SAT'DAY NITE IN OL' OZONA entertainers amused and serenaded the crowd with cowboy poetry, stories and songs of the Old West. Entertaining were Ozona's Sheriff Jim Wilson, Craig, Colorado's Ed Stabler, Marfa's Clay Lindley and Sonora's L. P. Bloodworth. The event was held at the high school auditorium July 29 to benefit the library expansion fund.

Stars Shine On Sat'day Nite In Ol' Ozona

Neal Ulmer, Stockman Reporter

Area residents were highly entertained by four men in separate acts at the Sat'day Nite in Ol' Ozona in the Friends of the Library Expansion Fund Benefit at the high school auditorium. Ozona's Jim Wilson, Marfa's Clay Lindley, Sonora's L.P. Bloodworth, and Craig, Colorado's Ed Stabler astounded the audience of about 100 people with poetry, stories and songs of the West.

Ozona's Sheriff Jim Wilson, also known as the Crockett County Crooner, led off the evening of entertainment with a song he wrote with Rick Ferguson titled "Rode to Sonora". Two other songs which involve West Texas weather conditions were "The Wind Don't Blow in San Antonio" and "18 Inches of Rain" (which we wish we had).

Also acting as emcee, Wilson introduced Mertzson native Clay Lindley. Lindley, also known as the Cowboy Nerd, started his act with a humorous poem titled "Wife Wanted". He then told two stories, one about Bruce, snapping turtles and bed bugs. The second story related a tale about his good friend L.P. Bloodworth's brother and a knocking on the door.

Two poems most West Texans would recognize were "A Bird of Praise", a humorous rhyme of the

mighty buzzard and "Woolys" about day working sheep with Snotty Joe. Lindley amused the crowd with several other comical stories one especially funny was the "The Vaqueros" about the Jose brothers. Lindley has several albums out on tape one popular title is "Cowboy Nerds Are People Too".

Sonora's finest storyteller, L.P. Bloodworth, first told a story about his name - L.P. A person who likes to tell truthful historical stories, Bloodworth related the story about Johnny Hamby, a Sonora barber taking a trip to Fort Worth. His last story recounted the facts and persons involved in the feud between a Halbert and a Green. Green was killed by Halbert in front of the Sonora Post Office.

Rounding out the evening's entertainment was master story teller through music Ed Stabler. He opened up his part of the act with "Where Wild Wind Blows". Next he sang of "Tying Knot in Devil's Tail" followed by a song he composed of his short bronco riding career "Bronc Rider's Lament".

Stabler's remarkable guitar work flowed behind the words of "The Leavin' of Texas" and in an instrumental, "Bull Hill Rag". Another song he wrote for a play about the Blackfeet Indians and painter Charlie Russell was titled "Charlie Russell's Hands". Stabler paired with Darrell Arnold wrote a song about water and the "Windmill".

Stabler's rich singing voice carried

throughout his last three songs - "Ghost of Serran Ridge", "Where the Ponies Come to Drink", and "Roll On, Cowboys". Asked back by the crowd and Wilson, Stabler was accompanied by Wilson on the guitar, Lindley with his harmonica, and Bloodworth sang the popular song "Home On the Range". Stabler has released three albums titled "Long Roads, Legends and Lies", "Ponies", and "Partner of the Wind". Both Stabler and Lindley donated 10% of their sales to the Library Expansion Fund.

During intermission a drawing was held for a dinner for two with Ed and Mary Stabler at the Hitchin' Post. The dinner donated by the Hitchin' Post was won by Marie Pierce.

Crockett County Librarian Louise Ledoux said, "We appreciate everyone coming out to the program on Saturday night. If you weren't there, you missed a great evening of entertainment. I want to personally thank all the Friends of the Library for all their hard work in making this a success."

The Library Expansion Fund is one of four propositions put forth to the voters of Crockett County for funding in an upcoming bond election on August 12. Proposition 2 bond funding will provide the library with the needed room to double the size of the building to house the rapidly expanding of books and other materials. It will also eliminate the need for a costly elevator and allow for future expansion and updated resource housing requirements.

New Athletic Policies Approved By Trustees

Members of the Ozona School Board, in a special meeting held on Tuesday, July 25, approved a new athletic goal, objectives and policies for student athletes in Ozona Public Schools this year. The goal, objectives and policies were presented by Walter Hargrove, head football coach and athletic director for the district.

The four-page student athlete handbook that will be distributed to all athletes contains athletic policies concerning student eligibility, conduct, quitting of sports, use of equipment, training rules, missing of practices, travel, off-season sports, college recruitment, conflicts, suspended/expelled student athletes and disciplinary guidelines.

The section on training rules contains a new alcohol-drug policy. The policy states: "If the athlete is issued a citation, not necessarily convicted, but issued, then for the first offense he/she is suspended for three weeks from games (not workouts) and runs 25 miles at the coaches' discretion; for the second offense he/she is suspended for six weeks and runs 50 miles at the coaches' discretion; for

the third offense he/she is suspended for one year and must run 75 miles to return to the program. No more than five miles will be run at a time. The policy carries over from sport to sport, not year to year. If someone not competing in the spring is cited, then their suspension carries to the next sport they compete in the next year. If a coach sees a player using drugs/alcohol or a player admits so, this policy is in effect."

The trustees also approved stipends for campus principals and curricular activities recommended by Superintendent Larry Taylor, coaching stipends recommended by Coach Hargrove, and the employment of Peggy Logan as a second grade teacher in Ozona Primary School this coming school year. Mrs. Logan will take the place of Ellen Lipsey, who moved to Van Horn this summer.

During the meeting, Supt. Taylor presented an overview of the recently-passed Senate Bill 1, and the members reviewed and discussed a proposed district budget for the 1995-96 school year. No school board action was taken during the school budget workshop.

Big Weekend In Store For Ozona

Cooler weather and lots of activity should combine to make Ozona the place to be this weekend. The annual Lions Club Youth Rodeo, a parade, David Crockett Birthday Festival, cowboy church services, music in the park and Jay Miller Memorial Rop-

ing plus two dances, a fun run, community-wide breakfast, lawnmower race, kite flying, Tae Kwon Do demonstration and exhibits are on the schedule. (See elsewhere in this issue of The Stockman) And more is likely to take place courtesy of last minute planning.

According to Nancy Hale, 100 entrants had signed up to compete in the rodeo as of Monday night. This is about the same number as last year, Mrs. Hale said.

Exhibitors and prospective exhibitors who had contacted the Ozona Chamber of Commerce as of Monday are: Jack Black of Big Lake with handmade knives, Cindy Hobson of the Texas Parks and Wildlife who will have an exhibit from the A. E. Word Fish Hatchery in San Marcos, Martha Weatherby of Big Lake with T-shirts, Conrad Hufnagel of Austin with painted/silk screened T-shirts, purses and sunglasses, Carol Richie of San Angelo with clothing and wreaths, J.

A. Lindenberg of Kerrville with hand carved wooden figures (cowboys, animals, Santas), Veronica McClanahan with an assortment of crafts, and from Ozona, Peri Fenton with crafts, Sara Hignight with wooden crafts, clothes, cakes and breads, Patti Jones with jewelry and crafts and Mary and Len Hillman with their photo booth.

An exhibit of photographs of former youth rodeo queens will also be on display at the convention center.

Use of the new building and park facilities adjacent to the rodeo grounds will keep most of the activities in one area.

The rodeo parade will leave from the fairgrounds, circle the square and return to the fairgrounds Saturday starting at 5:30 p.m. Beginning at 5 p.m., a reception for the Texas Clan of Direct Descendants of David Crockett will be held on the square. The Crockett County 4-H Club will sponsor this reception.

Miller Receives Earwood Award

Crockett County native Pierce Miller was awarded the Texas Sheep & Goat Raisers' Association most prestigious honor, the Fred Earwood Memorial Award, at the association's 80th annual convention July 22 in San Angelo.

Miller, a past president of TS&GRA, is currently president of the American Sheep Industry Association and is a former chairman of ASI's Legislative Action Council. He is past president of the San Angelo Stock Show and Rodeo Association and past president of the San Angelo Chamber of Commerce.

Managing partner of VIP Livestock Co., with ranching interests in Crockett and Val Verde counties, Miller raises Rambouillet sheep, Angora goats and cattle. He was chairman of the board, CEO and president of San Angelo National Bank/Texas Commerce Bank, a post he left in 1981 to pursue ranching.

Miller was graduated in 1964 from the University of Texas with highest honors and a degree in finance. He received a master's degree from the Southwestern Graduate School of Banking at Southern Methodist University.

The son of Mr. and Mrs. Eugene Miller, he is married to the former Betty Baggett of Ozona.

Early Voting Ends Aug. 8 In Bond Election

Early voting judge Jean Connor said Tuesday morning that 110 voters had been to the polls to ballot in the bond election. Early voting by personal appearance ends Aug. 8. The election will be held Aug. 12.

