Mr. and Mrs. D.C. Ware from Seagraves as they attend the Young Borrowers Association where George Mahon was honored. Mrs. Ware works in the F.H.A. Office in Seminole. Also from Gaines County were the Charles O. Reeds, the Dwayne Hermans, the Laverne Jones and others from Loop and Higginbotham. There were 1110 registered guests. See other pictures.

YOUNG FARMERS MEETING

About 1100 young rural residents and their wives attended a meeting and panel discussion at the South Plains College in Levelland on January 5, 1968.

Mrs. Homer Smith of Loop, Texas was a member of the panel and expressed appreciation and benefits of an adequate but modest rural dwelling that was financed by Farmers Home Administration.

Milton Marrow of Levelland was master of ceremonies. Dr. Marvin Baker, president of the South Plains College, gave the welcome address and explained that 19 vocational, or, college courses, were available to young people of the area and that federal assistance was available to students that needed financial assistance.

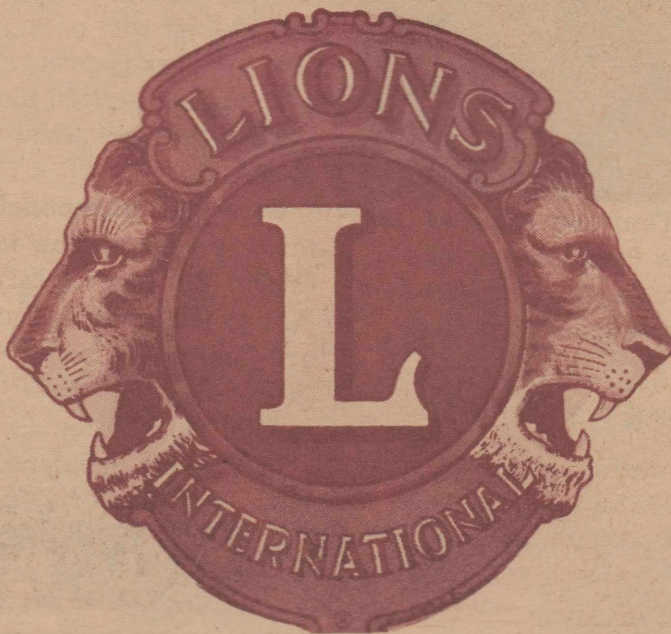

Bill Grey of Welch, Texas, state Young Farmers Official, introduced U. S. Congressman George Mahon.

Others attending the meeting were Howard Bertsch, Farmers Home Administration National Administrator from Washington, D. C., and L. J. Cappleman, State Director of Farmers Home Administration from Temple, Texas.

The group that attended from Gaines County reported a very beneficial meeting and discussion.

A Sincere Welcome LIONS & LADIES

THE LIONS are coming

LION BOSS WRIGHT

Dr. E. M. Wright, President of the Noon Lions Club Welcomes all Lions and Lionesses Saturday and Sunday.

'Thank You'

In any endeavor, there are numerous people who deserve a "Thank You". This special edition for Lions District 2T-2 would have been impossible had the NEWS not received the help of so many. A special THANK YOU to Lion Dr. Wright, Lion Charley Ray, Lion Bud Miller, Lion Charles King, Lion Ed Hoop, Lion Glen Cavitt, Lion Horace I. Jones, Lion Tommy Roberts, and many other individuals. THANKS, also, to Southwestern Public Service, for granting permission to use facts and figures compiled by them about Seminole. For your response in sending your news and pictures--THANKS District 2T-2 Lions Clubs. A GREAT BIG THANK YOU to all of the advertisers.

Area Lions and Ladies, we hope you will enjoy your Mid Winter Conference here. COME BACK TO SEE US SOON AND OFTEN.

School Board Meeting

At the school board meeting Monday night, band uniforms were discussed at length. It was decided to make bids on 150 Junior High uniforms, 2 drum major uniforms, 8 Junior High twirler uniforms, 20 High School replacement uniforms, 2 Director uniforms, and 8 High School twirler uniforms, with a total of 190 uniforms.

Mrs. Billy Ray Hicks was employed as a Social Science teacher for High School, filling the vacancy of Mr. Timms.

Extension on contracts were approved for James Bramlett, John Thompson and George Cristy for one year. This would make Mr. Bramlett's contract for three years, Mr. Thompson's for two years, and Mr. Cristy's for two years.

The fire created in the High School halls by a smoke bomb was discussed at length. It was pointed out that shooting or causing to be shot within 600 feet of school buildings of fire works was a felony offense - quoted from Senate Bill No. 143 -

Dell Ross Claiborne

Victim Of Vietnam War

Word was received Tuesday of the death of Dell Ross Claiborne. Mr. and Mrs. Horace Hancock of the Higginbotham community are parents of the deceased. Dell Ross was stationed in Viet Nam and was critically wounded on January 4.

WATER DIST.

In Tuesday's election for District Directors of the South Plains Underground Water Conservation District for Precinct Number 5, the vote was 17 for O. B. Smith and 41 votes for Joe Anderson. Tuesday results are still unofficial.

Farm hand

At the Co-op Castor Meeting, Thursday night at the Raymond, Doyle Hankins who is President of the Seminole State Bank, said, "I'm happy to report that some of our people paid off some loans growing castor beans."

CASTOR BEAN MEETING

Mr. Davis, in discussing castors, said, "By cooking off the pulp at a high temperature, it has been proven that it makes good cow feed. Per ton of castors, we receive 1150 lbs. of meal and 950 lbs. of oil. The meal will pay for the handling, processing and the hauling of the castors. I know of no crop that can be offered to your area that will offer as many opportunities as this one." He further stated that he believes allotments will be necessary either by the government or by the processors in the next few years. Our needs at present are to find growers with 25,000 to 30,000 acres, lower our cost in processing by making an addition to our plant in Plainview and keeping up our breeding to offer the best resistant strain to our growers.

Mr. Davis said, "I was a County Agent in your county over 40 years ago. It sure has changed. I own a little farm here now."

