Improved Ozona Track Squad Ties For First Place Trophy In Sonora's Meet; Enter Plateau Relays At Eldorado Sat.

By Ernie Boyd

Coaches Chick Womack and Sonny Cleere will take the Ozona track team to Eldorado Saturday where they wil ltake part in the annual Plateau Relays.

All five district 8-A schools will be present at the meet and the Lions will be seeking a bit more improvement along with some added depth in an effort to overcome both Junction and Sonora.

The Lions got considerable improvement last week as they tied Sonora for the Sonora relays title with each team picking up 88 points and Junction winding up with 70.

The week before the Sonora meet the Sonora team and Junction had both finished ahead of the Lions in the Ozona meet with Sonora runnig up an impressive 111 points.

Ozona picked up 18 points in the field events in Sonora as compared to only 7 in its own meet to get the day started and the Lions went on from there with improved performances in every event except in the 880 relay where a baton pass dropped the Lions from first to third and in the final outcome could be blamed for the failure of the Lions to get a clear cut win.

The Lions 440 relay won for the first time this year with an improved 45.7 clocking. Jim Doran won the 100 with a 10 flat for his best time this year. Phil Carnes won the 120 highs with his best time for the year, a 15.8. The Lions won second in the 220 and broad jump, as Parker ran the 220 for the first time in competition this season. Van Miller gave the Lions further hope by getting off three broad jumps in excess of 19 feet to place second in that event.

Carl Montgomery and Phil Carnes gave the Lions point in the shot, discus and high jump as Montgomery won fifth in the shot and Carnes and Montgomery won fifth and sixth in the discus. In the discus event the two Lions were the only district competitors to place. Phil Carens tied for third in the high jump.

In the running events in which the Lions did not win or take second the Lions got points for a third place in the low hurdles as Carnes nipped the Mason entry at the wire, and the Ozona mile relay finished fifth to really pull the meet out of the fire with the four tying points.

The mile relay team was competing for the first time as a team and while not setting any records nor even being anywhere near first, were deserving of credit for an all-out effort. The team was composed of Carl Montgomery, Van Miller, Pete Montgomery and Phillip Carnes.

In the meet this week as was the case last week the prelims will be held Saturday afternoon and the finals Saturday night.

Albert P. Bailey, 78, Brother of Ozonan, Is Buried In Eldorado

Funeral services were held Saturday afternoon at 3 o'clock from the First Christian Church in Eldorado for Albert P. Bailey, 78, brother of John R. Bailey of Ozona, who died Friday afternoon in a San Angelo hospital.

Mr. Bailey, who had operated a ranch in Schleicher county since 1914, was a widely known ranchman in the San Angelo area. He was born on the family ranch near Birdville, now Fort Worth, in Tarrant county, son of the late Mr. and Mrs. Robert Bailey.

Mr. Bailey and his brother, John of Ozona, came to this area in 1894 when the two youths of 16 and 14 years, drove 127 head of horses and mules from Birdville to Schleicher county, taking some 60 days of travel and arriving at their destination without losing a single animal. Among the hazards they successgfuly encountered was swimming their herd across the flood swollen Brazos river without losing a one.

Mrs. Nora Gee of San Angelo is a surviving sister. She owns a ranch in Coke county and she and the two brothers and other relatives joined in building what is known as the Bailey Building on the TCU campus in Fort Worth in honor of their parents who were early contributors to the Christian church and to the university.

Survivors other than the sister and brother are one son, A. Preston Bailey of Santa Anna, two grandchildren, six great grandchildren and several nieces and nephews.

Prefix Letters In Phone Numbers To Be Eliminated

New 7-Digit Numbers In Effect When New Directory Out

Telephone customers in Ozona wil lbe assigned a new type of telephone number when the new directory becomes effective May 21, 1961.

Known as the All Number Calling (ANC) plan, each telephone number will be composed of seven digits. Byron Ransdell, district manager, explained that the new system eventually will replace the more familiar two letter-five number (2L5N) system inaugurated when the telephone industry first launched the long range program to permit operators and/or customers to dial direct from one city to another.

Ozona numbers which now begin with prefix EX 2 will be changed to the ANC prefix of 392. All new numbers will appear in the new directory.

