It's autumn. The feel, and taste, and sight and smell are everywhere. The leaves are still mostly green, but they are thinning fast, and turning to those flaming colors that signal the end of summer.

Roses and wildflowers are putting on a last display, and the mornings are cool.

Airconditioners have been turned off, and that short, sweet period when windows can be left open day and night and everyone still feel comfortable has passed.

Now, it requires cover and closed windows to keep from waking up with cold feet.

Most people have been expressing feelings of mild irritability, melancholy or depression.

It's only natural. Because even though the blazing heat of summer is gone and the world is at it's loveliest, even if lots of folks love cold weather, the knowledge that everything is going to be barren and gray soon affects us.

Probably it harks back to a time when many would not survive winter time. For with autumn upon us, winter cannot be far behind.

And winter was once the time of terror. In medieval times, or in the villages of native Indians, winter was a season of desperation.

In winter the elderly the weak or the very young frequently starved to death. Even the healthy became pale and sickly as inadequate diet took it's toll.

Winter was a time when sickness stalked populations, and when being truly warm was only a dream left over from summer!

No, winter was not always friendly to humans, just as it is not always friendly now to the wild creatures.

In our background we once had to search for fuel, shelter and food just as today the squirrels and coyotes must.

Ancient peoples, even before medieval times, struggled to survive in primitive shelters that could not have furnished much comfort.

Of course, it hasn't been that long since heated homes were unknown.

Most people over fifty can recall a time when a fire place or wood stove provided only the barest heat. A summer of canning and provisioning kept hunger at bay, but pneumonia and other illness ran rampant.

It's no wonder that lodged somewhere in our instincts is a certain amount of dread that the cold season is approaching!

But our winters are mild, our food adequate, and about the only dread of the cold most of us need to worry about now is paying for the gas or electric bill...so relax, enjoy autumn and ignore those twinges of depression.

After all, it's a lovely, lovely time of year!

## Talco-Bogata Recognizes Principals

By Mollie Williams  
Texas Governor William P. Clements, Jr., recently issued a proclamation designating the week of October 10-16 as Secondary School Principals Week in Texas and urged Texans to pay appropriate recognition to those principals.

An official memorandum from the governor's office stated that the school principal is a vital element in the educational process. These men and women serve as the instructional leaders on the school campus and act as a liaison between teachers, students and parents in the community.

The school principal is the recognized educational leader of a school and has been proven by research and study, to be the key factor in establishing the effectiveness of a school. The principal's leadership and direction sets the atmosphere and tone of a school, the climate for learning, and is the basic foundation upon which a school's goals are achieved.

The skills of the principal effect the performance of teachers and the degree of concern for what students learn and become. These important individuals play a major role in establishing educational excellence in our state by successfully implementing the elements of education reform.

The state of Texas appreciates the skill, dedication and commitment typical of its school principals and it is most fitting that these men and women be recognized and honored.

Many of the citizens in Bogata, Talco surrounding communities can recall when principals served in the small rural and one room schools as teacher, principal, janitor and many other unclassified tasks. Over the years, changes have been made in education and many of the present day duties of principals reflect some of those changes. Due to larger enrollments, an intensified amount of paper work, and more discipline problems in the school, principals sometimes find themselves overwhelmed with the task of fulfilling their roles as leaders.

A principal's job description for the Talco-Bogata CISD states the job goal for principals is that by use of leadership, supervision and administrative skills they manage the assigned school so as to promote the educational development of each student. By observing the principals of our three campuses as they perform their duties from day to day, it is easy to see that Mr. Smith, Mr. Stubblefield and Vickers all go above and beyond their requirements in an effort to aid in the academic and social well being of their students.

