioning. We do not pretend to know about these things, and men who have studied money and its ways for a lifetime tell us they do not understand many of the things that happen in the financial world, apparently unmanipulated and un-handled. Psychology has a lot to do with it, of course. And certain studied efforts have their effects, such as the raising of interest rates, as now being done by the Federal Reserve Banks and other banks in the money centers.

Ceasing to ramble and trying to get back to the point we wanted to make. Although money is getting dearer in the east, basic conditions in this section are such as to cause worry only to those who have too heavy commitments out with due dates too close and at interest rates too burdensome. The well-financed business or individual, operating in regular and familiar channels has no reason to worry about money or political conditions. Others of course, might well seek cover to their own good and the good of the community in general.

—O—

HOPING FOR FAIR WEATHER

Another few days of fair weather will not make any difference to the man who wants to get wheat in the ground, so the fair officials are indulging in the hope that the weather man will be good to us for three or four more days until the fair is over. The past two years the arbiter of the elements has given a decision against the fair management, with the result that the fair attendance, and the consequent enjoyment of it, have been cut down very considerably.

If the forecasters are right, the outlook as this is written, is that we shall be favored. It may be an entirely different story by the time this gets to the reader.

—O—

'Round The Square

BY OLD BATTLEAXE

Gee whiz, how do they do it? After taking a look at the exhibits being made at the Floyd County Fair this week, O. B. is at a loss as to how the Saliva Slingers Round the square and the general group of pessimists in Floyd County find enough to kick about. Honest to goodness folks, we don't know just how much we do have to be thankful for until we take time to see just what wonderful advantages this country has.

Wish we were twins this week. There's just too much for one fellow to see. If we were twins, we would make one half work and let the other half attend the fair.

O. B. has usually maintained that city life appeals to him, but after seeing the agricultural exhibits, we have just about decided the easiest way to acquire our first million is to turn tiller of the soil.

We believe the trouble is, we have got too many Post Office farmers and not enough dirt farmers.

Hot dog! Had an operation in the early spring, and just two more payments and this scar is mine.

There's no argument to the question, a County Fair is worth the money. A Muncipal Band is worth the money. Public organizations are worth money. But, say, if O. B. was in business here and had to dig down in his jeans for every kind of a "pass the hat" proposition like all our business men do, we would be liable to lose our temper about the third week and wreck something.

But, all in all, it's a dollar for dollar proposition. You may rest assured that, with the group of progressive business men we have in Floydada, this town is going to keep right on growing.

Boy howdy, next week and we will get to ride on our new pavement on California Street—and then, maybe, someday, we will get to ride on "A full street of pavement" round the square.

Somebody round the square said last week that O. B.'s "Pen" name would soon be Number 999 if he did not behave.

Say, folks, don't miss the monkeys at the fair. Halitosis says she went plumb historical with laughter, when she saw them. Yes, historical its correct, she laughed for ages and ages.

That's all (thank goodness).

Mr. and Mrs. A. J. Pepper of Lubbock spent Sunday with Mr. and Mrs. T. C. Russell.

Mr. and Mrs. Dale Weatherly spent Thursday afternoon in Plainview.

Mr. and Mrs. L. V. Rogers spent Sunday in Lubbock with her brother, J. B. Weatherford and family.

Mr. and Mrs. H. E. Davis of Tahoka came last week to make their home in Floydada. Mr. Davis is employed with the Norwood Sheet Metal and Roofing Co.

FLOYD COUNTY 14 YEARS AGO

News items taken from files of the Floyd County Hesperian published in Floydada fourteen years ago.

The heavy set Fats and the tall gangling Leans of Floydada have lined up in battle array and are preparing for a contest for the first day of the Fair. The Fats, with Ira D. Gamble as captain and the Leans with T. B. Triplett as captain are preparing for the game, verbally.

R. Cardinal, a progressive farmer of the southeast part of Floyd County, is a firm believer in Floyd County's productiveness and its future as a stockfarming county. Last week Mr. Cardinal shipped from Floydada several samples of this year's crop on his farm to his brother-in-law, Neal Smith, of Purcell, Okla. The products were then exhibited at the Oklahoma State Fair at Oklahoma City.

The cattle shipping season continues to see many carloads of fat cows, calve sand steers leave Floyd County for the Kansas City Market. Eleven cars went out last week and six cars go out today.

C. H. Featherston went to Abilene Monday to play in the polo tournament which is being held during the Fair there.

Nine-Tenths Preventable

Nine-tenths of all the diseases of the American people can be traced directly to constipation, doctors say. Constipation throws into the system poisons which taint and weaken every organ of the body and make them easy victims for any germs which attack them. Prevent constipation and you will avoid nine-tenths of all diseases with their consequent pain and financial losses. Herbine, the good old vegetable cathartic, will prevent constipation in a natural, easy and pleasant way. Get a bottle today from Floydada Drug Co.

THE VERDICT OF NUMBERS

Most people know what they want. In spite of bitter experience, they get the best eventually—in tires, as in other things.

Above the baffling claims of rival tire manufacturers and allurements of price-cutting dealers, the judgment of numbers cannot be denied:

More People Buy Goodyear Tires Than Any Other Kind

Millions of motorists believe Goodyear makes "The World's Greatest Tire." Hence, its popularity.

This huge army has tested Goodyear Tires thoroughly, driving over 75,000,000,000 tire miles last year.

Goodyear leads over every other tire maker by many thousands in yearly production.

We give a service of the same high quality as the Goodyear Tires we sell.

Get acquainted with us and Goodyear Tires —soon. You'll be delighted with both.

Suffering With SICK HEADACHES

Mr. Charles F. Todd, of Estesburg near Waynesburg, Ky., says: "I was suffering with nervous headaches. About once a week I would have these headaches, and have to quit work, and go to bed for about twenty-four hours. I would have pains in my neck, and right behind my right ear.

"A merchant at Estesburg told me to try taking Black-Draught, which I did.

"It relieved me. From that time on, I would take Black-Draught as soon as I felt like I was going to have one of those headaches—and they wouldn't come on.

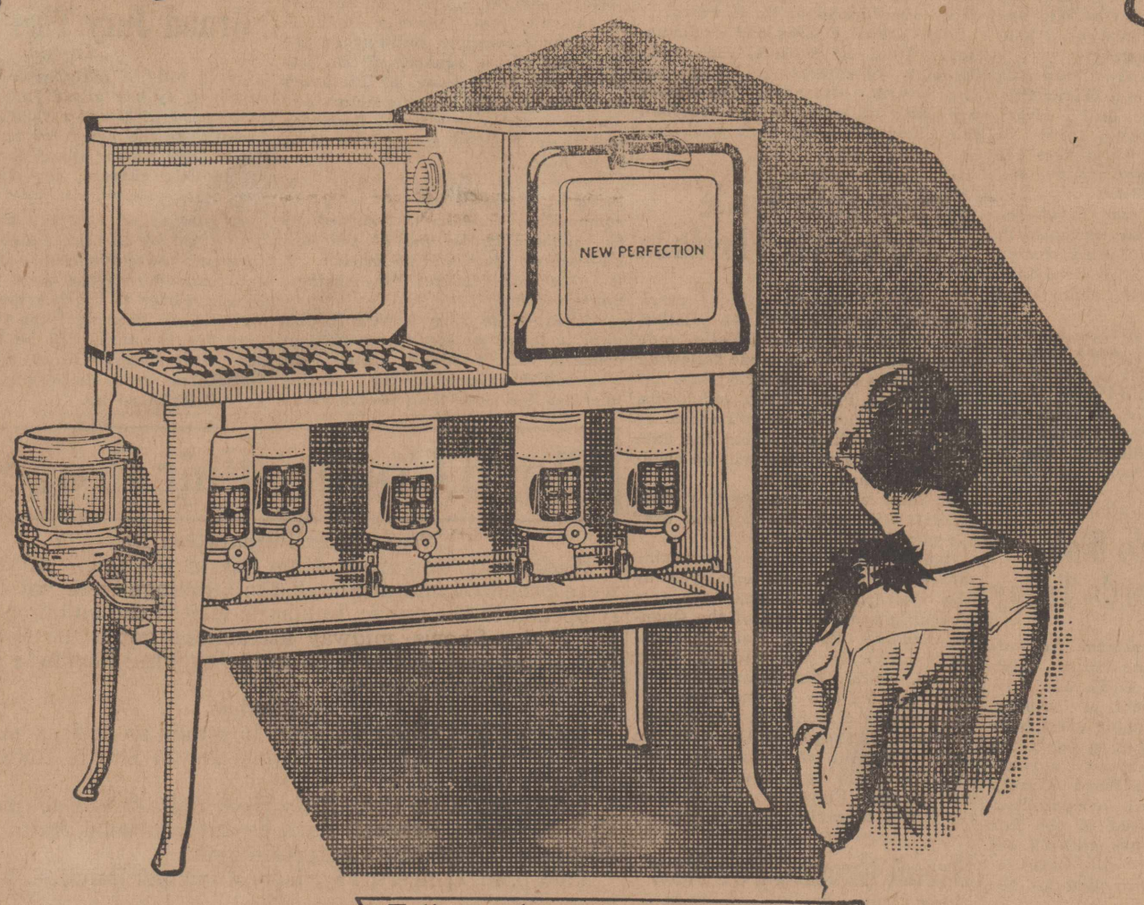

"Every few weeks, I take three or four doses of Black-Draught, and I feel so well, and do my work, and don't lose any more time with headache."

Get a package today.

Reunion Held at Dickey Home Sunday.

All the brothers and sisters of Mrs. J. C. Dickey were present at a reunion at her home Sunday. Mr. and Mrs. Dickey's children and grandchildren were all present also, except one daughter, Mrs. H. H. Hatchett of Clinton, Oklahoma and a grandson, N. L. Ross of Waco. This was the first reunion of the family since one held in Fort Worth with H. M. Kight, fifteen years ago.

Lunch was served cafeteria style at the noon hour and in the evening to: Mr. and Mrs. C. J. Brummett and children, Marvin, Wilson and Claudia Mae, of Amarillo; Mr. and Mrs. C. O. Knight, Claude; H. M. Kight, Long Beach, California; H. A. Kight, Stamford; Mrs. W. R. McInnis, Wellington; Mr. and Mrs. A. L. Scoggin and children, Merle, Mack, John Harvey and Mary Lou; Mrs. A. J. Welch and children, Billy Joe, and Virginia; Mr. and Mrs. Kight Dickey; Mr. and Mrs. J. Ray Dickey and son Richard Barr; Mr. and Mrs. E. C. McReynolds and children; Mary Edwin and Joe Dickey; Mrs. Cella Ross and Mr. and Mrs. A. P. Horn all of Floydada.

Mr. and Mrs. Brummett and family spent Sunday here. The other out of town guests came Friday and left Monday and Tuesday.

Mr. and Mrs. Seale Picnic Honoring Relatives.