He stated that the 2L5N number system is being replaced as rapidly as possible in order that all number combinations appearing on the telephone dial can be utilized. The old 2L5N system required a prefix such as CHerry or Twilight; however, because no words in the English language begin with the letter combination WX or WY or JK or JL then no telephone numbers beginning with

Larry J. Kittle, 87, Former Ozonan, Died In Dallas Hospital

Larry John Kittle 87, a former resident of Ozona and father of Mrs. Coralie Meinecke of Ozona, died Tuesday, March 14, in a Dallas hospital.

Funeral services were held Wednesday, March 15, at 3 p. m. in the Comanche Funeral Home Chapel at Comanche, with Dr. C. C. Klingman and Rev. Kenneth R. Rouse officiating. Burial was in Oakwood Cemetery at Comanche.

Mr. Kittle, son of the late Frank and Martha Jane Kittle, was born Sept. 30, 1873, in Comanche county and spent most of his lifetime in that county, the exceptions being the time the family lived in Ozona and the final five years of his life which he spent in Dallas. He had been a member of the Central Christian Church of Comanche for 55 years.

He was married January 15, 1896, to Miss Jessie Lee Montgomery, a sister of George Montgomery of Ozona, and to the union were born one son and four daughters. Mr. Kittle was preceded in death by his wife and one daughter, Mrs. Lionel Slider.

Surviving are three daughters, Mrs. Wallace Scott of Stephenville, Mrs. William Chilton of Comanche and Mrs. Coralie Meinecke of Ozona; one son, Herbert Kittle of Lubbock; seven grandchildren and ten great grandchildren.

Seminole Indians Study For Junior GA

A study of the Seminole Indians of Florida was given by Mrs. Bill Clegg last Friday afternoon for the Junior Girls Auxiliary of First Baptist Church. After viewing a filmstrip on Indian missions in general and a discussion of customs and the life of the Seminole Indians in particular, Mrs. Clegg helped the girls to make a picture book on the subjects discussed. The life story of Willie King, a missionary to the Seminole and an Indian himself, was brought from the book "Sawgrass Missionary".

Before playing several Indian games, the girls were served a supper of hot dogs, chili and cokes. Mary Ann Pitts led in the closing prayer. Those attending were: Johnette Dozier, Chris Clegg, Sallie Janes, Judy Barber, Margaret Simon, Bonnie Glynn, Marjorie Carnes, Connie Hubbard, Beverly Loudamy, Debbie Moore, Marla Clegg and Mrs. Glynn.

Ozona Girls Win Volleyball Title In Own Tourney

A Team Champions, B's Win Coinsolation In Week-End Meet

By Ernie Boyd

The Ozona High School girls volleyball teams played the rude host last Friday and Saturday as the A team swept to the championship as expected and the B team, subbing for Eldorado, unexpectedly won the consolation.

Ozona also placed four of its members on the all-tourney team with Judy Black winnig the outstanding player award. Beverly Alford, Glenda Friend and Sandra Whitaker all won berths on the all-tourney team.

In addition to the Ozona players Martha Winston of Iraan, Ann Chamberlain of Big Lake and Ann Puckett of Big Lake were named to the honor team.

Miss Knox's first team had very little trouble in sweeping through to the title for the second straight year as they belted Iraan 49 to 5 Friday night and then pasted London 52 to 11 Saturday morning before downing Big Lake 25 to 9 in the tourney finals.

The B team took the consolation route by losing to finalist Big Lake 28 to 13 Friday then downing Barnhart 28 to 23 and whipping Iraan 36 to 20 in the consolation finals.

In the Junior High division, Ft. Stockton, as usual, won the title, oustnig Ozona in the finals 36 to 12. Iraan won the consolation round 26 to 7 over Big Lake after losing to Ft. Stockton in the first round.

Tuesday night the Ozona girls continued their quest for the district title by downing Eldorado 42 to 11. The win gave the Ozona team a 2 won and 0 last league record with Sonora being the next team on the schedule for an afternoon contest this afternoon. Big Lake will entertain the Ozona girls next Tuesday in the game that could wrap up the title for the local team.

