DISTRICT GOVERNOR ADDRESSES LIONS CLUB

The District Governor of Lions Clubs met with the noon luncheon group here in Spearman last Tuesday. Lions members enjoyed the address given by Gov. J. W. Robinson Jr.

Antiquities Were Displayed Mon.

If you are an "Antique" enthusiast, and missed the show held Monday afternoon in the Farm Bureau rooms, you can feel disappointed, for this was a real show.

Lately we have been forced, often to enjoy antiques not so very ancient, but if you were a visitor at the show Monday you didn't see an of our (modern) antiques.

Perhaps the oldest item on display was a hand-made baby quilt, age 112 years, made from scraps of hair ribbons, velvet & satin had scraps, all embroidered together in feather stitching. Two other quilts dated back 100 years.

China, cut glass, civil war relics, clocks, buffalo-gun shells, hand-made table silver, early American dough bowls, furniture, lamps, you name it, it was on display.

Some thirty persons exhibited dozens of items. The show and silver tea was sponsored by the Dahlia Flower Club of Spearman to raise funds for the Islette to be purchased for the Nursery at Hansford Hospital.

Marion Glover Opens Addition

Mr. Marion Glover, Evant, Texas, former resident of this city, has opened up more land in the Glover Terrace addition to Spearman. This is classified as Unit No. 2, and extends Bernice street to 12th street.

Although building permits for new residence homes are pending, the only building under construction in the new unit at this time is the new Lutheran church.

The street is under construction at this time, and will be a beautiful winding drive.

Hot & Cold Blasts

A cool front invaded the area Monday of this week giving relief from summer temperatures which returned to the Panhandle over the week end.

Monday, all heating stoves were going full blast, following Sunday's 93 degree heat wave, (record for this time of year, when air conditioners were all on full blast).

No moisture however, and our maize harvest will be in full swing within the next few days.

The past week's weather report follows:

	hi	low
Oct. 5	63	45
Oct. 6	76	47
Oct. 7	79	47
Oct. 8	83	45
Oct. 9	92	46

and six yards and a 67 yard pass with 12 seconds to play.

The Eagles scored their first six points on an 82 yard pass from Ronnie Adkins to Herschel Kime in the second quarter. Harbison ran 51 yards for their 2nd score.

Early in the first quarter the Lynx recovered an Eagle fumble at the Sanford - Fitch 11. Dave Clement went in from the one for the first six points.

Midway in the first quarter Spearman's Kenneth Shufeldt added a one-yard touchdown run. Early in the second quarter full-back Clayton Cochran raced 37 yards to score. Cochran fielded the second half kick-off at his 25 and picked his way in for a nice run. Less than two minutes later Gary Cates ran a punt back 78 yards for six more points. Jerry Holton ran the conversion.

Still in the third period, Clement went in from four yards out on a keeper and Hal Shufeldt hit right tackle for the conversion. At this point the Lynx led 41-6. Later Charles Sheldknight pitched out to Hal Shufeldt who marched of the needed six yards for another TD!

Seconds before the game ended Sheldknight and Hal combined forces on a 67 yard aerial TD and Mike Babbs ran the conversion.

Kenneth Shufeldt gained 103 yards in 14 carries. His brother, Hal collected 50 on the ground & 86 in the air. Little Cates almost stole the whole show, however, with his 78 yard touchdown run!

Spearman plays host to Stinnett Friday night at Lynx Stadium. This is rated the "game of the week" in the Panhandle. Stinnett is one of the top teams in the District and has lost only to No. 1, Dalhart, 8-0.

Pay Poll Tax Vote In 1966!

Tax collector and Assessor J. B. Cooke, stated this week that you still have to pay poll tax if you plan to vote in the important elections coming up in 1966.

There is a bill before High courts now to see if the few states which still require Poll Tax to vote may abandon the law. However, when this bill will be settled is questionable, so if you wish to be sure of a vote on Constitutional amendments, county elections, etc., in 1966, your poll tax is new due & payable at the tax office in the Court House for \$1.50. You may mail this in with your tax statements.