Those in attendance were: J. E. Alderidge, Jimmy Cox, L. B. Fox, Vester Smith, Herbert Hicks, B. B. Ashley, Earl Owens, Weldon Jenkins, Alton Billings, Otis Johnson, Bill Green, Eddie Taylor, Preston Underhill, Homer Smith, Robert Tipp, Charles Brewer, Perry Jones, Ray Jones, H. C. Hill, Bert Davis, R. L. Davis, Tom Warren, Ty Field, Wayne Martin, Eldon McEachen, R. B. Davis, and D. S. Van Horn.

SEMINOLE JUNIOR LIVESTOCK SHOW

The Gaines County Junior Livestock Show will be held January 18-20, 1968.

7th Grade

Magruder drives hard.

Glenn Smith, No. 45, looks on as Lee Smith moves down the court to the attack.

Seminole Eighth took the measure over Denver City winning by three points after falling behind 20-27 at the end of the 3rd quarter. Ray scored 24, Barbee-2, Tipping-5, Jackson-5, and Calderon-5. Ray was red hot and led Seminole a deficit of 7 points for the final win.

It finally happened to the grand old eighth- they lost Tuesday night in Lamesa 26-31. Ray had 11 points, Barbee-5, Tipping-3, Jackson-3, Calderon-2, and Pierson-2.

Seminole out-scored them in the first quarter 10-6, but that tragic third period caught them when they scored only two points.

8th Grade

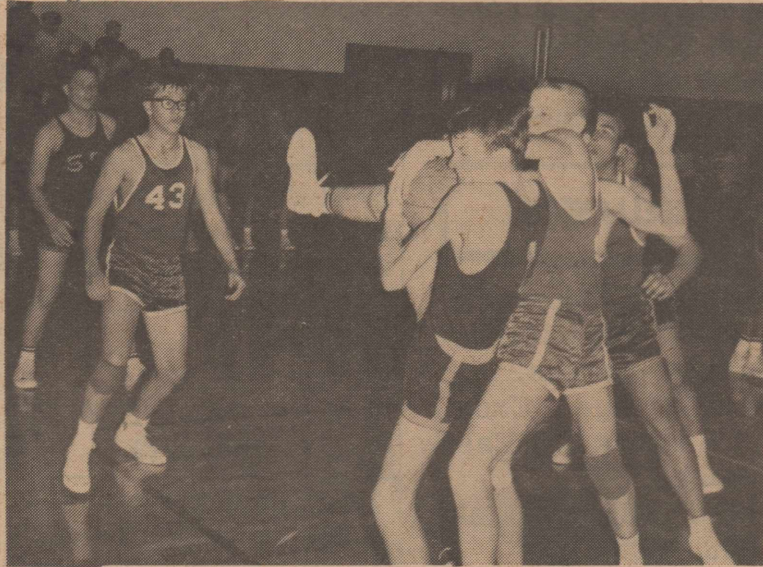

The Seventh Grade laid it on Denver City to the tune of 49 - 22 - jumping out in the first quarter with 14 - 2 lead and increasing it in every quarter 27 - 6, 34 - 17, with a final of 49 points. Nelson led all scores with 18, Bennett had 9, Roberts had 4, Norris had 4, Magruder had 2, Brown had 6, Bean had 2, Carson with 2, and Mansell with 2.

It does the coach and the boys both good to get to use the whole bench.

