IH dealer to hold Red Power showdown

Area farmers will have the opportunity to test drive International Harvester agricultural equipment and Steiger 4-Wheel Drive Tractors at the 1982 Red Power Showdown demonstration sponsored by North Plains International, Inc. in Spearman, Texas.

The Red Power Showdown field demonstration will be held Tuesday, Nov. 30, at Chalmers Porter Farm, 6 miles South of Spearman on HWY 207, from 1-5 p.m., according to Dick Elbert.

North Plains International has a big day planned to give attendees the chance to check out IH's line of tractors, combines, planters and tillage tools.

"We hope that a good many farmers in the area will want to

come out and drive the new line of IH & Steiger tractors because it combines exceptional power and fuel economy with easy shifting," said Dick Elbert. To illustrate his point, Dick Elbert referred to the power and fuel economy records set recently by the 187 PTO hp IH 5488 two-wheel drive tractor at the Nebraska Tractor Tests.

"We are looking forward to a successful Red Power Showdown. In the past, we have averaged more than 200 of Hansford County farmers, and we expect even more this year because of the new tractor line," Dick Elbert said. "I'd really like to see every farmer around here attend and get a first hand look at the advanced technology IH & Steiger builds into these new machines."

Hospital News

Patients at Hansford Hospital are Maria Chaborria, Hazel Gibner, Anson Ward, Lisa Hart and son, Gloria Vargas and son, Willie Smith, Ellen Babbs, Wayne Moore, Barbara Cook and S.W. Robertson.

Dismissed were Anna McGary, Linda Umphress, Wayne West, Bruce Shipman, W.O. Groves, Tony Henry, Connie Garcia and daughter, JoAnn Graves, Jeremy Mackie, Anita Rios and Ella Hull.

Garner named 'mayor pro tem'

Members of the Spearman City Council faced a brief agenda at the regular meeting Tuesday night but the items addressed were important.

Two considerations were made necessary by the recent resignation of Councilman Ray Ingle whose new employment takes him out of the city too much and too unpredictably to serve in the manner he felt a member of the panel should.

Ed Garner was named in his stead to serve as mayor "pro tem" -- which means that in the absence of Mayor Ralph Blodgett, Garner will be acting chief executive for the city of Spearman. Pro tem is the colloquial rendering of "pro tempore" which is freely translated "for a temporary term."

Jim Nicholson, former council member who was appointed to fill out Ingle's unexpired term on the panel, was also named to replace him as the city's representative to the Panhandle Emergency Medical Services System, Inc.

The council approved resolution #15-82 authorizing the revision -- with an effective date -- of personnel rules and regulations for the city. This particular action was in the realm of hospitalization and medical services coverage. It will permit city employees with such coverage and with spouses employed by another company providing such coverage, to drop those spouses from their

city coverage policies. This will provide a savings both to the employees affected and to the city.

After consideration of a number of protests and of a number of problems created by the situation, the council approved resolution #14-82 which would immediately prohibit truck parking from the corner of SH 207 and Roland St. down the west side of Roland for 360 feet.

The regular council session was turned into a public hearing concerning the taking of bids for an oil and gas lease on city-owned property. The property involved is technically defined as:

A portion of Section 66, block 4T, T. & N.O. RR., Co. 5v., Hansford County, Texas, more-or-less 15 acres.

City councilman Bob Pearson wants to lease this acreage to add to a drilling site on other property he has. A legal check finds there is no conflict-of-interest in his so leasing from the city but such leasing must be done by the proscribed bidding system.

City Manager Jim Murray was authorized to advertise for bids on the leasing of said property.

The final item on the city council sessions agenda is termed "other." Here a number of things are discussed, questions asked from the audience in a generally informal mood.

None of these items can be considered for action for they have not gone through "due process" but, many discussion items at this point in one council meeting appear on future agendas for official consideration.

Spearman Varsity Tourney

The Annual Spearman High School Invitational Tournament will be held this Thursday, Friday and Saturday, December 2, 3 and 4, 1982, at the Lynx Varsity Gym. The teams entered in the Annual Lynx and Lynettes Tourney include the Canadian Wildcat teams, Phillips Blackhaws and Blackhawettes, Stinnett Rattlers and Rattlerettes, Clarendon Broncos and Bronkettes, Follett Panthers and Pantherettes, the Gruver Greyhounds and Lady Greyhounds, and the Borger Lady Bulldogs, of course, the Lynx and Lynettes and special invitation to the Spearman JV Lynx.

