

Industry And Agriculture

Our economy is a rather complicated thing, with some people getting their money from farming, and some from petroleum and many from doing business with each other, and anyone else they can. It would be rather foolish to try to tinker too much with that economy without taking a good look at the probable results. Right now the chamber of commerce, and that means mostly the businessmen, are interested in seeing more money being spent in town, and are looking to industrial payrolls as a source of that new money.

PRE-REGISTRATION—This was the scene at Mary DeShazo and Richard Hills school Friday when regular classes for first graders were dismissed and the day was spent by teachers enrolling pre-schoolers. Shown here are Mrs. Radie Burleson, teacher, Mrs. Walter McCormick and daughter, Sheryl.

Work Available During Summer

The Texas Employment Commission has available opportunities for high school and college men during summer vacation. These jobs offer very good wages starting at \$1.25 per hour plus expenses for meals and motel rooms to \$1.75 per hour plus housing. No experience is necessary if you are willing to work hard and learn from experienced people. The jobs consist of truck and tractor driving, operating combines and various types of harvesting equipment and packing, wrapping and cleaning vegetables in packing plants. This would be an excellent opportunity for a student to

earn money for college expenses and at the same time, travel as far North as Wisconsin and South Dakota. There will be applications left at the High School very soon or you can be signed up at the Employment Office, 322 West 2nd in Muleshoe.

Mayor To Toss Ball Monday To Open Season

Baseball season officially opens here at 6 p.m. Monday, May 8 with opening ceremonies being held at Roger Miller Park. Players on both the Minor and Little League teams are to be at the park at 5:45 p.m. in uniform.

The Muleshoe Boy Scouts will open the program with the color presentation followed by the invocation being given by the Rev. Troy Walker, pastor of the Trinity Baptist Church. All teams, sponsors, team managers and coaches will be introduced.

Mayor W. B. LeVeque will toss the first ball to be caught by Chamber of Commerce manager Bob Janca. Then the teams to play opening games will take the fields.

Teams scheduled to play are the Pig Wigs and Dollar Bills at Roger Miller Park and Motor men and Glinners at the Old Little League Park. In Ro-

ger Miller Little League Park, the Lions will meet the Colts. Complete schedule for both the Minor League and Major Little League appears in this issue of the Journal.

In the Major League, the Cubs are being sponsored by the American Legion with Harold Cowan as manager and Frank McCamish, coach. The Cardinals are sponsored by the Muleshoe Rotary Club with Bob Kimbrough as manager and Troy Walker as coach.

Muleshoe Lions Club is sponsoring the Lions team with Wayne Williams as manager and Creston Faver as coach. The Colts are sponsored by Baker Farm Supply. Don Prather is manager and the coach has not been named.

Muleshoe Jaycees sponsor the Sox with Garlon Crosby as manager and the coach yet to be named.

County Cancer Crusade Being Launched May 15

CANCER CRUSADERS—Jack Roubinek (seated) and David Suduth are shown doing the foundation work for the annual Cancer Crusade which they, as co-chairmen, will launch May 15. Franklin Mann is chairman of the drive of the business district.

Be Good Stewards of Soil

Each year during May the Soil and Water Conservation Districts in America celebrate Soil Stewardship Week. The dates for 1967 are April 30-May 7.

Many of us, when we hear the term stewardship, immediately think of men in the ministry as those who are qualified to speak on the subject. Many of us also take the attitude that we are not affected by stewardship of our resources, but this is not true. Most of us would like to pass responsibility on to a few not recognizing we all have an interest, a stake or a share in the stewardship or conservation and development of these resources.

Good food and clothing is important to all mankind—however, many countries do not enjoy the wonderful food supply we have in the United States often overlook as a blessing. Neither are many nations well dressed. They will keep the soil where it is so that they do not con-

tribute to the silt that fills the lakes we depend on for our water supply - and incidentally silt is also a pollutant. Good stewards not only are developing and conserving for future generations but will make more

See STEWARDS Page 2

Theater Takes Unique Turn

Most all American, and other nations, are quite familiar with "TV nights" but they are something new which has been added to the features at Cox Drive-In Theater.

Each second and fourth Tuesday night of each month, Howard and Jean Cox, are hosts for "TV Night" at the movie with all the advantages of TV at home with no admission charge.

The April 15 opening this year marks the 18th continuous season for the theater operation. It was originally opened April 21, 1950.

All movies shown on these nights will be family type pictures in movie color "The Rounders" starring Glen Ford Henry Fonda is the first show on the calendar.

CUSTODIANS—Custodians of Muleshoe schools were honored with an appreciation luncheon by Gallarneau Candy Company, Amarillo. The honor was bestowed by the company for the custodians who give their time to maintain the school canteen vending machine. Pictured are Arthur Parker, Richard Hills; Arthur Aske, Junior High; Lester Parker, Mary DeShazo, Andy Thompson, Junior High; Z. N. Burris, Mary DeShazo; Bill Williams, High School; Ben Williams, High School; Ed Martin, Gallarneau representative, and Austin Herman, Richard Hills.

The Bailey County annual Cancer Crusade will be kicked-off Monday, May 15, co-chairmen Jack Roubinek and David Suduth said.

Goal for the county this year is \$1,000. Franklin Mann is to head up the commercial division of the drive. Some workers have been secured, however additional workers are needed both to the Muleshoe city drive and those in rural areas: Bula, Needmore, Goodland, Stegall, Enoch, West Camp and other areas.

Anyone having time they will contribute to this cause by volunteering their services by contacting Roubinek or Suduth at Telephone numbers 272-4531 and 272-4291, respectively.

In addition to the fund drive this year, workers will also ask questions for the National Research division of the American Cancer Society. This in-

formation gathered will aid the endless effort to effect the cancer cure.

One of the things the American Cancer Society has learned in its many years of fighting cancer is the cancer's best

friend is ignorance. Conversely, it is knowledge that will one day defeat cancer. Knowledge obtained through investigation and study; in other words, research.