The four propositions on the ballot provide for a new annex building, renovation to the courthouse and funds for the public library expansion and for a county services building which will include facilities to provide services to senior citizens.

Football Workouts Start Aug. 9

By Neal Ulmer
Stockman Sportswriter

The Ozona High School 1995 football season opens with athletes receiving their workout uniforms and shoes beginning on Wednesday, Aug. 9, at 5 p.m.

The seniors will receive their clothes from 5 until 5:15 p.m., juniors from 5:15 to 5:30 p.m., sophomores from 5:30 to 5:45 p.m. and freshmen from 5:45 to 6 p.m. There will be a team meeting from 6:05 to 6:25 p.m., and the first workout will start at 6:30 p.m.

Due to teacher work days on Thursday and Friday, football workouts will be from 5 until 6:30 p.m. and 7:30-9 p.m. On Saturday, workouts will be from 10 until 11:30 a.m. and 1 until 2:30 p.m. The athletes will workout in full pads after their first day of classes on Monday, Aug. 14.

Four new coaches have been added to the staff for the upcoming season.

Heading up the 1995 Ozona Lions as athletic director and head football coach is 42-year-old Walter Hargrove. He started his new position in May of this year. Hargrove, a native of Rotan, has been coaching 18 years and coached at Haskell High School the last four years.

Two new assistants joining the high school staff are Alan Phillips and Dane Vickers. Phillips last coached at Haskell and will be an offensive coordinator for the Lions' football team and the head girls' track coach. Vickers last coached at Anson and will coach the linebackers and will be the assistant boys' track coach.

Joining the Ozona schools' coaching staff is James Lopez, a 1995 graduate of Angelo State University. Lopez will coach in the middle school and assist the varsity in scouting. Lopez replaces Lee Gonzales who joins the high school staff, coaching the outside linebackers and as assistant baseball coach.

The Lions, who went 7-2-1 as the 1994 5-2A district champions, will open their season with two scrimmages. The Lions are rated third in the district by Dave Campbell's 1995 Texas Football. They return eight lettermen and six starters (3-3).

Ozona players to watch in the 1995 season are tight end/defensive end Adam Carroll, defensive tackle Bryan Mendez, wide receiver Casey Upham, offensive tackle Steven Montez, quarterback David Browne, tackle Patrick Sanchez and nose guard Albert Flores.

At press time there was no set date or time for the two scrimmages. The first scrimmage will be against the District 11-A Robert Lee Steers. Possible dates for this game are Thursday or Friday, Aug. 24 or 25. The second scrimmage will be the following week on a Thursday or Friday, Aug. 31 or Sept. 1. The Lions open their season on Friday, Sept. 8, with the Reagan County Owls starting at 8 p.m. in Big Lake.

Watch for the exact date and time for the scrimmages in future issues of the Ozona Stockman and call Ozona's Talking Newspaper phone number 392-2447, then extension #129 for sports schedules. For up-to-date information on the sports scores and news, dial extension #127.

VIRGINIA BOX, new administrator at Crockett County Hospital/Care Center (standing) was welcomed with a reception in the hospital waiting room July 27. Pictured with Mrs. Box are care center residents Lois Smith, Bonnie Warth and Hazel McDaniel.

Ballots Forthcoming On Expanded Telephone Calls

The Public Utility Commission of Texas has approved balloting by Ozona citizens to determine the interest in expanded local calling from Ozona to selected cities. Those cities are Barnhart, Big Lake, Eldorado, Iraan, Mertzon, San Angelo and Sonora. Sheffield had also been requested in the petition filed by coordinator Harold Thompson, but the commission's staff recommended that Big Bend Telephone Company Inc.'s request to exempt the exchange be

granted.

Expanded toll-free calling will allow customers in the Ozona exchange to call and be called by customers in these exchanges.

The expanded calling will be granted to each exchange with a yes vote from 70% of the people who actually return their ballots.

Ballots are to be distributed to all telephone subscribers in the Ozona exchange by Sept. 5.

Burglary Trial Ends With 25 Years

Judgement was rendered July 26 in Ozona in the burglary trial of Juan Yruegas Ybarra of Ozona. Ybarra was sentenced to 25 years in the department of corrections following a jury trial for the Sept. 10, 1992 burglary of Jim's Pool Hall.

Ybarra, who was on parole at the time, stole a bag of potato chips, meat patties, a gallon of Vlasic pickles and

cases of soft drinks.

He had been convicted in Crockett County in 1987 and 1983 for burglary of a building and in 1985 for burglary of a motor vehicle.

Credit was given for 807 days spent in Crockett County Jail since his arrest on the 1992 offense.

Judge Paul McCollum of Odessa presided as visiting judge.

Commodity Distribution Aug. 3

Commodities will be distributed Thursday, Aug. 3, at the Senior Citizens' Building from 5 to 6 p.m.

People who are eligible to partici-

pate in the program must not be discriminated against because of race, color, national origin, sex, age, disability, religion or political belief.

Sonora Celebrates Sutton County Days

The annual Sutton County Days will be held Aug. 18-19 in Sonora. For the 20th consecutive year, Sonora will celebrate its western heritage with parades, rodeos, arts and crafts booths, exhibits, children's games and more.

Preliminary events include a luncheon and style show on Aug. 10 featuring Miss Sutton County Days contestants in local fashions at the Cauthorn Memorial Building in downtown Sonora.

Rodeo slack will be at 6 p.m. Aug. 16 and 17 with night performances at 8 p.m. on Aug. 18 and 19.

A cowboy golf scramble is scheduled for 9 a.m. Aug. 18, judging for the county fair will begin at 10 a.m. and the exhibition will be open to the public from 1 until 5 p.m.

The 1995 pioneer families will be honored with a reception at 11:30 a.m. Friday on the courthouse lawn. Every-

one is invited to join in a community box lunch as the George S. Allison and Doroteo Castro families are honored.

A 5 p.m. rodeo parade followed by a barbecue supper continues Friday's events.

Saturday's activities focus around the courthouse lawn with a 10 a.m. autograph party featuring the "Party Animal" of Bad Company Rodeo and Little Miss and Little Mr. Sutton County Days contest. At 11 a.m. the twin fiddlers will play followed by the fiddlers' contest at 12:15 p.m. Children's games will take place throughout the day.

At 2 p.m. the Wild Bunch will sponsor the first Sutton County Days bed race. The gunslinging bunch welcomes teams to challenge them as they push their way into Sonora via beds.

A dance will be held each night.

Gift Coffee Honors Diane Bertelson United Blood Services Counting On Community Support This Fall

Miss Diane Bertelson, bride-elect of Rodney Storms, was honored with a gift coffee July 29 at the home of Beth Scoggins.

Friday afternoon the couple opened gifts to be displayed throughout the home Saturday morning while guests visited and enjoyed a brunch of quiche, assorted muffins, fruit, Orange Julius and coffee. Centering the brunch table was an arrangement of silk flowers given to the bride by the hostesses.

Out-of-town guests included the bride-elect's mother and sister-in-law, Paula Bertelson of Irving and Cari Bertelson of Germany, the prospec-

tive bridegroom's sister, Cathey Carlos and her children, Jennifer, Jordan and Joseph of Comfort, and his aunt, Shirley Feller of Fredericksburg.

Hostesses for the brunch were: Pam Acton, Jewel Bailey, Geniece Childress, Margaret Coates, Mary Ann Deaton, Wanda Dews, Ruth Dorris, Audrey Glynn, Ruth Hester, Donna Hightower, Doris Hood, Lu Ingram, Mae Lay, Lucille Littleton, Diane Luckie, Opal Mobbs, Willa Perry, Jerry Pesson, Bobbie Renfroe, Beth Scoggins, Ann Shaw, Evelyn Thompson, Betty Tumlinson, Tamel West Tumlinson, Darolyn Webster, Alma Wilson and Cookie Worthington.

Pounding Party Fetes Miss Bertelson, Mr. Storms

An old-fashioned pounding in honor of Diane Bertelson and Rodney Storms was held in Willa and Jerry Perry's backyard on July 28.

Guests were treated to a hamburger supper while Rodney and Diane found out what kinds of goodies were in the grocery baskets.

The bride-elect's out-of-town guests included parents Bill and Paula Bertelson of Irving and sister-in-law Cari Bertelson of Germany. Out-of-town guests of the prospective bridegroom were: grandfather Alfred Schmidt of Comfort, aunt Shirley Feller of Fredericksburg, sister Cathey Carlos, niece and nephews Jennifer, Jordan and Joseph of Comfort, and former pastor and his wife, Jim and Kay Gray of Eddy.

