THE JOY OF KILLING

The use of the flesh of animals, fowls and fishes as part of the diet of man kind is of such long established practice and has the approval of most authorities; therefore should be accepted as justifiable.

Self defense being one of the first laws of nature; occasions arise where this right may be exercised both as to man and beast.

Certain animals, fowls and insects often become a menace to human rights wherein it becomes necessary to destroy them as pests.

The taking of life in any of these instances do not afford an occasion for joy, but rather are regarded as incidents of living.

There are numerous killings however that are indulged in for the sport and pleasure of killing. It has always been said so.

The hosts of Israel shouted, "Saul has slain his thousands, but David his tens of thousands."

In every war, besides the patriots who were trying to faithfully serve their country, there were also the soldiers of fortune, whose delight it was to kill, it mattered little which side they were on, just the opportunity to slay, was what they desired. The Hessians in our own Revolutionary War was an example.

The impulse to kill also leads ambitious sportsmen half around the world, as big game hunters, the animals in the jungle have done them no harm—never would, but their desire to kill could not be suppressed, so without regard to the expense in time and money, they forego doing things that could be done towards making the world a happier place to dwell in, and go forth to scatter death and destruction; just for the joy of killing.

Others, purely for the delight of killing, devote their activities to the smaller animals and fowls. In order that they may have the opportunity to enjoy this delightful pleasure our State and other States have set aside certain seasons in their behalf.

Birds and animals are responsive to kind and gentle treatment and were it not for the pleasure their killing affords they would dwell happily with the human family. But could a sportsman be persuaded to abstain from the pleasure and joy of needless killing?

If animals and birds got the same thrill by killing people on sight we would call them cruel, but they are not intelligent and civilized like we are.

Next discussion will be, "The Scramble For Office."

Tornadoes Finish Season In Win Over Slaton Tigers

And our boys did them selves glory and crowned Turkey Day with laurels by defeating the Slaton Tigers 6 to 0 last Thursday. It was a great day for Lamesa and it closed as a "perfect day."

But aside from the many thrills of the game, the fact that Lamesa outplayed the Tigers and the fact that here was too much Mathews—Gable—McKennon—Johnson and in truth Tornadoes for the Slaton boys, helped to make the count go as it did.

Talk about sportsmanship—it prevailed that day. Lamesa folks could not ask for better treatment at the hands of the Slatonites. Business men, students, officers, and all went to extra trouble to see that all Lamesa was well treated and made to feel at home while in their city. For this Lamesa takes her hat off to Slaton. The stickers placed on the Slaton cars with the wording "Welcome Lamesa" was indeed put into practice during Lamesa's stay there on Thanksgiving. No bad after effects of the game—no jeering—no hurrahing—no kidding—no if this and that had happened—just a real get together that is always enjoyed by every town and community and all to be accredited to the good judgement of the business men, the school officials, the officers and the Slaton High School Student Body. Of course

there are always a few drunks that like to stir up trouble among the fans and this was no day of exception for these dissenters. We are told the officers had to lock up a few during the game but they very promptly did so and this hushed the usual side line trouble. And thanks to the officers After this all was quiet and all went well. Yes, one or two Lamesa fellows got over the traces and had to go to the dark cell too, we are told, but even at that these were spirited away all was peaceful and the game proceeded on the basis of good clean sportsmanship as it should have.

Of course Lamesa looks forward to the game with Slaton each year with much anxiety and Lamesa does feel good when she can win over the Tiger aggregation. It's something to boast about. We venture Slaton feels mighty big when she can defeat Lamesa. But after all there is one thing above all—ever winning and defeat—and that is "How did we take it?"—in other words SPORTSMANSHIP

Thanks to the school officials, the teachers and the students of both Lamesa and Slaton—they are teaching and practicing the thing we call sportsmanship. It will be a pleasure to look forward to next years game with Slaton when we know all will be well—and the keenest interest in the game possible and here is hoping the best team wins.

HI-JACKERS AT WORK SATURDAY NIGHT

Q. W. Stark, owner and operator of the Stark Bowling Alley on North Austin Street, was held up Saturday night about 10:30 P. M. and robbed of his bill fold containing \$14 in bills.