See CANCER Page 2

Freeze Damage To Wheat Could Figure 90 Percent

Twenty - nine degree weather during the early morning hours May 1 may have played havoc with the South Plains wheat crop, with damage unofficially estimated at 90 percent.

The wheat in the Farmer-Bailey area was caught in a more advanced stage due to warmer weather than in some

parts of the Plains and Panhandle area and damage is expected to run higher here than elsewhere.

In a telephone conversation with Dr. Porter, wheat specialist at the Bushland Station said the extent of damage would not be difficult to determine by the first of the week. If the farmer could carefully examine the wheat down where the flower is and find it alive and normal, it would continue to fill out and make grain.

Farmers who are certain that freeze damage was severe enough may find it to their advantage to leave 35 percent of their wheat for payment while replanting the remainder to grain sorghum.

This is allowed if the farmer changes certification from wheat to grain sorghum at the local ASCS office.

The farmer is also permitted to devote the 35 percent he left in wheat to any cash crop other than cotton or grain sorghum following wheat harvest.

"Soybeans would be one example of a crop that could produce a cash crop following wheat harvest," a spokesman said.

Vegetables Being Planted

Vegetables are in the process of going into the ground and many acres of various types have been planted.

Some 600 acres of Irish potatoes which were up replanted some severe top burns during the recent freeze, however they are expected to revive and continue growth.

Tomato seeding is underway with some 200-300 acres planted in the immediate Muleshoe area, J. K. Adams, County Agent said.

Adams said a sizable acreage of watermelons are expected to be planted this season in the county and about 200 acres have already been planted.

The onion crop this year is not expected to reach the commercial status acreage-wise. Cotton planting is nearing the 50 percent planting mark with

Cancer...

Continued from Page 1

Some recent highlights in cancer research: one special group of chemical agents — the SH-inhibitors — have shown particular promise. They may have the remarkable ability of attacking cancerous cells more vigorously than they do normal ones. This characteristic is vital to chemotherapy, since it enables the physician to kill off the diseased cell, while doing a minimum of damage to its healthy counterpart.

CHEMOTHERAPY

Also encouraging have been recent developments in "combination chemotherapy" — using more than one chemical at a time. The past year witnessed, for example, what has been described as a truly effective therapy for adult leukemia, accomplished via "POMP." The word is formed of letters in the names of the four chemical agents used: Prednisone, Oncovin, Methotrexate, and 6-mercaptopurine. Although this treatment does not provide a true cure, it does produce regression of the disease, and marks a definite advance against adult leukemia.

The American Cancer Society continues its long tradition of supporting research in a number of directions, such as: the chemical reactions that take place within the individual cell; the behavior of DNA and RNA, substances which direct cell-growth in both normal and cancerous cells; the chemical and physical inter-relationships between a tumor and the organism within which it grows; and many other fields as well.

VIRUS STUDY

In the study of viruses, we have learned that a virus causing cancer in hamsters is rendered more potent in the company of another, unrelated, virus. Virus "hybrids" may even be formed. Virus hereditary material has been detected in certain tumor cells even when the virus itself was missing — a fact which may explain why so few cancers have shown the presence of viruses under the microscope.

In short, there have been a number of encouraging advances in cancer research during the year past.

Workers will be wearing the Cancer sword identification pins during the crusade begins and the door-to-door campaigns starts the night of Monday, May 15.

Roubinek and Sudduth said "With the cooperation of the people, our county goal can be reached by the end of May."

Mrs. Don Harmon elected Bi-County P-TA Officer.

Mrs. Harmon Elected Officer

Tuesday, May 2, the Lamb-Bailey Bi-County Council of P-TA met in Olton. Speaker for the day was Mrs. J. M. Farmer, Littlefield. Mrs. Pete Chaney, Lubbock, installed the incoming officers for the school year, 1967-68. Those installed were: President, Mrs. John Vruble, Spade; Mrs. Don Harmon, Vice-president, Muleshoe; Mrs. Melvyn Dutton, Secretary, Littlefield; and Mrs. Verdel Burton, Treasurer, Amherst.

A special board meeting consisting of Superintendents, newly elected unit presidents and council officers met during lunch.

Also a school of information, presided over by Mrs. Chaney, was held for P-TA officers and council members.

This school of information is a state requirement for all councils.

Mrs. J. M. Farmer presided over the meeting of the Council.

Those attending from Muleshoe were, Mrs. Don Harmon, Mary DeShazo P-TA, Mrs. Herbert Ramage and Mrs. James Moacha from Richland Hills P-TA.

30 Texas Cities To Be Toured

SAN ANTONIO---On Monday, May 8, five motorcades leave San Antonio on a state wide tour to take the story of the Woman's Pavilion for HemisFair to nearly 30 Texas cities from the Panhandle to the Rio Grande Valley.

The four-day tour is part of a weeklong series of events planned by the Woman's Pavilion during the week of May 6-13 which has been set aside by Governor John Connally as "Texas Participation Week-Woman's Pavilion for HemisFair '68".

Activities include a campaign to ask mayors of Texas cities to declare a local day of observance during the week, and

Lazbuddie Homemakers

Thursday, April 4, 3 p.m. the Lazbuddie Young Homemakers met in the Homemaking department at the Lazbuddie school.

Kitty Gallman, president, presided over the meeting. Charlene Farley served refreshments of Millionaire Pie and Tea. Marilyn Engelking baked the gift for the speaker.

In the business session, officers were elected for 1967-68. It was decided to buy a gift for their girl at Gristowa, for her birthday. The little sister for 1967-68 was also elected.

The Homemaking College at Plainview, June 13 and at Amarillo June 29 were discussed. Donna Smith gave a very interesting program on feather flowers. She explained the different kind of feathers. She gave many helpful hints.

Attending the meeting were: Sharon Agee, Jimmie Briggs, Linda Elliott, Marilyn Engelking, Charlene Farley, Kitty Gallman, Jean Green, Bonnie Hartley, Darla Ivey, Lynda Ivy, Carolyn McGuire, Sandy Martin, Sherrie Menefee, Louise Engelking and Eva Dean Ivy, advisor.

