Grand Jury Indicts 6

Burglary, Assault, Drug Charges Filed

The Grand Jury met in Mitchell County courthouse Wednesday and returned indictments against six persons with one man being indicted on two counts.

One man was still at large with a warrant issued for his apprehension and arrest.

Persons charged and the charges against them were:

--James A. Doyle, Colorado City, one count of aggravated assault and one count of assault with a deadly weapon, against the person of Norma Jean Henry.

--Larry Johnson, Colorado City, delivery to A. D. Gonzales of marijuana.

--Gabriel Badillo, delivery to A. D. Gonzales of marijuana.

--John Edward Green, alias John Edward Miles, delivery to A. D. Gonzales of a controlled substance, LSD.

--Jesse Marentes, Loraine, entry without consent with intent to committ theft of the D.O. Blair residence.

Charges against Johnson, Badillo and Green were filed after a Department of Public Safety undercover agent came to the city and worked with local law enforcement officers. Mitchell County sheriff Bill McGuire said it was the first time an undercover agent with the DPS had ever come to the county to aid in drug arrests.

City Has A Rainy Fall

According to the official rain gauge kept by the city at the sewage treatment plant on the southside, Colorado City received almost 22 and one-half inches of precipitation for the year ending Dec. 31, 1974.

The official amount reported by city employee Dan Pfeuffer totaled 22.47 inches broken down by months into the following amounts:

--January, 0.15.
--February, 0.38.
--March, 0.80.
--April, 1.27.
--May, 1.61.
--June, 1.10.
--July, 1.03.
--August, 2.18.
--September, 7.42.
--October, 4.98.
--November, 0.51.
--December, 1.04.

The yearly total of 22.47 inches compares with 1973's total of 28.35 inches and 22.69 inches in 1972, reports Pfeuffer.

Bale Count Almost 9,500

Ginners Estimate 11,500 Total For Season

The seven gins in Mitchell County have processed a total of 9,369 bales of cotton so far this ginning season, with ginner's long-range estimates of the harvest varying somewhere around the 11,500-bale amount.

Drying weather conditons aided the harvest this week, although high winds and sand hurt some. The bale count this week shows the following:

--Buford Co-op Gin, 1,713 bales, clean yard.
--China Grove Co-op Gin, 2,090 bales, about 20 on the yard.
--Colorado Gin Co., 341 bales, about 5 on the yard.
--Farmers Gin, 580 bales, about 15 on the yard.
--Loraine Co-op Gin, 2,422 bales, none waiting.
--Planters Gin, 638 bales, none on the yard.
--Producers Co-op Gin, 1,585 bales, about 4 on the yard.
--Total, 9,369 bales processed, about 44 on the vards.

B. B. Manly, of the U.S.D.A. Cotton Classing Office in Abilene, reported that 6,800 cotton samples were classed at that office during the week ending January 9.

This brought the seasonal total to 143,600 samples classed, as compared to 506,700 samples that had been classed by the same date the previous year.

Theme For Contest Announced

The subject for the essay contest sponsored annually by Mitchell Soil and Water Conservation District was announced this week by Jimmy Harrison, district chairman.

The subject of the 1975 contest is: "Conservation--Key to the Future."

According to Harrison, all students of Loraine, Westbrook and Colorado City schools 18 years of age and under are eligible to enter the contest. "This is an open contest and does not jeopardise Texas Interscholastic League eligibility," Harrison noted. Up to 300 words are permitted under contest rules.

The local district will award $20 for first place, $15 for second place and $10 for third place. First, second and third place winners will also be awarded trophies. The state winner will receive a $100 cash award and trophy during State Champions Night, May 2 at the Sheraton-Fort Worth Hotel where the 1975 State Awards Banquet will be held. Winner of the local district contest will be submitted in the state contest.

Essays should be mailed to Mitchell Soil and Water Conservation District, P.O. Box 910, Colorado City, or brought to the local Soil Conservation Service office at 138 East 3rd Street. Deadline for entry is February 1.

Information on plant, soil and water conservation can be obtained from the SCS office in Colorado City, said conservationist Van C. Mills.

"Oscars" To Be Awarded Friday

The annual Playhouse Awards Banquet will be held 7 p.m. Friday in the Medallion Room of Lone Wolf Electric.

