ROUND OF THUNDERSTORMS LEAVES 4 INCHES HERE

Showers Arrive at Critical Time

Slaton and the area got some of those "million-dollar rains" the past week as a round of heavy thunderstorms rolled over the area for four days, giving rain gauges their best readings in about a year.

The rainfalls measured a little over 4 inches in Slaton, while the spotted heavy thunderstorms left almost double that amount in places and less in others.

Strong wind and some hail accompanied the thunderstorms and damage to young cotton was termed "excessive" around the area. Overall benefits of the moisture, however, were expected to far outweigh the prospects of some replanting of cotton.

Rain was recorded here early Sunday morning, Friday night, Thursday afternoon, and Wednesday night of last week. The largest deluge in Slaton came Friday night when a total of 2.25 inches was measured in some gauges in the city. The Friday rain blew in with a strong wind. Some hail accompanied the Thursday afternoon thunderstorm, and National Weather Service warnings had residents wary during the round of showers.

Slaton recorded about 1 to 1.5 inches of moisture Thursday, after a trace to .25 of an inch was reported Wednesday night last week. Measurements were around .50 to .70 of an inch here early Sunday morning. About 4 inches of rain, however, was reported in some areas north of Slaton across the canyon.

The moisture gave a big boost to dryland farmers, who were nearing their deadline on planting cotton. The next two weeks were considered "critical." Streets in Slaton were running curb to curb after the rains Thursday and Friday, but little or no damage was reported.

The fields were so dry, however, that farmers were able to move into action with their tractors in some areas. Where rainfall was heavier, or where low-lying areas still held water, the fields were expected to "soak up" the water in a few days.

High temperature for the week was a 94-degree reading Tuesday as the mercury started to climb following the showers. The week's low (56 degrees) was recorded Saturday, as was the low maximum, 74 degrees. The low reading was only 68 degrees Wednesday morning.

Lakes and low-lying areas in the Slaton vicinity were brimming to capacity, in many cases, for the first time in about a year. The Slaton area escaped most of the violent weather that was prevalent in some South Plains and Panhandle towns.

Strong winds uprooted trees in Lamesa, where 3.5 inches fell in a deluge Friday night.

Plans Underway For July 4th

Plans for Slaton's annual July 4th Celebration are underway, it was announced this week by Ronney Jones, general chairman.

The annual event is expected to include games for children, a ping pong tournament, entertainment, food and drink booths, and a big fireworks display at the close of the day.

Jones announced that Bob Kern will head up activities for the celebration; Bob Mohon will be in charge of entertainment, and Jim Newhouse is chairman of concessions.

Civic and service organizations are invited to participate in the July 4th Celebration by sponsoring booths at the Community Park. Another "Kiddie Parade" is also planned to kickoff the day's activities.

Airport Passes Annual Rating

Slaton Municipal Airport passed its annual compliance inspection with a "very good" rating recently, it was announced this week by Mayor Bland Tomlinson.

The mayor received a report from the Federal Aviation Administration, South - west Region, stating that the annual inspection was made on May 20. The report stated that "the general appearance of the airport is listed as very good," and that the City of Slaton is considered to be in compliance with the grant agreement.

MEMORIAL DAY SCENE---Special Memorial Day services were conducted at Englewood Cemetery Monday by Slaton VFW Post 6721 and the Ladies Auxiliary. The brief services were held at 10 a.m. Monday to honor the war dead of the community. The majority of Slaton firms and business stores were closed in observance of the holiday. (SLATONITE PHOTO)

SGT. NOBLE GETS PUBLIC HEARING

Officer Fired, Loses Appeal to Commission

Sgt. Gene Noble, dismissed from the Slaton Police De - partment Thursday, lost an appeal Friday in a public hearing when Slaton City Commission upheld the action of Police Chief Glenn Farmer.

Noble, claiming he had been "unjustly dismissed", requested the public hearing and asked to be re-instated. The commission heard prepared statements from both Noble and Farmer at the 2 p.m. hearing Friday, and also heard statements from other officers and citizens at the hearing.

Farmer told the commission he had dismissed Noble because of a "neglect of duty." He claimed that Noble had "a negative attitude" toward fellow officers and the department, disobeyed orders by allowing teenagers to ride with him in a police vehicle, spent too much time at some places while on duty, and failed to keep up with required written reports.

In his statement, Noble said he had requested formal charges on the dismissal four times before getting them in written form on Friday morning. He claimed the reasons given for dismissal were "unjustified, inflated and without basis."

Neither the police chief nor Noble called on supporting witnesses after their statements. However, Mayor Bland Tomlinson opened the hearing to anyone who had "valid comments", and later posed questions to other officers on the force.