The next meeting will be June 1, at 3 p.m. and the new officers will be installed.

Mrs. Bill Ailshie honored with shower.

Mrs. Bill Ailshie Honored

Mrs. Bill Ailshie, the former Clea Obenhaus, was honored with a gift shower, Saturday afternoon, April 29 in the dining hall of the Longview Baptist Church. The guests were registered by her sister-in-law, Mrs. Walter Stice of Tahoka.

At a table carrying out the Brides chosen colors of blue and white, Mrs. Gail Lacey and Mrs. O. M. Lackey served blue punch and white cake squares.

The table was covered with a blue satin cloth, with an overlay of white net adorned with white satin Wedding Bells. Highlighting the table was a blue and white centerpiece, which was given to the honoree.

The bride, her mother, Mrs. V. A. Obenhaus and the bridegroom's mother, Mrs. James Croxton, were presented with corsages made from kitchen

gadgets. Stainless steel cookingware and a hand mixer were given to Clea and Bill by the hostesses: Mrs. Troy Clem, Mrs. L. L. Kitchen, Mrs. J. U. Dawson, Mrs. Homer Lackey, Mrs. O. M. Lackey, Mrs. J. R. Carter, Mrs. Dewey Ross, Mrs. U. S. Cooper, Mrs. Walt Lacey, Mrs. Boyd Killingsworth, Mrs. O. G. Killingsworth and Mrs. Jerri Lumpkin.

Clea and Bill were married in a twin ring ceremony in the home of the brides parents, Saturday evening April 1, by the Rev. Walt Lacey, pastor of the Longview Baptist Church.

The couple will make their home in Brownfield where both are employed.

Family Night Held

The Lazbuddie Chapters of Young Homemakers and Young Farmers had a family night in the Lazbuddie School Cafeteria, May 2, Tuesday at 9 p.m. Members of the Young Farmers made ice cream with the Young Homemakers furnishing the cakes. Soda pops were also served. M. C. Gun Siemstad from Cal Farley's Boys Ranch spoke and showed slides. Everyone enjoyed the fellowship, program and the food.

Surprise Shower Given

Miss Magann Lamb, bride-elect of Jack Rennels was given a surprise Kitchen Shower, Thursday May 4, 8 p.m. in the First National Bank building. The shower was hosted by the ESA Sorority.

The table decorations were carried out in the Honoree's chosen colors of light blue and light green. The centerpiece was of blue and green carnations.

As a hostess gift, she was presented a collection of recipes collected by each member of the Sorority and presented in a book. She was also presented Kitchen gifts from each one present.

The couple plan to be married Saturday, June 10.

Donna Fried given courtesy.

Donna Fried Honored

Saturday, April 22 from 2 to 5 p.m., Donna (Latimer) Fried was honored with a wedding shower in the home of Mrs. Vernal King, 904 West 7th. Pink Punch was served in a crystal bowl from a table laid with a blue cloth. The centerpiece was of pink roses.

The Honoree was presented an Electric Coffee pot and an Electric Skillet by the hostesses.

Hostesses for the afternoon were: Mrs. Clinton Bristow, Mrs. Bobby Eubanks, Mrs. O. L. Lorraine, Mrs. Bobby Nickels, Mrs. Jack Dunham, Mrs. Bobby Graves, Mrs. Ben Higginbotham and Mrs. Vernal King. The couple was married April 4. Mrs. Fried is the daughter of Mr. and Mrs. Clyde Latimer, Needmore and the groom is the son of Mr. and Mrs. John Fried, Muleshoe.

TOPS Club Students Participate In Auditions

The Piano students of Mrs. A. M. Bradley, who entered the National Auditions Fraternity of Student Musicians are now "half-pledged" members. They played their selections at the Levee Audition center Tuesday, May 2, and met the requirements of the fraternity and rated a grade of Excellence, Excellence plus and two students a rating of Superior.

Their judge was Charles Granville of Austin. He is one of the judges of 75,000 children of the Nation, who enrolled for adjudication, 112 of whom received \$100.00 scholarships.

This event is described as "The Biggest Piano Event in the World." The children receive copyrighted report card with judges analysis upon it. In turn, his teacher who is a member of the National Guild gets the co-operation of the student, or students in Group-Method, thereby correcting the comments and making fast progress.

WSCS Spring Luncheon Held

Womens Society of Christian Service and Wesleyan Service Guild met last Tuesday in the Fellowship Hall of the First Methodist Church for their annual Spring Luncheon. There were approximately 45 members and guests present.

Fresh cut spring flowers were the table decorations. Mrs. R. O. Gregory had charge of the decorations. She was assisted by Mrs. Rufus Gilbreath and Mrs. W. D. (Bill) Moore.

Other members of the committee are Mrs. C. A. Black, Mrs. H. W. Carpenter, Mrs. Frank Ellis, Mrs. W. H. Elrod, Mrs. Mervin Witterding, Mrs. T. M. Stemmmons and Mrs. Byron Gwyn, CO-Chairman.

Mrs. Owen Powell gave the devotion on "Happiness," and Scripture reading was taken from Proverbs, Chapter 15, Verses 13-23.

Mrs. Harold Allison, Esther Circle chairman and Mrs. John Gunter Dorcas Circle chairman, drew names for their new circle members.

Dorcas Circle members for the coming year are: Mrs. David Anderson, Mrs. Sam Fox, Mrs. Jack Lenderson, Mrs. Frank Ellis, Mrs. Neal Dillman, Mrs. David Stovall, Mrs. W. W. Evans, Mrs. Oscar Allison, Mrs. Gilbert Lamb, Mrs. Jim Cox, Mrs. Robert Hooten, and Mrs. Finley Pearson.

Esther Circle members are: Mrs. Sam McKinstry, Mrs. J. Frank Peery, Mrs. J. A. Nickels, Mrs. Linda Roberts, Mrs. J. E. McVickers, Mrs. Claude Farrell, Mrs. H. W. Carpenter, Mrs. Arnold Morris, Mrs. J. L. Swin, Mrs. Ben Cockrell, Mrs. Johnnie Prater, Mrs. Arnold Prater, and Mrs. T. M. Stemmmons.