The Ozona B team also added to its impressive record by walloping the Eldorado reserves 61 to 11.

League standings before Thursday's action finds Ozona leading with 2 and 0, Big Lake with a 1 and 1 mark, tied with Sonora and Eldorado last with 2 losses and no league wins.

Notes From The County Agent's Office

By Pete W. Jacoby

Texas feeders on March 1 were fattening 194,000 lambs for slaughter markets, according to a survey made by the Texas Crop and Livestock Reporting Service. Included in this number are animals being fed in dry lots and those on small grain pasture and dry grass and concentrate.

Two months earlier — on January 1 — Texas feeders reported 191,000 lambs on feed. During January and February an estimated 110,000 fed lambs were marketed and 113,000 lambs placed on feed or pastures for fattening.

Of the 194,000 lambs on feed March 1, 27 percent weighed from 60 to 79 pounds while 68 percent averaged from 80 to 99 pounds per head. Only 5 percent of the total averaged over 100 pounds.

Indications point to an early lamb crop of 892,000 head this year, compared with 852,000 in 1960. This is an increase of 5 percent. Ewes on Texas farms and ranches January 1 numbered 5 percent above a year earlier.

Percent of ewes lambing prior to March 1 was about the same as last year according to the report.

Sheep and lambs on feed for market in 7 major feeding States totaled 1,588,000 head on March 1, 1961 — 35 percent below the number on feed in these States January 1, 1961. Texas showed an increase of 2 percent from January 1, 1961, Decreases were from 61 percent in Kansas to 23 percent in Iowa. The number on feed in Texas does not reflect the total number of yearlings that will be marketed during the next few months as some yearlings were not "on feed" on March 1.

Garden Reminders

From Garden Club Reporter

Sunny March days, when a crisp wind blows, beckon the gardener outdoors. There ,a stroll through her garden will suggest a myriad of tasks that are best done now if a pretty garden is desired this summer.

Now is the time to:

Plant shrubs and trees. Dip the roots first in rootone.

Spade up a small fertilized plot for herbs; they like poor soil. Sew seeds of sweet basil, sage, dill thyme after damage from frost is past.

Plant seeds of annual phylox and candytuft.

Plant more gladioli corms to keep these stately flowers blooming continuously in the summer and fall garden.

If daisies and asters were not separated last fall, divide and replant them now.

Fertilize trees with a plant food with a high nitrogen content. Water them well.

Prune rose bushes. Stir the soil about them only slightly, to avoid injury to roots.

Water growing spring bulbs. Work a level teaspoonful of commercial fertilizer into the soil surrounding each one.

Rout sowbugs from their hiding places around irises by cleaning away all dead foliage and other debris.

Combat snails with poison bait.

If rhizomes have sunk lower than one inch beneath the soil, lift them by slipping a spading fork beneath them. Slip soil under them and firm the plant down.

Remove dead leaves and litter from all flower beds.

Keep adding loose earth to the trench in which sweet peas were planted, filling it up as the plants grow upward. This will support the stems and protect young plants from killing frosts.

Wool & Mohair Clinic To be Feature TS-GRA Spring Directors Meet

San Angelo — A wool and mohair clinic will highlight the 1961 Spring Quarterly Directors' Meeting of the Texas Sheep and Goat Raisers' Association which will be held in Mineral Wells March 24 and 25.

The clinic, conducted by Texas Agricultural Extension Service personnel, will get under way at 3:00 p. m. Friday, March 24 at the National Guard Armory, located east of Mineral Wells on US 180. Following the clinic, which will be devoted primarly to wool and mohair preparation for market, parasite disease control, and improvement through selection of sheep and goats, a lamb and goat barbecue wil be served at 5:30 p. m. According to TS&GRA President Chas. Schreiner II of Kerrville, "a large number of wool and mohair growers in Palo Pinto and surrounding counties are expected to attend the clinic in addition to directors and members of the Association from West and Central Texas. The clinic should prove to be of special interest to mohair producers in the Mineral Wells area which has seen a recent marked increase in goat population."