The first game will be between Canadian and Phillips at 10 a.m. on Thursday--this is in the girls bracket. The loser will play in the Losers bracket and the winner will advance to the Semifinals in the Winner's bracket. The loser of the game will have to win in order to play for Consolation on Saturday at 12 Noon. The second girls game

will begin at 1:00 p.m. between Stinnett and Clarendon. The loser will then play on Friday at 9 a.m. and the winner at 3 p.m. on Friday. The 3rd game in the girls bracket has Follett taking on Gruver at 4 p.m., the loser will play at 12 noon on Friday and the winner at 6 p.m. The final game in the girls bracket has the Lynettes taking on the Borger Lady Bulldogs beginning at 7 p.m. If the Lynettes win they will then play in the Semi-final game at 6 p.m. on Friday, if they win the Semi-final game, they will try for the Championship Trophy beginning at 6 p.m. on Saturday, December 3. If the Lynettes lose in the Semi-final, they will then play for 3rd Place beginning at 3 p.m. But if the Lynettes lose their first game, they will play at 12 Noon on Friday, December 2, the Lady Lynx then must win on Friday in order to play for the Consolation trophy which will be played for on Saturday beginning at 12 Noon. NOTE FROM SPORTS

DESK: The Lynettes have so much experience that they can win the Championship Trophy!!

The first boys game will be between Canadian and Phillips beginning at 11:30 a.m. on Thursday, the loser will play at 10:30 a.m. on Friday, the winner will advance to the Semi-finals and play at 4:30 p.m. The second boys game will begin at 2:30 p.m. between Stinnett and Clarendon. The loser will play at 10:30 a.m. on Thursday, the winner will play at 4:30 p.m. The 3rd boys game will begin at 5:30 p.m. on Thursday between Follett and Gruver. The Lynx have a BYE in the first game, so they automatically move to the winners bracket in the Semi-final game against the winner of the Follett-Gruver game, this Semi-final game will be played at 7:30 p.m. The loser of the Follett-Gruver game will then take on the Spearman JV Lynx team at 1:30 on Friday. IF the Lynx win the Semi-final game, they will then play for the Championship beginning at 7:30 p.m. But IF the Lynx lose, they will play at 4:30 on Saturday for the 3rd Place game at 4:30 p.m. The JV Lynx will have to beat the loser of the Follett-Gruver game in order to play for Consolation, and with the talent the JV Lynx have they just might do it.

Messiah Soloists Selected

Ten area vocalists were selected in audition recently as soloists for this year's area wide production of Handel's Messiah. Heading the list is Perryton's Lawrence Ellzey, who has directed the musical oratorio in Perryton for the past 27 years. Ellzey has given over the reigns of direction this year to Amarillo's George Biffle, director of the Amarillo Symphony Chorus. Ellzey will be singing a bass solo.

Other soloists selected include Roy and Beverly Weibe of Waka, Jill Ellzey, April Simpson, Karen Ownby, Verna Wilson, Karen Loesch and Kent Jordon of Booker, and Rene Conlin, wife of the Amarillo Symphony director.

The soloists will lend their individual talents to those of some 100 vocalists who will make up the chorus for this year's production. The oratorio is set for performance Sunday evening, November 28, beginning at 7 o'clock in the Perryton high school auditorium.

Accompaniment for the performance will include some two dozen members of the Amarillo Symphony, and Perryton's Gay Unruh will be at the piano.

The Messiah will be presented this year at both a Thanksgiving concert and a welcome to the Holy season. There will be no admission charge for attendance and a love offering taken during the performance will go to the Perryton Ministerial Alliance for disbursement to needy persons.

Final rehearsal for vocalists will be at 2:30 the afternoon of the 28th, when the chorus and soloists will practice with the symphony.

Everyone is welcome to attend this year's production of the Messiah.