Homemakers Notes

HOMEMAKING NOTES
Forty-six finalists will be featured in the 1965 State 4-H Dress Revue, October 15-16 in Dallas.

These outstanding seamstresses will be representing 12 Extension Service Districts and thus represent the 16,000 Texas girls enrolled in 4-H Clothing work this year.

Jamie Trindle, daughter of the John Trindle's of Spearman

is one of four 4H girls representing District 1 in the State Dress Revue.

Judging of garments will take place October 15 at Hotel Adolphus. Two 4H fashion revues will be held for the public at 10 and 11 a m on October 16 in the Women's Building Auditorium at State Fair park.

Jamie will be accompanied to Dallas by her mother and me and as you read this we will probably be near our destination, as we are due in Dallas around 3 p. m. on Thursday, October 14.

Four Texas Home Demonstration agents have been named winners of the Distinguished Service Award for 1965. This is the highest honor given by the National Association of Extension Home Economists.

This item will be of particular interest to some in our area who are acquainted with 2 of the recipients — Mrs. Mona Hildreth, H. D. agent of Potter County (Amarillo), and Mrs. Lou Jeffers, H. D. agent for Upton & Reagan Counties, formerly agent in Ochiltree County. The other recipients for the Distinguished Service Award are Mrs. Bernice Murray, San Saba County, and Mrs. Sue Farris, Harrison County.

The awards will be given at the Annual meeting of the National Association of Extension Home Economists in Kansas, City, October 26 — 29. All of these agents are quite deserving of this honor, for their outstanding work in the Extension Service.

WEIGHT WATCHERS - TAKE NOTE!
USDA nutritionists say time spent in moderate activity instead of reading, watching TV or

playing cards can help take off extra pounds.

An overweight woman who eats just enough to maintain her weight can lose about nine pounds in a year by substituting daily an hour of activities such as light gardening or a brisk walk for an hour of sitting activities.

An extra second hour spent in active recreation instead of sitting will let her lose 15 lbs. per year, for a total of twenty four pounds without a change in diet.

Sports such as bowling, tennis and swimming offer excellent exercise opportunities.

THE LAST NOTE Welcome to October, the season when we must find excuses for putting off till warmer weather all the things we've been postponing until it was cooler.

THEY RODE A SURREY WITH A FRINGE ON TOP

The Rolling Plains Wagon Train was invited by Wagonmaster B. F. Broadway and Trailboss Garth Robinson of the Cedar - Brokes, Wagon Train to ride in their annual trailride from Dublin to Waco.

Representing the Rolling Plains Wagon Train on this trailride were Mr. and Mrs. Earl Riley, with a pair of little mules, Doss Atchley who took his 100 year old wagon and Mr. Wade of Stinnett with a riding mule. They met Mr. and Mrs. Zebbie Land of Pampa who have Zebbie's Catering Service, which caters to all Rolling Plains rides in Meridian. By the time they returned to Spearman, 1200 miles had been traveled and 10 days had passed.

Mr. and Mrs. Riley were furnished a black Surrey with red upholstery & red fringe to ride

on the trip and then in the parade at Waco.

They reached Waco for the Heart of Texas Fair & the Wagon train was in the parade.

There were 450 people on the train, riding 101 miles which lasted four days in wagons, buggies, hacks, two surreys & on horse back.

New Elegance! New Excellence! New Excitement!

The finest of all Cadillacs is here! It greets you with an exciting new elegance surpassing even the Cadillac styling triumphs of years gone by. Its dazzling new look is highlighted by a totally new split-level grille and by new clean-swept body contours. And its interiors have never been more breathtaking! New

leathers, new fabrics and new appointments (with dramatic walnut paneling on all Fleetwood models) impart an air of unrivaled distinction and luxury. And Cadillac's traditional engineering excellence rewards you with a number of suspension, chassis, and acoustical advances which result in an almost incredible

smoothness and quietness of operation. Finally, consider the excitement of Cadillac's new performance. You'll marvel at the new alertness and the wonderful handling ease provided by Cadillac's exclusive variable-ratio power steering. Visit your Cadillac dealer and drive the great new Standard of the World!