Both Coleen Palmer, president, and Larry Debusk, secretary, have invited everyone to attend and bring a covered dish.

Awards for the past year's productions will be made. "Oscars" will be awarded best actors and actresses and directors of the four plays presented by the Playhouse group:

--"The Effect of Gamma Rays on Man-in-the-Moon Marigolds," directed by Charlotte Northcutt.
--"Dear Ruth," directed by Martha Bisnette.
--"Butterflies Are Free," directed by Marsha Moore.
--"The Sound of Music," directed by Tandy Curlee.

Playhouse members met recently and elected new officers for 1975. Besides Mrs. Palmer and Debusk, Carolyn Smith was elected treasurer and Lovess Curlee, vice president.

The Playhouse board of directors is composed of 1975 officers, the immediate past president, Sonny Pawkett; three elected members, Carl Moore, R. W. Baker and Jolyn Mikow; and legal advisor Joe Earnest, also elected. Terms of office start Jan. 1 each year and the first duties of the new president include committee chairmen appointments.

For the first time this year, monthly meetings of the board of directors will be held the first Tuesday of each month, "in order to make the directors more accessible to the members of the Playhouse," Debusk said.

The first Playhouse production in 1975 will be a mystery-suspense play entitled "Night Watch," to be presented in late February. Gwen Wistrand will be directing the play, with tryouts to be announced at a later date.

Active voting membership fee to the Colorado City Playhouse is only $1 per year, either individually or family.

Wolves Take 65-52 Win

The Wolves took their second district win from Winters Friday night, defeating the Blizzards in their home court, 65-52.

Don Boger led the Wolves scoring charge with 22 points.

The win gives the Wolves a 2-1 district standing, their only loss to Stamford. They go to Anson Tuesday for their next district contest.

Junior Varsity Wolves also won over the Blizzard JV, 74-54.

Girls Varsity and Junior Varsity both lost their games, the Varsity score 59-23 and JV score 46-38.

Fire Call To Old Refinery

Colorado City volunteer firemen answered another call to the old refinery at 5:07 Tuesday afternoon when an asphalt tank caught fire.

Heavy smoke and flames shot up from the tank fire until firemen used a chemical foam to douse it.

They reported the fire out at 5:52 p.m. after watching it for some time to make sure it would not re-ignite.

Split Wins

Loraine and Westbrook clashed again Friday night in the county rivalry over which school has the better basketball teams and split the decision as Westbrook boys won but Loraine's girls won.

Girls game score was 62-47, Loraine on top and boys score was 59-47 in Westbrook's favor.

Loraine's Jackie Rose led the girls scoring with 41 points and Westbrook coach Charles Parnell said his guards couldn't stop her when she started for the basket.

Westbrook scorers were Pandora Moore, 21; Dana Dorn, 16; Julie King, 6 and Mary Alaniz, 4.

Westbrook boys had a 33-15 halftime lead with Glenn Rich scoring 25 points in the game, Rodney Moore, 14; Jim Anderson, 11 and Bobby Matlock, 9.

Scoring for Loraine was Tommie Williams, 22; Darrell Andrews and Jeff Merket, 8 points each; Ricky Moreno and Tommy Doyle, 4 points each and Richard Garcia, 1.

Stiff Competition

Frank Hermesmeyer, Vocational Agriculture teacher at Wall, closely inspects some of the Duroc entries in the Swine division of the Mitchell County 4-H and FFA Livestock Show, which wound up Saturday afternoon here with judging in the Beef division. Complete results of the Livestock Show judging will be published in Thursday's Record.

Workload Increases At Clerk's Office

The County Clerk's office, headed by County Clerk Marie Bassham and a busy staff, was again a busy place in the courthouse during 1974, with an increase in the number of oil leases handled.

Under the general heading of Instruments, oil leases are handled by the clerk's office, also including deeds, deeds of trust and mechanics liens. Total instruments filed in 1974 amounted to 2,492 documents, an increase over 1973 transactions of 504.

There was one less probate case filed during 1974 and 8 less marriage licenses issued.

Criminal cases were about the same, with the major exception of "Possession of Marijuana" increasing from 1973's total of 3 to 19 such cases in 1974.