As principal of Rivercrest High School, James Smith meets new challenges each day. Mr. Smith became principal of Rivercrest in 1986. He served as principal of Bogata Elementary and Junior High for the 1984-85 school year. Mr. Smith began his student teaching in Custer, OK at Custer High School teaching Industrial Arts in 1963. He became the Industrial Arts and Math teacher at Robert E. Lee Junior High School in Pampa in 1963 and taught there until 1966. He taught math at Choctaw High School in Choctaw, Ok from 1966-67. From then to 1975 he taught math at Iowa Park High School in Iowa Park. He became assistant principal of Coakly Junior High in Harlingen in 1975 and served in that capacity until 1977. From then to 1980, he served as principal of Clarksville Junior High in Clarksville and then moved to Como where he was superintendent until 1984.

Mr. Smith graduated from Jewell High School in Jewell, Oregon in 1959. He received his Bachelor of Science degree from Southwestern Oklahoma State University in Weatherford, OK in 1963 with a major in Industrial Arts and a minor in Business and Physical Education. He received his Master of Education degree from Southwestern Oklahoma State University in 1967, with a major in Math and minor in Physical Education. He received his Post Master's from East Texas State University in Commerce with a major in Educational Administration and a minor in Secondary and Higher Education. In August of 1988, Mr. Smith received his Doctor of Education Degree from the Department of Secondary and Higher Education with a major in Educational Administration from East Texas State University. He is very active in civic organizations, the community and the First United Methodist Church where he is a member. He is married to Beverly Ann Place, a secretary at Region VIII Education Service Center in Mt. Pleasant. They have one daughter, Teresa Twedell of Mesquite and a son, Gary, a student at Oklahoma State University.

In response to questions about Mr. Smith, Rivercrest High School students described him as fair, understanding and always willing to give the students another chance. Frank Stubblefield is a name most people in this area are familiar with. In describing Mr. Stubblefield, area residents, teachers and parents of Bogata students use words such as friendly, concerned, kind and always ready to listen to the problems and needs of others. Bogata faculty members agree to as their supervisor, Mr. Stubblefield is always fair and considerate. Mr. Stubblefield graduated from Bogata High School in 1949. He then attended Paris Junior College, but his education was interrupted by his serving in the United States Air Force from 1950 to 1953. In 1956 he received his Bachelor of Science degree in Mathematics from East Texas State University and his Master of Education degree in elementary education from ETSU in 1966. He received his Administrative certificate for elementary and junior high from ETSU in 1969. He completed his student teaching at Bogata in 1956. From 1956 to 1957, Mr. Stubblefield served as a mathematics teacher and junior high coach at Dimple. From 1957 to 1961 he was employed by the United States Postal Service as the Bogata postmaster. He became the high school coach and mathematics teacher at Bogata in 1961 and in 1962 became principal of Bogata Elementary School and remained in that position until 1974. He was then employed as a mathematics teacher at Rivercrest High School. From 1975 to 1984, he was the head coach of girls basketball at Rivercrest. He became principal of Bogata Elementary and Junior High in 1986.

Frank Stubblefield is married to Anita Rich and they have three daughters, Elizabeth Jones of Rockwall; Linda Barlen of Arlington; and Jo Ann Poole Ceburne. They two grandchildren. He is a member of Texas State Teachers Association and Teachers Elementary Principals and Supervisors Association, various civic clubs and attends the United Methodist Church in Bogata. Billy Joe Vickers is a 1949 graduate of Bogata High School. He then attended Paris Junior College. He received his Bachelor of Science degree from East Texas State University in 1957 with a major in Elementary Education and a minor English. He received his master of Education degree from East Texas University with a major in Administration in 1962. He completed his practice teaching at A.L. Day Elementary in Commerce, teaching science. He has a total of 31 years experience in the Talco and Bogata Schools. He coached on Elementary and High School levels for 15 years. He is a member of the Lions Club, served on the Talco City Council and attends the Church of Christ in Talco. He served a short time in the United States Navy. He is married to Wanda Rogers and they have one daughter, Tina Nolen of Talco. They are expecting their first grandchild soon. Having lived in Bogata and Talco, Vickers is loved and respected in both communities. Talco residents are of the opinion that he is a very fine person and has the best interest of his students at heart. Principals often get labeled a "heavy" because of their duties involving discipline in the schools. With this knowledge, principals must work hard to gain the trust of students while maintaining their authority. According to students on the three campuses, Mr. Smith, Mr. Stubblefield and Vickers have all managed somehow accomplish this task. Not only do these men have the students and teachers as friends, they also hold their respect as instructional leaders on the school campus.