Mr. Stark was alone at his place of business, when two young men entered both seemingly in a very joking manner, one walking up to him making some remark about the weather, the other man stood just inside the door. Mr. Stark not understanding what the man had said, did not answer him and the next thing he knew a gun was stuck in his side, and was being told to stick them up and make it high.

A bill fold containing two five dollar bills and four ones was taken from his pockets. The bill fold was handed back to him, after the robbers had relieved it of the money. Mr. Stark was then commanded to turn his back to the door, and not to move. This he did and was unable to see which way the men went.

The same two men, described as being short, young, and one dressed in grey overcoat and black cap, the other in leather jacket and black hat were seen in several stores Saturday night before the robbery.

And you apply the proceeds thereof to the payment and satisfaction of said sum of Six Hundred Twenty-two & 26-100 (\$622.26) Dollars, together with the interest that may be due thereon, and the further sum of \$62.22 attorney's fees, and Sixteen & 30-100 (\$16.30) Dollars, costs of suit together with your legal fees and commissions for executing this writ. UVALDE, Texas.—Realizing the success of this year's sale of Christmas Seals is more imperative, perhaps, than it has ever been before. Vice-President-elect John N. Garner opened the 26th annual campaign in Texas by making the first purchase with his nine-year old granddaughter, Genevieve Garner, having the honor of making the first sale.

Relative to this important work, Mr. Garner had this to say in part: "The great work done by the United States during the past quarter of a century, through whose efforts the saving of thousands of lives a year is accomplished, I urge every citizen to make his contribution, large or small, through the purchase of Christmas Seals. I know of no more worthy cause than the support of the annual Seal Sale, through which the work of these organizations is made possible."

The records of the Texas Tuberculosis Association show that Mr. Garner has purchased Christmas

HOW'S THIS FOR PHILOSOPHY?

Some people become so enraptured with figures that they miss the true meaning of things under the illusion of theory. Hiram must have been this type of fellow, judging from the following incident:

"Look here, Hiram, when be you going to pay me them eight dollars for pasturing your heifer? I've had her now for about ten weeks."

"Why, Si, th' critter ain't worth more'n ten dollars."

"Well, supposin' I keep her for what you owe me?"

"Not by a jugfull. Tell you what I'll do, keep her two more weeks and you can have her."

IMPORTANT FACTS CONCERNING THE GREAT AMERICAN LIFE INSURANCE COMPANY
San Antonio, Texas

The institution of life insurance through the past three years of depression and unsettled economic conditions has established an unparalleled reputation for safety and stability. Billions of dollars of prompt cash payments to living policy holders and beneficiaries (amounting in 1931 to over \$2,600,000,000) have resulted in a deep appreciation on the part of the public for the vast benefits which have occurred and which have been one of the most important factors in maintaining proper stabilization of financial affairs.

The Great American Life Insurance Company has \$2.60 in approved assets back of every \$1.00 of legal policy reserve liability.

One useful gift for the whole family—that is sound to the modern Christmas shopper. In bygone days the picked individual presents for every member of the family—one for Dad, another for Mother and the same for Brother and Sister. And most of these, knickknacks and baubles were the rule because for the average giver, four or five useful, sizable gifts per family meant too great an expense.

We've solved that problem—in our store are dozens of low-priced, high quality electrical appliances, any one of which takes care of the gift requirements for the whole family. Look them over—electric ranges, percolators, irons, heaters, lamps—real, honest-to-goodness "family" gifts that will for years and years remain as reminders of your thoughtfulness. How Can We Sell Tires SO CHEAP?

We are asked this question every day. Here is the answer:

Because our local station has a direct connection with the district office at Lubbock. This office, with its territory in New Mexico and the South Plains, buys tires in carload lots from the factory, effecting immense savings which are passed directly to the consumer, eliminating completely the usual 'middleman' charge.