Cottage Prayer Meeting Held

There was a tea at 8:00 p. m. in
 the First Christian church for the
 ladies of this town who have or-
 ganized their homes for cottage
 prayer meetings for the Christ
 For All Crusade. This tea was
 under the direction of Rev. T. J.
 Taylor, pastor of the Assembly
 of God church and chairman of
 the prayer committee.

Brother Herring of Baptist Fel-
 lowship church opened the tea
 with prayer. An inspiring talk
 on the importance of prayer for
 the crusade was given by Rev.
 Berry, pastor of the First Baptist
 church. Rev. Taylor gave in-
 structions on the prayer meet-
 ing procedure.

Coy Palmer sang "Key to the
 Kingdom" and was accompanied
 by Mrs. George Bollinger. Rev.
 Berry introduced the main speak-
 er, Rev. Edgar Jones, pastor of
 the First Baptist church of Fer-
 rington.

Dela Blodgett and Alta Fisher
 were hostesses and prepared a
 table covered with a white hand
 cut cloth centered with autumn
 colored spray of small mums.
 Mrs. Luther Berry served the
 coffee and Mrs. T. J. Taylor served
 the tea from sterling silver
 serving pieces. There were small
 sandwiches and cookies served to
 approximately 42 guests.

These prayer meetings will be
 on Tuesdays and Fridays from
 October 12 through November 12
 and will coincide with KBMF
 radio program "Christ For All
 Prayer Time" at 10:00 to 10:15 a.
 m. Prayer will be from 10:15
 to 10:45 a. m. and will not be a
 dressed up affair and no refresh-
 ments will be served.

Everyone is invited to attend
 a prayer meeting in a home in
 their vicinity. Homes to be open
 for cottage prayer meetings are
 Wesley Garnett, Robert H. Crav,
 Eddie Gates, Ted Widener, J. W.
 Pickin, Gramah Pugh, Orville
 Fullbright, George Collard, Luth-

New Officers Named To Head Farm Bureau

At the county convention for
 Farm Bureau members held Oct-
 ober 7 in Gruver, Willard McCloy
 of Morse was elected new pres-
 ident for the organization. He re-
 places Robert Novak.

Carl Cooper of Gruver is Vice-
 president and Delon Kirk was
 reelected Secretary-Treasurer.

The highlight of the convention
 was the presentation of the
 Youth awards, given annually to
 outstanding FFA and FHA stu-
 dents as well as to 4-H boys and
 girls.

Susan Hutchison of Spearman
 and Mack Hoel of Gruver re-
 ceived awards for being the out-
 standing Future Homemakers and
 Future Farmers of the year. Susan
 is the daughter of Mr. and Mrs.

Top — The 1966 Oldsmobile Toronado, with front-wheel drive, is the most unique automobile in many years. A six-passenger hardtop coupe, it is available in a standard or deluxe model. Driving traction and handling under every conceivable road condition are only two of the outstanding characteristics of this car. In styling, too, the Toronado is distinctive and unique. A specially-modified 425-cubic-inch Toronado V-8 and Turbo Hydra-Matic transmission deliver power to the front wheels. Inside the Toronado provides full 6-passenger spaciousness and features a flat floor.

