37th Annual Pioneers Reunion This Saturday

Lynn county pioneer settlers and their families, mostly second and third generations, will gather here Saturday for the 37th annual reunion.

Registration begins in the South Elementary School at 10 a.m. under direction of Mrs. Frank Greathouse, secretary, and the morning will be devoted to visiting.

Following the barbecue luncheon at noon prepared by Elmer Sproles and Norvell Redwine and helpers, there will be a program, election of new officers and presentation of awards.

Judge Truett Smith, whose parents settled at New Home in 1906, will be the principal speaker and is expected to tell some of the humorous incidents that have occurred here

over the years.

Special awards will be presented the eldest lady, eldest man, and person coming the greatest distance for the affair. Those who have received the award previously are not eligible for the prizes.

Clint Walker will serve as master of ceremonies, and Johnny Wells, is chairman of the program committee.

Maurice Huffaker president of the organization this year, is in charge of arrangements for the meeting.

Admittance to the dinner is \$1.50 per person, but those who do not wish to eat are welcome to attend the program which follows at about 1 p.m. or shortly thereafter.

Showers Help Some County Dry Areas

Showers Saturday, Sunday morning and night were of benefit to some dry areas of the county.

Week-end rains helped a lot of areas at West Point and north where cotton that was up was suffering. A 1.5 inch of rain fell in parts of T-Bar Community and spots at Draw and possibly other places.

In west Tahoka, .36 inch was recorded, but downfall of rain was heavier in the downtown, south and east area.

In fact, .3 inch of rain fell in southeast Tahoka Saturday afternoon when none was re-

corded in West Tahoka.

North half of Lynn county, as a whole, has plenty of moisture for the time being, as well as much of the southeast section. But, the south half of Lynn county still has large dry areas, and some farmers have not been able to plant cotton, especially in large areas, in the vicinity of O'Donnell.

Over approximately two-thirds of the county crops are now doing fine, although late. Weather the past few days has been very favorable to crop growth.

NESTER TENT pictured here is believed to be that of Bob Sanders, who filed on land east of Tahoka near present Six Mile Store in 1903. This scene is typical of the camp homes established by many of Lynn County's first settlers filing on state lands in 1901 to 1905. Others

had half dug-outs, and most soon built box or frame houses from lumber hauled from Colorado City or Big Spring. Original picture owned by Mrs. Charlie (Venoy Coughran) Sanders of Ralls.

West Texas Today Quotes Tahokan

H. B. (Belton) Howell of Tahoka is quoted in Tumbleweed Smith's "The Sound of Texas" column of the current issue of the This is West Texas magazine, official organ of West Texas Chamber of Commerce.

The paragraph follows:

H. B. Howell of Tahoka

says when Lynn county was just being settled around 1902, he used to enjoy going down to Big Spring on freight hauling chores so he could get a steak. Big Spring had a cold room at the time where fresh meat was kept. He had fresh meat only during the winter in Tahoka. His house still has a big board extending just under the eave where he kept his meat covered with a tarp. By using a pulley, he would draw it down, cut off a chunk, then send it back up.

Mrs. J. B. Oliver and Mrs. George McCracken attended the Pythian Sisters State convention held in Fort Worth, last week. They stayed from Sunday to Wednesday. Mrs. McCracken was Grand Musician and Mrs. Oliver is past Grand Officer.

Rotary Installation Thursday Night

Tahoka Rotarians and wives or lady friends will hold a covered dish meal This Thursday night at 8 o'clock on the back lawn of Mr. and Mrs. C. A. L. L. Huffaker's residence at which club officers for the new year will be installed.

Dwain Lusk, local manager of Production Credit Association, will be installed as the new president succeeding Judge V. F. Jones, and Benie White will be the new vice president.

Robert Abbe has been re-elected club secretary, and J. P. Hewlett will serve another year as treasurer.

New directors to be installed are Leighton Knox and Ronnie Nettles. Holdover directors are Dr. Emil Prohl, Johnny Wells, and V. F. Jones the out-going president.

Tahoka Rotary Club, organized in 1936, will be 35 years old this coming fall. The club currently has 46 members.

4-H Members To Attend Workshop

Eight Lynn County 4-H members will be attending a Leadership Workshop to be held in Levelland at the South Plains College, June 22, 23 and 24. They will participate in group sessions and receive 4-H leadership training.