Other Circle chairman are: Mrs. Carlton Parker, Alpha Circle; Mrs. Byron Gwyn, Progress Circle; and Mrs. Mervin Witterding, Mary Martha Circle.

For the closing of the program, Mrs. Johnnie Prater, outgoing president read this poem: I'd been to a meeting, just got home Went to the bedroom to put my apron on, I looked in the mirror and what did I see! The new WSCS President.

staring back at me, I stared right back my heart full of fears, Could I do this job for the next year?

I thought in despair, oh, me, oh, my-- I might make mistakes, but I'd give it a try. If Sammie Allison could do it - Why couldn't I? I'd not be alone; I'd have a good crew--

A secretary, treasurer, program chairman, too, To help with the things there would be to do. Now the year has gone - and I'm almost sad, Being your President really hasn't been bad.

Tips

OLDTIME GINGERBREAD
1 cup sifted cake flour
1/2 teaspoon baking soda
1/4 teaspoon each salt and cinnamon
1/8 teaspoon each nutmeg and cloves
1/2 teaspoon ginger
1 large egg
Dairy sour cream
1/2 cup dark molasses
Butter bottom and sides of a square 8-inch cake pan; line bottom with buttered wax paper. On wax paper, sift together the flour, baking soda, salt and spices. Break the egg into a 1-cup glass measure; add enough sour cream to make 1/2 cup; turn into a mixing bowl; beat to combine; add molasses and beat to combine. Add sifted dry ingredients; beat gently just until smooth - about 1 minute; batter will be thin. Turn into prepared pan. Bake in a 350-degree oven until cake tester inserted in center comes out clean - 25 minutes. Turn out on wire rack; remove paper; turn rightside up.

MULESHOE ART ASSOCIATION INSTALLS OFFICERS—Here are the newly installed officers of the Muleshoe Art Association, Barbara Puckett, Jeanie Garth, Blanche Lenderson and Pauline Jamison.

Muleshoe Art Association Progressive Homes Club Entertain Residents

The Muleshoe Art Association met Wednesday, May 3 in the Community Room of the Muleshoe State Bank. The meeting was called to order by the President, Ethel Allison. After a brief business session, the meeting was turned over to Kitty Moss for the installation of officers for the coming year.

Officers installed were: President, Pauline Jamison; First Vice-president, Blanche Lenderson; Second vice-president, Jeanie Garth; Secretary, Beatrice Blackburn, and Treasurer, Barbara Puckett.

The meeting adjourned and all present enjoyed a covered dish luncheon.

Members present were: Blanche Lenderson, Kitty Moss, Ethel Allison, Edna Earle Cooper, Celeste Dutton, Arlene Phelps, Matilda Stemmmons, Melzine Elliott, Marie Lenau, Verree Fox, Pauline Jamison, Jeanie Garth, Barbara Puckett, Fern Gilbreath, Velma Davis, Myrtle Steinbock, Jackie Smith and Margerite Wright. One visitor was present, Virginia Garth.

INN-KEEPERS' MUSEUM
BUDAPEST (AP) — The first inn-keepers' museum of the world was set up in a wing of the famous Fortuna Inn in Budapest, the news agency MTI reported. The museum includes the copies of original documents on the first innkeepers' trade laws, and the first pub license.

Residents of the Muleshoe Nursing Home were entertained Wednesday afternoon by members of the Progressive Homes Club.

The program carried the Mother's Day theme as the group sang several songs befitting the upcoming occasion. Vera Engelking read two poems entitled "Mother" and "Mother's Love."

Ice cream was served to the honorees.

Assisting Mrs. Engelking, Progressive Homes Club president, were Mabel Ryan, Zilda Mae Black, Odessa Slayden, Lucille Harper and Lois Norwood.

MULESHOE, TEXAS

ESA 'Founders Day' Observed in Sudan

by Evelyn Scott

"Founders Day" was observed at a meeting Monday evening of the Epsilon Sigma Alpha Sorority when a salad supper was served in the home of Maxine Nichols, Mary Tollett assisted Mrs. Nichols with hostess duties.

Mary Cowart spoke to the group on the founding of the Sorority and the scope of ESA. Mrs. Cowart pointed out Epsilon Sigma Alpha is one of the largest women's organizations of its kind in the world. It has 1,500 chapters and more than 40,000 members throughout the United States and in several foreign lands.

The Sorority is an educational, philanthropic and social organization. The first chapter was installed in Jacksonville, in 1929. Many prominent women of that era helped launch ESA. Among its first members was the late author Willa Cather.

In Sudan the Iota Eta Chapter has undertaken many worthwhile projects since its formation.

Those present for the Founders day meeting and supper were Mrs. Cowart, Charlie Baker, Charlene Blume, Pat DeLoach, Arlene Fisher, Alma Lumpkin, Martha Markham, Arlene Provance, Pam Wiseman, Mary Wood, Waynetter Fisher, Betsy Van Ness.

Mrs. Joe Salem returned home last week after being with her daughter and family, the Al Koriolis of Dallas, who have a new daughter.

Members of the eight grade choir were entertained with a party Friday evening, May 25, in the Community Center by Mrs. Jack Riley, music teacher and choir director in Sudan.

schools. Assisting Mrs. Riley was her husband, the Rev. Jack Riley.

Red and white were used for party decorations and the refreshment table was covered with a red cloth. Multi-colored balloons added to the festive air.

Refreshments of chips, dips, sandwiches and pop were served.

Choir members present were Allen Roberts, Roy Graves, Gregory McNab, David Weaver, Tony Scott, Harry Jefferson, Terry Evans, Jefferson Thompson, O. C. Hines, Clara Johnson, Minnie Lee Williams, Helen Tamplin, Patti McWilliams, Carl Burnett, Mario Trevino, Terry Martinez, Debbie Staley, Janet Benton, Steve Edwards, John Delariva, Melinda Jenkins.