## Band Boosters Sell Rebel T-Shirts

The Talco-Bogata-Rivercrest Band Boosters will be taking orders for Rebel T-Shirts from October 14 through November 15.

The cost of the shirts is \$8.00 each. The shirts are blue with red lettering and will be available for viewing at Bogata Elementary and Junior High and Talco Elementary and Junior High and at Rivercrest Campus.

The Band Boosters next meeting will be October 15 at 5:30 at the Rivercrest Band Hall. All interested persons are urged to attend.

## One Day Sale On Sabres Is Coming Up!

Tuesday, October 18, has been set aside for the one day advance sale of the 1989 Rivercrest yearbook, the Sabre.

The cost for the yearbook on Tuesday will be \$20.00 and must be paid in full. All other books sold after October 18 will cost \$24.00. This will be a \$4.00 increase over the price last year which was necessary because of the rising cost in producing the yearbooks. Students will be able to buy a yearbook on Tuesday at each of the school campuses.

## Kiwanis Hears Basketball Prospects From Coach Wood

The Wednesday morning Breakfast-At-Bogie's meeting of the Bogata Kiwanis Club heard head basketball coach at Rivercrest High School, Wake Wood, talk of the prospects of the 1988-89 basketball season. Wood related that this year will be a rebuilding process for the school. He believes that despite their inexperience, the talent and motivation of the team members promises they will give a good account of themselves.

## Bogata News Mail Bags Stolen

Vandals stole the Bogata News last week, literally! The bags of mail left at the back door of the Bogata Post Office were stolen, then recovered later after being dumped. Most seemed to be intact.

The mail bags will not be left at the door of the Post Office in the future, so that this can be prevented.

nathy, President, McCrury Cemetery Association; Mary Hausler, Red River County Clerk, Annette Lovett, President, Red River County His-

torical Society, Drue Pirtle, Red River County Commissioner and L.D. Williamson, Red River County Judge. (Staff Photo by Mollie Williams)

## Lions-Lioness Fall Fish Fry Is Saturday

The Bogata Lions Club met in regular session October 6 at 7:30 at the Bogata Community Center with 15 members present and guests. David Rozell called the meeting to order. Judge Watson led the pledge to the flag. Henry Burress, owner of Burress Foods, was introduced by David Rozell.

Final plans were made for the Lions-Lioness Fish Fry, serving will be between 3 and 7 p.m. Prices are \$5.00 for adults and \$3.50 for children. Anyone wishing to have a meal

delivered to their home, call Judge Watson at 632-5601 or Tommie Corbell at 632-5460 before noon on Saturday, October 15.

In other business, a \$100.00 donation was approved for the Rivercrest Booster Club. President Rozell asked every member to inform the public about the program to be put on by the Game and Fish Commission about the changes in the hunting laws and gun safety to be held at the Community Center on October 13 at 7:30 p.m.

John Ragsdill will prepare and serve the meal for the next meeting of October 20 at 7:30 p.m.

## Red River, Titus Counties Unite To Repair Bridges

Red River County Precinct 1 Commissioner H. Drue Pirle and Titus County Precinct 3 Commissioner J.W. Terrell closed the bridge across Sulphur River last Wednesday for repairs. Road crews from both counties were busy tearing out each end of the bridge in order to level the approaches and re-deck the ends with new bridge lumber.

The Sulphur River bridge is one of the twenty-one bridges in Precinct 1 that the Texas Highway Department has recommended to close until it is repaired.

The repair on the bridge is scheduled to be finished Thursday and the road will be open to the public again.

Plans are being drawn by the Texas Highway Department to build a new bridge across Sulphur River to replace the old bridge. It is hoped that the contract can be signed to begin construction next summer.

