Berkman, Perkin Elected To Head City Government

Dr. Elton Berkman was elected mayor of Colorado City and Rick Perkin was named mayor pro-tem Monday night during a busy meeting of the city council, the first following the council election April 3.

The election of mayor followed the canvassing of votes of the election which saw incumbents Marion Bassham, Larry Hamner and J. Lee Jones Jr., re-elected to serve their second terms.

In addition to the election of officers, the council considered financial arrangements revolving around the bond issue passed by city voters in March, bought two new police cars, approved a record budget for the coming year and approved two requests for mobile homes.

Perkin nominated Dr. Berkman to succeed Hamner as mayor and Councilwoman Jody Neff seconded the motion. Then nominations ceased, Dr. Berkman was elected and he presided over the election of mayor pro-tem.

Councilwoman Marion Bassham nominated Hamner for mayor pro-tem but he declined, then Mrs. Neff nominated Perkin and Mrs. Bassham seconded the motion. Nominations ceased and Perkin was elected.

The council then approved requests for temporary approval of mobile homes by Eunice Sanders at Division and E. Main and by Gary Whitehead at West of 1233 E. 10th St.

The council then passed a budget calling for expenditures of $857,235 with anticipated revenues of $874,129. The anticipated expenditures does not include the $825,000 bond issue with improvements approved by the voters to be made during this coming fiscal year.

The budget was about $15,000 higher than was considered in a workshop session in March as it was discovered the city will receive an additional check totaling about $15,000 from revenue sharing. This money will be spent for a new garbage truck early next year. More revenue sharing money could be forthcoming if Congress extends the revenue sharing act.

The council then heard from Joe Smith of First Southwest of Abilene, fiscal agent for the city's bond issue. The council approved several ordinances as proposed by Smith to pay off and refinance two outstanding revenue bonds, as required by law.

Then the council passed an ordinance putting into immediate effect increased water and sewer rates as proposed in the March bond issue. A contract with A. W. Harrison was approved with the engineer to receive about $29,750 for engineering services on the street bond issue.

The council also purchased two new police cars from Hutchins Ford Sales, the low bidder at $8,639.18. Other bids were $9,200 from Jay Adams Chevrolet, and two bids from Frank Motor Co., one $9,896 for two Plymouths, and $9,990 for two Dodges.

The differences in the bids was because of trade-in allowances on the one police car that is to be traded in, City Manager James Campbell noted. One of the two police cars now in use will be kept as a backup unit.

The council also discussed a drive to enforce a 1955 city ordinance regarding the keeping of animals within the city limits, and at the suggestion of Councilman J. O. Dockrey, it was tentatively decided, provided it can be done, to appoint a city parks and recreation board.

League Meeting

An organizational meeting for another season of Church League baseball is set for 7 p.m. today in the First Methodist Church Fellowship Hall.

Woody Anderson, in charge of setting up the League and schedule, asks that team representatives present as rules and schedule will be discussed during the meeting, as well as the possibility of a tournament.

Absentee Voting Begins

Ballots have been printed and absentee voting is underway for the May 1 Democratic primary election in Mitchell County.

Absentee voting was supposed to begin Monday but County Clerk Marie Bassham said that ballots were not available until Tuesday when the voting began.

Absentee voting continues through 5 p.m. April 27 in the county clerk's office in the courthouse.

It's Official: 42,081 Bales

Cotton yields were mailed to county producers from the ASCS office Monday and as a result of farmers signing their 1975 yield cards, the county's production has now been figured and it's official--the county produced 42,081 bales of cotton in 1975.

Closest guess during the Farm Tour last year was turned in by Mack Ritchey as he guessed 42,132 bales, only 51 bales off the total.

Other close guesses were made by J. D. Hill Jr. at 42,200, only 119 over and by Mrs. J. M. Templeton at 41,916, only 165 bales short.

Those 42,081 bales produced 19,581,793 pounds of lint.

Also sent from the ASCS office Tuesday were wool and unshorn lamb incentive payments totaling $45,000, and ASCS executive director Don Stewart said that the payments lack only two producers being complete.