About two dozen persons attended the hearing, in addition to the mayor, three commissioners and city secretary. Commissioner George Quintero was not present.

The commission went into closed session following the hearing, and Noble received a written notice Saturday morning stating: "The City Commission of Slaton does sustain the action of Chief of Police Glenn Farmer that your services were terminated as of May 27, 1971."

It appeared the most damaging comments at the hearing were made by Noble's fellow officers. The three patrolmen --making generally the same statements--said Noble was "a fine man" but showed inexperience as an officer and supervisor.

Farmer stated that he had no questions about Noble's char - acter and--in response to a commissioner's question--said he held no personal grudge. He claimed it was strictly a matter of the officer's failure to carry out orders.

In answer to another question, the police chief said "punitive action" had been taken when necessary, against other officers in the department.

Five young men were among those speaking in support of Noble. They cited his work with the youth in "helping to create a better image for policemen." Four of the teenagers are members of an Explorer Post, sponsored by the police department with Noble as the advisor.

The four -- Charlie Geer, Leland Kuykendall, Steve Angerer and Leslie Melcher -- said Noble was "one of the few policemen you can talk to," and that he had "helped keep some of the youth out of trouble." One said that Noble had helped "control the drinking problem on the square at nights."

Another youth, Paul Payne, said he was not a member of the Explorer post but he and others had "great respect" for Sgt. Noble. "I think he is a great Christian, is really interested in youth, and looks at both sides of problems," Payne stated.

Others making comments at the hearing included Bud Englund, Ken Romines, John Fondy, Jake Wendel, Clark Self Jr., and officers Tony Chavez, Fred Clark, Randal Holley and Martha Elder. Newsmen Dee Bowman and O.G. Nieman also posed questions.

Englund commended Noble for "being involved in the community" through work with the Explorer post and, for a time, through the Lions Club. He said he thought that "public relations" was a vital part of a policeman's work.

Farmer replied that the department was "happy about Gene's work with the youth, but he spent too much time on other activities". He added that "with the many duties an officer has, he does not have much time for public relations."

John Fondy told commissioners that "the facts as presented here do not seem to justify the dismissal of the officer."

At the opening of the hearing, Mayor Tomlinson read from the employee's manual stating, in part, that a city employee who feels he had been "unfairly treated" can request a public hearing. He stated that Noble had made such a request and then asked for statements from the officer and the police chief.

Immunization Clinic Here

The local immunization clinic, conducted by the Lubbock County Health Department, will be held today at the community center building. The center is located between 4th and 5th Streets on Powers.

Immunizations available include smallpox, diptheria, whooping cough, polio, tetnus and typhoid.

The clinic will be held the first Thursday at the center, and is to be administered by Mrs. Jeannie Johns, county health nurse.

Mrs. Gladys Blair, executive director of the Slaton Housing Authority, where the clinic is to be held, said that other services available through the center will include general health services, a family planning clinic, maternity clinic and dental clinic. Some of these will be on a referral basis with the larger facilities in Lubbock.

It was reported that, if this would cause a transportation problem for some persons, transportation can be provided.

A Slaton patrolman, Jim Skelton, was involved in a one-car accident early Sunday morning at 13th and Division. The officer was off duty and was returning to Slaton after an out-of-town trip.

The investigating officer said Skelton was traveling west on Division when the car veered into the curb, then struck a utility pole and overturned. The car came to rest on its top. Skelton was treated and released at Mercy Hospital, sustaining minor lacerations and bruises. The mishap occurred about 2:40 a.m. Sunday.

Police Chief Glenn Farmer reported that Skelton submitted his resignation as a patrolman Monday afternoon. Although he was ticketed for failure to control a motor vehicle in connection with the accident, the police chief said this had no bearing on the resignation.

Police Chief Nabs Suspects

Slaton Police Chief Glenn Farmer apprehended four suspects in Slaton just 13 minutes after a reported robbery Friday at the Midway Grocery northeast of the city.

Four Lubbock men were charged with theft and bond set at $1,000 each in a Lubbock court Tuesday. Charged were Clarence Hawkins, 24; Clifford Conner, 28; Charlie J. Williams, 29, and James A. Coleman, 30.

When the report first came to the police station, it was thought to be an armed robbery. Later it was reported that the four defendants allegedly took about $140 from the cash register in the store while the owner was distracted outside the building.

Chief Farmer, acting alone, arrested the four suspects on the outskirts of Slaton after spotting their car coming into town on the Golf Course road. Two teenage boys probably aided in the swift capture of the suspects.