Subcommittees of the three major TS&GRA committees, Wool and Mohair, General Affairs, and Livestock will convene Saturday at 10:00 a. m. in the Baker Hotel. Discussions will include wool and mohair marketing information, sheep and goat improvement programs, ranch labor problems, livestock theft and predatory animal control, animal health matters, and lamb marketing. The recently inaugurated Field Representative Program of the TS&GRA, designed to expand the Association's efforts to curb sheep and goat theft, will be presented. Agricultural water, tax, and transportation matters also will be on the agenda for discussion. A representative of the Texas Society of Certified Public Acconutants will lead the discussion on tax matters in the tax subcommittee. The general sesion will convene at 1:30 Saturday afternoon in the Baker, at which time committees will report the results of their meetings and other general business will be discussed.

A reception and dance will be provided for the enjoyment of the delegates Friday evening in the Baker. The Saturday noon luncheon will feature an address by Bob Murphey of Nacodoches, Texas. Murphey is well-known for his East Texas backwoods wit, and has appeared at many banquets, civic meetings etc., across the state.

Mrs. Floyd McMullan of Big Lake, TS&GRA Ladies Auxiliary President, cordially invites all ladies preesnt to attend the coffee and general meeting of the auxiliary at 9:00 a. m., Saturday in the Baker. Also, the ladies will be welcome at the clinic and barbecue Friday afternoon.

ON DEAN'S LIST

Eugene Pierce Miller, son of Mr. and Mrs. Jake Miller of Ozona, was listed "with high honors" on the Dean's list of the University of Texas School of Business Administration for the fall semester, Dean John A. White announced.

Phone Numbers —

(Continued from Page One)

99 or 55 could be asigned, thereby limiting number assignments.

As the number of customers being assigned 2L5N telephone numbers increased, the necessity for using all possible number combinations on the dial increased. In other words, in some areas we are running out of possible letter prefixes, the district manager said. As a result of this realization, a study was undertaken in Wichita Falls, Texas, to determine whether assigning seven digit telephone numbers proved satisfactory to customers and operators. Conclusion of the extensive study was that the ANC plan not only was satisfactory, but even eliminated some previous dialing errors resulting from confusion between the numeral 1 and the letter I and numeral zero and the letter O.

All Ozona business customers are urged to plan for their new numbers on stationery, letterheads, etc.

MISSION STUDY

Intermediate age girls are invited to attend the Intermediate Girls' Auxiliary study of the mission book "No Greater Heritage" to be held Friday afternoon after school in the Fellowship Hall of First Baptist Church. This book, by A. B. Cothron, was written to challenge Intermediates to great things in the future by showing them the way in which their religious fathers of years gone by have lived. The history is made more alive by being told in the form of a study of a teen-age boy being assigned a job as reporter on a newspaper. Mrs. George Glynn will lead in this study.

IS DRIVING A GAME IN WHICH IMMATURE PEOPLE CAN PLAY?

Driving is a serious problem around Ozona High School and Ozona itself. Driving has been a terrible menace to society ever since the forty-mile-an-hour Model-T's and, in some cases, since the horse and buggies were invented.

Driving today is a whirlwind affair. It is more or less a contest between the drivers of private cars, and the officers.

The main problem is that there are not enough officers to take care of the drivers. It is a shame that if a car going 101 miles per hour passes a police car going in the opposite direction, the officers has to turn around and then clock him and by that time the speeder is either out of sight or slowed down to a legitimate speed.

In some cases even the marvelous invention of radar is worthless. For instance, if the oficers had been waiting for ages to catch this speed demon and finally after countless trips he succeeded in trapping him in a radar trap for going 90 in a 55-mile-an-hour speed zone, the officer, thrilled over his captive, might stride up to the judge only to find out that the judge thinks radar is unconstitutional. The innocent driver, who claims he couldn't possibly have been going faster than 50 is let off. Such is not the case in Ozona, for Justice of the Peace, Al Fields, is a strong believer in radar.

In Ozona High nearly every morning you can see a car or two come racing around the corner at 8.04½ and wheel into a space just barely big enough for a bicycle.

At noon around OHS is probably the only time a traffic jam can gather in Ozona, but it is a royal one. Kids pull out without looking, drive on the wrong side of the road, and luckily miss a few innocent pedestrians and then they are on their way — most of the time they don't even know where, but they are going.