Incentive payments are made to encourage production and good marketing practices and amounted to 61% this year, meaning that for every dollar's worth of wool sold, the producer received 61 cents in incentive.

"The announced payment rate is based on the difference between the national average price of 44.7 cents a pound received by producers during 1975 and the previously announced incentive price of 72 cents a pound," Stewart said. "Incentive payments to wool growers are required under the National Wool Act of 1954, as amended."

The 1975 payment rate compares with the 1974 rates of 21.8 per cent. Payments of 1975 marketings of wool will be about $42 million compared to payments of $15 million on 1974 marketings.

"A grower's payment of 1975 marketings is determined by multiplying the net dollar return from the sale of wool by the payment rate of 61.1 per cent. This percentage method of payment is designed to encourage growers to improve the quality and marketing of their wool," Stewart explained. "In any marketing year for which incentive payments are made, the higher the price a grower receives for his wool, the larger his payment."

The payment rate on unshorn lambs sold or slaughtered in 1975 was also announced by the USDA at $1.09 per hundredweight. This payment is designed to compensate growers for the wool they market on live lambs rather than as shorn wool, Stewart said.

"The payment is based on the shorn wool payment rate, average weight of wool per hundredweight of lambs and value of lamb's wool relative to the national value of shorn wool," he said.

The average of $1.85 a pound received by growers who sold mohair in 1975 was $1.05 above the announced support level of 80.2 cents a pound and no government payments will be made on 1975 mohair marketings.

Stewart also gave the following ASCS deadlines.

--May 3, final date to transfer cotton allotments by sale or lease and to request or release allotments for reapportionment.

--Signup from April 15 through April 30 for mesquite control by aerial application at cost share of 50 per cent. Action on the applications will be taken by the ASCS county committee following the April 30 deadline.

Stewart said that the county's share of 1976 ACP funds amounted to only $40,000 and $20,000 of that has already been approved by the county committee, leaving only $20,000 to be approved and the signup has already resulted in requests for $22,000 with signup for the mesquite control still to come in.

Inspection of wheat acres is continuing through the ASCS office and requests for appraisal should be made before it is destroyed, abandoned or other use made of the wheat acres other than cut for grain, in order to be eligible for disaster payment.

Lone Wolf Relays On Tap Saturday

"This is the 11th Annual Lone Wolf Relays and we have an outstanding field of teams entered," CHS Coach Robert Damron said in previewing the track meet which gets underway Saturday morning at Wolf Stadium.

Scratch meeting is set for 9 a.m. and preliminaries begin at 10 a.m. Finals will start at 1:30 p.m. and the final event, the mile relay, is set for 4:15 p.m.

Teams entered include San Angelo Lake View, Sweetwater, Winters, Coahoma, Clyde, Motley County, Ballinger and Colorado City's varsity and junior varsity.

"There will be stiff competition in each event," the CHS coach said. "Some of the area's top performers will be here and this is the week before the district track meets for all the teams. They will be trying to run their best times to prepare for next week."

The meet favorite would have to be San Angelo Lake View, he said, as they have won two of the meets the Colorado City team has entered this year and then finished second to Hamlin last week at Lake View. Another strong contender will be Clyde, he said.

"The Wolves should be in the thick of things trying to take top honors," Damron said.

The coach gave a rundown of some of the matchups to watch for during the running of the Relays: Shot Putters Steve Belvin of CHS and Mike Bozeman of Lake View, both have efforts of over 50 feet; Levi Cauley of Lake View, Blake Hammond of CHS and F. Moran of Coahoma in the Mile run; Pete Parham and Bill Everett, both of CHS and Mike Bozeman of Lake View in the Discus; Ray Torrez of CHS, Flint McNeil of Winters and Charlie Warren of Lake View in the Intermediate Hurdles (they all finished about an inch apart in the last meet at Ballinger).