The following list is only a sample of documents handled by the clerk's office, but shows the comparisons:

Documents filed by County Clerk's office in 1974:

Jaycees To Operate Trail Bike Course

The Colorado City Jaycees have announced plans to operate a trail bike course from 2 p.m. to 5 p.m. every Sunday.

The course is located five miles south of Colorado City on the Seven Wells Road. The course is west of the road and there will be signs to direct people to the site, said Jaycee Richie Wistrand.

There will be no charge for the service as the Jaycees are supervising the trail bike course as a public service to give youngsters a good place to ride trail bikes.

The only requirement is that bike riders wear safety equipment such as helmets. Wistrand noted that the course is too rough for street bikes. He added that the Jaycees are not responsible for accidents.

Anyone who does not have a way to go to the course to practice riding is asked to phone Wistrand at 728-3132 to make arrangements.

The public is welcome to come out and watch, he said.

Wistrand said the Jaycees decided to undertake the project to keep bike riders who don't have licenses off the street and give them a safe place to practice and enjoy riding their bikes.

Choir Boosters Meeting Set

Surry Gillum, choir director at Colorado High School, announces an organizational meeting for a Choir Boosters group, 7 p.m. Jan. 24 in the high school Choir Room.

Gillum said that regular meetings times would be set up during the organizational meeting.

Bright Flashes Seen Here, Too

A number of Colorado City and Mitchell County residents witnessed the bright flash or flashes of light caused by either meteor activity or space debris early Thursday night, but neither the police department nor sheriff's office received any calls of alarm.

Police Chief Jesse Browning said he was one of the witnesses to the bright flashes, which looked like a couple of real bright lightning flashes, he said.

He and Mrs. Browning were enroute to Snyder when they both saw the two bright flashes about 7:30 near Dunn. He said they discussed it and then heard later on television news reports about similar occurrences throughout the area.

"There was a heavy cloud cover or we might have gotten some calls to the department about the lights," Browning said.

House Burns

Shown above is Nita Howell's house at 117 Austin which was almost completely destroyed by fire before noon Friday. Firemen battled the flames which apparently started in the back bedroom of the house, from 10:50 until returning back to the fire station about 1 p.m. They finally had to chop a hole in the attic area of the house in order to reach the fire burning under the asphalt shingles covering the roof. All clothing and most of the furniture was lost in the fire.

Three Fire Calls Friday

Volunteer firemen were busy Friday, putting out a house fire that almost completely destroyed the home of Nita Howell and her five children at 117 Austin, across the street from the Veterinary Clinic, and answering two more calls Friday afternoon and night.

The Howell house apparently caught fire in the back bedroom near a gas heater, spreading to another bedroom and into the attic. Firemen had to chop two holes in the attic in order to get to the fire and help ventilate the house from the heavy smoke resulting from wooden shingles burning underneath ashpalt shingles on the roof.

Almost all clothing and furniture in the home was destroyed.

Firemen went to the house at 10:50 and did not get back to the station until 1 p.m.

They went to Morris Laundry at 6:29 p.m. and found that trapped lint in the heating element of a dryer had caught fire, but no damage to the equipment or building on Hickory resulted.

Another call came at 9:30 Friday evening to the Eugene Scott house on South Austin Street. Scott told firemen he came home and found some clothes burning in the house and he put the fire out. Later he saw some smoke in the attic of the house, thought the house had caught fire and called firemen, but the smoke was from the earlier clothes fire.

Faith Circle Has First Meeting

Faith Circle of First United Methodist Church had their first meeting of the new year Wednesday in Fellowship Hall of the church. Co-hostesses for the meeting were Mrs. Bonnie Hunter and Mrs. Dolores Wood.

Mrs. Grace Welter led the opening prayer. The new chairman, Mrs. J. W. Randle, presided and appointed new chairman and committee members. Those appointed were: Mrs. Luna Bilberry, courtsey chairman; Mrs. Bertie Strain, telephone committee; and program committee; Mrs. Shirley Rogers, chairman, Mrs. Emmabeth Thompson and Mrs. J. W. Randle.