Ozona has a very fine police force but they can't be every where at once, so let's all cooperate with them and drive safely for as the saying goes "The Life You Save May be Your Own".

LIONS PROWL

Congratulations, to the 'A' and 'B' team volleyball girls! The girls 'A' team won championship and the 'B' team won consolation in the tournament held Friday and Saturday.

Beverly Alford, Judy Black, Glenda Friend and Saundra Whitaker made the all-tourney teams.

Judy Black was named most outstanding player.

Speaking of volleyball, it seems as if Glenda Friend just can't stop playing when she gets started. Janet North fell in practice and Glenda stepped on her head. The results? Janet now has a black eye.

The track team is also due congratulations. The team tied Sonora for first in the Sonora Relay last Saturday.

The team will travel to Eldorado for the meeting this Saturday.

Good luck, boys!

The junior play cast found a body, whose throat had supposedly been cut, lying in the street in front of Miss Power's house following the play Thursday night. The cast were having a "get together" at Miss Power's house when the body was discovered by Janet Mason.

Upon investigation the body was found to have been Darrell Rasberry. Darrell's joke enabled the cast to relive last year's experience.

BOBBY TABB — Most Handsome NANCY FRIEND—Most Beautiful

This week the student body learned that Bobby Tabb and Nancy Friend were named Most Handsome and Most Beautiful.

Last fall the student body held elections for the Most Beautiful and Most Handsome and they selected three boys and three girls. They were Tony Parker, Jim Freeman, and Bobby Tabb. The girls were Nancy Friend, Sandy Smith and Don Nell Carnes.

A picture of each contestant was sent to North Texas State College in Denton and the Annual Staff there picked the Most Beautiful and Most Handsome.

STUDENTS ATTEND STATE CONVENTION

The Ozona Student Council will attend the state convention in Odessa Thursday through Saturday.

The delegates going are Penn Baggett, Johnny Childress, Janet North, and Gracie Chandler. They will be sponsored by principal J. A. Pelto, student council sponsor and Miss Jean Powers, the ex-sponsor.

The delegates will attend discussion groups, and problem clinics, and vote in the election of state officers.

SRS. HAVE HIGHEST NUMBER OF HONOR ROLL STUDENTS

The high school honor roll has been released for the fourth six weeks and as usual, the seniors are ahead with 10 out of 35 students making the elite group for a percentage of 29. Next in line as far as percentages go, the sophomore have 9 out of 37 for a percentage of 24.

The Juniors are next with 9 out of 46 for a percentage of 19.

Last is the freshman class with 7 out of 55 for a low percentage of 13. The freshmen are making headway, however, for last six weeks they just had 4 for a percentage of 7.

In order to be on the honor roll a student must have a 90 or above with no C's and Band and P. E. are not included.

Students who made the honor roll this six weeks are the following:

SONORA TAKES 1ST PLACE AT ONE-ACT PLAY CONTEST

Sonora High School will represent district 8-A at the regional one-act play contest in Lubbock after winning first place at the district meet in Sonora Saturday.

Eldorado won second; Ozona, third; and Big Lake, fourth. Junction did not enter a play.

Johnny Childress and Mary Lou Zunker received places on the all-star cast.

SOLOS AND ENSEMBLE TO PERFORM TONIGHT

Band members participating in solo and ensemble contest in Abilene this Saturday will perform for the public tonight in the auditorium at 8:00 p. m.

Those students entering the solo event are Art Kyle, Leroy Dragoo, Leon Dragoo, Hilen McCaleb, Priscilla Stewart. Justo Lopez, Matias Guiterrez, Marty Burt, and Vicki Carroll. These solos must be memorized.

There are four ensemble groups attending the meet. Included in these are a clarinet quartet, composed of Leon Dragoo, Jan Pridemore, Cheryl Clayton, and Don Nell Carnes, and a flute trio made up of Saundra Whitaker, Peggy Harvick and Patty Henry.

Leroy Dragoo, Arlene Gotcher, Shirley Wagner and Mary Lou Zunker are playing a mixed clarinet quartet.

A brass sextet is being performed by Art Kyle, Beverly Alford, Gary Stewart, Roberta Johnigan, Helen McCaleb and Steve Poindexter.