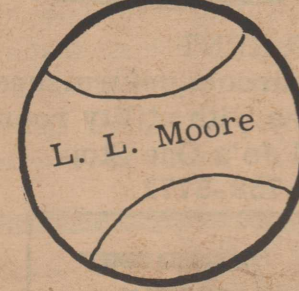

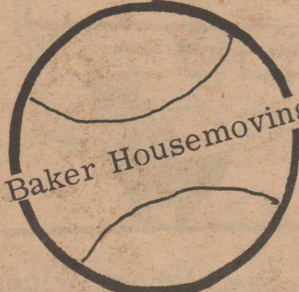

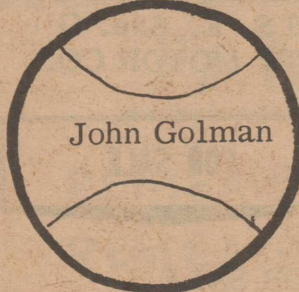

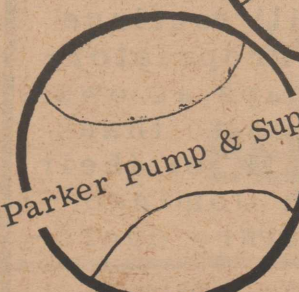

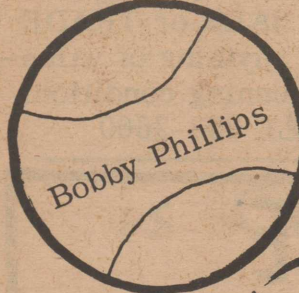

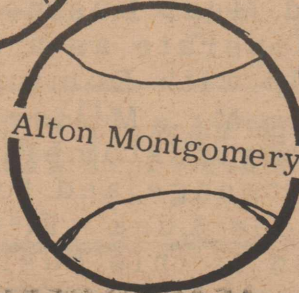

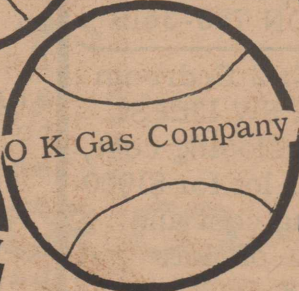

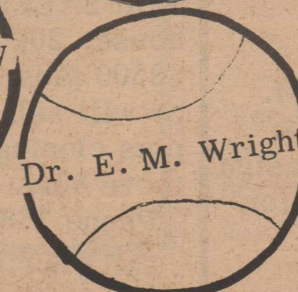

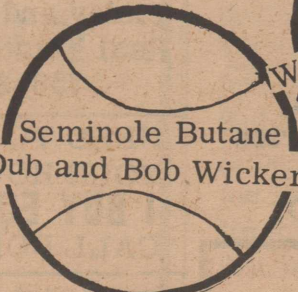

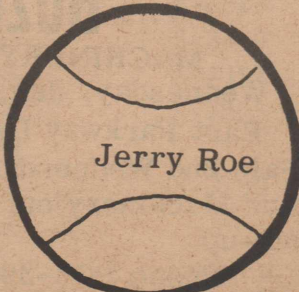

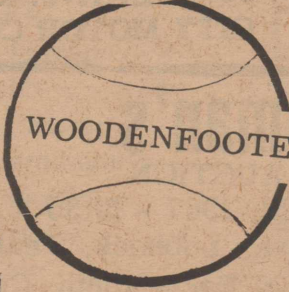

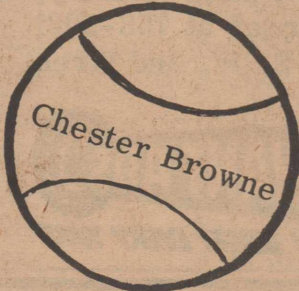

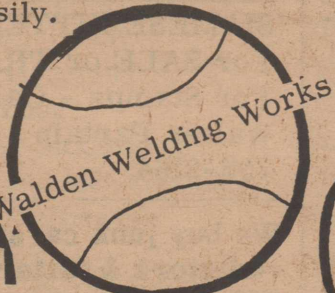

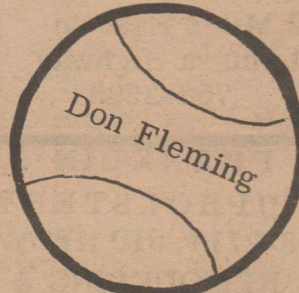

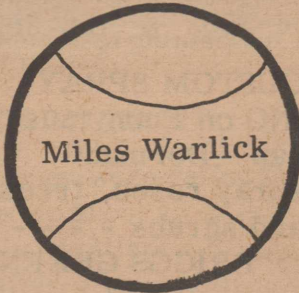

The Seminole Seventh Grade led in every quarter as they beat Lamesa 29 - 23. They scored five in the first quarter, four in the second quarter, thirteen in the third quarter, and seven in the last quarter. Donald Roberts led Seminole scores with 12 points, followed by Nelson with 8, Norris with 4, Bennett with 2, Magruder with 2, and Bartlett with one.

Ray showed real form in scoring 35 points in two ball games.

Tipping is not going to give up easily.

UNSUNG HEROES - SEMINOLE

VOLUNTEER FIRE DEPARTMENT

The Seminole Volunteer Firemen were called out west of the Cities Service Plant or about 15 miles last Wednesday to put out an oil installation fire. The fire was soon controlled after pressure lines were cut off.

While they were out on this fire, another alarm sounded---fire in the new wing in the high school. Fortunately, damage was not too extensive. A student had placed a smoke bomb in a locker and burned out at least one locker.

These fires were followed by a 7:00 p.m. truck fire west of town.

ASSUMES NEW POST

Don L. Slack has been named Irrigation Representative for Pioneer Natural Gas Company's Brownfield District, according to an announcement made by Vernon L. Clem, district manager for the Company.

In this newly created position, Slack will work directly with irrigation customers and will be available for consultation on any type of irrigation problem.

Slack has been with Pioneer Natural Gas Company for six years, and he brings a wealth of experience to his new position. Much of his work with Pioneer has been largely devoted to serving irrigation customers in and around Seagraves, Texas. He also grew up in an agricultural community and had actual farming experience while attending school and following his graduation.

Slack is a native Texan, having been born in Dickens County. He has spent most of his adult life in Gaines County, graduating from Loop High School.

Slack is a veteran of the Korean War, during which conflict he served four years in the Navy.

Slack and his wife, Bobbey, are active in the Baptist Church. They reside at 902 East Lake in Brownfield, Texas.

Some people in Seminole must be disappointed. Seminole won its first district game. Seminole trapped the Loboes to the tune of 52 - 45. The Indians started cold and fell behind in the first part of the game and then led by a like margin in the latter part of the game 8 - 10 points.

If the Lobo is supposed to be conniving, the Indians out-did him. Ray stole the ball four times, Spencer two times, Anderson two times, and Wall two times. This was the difference in the ball game and Seminole fans were real proud. After falling so far behind in the beginning, Seminole broke into a first quarter lead 13 - 12. At the half it was 28 - 24 for Seminole. In the third quarter the Indians led by three and won going away.

Ray returned to his form of last year and lead the Indians with 17 points. Anderson had 11, Cottrell had 9, Wall had 7, Spencer had 5, and Nelson had 3.

Seminole found the going most difficult when Ray had to sit out a part of the game with four fouls. The Loboes also got into foul trouble and lost by the foul route. With 4½ minutes to go Ray added the shocker when he stole the ball and went in for a driving layup. The Indians led by twelve and had their first district win of the new campaign. Cottrell was outstanding on defense.

The thick of the battle.

Seminole ran hot and cold Tuesday night as they clipped the wings of the Kermit Yellow-jackets. They built up a 13 point lead at the end of the third quarter and saw it melt to a 2 before winning 57-46. Ray had a splurge of points in the 2nd quarter making 11 and 5 in the last quarter for a total of 16, Spencer followed with 2 field goals and 10 free throws (14 pts) Anderson-8, Wall-2, Cottrell-7, Shuler-6, Allen-2, and Nelson-2. This was a game of fouls approximately 50 for both teams were called. Seminole stands 2-0 in the District.

SOCIETY~CHURCH~LOCAL NEWS

LOCAL PEOPLE TO ATTEND STATE MEET

"Building Family Unity" is the theme of the 1968 State Convention of the Young Homemakers of Texas, January 12-13, in the Commodore Perry Hotel, Austin.

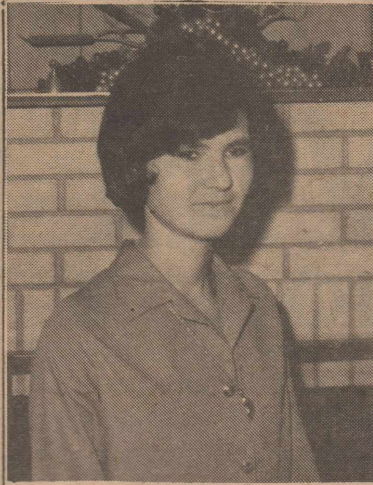

Mr. and Mrs. Roy Bass of Lubbock are the keynote speakers for the first session, January 12; Dr. Robert Ledbetter, Austin, will speak Saturday morning. Leading Texas Industries and manufacturers will display the most modern and up to date appliances and home-making conveniences during the meeting.