LONG TIME Reunion-George Holt, Mrs. Lillian Stephens and Mrs. Evelyn Lockeridge are sharing some special time, as the siblings are visiting for the first time in many years. ## Brother And Sister Reunited After 64 Years

By Nancy Brown

George Holt of Sugar Hill has visitors. His sisters, Mrs. Evelyn Lockeridge and Mrs. Lillian Stephens arrived October 4 with his nephew, Dudley Taylor and great-niece and nephews, James Lee and Leah.

A family get together may not be too unusual. But it is when Mr. s Lockeridge and Mr. Holt haven't seen one another for 64 years!

The family was born in Illinois. In 1919, when the girls were ages 7 and 10, they moved to Canada with their parents. George Holt had already left home, having run away at age 14 to join the Circus.

Mrs. Lockeridge said, "Mom didn't know when he was for years, can you just imagine her worry?" While Holt was traveling with Elder Brothers Circus, the rest relocated.

He returned to Canada in 1923 to visit. That was the last time he had

seen Evelyn. His sister, Lillian, has visited him four times since June of 1967, so it had not been quite so long for her.

George married Morene Brownlee in 1932 and they have raised three sons and one daughter at Sugar Hill, sometimes known as Wilkenson. W.D. Holt, James Lee Holt, Robert Dean Holt and Marilyn Milner never really knew their aunts far away in Canada.

The Holts have 13 grandchildren and 28 great-grandchildren. Evelyn had four children, 18 grandchildren and 20 great-grandchildren, so they will have plenty of "catching up" to do with pictures and news.

Mrs. Lockeridge said "My biggest desire before I left this earth was to see my brother one more time." That wish has been granted.

## Without weatherstripping, money may be slipping out the door

If you don't have weatherstripping, you're probably losing heated and cooled air through the cracks around your windows and doors.

Since you paid for that heated and cooled air, you're losing money — by paying for more electricity than you need.

Weatherstripping is fairly inexpensive, and you can weatherstrip your home in a weekend.

For a step-by-step brochure on weatherstripping, visit or call your local Texas-New Mexico Power Company office today.

### RULES OF THE GAME

CLIP OUT THIS PAGE AND MARK YOUR CHOICE OF WINNERS OF THE GAME THAT APPEARS IN EACH OF THE ADS ON THIS PAGE.

Do not guess the score, just the winner. If you predict a tie, so indicate with the word "Tie" written across the ad.

GUESS BOTH THE WINNER AND THE SCORE FOR THE GAME MARKED "TIE-BREAKER", THAT APPEARS ON THIS PAGE.

Tie-breaker game winner will be counted with other games but tie-breaker game score will be used only to break ties among contestants, with the game winner first, margin of victory second, total game points third and total points by winner fourth. If still tied, the prize money will be divided equally.

Fill in your name, address and phone number (if

any) and either mail or bring this page, or a facsimile of the list of games, to either The Deport Times or The Bogata News.

Entries brought to either of the newspaper offices, must be in that office no later than 5 p.m. Friday of this week. If mailed, entries must be mailed to either The Deport Times, P.O. Box 98, Deport, TX 75435; or The Bogata News, P.O. Box 306, Bogata, TX 75417. All mailed entries must be mailed in time to arrive with the Saturday morning mail.

It is requested that only one entry per person be submitted. In the event of more than one entry from a contestant, that person will be eligible for only one prize in that contest week.

Everyone is eligible, except employees of The News-Times newspapers and their families. Decision of judges will be final.

# Rivercrest Blows Wolves Away At Homecoming Bash!

AROUND THE END- Scooter Brown evades a Wolfe City Player while number 13, Jimmy

Lewis and other teammates finish their blocking. The Rivercrest Rebels took a big Home-

coming win from the Wolfe City Wolves, blowing them away 27-0 Friday night (Staff Photo by Gary House)

## Young Homemakers Meet

The Young Homemakers of Rivercrest met Tuesday, September 27 at the home of Ginger Cecil. The meeting started with the discussion of having several fund raisers during the year and making donations to the community. Events were planned for each month with special guests and a

few surprises, so the Young Homemakers are excited about the upcoming year.