The Tornado Weekly

By Guinn Tipton
SLATON DEFEATED 6-0

Game Ends Season for Tornadoes
Unanimously football fans declare that last Thursday's game in which the Slaton Tigers were defeated by a score of 6 to 0 was the best game and the hardest fought game of any of the season. The lone touchdown for the Tornadoes was made by George Gable, full back for the Tornadoes. Mathews, who took Boswell's place at half performed with in any of the Tornadoes battles during the season. His hard line plunges an ability equal to any backfield man helped Gable make the touchdown. Things were looking dark for the Tornadoes last week. Stanley Wilkes halfback, had a risen on his elbow, Joe Harrell, end, was out of school, and Gene Boswell was on crutches from the injury obtained in the Lubbock game, but in spite of these setbacks the Tornadoes showed them up and broke two ties in doing so. This game climaxed the season for the local club and they have a team that should at this time be district champions and it was a trick of fate that caused them to lose the title to the Brownfield team.

Junior Tornadoes Tie Freshmen
The Grammar School Tornado Junior team fought the Freshmen and held them to a scoreless tie at the ball park Tuesday afternoon. The Freshmen were heavier and showed the result of less coaching than the Tornado Junior club, but because of a stiff line the smaller team failed to make any gain. Watch these boys, they will represent the Lamesa High School Golden Tornado group in a few years.

Tornadoes Battles
The Tornadoes have no cause for regretting their ability, only for ill luck against Brownfield, as shown by this summary of the Tornadoes battles for this season.
Sept. 30, Big Spring 0, Lamesa 0.
Oct. 7, Hobbs 0, Lamesa 24.
Oct. 14, Odessa 0, Lamesa 39.
Oct. 21, Snyder 0, Lamesa 0.
Oct. 27, Brownfield 7, Lamesa 4.
Nov. 4, Tahoka 0, Lamesa 54.
Nov. 11, Slaton 0, Lamesa 0.
Nov. 24, Slaton 0, Lamesa 6.
Totals, opponents 7, Lamesa 127.
The average for the opposition is 3.8 points and the Tornadoes average is almost 16 points to the game.

Home Economics Department Obtaining Funds.

As industrious a group as Lamesa High School can boast, the Home Economics girls, are working hard to obtain funds to be used in the spring. They have about \$45 to their credit but will have to have much more. They are selling cakes and are making a quilt to sell. This class is organized under the name of the "Taste and Taste Club." Here's hoping they get to go to the State meet because they deserve it.

SCHOOL BRIEFS

The grammar school flag pole now has a flag waving a fullmast. The high school enjoyed the Thanksgiving holidays, and most, at least a little more than half of the students returned to school Monday morning, the rest being ill with colds and not with indigestion as might be supposed.

The half that returned were under the weather and presented a coughing chorus at classes Monday.

Mr. McCollum stated that the students did not know what to do with holidays when they got them, but they succeeded in doing something to get such glorious colds during Thanksgiving.

Rev. E. H. Surface of the Presbyterian church spoke at the school last Wednesday He talked on the Joy of Christian Living.

The football boys enjoyed a meal at the cafe last Thursday night after the game, then went to the carnival and celebrated their victory in grand style.

Well football is gone for awhile, and all the boys turned in their suits Monday.

While Mr. Rogers was in Ft. Worth he visited the North Side Junior High School of that City and told the school about it Tuesday, and compared our school with their school.

Mrs. Joe L. Ray and daughter and Miss Erma Sprawls will leave this week for San Angelo where they will make their home.

Mr. and Mrs. Carl Benson and Mr. and Mrs. Jud Watson attended the Football game at Slaton Thanksgiving.

Hubert Bartlett and Miss Edna Watson attended the football game in Lubbock Thanksgiving.

Mrs. Altha Duggor and daughter Willie Myrtle and Mrs. Ira Gable attended the football game in Slaton Thanksgiving.

Rev. W. C. Hines and son Marshall of Childress, formerly of Lamesa were here for a short time last Wednesday.

Mrs. Frank Barkhurst and children and Miss Edith Dean attended the football game in Lubbock Thanksgiving day.

Lesson for December 4

LIVING WITH PEOPLE OF OTHER RACES

I KINGS 8:41-43; John 4:5-10; Acts 10:30-35.
GOLDEN TEXT—Then Peter opened his mouth, and said, Of a truth I perceive that God is no respecter of persons. Acts 10:34.
PRIMARY TOPIC—Telling a Forfeiter of Jesus.
JUNIOR TOPIC—The God of All Nations.
INTERMEDIATE AND SENIOR TOPIC—Playing Fair with Other Nations.
YOUNG PEOPLE AND ADULT TOPIC—Following Christ in Dealing with Other Races.