Mrs. Thompson informed the group of a revival-type meeting that will be held Feb. 14-16. She asked for two volunteers to help plan a tea scheduled for the morning of Feb. 15. Mrs. Welter and Mrs. Bilberry offered to help.

A devotional based on the 21st chapter of Revelation, was given by Mrs. Bilberry, providing the program for the meeting.

"As this is the beginning of a new year, what do we expect from it? 1974 was a year of good and bad experiences; however, the lessons from the bad experiences should be used to strengthen us for the next experiences to come. We should try to cultivate love from our friends during 1975.

"Let's also go forth in 1975 with our hands outstretched and willing to do what work we are called upon to do. When we cultivate that willingness, then we will revitalize our meetings and other contacts," stated Mrs. Bilberry.

Mrs. H. L. Jamison closed with prayer.

Those attending were Mmes. Bonnie Hunter, Bertie Strain, Isla Keith, Emmabeth Thompson, H. L. Jamison, Frank Andrews, Luna Bilberry, Grace Welter, Otto Jones, J. W. Randle and Dolores Wood.

ONE LAST LOOK AT WATERGATE

Glenn Roenfeldt

Pastor

First Baptist Church

Colorado City

Watergate! Most of us are sick of the word. When the term was first used to tell of the break-in at Democratic headquarters in the Watergate Appartments in Washington, D. C., we could not realize what an impact this and related events would have on us and our country. Subsequent related history has stirred all kinds of emotions, reactions and attitudes. Watergate has had an unusual relationship to the law in the two years following its first mention.

But this was not the first time "Watergate" and "the law" were used in relationship to each other. It first happened in Nehemiah 8:1 "And all the people gathered as one man at the square which was in front of the Water Gate, and they asked Ezra the scribe to bring the book of the law of Moses which the Lord had given to Israel."

In ancient times the Water Gate was vital if a walled city was to survive seige. In Jerusalem in the 5th century before Christ the Water Gate had become a gathering place for God's struggling people who had come back to their beloved city after years of exile. Zerubbabel had led the people to rebuild the temple and Nehemiah had directed the restoration of the walls of Jerusalem. But these important building projects were not enough. There was still a spiritual vacuum in the lives of the people. They needed to hear and respond to the Law of the Lord.

It remained for Ezra, devoted servant of God, to call the people to the Water Gate and open the Scroll of the Law. "Then Ezra blessed the Lord the great God. And all the people answered, 'Amen, Amen," while lifting up their hands; then they bowed low and worshipped the Lord with their faces to the ground" (Nehemiah 8:6). These people were showing due reverence to the Word of God. They were reminded of the high and holy standard of God. The result was a personal encounter with the Almighty! They heard and heeded the law of God!

As our great nation nears her 200th birthday celebration "Watergate" and "the law" need to be a part of personal and national soul-searching. The exiles who wept at Jerusalem's Water Gate have set a pattern for our nation. As we continue private weeping and public lamenting over our 20th Century Watergate, we must accompany it with "sorrowing unto repentance" (II Corinthians 7:9). David's repentant cry is always relevant, "The sacrifices of God are a broken spirit; a broken and a contrite heart, O God, thou wilt not despise" (Psalm 51:17).

But if we feel that the law can be evaded or circumvented, there is a higher Law and a higher Justice which no man can escape! Ezra made it clear to his people that the way to rejoicing was by way of repentance to a right relationship with God! Just as surely, judgment awaits those who ignore the Word of God and the Law of God.

How kids can help save energy.

You'll be surprised how easy it will be for you to conserve energy. Put an X in the box in front of each way you think you can help.

P.S. Parents: Have your children seen this message? If not, you may want to call it to their attention. Cut it out and use it to remind your children that they can help you and all of us conserve energy in many ways.