Young Homemaker awards for excellence will be presented at a joint Young Homemaker-Young Farmer Luncheon on Friday. The rural electric systems of Texas are joint sponsors each year of this Awards Luncheon.

Awards to be made include the Outstanding Chapter, Outstanding New Chapter, Publicity Award (County and Local Chapter) and the State Little Sister Award, which includes a \$500 scholarship to continue her study at the college level.

On January 13, a new president will be elected by the voting delegates. She will succeed Mrs. Grady Crossland of Seminole who is now serving as President of the State Association, Young Homemakers of Texas.

Those attending from Seminole will be Miss Ellen Massengill and Mr. and Mrs. Grady Crossland.

MARY ZUNIGA

"FHA" GIRL OF THE MONTH

Mary Zuniga was the "Girl of the Month" for December. Mary is a junior and enjoys all sports. She had 97½ points, which she earned by working on the Administrators' Banquet.

The runner-up was Linda Gray with 126½ points. She received this honor last month and was ineligible to receive it twice in a row.

Jr. Study Club

The Seminole Junior Study Club met in the home of Mrs. Marcus Crow, 2112 N. W. Avenue B, on January 4th at 4:00 p.m. Mrs. Don Hughes was co-hostess. During the social, members were served pecan rolls and nuts with coffee and cokes. The serving table was covered with a white lace cloth. Table decorations in tones of green complimented the silver coffee service and cut-glass serving pieces.

The program for the afternoon was "Broadening Horizons in the Home." Mrs. Mike Jenkins, program chairman, introduced Mrs. Sammy Robertson who read the poem, "Recipe for a Happy Home," by Pauline and Leonard Miller. Individual members then presented and told something about their favorite creative hobbies. Among the hobbies enjoyed by members are china painting, collecting and preserving antiques, knitting, sewing, and crewel work, cake decorating, candle making, and the making of decoupages.

It was reported also that Mesdames Gail McCullough, Don Hughes, Frankie Karvas, and Kenneth Willis had given Christmas parties for the children in the Special Education Department of the Seminole Schools.

Present for the meeting were Mesdames Shafter Bailey, Glynn Chandler, Paul Condit, Marcus Crow, Kent Denson, Herbert Hicks, Don Hughes, Mike Jenkins, Gail McCullough, Ben Mieth, Sammy Robertson, and Kenneth Willis.

Bridal Gift Shower Held

Miss Patricia Poin-dexter, bride-elect of Johnny Armistead, was honored with a gift coffee Saturday morning at 10:00 a.m. in the home of Mrs. Glen Sullivan. Refreshments of cinnamon rolls, coffee, and spiced tea were served to twenty-eight guests. The table was decorated in chosen colors of aqua and pink. Guests attended from Midland, Plains, Denver City, Loop and Seminole.

Hostesses were Mrs. V.N. Keyes, Mrs. Joe McKinney, Mrs. J. W. Kennedy, Mrs. Denver Ford, Mrs. Ralph Cravens, and Mrs. Glen Sullivan.

Mr. and Mrs. M. E. Elms took his mother, Mrs. W. A. Elms, to her home in Mullin. She had visited here and in Lovington, New Mexico with another son, Hal Elms, during the holidays.

Little Toby Patton returned to his home in Memphis after spending the holidays with his grandparents, the Raymond Pattons.

Mr. I. W. McNair was to undergo surgery Tuesday, January 9 at the Methodist Hospital in Lubbock.

Steve Haley against the Loboes

The B-Team Tuesday night set a winning habit winning their second district game by 23 points. Coach Fitts played the whole bench. Hatley-16, Danley- 13, McDonald- 7, Haley- 5, Walker- 2, Henderson- 1, Lewis- 1, Locke- 9, McWilliams- 6, Whisenhunt-7 and Foote- 2. Seminole led by 7 in the first quarter, 10 in the second, and 1 going away with 23 points.

The Seminole Bees set the pace Friday night in Monahans when they removed the pelt of the Loboes 63 - 52. The boys played an outstanding game. The Bees were led by Jerry Hatley with 19 points, C. J. Danley with 18, Haley with 12, Whisenhunt with 5, McWilliams with 2, Steve Hatley with 1, Ray with 4 and Lewis with 2. Fouls against the Seminole Indians were in abundance. McDonald went out in the second quarter. Whisenhunt and Locke went out in the latter part of the game. It is so good to win, but it is much better to see our boys hustle and have the desire to win.

(You boys represented Seminole well and in a traditional spirit over years gone by.)

LETTERS to EDITOR

Dear Seminole News:

I want to thank all the members of your staff for the coverage that you gave the Seminole Junior Study Club and the Youth Center during Christmas. We could never have completed the delivering of our Christmas baskets without your help. Your paper has truly been a benefit to our community. I hope that you will continue your support of the schools and youth of our community. If our members can ever be of help to you please feel free to let us know.

Thank you again,
Sincerely,
Helen Bass

YEAR END REPORT ON HOUSE LOANS WITH FARMERS HOME ADMINISTRATION

More than 80 rural people in Gaines County have new homes as a result of \$177,890. in insured loan funds advanced through the Farmers Home Administration in the past two years, Charles O. Reed, Jr., local County Supervisor of the supervised credit agency reported today.

Approximately \$97,190. was advanced in 1967.

The rural housing program was greatly expanded in 1965 when, as part of President Lyndon B. Johnson's effort to strengthen rural America, the financing of the loans was switched from federal to private sources. Practically all of the rural housing loan funds now come from private sources on an insured basis.

The construction that took place as a part of this credit program provided 4,000 man-days of employment for local carpenters, plumbers, electricians, and masons.

In addition, the housing funds circulating through the county gave the local economy a \$700,000. boost.

Tragedy Claims Life of Former Margaret Mulliner

News has been received here of the tragic death of Mrs. Michael L. Burzenski, 20, the former Margaret Mulliner of Seminole, on December 22, at her home in Sarasota, Fla.

Mrs. Burzenski, daughter of the Rev. and Mrs. Edward E. Mulliner, died after a fall in the bathtub with resultant drowning.