Faye's Daze

I am writing this before Thanksgiving since I am going to be at home Friday playing with my granddaughter. They are supposed to arrive Wednesday evening and stay thru Sunday, so I will have lots of time to spoil her.

I went shopping for Thanksgiving dinner yesterday. Thank goodness I went before this cold norther hit.

I had decided that I would have some asparagus since I have been passing it by because it is so expensive. Anyway I just picked up a can and didn't even look at the price until I got home, \$2.09 for a can of asparagus. I could almost have had a prime cut of steak for that price. Anyway I got the asparagus and various other goodies and got to the turkey counter. Since I am not expecting a big crowd for Thanksgiving and don't want to eat turkey for a week afterwards, I thought I would try to find a small one. First, I thought, well they don't have any small ones. But they did, they were down in the bottom, covered up by 18 to 22 lb. ones. Well, I wrestled turkeys for awhile and finally came up with a ten pounder, and I think it must have been misweighed because it is the biggest ten pound turkey I ever saw. I toyed with the idea of one of the all breast turkeys and then decided that since I like the dressing stuffed in the bird, that that wouldn't do. By the time I got this all bought, and home and put up, I was exhausted.

Oh yeah, I conned one of my friends into making my pies for me. My pies of late have been almost in the disaster category...So now, I have my dinner somewhat under control. (Maybe I can con Art into cooking the turkey), and then I will have it made.

I hope you all had a Happy Thanksgiving, and by the way, there are only 23 shopping days until Christmas. I thought I would cheer you up with that parting thought.

"Old Fashioned Christmas" planned

CANYON, TEXAS--An "Old Fashioned Christmas" Open House will be celebrated from 7 p.m. to 9 p.m. Thursday and Friday, December 2 and 3, in the Pioneer Village of the Panhandle-Plains Historical Museum in Canyon.

Santa Claus will be on his sleigh to greet guests and listen to their Christmas wishes. Area civic leaders will play roles of early 1900's settlers in the stores and houses in Pioneer Village. Others who will role-play are Troy Martin, editor of the Canyon News; Mr. and Mrs. William N. Griggs, of Amarillo; Don Max Vars, of Canyon; Don Ray, noted western artist; Ralph Wilson, of Possum Kingdom Lake; Carroll Wilson, of the W.T.S.U. Journalism Department; and Doctors Janet and Bill Townsend of Canyon.

Decorations for the Village will include yarn dolls, candy canes and popcorn and cranberry garlands. Junior Historians of Canyon Junior High School will set up a photography area where visitors can have their pictures made in turn-of-the-century settings.

JV Lynxettes Lose To Sunray

The Jr. Varsity Lynxettes met up with the tough Sunray JV Bobkittens. It was a tough game all the way. The JV Lynxettes lost their first game against Phillips in the most thrilling debut of any of the Lynx teams!! They lost to Phillips, 34 to 17.

Firewood

It's time to burn firewood again in stoves, heaters and furnaces. The question for many is where to obtain their wood, and what kind to buy.

Wood is traditionally bought by the cord. A cord of properly dried hardwood equals in heating capacity (when properly burned) 130 gallons of no. 2 fuel oil. (one can price oil in his community to determine relative cost.)

Wood should be cut six to ten months before burning--for best results. Late winter and early spring are the best times to cut and store wood for fall.

Wood burning has its disadvantages. It requires more storage space, is often a hauling problem. Wood fires must be regularly stoked and controlled. They can be inefficient, or dangerous. They present ash removal problems.

But--and this is more important in remote, rugged areas than in cities--the home using wood for heat isn't at the mercy of a power company, the weather, or a delivery truck.

Lynxettes Defeat Sunray

The Spearman Lynxettes traveled to Sunray to face the Bobkittens on Tuesday, November 23, and came back with a victory, making their record even out at 1-1. The Lynxettes played a tremendous game and Coach Ralph Newton was proud.