Others to watch for include Wayne McKee of CHS in the pole vault, sprinter Ted Butts of Lake View, hurdler Andy Chalker of CHS, 880 man Drex Grisham and Quartermilers Frank Sanchez and Monty Martin, all of CHS.

Records in the Lone Wolf Relays show that a number of Colorado City trackmen hold records of several years' standing in the meet:

--Discus, Devorce, CHS, 157'9", 1971.

--Pole Vault, Arnold of Vernon, 12'8", 1974.

--Shot Put, Devorce, CHS, 58'2½", 1971.

--Long Jump, Cooper of Stamford, 21'10", 1973.

--High Jump, Jones of Brownfield, 6'2", 1973.

--880 dash, Campbell, CHS, 2:10.7, 1967.

Wolves varsity track team placed fourth at the Ballinger Relays last Saturday as Hamlin won first place in the meet.

CHS coach Robert Damron said that Hamlin is making it look tough for the District meet but "We are still going to give them a run for it."

"They have managed to come up with a lot of depth and we just don't have the depth right now but we hope we can come through at the District meet," he said.

Damron said that some individuals came through with good performances at Ballinger.

Team members placing at Ballinger are as follows:

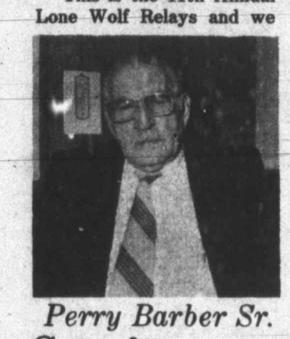

--Ray Torrez, 2nd, 330 I. Hurdles.

--Andy Chalker, 4th in 120 H. Hurdles.

--Blake Hammond, 3rd in the 880 dash.

--Drex Grisham, 2nd in the 440 dash.

Perry Barber Sr.

Services For Barber Monday

Mitchell County Attorney Perry O. Barber Sr. died at 12:40 p.m. Saturday in a Houston hospital. He was 67.

Barber, a longtime West Texas lawyer, had been an assistant district attorney in Taylor, Gregg and Harris counties, and was appointed county attorney in Mitchell County Aug. 1, 1974, after the resignation of Joe Earnest. He then ran for election to the office later that year and was a candidate for re-election, unopposed, this year.

Barber was a member of a pioneer Mitchell County family as his mother, Bertha Conaway Barber, was the daughter of Mr. and Mrs. C. P. Conaway, pioneer ranchers in the Westbrook area.

His father was the Rev. Oscar Barber, a Baptist minister who died before the family moved to Abilene in 1927.

Barber was born Sept. 25, 1908 in Monument, N.M. Three of his four brothers also were attorneys. Barber and his brother, Dell, were partners in the same law firm in Colorado City in the 1950's.

He graduated from Abilene High School and the University of Texas Law School.

He became first assistant to Dist. Atty. Ed Paynter in Taylor County Jan. 1, 1969 and on Dec. 3, 1970, was appointed interim Abilene Municipal Court Judge.

However, before he assumed duties as city court judge in Abilene, he resigned to become felony prosecutor for Harris County Dist. Atty. Carol Vance.

Barber was Colorado City Municipal Court Judge before becoming County Attorney in 1974.

He married Laura Spires Dec. 21, 1935 in Austin. She died Feb. 14, 1972.

Barber was a member of First Baptist Church in Colorado City. Funeral services were held 2 p.m. Monday at First Baptist Church, the Rev. Glenn Roenfeldt, pastor, officiating. Burial was in Colorado City Cemetery under the direction of Kiker-Seale Funeral Home.

Survivors include a daughter, Laura Barber of Portland, Ore.; two sons, Perry Jr. of Houston and James of Dallas; a sister, Ada Haralson of Abilene; two brothers, Dell of Colorado City and Bob of Tucson, Ariz., and three grandchildren.

He was preceded in death by two brothers, Judson Truett and Pete, and a sister, Mrs. J. W. Ware.

Loraine students and teachers will attend classes each weekday, getting no Easter Holidays except for Saturday and Sunday.