Those attending will be Mark Flippin, Renn Dorman, Joel Carter, Kevin Wood, Carla Wilke, Cindy Cook, Terri McMillan and Sandra Swinney.

Community Action To Start New Program

The Lynn County Community Action Committee has set a public meeting, Thursday June 24 at 2 p.m. at the Community Action Center in Tahoka to inform residents of Lynn County on a new program that will go into effect for Lynn County residents concerning Family Planning and Health Services.

There will be no charge for the services provided, if citizens qualify, as underprivileged. Everyone interested in this type of service is urged to attend the meeting. The new program is designed for disadvantaged people of the county; supervised by a subcommittee which includes Doctors, Pharmacists and Registered Nurses.

Speaker Explains Hospital Program

Getting a new hospital off to a start is not an easy task, Don Clanton, administrator of the new Lynn County Hospital, told Rotarians in a talk at their meeting last Thursday.

Given time, he says the administration and board expect to get all problems solved. All people in the medical and hospital field who have seen the local hospital declare the facilities are among the best to be found anywhere. The building is completely fireproof, and the equipment

is the best and the latest that money can buy.

First big problem has been doing paper work to meet all state and federal regulations, some of which very impractical.

However, the local hospital has met, so far, all Health, Education and Welfare Department regulations except in number of registered nurses, which are almost impossible to obtain due to the national shortage. Congress recently relaxed by law this requirement for small hospitals in rural areas, and local management hopes the local hospital will fall in this bracket and be approved shortly for Medicare and Medicaid.

Another problem is the doctor shortage. Recently, a local committee was set up to seek additional doctors, and this committee is already at work.

Clanton said there is no basis whatever to a rumor that the new Lynn County Hospital is about to close. Operating expenses are being trimmed where possible, and the facility will remain in business.

Few smaller town hospitals have been able to operate at capacity the first year or two.

In fact, hospital experts have advised the local board three years are usually required for a new hospital to get in full operation.

Dr. Skiles Thomas was in charge of the program and introduced the speaker.

Atwell Elected To Council

In extreme light balloting, Tahoka voters Saturday elected a city council member to fill an unexpired term.

All the votes were for J. D. Atwell to fill the term of Alton Cain on the council.

Cain resigned when he moved to Slaton from Tahoka earlier this year.

Atwell is a Farm Bureau agent in Lynn County. He is a former High School athletic coach.

The city council canvassed the votes Tuesday.

James Connolly In Puerto Rico

Navy Petty Officer Third Class James R. Connolly, son of Mr. and Mrs. Charles G. Connolly of Tahoka, Texas is now deployed to the Naval Base at Roosevelt Roads, Puerto Rico with Mobile Construction Battalion 62 for Special construction projects.

Fire Destroys Farm Residents

A farm hand house on the O. E. Terry farm northeast of town burned last Sunday morning. The house was occupied by a Mexican-American family.

Tahoka firemen called to the scene theorized the house was possibly set afire shortly before 2:30 a.m. Sunday by a stroke of lightning.

Marketing Agricultural Products is a growing concern of producers. In recent months producers have voiced considerable interest in market development, expansion, and involvement in an attempt to overcome the continual dwindling of their share of the consumers' dollar. This share dropped two cents during April and now stands at 38 cents, according to recent USDA statistics.

Current estimates indicate that the 1971 hay crop will be exhausted by January 1, 1972. Thus, producers should consider managing sales of seasonal production either through storage or forward contracts to take advantage of increased prices later next winter and in early spring of 1972. Expertise is available through the Texas Agricultural Extension Service to help producers organize their marketing efforts.

White Grubs or Grub Worms are damaging some grain sorghum seedling on the High Plains. The white grub is the larval stage of May and June beetles and overwinters in the soil. It feeds on plant roots and causes most damage to field crops which follow grain sorghum, generally reduces grubworm infestations.

White grubs can be effectively controlled by incorporating chlordane, heptachlor or diazinon into the soil three to five inches deep prior to planting. However, once the sorghum has reached a stand, control is difficult since incorporation of an insecticide into the root zone often causes root damage.

If damage from white grubs is widespread, producers may want to consider replanting. One of the insecticides listed above can be incorporated during the planting operation.

Fields with a history of white grub infestation should not be planted to grain sorghum each year. If rotation is impossible, an insecticide should be incorporated two to three weeks prior to planting.