Rodney Scott, 15, son of the owner of the store, telephoned the sheriff's office in Lubbock to report the robbery and an alarm was put on the police radios. Another youth, Jace Parchman, 13, gave a description of the auto and the license number to deputies.

The incident occurred near noon Friday.

Davies-Milliken Nuptials Read

Miss Vicki Milliken became the bride of Arthur Davies II in double ring ceremonies here Tuesday evening at First Baptist Church. Rev. J. L. Cartrite officiated.

Parents of the couple are Mr. and Mrs. Douglas Milliken and Mr. and Mrs. Kenneth Davies, both of Slaton.

Given in marriage by her father, the bride wore a formal gown of white imported organza and Peau D'Ange lace fashioned in the princess silhouette, featuring a tiny yoke of lace. The stand-up mandarin collar was beaded with seed pearls and frosted with crystals. The full Camelot sleeves gathered onto scolloped lace cuffs and tiny covered buttons held the back closing. A panel of lace extended down the center front with a wide border of scalloped lace encircling the hemline and Chapel length train.

Her full length Chapel veil of imported illusion was attached to a profile type headpiece of matching Peau D' Ange with lace motifs adorned with seed pearls. She carried a cascade of white roses.

Jane Webb served as maid of honor. Bridesmaids were Debbie Milliken, sister of the bride, and Mary Ann Milliken, of Lubbock, cousin of the bride. They wore formal-length gowns of yellow sheer organza, featuring a high neckline trimmed with white and yellow venise lace. The long full sleeves featured a banded cuff of lace. The bodices were accented with a yoke effect lace trimming, and fell to full gathered skirts.

Their headpieces were picture hats of horsehair braid, with a large bow of maline. They carried nosegays of white daisies.

Bill Davies served his brother as best man. Claude Stricklin and Dick Davis served as groomsmen. Ushers were Ronnie Howard and Bobby Joe Harlan.

Candlelighters were Sundee Stewart and Jon Dawson. Noel Sparkman served as flower girl.

Mrs. Dwayne Smith, organist, played traditional wedding music.

A reception followed in the fellowship hall of the church.

The couple will make their home in Honolulu, where he is stationed in the Armed Forces.

Mrs. Davies is a 1971 graduate of Slaton High School. Her husband is a 1968 SHS graduate, and attended Texas Tech University and Texas University.

JACK LANCASTER

JACK LANCASTER CITED FOR YOUTH WORK

At the end of school activities at Sanborn Elementary School in Amarillo, Jack Lancaster, principal, was about to end his speech when to his surprise, three men walked into the auditorium. It had been preplanned by his teachers.

One of the men was president of the Cal Farley Boys Ranch near Amarillo. The ranch is better known as Kids Incorporated. Lancaster was presented with the annual award given to an outstanding citizen. He was cited for his outstanding work with youth in Amarillo. He received an engraved trophy which was a man with his arm around a small boy and inscribed, "For going the extra mile with the little guy, 1970-71."

Lancaster has been called by fellow principals as the "missionary". Many times with his own money, he has put shoes on barefoot children. Besides the interest he has taken because of his school being mostly Latin Americans, he has studied very hard to master the Spanish language which had been a great barrier in his profession. Now he is able to communicate and is welcomed into many homes where once he was not welcome.

He is a former Southland resident where he was born and raised. Graduating from Southland in 1945, he was valedictorian of his class. He attended Texas Tech, spent some time in the Armed Forces and then returned to Tech and graduated in 1950. He is now working on his doctorate.

He is the son of Mr. and Mrs. Earl Lancaster of Southland. He is married to the former Juanita Moseley, daughter of Mrs. Edgar Moseley of Slaton. They reside in Amarillo and have two sons, Kevin and Jon, 14 and 11 years old.

Mayor Speaks To Rotarians

Mayor Bland Tomlinson was guest speaker for the regular weekly luncheon meeting of Slaton Rotary Club Thursday in the Community Clubhouse.

The mayor reviewed the city's revenues and expenses --giving a breakdown on salaries and costs of departments. The police department, as might be expected, has the largest budget.

Total expenditures in 1970 were about $497,000 and salaries amounted to about $186,680 of the total. The police department salaries were near $70,000 while sanitation, street, water, and administrative departments were all over the $20,000 mark.

Several guests and visiting Rotarians were introduced at the club meeting, with Dee Bowman presiding.

Irrigators Take Babe Ruth Lead

Montgomery Irrigation won two games the past week and took the lead in the Babe Ruth League standings with a 4-0 record.