Sunrise Services Sunday

Sunrise Services are set for 6:30 a.m. Sunday at Ruddick Park and the Mitchell County Ministerial Alliance is encouraging everyone in the county to attend the services.

Narrator of the Easter story will be Glenn Polk and there will be special music and congregational singing during the service.

Caravan Coming

Mobile Museum, Art Show, Barbeque

Tuesday, April 20, the Armed Forces Bicentennial Caravan will arrive in Colorado City.

It will be stationed at the parking lot at Colorado High School and open to the public, at no admission charge, from the hours of 1-7 p.m.

Army Captain Ken Colucci, officer in charge, said, "This is a concerted effort by the Armed Forces to bring the American Revolution Bicentennial closer to the people of Colorado City and surrounding communities. It is not a recruiting program."

The mobile museums, which represent the four major military services, and illustrate the Bicentennial theme--"The History of the Armed Services and their Contributions to the Nation," will be set for display here and expected to draw a large crowd from surrounding towns.

In conjunction with the Caravan, there will be a barbeque sausage meal served in the CHS cafeteria from 11:30 to 7 p.m. and an art exhibit in the lobby of the high school.

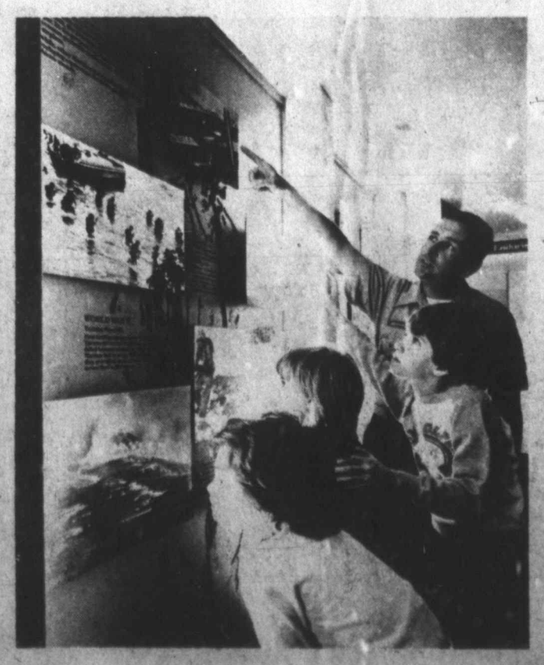

Menu consists of Barbeque Sausage, Pinto Beans, Potato Salad, Pickles, Onions, Bread, Tea or Coffee and tickets are currently on sale by members of the Wolverines organization at CHS: $2, adults, and $1.50 for children under 10 years of age.

The special art exhibit is entitled "Historical Places or People in Mitchell County" and is open to any artist who wishes to display paintings following the theme.

Sponsored by the Chamber of Commerce Bicentennial Committee, co-chairmen Bobbie Steakley and Shirley DeLaney are arranging the show and can be contacted for more information about placing and picking up paintings.

The art show will be open for noon through 6 p.m. in the CHS lobby and artists are asked to bring paintings to the school from 9-11 a.m. for arranging for display.

"IT HAPPENED LIKE THIS"--At right, Marine Gunnery Sergeant George Benter explains a historical exhibit to some young visitors in the Marine Corps Bicentennial van. Above, Petty Officer Rhonda McGee explains the finer points of the Radar exhibit to a Navy van visitor. Both vans are part of the four-van Armed Forces Bicentennial Caravan which comes to Colorado City April 20.

Mrs. Perkin To Head Local Hemophilia Foundation Fund Drive

Mrs. Mac Perkin has been selected as special events campaign chairman for the Texas Chapter of the National Hemophilia Foundation, it was announced today by Dr. James Leveson, president.

Mrs. Perkin will be conducting a special event in Colorado City to raise funds to support services for Hemophiliacs and their families in Texas and to help support research into this disease.

There are approximately 1,200 boys and men in Texas who are afflicted by this blood disorder, commonly called "Bleeder's Disease."