Hosting the pounding were: Mr. Marty Acton, Mr. and Mrs. Lonye Cain, Mr. and Mrs. Mutt Carnes, Mr. and Mrs. Chuck Cosper, Mr. and Mrs. Ted Dews, Mr. and Mrs. Lonnie Dorris, Mr. and Mrs. Larry Luckie, Mr. and Mrs. Jerry Perry, Mr. and Mrs. Claude Pesson, Mr. and Mrs. Billy

Dell Renfroe, Mrs. Alma Wilson and Mr. and Mrs. Burl Myers. The couple will wed Aug. 12 in Irving.

Country Club Bridge News

Sophie Kyle won high bridge score for the afternoon July 27 at Ozona Country Club. Other winners included Emma Adams at second high and Eileen Childress and Jonesy Williams, bingo.

Liz Williams was hostess to four tables of bridge.

Other players were: Sandy Bebee, Jane Black, Rachel Childress, Marilyn Cox, Dorothy Friend, Mary Jo Mason, Dorothy Montgomery, Kitty Montgomery, Brenda Smith, Blanche Walker and Winnie Williams.

United Blood Services of San Angelo will soon conduct a mobile blood drive in Ozona for the first time in more than a year, and UBS representatives say they are looking forward to the trip.

Xi Sigma Omega will sponsor the drive, scheduled for Thursday, Sept. 14, from 1 until 7 p.m. at the Ozona Civic Center.

UBS San Angelo voluntarily closed its doors and relinquished its interstate operating license in July of 1994 following an investigation by the US Food and Drug Administration. The center re-opened in January following extensive restructuring and retraining.

"We're working very hard to meet and surpass the standards the FDA has set for us, as well as those we've set for ourselves," said Angie Tyson, UBS Community Relations Representative. "Part of complying to those standards involves modified policies and requirements for our staff and our donors."

Some of the procedural changes include:

DONOR IDENTIFICATION: All donors are asked to provide proper identification. In an effort to purify identification with donor's full name and one of the following: photograph, birthdate, social security number or Blood Services, Inc. donor ID number. A driver's license is a perfect example.

APPOINTMENTS: Mobile drives and in-center collections will be appointment driven so donors may plan their day more efficiently and

UBS may better staff mobile drives. "We know that donors can't always make appointments, so walk-ins are still welcome as long as there's no conflict with a previous appointment," Tyson said.

DONOR INTERVIEW: All donor information sheets will be completed by the donor technician during the pre-donation interview. In the past, donors have been allowed to complete part of the interview themselves. In order to eliminate errors and misunderstandings, the donation record will be completed solely by a trained donor technician.

UBS is working to build the blood donor base to what it was before the center closure.

"We need to draw around 30 donors a day to be able to meet the needs of our area hospitals, and right now that's a struggle. We're all looking very forward to coming to Ozona because the community has historically supported us wholeheartedly. Community support is vital to ensure an adequate blood supply for area patients," Tyson said.

Tyson urges anyone with any questions regarding donation to contact the center at 800-756-0024.

Education makes a people easy to lead, but difficult to drive; easy to govern but impossible to enslave.

Card of Thanks

From the Family of Arnold Gerlach, who is now with God. Words are hardly adequate to express our appreciation to the wonderful, caring people of Ozona for your overwhelming support when we needed you. The last year has been difficult but you were always there for us.

Our heartfelt thanks to Dr. Owensby, Care Center staff and Hospital Staff for your loving care. We deeply appreciate those who attended the Memorial service on Thursday and those whose thoughts were with us.

We are grateful, too, for all the visits, prayers, food, flowers, cards, memorials, hugs and phonecalls especially for us this last week. Your love is our treasure!

Also, thanks to Brother Bill Fuller and brother Jim Carter for your prayers, concern and help. God bless you all!

Personal Earnings Statements Mailed

By mid-June, Social Security will have mailed about four million Personal Earnings and Benefit Estimate Statements to people age 60 and older who have earnings posted to their record and are not already receiving Social Security benefits. The statements are being mailed at a rate of about 900,000 per month, according to Franklin H. Upp of the San Angelo Social Security Office.

These SSA-initiated mailings - required by law - are intended to give workers an idea of what their Social Security benefits will be when they retire and to make sure their earnings are correctly reported. Reported earnings are used to calculate a person's future Social Security benefits.

"Remember, you don't have to do anything when you get the statement, unless you find a mistake in your earnings listed or you want to file for benefits," Upp stated.

The mailings are scheduled according to the person's birth month, beginning with people born in October. For example, if you were born in September, your statement will be in the last group to be mailed.

If you're 60 or older, not receiving Social Security benefits, and don't receive a statement by Sept. 30, call Social Security's toll-free number, 1-

800-772-1213 (anytime, including weekends and holidays) and ask for a Form SSA-7004 (Request for Personal Earnings and Benefit Estimate Statement). You should receive your statement in four to six weeks after completing the form. People under age 60 also may call the same number to request the form.

Beginning in October 1995, and each year thereafter, statements will be sent to people who reach age 60 during the year. Toward the end of the century, Social Security expects to send the statements each year to everyone who is age 25 or older...an estimated 123 million people.

Cake Decorating, Reception Offered To 4-H's

4-H members who want to get a head start on community service for 1995-96, especially those interested in those opportunities for their 4-H foods and nutrition project, can start by assisting with the David Crockett celebration this weekend, Aug. 4-5.

First, 4-H is in charge of making the cake for the birthday celebration, and all interested 4-H members are encouraged to bake a plain 9x13 inch cake (uniced) and take it to the civic center at 10 a.m. on Friday, Aug. 4. There 4-H members will decorate the birthday cake for the youth dance that night.

The second opportunity is for those who might be attending the youth

dance. The cake will be served at the dance, and 4-H's are invited to help. The dance will be at the Fair Park Convention Center on Friday evening.

The third opportunity is helping with the Crockett reception at the park on Saturday afternoon before the parade (4 p.m.) 4-H's are needed to set up a table, prepare and serve lemonade, and greet the Crocketts and other dignitaries.

To participate in and receive credit for any of these opportunities, please call the Crockett County Extension Office at 392-2721. Any 4-H member and parent interested may participate and help their community.

PASTOR'S CORNER

Faith Fellowship
Monty Price-Pastor

West 7th, Iraan - (915) 639-2734
"Skinheads"

By definition a Skinhead is a white male who believes in the preservation of the pure white race. He has taken a vow, shaved his head and believes that Adolf Hitler was almost a god.

Skinheads are militant and devoted totally to their cause. Is there anything wrong with being devoted? Is it wrong to take a vow? Or to shave your head? No, all this is O.K. So where is the problem? It's in the basics. Their devotion to preserving the white race is to the hurt of other races.

Are you a skinhead? Well...I know this is absurd, but do your beliefs degrade or tear down other people? Jesus was a Jew and lived during the Roman occupation of Israel, yet he never preached against the Romans. You see, Jesus was not against this or that...He was for eternal life. Communism has collapsed in Russia not because we were so against it, but because we were so for freedom. Oh, by the way, Heaven will be occupied with some of those Roman soldiers as well as some of those communists because all who call on Jesus will be saved...And yes believe it or not, you will see some skinheads there too!

If you would like a free cassette tape of one of our services, please write us at P.O. Box 103 or give us a call.

Card of Thanks

If misfortune strikes, Ozona is the place to be. When I was burned and in the hospital, you rallied to my need. The prayers, cards and visits uplifted me and helped the time to pass. And the fund to help with my family's expenses while they were with me was another blessing.

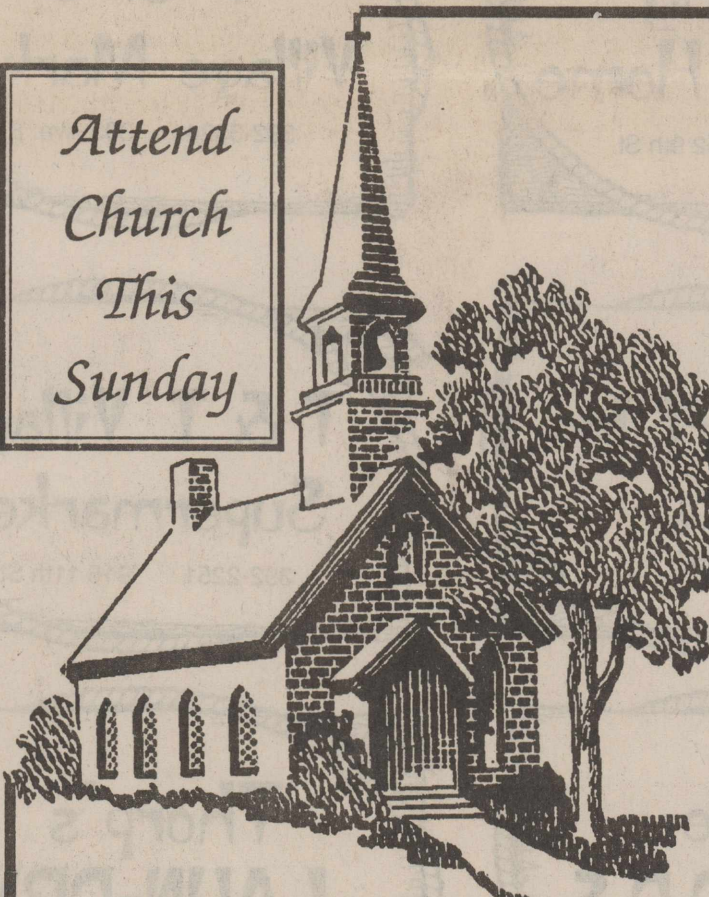

Thank you all for what you did. Your response will never be forgotten.