Those attending and enjoying hot dogs and homemade ice cream were Mrs. Bonnie Gage, Sherry Hollis, Beverly Taylor, Kathy Riddle, Freda Jean, Mary Lynn Horn, Teresa Taylor, Angie Burgess, Sherrie Cheatwood, and Ginger Cecil. The next meeting will be Tuesday, October 25 at 7 p.m. with a Trick or Treat dinner in the homemaking room at Rivercrest. Everyone is welcome.

## Rebel Booster Club Meets

The Rebel Booster Club met Monday, October 10 at Rivercrest with Greg Bagley filling in for the absent Bro. Gary House.

After the meeting was called to order and the minutes were read an approved, discussion began on fund raisers. Mr. Bagley reported that Harold Crowley preferred that the booster club not request donations from local businesses due to the annual staff's recent ad sale.

It was decided getting support from local clubs would be fine. The Bogata VFW donated \$200.00 and the Lions and other local clubs will be asked to also help with donations to the Booster Club.

Other suggested fund raisers were a checkered basketball game, this will be checked into by Nancy Brown, more bake sales, car washes, volleyball tournaments and may be a powder puff football game. Insurance was a big question concerning powder puff football. All suggestions were tabled until more research can be done.

## Johntown News

**By Kathy Woodall**  
I want to apologize for little or no news for the past few weeks. Due to illness and an accident, I have not had time but I should be able to resume contacting you in a week or so.

For those of you who said you would call me with your news, please let me hear from you. Please remember this paper goes all over the country, not just to our neighbors and there are family and friends out of town who would like to hear about you and your family. If you would like me to call you, let me know when the best time is for you. My phone number is 632-4633.

Mrs. Faye Faulkenburg came home Monday from a weekend in Lovington, NM where she went with her daughter, Nelda Belzung to see her grandson, James, play football with

Beene, Danny Beene, Jeff Bagley, Kevin Binion and others played so well on defense that Wolfe City would cross the middle stripe but once, just barely, to the Reb 47, all night.

The secondary of linebackers Woods, Beers, Craig Easley and cornerbacks Jeremy Abshire and Jimmy Lewis shored up the front line so well, that Wolfe City would net less than 100 yards on the ground and only 26 passing.

Perhaps the key play in the contest came near the end of the first quarter, when on fourth and three from the Wolves 21 yard line. Woods had a fourteen yard gainer for a first down. Woods had a 14-yard gainer for a first down. Two plays later he scored from the two, and after the conversion failed, the Rebels led by 12-0 with 1:49 left in period one.

The Rebels balanced rushing attack saw four ball carriers account for 117 yards, while the passing of Woods added almost 60 more. The offensive line including Chad Ingram and Kevin Binion, Joey Webb and Jesse Woods and Ronony Alsop handled their blocking assignments well. They kept a continual chant going in every huddle.

Special teams play was highlighted by the work of Audie Early and the punt returning of Woods, who had a total of 105 yards on three carries, with another 40 yarder negated by penalty.

Indeed, the victory came because of a total team effort.

The Rebels third touchdown of the game capped a five play 46-yard drive, their longest of the night. The key play was the juggling catch of a

pass from Woods to Clint Tidwell, good for 33 yards. Woods then scored his second touchdown of the game on a 12-yard run. With 1:03 left in the period, Rebels were comfortably ahead 18-0.

The Rebels scored twice in the final stanza. A quarterback sack of fifteen yards by Kevin Beene, forced the Wolves to punt, and Woods returned it 37 yards to the Wolfe City three yard line. From there, Scooter Brown would cross the goal line.

David Stansell's point after was good to make the score 25-0 in favor of the revelling Rebels.

The Rebel defense accounted for the final two points. A 44-yard punt return by Woods went for nought when the Rebels fumbled on the Wolfe City 8-yard line. Following a 13-yard pass completion by Swinson, Jeff Bagley gained the yadage right back for the Rebels when he sacked the Wolfe City signal caller for a 13-yard loss. Senior reserve linebacker Tony Hudgeons cornered Swinson in the endzone for a two pointer with less than two minutes remaining to seal the Rebel victory.