☐Don't keep the refrigerator or freezer door open any longer than necessary.
☐Turn off the lights when you leave a room.
☐Turn off the TV set when no one is watching it.
☐Turn off the radio or record player when no one is listening.
☐Be sure the hot water is turned off after you've used it. Remind your mom or dad when a faucet leaks and needs repairing.
☐Don't turn on more lights than you really need.
☐If the furnace or air-conditioner is running, keep the doors closed. And don't make unnecessary trips in and out of the house.
☐Ride the bus whenever you can, rather than asking your parents to drive you.
☐Ride your bike or walk to the store for your parents. If they don't run the car, they will save gasoline.
☐Help plan family errands that require the car so they can all be done at one time.
☐If you're a little cool, don't ask your parents to turn up the thermostat. A sweater will warm you up.
☐Tell your parents if heating or cooling ducts are blocked by furniture or draperies.
☐If no one uses a particular room, close the heat registers and keep the door shut.
☐If you're helping with cooking, use an element that is about the same size as the pan. And don't be an oven-peeper.
☐If the sun is shining on a cold day, open the drapes so the sun can help heat up your house.
☐If you have a fireplace, be sure the damper is closed when there is no fire. Otherwise, heat will escape up the chimney.

Write down any other energy conservation methods you can think of on these extra lines. Mark those boxes too.

Park Rangers Discuss Plantings With Garden Club Members

Colorado City Garden Club members heard park rangers Pat Reily and Tom Carlock discuss the plantings now being conducted in the park and also made plans for entering an assemblage in a statewide contest.

Carlock sent over the State Park's history, telling how it was leased to the Texas Parks and Wildlife Department by Texas Electric Service Company in 1970.

Improvements made since then include addition of two restrooms, both heated and one with showers, plus maintenance of one set of restrooms left from its city park days; 35 campsites with water and electrical hookups; 30 new picnic sites, 10 with shade shelters, a dump station and a damaged fishing pier.

The park now has six full-time and 8 part-time employees with an annual payroll of $60,000.

Carolock said that summer is the busiest season but visitors come to the park year-round with over 200,000 people visiting last year. Entrance fee is $1 per car and campers are also charged a small fee.

He then explained that park personnel are limited in their equipment to planting trees 5 feet in height or less and would like to have native trees that attract birds.

Reily listed suitable plants such as pecan, oak, cottonwood, poplar, native elm (not Chinese Elm), hackberry, mulberry, chinaberry, Arizona cypress and Arizona ash.

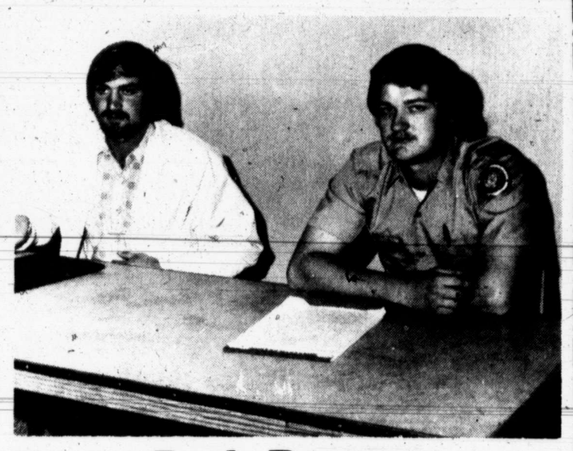

The Garden Club women are presently collecting plants to be set out on Arbor Day, Jan. 17, in the park, and both Reily and Carlock requested a list of their collections so they might have suitable places selected for the plantings.

Another project discussed by members was entering an assemblage in a statewide club contest. Requirements were to make an attractive design using native materials, either seeds, feathers, dried materials or the like in a Texas theme.

Materials are to be assembled on a 24 x 18-inch background and framed. Deadline for entry is Feb. 1.

A group of interested club women will meet in president Mrs. Bruce Johnson's home 2:30 p.m. Wednesday and begin working out their design. Any member is invited to attend this work session, bringing materials which might fit into the design.

Those attending the meeting were Miss Clara Shoemaker, a new member; Mrs. Willie Garner, Mrs. Ben Elliot, Mrs. Walter Gayler, Mrs. Lynn Halbert, Mrs. Ron Lyle, Mrs. S. A. Palmer, Mrs. Floyd Shepherd, Mrs. L. J. Taylor, Mrs. John Brown, Mrs. W. S. Edge and Mrs. Johnson.

Park Rangers

Pat Reily, left, and Tom Carlock, both park rangers at Lake Colorado City State Park, were guest speakers at a regular meeting of the Colorado City Garden Club Wednesday afternoon at the Community Center Building on 10th Street. They both outlined park plans for planting native plants, trees and shrubs, at the park. The Garden Club is currently collecting native plants for Arbor Day plantings at the park, Jan. 17.