The rain and two graduation nights cut play to a minimum last week. Montgomery and Crawford won games Monday and Tuesday, while Montgomery downed CSB in the only game played last week. Rain washed out games Thursday and Friday.

CSB and the Slaton Co-Op Gin were scheduled Wednesday night, while Montgomery meets the Furniture Center tonight. Crawford and CSB tangle Friday night.

Jim Alba pitched a two-hitter to lead Crawford to a 13-5 win over the Furniture Center Tuesday night. The Chevy team had only three hits off two SFC hurlers, but used walks and errors to run up the score. Lupe Valderaz had a double for the winners while Clarence Hammons and Simon Gonzales had singles. John Whaley and Carlos Tamez had the two hits for SFC.

Montgomery scored four times in the first inning and rolled on to a 11-3 win over the Ginners Monday night. Mike Lewis and John Washington gave up seven hits to the Ginners. Montgomery collected nine hits off two Ginner hurlers.

Montgomery pitchers walked only two batters in the game--one of the keys to success. Mike Lewis had two doubles and a single to lead the winners, and Keith Bumpass had two singles. Kelly Copeland and Tony Leake had two hits each for the losers.

The game between Montgomery and CSB on Wednesday of last week was called after five frames because of rain. Montgomery had only five hits off loser David Magallanes, but took advantage of 10 walks to score a 10-6 triumph. CSB had six hits. Mike Lewis had a double and two singles for the winners, while Ronnie Smith and Craig Nieman had doubles for CSB.

Going into Wednesday night's action, Montgomery had a 4-0 won-lost record while CSB and Crawford were next with 2-1 marks. The Ginners and Furniture Center were both 0-3.

Three Slaton Boys Leave For FCA Camp

Three Slaton football boys will leave Lubbock Saturday night for Estes Park Camp for the National Conference of the Fellowship of Christian Athletes. They will return Friday, June 11, about noon at the TNM&O Bus Station in Lubbock.

They are Steve Nieman, son of Mr. and Mrs. O. G. Nieman, Steve Mosser, son of Mr. and Mrs. Hugo Mosser and Ron Bartley, son of Mr. and Mrs. Earl Bartley. Nieman and Bartley will be juniors next year and Mosser will be a senior.

Purpose and organization of the FCA was explained by Coach Brown of Texas Tech during a program held at the SHS Auditorium Sunday night. The camp is for boys in all sports, not just football. Outstanding college and professional ball players will be working as leaders at the camp.

Also on the program Sunday night were Richard Campbell and Eddy Nicholson who entertained the audience with singing and led those attending in some old-fashioned gospel songs. At the close of the program, they asked all the coaches and athletes in the audience to go to the stage and the program was closed with singing "America" and "God Bless America".

All three boys attending the camp are active in more than one sport and in their churches. Mosser is a member of St. Joseph's Catholic Church, is a varsity letterman on the football squad and plays American Legion baseball. Bartley, a member of the First Baptist Church, participates in football, basketball and track. Nieman, also a member of the First Baptist Church, participates in football, track, basketball and American Legion baseball.

These are the first Slaton boys ever to attend the FCA Camp and they were elected by the local FCA Chapter composed of football players. After attending the program Sunday night, they are "more than ready to leave" and most likely will have many experiences to tell about when they return.

Nursing Home News

What lovely June days! Everyone is doing so good today. Oh yes, I would like to say that I'm sorry about an error last week. I listed Mrs. Florence Stephens as Mrs. Fred Stephens but found out that her husband's name was John. I am really sorry for this mistake. We want to welcome Mrs. Stephens, she is really a lovely lady.

Mrs. Ludie Geer is back from Methodist Hospital and seems to be doing real good after her surgery last week. She has a wonderful attitude, so she will be well before you know it.

We finally got our administrator, Vata Wojtek, educated. She graduated last Thursday from South Plains Junior College in Nursing Home Administration. She received her certificate for 200 actual clock hours. Vata has gone to school for about a year, and says she will really miss going, but is really glad to be out. We would all like to say, Congratulations Vata.

Mr. Bigham Tumlinson is still in the hospital.

Attend The Church of Your Choice Sunday

— a weekly message relating the world of today to the lessons of Faith and Church . . .

The things which are seen are temporal; but the things which are not seen are eternal." —Corinthians IV,18

The grandeur of nature staggers the eye and the imagination. The wide river that flows across the valley floor. The oak tree that stands tall and straight against the sky. The eagle that soars effortlessly with the wind. We marvel at the wonders of this ancient earth. And yet, too seldom we give thought to the reality that we are young and the earth is young. "Out there" is a universe. Here, there and everywhere, is God, and the promise of eternity.