Parents and other guests included Kelley Riley, Billy Williams, Mr. and Mrs. Lee Williams, Mr. and Mrs. M. E. Edwards, Mrs. O. J. Johnson, Mrs. T. C. McWilliams, Mrs. M. J. Jefferson, Mrs. Emmitt Hines, Mrs. E. T. Fields.

Bonnie Ruth Riley was honored with a party on the occasion of her tenth birthday, Thursday, April 27, when the event was held in the home of her parents, The Rev. and Mrs. Jack Riley.

Pigs in a Blanket were served and birthday cake and ice cream.

Games were played by those who attended. Marjorie Mary Ann Bellar, Mary Griffith, Gaylene Rogers, Ann Nix, Sheryl Harvey, Janice Cannon, Jana Hayes, Debbie Hall, Phyllis Ray, Neida Carpenter, Kelley Riley.

Visiting last Wednesday afternoon in the home of Mr. and Mrs. Milton Wiseman were

her cousin and family, Mr. and Mrs. Marcus Crooks of Mt. Pleasant.

Mrs. J. S. Smith reports the Young at Heart Senior Citizens club will meet Friday afternoon, May 12, at 2:30 p. m. in the Community Center. Members of the 4-H club will present the program and serve refreshments. Everyone is urged to attend.

Mr. and Mrs. P. M. Lencir of Waco visited last week with his aunt, Mrs. J. S. Smith. Mrs. T. B. Adair is staying with her grandchildren in Lubbock, while their parents Mr. and Mrs. Don Adair are working on their lake cabin.

Sharon Cox, who had been confined to the hospital in Muleshoe from a rattlesnake bite, has been moved to a hospital for further treatment and surgery.

Mrs. Cliff Williams visited Sunday in the home of Mrs. Evelyn Faust in Littlefield, and with Mr. and Mrs. Rex Faust who were also guest. She returned by way of Amberst to visit her daughter Mrs. Dale Weaver and family. Mrs. Weaver received a call from her husband, from Rapids, Wisconsin who is a baseball umpire for Mid-Western.

Beulah Wiseman was in Lubbock Sunday afternoon to visit Sharon Cox daughter of Mr. and Mrs. Willard Cox who is confined to a hospital there.

Mr. and Mrs. Wayne Howell visited Sunday in Amarillo in the homes of Mr. and Mrs. T. L. Phillips and Mr. and Mrs. Buddy Rone.

Mr. and Mrs. Elwood Allen and children of Dallas have been here to be with her mother, Mrs. Woods Goforth, who is seriously ill and confined to a hospital in Muleshoe. While here they visited with her parents, Mr. and Mrs. R. K. Allen.

Mrs. Clovis Bridwell has been visiting her mother and father in El Paso this week. Mrs. Joe Rone returned home Saturday after being confined last week to a hospital in Muleshoe.

Members and families of the Epsilon Sigma Alpha Sorority were entertained with a Social Thursday evening held in the home of Mr. and Mrs. Kenneth Wiseman. Mr. and Mrs. Billy Baker assisted with hostess duties.

A supper was served and the Western theme was used for decorations. Table games were played by those attending including Mr. and Mrs. Emory Blume, Mr. and Mrs. Gil Brown, Mr. and Mrs. Donnie Cowart, Mr. and Mrs. Noel Lumpkin, Mr. and Mrs. Bobby Markham, Mr. and Mrs. O. D. Martin, Jr. Mr. and Mrs. Bud Provance, Mr. and Mrs. Dan Wood, Mr. and Mrs. C. E. Nichols, Mr. and Mrs. Edward Fisher, Mr. and Mrs. Jacky Van Ness, Mr. and Mrs. Marvin Tollett, Mr. and Mrs. Wiseman and Mr. and Mrs. Baker.

Charlotte Brown, of the local ESA chapter, was named runner up as outstanding ESA'r at the District meeting held Sunday in Post.

The Gamma Nu chapter of Post was hostess for the meeting when Lillian Beck, state president, presented "Let's Sell ESA".

Children of ESA'ers composed of eight grade students presented a musical program.

It was announced a Seminar for new officers and interested members will be held in July in Denver City.

New officers were elected and Louise Smith was named president. Martha Markham of the local chapter was named Educational Director.

The new theme for the coming year will be "Links of ESA". Among those attending the district meeting from the local chapter were Charlotte Brown, Alma Lumpkin, Arlene Provance, Martha Markham.

State To Supply 975 of Quota Marked For June

AUSTIN—State draft boards will be called upon to furnish 975 men for the armed forces in June, Colonel Morris S. Schwartz, state Selective Service director, said Tuesday. This compares with quotas of 885 for May, 675 for April, 761 for March, 674 for February, and 1,110 for January.

The Selective Service boards will forward approximately 4,000 men in June for pre-induction examination, Colonel

Bula Churches Hold Meetings

To complete Youth Week for the youth of the local Baptist church, revival services were held Friday, Saturday and Sunday by youth preacher Fred Sparkman from Wayland College. Following services Friday night, a campfire service, and weaner roast was held at the Ed Crume home. Following services Saturday evening, and ice cream supper was enjoyed at the church. Sunrise services were held Sunday morning, following morning services a lovely dinner was spread in the dining area of the church with singing and devotion in the afternoon. Following the closing service Sunday evening a fellowship was enjoyed at the home of Mr. and Mrs. Ashel Richardson.

The Women's Bible Class of the local Church of Christ met last Thursday morning at the church building for a continuation of their study on Christian Worship, taken from the study book, Christian Development. Mrs. Nolan Harlan taught the lesson, with each one present having parts in the discussion.

Schwartz said, and they have scheduled 3,000 for this examination in May. Local board quotas for induction and pre-induction examination in June are scheduled to be mailed from state Selective Service headquarters on or about May 10. May calls for the local boards already have been assigned.

The Texas quota of 975 for June is the state's share of a national call of 19,800. This manpower is for the army.