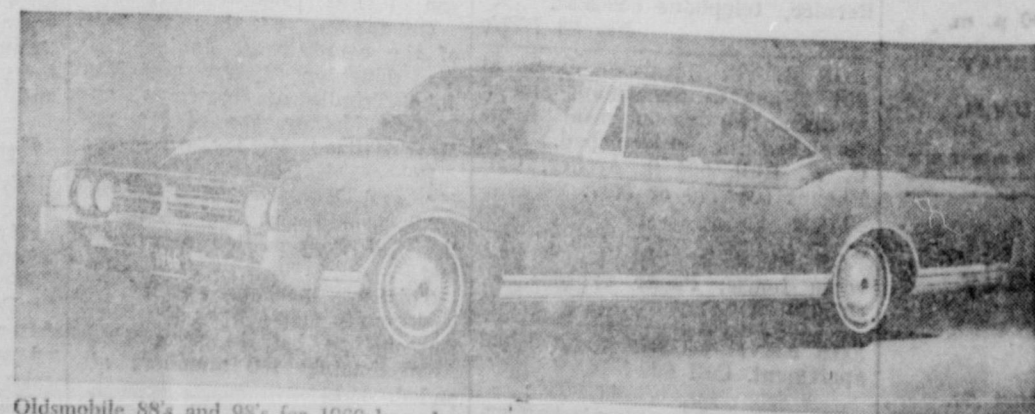

Bottom — Newly distinctive styling features on the Oldsmobile 4-4-2's for 1966 include specific grille and tail lamps, recessed front fender scoops, plain hood and deck lid and specially-designed ornamentation. The 4-4-2 is powered by its own 400 cubic inch V-8 engine, equipped with Oldsmobile's new Quadrajet 4-barrel carburetor for improved economy, performance, and better idling.

Oldsmobile's introduction of the Cutlass Supreme for 1966 brings a four-door hardtop to the F-85 line for the first time. Displaying the same "Holiday" styling of the full-size, four-door Oldsmobile Rocket V-8 which may be teamed with the highly efficient Jetaway automatic transmission, the Cutlass Supreme features an extra-luxurious interior and optional vinyl-clad roof. Like all of the Cutlass models, the Supreme is powered by the 10.25-to-1, 330-cubic-inch Jetfire V-8 which may be teamed with the highly efficient Jetaway automatic transmission.

Oldsmobile 88's and 95's for 1966 have been redesigned, giving them a longer, lower look. Styling is more distinctive for each series and includes completely new front and rear end appearance. As seen on this 1966 Delta 88 Holiday coupe, rectangular headlamp housings and a new grille add to the impression of width. The Delta 88's are powered by Oldsmobile's 425-cubic-inch Super Rocket engine.

SCHOOL FOR RETARDED IS COUNCIL'S PROJECT

The Hansford County Council Parents and Teachers Association met October 1 at 9:30 a.m. in the High School Home ec room. Mrs. Jack Gillispie, president, presided over the business meeting. She reported on the convention held in Austin in June. Seventeen members were present.

The council plans to work on next year's project which was to build a school for retarded children. Committees were appointed to look into various ways the council might best benefit this very important project.

Mrs. E. J. Callaway Jr. Mrs. Frankie Hall and Mrs. Preston Smith served refreshments to those present.

Mr. and Mrs. Winfred Lewis recently returned from a trip seeing the sights downstate and returned by Carlsbad, New Mexico to visit their daughter and Mrs. Barry Martin.

JOCK LEE VISITS EUROPE

By Phyllis Davis

How would you like to visit Madrid, Paris, and London? Well this is just what Jock Lee did. He left September 2 on the beginning of his adventurous trip. He made his first stop in Toledo, Spain. There he saw some very impressive cathedrals, as were seen throughout his journey in Spain. One of the really unusual things which Jock saw in Spain were houses built on cliffs of solid stone. Jock didn't seem to care too much for the food in Spain. One of the meals our adventurous sophomore boy had contained french fried squid and whole roast pig; they were good until Jock found out what he was eating. He said that the land in Spain was poor, rocky, and dry. Spain is a very backward country compared to the U. S.

Jock's stop was Paris. In Paris he saw the Eiffel Tower and the Arc de Triumf and Notre Dame Cathedral. He took an impressive boat ride down the Seine River. Jock said that the food in Paris was a little better than that of Spain. The country side was also much prettier.