Arnie Hartman

There never was a good war
or a bad peace.

Controls For A New Millennium

By Dennis J. Prutow

The 21st century and the year 2000 are right around the corner. An explosion of technological growth in computers and communication is taking place. Amazing advances are being made in the fields of medicine and space exploration. The sky really is the limit when we look at possible advances looming before us.

Will personal growth in the areas of morals and ethics keep pace with technological growth? Many ethical questions are already being asked. What about frozen embryos? Are they property? Are they human beings? Litigation answers these questions. As we compete in the game of life, we must grow as individuals if we are going to be prepared for the turn of the

millennium.

This is why the Bible is important. It gives solid counsel. Here is a word of wisdom. "Everyone who competes in the games exercises self-control" (1 Corinthians 9:25). We know this is true. Anyone who enters a race like a marathon must go into strict training. Self-control is essential. What about the AIDS epidemic? Are condoms the answer? Can condoms protect young minds and hearts? Is old fashioned self-control the better solution? The answer is obvious. We teach our children self-control so they can train for and compete in athletics. We also need self-control for the game of life. Growth in the area of self-control is an absolute must.

Extension Connection

By Tedra Ulmer, County Extension Agent
"Texas Agricultural Extension Service"

New Hormone Promising In Weight Control

A new hormone promises some help in weight control - in the future. According to researchers here in the U.S., a newly discovered hormone, Leptin, may hold some hope for those who are morbidly obese.

You may have read about another recent discovery - of a fat-producing gene in mice - which indicates that about 30% of our weight-gaining tendencies are probably genetic. Environment - that is, diet and exercise - determine the majority of our body's fat-storing capability.

Using mice with the "fat gene", researchers found that a hormone also found in humans, when injected, caused the fat mice to eat less and exercise more, thus raising their metabolism. Great for the mice - they can live in smaller holes. But what about us non-rodents?

The researchers say they have a long way to go in proving efficacy and safety. However, they believe that daily injections of the hormone could have very similar effects in humans.

However, note the words "daily injections". They have found that the mice gain the weight right back when the hormone treatments are stopped. This means, probably, that the human treatment will only be available or suggested for morbidly obese persons - those who are at serious risk because of overweight.

They also predict at the least 3-5 years before the treatment will be available for humans - if it is proved

safe and if it is shown to work.

What does this mean to you and me? First, the same old rules still apply. Eating a balanced diet with the proper number and sizes of servings from each food group, limiting fat intake, and getting the right amount of exercise is what works in weight loss.

There are no miracle drugs you can take over the counter which will miraculously "burn the fat off while eating all you want". Nope. Nada. There is no one exercise machine that will miraculously make you look like Cindy Crawford. Never. It still takes work and planning, so save your money on those "quack" weight-loss products and don't fall for false advertising.

What can you do? Start by calling 392-2721 for some research-based information. Do you know what the food pyramid is? Do you know how many servings a day you should eat from each food group? Learn the basics on diet and exercise through Extension publications.

For more information, call the Crockett County Extension Office or come by - we're located on the second floor of the courthouse annex. Educational materials and programs conducted by the Texas Agricultural Extension Service are available to everyone, regardless of socioeconomic level, race, color, sex, religion, national origin or disability.

Children Should Learn There Are No Bad Foods

Children should learn there are no "bad" foods, only bad eating habits, says a nutritionist at the USDA's Children's Nutrition Research Center.

Instead of banning certain foods, parents can teach their children to make wise food choices by including them in menu planning, grocery shopping and meal preparation.

"It involves more effort, but parents should think of it as an investment in their children's health," said Dr. Corinne Montandon, an assistant professor of pediatrics at Baylor College of Medicine.

Montandon said meal planning does not have to be an elaborate undertaking. "Begin by offering your children healthy choices: 'Do you want chicken or fish, broccoli or green beans, custard or fruit?'" she said.

"Challenge them to come up with their own suggestions and try to honor as many as possible," she added.

Montandon encourages parents to use the new USDA Food Guide Pyramid when menu planning.

"The food pyramid outlines what to eat each day and helps children visualize the food groups," she said. Eventually, children will become more involved in planning their snacks, many family meals and even weekly menus.

Once the menu has been planned and a shopping list completed, children are ready for a trip to the grocery store, where they can help pick out vegetables and fruits, whole-grain breads and cereals and their favorite yogurts. Choosing groceries with your children is a good way to discuss which foods are healthy and why, Montandon said.

When selecting prepackaged or canned products, parents can set an example by reading labels.

"Children will soon learn that labels provide information that can help them make healthy choices. Labels will tell them the amount of fat, salt and sugar in a product as well as serving size and number of calories," she said.

Montandon believes children are more likely to try new foods if they have had a hand in preparing them.

It is important to match a child's

ability to the task, she said. Toddlers can pour pre-measured ingredients into a bowl and wash vegetables, while pre-schoolers can stir ingredients, toss salads and snap beans. Older children can peel vegetables and prepare many easy-to-follow recipes.

"Eating patterns are established early in life. If we teach our children to value good nutrition and make wise food choices, they will enjoy a lifetime of healthy eating," Montandon said.

IMMUNIZE YOUR LITTLE TEXAN BY TWO SHOTS ACROSS TEXAS SHOTLINE

Q. What are the complications of childhood diseases like measles, mumps and whooping cough?

A. Childhood diseases are definitely not child's play. Measles can cause pneumonia, deafness, brain damage or death. Rubella or German Measles is a mild illness for children, but a pregnant woman who gets it may lose her baby or give birth to a child who is deaf, blind or has brain damage. Mumps can result in an inflammation of the brain or spinal cord. Diphtheria kills one of every ten to twenty people who get it. Whooping cough (or pertussis) can cause pneumonia, convulsions or swelling of the brain (encephalitis). Tetanus (or lock-jaw) kills four of ten people who get it. Hib causes meningitis (inflammation of the lining of the spinal cord and brain), resulting in brain damage or death. Hepatitis B is a serious disease that can lead to liver cancer, cirrhosis and death. And there is no cure for polio, which can cause permanent paralysis of arms or legs.

For information on free or low-cost immunizations in your area, call the Texas Department of Health and Shots Across Texas Shotline at 1-800-252-9152 or write Shots Across Texas, Immunization Division, Texas Department of Health, 1100 W. 49th Street, Austin, TX 78756.

Out and Around with Judy Reagor

Melinda and Emiliano Valdes and son Junior have been to Monterrey, Mexico, for a recent vacation. While there, they visited the Alfa Culture Center, Garcia Caves and the beautiful "La Cascada Cola de Caballo", which means horsetail waterfall.

Rick Bird has returned from Las Vegas, NV, where he attended the Bergen Drug Company convention. Rick reports that he stayed at the M.G.M. Grand Hotel and had a good time in Las Vegas; however, he realized he was too tight to be a gambler!

Duane Childress and daughter Melissa were here visiting family and friends.

Jim, Kay and Linda Gray and friend Mary of Eddy visited friends here. Jim is the former pastor of First Baptist Church in Ozona.

Kim and Rod Miller have been on a recent trip to Corpus Christi.

Opal Mobbs has been attending a suicide workshop with the EMS.

Visiting Pauline Johnson is her sister, Fay Graf of Sacramento, CA.

Kay and Dee Keilers returned last week from an exciting trip to New Mexico and Colorado, traveling by train, plane and automobile. Their excursion included riding the narrow-gauge steam railroads from Antonito, CO, to Chama, NM, and from Durango to Silverton, CO. They also went to Creed, CO, and the headwaters of the Rio Grande as well as to Taos and Albuquerque, NM.

Karen Freeman and sons James and Justin of Cuero returned home Saturday after a visit with her mother and step-father, Mary and Len Hillman. The Freemans arrived in Ozona last Wednesday to attend memorial services for her grandfather, Arnie Gerlach. Mr. Freeman and son Dennis Jr. were unable to attend.

The John R. Hunnicutt have been enjoying a visit with granddaughter Lacey Hunnicutt and grandson Drew Simmons.

Stockman Deadline for news, display and classified ads is MONDAY AT 5:00 P.M.