The Rev. Mulliner served as pastor of the First Presbyterian Church, Seminole, in 1950-1954, and Margaret was their only daughter.

The parents and younger brother were en route to Sarasota to spend Christmas with the young couple who had just moved to a new home a few days before and arrived a few hours after the accident.

The husband was associated with his parents in the Burzenski Nursing Home in Sarasota and Margaret had been employed in the computer division at the office of the Sarasota Memorial Hospital. The Burzenskis are former Cisco residents.

Besides her parents and her brother, Mark, she is survived by another brother, Gene, who is stationed at Ft. Bliss, Texas. The family have returned to their home at Eagle Lake, Texas, where the Rev. Mulliner is pastor of the First Presbyterian Church.

Funeral services were held December 26 in Sarasota with burial in the Palms Memorial Park.

GIRL SCOUT FUND DRIVE SLATED

The Girl Scout Fund Drive will start February 3, 1968, A Cablethon beginning at 12:00 p. m. on Channel 3 will kick off the drive. Seminole's portion of the Permian Basin Girl Scout Council's budget is \$1617.00

All talent will be accepted for the Cablethon. If you would perform, please call Esther Martin at 758-3157 or Mary Russell 758-2440.

One of the highlights of this year's Cablethon will be the presentation of a 1950 Plymouth to be given away at the end of the program. An opportunity to win will be given with each \$5.00 donation to the Girl Scout Drive Fund.

Co-Chairmen of this year's activities are Mrs. Glenn Martin and Mrs. James Russell.

Last year Seminole was the only town in their council to reach their goal.

STUDENTS IN CONTEST

On Saturday, January 6, Seminole High Indian Band had two students travel to Big Springs to try out for the Region VI All Region Band. They were Senior Donny Brasher on trumpet, son of Mr. and Mrs. J. E. Brasher, and Junior, Charlotte Garner on Clarinet, daughter of Mr. and Mrs. C. W. Garner. These students did very well; both of them made the band. Donny was first chair and will advance to area tryouts in Lubbock January 20. If he is successful there, he will be a member of the All State Band in Austin February 8-10 of this year.

Charlotte and Donny qualified to try out for the Region Band by making first chair in the District Band.

a \$1000 fine or one year in jail or both. (After checking with some of the Junior High School students over years gone by and with Mr. Moore, this writer found that Senate Bill No. 143 had been read to Junior High School students.) Further action is in the hand of local police.

Approved bills for the month of December.

A discussion on the pay of bus drivers on extra-curricular trips - - the following suggested changes were approved.

Present figures are in parenthesis; outside figures were approved.

1. Round trip when total mileage is no more than 50 miles, (\$5), \$6.50.
2. Round trip when total mileage is less than 100 miles, but more than 50 miles, (\$7.50), \$9.50.
3. Round trip when total mileage is less than 200 miles but more than 100 miles, \$13.00. (\$10 over 100 miles).
4. Round trip when total mileage is 200 miles or more, \$15.
5. For long trips (in excess of one day) payment will be at the rate of (\$10), \$15. for each full day. When drivers on such trips are on duty for more than 10 hours per day, they shall be paid at the rate of (\$1), \$2. per hour for each hour in excess of 10 hours. Drivers on such trips are not on duty unless they are actually driving a bus.
6. Drivers on one-day trips will be paid at the rate of \$1.25 per hour for each hour of waiting time in excess of four hours. Waiting time begins when the driver reaches his out-of-town destination and ends when the return trip home commences. Waiting time does not apply to drivers of buses transporting boys' varsity athletic teams.
7. Drivers will be furnished meals or reimbursed in an amount not to exceed \$1.50 per meal.
8. Drivers will be furnished lodging or reimbursed the actual amount paid for hotel rooms.

CITY COUNCIL MEETS

The City Council held its regular meeting Monday night. In the meeting routine matters were discussed.

A letter from Robert S. Calvert, State Comptroller, stated he had received a certified vote and that the City Sales Tax will become effective on April 1.

The councilmen discussed a nuisance ordinance and the reworking of 11th Street. Also considered was a beautification project for the city.

Other items of business included a discussion concerning the possibility of the city's working with the Chamber of Commerce in the formation of an Industrial Board and council postponed action on the purchase of a truck until further details were secured.

All council members were present.

9. No deduction from salary will be made when regularly employed bus drivers make out-of-town trips.

EDITORIAL

In a news release dated January 4, 1968, from the Executive Office of the President, Office of Economic Opportunity--

"A memorandum from Walter H. Richter, OEO Southwest regional director, has mailed to directors and board chairmen of all local community action agencies and other War on Poverty-related agencies in Texas, calling attention to the old-age assistance law signed by Governor John Connally on June 8, 1967.

The new law authorizes old-age assistance benefits to be paid to non-citizens who have lived in the United States for at least 25 years and in Texas for one year prior to application for assistance.

Richter's memorandum requests that the new eligibility rules be prominently displayed in all neighborhood centers and community action offices, and that it be given as much publicity as possible in local news media, both in Spanish and English."

It's not enough for our government to encourage our citizens not to work---we go further in encouraging citizens of other countries not to work. How is it that non-citizens have lived in the United States for 25 years? How is it that we can afford to pay them more for not working than they would be paid in their own country for working? This sounds almost as ridiculous as the farmers of Gaines County having to pay Social Security on aliens. How is it that Aliens from another country are entitled to Social Security payments when they go back home? One official said only about 1 out of every 100 will collect his Social Security after returning home.

How would you like to own an insurance company that expected to pay only claims of 1 out of every 100?

It seems ridiculous that a non-citizen is due Social Security payments or old age benefit assistance under this type of arrangement. Maybe L.B.J. has it in reverse---Let's send our citizens abroad to apply for this sort of government hand-out instead of stopping free world travel.

A CALL FOR AID!!!

I was approached during the holiday season with the following sad story.

"Walter, there are some people in dire need. They need help real bad. Would you help me to help them?"

"Frank Dyer, are you serious?"

"Yes, I am."

"Yes, I will help you," I said.

"I think we should call it the Dire Fund - - the Frank Dyer Fund."

(This is one activity that the Seminole Noon Lions Club did not enter into.)

Can you imagine a past president trying to pull this?