Jock's final stop was London, where he seemed to really have a good time. London was shown to him by a boy that had stayed with friends of his aunt for three years. The boy was a secretary to one of the members of Parliament. He took Jock through the House of Commons and the House of Lords. In London they saw Big Ben and St. Paul's Cathedral. He visited the speaker's Corner and Buckingham Palace, where he saw the changing of the guard. To top off his visit in London Jock Lee went to one of the theatres and saw 'Camelot'. Jock was really impressed by the friendliness of the people in London as they made him feel right at home.

Jock thoroughly enjoyed his trip. His only handicap seemed to be not being able to speak French and Spanish. As one last note, Jock said all the teenagers looked like beatniks. The boys wear their hair as long or longer than the girls. The girls wear high top boots and the colors of their clothes clash.

KEEP YOUR SCHOOL CLEAN

"I forgot my paper, so I'll write my assignment on my desk! I don't want to clutter up my locker, so I'll just throw this gum wrapper on the floor. Gee, my hands got dirty, I haven't time to wash them - I'll just wipe some of the dirt off on the wall."

Do one of these situations fit you? It's certainly easier to take the most convenient way out. Besides the janitor is around and he'll do it. But what impression does a visitor get if the janitor misses a spot? Here we have a million dollar school, yet no one cares enough to pick up a paper.

Sure, the janitor will overlook some things, that is where we as inhabitants of SHS do our part in keeping our school to be admired by visitors.

We all forget sometimes it takes the hunt forwardness of a child to bring us to reality.

The following is a story written by a fifth grader pretending to be the old janitor high. As you read, realize we need some of the same enthusiasm to keep our school clean.

AN OLD TIMER GONE MODERN

by Greg Banks

It's been a long time that I have been a school house. I was born 1930. Then when I was five years old in 1935, there was a big dust storm. It covered me with dust. As years went by I just stood there getting uglier & uglier. Every morning it was the same children. They made so much noise. Time flew by and nobody even looked at me because I was so ugly. Then thirty five years after I was born (in 1965) good news came. It was going to be summer and they were going to remodel me. I took them all summer, but I didn't care, for I was happy. Now, I stand in front with a big smile, and I'm so happy because everybody stands and admires me now. I also hear them talking about how nice and pretty I look inside. I hope they keep me that way.

NEW HOMEMAKING TEACHER

Mrs. Claudine Clark, our new SHS homemaker teacher has been engaged to assist Mrs. Hudson this year. They have the important job of giving needed experience to future homemakers. Having taught in the Amarillo Lubbock and Vega school systems, Mrs. Clark has come to Spearman with a good deal of experience.

Mrs. Clark is a graduate of West Texas State and is back home in Spearman, where she was born and reared.

She is very happy with our wonderful Home Economics department and is also thrilled by the number of girls who are so interested in the course.

WANT TO BE A NURSE?

The FNA met Thursday, September 30 for the purpose of reorganizing for the year. New members were registered and their uniforms ordered. Dickie passed out information on Northwest Texas Hospital and the meeting was adjourned.

The purpose of FNA is to see whether or not a person really wants to become a nurse. The members of FNA work at Hansford Hospital and Pioneer Manor. Everything they do is volunteer work. This organization is open to girls, as well as boys.

During the summer we elected officers. The officers serving for this year are President Ann Jackson; Vice-President Debbie Standen; Treasurer Donna Ownbey; Secretary Sharon Archer; Recording Secretary Stephanie Patton; Parliamentarian Arbeta Tackitt; Sergeant Arms Kathy Reynolds; Reporter Lynn Robinson; Prm. Chairman Rebecca Hutchison; Chaplain Kay Jackson; and Yearbook Committee Penny Gaither & Jeri Grange.

WHAT STARTED HALLOWEEN?

Customs and superstitions have gathered through the ages to go into our celebration of Halloween or Holy Eve, on Oct. 31. The day is so named because it is the eve of the festival of all saints.

The Druids, an order of Priests in ancient Gaul & Britain believed on Halloween, ghosts, spirits, fairies, witches, and elves came out to harm the people. They believed the cat was sacred because to them a cat was really changed because of his evil deeds.