The award for this work, only if you make a first division, is a medal. There are several classes of music, such as Class I, II, and III, descending in rank. If a Class I number is played, a gold medal is given. A silver medal for a Class II, and a bronze medal for a Class III is awarded.

MARK BAGGETT IS SENIOR OF THE WEEK!

Mr. and Mrs. Bill Baggett were the proud parents of a sweet little son, August 9, 1943, in San Angelo. He took the name of Marcus Reiley Baggett which has since been shortened to Mark. Mark also was blessed by the arrival of a little brother, Penn, which rounds out Mark's family.

Mark began his years of education in Dallas where he attended the first and second grades. He was then moved to Ozona. Mark has attended school here since the third grade.

One of Marks hobbies is traveling, especially to other towns where the number o fthe opposite sex is abundant. Some of Mark's hang-outs include the ice house, Dairy Mart, his grandmother's and Sanderson.

Mark said his most enjoyable class is journalism and he also enjoys his constructive lab days in chemistry.

Mark has made plans to attend Arlington State College. With Mark's grace and gentleness, he has chosen a fitting profession, dentistry.

ANDERSON ATTENDS MANY SCHOOLS, BUT ENDS IN OZONA

Buddy Anderson, one of the seniors personalities for this week, started school in Ozona and will end school here, but he has attended many other schools in between.

Buddy was born in Brownwood, Texas, on Dec. 11, 1942. He attended kindergarten in Ozona, Texas, and then he moved to Pecos where he went from the first to the third grade. He lived in Brownwood during his fourth and fifth grade years. He went to the sixth and seventh grades in Zephyr, Texas.

Buddy moved around a lot in the eighth grade. He attended Ozona Junior High, Brownwood Junior High, Kelso, Washington, and Mark Twain Junior High, Los Angeles, California.

He moved back to Ozona in the ninth grade and has been here since then.

Buddy participated two years in junior high football, two years in high school football, three years in tennis, and thre years in band.

Upon graduation, Buddy will serve six months of active service in the U. S. Army. After serving his time, Buddy hopes to attend Wets Point Military Academy.

Buddy is the son of Mrs. Jake Hedrick.

Bustin' out at the seams!

The WTU service area is growing fast and the facts prove it. Personal income, retail sales, value added by manufacture, bank deposits, savings, construction and other growth factors all are on the way up.

This company's own record of growth in the past decade is further evidence. Our KWH sales have increased 154 per cent, and our generating capability has increased 212 per cent.

Notice that our capacity to serve has increased even faster than our sales. That is because we are working hard to stay ahead of area growth — to have facilities available to serve more people, businesses and industries as they come.

Such an objective is back of our current multi-million-dollar expansion program. One example of it is the new generating station under construction at Oak Creek Lake. When completed it will provide in the very beginning an additional 75,000 kilowatts to our system.

Such long-range expansion plans and the cost figures are significant for one very simple reason. They stand as living testimony to our faith in the future of this area — as evidence of our belief in GROWTH UNLIMITED.

1910 – THE OZONA WOMAN'S CLUB – 1960

FIFTY YEARS OF COMMUNITY SERVICE

Past President

The twelfth president of the Ozona Woman's Club was Mrs. W. E. Smith, 1927-1928. Other officers under her were Mrs. A. C. Hoover, vice president; Mrs. C. C. Coates, recording secretary; Mrs. N. W. Graham, corresponding secretary; Miss Elizabeth Fussell, treasurer, and Mrs. Paul Perner, parliamentarian.

Mrs. A. C. Hoover was elected delegate to the State Convention in El Paso and Mrs. H. Q. Lyles to the Sixth District Convention.

Mrs. Evart White was chairman of the department of literature, and the course of study was the World's Twelve Greatest Paintings. These twelve great paintings were The Last Judgment, Transfiguration, Communion of Saint Jerome. Assumption of the Virgin, Immaculate Conception, Sistine Madonna, Aurora, Beatrice Cenci, Holy Night, Descent from the Cross and the Last Supper. The group also studied four Book of the Month selections. Special days observed were Art program, Texas Day luncheon and Federation Day. The club voted to federate with the General Federation during this regime.