Contrary to popular belief, most Hemophiliacs do not bleed to death from a cut finger. The real difficulty is internal bleeding. resulting from a bruise or heavy strain on a joint.

Such hemorraging causes extreme pain and eventual crippling unless detected quickly and treated through the use of an infused clotting factor.

Infusions are expensive, with some families faced with annual bills as high as $26,000.00.

"I'm looking forward to helping these persons through a campaign here, Mrs. Perkins said. "Eighty per cent of all funds raised will be spent in Texas, with 20% going to National research and program. I'm sure that the people of Colorado City will help me support such a worthy cause."

FHA Week Celebrated At WHS

April 4-10 was National FHA week and the Westbrook Chapter honored this event in several ways.

To begin with, the Senior girls held a teacher appreciation week. The girls baked chocolate chip cookies and presented them to the teachers as a sign of their appreciation.

Junior members gave a dinner in honor of the FHA week and the Sophomores made banners advertising National FHA week for all girls to wear.

The freshmen girls have a tea in honor of the 8th grade girls who will be eligible for home economics next year.

The chapter also held its monthly business meeting on April 6. The main topics of business were the plans for the Mother-Daughter Banquet and the election officers.

The Mother-Daughter Banquet will be held in the school cafeteria on May 4.

Election of '76-77 officers was held and Pam Parsons was elected as the new president for the next year. Alice Lopez will be her assistant as vice president.

Other officers are Dana Dorn, secretary; Julie King, treasurer; Lynn Anderson, reporter; Pansy Hale, historian and Erlinda Reyes, parliamentarian.

A delegate was also elected to go to the National FHA meeting in Fort Worth. Carolyn Hubbard was elected to go as delegate along with Mary Alvarez, present president, Pam Parsons, '77 president and Mrs. A. Ellis, advisor.

The group will leave April 29th and will return the 1st of May.

This adjourned the business meeting and refreshments were served. The refreshments were made by the freshmen class. They served chocolate chip cookies and punch.

COLORADO MIDDLE SCHOOL CHATTER

Week of April 1

Good or Bad Start

With aching backs, numb arms and legs, and a few smashed fingers, the students and teachers completed the move from the old CMS building to the newly renovated CMS (the old high school) last Friday.

Of course, when the track team, made up of boys, girls & "hard-working" (?) coaches heard that a move was to take place, they left town.

You people who think moving is all for the boys have another think coming! ! The girls worked and helped just as much as any of the "strong" (?) boys and men did.

The girls even had to help some of the boys up the stairs. All in all, everyone was pretty good help, even though the teachers were in the way--part of the time. Instead of the teachers carrying books, maps, chairs, tables, etc., their heavy purses were the cause of their aching arms!!

(Of course they had the hard job of putting everything in its proper place over the weekend). Everyone learned there are at least 60 million steps to the new building from the old one.

Mr. Reynolds says this move taught him at least one thing--when he retires, there is "no way" he'll run a moving service!

***

Our yearbook arrived the last of March. Everyone is enjoying looking at them and signing one anothers annuals. The few extra annuals that we received were sold the following day.

The annual staff received a letter from the superintendent commending them on an excellent yearbook.

The annual staff again would like to express their gratitude to our sponsors Mrs. Gavin and Miss Brown for a job well done.

***

The girls track team went to Stamford to compete in the District track meet last Friday. These girls did a fine job and placed 3rd in their district with a total of 84½ pts.

In field events the girls gained 21 points which were won by the following:

--Triple Jump, Becky Corbell, 5th, 26'1½".

--Long jump, Brenda Smith, 4th, 13'5¼"; Jessica Randle, 6th, 13'.

--Discus, Jessica Randle, 2nd, 74'6".

--High jump, Carolyn Lewis, 4th, 4'4".

--Shot put, Terri Hulme, 6th, 22'1½".

In the running events the girls did exceptionally well also. Here are the results:

--220 yd. dash, Jessica Randle, 2nd, 29.0; Brenda Smith, 3rd 29.3.

