Throw of 155 feet, 11 inches shatters the former Knox City School record of 146 feet, 6.5 inches set by Junior Robert Taylor back in 1974

Knox City's Sequoyah Reynolds Selected To Make King's Robe For World Prayer Congress In Israel

When the World Prayer Conference opens in Jerusalem, Israel in May, the hard work of a local Knox City woman will be evident for all the world to see. Selected as one of just 7 people in the world to hand make a King's robe for precessions through the holy city, Sequoyah Reynolds completed this magnificent project late last week and the finished product is now on a journey to Israel for the historic event.

After being selected for the project, Sequoyah received a rough sketch and some handwritten notes detailing what the robe should look like. Working more than 20 hours on the project, the end result is indeed a robe fit for a king.

Seven men portraying Kings in Israel's history will lead magnificent processions of Christians marching into the holy city of Jerusalem from the Mount of Olives during each day of the World Prayer Congress that takes place from May 22 to 26. While Sequoyah and six others each made the clothing for a king, other craftsmen from around the world were selected to make the crowns and scepters to be worn and carried by those portraying the kings and leading the precessions.

After receiving her sketches

and instructions, Sequoyah made the robe, spats, pants, cummerbund and shirt for one king's costume. The robe itself is bronze colored with a square yoked front and trimmed in a

shiny paisley brocade on the cuffs, cover yoke and spats. Three loose flowing panels down the back start from 3 inches at the yoke, then expand to 10 inches before reaching the bottom of the robe. Over 100 gold inlaid buttons adorn the robe, going side by side around the yoke, across the front and over

the sleeves. The pants are au-burn satin, with an elastic waist and slim legs.

Along with the thrill of making this king's robe, Sequoyah will be among three ladies from Knox City who will be attending the World Prayer Congress. See Kings Robe, Page 3

in Jerusalem and actually participate in the processions and prayer events. Sequoyah will be joined by Sue Clayton and Peggy Guinn for 12 days in Israel during this spectacular event. The trio will be traveling to Israel from Dallas with the "Majestic Reign Banners In Praise" group from Dallas.

The World Prayer Congress is the fundamental event for Jesus 2000, a year long series of celebration and spiritually significant events in the land of the Bible. The group from Dallas will celebrate the 3000th anniversary of King David establishing his throne in Jerusalem. The celebration will include the Feast of Pentecost on the old walls of Jerusalem, and joining with other Christian believers of many nations in a world day of prayer.

Sequoyah expressed a hope to march in the processional led by the king wearing the robe she crafted, that would be an extra special treat for her.

Dear Citizens of Benjamin:

I would like to let the citizens of Benjamin know the background that went into making the city street signs. Back in 1990 -- 9-1-1 requested us to put up street signs. The Benjamin Economic Development Committee started raising funds by having community dinners, Christmas Tour of Homes, etc. They raised \$1428.37 for street signs.

Things kind of slowed down because we didn't need to have it done until 1996. GUESS WHAT IT'S 1996 !!!! - HEY, we have our street signs !!!

The total cost of signs was \$3,764.63. The Benjamin Economic Development Com. paid \$1428.37 leaving \$2336.26 paid by the City. Togo Moorhouse and Pancho Acevedo donated the pipe for the post. Moorhouse Ranch and Pancho Acevedo donated their tractors and post drivers to put up the posts. Dick Dickson, the ag students, Buddy Tolson did the cutting of posts. Bobby Hudson, Janice Tolson, Larry Neal, Jackie Young, Dutch Young, Hank Wagner, Daniel Rains, Linda Wagner, Mary Jane Young, Imogean Young, Chloe Baty, Dorothy Spikes, Gary Hamilton, Janet Reed, Pepe Bolonas, and Gary Reed made and assembled the signs. The guys responsible for putting up and painting the poles and signs are Leroy West, Gene Brown, Joe Trepanier, Lonnie Vincent, Benjamin Uribe, Angelo Barraza, Rubin Solis, Zeke Duke, Jim Bob Conner, Dennis Duke and Ronnie White. The Sorosis Club ladies fixed a beautiful and delicious dinner for the workers on the day that we put the street signs up and beautified the town.