Mr. and Mrs. W. H. Seale entertained with a picnic at the Country Club Sunday honoring Mr. Seale's father, W. A. Seale, and sister, Mrs. Adrin Bachman, both of Hugo, Oklahoma, who are here visiting relatives.

Those present were Mr. and Mrs. J. D. Smith and family of Plainview; Mr. and Mrs. E. L. Landtroop of Lubbock; Jo Seale and daughter Miss Dora, of Lubbock, and J. J. Seale and family of Abernathy, Mr. and Mrs. W. H. Seale and the honorees.

South Circle Meets With Mrs. W. N. Paschall.

The South Circle of the Baptist Missionary Society met Monday afternoon with Mrs. W. N. Paschall, members attending being Mmes. Geo. A. Lider, L. V. Smith, J. E. Horton, O. Stephens, Roy Paschall, G. C. Tubbs, Grace Bass, Harper Scoggins, E. R. Borum, and W. N. Paschall. Mmes. E. M. Moore and W. A. Amburn were visitors.

The afternoon was spent in mission study, work on friendship quilts and a business meeting. The following officers were elected:

Mrs. L. V. Smith, mission study leader; Mrs. O. Stephens, chairman of Personal Service; Mrs. Grace Bass, Secretary-treasurer; Mrs. Frank Johnson, Sunbeam leader; Mrs. E. R Borum, reporter.

Friendship Club Meets With Mrs. Davis.

Mrs. C. H. Davis was hostess Friday night to the Friendship Bridge Club. The usual number of games of bridge were played and Mrs. Aubrey Bishop got high score.

Lovely refreshments were served by the hostess to Mrs. Frank Moore, a visitor and Mesdames Aubrey Bishop, Flynn Thagard, Kight Dickey, J. C. Gilliam, Robert McGuire, J. A. Arwine and A. B. Keim.

The club will meet Friday night, October 19, with Mrs. J. A. Arwine. One meeting was postponed because of a number of members planning to attend the National Legion Convention October 8-12 at San Antonio.

Reunion of Kahlbau Family Held at Mrs. Baker's Home.

Relatives of Mrs. H. Collins, mother of Mrs. W. A. Baker of this city and G. C. Collins of Sand Hill were entertained at Mrs. Baker's home Saturday, Sunday, Monday and Tuesday Three sisters and a brother of Mrs. Collins were present, the first time they have all been together in more than 40 years. They were Mrs. Laura Olschner of New Orleans, La., Mrs. Ella Durr of Ft. Myers, Fla.; Mrs. H. Rashal of Melville, La.; F. J. Kahlbau of Santo, Texas. Mrs. John Kolman and little daughter, Ida Mae of New Orleans daughter and granddaughter of Mrs. Olschner, Roy Baker of Rochester and Bonner Baker of Weinert were also present.

Parents of the brothers and sisters are natives of Louisiana. Mr. Kahlbau came from Prussia and the mother from Bavoria, Germany to Mansfield, Louisiana in 1845. They lived in Mansfield during the Civil War and some of them remember the battle of Mansfield. Mrs. Olschner has lived in New Orleans for 43 years. Mr. and Mrs. Rashal have been employees of the Texas and Pacific Railroad as agent and telegraph operator at Melville, Louisiana for 35 years.

The guests left Tuesday for their homes.

Stitch and Chatter Club Will Meet Oct 4.

Mrs. Sam McCleskey was hostess to the Stitch and Chatter Club last Thursday afternoon at her home. Mrs. H. L. Withers and Mrs. Will J. Lester were visitors of the club.

An ice course was served to Mesdames T. M. Cox, Roe McCleskey, Zell Probasco, Clyde Meador, Edd Sparks, John McCleskey, M. L. Probasco and Miss Myrtice Meador and the visitors.

The club will meet Thursday afternoon Oct. 4 at 3:30 o'clock with Mrs. M. L. Probasco.

Bridge Party Given At Surginer Home.

Mr. and Mrs. I. C. Surginer and Mr. and Mrs. Leslie Surginer entertained a number of friends with a bridge party last Thursday evening at the home of the former.

The entertaining rooms were decorated with cut flowers. At the conclusion of the games, John Hammonds and Miss Virginia Lewis held high score.

A salad course and hot chocolate were served to Messrs and Mesdames John Hammond, T. S. Stevenson, Key Green, W. S. Ross, R. A. Garrett, J. A. Burrows, A. N. Bratton, Homer Steen, Mrs. W. H. Hilton and Miss Virginia Lewis.

Committee Heads Named For East Ward P. T. A.

At a called session of the East Ward Parent-Teachers' Association held Tuesday afternoon, Mrs. C. R. Houston, president of the organization named the following as heads or joint heads of committees under which the principal activities of the association will be arranged for the current year, and outlined their duties:

Program, Mrs. L. V. Smith; membership, Mrs. Bob Smith; Social and hospitality, Mrs. Kenneth Bain and Mrs. Mal Jarboe; publicity, Mrs. Harper Scoggins; finance, Mrs. G. N. Shirey, Mrs. J. T. Howard and Miss Browneyes Hawkins; magazines, Mrs. John McCleskey.

Matters of importance were discussed at a short business session, and members of the East Ward P. T. A. are requested to watch this column for definite announcements of the plans made.

Next regular meeting of the Association will be held on Friday, October 5.

Birthday Party Given For Council Members.

Woman's Council of the First Christian Church met Monday afternoon at the home of Mrs. F. L. Davis with Mrs. E. C. Nelson and Mrs. Champ. Walters as hostesses. There were fifteen members present. Members who had previously been appointed to keep up with current events in certain foreign countries gave interesting reports on the countries they represented which composed the program for the afternoon.

The main occasion of the meeting was to celebrate the birthdays of Mrs. V. A. Leonard, Mrs. T. M. Keelen, Mrs. V. H. Boteler and Rev. F. L. Davis. A large birthday cake which had been made for the honorees was cut and served with punch.

A toast to each honor guest was given as follows: "Here is to Mrs. Leonard, a friend to us all, when we want a thing done on her we call. She never refuses, she's too good and kind and a truer friend would be hard to find."

"Here is to Mrs. Keelen, she is new in our town but a lovelier friend we've never found. She is always pleasant with her sweet sunny smile, we are hoping she'll be with us for yet a long while."

"Here is to Mrs. Boteler, a home town girl, but to find a better you might search the world. She is kind and true in her own modest way and we'll all love her to our dying day."

"Here is to Bro. Davis, our dear good pastor, may his life be long and his heart beat faster. He is not very tall but nice and fat and he knows a lot he keeps under his hat."

LANE'S PILLS

Would You Know One If You Saw It?

If you ever came face to face with a germ, would you recognize it? Of course it is not likely that you ever will see a germ, unless you own a tremendously powerful microscope, for you would have to magnify one over a thousand times to make it as big as a pin head. But you should recognize the fact that these tiny germs can get into your blood streams through the smallest cut, and give you typhoid fever, tuberculosis, lockjaw, blood poisoning, and many more dangerous and perhaps fatal diseases. There is one sure safeguard against these dangers — washing every cut, no matter how small, thoroughly with Liquid Borozone, the safe antiseptic. You can get Liquid Borozone at Floydada Drug Co.

Mr. and Mrs. Robert Jones of Aiken and Mrs. Susie Flanary of Ralls spent Sunday with W. Edd Brown and family.

Mrs. E. L. Angus and Mrs. Lon M. Davis returned last Thursday from a weeks trip to Waco where they visited Mrs. J. L. Dandal and to Temple. They were accompanied to Waco by Allan Berry who went from there to Dallas to enter Baylor Medical College.

Antelope News

Antelope, Sept. 24.—A nice crowd was at church last night. Brother Crawford made an interesting talk. He preaches every fourth Sunday and Sunday night. There will be church services next Saturday and Sunday.

Bill Brown is viisting friends here. He has made his home at Brownfield this year.

W. H. Stribling was home over Sunday with his family. He is working at the City Market in Floydada.

W. H. Stribling and family and Sherrel Smith spent Sunday afternoon in Roaring Spring.

Mrs. Sherrel Smith is visiting her parents at Canyon for about ten days

Charlie Nickels has his gin ready for the first bale of cotton.

Maize heading will start in general in a few days. A few have already started.

Mrs. C. M. Stribling who made her home at Antelope this year has gone to South Texas where she will visit C. W. Stribling and Mrs. J. B. Cass. She will visit in Nolan and Fisher counties a month with two sons before going on.

Mrs. Joe Smith is nursing a bruised eye from her wreck last week.

Mr. and Mrs. Ted Jones gave a party last Saturday night. There was a moving picture show at the school house Friday and Saturday night.

Mr. Poole is improving his place near Dougherty.

Liberty News

Liberty, Sept. 25.—Mrs. Bud Dillard spent Thursday night with Miss Verna Dunlap.

A. J. Anderson spent Wednesday night with William Armes.

Miss Mable Duvall spent Friday night with Miss Altha Strickland.

Miss Jimmie Duvall was the guest of Vietta Dunlap Wednesday night.

Mr. and Mrs. Jim McGuffey and children attended the singing convention at Tulia Sunday.

Miss Jennie McCormick spent Monday night with Dorine Anderson.

Mr. and Mrs. Clarence Guffey of the Cedar Hill community called on Mr. and Mrs. Robert Fisher Sunday.

Miss Myrtle Clendennen and R. C. Dunlap left Thursday for Alpine where they will enter school.

Miss Altha Strickland, Clarence Strickland and Mr. and Mrs. Fred Beard motored to the brakes Sunday afternoon.

Mr. and Mrs. Pheagan called on Mr. and Mrs. Sam Box Sunday afternoon.

Miss Pauline Strickland spent Sunday with Miss Vietta Dunlap.

Misses Jennie and Ruth McCormick spent Sunday with Miss Dorine Anderson.

Mrs. D. R. Brown and Reverend and Mrs. Wells were the Sunday guests of Mr. and Mrs. C. A. Strickland.

J. C. Anderson and James Hill spent Sunday with A. J. Anderson.

E. W. Thornton and daughters Opal and Oleta visited in the E. A. Frizalle home Sunday.

Mr. and Mrs. John Dunlap and son, Willard, spent Sunday with Mr. and Mrs. Bronnie McDall of Lockney.

Miss Willie Gilley spent the week end with home folk here.

Several people from this community attended church services at Cedar Hill Sunday.

Miss Verna Mae Dunlap spent Sunday afternon with Miss Willie Gilley.

Miss Grace Pheagan visited Miss Mary Box Sunday afternoon.

Providence News

Providence, Sept. 25.—Tuesday September 26 was our club day. Articles for the Fair were brought to the meeting.

Tractors were running both day and night the past week to get the wheat sowed early this year.

Miss Hazel Crouch and Roland left Monday for Illinois to be gone for some time.

Miss Icle Crouch spent last week with her parents, Mr. and Mrs. C. W. Crouch.

What my community is, is a question that has been on the minds of many people lately. "My Community is the place where my home is founded, where my children are aducated, where my income is earned, where my friends dwell and where my life is chiefly lived. I have chosen it after due consideration from among all the places of the earth—it is the home spot for me. Here let me live until death claims me, then let my neighbors say I was a friend to man." This is the writers answer to "My Community."