Band, Choir Reports On Corpus Trip

by Marsha Blackman

The Muleshoe High School band and choir took a four day trip last week to Corpus Christi, to participate in the Bucaer Music Festival. The group of 167 choir and band members plus 14 sponsors left at 6 a.m. Thursday morning on four chartered buses. The group stopped for lunch at Luby's Cafeteria in San Angelo and also made a refueling stop in San Antonio where the group was able to see the Alamo. They arrived in Corpus Christi around 9 p.m. that night. The motel in which the group lodged was called the Sun Valley Motel. The Dangerfield band was also staying there.

Supper was served by the motel and immediately all went swimming for around an hour. The "Pool Side Chat" was held and the choir had a short practice before all retired to bed.

Friday, the band group awoke at 6 a. m. and prepared to leave for concert contest at the Del Mar College auditorium. They performed at 8:20 and received a III rating which is very good for such and outstanding festival.

Immediately following the performance, the choir group left to go the First Methodist Church where they were to perform their solos and ensembles. After all had performed, the two groups met at the Burger Chef and had a delightful meal. The group then returned to the Del Mar College and heard the Big Spring band perform. Their band received a II rating.

The entire group then went back to the motel and prepared to take a boat excursion on a ferry. Several people did not appreciate the sea gulls, who were very friendly especially when fed peanuts. That evening all dressed up and went to the Ship Ahoy on the Bay for a wonderful seafood meal. After the meal, there were three choices for places to go: (1) the motel to swim, (2) the show to see "A Man For All Seasons", and (3) to the Tally Ho Motel to visit with the Big Spring Band.

Saturday morning dawned bright and early for the band group as they left for Del Mar College to participate in solos and ensembles.

Those that had performed by 10 a. m. left to return to the motel for choir practice. The groups met at Luby's Cafeteria and the Taxco Mexican Food Restaurant for lunch and then proceeded to the First Methodist Church for the choir's concert contest. At 2:20 p.m. the choir performed and received a division II rating. They returned to the motel and prepared for an afternoon on the beach at Padre Island. A box supper was eaten there. Upon returning home, everyone headed for either the swimming pool or the bathtub! All was fairly peaceful that night for 4:30 was to come early the next morning.

On Sunday morning all packed

and "wide awake", the group left at 5:30 for San Antonio. When they arrived in San Antonio, a short, but very inspirational worship service was held and then breakfast was eaten. All boarded the buses and headed for San Angelo for dinner at Luby's. Once and for all, the group climbed aboard the buses and was homebound. They rolled into Muleshoe at 7:15 p.m. and were met by a group of anxious, happy parents and friends.

Division I ratings given at Corpus were to Jane Branscum, vocal solo; saxophone quartet (Val Moore, Pam Seymour, Connie Botkin, and Diane Bryant), and French horn quartet (Debbie Burrows, Lyla Pitts, Doris Horsley, and Ann Douglas).

Division II ratings went to Marsha Blackman, vocal, Brenda Tanner, vocal, Alvin Walker, vocal, John Guley, vocal, Bruce Purdy, vocal, Dana Dameron, vocal, Ray Sanchez, vocal, Jean Davis, vocal, Nelda Finley, vocal, Neil Finley, vocal, Gay Seagraves, vocal, Gail Phiggs, vocal, Nancy Lee, clarinet solo, flute quartet (Marsha Blackman, Brenda Wyer, Vicki Kelley, and Kathy Williams), and Treena Bryant, saxophone solo. The junior-senior madrigals also made a II. (Pam Seymour, Gail Phiggs, Jane Branscum, Berta Elizarraraz, John Guley, Alvin Walker, Neil Finley, Johnny Embry, and Susan Tammery).

Division III ratings were given to Johnny Embry, vocal, Stan Johnson, vocal, Bucky Taylor, vocal, Larry Meason, vocal, Sharron Hutton, vocal,

Stephy Perry, vocal, Lindell Wilson, Trombone, Pam Seymour, saxophone, Val Moore, saxophone, clarinet trio, (Nancy Lee, Marcie Williams, and Lyan Ericson). The freshman-

sophomore Madrigals also made a III (Lana Moore, Johnna Shelton, Kerma Nickels, Rebecca Phelps, Jim Mardis, Leand Ferris, Larry Meason, and Bucky Taylor).

All in all, everyone had a

good time. Everyone heard some very outstanding bands and choirs from all over the state. Bands and choirs from this area that participated were Hereford, Littlefield, Canyon, and Springlake-Earth.

The band and choir would like to thank everyone that helped them make this trip. It was a wonderful experience which will never be forgotten. Thanks to all!!!

Student Council Constitution, By Laws

ARTICLE VI Term of Office

Section I
The term of office for the Student Council officers and members shall be from the last day of the school year they are elected until the end of the following school year.

ARTICLE VII Suggestion Box

Section I
There shall be a suggestion box located in a prominent location in the school for the use of the students, faculty and visitors.

Section II
The President of the Council shall keep the key to the suggestion box in his possession. Once each week he shall check the contents of the box and report any suggestions to the Council.

ARTICLE VIII Amendments

Section I
Amendments to this Constitution and its by-laws may be proposed by five members of the Student Council of by fifty members of the student body by signing a petition and taking it to the Student Council.

Section II
The Student Council shall then vote on the proposed amendment. A two-thirds majority is required to pass it in the Student Council. At least thirteen members of the Council must be on hand before any amendments can be voted on.

Section III
If the amendment is passed in the Student Council, the amendment will be submitted to the student body in an election ar-

anged by the Student Council. The measure requires a two-thirds majority of the students present to pass.

In adoption of this constitution and its by-laws, together with all of its amendments will be invalid.

Section I

The duties of the President of the Student Council are:
A. To preside at meetings.
B. To call special meetings.
C. To appoint committees.
D. To perform other duties demanded of the office.
E. To vote on measures brought before the Council only if a tie needs to be broken.
F. To preside over the executive committee meetings.

The duties of the Vice-President are:

A. To execute the duties of the President in case of the latter's absence.
B. To attend the meetings of the executive committee.

The duties of the Secretary-Treasurer are:

A. To keep minutes and records of each meeting.
B. To call the roll at each meeting and record absences.
C. To have a written and typed report of the years meetings and activities of the Council and file it with the principal.
D. To have charge of all records.
E. To carry on all necessary correspondence.
F. To attend meetings of the executive committee.