In the first quarter, the Lynxettes were behind by 3 points, 10 to 7. But that didn't put a damper on the Lynxettes. There are 13 very good ball players--Seniors. Lea Ann Gibner, Susan Davis, Jean Davis, Jan Davis, Cindy Young, Lana Paul, Janet Reed; Juniors are Robbie Heinrich, Kelli Crawford, Denise Brewer, Andrea Mires and Nita Baker; and one Sophomore on the team, Tiki Jackson. All of the Lynxettes have plenty of experience and quickness. All of a sudden, in the second quarter, the Lynxettes started shooting

from the outside, from the inside, and from the freethrows. The Lynxettes were doing a great job from the freethrow line. The Lynxettes scored 29 big points in the second quarter, outscoring the Bobkittens by 10 points. The score at the half was 36 to 29, in favor of the Lynxettes.

Now, the Bobkittens, even though this is early in the season, knew that the Lynxettes were not going to sit on a 13-point lead, they are gonna try to add more and more. The Lynxettes, also knew that they must not put their guard down, and think they had won the game, because all 13 Lynxettes know that a basketball game is not won until the final buzzer!!

Well, the second half started, and the Bobkittens would get most of their points from the freethrow line!! Both teams

came out of the lockerroom ready for the final half. After the third quarter buzzer sounded to end the quarter, the Lynxettes had outscored the Bobkittens, 14 to 13, and took a 50 to 42 lead into the final quarter. The final quarter was exciting. The Lynxettes were fouling, same as the Bobkittens, only difference was that the Bobkittens' freethrows were falling, like snowflakes from the sky, while the Lynxettes freethrows were popping out like popcorn does when the lid is off!! At one time the lead was cut down to 4 points, but, then the Lynxettes outscored the Bobkittens 11 to 10 and won the game, 61 to 52. It was a good game. Both teams hustling, but the Lynxettes outshooting, the Bobkittens in the final seconds of the game!!

Lea Ann Gibner led the

Lynxettes with 11 points (Lea Ann had 11 points against the Phillips Blackhawettes Monday night); Lana Paul, who fouled out on Tuesday night, had 10 points--Lana scored 11 points against Phillips Blackhawettes on Monday night; Susan Davis had 9 points--Susan had 14 points against the Phillips Blackhawettes Monday night, Susan is getting off to a great start, she is also a former Pringle-Morse Panther; Andrea Mires and Jean Davis both scored 9 points each, while Cindy Young scored 6 and Jan Davis scored 2, having a total of 61 points.

The Lynxettes, after the Thanksgiving Holidays, on Tuesday, November 30, will face the Stinnett Rattlerettes beginning at about 6:30 or 7. After this, the Lynxettes will be getting ready for their Varsity Tournament.

Meet Stinnett Tuesday

Lynx 'Rout' Sunray

The Spearman Lynx won their first game of the season against the Sunray Bobcats at Sunray, Tuesday night--November 23. The Lynx, coached by F.G. Crofford, played a great game!!

The Lynx were behind in the first quarter, 12 to 5. The Lynx have a good bunch of guys on the team, Darren Goodheart, Buddy Pool, Jay Pack, Steven Francis, Mike Caldwell, and Scott Dunlap--all Seniors; Byron Sutterfield--a Junior; and Mark Pearson, Ross Donahue and Steve Burke--all Sophomores.

The Lynx have 4 guys at 6 feet or more--Buddy Pool is 6 foot 1, Scott Dunlap is 6 foot even, Mark Pearson is also 6 foot even, and Steve Burke is 6 foot 2. The Lynx also started getting into foul trouble early.

That is how the Bobcats got ahead in the first quarter was by the Lynx fouling as much as they were. But then in the second quarter, the Lynx came out shooting with a lot of style and poise, they stopped fouling so often, and the Bobcats found out just how good the Lynx are. The Lynx outscored the Bobcats 16 to 6, making the score 21 to 18 at halftime.

Neither team knew how each played, except that the Bobcats knew that if the Lynx get a hot hand, they will be hard to stop, the way they were in the second quarter. The Lynx knew that they had to watch their fouling in the final half of the game, or that would be "doom-city" for the Lynx.

The 3rd quarter was a

Defensive quarter, neither team scoring more than 8 points. As a matter of fact, the Bobcat Defense stopped the Lynx with 6 points for the 3rd quarter, while the Lynx Defense stopped the Bobcats with 8 points. The score, going into the final quarter of play was 27 to 26, the Lynx barely ahead by 1 point. Well, Mark Pearson, did a great job with the Lynx. The Lynx worked together, the five that were in would work together so fine, that the Bobcats, could not get more than 7 points in the final quarter, but the Lynx Offense stormed past the Bobcat defenders and scored 20 big points. The final score was 47 to 33.