The Providence Lutheran young people carried their play "An Old Fashioned Mother" to Lone Star to give it but only a small crowd greeted them.

Mrs. Wade Lovvorn visited her father and sister, Mr. Lindeman and Louise in the Whitefield community Monday evening.

Charles Boortz made a hurried business trip to Plainview Monday evening.

Quite a few farmers are through sowing wheat now and heading row crop will be next.

Mr. Sikes began his work on the new mail route from Lockney.

Harmony News

E. L. Gary, of this community, Tuesday marketed the first bale of cotton to reach the Petersburg market, receiving a price of seventeen and a half cents for the cotton and a premium of $50. The bale weighed 415 pounds, for which he received $122.60 including the premium.

Three Harmony people went to Plainview Tuesday night to hear Rev. J. Frank Norris in his campaign speech against Al Smith. They were G. L. Snodgrass, H. M. Miller and J. A. Seward.

Harmony, Sept. 25.—People are very busy getting ready for the Fair. The Home demonstration club met yesterday at the school auditorium bringing all their fair material and planning a great booth. The community is working on the float also, and are looking forward to a great fair.

Presiding Elder Beavers of Plainview filled the pulpit Sunday at the chapel.

Quarterly conference was held Sunday at Petersburg. Those attending were: Mr. and Mrs. L. E. Williams, Mr. and Mrs. L. A. Williams, H. M. Miller, V. W. Hennessee, Miss Anna Carr and R. B. and E. L. Gary. Several also attended the meeting at Petersburg Sunday night.

L. A. Williams accompanied his son Raymond to Lubbock Thursday where he entered Tech College. E. L. Gary also went to Lubbock with them.

J. S. Hale made a business trip to Chillicothe and Medicine Mound last week end with the intention of buying some hogs.

Mr. and Mrs. W. C. Hanna and daughter Neta Merle were at the chapel Sunday for Sunday School and church, also visiting in the community.

John Bailey of Dallas is a visitor in the J. A. Seward home this week.

Center News

Center, Sept. 25.—We are in such a buzz getting ready for the Fair, hardly have time to tell all we know, much less make up a lot we don't know.

Rev. Bost filled his regular appointment here Sunday. One thing marked some progress in our work was the organization of an adult B. Y. P. U.

Rev. and Mrs. Merle Weathers visited last week with Mrs. Weathers parents, Mr. and Mrs. E. W. Lightfoot.

Mr. and Mrs. McAda took Sunday dinner with Mr. and Mrs. T. J. Gill.

Mrs. Montgomery is suffering from an attack of tonsilitis at this time, though improving.

Mr. and Mrs. Jernigan took Sunday dinner with Mr. and Mrs. Bud McAda.

Mr. and Mrs. A. A. Tubbs, Mr. and Mrs. C. O. Spence and all the children took Sunday dinner with Mr. and Mrs. Claud Carpenter.

Mrs. Willis of Missouri visited Mrs. Montgomery one afternoon last week, then Mrs. Montgomery spent Wednesday at Mrs. Conner's visiting with Mrs. Mills.

Mr. and Mrs. Morse of Colorado spent Saturday night with Mr. and Mrs. Miller.

Miss Emma Lou McKinney visited Mrs. Miller last Friday night.

The Austin family moved to Littlefield last week and Mr. Tommy Kirk and family have moved to the Austin place.

Mr. Hollums and family attended all services here Sunday.

T. G. HALL FAMILY MOVING

Mr. and Mrs. T. G. Hall and children, Dorothy, T. G., and Hal Ray moved to Plainview this week where Mr. Hall will be associated with the Plainview Undertaking Co. They have lived in Floydada about thirteen years, during which time Mr. Hall has been connected with the hardware undertaking and furniture business.

Ira J. Marshall arrived home Friday of last week to spend a short visit with his parents, Mr. and Mrs. L. A. Marshall before returning to Baylor Medical College at Dallas for further study of medicine.

We Want Your October Account

Monday begins a new month, and it is with pleasure we announce our plans for the late fall and early winter include purchase, for the ispection and approval of the housewives of Floydada and vicinity, of the most complete, high quality line of Groceries and Market Supplies it has ever been our pleasure to handle.

To responsible people we are glad to extend the courtesy of thirty-day accounts, in the belief that this arrangement will be mutually pleasant and profitable.

YOU WILL FIND IT AS EASY TO TRADE AT OUR STORE BY TELEPHONE AS IN PERSON

and the same careful selection of the articles needed will be made if you entrust the job to us as though the housewife visited the market. And our delivery service is prompt. Use Telephone 118.

We are always glad to have our customers visit the store, and assure them of prompt, courteous attention.

New Whirlwind Squad Take Opener 46 to 0

Roaring Springs is Victim of Inexperienced Team; Season Outlook is Bright.

Raw and inexperienced, but willing and anxious to learn, Floydada High School's Whirlwind team smashed their opening game of the season into a 46 to 0 victory over the Roaring Springs team last Friday afternoon before a small crowd on the local gridiron. Coach Troy Jones' squad looms on the horizon of the 1928 football field, a West Texas Whirlwind, but with the experienced coaching of a Baylor University graduate pushing them on, they are expected to gain momentum as the season progresses, until they have reached the stage of a twisting, powerful tornado.

Friday's game served as an excellent practice, or try-out game. With only a few substitutions, the Roaring Springs eleven stood the crushing by the Whirlwinds without a whimper. Lack of material, combined with the lack of grid experience, made the visitors an easy mark for the local lads.

Twenty-two Whirlwinds entered the game Friday to "strut their stuff," many of the substitutions being made by Coach Jones in an effort to strike the right combination of players. Only one out-standing player made star plays. Howard Welbourn, Junior and second year man, held down the position of full back throughout the entire game, and time and again swung into the lime-light with some brilliant play. Welbourn's quick and nimble action, combined with what is termed by fans as football brains made him an outstanding player. He plunges and hurdles the line beautifully. With proper interference his end runs are almost invariable ground-gainers, and in a broken field he swirls, twists and stiff-arms his way to an opening. At first sight, Welbourn appears to be the season's best man.

Other players on the Whirlwind squad made good showings also, but throughout the entire game, the lack of gridiron experience was evidenced. A number of times, new plays and formations introduced by the newcoach were made and each netted gains for the locals. One touchdown was made in the first quarter and two in each of the other quarters. Dave Luttrell booted the pigskin over the crossbar four times.

Starting line of the Whirlwinds was as follows: right end, Ervin de Cordova; right tackle, Pete Nelson; right guard, Grady McAda; center, Charles Mathews; left guard, Starks Green; left tackle, Winfred Newsome; left end, Harold Terry; right half, Dave Luttrell; left half, Bud Goen; full back, Howard Welbourn; and quarter back, Harold Porterfield Among the substitutions made in the line-up were included the following new recruits; J. D. Luttrell, Robert Carter, Theron Summerville, R. C. Scott, William Meachum, O. B. Olson, Lester Jamison, Floyd Bell, Chester de Cordova, John Key West and Delbert Eubank.

RE-OPEN CURLEY'S CAFE ON NORTH SIDE OF SQUARE

Curley's Cafe, one of the most widely known restaurants ever to be operated in this city, was re-opened last Friday in the cafe's old stand on the northwest corner of the square. Curley Stephens, is owner of the eating house.

Mr. Stephens has conducted a cafe in Floydada for a number of years. Over a year ago he sold out his cafe business and some three months ago, the restaurant burned out. Mr. Stephens in the meantime, was partner for a time in the Slim & Curley Cafe on California Street.

A large eating counter is featured in the new cafe, as well as special tables for the ladies. Sunday dinner and special club dinners will be featured, Mr. Stephens stated.

J. H. JENKINS DIES SATURDAY

Funeral services for J. H. Jenkins of Lubbock, who died Saturday, were held at his home there Sunday, with Reverend White, pastor of the Baptist church in charge.

Mr. Jenkins was salesman for the Perkins Dry Goods Company of Dallas and has made this territory for many years. He was well known and one of the most popular men in his territory. Following an operation, he died in a Lubbock sanitarium. The body was shipped to Dallas for burial.

Those from Floydada who attended the funeral were Mr. and Mrs. C. R. Houston and family, Mr. and Mrs. W. C. Grigsby, J. B. Houston and A. B. Clark.

MRS. C. M. THACKER ILL

Mrs. C. M. Thacker is reported this mid-week as geratly improved following a minor operation last Saturday morning in a Lubbock hospital. She returned home Monday.

Mrs. E. Ray Smith, Mrs. G. C. Tubbs and Miss Vvilee Goodwin accompanied Mrs. Thacker to Lubbock on Friday of last week.

NOTICE OF APPLICATION FOR LETTERS—GUARDIANSHIP

THE STATE OF TEXAS,
To the Sheriff or any Constable of Floyd County—GREETING:

YOU ARE HEREBY COMMANDED to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Floyd State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof:

Notice of Application for Letters—Guardianship:

THE STATE OF TEXAS,

To All Persons interested in the welfare of Felix West, a Minor. Mrs. Della Hudson, a feme sole, has filed in the County Court of Floyd County, an application for Letters of Guardianship of the person and Estate of the said Felix West, Minor, which will be heard at the next Term of said Court, commencing the Third Monday in October A. D. 1928, at the Court House thereof, in the town of Floydada, Texas, at which time all persons interested in the welfare of such minors may appear and contest such application should they desire to do so.

HEREIN FAIL NOT, But have you then and there before said Court this Writ, with your return thereon endorsed, showing how you have executed the same.

Given under my hand and the seal of said Court, at Floydada, Texas, this the 25th day of September A. D. 1928.

(SEAL) TOM W. DEEN,
Clerk County Court, Floyd County, Texas. 312tc

CITATION IN PROBATE—ON ORDER TO APPOINT PERMANENT GUARDIAN

THE STATE OF TEXAS,
To the Sheriff or any Constable of Floyd County—GREETING:

YOU ARE HEREBY COMMANDED to cause the following citation to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the citation in the County of Floyd State of Texas, and you shall cause said citation to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof:

Citation in Probate

THE STATE OF TEXAS,

To all persons interested in the welfare of Melton O. Lee and Clifford Lee Minors:

On the 27th day of July A. D. 1928, the Honorable Wm. McGehee County Judge of Floyd County, Texas, made an order appointing Mrs. Beulah McBride temporary guardian of the person and estate of the above named minors, which said order is now recorded in the Probate minutes of said Court, said minors having an estate of the probable value of $600.00, consisting of Cash.

All persons interested in the welfare of Melton O. Lee and Clifford Lee, minors. are hereby cited to appear before the County Court of Floyd County, Texas, at the Court House in the town of Floydada on the 15th day of October A. D. 1928, the same being at a regular term of said Court, then and there to contest such appointment if they so desire, and that if such appointment is not contested at such term, then the same shall become permanent.