Five Students To Attend Citizenship Seminar At Baylor

Five high school students from Lynn and Garza Counties will travel by chartered bus Tuesday, July 20, to Baylor University in Waco where they will attend a Citizenship Seminar July 20-24 conducted by the Texas Farm Bureau.

They are: Danny Amaro, son of Mr. and Mrs. Gonzalo Amaro of O'Donnell; Kathy Wells, daughter of Mr. and Mrs. George C. Wells; Darrow Talkmitt, son of Mr. and Mrs. Monroe Talmitt of Wilson; Robna Nettles, daughter of Mr. and Mrs. Edwin Nettles of New Home; and Joe Bevers, son of Mr. and Mrs. William S. Bevers of Southland.

The Lynn County Farm Bureau is sponsoring the local 8 students at the four day training school. Some 400 students from 150 counties across the state will be attending the session.

Five outstanding, nationally-known lecturers will address the Waco training school, according to R. L. Dulin, president of the Lynn County Farm Bureau.

They are Dr. C. L. Ganus, president of Harding College, Searcy, Ark.; Dr. C. L. Kay, assistant president of Lubbock Christian College; John Noble, Muncy, Pa., author of "I was a Slave in Russia"; W. Cleon Skousen, Salt Lake City, author, lawyer, educator and former FBI agent; and Richard Perigo, Dallas, former convict and narcotics addict who is now executive director of H.I.P. (Help is Possible), an organization formed to prevent narcotics addition.

Purpose of the seminar is to give the student a better understanding of the American system and way of life. Emphasis will be placed on the economic moral and social aspects of the American society. Instruction will consist of lectures, films, and panel discussions.

May Bond Sales Total \$3,653

Mr. F. B. Hegi, County Bond Chairman, announced today that sales of Series E and H United States Savings Bonds in Lynn county during May were \$3,653. Sales for the first five months totaled \$33,324 for 26 per cent of the 1971 goal of \$130,000.

During the month Texans purchased \$16,476,145 in Savings Bonds compared to \$14,528,581 (includes Freedom Shares) during May 1970. Year-to-date sales totaled \$86,134,682 -- 47 per cent of the 1971 goal of \$181.9 million.

Nationwide, new purchases of Series E and H Savings Bonds during May amounted to \$426 million, 25.9 per cent above 1970. Sales the first five months of 1971 were \$2,229 million -- 19.6 per cent above a year earlier. Exchanges of Series E for new Series H Bonds amounting to \$105 million were reported for the five-month period of 1971, compared to \$101 million exchanged during 1970.

MRS. ROB THOMAS MOVES TO LUBBOCK

Mrs. W. O. Thomas (Rob) moved to Lubbock last Friday. She had lived in Tahoka sixty-five years.

Her husband with his associate, C. A. Thomas, owned and operated the Thomas Bros. Drug for many years. This store is now owned by Dayton Parker.

Mrs. Thomas was the first

Worthy Matron of the local chapter of the Eastern Star in 1923. She has held continuous membership. She is a member of the United Methodist Church and is corresponding secretary of the Women's Society of Christian Service.

Her new address is 4707 27th St., Lubbock, Texas 79410. She invites her many Tahoka friends to call.

Tahoka has lost a good citizen. She will be back often to look after her farming interest.

WELCOME PIONEERS

Postal Service Day July First

Thursday, July 1, 1971, has been designated Postal Service Day to mark the inauguration of the United States Postal Service. The purpose behind Postal Service Day is to focus the attention and interest of the public on the beginning date of a new era in postal operations and services, and at the same time to reinforce the tradition of close community ties and service by post offices in every community in the country. The important relationship of service and customer cooperation will be emphasized, because the better postal customers understand how to use the mails, the better service all post offices can provide.

Locally, Postmaster Charles Townes has announced that all members of the community are invited to visit the Tahoka Post Office on July 1st and enjoy the hospitality of the men and women who comprise the new U. S. Postal Service. He requests that such visits be made after 9:30 a.m. A Postal Service Booklet will be available to visitors on request. The booklet describes the U. S. Postal Service, its origin and its future, and will also contain suggestions how postal customers can help the post offices do a better job for them - by using ZIP Code, Mailing Early, etc. Also available for the asking, with a limit of one per customer, are very distinctive souvenir cachet envelopes commemorating the inauguration of the new Postal Service.