An Irish origin of the Jack-O-Lantern states that a man named Jack couldn't enter heaven because he was selfish and he couldn't enter hell because he played jokes on the devil so he walked the earth with his lantern until Judgement Day.

In the early times of the U. S. Halloween was a time for playing harmless pranks, but in later years many kids began playing pranks not so harmless. In some cities today, police work on Halloween to prevent harmful pranks.

HALLOWEEN CARNIVAL WILL BE IN COMMUNITY BUILDING

The Student Council of SHS is striving toward a successful Halloween Carnival. To do so it has decided to have a "Halloween Queen" contest, with the fun being that the contestants are boys!

In "Macbeth" Shakespeare gives us a fair description of his... Halloween Queens, (not exactly Halloween, but we'll see if they pass muster after seeing our contestants on October 30).

Shakespeare's dolls were so marvelous that Macbeth wondered if they were real; they were raggedly dressed, withered, choppy-fingered, skinny limped and bearded.

So come on out to the Community Building October 30 at 7:30 p.m. and see SHS's beard-faced, his-footed, large-knuckled, hairy-legged "sweethearts". There will be a contestant from each high school class. Votes will be tallotted on a "penny a vote" basis.

And Mom don't worry with supper because the Student Council will be selling food, cokes, candy and coffee during the carnival.

FUTURE HOMEMAKERS MET

The Future Homemakers of America at Spearman High School met at 7 p.m. Oct. 4 in the Home Ec Department.

Debra Brock led the group in singing several songs. She Sloan and Thel Daniel taught the girls "Song of the Future Homemakers". Dr. Reeves was the speaker for the evening, and spoke on Challenges of the Future.

New year books were distributed and refreshments were served. Linda McElreath, Vickie Mickler and Margaret White.

FIFTH GRADERS SAY THANKS

Dear Taxpayer,

We, the students of Spearman Junior High School, would like to express our appreciation to you for your part in remodeling our school. Now our building is more attractive, and a better place in which to learn. To show our appreciation, some of the students wrote this poem:

MY SCHOOL

This school of mine
Is very fine.
Every New light
Helps the eyesight.
Tile on the floors,
Varnish on the doors,
Fresh paint on the walls,
Ceramic tile in the halls,
All help me think
As quick as a wink.
To show my appreciation
I feel an obligation
To keep my school clean,
The best ever seen!

To help show our appreciation, we would like you to know that we will try and keep this building as nice as it is now, for as long as possible.

Sincerely,
Students of Spearman Jr. High

STUDENTS CAN GET FINANCIAL HELP FROM SOCIAL SECURITY

If you have a student in school and you are trying to figure out how to keep him there, perhaps social security can help. There are students in this area who may be eligible for SS benefit as a result of recent changes in the SS law.

Under the new law, if a child was receiving benefits on a parent's SS record and these benefits stopped when the child reached 18, the child may be able to receive benefits again if he is a full time student under 22 years of age and not married.

Cheer-Leaders Work Hard

A cheerleader puts in a good deal of preparation for her job. She doesn't just yell at a game or pen rally but spends the whole week getting the students and herself ready for the games.

A cheerleader begins her work immediately after spring election and continues the work until her year has expired. After being elected, she begins her work with her attendance at summer cheerleading school. She attends practices all summer long. She makes signs for the halls to spread school spirit among the students. She helps plan the pep rally and other jobs such as putting up a display in the hall and making signs to put up. When something special comes up, such as the bonfire, the cheerleaders put in a great amount of extra time and energy. Being a cheerleader is a major job and needs major consideration.

A. C. T. TEST ARE GIVEN

The test asks for the kind of information colleges need to help you make satisfactory educational plans. They ask questions about your academic and vocational fields of interest. They ask whether you plan to work part-time while attending college; and, if so, the types of work you prefer. Tests are given on Sat. mornings so as to not interfere with regular class schedules.