CHARTER - SEMINOLE EVENING LIONS CLUB

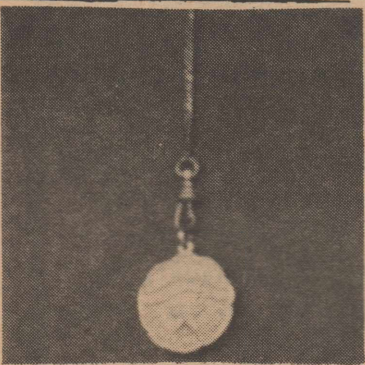

In keeping with above, the Board of Directors of the Lions Club of Seminole, Texas on February 26, 1963, at a regular meeting at which a quorum was present, adopted a formal resolution authorizing the formation of an additional Lions Club within its corporate or city or village limits. This new club is to be known as the Lions Club of Seminole, Texas - Evening.

This is to certify that the resolution covering the formation of this new club set out the boundary lines which the new club is to have, and these boundary lines are as follows:

- NORTH Seminole School District
- EAST Seminole School District
- SOUTH Seminole School District
- WEST Seminole School District

In witness whereof we have hereto subscribed our names as President and Secretary of the Lions Club of Seminole, Texas on this 26th day of February, 1963.

Medal Won in 1915-1916

FROM
A SEMINOLE
NEWS READER

When our local debating team, our ball team, the relay racers and others represent our local High School in "Contests and Tournaments" in other towns - how many of you citizens think of these contest as being a part of the University Interscholastic League Contest? How old is the Interscholastic League, any-way????

A short while ago I was amused when a modern teen-ager in talking to me about the Interscholastic League, made this statement: "But I guess you wouldn't know about our contests - - thats since your day!"

The University Interscholastic League with its contests and tournaments was not born yesterday - nor the day before yesterday. I am not prepared to give you the full history of the League, but I can give you some information that will prove it is older than most modern teen-agers.

I have a gold medal given to me by the University Interscholastic League for the best essay in the county contest (Coleman County, Texas). The same year my essay won second place in the State of Texas contest at Austin, Texas. The next year I won second place in the County and first place in the State. The third year I won in both contests - State and County, but the only award that was given in any of these was the first place in the County contest (the gold medal).

All of these contests, including the medal, were between the years 1914 and 1917. So, the gold medal I still have in my possession was given to me more than fifty years ago by the University Interscholastic League of Texas when I was a very young student in school.

While I have forgotten the history of the University Interscholastic League, I can truthfully say - and offer you proof - that it was not born yesterday, nor the day before that. I can prove it is older than 50 years, because lightly scratched on the reverse side of this medal is "1915-1916" - This was placed there years ago as the date of the school term when the medal was awarded.

It may be that some - or many - of the rules have been changed; you may even think of these contests under a different name. But it is my opinion, it is worth your time and effort to enter - and win - in these League contests.

Who has an older trophy (than my medal) that was given to them by the University Interscholastic League? For as I remember it, the League was not a new organization even in 1914 to 1917.

One of our projects this past year was to stop the tourist of the month. On our regular meeting date, we would stop an out-of-state tourist and have them as our guest at our luncheon.

After being our guests at the meeting, we took them through our museum, Silver Falls Park, to White River, and through our hospital and different stores in our town. Five merchants presented them with a \$5 gift certificate. The motel gave them a night's lodging, and a filling station washed, greased, and filled their car with gasoline.

Since this couple returned home, we have had two letters from them expressing their thanks for the nice time we showed them - also a Christmas card from them.

This is one project that really gives the Lions Clubs and our town the publicity.

IT HAPPENED THIS WAY!!

The situation was desperate. The woman had been bitten by a rabid dog and the doctors were not certain that they had begun treatment in time.

After consultation, they came into the room and told her the plain truth - that she might develop hydrophobia - that her chances were pretty bad.

Instead of seeming to be upset at the news, she asked for a pen and paper and began to write at great length. After an hour of steady writing, a nurse asked her, "What are you writing? Is it your will or a letter to your family?"

"No," said the woman, "it's a list of people I'm going to bite."

The man in the upstairs apartment yelled to the man downstairs, "If you don't stop playing that clarinet, I'll go crazy."

"Too late, now," the other man yelled back. "I stopped an hour ago."

FACTS ABOUT GAINES COUNTY & SEMINOLE

The economy of Gaines County and Seminole is underwritten by oil, with sales amounting to some \$86,000,000-plus annually.

A county library with a total of 18,000 volumes lends to the cultural activities of Seminole.

Seminole and Gaines County are rich in tales of the old West, being located in the heart of the old Comanche Indian territory. Cedar Lake in the northwest portion of the county is the birthplace of Quanah Parker, the great Comanche war chief of that era.

Agriculture is a growing industry. Agriculture gross ranges around the \$30,000,000 mark annually. The county's 1,240 farms now boast of over 500,000 acres of cultivated land, producing abundant supplies of cotton, grain sorghums, onions, melons, livestock and poultry. A new 2,000 sq. ft. potato processing plant recently completed adds greatly to the agriculture climate of the county.

What does a Lions Club have to do to earn the "Outstanding Club of the Year" award in District 2T-2?

S-E-R-V-E

The Slaton Lions Club, with only twenty-five members, was named the district's top club in 1966 under the leadership of Carroll McDonald, this year's Zone II chairman.

Officers this year include Speedy Nieman, President; Clark Self, Jr., First Vice-President; Glen Akin, Second Vice-President; and Arvin Stafford, Secretary.

Some of the club's annual projects include: providing eye glasses for needy students; co-sponsoring "welcome to Slaton" highway billboards; expenses for student to Boys State; 100 percent support to Lions Crippled Children's Camp; sponsor Little League team; sponsor sign in baseball park; Broom Sales project; furnish ticket takers at football games; Christmas Tree sales.

Other projects this past year: sponsored "Operation Yuletide" to provide baskets to needy at Christmas; co-sponsored campaign to prove athletic bus for high school; sponsored Go-Kart Race; held benefit basketball game; sponsored booth in city's Spring Festival; sponsored Little Britches Rodeo; purchased pool table for youth center; helped sponsor man to attend school for blind; sent boy to Crippled Children's Camp; sponsored measles vaccine clinic in cooperation with city-county health department; co-sponsored new club at Jayton; donated to several charity campaigns.