The national program will consist of dedication ceremonies held in Washington on July 1st with Postmaster General Winton M. Blount presiding. Honored guests at these ceremonies will include former Postmasters General, the Board of Governors and their wives and others instrumental in the inauguration of the U. S. Postal Service, all of whom will be entertained by musical selections provided by the U. S. Marine Band.

TAHOKA'S FIRST BAND was formed back in early 'teens by Buster Kagle, director. Some of members are Guy King, Milton Jones, Audie Carrington, Ross Ketter, Oscar Roberts, Bruce Williams, and Louis Piwonki. (O. C. Roberts' picture).

100 DAYS

Saturday, June 26

1903-1971

We business people of Tahoka pause a moment to pay tribute to you pioneer families who launched a new life early in this century when you drove out onto these vast virgin Plains of Texas.

Our early settlers asked no aid, gave no quarter — they only wanted the opportunity to develop a home in this new land. They plodded long distances, first lived in tents, dugouts, and little box houses while breaking out the land.

They met the challenge of great distances to town, railroad and doctors. They weathered drouth, blizzard, sandstorm, prairie fire, coyotes, grasshoppers—all the hardships.

Today, we enjoy living in one of the most modern farming areas in the entire world, with all the conveniences possible, among the finest people one could ever hope to find.

We are proud of our county and our towns. We just want you to know we appreciate the people who paved the

way to make this such a desirable place in which to live and do business.

A hundred years ago buffalo, deer, antelope, wild mustangs, prairie dogs, etc. inhabited the Plains, along with the nomadic Comanche Indians, occasional explorers, and Mexican sheepherders.

Then, came the buffalo hunters, the U. S. Cavalry to chase out the Indians, followed by the first ranchers in the 1880's, the first settlers in 1901-03.

Lynn county was organized in 1903, Tahoka established as the county seat, the railroad came in 1910, farmers began coming in increasing numbers, and we have now our present land that still holds great promise for the future.

Yes, we're thankful for our great area and its people.

Jackie Henry To Attend Fireman's School At A & M

Lynn County Farm Bureau will help sponsor 1 volunteer Texas Firemen's Training School July 18-23 at Texas A&M University, according to R. L. Dulin, president of the local farm organization.

Planning to attend from this county is Jackie Henry of Tahoka.

The local county Farm Bureau and the Texas Farm Bureau Insurance Companies of Waco provide most of the money for registration fees, room and board with each volunteer fireman paying a nominal fee. County Farm Bureaus across the state are helping sponsor approximately 100 firemen at the six-day training school.

"Farm Bureau is glad to participate in such a worthwhile program because the skills learned in the training school help hold down property losses and injuries due to fires," the county president said. He added that Farm Bureau also has a continuing program which pays \$75 to a fire department when the department fights a fire on a Farm Bureau-insured's property in a rural area.

The annual firemen's training school at College Station is expected to attract some 3,000 men engaged in fire prevention, control and safety, from municipalities, industries, and armed services, representing more than 700 cities from approximately 40 states and 20 countries. The Farm Bureau has been sponsoring volunteer firemen from rural areas to the school for the past eight years.

Practically all of the training, except fire prevention and administrative procedures, will consist of field operations with apparatus and equipment.

The Texas Farm Bureau has two special conferences planned for those rural firemen sponsored county Farm Bureaus. Texas Farm Bureau President J. T. Woodson will speak to the group on the evening of July 19 on the subject, "Texas Farm Bureau's Interest in Rural Fire Protection." Joe Smetana, Texas Farm Bureau safety director, will present a demonstration on electric shock prevention. Ward Cross, administrative assistant, Texas Farm Bureau Insurance Companies, will talk to the group on the evening of July 20 on the topic, "Preventing Rural Fires."

SOIL CONSERVATION NEWS

By RICHARD L. CHRISTIE

The Soil Conservation Service is nearing the end of the fiscal year. This is June 30 each year and at this time we close all records and begin a new year. So we begin to look at next year and at this time we do not have a large backlog of applications for Great

your place or come by the office across from the Tahoka Cafeteria.

In reflecting back on this past year we see that 29 producers installed Parallel Terraces under the Great Plains Conservation program. These were as follows: Carlton Wilke, Jiggs Swann, C. S. Davis, B. W. Baker, Leonard Dube, Cecil Weid, Mrs. W. C. Steinhauer, Billy Weaver, C. C. Swope, Eulla Davies, Mary Davis, Francis King, Olive King, Willie May Martin, K. E. Warsaw, Don and Dan Thomas, R. C. Ray, E. D. Patterson, C. W. Armes, Gilbert Wiensche, Beulah Rutledge, Dick Franklin, S. M. Clayton, James H. Sander, Alberta McMillian, Woodrow Brewer Claude Lancaster, R. E. McElroy, and L. A. Forsythe.