Card of Thanks

To all of those who brought food, flowers, sent cards and came to the funeral of Dub's daddy, we are very grateful and thankful to you - especially Calvary Baptist Church family and pastor. I read somewhere that what you leave behind when you leave this world is the most important thing you have to give - that special part of yourself that you have given to others.

We love all of you out there.

T.K., Dub, Granddaddy Parisher, Tooter, Dugan and Mr. O'Bryant's Family

Good Dental Care Now Can Save Teeth And Dollars Later

There's good news and better news about dental care. Recent advances in oral health procedures mean that dentists can often cure oral diseases in relatively painless fashion. Now they can sometimes prevent toothbrushers' worst enemy - cavities. The United States government wants half of all children to get a cavity sealant by the year 2000.

Prevention of cavities can curtail more serious oral health problems in the future, says Dr. Douglas Sinn,

chairman of oral surgery at UT Southwestern Medical Center at Dallas. Unfortunately, a large number of children and senior citizens, the groups most often affected, don't get necessary dental work because of the cost. Sinn says dentists and oral surgeons encourage Americans to find out more about the benefits of the sealant and other preventive tools in order to head off the threats posed by oral disease and possibly save money in the long run.

This Variety Of Cactus Is About To Disappear.

END
OF GAME
NOTICE

So grab a Cactus Cash ticket while you still can. The game's official closing date is August 1, 1995. But you can redeem winning Cactus Cash tickets until January 28, 1996. To play Cactus Cash, just scratch off the play area. Look for three cacti in a row, column or diagonal, and win the prize listed in the prize box. Up to \$1,000 instantly. Prizes of up to \$100 can be redeemed wherever you see the Texas Lottery sign. The top prize must be claimed at one of our 24 Texas Lottery claim centers, or by using a claim form available at any Texas Lottery retailer. If you have any questions, please call the Texas Lottery Customer Service Line at 1-800-37-LOTTO. They'll help you if you're stuck.

Overall odds of winning, 1 in 482. Must be 18 years or older to play. ©1995 Texas Lottery

11	42,991	61,180	3,585	5,100	827	1,180
12	46,319	65,916	3,863	5,495	891	1,272
For each additional family member add: + \$ 3,328 + \$ 4,736			+ \$ 278	+ \$ 395	+ \$ 64	+ \$ 92

Children from households whose income is at or below the levels shown are eligible for free or reduced-price meals.

Application forms for the National School Lunch and Breakfast Program will be distributed during student registration on August 2-4 at the district's four schools.

In the operation of child feeding programs, no child will be discriminated against because of race, color, natural origin, age, sex, or handicap. If you believe you have been discriminated against, write immediately to the Secretary of Agriculture, Washington, D. C. 20250.

Disability Benefits For Widows/Widowers

Important disability protection under Social Security is available to one of the most vulnerable groups in the economy--homemakers who devote their lives to raising a family and have not acquired enough work credits under Social Security for disability coverage. The protection is available on the basis of the work of the deceased spouse and means that widows, widowers and surviving divorced spouses between 50 and 60 who become disabled are not without disability insurance.

A recent change in the law makes this protection available to more people by permitting them to work and earn more money before their work would disqualify them for benefits. Now a disabled widow or widower can earn up to \$500 per month--the same amount used for disabled workers--before the claim is reviewed to determine if benefits will continue. Before, any amount of earnings indicated that the applicant could work. To qualify for disability benefits, a widow or widower must be at least age 50 and the disability must have started before the worker's death or within 7 years of death. A widow or widower caring for minor children of the worker may qualify for disability benefits before age 50 if she/he becomes disabled while still caring for those minor children or within 7 years after those "child care" benefits end.

It's important to note that, even if the marriage ended in divorce, benefits may be payable if the marriage lasted at least 10 years.

Homelessness has also focused attention on this type of protection. Many homeless individuals are men-

tally disabled and if they cannot qualify for benefits on their own work, they may be able to do so on the basis of a deceased spouse.

For additional information, call Social Security's toll-free number, 1-800-772-1213, business days between 7:00 a.m. and 7:00 p.m.

White gold is made by mixing gold and palladium, a soft white metal that's a form of platinum.

Parents Can Make School Exciting

A child's first day of school can be an "A+" if parents do a little homework of their own.

"A parent's attitude about school plays a big part in how the child accepts this new responsibility," said Dr. Lou Ann Mock, a child psychologist at Baylor College of Medicine in Houston. "Put aside any anxieties you may have about your own school experience."

Mock encourages parents to build excitement about the first day by emphasizing that school is the beginning of a wonderful adventure.

"If your child has been in day care, make clear that this change is a real accomplishment and that now they are grown up enough to go to 'real' school," she said.

However, children may have concerns about this new experience.

Rather than make assumptions, Mock says, ask if the child has any questions about going to school. "The concerns may be as simple as wondering where the bathroom is or what will happen if they get sick at school," she said.

Mock suggests the following techniques to prepare a child for the big day.

- Visit the school during the summer.

- Begin the appropriate bedtime and wake-up schedule a week or two in advance.

- Figure out the best morning routine.

- Let your child pick out first-day clothes and lay them out in advance.

Get up earlier on the first day, so the morning will not be rushed. Go to work a little later that day, Mock said. "This will put less pressure on you."

She encourages parents to make the first-day separation go as quickly as possible. Parents can always call the school later to make sure all is well.

At the end of the day, Mock recommends a family celebration with the child picking a favorite meal or restaurant.

"Be encouraging and supportive as your child takes this important step into the world," she said.

Library News

LAWNMOWER RACES

It's that time again! Time to bring those souped up mowers to the 3rd Annual Race for the Gold Lawnmower. The race will be held August 5th, during the David Crockett Birthday Celebration, so get your mowers in race tune to take the title from Keith Olive, reigning champion lawnmower racer.

Circle Bar Cable TV and Circle Bar Motel are our 1995 sponsors, and there will be great prizes for the winners.

The rules are simple:
1. Entrants must be 16 years of age or older.
2. Entrants must have a riding lawnmower.
3. Entrants must be ready to RACE!

Male and female racers are welcome, and the entry fee is \$5.00.

Starting time is 8:30 AM Saturday, August 5, at the Rodeo Arena Park Raceway.

There will be Toy Lawnmower Races for the little ones. Kids can run an obstacle course and race for prizes with toy lawnmowers!

An inexpensive lunch will be available, prepared by the Lions Club; and the famous Library watermelon slice booth will be open.

Spectator admission to the Raceway will be by donation to the Friends of the Library Building Expansion Fund.

It is all part of a super David Crockett Birthday Celebration. Great fun for a great cause.

Be there!

COWBOY SONGS, PICKERS AND GRINNERS

July 29th, a large crowd rewarded itself with a night of music and great storytelling at "Sat'day Nite in Ol' Ozona".

The Friends of the Library want to thank Jim Wilson for putting together the program. Clay Lindley flew in from Marfa to share his humorous tales of Woolies, the Jose Brothers, and cowboy nerds. Sonora native L.P. Bloodworth gave exciting glimpses into local history with tales of feuds, gunfights, and colorful characters. Coloradan Ed Stabler highlighted his show with his wonderful songs of the West and beautiful guitar artistry.

Marie Pierce won the raffle for a dinner donated by the Hitchin' Post.

Mr. Stabler & Mr. Lindley had CDs and cassettes of their music for sale, and 10% of their sales went to the Library Expansion Fund.

All proceeds benefited the Friends of the Library Building Expansion Fund.

The Friends want to thank KHOS Radio for their radio advertising campaign, and the High School for the use of the Auditorium. My personal thanks to all the Friends of the Library who worked hard to make this program a success.

The Library is receiving new reference resources for the upcoming school year. Additionally, many new books on tape are available.

Louise P. Ledoux
Crockett County Librarian

Depression Treatment Requires Regular Check-ups

People who are treated for and recover from depression often believe that they are cured for life - and most people are. But others fall victim to recurrent depression, an episode or episodes of depression that occurs in later years and may or may not be connected with life events, says Dr. Robin Jarrett, associate professor of psychiatry at UT Southwestern Medical Center at Dallas.

Jarrett, a psychologist who spe-

cializes in depression research and treatment, stresses that persons who have recovered from major depression in the past should pay special attention to their mood changes, sleep patterns, eating patterns and other symptoms of depression. If they have any doubts about the way they are feeling, they should see their physician or mental health professional for a depression "check-up".

Band Rehearsals Begin August 7

Summer rehearsals for the Ozona High School Band start Monday, Aug. 7, at 6 p.m. All high school band students, with their instruments, will meet in the band hall at that time. Practices will be held each Monday, Tuesday and Thursday evening until the end of the month.

The manner of giving is worth more than the gift.
—Peter Corneille

Time To Register For New 4-H Year

It's time to register for 4-H. Every member must complete a new enrollment form for 1995-96. These forms are available from the County Extension Office in the courthouse annex next to the courthouse.