Rebels will face an important test this week as they travel to Honey Grove, who lost to district favorite Cooper last week.

Giddens emphasized the importance of the game. "In order to have a realistic chance of making play-offs, we need to beat Honey Grove. The team has a lot of confidence, and if they play as well as they have the last two weeks, we'll have a chance."

Game time at Honey Grove is 7:30 p.m.

**Local Sales Tax Rebates Down**

State Comptroller Bob Bullock said Friday that a surge in sales tax rebates to several large metropolitan areas in Texas reflects increasing statewide economic growth and stability.

"The state's metropolitan areas are doing even better than originally forecast. I'm glad to see Texas is sitting on solid economic ground again," Bullock said.

However, locally, rebates were down, as Blossom received no payment this period for a .68% decrease over the same period from last year.

Deport received no payment this period, for a 1.21% decrease over the same period last year.

Paris received \$144,914.56 this period, for a 6.27% increase.

Bogata received \$1,238.72 for this period, for an 8.61% decrease over last year's payments to date while Clarksville received \$12,869.76 for this period for a 7.31% increase.

Talco received \$1,437.19 for this period, for a 33.08% decrease over last year's payments to date while Mt.

Pleasant received \$77,639.15 for a 7.82% decrease.

In the larger metropolitan areas,

such as Ft. Worth, whose payment showed a 27.4% increase and Houston, whose payment grew 22.4% for the same period, other cities showed large increases as well.

Checks totaling \$64.8 million were mailed to 914 Texas cities that collect an optional local sales tax at either one percent or one and one-half percent, showing a growth of 17% in sales tax rebates this month over October 1987, Bullock said.

The checks represent taxes collected in August and reported by Sept. 20.

**Call Social Security Toll-Free For Information, Help**

"The Social Security Administration has improved its telephone service for the residents in the service area who have not had access to toll-free telephone calling," according to Ray Hudson, District Manager in Paris.

Anyone who has had to pay a long-distance charge to call Social Security can now call without cost by using the toll-free number 800-234-5554 or 800-234-5772. In addition, the hours people can call have been extended.

With the new toll-free number, anyone can call 24 hours a day. Calls

between 7 a.m. and 7 p.m. each business day will be answered by a live operator, and, at other times, a caller can leave a message which will be answered the next business day, or at a convenient time chosen by the caller.

Callers should find SSA's new toll-free telephone service especially convenient when they need to change a mailing address, obtain their earnings record, or make an appointment to apply for benefits. All calls to conduct Social Security business should now be made using the new telephone number.

**Out Of The Mouthes Of Babes**

By Mollie Williams

Never has there been a truer statement than, "Out of the mouthes of babes comes the truth." If you don't really want to hear the truth, don't ask a child because, in most cases, the answer will be straight from the child's heart.

Recently, at the request of Mrs. Ginger Foster, I spoke to the sixth graders at Bogata Junior High on writing. This week I received a thank you card from Mrs. Foster along with individual letters from the students, also thanking me. The letters gave me several hours of pleasure as I read them over and over again.

One of the things I shared with the students is to always write what you feel. I encouraged them to be sincere in whatever they were writing. I told them that we are living in an era of time when people in general like sincerity. From reading these letters, I

think I got my point across to them. All of the letters from the students were very nice and all extended warm thank yous. The reasons they gave for enjoying the talk varied. Several wrote they enjoyed not having to work during that time. Others wrote they enjoyed seeing another person standing at the front of the class for a while. One student thanked me for coming giving advice about writing and then added, "Lord knows, we needed it." In closing, another student wrote she couldn't think of anything else to say so she gave me the score of the September 29 Rebel football game. Many of them wrote that they hoped to become a famous writer someday. Who knows, maybe they will. I think I'll hold onto these letters as if that day comes, I'll have something for them to autograph. Thanks kids!