The leading scorer for the Lynx was Sophomore, 6 foot,

Mark Pearson with 10 points, as a matter of fact, Mark and Jay Pack both had 10 points against the Phillips Blackhawks, in a losing battle.

The Lynx are getting over their turkey dinner and getting ready to play the tough Stinnett Rattlers, on Tuesday, November 30, beginning at either 7:30 or 8:00 p.m.

After this game the Lynx will be getting ready to host their annual Varsity Tournament that will take place December 2, 3 and 4.

JV Lynx Defeat Sunray

The Jr. Varsity Lynx, coached by Gary Rambo, won their first game of the season against Sunray JV Bobcats at Sunray. It was a great game, the JV Lynx lost their first game against Phillips by 4. The final score against Sunray was 46 to 31. It was an exciting game, and the JV Lynx did a great job!!

Those on the JV Lynx' team include Juniors, Billy Ray Haden, Johnny Rodgers, and Pat Tucker, Sophomores, Teddy Vela, Mack McLain, Jeff Graves, Bob Cook, Ernie Bowen and Rudy Saldivar. All of these guys play terrific ball at times.

The JV Lynx will travel to Stinnett and play the tough Stinnett JV Rattlers beginning at about 5:30 or 6.

Then Coach Rambo will be getting his guys ready for the Gruver Jr. Varsity Basketball Tournament this weekend, December 2, 3 and 4. The JV Lynx

will face the tough JV Gruver Greyhounds. The game will begin at 7:30 p.m. on Thursday. If the JV Lynx win, they will move to the Winners Bracket and meet the winner of the Dalhart-Booker game on Friday at 7:30 p.m.--this will be the Semi-final game. If the JV Lynx win the Semi-final game, they will move onto the Champion-

ship Finals and play for the 1st or 2nd Place trophies at 4:30 p.m. on Saturday, December 3. If the JV Lynx lose in the Semi-final game, then the JV Lynx will play for the 3rd Place trophy on Saturday beginning at 1:30 p.m. But, if the JV Lynx lose to Gruver, they will move to the Losers Bracket and face the loser of the Dalhart-Booker

game at 1:30 p.m. on Friday, then the JV Lynx must win in order to play for the Consolation Trophy which will be played for on Saturday, December 3, at 10:30 a.m.

Go on over to Stinnett and cheer on the JV Lynx to victory, then travel to Gruver and cheer on the JV Lynx to the Championship Finals!!

Freshman

Lynx & Lynxettes to play Canadian

The Freshman Lynx and Lynxettes will begin their Basketball Season this Monday, November 29, against Canadian.

The Freshman Lynx will take on the Canadian Wildcats at Canadian beginning at either 7 or 7:30 p.m., depending on how long the 7th and 8th grade games are. Their coach is Coach Ricky Smith. Coach Smith is excited about this year's team. He feels they will have a good basketball season.

The Freshman Lynxettes will be hosting the Canadian Wildcats at the Lynx Little Gym. Now, the game should begin at either 7 or 7:30, depending on how long the 7th and 8th grade games are!! The Freshman Lynxettes look good. They will probably have a good season.

Go on over to Canadian and cheer on the Freshman Lynx, or go on over to the Lynx Little Gym and check out the Freshman Lynxettes as they also play Canadian!!

Graves is Lions Club speaker

Albert Graves was the speaker at the Lions Club Tuesday. He gave the same program he gave at a tobacco meeting in Florence, S.C. this summer.

Albert Graves was on the program at a meeting in Florence, S.C. sponsored by Clemson, University and Philip Morris. The objective of the meeting was to review current marketing regulations and procedures in an effort to determine future changes that would result in better quality tobacco products at a lower cost.

The farmers in the southeast are having the same problems that Spearman farmers are experiencing (higher operating costs with less product income). Also in the tobacco economy, a recent 4 cent per pack tax increase will reduce net profit. The United States tobacco farmers are faced with the same problems that our car manufacturers are faced with—mainly imports.