These terraces were in all areas of the county from North east to Southwest corners.

If you are interested in an over all conservation program on your land you should come by the office of the Soil Conservation Service. We do not know at what time we get allocations for this program. However we need to get those people wishing to have conservation done under this program on record in order that Lynn County will get allocation for funds. This program cost-shared in conservation at varied rate on different practice: Terraces - 60 percent; Grass establishment - 80 percent and Brush Control and Irrigation - 50 percent.

If you think you might be interested let us discuss the Great Plains Conservation Program with you. Call and make a date for us to come to

There was over a million feet of Parallel Terraces built in Lynn County during 1971 Fiscal Year. If you think you are interested in any conservation practices come by the office or call 998-4622.

This County and community has a heritage of gallant men and brave women who came to these barren plains with a vision of rich grazing land and fertile fields for their crops. Towns were organized, schools, churches, stores, wagon yards and gins were built to serve the needs of this new land. Times were hard and money was scarce - but they survived. They worked for their gains and fought for their ideals.

Mrs. Cecil Phillips
... NEE KAREN JANE BONHAM

Bonham-Phillips Vows Repeated June 5

Karen Jane Bonham became the bride of Cecil Phillips at Little York Baptist Church Houston, Texas Saturday evening, June 5th with the Rev.

McElroy officiating. Mrs. Lysle Humphrey Organist accompanied Don Gustafson as he sang "Love is a many Splendored Thing" and "More" during the ceremony he sang "The Lords Prayer".

Parnets of the bride are Mr. and Mrs. Lewis Bonham formerly of Tahoka and Mr. and Mrs. Cecil Phillips of Houston.

The bride appeared in a formal gown of white linen, created in A-line silhouette. The gown was enchanted with wide bands of venise scalloped lace on the entire waist. Motifs of lace were repeated on the skirt and bordered the square train. The veil was imported silk illusion, an open pill

box hat. Karen carried a cascade of red roses.

Mrs. La Verne Bonham served as Matron of honor. The Bridesmaids were attired in formal gowns of hot pink chiffon and carried cascades of white baby roses. Serving were Beth Buenson, Becky Cardoun, and Marjorie Dizick all of Houston.

The groomsmen wore white tuxedo and they were Floyd Dardor, Paul Schooley and John Allen all of Houston. The sanctuary of the church was appointed in white mums and Candelabra.

Candlelighters were Dale Bonham and Dale Olythick, also of Houston.

Mr. and Mrs. Phillips were honored at a reception at the church following the ceremony where the brides colors were carried out.

Mr. and Mrs. Phillip will live in Houston.

As Grand Religion, Kim will visit three Rainbow Assemblies a month. Two of these visits can be made in her own Assembly, with one visit out-of-town. She will also attend

Linda Huffaker, CHD Agent, Says.....

With the kids home all day, it is not unusual to hear, "I'm thirsty" more than several times an hour!

Instead of giving them a constant stream of high-calorie, low-nutrient beverages, why not get in the "Milk-With" habit! Even though June Dairy Month is almost over, milk remains readily available. Hot, hard-playing kids will really inhale these simple, delightful drinks.

For a starter, Milk-With Maple will kill their thirst and give them something to go on! Combine 1/4 teaspoon maple flavoring and 1 teaspoon sugar with a cup of chilled milk. Garnish with fruit chunks stuck on a straw.

Milk-With Bananas will go over so well that they will probably want more! Add 1 tablespoon sugar, 1 egg, 1/2 teaspoon vanilla and 1/3 cup mashed bananas to 1 cup of chilled milk. Sprinkle with a dash of nutmeg.

To make a Banana Nog extra special, separate the egg white from the yolk. Combine the yolk, milk, sugar, banana and vanilla together. Fold in stiffly beaten egg white. Pour into chilled glass, add a scoop of vanilla ice cream, if desired, and a scattering of chopped nut meats.

Kids will bring their friends in to have Milk-With. Peppermint, they will like it so well. Add crushed peppermint stick candy to milk. Chill in refrigerator until candy is dissolved. Top with a dab of whipped cream and peppermint candy stirrer.