Projects such as this have helped the club earn the community's recognition as "outstanding civic club of the year" for three times in the past five years. The award is made at the annual Chamber of Commerce banquet.

HELLO, LIONS

WELCOME

WHO IS A LION?

He who lives well, laughs often and loves much;
Who gains the respect of intelligent men and the love of little children;
Who fills his niche and accomplishes his task;
Who leaves the world better than he found it;
Whether by a brighter flower, a perfect poem, a human soul wake to its loveliness;
Who never lacks appreciation of earth's beauty, nor fails to express it;
Who always sees the best in others and gives the best he has,
Whose life is an inspiration, whose memory a benediction.

HE IS A LION!

SHALLOWATER LION'S CLUB

The Shallowater Lions Club has a registered membership of forty-four members. The officers for the current term are: Bob Grice, President; J. L. Kassahn, First Vice-President; J. L. Powell, Second Vice-President; Billy Hayslip, Third Vice-President; Leroy Grawunder, Immediate Past President; Carey Gooch, Treasurer; Milton Elliott, Secretary; Bob Johnson, Tail Twister; Dalton Potter, Lion Tamer; G. T. Doggett, Song Leader; Howard Quiett, Chaplain; Bill Burgett, Louis McMenamy, J. B. McAuley, and Weldon McCreary, Directors.

Although this Club has several projects through the year, the one project on which the most effort is put forth is the summer baseball program. Shallowater's Little League Park has been built by the Lions Club. The ground is furnished by the community, but all equipment belongs to the Lions Club.

Each summer in addition to Little League, the Club sponsors the Pony League, Texas League (for teen-age boys), and girls softball. This is a large project in itself.

The annual broom sale is earmarked each year for the Crippled Children's Camp at Kerrville.

Besides these two worthwhile activities, the Club always has several other things that serve the Community such as glasses for needy children, FFA, FHA and 4-H project promotions. Donations to Boy Scouts, Girl Scouts and Cubs are also made.

This necessarily makes the Shallowater Club a very busy club.

the blind and you

Blind columnist Dick Peters tells of his visit to the Arkansas Enterprises for the Blind - - a million dollar rehabilitation center in Little Rock, sponsored by state Lions. More than 15,000 men and women from 35 states and five countries have been trained at the center in its 25 years of service.

There are two impressions that remain with you all through your visit to the center. First, the individual needs of the trainees are uppermost in the minds of each staff member. Second, the physical layout of the center, which covers a city block, is not geared for blind people; the blind must learn to get along in the world of the sighted.

I took the part of both trainee and staff member and was given an accelerated taste of both sides of the operation. The average trainee spends from two to six months at the center, depending upon his individual needs and ability to assimilate the program. Some are anxious to gain as much as possible; others are so wrapped up in self-pity or hope of restored sight, that the training is a long and painful experience. Some are newly blind and others have been blind for several years, but there is something of value here for both.

Arrived just before lunch. Was surprised to learn that all trainees are expected to serve themselves; cut their own food, clean their tables and return dishes to the kitchen.

In traveling from one building to another, one must walk through a patio or quadrangle with many curving paths, lined with trees and park benches. Besides his dorm, a trainee must learn to find each office in the administration building and each activity room in the multi-purpose building. Like the others, while learning my way about, I was taught white cane techniques.

LOCAL LIONS ENGAGE IN WORTHY ENDEAVOR

Twelve youngsters from Plainview and Lockney left last week for a two week stay at the Lions Crippled Children's Camp in Kerrville as the result of much work and dedication by civic minded businessmen.

This fine program is sponsored by Lions throughout the state who raise needed finances through their annual broom sale and other fund raising projects. The time spent in such efforts is repaid many times over by the joy brought to those who attend the camp from year to year.

Valuable lessons will be learned, new skills will be taught and new friends found by each of these young people . . . experiences that are made possible because of concern and interest on the part of others.

We warmly wish the best for all those who are attending camp and salute each Lion who did their part in sending them . . . our hats are off to you!

Anxious not to offend the natives, he approached the first islander he saw and said, "Excuse me, sir, but I wonder if you could tell me if it is pronounced Hawaii or Havaii?"

"Havaii," the man responded.

"Thank you very much, said the grateful tourist.

 OBJECTS**

TO CREATE and foster a spirit of "generous consideration" among the peoples of the world through a study of the problems of international relationship.

TO PROMOTE the theory and practice of the principles of good government and good citizenship.

TO TAKE an active interest in the civic, social, and moral welfare of the community.

TO UNITE the members in the bonds of friendship, good fellowship, and mutual understanding.

TO PROVIDE a forum for the full and free discussion of all matters of public interest, partisan politics and sectarian religion alone excepted.

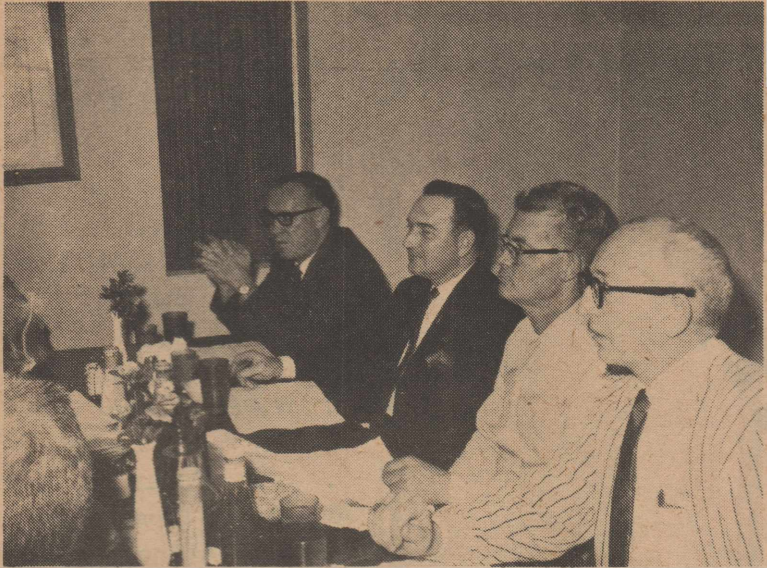

TO ENCOURAGE efficiency and promote high ethical standards in business and professions; provided that no club shall hold out as one of its objects financial benefits to its members.