HEREIN FAIL NOT, But have you before said Court on the first day of the next term thereof, this Writ, with your return thereon, showing how you have executed the same.

WITNESS my hand and official seal, at Floydada, Texas, this 25th day of September 1928.

(SEAL) TOM W. DEEN,
Clerk County Court, Floyd County, Texas.

I HEREBY CERTIFY that the above and foregoing is a true and correct copy of the original Writ now in my hands.

312tc P. G. STEGALL, Sheriff

CLEAN SCALES ESSENTIAL FOR ACCURATE WEIGHING

A suggestion to weighmasters at public stockyards issued recently by the Packers and Stockyards Division may also serve as a caution to farmers and livestock producers who maintain scales on their farms, the United States Department of Agriculture believes.

"It is essential," said the statement authorized by Dr. John R. Mohler, Chief of the Bureau of Animal Industry, "that weighmasters give careful atention to the smallest details. Alertness on their past may enable them to recognize and prevent the edvelopment of conditions, apparently trifling, which, however, may affect the weights obtained over the scales. For instance, it is important that the weighmaster keep the notches of the beam clean. A little dirt, causing a slight displacement of the poise, may result in an appreciable error in the weight. In a recent test it was found that, owing to an accumulation of dust in the notches, one of them was 12 pounds slow. This meant a loss of the seller of 12 pounds for every draft weighed over the scale in which this notch was used.

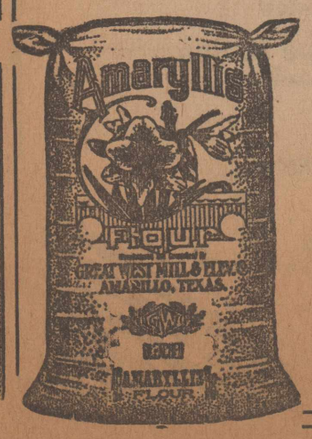

"It may be of interest to know that compressed air is now being used to clean the working parts of scales at one of the markets. An air compressor operated by a small gasoline engine and mounted on a yard wagon is pulled up to the scales and used for blowing out dust, dirt, and rust from round the pivots and bearings of the scale."

Miss Martha Porter left Monday for Lubbock where she will attend Texas Tech.

All These—and "Honest-to-Goodness" Biscuit, Too!

It's so easy to bake perfectly delicious cakes—cookies—pies—as well as breads of all kinds—provided, of course, you use the right flour! And the right flour is made right here in the Southwest from our own Southwestern wheat—as fine grain as can be found in the world. The flour your grocer recommends because he knows it's always fresh and good—always uniform in texture!

"A few cents more in the price of the flour—makes dollars of difference in the baking results."

ANNOUNCING

THE OPENING OF

CURLEY'S CAFE

At the Northwest Corner of the Square at My Old Stand

It is with great pleasure that I announce I am again in the Cafe Business here in Floydada.

My new place is one of the best I have conducted here, and the public may come here with the assurance that they can get the very best of everything good to eat.

Not only will we have a great variety to choose from, but the food will be cooked and served in a manner that will be pleasing to everyone.

We have installed a lunch counter and a number of tables for the accomodation of both ladies and gentlemen. Societies, lodges and clubs will find our place ideal for serving banquets, luncheons and etc., for which there will be a very reasonable charge.

A specialty will be made with our Sunday dinners. Bring the entire family. It will be cheaper to dine here than to cook your own meals at home. Give us a trial next Sunday.

We extend a cordial invitation to the public to call and inspect our place, and let us show you the sanitary methods made use of, in both the cooking and serving.

Pay us a visit.

CURLEY STEPHENS, Proprietor

A NEW ROOFING AND SHEET METAL WORKS FOR FLOYDADA

We have opened a modern roofing and sheet metal plant here in Floydada, and extend a cordial invitation to the public to call and see us.

We have been in this business for twelve years and have successfully handled some of the largest contracts, in these lines, that have been let in the Panhandle.

WE WILL SPECIALIZE ON CAREY BUILT UP ASPHALT ROOFING AND ASBESTOS SHINGLES OR ASPHALT SHINGLES.

Our reason for specializing in Carey Roofing is due to the fact that we have found through years of experience that this is the best roofing made. Oftimes it will be intact and be considered a good roof many years after other roofs have been worn out. Carey materials carry a 5-10-15 year guarantee. Our tar and gravel roofing has a 5-10-15-20 year guarantee.

We also make a specialty of Re-Roofing and repair work. Estimates on all work is promptly given, and there is no charge for this service. We are the only approved Carey roofers in Floydada and surrounding country.

SHEET METAL WORK

Doing both contracting and repair sheet metal work will form a large part of our business. There is no job too large for us to handle and none too small to receive our prompt attention.

We wish to state that on all work we will favor home labor, and we will at all times be a booster and a worker for Floydada and Floyd County—Any business that the public may favor us with they will get the work done as reasonable as they could get by employing an outside concern, and the money spent with us is kept here at home.

Patronize a home industry.

Aiken News

Aiken, Sept. 25.—We have been having some cold weather for this time of year. We are hoping that winter doesn't come quite so soon.

The cream supper was enjoyed very much. We had a splendid program consisting of music and readings, conducted by Mrs. Birdsong of Plainview. The proceeds of the supper will be used for the school needs.

The Aiken girls and boys played Prairie Chapel in basket ball Friday afternoon. The boys won and the girls lost their game. The scores were for the boys 18 and 5 and the girls 17 and 22.

Miss Dialpha Swift spent the week end with home folks.

Claude Morris and family took Sunday dinner with Mr. and Mrs. Hutchins.

Miss Lorene Clark spent Sunday with Miss Ethel Dorman.

Our B. Y. P. U. is growing now. We wish all the young people would come and help us, we need you. Our union will be represented at the fifth Sunday meeting.

Mr. and Mrs. Warren Henry visited in our community Tuesday.

Miss Birda Hastings attended the party at Mr. Taff's Sunday night.

Mr. Jones and family visited relatives in Floydada Sunday.

Fred Mullings left Saturday for Lubbock where he entered Tech College Monday.

McCOY NEWS

McCoy, September 25.—Farmers in this community are very busy gathering their feed. Some have begun picking cotton. There have been several bales ginned here.

Alva Barrett and Roy Holmes went to Lubbock last week, where they are attending school at the Tech.

Those enjoying the radio program Saturday night at the home of Mr. and Mrs. John Gray were Mr. and Mrs. John Foster and Mr. and Mrs. L. H. Smith.

Misses Vera and Violet Thacker left Monday morning for Littlefield, where they will attend school.

Miss Ima Jackson who is attending school at Lockney, spent the week end with her mother, Mrs. J. W. Jackson.

Mrs. C. H. Payne and Miss Clara Smith visited their sister, Mrs. W. M. Day of Ralls last Thursday.

Misses Lou and Etta Berry were Sunday visitors in the Thacker home.

Mr. and Mrs. Dwight Jackson, of Lockney, visited his mother, Mrs. J. W. Jackson last Thursday.

Rev. Nealy, of Canyon, filled his regular appointment here Sunday.

Rev. Dalton will preach here next Sunday at the Methodist church.

Mr. and Mrs. G. L. Smith were the guests of Mr. and Mrs. Shoemaker Sunday.

Miss Willie Mae Curry spent Sunday with Bernice and Freda Jackson.

Mr. and Mrs. Griggs visited in the Berry home Sunday afternoon.

Blanco News

Blanco, September 26.—The school in this community has been in progress for two weeks now with Mr. and Mrs. Williams as teachers and thirty-one pupils enrolled. Judging from reports we are going to have a fine school year.

Everyone in our community is busy gathering feed or planning for the fair.

O. Z. Smith and son, Earl, of Pleasant Hill community, were business visitors in the community last week.

Miss Lauream Christian left last week for Chicago, where she will attend school.

A. H. Howell, of Tulia, visited his son, Moss, last week.

George Berry who has been visiting his aunt, Mrs. J. D. Christian, went to Lubbock last week to attend school at the Tech.

J. D. Christian made a business trip to Amarillo Wednesday.

Rev. Brooks Stell and Miss Gladys McDougal have been visiting friends in the community this week.

Mr. and Mrs. Williams spent Sunday with his brother at Lorenzo.

Mr. and Mrs. Farley and children visited in Acuff Sunday.

Mr. and Mrs. Ham Smith visited with Mr. and Mrs. Bob Smith Sunday.

Mr. and Mrs. Rob Witty visited with her brother, Moss Howell, recently.

Miss Mary Floyd has returned to her home in Memphis.

We are very glad indeed to have the Badgett's home again after a trip to Whitewright and Arkansas.

Gid Howell has returned to his home at Bula.

Muncy News

Muncy, Sept. 25.—School is progressing nicely with an attendance of the full enrollment.

M. E. Jetton is spending the week at the home of W. N. Vandergriff. Mr. Jetton has been visiting relatives at Gainesville for the past few months.

J. A. and Doyce Smalley, also Miss Alvie Smalley spent Friday afternoon at the home of Mrs. W. G. Ferguson.

Walter Overton, accompanied by his cousin, Elbert Overton, spent Friday night with Mr. and Mrs. R. E. L. Muncy. They were returning from a trip to Harrogate, Tenn., where they were visiting relatives.

Mr. and Mrs. E. E. Huskey went to Floydada Saturday morning.

Mr. and Mrs. J. T. Griffin, from the Lone Star Community, visited Mr. and Mrs. A. B. Muncy Sunday afternoon.

Mrs. W. G. Ferguson was in Lockney Saturday afternoon.

Miss Nina McCormick from Liberty passed through Muncy community Friday.

Mrs. Gladys Cagle visited her sister, Mrs. J. J. Smalley Friday afternoon.

Mr. and Mrs. N. T. A. Byars spent Sunday afternoon at the Muncy home.

Mr. and Mrs. Clarence Maddox of Santa Anna, California, came Wednesday for a visit with his parents, Mr. and Mrs. J. R. Maddox and family.

Mrs. Bob Wilson of Hereford came Wednesday to spend the remainder of the week with Mrs. Henry Edwards and to attend the fair.

Cedar News

Cedar, Sept. 25.—Mr. and Mrs. Kennedy of Memphis visited with Mr. and Mrs. C. S. James Sunday.

Miss Junita Douglas spent Sunday afternoon with Miss Oretta James.

Mr. and Mrs. Lee Reeves spent Sunday with her parents, Mr. and Mrs. H. J. Mathis.

Jim Woods and J. B. Leach visited school Monday.

Mr. and Mrs. Edward Thomas are now living at Strong City, Okla.

Mr. and Mrs. C. F. James visited with Mr. and Mrs. Tom James of Whiteflat Sunday.

Messrs. Autra James and Buss Douglas visited Liberty School Monday.

SANITARIUM NOTES

J. D. Nelson underwent an appendicitis operation Saturday.

Clifford Lee is in a serious condition with abdominal complications. It has not yet been advisable to operate.

Mrs. R. L. Hanks who was brought to the sanitarium Tuesday is in a serious condition.