Projects and activities offered range from livestock to foods, babysitting to method demonstrations and skits. 4-H is more than just "cows and cooking" in the 1990's.

County 4-H Coordinator Tedra Ulmer stressed the necessity of signing up. "When we begin new projects and activities, we send out notices. If you're not enrolled and on our mailing list, you won't get a notice," the agent noted.

She continued, "With approximately 200 4-H members in the county, we can't personally notify each one, and we depend on our members and parents to read their mail and check the newspaper for announcements."

4-H members enjoy many different activities ranging from camps to dances to educational projects. 4-H builds self-confidence, responsibility, critical thinking skills, "and many of the skills needed for a successful student and adult," said Ulmer. She added that 4-H is a "family affair", with parents encouraged to work alongside their children.

4-H need not be expensive. There are projects and activities for every-

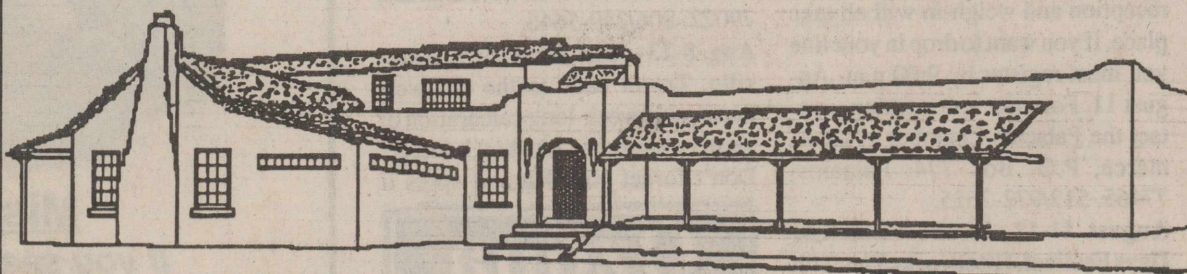

one's pocketbook. Special scholarships for trips and camps are also often available for those who need financial assistance. "There is a way to participate for anyone who wants to," says Ulmer.

Scholarships are an end product of an active 4-H career. Since 1988, 4-H members from Crockett County have received at least \$125,000 in 4-H and related scholarships. "This is due not only to the fact that we have a lot of very good students who do well in school, but also to the leadership and citizenship activities that these 4-H members participate in during their time in our organization," said Ulmer.

To find out more about 4-H, contact Ulmer or County Extension Agent - Agriculture Billy Reagor at the Crockett County Extension Office, 392-2721. Educational programs and activities sponsored by the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or disability.

Lone Star Events

The following events are just a few of the many entertaining activities taking place across Texas. Dates are subject to change without notice. For a free 272-page Texas State Travel Guide, call 800/888-TEX. To speak with a professional travel counselor, call 800/452-9292. For information on these and other events, call 512/462-9191. TDD-512/320-9698.

Aug. 4-6—Houston International Jazz Festival, Houston: A sure fire way to beat the summer heat is to chill out with some cool Gulf Coast jazz. Jazz Education, Inc. presents this growing festival headquartered at the Omni Houston Hotel. The festival features a free outdoor concert on Saturday and the "Poolside Jam Session" on Friday, as well as the special Sunday Mayor's Jazz Brunch. Artists hailing from Sweden, Japan, Brazil, and Germany join Texas jazz musicians in their celebration of jazz music. For more information, contact Richard Dabon, P.O. Box 8031, Houston, 77288. 713/227-8706.

Aug. 11-12—Fish Fest, Palacios. Anglers of all ages will be trying to hook the biggest fish during the 13th year of this annual tournament. Contestants could bring home more than dinner with prizes ranging from \$25 to \$250 in individual and family categories. The popular Captain's Reception will be held on Friday night. The Fish Fest will be headquartered on East Bay, where registration, the reception and weigh-in will all take place. If you want to drop in your line you must register by 9:00 p.m. August 11. For more information, contact the Palacios Chamber of Commerce, P.O. Box 774, Palacios, 77465. 512/972-2615.

August 11-12, 18-20—Good Ole Days Festival, Hitchcock. This 24th annual event is kicked off by the Good Ole Days Barbecue Cookoff, with nearly 100 teams competing to cook the most mouth watering brisket, ribs, and beans. Country music entertainment rounds out the weekend. The second weekend features a carnival, arts and crafts booths, a wide variety of foods, and live entertainment. Tejano, Cajun, Country,

Rock, and Jazz music will all be featured. With parades, canoe races, pageants, and games, there will be enough to keep everyone occupied. For more information, contact the Hitchcock Chamber of Commerce, P.O. Box 389, Hitchcock, 77563. 409/986-9224.

Panhandle

Aug. 1-5, 7-12, 14-19—"TEXAS: A Musical Drama," Canyon. The 30th season of this Panhandle tradition promises to continue exciting its audiences. Staged in Pioneer Amphitheatre in breathtaking Palo Duro Canyon, "TEXAS" features horses, cowboys, Indians, covered wagons, a surrey, and a real train to help tell the tale of the creation of a new railroad and Texas town. For more information, contact Mary Allison, Texas Panhandle Heritage Foundation, P.O. Box 268, Canyon, 79015. 806/655-2181.

Aug. 3-5—XIT Rodeo and Reunion, Dalhart. Honoring the world's largest fenced ranch and its old-time ranch hands, this 59th annual reunion features amateur and junior rodeos. There will be a free stew feed, street parade, and the world's largest free barbecue, promising "enough grub for 20,000 plus." Many more activities await and the music will be energetic, so saddle up and head 90 miles northwest of Amarillo. For more information, contact the Dalhart Area Chamber of Commerce, P.O. Box 967, Dalhart, 79022. 806/249-5646.

Aug. 8-13—Old West Days, Amarillo. Travel back to the old west during this week-long celebration of western spirit and cowboy heritage. Don't forget your hat and spurs if

you want to join the citizens for the Old West Days' Dress-up Contest. It will be like walking back in time as the townspeople sport their finest cowboy and cowgirl duds. Cowboy poets will also be there to bend your ears with their western verse. A rodeo, barbecue and chili cookoff, and folk festival add to the week's fun. For more information, contact the Amarillo Civic Center, P.O. Box 1971, Amarillo, 79186. 806/378-4297.

Aug. 13—Grandma's Sunday Dinner, Truscott. Strangers are always welcome at this monthly dinner cooked by grandmas. However, it is hard to remain a stranger in this friendly down-home environment. The money helps support the local community center, an old drug store with pressed tin ceilings. The meal is served buffet style and features plenty of everything. Second helpings are encouraged, but be sure to save room for dessert. Chocolate pies and cakes are a staple. Remember, in the country, dinner is served at noon, so show up promptly by 12:30 p.m. For more information, contact Grandma's Sunday Dinner, HCR 1, Box 716, Truscott, 79260. 817/474-3288.

Central Texas

Aug. 11-12—18th Annual Lampasas Quilt Extravaganza, Lampasas. The City of Lampasas is blanketed with all styles of quilts for this yearly event. There are quilts for all tastes,

ranging from the antique to the contemporary. This year, there will be a special doll-themed collection on display, featuring traditional Dutch doll bedspreads and doll-adorned calendar quilts. The quilt exhibits are hosted at several locations around the city, allowing for a convenient and attractive city tour. The museum, county courthouse and a bed-and-breakfast all get into the act. Vendors will be on hand to sell their unique quilts and a beautiful antique quilt will be raffled off by the museum. For more information, contact the Lampasas County Chamber of Commerce, P.O. Box 627, Lampasas, 76550. 512/556-5172.

Aug. 11-13—Lakefest Drag Boat Races, Marble Falls. Last year these races were the largest in the U.S., with 151 boats and approximately 20,000 spectators. This year promises to once again provide lots of high speed action with the boats racing at speeds of more than 200 mph. A unique aspect of the races is the Drag Boat Pit Area that lets visitors talk to the crew and drivers, and see the boats up close as they prepare for the race. In addition to the boat racing excitement, there will be exhibits and food on the shore. Friday and Saturday nights offer live music and dance. For more information, contact the Marble Falls/Lake LBJ Chamber of Commerce,

801 Hwy-281, Marble Falls, 78654. 800/759-8178.

Aug. 19—Downtown Discovery Days Celebrating 75th Anniversary of Women Voters, New Braunfels. Let women vote! This rallying cry will be heard throughout downtown New Braunfels as the women's suffrage movement is celebrated. Various groups will participate in a reenactment of the suffrage movement, progressing from a Victorian style turn-of-the-century appearance to 1920, the year women won the right to vote. A parade featuring classic cars, protesters, as well as supporters of the cause will lead the event through downtown. Box lunches will be available and downtown merchants will sell posters and other nostalgic items. For more information, contact the New Braunfels Convention and Visitors Bureau, P.O. Box 311417, New Braunfels, 78131-1417. 800/572-2626.