EDUCATION FACILITIES

1 Public High School, 1 Public Junior High, 2 Public Elementary, 4 colleges within 80 miles.

Seminole is proud of its first-rate school system. The system is fully accredited by the Texas Education Agency and is a prominent member of the Southern Association of Colleges and Schools. Total plant value is \$6 million.

Dear Sir:

Referring to our conversation of August 7th when you were in the Dallas Office and to our telephone conversation of yesterday regarding the surface to Blocks 3 and 4, Original Townsite of Seminole, Texas, being out of Section 189:

I am pleased to advise you that this Company and the Atlantic Refining Company have consented to donate the surface to these blocks to the City of Seminole, Texas, for park purposes - we, of course, reserving all mineral rights and the right to drill thereon should we at any time deem it advisable to do so, and further with the understanding that the City will agree to enclose these blocks with a substantial wire fence in order to reduce trespassing on surrounding property as much as possible.

We are arranging to have proper instrument of conveyance prepared and executed and it will be delivered in due course.

SEMINOLE LIONS CLUB

The Seminole Lions Club of 1943-44 had for its President, H. D. Starling. Charlie Gregory was Secretary; H. C. Kyle, Lion Tamer; Dr. J. R. Coats, Tail Twister; and Mrs. J. R. Coats, Club Sweetheart.

The population in Seminole that year was 2200 - so their report said.

The club programs were: Assistance in the various war efforts such as bond drives, Red Cross work, United War Fund Drive, Victory Gardens, etc.

The most successful fund-raising program in the club was: The Seminole Lions Club Third Annual Carnival, held June 8-10, 1944, netted us approximately \$800.

A public "42" tournament, held the night of January 31, raised approximately \$52 which was turned over to the County Infantile Paralysis Fund Chairman.

A "Mondro Magician Show", which raised \$27, was given.

The Club's objectives for 1944-45 were: The Club Directors voted one hundred percent to sponsor a Lions Club City Park for Seminole and start the project by depositing \$500 of the '44 Carnival profits to such fund. The park has been needed in our city, and our efforts for the coming year will be devoted to this - along with the many war efforts, in which we will take an active part.

That year there were three Lions in the Armed Services.

At the beginning of 1944, the club dropped to seven active members, but during the year, under the leadership of our President, D. H. Starling, the club had made a steady increase. With a steady growth of our town and added enthusiasm in the club, we expect to continue with a bigger and better organization. The Club has designated every other month as new membership month with active campaigns, and will continue this until we have secured 35 membership. We are making a great effort to get new businessmen in the club. Our greatest handicap in the past in this one phase is the fact that other civic organizations were first organized and memberships were placed there.

Twenty-four volunteer firemen make up the effective and up-to-date fire department of Seminole. Fire protection is maintained with four trucks and one emergency vehicle.

"Yup, the fish was too small to bother with," said the boastful fisherman, "so I got a couple guys to help me throw it back in the lake."

LIONS Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards my fellow man, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.

TO AID my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

HUGHES GULF SERVICE

618 S. Main

758-5144

A laborer was short-
changed two dollars in
his pay envelope and com-
plained to the foreman.

"You were overpaid
two dollars last week and
didn't object," the fore-
man said.

"I know," the laborer
said. "I didn't mind
overlooking one mistake,
but when it happened a
second time, I thought
it was time to complain."

**OFFICERS OF LUBBOCK
INDUSTRIAL LIONS CLUB**

Officers of the Lubbock Industrial Lions Club
are, left to right, Sam Bowen, Deputy District
Governor; Vernon Hagar, President; Dale Pepper,
Second Vice-President; Bill Hall, First Vice-
President; Cary Magness, Third Vice-President;

SHALLOWATER LIONS CLUB

Each year the Shallowater Lions Club holds
a Harvest Festival as a fund raising project.
During this festival the Lions Club Queen and
the Little Princess are chosen by popular vote
of the whole community.

This year we present as our Queen, lovely
Miss Jo Ann Preston. Jo Ann is the daughter of
Mr. and Mrs. Neff Preston of Shallowater, Tex-
as. She is eighteen years old, and a senior at
Shallowater High School. Her hobbies are
water skiing, swimming, basketball, and tennis.

YOUR DEALER FOR

"California Western Pumps"

Sequoia Tubeline

"with a 5 YEAR GUARANTEE"

**makes WESTERN Pumps
last 3 times longer!**

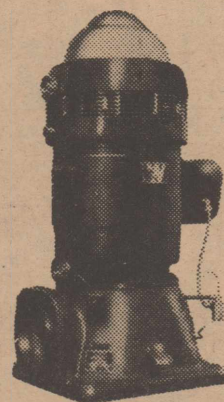

If you are in the market for a pump, be sure to get a California Western with genuine Sequoia Tubeline.

Look for the Sequoia name on every length of Tubeline! Don't be satisfied with imitations!

Pumps installed 40 years ago are still operating with original tube and shaft because Sequoia Tubeline reduces critical shaft wear.

Western's famous Tubeline was developed to reduce shaft wear which occurs when bronze bearings are used. Because Western has found the way of reducing shaft wear, Western can rightfully make the claim: "Sequoia Tubeline Makes Western Pumps Last Three Times Longer."

Be sure the Tubeline you get is genuine Sequoia Tubeline. See your California Western Pump Company Dealer Today.

LIONS Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards my fellow man, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.

TO AID my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

Lions Club OBJECTS

TO CREATE and foster a spirit of "generous consideration" among the peoples of the world through a study of the problems of international relationship.

TO PROMOTE the theory and practice of the principles of good government and good citizenship.

TO TAKE an active interest in the civic, social, and moral welfare of the community.

TO UNITE the members in the bonds of friendship, good fellowship, and mutual understanding.

TO PROVIDE a forum for the full and free discussion of all matters of public interest, partisan politics and sectarian religion alone excepted.

TO ENCOURAGE efficiency and promote high ethical standards in business and professions; provided that no club shall hold out as one of its objects financial benefits to its members.