The approach to the heart of this lesson is through the Golden Text. Paul on Mars' Hill declared, "God hath made of one blood all the nations of men for to dwell on all the face of the earth" (Acts 17:26).

I. Solomon Praying for Foreigners (1 Kings 8:41-43).

The church has for its task the preaching of the gospel to lost men of all races. Christ came to seek and to save the lost (Luke 19:10).

II. Christ Dealing With a Foreigner (John 4:4-10).

1. Jesus must needs go through Samaria (vv. 4-5). Because of the growing opposition Jesus was obliged to leave Judea. He must "needs go through Samaria," not because there was not another way to reach Galilee, but in order to find this poor sinful woman and the needy citizens of Sychar.

2. Jesus testified to the woman (vv. 6-10).

a. A favor asked (v. 7). He tactfully made a request which appealed to the woman's sympathy. In introducing the conversation, he referred to that which was uppermost in her mind, water. This was the teacher's point of contact. He soon passed from a reference to earthly water to the water of everlasting life, in himself.

b. Jesus' tender dealing with the woman (vv. 10-15). He first appealed to her curiosity by declaring "if thou knewest the gift of God" (v. 10). He knew the deep unrest of the soul of this sinful woman. He knew that if she really knew him she would believe on him and be saved from her sins. He followed this appeal to her curiosity by a promise which directed her attention to her deepest needs.

c. The woman convicted of her sins (vv. 15-19). Before she could understand what the water of life was she must be convicted of her sin. She did not argue with him, but became a humble inquirer.

III. The Salvation of a Foreigner (Acts 10:30-35).

The Jews hated the Romans because they were under bondage to them. Peter, the head of the Apostolic group, was a Jew of strong prejudice. The time had now come for the removal of the wall of partition between the Jews and the Gentiles. Cornelius, a Roman soldier, was a devout and praying man, though not saved. Two visions were given:

1. To Cornelius (Acts 10:3-8). While engaged in prayer an angel from God instructed him to send to Joppa for Peter who would tell him what to do.

2. To Peter (Acts 10:9-16). Peter saw in a vision a certain vessel containing clean and unclean animals let down from heaven, and heard the command to arise, slay, and eat. This vessel let down from heaven and taken back again indicated that both Jew and Gentile were accepted on high. At the bidding of the Spirit, Peter went with the messenger, and in his sermon to Cornelius he set forth:

a. The basis of salvation—the death of Christ.

b. The scope of salvation—whosoever believeth on him.

c. The method of appropriation of the salvation—faith in Christ.

IV. All Nations Are of One Blood (Acts 17:22-28).

The way to bring peace among the nations is to make God known.

1. Paul's declaration concerning God (vv. 24-25).

a. The creator of the universe.

b. His spirituality and immensity. Being essentially Spirit, he is not confined to any place, and being infinite, he cannot be confined to earthly temples.

c. His act of providence. He declared that in him we live and move and have our being.

2. Paul's declaration concerning man (vv. 26-28).

a. We are the offspring of God (v. 26).

b. Nations have their place by God's purpose.

c. Man should seek God. These truths concerning God and man as declared and received will remove racial and national barriers.

WORDS OF WISDOM

Death means birth into a better life.

The crown of all virtues is love or sympathy.

The best and purest of all joys is natural affection.

The profoundest fact of human life is that, for everyone, the real, the only true life is lived in the realm of the spirit.

BROWNFIELD YOUNG PEOPLE PRESENT PROGRAM HERE

Last Sunday evening the young people of the Church of Christ from Brownfield presented a very interesting program here as a result of an invitation extended them by our pastor, H. P. Cooper, and the Young People's Department.

The people from Brownfield arrived in Lamesa at 5:30 and were served supper in the basement of the church.

The thought presented in well prepared talks and songs was "The Two Ways." After this program Rev. Burkett of Brownfield delivered the message for the evening service.

The young people of Brownfield extended us an invitation to visit them some time in the near future and we are looking forward to the time when we can repay their visit.