--80 yd. low hurdles, Carolyn Lewis, 1st, 13.8.

--660 yd. run, Connie Castillo, 6th, 2:11.6.

--330 yd. dash, Frances Rodriques, 3rd 50.2.

Other girls that did not get in the finals but tried their best are: Delores Martinez, Dee Ann Hamer, Melinda Fuller, Marji Maddox, Toni Hotto and Jana Bassinger.$

Again congratulations to these girls for doing a fine job and also a very special thanks from all the girls to their coach, Miss Linda Ezell for staying with them and giving them the support and encouragement they needed.

In the track meet piling up 147 points last Friday was the 7th grade track team, putting them in 1st place. In the 440 relay, Steve Light, Donald Owens, Mark Carter and James Johnson got 6th place.

This week in 6th grade math we have been adding and subtracting fractions with different denominators. You have to change to a common denominator before you can really begin to work the problem.

We worked in our books and workbooks. I think everyone did real well since we were so excited about moving over into the new building.

In the 6th grade math this week we have been reviewing fractions. On April 1, Mrs. Powell played an April Fool joke on us by saying we would have a test. We did not have our test on fractions until the next day.

We have studied whole numbers, improper fractions and adding and subtracting fractions. We forgot a lot over the Spring Break we had.

We also have been doing reducing fractions for example 42/36 or simple ones like 4/8, 2/6, etc. We have had a busy week.

Taylor Hosts N. Loraine HD Club Meeting Wednesday

On April 7, at 2:30 p.m. the North Loraine Home Demonstration Club met in the home of Mrs. Henry Taylor. Mrs. Taylor and Mrs. T. L. Holman co-hosted the meeting.

The meeting opened with Mrs. Clifton Henderson, club president, presiding. Mrs. J. E. Price led the group in the club prayer. Recreation consisted of an Easter egg hunt within the home. Mrs. Roy Wells took the prize for finding the most eggs.

Club reports were given and new business was brought before the group. The club voted to make contributions to the Cancer Society Drive and also to the Muscular Dystrophy fund. The club will be completing their area in the Cancer Drive within the next two weeks.

A nominating committee was appointed to obtain nominess for the coming club year. Those named were Mmes. T. L. Holman, Hubert Meadows and Arthur Shepherd.

The roll call was answered with "My Favorite Color."

Mrs. Jack Linam who had attended the Leaders Training given by the extension agent, Janis Choate, brought an interesting program on the "Social Role of Clothing."

She brought out the importance of first impressions that are made by our taste or mode of dress. Through dress we are expressing our personality, as a general rule. However some concepts may be altered later. Careless dress has a tendency to create a negative response from those about us.

Three of the factors involved in buying clothes are comfort, psycological need, and the sense of belonging. Inappropriate dressing is seldom accepted socially.

She advocated that rational buying was a good point. Not to buy because it was a bargain, or a beautiful garment, but because it filled the need.

Mrs. Linam then passed around magazine pictures of people wearing various types of clothing asking for discussion on how much was revealed by the clothes they wore. Pictures of well known people in America, with their faces covered, were passed around to see if they could be identified by their clothing. Many were identified and this clarifies the fact that we do establish our identity many times by our clothing.

Refreshments were served by the hostesses to the following: Mmes. Jack Liman, J. E. Price, Hubert Meadows, Roy Wells, Bud Shepherd, Clifton Henderson, Victor Galvan and Raymond Wheeler.

The next meeting will be with Mrs. Roy Wells April 21st. Mrs. Loretta Owens, a nurse will bring the program on Health.

Mrs. Stella Ellington, a visitor gave an interesting talk on Easter.

Mrs. Butler directed a quiz on Flowers and also a "Who's who in the Bible, as recreation.

A sandwich plate with cake, coffee and punch was served.

Present were Mmes. C. A. Land, Homer Mearse, Butler, Hal Bennett, Charlie Harris, A. G. Mercer, L. E. Crutcher, Dexter Taylor, A. G. Furlow, Henry Neill, H. G. Denson and Harvey Leach.