Mrs. J. C. Montgomery was chairman of the civic committee which met monthly to discuss such topics as nutrition in the home, conservation of our national beauty spots, historic shrines, homemaking, forestry, birds, flowers and gardening.

Mrs. W. E. Smith
1927-1928

In October, the Ozona Woman's Club sponsored Mrs. Frank Friend as a candidate for Second Vice President of the Texas Federation of Woman's Clubs. They were joined by the Child Welfare & Welfare Club of Ozona whose president was Mrs. Hugh Childress, Sr.

On December 29, 1927, the Club entertained at the Hotel Ozona honoring Mrs. Friend on her election as second vice president of TFWC. The banquet table was decorated with poinsettias, small Christmas trees and dainty mint baskets.

Miss Florence as Mrs. Smith was affectionately called, was the daughter of Captain Cyrus L. Broome and his wife. Mittie Gean Stuart Broome. She was born in Marlin, Texas, and later moved to San Angelo with her family where she attended school ,graduating from high school. She also graduated from Baylor University.

Her parents moved to Ozona where they were ranching on the Turkey Roost ranch. He was elected the second sheriff of Crockett County. Mrs. Broome was the first president of the Baptist Aid Society and belonged to the Baptist Church until her death.

Florence Broome was married to a young pharmacist, Wiley E. Smith, from Fort Worth. They established a home in Ozona Where Mr. Smith was a druggist for many years, many times having to act as doctor when none was available. They were parents of a daughter, Florence, now Mrs. Sherman Taylor.

Mrs. Smith was a member of the Methodist Church and Woman's Mission Society. She was a charter member of the Ozona Woman's Club and remained an active member of the club until her death. Collecting coins, gardening and making her home lovely were Mrs. Smith's hobbies. She is buried in Cedar Hill Cemetery beside her husband.

Leading The Upswing!

RAMBLER MARCH SALES AT ALL-TIME RECORD HIGH!

Rambler News is good! March Sales are running at an *all-time* record rate. That's right! More people bought Ramblers in the first third of March than in any similar period in Rambler history!

Yes—Rambler leads the economic upswing as more car buyers discover that Rambler Excellence gives a bonus on every car dollar they invest.

Now Is A Good Time To Buy!

Rambler means business! Right now, Rambler dealers are out after even more sales with the kind of fair-and-square liberal deals that car buyers can't afford to pass by. Used car prices have firmed. That means your present car is worth more in trade now on a new Rambler.

Why Is Rambler Breaking Sales Records?

Compact cars are capturing an ever-growing share of the new car market. Why does Rambler continue to hit new sales heights? Because Rambler is better than the big cars and best of the compacts. Here are the reasons:

ONLY RAMBLER offers 3 distinct sizes of compact cars

RAMBLER IS voted most trouble-free by owners

RAMBLER OFFERS America's lowest prices

ALL RAMBLERS HAVE such exclusive quality features as Deep-Dip rustproofing way up to the roof... rattle-free Single-Unit construction . . . Ceramic-Armored muffler and tailpipe designed to far outlast ordinary mufflers

RAMBLER'S RECORD ECONOMY proved by 11 years and 35 billion owner-driven miles

ONLY RAMBLER has a compact car for six 6-footers

RAMBLER HAS top resale value proved by official Used Car Guides

Ask Your Neighbor About His Rambler

He'll tell you why Rambler dealers sell twice as many compact cars per dealer as most other dealer groups. And your Rambler dealer can give you a better deal on the best of the compacts. Drive Rambler—world standard of compact car excellence!

RAMBLER DEALERS ARE DEALING! COME IN TODAY!

Fall in love with your car again...

● Remember how proud you were of your new car when you saw it in the showroom? We'd like to do all we can to keep that car as close to new as possible.

We know that next to your home, it's your biggest investment and therefore deserves the best care in the world. To us this means more than just keeping it supplied with top-quality gasoline and oil. It means extra service—the kind of service that makes your car a pleasure to drive while you own it, makes it worth more when you trade it in.

Making friends with your car is our business. And making that friendship pay off for you is our job in America's competitive and progressive oil industry. So why don't you bring your car in today—and find out for yourself that we mean all we say!