Warner Bros. Picture Praised

"Dear Heart" is played out in attractive performances by Geraldine Page and Glenn Ford in this comedy. Geraldine Page is as a good-hearted busybody who has come to New York from Ohio for a postmasters' convention. Glenn Ford, a greeting card salesman in the city on business, is planning to marry a widow from Pennsylvania. Geraldine Page's and Glenn Ford's lives cross at the hotel and are gradually interwoven. Extra comedy is supplied by Michael Anderson Jr. who plays the Penn. widow's son who also has come to New York with his girlfriend (to remove his adolescent problems off on his new father.) There is one unnecessary part of comedy in poor taste, when Glenn Ford has a date with Barbara Nichols, a salesgirl of easy virtue.

(Warner Brothers picture)

School Cafeteria Is Excellent

Contrary to common belief, food in cafeterias are not simply thrown together any old way. This is especially true in S.H.S. The dinner is prepared in a creditable manner by Doris Wilde, Ruth Kirkland, Ila Kibler, Opal Harder, Reba Menge, and Lee Graham. Out of 337 students in S.H.S., about 200 eat in the cafeteria every day, thanks to Jean Higgins, who plans the meals so that they meet the dietary requirements.

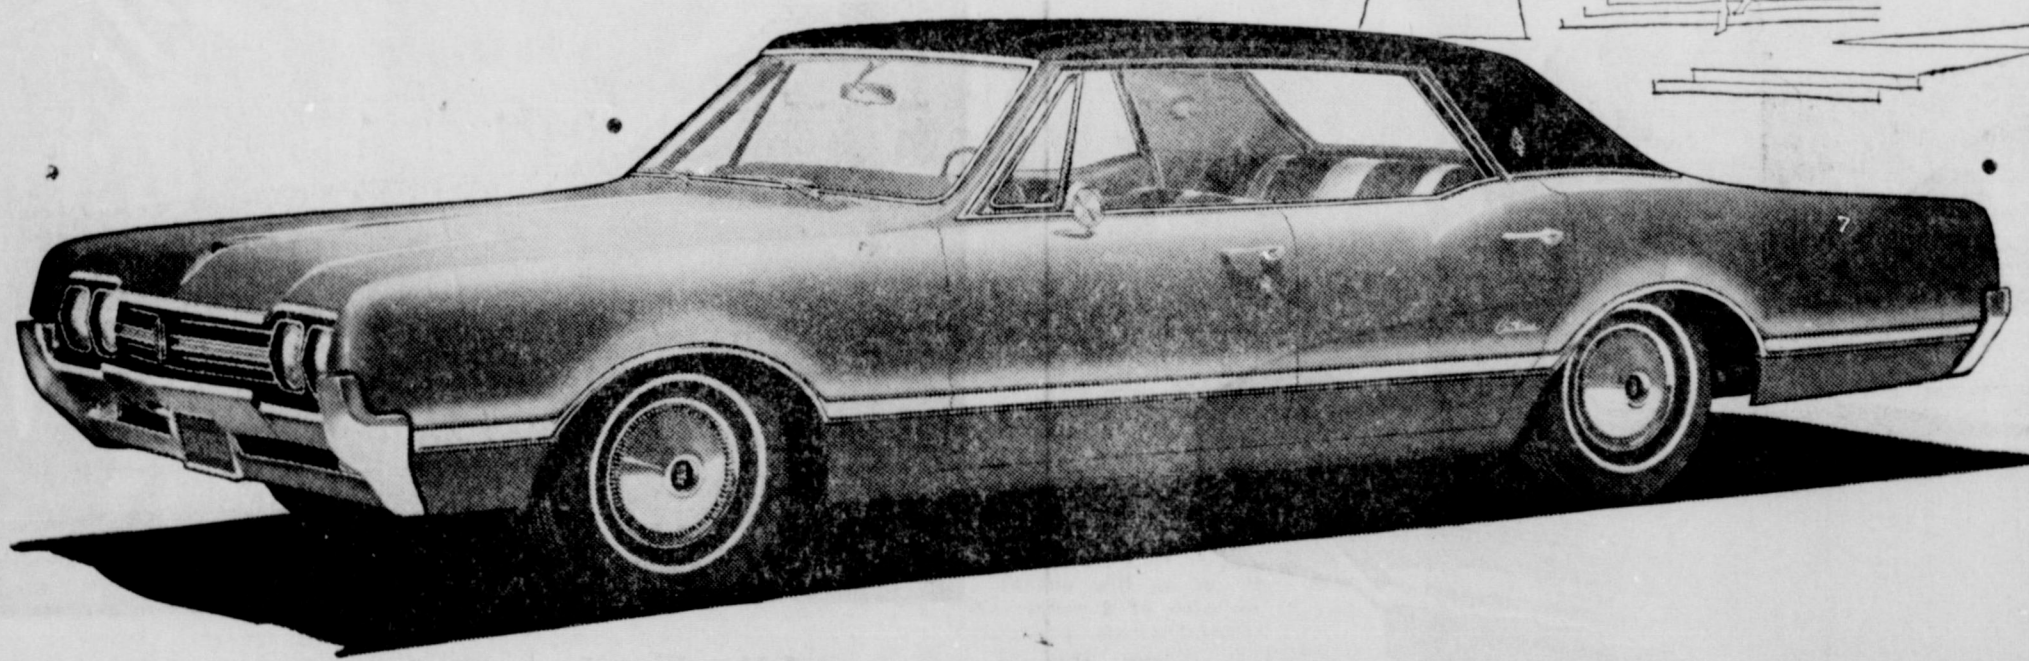

The meals, which range from sandwiches to steaks, are government regulated and well worth the forty cents charged. The students in S.H.S. should be proud of their cafeteria, its management, and the meals served.

Competition Bon-Fires, Thursday

Last Thursday night there were competition bon-fires between the freshmen and juniors against the sophomores and seniors. The purpose of the competition was to see which group could gather the most firewood. The group gathering the most wood got to burn the Sanford-Fritch dummy. The dummy was thrown onto the fire by the freshmen and junior cheerleaders, indicating that their group had won the competition.

COFFEE and DOUGHNUTS ALL DAY!