Mrs. Childress is steadily improving from an appendicitis operaton.

Worth Gwendolyn Shipley is being treated for a broken arm.

FRED BROWN IN DENVER HOSPITAL

Fred Brown, who injured one of his eyes very seriously several weeks ago, will have the injured member removed today in a hospital at Denver, Colorado, according to a telephone message from him Wednesday to his wife here. Mrs. Brown and three sons, Charles, Rex and Howard, accompanied by W. Edd Brown left on the train from Amarillo last night to be with Mr. Brown during the operation. John Hammonds took them to Amarillo in his car.

Mr. Brown went to Denver Tuesday upon the advice of his physician at Amarillo.

DONLEY CAPITALIST HERE

Mr. and Mrs. Sam Sears, of Clarendon, were in Floydada for a short time the latter part of last week, the guests of Mr. and Mrs. V. A. Leonard. They were enroute home from iMneral Wells after a sojourn of sometime at the health resort.

Mr. Sears is one of the large land holders of Donley county and one of its most wealthy citizens.

Mr. and Mrs. Sears will leave at an early date, they told Mr. Leonard, for Phoenix, Arizona to spend the winter.

H. E. Shirley and son, J. D., of Eastland, are here for a weeks visit with his daughter, Mrs. W. L. Mitchell, having arrived Tuesday.

W. I. Cannaday, Thomas Montgomery, C. Surginer and S. D. Naylor attended the Tri-State Fair at Amarillo Monday.

Mrs. George Young, of Quitaque, came over Tuesday and will spend the remainder of the week with Mrs. J. M. Harris.

100 Hours Non-Stop Drive

Pontiac Six

With transmission and crank-case sealed, a stock Pontiac Six was driven for 100 continuous hours on the streets of Plainview and Floydada, and over rough highways and roads. One man made the entire non-stop drive. Here's the record:

3172.2 Miles of Continuous Driving

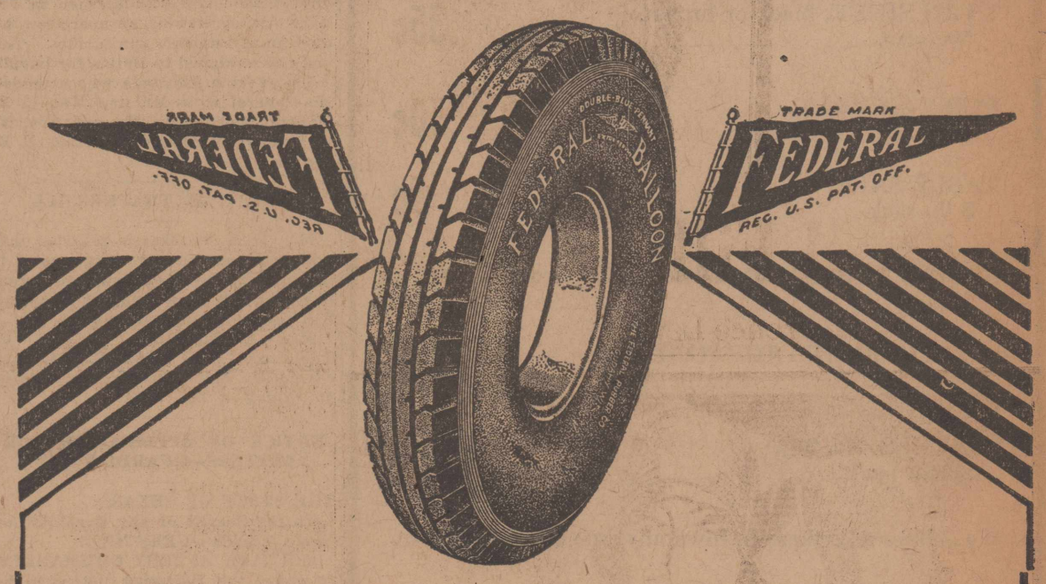

27.7 Miles Per Gallon of Gas, average.

1 Quart, 2 ounces of Oil consumed

Five Pints Water Consumed.

See Our Display of Cars While Attending The Fair.

Scoggin-Dickey Motor Co.

Aristocrat of the Road

The driver whose car is equipped with the Federal Double Blue Pennant knows that he has the best tire that money can buy; the feeling of security that goes with driving on Federals is justified by long experience of Floyd County people who have found "extra service" not just so many words but something actually built into the tire by the makers.

Federal does not equip any new cars with tires. Every Federal you see on the road is one which the owner has purchased as a replacement in preference to some competitive make. Federals lead every other make in replacement sales. They have certainly earned this reputation through well-rendered service for Floyd County owners.

New officers elected for the ensuing year are: Mrs. J. C. Gilliam president; Mrs. E. L. Norman, first vice president; Mrs. E. P. Nelson, second vice president; Mrs. Johnson, third vice president; Mrs. Clarence Foster, secretary-treasurer; Mrs. C. H. Davis, reporter; Mrs. I. W. Hicks teacher; Mrs. P. D. O'Brien, assistant teacher.

Refreshments were served to twenty-five members.

Spanish Note Predominates At Club Meeting.

Mrs. Aubrey Bishop was hostess to the Wednesday Bridge Club Tuesday afternoon at her artistic Spanish home in south Floydada. Decorations score pads, tallies and favors were in keeping with the Spanish interior of the home, yellow being the predominating note.

Mrs. Leon Collins was winner of high score in the games.

Refreshments were served to Mesdames B. K. Barker, Roy Snodgrass, Jack Henry, Thurmon Bishop, J. Key Green, John Hammonds, Bob Eubank A. B. Keim, T. P. Collins, Leon Collins, Luther Fry and Miss Ruth Collins.

Mrs. Leon Collins will entertain the club next on Wednesday afternoon, October 10.

Edd Bishop Honor Guest At Birthday Dinner.

Mrs. S. D. Bishop was hostess at a surprise dinner honoring the birthday of her son, Eddie, Sunday at her home, 225 West Kentucky street. Following dinner a basket of lovely gifts were presented to the honoree by his little nephew, Kenneth Baird and niece, Arla Vee, Bishop, of Kress. A bouquet was presented to him by another little neice, Peggy Jo Bishop, which was a gift from his mother.

Covers were laid for the following: Mr. and Mrs. L. T. Bishop, and son, James Thurmon; Mr. and Mrs. A. A. Bishop; Mr. and Mrs. J. B. Bishop and daughter, Peggy Jo; Mr. and Mrs. Baird Bishop and son, Kenneth Baird and daughter, Arla Vee, of Kress; Mrs. T. M. Cox and daughter, Thomasine; A. L. Bishop; Misses Eddythe Walker, Daltis Rae, Bernice Bishop; Tom Bishop and Mrs. Bishop hostess.

Celebrates Tenth Birthday With Party Thursday.

Miss Zola Maurine Pipkin, daughter of Mr. and Mrs. O. B. Pipkin, celebrated her tenth birthday with a party Thursday evening, September 20, at her home, 316 W. Kentucky Street.

Refreshments were served to Cleo Birch, Maurice Nance, Charles Harris, Virginia Belle Gamble, J. W. Gamble, Lucille Burrows, Bruce Burrows, Mary Lynn Cole, Minnie Anon Stanley, Viva Lois Stanley, Mary Lynn Stanley, Jessie Herbert Pipkin; Mesdames H. P. Bell, Harry Stanley and J. T. Nance.

Many nice gifts were received by the honoree and all of the children reported a delightful party.

K. K. Klub Will Meet Every Two Weeks.

K. K. Klub met Friday afternoon at 3 o'clock with Mrs. W. D. Johnson as hostess at the home of her mother, Mrs. N. A. Armstrong, West California Street. Bridge as usual was the diversion of the evening and Miss Virginia Lewis was winner of high score.

Delicious refreshments were served by the hostess to Mesdames Ray Dickey, W. H. Hilton, Jno. Hammonds, Otis Abston, A. N. Bratton, Fred Brown and Miss Virginia Lewis. Mrs. Dickey was a guest of the club for the afternoon.

The meeting time was changed from every week to every two weeks and the next meeting will be held Friday afternoon, October 5, at 3 o'clock with Mrs. Fred Brown.

Ladies Aid Society Formed By W. M. S. Monday.

The women's Missionary Society of the Presbyterian church met Monday afternon with Mrs. A. A. Collins. A social hour was spent in making new plans for the society. A ladies Aid Society was organized which will meet the second and fourth Mondays of each month, at the home of the members.

The hostess served an ice course. Mrs. J. L. King will be hostess to the society next Monday afternoon at 3:00 o'clock.

Methodist Ladies Meet For Missionary Lesson.

Women of the Methodist Missionary Society met Monday afternoon at 3 o'clock at the church for their lesson from "Studying the Book of Genesis." Mrs. J. M. Willson was leader in the absence of Mrs. W. W. Porter.

A business session was held and the society decided to serve pie, sandwiches and coffee to the Fair Visitors Saturday.

Monday will be business day and the meeting will be held at 3 o'clock at the church.

Geraldine Gamblin Honoree At Birthday Party.

Geraldine Gamblin, daughter of Mr. and Mrs. J. M. Gamblin, was hostess at a party Thursday afternoon in celebration of her ninth birthday A color scheme of pink and white was used in the decorations. The birthday cake was also pink and white.

Refreshments were served to Jessie Bell Massie, Marilynn Fry, Mary Katherine Smith, Ethel Joyce King, Blanche King, Jo Dolph Montgomery, Troye Mowrey, Inis Dea Fyffe, Jean Watson, Cecile Hall, Mary Lou Medlin, Melvin Blasingame, Worth Gwendolyn Shipley and the hostess.

BORN—to Mr. and Mrs. Wesley Parker, Crosbyton, September 18, a daughter, Patricia. Mr. Parker formerly resided in Floydada.

Bill Der Says

With some of us it is a block from one ear to the other.

ALLEY APPLES

Besides providing punctuation for political arguments in the lower wards, there are many uses for plain and face brick. This year, whether you are building a business block, home or garage, it'll pay you plenty to investigate the economy and permanence of these age-old and reliable materials. We carry—or let our men carry—brick in all it's best forms and phases. See us soon.

FIRST CHRISTIAN CHURCH

F. L. Davis, Minister.

Services next Lord's day will be vitally interesting to every member of the church. We will have Sunday School and preaching at the usual hour.

After dinner the "Every Member Canvass" will be put on. The visitors will visit every member of the church to solicit a pledge for the church for the ensuing year which begins Oct. 1. We ask that the folks remain at home until the visitors come. This will expediate matters greatly and will likely not inconvenience the individuals very much.

The First Lord's day in October will also be a great day, our annual meeting. More about this next week.

Next Sunday will also be "Rally Day" in the Sunday School. We are asking that every one who attended the Sunday School during the year be present next Sunday. The hot weather is about over, vacation days are past, and now let us all rally to the work of the Lord. Be sure and come. Bring a friend if you can.

LOCKNEY CIRCUIT

J. N. S. Webb, Pastor

Preaching at 11:00 o'clock a. m. next Sunday at Aiken and Lone Star.