Milk-With Cherries is really easy to make and such a pretty color. Mix 2 tablespoons of

canned cherry pie filling with a tall glass of icy cold milk. Garnish with maraschino cherries.

Milk-With-Orange Juice is a nutritious, colorful beverage fortified with eggs. Stir 2 tablespoons fresh-frozen orange juice concentrate into a cup of milk. Add a beaten egg and about a teaspoon of confectioner's sugar. Top with grated nutmeg. Good with fresh homemade cookies.

Raspberry-Milk-With-Marshmallow is also delightful, cool and refreshing. Combine 3 or 4 tablespoons of frozen raspberries, just slightly thawed, with 3 tablespoons of marshmallow cream. Swirl into chilled milk in a tall glass. Serve with a dollop of raspberry sherbert if desired.

Pink-Milk-With-Strawberries will be gone in less than a minute! Mash several fresh strawberries with a little sugar; add to a scoop of ice cream and stir. Pour icy milk over it in a tall glass. Garnish with a bit of whipped cream and one whole berry.

By this time the kids will want to make up their own ideas! They are easy...and, oh, so good for them! Any combination of fruit of flavoring, ice cream and milk is bound to be a good one. Try grape juice, crushed pineapple honey, chocolate, apricot nectar, maple syrup, mint... anything you can think of! Try a mocha flavored one just for mom! They are relaxing and refreshing.

But remember when you are making these beverages and other foods with dairy products and eggs -- proper handling is most important! Never use cracked or broken eggs -- and always keep products refrigerated (below 40 degrees F.) until just before serving. Bacteria love these foods almost as much as the kids will, so don't spoil the treat by risking infection.

It takes thousands of cars to move wheat at harvest time—**Santa Fe is ready!**

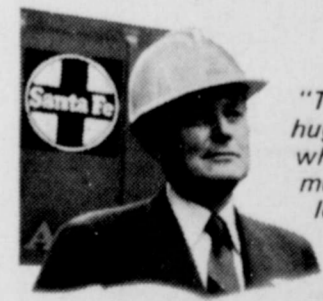

420-million bushels is the estimated harvest now getting under way in the southwest and midwest wheat belt. This harvest has to be moved from growing areas to elevators and mills, also to ports for export.

Here's how Santa Fe has been getting ready for this big job.

At the start of the year we ordered 800 giant 100-ton covered hopper cars which are ideal for moving wheat, potash and bulk commodities as they can be loaded in twelve minutes and unloaded in about three minutes. During April we added 500 more to increase the order to 1300 cars, so we could have almost 10,000 giant hoppers ready by harvest. We also use box cars and other types of equipment to keep the wheat rolling.

And there are other ways we are ready for this big job. Last year we expanded and automated our Argentine Yard at Kansas City, which is a busy wheat terminal. Our data center at Topeka is prepared to keep constant check on cars to gain the best possible utilization of equipment. Diesel units have been added to our locomotive fleet and older units updated to move the wheat trains.

Now the harvest is starting and Santa Fe people, with their experience and dedication, are ready to handle this big transportation job. All together we are making our strongest effort to move this year's wheat harvest while at the same time keeping all other freight moving across our railway.

"To efficiently move huge volumes of wheat at harvest time must depend on fast loading and unloading of cars by shippers, elevator operators and at port terminals. We must also rely on prompt inspection by government agencies. Through cooperation with everyone in the grain industry, Santa Fe is making an all out effort to move this year's wheat harvest without a serious car shortage."

Past Days In Lynn County
Copied from June 22, 1933
S. H. Woods, who lives out a few miles northeast of Tahoka, has a nanny goat of which he is justly proud. She is the mother of quadruplets, and the four kids, now more than two months old, are all vigorous and healthy.
Mr. Woods says that he has heard of other goats that gave birth to as many as four kids in a bunch but not all the offspring were strong enough to survive. These kids of his have been healthy from the start.
If there is another goat in Lynn county that can equal this record The News invites her to butt in and show her stuff.
In a good game played on the Lubbock diamond, Tahoka's crack baseball team hung up another victory last Sunday. The score was a tie at the end of the ninth inning but at the end of the tenth the score stood 10 to 8 in Tahoka's favor.
Tahoka has thus far played eight games and won seven of them. Her per centage is .875, and she has already clinched a lead for the first half of the season's games. There are two other games to be played and if she were to lose both of them she would still be ahead of her nearest competitor.
Abernathy come to Tahoka for a game next Sunday and Tahoka goes to Amherst the following Sunday for the final game of the first half.
The first game of the second half is scheduled to be played with Slaton in that city on July 4.
The New Lynn Home Demonstration Club met with Mrs. Winnie Bartley Tuesday and quilted two quilts for her.