Introducing the tuned car. 1966 Buick.

*What makes a car a car is styling, performance,
ride and handling. Only when they're all tuned together
is the car a Buick. Like this 1966 Riviera Gran Sport.*

You know how well your car's engine runs after a tuneup? Buick tuning has the same effect on the whole car. Not just the engine. The whole Buick. Everything blends with everything else. Styling. Performance. Ride. Handling. All tuned to work together in harmony. That's what the tuned car is. A Buick. Only Buick is the tuned car. (And every Buick is the tuned car.) What the tuned car is is a masterful blending of all the things that make a great car greater. The Riviera for 1966 is the tuned car. It features six-passenger seating, disappearing headlights, a silently efficient new ventila-

ting system and the kind of roadworthiness you'd expect in a car that costs twice as much. (You can get a Riviera for your desk as well as your garage. Send \$1 in check or money order to Riviera, P.O. Box 68, Troy, Mich., for an accurate 1/25 scale model '66 Riviera.) But Riviera's not the only tuned car. LeSabre is, too. And Wildcat. Electra 225. Special. Skylark. Sportwagon. See them all at your Buick dealer's. The tuned car may not mean much to you now. But then you haven't had a chance to drive one yet.

Wouldn't you really rather have a Buick?

There's an authorized Buick dealer near you. See his  Double-Checked used cars, too.

COMMUNITY PUBLIC ACCENT ON SERVICE COMPANY

His business: keeping your electric service dependable

This man is typical of the skilled linemen who work for Community Public Service Company. Always busy constructing new power lines or maintaining those already in use, he's a familiar sight as he works high atop the poles. He's on the job, too, when the weather is roughest — fighting the threats of wind and ice storms. He fills a key role in the maintenance of your dependable electric service. And he's a good citizen as well as a dedicated employee.