Preaching after League at Aiken Sunday night.

You will be welcome at these services.

CUMBERLAND PRESBYTERIAN CHURCH

A. A. Collins, Pastor

B. F. McIntosh, Superintendent of Sunday School.

Sunday School at 9:45. Come on time and stay for the morning service.

Morning worship at 11.

Christian Endeavor at 7.

Evening worship at 7:45.

Prayer and study hour Wednesday evening at 7:45.

You are welcome to worship with us.

METHODIST CHURCH

Ben Hardy, Pastor

Our Sunday School had 265 last Sunday though several of our regulars were absent for varying causes. We were gla dto welcome several new ones, but have room for others We were glad to welcome several that are doing most effective work. Be with us next Sunday, we need you.

Next Sunday night Brother Beavers will preach and hold the fourth quarterly conference a very important one. We urge your presence not only for the preaching but for the conference that follows.

Floyd County Clubs

SAND HILL HOME DEM. CLUB

The Sand Hill Home Demonstration Club met Wednesday September 19 at our club room. Eight members were present. We had for our visitors the Floyd County Fair boosters to which we served lunch. In the afternoon we had our regular club meeting. We made final plans for our booths for the fair, also planned a community float for the parade. Miss Bass gave a demonstration on cottage cheese. We will meet again October 3.

Mrs. Charles Whitacre and daughter, Chalones, of Lubbock spent Sunday here as guests of her mother, Mrs. A. H .Thornton.

Mr. and Mrs. R. L. Ewing and daughter, Miss Edna, of Lubbock, were visitors in Floydada Friday.

Lee Highway Situation

Following is a report made by Judge Wm. McGehee on the situation as regards Lee Highway, No. 28, west from Vernon, following the meeting of county judges and commissioners at Vernon last week:

In company with Mr. E. W. Henderson nominated commissioner from Commissioners Precinct No. 1, and Roy Snodgrass, I attended a meeting at Vernon of county judges and commissioners from counties traversed by the Lee Highway (No. 28 in Texas) at which meeting the following facts were brought out, and thinking that these facts would be of interest to the public of Floyd County, I made note of same.

Reports were made at this meeting by committees and officials from Frederick, Comanche and other Oklahoma towns, also from Dr. S. M. Johnson of Washington D. C., head of the Lee Highway Association, all of which tende dto show that the Lee Highway would be paved from Vernon to Washington before paving was completed in Texas to the South Plains.

Concrete paving is now completed in Willbarger County from the Red River bridge to the west city limits of Vernon, about 17½ miles. Concrete was let last week for grading and drainage structures from Vernon to the Foard County line. Wilbarger County has voted bonds and set aside for their proportionate part of this work about $400,000, supplemented by federal and state funds to the amount of $800,000, making a total for highway through Wilbarger County of approximately $1,200,000. The contract on all grade and drainage structures in Foard County was let last week with the exception of ten miles which will be let next month.

Foard County has voted bonds and appropriated $360,000 for this work supplemented by Federal and state funds to the amount of $720,000 making a total to be expended in Foard County of $1,880,000.

Contract was let last week to complete grading and drainage structures through Cottle County. Cottle county has voted bonds and has $343,000 available for paving, supplemented by federal and state aid to the amount of $686,000, making a total of $1,029,000 to be expended in Cottle County.

It is expected that if weather conditions are favorable and grade issufficient settled by next spring that laying of pavement from Vernon to the east line of Motley will be under way. Motley county has voted bonds and, I understand, has appropriated $125,000. This supplemented by federal and state aid to the amount of $250,000, making a total to be expended in Motley county of $375,000.

Motley county will complete surveys and let contract soon for the grading and darinage stru tures. is possible that gravel asphalt topping will be used in Motley county as gravel is convenient for short hauls for this road.

I believe from the above figures furnished me from the county officials of the various counties mentioned that within two years at he most that $3,684,000 will have been expended in paving the Lee Highway east from Floyd county and that wail within that time all pavement will be complete to the east line of Floyd County.

Hale county with federal and state aid will expend approximately $1,000,000 in paving from yest line Floyd County to east line of Lamb county. Hale County ahs voted bonds and their funds are available. Contract will probably be let soon from Plainview to west line of county for grading and drainage stru tures.

I understand that location of highway east from Plainview is now being held up by the State Highway Department awaiting developments in Floyd County.

Sincerely,
Wm. McGehee.

What's Doing In West Texas Today

A farmer at Woodson sold 41 cows and one bull to an out of town buyer for $3,906. The cattle were mixed breeds and were bought for stock cattle.

On what is locally known as dollar day in De Leon the cream shipment was particularly heavy. Twenty-seven cans of cream averaging 70 pounds to the can, paying 38 cents a pound brought farmers $380.00.

Twenty thousand dollars have been subscribed to a $75,000 hotel for Merkel. According to plans $40,000 is needed before the hotel building will start.

The school boys of Winters have organized one of the first "Future Farmers of Texas" chapters in Texas. This organization for boys who are preparin gthemselves to be tillers of the soil has organixations in nine states.

Over fifty kinds of vegetables are grown on a farm by Mr. and Mrs. J. F. Wilkenson, southeastern of Perryton of Wolf Creek Swiss Chard, oyster plant, colo rabi, worm week, berries and mellons are included in the group.

A modern triple combination 500 gallon pumping fire engine was purchased by the city of Pyote at a cost of $6750.00. Several members of the new volunteer fire department learned haw to work the mechanism of the pump.

The San Saba Chamber of Commerce is conducting a campaign for better seed for the farmers. On account of the failure of some of the crops seed must be imported and the C. of C. thinks this is the time to improve the quality.

John M. Gist, fancy Hereford breeder of Odessa recently sold 40 head of six months old bulls to Marfa breeders for $250.00 a head. The forty were of a herd of 100, the balance of which will be groomed for late fall shows.

Contracts for twenty blocks of additional pavement has been let by the San Angelo City Commission. An electric bond of $1000.00 was accepted.

The first users of the new natural gas in Goree were the Goree Gin Company. In a few minutes after the gas was turned into the mains the gin, which had previously installed burners was running with the gas as its fuel.

Two booster trips advertising the Donley County Fair were taken by enthusiastic citizens to Lelia Lake, Hedley, Giles, Jerico, and Martin, all neighboring towns.

At the sheep and goat raisers Barbecue additional prizes were posted to winners in the Junior Lamb division of the boys and girls club department. Second prize will be a high grade ewe, and third prize a 100 pound sack of Buck-Chow.

A campaign to solicit $100,000 stock subscriptions for the erection and equipment of a powdered milk plant at Brady recently got under way. The plant is to cost $200,000, but one half of the capital is to be furnished by foreign interests.

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or any Constable of Floyd County—GREETING:

YOU ARE HEREBY COMMANDED, That you summon, by making Publication of this Citation in some newspaper published in the County of Floyd if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published once each week for four consecutive weeks previous to the return day hereof, A. M. Hickman whose residence is unknown, to be and appear before the Hon. County Court, at the next regular term thereof, to be holden in the County of Floyd, at the Court House thereof, in Floydada on the 15th day of October, A. D. 1928 then and there to answer a Amended Answer in Garnishment filed in said Court, on the 13th day of September, A. D. 1928, in a suit numbered on the docket of said Court no. 614, wherein South Plains Lumber Company is plaintiff and Fireman's Fund Insurance C...ny, C. B. Harder, and Herbert ...t, are Garnishees, and one A. M. Hickman is defendant. The nature of the Defendant's Answer in Garnishment being as follows, to-wit: A Denial under oath that they owed A. M. Hickman anything at the time of the service of the Writ, or since said time, and do not now owe him anything.

That they, nor either, have now, nor had they at the time of the service of said Writ, any property or effects of A. M. Hickman in their possession, nor have they had during the interim.

That they do not, nor neither of them, know of any other persons who are either indebted, to A. M. Hickman, or have property or effects belonging to the said A. M. Hickman.

The said Answer alleges that Fireman's Fund Insurance Company issued its Policy No. 1203, to A. M. Hickman, in the sum of $500.00 on a 1-story shingle roofed frame building situated on 640 acres of land, situated ten miles South-East of Silverton, in Briscoe County, Texas; also insuring in the amount of $800.00 a barn adjacent, and $150.00 on windmill and tower adjacent.

That said Company was served with a Writ of Garnishment in favor of First National Bank, of Plainview, Texas, on August 6, 1928;

That subsequent to the loss, said loss was adjusted for the sum of $1300.00, and that said sum has been due to someone since the 20th day of May, 1928; that Garnishees understand that there is some question about whether said insurance money is exempt under the Constitution and Laws of this State to A. M. Hickman and his family.

That said Garnishees have been informed that Great Southern Life Insurance Company, a corporation, has a lien of some kind against the property. Garnishees further show that they do not know the residence of said A. M. Hickman, and pray for an allowance of $75.00 attorney's fees.

HEREIN FAIL NOT, And have you before said Court, on the said first day of the next term thereof, this Writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Floydada, Texas, this, the 13th day of September, A. D., 1928.

(SEAL) TOM W. DEEN,
Clerk County Court, Floyd County, Texas. 304tc

Scott McGehee, who has been making his home in Lockney through the summer months, arrived Sunday to take charge of the Patterson-McGehee Gin in this city throughout the cotton season.

Dr. and Mrs. V. Andrews spent Sunday in Amarillo attending the Tri-State Fair.

Marion Smith, E. Ray Smith, and Sanford Shaw were in Amaritlo Sunday attending the Tri-State Fair.

GROCERY AND MARKET

How Much Will Poor Ginning Cost You This Year?

In these days of high production costs, there is little profit in raising a cotton crop only to have it improperly ginned.

Not the size of your yield, but the way it is ginned, determines how well you are paid for your work.

MURRAY GIN

HIGH SPEED
LOOSE ROLL
AID BLAST

will give you a better sample and larger turnout. This famous gin cleans the seed perfectly and prevents crimped, gin-cut "napped" cotton. No matter what kind of staple it is, the sample comes out clean and smooth. And buyers bid for that kind.

You will find our cleaning and extracting equipment second to none.

Remember, our round bale connection with Anderson, Clayton & Company insures you of a constant and reliable market for your cotton.

NOTICE

My ranch land, located in the northeastern district of Floyd County and on the Quitaque River, is again POSTED and the road closed by lock and chain. Owing to the fact that my cattle are grazing on this land, we have found travelers and picnicers are a nuisance. The scattering of cans and papers which is endangering the stock as well as causing more flies, and the difficulty of keeping fences in shape, make it necessary to stop the public from entering said land. Hereafter, any person found therein will be prosecuted accordingly. The Flomot road or Quitaque road is private and CLOSED to travel. All business matters handled at headquarters. N. A. Armstrong. 20tfc

NOTICE

TO ALL OWNING OR CLAIMING ANY PROPERTY ABUTTING UPON THE HEHEINBELOW MENTIONED PORTIONS OF STREETS IN THE CITY OF FLOYDADA, TEXAS, AND TO ALL OWNING OR CLAIMING ANY INTEREST IN ANY SUCH PROPERTY:

The Governing Body of the City of Floydada has ordered that the hereinbelow mentioned street be improved by raising, grading, and filling same, and installing concrete curbs and gutters, and paving with six inch (6") reinforced concrete, with incidentals and appurtenances, and contract has been made and entered into with L. H. Lacy Company for the making and construction of such improvements.