The Bible says something about the time coming when a child shall play on the hole of an asp and shapp put his hand on the adder's den, but it does not say anything about poking a rattlesnake with a sharp stick.
Nevertheless, that is what happened at the home of Mr. and Mrs. Harold Edwards last Friday afternoon. Mrs. Edwards and a neighbor lady sitting on the front porch were attracted by some sort of a commotion in the yard and upon looking around they saw J. H. Junior, 2, poking a sharp stick at the rattlesnake, which was striking every time his young tormentor would punch. Mrs. Edwards and the neighbor lady snatched her young son out of reach of the reptile and then got a hoe and made war on the intruder. He was cut in two just above the rattles and the main division wriggled off under the house. He was found dead under the floor the next day. The tail which she cut off with the hoe bore seven rattles.
Many years hence J. H. Jr. will probably take his grandchildren on his knee and tell them of the fun he had tormenting that rattlesnake.
"Many people seem to misunderstand the postage rate reduction that goes into effect July 1," Postmaster D. A. Parkhurst states. "The new two cent rates applies only to letters mailed for local delivery. In other words, a person served by the local post office may send a letter to some other person served by this same office for two cents, but all letters that go from here to other post offices must use a 3 cent stamp. The local office service includes Tahoka and its five rural routes, and the sub-stations at Draw and New Home."
While removing some flour from a stack of sacks in the rear end of Boullion's Store up to the front on last Friday, Tom Chloe was the victim of an accident that fractured the arch bone of one of his feet and put him on crutches for several weeks.
Tom was on a ladder pulling the sacks from the top of the tier and handing them down to Lewis Chandler, when the tier careened and toppled over. To escape falling and being caught under the flour Tom leaped from the ladder to the floor. The impact caused the injury. An x-ray examination in the West Texas Hospital a few hours later revealed a fracture of the bone and Tom was instructed not to attempt to use the foot for at least five weeks.
Lewis Chandler barely escaped being caught by the falling flour, and had he failed to get out of the way he would doubtless have been seriously hurt.

A farm house belonging to Carl Williams, situated four miles nearly east of Draw, was totally destroyed by fire last Friday night. Practically all the furniture in the house and a Whippet automobile standing by the side of the house were likewise destroyed.
The fire started from an oil stove that was left burning while Mrs. Williams was out at the barn gathering up the eggs. Mr. Williams was still in the field and could not get to the house in time to save it.
Neighbors and friends and business men of Tahoka and other places made donations of money and merchandise for the benefit of the unfortunate family.
J. Emory Nance, former Security State Bank employee here and a son-in-law of Mr. and Mrs. W. L. Knight, has enlisted with the Naval Reserve Air Corps in Washington, D. C. He will make his first solo flight soon. Nance has been in Washington three or four years.
Dr. and Mrs. E. E. Callaway and Mr. and Mrs. C. A. Thomas and son Skiles returned Sunday night from Chicago, where they went to see the World's Fair. According to Dr. Callaway and Mr. Thomas, this is some show. Get 'em to tell you about it too much to print in a country newspaper.

On June 17th the Ginnners were to meet the Tatum Brothers, but Tatum had too many men on tractors to get up a team with the new rule that if a team has six men or less they must forfeit and if seven men has a team they must play them and pick up no one.

The second game was won by the Tigers over the Pacesetters 13-6. Leonard Dunn was the winning pitcher. Joel Inklebarger pitched in relief for Dunn. Mike Caldwell started for the Pacesetters and took the loss. Charlie Tipton and

Bill Chancy relieved late in the game.

June 21: Tatum Brothers took on the Tigers and lost 13-6. Leonard Dunn won and Alton James the loser. Jim Brown pitched in relief for James.

The Mean Green Ginnners faced the Big Red Machine Pacesetters in the second game. Ricky Edwards was on the mound for the Mean Green. Sam Davis for the Pacesetters. Ricky Edwards set a new league record by hitting six men in a game. But the Ginnners won 7-3.