The duties of the Reporter are:

A. To report all activities of the Student Council to the local news services.
B. To see that a typed record of each Student Council meeting is posted in the hall of the school for at least one week after each meeting.
C. To attend meetings of the executive committee.

The duties of the Historian are:

A. To keep a scrapbook of all activities of the Council and the school.
B. To attend meetings of the executive committee.

The duties of the Parliamentarian are:

A. To act as a final authority on questions of Parliamentary procedure.
B. To serve as time keeper of the Council meetings.
C. To have a copy of this Constitution at all meetings of the Council.
D. To attend meetings of the executive committee.

WRANGLER OFFICERS--Officers of the Muleshoe high school's Wrangler Club are Dennis Smith, parliamentarian, Glenda Calhoun, secretary; Larry Kitchens treasurer; Charles Marrow, president; Banny Bruns, vice-president, Melvin Morris, reporter and Keith Bray, sponsor.

Curriculum Guide

HEALTH

Health offers high school students a balanced program of health education, including the physical, mental, emotional, and social phases of health and fitness. Even more important, it constantly builds positive attitudes toward health and safety concepts that will assure their practical applications by the students--now and in their later adult life.

Health helps the student meet her need for being an important accepted, active member of a group.

Health explains to the student how her body functions. Health helps the student to witness the victories over germs and the dreaded diseases they cause.

Health discusses safety to the students as a skill to be learned.

Health helps the students to see their roles in family life at home.

GIRLS P. E.

Physical Education is an important part of the students total education program. Physical Education is to prepare the students to be productive and useful citizens of our United States.

Physical Education develops healthy bodies, promotes good sportsmanship, develops cooperation, instills the feeling of individual worth, develops skills for now and later adult life, promotes leadership, and good, sound mental health.

PHYSICAL EDUCATION

Physical Education is a part of the total educational program of the school. Its general objective is to prepare students to be productive and useful citizens of our country. The specific objectives are as follows:

- (1) To develop healthy bodies
- (2) To promote good sportsmanship
- (3) To develop cooperation
- (4) To instill the feeling of individual worth
- (5) To develop skills for worthwhile recreation, now and in adult life
- (6) To promote leadership abilities
- (7) To promote good mental health

ART DEPARTMENT

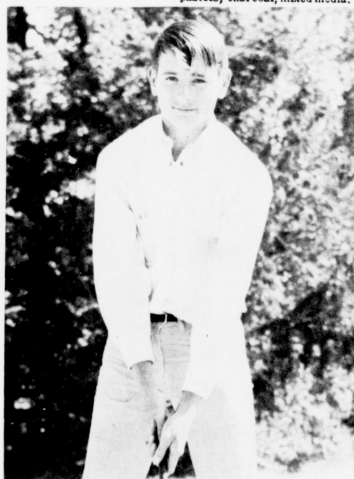

ART I

Art I offers a complete course in the fundamentals of art, so important to a young student. By nature creative, the young artists are encouraged to develop their own styles and techniques, but only after they have gained an appreciation of the work of artists past and present. Adequate supplies are provided to permit a knowledge of the various materials available, and that they may discover for themselves the media which best suits their individual needs and abilities. This course is designed to lay a foundation for the continuation of the study or art at a higher level, but

as a single unit, it serves to increase an awareness of beauty and artistic potential, that frequently leads to further study and endeavor.

ART II

Art II is a continuation of the art fundamentals covered in Art I. Greater freedom and individual creativity are emphasized. Although, oil painting is stressed in this course, the use of polymer, water colors, pastels, charcoal, mixed media,

TO VICTORY--Ricky Botkin, District Medalist for the MHS golf team is shown presenting the stance which has gained him many golfing victories.

block - printing, pen and ink, wire sculpture and pottery are offered. For advanced students a potter's wheel is available. Although realism is the accepted form of art in our department, a thorough study and application of the various art isms educates the student to an appreciation of all styles. Our art students are always encouraged to contribute graciously to any demands made on their time and talents for it is in doing that the young student develops into the successful artist of tomorrow.

Muleshoe FHA Chapter Elects New Officers

by Glenda Calhoun

The Muleshoe F H A chapters are beginning their spring cleaning so to speak, and in doing this they have found their new officers for the year of 1967-68. In choosing their leaders for the coming school years, each officer has either been a former Rosebud officer or a former Rose officer. Each girl running for an office in the Rose Chapter has to meet certain qualifications and one of these is that they have had completed their "Junior Home-maker Degree" by the time of becoming an officer for the next school year. As you know each girl in the Rosebud Chapter is a Freshman, and each girl in the Rose Chapter is either a Sophomore, Junior, or Senior FHA member. These girls by the time of office will be equally qualified for their holding office.

The officers were elected Monday by both Rosebud and Rose Chapters. There were 10 officers of which an equal of 23 FHA girls ran for. These officers of which the holder is chairman of her work and her committee, which consists of two to four members who will help the chairman in carrying out her duties to the best of her ability.

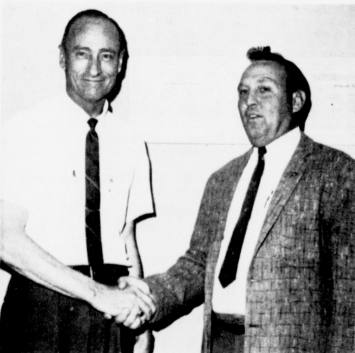

Vice-President, Rena Lackey; Third Vice-President, Melanie Precure; Fourth Vice-President, Karen St. Clair; Fifth Vice-President, Ann Douglas; Secretary, Lindy Kerr; Treasurer, Winn Watson; Historian, Druscilla Dameron; and Parliamentarian, Glenda Calhoun.

PLUS AN OCEAN

MIAMI BEACH, Fla. (AP) -- Of the 379 hotels here, 155 have swimming pools.