Aug. 24-27—107th Gillespie County Fair, Fredericksburg. The oldest, continuous county fair in the state of Texas begins its 107th year with the crowning of its queen. The excitement of pari-mutuel horse racing occurs Friday through Sunday. Just as one would expect, this old-

fashioned country fair features live music, livestock judging, arts and crafts booths, and a carnival midway. Traditional fair food, like funnel cakes and corn dogs, will be available. For more information, contact the Gillespie County Fair and Festivals Association, Inc., P.O. Box 526, Fredericksburg, 78624. 210/997-2359.

East Texas

Aug. 5—First Saturday Festival, Cleveland. This small, charming town welcomes the first Saturday of each March through December with an arts and crafts fair, and August is no exception. Visitors will enjoy watching a blacksmith create customized wrought-iron pieces and observing glass blowers make vases right before their eyes. Jewelry is a popular sale item. Traditional Texas barbecue is a festival standard and is complemented by an assortment of Tex-Mex dishes, hot dogs, and funnel cakes. For more information, contact the Greater Cleveland Chamber of Commerce, 222 S. Bonham, Cleveland, 77327. 713/592-8786.

Willard Named Executive Secretary Of TSGRA

Zane Willard, 24, has been named as executive secretary of the Texas Sheep & Goat Raisers' Association, replacing retiring Sen. Bill Sims. His appointment by the TS&GRA officers was officially confirmed at the 80th annual convention in San Angelo July 20-22. Sims served as executive secretary of the association for 29 years.

Willard, son of Ervin and Wanda Willard of Uvalde, graduated from Texas A&M University in 1993 with a degree in agriculture economics. Prior to joining the TS&GRA in 1994, he served an internship with Congressman Charles Stenholm and as an administrative assistant to Dr. John

Abernathy, resident director of the Texas Agricultural Experiment Station in Lubbock, coordinating Agriculture Summit meetings across the state. The purpose of the summits was to unite stakeholders from agri-business, environmental interest groups and consumers, as well as local, state and national elected and government officials.

In taking over the reins from Sen. Sims, Willard's primary responsibilities will include working with producers and wool and mohair warehouses and assisting the officers in coordinating Texas' promotion and legislative efforts with programs on the state and national level.

Five Plants That Survive Texas Heat

The summer heat tends to burn up a lot of plants. But there are five flowers that do well in the Texas heat. All start with the letter "P", and Extension horticulturist Doug Welsh says one of them is periwinkles. The hot nighttime temperatures, coupled with very little rain, makes conditions perfect for planting them now.

There's also a relatively new plant that can take the place of periwinkles. Welsh says Pentas are a little hardier, but need to be planted in the spring. They come in red and pink and look like a verbena.

The third "P" is Porchulaca, commonly called the moss rose, and it is a low ground cover, which also is planted in the spring. So is Perslain, which puts on big blooms. It's also called the Dolly Parton flower because it blooms from nine to five, while most people are at work.

The fifth "P" is Plumbeo. It is one of the few flowers that puts on a blue bloom. It's also the only perennial on the list. Welsh says these hardy plants can be found in most nurseries and garden centers and will add color to your yard through October.

Quitting Smoking Can Speed Healing

HOUSTON - Smokers who quit smoking - even temporarily - heal faster from wounds and surgery.

A study at Baylor College of Medicine in Houston used nicotine patches to measure the difference in blood flow in people who underwent hand surgery. Researchers learned more about how nicotine from inhaled smoke affects nerves and constricts blood vessels leading to the incision.

"Each time nicotine entered the nervous system, blood flow was significantly restricted at the site of the surgery," said Dr. David Netscher, a plastic surgeon.

Insufficient blood flow can cause the skin to slough, a term used for improper healing and eventual death of the tissue.

But the restrictive effects of smoking on blood flow are short-lived. A smoker who ceases smoking when a wound or incision is made will see the risks for complications drop significantly.

Crockett County Sheriff's Report

SHERIFFS REPORT WEEK ENDING 8-1-95

ARRESTS:

7-26-95...23-year-old John Payne of Ozona was arrested on charges of public intoxication. He was later released after pleading guilty and paying his fine.

7-27-95...23-year-old David Chaves of California was arrested on a warrant charging him with disorderly conduct. He was tried in JP Court and found not guilty. Chaves was released from custody.

7-31-95...34-year-old Jose G. Maldonado of Ozona was arrested on charges of driving while intoxicated and traffic offenses. He is in county jail unable to post bond.

7-31-95...22-year-old Eric Wilson

and 23-year-old Lasean Merricks, both of Louisiana, were arrested on charges of possession of marijuana and possession of a controlled substance. Both are in county jail awaiting arraignment. The cases will be tried in district court.

7-31-95...23-year-old John Payne of Ozona was arrested on a warrant charging him with criminal trespass. He was later released on bond. The case will be tried in county court.

INCIDENTS:

7-30-95...David Pratt of Florida reported the theft of a spare tire and rim from his truck. The offense was reported at the truck stop, but it is unclear if it actually occurred there.

CFSA News

By Laurie Hale

Crockett County has been declared a natural disaster area due to recent drought. Natural disaster designation gives the FmHA (Farmers Home Administration) emergency loan authorization. Ranchers who would like more information on the loan program should contact FmHA in Eden at 915-869-3941. A Farmers' Home representative is in the Crockett County CSFA office the fourth Thursday of the month from 10:30 a.m. until noon. We have copies of

loan information available in the office for anyone who would like a copy.

The Texas Department of Agriculture also has financing available to producers who are in counties with natural disaster designation. Information and phone numbers are available in the Crockett County CFSA office.

Producers who have sold wool, mohair or unshorn lambs need to bring in sales receipts so we can keep up with them. Head counts, shearing dates, freight and purchases should be on the sales receipt.

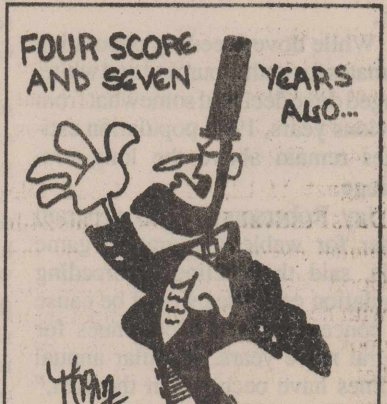

Shipmates Sought

The Texas chapter of the LST Association is looking for LST and all amphibious shipmates for reunion with old shipmates. The next reunion will be held in Brownsville Oct. 12-14.

For more information, contact Bob Garner LST 461, HC 52 Box 362, Hemphill, TX 75948, 409-579-3732.

When a man is once in fashion all he does is right.

—Lord Chesterfield

Abraham Lincoln delivered the Gettysburg Address four months after the historic Civil War battle was fought.

Sunburn Poses Skin Cancer Risk

Some 400,000 new cases of skin cancer, the most common form of human cancer, will be diagnosed in the U.S. this year. Most of them, recent studies conclude, will be the result of repeated overexposure to the sun. And as might be expected, because of the state's climate, many of the patients will be Texans.

Dr. Clift Price, Texas Department of Health Associate Commissioner for Personal Health Services, said, "Texans, used to outdoor work and recreation, sometimes fail to realize that the temporary discomfort of a sunburn is not as serious as the permanent radiation damage that goes unnoticed, sometimes for years. Some people think of sunburn as an annual ritual they have to live through in order to get a glamorous tan."

Dr. Price warned that the repeated ill effects from the sun are cumulative. "It is as if each person has an individual tolerance for how much of the sun's ultraviolet light he or she can stand in a lifetime," he explained that children and older people, especially those with light skin, generally have a lower tolerance to overexposure than those with dark skin. "But even dark-skinned people have their limits," he said.

People should watch for warning signs of skin cancer as they grow older, since the likelihood of skin cancer increases with age, he said. Warning signs include a sore that does not heal or any unusual skin condition, such as a change in size or color of a mole or birthmark.

The American Cancer Society recommends a monthly skin self-examination. Use a full-length mirror and hand mirror to study the whole skin carefully for overall condition and tiny changes, including the skin of the scalp and between the toes. Any noticeable change warrants a medical opinion.

To reduce the risk of overexposure to the sun, Texans are strongly advised to:

*Wear protective clothing, including hats, long sleeves, even gloves.

*Choose — and use — sunscreens which are best suited to skin sensitivity. Apply a waterproof sunscreen (rated 15 or higher) at least an hour before going into the sun, and reapply after swimming or heavy perspiration.

*Avoid sun exposure between 10 a.m. and 3 p.m., when the sun's ultraviolet rays are most intense.

*Do not use sun lamps or tanning pills.

*Be especially cautious of sunlight

when using prescribed drugs, since some tend to increase the skin's light sensitivity.

"These precautions and common sense can help most people to avoid skin cancer. And if they do develop skin cancer, they will discover the condition early if they routinely examine themselves," Dr. Price said.