ALL-Stars Play In Tournament

The Tahoka Softball League All-Stars played in the Lamesa Softball Tournament this past weekend and did very well. Tahoka started winning its first game over Bob Brown Motor by a score of 11-3. Leonard Dunn pitched and was the winning pitcher. Rick Edwards hit a home run in that ball game.

On Saturday morning at 9:30 a. m. Tahoka played again. Leonard Dunn took the mound again for Tahoka. The All-Stars had trouble getting started and lost 4-2. Morris Bingham relieved Leonard Dunn in later innings.

Then at one o'clock the All-Stars took the field against the Luggage Shop out of Lubbock. Leonard Dunn with less

than two hours rest took the mound again. Tahoka took a two run lead in the first inning but lost 5-3. Morris Bingham relieved Dunn again. Johnny Armes had the hitting in the two games Saturday going 6 for 7 in the two games combines.

All the players played hard and good. The people of Tahoka missed some fine ball playing and should be proud of these men that represented Tahoka very well in the Lamesa Tournament.

Bill Chancy is the manager and the players are Johnny Armes, Joe Brooks, Leonard Dunn, Mike Davis, Morris Bingham, Cecil Robinson, Greg Thomas, Doyle Schneider, Milt Miller, Rick Edwards, Mike Huffaker, Roy Smith, Don Coats, James T. Bingham, Charlie Brown, Dennis Fenton, and Charlie Holland.

Men Compete In State Trap Shoot

Six shooters ran 100 straight in the Lone Star Singles Event and the state's doubles king, Britt Robinson, captured two doubles events to highlight Friday's state trapshooting tournament action. Attendance swelled toward a record crowd at the Amarillo Gun Club.

The Lone Star Singles Event was the afternoon's final competition which produced a fitting climax to an impressive day of shooting in all classes.

In Class AA, John Guitar,

Gene Sears and C. H. Young each ran 100 sending the title search into a shootoff today. Billy Russ, Tahoka, won Class A (Open) by running 100, while Fred Lilly, Houston, and John Tolleson matched the feat in winning Class B (Open) and Class C (Open) respectively.

In the same event, Don Dear, Perryton, and Brooks Gilbert, Electra, each fired 99 to win Runner-Up Class B (Open) and Class D (Open) honors respectively.

Robinson, the Tahoka native who owns the state's high overall and high doubles averages, came out ahead in shootoffs in both doubles events completed Friday.

In the preliminary doubles event, completed Friday after inclement weather forced competition to halt prematurely Thursday, Robinson and John Guitar, Colorado Springs, Colo., each dropped just two of 100 targets, but Robinson won the shootoff by hitting 19 of 20 birds.

Texas State Doubles Event saw Robinson and Larry Gravestock, Wichita Falls, each hit 97 of 100 targets, and Robinson repeated to win the shootoff with 19 of 20 birds, one more hit than Gravestock.

Other top rounds posted in the Texas State Doubles Event were a 98 by High (Open) winner, Tommy Oldridge, and 96 recorded by state Class AA winner, Fred Wright of Dallas (won in shootoff over Dale Prouse of Amarillo) and Class A state winner John Hall, Houston.

In other shootoff action, Bill Nix of Amarillo became the first local shooter to win by outshooting Jim Cullum, Wichita Falls, for runner-up honors in Class AA (Open) preliminary doubles.

Jack Lee of Amarillo took the open Class A event of the Texas State Doubles with a creditable 94.

John R. Downes, to whom the 1971 state tournament has been dedicated, won the state high veteran category of the Texas State Doubles Event with a 94.

Entries Friday swelled to 220 shooters, topping off a record opening day crowd of 169.

"The all-time attendance record for a state hunt is 287 set in 1968 at Ft. Worth, and we expect to break that mark

Saturday," said Keith Hayhurst, Amarillo Gun Club president.

Results of area men are as follows: Billy Russ, O'Donnell won the Class A Lone Star Singles, he broke the 100 straight.

Dudley Coleman, Ackerly won the State Class B Division with 198 out of 200.

Jim Hardwick of Lamesa missed the first bird out and broke 199 straight in a 200 bird race, but lost Class A in the shoot-off.

Britt Robinson, Tahoka won open class AA Doubles with a 98. He won the State Championship in doubles with a 97 after a shoot-off, and won High Over - all on 800 targets. Britt is Co-Captain of the 1969 - 70 All American Team and on combined averages he has been number 1 in the nation for the past two years.