Changes in the plan, extent and menthod of improvements on the hereinbelow mentioned portions of streets and places have been provided for and the necessary action taken in connection therewith, and a new estimate concerning cost of the improvements on said hereinbelow mentioned portions of streets, with amounts, have been prepared and approved, and new hearing ordered to be held. Such streets and places, together with estimated amounts per foot to be assessed, and other matters and things, being as follows, to-wit:

Unit No. 1.
Wall Street from the South property line of Mississippi Street to the South property line of Kentucky Street.
Unit No. 2.
Wall Street from the South property line of Kentucky Street to the South Property line of Tennessee Street.
Unit No. 3.
Wall Street from the South property line of Tennessee Street to the South property line of Georgia Street.
Unit No. 4.
Wall Street from the South property line of Georgia Street to the South property line of Houston Street.
Unit No. 5.
Wall Street from the South property line of Houston Street to the South property line of Crockett Street.

The improvements to be approximately 65 feet wide from curb to curb, but with a parkway through the center except at intersections with other streets, the parkway to be 29 feet wide; the estimated cost of the improvements is as follows:

Unit No. 1 $6663.82.
Unit No. 2. $6488.98.
Unit No. 3. $6488.98.
Unit No. 4. $6488.98.
Unit No. 5. $6107.56.

The estimated amount per lineal foot to be assessed against the abutting property and the owners thereof for curb is $0.40 for each unit; the estimated amount per front foot to be assessed against abutting property and the owners thereof for the improvements exclusive of curbing is as follows:

UNIT NO. 1.—From the South line of Mississippi Street to the South line of Kentucky Street $6.45940.
UNIT NO. 2.—From the South line of Kentucky Street to the South line of Tennessee Street $6.45940.
UNIT NO. 3.—From the South line of Tennessee Street to the South line of Georgia Street $6.45940.
UNIT NO. 4.—From the South line of Georgia Street to the South line of Houston Street. $6.45940.
UNIT NO. 5.—From the South line of Houston Street to the South line of Crockett Street. $6.45940.

The total estimated amount to be assessed against abutting property and owners thereof is as follows:

A hearing will be given and held by and before the governing body of the City of Floydada, Texas, on the 12th day of October A. D. 1928, at 9 o'clock, A. M. in the City Hall, in the City of Floydada, Texas, to all owning or claiming any property abutting upon said portions of streets, and to all owning or claiming any interest in any such property, or any to be assessed therefor, the benefits to the respective parcels of abutting property by means of the improvements on the portion of street or highway upon which the property abuts, and concerning the regularity, validity and sufficiency of the contract for, and all proceedings relating to, such improvements and proposed assessments therefor, and concerning any matter as to which they are entitled to hearing under the law in force in the City and under the proceedings of the City with reference to said matters. Following such hearing assessments will be levied against abutting property and owners thereof, and such assessments when levied shall be a personal liability of the owners of such property and a first and prior lien upon the property as provided by the law in force in the city, and under which the proceedings are taken, being the Act passed at the First Called Session of the 40th Legistlature of the State of Texas, Known as Chapter 106, of the Acts of said Session.

The improvements on each said portion of street or highway constitute an entirely separate and distinct unit of improvement, all to the same extent as if entirely separate and distinct proceedings had been taken with reference to the improvements and assessments therefor in connection with improvements on each such portion of street or highway, and the assessments against the property abutting upon any street shall be and are in no wise affected by any fact or circumstance relating to or connected with the improvements in other streets.

Of all said matters and things, all owning or claiming any such property, or any interest therein, as well as all others in anywise interested or affected will take notice.

Done by order of the City Council of the City of Floydada, Texas, this 22nd day of September, A. D. 1928.

BURL BEDFORD,
City Secretary, City of Floydada, Texas.

313tc.

The Kind of Suits Boys Ask About

$9.90 to $18.75

Day in and day out we receive compliments from boys who "know their suits" and what to wear for outdoor and school requirements! We're proud of this fact, our selection is proof. Suits in every new fall and winter color. Single and double breasted styles with knickers or long "jeans." Tailored just like the big fellows clothes. Caps to match suits in many styles.

C. R. Houston Co.

SOME car owners fondly believe that by looking at a tire they can tell how it will stand up.

And so they shop around—buy tires according to price.

The trouble is that even the cheapest tire can be made to *"look all right."* The only way to be *sure* is to buy from an *authorized dealer*—the established agent of a reputable concern.

We sell United States Tires. They are a quality product, fairly priced.

Call on us and be *sure* of the tires you buy.

O'Brien Preaching At Wayland Fall Revival

Miss Ila Wright, Floydada Girl, Editor of the Traveler, Student Year Book.

Plainview, Texas, September 24,—The B. S. U. Census taken at Wayland College recently revealed the fact that there are six different faiths represented in the school this year. The faiths according to numbers were Baptist, Methodists, Presbyeterians, Christians, Nazarenes and Pentecostals. The census also showed the student body of over two hundred to all be Christians with the exception of seven.

It is the custom of the college to hold two one-week revivals each year, one during the fall term and the other during the spring term. the fall revival opens today with Rev. P. D. O'Brien of Floydada doing the preaching. Rev. O'Brien has been called recently to pastor the First Baptist Church of Floydada and is a new man on the plains having been formerly at Munday, Texas. Services will be held twice each day and it is the goal of the B. S. U. council to see that every student in Wayland becomes a Christian before he finishes his chool year. R. Y. Bradford of Crowell, Texas is the newly elected president of the Council for the 1928-29 school year.

The members of the staff 1928-29 Traveler, the college year book, with Miss Ila Wright of Floydada, editor and Willis J. Ray of White Deer, business manager, having begun active work and plan to add a new feature this year. The year book will carry all the names of the graduates since the founding of the college in 1909 along with their present address and occupation. With one of the largest enrollments in the history of the college the staff plans to put out one of the best year books ever published by the insititution.

MARRIAGE RECORD

Marriage license have been granted the following couples during the month of September:

J. B. Leach and Miss Mary Kimberley, Sept. 24.

J. A. Woods and Miss Virginia Massingale, Sept. 24.

Ridley Williams and Sibble Queen, colored, Sept. 24.

Otis Huckabee and Miss Beulah, Foster, Sept. 1.

Doyce Smalley and Miss Jewell Murray, Sept. 1.

Robert Muncy and Miss Alice Mae Crawford, Sept. 8.

T. B. Estep and Miss Opal Jones. Sept. 10.

Wayland Prospects In Football Are Bright

Prospects at Wayland College for a good fotball year are bright, according to "Polly" Peret, business manager of the team, who was in Floydada Monday of this week on a tour of this section advertising the home games of the team for the season. "With thirty-three men out each day for practice, including lots of good material, it is going to be difficult to select a string of twenty-two men to make the road trips," Mr. Peret said.

The squad has a heavy schedule for this season, including six home games. Their home games will be played as follows:

September 29, Abilene Christian College; October 19, Cordell Christian College; October 27, Panhandle A. & M.; November 10, Clarendon (home coming day); November 15, Montezuma; November 24, Wichita Junior College.

Games on the schedule of the team to be played away from home are with New Mexico Military Institute at Roswell; Cameron Aggies at Lawton; and two return games, Abilene Christian College at Abilene, and Clarendon College at Clarendon.

NOTICE TO BIDDERS

Sealed Proposals addressed to the Hon. Wm. McGehee, County Judge, Floyd County, Floydada, Texas, will be received at the office of the Clerk of the Commissioners Court until 10 a. m. October 6th, 1928, for furnishing all necessary materials, equipment and labor for constructing certain street improvements in the City of Floydada, Texas for the Commissioners Court of said Floyd County.

Bidders must submit certified check in the sum of 5%, five percent, of the amount bid, payable without recourse to the order of Wm. McGehee, County Judge, as a guarantee that the bidder will enter into the contract and execute bond in the form provided within ten days (10) after notice of award of contract to him.

The successful bidder must furnish bond for fifty per cent (50%) of the sum bid, on the form provided, from a responsible surety company satisfactory to the Commissioners Court of said County.

The said Commissioners Court reserves the right to reject any or all bids and to waive formalities.

Bidders are required to inspect the site of the work and inform themselves regarding local conditions.

Proposal forms, specifications and plans are on file at the office of G. A. Lider, Engineer for the County, Floydada, Texas, or may be secured from him upon the payment of Ten Dollars ($10.00).

Bids will be received upon the following type paving:

Brick on reinforced concrete.

Approximate quantities are; 1100 cu. yds. excavation. 7,246 sq. yds. pavement. 1,204 lin. ft. concrete curb.

294tc. TOM W. DEEN,
Clerk of Commissioners Court.

FATHER TIME IS LOSER IN IOWA

Iowa motorists will be saved ten years of travel over uncompleted primary highways.

This saving will be accomplished through the adoption of the proposed $100,000,000 bond issue plan this fall, which amounts to nothing more or less than the injecting of private business methods into the state's business of building roads.

Iowa's annual highway income from motor license fees, gasoline tax and federal aid will average about $15,700,000 for the next six years and about $13,700,000 for the following twenty years. If the annual yearly income were to be applied directly to road building efforts, the present primary system would not be completed for 16 years, or 1944, so declare members of the State highway commission. Under the bond issue plan the present system will be completed in six years and also considerable additions will be made to the primary system and greater progress will be achieved on secondary roads, they assert.

Another striking feature of the plan, which in itself constitutes one of the most important attractions of collective buying as practiced by private businesses, is that Iowa would pay out more money in interest under the county bond issue plan if it were continued than will be meted out under the state bond issue plan. This is for the reason that state bonds will sell with a lower rate of interest than the county bonds.

When Iowa's full complement of primary roads will have been completed, maintenance costs, the bugaboo of most states at present, will be considerably reduced. Iowa is now alloting $3,600,000 for the upkeep of existing highways. In 1934 when the primary system is improved $3,000,000 or $600,000 less, will be ample to take care of all maintenance. This saving will in turn be devoted to the construction of additional first class pavements which will cut upkeep costs even further.

But the thing to remember is this Iowa motorists will not be spending any more money in the form of taxes than they are now and will get in return for their sagacity a complete system of highways that will save them from one to two and six tenths cents a mile in car operation costs. These figures were established in tests by Iowa State College. Conservatively estimating that one tenth of Iowa's 700,000 car owners drive 5,000 miles yearly over rural roads the saving in operating costs would be $4,000,000 each twelve months—if all rural roads were paved. Herein the self sustaining character of first class pavements is apparent—for this saving alone should more than compensate for the interest charge on the $100,000,000 bond issue.