He added that with early detection, most cases of skin cancer can be completely cured.

For more information, contact Dr. Clift Price, Associate Commissioner for Personal Health Services, at 512/458-7321; or Margaret Wilson, Public Information Coordinator, Public Health Promotion Division, at 512/458-7405.

If a thing is worth doing, it is worth doing badly.

1995 - 1996 DOVE HUNTING ZONES

Dove Regulations Adopted By TP&WC

Texas dove hunters can look forward to a second consecutive 60-day season and 15-bird daily bag limit for mourning doves for the 1995-96 hunting season that was approved by the Texas Parks and Wildlife Commission.

While dove breeding population estimates for both mourning and white-winged dove declined somewhat from previous years, 1995 population estimates remain above the long-term average.

Jay Roberson, TPWD program leader for webless migratory game birds, said the decline in breeding population estimates would be cause for concern only if it continues for several more years. "Similar annual declines have occurred in the past," said Roberson. "Over the past 15-year period, the mourning dove breeding population in the South Zone has shown no statistical changes, and there have been significant increases in both the North and Central Zones."

The mourning dove season in the

South Zone will open on Sept. 22 and run through Nov. 5 and reopens Dec. 26 through Jan. 9, 1996. In the Central Zone, mourning dove season will run Sept. 1 through Oct. 17 and from Dec. 26 through Jan. 7. The North Zone season will run from Sept. 1 through Oct. 30.

The statewide dove bag limit remains 15 mourning, white-winged, and white-tipped doves in the aggregate including no more than 6 white-winged and 1 white-tipped doves per day. Shooting hours will remain one-half hour before sunrise to sunset. Whitewing hunters should remember that a \$7 white-winged dove stamp is required to hunt whitewings anywhere in Texas and that whitewings now occur throughout much of the South Zone as far north as Central Texas.

A nine-day early teal season and a four-day white-winged dove season in the Special White-winged Dove Area also were approved by the U.S. Fish and Wildlife Service and the Commission. This is the fourth consecutive teal season allowed by

USFWS since 1992.

The four-day whitewing hunt will be Sept. 2-3 and 9-10 in the Special White-winged Dove Area along the Rio Grande. The bag limit is 10 white-winged, mourning and white-tipped doves in the aggregate, including no more than five mourning doves and two white-tipped doves per day. Shooting hours are noon to sunset.

Mohair Council Meeting In Kerrville

The Mohair Council of America will hold its executive committee meeting Wednesday, Aug. 16, at the Inn of the Hills in Kerrville. The meeting will be in Medallion #4 at 2 p.m.

A reception and mohair fashion show will follow at 6:30 p.m. Location of the reception and fashion show will be available for all Mohair Council members and guests at the Inn of the Hills. Fashion show garments include 20 designs from the student design competition coordinated by the Texas Food and Fiber Commission. Models will be mohair producer spouses, daughters and friends.

The annual summer directors meeting will be held Thursday, Aug. 17, at the Inn of the Hills. Registration is at 8:30 a.m. with the meeting beginning at 9 a.m.

Jeffrey Sutton, president of the Mohair Council, urges all mohair producers and persons with an interest in the U.S. mohair industry to attend. In addition to regular business, recent market survey trip reports will be given. Future promotion plans and activities will be a part of the agenda.

For further information about the meeting, contact the Council office in San Angelo at 915 655-3161.

Looking Toward The Future On The 30th Anniversary Of Medicare

Sunday, July 30, marked the 30th anniversary of Medicare. This occasion should serve as a wake up call to all Americans. Medicare has served our nation's senior citizens for three decades, but unless Congress does something now to preserve and protect the system, this may be one of the last anniversaries Medicare will commemorate.

The Medicare Trustees, a bipartisan board which includes several members of the President's cabinet, has declared that Medicare will go bankrupt in the next seven years. That's right. If Medicare continues down its current path, the system will no longer be around after the year 2002. The destruction of Medicare would be a nightmare for senior citizens, their families and the economic well-being of our entire nation.

However, as I recently reported, the majority in Congress is working to make sure that nightmare won't come true.

Over the next few months, you will hear a lot of rhetoric from those who would rather play politics with the health of our senior citizens than face the fact that Medicare is about to go broke. They'll say Congress wants to cut benefits for seniors and make them spend thousands of dollars more in co-payments and deductibles.

Here is the truth: under the conservative budget plan passed by the House of Representatives, Medicare spending per beneficiary will increase from \$4,800 to \$6,700 by 2002. That

means every grandmother and grandfather in the Medicare system will get \$1,900 more to take care of their health care needs. I don't know where some of these bureaucrats in Washington learned to count, but back in Texas, we don't call a \$1,900 increase a cut.

Congress is getting ready to write legislation that will preserve, strengthen and simplify Medicare. Before trying to change the law, congressional representatives are gathering as much information as possible about Medicare. This is a lengthy process which involves listening to the opinions and ideas of people around the country including senior citizens, doctors, business owners and hospital managers. We want to make sure that when we fix Medicare, we do it right the first time.

I welcome your ideas to protect and strengthen Medicare. In the last three weeks, a number of people from around my district have taken the time to write me with their own examples of Medicare waste as well as their ideas for reforming the system. Let's continue to work together to make sure Medicare not only survives to see its 37th anniversary in 2002, but also many, many more beyond that.

When you think advertising, think "Ozona Stockman". Whether you're buying or selling, The Stockman can help. 392-2551.

Bumpgates Approved

Commissioners voted to replace two bumpgates on Fred Chandler's ranch during a called meeting July 24. "Since the gates are not on a paved road, we were able to grant that request," said Judge Jeffrey Sutton.

Commissioners also worked on the budget during this evening meeting.

Public Notices

PUBLIC NOTICE

The Crockett County Consolidated Common School District offers career and technology education programs in vocational agriculture, vocational cosmetology, and vocational auto mechanics. All students in Ozona High School are eligible for admission to these programs.

It is the policy of the Crockett County Consolidated Common School District not to discriminate on the basis of race, color, national origin, sex, or handicap in its vocational programs, services, or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and, Section 504 of the Rehabilitation Act of 1973, as amended.

The Crockett County Consolidated Common School District will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

For information about your rights or grievance procedures, contact the Title IX Coordinator, Ted Cotton, at 797 Avenue D, 392-5501, and/or the Section 504 Coordinator, Ted Cotton, at 797 Avenue D, 392-5501. 1c25

NOTICE OF BUDGET HEARING

The President of the Board Trustees of the Crockett County Consol. Common School District, pursuant to Section 44.004 of the Texas Education Code, has called a meeting of the Board of Trustees for the purpose of adopting a budget for the 1995-96 fiscal year of the District that shall cover all expenditures for the fiscal year.

The meeting shall be held on the 15th day of August, 1995, at 7:00 P.M. at the School Administration Building in Ozona, Texas.

Any taxpayer of the District may be present and participate in the hearing. 1c25

GISH, JR., MRS. FRANCIS A. KEENAN, MYRTLE WILMORE, and GEORGE E. JOHNSON, and if any are deceased, their respective unknown heirs, assigns, devisees personal representatives, owners, partners, limited partners, shareholders, officers, directors, successors and assigns, Defendants in the hereinafter styled and numbered cause:

You and each of you are hereby commanded to appear before the Honorable District Court of Crockett County, Texas, 112th Judicial District, at the Courthouse in Ozona, Texas, at or before 10:00 o'clock a.m. on the Monday after the expiration of forty-two (42) days from the date of issuance hereof; that is to say on or before 10:00 o'clock a.m. on Monday the 11 day of September, 1995, and answer the petition of IP PETROLEUM COMPANY, INC., Plaintiff in Cause No. 5786, styled IP PETROLEUM COMPANY, INC. v. ROBERT NUSE, ET AL, in which IP PETROLEUM COMPANY, INC. is the Plaintiff, and the parties herein named are Defendants, which petition was filed in said Court on the 27 day of July, 1995, and the nature of which suit is as follows:

Plaintiff seeks the appointment of a receiver of the interests had, owned or claimed by the Defen-

dants in the oil, gas and other minerals in and under Section 1, A-3459, Block H. T. C. Ry. Co. Survey, Crockett County, Texas, and Section 2, A-4565, Block T. G., S. Revelles, Original Grantee, T.C. Ry. Co. Survey, Crockett County, Texas, with authority to execute and deliver to Lessee oil, gas and mineral leases covering such mineral interests had, owned or claimed by said Defendants upon such terms and conditions as the Court may prescribe, all as is authorized by and in accordance with the provisions of Section 64.091 of the Texas Civil Practice and Remedies Code, as amended.

If this citation is not served within ninety (90) days after date of issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve it and make due return thereof according to the requirements of law and the mandate hereof.

ISSUED under my hand and seal of this Court at office in the City of Ozona, this the 28 day of July, 1995.