When we started this project we weren't too happy to have to do this for 9-1-1 but now -- these signs are designed to help save lives of our loved ones in our community. I would like to send a special THANKS to the Corp of Engineers, Benjamin Volunteer Fire Department, Texas Highway Department, City Council and their spouses, Sorosis Club ladies and the Citizens of Benjamin for a job "well done" -- There's nothing like living in a small community to get a big job done well.

Bud Oliver and Buddy Angle

World War II Army Buddies Reunite After More Than 50 Years

"I'm coming to see you!" were the parting words J.A. (Bud) Oliver told Buddy Angle as the two said good-bye more than fifty years ago in Otoru, Japan. Buddy had more time in service and received his orders to return to the states about a month earlier than his army "buddy". He held true to his promise last month when he and his wife Shirley visited the Angles.

After the two were discharged from service, the couples exchanged occasional letters and

Christmas greetings every year until the Angles failed to mail a Christmas card. The Olivers thought perhaps something had happened to their friends in Texas and also stopped corresponding.

Recently when *The Knox County News* acquired a new computer program that accesses nationwide phone number listings, Buddy was able to locate his friend's number in Baton Rouge, Louisiana, and called him. It was quite a joyous reunion - even by phone!

Bud and Shirley flew to Abilene and rented a car for their trip to Knox City.

Shirley and Buddy's wife, Billee Bess, listened in as the two self-described "war heroes" recalled their time together, first in Camp Ellis, Illinois; Pasadena, California; New Guinea, the Phillippines, and northern Japan.

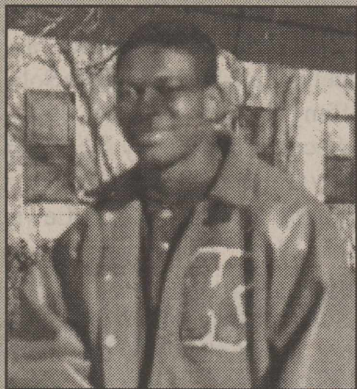

It was described by the couples as a 'wonderful weekend', and the Angles are hoping that the next visit will come much sooner than this first one - after more than fifty years!

KC Senior Lance Dever Enlists In Army's Delayed Entry Program

Lance O. Dever has joined the United States Army under the Delayed Enlistment Program at the U.S. Army Recruiting Station, Wichita Falls, Texas.

The Delayed Enlistment Program gives young men or women the opportunity to delay enlistment into the Army for up to one year before reporting to basic military training.

The enlistment gives the new soldier the option to learn a new skill, travel and become eligible to receive as much as \$30,000 toward a college education. After completion of basic training, soldiers receive advanced individual training in their career specialty.

Lance Dever

Dever, a senior at Knox City High School, will report to Fort Sill, Oklahoma, for military basic training on August 1, 1996.

The future soldier is the great-grandson of Cleola Ware of Knox City.

Judge Perdue Participates In TPR Meeting

Knox County Judge David N. Perdue joined other regional council representatives of city and county officials in a day-long session to discuss "points of intersection" between local and state government. The meeting was conducted by State Comptroller John Sharp's staff working on the biennial "Texas Performance Review" (TPR) of state agencies.

Judge Perdue participated as president of the Texas Association of Counties.

Discussion centered on the following questions: how many different program areas and functions require state/local government intersection, what the state is doing that it should stop, what is the state doing that it should continue, and what are examples of "best practices" in these areas. The TPR staff particularly solicited local government feedback on excessive data collection and reporting requirements, the development of multiple plans from multiple agencies and onerous regulations. State contracting and funding to local governments were also discussed.