Philip Morris can get tobacco from Brazil at \$1.35 that would cost \$2.35 from South Carolina. There was considerable time spent on the need for clean tobacco (less sand, foreign material, etc.).

Al reviewed scheduling procedures for growers computers print and telling each grower the time of day to arrive at the tobacco auction warehouse and how many pounds of tobacco to bring to the warehouse. This simple procedure is used throughout the industry. Also, Joanne made schedules for tobacco markets for several years (telling buyers the time and sequence of selling at a warehouse, and how many pounds to purchase).

Three main systems of selling were presented. One—use the present system, however, increased use of computers and scientific measuring devices etc. Two—use mechanized sales systems for selling tobacco. (tobacco moves past the buyers instead of buyers walking past the tobacco), or three—use a press and compact 5 sheets of tobacco into one 1000 pound bale. This would permit the buyers to visit more warehouses each day and choose the exact grade of tobacco their company needs.

Albert gives credit to any success he may have had to his mother, Viola Graves who has been running the Baker Hotel and Bus Station for many years by herself—most efficient person he knows.

Charlie Salgado is All-District Center

CHARLIE SALGADO--SENIOR ALL-DISTRICT CENTER, 1982

The All-District, 1-AAA 1st Team has been officially released, and there is 1 Lynx that made it as an All-District player, that being Charlie Salgado, the experienced Senior Center of the Lynx. First of all the All-District Team goes as follows:

Center--Charlie Salgado, Lynx Senior; **Guards**--Michael Davis, Dalhart Senior; Louis Flowers, Perryton, Senior; Terry Cearly, River Road Junior; **Tackles**--Jeff Johnson, River Road Senior; Jerry Godfrey, Perryton, Senior; **Ends**--

Shawn McDaniel, Canadian Senior; Richard Steel, Dalhart Senior; **Flanker**--Allen Sanders, River Road, Senior; **Quarterback**--Clint Allred, Perryton Senior; **Running Backs**--Gary Martin, River Road, Senior; Randy White, Dalhart Senior and John McClain, Boys Ranch Senior--these were All-District 1st Team Offense.

The All-District Defense is like this: **Lineman**--Randy White, Dalhart, Senior; Robert Brown, Dalhart Junior; Tony Lloyd, Canadian Senior; Louis Flowers, Perryton Senior; **Ends**--

Darren Flowers, Perryton Senior; Clinton Vines, Canadian Senior; **Linebackers**--Michael David, Dalhart Senior; Clint Stoddard, River Road Senior; Larry Longlofer, Canadian Junior; **Secondary**--Darry Smith Perryton Senior; Shawn McDaniel, Canadian Senior and Kirk Farris, Dalhart Senior.

Charlie is 18 years old and is the son of Mr. and Mrs. Frank Salgado. Charlie has lived here (in Spearman) for 10 years and started playing football since he was a 7th grader. Charlie has always been an inspirational football player and this, his final year as a Spearman Lynx, proved to be his best, most inspirational season of all!! Charlie has played Offensive Center and Defensive Linebacker all his Varsity Lynx Career!! He has done great for both positions!!

In 1981--last year--Charlie was the All-District Linebacker for District 1-AAA. He hoped to do great this year, which he did. One of Charlie's main goals was to get 100 tackles, he finished the season and his goal was stopped short by 1 tackle!! Charlie never "quit", during this time of trying to get one more tackle!! Charlie follows his Dad's motto--"If you really want something bad enough, never let anything stop you at any cost from getting it." He has been a great football player, first under former head coach,

Jimmy Duncan's supervision, and this year under new head coach, Larry Lanier's supervision. Charlie blossomed from a 13 year old 7th grade Lynx football player to an 18 year old Lynx Superstar!!

Although, Charlie was not picked to be the All-District Linebacker for District 1-AAA, he was chosen by his peers as the All-District Center. Charlie was the only Lynx chosen to be on the All-District team, he feels that lots of other guys should have been named to the All-District team, but he is overwhelmed by being picked by the Coaches as the All-District Center--this really means that Charlie is the best Center in District 1-AAA according to all the District 1-AAA Coaches!!

Congratulations, Charlie, and good luck in the future.