Every going business concern, no matter how successful is selecting the bond issue plan as the best means for the conservation of future income while utilizing this future income today. Current indication are that more states are going to make use of this business principle.

Mr. and Mrs. H. O. Pope and son, Troye, went to Abilene Sunday where Troye will enter McMurray College Mr. and Mrs. Pope returned Sunday night.

Nature Thought of Everything

Nature thought of everything when the human body was made. When the body is about to become ill, nature planned danger signals to warn us. Thus, if our children grind their teeth when they sleep, or lack appetite, or suffer from abdominal pains, or itch about the nose and fingers, we should know that they may have contracted worms. Then, if we are wise, we buy a bottle of White's Cream Vermifuge and safely and surely expel the worms. Thus we avoid the danger of very serious trouble. White's Cream Vermifuge costs only 35c a bottle, and can be bought from Floydada Drug Co.

Gin More Money Into Your Cotton

When your cotton is cleaned and ginned in a way that produces a better sample and a greater lint turnout, with the long fibres preserved, your ginning costs are lower because your cotton has a higher value.

By reason of our modern gin equipment and the knowledge gained through years of successful operation, we are in a position to give patrons an unexcelled service. Whether your staple is long or short, brittle, soggy or sticky, our up to date gin equipment will make it worth more money.

A bale of cotton ginned here is clean and smooth clear through.

Those who are not acquainted with the excellent ginning service we are in position to give, we cordially invite you to ask anyone who has had ginning done here.

We also cordially invite those interested to call and let us show you through our modern plant.

It Costs Money to Run a Bank—

We were talking with a banker the other day.

We asked him, in the course of the conversation, what the biggest item of expense is in conducting a bank.

He said, "Giving service."

And then he explained. "You'd be surprised, how many people issue checks the day before pay day, then deposit just enough the next day to meet those checks. All the bank can hope to get out of such a practice is the privilege of being bookkeeper for those customers. And that privilege costs money."

We have an idea that we, as a community abuse our banking privileges. We don't hear our local banks complaining, but we wonder if it wouldn't be well to consider our individual banking practices. In other words, would we welcome our own accounts if we were the banker?

Exhibits Tell Graphic Story Co. Resources

(Continued from page one)

prepared the exhibit. "Center is the Heart of Floyd County" and very few fair visitors will fail to realize this after viewing the Center community booth. It was prepared by Mr. and Mrs. Olin Miller, Tom Jernigan and the Center school children.

There is no doubting the next exhibit as it can be plainly seen that Antelope is among those present. A drawing of an Antelope covered in grains raised in that community features this exhibit prepared by the ladies of that section. J. B. Allen, principal of the Lone Star school, conceived the original idea of displaying his school sign on the background of his exhibit and did a very artistic job using various grain sorghums for the points in the star and a pie-pumpkin in the center. E. E. Blackwell, principal of the Irick school, with the help of Jeff Fowler and Baylor Byers, was the first community to announce "ready" and has a creditable exhibit of farm products Each of the exhibits have filled the score card called for by the fair officials and will receive the cash prize of fifteen dollars each.

All Clubs Exhibit.

"Our clubs are here one hundred per cent." This was the expression of Miss Blanche Bass, county home demonstration agent, when asked concerning the club exhibits. Each community had completely filled the score card called for by the State Fair and have wonderfub displays of clothing, canning and sewing. The clubs and member in charge are as follows; Sand Hill, Mrs. W. E. Miller; Sunset, Mrs. Bill Harper; Irick, Mrs. J. H. Hanna; Pleasant Valley, Mrs. W. C. Hubbard; Pleasant Hill, Miss Edna Loe; Harmony, Mrs. David Battey; Campbell, Mrs. Geo. Stiles; Providence, Mrs. S. R. Wright; Blanco, Mrs. W. C. Cates; Antelope, Mrs. C. A. Caffey; Roseland, Miss Anna Sims, Lakeview, Mrs. John Loyd; Prairie Chapel, Mrs. Clayton Weathers; Starkey, Mrs. T. E. Assiter.

Mrs. E. L. Angus, in charge of the ladies general exhibits, announced that the space alloted for this display is practically filled. The general agricultural exhibit, in charge of L. B. Dawson, has received enough entries to use more than twice as much space as originally planned for this display. The 4H Club winners have already been decided but not announced Winners in the flower show have been named.

Every inch of space in the two buildings was planned for use according to the management of the fair and the Boy Scouts, Bat Troop No. 43, and the vocational agricultural class of the Floydada High school, are using two of the windows of the building for their displays. The other two windows are occupied by advertisements of Martin Dry Goods Company and the Woldridge Lumber Company.

Pedigreed maize, bought by the business men of Floydada and given to O. T. Williams, agriculture instructor of the local schools, is on exhibit in the finished product by the members of agriculture class of Floydada high. All uniform and of a very pretty color it is a very noticeable exhibit.

PICTURE AT OLYMPIC NEXT WEEK IS REAL NAVY EPIC

Battleships foaming into action in the greatest sea battle of history; 2,000,000 soldiers being carried overseas to France and at home a girl dying a thousand living deaths that the Convoys might sail in safety.

Those are the highlights of "Convoy," Robert Kane's great epic of the Navy, which comes to the Olympic next Monday and Tuesday with an all-star cast headed by Dorothy Mackaill, Lowell Sherman. Buster Collier, Lawrence Gray and Ian Keith

Navy Aided

Produced with the co-operation of the United States Navy, the First National special was hailed in Washington as the film history of the Navy at war, when Joe Boyle, the director took the picture to the Capitol for a government pre-view.

The mobilization of the United States at the outbreak of the war, the methods by which German Secret Service agents were apprerended and the organization of the historical convoy system form a background for one of the most dramatic tales ever put on the screen.

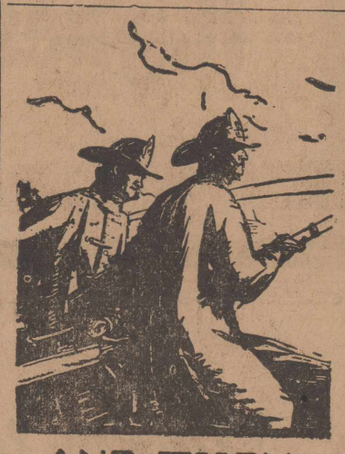

The picture was four months in production, cost over $1,000,000 and engaged the efforts of more than 3,000 actors and extras. Actual pictures of the Battle of the North Sea, with ships sinking, thousands of guns firing and the sea becoming a literal volcano, taken during the war by British, American and German official photographers are featured.

LUNCHEON CLUB HEARS LION CLUB LEADER IN ADDRESS

What action, of any, the club would like to take as regards becoming affiliated with one of the international service clubs was the principal subject of discussion at the Floydada Luncheon Club Monday of this week, in their bi-weekly meeting at the Commercial Hotel dining room. The discussion was brought on by a visit of T. S. Pitman, field representative of Lions International, of Wichita Falls, who pointed out the enlarged possibilities in an affiliated club over that of the club that is operating independently. Joe Breed, A. J. Folley and G. C. Tubbs were named a committee to report at the next meeting of the club, after brief discussion by F. L. Davis, R. E. Fry, Glad Snodgrass, W. E. Patty, O. P. Rutledge, A. J. Folley and Lon M. Davis.

Ed Bishop reported on the trips of the automobile caravan over the county advertising the fair and the pleasing reception it had at every stop. O. P. Rutledge pointed out the desirability of getting business houses to close for Friday afternoon on 'Floydada Day" at the fair, and in the same connection W. E. Patty told of the expected hot contest in football between F. H. S. Whirlwinds and the Idalou Bobcats.

T. S. Pitman rendered a piano solo to the delight of the club and the meeting was closed with the singing of "My Country, 'Tis of three."

Methodist South Zone Has District Meeting

The South Zone of the Plainview District held an interesting meeting at Petersburg Cumberland Presbyterian Church, September 19, with Mrs. Jake Griffith of Lockney, our faithful and efficient zone leader, presiding.

Brother Parr, pastor of the church made us feel very welcome in a few chosen words and led in a gracious prayer.

After the opening song, Miss Anna Carr, president of the society at Carr's Chapel, gave the devitional, using John 15-17 with "Love" as the key note of her remarks.

The following auxiliaries were represented: Floydada, Cone, Carr's Chapel, Lockney, McCoy and Petersburg. Good reports weer heard from the work over the district.

"Love Boxes" were discussed round table and they are to go to home and foreign mission workers.

Mrs. Porterfield, our faithful district secretary, told us of the children's work. It is hoped to build it up by having their societies meet at the same hour that the adult societies meet. Mrs. Jake Griffith and Mrs. Ben Hardy also gave useful suggestions on this subject.

Little Miss Bernice Holt of Petersburg gave us a nice reading, "Forgetting," afterwhich we adjourned to enjoy the bountiful lunch served by the Petersburg ladies. During the hour spent after lunch we visited the new parsonage which is a credit to the work. We found that Mrs. M. P. Hines, the faithful pastor's wife, had not been idle during the summer, but had canned many nice things from their own garden.

Mrs. Ben Hardy gave the devotional after lunch taking the sacrifice of Abraham for her theme, making each one present want to be more faithful and useful in God's Kingdom.

Mrs. J. M. Willson of Floydada told us of the girl's camp work and made each woman grateful we had a woman like Mrs. Delaney to work with our fine girls and anxious to do more for this worth while work.

Mrs. Boyd of Cone told of her trip to Mt. Sequoyah which was enjoyed. Our district secretary next explained the camp fund, how it was proportioned out to the 30 auxiliaries in the district. Mrs. Hardy told of her trip to the camp, making each one wish they too might have the pleasure. Mrs. Hardy next explained the study books.

Cone, Floydada, and Carrs Chapel have written histories of their societies.

Mrs. Ward of Lockney explained how our used magazines may be a blessing to the inmates of the State penitentary at Huntsville by sending them C. O. D. care of Library.

The Petersburg auxiliary gave a pageant, "Stewardship" which was well given and fine.

Lockney was chosen for the next meeting place. We sang Blest be the tie that Binds and were dismissed with prayer by Mrs. Hines.

Mrs. Will Snell, Secretary

Are You Attending The Fair ?

If you are, we hope that you enjoy it. We are glad to have you with us and want you to come back often.

Chances Are--

If you are attending the Fair this week your clothes will be soiled, and will need a good cleainng and pressing "after it's all over." Look 'em over and see if they do.

The best thing to do is to send them to a place where you know that they will be Cleaned RIGHT! That's us!

Hopkins & Fry

TAILORS

Mrs. Mark Martin and little son, Fred, left Sunday, September 16, for Valleyview, where she will spend a month with her parents, Mr. and Mrs. W. M. Slinker. Mr. Martin will go down later for a two weeks visit.

Guests of Mrs. W. C. Boren are her mother, Mrs. Maggie Dunavant of Waxahachie, and her sister, Mrs. Carl B. Reed of McCamey, who will probably spend a month here.