SWEETHEART--This is Billie Lindsey who has been named "Sweetheart of the Wrangler's Club of Muleshoe high school,

CONGRATULATIONS--Principal of Mary DeShazo and Richard Hills schools Bill Taylor (right) congratulate each other as their student rated high in Interscholastic League event held here last Saturday.

DISMISSALS

Lester Burks, Charlie Watson, John Prather, Mrs. Gloria Castorena and baby, Harry Smith, (transferred to Nursing home), Mrs. Dora McMahon.

Soil And Water Bills Approved

AUSTIN--The legislature has approved two bills by Senator Jack Hightower, Vernon, outlining administrative requirements for soil and water conservation districts.

Both proposals were sent to Governor John Connally for final approval.

Senate Bill 153 requires bonding of all district supervisors and employees, and provides for audits of district accounts every two years.

It also requires boards of directors of soil and water conservation districts to keep records of all official proceedings.

Senate Bill 152 defines requirements for changing district boundaries.

The bills were amended as to go into effect immediately upon final passage.

Mrs. George Bahman was re-elected to serve as president for another year. Other officers elected to serve with her are Mrs. Charlie Landers, vice president; Mrs. Paul Young, recording secretary and secretary and treasurer; Mrs. Roy Young, secretary of membership and education; Mrs. W. L. Clawson, secretary of Christian social relations; Mrs. Tommie Kirk, secretary of spiritual life; and Mrs. L. H. Medlin, secretary of Christian vocation. Each officer filled out her report to go to district officer.

Lovely refreshments were served by the hostess Mrs. Landers to Mrs. F. L. Simmons, Mrs. George Bahman, Mrs. Paul Young, Mrs. L. H. Medlin.

Monday morning May 1st, Joe Smetana, Safety Director of the Texas Farm Bureau, pointed out in a graphic fire demonstration

Woman's Society Held Installation

The Woman's Society of Christian Service met Wednesday at 2:30 in the home of Mrs. Charlie Landers.

The president, Mrs. Bahlman had charge of the business meeting. A report of the years work was made by the secretary and treasurer, Mrs. Paul Young.

Following the short business meeting Mrs. L. H. Medlin had charge of the installation of officers for another year.

Mrs. Medlin opened the service by reading an article from Methodist Woman entitled "Installation Thoughts", following with each officer given her duties the coming year, following by song "Charge to Keep", and Mrs. Simmons giving the benediction.

Mrs. George Bahman was re-elected to serve as president for another year. Other officers elected to serve with her are Mrs. Charlie Landers, vice president; Mrs. Paul Young, recording secretary and secretary and treasurer; Mrs. Roy Young, secretary of membership and education; Mrs. W. tion held in the Bula School Gym. He was assisted by Mike Richardson junior student, in the demonstration.

In the 45-minute program Smetana used a variety of demonstration equipment and materials placed on tables 16 feet in length to dramatize seven

basic facts about fire, its use, and control: 1-What is fire; 2-How to control; 3-The fact that nothing is fire proof; 4-Kitchen fires and their control; 5-Fuel vapors; 6-The power of petroleum products; and 7-Household wiring and over loaded electrical circuits.

Using a "fire triangle board," Smetana illustrated that fire is like a three-legged stool- it can't work with one of the legs missing. The "legs" fire depends on are, fuel, heat and air. He stated that in American homes these three things come together in deadly and destructive combination every 57 seconds-an average of 1,500 home fires every day, causing more than 5,000 deaths in home fires every year.

Creating quite a loud explosion from one single drop of gasoline, Smetana stated that one gallon of gasoline contains approximately 155,000 drops and under ideal conditions could produce an explosion force equal to the power of at least 30 sticks of dynamite.

Students...

EIGHTH SPELLING—Shirley Lang, Maria Servantez, Jerry Putman and Becky Sain were winners of Interscholastic League eighth grade spelling.

Dear Editor:

I would like to thank all who helped during National Library Week, and especially for the good coverage it had, both on the radio and in the news paper. I have submitted a report to the Texas Headquarters for NLW, and think our report will help Texas to win for the best in the nation.

It seems appropriate since this week has been E.S.A. week to salute this fine organization, and to say how very much the Library appreciates the help and support the E.S.A. has given in various ways, both as individuals, and club members. Through fund raising, such as the unique E.S.A. wig-drawing this past year, money has been raised and loaned to the Friends of the Library, that made it possible for the payments on the

building to be made as they came due, and some improvements, such as a new roof and fire wall, each of which were badly needed to make the building and books, much safer from flooding and fire.

The E.S.A. is to be commended on having a fine representative on the Library board of Trustees, Carol Johnson, who as far as I know has never missed a meeting, and has attended at least one district meeting for the library. Also the E. S. A. has a member serving as reporter for The Friends of the Library, Magana Lamb. Each of these deserves much praise for their service.

I understand the Jaceyettes sold memberships for The Friends of the Library at Waggoner's on Wednesday, and did very well. Many, many people have been FRIENDS OF THE LIBRARY IN THE PAST, and the Library needs FRIENDS THIS YEAR, since the Friends organization use these funds directly on building payments, or repairs, or improvements, as far as the money will go, if anyone wishes to help the lib-

rary, by buying a membership card, and it is more convenient, I will be glad to issue it here at the library. You may be sure you are giving to a worthwhile cause when you buy a membership card with The Friends of the Library... and do it in the Month of May... won't you?

Preparations are well under way for the Summer Reading Program for boys and girls, here at the library and on the bookmobile. We have been busy ordering new books, and material to use. We hope we may have 500 children participating this summer.

Anne M. Camp
Librarian

A CASE FOR NOISE

TUCSON, Ariz. (AP) — Don't make your kids turn off the radio when they're studying. It may improve their grades.

Two sixth graders, Patrick Spillman and Robert Dinius, asked six teachers to give their classes a list of 20 fairly difficult spelling words.

Students studied the words 15 minutes in complete silence in three classrooms, and made 305 mistakes.

In the other three classes, where radios, record players and television sets were going full blast, the students made only 282 errors.

The 11-year-old researchers reported their findings at a science fair at the University of Arizona.

Schools' Menus

LAZBUDDIE