"There is only one way to get ready for immortality, and that is to love this life and live it as bravely and faithfully, and cheerfully as we can.' Henry Van Dyke. Our memories of John will be held close for years to come. Ann Crawford Becomes Bride Of Robert Lamar Turner

The wedding of Miss Ann Crawford and Robert Lamar Turner was solemnized at 7:30 p.m. December 28, in the First Christian Church of Big Spring.

The bride is the daughter of Mrs. Trevor Crawford, 514 Washington Boulevard and the late Trevor Crawford. The Crawford family resided in Colorado City for a number of years before moving to Coahoma in 1964. The bridegroom is the son of Mrs. Britton Wise and V. L. Turner of Savannah, Georgia.

Ralph Beistle, preacher of the Coahoma Church of Christ, officiated for the ceremony before an altar decorated with potted poinsettias, palms of emerald foliage and spiral and red tapers in arched candelabra overlaid with greenery and banked with poinsettia blooms.

Wedding selections preceding the processional were presented by Mr. and Mrs. David Crawford. Music for the ceremony was provided by Mrs. John Birdwell, organist, who also accompanied Mrs. Drew Kennard, soloist, aunt of the bride. The bride was given in marriage by her brother, David Crawford.

The bride was attired in a Victorian designed gown of ivory mirrow mist with accents of heirloom lace and seed pearls. The molded bodice featured a Victorian bib yoke with a high wedding band neckline of the heirloom lace. The long slender tapered sleeves were of heirloom lace with designs of lace outlined in seed pearls. The princess skirt fell to a chapel length train, and the entire hemline was enriched with a deep ruffle of heirloom lace edged with bobbin lace. The skirt featured appliqued lace flowerlets with seed pearl centers. The bride chose for her headpiece a fingertip-length Victorian peqni of imported silk illusion from England, and the peqni was edged in matching heirloom lace. Her shoes were matching ivory, silk covered in heirloom lace with pearl design on the toes. Her bouquet was a cascade of gardenias, stephanotis and glypsophilia.

Matron of honor was Mrs. David Crawford. Mrs. Eddie Moore, of Ketchikan, Alaska, sister of the bridegroom, and Mrs. Richard Wright, Big Spring, were bridesmaids. They wore Victorian party gowns of water-marked moire in jade green. The princess necklines were outlined in self-fabric ruffles. The molded bodices featured bonnet sleeves, ruffled at the wrists. The skirts were of princess design with wide ruffles encircling the entire hemlines and falling to brush trains. The attendants carried holly circlets centered with single red lighted candles.

Best man was Britton Wise, Columbus, Georgia, brother of the groom; Richard Wise and Mark Wise, Savannah, Georgia, brothers of the bridegroom, were groomsmen. Jack Martin of San Angelo and Norman Wood, Coahoma, seated the guests. Miss Mischa Read of Coahoma presided at the registry.

The bride's table was covered with a cloth of white chantilly lace caught with satin streamers at the center. A silver candelabrum with red tapers entwined with white carnations, poinsettia blooms and sprigs of holly centered the table. Appointments were of crystal and silver.

The bride's mother hosted the reception in the basement of the church building following the ceremony. Members of the house party included Mrs. Forrest Tipton, Mrs. B. M. Adams, Mrs. Tom Harris, Miss Leah Harris, Mrs. Randy Law of Hot Springs, Arkansas, Mrs. J. D. Richardson, Miss Jane Lusk and Mrs. Jerry Dudley.

Guests were registered from Abilene, Colorado City, Coahoma, Midland and Big Spring. Other out-of-town relatives attending the wedding were Mrs. Margaret Gibson of Mill Valley, California and Drew Kennard of Mission.

For going-away, the bride chose a three-piece suit of ivory knit, ivory shoes and handbag. A leopard-cloth cape completed the outfit. Her corsage was of gardenias from her bridal boquet.

The bride is a 1974 graduate of Southwest Texas State University, San Marcos, and is employed in the advertising department of the Midland Reporter News. The groom attended college at Armstrong State in Savannah, Georgia, and will complete work for an engineering degree at UTPB in Odessa. The couple will live in Midland.