The Social Security Adm. will cut about 5000 jobs in the next five years as part of the government's efforts to trim costs. During the 80s, Social Security eliminated about 17,000 positions.

O'Brien Happenings By Audle Johnston

"A fourth-grade teacher was giving her pupils a lesson in logic. 'Here is the situation,' she said. 'A man is standing up in a boat in the middle of a river, fishing. He loses his balance, falls in, and begins splashing and yelling for help. His wife hears the commotion, knows he can't swim, and runs down to the bank. Why do you think she ran to the bank?' A girl raised her hand and asked, 'To draw out all of his savings?' "

Several of his friends teased him about it. 'Why don't you just have it taken out?' one friend said. 'Adam had a rib removed, and he did all right,' 'Yes,' Charlie replied, 'but look who he had for a surgeon!' "

Cotton Planting Date April 22

The Texas Agricultural Extension Service and the Knox County Boll Weevil Association has set the Uniform Cotton Planting Date meeting for area farmers.

This year's meeting will be held at the Knights of Columbus Hall in Rhineland on Monday, April 22, at 7:00 p.m.

With the boll weevil eradication beginning this fall, cotton farmers should be quite interested in what will be happening and how the eradication works. Because of the interest, representatives from the Texas Boll Weevil Eradication Foundation will be present to discuss the current situation and how the program is run.

A meal will be provided at this meeting. Those planning to attend, are asked to contact the Knox County Extension Office by Friday, April 19. For more information or to RSVP, call Paul Weiser in the Knox County Extension Office in Benjamin.

Special Plates: Get 'em while they last!

AUSTIN - Texas motorists soon will be able to show off their pride for the Lone Star State in a new and colorful way. The Texas Department of Transportation (TxDOT) is issuing a license plate commemorating Texas' 150th anniversary of statehood.

The plates have been available since Dec. 29, 1995, the actual anniversary date and are only available until all supplies are exhausted. These special edition passenger plates temporarily will replace the standard "Lone Star State" design during the months they are issued.

A shooting star logo and the words, "150 Years Of Statehood" are featured on the license plates. They will be available to motorists who purchase a new car and to those who require a replacement due to loss, damage or because their current plates are more than 5 years old at the time of registration renewal. Replacements may be purchased at the local county tax assessor collector's office for a fee of only

\$5.30.

"The Texas Department of Transportation is proud to have these plates manufactured for such a significant period in our state's history," said David Laney, commissioner of transportation. "We haven't issued commemorative license plates since 1986, when Texas celebrated the sesquicentennial of being the Republic of Texas." Texas license plates are manufactured by the Texas Department of Criminal Justice in Huntsville. TxDOT's Vehicle Titles and Registration Division, which oversees the license plate program, registers 14 million ve-

hicles and issues 4 million titles annually.

Stanton Brown, Knox County Tax Assessor Collector indicated on Monday of this week that his office in Benjamin still has these commemorative plates available, even though many counties are already sold out. "Anyone with regular plates may replace their plates with these special issues plates for just \$5.30, you do not have to wait until your normal registration renewal month," emphasized Brown, who went on to say, "come in and see us, our office staff will be glad to help you obtain these special plates."

Florita Lemley In ' Volunteer Spotlight '

The secret to staying young, according to 87-year-old Florita Lemley, is to get busy doing something for someone else. Mrs. Lemley, Knox County Hospital's spotlight volunteer, found herself bored and depressed back in 1990, and that's when she decided to begin volunteering her time at the hospital. "It has really made a difference in my life," she said. "It gives me something to think about and plan for. By helping others I'm actually helping myself."

Mrs. Lemley, who has lived in Knox City for 63 years, except for four or five years in Oklahoma, still lives on her own, does her own cooking, and drives. She volunteers at the hospital thrift store one day a week. "Volunteering is the best thing that ever happened to me," she said.

Volunteers of the hospital spend most of their time working in the thrift shop. The proceeds from that enterprise are given to Knox County Hospital for various projects.
